Special page features exciting Post Bold Gold Antelopes football team

The popular Post Antelope Football Page features photos of individual players on the championship bound Bold Gold varsity and junior varsity teams.

Each week throughout the Post Antelope football season, (and if the first game indicates, it will be another championship trip) sponsors on the promotional page get the best exposure possible, as their ads literally surround the weekly photos of coaches and players.

The page also includes information about the up-coming varsity game and schedules for the Middle School, and Junior Varsity teams.

Sponsorships continue to be priced at only \$7.50 per week, which allows for anyone interested in showing their support for the Post Antelopes to be included on the page. While costs of almost everything else have risen dramatically in the past few years, advertising on this community-spirited page remains the same.

Those businesses and individuals interested in participating on this popular special page should call Becky Warren at *The Post Dispatch*, 495-2816. There's still plenty of time to add show your interest in the team!

Council gets indication that landfill may be able to operate longer than expected

by Wesley W. Burnett
Post city manager Bob Turner told city council members at the regular meeting Monday evening that a recent inspection of the landfill site provided information which indicates that the yet to be published regulations may allow the sanitation landfill to remain in operation "for a while longer."

Preliminary information about the federal regulations concerning landfills, which has had small cities in an uproar for the past year, gives a little breathing room for operation of landfill sites in arid areas.

In connection with the landfill discussion, council members agreed to support the South Plains Association of Governments (SPAG) request for city participation in funding the remaining regional sanitation master plan. The annual cost of the city's support is 17 cents per capita, or less than \$800. The funding will allow SPAG to be eligible for matching federal funds for the study.

In other action, the council approved the proposal by The Post Insurance Agency for property liability insurance. Other local agents were given an opportunity to bid, but no others responded, according to Turner.

Library board members Will McCrary and Wes Burnett were reappointed by the council to serve two years.

City attorney Harvey Morton agreed with Turner's proposal not to pay for a court docket book, which was billed to the city by Bear Graphics at \$450. After Turner called the charge to the company's attention, the bill was lowered to \$250, "which I still think is exorbitant, compared to the price of the same book paid by Justice of the Peace Dee Justice," Turner told council members.

Morton indicated that the inflated price of the book could fall under deceptive trade practices, and suggested that Turner's offer to return the book to the company should be supported.

Council members agreed.

Turner gave the council a report on the West Main Street landscaping project, explaining that Bo Jackson and V.O. Rasbury had been contacted to prepare cost estimates for the privately funded project. The Main Street Committee

'Pioneer Lady and Gent' added to Founder's Day

Voting open to everyone

A new event for this year's Founder's Day celebration will be the selection of "Pioneer Lady and Gent", to be voted on by everyone in Garza County through a special Post Cereals promotion.

Nominations for the awards are from the Trail Blazers, Post Rotary Club, Green Thumb, Woman's Culture Club and the County Extension Organization.

Those nominated include Joe and Alma Williams by the Trail Blazers, Faye and Preston Mathis by the Post Rotary Club, Ruby Kirkpatrick and Ade Cook by the Woman's Culture Club, Sue and Quannah Maxey by the County Extension Organization and Barney and Evelyn Jones by the Green Thumb.

To be eligible for nomination, the nominees must be a resident of Garza County for at least 25 years, be at least 70 years of age and be able to attend Founder's Day activities.

Winners will receive a variety of benefits, including box seats at Saturday's Ranch Competition, tickets and designated table at the Black Tie & Boots Party, \$500 gift basket from Post merchants for both the Lady and Gent, a color portrait courtesy of General Foods and Post Cereals and a 1990 Founder's Day

commemorative poster.

The Pioneer Lady and Gent will be announced and introduced at the Black Tie & Boots Party and Ranch Competition Saturday.

People may vote for their favorite Pioneer Lady and Gent by depositing any Post Cereal box top into boxes located in businesses.

Founder's Day will be observed this year the week of October 7 and is a cooperative effort with General Foods and Post Cereals.

'Bullshot Crummond' held for two more performances

Due to the unprecedented demand for tickets, the Garza Theatre has extended for two more performances the current production of the outrageously funny little comedy, "Bullshot Crummond."

Theatre fans will be treated to performances Friday and Saturday evenings of the two-act laugh-filled satire of the 1930s low budget "Grade B" detective movies. The shows start promptly at 7:45 p.m. and patrons are encouraged to arrive at the theatre before 7:30 p.m. for seating.

"We originally planned to close Sunday," Garza Theatre director Will McCrary said, "but we are excited about presenting the play to all those who were not able to get a seat earlier."

Call the Garza Theatre box office at 495-4005 for information and reservations. The box office is conveniently open Monday through Friday 10 a.m. to 4 p.m.

Tickets are \$7 for adults and \$3 for children 12 years or younger.

The play opened in New York in 1974, ran for over a year, and was later filmed for television with the original cast.

The Garza Theatre production features several area favorites including Jon Steele in the title role of "Bullshot Crummond", following up on his popular appearance as the "evil villain" Zambra in "A Harley Sadler Show."

Also appearing are Jane Prince Jones, who most recently starred as "Dolly Levi" in "The Matchmaker." Joining the cast is Alison Hoefler, who is remembered for her role as the

"saucy French maid" 'Mignonette' in "The Happy Time".

Rounding out the cast are Rich Warren, who gave an outstanding performance as 'Benvolio' in "Romeo and Juliet" and designer/director Will McCrary.

United Way sets fund raising goal to assist local agencies

by Wes Burnett
One of the organizations supported by the Garza County United Way is currently suffering serious financial difficulties, and its members are even considering closing the center that serves a very important part of our community.

Details of the problem at the Senior Citizens Center were explained by Judge E.A. Howard to the Garza County Commissioners Court, included in the story on this page.

As important as this center is for our older citizens, it is just one of 12 organizations here who depend of your generosity through the United Way to continue serving the people here.

With a conservative goal of \$15,300, the Garza County United Way board of directors hopes to improve on last year's disappointing fund raising efforts.

"Last year we just jumped out there with a lot of enthusiasm and optimism and set the goal so that every participating unit would get what they had requested," United Way chairman Carol Peppers says, "but when it was all over and the counting finished, we had to trim everyone's request back as we only collected a little more than \$15,000."

For a county with as many resources as we have, it would seem that a goal of \$20,000 would be more attainable.

All of the participating organizations rely heavily on the United Way program to operate.

One of the main reasons for United Way is to give everyone a chance to contribute one time a year to help a wide variety of organizations, instead of each one coming around several times a year for help.

Payroll deductions, a major reason for successful United Way campaigns, are almost nonexistent in Garza County, with only a handful of businesses providing payroll deductions for the campaign.

"I already gave at the office" is a safe haven for those who wish to give to United Way through the payroll deduction, and it is fair.

Commissioners tackle budget, et September 24 for final vote

by Wes Burnett
It was a long day Monday for the Garza County Commissioners Court, as the judge and commissioners spent most of the afternoon wrestling with the fiscal year 1991 budget.

A final decision on the totals will be made at the September 24 meeting. An eight percent salary increase has been proposed for elected officials.

Judge E.A. Howard reported to commissioners that the senior citizens center might be forced to close due to "bad financial shape," and requested an immediate \$1,000 grant to "tide them over until October."

Commissioner Herb Walls suggested that if the center could maintain until October 1, the budgeted amount of \$3,000 could then be paid.

Howard explained that the restrictions imposed by SPAG's dietician has created a problem for members and senior citizens, "who just don't like the kind of food they insist that we fix."

In other matters, County Agent Lee Howard told commissioners that the county pickup truck is unable to pass the safety inspection due to bad tires and other maintenance problems. The purchase of a new vehicle for the agent has been approved, but bids will not be opened until September 24. Commissioners did not suggest an alternative vehicle for the agent, who continues to drive the old pickup with an expired safety inspection sticker.

Agent Howard also informed the court that a hiring freeze will delay the selection of a home extension agent for an unforeseeable amount of time. He also told the court that eliminating health insurance premiums for employees would create a financial problem for those employees with dependent children, "although my insurance is not affected because I am covered through A&M, I am asking your consideration on behalf of our secretary and other employees."

Two-car collision at busy intersection requires 'Jaws of Life'

Seatbelts prevent serious injuries

Patricia Cowley escaped serious injury last Wednesday evening following a two-car collision at the busy intersection of U.S. Hwy 380 and Texas 669 (Gail Hwy).

Post EMTs arriving at the scene shortly after 8 p.m. and called for the Post Volunteer Fire Department to use the "Jaws of Life" equipment in order to open the driver's door, which was jammed by the impact. Three children as passengers in the vehicle were not injured. According to witnesses at the scene, all occupants of the vehicle were wearing seatbelts.

The vehicle driven by Cowley, according to Garza County Sheriff's Department investigators, was struck broadside by a vehicle driven by Jan Stelzer.

Witnesses told investigating officers that the Cowley vehicle, headed north on Texas 669 and stopped at the intersection of U.S.

POST EMTs and volunteer firemen prepare to move Patricia Cowley from the scene of a two-car collision last Wednesday (September 5) near the corner of U.S. Highway 380 and Texas 669. Cowley was treated and released at Garza Memorial Hospital.

Letters to the Editor

Dear Editor
A small group of women have just completed a gun-handling course, courtesy of the Sheriff's department here in Post.

Our instructors, Mo Herridge and Ron Jenkins, were very knowledgeable and courteous. We are now able to handle a hand-gun properly and without nervousness. This is very important if one expects to own a gun or have one in the house.

We would recommend that every woman in Garza County avail themselves of this opportunity. These courses can be arranged through the Sheriff's department at almost any time and the cost is small.

Respectfully,
Laverne Aten, Geraldine Butler, Myra Cooper & Joyce Kiker

Dear Editor
I lost my pocket knife (red Swiss army knife with JOHN AMBLER on it) in your City Park on August 12. Did someone find it and turn it in?

If so, please notify me by mail and I will send a padded envelope with adequate postage for you to send it to me.

We enjoyed your park - certainly one of the nicest we've seen!

Medicines Relieve Glaucoma Pressure

A colorless fluid inside of our eyes bathes internal eye structures. This fluid is produced by the eye and then drains through a small canal in each eye. In glaucoma, normal drainage does not occur. The result is increased fluid pressure that squeezes the blood vessels serving the retina and optic nerve. It is thought that when the blood supply to this area is significantly reduced, nerve cells and fibers die, and permanent loss of vision may result. Glaucoma is considered one of our leading causes of blindness.

Eye specialists and many physicians routinely check their patients for increased eye pressure. If glaucoma is found, treatment with medicines can help reduce internal eye pressure and help prevent or limit loss of vision.

Some of the medicines used to treat glaucoma work by constricting the pupil of the eye. It is thought that this constriction or narrowing of the pupil relieves some blockage of the canal which takes fluid from the eye. Medicines which work in this manner include *pilocarpine*, *carbachol*, and *echothiophate*. *Timolol* is a different type of glaucoma medicine. Research suggests that the primary action of timolol is to reduce the formation of fluid within the eye, thus reducing eye pressure indirectly.

THE POWER IS ON

SPC schedules fall CLEP exams

Fall testing dates for the College Level Examination Program (CLEP) have been announced at South Plains College.

The CLEP system awards college credit by examination, explained Renee Hester, coordinator of testing and assessment. CLEP exams will be given at 3:30 p.m. and 5:30 p.m. September 17, October 8, November 19 and December 3 in the SPC Student Assistance Center, located on the third floor of the library.

Fee is \$38. Students need to pre-pay and register one week in advance.

Two types of CLEP exams are available. General exams are given in English composition, humanities, math, natural sciences, social sciences and history. Subject exams are given in such topics as American government, general psychology, freshman English, general chemistry and many others.

To make an appointment or find out more information, contact the SPC counseling office at 806-894-9611, ext. 368.

Lighthouse Singers Perform Here

The Lighthouse Singers will perform at the Church of the Nazarene Sunday, September 16th at 9:45 a.m. in the morning. The church is located at 202 West 10th in Post.

Frank and Joyce Taylor began their music ministry shortly after their marriage in 1959. As their children David, Rick, Mike, and Tawnya came along they joined in both singing and playing instruments.

In 1977 just before their appearance on the 700 Club they became The Lighthouse Singers.

This group, since that time has

traveled extensively across Texas, New Mexico, Oklahoma, Louisiana, and Arkansas, playing their instruments and singing Southern Gospel Music, and testifying for the Lord.

In the last few years new additions have shown up, one after another. Rick added his wife Rosie, and his daughter Erica. David added his wife Bridgette, and daughters Chryslin and Jessica. Mike added his wife Joyce and daughter Robin.

The Lighthouse Singers would like to be a blessing to you.

Poka-Lambro to provide equal access

Poka-Lambro subscribers will soon be asked to choose the company which will provide the long distance service for the 1+ calls going outside their area. This is known as Equal Access.

Ballots containing the names and telephone numbers of the long distance companies participating in Poka-Lambro's Equal Access program will be mailed to Poka-Lambro subscribers September 27. In order to determine which company is right for their calling needs, Poka-Lambro suggests that subscribers call the companies listed to find out about their rates and services. Subscriber's telephone lines will be connected to the company they have chosen

December 26, 1990. (Approximately March 1, 1991 for the Gail exchange).

Poka-Lambro encourages all subscribers to make a choice. If a company isn't selected by the deadline shown on the ballot, Federal Communication Commission rules require that subscribers be randomly assigned to one of the companies listed. Poka-Lambro prefers that subscribers make their own choice.

Poka-Lambro is committed to affording their subscribers the same benefits enjoyed by urban Americans. If you have questions about Equal Access, please call the Poka-Lambro business at 806-924-7234.

Trooper Ramsey assigned to Highway Patrol Service in Post

Trooper John W. Ramsey, 31, has graduated from the Texas Department of Public Safety Training Academy and has been assigned to the Highway Patrol Service in Post.

Trooper Ramsey was one of 100 cadets recently commissioned as Texas state troopers in graduation ceremonies at the DPS Administrative Headquarters in Austin. Trooper Ramsey, a native of Graham, assumes his new police officer duties immediately.

Colonel Joe Milner, DPS director, said he's very proud of the new troopers and is looking forward to their service with the Department.

"These men and women received a comprehensive 22-week course extensively covering the many responsibilities of DPS troopers," Col. Milner said. "They have been well-trained to uphold the laws of this state in routine as well as hazardous law enforcement circumstances."

"A Texas trooper must perform a number of different tasks in addition to enforcing traffic laws. The trooper will assist in narcotics arrests and other felony cases as well as manhunts and disaster situations," Milner pointed out.

The DPS training course included comprehensive instruction in traffic law, criminal law, arrest procedures, accident investigation, and numerous other law enforcement related topics.

 The Southland Ex-Student Association hosted a 1990 Reunion, August 18th at the Southland High School. Approximately 160 people attended. A pot luck supper began at 6 p.m. followed by a business meeting at 7 p.m. Oldest grads that were in attendance were Edmund Stolle from Slaton, Erna Lee Irvin Lambert from Slaton and Christine Draper Lee from Amarillo. These three people graduated in 1928.
 Harold Wayne Danaboo from Poway, Ca., traveled the furthest. 1992 officers are Sammy Ellis serving as president and Kelly Jo Myers serving as secretary.

RRC approves production increases

The Railroad Commission voted Thursday to allow Texas oil wells that can, to boost production up to their maximum efficient rate, a move that is expected to increase Texas crude production by some 20,000 barrels a day. The action is not expected to harm long-term oil production in the state.
 Chairman Kent Hance and Commissioners John Sharp and James E. (Jim) Nugent approved the emergency measure for 90 days, beginning September 1.
 Fields operating under special field rules that limit well output below the maximum efficient rate of production are not affected by the Commission action.
 The commissioners deferred a decision on increasing production in the East Texas Field to permit review of oil company data and field studies. They will again consider the East Texas Field production rate at their next monthly hearing to set oil production limits in the state, scheduled for September 20 in Amarillo.

Counts announces for re-election

State Representative David Counts (D-Knox City) today disclosed his intentions to seek re-election to the 78th District House seat he now holds.
 In making this announcement Counts said, "Overall, the regular session and six special sessions were very successful. As a result of the Legislature's efforts, Texans will be safer, healthier, and better prepared to meet the many challenges of our changing state. Much of this included workers compensation reform, public school finance equity, health and human services, and the broadest state and local prison expansion and reform program in the history of Texas."
 "We face greater and more serious challenges in the future. This election is going to determine who draws district lines that are going to be used for the next 10 years. District 78 is primarily a rural district. I am working to keep the district rural so we can still have a collective voice for rural Texans."
 "It is my desire to see this state again become the economic hub of this nation, with our people working, excellent schools and colleges, with criminal activity at the lowest level in recent history," Counts stated. "I want to continue to work for the people of the 78th District in the 90s to meet these challenges," he concluded.

Post Antelopes arrive at Abernathy with quickness, speed and preparation...

Offensive and defensive linemen establish dominance

by Wes Burnett
The Post Bold Antelopes lost the toss of the coin at midfield last Friday night in Abernathy...but that was just the beginning of a 39-0 onslaught as coach Dewayne Osborne's "inexperienced" team completely dominated the contest.
After winning the toss, Abernathy elected to defer their option until the second half, giving Post the opportunity to receive the opening kickoff.
Four plays later Floyd Slay blasted 37 yards to the end zone and the Bold Gold were in charge the rest of the evening.
Offensive linemen Junior Nava, Chris Redman, Benji Vargas, Chad Kirkland, B.J. Funk, Danny Leach and Dustin Massey set the tone from the first snap of the ball, showing quickness and execution, surprising Abernathy and raising a roar of approval from the packed visitors' west side stands.
When it came time for the defense

to take the field following the first touchdown, the same quick and hard-hitting calibre of football put the home team deep in a hole, from which they never recovered.
Defensive linemen Redman, Joe Garcia, Lance Bland and Vargas were just too quick for the Abernathy Antelopes, as were linebackers Bobby Curtis, Jr Ray Gonzales, Brandon Bird along with Darrin Brown, Jay Whitehead, Damon Curtis and Slay in the backfield.
First Half Action
The kickoff went wide right and was tipped out of bounds at the Post 27 yard line.
On first down Slay ripped over left guard, breaking one tackle, picking up a first down at the 46.
Whitehead got the call over left tackle, hitting Abernathy's 49 and on second down Brown hit behind the right side blocking with a quick burst to the 37 and another first down.
Quarterback Matt McCook took

the snap and put the football into Slay's folded arms and he roared through a quick-opener over right guard, breaking would-be tacklers and at the 10 yard line slowed just enough to allow Massey to set up a

terrific shielding block, which Slay used to slide outside to his right and into the end zone.
Gonzales kicked the extra point and with 10:23 remaining in the first quarter, the Bold Gold led 7-0.

Time for the Defense

The "star-burst" Abernathy kickoff return team came to an abrupt halt on the ensuing kickoff as Larry Norris was hammered to the ground at the 19 by Bird.
Quarterback Jody Myatt took the first snap, dropped back to his right and was sacked solidly by a quick charging Redman, who slammed Myatt so hard the ball popped loose and Bird fell on it for the Bold Gold.
With 10:18 left in the quarter, the offense trotted back to the field and in two plays hit paydirt one more time.
Slay carried both times, first to the six yard line over right guard and then into the end zone from there over left tackle. Gonzales polished off the short drive and the 'Lopes led 14-0.
Abernathy couldn't mount a drive on its second possession, as Bobby Curtis, Garcia, Bland and Whitehead took their turns stopping the running attempts and on fourth down the

home team punted from their own 21 yard line. A penalty for unintentional roughing the punter gave Abernathy

another shot at the punt, which rolled dead at the Post 44.

Penalties stymied the Bold Gold offense, which picked up big chunks of yardage, getting to the seven yard line before being stopped on third down at the 10. Gonzales' field goal attempt was short and the defense returned to the field.

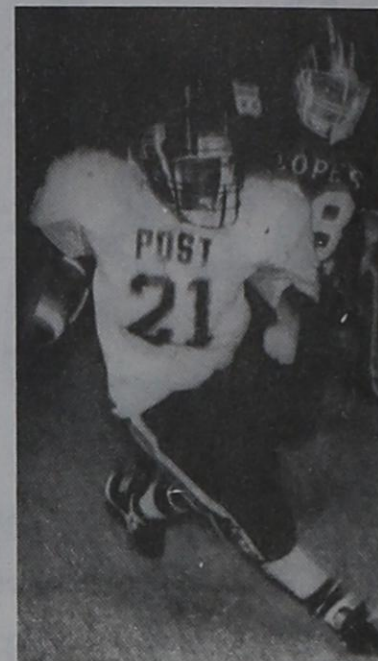

Abernathy managed to get a first down but were unable to convert on third down at their own 17 following an illegal motion penalty and the punt rolled to a stop at their 39.

Six plays later, with 10:27 left in the first half, the Bold Gold put another six points on the board as Whitehead alertly grabbed a tipped pass at the 10 yard line and raced down the right side line to the end zone. The fourth down pass from McCook at the 26 yard line was intended for Leach, who tipped the ball in his attempt to catch it. Whitehead was trailing to the play to Leach's right. Gonzales' point-after attempt failed and the 'Lopes led 20-0.

The drive was kept alive late in the first quarter when on second down from the Abernathy 21, a hand off to Brown fell to the ground and Redman recovered for the 'Lopes at the 19.

The touchdown pass followed an illegal motion penalty putting the ball back to the 26.

The next Abernathy offensive attempt was sparked by a Norris run to his 31 yard line, brought down by a saving tackle by Michael Self.

Then on third down Norris was pounded by Garcia behind the line of scrimmage, hit so hard the ball fell to the ground right in front of Garcia, who recovered for the 'Lopes at the Abernathy 29.

It took four plays for the Bold Gold to show any remaining doubters that they had come prepared to win.

On first down McCook rolled to his left and lofted a pass deep to Massey, who was smothered by two defenders as the ball fell to the ground. A pass interference call against Abernathy set up a first down at the six yard line.

Whitehead got trapped behind the line for a loss to the 17, then on second down he took the handoff and ripped over left tackle, cutting back to his right and then left to the two yard line. Brown got the call from there to finish off the drive as he dove over right guard to the end zone. Gonzales' kick at 7:51 left in the half failed and the 'Lopes took a commanding 26-0 lead.

Abernathy mounted a 10 play drive that was snuffed at the Post 28 yard line on first down when a Myatt pitchout to Ken Dunn went too high and Gonzales recovered the loose ball for the Bold Gold.

Ten plays later the 'Lopes ran out of time as the end of the first half sent the teams to the locker rooms.

Second Half Action

Abernathy's plans for a comeback sputtered following the second half kickoff as a fired-up Bold Gold defense, led by Hiram Gutierrez, Vargas, Redman, Bird and Slay forced a fourth down punt. Under pressure by Slay and Gonzales, Alex Salazar's punt went a meager 13 yards from the Abernathy 15 to the 28.

McCook and the offensive crew took to the field and in five plays put another six points on the scoreboard.

Brown went over right guard, getting nowhere, Slay got the call on second down over right guard to the 21 and on third down Brown ripped over right tackle behind the blocking of Nava, Slay and Vargas to the 10 yard line.

Whitehead was trapped behind the line for a loss to the 15, then on second down he got a second change, blasted through the left guard slot, and at the five yard line put a fake on defender Scott Attaway, who fell face down as Whitehead continued into the end zone. With 7:07 left in the third quarter the 'Lopes led 31-0 after Gonzales' point-after kick.

Nine plays later Abernathy punted again, forced into the situation by Gonzales' first and second down

tackles at the Abernathy 37 and a third down tackle by Garcia as Bobby Tovar took a flair pass on the left side at the 29 yard line.

The Bold Gold dominated the remainder of the quarter on an 11 play drive, led by quarterback Michael Radle, that ended on fourth down from the Abernathy six yard line as Gonzales' field goal attempt was partially blocked.

Vargas, Bird and Bland led the defensive charge on Abernathy's next possession, forcing a fourth down punt at their own 21 yard line.

Brown took the punt at the Post 45 and dodged tacklers to the Abernathy 47.

It took three plays to put the final points on the board. Radle's first down pass deep to Massey was broken up by Abernathy, but the play drew an interference call against the

home team and Post set up at the Abernathy 37 yard line.

Gonzales took the ball over left guard to the 26 and Bird, playing at the tailback slot, brought the fans to their feet as he blasted over right guard, breaking through three would-be tacklers, cutting to his left and into the end zone standing up.

With 6:23 the Bold Gold led 39-0. The point-after snap was fumbled and Slay tried to make a play of it before being sacked behind the line.

Abernathy got seven more plays off before turning the ball over to the Post offense with less than two minutes remaining in the game. The final drive was set up when Slay intercepted Coby Forbes' pass attempt to Chad Shadden. The Bold Gold clicked off six plays from the Abernathy 44 yard line before running out of time at the six.

Osborne sees stiffer test Friday with Slaton Tigers

"It's been a long time since we've had so much fun at a football game," Post Antelope head coach Dewayne Osborne says about last Friday's 39-0 rout at Abernathy.

"When Jay Whitehead picked the tipped pass out of the air and went into the end zone, I just looked across the field at their coaches and shrugged, it just seemed like everything was going our way...that tipped pass could have just as easily been an interception," the coach adds.

"We executed our trap plays so well, we could use this team as a teaching tool for anyone wondering how to do it right...really, I guess our players did as good as we've done since I've been back to Post," Osborne says.

"Our players were prepared, physically and emotionally, to play...and it showed," he continues, "and everyone got a chance to get playing time."

The defense got special praise from the coach, who observed that the two scrimmages did a lot to help prepare the linemen especially and defensive ends for the season.

Looking to this Friday's matchup with former Class AAA rival Slaton, Osborne reports that the Tigers are loaded with people at the skill positions. Slaton won last Friday 34-27 over Shallowater.

"We have got to contain their running game and quarterback, if we're going to be successful," Osborne says.

Tiger quarterback Tracy Starkey, considered to be one of the best on the South Plains, runs and throws the ball well. He is supported by tailback Joe Williams, a "real good running back" who also has good speed.

Fullback Marcus Kirkwood, who saw action against the Antelopes last year, is big and strong and tough to tackle.

Starkey's favorite receiver is Hays Davies, who knows how to catch the ball and is a threat on the open field.

Slaton runs the option and sweep, mixing up the passing game well. In two scrimmages and one game this year, the Tigers are averaging 8.76 yards per rush and 10 yards average per pass play.

On defense the Tigers get strong effort from middle linebacker Craig Davis, defensive ends Chris Brown and A.G. Ray.

"Any way you look at it," Osborne adds, "it's going to be a real shoot out and we'll see how good we are Friday night."

Kickoff at Antelope Stadium is at 8 p.m.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENT OF PROPOSED CONSTITUTIONAL AMENDMENT GENERAL ELECTION NOVEMBER 6, 1990

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

Hwy 380, pulled out into the intersection and was struck by the eastbound vehicle driven by Stelzer.

There were three large semi-tractor trailer trucks parked on the south side of U.S. Hwy 380 headed east, blocking the vision at the intersection for northbound Texas 669 traffic.

The impact of the collision slammed the Cowley vehicle across the intersection northeast into the corner of Garza County Medical Clinic building.

Stelzer, who allegedly left the scene of the accident, later appeared at the Sheriff's office.

No charges have been filed in the accident.

Deputies at the scene reported difficulty controlling the large number of by-standers who gathered within a few minutes of the accident, creating a traffic problem as well as congestion around the accident.

"We will be enforcing the law which restricts by-standers at the scene of accidents," Deputy Sheriff Maurice Herridge comments, "not only is it a hazard to the by-standers, but more importantly, a crowd of people makes it extremely difficult for rescue efforts and officers to do their job."

Football Contest

\$175

OFFERED EACH WEEK IN PRIZES

GIVEN IN POST CITY BUCKS*
Sponsored by Post Merchants
All you do is PICK THE WINNERS
One game will be found in each sponsor's ad

FIRST PLACE..... **\$40**
SECOND PLACE..... **\$25**
THIRD PLACE **\$10**

Just circle your choices and guess the score on the "tie-breaker" game

WATCH THIS SPACE EACH WEEK
For instructions on where to submit your completed entry form. Boxes for entry forms will be moved every week to six different participating sponsors.
THIS WEEK...submit your entry form before 5 p.m., Friday at one of the following sponsors:

- P.D.Q.
- Ammons Texaco
- Post Insurance Agency
- The Prairie Flower Shop
- The Norman Agency
- Collier Drug

RULES & INSTRUCTIONS:
1. The contest will continue through November 23, 1990. Each week is a separate contest with \$175 in prizes offered each and every week.
2. There are 21 games to pick each week. One game will be found in each participating sponsor's ad appearing on this page. Circle the names of the teams you believe will win. On the game designated as the "tie-breaker", guess the actual score of the game.
3. Anyone at least 12 years old or older may enter the contest. Only one entry per person. More than one entry will disqualify all entries for that person. Only the official entry form printed by The Post Dispatch on this page will be eligible for consideration. No facsimile, photo copy or other reproduction of the entry form will be accepted.
4. Entry forms must be submitted to designated sponsors no later than 5 p.m. each Friday prior to the games listed for that week.
5. Entry forms must be correctly completed and signed by the person submitting the form with the correct address. Incorrect entries will be disqualified. In all instances, the decision of the judges will be final.
6. Entry forms must be signed by the person submitting the form, entries known to be signed by a person other than the one who completed the form will disqualify that entry.
7. In the case of a tie, contestants guessing nearest to the actual "tie-breaker" game score will be declared the winner. The tie-breaker will be determined by the point spread method, picking the winner correctly. In case of identical scores, prize money will be divided equally.
8. Employees of The Post Dispatch and their families are ineligible to participate in the contest. Owners and employees of participating sponsors may enter the contest.
