

GARZA COUNTY Oil Development ACTIVITIES . . .

Garza county's oil development of week, which included the completion of two new producers, the central pool, and the striking of an exploration to extend the limits in a south-westerly direction, was overshadowed by unfavorable reports from an exploration outside the proven area to the south.

The two wells completed last week were those of Grisham-Hunter Corporation, one being their No. 2-B Post, located 330 feet from east and 436 feet from north lines of lease in section 29, on northeast side of Garza field. The test was completed for 24-hour pumping potential of 10 barrels of 35.6 gravity oil after being treated with 6,000 gallons acid at a pay section of 2,770-26 feet.

The other producer announced by Grisham-Hunter Corporation is their No. 4-B Post, completed for a daily pumping average of 160 barrels of 35.6 gravity oil on pay section of 2,800-73 feet. The well is located 330 feet from north and 3,690 feet from west of section 1229. It was given 6,000-gallon shot of acid.

Location for an exploration on the outside of the proven production limits of the central pool was made last week by American Liberty Oil Company. The wildcat, located 3,200 feet to the southwest of the pool, is to be drilled 100 feet and styled No. 1 M. D. It will be 330 feet north and east of the northerly southeast corner of a 184.4 acre lease in the southeast part of section 8, block K, Aycock survey.

Unfavorable reports came from Inier-Meredith Company's No. 1 daughter, in the northeast quarter section 29, block 1, Jasper Hays survey, about one mile south of production in the central pool. Operators had cored below 3,237 feet in dry lime, and were coring lead. The test has not developed any indications of oil or gas at this level.

Honolulu Oil Corporation No. 1 woman continued swabbing to 9,550-215 feet in the top section of the Ellenburger. The well has been tested all the way up from 604 feet in granite, to the current level. No shows of oil or gas have been reported by operators at the various levels tested.

Mrs. Cardwell Sells Beauty Shop, Retires

After serving the women folk of Garza county for thirty-two years, Mrs. O. D. Cardwell announced this week that she is retiring from Post's business circle. She has sold her beauty shop.

Mrs. Cardwell for the past twenty-two years has owned and operated the Cardwell's Beauty Shop here and has enjoyed a splendid patronage from Garza county women during all those years. Prior to entering this business she owned and managed a ladies' apparel shop which she established in 1915.

Thirty-two years of continued excellent service has earned her "Miss Annie," as she is known by her host of friends and customers, the esteem and confidence of her customers, the respect of her competitors, and a position of real leadership in this section of West Texas.

The Dispatch joins with others wishing for Mrs. Cardwell much good will and happiness in her retirement.

Mrs. Mary Hudman of Tahoka bought the Cardwell Beauty Shop and assumed management on Tuesday. She is the wife of John Hudman, who is a son of Mr. and Mrs. J. B. Hudman of this city.

In advertisements in this week's Dispatch both women issue messages to the public.

Farmers Warned On Buying Cheap Seed

Farmers were cautioned by J. E. Donald, state commissioner of agriculture, against buying cheap seed.

"Don't buy seed because it's cheap or just as good," said the commissioner, "buy seed that has been tested by a recognized seed testing laboratory or a reputable dealer and tagged with a Texas registration tag."

There is no more pathetic sight, Donald said, than a poor stand of wheat, corn, or other crops because of poor quality seed.

The Post Dispatch

VOLUME XX - POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, JANUARY 17, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 5

POLITICAL COLUMN ADDED TO DISPATCH—

Garza War Vets Are Eyeing Political Offices

While most of our neighboring newspapers added political columns to their publications the first week in January, and a few even before the first of the new year, the Post Dispatch is pleased to announce this week addition of the column along with the first announcement to be received by this publication.

The announcement was placed by Calloway Huffaker of Tahoka, who seeks re-election to the office of district attorney of the 100th judicial district. Mr. Huffaker's formal announcement is printed on page 4.

Garza county politics are usually slow in getting underway, but once the pot begins to boil interest in tossing their hats into the pot. Announcements from these men may be with-coming at an early date. In checking the weekly exchange newspapers that come to Dispatch, it has been noted that many veterans are seeking office in neighboring counties and the same may be expected in Garza county.

Leading the area in political activity the past week was Terry county with eighteen aspirants announced for county and precinct offices. Crosby county has sixteen candidates for county and precinct offices and Lynn, Scurry and Haskell counties have ten each for places. Dawson county accounts for eight to date.

March Of Dimes Is Launched Monday

Dime Banks, Coin Holders And Entertainments To Be Used In Raising Local Funds

Organization for the March of Dimes in Garza county was perfected Monday at a meeting of the committee at Judge J. Lee Bowen's office and machinery was set in motion for the campaign which was launched Tuesday. Coin collection banks, coin mail-out holders and an entertainment at the High school will be featured in Post, said Bowen, Garza county director for the 1946 March of Dimes.

Wednesday one hundred dime banks were placed over the city in most of the stores. Five hundred March of Dimes coin-holder holders were placed in the mail this morning to be sent to people of the rural communities, declared Bowen.

The entertainment program, slated for Friday night, January 25, at the High School gymnasium, will be in the form of a "Major Bowles amateur night," and proceeds from the feature are expected to swell the county's contribution to the National Foundation of Infantile Paralysis fund. Weldon Skinner, a member of the High school faculty, will play the part of "Major Bowles," and conduct the contests. Three prizes are being offered for the best acts.

To three-year-old Joseph Lee of Boston, Mass., this is the biggest step of his life. Recovering from a crippling attack of infantile paralysis at Children's Hospital, little Joe is shown starting the long road back to active health. Your contribution to the annual March of Dimes, conducted by the National Foundation for Infantile Paralysis, will help thousands of others like Joe receive the best available treatment. Remember, too, that when you give a dime, five cents remains in the local chapter to assist Garza children who may become victims of the dread disease.

Infant Daughter of Mr. and Mrs. James Dietrich Buried

Graveside services for the infant daughter of Mr. and Mrs. James Dietrich were held last Friday afternoon at four-thirty o'clock in Terrace cemetery.

The infant was named Helen Jo. She lived only forty-five minutes. She died in the Lubbock Memorial hospital early Friday morning. Rev. Joe Norton, pastor of the Church of the Nazarene, officiated. A choir from the Methodist church sang "Safe In the Arms of Jesus" and "What A Friend We Have In Jesus."

A lovely floral offering was presented by friends.

Son Of Mr. and Mrs. A. A. Suits Resumes Radio Work Today

Gordon Suits, son of Mr. and Mrs. A. A. Suits of this city, resumed his radio work with station WFAA today in Dallas. Before entering the army, Suits was vocalist with the Early Bird program. He will be featured on that popular program each Tuesday, Thursday and Saturday.

In addition the young baritone will present a program of his own every Saturday at five o'clock in the afternoon. His many friends over this section of the state as well as those in the Dallas area welcome this popular entertainer back to the airways. He recently received his honorable discharge from the army.

David Eaton, War II Vet, Employed To Fill County Agent's Post

David F. Eaton, Jr., recently discharged war veteran, was employed Monday by the County Commissioners to serve Garza county as agricultural agent, according to County Judge J. Lee Bowen.

Eaton, who was discharged from the Army last November, has a wife and two children, and at present time is making his home in Crowell. He is a graduate of A. & M. College and has had wide experience in agricultural work. His father, for seventeen years, served as Lubbock county agent.

The new agent was here Monday and will return in a few days. He plans to move his family here as quickly as he can locate housing facilities in Post.

Property Evaluation For City Indicates Substantial Growth

Tax assessments in Post for 1945 are \$37,300 more than the figure for 1944, according to W. F. Penson, city-school tax collector.

The current tax roll shows taxable city property evaluation of \$963,686 as compared with \$826,386 in 1944. Collection of taxes have been much better than average, said Penson, and up until Wednesday afternoon \$11,238.55 of the current taxes have been paid.

There still remains \$3,187 uncollected current taxes to be paid in less than two weeks. Those who are late in paying taxes before the February 1 deadline, will find a penalty of five per cent added to their tax statements.

While the tax assessment indicated substantial growth in Post, it is believed the total would have been increased much higher if building materials had been available.

Draft Law May Be Allowed To Expire

The uncertain life of the present draft law presented a new complication Wednesday in the already difficult task of finding replacements when members of the House Military affairs committee in Washington disclosed that they are ready to let selective service die on May 15—the day the existing law is to expire unless Congress extends it.

The reason announced by the committee is that they hope to thereby salvage the bogged-down universal training legislation requested by the president. House members told reporters that they believe the well-trained reserve created by the program would reduce necessity for the large standing army now planned.

Clothing Collection Drive Gets Off To Slow Start

First Week Of Clothing Drive Finds Few Garments Left At Receiving Posts

With five central points designated as collection centers, and a fine corps of workers appointed to carry on the campaign, the first week of Garza county's Victory Clothing Collection proved to be disappointing to those in charge of conducting the drive.

A check-up made at the various collection points Tuesday by Walter S. Duckworth, chairman of the Legion's committee, revealed that a few people responded to the appeal made last week by the James C. Cole American Legion post, sponsoring organization of the campaign, requesting that clothing be donated to the peoples of bombed-out countries. "Only a few garments were left during the week, and I would say that our campaign is off to a very bad start," asserted Duckworth.

Last spring Garza county made a very creditable record in supplying clothing to the unfortunate peoples of the world and hundreds of pounds of garments were shipped from the local center. This second clothing collection has been declared by President Truman as being imperative, and all communities of America have been asked to cooperate in the campaign, pointed out Duckworth.

Contributed clothing must be clean and usable. Duckworth said. Clothing for babies, children and new-borns will be welcomed, in addition to shoes and bedding.

Central collection points are Mason & Company, Greenfield Hardware Company, Bryant-Linn Company, Hoffman Furniture Co. and the Texas Company. The American Legion post will be the shipping center and Postone will be taken from the collection center and hauled and made ready for shipment by members of the Legion post.

Applications Being Made For Tank Work At Triple-A Office

Ten or more Garza county land owners the first of the week took advantage of Triple A allotments for permanent land improvements by making applications and having them approved for tank construction work, reports James A. Boyd, secretary of the local ACA.

Construction contractors have been outlining their work with the Triple-A office force this week, preparing to begin tank building within a few days, asserted Boyd.

Local GI's Invited To Discuss Problems With Service Officers

Fred Y. Haddock, representative of the Veterans State Service office of El Paso, is scheduled to be in Post next Wednesday, January 23 to assist veterans and dependents in making claims and helping them with G. I. Bill of Rights problems, reports T. L. Jones, commander of the local James C. Cole American Legion post.

Mr. Haddock is due to arrive in the city about 4 o'clock Wednesday afternoon and will remain overnight. He will be pleased to assist veterans in any way possible and can be found at the Legion home in the afternoon at the Algonia Hotel in the evening.

\$12,000 Approved For Terracing Work In Garza County

Approximately \$12,000 has been set aside by the County Committee for Garza county farmers who care to make applications for this work at an early date, declared James A. Boyd, local ACA secretary, Wednesday.

"We plan to have this amount of terracing funds earned and distributed by March 31," said Boyd. The first farmers to get their applications in and approved will share in the program.

Boyd urges all farmers interested in terracing work to contact the local Triple-A office immediately.

Open House To Be Held On Jan. 25 At Youth Canteen

The public is cordially invited to make plans to attend the open house to be held at the Youth canteen on Friday night, January 25. A program to entertain the visitors is being arranged by youth canteen members and directors. The canteen will open at 7 p. m. and remain open until 10 p. m.

W. R. Graeber Is Reported Improved

A host of friends in Post and Glass county will be happy to know that W. R. Graeber is showing some improvement today after being critically ill for many days. This report was given The Dispatch by L. V. Penson, his health-care-taker, who visited with him Wednesday night.

Mr. Graeber is a near cent in the Lubbock hospital.

Walter Hyde Undergoing Check-Up In Lubbock Hospital

Walter W. Hyde who has been ill since the first of December was taken to the Lubbock Memorial hospital via Miron & Company ambulance on Tuesday afternoon. He is undergoing a check-up in the clinic of the hospital. He was accompanied to Lubbock by his wife. No report was available when the Dispatch went to press.

Area Benefits By Snow-Rain Precipitation

MORE THAN ONE INCH OF MOISTURE RECORDED BY LOCAL RAIN-GAUGE

Garza county farmers and ranchers welcomed the more than one inch of moisture which has resulted from snow and rains which have drenched the county since Thursday of last week.

The first snow came Wednesday night and continued through most of Thursday. The soggy snow, which melted almost as soon as it touched the earth left precipitation amounting to .65 inch, the gauge at the Double U Company building registered. The Plains area of the county was blanketed with a good three-inch fall Thursday, which did not melt as rapidly as that which fell below the Caprock.

On the heels of the snow came a slow steady rain Sunday night which continued through most of the day Monday, turning to soggy snow by midafternoon, adding another .33 inch.

The reading taken Wednesday morning at the Double U Company revealed the total snow and rainfall measured 1.35 inches of melt-down moisture for the spell. The snow which fell over most of North Texas and as far south as Austin Tuesday caused deep drifts that blocked traffic in the Panhandle and West Texas area. Many of the highways were closed to traffic and the heavy snow prevented holding of classes in many of the rural schools of West Texas.

The fine moisture, added to the 11 inch which came January 5 to add up to at least an inch and half, has been great for farm and ranch land and will go a long way in helping to condition the soil for "putting up" farm land.

Twenty-Two Teams Are Paired In Local Basketball Tourney

The annual Post invitation tournament got off to a fine start yesterday afternoon, and last night's fan crowd all but filled the seating capacity in the large gym. This afternoon's and tonight's pairings promise fast basketball and will reach into second round play in the girls' division.

Twenty-two teams are entered in the boys' and girls' divisions. The best school has three teams entered in girls' play and two in boys. Other schools represented in the play are Hearnigh, Siston, O'Donnell, Southland, Wellman, Tawha, New Deal, Jaylor and Cooper. All of the schools, with exception in Cooper, have both a boys' and girls' team, while Cooper has only one entry, that in the girls' division.

Finals in championship and consolation brackets will be played Saturday, with one or two semi-final matches scheduled for Friday night.

Two games will open this afternoon's program at 3 o'clock. All of today's play is in the girls' division, with Post's A team tangling with O'Donnell in the opener. At 4 o'clock Hearnigh plays Siston. Tonight's play will be a three game affair, beginning at 7 o'clock when Post's junior girls mix with Cooper. At 8 o'clock, consolation play, loser of this afternoon's Hearnigh-Siston game will play loser of Post A-O'Donnell game. Tonight's final game will find winner of the Hearnigh-Siston game playing winner of the Post A-O'Donnell game in tournament play.

Results of yesterday's pairings follows: girls' division, Post B took Southland, 27-19; Tahoka won over Wellman in a closely contested game 24-23; in consolation bracket, Wellman won over Southland, 20-18; and in tournament play Post B team eliminated.

(Continued On Page 8, Col. 3)

ADVERTISERS ASK—

What Can You Spare That They Can Wear?

A fine group of Post business men and women are this week adding their voices to those of the Garza county committee in soliciting the help of everyone in this county in collecting old clothes for the needy peoples of the world. This special appeal is made in the form of a page advertisement in this issue of the paper. Read the message, collect your old clothing, take the donation to one of the collection depots and do it now.

Millions of the unfortunate youngsters overseas can't remember anything but war, so they've never known a life without misery. We can help them start a new life of health by contributing the spare clothing in our attics, closets and trunks. The sponsors of this advertisement urge you to cooperate in the Victory Clothing Collection.

Bring your clothes in today.

Gems Of Thought

The "abundant life" which Je-
sus desired to bring is to be had
by the sincere application of his
gospel of life.

—Rev. Benjamin L. DuVal

"This country can support high
wages and a high standard of
living for all, but it can do so
through increased production only
and not by means of a capital levy,
however cleverly concealed."
Editorial statement, New York
Sun.

FORMULA FOR INFLATION

As long as the Federal govern-
ment continues to finance its
needs by heavy borrowing, di-
rectly or indirectly from the banks,
it will increase the amount of
money in circulation and the
amount of new bank credit. This
causes a constant stream of excess
purchasing power into the econ-
omy, lowers the value of the
monetary unit and increases the
upward pressure on prices and
ages.—New York Times.

THE PICKET LINES

We read in the newspapers of
"picket lines" preventing the
owners or managers of factory
properties from having access to
their own premises. We of the
"wide-open prairies" wonder why
we refer to the United States as
a free nation. Such circumstances
indicate complete capitulation of
the police powers of cities and
states to the organized forces of
revolution. We can understand
peoples refusing to work at a
stipulated fee and causes of work
stoppages, but picket lines are not
understandable to us.

Suppose, for example, in a
strike-bound plant, management
would hire pickets to prevent em-
ployees from entering their own
homes so long as they were on
strike. Can you imagine such a
condition being allowed to exist?
And yet, legally and morally,
where is it any different than
labor union paid pickets prevent-
ing the owners and managers of
factories from entering their own
properties?

There are clearly two kinds of
law enforcement in the United
States today, and it is frightening
to see how the rights of minorities
are ignored by our lawmakers, our
courts and our police power.

More than six billion dollars in
new money is printed each year by
the Bureau of Printing and En-
graving.

The Texas state capitol at Aus-
tin is second only to the capitol
at Washington in size.

Emperor Maximilian ruled Mex-
ico in the 1860's.

Question And Answer Column

For The Benefit of Garza
World War II Veterans

This space is devoted to ques-
tions and answers of interest to
Garza County returning service
men. It will be published for a
while as a regular feature. For ad-
ditional information contact Geo.
Seamus office, 703-5, Lubbock
National bank building, Lubbock.

Q. May a veteran go to school
under the provisions of the G. I.
Bill and at the same time secure
a guaranty loan to buy a home?

A. There is nothing in the law
to prevent a veteran from partici-
pating in the benefits of both of
these provisions of the service-
man's Readjustment Act.

Q. May the widow of a Spanish-
American or World War I veteran
receive pension if she has re-mar-
ried and the second marriage has
been dissolved by divorce or
death?

A. The widow of a Spanish-
American veteran who has remar-
ried and has subsequently had the
second marriage dissolved may
receive a pension by making a
new application. The widow of a
World War I veteran may not re-
ceive a pension under such cir-
cumstances.

Q. Is there any time limit in
which a dependent parent must
make application for death com-
pensation based on the death of a
son in service during war time?

A. There is no limitations as to
when application for this benefit
shall be made. The only require-
ment is that the parent be depend-
ent as defined at the time of ap-
plication.

Q. How do pension rates for
peace-time disabilities compare
with those paid for war disabili-
ties?

A. Usually pensions paid for dis-
abilities incurred in peace-time
service are 75 per cent of those
paid for similar disability incur-
red in war-time service. However,
wartime rates will be paid for dis-
abilities resulting while engaged in
extra hazardous service or
service under conditions simulat-
ing war.

Q. Will the proceeds of a Na-
tional Service Life Insurance
Policy that has been converted to
a permanent policy to be paid to
the beneficiary in a lump sum?

A. Under the law there is no
provision for lump sum payment
of any National Service Life In-
surance policy.

Q. Will a veteran who had 90
days service but who served half
of his time prior to September 16,
1940 be eligible for education
under the G. I. Bill?

A. Yes, if the veteran had 90
days or more service and any part
of it was after September 16,
1940, he is eligible for this benefit.
The length of time he may re-
ceive schooling depends on the
period of service on or after Sep-
tember 16, 1940.

Q. Will the pension of a de-
pendent parent cease by reason
of remarriage?

A. The fact of remarriage does
not operate to terminate such a
pension provided that dependen-
cy exists notwithstanding such re-
marriage. A new determination of
dependency is required and if the
remarried parent is found to be
no longer dependent, payment
will be discontinued.

Q. Who makes the examination
necessary for reinstatement of
National Service Life Insurance?

A. Examination for reinstate-
ment may be made free of charge
by a physician at a Veterans Ad-
ministration Facility. Such exam-
ination may also be made by a
private physician designated by
the Veterans Administration as an
insurance examiner. Examination
by private physician will be at
the expense of the applicant.

Meat Supply For Civilians To Be Increased In 1946

United States civilians should find more meat in the butcher shops during the first quarter of 1946 than they did in the same three months one year ago. But the supply will not be more plentiful than it was in the closing quarter of 1945.

According to a statement from the Production and Marketing Administration received by the A. and M. College Extension Service, allocations of meat for civilians January through March "is virtually the same as that for the final quarter of 1945." But it is 18 pounds greater, measured on an annual per capita basis, than the first quarter of 1945.

The statement said that 5,003,400,000 pounds, carcass weight, of the estimated 5,970,300,000 pounds allocated for all purposes was designated for civilians. This would provide for consumption at an annual average rate of about 150 pounds per person. To keep within this poundage, however, it may be necessary for some meat eaters to tighten their belts. The report said that in recent weeks civilians have been consuming meat at an average annual per capita rate of about 163 pounds.

The PMA report forecasts that civilians will receive more pork than during the last quarter of 1945, about the same amount of lamb and mutton, but less beef and veal. Although the 1945 spring crop now going to market is seven per cent smaller than in the previous spring, peak marketings seem likely to occur in January and the animals will be of heavier weight than a year ago.

An optimistic note may be read into the outlook for meat supplies this year. PMA's statement first points out that the allocation for military and war services for the first quarter of 1946 is only 36 per cent of the amount earmarked for that purpose in the same period one year ago. Secondly, that the total meat production in 1946 is estimated at about 800,000,000 pounds greater than in 1945.

Marketings of beef cattle are expected to continue large, and pork production should be moderately larger than in 1945, the statement said. Output of lamb and mutton, however, will be reduced in accordance with a decline in sheep numbers in the year just ended.

"Blondie" Lancaster of Sulphur Springs, Texas, was transacting business here last week end. Lancaster operated Blondie's Laundry Service while he lived in Post.

Southland News

Mrs. Floy King, Correspondent
 Rev. and Mrs. O. J. Harmonson spent the latter part of the week with their son, John and family in Olney.

Mr. and Mrs. Wilbur Wood and family visited in New Mexico over the week end.

Mrs. Donald Pennell and children spent Saturday and Sunday with relatives in Post. Her nephew, Riley Howard, Jr., who has been home on a furlough, left Sunday for New York where he had to report back to the USS Protens. He has been in service three years and reports his submarine sank 45 Jap ships. He was in Yokohama when he started for home.

Mr. Walker of Grandland visited Mr. and Mrs. Sain Sunday. Mr. Sain is able to be up again.

It's good to see our boys still coming home. Roy Denton and Paul Hall, both recently discharged, were visitors in Southland Tuesday night.

Don Pennell and Dick Mathis left Wednesday for Glen Rose where they will undergo treatments for two weeks.

Mrs. Annie Lauder is now working for Mr. and Mrs. John Bisher of Slaton.

Mrs. J. L. Whited has returned from Bonham where she visited her mother who underwent an operation.

Mrs. Dave Draper and children, and Mrs. Faye Edwards of Slaton visited Mr. and Mrs. W. W. Gilliland Friday.

Mrs. Nettie Mathis and Dick Mathis and children, and Mr. and Mrs. Edd Martin attended the birthday dinner at the Riley Wood home honoring Mr. Riley.

Mr. and Mrs. Arvell Ferguson spent Sunday with their parents in Post.

Laverne and Jennie Ferguson spent the week end in Post with their grandparents.

Billy Roy Winterrowd is home on furlough. He will report to Fort Sam Houston from here.

Mr. and Mrs. Hub Haire and son returned from Temple Saturday night where they visited relatives in and around Temple.

The Southland "outsiders" won the district basketball tournament played in Slaton Friday and Saturday.

Edwin Wilkie and Tommie Lee Dozier of Slaton were married last week.

Mr. and Mrs. Walter Wilkie have moved back to Southland.

TWO POST BOYS SCHEDULED TO HAVE ARRIVED IN STATES

Two Post boys, Pfc. William A. King, and T-5 Keith O. Adams, son of Mr. and Mrs. Olen Adams, were scheduled to arrive in the states last week from the Pacific area. King was due to arrive aboard the USS Saratoga at San Francisco January 4, and Adams left Slaton on the USS President Hayes December 20.

Mr. and Mrs. Howard Bartley of Quanah will visit N. J. Lamotte and Maggie Childress this week end.

Bryant-Link Co. Elects Directors

Directors and officers to serve Bryant-Link Company through 1946 were named Wednesday of last week when the annual stockholders and managers meeting was held at Stamford.

Directors elected were R. B. Bryant, W. J. Bryant, George S. Link, Guy Speck, H. G. Andrews, Charles E. Coombs, John C. Bryant and W. J. Bryant, jr.

Officers elected include: R. B. Bryant, Stamford, chairman of the board; W. J. Bryant, Stamford, president; George S. Link, Spur, vice-president; Guy Speck, Carlsbad, New Mexico, vice-president; and J. A. Smith, Stamford, secretary-treasurer.

Speck, former manager of the store here, visited in Post Tuesday en route to Stamford, and was accompanied to the meeting by R. D. Travis, manager of the Post store.

Hike In Butter And Meat Prices Are Proposed

Advanced proposals for higher butter and meat prices collided Wednesday with government efforts to hold the line on food costs. The butter hike—18 cents a pound by May 1—was reported to have been recommended by Secretary of Agriculture Anderson. He formerly spoke out in favor of higher ceiling prices on meats in an effort to avert next Wednesday's scheduled strike in the meat packing business.

Recent Rotary Programs of Much Timely Interest

Recent Rotary luncheon programs are of much interest as very current topics are being discussed.

Last week Dr. B. E. Young gave a very informative talk on dental problems. Following his remarks, a round-table question and answer session was conducted that proved very worthwhile.

John Lott, prominent rancher, conducted Tuesday's program and gave a classification talk that also proved to be very interesting. Many phases of ranching were discussed.

Another luncheon program that will indeed be of much interest is that scheduled for next Tuesday when Dr. D. C. Williams will discuss "New Discoveries in Medicine." This topic will be of wide interest as so many new drugs have come into use during the war. Each member is looking forward to Dr. Williams' talk.

Miss Melba Jo Miller underwent a tonsillectomy and also an operation on her left hand on Monday morning at the Lubbock Memorial hospital. She is now at home and is improving satisfactorily.

Marvin Hodman is transacting business in Dallas and Fort Worth this week.

DATES FOR FAT STOCK SHOW ARE ANNOUNCED

Dates for the 50th anniversary Southwestern Exposition and Fat Stock Show have been set for March 8-17. It was announced the first of the week from the Fort Worth office of the Exposition.

Livestock premium lists, showing cash awards of \$60,000 have been mailed out to potential exhibitors and education institutions throughout the Southwest, the office announced.

Z. D. Kemp of Abilene and Ben F. Kemp of MacCauley transacted business in Post last week end.

NEWS NOTES FROM Duck Creek Soil—CONSERVATION DISTRICT OFFICE AT POST

The local unit of the Soil Conservation Service has just received one hundred pounds of Madrid Sweetclover seed. It is a hardy variety of the yellow blossomed biennial sweetclover obtained by the Department of Agriculture from the Botanical Garden, Madrid, Spain. It is similar to common biennial sweetclover except that it is somewhat lower growing, leafier, finer stemmed and is reported to have an earlier seedling vigor that makes it a more desirable variety for droughty conditions. It is used for erosion control, soil improvement hay and grazing.

Several Duck Creek Soil Conservation District Cooperators including Chick Curry and Roy James plan to plant some of this sweetclover this spring.

W. C. Quisenberry reports that his sweetclover which volunteered from last year's crop is up to a good stand and is providing good grazing. He plans to thin it out by disking it.

Rain reports from the five rain gauges in this part of the District during the year of 1945 total the following: Bud Stevens of the Graham Chapel community, 14.49 inches; Sam Lewis of Pleasant Valley, 15.53 inches; R. L. Cummings north of Post, 11.70 inches; C. P. Witt of Kalgary, 15.43 inches; and Lee Reed of Justiceburg 14.99 inches. This is an average of 14.43 inches for this part of the District. The most unusual feature of last year's rainfall was the severe spring drought. During the months of March, April, May and June the average for the five gauges totaled only 1.68 inches compared to a normal of about 8 inches for that period.

Southwest Farm Prices Decline In Early January

Price trends on most southwest farm products were lower during the second week of January, according to USDA's Production and Marketing Administration. Principal exception was grain, which continued very strong with most prices at the ceiling. Feed supplies are far below trade needs. Hay prices held steady.

Cotton strengthened late in the week following earlier declines in moderately active spot markets. Friday's prices lost some of the midweek gain, and closed about unchanged from a week ago. Sales in the ten designated markets totaled 101,500 bales compared with only 58,400 in the preceding week and 127,400 a year ago.

Domestic wool markets were more active as inquiries increased partly as a result of uncertainty as to availability of desirable foreign offerings.

Egg markets were variable. In some areas of Texas, Kansas and Colorado supplies are beginning to exceed the demand, but in most southwest markets there is still no surplus and some sections are deficit. This is especially the case around Albuquerque and New Orleans. Prices are holding up well except for the required reductions as ceilings decline.

Poultry offerings were moderate and in some cases exceeded the demand. Price trends were generally steady in the Southwest although some northern markets were easy to weak.

Southwest cattle markets were generally lower as receipts increased following the Christmas and New Year's holidays. Declines fell mostly in the 25 to 50 cent bracket, with some sales still about steady. Fort Worth quoted beef steers and yearlings as high as \$16.75 but common and medium grades sold from \$10 to \$13.50. Canner cows realized \$5 to \$7 per hundred pounds.

Hogs regained most of the preceding week's loss although a few easy spots still prevailed. For instance, pigs were down 50 cents to a dollar at Fort Worth and \$1 to \$1.25 at San Antonio, and light weight butchers were down 15 to 25 cents at San Antonio.

Young Daughter of Wallace Kimbrough Buried in Bryan, Texas, Monday, Jan. 7

Funeral services for the young daughter of Mr. and Mrs. Wallace Kimbrough of Bryan were held Monday afternoon of last week. Friends of the former Post couple received word here last Wednesday of the death of the child who was about three months old. She died of an heart attack. It was learned that she had been ill several days.

Services were held at the home of Mrs. Kimbrough's parents with the pastor of the Bryan Methodist church speaking words of comfort to the bereaved family.

Mr. Kimbrough served this county as county agent for two years.

William Penn founded the City of Brotherly Love, Philadelphia.

WASHINGTON, D. C.—Sgt. Harold Dixon of Mt. Ranier, Md., double amputee of World War II who was recently elected national first junior vice commander of the Disabled American Veterans, helps daughter Glenda Mae, 1, take her first steps. Sgt. Dixon, a patient at Walter Reed Hospital will walk soon himself with the aid of two artificial legs. The DAV official, who lost both legs in Germany, will devote full time to aiding his disabled buddies after discharge from hospital.

Calloway Huffaker Seeks Re-Election to District Attorney

Calloway Huffaker of Tahoka, present district attorney of the 106th Judicial District, this week authorized the Dispatch to announce his candidacy for his

second term.

Judge Huffaker was reared in Lynn County and has spent practically all of his life there except the years that he attended Texas Technological College and Texas University Law School and the four years that he taught school in Dawson county. He was licensed to practice law in April 1939, and commenced the active practice of law in Tahoka in September 1939. He was elected County Attorney of Lynn County without opposition in 1940 and again in 1942. Two years ago he refused an unopposed third term as county attorney of Lynn County, and entered the race for district attorney in which he received some 77 per cent of the votes cast in such election.

During the years he has practiced law in the courts of this district he has come to be regarded as one of the most outstanding young attorneys of the district and is known for his hard fighting qualities in the court room.

In the twelve months he has served as district attorney he has made a commendable and enviable record, enjoying full cooperation from the court, law enforcement officers and juries, and is said to be one of the hardest working and hardest fighting district attorneys that the 106th Judicial district has ever had.

Judge Huffaker states that he has enjoyed the work as district attorney a great deal and appreciates the cooperation he has received from the jurors and citizens he has worked with, in enforcing the laws of Texas. He states that he has gained valuable experience in his first term and is better equipped and qualified to fight the people's battle in the court room, and promises, if re-elected for his second term to continue to fight for "Fair, Just, and Legal Prosecution of All, But 'Persecution of None.'"

Wife and Groom To Visit Groom's Parents, Mr. and Mrs. C. C. Karr

Cecil Robert Karr, son of Mr. and Mrs. C. C. Karr of Post, and Miss Jean Newkirk of Cambridge, Kansas, who were married on December 23 in Winfield, Kansas, plan to come to Post within the year future. The bridegroom received his honorable discharge from the Army Air Corps in October. He served overseas two years.

Mr. and Mrs. C. C. Karr are now residents of Post. He is associated with the Stanlind Oil Company. They reside in the Garza Hotel.

Mr. and Mrs. James H. Ewins are visiting in the home of Mr. and Mrs. J. E. Lynn this week. Mr. Ewins was recently discharged from the army.

Political Office Announcements

The Post Dispatch is authorized to announce the following candidates for office, election to be subject to action of the Democratic primary.

For District Attorney, 106th Judicial District:
CALLOWAY HUFFAKER,
Tahoka (Re-election)

Rates for Announcement in This Column

County Offices	\$12.50
District Offices	\$15.00

Cotton Marketing Professor Gives Views On Ceilings

The chief drawback to the proposed OPA ceiling price on cotton will be the successful administration of the regulation, Dr. A. B. Cox, professor of cotton marketing at the University of Texas, pointed out this week.

"There are so many different qualities of cotton and uses for cotton that it will be difficult to enforce such a law," he explained. "Manufacturers may shift from one quality to another or from one product to another, with some slight variation, and thus create an entirely new problem."

"It was the opinion of the group of cotton experts on the committee of price ceilings and cotton research which met in Washington in '43 to place the ceiling on the goods rather than on cotton," said Dr. Cox, who was a member of that committee, "and thus effect control of cotton through that means and through the sale of Government-owned cotton when the price threatened to reduce consumption."

"It will be to the advantage of the Texas cotton producer in the long run if the Government will sell its stock of surplus cotton at a price which will induce maximum consumption in order to dispose of the cotton surplus at present high prices."

"The maximum consumption of cotton is needed to relieve the present scarcity of cotton goods. If the Government will turn loose its surplus, the maximum amount of cotton will be available and the carry-over will be reduced, which must be accomplished sooner or later," he pointed out.

"Such a policy would be the greatest possible curb on inflation. A policy of pushing sales of Government cotton to prevent excessive price advances of cotton will have the additional advantage of holding the maximum portion of the goods market for cotton. The price of American cotton is now about six cents above its world competitive level due to the government loan and purchase programs. The Government now owns and controls about 4,700,000 bales of cotton."

"The Government buying price is now 22.46 per pound and the market price is 22.55, which means a \$10 per bale difference," the cotton expert continued. "The Government's buying price of 22.46 per pound and its high non-resource loans are undoubtedly encouraging speculation in cotton. The point is, there is nothing more important in the cotton situation, especially from the standpoint of the cotton growers, than getting the present surplus of cotton into consumption at, or near, present prices," Dr. Cox concluded.

Bill Zetzman is reported to be some better even though he is still unable to be at his blacksmith shop this week, his assistant reported on Wednesday. This is the second week he has been ill.

BUILT TO
John Deere
Engineers'

Specifications

JOHN Deere tractor engineers know that hard carbon, fine metal particles, grit, and similar abrasives in crankcase oil can do more harm to the working parts of your John Deere Tractor in a few hours than can be done in years of hard use in the field with clean oil. Therefore, the efficiency of the oil filter is most important.

The filter element in your tractor was designed especially for your tractor and, after exhaustive tests, was adopted because it surpassed all others in efficiency.

By changing the filter element after every 120 hours of use and using only genuine John Deere Purafilters in your tractor, you are assured of the best possible protection for your tractor.

John Deere engineers take no chances on failure in the John Deere tractor because of the oil filter, so why should you take chances? Use nothing but genuine John Deere Purafilters and protect your tractor investment.

Get a supply today. They are the most economical filters you can buy from every standpoint. REMEMBER—CLEAR OIL IS NOT ALWAYS CLEAN OIL!

Low Officers Named For Novelty Luncheon Club

The first 1946 meeting of the Novelty Luncheon club was held Saturday at Jennie's Tea Room with Mrs. W. V. Roy as hostess. Following a delicious luncheon, members of bridge were enjoyed with Mrs. D. C. Williams winning high score for club members and Mrs. Doyle Justice high score for guests.

A business meeting was held with Marshall Mason, outgoing president, was presented a lovely letter. Mrs. C. D. Morrel succeeded as president and Mrs. Irene Rodgers was elected vice-president. Dates on which each member will entertain were chosen. Suggestions on making contributions from the club treasury to the worthy cause were heard. It has been a feature of the club for a number of years. This matter of business will be voted at a later date. The guest list included Mrs. Williams, Surman, Weakley, Mason, Jones, Kirkpatrick, Welborn, Lubbock, Morrel, Warren, Jusland Stallings.

Mr. and Mrs. Howard Price and daughter, Sandra, of Lubbock were visiting Mr. and Mrs. Cameron Justice Tuesday and Wednesday.

Mr. and Mrs. Tom Welborn of Lubbock were visitors here last Saturday.

Regular Meeting of Post Chapter O.E.S. Held Tuesday Night

The local chapter of the Order of Eastern Star met Tuesday night in regular session with Worthy Matron Bernice Shepherd presiding. Bro. Truett Fry served as Worthy Patron.

The District Deputy, Sister Pauline Smith of Lubbock, will pay her official visit to this chapter on Tuesday, January 29. All members are herewith advised to remember this date and honor the Deputy by attending the meeting.

Further plans were discussed concerning the entertainment for Masonic Lodge members and husbands of Eastern Star members who are not Masons. This social event will be held on Friday night, February 15.

A program has been planned and these members will participate: Bernice Shepherd, Mary Fumagalli, Loree Thaxton, Esta Lee Nichols, Faye Mahis, Thelma Clark, Edna Mason, Consuelo Thuet, Sybil Cockrum, Ruby Stewart, and Faye Edwards.

A buffet supper will be served at 7 p. m., preceding the program. At the conclusion of business chapter was closed in regular form and Sisters Lucile Meador and Ida Robinson served coffee and delicious home baked cookies.

Mrs. C. M. Voss recovered sufficiently from recent surgery to be brought home Wednesday.

Slumber Party Is Given By Marian Hodge Saturday

Miss Marian Hodge, a Texas Tech student who spent the week end at home with her parents, was hostess with a slumber party on Saturday night.

The party was given to honor her house guest Miss Mary Mann Sargeant of Slaton.

Informality was the keynote of the night's entertainment and at midnight a delicious supper was served to the following guests: Misses Sargeant, Melba Miller, Peggy Sue Robinson, Alene Jones, Billie June Kennedy and Pat Morrow.

Football Dance Honors Coach Sollis Thursday Night

To honor Coach "Lefty" Sollis who resigned as football coach of Post High school last week, the Antelope football boys were hosts for a dance last Thursday night. The dance was held in the High school gymnasium and ex-lettermen, ex-students and a number of special guests attended as well as the football boys and their dates. Mrs. Sollis, who is a teacher in the Lubbock school system, was here to share honors with her husband at the farewell party.

Weldon Skinner made a very appropriate speech expressing thoughts of the students and teachers in wishing good luck to Mr. Sollis. The song "He's A Jolly Good Fellow" was sung. A record player provided top tunes of the day for dancing. A large crowd attended the affair.

Mrs. H. A. Karpe Hostess Friday To Priscilla Members

Mrs. H. A. Karpe was hostess last Friday afternoon at Jennie's Tea Room to members of the Priscilla Sewing club. Because of resignations from the club Mrs. Karpe will continue to serve as president another six months.

During the business session Mrs. Tom Miller was elected to club membership.

For the refreshments Mrs. Karpe served coconut pie, ice cream, and coffee.

Enjoying the meeting were Mrs. H. G. Smith, Collier, Duckworth, Camp, Redman, Webb, Thaxton, Warren, Barrow, Haws, Haws, Hundley, Voss and Kemp. The next meeting will be on January 25 with Mrs. Duckworth.

Mrs. N. W. Stone Hostess to WSCS Study Group

Despite the inclement weather Monday afternoon a good crowd of WSCS members met in the N. W. Stone home for a regular meeting.

Mrs. T. R. Hibbs was leader for the study which was based on the subject Instruments of Peace. Mrs. B. E. Young and Mrs. Ralph Welch assisted with the program, presenting topics for discussion.

In keeping with the study lesson Mrs. Durrett brought one of the most inspirational devotional periods the group has been privileged to hear.

Such good meetings truly are a wonderful start for the new year and more women are urged to join these study groups.

Mrs. W. F. Pierce Hostess To Club On Last Friday

The Needlecraft club met Friday, Jan. 11, in the home of Mrs. W. F. Pierce.

Sewing and contests were enjoyed after which the hostess served delicious refreshments of sandwiches, fruit cake, whipped cream and coffee to Mrs. M. K. Bingham, R. P. Tomlinson, Boone Evans, M. J. Malouf, V. J. Campbell, Ida Robinson, A. A. Suits, C. W. Terry, J. B. Faulkner, Maggie Kennedy, T. L. Jones, R. E. Cox, Carl Clark and T. R. Greenfield. The hostess was assisted in serving by her daughter, Annie May.

Grassland 4-H Club Holds Meeting

The Grassland 4-H girls met Friday, Jan. 11, 1946. Mrs. McDonold met with the girls. She showed the girls how to wash out woolen sweaters and scarfs. We had one new member, Deenie Roberts. The meeting was adjourned.

News of Weddings Of Former Post Girls Of Interest

Of wide interest to Post friends are the wedding announcements of several former Post girls—that of Mary Erma Speck, daughter of Mr. and Mrs. Guy Speck; that of Mary Katherine May, daughter of Mr. and Mrs. J. C. May; and that of Frances Elizabeth Simmons, daughter of Mr. and Mrs. J. A. Simmons of Abilene.

Miss Speck was married on Saturday, January 5 to an ex-aviation man. Details of the wedding were to be sent to Post but as the Dispatch went to press this information was still unavailable. Miss Speck was until she married employed in the Bryant-Link store in Carlsbad, New Mexico.

Miss May was married on Dec. 5th to Mr. James Eddie Upchurch of Winslow, Arizona. Following a short wedding trip to California the couple returned to Winslow. They entered the University of Arizona to complete their college work. Mr. Upchurch was until recently a member of the Army Engineers with a three year service record. He served overseas in the European theatre. He will complete work toward his Engineering degree and the bride will complete work in home economics and music.

A number of courtesies were extended the couple by various groups in Winslow. Mr. and Mrs. May and children moved from Post about ten years ago. He formerly owned the J. C. May Jewelry Store.

Miss Simmons was married January 9 to Captain William John Gammon of Abilene. No details of the wedding were available. Mr. and Mrs. Simmons moved to Abilene several years ago.

Mr. and Mrs. Jones Recently Observed 50th Wedding Date

The golden wedding anniversary of Mr. and Mrs. R. R. Jones, pioneer residents of this county, was observed on December 25. Open house was held with children of the couple presiding over hospitalities.

The entertaining rooms of the Jones home were attractively decorated with carnations and gladioli. A beautifully decorated wedding cake inscribed in gold letters—"50th Anniversary"—and topped with a bride and groom was on display on the refreshment table. Coffee and cake were served to 125 friends who called to extend best wishes to the couple.

Mr. and Mrs. Jones have two sons, Buford and Robert of Post, and three daughters, Mrs. J. C. Lenke and Mrs. T. H. Basinger of Southland, and Mrs. Gladys Hoffer of Vernon.

They were married at Decatur, Texas, and lived there seven years. They moved to Wilbarger county for four years, then moved to Clovis, New Mexico, where they homesteaded. Mr. Jones helped haul the lumber for the first house that was built in Clovis. He continued in the dray business until 1911, moving back to Wilbarger county then moved to Garza county in 1916.

Noah Webster wrote the dictionary.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or it Will Cost You Nothing. Over two million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from stomach and duodenal ulcers due to excess acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Hold on 15 days' trial. Ask for "Willard's Message" which fully explains this treatment—free—at O. G. HAMILTON DRUG.

Fashion Frock of the Week

SOFT SHOULDERS

Shoulders are still broad, but they're no longer sharp and squared. This season they have been rounded and gently curved in keeping with the softer silhouette. Shoulders that are generous to the top of the silhouette and then, in turn, minimize the waistline, give that wonderful American-girl look!

Fashion's favorite treatment of the rounded, softer trend is the curving shoulder line that dips low on the sleeve. In this Fashion Frock of the Week, a flange seam slips around from the back and then continues to form the front yoke. The Bishop sleeves, long and full and gathered to a buttoned wristband, are graceful and becoming.

Rounded shoulders, rounded yokes, full sleeves and fuller skirts. Fashion puts curves in the spotlight!

Dr. D. C. Williams Talks On Medicines At Recent Meeting

Terminology of war medicines and the vast stride made in the field of surgery and drugs during the last few years were phases covered in a very informative talk made by Dr. D. C. Williams when he was a guest of the Woman's Culture club at a recent meeting. The local physician has been guest speaker at the club on various occasions for many years. He always brings interesting information from the medical profession but his discussion on this particular occasion was one of the best, members declared.

The meeting was held at the home of Mrs. T. L. Jones. Following the program and a business session, the hostess served refreshments to twelve members.

Mr. and Mrs. Ira Greenfield spent Sunday in Petersburg with Mrs. Greenfield's parents. Her father who suffered an heart attack recently is feeling some better but is still confined to his bed. He returns to the hospital the last of the month for a check-up.

Mrs. James Dietrich who has been a patient in the Lubbock Memorial hospital for ten days will be released today, members of the family stated Tuesday.

FADS AND FANCIES By CYNTHIA

Dot, dot—with plenty of dash is the keynote of Mitzel Gould's new scarf accessory. Mitzel, heard on Mutual's "Agatha Christie's Poirot," drapes the scarf over the right shoulder in a novel fashion for effective black and white contrast.

Dannie Cockrum Honored With Party On Sixth Birthday

A fishing game, pinning whiskers on the cat and dart games provided much merriment for a group of youngsters, who helped Dannie Cockrum observe his sixth birthday on Monday afternoon when his mother, Mrs. Dan Cockrum, arranged a birthday party in his honor.

Following the games birthday cake was served with hot chocolate to the children. Plate favors were candy suckers. The traditional birthday candle ceremony was observed before the cake was served. This feature of the party held rapt attention of all the children.

Those enjoying the occasion with Dannie were Bennie and Ricky Clary, Gerald and Darlene Carpenter, Elvis Curb, David and Judith King, Linda Bilberry, Gene Young, Junior Gray and Marcia Dean Holland.

Mothers who assisted Mrs. Cockrum in supervising the games were Mmes. Clary, Carpenter and Holland.

Former Post Boy Weds In Oklahoma

Of interest to many Post friends was the announcement Sunday of the marriage of Roger R. Hurt, son of Mr. and Mrs. F. B. Hurt of Lubbock and former resident of Post, to Miss Roberta L. Grable of Waukomis, Oklahoma. The marriage took place Friday at the home of the bride's parents in Waukomis.

Hurt, who was reared in Post, was recently discharged from the Army Air Corps. The couple will make their home in Lubbock.

Birthday Party For Wayne Briggs Given Saturday

Wayne Briggs celebrated his seventh birthday with several of his friends and schoolmates from 3 until 5 o'clock last Saturday. After an hour of playing games, the birthday cakes were brought in. They were little cup cakes iced in white with yellow letters spelling Happy Birthday to You. The children all sang "Happy Birthday." The cake was then served with sandwiches and hot cocoa.

Guests were: James Carroll Woodfin, Butch and Kenneth Ray, Larry Evans, Kenneth Braddock, Agnes, V. A., and Boyd Dodson, Don Brown, Doyle and Dayle Nelson, Daisey and Junior Foster, Doris, Odell and Richard Williams, Maxie, Virgie, Yvonne and Don Ammons, R. B. Taylor, Norma Guy Briggs, Sherrie and Charlotte Hays.

Guests in the home of Mr. and Mrs. J. E. Parker this week were Mrs. and Mrs. J. W. Witherspoon of Mena, Oklahoma. They were en route to Carlsbad, New Mexico, their former home, to visit friends and will visit the Parkers again for a short time when they return to Oklahoma.

An Invitation

Mary Hudman

Who This Week Purchased The

CARDWELL BEAUTY SHOP

Cordially invites the people of Post and Garza County To Continue Their Patronage Of The Shop.

"IT WILL BE A PLEASURE TO SERVE YOU"

Dear Patrons - - -

I Wish To Announce That I Have Sold The . . .

Cardwell Beauty Shop

To Mary Hudman of Tahoko, who is a Very Efficient Operator.

I want to thank all my customers for their patronage and loyalty for the past 32 years. I feel that I have served the public long enough. I will miss every one of you.

Most sincerely,

Mrs. O. D. Cardwell

USE MATCHED BUSINESS STATIONERY

To Our Customers:

Many of our successful local companies find it good practice to follow our suggested ideas in using their own letterhead design in other correspondence forms which are not strictly speaking - letterheads.

Forms such as invoices, statements, quotations, orders and the like. Matched with their familiar letterhead, they become supplementary envoys representing these companies to their customers everywhere.

We are equipped to present for your approval a complete matched set of business stationery designed especially for you. Let us show you.

Dispatch Publishing Company

Oh, what they'd give to be in YOUR shoes!

WHAT CAN YOU SPARE THAT THEY CAN WEAR?

Collection Depots:

- Mason and Company
- Texas Company
- Hudman Furniture
- Bryant-Link Company
- Greenfield Hdw. Co.

Oh, what most of the human race would give to be in *your* shoes!

Clothing that *you* may consider old can bring new life to some suffering person to whom war brought despair and destitution. Goal of the Victory Clothing Collection is 100,000,000 garments, plus shoes and bedding. If *your* contribution seems negligible, bear this in mind: *Every garment you give means one more human being saved from cold or sickness or possibly death.*

About 25,000,000 people overseas re-

ceived clothing collected from Americans last spring. But for every person clothed so far, a dozen more remain virtually threadbare. Your spare clothing will be distributed free, without discrimination, to victims of Nazi and Jap oppression in Europe, the Philippines, and the Far East.

Dig into your attics, trunks, and closets today . . . dig out all the serviceable clothing you can possibly spare . . . take it to your local collection depot *now*. If you doubt the need for it overseas, ask the boys who've been there!

Garza Countains WHO RECEIVED COVERED "Ruptured Duck" DURING THE PAST WEEK

This column is dedicated to the service men and women who wear this armed services discharge button. As the Dispatch has followed them from civilian life through their war experiences, it will record their lives from the time they receive their discharge papers until they become rehabilitated and re-established in civilian life.

J. G. Stacy, son of Mrs. Celia Mae Stacy formerly of Post, was given an honorable discharge from the Army January 9 and was a visitor in Post Monday and Tuesday. He was accompanied here by his wife and son, who have made their home in Levelland while he was overseas, and visited in the Marshall Mason and James L. Minor homes. Stacy served as a sergeant in the M. P. unit of the 26th Division and served in the European campaign for sixteen months. He landed at New Port News, Virginia December 31.

Kenny Cash, son of Mrs. Earna Cash and husband of Mrs. Lorene Puckett Cash, arrived in Post last Saturday with an honorable discharge from the Army Air Corps after serving 18 months in the Pacific area. Cash served in New Guinea, the Philippines and Japan. He arrived back in the States December 19 and received his discharge January 9.

Milburn and Wilburn Cash, twins, who served together through the war, arrived back in Post the first of the week with honorable discharges from the Army Air Corps. They were stationed for some time in Bialk and came back to the States aboard the USS Weigel. They were discharged January 9.

Dell Hester was discharged from the Army January 10 after serving in the Pacific area for eighteen and half months. He was with the Second Combat Cargo and was stationed in China. His parents, Mr. and Mrs. M. Hester reside in Post.

Arriving home with an honorable discharge from the Army Air Corps last week was Bunk Floyd, son of Mrs. Lula Floyd of this city. Bunk served with the Air Corps eighteen months overseas, in Africa, Burma and China. He arrived back in the States December 26 and received his discharge January 3.

Another Post soldier who is at home with a discharge is Sgt. T. J. Cook, son of Mrs. W. F. Cook of Tahoka. He received his discharge at El Paso. He has been serving overseas many months and since the Japs surrendered he was stationed in Korea.

T-3 Keith Adams, son of Mr. and Mrs. Olen Adams of this city, arrived home last Thursday with an honorable discharge from the Army. Adams served two years and eight months in the Pacific area. He was stationed on Saipan when his state-side orders came through and came home on a Navy repair ship, crossing the Pacific in 14 days.

Weldon Jobe, who has been serving with the Navy in the Admiralty Islands the past year and half, arrived home Tuesday morning with an honorable discharge. Jobe was a mechanic on a dry dock and held the rating of first class petty officer when released from the service. His wife, the former Miss Maxine Greenfield,

Letterman Club Organized At Local High School

A new club was organized for Post High school last week. It is called the Letterman club. The club was formed under supervision of Coach L. J. Solis. It is composed of boys who lettered in at least one major sport last year. Meetings are to be held on the first and second Mondays of each month at 12:40 p. m.

To be eligible for the club this year's lettermen must pass at least three of four subjects and be properly initiated by the charter members, of which there are eleven. These eleven charter members include Gene Carpenter, Jimmy Bird, Louis Mills, Bill Fumigalli, Wayne Hundley, Charles Propst, A. C. Thomas, David Buser, Lynn Ranson, Raymond Dougherty and Paul Duran.

At a meeting held last week, Louis Mills was elected president; A. C. Thomas, vice president; Bill Fumigalli, secretary - treasurer; Jimmy Bird and David Buser, sergeants-at-arms.

The club is merely for the purpose of providing recreation and wholesome fun for the boys. The members feel certain the club will be a success and are working earnestly to "put it over" in a big way.

Veterans May Vote Poll Tax Free

A veteran who has an honorable discharge dated within 18 months of the next election may vote without a poll tax receipt—provided he is willing to make an affidavit as to his age and residence. This information was released on January 8 at Austin by the author of the constitutional amendment permitting ex-servicemen of World War II to vote without a poll tax.

The amendment provides that "a person honorably discharged from the armed services within 18 months before an election is held in Texas need not pay nor hold a receipt for the payment of a poll tax in order to vote. He must, however, be a citizen of Texas, 21 years of age, and never been convicted of a felony."

Sen. Moffett said the veteran does not need a certificate to show the election judge. If the judge is in doubt, he may require the prospective voter to execute an affidavit stating that he is an ex-serviceman and otherwise a qualified voter. This is already accepted procedure for a civilian who has lost his poll tax receipt.

Mr. and Mrs. Burnon Haws arrived in Post last Saturday after a short wedding trip. They are making their home temporarily at the home of Mr. and Mrs. A. B. Haws.

Accompanying R. D. Travis to Stamford last week where he attended a director's meeting of the Bryant-Link Company, were Mrs. Travis and a granddaughter, Mary Charles Everett, who is visiting here from Dallas.

and their little daughter, have made their home here while Weldon served with the Navy.

Other Garza county boys who have reported their discharges to the local Selective Service board include: Cecil E. Vandiver, David Lucius, Paulino Garcia Saenz, Henry R. Jones, Hern Pettigrew, Leon Brown, James S. Mathis, Louis Avery Sinclair, Kenneth Edward Warshaw, Esequiel P. Saldvar and Edgar Cook.

Sugar Rationing May End By June

Prediction that sugar rationing may end soon was made by a district OPA rationing executive of Fort Worth last week when he went out of office several days ago.

He forecast liberalization of sugar allotments in the next three months and entire disappearance of consumer sugar rationing by the end of June. Restrictions on the use of sugar for industrial purposes, he forecast, will continue through 1946.

Other prophecies were that another sugar stamp, good for three months instead of four, will be validated before the present stamp is due to expire on April 30.

Garza County Judge Endorses Army's Recruiting Program

The following statement was made by J. Lee Bowen, County Judge of Garza County in endorsing the United States Army Recruiting Campaign:

"I heartily endorse the U. S. Army Recruiting Campaign now in progress in this area. The Army is offering remarkable opportunities to far sighted young men who have the best interests of their nation in mind.

"With the educational benefits the Army is now offering its soldiers through the United States Armed Forces Institute courses while in service, and the extension of the educational privileges of the G. I. Bill of Rights to those enlisting before October of 1946, every man who enlists now will be able to acquire a complete

W. A. "Billy" Hays Arrives Home With Discharge

S-Sgt. W. A. "Billy" Hays, son of Mr. and Mrs. J. O. Hays, arrived in Post last Wednesday with an honorable discharge from the army.

The Post soldier arrived back in the states at Tacoma, Washington, on December 24 after serving overseas in the Pacific area for almost two years. When first going overseas he was attached to the 188th Glider Infantry Regiment and was cited for outstanding heroism and conspicuous performance of duty in action against the enemy on Luzon, Philippine Islands, from January 31 to February 3, 1945. During the latter months of his service, he was attached to the Paratroopers. He wears numerous battle stars for his participation in the Pacific theater.

School Of Dance Opened In Post By Tahoka Girl

Miss La Voyle Richardson of Tahoka opened dancing and personality singing classes in Post this week. Miss Richardson comes to Post on Wednesday and Saturday of each week.

She will give instructions in ballet, tap, character and acrobatic dances as well as conduct dancing classes for very small children. In addition she will conduct personality and musical comedy singing classes.

Miss Richardson is a member of the Dancing Masters of America. She spent two summers in New York studying and has had three years teaching experience.

She is announcing opening of her classes by means of an advertisement in this issue of the Dispatch.

Cage Tournament—

(Continued From Front Page)
ed Tahoka, 30-23.

In boy's play, Post's B team won over Southland, 26-17; Tahoka walked over Wellman, 33-6; and Post's A team downed O'Donnell, 26-20.

Saturday night's play, first game at 8 o'clock, will be girl's finals in consolation bracket, consolation bracket of boy's play, at 7 o'clock. The girl's championship game will be played at 8 o'clock and boy's championship game at 9 o'clock.
