

Up And Down Main Street

It is the opinion of the fellows up and down Main that the Republican victory in last week's election was the inevitable reaction from arbitrary restraints of war and thirteen years' control of the party. They believe that the responsibility of the Republicans will be great. It will be up to them to do the things for which they have so severely criticized the Democrats. It will be their job to curtail spending, balance the budget, provide for tax reduction and enact legislation that will greatly lessen, if not eliminate industrial strife and strike.

How much they can accomplish remains to be seen. Like the Democrats, their eyes will be upon the 1948 election. It is believed that if they don't do something now their party will suffer and suffer almost beyond redemption.

There's no rhyme or reason to paying \$25.95 for a bunch of feathers for a hat. The barnyard poster once sold for a dime; now his hackle, saddle and tail feathers fetch more than a yearling's bid.

An indignant housewife asked one of Post's grocers—"What's this on my bill?" It says, one tomato, 15 cents.

"Don't worry—that's tomato catnip," answered the grocer.

Which brings up the fascinating subject of "coffee talk" we hear in cafes, coffee shops and drug stores—tost!

A Betty Grable is a cup-a-coffee with cream and sugar—that is, blonde and sweet. Black coffee with sugar is a Lena Horne. Shake one in the dark is a chocolate milk shake; Daybreak a vanilla egg is "Hen Grenades" and tomato juice is a "Redhead," etc., etc.

As clerks, waitresses and cooks change jobs so does the counter talk change but its a fascinating language for those of us who frequent the cafes and drug store fountains.

Our boss says that evidently the researcher who said it took a couple five minutes to burn has never parked one on the edge of a dresser.

Glitter gives Glamour when you dress your hair with one of those smart looking sequin bows or butterflies on display at Stevens Style shop. Just the thing for those special dates.

A new electric waxing machine arrived recently at Hudson's Furniture Company. "No more elbow grease" is what many a housewife will say when she tests the new piece of equipment.

Lots of Meats—that's what Bake and his bunch have on hand at the Pure Food Market on North Adams street. The meat display case in that epic-and-span store is filled with meats of all kinds. Meats-makers will welcome a counter filled with such specials as the market has on display this week.

Building Magic is being performed on the new home of the Post Truck and Tractor company on Main. Last week there was simply anything showing but by Wednesday noon of this week brick and concrete work was showing on three sides. If this part of the construction work continues this reporter will be announcing that Dewe and his crew moved in by next Dispatch time.

Spreading of construction work, we're getting excited over the new home. We've explored the interior of the building several times while making our rounds over on Broadway. It won't be long before Walter Duchworth and Betty Camp will move their office into the new red brick building and Guy Floyd will dispense the Texaco gas and oil from the nearby service station.

It's Family Affair—the clothes hamper. The cover hangs a dozen new day-evening papa's solid shirts, Johnny's shorts and shorts, Jane's blouses and bloomers—so it must be of sturdy material. When it's combined with heavy lace—then it is liked that much more by mama. Such a hamper is seen being displayed one week at Bryant-Links. They are beautiful as well as useful and are made of metal to stand wear. Handpainted designs that extra touch. Oh, yes, there are paper baskets to match.

The Post Dispatch

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, NOV. 14, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 40

Notable Progress Being Made In City Clean-Up Campaign

City officials have made notable progress in putting the dump grounds into usable condition. They expect to employ a system of disposal that will keep the ground clean at all times.

Accomplishment of this plan will take the cooperation of every individual who takes trash into the grounds, City Secretary Presson has announced. Place for dumping will be designated, so that the dumpers can readily see where to put their trash in order to cooperate in keeping the ground permanently clean.

Sherrill Boyd, secretary of the Post Chamber of Commerce which is conducting the city-wide cleanup campaign, says the main reason the dump ground was in such impassable condition was because of the promiscuous dumping of trash in the driveways inside the ground, in the pasture alongside the dump ground and along the road between the city and the ground.

The cleanup committee is making every attempt to discourage the dumping of trash on vacant lots inside the city limits. This also, requires the cooperation of the entire population.

The cleanup committee will meet tonight with the Parent-Teacher association to discuss the final stages of the cleanup campaign.

Will Post Decorate For The Holidays?

"Is Post going to be decorated for the Christmas holidays?" is a question heard frequently the last few weeks.

Many towns in the area, that along with Post, did not decorate during the war years, are planning to resume the practice this year. Several in this immediate territory will have street lights and other decorations up by Thanksgiving and will turn them on each night from that date through the New Year.

Nothing adds so much to the gay, generous atmosphere of the season as decorations. It is hoped that the city dais, Chamber of Commerce officials and business firms can work out a feasible plan for decorating the streets of Post.

SAFETY PICTURE TO BE SHOWN AT GARZA

N. W. Stone, local DeSoto-Plymouth dealer, invites the Garza county public to see a new safety picture, "Chance to Lose" which will be shown under his agency's sponsorship next Tuesday in connection with the regular picture program at the Garza theatre.

The film not only does a great job in promoting safety on the highways, but also shows the outstanding safety features engineered into the new Plymouth.

The feature picture at the Garza will be "The Invisible Informer."

Irish Potato Selling Campaign Opened Over Nation Nov. 7

Local grocers and markets are well stocked with high quality Irish potatoes in readiness for the nation-wide campaign opened November 7 by the U. S. Department of Agriculture to move the largest fall potato crop ever harvested, according to B. F. Vance, State director of the Production and Marketing Administration.

Survey of the local food trade shows that supplies and prices warrant listing Irish potatoes as a "best buy," Vance said. Farmers have done a big job producing this record-breaking potato crop, Vance points out, so it's up to consumers to eat this abundant food or store it away for future use when potatoes are less plentiful and higher.

Antelopes To Begin Cage Work Tuesday

Between twenty-five and thirty boys are expected to report to Coach Bing Bingham Tuesday when he issues basketball equipment to begin the winter basketball season.

Most all of the boys who have been playing football have indicated they would turn out for basketball, said Bingham. The team will be built around last season's B string, as all members of the A squad graduated last spring.

The conference schedule has been arranged, but is not yet ready for publication due to some changes which are expected to be made this week.

POST CLINIC INSTALLS LARGE X-RAY MACHINE

Addition to the Post Clinic of a large x-ray, the type used in hospitals, and which was found to be especially useful by military medical units during the war, is another step taken by Doctors Surman, Williams, and Kahler in giving Post and Garza county residents a fine modern clinic.

The large x-ray, one of the newest type Picker X-Ray Corporation's machines, is equipped with fluoroscope screen, and other gadgets which will enable the physicians to deal with all kinds of x-ray problems. The fluoroscope screen will be used in setting fractures, as well as tracing internal disorders, as it provides a means of seeing the fractures while the patient is being treated.

The machine takes negatives 14x17 inches in size.

SUNDAY SINGING TO BE HELD AT GRASSLAND

The regular third Sunday singing will be held at the Church of the Nazarene at Grassland, Sunday, November 17 at 2:30 p. m.

Everyone is invited to come and bring your songs and singers.

Rev. I. A. Smith Is Returned To Post Methodist Pastorate

The Rev. I. A. Smith, who last week completed his third year as pastor of the First Methodist church here, has been returned to the pastorate for another 7-month year as result of assignments announced Sunday by Bishop Charles Seaman at the conclusion

REV. I. A. SMITH of the Northwest Texas annual conference at Pampa.

The assignment is for a seven-month period, being brought about by the changing of the annual conference from November to June. All pastors of the district received similar appointments which expire next June when the conference is held in Amarillo. Assignments at the conference will be for full 12-months, with the church year running from June to June.

In his report to the conference, Rev. Smith revealed that thirty-eight additions had been made to the church from November 1, 1945 until November 1, 1946. Sunday School attendance was increased approximately ten percent, with an average of 120 attendance; good attendance was reported for the summer vacation Bible school, thirty-five active members of the Women's Society of Christian Service; \$3,961 spent on repairs and improving church edifice; \$1,100 on benevolence; \$1,200 subscribed for Memorial hall at McMurry college; and a grand total for all purposes amounted to \$10,252.

Rev. Smith reported that he had made no record of the number of pastoral calls he had made, the number of funerals he had conducted, of the number of weddings he had performed during the year. He did report that he baptized five infants.

Of interest to Post Methodists was the appointment of Dr. J. O. Haynes, pastor of St. Paul's church, Abilene, to district superintendent of the Lubbock district. Dr. Haynes replaces Dr. L. N. Lipscomb who was assigned to the First church at Sweetwater.

Rev. J. E. Stephens of Post, who has served as pastor at Graham and Grassland, was returned to the two pastorates.

County Joins State In Okeying Veterans' Land Proposal

Garza county joined the rest of the State last Thursday in approving the proposed state constitutional amendment authorizing the state to borrow \$25,000,000 for the purchase of lands for resale to war veterans on easy terms.

In what was perhaps the lightest vote turnout in this county's history, complete unofficial returns from nine of the county's ten boxes gave 154 votes for the proposal, and 11 against the issue. One polling box, Wright Henson, did not hold an election as no residents of the community came in to vote.

The election cost approximately \$1.25 per vote to taxpayers, as only 185 Garza counts participated, and the election cost was estimated at \$200 by County Judge J. Lee Bowen.

Mercury Drops Below Freezing

Post and Garza counts Monday morning shivered to the first real cold snap of the season when mercury tumbled six degrees below the freezing point after it stopped on the 26-degree mark at an early morning hour.

Accompanying the clear cold spell was Jack Frost who made his appearance on roof-tops and window panes. The killing frost will cause some damage to grain sorghum which needed another ten days to mature, but will likely hasten the cotton harvest by causing the stalks to shed their leaves so that the sun will open bolls.

The cold front faded out Tuesday to warmer weather which has prevailed since.

MEETINGS BEING HELD TO ORGANIZE CUB PACK

A meeting was conducted Tuesday night in connection with organization of a Cub pack here, and another has been scheduled for tonight when parents of boys between the ages of 9 and 11 years will meet at the home of Mr. and Mrs. John Lott in West Post.

Tuesday night's meeting, attended by Gale Unger, Boy Scout executive of Lubbock, found between twenty-five and thirty parents present, but organization was not completed.

Efforts will be made tonight to secure a cubmaster, three den mothers and three committeemen and to enroll enough boys to form the pack.

NEW ARRIVALS

Mr. and Mrs. H. C. Vaughn of O'Donnell are announcing the arrival of a baby girl on November 7 in the Lamesa hospital. The new baby weighed 6 pounds and 14 ounces and was named Nina Carol. Mrs. Vaughn is the former Margaret Luck and is at home here with her parents for a short time.

Antelopes To Close Football Season At Seminole Friday

The Post Antelopes, with four wins and five losses in season's play, will close their 1946 football schedule tomorrow night when they journey to Seminole to tangle with the powerful Indians in a conference game.

The Indians, the only district 6-A team with an undefeated, untied season's record, are a rugged group and from the way they have scalped all their opponents it is reasonable to believe that the Antelopes will fall to their style of warfare. Last week the Indians ran over the Sundown Roughnecks, 34-7, while only a few weeks back the Roughnecks took the Antelopes, 32-0 in the Antelope corral.

The Indians are heavy, rough, and tough... their reserve strength is equal to their first string powerhouse, and if they play the style of football they have offered their other opponents the second string group will be called out for at least half of the play. The Indians are all set for the Antelopes and have dedicated tomorrow night's fracas as their homecoming and crowning of football queen game.

The Antelopes, despite taking the field as the underdogs, will go into the play with determination to cause the Indians plenty of trouble. The squad is in tip-top condition for the melee, with no injuries from last week's mix-up with Denver City, and will likely put up their best scrap of the season.

The team will leave Post tomorrow afternoon at 1 o'clock for the oil town, and will be followed later in the afternoon by a fair-sized booster delegation.

County Court To Be Convened Monday

County Court will be convened in Post next Monday, at which time a jury panel of eighteen men will appear to consider five misdemeanor cases on the court docket, reports County Judge J. Lee Bowen.

The jury panel, summoned to appear at 10 o'clock Monday morning, includes W. P. Lester, H. F. Almsworth, T. B. Greenfield, Geo. Ramage, R. B. Jones, Marvin Hudman, W. A. Gray, John L. Wallace, T. W. McQueen, Wilburn Morris, E. C. Peltrew, Tom Williams, J. M. Bush, A. E. Hava, W. O. Floyd, Carl Rome, H. N. Crisp and O. K. Bowen.

"MUMS" PREDOMINATE THE WINTER FLOWER PICTURE IN COUNTY

The brilliant color of the chrysanthemum or "mum" predominates the fall flower picture over Post and Garza county. It is fitting that this beautiful flower should be in full bloom during this—National Flower Week.

The "mum" is autumn's proudest floral offering and leads in party and home decorations everywhere. The fragrance is mingled with Indian summer weather when the days are moderately warm and then heavy into cool nights.

This flower can be seen in a variety of sizes and colors in gardens in Garza county. It reaches its height, perhaps, in the waning football season. As football interest mounts, so do the orders for chrysanthemum decorations. These popular shoulder decorations are most often seen in school colors to express the heightened school spirit that backs the team.

Right on through Thanksgiving the "mum" will lead the parade list as well as the decorations. bet Flowers welcome any event of occasion and no flower is more colorful than the "mum."

ARMISTICE DAY IS OBSERVED QUIETLY

The twenty-eighth Armistice day was observed in Post Monday in a quiet sort of way, with all business houses which usually close on Sundays closed for the day.

As no formal program was planned most residents of the city attended football games and celebrations in neighboring cities.

Post C. C. Secretary Makes Report On Recent WTCC Conflab

The West Texas Chamber of Commerce, meeting in Abilene last Friday, launched a fight to divide the state's university land fund among all 16 state colleges and opposed a five-cent ad valorem tax to finance buildings in the 14 colleges other than the University of Texas and the Agriculture and Mechanical college.

Sherrill Boyd, Post Chamber of Commerce Secretary who attended the meeting, said the vote was by a wide majority of nearly 3000 votes cast, each in behalf of a dues paying member. By an even more emphatic majority, the group opposed a proposal to use gasoline tax refunds for rural school aid, farm-to-market roads and soil conservation instead of continuing to pay it back to the customer.

H. C. Custard of Cleburne became the WTCC president for the coming year, succeeding Hamlin Overstreet of Farwell. The WTCC also supported:

(1) A rider to the next old age assistance appropriation bill prescribing need as the sole basis for eligibility.

(2) Liberalizing old age and survivors' insurance to create more extensive eligibility; it having been argued that with farm workers and many classes of wage earners not covered by this insurance, less than 40 per cent of West Texans are covered.

(3) Permanent abolition of the ad valorem tax for state general revenue.

(4) Continuation of the present modest campaign of industrial advertising by the WTCC from its general fund.

(5) Continuation and expansion of the West Texas Industrial Development Bureau operated by the WTCC.

(6) Cooperation with the Texas Association of Commerce in fostering a self-liquidating campaign of national industrial advertising through state financing.

(7) Cooperation with the Chemurgy and Industrial Research Committee of Texas in a program giving priority to and concentrating on research into the state's agricultural products and all raw materials for industrial and marketing purposes.

(8) Approval of the "Taxpayers Code of Ethics."

(9) A constitutional amendment dividing revenues from the University Land Fund on the basis of 40 per cent to the University of Texas and A. and M. College, and 60 per cent to the remaining 14 of the Texas colleges.

Resolutions adopted included: Calling upon the legislature to appropriate funds for purchase of the land which blocks construction of roads into the Big Bend State Park, asking the state to negotiate with the Republic of Mexico for construction of a toll-free bridge across the Rio Grande between Del Rio and Villa Acuna; asking study of factors affecting the economy of West Texas affected by absence of any tax on natural gas piped outside the state; study of a program to finance soil conservation and other things to improve the rural economy of West Texas, and seeking from the Secretary of Agriculture and other Federal officials an "adequate reason or least" for recent decline in the cotton market.

John Herd Reelected To WTCC Directorate

John T. Herd, who for a number of years has served as Post's West Texas Chamber of Commerce director, was re-elected to the directorate last Friday during the Abilene meeting of the regional organization.

Mr. Herd will serve through the 1947 calendar year.

FAIR "TURN-OUT" OF EX-SERVICE MEN AT LEGION ARMISTICE "FEED"

A fair "turn-out" of Garza county ex-service men attended the Armistice "feed" sponsored by the James C. Cole American Legion post at the Legion last Saturday night.

Post High School Annual Staff For Coming Year Shows Good Qualifications; Plans For Book Set In Motion

"The Caprock," Post High school annual, is off to a seemingly successful start this year with a well chosen staff firmly planted at her helm. The able staff was selected several weeks ago and is putting forth anxious efforts to make the 1946-47 annual bigger and better than ever before. The group plans to add eight additional pages to "The Caprock," the pictures, art work, grade of paper and assembling to be of the very best quality.

Those faithful few, under the able guidance of Mrs. Ray Smith, sponsor, who will serve at the head of the Staff, their qualifications, achievements and ambitions are listed as follows:

Selected as editor of the 1947 edition of the Caprock is Alma Outlaw, a charming, petite blonde Senior who has already distinguished herself in numerous activities. An outstanding athlete, she plays on the girls' senior basketball team. Next fall will find her enrolled at Baylor Uni-

versity in Waco. She intends to get her degree from Baylor and become a missionary. Following this, her aim is, of course, the ultimate aim of every girl, to get married. Success to you, Alma.

The assistant editor is cute Bobbie Chandler who is always wearing that winning smile of hers. She is a popular member of the Senior class and one of the favorites among the student body. She takes an active part in sports, especially basketball, where she plays guard on the senior team. Last week she was crowned Halloween Queen. Bobbie is thinking about taking a course in Draughon's Business college at Lubbock following graduation next spring.

The business manager of the Caprock is a quiet, reserved young man named Rufus Gerner. The Seniors evidently think him a quite capable person because they chose him as their president a few

weeks ago. Last year two of the honors he held were manager of the football team and president of the Student council. He has a musical inclination and plays the guitar, violin and other musical instruments. After finishing high school he plans to go into some kind of business, but he hasn't yet definitely decided what it will be.

To assist in the matter of managing the business is attractive and talkative Betty Kennedy. Betty enjoys drawing and designing dresses. When the fall session begins at TSCW in Denton next year she will be there to major in dress designing. In the not too distant future all fashionable women will likely be wearing frocks designed by Balenciaga (or some name equally impressive) but you can all remember that back in '46 and '47 when she was a Senior in Post High school she was known as Betty Jo Kennedy. Betty takes an active part in

school affairs and has a very pleasing personality.

Many of the drawings to appear in the annual will be contributions of Lavenia Carpenter, who also drew for the annual last year. A girl who is friendly, good humored and always laughing, Lavenia's excellent scholastic record will make her one of the top contenders for the high point student in the Senior class. Next fall she will enter ACC in Abilene where she will major in art.

Another person that is to produce some of the art work for the annual is one who is already famous within PHS for his humorous and clever cartoons. This personality came from the Junior class and answers to the name of Ross (Bud) Short. He plays tennis at school and while at home he makes radios which he gives away and sells. Bud hasn't made definite plans for the future, but

(Continued On Back Page, Col. 2)

EVEN GARZA MEN RECEIVE DISCHARGES

Garza county men reported this week by the local Selective Service Board as having received their honorable discharges recently include: Sol R. Davis, Jesse O. Williams, Henry Eugene Simmons, John R. Thompson, Clyde E. Jones, J. Wesley Pettigrew and E. C. Pettigrew, jr.

POINTERS GIVEN ON STORING POTATOES

Garza county farm families can make sure of their winter potato supply by storing some of the late crop offerings now so plentiful. H. F. Vance, State Director of the Production and Marketing Administration said Tuesday. Well-matured and low in moisture content, these potatoes keep well

Enroll In County GI Training Class

Four new members, W. J. Tip-ton, Guy B. Hunt, Billy W. Blacklock and C. W. Blacklock, were enrolled in the County Vocational Training school November 1 to boost the enrollment to twenty-two, reports Lewis (Sonny) Nance, teacher-coordinator.

Last week, for the field demonstration, the class spent the day at the Lubbock Experiment Station witnessing results of various experiments. Of special interest to the group was work done on cotton defoliation, and the use of the cotton stripper for harvesting the crop. The crossing of storm-proof cotton on other varieties is bringing in some new strains of cotton that should prove very valuable to West Texas farmers, asserted Mr. Nance. After observing experiments conducted on Martin maize, Plainsman and other varieties members of the class were able to draw their own conclusions as to which type is the best for their system of farming.

The class organized a basketball team at the last meeting and selected E. J. Henderson as manager. The team, to be known as the "G. I. Aggies," will participate in area tournaments and will play other Post and Garza county teams.

According to Mr. Nance there are many boys who don't enroll in the school January 1. Some of these boys have already entered their applications for eligibility, and those who have not are advised to do so immediately as it will hasten payment of the subsistence checks. Boys who signed up at the beginning of the school, one month ago, are

in basement storage rooms, outdoor cellars, and in pits or banks he explained, adding Department of Agriculture specialists advise a cool dark place. Temperature must be above freezing, preferably between 40 and 50 degrees Fahrenheit.

Vance said the specialists informed him an excellent plan is to place the major supply in pits and banks, holding out a small quantity for immediate use. These may be kept in boxes, barrels, baskets, crates or bins, or even on the floor of cellars or basements if care is taken to protect the potatoes from light. Potatoes stored in pits or banks are handled in the same way as beets, carrots, and other root crops, he added.

Farm Markets

Cotton and corn continued to sag last week in contrast to higher prices for livestock and peanuts and mostly steady prices for other southwest farm products, according to USDA's Production and Marketing Administration. Cotton prices dropped more than \$11 per bale last week as early gains were erased by later declines. Domestic and foreign demand were dull. Farmers offered little cotton for sale and put more under government loan.

Wheat and oats remained unchanged but corn moved steadily downward with barley in tow. Sorghums rallied last mid week but later dropped to the lowest level of the season. Feed demand slackened as the trade began to fill its needs. Prices were still higher than former ceilings. However, wheat mill feeds and soybean meal showed signs of weakness.

Poultry and egg prices held about steady at southwest markets last week despite slow demand and increased supplies of red meats. However, movement was light due to rain. Turkeys were weaker with Ft. Worth quoting tons at 25 to 27 cents a pound.

Cattle prices turned upward last week as receipts declined around the market circle and trading continued active. Houston sold common and medium steers and yearlings at \$12 to \$15 a hundred pounds and good cows at \$12.25 to \$13. San Antonio moved medium and good cows at \$11.50 to \$14.50. At Ft. Worth medium and good beef steers and yearlings brought \$16 to \$22 and medium and good cows \$11.50 to \$14.50. Medium and good steers realized \$18 to \$20 at Oklahoma City and \$19 to \$25 Denver. Medium and good light steers sold at \$17 to \$20 a hundred, Wichita.

already receiving their ninety and sixty-five dollar checks for the subsistence payments for their first month of schooling, declared Nance.

Here On 60-Day Leave

Chief Petty Officer Jim Mason and Mrs. Mason arrived in Post several days ago to spend a sixty-day leave here with relatives. Mason is stationed with the Navy at Orange, Texas. They will return to Orange after the Christmas holidays.

Read the Classified Ads.

Bits of News.

Almeta Davis of Brimington, Washington, arrived Saturday to make her home with her sister, Mrs. A. Pinkerton.

Mrs. Vernon Giles is in Fort Worth visiting her parents this week.

Mrs. Tom Welborn of Lubbock is visiting friends here this week while her husband is in New Mexico with a group of friends on a hunting trip.

George Lemon, Jr., of Lubbock, spent the week end as a guest of Ronnie Bouchier.

Mrs. A. R. Tyson arrived the first of the week to visit her daughter, Mrs. Ed Warren, and Mr. Warren for several weeks before going to Atlanta, Georgia, for the remainder of the winter.

Mr. and Mrs. Jess Cearley and Herta Sue visited last weekend with his parents, Mr. and Mrs. O. R. Cearley.

Mr. and Mrs. Nathan Maers are transacting business and visiting in Austin this week.

Mr. and Mrs. Harold Davies and daughters spent the week end here visiting relatives.

Senior Gab!

Beginning Thursday all civics students were on their toes trying to find evidence for or against Roy Williams who was tried for bigamy in the second degree or just in plain words—trifling on his girl friend. The evidence against him was flitting with Jena Barnes and going with Helen Thaxton. The jury consisted of J. E. Thomas, Lloyd Shedd, Audye Wiley, Bessie Mae Smith, and Jody Mason. The judge was Clonnie Mae Gribble. The state prosecutors were Wylene Moss and Coach Bingham. After two days of hard work and lots of worry on Roy's part he was freed and the jury pronounced him not guilty. For this Roy has his two able-minded lawyers to thank, Bud Everett and Hugh Ingram. The class hopes to have more cases like this, only Roy says he wouldn't care if they don't get so personal the next time.

Wylene Moss learned her lesson about leaning back in chairs last Friday when she leaned back in one which fell with her. When she fell she received quite a lick on the head and it knocked her out for about twenty minutes. Seeing that this time Wylene wasn't fooling, as usual, she was taken to the doctor's office. After a complete examination, including having her head x-rayed, we learned that it wasn't too serious. After leaving the doctor's office she was taken home. We are happy to say that she was back in school Monday.

Seniors Lock In On Assembly

Assembly was called Monday morning and all the classes gathered in the auditorium—thinking that they were going to get a holiday for the rest of the day—but they were fooled. We had an Armistice program, which was under the direction of Mrs. Jones. We all enjoyed the talk given by Mrs. Jones about the Unknown Soldier and some incidents concerning both World Wars I and II. Following that we sang some songs and then we were dismissed to go to class meetings.

Senior Class Meeting

The Seniors met in the science lab following assembly Monday morning for their class meeting. In this meeting we decided to give ten dollars to the Red Cross and also choose our class favorites. They were Alma Outlaw and Roy Williams, running both these pupils a very close race were Iris Floyd and Sonny McCrary. It seems that some people can't seem to remember about our rule about talking out loud. These paying dimes this week were Hugh Ingram, Mrs. Carr, and Laveria Carpenter.

The Seniors put away everything else this week end and settled down to memorize their poetry for Monday. The selection was *Paradise I* which was given very nicely by many of the students. Don't forget, Seniors, your projects for English are due in about five weeks.

Who's Who With the Seniors

She is the cute brunette that is running loose about PHS. Her winning smile and friendly attitude has won her many friends. She has a habit of snapping her fingers when she is excited and eating Mexican food when she is hungry—but, owing to her job, she settles for cokes and malts. Her middle name is *Eannie*. Who is she?

Last week's who's who was Sonny McCrary.

Going Down!

June T.: My boyfriend doesn't love me any more.

Jena B.: Why, June, I heard him tell you last week that you were one girl in a thousand.

June T.: Yes, but he used to say that I was one girl in a million!

Senior Basketball Looks Ahead

This week, we have played two games, the first against the "outsiders" on Monday night, the second on Tuesday against Meadow. The third game will be played tonight against Jayton. All three games were played at home.

Junior Personality of the Week

Tall, blonde and handsome and we do mean Van—Van Brookshire has been selected the Junior personality of the week. He was chosen class favorite boy this week and is already popular, largely with the PHS girls. Van has previously been attending school in Tahoka, but this year he decided to join the Post gang. We're glad to have you, and are very proud of you, Van.

Sophomore Soup

Monday morning, the entire student body was called to an assembly program in the auditorium, where patriotic songs were sung and an Armistice program was presented. Following the assembly, each class held a class meeting. Plans were discussed about the amount of money that would be donated to the Red Cross. Class favorites were also elected. Junior favorites, incidentally, are Carter White and Jane Wiley.

Mr. King, with the help of Iris Floyd and Betty Kennedy, put numbers on the back of the Junior basketball team's "T" shirts this week and we must admit they look very neat.

The Junior basketball team accompanied the Senior team to Union Dawson Thursday, Nov. 7 to win a game. The game was very close with a final score of 13-14. The girls who went with the Junior team were: Elsie West, Vada Holly, Joyce Lofton, Alice Carr, Marjorie Freeman, Am Floyd, Joy Stewart, Betty Jo Smith, Minnie Dye, Frances Benson, Lanell Brown and Verna Dell Long.

Thursday, Nov. 14, the team will play a return game with Jayton. We hope to defeat these girls again and keep our title of "undefeated" throughout the season.

The Sophomores are proud of Jeneice Fluit and Janet Stewart for being on the Senior basketball team. In the game Monday night, they were high point girls. Janet being highest and Jeneice, second. Also, we are proud of the Soph boys who are on the football team. These boys have done very well during the season and we are happy to have some boys from our class on the team.

Freshman Frolics

Believe it or not, the Freshmen finally succeeded in having an orderly class meeting. It was carried on in a business-like manner and some excellent results were shown.

At this meeting, ten dollars was contributed from the class treasury to the American Junior Red Cross. Personal contributions brought this amount up to the sum of \$16.50.

You couldn't possibly keep from seeing, if not knowing, the boy whom the Freshmen unanimously chose as their favorite. He is none other than that tall, good-looking Jimmy Smith. You know, the one who tries to make you think that he's bashful. He is an average student, and also happens to be the only Freshman on the regular football team. The best all-around girl? Why, of course, that cute thing with the wonderful personality, Verna Dell Long, better known to most of us as just V. D. V. D., too, is an average student. She is on the girls Junior basketball team, as you probably know, if you have seen any of their games.

Eighth Grade Echo

A class meeting was held on Monday, Nov. 11, at which time the amount to be given to the Junior Red Cross was decided upon. A treasury report was also given and it was found that \$97 dollars is now in the class treasury. Following the reports, the group voted on the class favorites. The girl elected was well-liked La Rue Stevens. The boy elected was good-looking and popular Norman Cash.

Canteen Capers

The canteen opened at eight Saturday night as usual with Mrs. Dodson as sponsor.

Some more new records have been purchased and it's hard now for us to tell which is our favorite. We have a new schottische and a New Shoes. Several were seen learning the new steps.

Sonny McCrary proved to be quite a champion at checkers. Betty Kennedy, Gaylon Young and Hugh Ingram even worked together against him but of course that did no good either until Betty decided to cheat a little.

The ping-pong table was also quite lively with anxious players.

Monday night at the canteen found quite a number of members present after the basketball game. Iris Floyd brought some of her best records for us to dance by. Several were trying to do a square dance and a Virginia reel. Guy Floyd, Mrs. Dodson, and Mrs. Mills were the teachers.

Parents present Monday night were Mr. and Mrs. Guy Floyd, Mr. and Mrs. Boone Evans, Mrs. R. B. Dodson, Mrs. Arthur Mills, and Mrs. Homer McCrary.

THE RAILBIRD

26-13 . . . That's not so bad! Antelopes, even though you did not emerge from the encounter wholly victorious, we feel that there is a certain amount of satisfaction in knowing that you have played a game and played it well. And although the Denver City Mustangs did win by score count, we know that it was neither a push-over for them nor did they finish the game without feeling that they had done a night's work. The Mustangs fought to a standstill by a scrappy Antelope team, took advantage of two bobbles by the Antelopes in the final period to make that 26-13 win.

The Antelope's forward wall refused to give time after time. Streeby, big 172 pound quarter-back and ace of the Mustangs (who has averaged three touchdowns per game, had to settle for one against the Antelopes and had to try twice from the 3 yard line to get it).

To start the game, Denver City kicked to Post and Josey returned to the 30 yard line. On the first play from scrimmage, Hester circled his own right end for 3 yards and Malouf plowed through center for six yards and a first down. Post gained 7 yards in the next three plays and Hester kicked to Denver City with Harrison receiving. Williams and Ingram downed him on the 18 yard line. The first quarter ended in a scoreless tie featuring a hard charging Antelope line and a very alert Antelope backfield that intercepted two Mustang passes.

In the second quarter, Denver City took to the air with Harrison passing to Jones put the ball on the Antelope 16. Streeby tried the line twice without gain, then on a quick pass over center to Jones, put the ball on the Antelope 3 yard line. Streeby on a line buck picked up one yard and on the next play Denver City scored by inches with Streeby spinning into the center of the line. The point was good. This ended the scoring for the first half.

Post came back fired up to start the second half by kicking off to Denver City. Streeby received the ball and returned it to the 27 yard line. Post held Denver City for downs and forced Harrison to kick to Josey who took the ball in the air on his own 35 and ran it back to the 47. On the first play, Malouf picked up 5 yards at center and Josey on a cross buck picked up 7 to make it first down on Denver City's 41. On the next play, Hester fired a bullet pass to Williams for another first down and in the next play, Post repeated with Malouf passing to Ingram to put the ball on the Denver City 18 yard line.

On the next play, Hester shot another pass to Williams on the one yard line, who stepped across for Post's first score. Ingram placed the ball through the uprights to tie the score 7-7. A few minutes later, Harrison, on a wide sweep to the right, jumped high into the air and passed 35 yards to Jones to make the score 13-7. Harrison's try for point was blocked.

Denver City kicked off to Post and with Benge receiving and some beautiful downfield blocking, ran straight through the entire Denver City team to be caught from behind by Streeby on the 47 yard line.

A few minutes later the fans were brought to their feet when Hester fired a beautiful pass to Ingram who jumped high in the air to bring it in. Ingram's try for point was wide.

In the fourth period, the Antelope line failed to give for a time. McCall, a very good left-handed passer hit Harrison with a 35 yard pass to put Denver City ahead once more 20-13.

A few minutes later, Roy Williams set the fans roaring when he was in the open, but caught from behind on the Denver City 30 yard line.

Denver City held for downs. Post punted, held and forced Denver City to kick to Josey on the Post 23. On the next play, Malouf brought fans to their feet once more with the longest run of the game. He started on a wide sweep to the left and suddenly cut back and broke into the clear with Harrison chasing him for 33 yards to finally bring him down on the 24. Denver City again held and took over on downs. Post held and forced Denver City to kick out. Post's safety man trying hard to tie the score, over-charged the ball and Denver City recovered on Post's 23. After two running plays failed, McCall passed to Jones for their last score to make the count 26-13.

Coach Bingham had this to say about the game: "Denver City outscored us, but they didn't beat us. Our boys were playing against the best team they've played this year and they gave the best showing of their year."

Coach Wilson of the Denver City team said: "The Antelopes were the best conditioned team we've played and they gave our line the first licking they have received."

The beautiful Denver City band wearing red and white performed at the half, first forming a "P" and then "D. C." Many, in expressing their opinion, said that this was the prettiest group that Post fans have been privileged to see.

Mr. and Mrs. O. B. Crowley of Eastland visited friends here, during the week end.

Miss Frances Burkhardt and parents of Frederick, Oklahoma are guests of Mr. and Mrs. A. Pinkerton.

Miss Jo Pinter spent Saturday and Sunday in Dallas.

RICHARD CLARY HONORED WITH PARTY FOR HIS THIRD BIRTHDAY

Richard Clary, younger son of Mr. and Mrs. Iven Clary, was three years old Sunday, November 10. On Saturday afternoon he celebrated the occasion when several young friends came to visit and until 5 o'clock.

Pictures were made of the group by Mr. Billings. Then with much of the young honor guest open his presents.

The birthday cake was iced in white with pink letters saying "Happy Birthday." The three pink candles were lit and, with much singing and puffing, were then blown out. Everyone sang Happy Birthday to Ricky.

Bottled grape drinks were served with the cake to Mary Ann Jones, Marcene Curb, Lenis Ray, Judy Altman, Beth Ellen, John Allan Cearley, Judy, Carol Ann Edwards, and Mrs. Mmes. Mothers attending were Mrs. Paul Jones, Cloyd Huron Polnac, Dan Altman, and the Cearley, and Edwards.

MRS. IDA ROBINSON HOSTESS TO CLUB MEETING FRIDAY

Mrs. Ida Robinson was hostess of the Needlecraft club last Friday. The group enjoyed visiting and sewing for a time. Then they had a story telling contest to see who could tell the funniest story about some event in their life. This feature proved very popular and created a lot of laughter.

A delicious salad course was served to the following: Mmes. Jennifer, Cox, Thomas, Jones, Palmer, Terry, Bowen, Clark and a guest, Mrs. Lamond.

JO ELLA COWDREY AND A. J. SPARLING UNITED IN MARRIAGE SATURDAY

In a service read at 8:15 o'clock Saturday night, November 9, at the Church of Christ, Miss Jo Ella Cowdrey, daughter of Mr. and Mrs. Elmer Cowdrey of route 3, Post and A. J. Sparling of this city, were united in marriage. Doyle Kelcy, pastor of the local church performed the lovely single ring ceremony.

The bride wore an aqua suit with brown accessories. Her corsage was of white carnations. Mrs. Bobbie Chandler, maid of honor, wore a green suit with black accessories and a corsage of white carnations.

Donald Windham served as best man.

Only close friends of the couple were present for the ceremony.

Mrs. Sparling is a 1945 graduate of Post High school and upon graduation, was employed at the Hamilton Drug store here.

Mr. Sparling was recently discharged from the U. S. Army after serving for several years. He spent many months overseas in China.

The couple will make their home in Post.

GRANDMOTHERS WANT THEIR DAY, TOO

Grandmothers of the nation are putting up a big plea to Congress for an annual Grandmother's Day.

"We have a Mother's Day, a Father's Day and a Children's Day," the president of the organization said, "but nothing for grandmas."

The group wants the first Sunday in October designated as "Grandmother's Day."

Candlelight Church Service Unites Miss Blacklock And Mr. Richardson

Miss Nora Jo Blacklock, daughter of Mr. and Mrs. V. D. (Pat) Blacklock, became the bride of L. J. Richardson, Jr., son of Mr. and Mrs. Lacey J. Richardson, Saturday, November 9, in a candlelight ceremony at the First Baptist church. Rev. Huron Polnac read the vows for the double ring ceremony.

Wedding music was given by Mrs. Ray Smith at the piano and Mrs. Billy Mac Shepherd, soloist.

To the strains of "I Love You Truly" Willie Ann Mathis and Bill McCrary lighted candles along the aisle in front of the improvised altar. Fern fronds lined the choir rail and formed the background for the tall baskets of peach and white gladioluses placed at either side of the altar.

As the pre-nuptial solo, Mrs. Shepherd sang "Because." The traditional wedding marches were used.

The bride wore an original model two piece suit in smoke grey wool. The coat was accented with dolman sleeves and sheared beaver trimming on the collar. Her hat was a matching grey off the face bonnet with a plume of brown-tipped ostrich feathers. She carried a white Bible. Her shoulder corsage was of white gardenias and split carnations showered with satin ribbon. Her accessories were brown.

Miss Harriet Dietrich was maid of honor. She wore a wool crepe dress in soft green color. Her half-hat was of brown felt with self trim and a shoulder veil. Her other accessories were brown. She also wore a shoulder corsage fashioned of pink carnations.

Bill Richardson served as best man for his brother, Burnon Haws and Bennie Porter were ushers.

Reception Following Ceremony

At the reception immediately following the ceremony the bride and bridegroom followed tradition and cut the first slice of cake from the triple tiered confection which was topped by a miniature bridal couple. Mrs. Preston Mathis served the cake and Mrs. Elmer Teal presided at the punch bowl. Crystal appointments were used on the table and pink and white carnations formed the floral decoration.

After greetings and congratulations from friends, the couple left for a short wedding trip. They will be at home in Post.

Out of town guests included Mrs. Leroy McCrary, sister of the groom, and her two sons, Bill and Lanny, of Amarillo, and Mr. and Mrs. J. W. Miller of Grandfield, Oklahoma.

BERT REED OBSERVES NINTH BIRTHDAY WITH PARTY

Bert Trude Reed, daughter of Mr. and Mrs. Charlie O. Reed, was honored on her ninth birthday with a party.

Refreshments were served to the honor guest, Jeton Denson, Nola Mae Martin, Charles and Venitta Killpatrick, Jerry Don McCampbell, Jackie Ray Odum, Janice Gordon, Howard Jones, Toni Browning, Betty Walls and Mmes. Reed, M. M. Lauderdale, sr., and M. M. Lauderdale, jr.

Prizes went to Howard Jones, Charles Killpatrick and Toni Browning. Pictures were taken of the group after they played a series of games and Bert opened the gifts.

SOUTHLAND OFS HELD REGULAR MEETING NOV. 7

The Southland chapter of the OES held their regular meeting Thursday night, November 7, with Belle Wood, Worthy Matron, presiding. Fourteen members and four visitors were present for this meeting.

A report was given by the Worthy Matron on her visit to the Grand Chapter at Houston, Texas.

Church News

"The Lord hath made known His salvation; His righteousness hath He openly showed in the sight of the heathen."

"He hath remembered His mercy and His truth toward the house of Israel: all the ends of the earth have seen the salvation of our God." Psalm 98:2-3.

This advertisement appeared in the classified ad section of a recent paper in Buffalo, N. Y.: "Wanted—Parents to bring their children to Cleveland Evangelical Sunday School for Christian Training and Bible Study. Every Sunday morning at 9:30 a. m. Classes for all ages."

A deacons ordination service will be held Sunday at the First Baptist church. Those elected by the church to be ordained at this service include O. K. Bowen, O. L. Weakley, L. J. Richardson, sr., Bill J. Davis and Gerald Bowen. This special service will take the place of the regular Sunday morning service. It is hoped that there will be a large crowd present for this service.

The training union of the First Baptist church was re-organized last Wednesday and new officers were elected. They are as follows: Mrs. W. L. Davis, general director; O. K. Bowen, associate director; Dean Robinson, secretary; Mrs. Ralph Carpenter, young people's director; Mrs. Huron Polnac, intermediate director; Mrs. Ira L. Duckworth, Junior director; Mrs. Carl Hughes, primary director; Mrs. Henry Bilberry, beginners and nursery director. Two new groups have been added, namely, the fellowship union of younger adults, Mrs. D. H. Mayfield, director and the beginner-nursery, Mrs. Bilberry, director.

Wednesday evening services were dismissed at the First Baptist church to attend the revival meeting being held at the local Calvary Baptist church.

Rev. Huron Polnac, pastor of the First Baptist church, is seen these days out soliciting members and good will in a brand new blue 1946 Fleetline Chevrolet. It certainly is a beauty!

The Business Woman's circle of the W.M.U. met at the home of Mrs. Huron A. Polnac, Thursday, Nov. 7, at 7:30 p. m. A Royal Service program was presented by the following: Mmes. Chas. K. Pierce, Oscar Chapman, Iven Clary, Ray N. Smith and Misses Jo Panter and Agnes Windham. The devotional was given by Mrs. Tom Bouchier. Next meeting of the group will be held in the home of Mrs. Ray N. Smith on Thursday, November 14, at 7:30 p. m.

Rev. F. B. Nickerson will move into the city Friday of this week and preach his first sermon here Sunday morning at the First Christian church. He has accepted full-time pastorage of the local church and services will be held regularly beginning Sunday. Rev. Nickerson is former pastor of the First Christian church in Chandler, Arizona, and was before that pastor of several churches in Texas. Everyone is given a cordial invitation to attend the services.

The Young People's class of the First Methodist church, under direction of Mr. and Mrs. H. L. Gordon, was in charge of the service Sunday night in the absence of the pastor. The Young men's class, under the direction of Mrs. B. E. Young, and the choir were in charge of the Sunday morning service.

The Friendship W.M.U. met at the church on November 4 with four members present. A very interesting Royal Service program was presented at the meeting by the members present.

The Junior G. A.'s of the First Baptist church met Monday at 4 in the home of their leader, Mrs. Raymond Irons, for a social. New officers who were elected some time ago, took over duties at this meeting.

The young people of the Church of the Nazarene plan to arrange a program and go to Lamesa for a service Friday night, Nov. 23. The program will be in the order of a Thanksgiving service. One of the special features of the program will be a play, "Thanksgiving Ann."

The young people of the Lamesa Church of the Nazarenes will have a meeting with the regular business meeting.

CAROLYN ROSS BECAME BRIDE OF W. F. WEST SATURDAY, NOVEMBER 9

In a lovely double ring ceremony read Saturday afternoon, November 9, at 5:30, Miss Carolyn Tom Ross, daughter of Mr. and Mrs. Morgan D. Ross, sr., of De Leon, and W. F. West of Snyder, Texas, were united in marriage. The service was held in De Leon, Texas, in the home of Rev. Murray Kay, Baptist minister and cousin of the bride who read the nuptial vows.

The bride wore a gray gabardine dress. Her accessories were black. Miss Jeanne Dawkins of De Leon, maid of honor, wore a black dress with black accessories.

R. D. Ross, of this city and brother of the bride, served the groom as best man.

Mrs. West is a 1942 graduate of Sudan High school, having attended Post High for several years. Following graduation, she attended John Tarleton college in Stephenville. After moving back to Post, she was employed with the Lynn Oil company. She is at present employed in the office of the Postex Cotton Mills.

Mr. West attended school at Snyder. He was honorably discharged from the U. S. Army in July after serving three years, some time of which was spent in overseas duty in the European theater of operations. He is now employed at the U. Lazy S ranch.

Immediately following the ceremony, the couple left for a short wedding trip to Mineral Wells, where they visited with Mr. West's sisters, Mmes. McCaun. They plan to make their home here.

CHANDLER-PIERCE VOWS EXCHANGED FRIDAY NOVEMBER 1 AT SLATON

In a quiet and lovely double ring ceremony, Miss Jimmie Chandler, daughter of Mr. and Mrs. C. N. Chandler, became the bride of Bobby Pierce, son of Mr. and Mrs. W. F. Pierce of this city, on Friday, November 1, at Slaton. The ceremony was read in the parsonage by Rev. W. F. Ferguson, pastor of the Slaton Baptist church.

The bride wore a blue suit with black accessories and Miss Bobbie Chandler, maid of honor and sister of the bride, chose a gold suit with black accessories.

Pete Smith served the groom as best man. Mrs. Pierce is a 1945 graduate of Post High school where she was outstanding in athletics. She was until her marriage employed at the local Garza cafe.

Mr. Pierce also attended Post High school. He served for one year and four months in the U. S. Army, several months of which were spent overseas in Japan. He was honorably discharged in August.

Following a short wedding trip to Cloudcroft, New Mexico, the couple returned here where they will make their home. Mr. Pierce will be employed with his father in the operation of the Pierce and Sons Trucking Company.

Rev. Mann, Sunday School missionary of Midland, will conduct services here each Sunday morning at the Presbyterian church for an indefinite time. Services begin at 10 o'clock for Sunday school, and 11 o'clock for the preaching service. No service will be held on Sunday nights.

The Junior G. A.'s met on their regular meeting day at Mrs. Irons. They played games and answered Bible questions. There were seven members present. They will meet again next Monday.

Bits Of News:

Walter Boren of Crane is transacting business at his farm near Justinburg this week.

Mrs. J. J. Atkins of the JJ ranch at Clairemont recently returned from a business trip to Dallas.

Mr. and Mrs. B. M. Robinson, sr., and Peggy Sue, Mr. and Mrs. B. M. Robinson, jr., and Mrs. Lola Rice spent the week end in Electra with Mr. and Mrs. L. W. McGlothlin and children. Mrs. McGlothlin is the daughter of Mr. and Mrs. B. M. Robinson, sr.

Mr. and Mrs. Sherril Boyd attended a meeting of Texas Interviewers of the Belden Association held Monday in Lubbock. They will represent the Belden Poll in this section of Texas. Opinion surveys in What People Think appears in leading magazines and newspapers.

Mr. and Mrs. Kerna Young and son visited his parents, Mr. and Mrs. W. O. Young of Lamesa over the week end.

Mr. and Mrs. Bill Cravy visited her parents, Mr. and Mrs. J. W. Satterwhite, during the week end.

Mrs. Jess Cornell and son visited her parents, Mr. and Mrs. Lee Davis.

CULTURE CLUB TO HAVE THANKSGIVING PROGRAM TUESDAY, NOVEMBER 20

"In Everything Give Thanks" will be the subject discussed at the Woman's Culture club when it meets Tuesday night, November 20 at 7:30 for a Thanksgiving program. Hostesses will be Mmes. Edwards and Carr.

Thanksgiving hymns will be sung by the entire group followed by the Governor's Thanksgiving proclamation given by Mrs. Fleming. Mrs. J. E. Parker will give a comparison of the first Thanksgiving with the Thanksgiving of today. Special expressions of Thanksgiving will then be given by the members followed by the singing of "America the Beautiful."

The meeting will be adjourned following the club collect.

PRISCILLA SEWING CLUB MET WITH MRS. WARREN

Mrs. Bob Warren was hostess for the regular meeting of the Priscilla sewing club last Friday afternoon in her home. Only a few members were present but a most pleasant time was enjoyed by those attending.

Each member worked on some sort of needlework. Mrs. Warren served an especially delicious refreshment course, consisting of congealed salad, Boston brown bread sandwiches, potato chips and coffee.

L. A. Presson and Charlie Williams are enjoying a hunting trip in New Mexico this week.

ATTENTION, MOTHERS! If looking for a better remedy for Children's Chest Colds, try Durham's Nu-Mo-Rub, the new Guaiac-Comphor treatment. Remember—double the purchase price refunded if you do not find this Modern Chest Rub more effective—25c and 60c of R. H. COLLIER DRUG CO.

Southland News

Mrs. Floy King, Correspondent

A report on the Southland Methodist church at the fourth quarterly conference on Oct. 21 is as follows: Number of members that were taken in for the year totaled 22. Approximately ten members were lost by transferring of letters during the year. The entire membership of the church is around 150 active and inactive. Total amount of money raised for all purposes during the year was \$2,700 with everything paid in full at this date. Official roll call for 1946-47 is: Sunday school superintendent, T. L. Weaver; charge laymen and chairman board of stewards, E. L. King; financial secretary, H. V. Wheeler; stewards, M. E. Morris, Grady King, Douglas Livingston, J. B. Robertson and Arch Morman; trustees, F. E. Weaver, Clay Johnson and Fred Davidson; superintendent of adult division, E. L. King; superintendent children's division, Mrs. H. V. Wheeler; superintendent of young people, Mrs. Max Jackson; Sunday school secretary, Ferrell Wheeler; president of youth fellowship, Mrs. Troy Moore; president of women's missionary society, Mrs. T. L. Weaver; required committee membership and evangelism, Mrs. Wilbur Fields and Mrs. Jack Cook; pastoral relations, George Bahlman, Clay Johnson and Mrs. Sam Martin; nominations, John East, Wilbur Fields, Mrs. Grady King; audit, Mrs. Dauline Dunn and Mrs. Douglas Livingston; records, H. V. Wheeler; hospital and homes, Mrs. Arch Morman and Mrs. J. B. Robertson; teachers of classes of Sunday Schools are as follows: men, J. P. Hewlett; women, Mrs. M. E. Morris; young married couples, Mrs. Walter Kellum; and young people, Mrs. Max Jackson.

Rev. R. B. Walden is feeling fine according to last reports. His week end guests were their daughter, Mrs. A. B. Morgan, and husband and son of Amarillo, another daughter, Mrs. Frank Matlock and family of Plainview and a son, Ray Walden and wife of Lubbock. Other visitors are Mr. and Mrs. Everheard and daughter, Theresa, of Lamesa.

The Northwest Methodist conference returned Rev. Walden as local pastor.

Mrs. Elmer Watson returned Friday from a visit with her mother at Ben Wheeler, Texas.

Visiting the Jess Moore's over the week end were his sister, Mrs. J. W. Holmes, and family and step-father, J. D. McDaniel, all of Muleshoe and the Moore's daughter, Mrs. James Humaker, and family of Lubbock.

Southland defeated Wilson 19 to 15 in a six-man conference football game at Slaton November 8. Dalton Wheeler, Billy Leake and Billy Stone scored six points for Southland, while Roy Lynn Kalich and Hubert Tiener were Wilson's scorers.

Captain Noel Briley and family of Muskogee, Okla., spent part of last week here visiting his sister, Mrs. J. L. Whited, and family.

Home Gilliland of Lubbock visited his parents, the W. W. Gillilands, Wednesday night. Also visiting the Gillilands Saturday night were the Dave Drapers and Mrs. Joe Childress and baby of Slaton.

Visiting the G. D. Ellis' is her mother, Mrs. Spikes of Lubbock.

Visiting in the Sam Marsh home Sunday was Mrs. Marsh's cousin, Mrs. Jim Hinson, and son of Colorado City.

Mr. and Mrs. Ennis Harris and family of Plainview visited her parents, the J. C. Harris' and her sister, Mrs. Sampson Gilliland and family Sunday.

The Arville Fergusons visited their parents in Post Sunday.

Mrs. Nellie Mathis and Carolyn Sue went to Brownfield Sunday to visit the L. B. Mathis family.

Jack Phillips visited here Sunday with his brother, Millard Phillips.

Elton Truelock returned Friday from the West Texas hospital at Lubbock, his two aunts, Mrs. Bud Olson and Mrs. Lonnie Carlton of Post visited him Sunday.

Mr. and Mrs. Charles Hampton and Wayland of Clovis, Mr. and Mrs. Glen Hampton and Mr. and Mrs. Alton Edwards and daughter, Judy, all of Slaton and Mr. and Mrs. Max Jackson gathered in the home of Mr. and Mrs. J. S. Hampton recently to help celebrate Mr. Hampton's birthday.

Mr. and Mrs. Robert Pennell of Post visited the Don Pennells Sunday. Other visitors over the week end were Sgt. and Mrs. Chester Pennell of Muskogee, Okla.

Mr. and Mrs. Arville Ferguson and Mrs. Nellie Mathis were dinner guests of the Everett Samples Monday.

Mrs. Will Basinger was called to the bedside of her mother who is ill at her home in Oklahoma. Mrs. Basinger left Sunday.

Mrs. L. A. Dunn is visiting in Ft. Worth.

Fireman, I—Elmer Trimble, of Great Lakes, Ill., Naval School, arrived here Saturday for a visit with his parents, Mr. and Mrs. E. E. Trimble. Other relatives are also visiting in the Trimble home.

Visiting the Roy Williams Monday were Mr. and Mrs. G. W. Williams of Shallowater and Mr. and Mrs. Oliver Carey of Gordon. The I. J. Duff family went to Lubbock Sunday to take Rodrig

Excavation work for the foundation of the new \$40,000 Memorial Hospital in Hamlin will begin this week. All contracts have been awarded and some material has already been placed on the ground. The one-story building will be located in Northwest Hamlin. It will be a 22-bed affair with a net of 14 private rooms for patients. Flooring will be of concrete covered with mosaic tile.

A drive is being started in Dawson county this week for a \$40,000 Veteran's Memorial Hall. The tile and concrete building will be located on the 2 1-2 acres of land two miles west of Lamesa on the Seminole highway which has been donated by Rod Weaver. Upon completion, it will serve as a meeting place and club house for the three veteran's organizations and also as a recreation hall for the community. Outside plans include space for a swimming pool, and baseball and softball courts. The building proper will consist of a cafeteria, game rooms, lounges and quarters for a permanent caretaker-manager. The building will be an 80x100 feet structure containing an 80x50 ft. auditorium.

The Flying Farmers of Texas held a business meeting and barbecue in Hale county Tuesday at the Plainview city auditorium. The business session consisted of several guest speakers speaking on purposes of the Flying Farmers' Organizations and uses of the airplane on farms and ranches. The barbecue was served at noon with special music being furnished by the Plainview High School Radio Choir and Boys Quartet.

Legionnaires of Mitchell county staged a Reville, breakfast and parade Monday at Colorado City in keeping with Armistice Day. A breakfast was served at the American Legion hut following the reville at 7:30 a. m. The parade began at 9:00 a. m. and was made up of veterans of World Wars I and II, led by the Colorado City High School Band. Ex-servicemen of World War II wore full dress uniforms and veterans of World War I wore civilian clothes with American Legion caps. Open house was held at the Legion hut following the parade and supper for all Legionnaires, ex-GI's and World War II veterans was held at 6:30 p. m. in the city-county building. Final phase of the day was the initiation by the ritual team from Brownfield at 9 p. m.

The first annual American Legion sponsored Junior Rodeo was staged Sunday and Monday at the rodeo grounds in Northeast Snyder. A parade was held in downtown Snyder Monday. Contestants were limited to boys under 16 years of age in Snyder and its surrounding trade zone. The cowgirl sponsor contest was also held. Entrance fees for the show were \$2.50 for each event.

Slaton held a premier of radio's "Breakfast in Hollywood" Friday at the city auditorium. All of the features of the show Tom Breneman made famous were present with a local touch. Flowers for the oldest woman guest, and other prizes were given contestants. Tom Breneman, originator of the radio program, sent by air express an Arm-Ray orchid for the oldest woman present and one of the famous Breneman cigars. He also sent a program kit containing material and suggestions for the program.

and Winnie to catch a bus back to Dallas after their visit here with their parents.

Mrs. J. J. Bartlett was ill last week. Her daughter, Mrs. Bill Gregory, and family of Crane, spent the week end here.

Mr. and Mrs. K. Stoker are transacting business in Ft. Worth.

COLORADO CITY MAN BEING PUSHED FOR HIGHWAY COMMISSION

One of the most widely known men in West Texas, Chas. C. Thompson of Colorado City, is being put forward by his friends from a wide section of this area as the proper man for Governor-elect Beauford Jester to appoint as the West Texas man on the State Highway Commission when that appointment comes before him next January.

Thompson, at present, is president of the City National bank, chairman of the Board of Regents of Texas Technological college and a member of the board of directors of the Houston Land bank and his background of public service has embraced not only West Texas but the state as a whole for a good many years.

The Thompson nomination was put forward several weeks ago at a meeting of the Colorado City Lions club. Since that time Mr. Thompson has received the endorsement from many West Texas citizens.

Mr. and Mrs. Dale Stone and son and Mr. and Mrs. Dan Cockrum and son spent Sunday afternoon in Lubbock.

Demand For Most Farm Products, Due To Drop, Prices Expected To Fall Below The 1946 Average

Total demand for farm products is due to drop in 1947 and prices received by farmers during the coming year are likely to be below the 1946 average.

This is the situation reported by specialists of the Texas A and M College Extension Service who attended the Annual Agricultural Outlook Conference in Washington, D. C. recently to get the picture on what to expect in agriculture for 1947. As summed up by the specialists, the following is a general outlook for farmers next year:

Although cash receipts from farm marketing and government payments may be five per cent less than in 1946, farmers are still likely to receive more money for their products than they did in 1945, a near-record year. With increased production costs and reduced sales, it is possible that the net income of farm operators will be reduced as much as 10 to 15 per cent from 1946. Even with such reduction, the net farm income will still be near the high wartime levels of 1943-45, and about two and a half times the 1935-36 average.

The increased consumer income due for next year is likely to provide for satisfying consumer demand for many manufactured goods, as these become available, and not for the purchasing of more farm products.

Also, foreign demand for farm products is likely to be somewhat smaller in 1947. Index of prices received by farmers during 1946 is estimated to be about 225, and that figure is slated to drop in the early part of 1947. Prices in the latter half of the year may average considerably lower if crop conditions large and exports are greatly reduced.

Production expenses are likely to continue the upward trend which has prevailed during the war period. Total farm production costs in 1946 will be about 10 per cent higher than in 1945, and a further increase of as much as five per cent may occur next year. The indicated total for 1947 will be nearly 50 per cent greater than in 1920, the highest year prior to World War II. Increasing prices for nearly all commodities used in production are mainly the reason for the production costs due. One exception is the lower prices in sight for feed bought for livestock.

In the years immediately ahead, a higher interest rate for the farm mortgage debt is seen, judging from the mortgage debt trends of the past few years. A more significant rise in interest costs during the coming year may occur in connection with non-real estate credit. The various creditors will make loans at about the same rates, but to finance larger purchases farmers will increase their debts with dealers and finance companies whose rates are considerably higher than those of the more

Guests in the home of Mr. and Mrs. Paul Moore last week were Mrs. Moore's parents, Mr. and Mrs. Luther Harper of Belton and brother, Merrell Harper, and Mrs. Harper and Beverly of Abilene. The Harpers are former Post residents.

usual lenders—banks and production credit associations.

Property tax payments made by farmers in 1947 will be up somewhat from those of 1946. The 1945 levies on farm real estate, payable largely late in 1945 and early 1946, were more than 10 per cent higher than those of 1944. A further rise is expected in 1946.

For 1946 the realized net income of farm operators is estimated at about 14.7 billion dollars, or more than 10 per cent above 1945. Net income for 1947 may be from 10 to 15 per cent below 1946.

In the marketing and transportation picture, some shortages in means of processing and distributing farm products are expected to continue. Rail transportation shortages are likely to remain critical throughout the year. Food processing equipment should be improved to some extent next year, but limited plant capacity and equipment is likely to hold down normal progress in some lines of food marketing. Over the long run, important developments are anticipated, such as pre-packaging of fresh fruits and vegetables and the growing use of quick-freezing methods of food preservation.

Shortage of motor truck transportation in 1947 will probably be much less critical than the rail shipping situation.

It is very likely that water transportation tonnage will return to pre-war levels. Most types of transportation, especially by rail, probably will cost the user considerably more in 1947 than during the current year. The Interstate Commerce Commission has already permitted a temporary increase of about three and a half per cent in rail rates on agricultural products, and hearings are now being held by ICC on the carriers' request for still further rail rate increases.

HIGH PRICES NO FRIEND OF RETAILERS

Retail distributors, through no fault of their own, have fallen into an unenviable position. Price controls have been largely abandoned. Dammed up rises in costs are now battering through the channels of production. Retailers have no choice but to let the flood move on to consumers. They are in the position of "personally" introducing the public to the tragic reality of inflation.

There are a few things in these tumultuous days that retailers hope the consumers will keep in sight. Probably most important is the fact that progressive retailers are opposed to raising prices as wholeheartedly as any one. Modern distributors operate on a high-volume, low-price basis.

Another thing to remember is that in the long run competition in the free market is the only sure road back to stability and plenty. The United States has a highly competitive retail distribution system. Chains, supermarkets, independents and others are working to get their share of the business. Under these circumstances resistance by retailers to unjustified price increases is automatic and reflexive.

These favorable factors cannot control inflation. But they mean that consumers will get as fair a break as possible—far better than ever before under like conditions in the history of this or any other country.

A TOUGH EGG!

Without consulting the hen who produces or the housewife who uses, the scientists have been working on experiments that will produce more durable eggs.

Experimentally, they say, stemmed from pits of poultry and hand-lers who eyed for a more durable egg—one that would better withstand the vicissitudes.

Department of Agriculture scientists report that they have developed an egg that will resist between eight and nine pounds of pressure compared with the present average of four pounds.

Breeding has played the most important part in the development of the tough shell egg. Characteristics especially sought were a tougher, less porous shell and a firmer white, both essential in shipping and storage.

WHICH WAY?

There is no point in arguing whether or not this country can afford a \$300,000,000,000 debt. We've got it. The real point is what we are going to do about it. Only two courses are open to us.

We can keep up public spending at the present rate, let the budget remain unbalanced and further depreciate the dollar. This will make a future depression inevitable and imperial the war bonds, savings accounts, and insurance policies of all the people.

Or we can tighten our belts, cut government costs to the limit, start regular debt retirement procedures—and eventually pull out with a sound dollar and a solvent nation.

The choice rests with the people themselves.

WHAT OUR CONTEMPORARIES ARE SAYING:

THINGS ARE ALWAYS IN A MESS—One of our readers was in the office this week and he says that it seems that things are always in a mess. Comparing conditions as they are now and during the depression he says they add up to about the same thing. One man he recalls took him over his farm in 1933 and showed him a barn full of feed, fat cattle grazing and immense logs in the pens but the man did not have enough money to buy a pair of overalls—and said that if conditions did not change the folks in that area would see the fattest man in the country going around naked.

Now he figures that same man probably has a sack full of greenbacks due to the shortage of overalls he may be as near naked as he was back in 1933, the only difference would be that he might not be quite as fat.—The Slaton Star

WHY IS SUGAR NOT AVAILABLE?—We wish somebody would explain to the public why sugar is not available. Somebody in authority ought to have the facts, and if so the facts should be given to the public. The war ended more than a year ago and for more than a year our ships of commerce have had free access to Cuba and the other sugar-producing islands of the West Indies as well as to the islands of the Southwest Pacific and every other land where sugar cane grows. In fact a lot of sugar cane is produced in our own country. Recently, we read an article written by a Texas fruit-raiser who complained that he could not sell his fruit which he produced for the reason that people could not get sugar for various purposes, and he declared that he had made some personal investigation as to the sugar supply and found that every warehouse in New Orleans was filled to capacity and that the manufacturers and wholesalers were renting additional buildings in which to store their surplus. Then why should sugar be rationed out to the retailers and consumers? We wish the proper authorities at Washington would explain.—The Lynn County News

Latest consensus of opinion from Washington indicates that Washington is not expecting Russian veto of all the Paris recommendations at the foreign minister's meeting, despite Molotov's uncompromising stand in the closing days of the peace conference. . . . Russian acceptance, by the way, of the Trieste compromise arranged at Paris is considered probable by American officials. . . . The tricky, rather dangerous Danube question is not likely to be settled. . . . Russia is bluffing her way along. United Nations members know, but unfortunately Russia still has plenty of manpower to back her up if she runs into a situation where bluffing will not suffice.—Scurry County Times

WINDOW SOAPING DOESN'T COUNT—Success of the Halloween Carnival can be measured by more than needed dollars for the Seagraves athletic fund. There have been no reported cases of serious damage caused by Halloween pranksters (Window soaping doesn't count—it just causes a lot of windows to be washed that needed it before).—Gaines County News

Wife: "I think married men should wear something to show they're married."
 Husband: "I do—this shiny suit."

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a new life—with interesting work, sports, entertainment and travel opportunities—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 6th, 7th, 24th or 25th Infantry Divisions.

What an opportunity . . . what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language; learn the fascinating details of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These—familiar haunts of pre-war tourists—and many new developments—provide a broad choice of recreation.

Not everyone can measure up to this job. Only 3-year enlistees who meet prescribed physical and mental standards can enjoy the benefits of such a job. High overseas pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss. See your nearest Army Recruiting Officer for full details.

HERE WE GO!

Here We Go . . . new power lines across the fields and plains, increased production at power plants. And an entirely new power plant to bring the benefits of dependable, low-cost electrical living to more and more people.

Twenty-two years old, your Public Service Company is a pioneer in building ahead for the future. When we've completed our 12 million dollar expansion program there'll be more dependable, low-cost, reliable-the-year-round electric power for everyone.

Homes, farms, factories, all will benefit from this great program. And electricity, now cheaper than ever before, will still be your best bargain.

A PIONEER IN BUILDING AHEAD FOR THE FUTURE!

Another in a series of advertisements designed to help build this fast-growing territory in which we serve.

SOUTHWESTERN PUBLIC SERVICE COMPANY
 22 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

From where I sit... by Joe Marsh

How to Handle a Fortune

Some months ago I reported in the *Clarion* how Mel Bate's uncle died up north, and left him with a big fortune.

Naturally, our town was curious to see how Mel would spend it: traveling around the world... buying a new house or car... wearing fancy clothes... or dining on cold pheasant and champagne...?

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his old slippers by the fire, chatting with the Missus, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, homey life; companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

Joe Marsh

Approve Recent Cotton Proposals

B. F. Vance, state Director of the Production and Marketing Administration accompanied by a sub-committee of the House Agriculture Committee of Congress, consisting of Congressman Steve Pace of Georgia, Tom Abernathy of Mississippi, George Grant of Alabama, and Bob Poage of Waco, Texas on a 1,500 mile trip through Texas. Hearings were held at Vernon, Lubbock and Cameron, Texas. Other groups of farmers were contacted at Wichita Falls, Childress, Haskell, Eastland, Goffman, Walnut Springs, Waco, College Station, and Houston, Texas.

The purpose of the hearings was to get first hand information on the cotton situation and the thinking of cotton producers. Heard at the meetings were owner operators, share croppers, and farm laborers participating in the production of cotton.

Subjects discussed at these meetings were: Cotton Acreage Controls, Price Supports, Parity Payments, Soil Conservation Practices, One-Variety Cotton Program, Marketing Quota Allotments, Methods of Making Allotments to States, Counties and Individual Farms, Cotton Carry-Over, Bale Sampling, Marketing Quota Referendum and Research, and Synthetic Fabrics.

It was the unanimous opinion of farmers that marketing quotas should be in effect when needed. Under this program each cotton producing farm is given an acreage allotment representing his share in the National Allotment and if the farm is over planted the producers must pay a tax to market the excess cotton. Marketing quotas can never be placed in operation until approved by two thirds of the cotton farmers voting in a referendum. Heretofore, farmers have voted on one year's control at a time but farmers attending the hearings indicate that they favor voting on a three year basis. That is if quotas are approved, they would be approved for three years without another referendum.

It was the belief of the farmers that each state should be given their allotment on a baleage basis and then handed down to counties and individual farmers on an acreage basis, with the State PMA Committee having the privilege of transferring acreage that would not be used between counties.

Farmers seemed to favor a four million bale carry-over and expressed themselves as being in favor of keeping production and consumption on an even keel in order to maintain a fair price.

All farmers favored continuing of price supports. There were some differences in opinions as to whether loans should be based on 92-1-2 per cent of parity of 100 per cent. It was unanimous that Parity prices should be arrived at by including labor cost.

All farmers favored the continuation and expansion of the Soil Conservation Practice Program and many expressed the opinion that in order to meet competition of synthetics, that yields per acre must be increased through the use of fertilizers and minerals and through other conservation practices. It was also believed that cotton must be produced at lower costs.

Farmers in general expressed their interest and approval of the one-variety cotton program and bale sampling to be done at the time the cotton is ginned. Much

Texas farmers who wait until spring to start hunting seed for a sudan crop are likely to find themselves out of luck.

According to a report received by the Texas A and M College Extension Service from the USDA Bureau of Agricultural Economics, production of sudan grass seed in Texas this year is estimated to be only 5,200,000 pounds—the smallest since 1929. Indicating just how low that figure is, the report showed the average seed production of this state over the past 10 years to be 27,490,000 pounds. Last year's crop was only 9,000,000 pounds, which was still nearly twice as large as the current crop.

Although Texas farmers aren't ordinarily on the lookout for sudan seed this far ahead of the spring planting season, the short crop, as indicated by the BAE report should move them to buy sudan seed now instead of waiting until spring when a mad rush to find seed usually occurs.

Present supplies of the sudan seed for the entire nation, including production this year plus the carryover, stand at 45,859,000 pounds. This is 34 per cent smaller than the 1945 supplies.

A delegation headed by Robert H. Gibson, Secretary Garza County ACA and Will Wright, Chairman AAA Committee, attended the meeting held in Lubbock. Prior to attending the meeting producers met with the Garza County AAA Committee and discussed a questionnaire which has been sent to the AAA office by Congressman George Mahon. A written report was prepared and given to the Congressional Committee so that the views of Garza county producers would be on file in the Congressional Committee Meeting minutes.

Gibson states that the written report corresponded almost 100 per cent with the findings of the Congressional Committee throughout the entire state.

L. C. Carmichael is in Cipitan, New Mexico, enjoying a hunting trip with his brother, R. D. Carmichael, and nephew, P. L. Carmichael, both of Hereford. They left Saturday.

Texas' short cotton crop promises to be even shorter, it was revealed the first of the week on an estimate made by the United States Department of Agriculture. The new forecast, 50,000 bales less than was expected a month ago, was 1,700,000 bales, the smallest crop since 1889.

Harvest yield per acre is placed at 135 pounds, 31 pounds below average and the poorest per acre yield produced in the state since the drought year of 1936.

USDA said all areas of the state are producing an exceptionally small cotton crop except the irrigated areas in the lower valley and extreme West Texas, where production this year will exceed all previous records.

Thanks Extended To Public For Generous Response During Poppy Sale

Mrs. T. L. Jones, American Legion Auxiliary president, makes the following statement in regard to the Poppy Sale held last Saturday in Post:

"The American Legion Auxiliary wishes to thank the public for its generous donations in last Saturday's sale. The price of poppies has not advanced, but owing to the big demand in the cities and hospital centers there were no poppies for our small unit except 44 leftovers. These we sold and explained the situation asking for a donation of a dollar or less. The sale amounted to more than \$40.00. Thank you.

"All credit for the sale goes to Misses Faye Ruth Hamilton and Alice Ruth Carr. These two charming young ladies made all the sales and the Auxiliary is deeply grateful to them, as well as to the public. Thanks again to all."

THERE SIMPLY ARE NOT ENOUGH NEW CHEVROLETS TO GO AROUND

We are getting our fair share of the current production of new Chevrolet passenger cars and trucks. And as strikes and shortages decrease, as the Chevrolet plants are able to produce more and more new passenger cars and trucks, we'll get more and more of them to deliver to our customers.

Meanwhile, as long as shortages do exist, it is our purpose to apportion our share of the new Chevrolets available fairly and justly among the many customers, new and old, whose continued friendship and patronage are the keystone of our business.

So that you may have no doubt as to our method of distribution of new Chevrolet passenger cars and trucks, we make the following—

Sack says

LANOTTE FURNITURE COMPANY

maybe even before then, one will eagerly pick up the comic section of his favorite newspaper or magazine to pursue the tale of "Beer Guzzler Joe," a character created by Bud Short, cartoonist.

One of the photographers on the staff is to be the live wire, little but big Billy Bob Hoover. Billy Bob, a Junior, has been attending classes faithfully in PHS already for three years. Outside of school (which he adores) he spends most of his time fishing, hunting ducks, quail, and girls. After next year he will be a burden of A & M College where he is going to take a course in wildlife. After college he plans to get a job with the government.

His likable ways have won him many friends.

Martha Thomas will also serve as photographer and is a girl who started to Post High as a Freshman two years ago. Martha likes to play basketball and volleyball and loves to ride horses. She wants to attend a beauty school after graduating next year, become a beauty operator and open up a shop of her own at home. She is the daughter of Mr. and Mrs. J. E. Thomas of the Garnolia community.

A third photographer for the Caprock is Billie Sue Quisenberry, a vivacious blonde Junior, who lives in the Grassburg community. Her hobby is collecting snapshots of her friends and classmates. She is going to McMurry college in Abilene for two years and in the meantime look around for an eligible bachelor who is a good looking doctor and who likes sports, one who is a lot of fun and someone who will give her her way at least half of the time. You may look for a long time, Billie, if you insist on these qualities, but power to you!

Last but not least of the main staff serving as another photographer is a Senior girl who is of medium height and has striking black hair and brown eyes. She is Dorothy Carey. Reading and writing letters as well as all sports are sources of enjoyment for her.

She will enroll in Draughon's business school at Abilene next fall where she will prepare her-
