

## Armed robbery attempt foiled by service station attendant Joe Pearson

Walter Sapp, 19 year old of Post, has been arrested and is to be charged with attempted armed robbery following an incident Tuesday morning at Caylor's Kerr McKee service station on South Broadway.

Sapp is in custody at the Garza County jail, pending formal charges by the District Attorney's office. The suspect had been released from the Huntsville state prison and was on probation for a forgery conviction.

According to investigating officer Deputy Wes Cockrell, service station attendant Joe Pearson called the Sheriff's Department at 7:58 a.m. to report the attempted armed robbery.

Cockrell was assisted in the investigation by Sheriff Freddy Cockrell and Constable Lonnie Gene Peel.

From Pearson's identification, officers went to a residence on Avenue H and arrested Sapp at 9:44 a.m.

There was no money taken in the attempted robbery.

"He had been hanging around the station for about 45 minutes," Pearson said, "and then he pulled out a little pistol and told me to give him the money. I told him he wasn't going to get any money, and I turned and walked out the back door...I guess he could have shot me in the back."

According to Pearson, the suspect then took off running toward the east.

## Hundreds of stolen property items recovered by deputies

### Family disturbance call helps solve burglary cases

by Wes Burnett and Becky Warren

When Garza County Sheriff's Deputies Cliff Laws and Maurice Herridge responded last week to a domestic disturbance, little did they realize how important that visit would turn out to be. Within a few minutes upon arriving at 401 S. Ave. N, Herridge noticed a rifle leaning against a bedroom wall which fit the description of one stolen recently from Deb Palmer's pickup truck.

From that discovery the officers were able to recover hundreds of stolen items reported in 16 different thefts in the past few months, and arrested 18 year old Enrique (Ricky) Enriquez Jr. of Post, charging him with burglary of a habitation filed in 106th District Court. He is currently being held in the Garza County jail under a \$50,000 bond.

After the deputies discovered the evidence, the suspect's mother gave consent for a search of the property.

Other items found at the residence included fishing tackle belonging to Dan Rankin, six radar detectors, several cassette tapes and several other fishing rods.

Upon further questioning, the suspect, according to the deputies, showed them where he had stashed other stolen items that he had allegedly taken from unlocked vehicles and garages throughout Post.

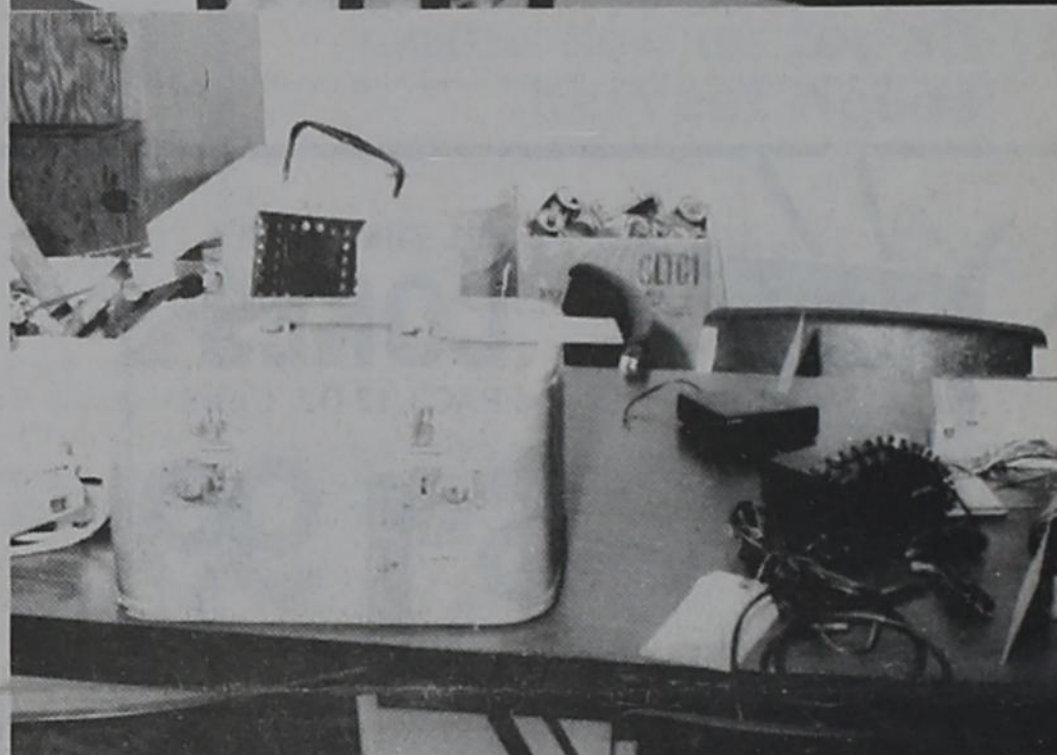

Among the places the suspect took officers was an old creek bed on FM 651, where shotguns and rifles were recovered, believed to be owned by Palmer and David Davis.

A 12 gauge shotgun, belonging to Davis, which had been sold to an unidentified source in Lubbock, was also recovered by the Sheriff's Department. The stolen property that has been recovered included 158 cassette tapes, 10 rods and reels, four tackle boxes, car stereo and speakers, seven radar detectors, six rifles, one pair of binoculars and assorted tools and miscellaneous items.

Because the suspect admits taking these items from unlocked vehicles, garages and carpools, the Sheriff's Department has issued an urgent warning to Post residents to lock vehicles, storage buildings and garages to deter this type of theft.

Deputies are continuing the investigation and report that other items are still coming in. Sheriff Freddy Cockrell says that it appears as many as 16 different burglaries may be solved with this case.

Citizens who believe they may own tapes or radar detectors recovered in the case should contact the Sheriff's Department.

## Barry Arthur, A.C. Morman join Founder's Day Art Exhibition

The Caprock Cultural Association has announced that Barry Arthur of Sweetwater and Sach Morman of Lubbock will be among the artists exhibiting and selling their art at the "Rendezvous of the Art" on the Founder's Day Celebration weekend, October 12 and 13.

Arthur is a self taught artist specializing in wildlife and western landscape paintings in oil. Wood carvings from apple crates when a child stimulated a deep interest in art that was realized when his seven year old son enrolled in an art class for children.

Encouraged by friends who furnished him with supplies at a birthday party, Barry used a piano as an easel and launched his career. He spends months researching for his paintings which reveal a special touch, bringing the viewer into the art with a subdued softness and extraordinary detail. He participates in vitational shows in Texas, Oklahoma, New Mexico and Nevada.

## Additional details on two-car collision aired by drivers

by Wes Burnett

Last Thursday, following publication of information concerning the two-car collision at the intersection of U.S. Hwy 380 and Texas 669, Patricia Cowley and Jan Stelzer stopped by our office and requested that additional details concerning the accident be published, "to clear up all the rumors floating around."

"Yes, I did leave, and I know now that I should have stayed, but my car was in the middle of the street, there were young children running and screaming, and two of them almost got hit by another vehicle, and when I went to Tricia's car and saw that it was her, I just couldn't think of anything else except getting to a phone and calling for help," Stelzer emphasized.

"Jan told me that she was going to go home and call for help," Cowley says, "and when she called the sheriff's dispatcher, she was told that a deputy had just left enroute to the scene."

Stelzer reports that just before the accident she was traveling east and thought about stopping at Allsup's, but saw a large group of young people out front and decided not "to fight the crowd", just as she continued, Cowley's vehicle, headed north on Texas 669, entered the intersection, "and there was nothing I could do but slam on the brakes," Stelzer says.

"I couldn't see around the three big trucks parked on the street," Cowley added, "so I eased out and when I saw Jan's car, I thought I could accelerate and get through the intersection...of course, that was the wrong thing to do, because her car hit the left rear of my car, spun us around and we ended up hitting the corner of Dr Wilson's building."

"Another thing," Cowley says, "there was only one child in the car with me, that was Steven Short, and he did have on a seat belt...but I didn't."

"The one thing that really makes me angry about this whole thing is the vicious rumors that have spread about us and the accident...none of it true," Cowley added.

"And I am getting up a petition drive to try to get the highway department to put up a no parking sign in front of the school, those big trucks that park in front of that building make it impossible for a driver to see oncoming traffic on the highway!"

Cowley also says that the lead truck in the convoy left the scene after the accident.

On behalf of The Post Dispatch, we hope this explanation helps clear the air. Repeat last week's story, no charges were filed in the incident.

## Who do I give my money to?

by Wes Burnett

Good question, especially if you want to help with this year's United Way campaign and haven't been contacted yet for your contribution.

And it's really quite simple, decide how much you think is your fair share, put out the amount on your check, or money order, put payable to Garza County United Way on the check and mail it to United Way, P.O. Box 425, Post, 79356.

Okay, if that's too much, the next time you're at the First National Bank, hand your contribution directly to one of the tellers, they will see that your donation to the United Way account. That's just one more of the many services offered by our friends at the bank.

If not sure how to participate?

Maybe you want someone to stop by, okay, call me at 495-2816. If I can't get over, I know that the other volunteers who serve on the Garza County United Way are available to help...we are all looking for ways to make sure this year's goal is reached.

Our chairman, Carol Peppers, is joined by Debbie Macy, Jerry Tyler and Cheryl Blair.

This year those who will benefit from your contribution to the Garza County United Way are the hundreds of senior citizens who depend on the center, hundreds of young boys and girls involved in the summer baseball program, hundreds of the Garza County Mental Health program, Boy Scouts and Girl Scouts, children under the care of the Child Welfare Board, girls participating in the Post Junior Girls Basketball program, handicapped adults at the Post White School, senior citizens relying on Meals on Wheels, abused women relying on the help of Women's Protective Services and people in need of emergency help from the Red Cross and the Salvation Army.

This year, please make a commitment to contribute your fair share to the

## Gross sales in Garza County increase 10.7% in 1st Qtr '90

With 112 reporting outlets, Garza County showed a 10.7 percent increase in gross sales for all industries for the first quarter of 1990, according to a report from the State Comptroller.

Gross sales is the total amount of all sales, leases and rentals of tangible personal property and all labor and service charges made during the reporting period.

Total gross sales were reported by the outlets at \$8,172,576 compared to the 1989 first quarter total of \$7,384,616. The amount subject to sales tax was \$3,986,614 and the use tax purchases were \$16,888.

A total of 67 retail outlets reported gross sales of \$4,656,482, an increase of 5.1 percent over last year's first quarter total of \$4,429,583.

## Special page features exciting Post Bold Gold Antelopes football team

The popular Post Antelope Football Page features photos of individual players on the championship bound Bold Gold varsity and junior varsity teams.

Each week throughout the Post Antelope football season, (and if the first game is any indication, it will be another championship trip) sponsors on the promotional page get the best exposure possible, as their ads literally surround the weekly photos of coaches and players.

The page also includes information about the up-coming varsity game and schedules for the Middle School, and Junior Varsity teams.

Sponsorships continue to be priced at only \$7.50 per week, which allows for anyone interested in showing their support for the Post Antelopes to be included on the page. While costs of almost everything else have risen dramatically in the past few years, advertising on this community-spirited page remains the same.

Those businesses and individuals interested in participating on this popular special page should call Becky Warren at The Post Dispatch, 495-2816. There's still plenty of time to add show your interest in the team!

## No clues yet on break-ins and thefts of seven buildings

The Garza County Sheriff's Department is still investigating the break-in of five buildings and attempted forced entry into two others, reported Tuesday morning, September 11.

According to the Sheriff's Department, calls began coming in between 9 and 10 a.m. Tuesday, and the break-ins are suspected to have taken place Monday evening from 11:30 p.m. until 3 a.m. Tuesday morning.

Forced entry and thefts took place at the High School, Corner Grocery, Martin's Restaurant, Bovard Supply and Tommy's Garage.

The attempted break-ins were at Handy Hardware and Cox Feed Store.

Cash was reported stolen from Bovard Supply and Martin's Restaurant, cigarettes from Corner Grocery and tools from Tommy's Garage. No items appear to have been stolen from the High School.

## Gerald Melton Ramage

Funeral services for Gerald Melton Ramage were held Friday, September 14, 1990 at 2 p.m. in the Jimerson Funeral Home Chapel with Al Neal officiating. Interment was in the Restland

Memorial Park in Panola County, Texas.

Jimerson Funeral Home of Carthage, Texas was in charge of the arrangements.

Ramage died September 12, 1990. He was the son of George Ramage. He was raised in Post and attended Post High School. He was a veteran of World War II. He married Darlene Beavers in Post in 1945. He was a member of the Church of Christ. Survivors include his wife,

Darlene Ramage of Carthage; two sons, Charles Melton Ramage and Mark Steven Ramage, of Carthage; one daughter, Cheryl Proctor of Friona; two brothers, Arlie Ramage of Spur and Billy Thomas Ramage of Run-A-Way Bay; seven grandchildren and one great-grandchild.

Pallbearers were Steve Akin, Tommy Boothe, Leroy Creech, Robert Gunter, Kenneth McGuire and Barry Rivers.

## Representative to be in Post to assist taxpayers

State Comptroller Bob Bullock said Wednesday that a representative from his agency will be in Post, September 26, 1990 to answer questions about Texas taxes and assist taxpayers with paperwork and problems.

"I don't want to see state taxes turn into a burden for folks who can't get to a field office. Our visits are a service we're happy to provide to Texas taxpayers," Bullock said.

Jim Chauncey, Enforcement Officer, from the Lubbock Field Office will be at the Garza County Courthouse in the Commissioner's Courtroom from 10:00 a.m. to 12:00 noon. The public is welcome and there is no charge.

"I'm sending my employees out to help people with questions, filling out forms, and working out problems on a local, one-to-one basis. There's some things you just don't do as well over the phone or through the mail," Bullock said.

Post area taxpayers who can't attend the courthouse visit can still get individual tax assistance by calling the Comptroller's toll-free telephone number, 1-800-252-5555 from anywhere in Texas.

The Lubbock Office, headed by David Cain, serves 19 counties including Garza County.

## Hot air balloons ready for show Sept. 22 - 23

"Plans are now complete for Lubbock's most colorful and exciting show of the year" announced the Lubbock Balloon Club. "The dates have been set for several months and the launch grounds at Buffalo Springs Lake have been prepared as of last week. Our dates of September 22 and 23 at sunrise are just about the most ideal time to hold a large balloon rally. This year, we will have more balloons than in our five other rallies, with over fifty already registered for the Sixth Annual Hot Air Balloon Rally", Lubbock Balloon Club emphasized.

On those dates, thousands of Lubbockites and people from over the South Plains will be looking skyward both Saturday and Sunday mornings to see the most colorful sky show ever held in the Lubbock area. As energetic club members said, more than fifty varicolored hot air balloons will launch at sunrise, or a few minutes after, each morning to make this, the Sixth Annual Balloon Rally, put on by the Lubbock Balloon Club, the most successful ever held in this section of Texas.

Balloonists will be arriving in Lubbock Friday afternoon from several states to fly their sky ships on both Saturday and Sunday mornings. One balloonist, Rusty Elwell of Amarillo, will lead off each morning, launching first in the Hare and Hound flight. Rusty's balloon is shaped like a rabbit. The "chaser" balloons will follow shortly after, filling the sky with numerous colors and designs.

Long range weather reports predict good, crisp fall mornings for the air extravaganza. It is hoped the wind will not rise in the afternoon on Saturday, September 22, because Mr. Elwell is scheduled to tether his Rabbit balloon at the Science Spectrum at 50th and Slide Road, so that more people can see "close up" the science involved in balloon flight.

A number of balloon flights will be available during the Rally for \$100.00 donation. All proceeds, over

costs, raised during the Rally by the Lubbock Balloon Club will be contributed to the Make-a-Wish Foundation and Give Kids the World. Both are organizations that work together to grant wishes to children with life-threatening illnesses such as leukemia, muscular dystrophy, cancer, etc. Funds are raised through sponsor fees, advertising sales, sales of souvenir programs, and the balloon flights. The \$100.00 flights are fully deductible as a contribution to the Make-a-Wish Foundation and Give Kids the World, advises the Lubbock Balloon Club. "And besides, the passengers will have a breathtaking view from the balloon out over the lake, the wildlife in the canyon, and the beautifully terraced farmlands below." The Club emphasized that the rides could be given as birthday or anniversary gifts, or just for the thrill of the flight. "There's nothing nicer than to fly gently and noiselessly into the beginning of a beautiful day on the South Plains."

Entrance to the launch site is through the regular gate of Buffalo Springs Lake with signs pointing the

### Beta Blockers: Helpful in These Conditions

Beta blockers, such as *propranolol*, *atenolol*, *nadolol*, and *timolol* compete with adrenalin-like substances for stimulation of the so-called "beta receptors" in the body. Blocking these receptors causes different types of effects, depending on receptor location and type.

**High Blood Pressure:** Beta blockers are thought to lower elevated blood pressure through a reduction in the heart rate and a decreased release of renin from the kidneys.

**Angina:** When used alone or with *nitroglycerin*, beta blockers cause the heart to require less oxygen through their effect on reducing blood pressure, heart rate, and the contractility of the heart.

**Glaucoma:** While not completely understood, it is thought that beta blockers lower eye pressure by decreasing intraocular fluid production.

**Migraine Headaches:** Beta blockers are prescribed to prevent migraine headache attacks. It is thought that beta blockers may prevent the inappropriate dilation of blood vessels in the head.

**Irregular Heart Beat:** A blocking of the effect of adrenalin-like chemicals on the heart may prevent certain types of irregular heart beat.

## NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Post I.S.D. Board of Trustees will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1989 by nine percent (9%). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be on September 26, 1990 at 7 a.m. at the Superintendent's Office, Post I.S.D.

**FOR** the proposal: Royce Hart, Dan Hodges, Barbara Hardin, Gary Workman, Ronnie Gradine, Pru Basquez

**AGAINST** the proposal: None

**PRESENT** and not voting: None

**ABSENT:** Jerry Hays

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published August 23, 1990. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the taxable value of your property.

	Last Year	This Year
Average home value	\$20,000.00	\$20,000.00
General exemptions available (amount available on the average home, not including senior citizen's or disable person's exemptions)	5,000	5,000
Average taxable value	\$15,000.00	\$15,000.00
Tax rate	.81	.8293 <small>(Proposed)</small>
Tax	\$121.50	\$124.40 <small>(Proposed)</small>

**UNDER THIS PROPOSAL TAXES ON THE AVERAGE HOME WOULD INCREASE BY TWO DOLLARS AND NINETY CENTS (\$2.90) OR TWO AND 33/100 PERCENT (2.33%) COMPARED WITH LAST YEAR'S TAXES. COMPARING TAX RATES WITHOUT ADJUSTING FOR CHANGES IN PROPERTY VALUE, THE TAX RATE WOULD INCREASE BY \$.019300 PER \$100 OF TAXABLE VALUE OR TWO AND 38/100 PERCENT (2.38%) COMPARED TO LAST YEAR'S TAX RATE. THESE TAX FIGURES ARE NOT ADJUSTED FOR CHANGES IN THE TAXABLE VALUE OF PROPERTY.**

### Living on the edge of the caprock

by Lee Howard, County Agent  
 Governor Clements Proclaims  
 Texas Farm and Ranch Safety Week  
 Governor William P. Clements has  
 proclaimed the week of September  
 16 - 22, 1990, as Texas Farm and  
 Ranch Safety Week. The State of  
 Texas joins the entire nation in  
 recognition of the 47th annual  
 observance of National Farm Safety  
 Week in order to help make Texas  
 farms and ranches safer places to live  
 and work.

"Preventable accidents, fires and  
 work-related illnesses cost farm and  
 ranch families dearly in both human  
 suffering and dollar loss," said  
 Thomas D. Valco, Extension  
 Agricultural Engineer. According to  
 Texas Agricultural Extension  
 Service preliminary estimates,  
 agricultural work accidents resulted  
 in 1,300 deaths and 12,000 disabling  
 injuries in 1989. The agricultural  
 accident death rate was 42 per  
 100,000 workers, among the highs  
 compared with the composite rate for  
 all industries of nine per 100,000.

Thousands of farm and ranch  
 suffered severe or fatal home,  
 highway and recreation accidents last  
 year, most of which were  
 preventable. The leading cause, of  
 work-related illnesses suffered by  
 farmers, is excessive exposure to  
 toxic gases, chemicals, dust, sun,  
 noise and other farming hazards.

"Farming also has the additional  
 hazard of the combination of  
 workplace and home. In most work  
 situations, people leave their homes  
 and families to go to work... families  
 are not exposed to workplace  
 hazards," says Valco. "Farm families  
 are exposed to workplace hazards  
 around the clock and safety should be  
 a part of every day life."

Another factor contributing to high  
 risk in production agriculture is that  
 a minimum or mandatory retirement  
 age doesn't exist. Ages of persons  
 working on farms and ranches range  
 from eight to 80, instead of the usual  
 16 to 65 age range in most  
 occupations. Children often being  
 helping with farmwork at an early  
 age, even operating machinery and  
 vehicles, such as tractors, which are  
 meant for adults. Likewise, many  
 people continue to farm well past the  
 standard retirement age of 65, which  
 increases their chances of illness and  
 injury. As a result, farm accidental  
 death and injury rates rise at the upper  
 and lower edges of the age spectrum.

On order to combat this problem,  
 Valco recommends that children be  
 assigned jobs suited to their age and  
 capability with proper supervision.  
 Older farmers need to draw their  
 experience and recognize their  
 physical limitations. Farmers need to  
 realize that as people age, they are  
 less likely to recover quickly or  
 completely from severe trauma and a  
 longer recovery period will result in  
 lost time and money.

"Some simple steps for reducing  
 risk on a farm are for a farmer to take  
 good care of his health, maintain his  
 equipment and read instruction  
 manuals and product labels in order to  
 use them safely and effectively,"  
 Valco says.

Another overlooked, yet important  
 aspect of farm safety is that each  
 individual on a farm or ranch should  
 be trained in basic first-aid and CPR.  
 Farms are usually a long distance  
 from a doctor or hospital, especially if  
 the accident happens in a remote  
 field. Many lives could be saved if  
 farm personnel were trained in  
 emergency response techniques.

### Investing in Safety Saves Lives & Dollars

Every year thousands of farmers  
 suffer from injuries and illnesses.  
 This high rate could be reduced if  
 farmers would invest in safety, such  
 as proper personal protective  
 equipment, according to the National  
 Safety Council and Texas  
 Agricultural Extension Service.

"Personal protective equipment  
 (PPE), such as goggles, hard hats,  
 respirators, protective eyewear and  
 safety shoes has been available to  
 farmers for a long time. Many  
 farmers do use PPE when dealing  
 with significant health hazards, such  
 as applying pesticides. However, far  
 too many farmers seldom or never use  
 PPE on farm jobs for which  
 protection is needed," says Thomas  
 Valco, Extension Agricultural  
 Engineer.

**Risks to Eyes**  
 When using liquid chemicals,  
 farmers should wear goggles  
 designed to protect eyes from  
 splashes and sprays. Farmers can also  
 use welder's goggles which protect  
 against intense light and sparks. Full  
 face shields are another option for eye  
 protection and can be worn  
 comfortably.

**Safe Breathing**  
 Respirators protect the lungs from  
 many airborne health hazards on the  
 farm, ranging from deadly silo and  
 manure gases to longer term health  
 threats from frequent exposure to  
 dust, molds and chemicals. Respirators  
 must be selected based on the  
 air hazards that exist on the farm.  
 Some purify the air you breathe,  
 while others provide fresh air from a  
 tank strapped to the individual. Make  
 sure you choose the proper one for the  
 job.

**Hands and Feet Protection**  
 Hands are the most frequently  
 injured part of the body. During a  
 day's work, a farmer's hands might  
 come into contact with chemicals,  
 harsh detergents, paint, solvents,  
 rough materials and sharp tools, or be  
 scalded, burned or frostbitten. Cuts  
 and abrasions on the hands may allow  
 toxic chemicals to enter the body and,  
 if not cleaned properly, many lead to  
 infections. Use appropriate gloves,  
 barrier creams, hand cleaners and  
 lotions to protect hands.

Toes and feet can also be injured  
 during farm work. Poorly fitting or  
 improper footwear often causes clips,  
 trips and falls. Farm workers should  
 wear safety shoes or boots with metal  
 toe caps and slip-resistant soles.  
 Special rubber or plastic boots can be  
 used when spraying chemicals.

Farmers should also wear spray suits  
 or coats impervious to chemicals  
 when spraying.

**Ear Protection**  
 Studies indicate that farmers have a  
 higher-than-average occurrence of  
 noise induced hearing loss. Earplugs  
 or muffs should be worn whenever  
 exposed to a continuous noise level  
 of 90 decibels (A) or higher. Ear  
 protection allows normal conversation  
 or warnings to be heard but protects  
 the ear nerves from damage.  
 The benefits of PPE can be seen by  
 the reduced work injury and illness  
 costs. "What farmers need to realize is  
 that PPE works as well on a farm as  
 in a manufacturing plant, mine or  
 construction site," notes Valco. "PPE  
 has helped thousands of companies  
 improve worker safety and health and  
 saved them billions of dollars...  
 farmers can reap the same benefits."

General George A. Custer ranked  
 last in his West Point graduating  
 class of 1861.

### Woman's Culture Club holds first meeting

The Woman's Culture Club began the new club year with a 10:00 o'clock brunch in the Fellowship Hall of the First Christian Church, Wednesday, September 12. Social committee members Iva Hudman, Dorace Wilson, Jan Crawford and Ruby Kirkpatrick were hostesses. The bountiful brunch was served buffet style from tables beautifully decorated with the fall motif. China dishes were used to emphasize our cooperation with the environmental movement.

Joyce Strubhart, first vice-president, presided in the absence of Donna Craig, president. Mrs Strubhart introduced Bettye Green of Tahoka, past president of the Texas Federation of Women's Clubs.

Mrs Green presented a program on the Centennial of the General Federation of Women's Clubs and told of attending the International Centennial celebration in New York City this summer, a most gratifying and interesting experience. Mrs Green showed a VCR tape,

which included a tour of G.F.W.C. headquarters in Washington, D.C., which is quite beautiful.

Mrs Strubhart presented members with the new year books.

She called our attention to the Caprock District Fall Workshop to be held in Littlefield, Saturday, October 13.

Those enjoying the brunch were guests: Bettye Green of Tahoka, Sarah Howard of Plainview, Nona Lusk, Florence King, Ruth Hall and Faye Mathis; and club members: Linda Malouf of Plainview, Iva Hudman, Dorace Wilson, Joyce Strubhart, Jan Crawford, Buena Bouchier, Lillian Potts, Mary Neff, Doll Haire and Katharine Cathcart. Isabelle Stelzer and Janet Ratliff will be hostesses for the next meeting Wednesday, September 26, at 2:00 p.m.

### Women's Division slate luncheon

The Women's Division of the Post Chamber of Commerce meet September 10 with 13 members present.

The area luncheon to be held Wednesday, September 19 was discussed. The division sent invitations to 21 towns and 39 invitations to women and businesses to attend the luncheon.

The program, which is scheduled to begin at 11 a.m., will be given by Zoe Kirkpatrick on wild flowers. The luncheon will be at noon.

### Weekend visitors in Post

Mr and Mrs Johnny Ray seemed to have had quite a house full of company over the past weekend. Those visiting were Mr and Mrs Jerry Ray and Andy and Mr and Mrs W.L. Ray, all of Slaton. Also visiting were Mr and Mrs Barry Ray and Amber of Wolforth; Mr and Mrs Henry Ray of Flora Vista, N.M.; Mr and Mrs Jimmy Mathis, Sandra, Melissa and Tammy of Post; R.C. Ray of Grassland and Rita Jane Williams of Lubbock.

RIBBON CUTTING CEREMONIES were held last week at the new offices of S. Rafe Foreman, Attorney at Law (center). Joining in the event at 300 W. Main were (left to right) Linda Waldrip, Elaine and Shady Foreman, Bryan Williams, S. Rafe Foreman, Joy Fluitt, Susan Pennell, Greg Pollard, Charles Hardin, Gayla Leary and Terri Riedel. Foreman is a graduate of Texas A&M University and Texas Tech Law School. He is licensed to practice law in Texas and New Mexico and comes to Post from a recent practice in Lubbock. ### Graham 4-H Club elects Tamra Gerner

The Graham 4-H club held its first meeting Monday, September 17, 1990 at 7 p.m. in the Graham Community Center. Members present were Debbie Ledbetter, La Rinda, Matthew and Lorrye Ledbetter, Nancy Flanigan, Doug, Maggie, Abby and Nicholas

Flanigan, Michael McClellan, Secret and Danny Bilbo, Tasha and Troy Gilbert, Tamra and Kathy Gerner, Carly Rudd, Tricia, Christopher and Scott Metsgar.

Lee Howard, county agent, also attended our meeting with interesting views about up coming events and new ideas for the club.

Thanks to Wes Burnett for being there to take a group picture.

Our meeting will be on the 3rd Monday of the month at 7 p.m. at the Graham Community Center.

We elected our 4-H club sweetheart which is Tamra Gerner. She will be escorted by Michael McClellan.

Officers for this year are: President, Salli Bush; 1st Vice President, Tamra Gerner; 2nd Vice President, Tasha Gilbert; 3rd Vice President, Secret Bilbo; Secretary, Maggie Flanigan; and Reporter, Scott Metsgar.

Council delegates are Lorrye Ledbetter and Doug Flanigan. Club manager is Debbie Ledbetter.

### Artists at Founder's Day ...

(Continued from Page 1)

A.C. (Sach) Morman of Lubbock and his wife Tommie are favorites in Post, appearing and helping with art shows here for many years, especially the Founder's Day show in 1989.

Sach is a Lubbock firefighter, serving with the airport rescue team and is also a woodcarver, unique for his particular talents with wooden critters.

Morman depicts trout, bear, deer, elk, moose, caribou, buffalo, goats, mules, donkeys, bulls and especially Texas longhorn cattle, showing the spirit of Americans for whom wildlife and farm and ranch animals feed the imagination.

Morman's realistic carvings celebrate the common sense of mukles and burros in their staid, non-theatrical serving of mankind.

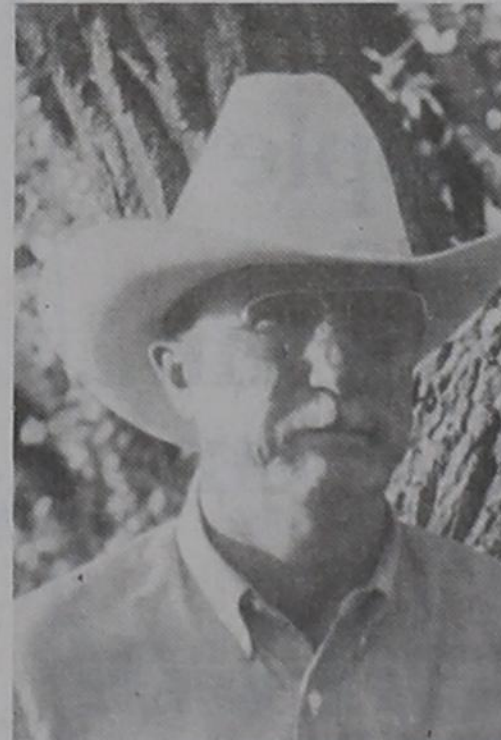

The model of lmany of Morman's "Burro Works" is a live donkey named Jack and his closest companion, BeeBee, a Nubian goat that grazes on the Morman property.

In addition to his appearances in Post, he exhibits in West Texas Woodcarvers Show in Denver City, the Lubbock Arts Festival, Cowboy Poetry Gatherings in Alpine and Goodwell, Okla.

He is also active in organizing and displaying with National Western Artists Association and will be a supervisor for Western Art at the National Cowboy Symposium.

# Slaton opens up surprise attack, 'Lopes counter with 40-28 non-district win here

## 'Lopes get slow start, trail Tigers in first quarter

by Wes Burnett  
The Post Antelopes put another one in the win column last Friday night with a 40-28 win over the visiting Slaton Tigers, but it was no easy victory.  
The Tigers roared into Antelope Stadium and on the opening kickoff left Post fans and players stunned as Joe Williams ripped down the left sidelines in a race that he won to the end zone. In a matter of a few seconds the home team was looking at a 6-0 deficit.  
On their next possession, the Tigers marched smartly down the field for another score, and with a successful two point conversion led the 'Lopes 14-0 with 4:20 remaining in the first quarter.  
It wasn't until early in the second quarter that the Bold Gold put points on the board, and the defense found the key to stopping the Tigers.

On their first possession, the Antelopes picked up a first down at the Slaton 36 before turning the ball over on downs at the Tiger 19.  
Following Slaton's second touchdown drive, which went from their own 19 for 81 yards, the 'Lopes failed to sustain a drive and Junior Ray Gonzales dropped back to punt. Hays Davies took the ball at the Slaton 20, advancing it to the 26.  
Quarterback Tracey Starkey found Marcus Kirkwood at the end of a pass for a first down at the 37.  
Starkey then dropped back to pass and Post's Hiram Gutierrez jumped up and tipped the ball into the air as Bobby Curtis alertly grabbed the ball for an interception at the Slaton 43.  
The big defensive play set up the first Antelope touchdown drive, which went the distance in six plays. Beginning with 1:32 left in the first quarter, Brown got the pitchout from quarterback Matt McCook, slaming to the 41, then a Tiger pounced on a little late and the referee set the ball down for a first at the 26.  
McCook then found the mark with a

pass to Jay Whitehead at the 16, an official measurement set up second down with about six inches. McCook rolled to his left and threw the ball again to Whitehead, this time good to the six yard line and a first down.  
Brown got the call to the five over left tackle and on the first play in the second quarter, McCook rolled to his right on an option, stopped and threw the ball square to Floyd Slay in the end zone for the touchdown. Gonzales' point after kick hit the right goal post, bounced back onto the field, and an attempt to run it back downfield by the Tigers was snuffed. With 11:56 left in the first half, the 'Lopes trailed 14-6.  
Slaton took the kickoff and in four plays was forced to punt following a strong defensive effort by Gutierrez, Benji Vargas, Chris Redman, Bobby Curtis and Whitehead.  
Kirk Maberry's punt went to the end zone and the 'Lopes began their second touchdown effort at their own 20 yard line with 10:55 remaining in the half.  
The eight play drive ran the clock down to 7:01 as McCook found the pass

combination with Whitehead on third down at the three yard line. A pitchout to Brown for the two point conversion made it a 14-14 contest.  
The touchdown drive featured hard running by Slay and Brown and a clutch pass from McCook to B.J. Funk, setting up first down at the six yard line.  
Slaton's next series was snuffed with defensive highlights by Lance Bland, Bobby Curtis and Gonzales. The fourth down punt went to Brown at the 15 and he returned it to the 20. A five yard roughing the kicker penalty was declined by Slaton, the penalty would not have been enough for a Tiger first down.  
The Bold Gold went on a time-eating touchdown drive, gulping up the 80 yards with 48 seconds left in the half as Brown went the final two yards over right guard. Gonzales' extra point put the 'Lopes out front 21-14.  
The drive started with 3:21 remaining in the half and featured a critical first down conversion on fourth down at the Post 46 yard line. Needing only a few inches, Brown took the ball over left

guard and squirted to the Slaton 47 for the first down.  
Following a second down incompleated pass, officials stopped the game to reset the clock by two seconds after a lengthy discussion at midfield. With 1:53 on the clock, McCook dropped back and found Funk again, setting up a measured fourth down at the Slaton 39. Brown got the fourth down pressure call one more time, racing around left end past the Tiger defense to the 29.  
Two incomplete passes set up another fourth down effort at the 24 yard line as McCook threw the ball to Slay and the nifty fullback rammed to the Tiger 14 for a first down.  
Brown took the delay hand off over left guard, broke a couple of tackles and finally was nailed at the two. From there he went in for the go-ahead score.  
Post fans came to their feet more than once during the night, but the ensuing kickoff got everyone's attention as the Tigers' Michael Jones was hit hard at the Slaton 40 yard line by David Dean, the ball popped loose and Dean scooped up

the pigskin for the Antelopes.  
The excitement subsided when the officials called the play back, ruling Post was offsidess on the kickoff.  
The Tigers didn't lay down, and with five seconds left on the clock a pass deep in the end zone was intercepted by Slay to stop the drive and end the half.  
**Second Half Ups and Downs**  
Post got the second half kickoff and, unable to sustain a drive, and the Tigers took control after a punt at their own 37. Two plays later Kirkwood caught a pass over the head of defender Brown, got by the secondary and raced down the left sideline into the end zone, giving the Tigers renewed confidence. Slay blocked the point after kick, but an offsidess penalty on Post allowed Slaton to successfully get a two point conversion with Williams going the two yards in over right guard. The Tigers took the lead 22-21.  
It began to look shaky for the Antelopes, as they were forced to punt on fourth down following the kickoff and three tries to the Post 48 yard line.

**Eighth graders upend Slaton 20-14**

The Post Middle School eighth grade football team sent Slaton home last Thursday on the losing side of a 20-14 score.

"Our offensive line needs to improve," coach Darrell Radle says, "but we had good effort from Ray Perez, Manuel Zubia, Javier Saldivar, Stewart Childers, Tim McElroy and Monte Dissinger."

The coach also complimented backs Cody Clay, Lance Clay, Oscar Acevedo, Brant Windham, Heath Eagle and Casey Hart for their efforts.

Defensive players getting praise were Saldivar, Childers, Acevedo, Brad Lawson, Shad Blair and Russ Bird.

The young 'Lopes scored in the first quarter on a 65 yard drive, featuring Lawson on a 14 yard run to cap the effort. Lawson also got the call for the two point conversion.

In the second quarter the young 'Lopes went 45 yards to score, with Casey Hart completing a pass to Acevedo for the final 12 yards. The two point conversion failed and Post led 14-6 at halftime.

In the fourth quarter Lance Clay went into the end zone from six yards out at the end of a 60 yard drive. The conversion failed and the defense held off a determined Slaton drive late in the game.

Post collected 258 yards total offense and allowed Slaton 205 yards.

The team hosts Shallowater tomorrow following the seventh grade contest.

**Owls bring size and speed to Big Spring**

"I guess it's a good thing we have one more day to get ready," coach Dewayne Osborne says about Saturday's matchup with the Class 6-AAA Reagan County Owls at Big Spring, "they will be the best team we've faced this year."

The Owls enter the contest with two wins, 20-7 over Ozona and 34-7 over McCamey.

An example of the size on the line is 300 pound sophomore Kevin Gatewood, who was injured in the Ozona game and did not see action last Friday with McCamey.

The smallest lineman weighs 175 and most range from 195 to 220.

The Owls operate from the I formation, using a pro-set and like to run the sweep and option, using the excellent quarterbacking talents of 190 pound senior Jason Koahutek.

He is supported by sophomore tailback Allen Strambler, "who has just really great speed," Osborne reports.

The running game gets special help from 200 pound senior fullback Ken Neill, "a hard nosed tough football player," Osborne adds.

Koahutek's favorite receivers are 160 pound senior wingback Jeff Morris and 180 pound sophomore split end Nuno Rivera, both talented pass receivers.

On defense the Owls use a 4-3 alignment and get strong support from outstanding cornerbacks Shawn Hill and Morris.

The 'Lopes will leave Post between 3:45 and 4 p.m. from the field house Saturday. Kickoff at Big Spring will be at 7:30 p.m.

**How to find Big Spring's football stadium...**

Thanks to the Big Spring Chamber of Commerce for these directions to the football stadium, for those Post Antelope fans planning to attend Saturday evening's contest with the Reagan County Owls:

Arriving in Big Spring on U.S. Hwy 87, by way of Tahoka and Lamesa, enter Big Spring and at 10th Street turn left. Head east to Goliad and turn right, "you will be able to see the stadium."

Arriving in Big Spring by way of the Gail Hwy, turn right at the blinking light, go into town on Owen Street straight to the stadium.

**Post J.V. returns from Slaton with 20-20 tie**

The Post Junior Varsity football team suffered too many breakdowns to win, but a determined offense came from behind for a 20-20 tie at Slaton last Thursday.

Rene Armendariz led Post in rushing with 127 yards on 32 carries, followed by Sid Estep with 65 yards on 14 tries.

Jay Mitchell collected 16 yards on five carries and completed five of seven passes for 81 yards. Armendariz caught four passes for 51 yards and Danny Reyna was credited with one reception for 30 yards.

"Our first score went 67 yards in nine plays," coach Fred Postell says, "Armendariz caught an 18 yard pass from Jay Mitchell, then Estep ran the trap for nine more and Armendariz went over left tackle for 15 yards."

Armendariz again caught a pass from Mitchell for 17 yards, getting to the two yard line. Armendariz got the call over right tackle for the touchdown and a two point conversion pass attempt from Mitchell to Reyna fell incomplete.

"We get them in a third and 20 situation, and their tailback breaks an 85 yard run," Postell adds.

"They score again, this time on a 65 yard run by the tailback and they get the extra point, leading us 14-6 at halftime," he continues.

"We start the second half playing on defense and their fullback breaks a 46 yard touchdown run and we are down 20-6," the coach reports.

"We start playing better defense and force them to punt from deep in their own territory," Postell says, "we attempt to block and cause a very short kick. We get the ball at the Slaton 28 and use six plays to score."

Armendariz went the final three yards and then went into the end zone for the two point conversion and the 'Lopes edge closer at 20-14.

"We hold them again, only this time we recover a fumble," Postell says.

The 'Lopes ran three plays from the Slaton 30 and fumbled the ball back, and the Tigers return the fumble to the Post 40 where they fumbled and Post got the ball back again.

"It was then first and ten about 30 yards from where we were before we fumbled," the coach observes.

The highest city in the U.S. is Leadville, Colorado. It's nearly two miles above sea level in the Rocky Mountains.

Gonzales dropped back to punt what would be his best of the evening.

The ball sailed high and long, bounced in front of Davies at the 15 yard line, scraped the leg of the Tiger receiver, and squirted to the 11 as a speedy Joe Garcia pounced on the ball for the Antelopes.

It was one of those turning points in the game.

With 7:05 left in the third quarter, it took one play for the 'Lopes to regain the lead, as Brown took the pitch out around his right end, getting a terrific clearing block by Redman, and raced into the right corner of the end zone untouched. With 6:58 on the clock, the 'Lopes led 27-22. The two point conversion attempt failed as Brown was stopped short around left end.

The Tigers picked up two first downs on their next possession, but a quarterback sack by Vargas and Bland and a delay of game penalty on Slaton set up a fourth down punt at the Post 44 yard line.

The Bold Gold took control with 2:31 left in the third quarter at their own 13 yard line following the punt, and drove the ball the 87 yards in six plays, getting two illegal receiver downfield penalties along the way.

Whitehead carried to the 16, a quick-opener trap play gave Slay running room over right guard to the 38, a delay of game penalty on Slaton set up a pass to Whitehead at the 49 that was called back on an illegal receiver downfield, setting up second down at the 34.

Brown took the ball over right guard to the 39 and the fourth quarter opened with McCook rolling right and finding

Whitehead again to the 49, as the officials one more time called an illegal receiver downfield.

Third down from the 34 saw Brown hitting over left tackle to the 36 and then Tiger defender A.G. Ray hit Brown after the whistle and a personal foul penalty gave the Antelopes a first down at their own 43.

The quick hitting offensive line executed the trap play to perfection as Gonzales, running at fullback, took the ball over right guard and broke away from two would-be tacklers to roar into the end zone. Center Michael Brogden and guards Junior Nava and Chris Redman along with Vargas, spearheaded the blocking to make the play happen.

With 11:12 left in the game, Gonzales' extra point kick put the 'Lopes out front 34-22.

Another quarterback sack on third down, this one led by Shane Horton and Bland, forced the Tigers into a punting situation at their own 26 following the kickoff.

It only took the Antelope three plays to strike again following the punt, which rolled dead at the Post 46.

Gonzales went over left guard to the Post 49, then Brown took the delay handoff over right guard, cut to his left and was brought down at the Slaton 31 for a first down.

Then Brogden, Nava and Redman went to work on their patented blocking scheme, and Gonzales took advantage of the gaping hole in the Tiger defense as he chalked up another touchdown for the Antelopes. The muffed extra point snap and Tiger interception of a Michael Radle pass attempt failed and Post led 40-22

with 7:09 left in the contest.

The defense held, although the Tigers got a first down before punting on fourth from their own 48 after the kickoff.

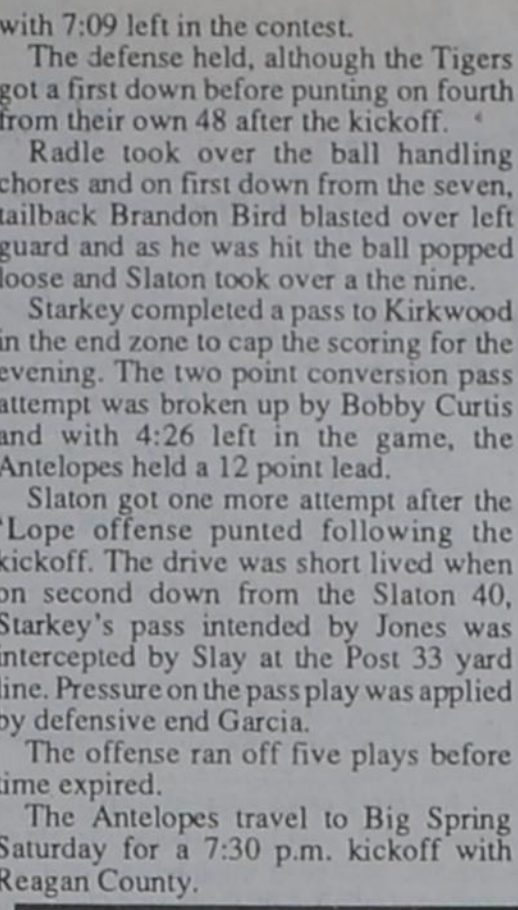

Radle took over the ball handling chores and on first down from the seven, tailback Brandon Bird blasted over left guard and as he hit the ball popped loose and Slaton took over at the nine.

Starkey completed a pass to Kirkwood in the end zone to cap the scoring for the evening. The two point conversion pass attempt was broken up by Bobby Curtis and with 4:26 left in the game, the Antelopes held a 12 point lead.

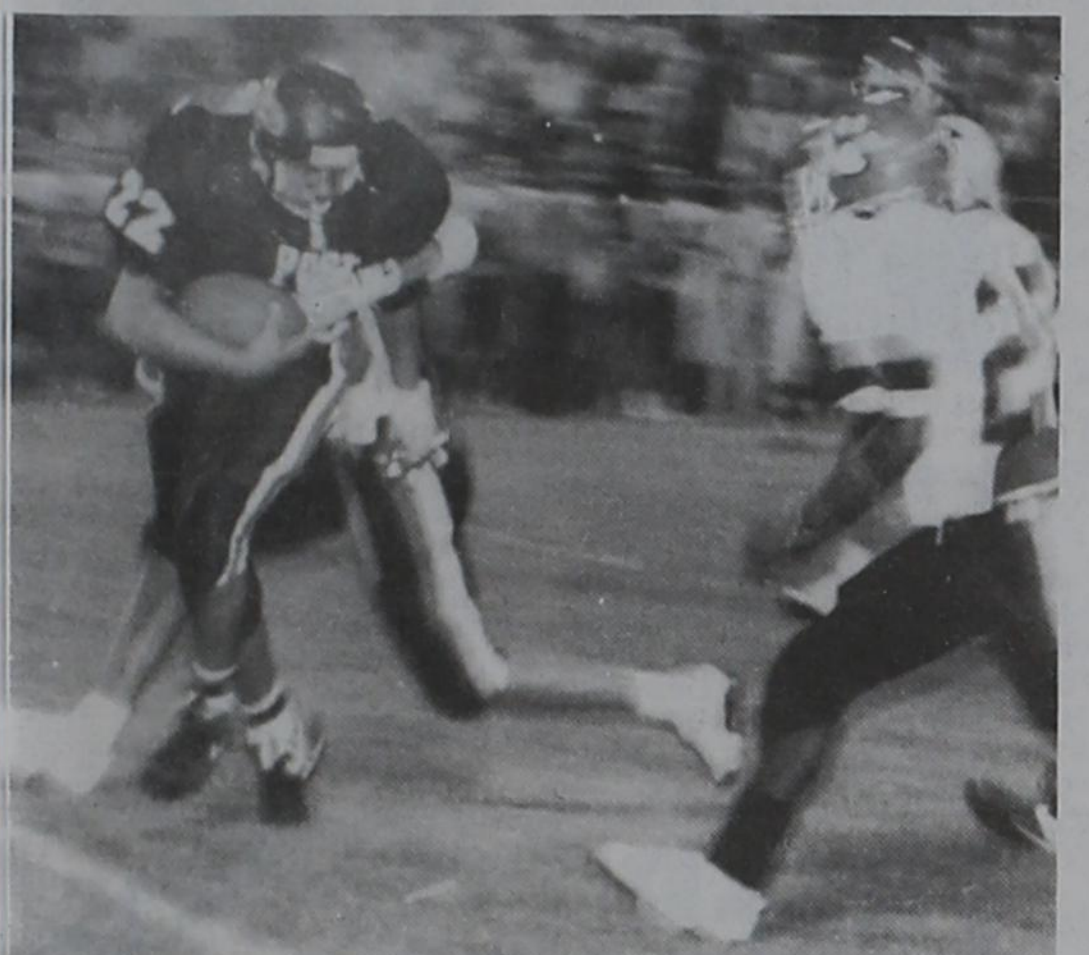

Slaton got one more attempt after the 'Lope offense punted following the kickoff. The drive was short lived when on second down from the Slaton 40, Starkey's pass intended by Jones was intercepted by Slay at the Post 33 yard line. Pressure on the pass play was applied by defensive end Garcia.

The offense ran off five plays before time expired.

The Antelopes travel to Big Spring Saturday for a 7:30 p.m. kickoff with Reagan County.

QUARTERBACK JAY MCCOOK runs to his right, looking for a receiver during first half action here last Friday in the 40-28 win over Slaton. McCook completed nine of 13 passes for 90 yards.

## ACS opens new office

The District Three American Cancer Society has recently opened a new office at 3411 73rd Street that will serve as training and distribution site for the West Texas area.

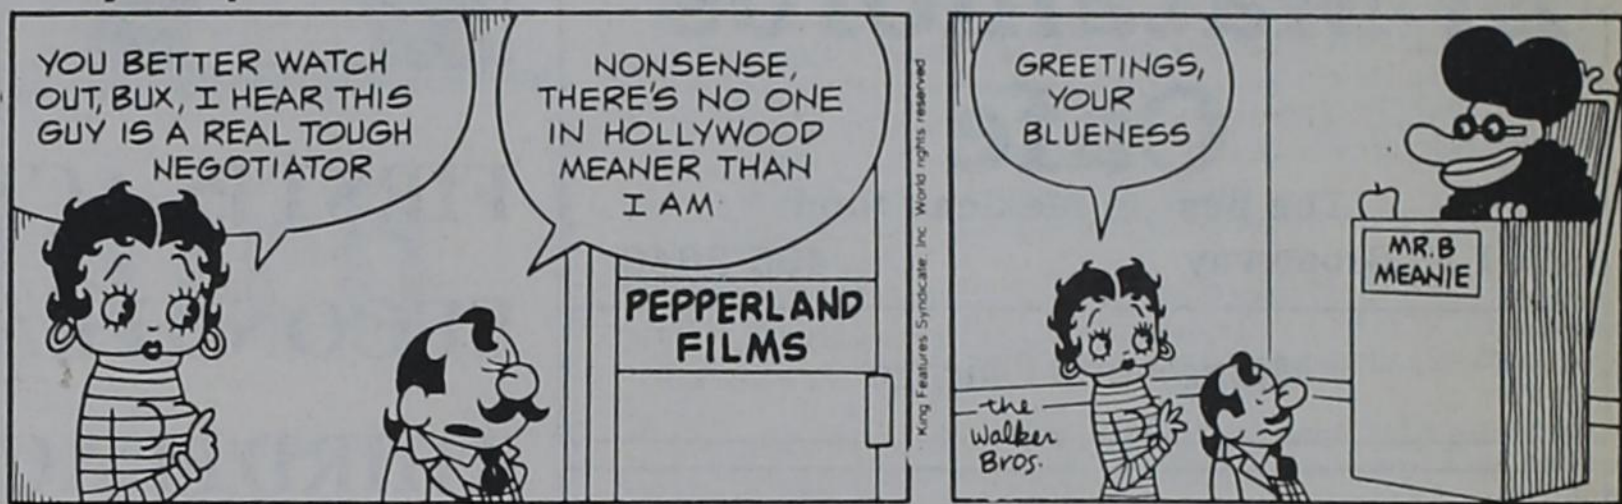

The newly acquired office, because of its central location, will be able to serve more cancer patients through additional office space and storage areas which is dedicated to patient services. Larger meeting facilities will provide the opportunity for training, workshops and conferences as a service to all of West Texas.

The newly remodeled building was made possible by a generous gift from the estate of Florie S. Dupre of Crosbyton.

An open house will be held on Thursday, September 20 from 4:00 - 6:00 p.m. at the office, with the ribbon cutting ceremony at 4:30 p.m.

For more information on your American Cancer Society, please contact Elizabeth Hopkins, Senior Field Representative, Lubbock Metro Unit or Diann Davis, Field Representative, District 3, at 792-7126.

## PUBLIC NOTICE BRIEF EXPLANATORY STATEMENT OF PROPOSED CONSTITUTIONAL AMENDMENT GENERAL ELECTION NOVEMBER 6, 1990

### PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

*Este es el informe explicatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el día 6 de noviembre de 1990. ### WATCH THIS SPACE EACH WEEK

For instructions on where to submit your completed entry  
form. Boxes for entry forms will be moved every week to  
six different participating sponsors.

THIS WEEK...submit your entry form before  
5 p.m., Friday at one of the following sponsors:

- Handy Hardware & Gifts
- Happiness Is...
- Higginbotham-Bartlett
- Ammons Printing & Office Supplies
- Jan's
- The First National Bank

#### RULES & INSTRUCTIONS:

1. The contest will continue through November 23, 1990. Each week is a separate contest with \$175 in prizes offered each and every week.
2. There are 21 games to pick each week. One game will be found in each participating sponsor's ad appearing on this page. Circle the names of the teams you believe will win. On the game designated as the "tie-breaker", guess the actual score of the game.
3. Anyone at least 12 years old or older may enter the contest. Only one entry per person. More than one entry will disqualify all entries for that person. Only the official entry form printed by The Post Dispatch on this page will be eligible for consideration. No facsimile, photo copy or other reproduction of the entry form will be accepted.
4. Entry forms must be submitted to designated sponsors no later than 5 p.m. each Friday prior to the games listed for that week.
5. Entry forms must be correctly completed and signed by the person submitting the form with the correct address. Incorrect entries will be disqualified. In all instances, the decision of the judges will be final.
6. Entry forms must be signed by the person submitting the form, entries known to be signed by a person other than the one who completed the form will disqualify that entry.
7. In the case of a tie, contestants guessing nearest to the actual "tie-breaker" game score will be declared the winner. The tie-breaker will be determined by the point spread method, picking the winner correctly. In case of identical scores, prize money will be divided equally.
8. Employees of The Post Dispatch and their families are ineligible to participate in the contest. Owners and employees of participating sponsors may enter the contest.
