its first year, millions of motorists have proved the benefits of Conoco Super Gasoline with TCP

The Greatest Gasoline Development in 31 Years

ere are the facts proved by millions:

- 1 Boosts your car's power as much as 15% (neutralizes power-robbing lead deposits).
2 Gives you extra gas mileage (latest report up to 3 miles more per gallon).
3 Is just like an engine tune-up (lets you enjoy your car's built-in power).
4 Increases spark-plug life up to 150% (actually preproofs your spark plugs).
5 Makes it possible for you to enjoy all the extra benefits of Conoco Super's higher-octane rating.
6 But don't take our word for it! Read what motorists, themselves, say about Conoco Super with TCP.

1 "I remember when tetraethyl lead was first put into gasoline 31 years ago. Now comes Conoco Super with TCP! It's lived up to my '51 Mercury—and now I get 3 more miles to the gallon." Mr. John T. Knudsen, Traffic Officer 3088 South Fourth East, Salt Lake City, Utah

2 "Conoco Super with TCP is doing everything it's promised in giving our '53 Cadillac extra mileage, power, and performance. We won't take any other gasoline, because TCP has no substitute." Mr. S. E. Brooks, Retired RR Engineer 107 North Third, Bismarck, New Mexico

3 "I maintain four cars and three trucks. In all of them, it's Conoco with TCP. I'm getting new-car performance. Starting on cold mornings is easier. I'm sold on Conoco Super!" Mr. Ray B. Crowley, Wholesale Florist Littleton, Colorado

4 "Conoco Super Gasoline with TCP does the job as no other gasoline has done before. My 1950 Chevrolet runs quietly, doesn't make knocking noises, starts right up and goes farther to the gallon." Mrs. S. J. Crosby, Housewife 415 West 9th Street, Ansonia, Montana

5 "Conoco Super with TCP is a vitamin tonic for my '48 DeSoto. The engine starts promptly. And the mileage savings are like getting up to a gallon and a half of free gas to every tankful." Mr. William Grubowski, Electrical Contractor 422 North Ninth Ave., Elgin, Illinois

YOUR GUARANTEE The trademark, TCP, is your guarantee that you are getting the full benefits of "the greatest gasoline development in 31 years." Only Shell Oil Company and its licensee, Continental Oil Company, have TCP.

After one full year, there's still no substitute for Conoco Super Gasoline with TCP

Physician Attends Clinic Conference

Dr. Harry A. Tubbs was in Lubbock Tuesday to attend a tumor clinic conference for practicing physicians, conducted by the Baylor University College of Medicine.

The conference was one of a series of district meetings in which the American Cancer Society of Texas is taking part.

Held at the Caprock Hotel, the conference began with a luncheon. The Crosby County Medical Society was host for the evening session.

On Thursday of last week, Dr. Tubbs and Dr. John R. Rountree were in Lubbock to attend a one-day study course, sponsored by the Texas Academy of General Practice in cooperation with the Southwestern Medical School of the University of Texas. The course featured a number of guest speakers.

Office Ransacked At Greenfield Hardware

The office of T. R. Greenfield, owner, was ransacked in a week-end burglary of the Greenfield Hardware store, 112 East Main, but apparently nothing of value was stolen.

The intruder gained entrance to the store after breaking out a rear window, but was unable to get through a locked door into the main part of the store, confining his activities to the rear of the building.

The break-in was discovered Monday morning. Drawers had been pulled out and left on top of a desk in Greenfield's office.

Investigating officers conjectured that the burglar had been drinking, since there were signs on the floor and on cotton sacks in the office that he had become violently ill while ransacking the room.

DAVID W. RATLIFF

Ratliff To Make Race For Senate

David W. Ratliff, 42-year-old member of the Texas Legislature for two terms and elected to a third term, has authorized the announcement of his entry in the race for state senator for the 24th Senatorial District.

The Stamford lawmaker has never had an opponent in the three times he has been elected to represent his district. Ratliff presently represents Jones, King, Stonewall and Dickens counties in the House of Representatives.

The 24th Senatorial District, for which he is running, is composed of Howard, Mitchell, Nolan, Taylor, Shackelford, Jones, Fisher, Scurry, Borden, Garza, Dickens, Kent and Stonewall counties.

Ratliff has served on numerous important committees in the House, and is at present a member of the Texas Water Resources Committee, a committee set up to try to solve the state's complex water problems. He is senior member of the House from the 24th Senatorial District.

Ratliff is owner of radio station KDWT in Stamford. His family consists of a wife and four children. The oldest son, David, is now in the Navy and stationed at Norfolk, Va., and the other three children, John, Lynnora and Janie, are at home. Mrs. Ratliff actively helps run the radio station.

Ratliff stated that his friends in the 24th District have urged him to run for this promotion to the Senate, since he is the senior member in the district.

## Wardrobe, Trip, Publicity, All Await South Plains 'Maid Of Cotton' Miss

LUBBOCK (Spl.)—A glamorous, all-cotton wardrobe—an expensive-paid trip to Memphis, Tenn.—and nation-wide publicity—all are awaiting some young woman who will be selected this year's South Plains Maid of Cotton.

The glamorama of South Plains beauty will be held in Fair Park Coliseum in Lubbock the night of Nov. 22 before an audience of several thousand persons. The evening finals will climax a full day of judging, during which the attractive contestants will be interviewed by the judging panel.

Wayne Prather, chairman of this year's pageant, has announced that attractive brown-haired Beverly Pack, this year's National Maid of Cotton from El Paso, has been invited to be the special guest at the South Plains contest. If she accepts, this will be the first time a National Maid has attended the South Plains contest.

The winner of the South Plains title will be an automatic finalist in the national pageant to be held in Memphis, Jan. 3 and 4. Only 20 young women from throughout the cotton-producing region of the nation are allowed to compete in the Memphis finals.

Any young woman in the area who is at least 5 feet 5 inches tall, between the ages of 19 and 25 inclusive, was born in a cotton-producing state and is unmarried, is eligible to compete in the South Plains contest. En-

try blanks and complete information about the glamorous pageant are available by writing Box 561, Lubbock, Texas.

The winner of the contest here will be selected on the basis of intelligence, poise, personality, as well as appearance. Among the prizes she will receive will be a fabulous cotton wardrobe to wear to Memphis and then to keep for her own. This and the other prizes are provided by the South Plains cotton industry.

Interest in the South Plains contest has shown a marked increase during the past three years and officials are expecting between 20 and 25 contestants from throughout the area. Plans are also being made to take care of the largest crowd ever to witness the spectacle.

## Highway Patrol To Use Radar

Radar speed meters will be used in this area in the near future, according to Capt. E. L. Posey of the Lubbock District of the State Highway Patrol.

Preparations are being made, he said, to post "radar enforced" signs on major highways in the Lubbock district.

The meters are mounted in unmarked patrol cars. Each has a dial which registers the exact speed of any vehicle passing in any direction.

The officer in charge, upon observing a speed violator, radios down the highway to another officer, who stops the speeder.

The instrument includes a graph which records the speed of all passing vehicles, so the speed trends can be determined.

## Three Post Students At Tarleton State

STEPHENVILLE (Spl.)—Three Post area students are now attending Tarleton State College.

They are: Alma Joyce Short, daughter of Mr. and Mrs. Lowell Short, Post; Janyce M. Lobban, daughter of Mr. and Mrs. V. A. Lobban, Post; and Billy G. Jones, son of Mr. and Mrs. Carl Jones, Post.

## VA Questions And Answers

Q. I understand that a veteran may not receive Korean GI training benefit payments if they duplicate payments made by the Government under some other program. I plan to enroll in a land grant college, which gets Federal funds from a non-VA source. Would I still be permitted to take my training under the Korean GI Bill?

A. Yes. The fact that the Government provides funds to land grant colleges would not deprive you of your rights to enroll under the Korean GI Bill. The ban on duplicate payments would apply only if you yourself were to get money from two Federal sources—the VA and some other agency.

Q. I have a GI insurance policy. I have named my beneficiaries but I have not yet told VA how I want the money paid out. If something were to happen to me before I designate a method of payment, what will VA do with the money?

A. If you fail to select a method of settlement, the insurance money will be paid to your beneficiary in 36 equal installments. Your beneficiary, however, would have the right to choose some other settlement method so long as it is not a lump-sum payment.

Q. I am a disabled World War I veteran drawing a VA pension. Recently I set up a small busi-

"The instrument is not to be used as a 'speed trap,' but rather as a warning to motorists to travel a little slower and live longer," Captain Posey said.

Following erection of the "radar enforced" signs, speeding tickets will be issued to all violators, officials said.

ness that I operate part-time from my home. Do I have to count all the money I make from the business as income, for pension purposes?

A. No. In computing the income from your business, you are permitted to deduct necessary expenses of carrying on the business. It is your net income that counts, not your gross income.

Q. Would it be possible to attend a cooking school in France under the Korean GI Bill? This school is not a college.

A. No. Under the Korean GI Bill, veterans may train in foreign countries only at accredited colleges and universities. They may not enroll in any other type of school.

Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in The Clarion's office. "We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to The Clarion. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

From where I sit, just about everyone thinks his own town is best. Picking your town comes natural. The right is in this "picking," though, is what really counts. Whether it's a favorite town, a favorite out of town, or even a choice of a language—say between beer and hot milk, it's respecting the rights to this freedom of choice that makes a good neighbor. I hope you subscribe to that!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars. Lots of car buyers have wished for such a car. Lots of automotive engineers have dreamed about it. But there were plenty of reasons why it couldn't be done. Then Chevrolet and General Motors designed and built a car to fit the dream—the *Motoramic* Chevrolet! Come in and see how the *Motoramic* Chevrolet for '55 is far more than a completely new car. It's a whole new idea about cars!

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

Come in and meet the *motoramic* Chevrolet

### HUMBLE BITS

Folks: We sure wish these high prices would come down. We used to have to borrow a quarter to go out to lunch. Now we have to make a four dollar bill.

Don't feel so bad about borrowing, though, some of the most promising people are borrowers.

The best one to borrow from is a pessimist, because he can't expect to get it back, now.

Some times, when you start to borrow, you find that it isn't the only place where "untouchables" live.

The man said that borrowing is the art of exchanging air for cold cash.

There is always cold cash. You can't keep it long enough to get it warmed up.

Speaking of cash, here's something that will stretch your dollars a little farther. Buy your ATLAS FILTER ELEMENT.

### Texas Tech Artists Course Scheduled

LUBBOCK (Sp.)—Five outstanding attractions have been scheduled for the 1954-55 Texas Tech Artists Course.  
The famous Robert Shaw Chorale and Orchestra will open the annual series of programs on Nov. 19, to be followed by Robert Goldsand, pianist, on Dec. 9. Well-known throughout this area, the Houston Symphony Orchestra will play at Tech on Feb. 3, 1955.  
The Anta Players will present the ever-popular Thornton Wilder play, "The Skin of Our Teeth," on March 7.  
Final performance for the season will be given by Zvi Zietlin, violinist, on April 18.

### '55 National Cotton Acreage Allotment Is Set By Benson At 18,113,208 Acres

WASHINGTON — Secretary of Agriculture Ezra T. Benson has announced a 1955 national cotton marketing quota of 10,000,000 bales. He set a national acreage allotment of 18,113,208 acres, the minimum allowed in farm law.  
The acreage allotment represents a 15 per cent cut back from this year's 21,400,000-acre allotment.  
Benson announced that cotton farmers will vote Dec. 14 on whether they want to go along with the stiff controls.  
Two thirds of the farmers voting must approve before the controls can go into effect. If the

controls are rejected in the referendum, government price supports automatically will drop to 50 per cent of parity. If the controls are approved, price supports on cotton may be set anywhere from 82 1/2 to 90 per cent of parity next year.  
Cotton farmers have never voted down controls. This will be the second year in succession that Benson has proclaimed such stiff controls in an effort to hold down huge surpluses of cotton.  
Both the 10,000,000-bale marketing quota and the 18,113,208-acre planting allotment were the minimum allowed under farm law.

Benson said that cotton surpluses are so great that—were it not for the 10,000,000-bale floor—this year's marketing quota would have been down to 9,700,000 bales.  
Benson said according to latest statistics, the total supply for the 1954-55 marketing year is estimated at 21,500,000 bales, more than 3,800,000 bales above the "normal" level of 17,700,000 bales.  
(In Austin Agriculture Commissioner John C. White said the acreage allotments "will mean a 15 per cent cut in income" to Texas cotton producers.  
(He charged a United States Department of Agriculture estimate last week boosting the estimated cotton yield was responsible for the 15 per cent cutback in acreage allotment.  
(He hinted Texas may urge congressional action to alter the formula on which Benson based his allocation.)

### DOLL CASUALTY

MARTINSVILLE, Va. — Mrs. Marvin Robertson turned on the broiler of her stove to warm the oven and walked into her garden. A few minutes later she was calling the fire department. Three trucks and a dozen men responded. They were too late. A doll which Garland Robertson, 16 months, had placed in the stove had gone up in smoke that alarmed Mrs. Robertson as it poured from windows and doors.

With only two games to go, both away from home, the Post Antelopes take a rest this weekend from gridiron wars. The lay-off will be a big help in getting Coach Bing Bingham's injury-riddled squad back into shape for the Spur game on Nov. 11 and the Abernathy game on Nov. 19.

Roscoe's Plowboys, still looking for their first win of the 1954 season, stay home Friday to battle the Munday Moguls in a conference game. Roscoe, who played Post here Sept. 3, lost to Merkel Friday by a score of 32 to 0.

The Morton Indians, who played a 7-7 tie here with the Antelopes Sept. 10, fell Friday before the rampaging Sundown Roughnecks, 45-7. The Indians face another rough one this Friday in the Stanton Buffaloes.

The O'Donnell Eagles finally won a game, vanquishing Whiteface Friday, 20 to 6. The Eagles, who lost to Post on Sept. 17, play a home game this weekend against Coahoma.

Hamlin's Pied Pipers, who beat Post, 19-6, in a game here Sept. 24, lost to Anson Friday by a 26-42 score. The Pipers have an open date this weekend before playing host to Rotan on Nov. 11.

Rotan, a team which defeated Post, 26-12, fell before the Spur Bulldogs Friday, 35 to 0. The Yellow Jackets stay home Friday to take on the Colorado City Wolves, who are up near the top in the Class AA ratings.

The Tahoka Bulldogs, who defeated Abernathy, 29 to 18, Friday, go to Slaton this weekend for a District 5-AA game that'll have considerable bearing on the conference flag chase.

The Spur Bulldogs and Abernathy Antelopes clash at Abernathy Friday in another District 5-AA encounter. The Bulldogs have one tie and the Antelopes one loss in conference play.

**Antelope '11' Has Open Date For This Weekend**

The Post Antelopes, with a won two, lost four, tied two record for the season, have an open date this week, with their next game scheduled for Thursday afternoon, Nov. 11, at Spur. It will be the only afternoon game of the season for the Antelopes.

The Post eleven started late at Slaton Friday night to lose to the Tigers, 35 to 20. Slaton scored 28 points in the first half, one touchdown coming on the final play of the second quarter. Coach Bing Bingham's charges completely outplayed Slaton in the second half, scoring three touchdowns to the opposition's one, but couldn't offset the Tigers' first half scoring surge.

A play-by-play account of the game follows:

**First Quarter**

Slaton defends the south goal and kicks, Don Gates returning 15 yards to the Post 25.

POST—Darl Norman gets 6 yards at right end and then plows the right side of the line for 5 more and a first down on the 36. Norman fumbles, but recovers for no gain, and on next play Tommy Murray fumbles, recovering for one-yard pickup. Murray's jump pass is no good, and the Post punt is returned 17 yards to the Slaton 32.

SLATON — A center plunge gains 2 yards, Dickey Beggs tackling, and Murray comes in to put stop on runner after 5-yard gain off tackle. Carrier races through big hole in Post line for 14 yards and a first down on the Antelope 47. Junior Smith tackling, Ham dashes 14 yards for another first down on the 33, where Norman makes the stop. Homer Cato stops try at center after 2 yards are gained, and then stacks another line play after a 2-yard pickup. A crack at center falls by a yard to make the first down, but another try in the same place is good for 13 yards and a first down on the 12. A pitchout gains 4, but Post is penalized to their one-yard line, and Muse rams over on the next play with 5:47 to go in the

first quarter. Ronald Smith's kick is good, and it's 7-0, Slaton.

Norman takes Slaton kickoff on his 5 and makes a nice return to the Post 35.

POST—Gates gets 3 after taking handoff, and Norman circles right end for 8 more and a first down on the 46. Norman fails to gain on a wide end run, but Ronnie Kennedy plows for 6 to the Slaton 48. Norman gets only a yard at the right side of the line, but on fourth-down gamble gains 5 on a pitchout and it's a first down on the 43. Kennedy laterals to Moody Graham, but only a yard is added. Kennedy gets 2 at the line, and Gates takes Murray's pass for a first down on the 30. Murray gets only a yard on a keeper as the quarter ends.

**Second Quarter**

POST — Kennedy takes Murray's pass for a 4-yard gain, but another pass is just over Gates' fingertips, and the next one is intercepted on the 15 and returned to the Slaton 28.

SLATON—Ham breaks loose for 44 yards to the Post 28, where Norman overhauls him from behind. Smith circles end for 27 to the one-yard line, where Cato knocks him out of bounds. Ham bangs through the line for the touchdown, with 9:54 to go in the first half. Smith's kick is good and the Slaton lead mounts to 14-0.

Norman returns kickoff 20 yards to his 35.

POST—Murray moves for one yard on a keeper, and Slaton recovers fumble on the Post 39.

SLATON—Smith gets loose for 24 yards to the 15, where Norman knocks him out of bounds. Gates stops Ham for no gain at end, but a smash at the left side of the Antelope line gains 6. A try at center fails and Slaton is penalized 5 for backfield motion. Smith circles end, shakes off three would-be tacklers and goes 17 yards for touchdown, with 7:48 to go in first half. Smith's kick splits the uprights and the Tigers lead, 21-0.

Slaton's kick rolls out of the end zone and it's the Antelopes' ball on their 20.

POST—Kennedy gets 3 yards at the line and Murray keeps to ram for 7 more and a first down on the 30. Kennedy adds 3 at the line and Murray, back to pass, is thrown for a 5-yard loss. Murray's pass to Kennedy is good, but the gain is for only 4 yards. Murray's high, wobbly punt is allowed to roll dead on the Post 47.

SLATON—Kennedy stops off-tackle smash after 6 yards are gained, and Smith circles end for 9 yards and a first down on the 32. Beggs tackling. A smash at the right side of the Post line gains 7, but next try is stopped by Beggs and Bowen Stephens after one-yard gain. Smith spins to the 22 for a first down, Andy Schmidt making the stop. A left end run gains 10, but Slaton draws a 5-yard offside penalty. Smith goes back to pass, but turns it into a run and goes to the Post 16. Billy Meeks stops line play after 2-yard gain, but next play goes to the Post 7 for a first down. With time running out, a line play gains 2, and Beggs breaks through to throw Smith for 5-yard loss. A pass falls incomplete over the goal line and Slaton is penalized 5 for backfield in motion. A pass is good for a touchdown as the half ends, and Smith's perfect place kick makes the score 28-0.

**Third Quarter**

Slaton returns Norman's kickoff 25 yards to the Tiger 35, but the carrier fumbles and Gates recovers for Post.

POST—Slaton draws a 5-yard penalty for delay of game. Gates takes lateral from Murray for 2-yard gain at end. Murray quarterback sneaks for 8 yards and a first down on the 25. Raymond Gary takes pitchout and goes for 4, but Post takes a 5-yard offside penalty against Slaton on the play. Kennedy plows through the line for 11 yards and a first down on the 9. Kennedy cuts back over center for 4, and Gates gets a yard at end. Kennedy gets 3 at center, but Post draws a 5-yard offside penalty. Kennedy plows the left side of the line for 8 yards to the one, then cracks through center for touchdown, with 8:39 to go in third quarter. Norman's kick is good, and it's 28-7.

Slaton returns kickoff 24 yards to the Tiger 39, where Beggs clobbers the ball carrier.

SLATON—Smith gets 2 yards at end. A pass is completed to the 50, but the play is nullified with the Tigers drawing a 5-yard offside penalty. Kennedy gets runner after 2-yard gain at end, and a center plunge fails to gain. Smith's punt rolls out of bounds on the Post 28.

POST—Norman gets 2 yards at end, and Kennedy bangs the line for 7. Kennedy tries the line again, this time for 3 and a first down on the 40. Norman gets through the line for 6, and Gates breaks loose around end for 24 yards to the Slaton 30, but fumbles when tackled and the Tigers recover on their 27.

SLATON—Ham is thrown for a one yard loss, and Beggs breaks through to stop Smith for a 9-yard setback. Another attempted run is stopped for a loss, but play is nullified, as both sides were offside. A pass gains 6, and the ensuing punt sails out of bounds on the 30.

POST—Kennedy gains 1, but Murray's pass to Gates falls incomplete on the Slaton 40. Kennedy recovers fumbled pitchout on Post 37 for 14-yard loss. Murray's punt is allowed to roll dead on Slaton 34.

SLATON—Two running plays gain 4 yards as the quarter ends.

**Fourth Quarter**

SLATON—A crack at center gains 4, but Gates recovers Slaton fumble on Tiger 43 after tackling ball carrier.

POST—Kennedy gets a yard at the line, and Murray carries for 4 more. Post draws a 5-yard penalty for delay of the game. Norman takes pitchout and circles left end for 11 yards and a first down on the 32. Gates takes Murray's pass for 3-yard gain, but jump pass intended for Ted Tatum is no good. Norman takes Murray's pass in left flats and streaks 29 yards down the sidelines for touchdown, with 8:53 to go in the game. Norman's kick is good and the score is 28-14.

Norman's short kick is taken on Slaton 45 and returned to Post 47.

SLATON—Beggs stops runner after 4 yards at line, but another carry is good for 12 yards and a first down on the 31. A center

plunge gains 4, and Meeks stops quarterback sneak after 2-yard pickup. Tatum stops end run after 4-yard gain and it's a first down on the 21. Two line plays pick up 6 yards, and Junior Smith breaks up end run after one-yard gain. A pass is good for a touchdown, but the play is called back and Slaton draws a 15-yard penalty for holding. A pass is completed to the 11, where it's a first down. Runner breaks through Post line for touchdown, with 4:27 to go. Smith's kick is good and the score changes to 35-14.

Gates grounds kickoff in end zone and it's Post's ball on 20. POST — Abandoning the T-formation and sending Murray back deep, Antelopes fight back with Tatum catching short pass for 2-yard gain. A long pass from Murray to Gates is no good, and Post's Cato and Slaton's Harold Trout are ejected from game. Murray can't find a receiver and runs for 11-yard gain and first down on 33. A pass fails to connect, but another, with a lateral on the tail-end, gains to the Slaton 42 for another first down. Murray's long pass to Mack Terry is no good, but another pass and lateral play gains to the Slaton 35. A short pass carries to the 22 for a first down. Norman, back as if to pass, runs and gains 22 yards to the 10. Murray gets 2 yards at end, and Norman goes the remaining 8 1/2 yards to go. Norman's kick is blocked, and the score is 35-20. Norman's kickoff is returned 12 yards to the Slaton 37.

SLATON—A center buck gains one yard as the game ends.

### Mr. and Mrs. Power Attend Car Showing

Mr. and Mrs. Tom Power were in Fort Worth during the weekend for the showing of the 1955 Fords, which will be displayed here Nov. 12.

The day's program was begun at the Worth Hotel and Theatre, followed by a luncheon at Will Rogers Coliseum and the new car presentation.

### Former Post Gridder Leads Team To Win

Norman Cash, former Post High School football player, passed for one touchdown and ran for a second tally Saturday night to lead Sul Ross past Texas Lutheran College, 18-12, in a non-conference game at Seguin.

Cash gave the Lobos their first score in the opening period when his 12-yard pass to Royce Mullins ended a 58-yard drive.

Cash scored his touchdown in the third period after taking a pass from Teele Buckner.

The former Post gridder is one of the leading ground gainers in the Texas College Conference.

### Bullock In Race For Senate Post

Pat Bullock of Colorado City has authorized the Post Dispatch to announce his candidacy for the 24th District state senate post left vacant by the death of Harley Sadler.

He is the second candidate to enter the race. State Rep. David Ratliff of Stamford had announced earlier.

Bullock is a former state senator, having served the unexpired two years of John Lee Smith's state senate term. He entered the senate in November, 1942, when Smith was elected lieutenant governor.

Bullock then served two full terms, retiring without making the race in 1952. He was president pro term of the senate during the last term.

Bullock said he would issue a formal statement concerning his candidacy later.
