

Two Post Boys Killed In Plane Crash Tuesday Afternoon

The Post Dispatch

POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, AUGUST 22, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 30

Man Burned To Death In Flaming Truck

Up And Down Main Street

From "Butch" Hayes, the office... a hypocrite is a kid what goes to school with a grin on his face.

Your name, please? A new stamping machine that prints your name in gold on fountain pen or pencil is now in operation at Dodson's jewelry.

A melody in metal describes a new Plymouth to be handled by Scott Storie and son. The cars on display these early days are lovely to look at and would be lovelier to own.

Tuna is Back! Tuna is finding its way back to our shelves after being one of the wartime scarcities. The Corner Grocery received a very nice shipment recently.

The incident didn't happen to Lee Duckworth, head man at our local bank, but things just as general have happened, he told us while we were in checking on the figures with the girls who handle the figures, Jeanette, Marjorie, Wilma and Billy.

Oldie, John and Buddy can tell you the tales on John Public and the "manus" that are good for a laugh.

Sugar and Spice and Everything Nice is what we think of when we see the adorable little hats for the younger girls that are displayed at Stevens Style Shop.

The Red-Meats, Jester-Bainey... along with two or three other matches, are expecting the crowd to say their say in the voting on the polls Saturday.

SCENE OF TRAGEDY—Pictured here are Post firemen as they battled away early Saturday morning at the blazing gasoline truck which overturned after a collision, burst into flames and trapped its driver who was burned to death in the inferno. (Read story right). Photo was made by Billings.

Tax Valuations To Get 20 Per Cent City-School Raise

A blanket raise of twenty per cent, representing several thousand dollars in property tax valuations for the city of Post and Post Independent school district for 1946, has been agreed by the City Commission and School Board, according to W. F. Presson, city secretary.

Jimmy Bird Brings In Season's First Bale Of Cotton Monday

Garza county's first bale of 1946 cotton, arriving about two weeks earlier than last year's first bale, was brought to Post Monday by Jimmy Bird, 16-year-old son of Al Bird, Verbena community rancher-farmer.

This is Jimmy's second year to farm and his first time to "get a first bale." He will use the money he receives from his crop to defray the expenses of his schooling at A & M College.

DAIRY PRODUCERS ARE REMINDED TO SEND IN QUARTERLY RECEIPTS

All persons who have sold dairy products during the months of April, May and June are reminded that there are only 18 days more in which receipts will be accepted, as August 31 is the last day that payment can be made.

Receipts may be brought or sent by mail to the Garza County AAA office, in Post. All receipts must be dated and have the name of the producer and the company to which the dairy products were sold, said Gibson.

Rev. Edwin E. Hale To Conduct Revival For Nazarene Church

The Church of the Nazarene of this city will begin a revival meeting Wednesday, August 28, which will continue through September 8.

REV. EDWIN E. HALE

Bethany, Oklahoma, will be in charge of the preaching services which will begin each morning at 10 o'clock and each evening at 8 o'clock.

HARD SURFACING OF POST-RALL ROAD TO GET UNDERWAY AUG 28

Construction on the eight-mile strip of farm-to-market road from Post north along the present route of the Post-Ralls highway, is expected to be begun about August 28, said County Judge J. Lee Bowen Tuesday.

LOCAL FIRE DEPARTMENT SPONSORING TENT SHOW

A three-night stand of the Puckett's Variety Show has been engaged to play here September 2, 3, and 4, under sponsorship of the Post Volunteer Fire Department, according to Homer McCrary, president of the department.

TWO GARZA MEN GET DISCHARGES THIS WEEK

Garza county men who were reported this week as having been issued an honorable discharge from the armed services include Willis W. Smith and A. P. Graves, Lubbock.

Light Vote Expected In Next Saturday's Run-Off Election

With less interest shown in politics since the first primary, than was demonstrated before the July 27-28 election, Garza county's balloting next Saturday is expected to be much lighter than the first primary poll.

Post Boys Take Honors At District 4-H Encampment

Carter Gene White, son of L. C. White, won a place on the district 4-H club rifle team when South Plains club boys attended an annual district encampment in Lubbock last week.

Forty-Five Farmers Receive Certificates Of Indemnity On Crop

Producers who are insured under the 1946 Cotton Crop Insurance program are now realizing the value of their insurance contract, announces Will Wright, County ACA chairman.

VFW SUPPER PLANNED NEXT MONDAY NIGHT

Garza county ex-service men are reminded again this week by officials of the John Miller Veterans of Foreign Wars post that they are invited to a supper and open-house at the Legion hut next Monday night, August 26.

NEW ARRIVALS

Charlie Mack is the name of the six pound, five ounce boy which was born to the Robert Gibsons last Wednesday. The young man was born at 8:41 a. m. on August 14, in the West Texas hospital in Lubbock.

Business Area Threatened By Rivers Of Fire

Intense Heat Causes Much Damage To Buildings

"It is a miracle the whole town was not razed," is the reaction of the entire population of Post after experiencing the most terrible fire in the town's history. The tragic accident of early Saturday morning, which burned to death one man, destroyed two business firms completely, and damaged an entire city block, has left its mark on the minds and hearts of the people that will never be erased.

The accident happened about 1:30 Saturday morning when a capacity loaded gasoline tank-truck, traveling north along Highway 84, was in collision with a light automobile at the intersection of Main street, overturned and crashed against the Star Service Station, and turned into a flaming inferno and funeral pyre for its driver.

Cecil Wisdom, 36-year-old driver for the Ohlenbusch Oil Company of Lubbock, was trapped in the cab of the truck when it crashed into the filling station and died in the inferno. His body was badly burned.

An eye-witness, who was standing in front of the Gulf Service station on the corner west of the scene of the accident, said he believed Wisdom was pinned in the cab as the door on his side was partly open and he seemed to be attempting to free himself from the wreckage while calling for help.

A woman who was riding in the truck, and who gave her address as Southland, miraculously survived.

Final Plans For Opening Of School Being Completed

Plans are fast being completed into shape for the opening of the 1946-47 school term. Superintendent G. B. Day announced Tuesday morning when he released the names of the faculty.

With the exception of two and the replacement of another to fill the vacancy left by the resignation of Weldon Skinner, principal, the faculty is the same as last year. This is a very unusual occurrence in comparison with the situation of the last several years.

Practically all statements in proof of loss have been submitted to the Corporation, except in those cases where cotton is still growing, and all insured producers who suffered total losses can expect to receive their certificate of indemnity within a short while, Wright said.

THIRTY-THREE VOTE ABSENTEE BALLOTS

Thirty-three absentee ballots for Garza county's August 24 Democratic run-off primary had been marked up until Tuesday noon, with seven or eight ballots that were mailed out of the clerk's office not yet returned.

In the first primary, one month ago, sixty-six voted in absentia.

A. C. SURMAN, JR.

J. H. PEEDA, JR.

ENTIRE CITIZENSHIP OF COUNTY ENGULFED IN SADNESS OVER DEATH OF TWO YOUNG MEN

Tragely struck Post again Tuesday afternoon, for the second time within four days, when a plane crash resulted in the death of two of Post's finest young men, A. C. Surman, Jr., 21, son of Dr. and Mrs. A. C. Surman, and J. H. Peede, Jr., 22, son of Mr. and Mrs. J. H. Peede, who reside ten miles southwest of Post in Graham community.

FUNERAL SERVICES FOR A. C. SURMAN, JR., HELD WEDNESDAY AFTERNOON

In the Presbyterian church Wednesday afternoon at five o'clock funeral rites were held for Arnold C. Surman, Jr. Rev. Alfred M. Dorsett of the Heights Presbyterian church of Houston, former pastor here and personal friend of the family, spoke comforting words to the family and host of friends who were gathered to pay their final respects to one of the town's most loved young men.

Appropriate scriptures from the twenty-third Psalm, and the entire fourteenth chapter of John were read. Commenting upon them Rev. Dorsett spoke consolingly, giving as he did an instance as he knew them of the boy's genuine friendliness toward all people, his graphic individuality, his keen desire to learn and his gay, good humor.

He concluded his thoughts with fitting passages of poetry. "The Open Door," written by Grace Coolidge on the death of her young son, and "I Knew Christ" were read.

A choir comprised of school friends sang "Abide With Me" and "Jesus Savior Pilot Me," accompanied by Mrs. J. A. Stallings.

A color guard comprised of Delmo Gossett, R. D. Travis, Conner Parsons and Hazen Ricker stood at attention during the ceremony and presented the colors at the gravesite in Terrace cemetery.

A. C. Jr. was born October 1, 1924, and died August 26, 1946. He was one of Post High's most outstanding students, having been active not only in academic circles but also in band, football, dramatics, and served as photographer on the annual staff. He was voted the best all-around boy during his senior year.

He was a Junior student in the University of Texas Medical school at Galveston. He was discharged about four months ago from the Army Specialized Training program and was home on vacation. He was doing some work in the laboratory at the Post.

(Turn to Back Page, Col. 3 Please)

PEEDE FUNERAL TO BE HELD THIS AFTERNOON

Funeral rites for J. H. Peede, Jr., plane crash victim of Tuesday, are to be held this afternoon at 5 o'clock at the First Baptist church. Rev. J. L. Clinton of Lubbock will have charge of the service for the Marine who was being spending a leave with his parents, Mr. and Mrs. J. H. Peede, and young brother Jimmie Dale.

Military honors will be accorded by former buddies, all of whom have seen service in World War II. R. D. Travis, Jason Justice, Punk Peet and W. H. Childs.

In Post High school he held an important place in athletics, serving on the basketball and track teams, and in his Senior year he

(Turn to Back Page, Col. 1 Please)

Faculties members and subjects they will teach are listed below for the benefit of the school parents.

High school: G. B. Day superintendent; Bing Bingham, coach and social science; Mrs. Ray Smith, English; Mabel Harris, English; S. D. Stramer, math; Mrs. Pearl Stone, math and study hall; N. R. King, physical education and social science; Mrs. T. L. Jones, history; Maud Alice Zarns, home-making; Johnnie Cook, commercial; Mrs. H. I. Carr, science; Mrs. V. F. Bingham, speech and junior business; and Mrs. Euno Cash, eighth grade.

Elementary school: J. L. Miller, principal; first grade, Mrs. Joe Callis and Mrs. J. A. Thomas; second grade, Bonnie McMahon and Jo Paster; third grade, Mrs. Nola Briester and Margaret Smith; fourth grade, Ruth Cox and Mrs. Lillie Kitchen; fifth grade, route teacher and math, Mrs. W. F. Presson; sixth grade room teacher and history, Mrs. G. E. Fleming; seventh grade room teacher and science, Mrs. Lillie Helton; English, speech and library, Margaret Norton.

A faculty meeting has been called for August 20, at 8 a. m. All teachers are requested by Mr. Day to attend.

THE SIMPLE ISSUE

The seeds of another worldwide armament race among the great powers are being planted now less than a year after the end of the most destructive war in history.

All of the major nations are carrying on extensive experiments with "bigger and better" tools of slaughter. Pilotless airplanes—rockets which are an "improvement" on the horribly destructive German V-2 type—guns which fire streams of molten lead instead of bullets—electrically guided bombs of unimaginable force—these are but a few of the hideous weapons now in the laboratories or the proving grounds.

Topping them all, of course, is the atom bomb. According to authorities, the bombs so far exploded have developed only a microscopic percentage of their potential destructive force. Compared to the bombs of tomorrow, they are like a firecracker beside a stick of TNT. And no scientist believes that atomic bomb construction and development can long remain the secret of one country. No nation has a monopoly on scientific knowledge and intelligence.

Here is the greatest of all arguments for international understanding, international tolerance, fair international give and take in the interest of a permanent peace. So long as mistrust runs rampant through the world, all the great powers will seek new and even more terrible weapons. And every arms race in history has ended in war.

The issue is a simple one—we will have life or we will have death. We will build a better world or we will have no nations at all. Today all mankind faces the greatest problem it has ever known.

CAN THE FARMER AFFORD IT?

The Country Gentleman recently ran an editorial on the plan to extend "social security" to farmers in the form of the pending Wagner-Murray-Dingell Bill.

This bill, among other things, would give the farmer old-age and retirement pay, a system of government-controlled medical insurance, various disability benefits, and unemployment insurance. All of this may sound very appealing. But when the cost is computed, a good deal of the appeal vanishes. The total cost of the plan to farmers, according to the Country Gentleman, which bases its editorial on a recent research study by Social Forces, would be \$420,000,000 a year, using 1940 as a base. In a more prosperous year, such as 1943, it is estimated that the cost might rise to \$565,000,000. By comparison, all farm real-estate taxes paid in 1940 totalled only \$400,000,000.

This plan would be financed, in part, by taxing the farmers' income. A farmer with an income of \$2,000 a year, for instance would pay \$100. Further he would be liable for a 4 per cent payroll tax if he hired any help. Lastly it is estimated that even this revenue would be insufficient and the government would have to make up the deficit from other sources of income—which means eventual higher taxes on everyone, farmers included.

As the Country Gentleman concludes, "It seems that such a vast and complicated affair calls for more study before any action is taken." The rural health problem, which is at the core of the Wagner-Murray-Dingell Bill, can be solved without establishing government dictatorship of medicine. All of us are sympathetic with the motives behind such measures. But many thoughtful people are extremely dubious of the soundness of the method proposed.

SERVICE STATIONS FILL A UNIQUE PLACE

The service station has a unique place in our way of life. It is a way point where weary travelers can rest and be refreshed. It is a guiding post when you have lost your place on the highway map. It is the information center of all travelers. In fact it is a sort of twentieth century general store where folks in the town gather to talk things over. A good or bad impression can be made by service people.

We have a warm spot in our hearts for filling stations because they seem such neighborly places. They are the places where small boys go to patch up their battered footballs or put another tube on an already taped bicycle tire. Bobby Soxers rush by for a cold drink and chat with the attendants. Mom, in a hurry to a club meeting or church social, stops by to leave a message for Junior—"If you see him" and it is the place where Pop, driving in for gas and a new fan belt, lingers to debate on the state of the union.

As long as we have these neighborly meeting places, we are not worried about our good American life. In our towns are numerous stations and at each one you'll find friendly, courteous and interested attendants. They are a fine bunch of fellows and our hats are off to them for the neighborly job they are doing.

**WHAT OUR CONTEMPORARIES ARE SAYING:
OUR UNHAPPY BOOM HAS US GUESSING**

The boom which we are experiencing is what the late President Roosevelt would have called "iffy."

The list of boom characteristics might be extended indefinitely. But confidence, the essential ingredient of well being, is absent, except in some political circles. The feeling prevails that this boom is temporary.

Good judges of trends believe that a considerable amount of the current clamor for goods is psychological. It is pointed out that when production rises there will not only be a direct satisfaction of much of the demand, but there will be less feeling of urgency because of the prospects of ample goods. This psychological aspect of inflation has been common in the past.

Such men in the streets as are able to forget current problems and to think ahead are asking how this boom will end. Will it be a big burst or will it slowly deteriorate?

A country editor speaking: Why join an organization to protest against high prices when all you've got to do is say "no" to 90 cent butter and 52 steaks.

A fiery-tempered business man wrote the following letter:
"Sir: My secretary, being a lady, cannot type what I think about you. I, being a gentleman, cannot say it. You, being neither, will understand what I mean."

The guy who lives a double life gets no where twice as fast.

One reason the gentleman of today doesn't kiss the modern girl's hand is that he'd burn his nose on her cigarette.

Silver linings make life livable. But brake linings make life possible.

Agriculture's contribution to the national income was 19.4 percent in 1945, against 10 percent in 1944. Some species of bacteria are capable of reproducing its kind fifteen minutes after birth. New Hampshire was named after the English county of Hampshire.

Nature's Forces Hold the Rings Around Saturn...

and OIL-PLATE Your Engine!

NO one knows just why Saturn is the only planet to have rings around it. We do know, however, that mighty forces of gravitational attraction hold them there. Through extensive research into the forces of attraction between molecules of liquids and solids, Conoco scientists are able to bring America's motorists the benefits of new and better oils.

the crankcase, even overnight... you get these benefits:
added protection during the vital periods when you first start your engine
added protection from corrosive action when your engine is not in use
added protection from wear that leads to fouling sludge and carbon
added smooth, silent miles

Using the force of molecular attraction (basic force that holds things together), a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. In fact, so strong is this attraction that cylinder walls are OIL-PLATED.

That's why you'd be safer to OIL-PLATE your engine now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

And because molecular attraction holds Conoco OIL-PLATING up where it belongs... prevents it from all draining down to

John F. McKillop, 24 and Miss Barbara Hamilton, 20, of Idalou, Issued 8, 15, 1946.

C. B. Bilberry, 25, and Miss Thea Lois McDougle, 17, of Post, Issued 8, 16, 1946.

James F. Condon, 18 and Miss Opal Marie Crider, 16, of Post, Issued 8, 16, 1946.

H. GREG, 46, and Mrs. Bessie Gohler, 45, of Post, Issued 8, 17, 1946.

August Filing of Vital Statistics:

Births:
Cebrey and Opal Montgomery, a daughter, Barbara Jean, born July 16, 1946.

Robert and Mary Carlton, a son, Tommie Ross, born July 15, 1946.

A. C. and Cleo Ausbern, a daughter, Linda Sue, born July 14, 1946.

James and Lois Kennedy, a daughter, Judy Nell, born July 20, 1946.

William and Lillian Baker, a daughter, Billie Sue, born July 14, 1946.

Deaths:

Wilborn and Ruth Wade, a son, Jerrold Mart, born July 19, 1946.

Manuel and Senobia Cardenas, a son, Felix, born July 18, 1946.

Bennie and Erlene Mitchell, a son, Tommie Lee, born July 5, 1946.

Winifred and Edith Crispin, a daughter, Rosa Mary, born July 2, 1946.

Barbara Madri Gonzalez, female, age 30, died July 11, 1946.

Louis J. Wilson, male, age 78, died July 27, 1946.

POLAR OIL WELLS ARE DRILLING WITH PROGRESS

Two wells in the Polar field were drilling with progress the latter part of last week with the American Liberty Oil Company No. 1 Connell-Young drilling below 6,327 feet in shale.

The test is in the southeast corner of section 56, block 5, H&GN survey and is one mile northwest of the discovery well for Ellenburger production.

Another test in the Polar field, near the Garza county line, is Humble No. 1 Elkins, on the north east side of the discovery well and located in section 36, block 5, H&GN survey.

Drilling last week end had progressed to 4,450 feet in lime. The well is slated to go to 7,900 feet to test for Ellenburger production.

Sgt. Roy Hodges Said To Be En Route Home From Japan

Mrs. Roy G. Hodges and six months old son, Billy Roy, are eagerly awaiting the arrival of Sgt. Roy G. Hodges. He informed his wife that he would sail from Yokohama, Japan, about August 11.

Sgt. Hodges has been overseas fourteen months. He spent several months in Manila before being sent to Japan for occupational duty.

Mrs. Della Justice spent Sunday in Lubbock returning to Post Monday morning.

**NEWS NOTES FROM . . .
Duck Creek Soil—
CONSERVATION DISTRICT
OFFICE AT POST**

"The later, by having its wings
sit down, will throw less dirt and
move the stubble on top of the
ground thereby protecting the soil
from the erosion hazard in the
early spring," stated Roy Collins,
cooperator with the Duck Creek
Soil Conservation district. "Further-
more, it takes less power to do
the listing and leaves the bed
flatter and makes them easier to
follow in pre-planting operations,"
declared Collins.

As part of his coordinated soil
conservation program, Mr. Col-
lins plans to seed some wheat in
strips this fall provided moisture
is available. By seeding in con-
tour strips, both wind and water
erosion will be reduced.

The District Supervisors would
like to re-emphasize the impor-
tance of establishing a winter cover
crop on land subject to wind
erosion, more especially that land
planted to clean tilled crops. Chas.
Witt, supervisor in zone 2, says:
"Next spring this land will pre-
sent a serious wind hazard if left
unprotected. Rye or a mixture of
rye and vetch is well adapted to
the sandier soils and if planted
this fall, will not only provide
grazing and a cash crop of grain
but will be on the land at the
time it is needed to protect it
from blowing." Those coopera-
tors who wish to make these
plantings and who want the assis-
tance of the District to locate
their seed, should contact the local
Soil Conservation Service office
in the near future.

**Visiting Here Before Going
Back To McMurry College**

Lt. and Mrs. R. B. Young ar-
rived here Friday to visit a short
time with her father, Clyde Hun-
dley, and other relatives, before
they go to McMurry college in
Abilene, where Lt. Young will re-
sume college work interrupted by
the war. Mrs. Young will re-
sume her work in the dean's of-
fice. Lt. Young has been station-
ed at Memphis, Tenn., and is now
on terminal leave.

Return From Vacation

Mr. and Mrs. W. E. Dent re-
turned to Post Sunday from a
two weeks vacation in Big Spring
and surrounding territory. Mr.
Dent was reared near Big Spring
and the visit was his first in about
forty years. He met many old
friends and said he thoroughly
enjoyed his stay at his old "stomping
grounds." They also visited
their daughter, Mrs. George Flip-
ping and family, who reside in
Big Spring.

Fred Sigler spent the week end
with his wife and little daughter,
who are spending the summer
here with Mr. and Mrs. S. Q. Rec-
tor.

SERVING YOU THROUGH SCIENCE

It's a stronger tire
It's a safer tire
It's the newest

U.S. ROYAL!

You get all the features that have long made
the name "U.S. Royal" famous—plus the
advantage of special rayon cord construction*
to make your driving extra safe, trouble-
free and luxurious.

Nine years ago when "U.S." first marketed
a rayon cord tire it was proven that although
rayon-bult tires are lighter, they are also
stronger and safer.

That's because this super-strength rayon
"U.S." uses, runs many degrees cooler . . . cuts
down destructive inner heat . . . adds thou-
sands of miles to tire life . . . and gives you
far greater protection against blow-outs.

And of course in this newest U.S. Royal
you get many other safety features, too—the
famous Royal block tread for smooth riding—
perfect balance for easy steering and park-

ing. The fact is that U.S. Royals are every
bit as modern as the fine cars on which they
are standard equipment—every bit as fine as
the quality name they've built up over the
last thirty years—every bit as good value for
your money as U.S. Royals have always been.
See these great new tires today at your
U. S. Tire Dealer's—find out how soon you

3 Garza County Boys Will Attend State 4-H Round-Up Next Week

Three Garza county 4-H club boys, Carter Gene White, Donald Carpenter and E. P. Wicker, Jr., along with George "Scoteman" Samson and County Agent Frank Eaton, will attend the State 4-H Club Round-Up sponsored by A. & M. Extension Service. The Round-Up will begin on Tuesday and will continue through the 30th.

Club boys representing this county will do so by virtue of their outstanding club work. Eaton will go in his official capacity as county agriculture agent, and Samson will attend as district sponsor. White, son of L. C. White who resides eight miles west of Post, has been in club work five years. He has done outstanding work in many fields of the club program. An outstanding worker in high school club work as well as in county club work. Although his demonstrations rank low among 4-H club projects he will represent this county as a member of the district rifle team which competing in events at A and M.

Wicker, son of E. P. Wicker of Southland, is also in his fifth year of club work. He has shown outstanding leadership in club work in the school as well as in the county. He has been declared the outstanding dairy cow and wolf demonstrator in Garza county. His minor demonstrations are swine and field crops. He was winner of first place in Sears Cow Hog-Hen contest in 1944 and won the county achievement award in 1945.

Carpenter, son of Ed Carpenter of Gornolia community, was selected delegate to attend the Round-Up when this county was allowed another delegate after White qualified for the rifle team at last week's Lubbock encampment. Swine breeding is his major project and grain sorghum is his minor demonstration.

Approximately 1,200 club workers and possibly as many extension workers and adult leaders are expected to attend the Round-Up.

FUNERAL SERVICES HELD FOR JUDY NELL KENNEDY

Funeral services were held Tuesday, August 8 for Judy Nell Kennedy, infant daughter of Mr. and Mrs. James Kennedy. The infant, born July 28, 1946, died suddenly in the Kennedy home at 7:45 p. m. on August 7.

The services were conducted by Rev. I. A. Smith at the First Methodist church. The theme for the service was "Safe In The Arms of Jesus" given in both the choir selections, and Rev. Smith's message.

Pallbearers were Ben L. and A. C. Thomas, Charles Casey and Wayne Hundley. Flower girls were Anita Kennedy, Donna Kay Kennedy, Edwanda Davies, Mary Nell Bowen, Faye Ruth Hamilton and Wanda Jean Welch.

Guests of the Bob Warrens Sunday were Mr. and Mrs. Tom Gates and daughter, Ann, of Lubbock.

RUPTURE

SHIELD EXPERT
 H. M. SHEVNAV, widely known expert of Chicago, will personally be at the Hilton Hotel, Lubbock, Thursday and Friday only, August 29-30, from 9 A. M. to 4 P. M.

Mr. Shevnav says: "The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening ten days on the average case, regardless of heavy lifting, strain or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments."

Mr. Shevnav will be glad to demonstrate without charge, 8309 N. Artesian Ave., Chicago 45. Large incisional hernia or rupture following surgical operation especially solicited.—Adv.

CONTROL OF EAR TICK DISCUSSED BY AGENT

As a result of studies recently completed by the Bureau of Entomology and Plant Quarantine, a new method has been developed for controlling the ear tick, declares County Agent Frank Eaton.

It has been found that the ear ticks are found in large numbers in the ground around salt troughs. A mixture of equal parts of kerosene and used lubricating oil was found to be highly effective against all stages of the tick, said Eaton. The salt troughs and the areas under them should be sprayed thoroughly at least once a month. For the average 8 foot trough 2 or 2 1-2 gallons of the mixture should be used.

In addition to the above stock 1028 (a mixture of pyridine and an adhesive resin) Herculyn, and dibutylphthalate should be applied to the ears of the livestock by means of a small paint brush. A brushful of the mixture should be inserted well down into the outer ear and rubbed about enough to insure a complete coverage of the deep convolutions and the inner surface of the outer ear, pointed out the agent. On gallon of stock 1028 will treat approximately 125 head of cattle.

OIL WELL BEING DRILLED NEAR POST TOWNSITE

Comanche Oil Corporation, with a number of producing wells in Garza's central field four miles south of Post, have made a location just outside the Post townsite and about three miles from the center of the field.

The location is in section 1228, abstract 939, Post Estate land, and is just about one hundred yards southwest of the overpass on highway 84, about one quarter mile south of the south city limits.

The rig was moved to the location Sunday and drilling will get underway within a few days. The exploration will go to approximately 3,000 feet.

The location is the nearest to the townsite of any ever made.

CLEAN-UP, PAINT-UP HINTS FOR FALL DAYS

Late fall is regarded as the best time to do house painting, for by then the long summer sun has removed all moisture from the wood.

To remove dust from wall paper, wipe with a soft wall brush or soft cloth. Hard rubbing will streak and roughen the paper.

Drab-looking flower pots can be brightened by going over them with ordinary wax crayons.

Heavy roof paint applied to inside of metal gutters will prevent rusting for a long time.

To help restore the original lustre of gilt picture frames rub with a sponge moistened slightly with turpentine.

Tip on Painting: Don't overload brush, dip it one-third its length, and keep the can about half full.

PURCHASE HOME AT BANGS

Mr. and Mrs. Z. D. Kemp, while visiting their daughter, Mrs. E. W. Gill, jr., in Coleman county, purchased a residence in Bangs and plan to move there as quickly as they get possession of the house. The Kemps spent 10 days visiting with Mrs. Gill and family, and returned here Monday.

Released From Hospital

Friends of Mrs. W. V. Roy will be happy to know that she was released the middle of last week from the Scott-White hospital at Temple where she was a patient for several weeks.

CARD OF THANKS

We wish to thank each individual who helped in any way during our sorrow. We sincerely thank Bro Smith for his comforting words and our friends for the beautiful floral offering and many comforting words. May God's richest blessing be upon each of you.

Mr. and Mrs. James Kennedy
 Mr. and Mrs. H. W. Kennedy
 Mr. and Mrs. Robert Terry
 Mr. Ralph Turner and Charles Mrs. Spain Moore
 Mr. and Mrs. Jack Kennedy
 Mr. and Mrs. L. P. Kennedy
 Mr. and Mrs. Edsel Cross

CARD OF THANKS

We want to take this way to try to express our feelings toward our many friends, during the death of our darling little baby, Jerrie. May God richly bless each of you is our prayer.

Mr. and Mrs. Floy Byrd and children.

 CHARLIE O. REED
 NATHAN MEARS

LOCAL BOYS' TEAMS TAKE DOUBLE-HEADER FROM LUBBOCK OPTIMISTS

The Post Boys' club baseball teams evened up their debt with the Lubbock Optimists last Thursday when they won a double-header at Postex park. The week before the local boys bowed to the Lubbock kids in a two game affair, but last Thursday they more than squared things when the older boys took the Optimists 19-3 in hard-ball, and the pee-wee club did about as well in softball by walloping their opponents, 8-5.

The game climaxed the summer training program for the club boys, which has been under sponsorship of the Post Rotary club and direction of Coach Bing Bingham, and the club was disbanded Friday afternoon. Average daily attendance for the period was forty-one boys, with a one day high attendance count of fifty-seven boys.

Mr. Shivers Runs For Lt. Governor On Qualifications

Senator Allan Shivers, leading candidate for lieutenant governor, is seeking election to that office solely on the bases of his

qualifications of wide training and experience.

In every way, Allan Shivers, the legislator, lawyer, farmer and World War II combat veteran, is exceptionally qualified for the No. 2 state office. As a state senator for a number of years, he established an excellent record of public service. A loyal Democrat and native Texan, he is a man of highest character and splendid personality. The majority of Texans believe he will reflect credit and honor on the State of Texas.

Shivers, a war veteran of two years overseas, during which time he earned 5 battle stars, did his best to make this a free country for a free people. He will continue that course as lieutenant governor.

He has conducted a dignified campaign, free of mud-slinging and personalities. His platform appeals to every Texan: Better farm-to-market roads, better salaries for school teachers, enlarged public safety facilities, a thorough public health program, redistricting of the state for legislative purposes, greater aid to the aged, real assistance to war veterans, reorganization of the pardon and parole system, a first class university for the colored, and equal responsibility from both labor and management. He is against a sales state income or any other form of new taxes.

Allan Shivers will be the lieutenant governor of all the people. In addition to integrity, sincerity and ability, he has a background of training and a record of public service already performed which gives him the right to ask for promotion.

To Whom It May Concern:

I, the undersigned, hereby state that I have been Justice of the Peace at Fluvanna, Texas, Justice Precinct No. 2, since January 1, 1929, and am now holding said office.

I have known Nathan Mears since his boyhood and in young manhood, and I know that he is of good character and has a good reputation. I am not telling the people of Garza County whom to elect sheriff, that is none of my business, but there is no finer young man candidate for sheriff in any county than Nathan Mears.

Church News

MELBA JO MILLER

For this cause we, also, since we have heard it, do not cease to pray for you, and to desire that you might be filled with the knowledge of His will in all wisdom and spiritual understanding. That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God.

Coloss. 1:9-11.

Our Father... worthy of all honor and praise, and Whom we adore to worship in spirit, and in truth, may Thy hand, guide our steps to the duties of the day, and shield us from harm. There be us Thy Spirit of love and kindness. Thy grace to sustain us in temptation and trial. Thy presence by Thy Spirit, to help us in all we may do. Lead us in glory Thine in all things, until the last, life's duties finished, receive us to Thyself above.

Rev. Joe Norton, pastor of the First Church of the Nazarene, announced last week that a revival meeting will begin at his church August 28. Rev. E. E. Hale of Okemah, Oklahoma, will be in charge of the services which begin at 10:00 a. m. and 8 p. m. Everyone is invited to attend.

Rev. J. T. Howell of Lubbock will be in charge of the service at the First Methodist church Sunday morning. Rev. I. A. Smith, pastor of the church, is conducting a revival meeting at Graham Community.

Rev. Robert Owens, pastor of the local Assembly of God church will begin a revival meeting in Seminole on August 18, through September 1. A note of interest is the fact that Rev. Owens' father, J. H. Owens, is pastor of the church in Seminole in which the

EDWARDS-POTTER VOWS EXCHANGED IN NEVADA ON AUGUST 12

Mr. and Mrs. Claude H. Bailey are announcing the marriage of their daughter, Rose Jean Edwards, to Captain C. J. Potter of Dallas, Texas. The wedding took place in the First Methodist church in Las Vegas, Nevada, before an improvised altar of gladioluses, flanked by tall white tapers. The double ring service was read by the Methodist pastor at five o'clock in the afternoon of August twelfth.

The bride's gown was an original two piece model in dusty rose crepe and her shoulder corsage was white orchids.

Mrs. Potter is well known in Post, having been reared here. She is a graduate of Post High school and attended Roberts Secretarial school in Dallas.

Captain Potter's parents have been residents of Dallas for a number of years. He was a student at Texas Technological college, Lubbock, before entering the Army Air Forces. He served thirty months in the European theater of operations.

For their honeymoon the couple are making an extended tour of the West Coast. They will be at home in Victorville, California, where Captain Potter is stationed.

NEEDLECRAFT CLUB

The Needlecraft club will not hold its regular meeting this week. Next meeting will be Friday, September 13, in the home of Mrs. A. A. Suts.

Post pastor will conduct the revival.

During Rev. Owen's absence, Rev. Garland Miller of Rotan will conduct the service Sunday and also the Wednesday evening prayer service. A special group of the church will present the program for the prayer service.

Rev. and Mrs. Robert Owens attended the third annual West Texas district Assemblies of God camp meeting Tuesday and Thursday nights. The meeting which was being held in Lubbock reported an average nightly attendance of 2,000, with 80 churches in the South Plains and Panhandle, New Mexico, Oklahoma, and Arkansas being represented there. Main speaker for the meeting was Rev. A. N. Trotter of Boston.

Society - Clubs

SEVERAL FROM POST ATTENDING SEMINAR IN LUBBOCK THIS WEEK

Several members of the Methodist church are attending a three-day district seminar, which is being held in Lubbock today and Friday for officers of the Methodist Missionary Societies. Plainview, Lubbock and Sweetwater districts are represented, reports Mrs. B. E. Young, district officer.

An hour and half will be devoted to a work shop for the officers on today's program. Rev. C. E. Hinds, a former pastor of this city, who is now district superintendent of the Plainview district, will deliver a short sermon this afternoon.

Morning watch will be held Friday morning at 7 o'clock, followed by a breakfast in the church. A resume of four books, which are to be studied this year, will then be given by conference officers.

Communion and consecration services will close the meeting.

O. E. S. CHAPTER HOLDS REGULAR MEETING LAST TUESDAY EVENING

The Post chapter of the Eastern Star met Tuesday night in regular session. In the absence of the Worthy Matron, Berenice Propst, the Associate Matron, Thelma Fry, presided. Lester Nichols presided as Worthy Patron.

After the reading of the minutes of two previous meetings and an application for admission all further business was adjourned until the next meeting.

A memorial program in honor of the founder of the order, Robert Morris, was presented by the officers of the chapter.

Mr. and Mrs. Albert Lieske of Crosbyton were guests and Mr. Lieske made a very fine talk. Twenty-three members were present.

Home made ice cream was served by Marvel Anderson, Emma Cash, Thelma and Naomi Clark.

MERRY MAKERS MEET WITH MRS. IDA COOK

On August 6 nine members of the Merry Makers club met with Mrs. Ida Cook. The afternoon was spent in quilting.

Delicious refreshments, consisting of sandwiches, potato chips, olives, cookies, cake and punch were served.

The club adjourned to meet Tuesday, August 27 at the home of Mrs. Mabel Caldwell. Members are reminded that the next meeting will be gift day.

COOKING MEAT AT LOW OVEN HEAT MEANS SAVING

One important way for Garza county housewives to get the most out of meats they buy and effecting a worthwhile economy in the home is to cook it properly. In meat cookery this means to use a low temperature, whether the meat is roasted, broiled, or cooked in water.

Just how much can be saved by roasting at a low temperature has been shown by actual tests in which identical cuts of beef were cooked at high and medium temperatures. When one roast is cooked in a hot oven (500 F.) and the other to the same degree of doneness in a medium oven (300) the amount of shrinkage in the first roast is considerably more than in the second. This loss is through evaporation as well as drippings. At the higher temperature, the drippings are darker and are more apt to burn, and the meat is dryer and less tender.

To make sure that none of your meat is sizzled away by too high a temperature, follow these recommendations of Inez S. Willson, home economist.

Roasts of beef, veal, lamb, also smoked ham, should be cooked at an oven temperature of 300 F.

Fresh pork should be roasted at 350 F.

Broiled meat (pot-roasts, Swiss steak, pork chops, casserole dishes) should be cooked at a low temperature after the initial browning. The liquid should simmer, not boil. They may be cooked in a slow oven, or on top of the range.

Meat cooked in water should never be boiled. The water should simmer.

In broiling meats, allow a sufficient distance between the source of heat and surface of the meat (usually about three inches) so that the meat cooks half way through by the time one side is brown. Only one turning is necessary.

DRINKS THAT SAVE SUGAR

Ginger Cream Drink—Combine juice of one lemon with one mashed banana, add one half cup of white Karo syrup and stir until dissolved. Add one half cup of cream. When well blended add ice cubes and one bottle of ginger ale.

Champlain gave its name after its "green mountains."

Bits Of News:

Mr. and Mrs. Lonnie Peel and son and Mrs. Delmo Gossett left Monday morning for a few days visit in Ruidosa, New Mexico.

Madlyn Sander and Onita Jones are spending a few days this week in Lubbock, visiting their aunt, Mrs. Edd Williams.

Mr. and Mrs. A. M. McBee and family and Mrs. Mary McBee were visitors Sunday in the home of Mr. and Mrs. J. A. McBee.

Misses Pat Morrow and Ganell Babb left Sunday for Lubbock where they will attend Draughtons Business College.

Mr. and Mrs. Irvin Chandler and son, Charles, are vacationing in Los Angeles, California. They plan to return this week end.

Mr. and Mrs. Albert Lieske of near Crosbyton have been visiting this week with their former neighbors, Mr. and Mrs. A. Pinkerton.

Mrs. George Barker returned Monday from Los Angeles. She accompanied Mrs. T. A. Edmondson there two weeks ago. Mrs. Edmondson remained for an extended visit with her daughter, Mrs. Tot Rutledge.

Mr. and Mrs. Edsel Cross spent their vacation visiting in the home of Mr. and Mrs. Irvin Cross of Snyder.

Mrs. Willard Kirkpatrick, who is a surgery patient in Harris Memorial hospital in Fort Worth, is doing nicely and may be able to return home early next week. Mr. Kirkpatrick is with her.

Mrs. Billy Mae Shepherd left last Thursday for a visit with her husband, who is stationed at Fort McClellan, Alabama.

Fate Williams was a visitor in Post Tuesday. Williams when he resided in Post was with Piggly-Wiggly, and is now located at Big Spring.

Mr. and Mrs. Ted Hibbs are vacationing in Oklahoma City, Beaver, Oklahoma, and Great Bend, Kansas with their daughters and other relatives.

Max Tucker, son of Mr. and Mrs. H. M. Tucker of this city recently accepted a position with the city engineers of Lubbock.

Recent guests in the Charlie Everett home were Mr. Everett's brother, Tom Everett, and his wife and daughter of Grandbury, Texas.

Mrs. Fannie Maupin of Brownfield is visiting her grand-children here this week. She is a guest in the home of Mrs. H. G. Smith.

Mr. and Mrs. Robert Hagler and Velma, and Mr. and Mrs. Robert Lee Hagler and children attended a family reunion of the Virgil Jones family in Slaton recently.

DDT is fast becoming a household favorite with rural homesteaders, the Department of Agriculture reports. Thousands of farm families are using the powerful weapon to banish flies, mosquitoes, fleas, roaches and bugs from their homes and porches.

Workers seeking year-round or seasonal farm ranch jobs, whether experienced or inexperienced, should contact the local county agricultural agent or the farm labor office.

Growth And Improvement Indicated For Neighboring West Texas Towns

According to the Ralls Banner cement blocks made at the Ralls Cement Block Company are stronger than any tested in this part of the country. The tests were made at Texas Tech where bricks from all over the area are tested. The Banner says that the experiment shows that after 30 days the brick was capable of withstanding a pressure of 147,470 pounds for the 8x8x16 inch size brick.

The Banner also says that 50 per cent of the street paving is completed. Main street and Watt street extensions are already finished and rapid progress is expected on the other paving strips.

The Commissioners' Court of Scurry County let a contract last week to refinish and repair the rest rooms in the court house. According to the report, this is a "first step" in bringing the county court house to an up-to-date status, but this part of the work is first on the improvement slate. Contract was let to the Western Plumbing and Supply Company of Snyder, and according to that firm, new fixtures throughout will be installed in the rest rooms; numerous changes made as to arrangement, the walls repainted and new concrete flooring run.

From the Haskell Free Press it was learned that street markers were being installed in preparation for naming the streets and numbering the houses. The project was approved sometime ago as the initial step toward se-

curing city mail delivery for Haskell.

County politics is holding the spotlight at Seagraves says the Gaines County News. Voters in Gaines county have more incentive than most other county voters to go to the polls for the second primary, as a county Judge, county attorney and precinct commissioners are to be elected. The News says 2,000 voters are expected to go to the polls.

"Since bouncing over chugholes and skidding all over the roads" every damp spell since the first pioneers lit a campfire in the prairie grass, Wilson is actually in the process of getting a paved highway," quoted the Wilson Sun editor in last week's paper. Dump trucks are unloading caliche on the Main street.

A Junior Chamber of Commerce is to be organized in Slaton according to news story from the Slaton Slatonite. The Junior Chamber of Commerce offers young men of a town an opportunity to put new life in public enterprises.

Directors of the Crosbyton Rodeo Association have purchased a 16-acre tract of land outside the city limits on the Calgary road, reports last week's Crosbyton Review. Directors of the Association are to meet this week to formulate plans for the construction of an up-to-date rodeo plant.

The arrival of long awaited supplies marked a happy day in Crosbyton last week as work can now be started on the Crosbyton Co-operative General hospital. Some supplies have been received and preparations are now being made to run concrete for the first floor, reports the Crosbyton newspaper.

H. M. Snowden's Son To Be Released From Service Soon

From Grand Island Army Base comes a news item concerning Lt. Benjamin H. Snowden, son of Mr. and Mrs. H. M. Snowden of this city. Lt. Snowden will leave the Grand Island, Nebraska, air base on August 28 for the purpose of separation from the service. His wife, Mary Helen Snowden and two children, Harris Wayne and Benjamin Harold, jr. are at present with him and will accompany him to the Separation Center at Fort Sam Houston, Texas. Lt. Snowden will be advanced to the rank of Captain in the Reserves and will go on terminal leave soon after reporting to Fort Sam Houston.

A graduate of Tahoka High school in 1937, Captain Snowden for several years prior to entering the Air Forces was employed by the school board as a bus driver. He entered the Air Forces in November 1942 as a cadet. He served in the European theater of operations, where he was awarded the Distinguished Flying Cross, the Air Medal with three oak-leaf clusters and the ETO ribbon with four battle stars.

Gene and Billie Caldwell, Spence Kirkendall, Edsell Stewart and Billie Stone are spending the week at Rutledge, New Mexico.

Michigan is an Algonquin name meaning "big lake."

Mrs. Floy King, Correspondent

Schools open here September 2. Last year the school had a total of 252 enrolled, but a slight decrease is shown this year with a present enrollment of 242 including transfers. Robert Green of Dickens has been added to the faculty this year and will teach history and serve as coach. He is a former student of North Texas State Teachers college in Denton and taught at Wilson year before last. The other high school teachers include Superintendent J. P. Hewlett, who teaches English, I. J. Duff who teaches math and Sum Ellis, science teacher and assistant coach. No home economics teacher has been employed this year. The grade school teachers include Mrs. Buddy Hall, seventh and eighth grades, Mrs. R. O. Rankin, fifth and sixth, Mrs. I. J. Duff, third and fourth, and Mrs. Harvey Stotts, first and second.

The Baptist revival closed Sunday night with an excellent meeting reported. Baptismal services were held Sunday afternoon at Slaton.

Mrs. Georgie Simpson and daughter, Barbara, and son, John, jr., of Philadelphia, arrived last week to visit her mother, Mrs. Pennell, who has been ill for several days.

Sgt. and Mrs. Chester Pennell of Fort Sill, Oklahoma, visited here part of the week. Barbara and John Simpson returned home with them to spend a few days.

Mr. and Mrs. D. D. Pennell visited in Post Sunday afternoon. Also visiting Mrs. Pennell recently was her sister, Mrs. Oscar Neel of Lubbock.

Mary Lynn Morris is home and enjoying civilian life after receiving her honorable discharge from the WAVES. Jimmy Morris was also home last week. He is now stationed at Fort Sill.

The Walter Kellums spent the week end with their daughter, Mrs. Walter Wilke and family.

Verne Dell Long of Post spent the week end with LaVonne Ferguson.

There were 18 guests present at the party given in honor of Christine Marsh on her 13th birthday Saturday night.

Mr. and Mrs. Adolph Wilke, Mr. and Mrs. Marcus Wilkie and Mr. and Mrs. Wallace Becker are visiting in Milwaukee, Wisconsin, with Mr. and Mrs. Leroy Mueller.

Miss Doris Quisenberry of Abernathy visited Wednesday with her aunt, Mrs. Troy Moore.

Mrs. W. L. Punkoney who recently moved to Wilson, attended services here at the Baptist meeting which was being conducted by Rev. Cole who with his wife were reared in the same community with Mrs. Punkoney.

Several from here attended religious movies at the Slaton Baptist church Sunday night.

Fern Harris is visiting with his parents this week. He is now employed in Tucumcari, N. M.

Rev. Emmett Brooks will conduct a revival meeting in Brownfield which begins Friday night.

Mrs. Nellie Mathis and Carolyn Sue visited in Sundown Sunday.

Roy Denton returned from South Texas Sunday.

Mr. and Mrs. Hansell Hallman and son, Derwood, and Lena Mae Samples left Saturday for a visit with relatives.

Slater Moore and wife, Mrs. Jim Hamaker and family, all of Lubbock spent the week end with their parents, Mr. and Mrs. Jess Moore.

Mr. and Mrs. Herman Whited and son, Don, of Odessa arrived Friday night to visit his parents, Mr. and Mrs. J. L. Whited and her mother, Mrs. Annie Landers.

Mr. and Mrs. R. O. Rankin and Rosella, and Mr. and Mrs. Fred Cockerell have returned from Gorman.

Mrs. W. H. Fletcher of Plainview spent the week end with her daughter, Mrs. Marvin Truelock and family.

Mr. and Mrs. Roy Tolison have been in East Texas visiting his parents.

Carlos Waggoner has been visiting his parents, Mr. and Mrs. Walter Kellum for several days.

Willie Ann Mathis returned Sunday to Amarillo for a visit with her cousin, Bill McCrary, son of the Leroy McCrarys, who spent last week here visiting his paternal and maternal grandparents and other relatives.

LEGAL NOTICE:

H. J. R. No. 51
HOUSE JOINT RESOLUTION

proposing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the assistance by said Board for the issuance of Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold after the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the

CANYON VALLEY NEWS ITEMS

Mrs. L. A. Wygol, Correspondent

Two more Canyon Valley boys have returned home for service with their honorable discharges. They are La Gene Norris, son of Mr. and Mrs. Elmer Norris, who spent two years serving in the Navy in Japan and Hawaii, and Ferrel Kyzer, son of Mr. and Mrs. Frank Kyzer, who was also stationed in Hawaii.

Sam Shoemaker, Roy Nalley, La Gene Norris, and James Williams enjoyed a fishing trip to Pottawamie Kingdom last week.

Mr. and Mrs. Elmer Norris, Doyle and Cheryl visited in Andrews Monday and Tuesday.

Luther Stoll of Breckenridge is visiting Mr. and Mrs. George Huffman and family.

Mr. and Mrs. L. A. Wygol and sons, Jimmie and Bennie, returned home last week after spending a week in Arkansas and Oklahoma on a fishing trip. While there they visited the home of Bob Burns in Van Buren, Arkansas, and the home of Lum and Abner in Pine Ridge, Arkansas.

Mr. and Mrs. George Huffman and sons were dinner guests of Mr. and Mrs. Richard Elder, Sunday.

Visiting Mr. and Mrs. L. E. Crane Sunday were Mr. and Mrs. Sullivan and family, Mrs. C. C. Kyzer and Mrs. Vonnie Williams of Cap Rock.

Kerum Bill Hayes of Lubbock and Mr. and Mrs. L. A. Wygol and sons were dinner guests Sunday of Mr. and Mrs. Leonard Armistead of Cap Rock.

Elizabeth Crane spent last week visiting her cousin in Hobbs, New Mexico.

W. N. Stephens from Gorman spent the week end visiting his daughter, Mrs. Elmer Norris and family.

Rev. Loyd Canel and family from Beard visited Mr. and Mrs. J. A. Smith Monday and Tuesday. Rev. Canel recently conducted a 10-day revival meeting in Canyon Valley.

Mr. and Mrs. Able Duncan of Eastland spent Thursday and Friday with Mrs. Duncan's brother, Elmer Norris, and family. Also visiting Dalton Norris was Roy Spuren from Tarzan.

TWO POST STUDENTS TO RECEIVE DEGREES FROM TECH ON AUGUST 28

Two Post students of Texas Tech are candidates for degrees when the summer session commencement is held at the college August 28, according to information received Monday by the Dispatch from the Tech news service.

The candidates are Dan Van Leer Rodgers, who some time ago was discharged from the Navy, and Nola Irvin Brister. Rodgers will receive his BBA degree and has majored in general business, and Miss Brister will receive a BS in Ed degree, majoring in Elementary education.

date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

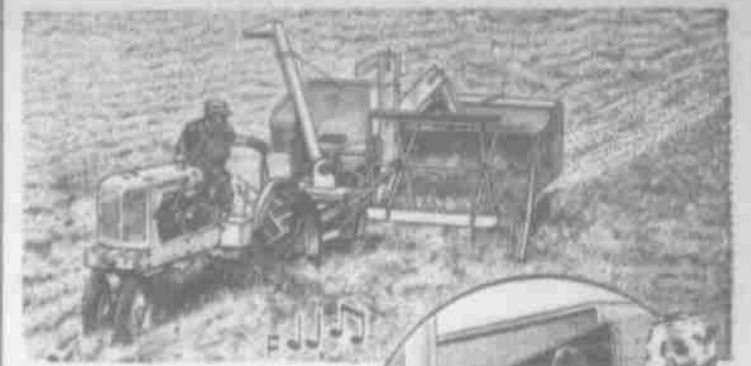

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

Management's-eye-view of the Santa Fe

View from fireman's seat inside cab of one of Santa Fe's great fleet of Diesel locomotives. Engineer sits at right.

Many of the fine things you are enjoying and are about to enjoy on the Santa Fe are the direct result of riding the line rather than riding an office chair.

You can see more railroad from the cab of a locomotive than you can from a typewritten report. It all goes to prove that foresight is better than hindsight.

That's why you so often find the top executives of Santa Fe at the "head-end" of Santa Fe trains. They ride in front by desire and design to see what lies ahead.

The modern railroad executive, who has grown up with tracks and trains and who has spent a large part of his life in railroading, looks at a section of track not in terms of ties and rails

but in terms of the possible improvements for better service to shippers and passengers.

Coupling long experience with mature vision, he translates new ideas into action with immediate decision which is both practical and timely.

This practical "Management's-eye-view" has led to the straightening of curves, improved roadbeds, new bridges and many other things which pay off in terms of better service for both passengers and shippers. It has led also to improvements of design and handling in the locomotives themselves.

During the next few months, Santa Fe will announce a number of new features improving its service and equipment. Watch for them.

PLANE CRASH—

(Continued From Front Page)
 first to arrive at the scene of the crash. He had been called to the field, not knowing his son was one of the victims.
 The plane, a government surplus Army trainer, a PT-17 Stearman, was owned by Conner Parsons. It was almost completely demolished in the crash.
 Surman had been flying about two years and since returning to Post this summer had flown the Parson plane a number of hours.
 The tragedy was the second in Post in four days. Early Saturday morning a Lubbock man was burned to death when a gasoline truck he was driving figured in a collision which resulted in the destruction by fire of a service station and damage to a number of other Post buildings.

PEEDE FUNERAL—

(Continued From Front Page)
 lettered in football. In addition to his regular studies, he took part in the PFA and speech clubs.
 Peede, a private first class in the Marine Corps, had served twenty-five months overseas at the Pearl Harbor Naval base. He entered service on March 1, 1944, signing up for four years. He would have been discharged on February 12, 1948. Basic and preliminary training were taken at San Diego Naval base, Camp Elliott and Camp Pennellton. He arrived home on July 28 and was to have reported to the Charleston, South Carolina Naval base at the conclusion of his thirty-day leave.
 Pall bearers will be Delmo Gossett, Jack Wright, Marshall Mason, Jr., Ed Kelly Sims, L. D. Stevens and Ed Lawrence Robertson.

Interment will be in Terrace cemetery.

Mrs. O. G. Hamilton Moved To Kerrville For Rest Treatment

Mrs. O. G. Hamilton, who has been in the Baptist hospital in Dallas for several weeks during which time she underwent surgery, was moved last week to Kerrville where she will receive rest treatment. Mr. Hamilton went to Dallas and took her to Kerrville.

CITY-SCHOOL VALUATIONS TO BE RAISED—

(Continued From Front Page)
 doubled on Post real estate in recent years, and the 20 per cent is considered small as compared to the selling prices of property. It was pointed out by the Secretary.

In checking renditions now being compiled for tax purposes by the city secretary's office, approximately \$30,000 in new property has been listed over last year's assessments. Valuations for 1946 will total \$980,000 and with the 20 per cent increase will total approximately \$1,176,000.

Hearings of citizens will be conducted by the board of equalization on Wednesday, September 4, it was announced by Mr. Presson. Persons wishing to protest the rendition equalization suggested by the city and school officials may appear at that time.

Cards were mailed to out-of-town residents who own property here the first of the week by the secretary. When the tax rolls are completed statements will be mailed to property owners.

LIGHT VOTED EXPECTED—

(Continued From Front Page)
 long. On the ballots appears the two candidates for governor, Beauford Jester and Homer P. Rainey; two candidates for lieutenant-governor, Allan Shivers and Boyce House; for commissioner of agriculture, J. E. McDonald and R. E. McDonald; for judge of the court of criminal appeals, Tom L. Beauchamp and Jesse Owens. There are no contests for any of the district offices, and only one local contest, that of sheriff, with Chas. O. Reed and Nathan Means as candidates.

Polls will open at the 10 precinct locations at 8 a. m. Saturday and will remain open until 7 p. m. Voters of precinct 9, Two Draw, will ballot at the Mexican church in the "flats" sector of town, where the first primary election was held because of the removal of the Two Draw lake bathhouse.

Mrs. James C. Arceneaux, Jr., and son, Jammie, of Louisiana are guests in the home of her parents, Dr. and Mrs. D. C. Williams.

SURMAN RITES—
 (Continued From Front Page)
 clinic with his father and his associates while here.
 Besides his parents, immediate survivors are one sister, Mrs. Doyle Justice of Lubbock, and his maternal grandmother, Mrs. Irene Harmon of Post.

Out-of-town relatives who attended the funeral were Doyle Justice of Lubbock, Mr. and Mrs. Frank Harmon of Dallas, Mr. and Mrs. Foster Davis of Crowell, Arnold Pickett of Houston, and Mr. and Mrs. Ed Robertson of Lubbock. A host of Lubbock friends attended.

Pall bearers and flower girls were young men and women with whom A. C. had gone to school.

Active pall bearers were Winifred Carpenter, Sotny Nance, David Williams, L. D. Stevens, Edward Neff and Ed Kelly Sims.

Honorary pall bearers were Jack Wright, Marshall Mason, Jr., E. W. Williams, Bobby Collier, Ed Lawrence Robertson of Lubbock, George Stevens of Freeport, Jeff Justice, Jr., Dan Rodgers, David Gossett and Burnon Haws.

Flower girls were Norma Joy Hudman, Melba Jo Miller, Wanda Thomas, Iris Parker, Betty Williams, Peggy Sue Robinson, Billie June Kennedy, Pat Morrow, Gaskell Babb, Hazel Cash and Robertson of Hampton.

Interment was made in Terrace cemetery where a brief scripture was read preceding interment by Mason funeral directors.

LUBBOCK MAN DIES IN FLAMING WRECKAGE—

(Continued From Front Page)
 escaping with only minor injuries and burns. She told physicians at Post clinic, that she did not know how she escaped from the burning wreckage. She appeared to be dazed from shock and suffered burns about the face and neck, arms and hands, and both feet, but was released from the clinic after first aid treatment.

A Post man, Jesse Dale Windham, driver of the automobile which approached the intersection from the west, was not badly hurt. He suffered a head bruise, which apparently was of a minor nature. His car was only slightly damaged.

Witnesses who saw the collision, believed the truck driver apparently sought to swerve the heavy truck to miss the car, and in doing so it went out of control, rolled over and landed upside down against the pumps of the Star Service station. Gasoline, flowing out of the toppled tank, burst into flames and ran down Main street like a flooded-river for a full city block. Fire was seen by a spectator coming from the truck before it overturned, and it was his belief that gasoline ignited from a friction spark.

In the gutters on both sides of Main the surging streams of liquid fire moved swiftly the length of a city block. Flames shot 100 to 200 feet into the air. A south wind turned the burning fuel at Adams avenue and it flowed north across the street and burned out at the corner of the bank building. So intense was the heat that most plate glass windows in the block were cracked and concrete sidewalks became cracked and bumpy. Concrete curbing gave way to the intense heat and tumbled off in big hunks and damage was done to street pavement. The fuel burned for about thirty minutes.

The Star Service station and the adjoining White's cafe were completely destroyed along with the truck. A telephone cable at the corner by the station, broken when the truck snapped the pole, dropped into the fire and disrupted service in all of the north part of town. The First National bank building was badly smoked and damaged when flames shot 25 to 30 feet above the building. The burning gasoline seemed to stop moving at that corner. The city hall, directly across Main from the service station, was also damaged, and only speedy and efficient work by Post firemen saved the building.

The Slaton and Tahoka fire departments were called, and each made a hurried trip to Post, but by the time of their arrival the fuel had burned out and local firemen had the fires under control.

Miss Lucille Menden is enjoying an extended visit with friends in California.

Board of Equalization
 by W. F. Presson, Tax Assessor
**COOKED A FINE DINNER,
 THEN THREW IT TO DOG**

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of blood, had headaches, felt worn out and as badly constipated. Finally she got INNER-AID and says she now eats anything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.
INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County.
