GRADE SCHOOL NEWS

Mrs. Bessie McManis, Reporter

The first week of Grade School closed with the following number of students enrolled:

First grade, 87; Second grade, 38; Third, 48; Fourth, 50; Fifth, 37; Sixth, 38; Seventh, 51. During the second week five new students enrolled.

Improvements

The shrubs which were planted last spring are growing nicely. A few of them are blooming.

During the vacation months the halls and the walls of the classrooms and halls were repainted. The entrance doors were painted white. The floor and fixtures in the principal's office were varnished. New chairs were added to the library, and new tables were ordered for the library.

We are very grateful for these new improvements.

School of Instruction

Several Grade School P-TA officers and members attended the School of Instruction which was held Sept. 14 by the District President, Mrs. Adams of Crosbyton, and the District Vice President, Mrs. Ward of Aspermont.
