

DOWN SHOPPING
Up And Down
Main Street

There are always exceptions to the rule and the run-off candidate in the Sheriff's race are it. In fact, after a week and getting breath for the final stretch, the general custom after each primary, those boys, Charlie and Nathan Mears, were waiting on the doorstep of Dispatch Publishing Company this morning. They were making up our Boss about additional printing material to finish the campaign.

We started our beat up and Main Street later in the morning we saw both boys seeking groups of people and talking. It's gonna be a "hot" literally and figuratively.

Must be kin to a squirrel or whatever for we simply curb the urge come cannon to can and store food for winter. On the streets we see truck loads of looking benches selling for per bushel and less. Pineapples haven't been too plentiful but those on sale in our stores haven't topped the price. Wherever we go we find that canning Conversation Piece where themes are concerned.

Aluminum Is Coming Into Its Own. We've just seen the new garage doors of aluminum at Higginbotham-Bartlett Company. The new doors light, operate on a counter principle, raise smoothly and easily. These doors are installed in record time. In any where wood is so sensitive to weather it seems these new would be just what the doctor ordered.

Added to the list of aluminum products are milk bottles, ironing boards, ice cabinets, etc. Our merchants are anxiously awaiting the when they can advertise that new products are on display.

Ice-cold watermelon at the house where T. L. Jones and man. We're heading down Main Street, right a soon.

Outlaw Motor Company. Ford agency, expects to fill show rooms with new Ford sometime in the future, but such time comes it will be with us. The air will be and afford comfort to those visit the firm. They're just filled a large new air-conditioned, and boy, it's nice.

Year old was heard to in the picture show if an elf. Moby elephant. Sounds sense.

Back You For Calling" as invited by Faye Edwards at the theatre, when we call to go on shows, etc., always it's nice, warm feeling. To us is the movie house this context are three of our favorites. Wallace Beatty, Marjorie O'Brien and Paulette Goddard. Next going R. J., for twenty-fifth anniversary of talkies.

Year old boy, is a continuous "Information Please."

It to the Teen-age Girls. Late bunch of kids around us now buying the brightest polishes they can find but by hair, mind you. In College drug one day this week we were seeking shelter from the sun and sipping a cool drink one cute blond to another blond said: "This color look terrific" on my sun-look and I'll do my sandal heels in the same color." A research revealed that many of glass rim is being given that "touch" this summer.

Friend, Neighbor, neighbor, or your birthday, anniversary or what-have-you, exactly what you'll convey very individual way when send Greeting Cards from Michaels. The store has on display exceptional cards that say the right thing in the way. We like the way Mr. C. and Vivian Cooper are looking through the lot.

Mahon Wins Congress Seat Over Halsey

Garza County Favors Hop Halsey Along With One Other County

Congressman George Mahon counted 44,420 votes for re-nomination to the congressional post he has held the past 11 years in Saturday's Democratic primary election. Mahon had a lead of 17,744 votes over Hop Halsey after all returns from the 25-county district were in Tuesday.

Garza county, the last in the district to report complete returns due to delay in receiving one rural box, gave Mahon the little end of the votes by casting 819 for Halsey, as compared to Mahon's 634. Only one other county in the district favored Halsey with a majority, that being Dawson.

Final figures released Tuesday were:

| | | |
|-----------|--------|--------|
| County | Mahon | Halsey |
| Hockley | 2166 | 1419 |
| Terry | 2083 | 1353 |
| Yoakum | 657 | 454 |
| Hale | 2575 | 1811 |
| Lamb | 3242 | 2638 |

W. F. Pierce Buys Farmer's Co-op Grain Elevator In Post

Purchase of the Farmer's Co-op Society No. 1 grain elevator here was announced Tuesday by W. F. (Boots) Pierce, who takes possession of the elevator immediately. Mr. Pierce disclosed that at that time papers covering the transaction were being drawn and that the purchase price had been set at \$23,500.

The large elevator was erected here in 1944 by the Farmers' Co-op. Pierce for the past four or five years has been engaged in the grain buying business and has trucked and shipped approximately fifty per cent of the county's crop each year.

At the close of this fall's season Pierce plans to open a feed and seed store to be operated in connection with the elevator.

CHURCH OF CHRIST OF CLOSE CITY TO CONDUCT REVIVAL

A revival meeting will begin Friday night, August 2, at the Church of Christ of Close City and run through two Sundays, ending August 11, it was announced Monday by a member of the church.

Minister Dean Brookshire of the Carlsbad, New Mexico church will be the evangelist and Hubert Argant of Lubbock has been engaged as singer.

A cordial invitation is extended to everyone to attend the services.

DAIRY SUBSIDY PAYMENTS END

All persons who have sold dairy products during the months of April, May, and June are reminded that August will be the last month in which these receipts for subsidy payments will be accepted, said Robert H. Gibson, Secretary Garza County ACA.

"Please bring your receipts or send them by mail to the Garza County AAA Office, in Post, at your earliest convenience. All receipts must be dated and have the name of the producer and the company to which the dairy product is sold," said Mr. Gibson.

Jester, House, Neff, Halsey Lead In Garza Election

How Garza County Voted For Sheriff:

In the sheriff's race Reed and Mears go into the run-off, with Mears having an 84-vote lead over Reed. Mears carried six county boxes, Printz two and Reed two.

| Voting Box | Printz | Claborn | Reed | Mears |
|-----------------|--------|---------|------|-------|
| Post Box No. 1 | 233 | 67 | 183 | 194 |

REVIVAL MEETING BEING HELD AT GRASSLAND CHURCH OF THE NAZARENE

Summer revival services began last night at the Grassland Church of the Nazarene and will last through August 11.

Rev. H. N. Dickerson, of Indianapolis, Indiana, and a well known camp meeting and revival worker will conduct the services. He has served as pastor to some of the largest camp meetings and churches of the nation and is an exceptionally good speaker.

The Grassland Nazarene church is known as a singing church and plenty of congregational and special singing is assured. Also special grove meetings for all ages and groups will be held each evening preceding the regular services.

The first Sunday singing will be held next Sunday afternoon and should attract special attention because a good singing is being planned.

Highway Commission Requesting Authority On Garza's Road Bid

According to information received Wednesday afternoon by a Dispatch representative from S. F. McCarty, Lubbock district highway engineer, the Garza county farm-to-market road construction contract was not awarded last week when bids for twenty-two such roads were received by the State Highway Commission.

A bid of \$118,160.41 was placed on the eight-mile strip of Post-Rolls road by Holland Page of Austin, but the Commission before awarding the contract had to give special authority from the Public Roads Administration at Washington. Mr. McCarty said that the bid ran higher than the Commission had anticipated, and that if the award was made to Page, construction would get underway within the next 30 to 60 days.

A representative of the Holland Page construction firm was in Post Tuesday and expressed the opinion that the contract would be awarded his Company within a short while.

LIONS CLUB TO SPONSOR BENEFIT CONCERT AUG. 9

The Post Lions club will sponsor a benefit concert on August 9 at 8:30 o'clock at the Post High school.

The popular Stamps Quartet of KFYO Lubbock will present the program. Fifty and twenty-five cents admission will be charged.

4-H Boys Selected To Represent Garza At State Round-Up

Selected last week end by county club leaders to represent Garza County at the State 4-H Club Round-Up to be held at College Station August 27-30 were Carter Gene White and E. P. Wicker, Jr.

White, son of L. C. White who resides 8 miles west of Post, has been in 4-H club work five years. He was chosen by club leaders for his outstanding leadership in Senior High Club and in County 4-H club work. In club work his major demonstrations have been beef calves and swine, and as minor demonstrations he featured cotton and dairy cattle. He won 12th place at Lubbock District Fair Stock Show in 1946 with his Hereford calf. He has been selected county winner in Wilson Men's Annual contest this year.

Wicker, son of E. P. Wicker of Southland, is also in his fifth year of club work. He has demonstrated outstanding leadership in Southland 4-H club work, as well as county club work. He has been declared the outstanding dairy cow and calf demonstrator in this county. He has swine and field crops as his minor demonstrations in club work. He was winner of first place in Sears Cow-Hog-Hen contest in 1944, and won county achievement award in 1945.

MRS. IDA STEWART TAKES OVER MANAGEMENT OF WHITIE'S CAFE

Mrs. Ida Stewart took over management of Whittie's Cafe Tuesday morning. Mrs. Stewart who has had many years experience in the cafe business is inviting the public to visit the cafe where a cordial welcome will always be extended. Through an advertisement in this week's issue of the paper, Mrs. Stewart emphasizes the fact that at all times the cafe will strive to serve high quality meals. The cafe is air conditioned.

Mr. Elmer Long, who has been in charge of the cafe for several months, Tuesday started work with a candy and cigarette firm.

SAMSON TO JUDGE AT SOUTH PLAINS FAIR

George (Scotchman) Samson of Post, has been named judge for County and Community exhibits of the 29th Annual South Plains Fair, October 7-12, it was announced Saturday.

Samson has served in this capacity for a number of years.

County Polls 1468 Votes For Better Than Average Vote

Five Garza county boxes, including Post box 1, Close City, Justiceburg, Two Draw and Wright Henson, showed Beau-ford Jester top choice for governor, and Pleasant Valley voters shared their count 28 and 28 with Jester and Smith. Lieut. Governor Sputh ran second in the county balloting, by polling 392 to Jester's 411 votes. Smith carried four boxes, including South Post, Graham, Southland and Verbena. Rainey ran a poor third with a total of 226 and failed to carry a single box. Sadler polled 117 votes, and Sellers counted 148.

Garza county electors stormed the polls Saturday and tucked up a better than average vote by polling 1468 votes, but fell short of its potential polling strength of more than 1800. The vote was not a record, as the 1940 election recorded a poll of 1577, and there have been other elections that topped the 1940 figure.

Garza county voters gave Boyce House a three vote lead over Senator Allan Shivers in the lieutenant governor's race. Boyce polled 482 to Shivers 478. House carried four boxes, Post box 1, South Post, Verbena and Two Draw. Shivers carried five boxes, including Graham, Close City, Pleasant Valley, Southland and Justiceburg. W. Henson voters gave each candidate two votes. Mills polled 145, Winfree 43 and Walker 88.

Pat Neff, Jr. led Price Daniel in county voting by 274 votes in the attorney general's race. Neff carried nine of the ten Garza boxes, with Daniel taking Close City box 51 to 49. Neff's vote was 793 to Daniel's 521.

For controller of public accounts Sheppard piled up 1068 votes to Butler's 212. Jesse James gathered in a total of 924 Garza county votes in his race for state treasurer, as compared to the 318 given his opponent, Clarence Williams.

R. E. McDonald led for commissioner of agriculture with 432 votes, with J. E. McDonald second with 381. Chambers counted 257 and Hill 144.

In the race for railroad commissioner Olen Culbertson led with 876 to Coler's 264 and Lyon's 106.

For Supreme court place 1, Chas. T. Rowland piled up 656 Garza votes to John H. Sharp's 501. Smedley led Hubbard for supreme court, place 2. Smedley 694 and Hubbard 424.

Owens ran ahead of the ticket for judge of the court of criminal appeals. The vote was: Owens 561, Baker 110, Dickson 174 and Beauchamp 276.

George Mahon, who has always been popular with Garza county voters, bowed to Hop Halsey in the county election. Halsey carried seven of the county's ten boxes, including Post box 1, South Post, Graham, Close City, Pleasant Valley, Justiceburg and Two Draw. Mahon carried the Southland, Verbena and Wright Henson boxes. Mahon's vote was 634 to Halsey's 819.

Saturday's election found 878 votes cast in Post box 1, 150 in South Post, 106 at Graham, 109 at Close City, 93 for Pleasant Valley, 118 for Southland, 27 for Verbena, 101 for Justiceburg, 87 for Two Draw and 7 for Wright Henson.

CANYON VALLEY CHURCH OF CHRIST TO HOLD REVIVAL MEETING

A revival meeting will begin at the Canyon Valley Church of Christ on August 4 and will last through August 13. Loyd Connel of Denver City will be in charge of the services.

MAHON RETURNING TO WASHINGTON

Congressman George H. Mahon, who last Saturday was elected to a seventh term in the national House of Representatives, is returning within the next day or so to Washington, but expects to return to the district in late August.

The congressman plans to open an office in Lubbock upon his return, but plans to spend most of his time in the 25-county district until he has covered it as completely as possible.

Mears Upsets Calculations In Local Race

Three New Commissioners And County Attorney Are Elected, All Others Remain

Nathan Mears, who served two months as deputy sheriff under Percy Printz and who before that time was known only by a few Garza county residents, ran like a scared rabbit and smashed his way into the sheriff's run-off with Charlie O. Reed in Saturday's election.

Mears, who conducted his campaign in a "quiet sort of a way," carried six of the ten county boxes, and not only surprised his staunch supporters, but himself as well. Reed carried two boxes and Percy Printz, incumbent, took two boxes, including Post's box 1. Mear's vote was 524, Reed's 440, Printz's 407 and Fay Claborn, Jr.'s 135.

In the three contested county commissioner's races, B. F. (Bossie) Evans defeated Ernest Henderson, incumbent, 563 to 364, in precinct 1. L. E. (Buck) Gossett won over Conner Parsons, 143 to 107 for precinct 2 place, and W. T. Parchman, incumbent, won re-nomination over his opponent, Lee Reed, 50 to 48 in precinct 4. W. C. Quisenberry coasted into precinct 3 commissioner's place unopposed, with a vote of 118.

V. J. Campbell was elected county attorney unopposed.

All other county officers were elected unopposed.

Temperatures Sizzle Here Past Few Days, New High Tuesday

"Gosh it's been hot, and it still is hot" ... how many times have you heard this the past week? Everyone has had something to say about the weather, and they have a right to squawk because temperatures have been well over the 100 degree mark for almost a week now.

The thermometers along Main Street in front of store fronts climbed to the woman's high of 110 degrees Tuesday afternoon, to top Sunday's reading of 108 degrees. The mercury dropped at 107 Wednesday afternoon when it started racketing after over-cast skies cleared shortly before noon.

Relief from the terrible heat wave has been promised by the weatherman for the remainder of the week in the form of thunder showers and over-cast skies.

LAST RITES HELD FOR LOUIS J. WILLSON TUESDAY AFTERNOON

Funeral services were held for Louis J. Willson of this city on Tuesday, July 30 at 3:00 o'clock at the First Baptist church with Rev. Huron Palmac conducting the services.

Mr. Willson was born April 27, 1868 near Owensboro, Ky. He married Sarah Quett in Eastland 56 years ago and moved to Post in 1935.

MAHON RETURNING TO WASHINGTON

Congressman George H. Mahon, who last Saturday was elected to a seventh term in the national House of Representatives, is returning within the next day or so to Washington, but expects to return to the district in late August.

Associated With Moss

W. W. Ballard of Wichita Falls, an attorney, and former Army major, is associated temporarily with Joe S. Moss in the practice of law here. Mr. Ballard arrived here Saturday and will be associated with Mr. Moss for some time.

Jal Comes To Post For Final League Game

STAR PITCHERS OF LEAGUE FACE EACH OTHER HERE SUNDAY

The eight teams in the Oil Belt League close out the league season on four diamonds Sunday, one of which will be the local diamond, they the top four clubs head into the Shoughnessy play-off for the championship.

The game to be played here, although Jal has been in the cellar throughout the season, may turn out to be one of the most interesting of the season. It no doubt will be pitcher's battle, with Post's star pitcher, Ed Altman pitted against Elbe Miller of Jal. Miller beat out Altman in the season's opener at Jal, after Altman's infield made two costly errors. Sports writers of the area rate these two pitchers as the league's best.

Sundown has already gathered in top honors for the full season and should be the favorite in a post-season sawoff. Meantime interested centers on the scramble for three other places in the after-season series.

Kermit, one of the early season leaders, dropped its third successive game last Sunday, 12 to 10 to Levelland, to fall out of first division, leaving Post, Seagraves and Levelland tied for second place. Unless Kermit loses to Odessa next Sunday, either of the three might drop into a third place tie with the Boilers.

Sunday's pairings, besides the Post-Jal game, include Sundown at Levelland, Seminole at Seagraves, and Kermit at Odessa.

League standing is as follows:

| Team | Won | Lost | Pct. |
|-----------|-----|------|------|
| Sundown | 11 | 2 | .846 |
| Seagraves | 8 | 5 | .615 |
| Levelland | 8 | 5 | .615 |
| Post | 8 | 5 | .615 |
| Kermit | 7 | 6 | .538 |
| Odessa | 4 | 9 | .308 |
| Jal | 4 | 9 | .308 |
| Seminole | 2 | 11 | .154 |

Results of the final games next Sunday will be interesting to watch.

Funeral Rites For Post Pioneer Grocer Read Wednesday

True sincerity marked the funeral services on Wednesday morning for W. R. Graeber, one of Post's most loved citizens. Bites for the pioneer Garza county grocer who had lived here thirty years were held at ten o'clock July 31 at the First Methodist church where friends, old and young and from all walks of life, gathered with sorrowing hearts to pay their respects.

Mr. Graeber was born in Posen, Germany, on September 24, 1870 and died in the Memorial hospital on July 29, 1946, after a long period of illness. He was married in Carlsbad, Ill., in 1907 to Minnie Preuss.

Relatives and friends heard the reading of Mr. Graeber's favorite scriptures of promise and comfort by two ministers who had known him well—Rev. J. A. Smith, his pastor, and Rev. J. E. Stephens, former pastor.

"Blessed is the man that walketh not in the counsel of the wicked." "The Lord is my shepherd, I shall not want." "Where I am, there also shall my servants be," were read by Rev. Smith as he stressed the eternal glory to be shared with Jesus. The entire first and twenty-third Psalms and passages from the fourteenth chapter of John were read.

The pastor recounted the active part Mr. Graeber had taken in the religious and civic life of Post. He had been affiliated for over fifty years with the church. He served many years as Sunday School superintendent, served as steward for twenty-five years, sponsored a large Junior choir and served as teacher and trustee many years. His most recent church work was serving as chairman of the church choir.

(Continued On Back Page, Col. 2)

LEGION WILL ELECT NEW OFFICERS NEXT TUESDAY NIGHT

Members of the James C. Cole American Legion post are reminded that next Tuesday night is regular monthly meeting night of the post, and also the time set for the election of officers for the ensuing Legion year.

Nominations for officers will be taken from the floor," said T. L. Jones, commander, "and we urge that all members attend and participate in the election."

NEWS NOTES FROM . . .
Duck Creek Soil—
CONSERVATION DISTRICT
OFFICE AT POST

The Duck Creek Soil Conservation District has recently given assistance to several ranchers in the usticeburg conservation group in working out coordinated conservation plans for range land. These coordinated plans include a balancing of livestock and forage resources, proper seasonal use, proper class of livestock and proper distribution of grazing.

Jeff Justice is giving his largest pasture a complete rest during the present growing season. Cameron Justice has reduced his stock to about one-third of normal carrying capacity to give his pastures a rest and C. C. Puster has reduced his stock by about forty per cent in order to put his livestock more in balance with his forage resources.

In their last monthly meeting the Supervisors of the Duck Creek Soil Conservation District urged all district cooperators who have land subject to wind erosion to establish a winter cover crop, as

OLDEST DAUGHTER OF
MRS. J. W. McCOACH
DIED ON SUNDAY

Mrs. J. W. McCoach received word Sunday of the death of her oldest daughter, Mrs. J. A. Barton, of 3008 Argus St., Los Angeles, California. Mrs. McCoach was unable to go to California but Mrs. J. A. Stallings, sister of the deceased, left here Monday at noon for California. It was not known whether the funeral would be held Wednesday or Thursday.

Staying with Mrs. McCoach this week is her granddaughter-in-law, Mrs. James Stallings.

MRS. MANLY ATTENDS
FUNERAL OF RELATIVE

Mrs. J. P. Manly returned Monday from Fort Worth where she attended the funeral of Saturday of Mr. Charlie Daugherty, Mr. Daugherty was the husband of Mr. Manly's oldest sister. He died on Friday morning and Mrs. Manly left Friday night to be with members of the family.

The present droughty conditions will probably present a serious wind erosion hazard next spring.

The approximate diameter of a silver quarter is one inch.

Garza Women Are
Urged To Save All
Kitchen Fats

The USDA announces that the world-wide shortage of fats and oils promises to continue for some considerable period of time. Taking a general view of 1940-47, there is little prospect of an alleviation of the fats and oils shortage until, at the earliest, the second half of 1947. Stocks of all soap fats at the beginning of May were 10 percent below May 1 stocks a year ago. The supply is so short that it may be necessary to cut the permitted rate of soap manufacturers from 78 percent to 68 percent for the second half of 1946.

The latest consumer study shows that three out of five housewives are actively participating in the Fat Salvage Program, and that this 60 percent of the total is doing a better job of salvaging fat than at any time since the program got underway, nearly four years ago. Women now recognize that the availability of soap hinges on adequate supplies of industrial fats. Turn-ins by housewives for the first five months of 1946 are

Swing of Southwest
Farm Markets

Cotton dropped about \$13 or more a bale last week. Also, prices for livestock, poultry and grain were generally below recent high levels, but peaches gained strength and vegetables and eggs held about steady, according to USDA's Production and Marketing Administration.

The trade generally attributed the sharp decline in cotton prices to pending price control legislation and favorable weather reports. Demand for spot cotton was strong, but trading was light. Reported sales in the 10 spot markets totaled 57,200 bales last week against 63,300 bales in the preceding week and 79,900 a year ago. Domestic mill buying increased. Gins were running to capacity in the Rio Grande Valley with an estimated 90,000 bales already ginned.

Eggs held about steady at southwest markets this past week, despite slow demand for moderate offerings, but hens and fryers met with dull demand and slightly weaker prices.

Last week's livestock receipts dropped far below the previous week's around the market. Southwest markets reported uneven to lower prices for sheep and lambs. Common and medium spring lambs brought \$10.50 to \$14.50 per hundred pounds, San Antonio and \$11.50 to \$14, Ft. Worth. Good and choice springers realized \$17.50 to \$18, Oklahoma City and Wichita; and \$20.75, Denver.

Stronger prices prevailed at most southwest hog markets last week until Friday when losses of 25 to 50 cents a hundred occurred. Trading was generally active for light supplies. Friday's quotations for top butchers were \$20 a hundred pounds, Ft. Worth; \$20.75, Wichita; \$21, San Antonio; \$21.50, Oklahoma City and \$22, Denver.

This past week opened with generally slow cattle trading and prices below the previous week's peak. However, slaughter classes moved unevenly higher at most southwest markets. Common and medium steers and yearlings brought \$11.50 to \$14.50 a hundred pounds, Houston; \$10.50 to \$13.50, Ft. Worth; and medium and good slaughter steers and yearlings \$15 to \$18, Wichita. San Antonio quoted common and medium cows \$8.50 to \$12 and medium grass steers \$14.25 to \$15.25. Oklahoma City sold beef cows upward to \$16 and common and medium grass steers at \$13.50 to \$14.75. Common to good cows, Denver realized \$11.50 to \$15.50 and medium to good grass steers at \$13 to \$18.

shown below:
January, 12,532,000 lbs.; February, 12,241,000 lbs.; March, 16,077,000 lbs.; April, 13,985,000 lbs.; May, 13,441,000 lbs.

While the present availability of soap may be considerably less than the public would like, it can only be maintained through the continuing efforts of American women in their kitchens. Unless every housewife saves and turns in her used fats, the present supply of soap may even get worse.

Housewives are not only urged to continue to save and turn in used fats but also to make sure that their friends and neighbors are turning in used fats—to make sure they are not taking a free ride and depending on their conscientious sisters to maintain the supply of soap.

Guests in the home of Mr. and Mrs. Lee Bowen are the Bowen's daughter, Mrs. John Sutton, Mr. Sutton and little daughter, Donna Kay, of New Mexico, Mrs. Bowen's sister, Mrs. Charles Pace, Mr. Pace and their granddaughter, Jerry, of Electra; and Mrs. Bowen's aunt, Mrs. Max Forbes of Seminole.

TO THE VOTERS OF
GARZA COUNTY:

I wish to take this means of thanking the people of Garza county for their support in the first primary.

I will try to see each and every person. But if I should fail to see anyone, I assure you it is not intentional. I want the consideration of every voter in the coming election.

If elected to this important office, I promise to perform my duties to the best of my ability, being fair to all and partial to none.

Thanks folks.

Final Count Shows
Texas Polled
1,018,795 Votes

Jester Takes 143,339
Lead in Governor's
Race in Final Count

Final tabulations released Tuesday morning by the Texas Election Bureau in Dallas, based on returns from 248 out of the 254 counties of the State, with 144 complete, showed that 1,018,795 votes were cast in last Saturday's primary in the governor's race.

The release revealed that Beauford Jester counted 394,719 votes and that his run-off opponent, Dr. Homer P. Rainey polled 251,390 votes. The report further showed that Grover Sellers ran third with 135,285 votes, and Sadler fourth with 94,025. John Lee Smith counted 89,073 and Casco March 17,420. Jester tops Rainey with 143,339.

State returns in the lieutenant governor's race show that Allan Shivers will meet Boyce House in the run-off primary August 24. Shivers counted 385,057 votes and House 304,450. Mills counted 92,975, Walker 56,322 and Winfree 126,876.

In the other two run-off campaigns, J. E. McDonald and R. E. McDonald for commissioner of agriculture, and Tom L. Beauchamp and Jess Owens for judge of the court of criminal appeals, J. E. McDonald held an edge over R. E. McDonald, by polling 323,095 to R. E.'s 253,498, and Beauchamp counted 298,596 to Owens' 250,878.

Price Daniel was elected attorney general over Pat Neff, Jr. Daniel polled 528,968 to Neff's 478,338.

Olin Culberson won the railroad commissioner place. George Sheppard came out ahead in his race for comptroller, and Jesse James was returned to state treasurer. The U. S. Senate seat was won by Tom Connally.

GAS THE WONDER FLAME THAT COOKS AS WELL AS HEATS

We can't afford to make any mistakes in our new home. That's why NATURAL GAS will be our main Household Servant.

You see—this low cost fuel can always be depended upon to do the Essential Jobs in the modern home—quicker cooking; comfortable, trouble-free house heating; dependable low cost refrigeration; and a plentiful supply of hot water—automatically, at lowest cost.

Yes, Natural Gas is the preferred fuel in millions of American homes. Preparation for its use should be a must in the plans for your new home.

WEST TEXAS GAS COMPANY

TEXAS FARM RECORD BOOK PROVIDES ALL INCOME TAX RECORDS

With the halfway mark in the year's business recently gone by, Tyrus Timm, economist in farm management for the A and M College Extension Service, reminds farmers that the income tax will again be due on January 15, 1947, and that complete farm records should be kept. Like the last pay period, a farmer may elect to make a final return on March 15, 1947, but this last date is for final correction. The main bill still is due on January 15.

More than 95 per cent of Texas farm families file on a cash basis, says Mr. Timm. In this connection, various sections of the Texas Farm Record Book prepared by Texas A and M College will give the facts necessary for income tax returns.

The total amount of money received for crops and livestock raised on the farm should be recorded on Pages 10-23 of the Texas Farm Record Book. Cash received from such services as work on other farms, hire of tractor, AAA payments and the like should be itemized on the same pages in the miscellaneous sales column.

List sales of livestock and other items previously bought on pages 10-23 and purchase price on pages 24-25 under expenses. All cash farm operating expenses (not

CHILDREN SHOULD BE VACCINATED BEFORE ENTERING SCHOOL

"From a health standpoint children are not ready to enter school until they have been successfully vaccinated against smallpox," Dr. Geo. W. Cox, State Health Officer, reminds parents who expect to enroll their youngsters in September. "Many school districts make vaccination an entrance requirement, and children who have never been vaccinated, and also those vaccinated in babyhood, should be taken to the physician for vaccination now, so that the scar will be well healed before school opens."

Immunization against diphtheria is also strongly recommended for further protection. Parents are urged to have their children protected from diphtheria by immunization with toxoid. Children who have had this protection from infancy should receive a booster dose before entering school in order to maintain immunity at a

household) and the purchase price of animals that died during the year also should be put on these pages.

Depreciation on farm buildings and equipment goes on pages 1-7.

If you don't have one, full particulars about the Texas Farm Record Book may be obtained from your local county agent.

Growth And Improvement Indicated For Neighboring West Texas Towns

Main topics of interest in all the regional newspapers this week were articles on political rallies being held and preparations for the primary elections which were held Saturday.

The Haskell Free Press published a letter last week written to Miss Louise Adams of Haskell from Mrs. Helena Janusz of Cracow, Poland. The letter was sent to Miss Adams, thanking her and the American people for the clothing and food which was being sent to their country. Miss Adams had placed a slip of paper with her name and address in a box of clothing which was sent to war sufferers last winter. The letter also described much of the city of Cracow and some of its population.

Real profits have been reported from the bumper wheat and oats crop this year in the Hermleigh and Inadale section of Scurry county. One of the managers of the Inadale elevator reported that his elevator alone had shipped \$120,000 worth of wheat and oats, making a shipment of 42-carloads. The chief difficulty, farmers and elevator men have reported, has been in the shortage of freight cars. However, the weather conditions, cloudless skies prevailing most of the time, was a major factor in preserving much of the high level.

"These two types of protection against disease should be considered 'musts' for preschool children," Dr. Cox declared. "Any other immunizations that the physician may recommend will, of course, provide additional health security."

In addition to this protection against specific communicable diseases each child getting ready to enter school should also receive a complete physical examination by his private physician or at the nearest clinic. Any treatment or correction of defects advised by the doctor should be undertaken immediately in order that the child may enter school in the best possible physical condition.

Mr. and Mrs. E. E. Rankin and daughter, Carol Jean and son, Jerry Lee of Ft. Worth were visitors last week in the home of his sisters, Mrs. J. M. Boren and Mrs. V. H. Anderson and family.

Mrs. L. A. Pirtle and daughters, Mrs. Norris Neff and Mrs. Kelly Sims, are attending the Piasano encampment near Alpine this week.

crop. No figures are as yet available as a comparison with the 1945 crop but it is estimated to far exceed it.

The Cosden Petroleum Corporation has begun construction of a \$50,000 gasoline finishing and shipping terminal in the eastern outskirts of Sweetwater. According to R. L. Tollett of Big Spring, president and general manager of the Cosden Corporation, this is the first step of a project to lay a 250-mile gasoline pipeline from Big Spring to Ft. Worth and Dallas. The Sweetwater plant will have a normal storage capacity of about 1,200,000 gallons of gasoline. The plant is expected to finish and ship around 9,000,000 gallons per year. Plans are to have the plant completed and in operation in 60 days.

Sweetwater also announces the installation of parking meters in 22 blocks of the downtown business area. City Attorney H. A. Bondies has been instructed to take whatever steps are necessary to enforce the city's zoning ordinances.

The Colorado Record has announced the lining up of committees to prepare and stage the annual Roundup and Rodeo which will begin in Colorado City on September 4 through 7. The building and grounds committee have already begun repair work on the arena and surrounding grounds.

Colorado City also announces its city golf tournament which will start August 18. Arrangements have been made to stage a Calcutta Pool and barbecue on Saturday, August 17 to complete the qualifying rounds.

It seems that barbecues are in season with the Slaton Chamber of Commerce staging a barbecue for its men members on August 13. The affair will be held on the softball grounds with an unusual fun feature program being planned.

Hamlin's interest is now turned to the construction of a new elementary school building, the brick work of which was begun last week. Another new building being added is the new VA building, being erected southwest of the high school building. It is being connected on the east end of the present bus garage and will provide enough space for three new bus stalls, a work shop, a lecture room and an office and storeroom. School authorities stated last week that the new building will be ready by the time school opens in September.

31 Years Of Friendly Service In The Past — Planning Ahead For Better Service In The Future

Theories On West Texas Weather Being Tested By Haskell Man

1 CASES OF POLIO REPORTED IN STATE

Sixty-one cases of poliomyelitis are reported to the State Health department for the week ending July 20. It was announced from Austin Monday.

This was seven more cases than the week before and was 48 more than the seven-year median for the third week of July.

Forty-four of the state's 254 counties have reported having no communicable diseases.

Guests in the home of Mr. and Mrs. Ben Williams over the week end were Mr. and Mrs. E. A. Finch of Dallas, and Mrs. Jack Dean of Geary, Okla.

reading. We in this section are particularly interested in RAIN. If the theories being confirmed by the winter work out as he seems to feel they will, we'll be anxious to do some research on the subject.

The purpose of this writing is to test by theory relating to the rainfall for the balance of July and August. Due to certain movements and a change which is approaching, makes the time suitable.

There are other theories and reasons why it should rain sooner than August—this is a test against such.

This will give the people a chance to check the forecast.

As stated early this year, there would be a rain close to August 3, with another close to August 17. This cloud will most likely be a fast moving cloud from the south.

It will be more uniform and better than any this year thus far. The wind will be brisk to strong from the south, shifting to southwest, following the second rain. It should be the beginning of a cycle of normal rainfall plus the deficiency.

If this happens in substance in this manner it will climax my belief in the theory that it is a part of the great planetary system which moves with time clock precision. The key to which can be found in the Bible.

In many cases it was necessary to wait a year to get an answer to some questions. Some information, however, came to me adventurously with the present soil and water conservation practices carried out together with the knowledge of knowing when the rain is coming, the high point of efficiency can be attained.

My father came to this county when it was in its pioneer days. Therefore, I know something of the hardships and loss incurred by drought and sudden weather changes.

Then it seemed to be a semi-desert area closely associated with the greater desert which lies to the west.

According to some belief, when the Panama Canal was opened, climatic conditions were changed and West Texas was moved about 500 miles east.

July will be dry for some distance in most directions. Mother Nature has spoken and said: "Not yet." The wind will return from its circuit from north and northeast soon after July 15th, having been gone several months.

So please bear with me as the theory is being given the final test in the never ending search for knowledge, to the end that the theory can be relied upon as being sound.—E. D. Jefferson.

SPRINGFIELD, MO.—"Private Hyndman, here is your honorable discharge from the Army of the United States," said Col. Charles K. Berle, commanding officer of O'Reilly General hospital here. "And here, George, is a check for \$1,000," said Miss Lillian Carney, St. Louis, chief of occupational therapist at the hospital.

SHERRILL BOYD, POST CHAMBER OF COMMERCE SECRETARY, KEPT BUSY

Sherrill Boyd, who several weeks ago was elected by the Post Chamber of Commerce directorate as full-time salaried secretary of the organization, has been "on the go" ever since stepping into the office the day after his appointment.

Although handicapped for down-town office space and lack of office equipment, Boyd keeps chamber of commerce matters humming around his home, where he has set up temporary office. Besides attending to routine mail correspondence, it has been pouring in since announcement of re-organization of the chamber was made in the daily papers some time ago, he has completed compiling information for the Lions club sponsored city directory, attended a week's session of the Southwestern Institute for Commercial Organization Executives at Dallas, made a number of trips to neighboring towns and discussed chamber of commerce problems with various secretaries, and arranged a year's work program for the organization.

Monday night he will submit his work program to the directors for approval. He has outlined a fine program of worthwhile projects for our little town. Each project has been carefully studied by Boyd and he believes each one is workable.

The approved work-program will be announced in next week's issue of the Dispatch.

PLAINS LUMBER COMPANY BUILDING YARD IN POST

Post is going to have a new lumber yard, now that lumber yards are getting in enough lumber to build more lumber yards.

Foundation forms are being set up this week for the new Plains Lumber Company's yard here. The work was started the first of the week and the concrete foundation will be run within a few days. Concrete and other materials have been moved to the location.

The yard will be located in blocks 87 and 88. The property includes 3 lots in the southeast corner of block 87, and 10 lots on the south side of block 88. The property has a south frontage on the Post-Tahoks highway.

The yard will be owned by Porter and Forrest of Slaton. The real estate was purchased last March from the Double U Company, but Mr. Porter announced at that time that the yard would not be put in before late summer or early fall due to material shortages.

THANKS . . .

I take this means to express my appreciation for your loyal support to me and to your Democratic principles.

Although I will not be your commissioner I'm still your Dairymen and your business will be appreciated.

Thanks,
CONNOR PARSONS

THANKS . . .

I want to take this means of expressing my thanks for the support you gave me in the race for Commissioner of Precinct 2 and with your cooperation I will do my very best to make the county a good commissioner.

BUCK GOSSETT

To The Voters Of Commissioners Precinct Number One:

Please accept my sincerest thanks for the splendid vote you gave me last Saturday. I shall strive to conduct the affairs of your office in such manner as to justify the confidence you have reposed in me.

B. F. (BOONE) EVANS

CARD OF THANKS

We want to express our sincere appreciation to our many friends and neighbors for their kind deeds and words, for the work done in our fields, and for the beautiful floral offering during the illness and death of our wife and mother. May God bless each of you.

Walter Haynie
Mr. and Mrs. Byron Haynie

O. B. RATLIFF TO SPEAK AT TECH EXERCISES IN LUBBOCK AUGUST 28

O. B. Ratliff, only former student of Texas Technological College to serve on its board of directors, will be the speaker at Tech's summer commencement exercises August 28. President W. M. Whyburn has announced. Mr. Ratliff is the first ex-student to be selected as commencement speaker.

He is a lawyer and land owner, former newspaper publisher, former surveyor for the State Highway department, and is at present managing properties and dealing in oil and gas leases and royalties.

POSTEX BALL PARK GETS NEW LIGHTS

Lights were installed at the Postex base ball park Wednesday and provided illumination for softball practice last night. The new lighted field to-morrow, (Friday) night, will be the scene of a soft ball game between the mill team and one of the other teams of the city. The schedule has not been arranged at the time the Post Dispatch was making up for press.

The lighting arrangement includes six large poles with two standards to the pole. Ample lighting is provided for the park and softball is expected to get underway with games scheduled most every night for the remainder of the summer.

For Commissioner of Precinct 4:
W. T. PARCHMAN

BELL COUNTY REUNION PLANNED AT LUBBOCK

All Garza county residents who are former residents of Bell county are invited to attend the annual Bell County Reunion, Sunday, August 11, at Mackenzie State Park, Lubbock. J. A. Humphries, chairman, announces.

This invitation, it will be remembered, is issued in keeping with the decision of some 100 who effected the organization at the last summer reunion. It was agreed by the organization that the reunion be held on the second Sunday in August which bears the date of August 11th, said Humphries.

"Come one—come all with your danner pad and good cheer. Let's have a big day and a great reunion."

Mr. and Mrs. Jess Cearley and daughter, Hesta Sue, of Amarillo visited relatives here Saturday and Sunday. Miss Joy Smith returned with them for an extended visit.

ELMER LONG ACCEPTS POSITION WITH McKEE WHOLESALE FIRM

Elmer Long, who for a number of years has been associated with Post grocery firms, and recently served as manager of the White's Cafe, Tuesday accepted a position with the McKee Wholesale concern of Lubbock.

Mr. Long has a road-job and will sell and distribute candy, tobacco, and confections over the West Texas area. Post is included in his territory and he will continue to make Post his home and headquarters.

VFW MEMBERS FAIL TO TURN OUT FOR CALLED MEETING

Members of the John Miller Veterans of Foreign Wars post failed to turn out in sufficient number last Monday night when the post was called into special session to elect a delegate to the national convention in Boston.

Henry Aten, post commander, said Wednesday that "there doesn't seem to be enough interest among the members to send a representative to the convention, so I guess we'll just pass it up."

Lee Mason and his mother, Mrs. M. L. Mason, attended the Mason family reunion in Dallas during the week end.

NEW ARRIVALS

Mr. and Mrs. George A. Lewis are announcing the arrival of baby girl on July 10 at Lubbock Mercy hospital in Slaton. The young lady weighed 11 1/2 pounds and named Cheryl Ann.

Mr. and Mrs. Lewis Kayton are announcing the arrival of baby boy on Monday, July 23, at Mercy hospital in Slaton. The young man weighed 7 pounds 7 ounces and was named Lewis.

Bits Of News

Mrs. S. E. Tate of Snyder died a few days in the home of and Mrs. W. B. Sanders. She returned to her home the latter part of the week.

Mr. and Mrs. Elmer Howard are spending the week visiting relatives in Oklahoma.

Mrs. Luther Harper of Bell County, Texas, has been visiting her daughter, Mrs. Paul Moore.

"Sir, I would rather be than be President," were Clay's famous words.

How we wish we could change our tune!

WERE beginning to feel like a broken record. Because we've had to say "sorry, no shirts" . . . "sorry, no shirts" . . . so often when you've asked us for Arrow shirts.

We still can't change our tune.

People want lots more shirts than we receive . . . or Arrow can make. So every shipment we get goes only a small fraction of the way round.

But don't give up hope. You may stop by on a day when we can proudly sell you a shirt with the famous Mitoga Fit . . . Arrow collar . . . and Sanforized label (less than 1% shrinkage). Try again soon.

Hundley's Men's Wear

FOR ARROW SHIRTS

Hats Off to this Fellow...

HE fed us, our soldiers, our allies, and a lot of other people while we won a war. Now he's asked to keep the world from starving.

He's the American farmer.

He deserves the thanks and appreciation of everybody. He deserves it more than most folks realize because he increased his production by 30 per cent in five years without enough new tools to replace the labor he lost.

But, American farmers are disappointed—and they have a right to be. They expected that the end of the war would bring them an opportunity to replace their patched, repaired, weary and over-worked farm implements.

Of all of our shortages, that in farm tools and implements is the most serious.

Strikes have caused the shortages in farm implements—strikes in steel, strikes in coal, and strikes in the farm implement industry itself.

In the steel industry alone, the production of steel in the ten months following VJ day was 19 million tons short of expectations, enough to supply farm needs for at least five years. Most of the decline was due to strikes.

That is why the steel industry has not been able to catch up with the demand for new roofing, wire, fencing, tools and all the things of steel needed on the farm.

That is why the farmer is being penalized through no fault of his own. This nation cannot move ahead under the threat of ever recurring labor strife.

Steel mills need all the scrap iron and steel they can get. Farmers can help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

The Institute has printed a booklet STEEL SERVES THE FARMER. Write for a copy and it will be sent gladly.

Church News

MELBA JO MILLER

"Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. And he that searcheth the parts knoweth what is the mind of the spirit, because he maketh intercession for the saints according to the will of God. And we know that all things work together for the good to them that love God, to them who are the called according to His purpose." Romans 8:26-28

Are you missing something? The answer to this question is "yes" if you are one of those persons who do not attend the special services of the church. The majority of church members feel that their obligations to the church end with their presence at Sunday school or church services. Little do they realize the importance of prayer, fasting, choir practice, teachers and officers meetings, etc. The special services are actually the backbone of our churches. Faithful members meet there each time to plan, teach, work and pray for your church, your community and—*you*. Without these services held each week, it is likely that the entire organization, system and even religious atmosphere will vanish from the church. The present situation which now exists in our churches is the fact that the entire responsibility of planning and organizing the church activities are left up to only the pastor and a few members whose untiring efforts have kept your church going. But it must be realized that these faithful few need your help, they cannot always endure to shoulder the entire responsibility of so tremendous a job and with your help, it will lessen the burden of each one and double the strength of your church. It is not only your duty, but your privilege and blessing to serve to the utmost of your ability your church and your God. "Let thy work appear unto thy servants, and thy glory upon their children. And let the favor of the Lord our God be upon us." Psalms 90:16, 17.

Next Sunday will be promotion day in the Nazarene Sunday School. A special program is being arranged in honor of those who are being promoted to other departments.

The Missionary societies of the Nazarene church are having interesting lessons concerning missions in Latin America.

Rev. J. S. Norton, pastor of the Church of the Nazarene, has announced that much interest is being shown in the group meetings which are being held each Sunday evening at 7:30. He urges each one to be present for these meetings.

Rev. Huron Polnac, pastor of the local First Baptist church, is conducting a 10-day revival in Bethel near Loraine. He plans to return Sunday, Aug. 4.

The Young People's Department of the First Baptist church enjoyed a watermelon supper at second bridge Friday, July 26. Twenty-two people were present including members of the classes, teachers and officers of the classes and department officers.

Members of the Board of Stewards were in charge of the prayer meeting last night at the First Methodist church. A special program was given and enjoyed by a nice crowd.

It was announced yesterday that their practice will start again tonight at the Methodist church at 8:00 o'clock. It has been discontinued for several weeks but present plans are to have a regular weekly meeting beginning tonight.

The WSCS will meet Monday for their regular monthly meeting.

The preacher looked over his large congregation on Easter Sunday and said: "I realize that there are many here today who will not be with us again until next Easter, so I take this opportunity to wish them a Merry Christmas."

ALLENE STEPHENS-GLEN McWHIRTER EXCHANGE WEDDING VOWS MONDAY

Allene Stephens, daughter of Mr. and Mrs. J. W. Stephens became the bride of Glen McWhirter, son of Mr. and Mrs. S. T. McWhirter of Snyder, at 8:00 o'clock July 29 at the First Baptist church. Rev. A. C. Hardin of Sundown officiated for the double ring ceremony. The church was beautifully decorated with sprays of ferns and white gladioluses, the only light being that from the branched candelabras before the altar. Mrs. Ray N. Smith and Bill J. Davis played "Ave Maria" during the lighting of the candles which was done by Mary Jo Stephens, sister of the bride, and Miss Glenna Hoge of Lubbock. Preceding the ceremony, Schubert's "Serenade" was played and was followed by "I Promise You." Mrs. Smith played the traditional wedding marches.

The bride, given in marriage by her brother, M/Sgt. J. W. Stephens, Jr., chose a street length dress of white silk crepe with dolman sleeves and peplum back, a white halo hat and white accessories. The bridal bouquet was of white carnations and baby breath.

Mrs. John W. Sadaj of Cold Bay, Alaska, matron of honor and sister of the bride, wore an aqua blue pebble crepe dress and carried a bouquet of red rosebuds.

Rex Anderson of Lubbock served as best man and Leonard Stacy and Garth Cooper also of Lubbock served as ushers.

A reception was held following the ceremony with punch and wedding cake being served to guests by Mrs. Finley Woodul and Mrs. John W. Sadaj. The centerpiece consisted of formosa fern and gladioluses.

The bride is a graduate of Post High school and has for several years been living in Lubbock where she was employed at the Lubbock Hardware and Supply Co.

Mr. McWhirter is a graduate of Loraine High school and was recently discharged from the Marine Corps in which he served overseas 30 months in the Pacific theater of operations.

The couple plan to live in Lubbock where Mr. McWhirter will attend Texas Tech.

Out of town guests present for the occasion were Mr. and Mrs. J. C. White of Wilson, Mr. and Mrs. Finley Woodul of Lamesa, Mrs. A. C. Hardin and Dalton of Sundown, Miss Lesta Womack of Dallas, Mr. and Mrs. W. R. Cross of Slaton, Mr. and Mrs. Arthur E. Miller, Mrs. Art Hayden, Wanda Wadsworth, Mrs. G. W. Cooper, Mrs. J. C. Flowers, Miss Velma Flowers and Mr. and Mrs. C. W. Scott, all of Lubbock.

MRS. ELMER LONG TO PRESENT PUPILS IN RECITAL ON AUGUST 8

Mrs. Elmer Long will present her music pupils in public recital on Thursday night, August 8, at eight o'clock in the evening. The recital will be held in the Post High school.

V. A. Hartman, accordionist, will assist Mrs. Long and will present several selections.

Pupils who will appear on the program are Hazel, Patsie and Maryanne Schultz, Ramona Gilmore, Mohota Allen, Barbara Norris, Helen Thaxton and Kenneth Karr.

MRS. HILL CELEBRATES 53RD BIRTHDAY

Mrs. E. C. Hill enjoyed her fifty-third birthday very much as all of her children were with her. Among those present were E. C. Jr., Hoyt, Surman, Plesent, Deamus, Loyce and Juanice Hill, Mrs. Letha Browning and girls, Mr. and Mrs. Dillard Maner and children, Mr. and Mrs. Wiley Hill and daughter, Mr. and Mrs. E. C. Hill, Miss Anita Jo Parrish and Mr. and Mrs. A. Parrish and family.

discontinued for several weeks but present plans are to have a regular weekly meeting beginning tonight.

The WSCS will meet Monday for their regular monthly meeting.

The preacher looked over his large congregation on Easter Sunday and said: "I realize that there are many here today who will not be with us again until next Easter, so I take this opportunity to wish them a Merry Christmas."

Society - Clubs

That rose-covered cottage is now a reality, with roses climbing inside too, on the window shades! Shown here is Victorian harmony at its best, with hand-decorated window shades enhancing a corner of this cozy apartment, the New York home of Pegeen and Ed Fitzgerald, known to radio listeners as "The Fitzgeralds." Shades of deep red and green are blended with fanciful cupids shooting arrows at pretty white doves. The decorator added a dozen or two of costume roses to the lace curtains as a final touch.

OPAL SMITH-GARLAND CANNON MARRY SUNDAY IN HOME CEREMONY

Miss Opal Smith, daughter of Ray N. Smith of this city, and Garland Cannon, son of Mr. and Mrs. Floyd Cannon of Idalou, were united in marriage Sunday, July 28 at 4:30 p. m. in the Smith home. Rev. Huron Polnac read the double ring ceremony before a beautifully arranged mirror flanked with pink gladioluses.

Preceding the ceremony, Bill J. Davis played "Indian Love Call" on his violin followed by Robert Smith singing "I Love You Truly." Mrs. Ray N. Smith played the traditional wedding marches.

The bride, given in marriage by her father, wore a light blue crepe dress with white accessories and a beautiful corsage of orchids. Miss Lillian Smith, sister of the bride, was maid of honor and chose a pink crepe dress with white accessories. Her corsage was white gladioluses.

Bill Uhlman served as best man. A reception was held following the ceremony. The table was beautifully decorated with a three-tiered wedding cake as centerpiece around which were tall lighted tapers. The punch bowl was surrounded by dahlias.

Special guest at the ceremony was Mrs. Harbaugh of Livingston, Montana, sister of the groom.

The bride is a graduate of Post High school and attended Draughton's Business college in Abilene. She has for some time been employed at the Citizens National bank in Lubbock.

Mr. Cannon graduated from Idalou High school and served for some time in the Army from which he was recently honorably discharged.

The couple will live in their new home near Idalou and will be employed in farming.

HOWARD PEEL MARRIES IN NEWBURGHER, N. Y.

Howard Peel, son of H. E. Peel, formerly of this city, and Miss Ann Cimorelli, daughter of Mr. and Mrs. Charles Cimorelli of Newburgher, N. Y., were united in marriage Sunday, June 30, at 3:30 p. m. in St. Francis' Rectory in Newburgher. Father Edward Kowalski officiated for the double ring ceremony.

The bride, given in marriage by her father, chose a gown of white zipper satin. Her headpiece was of seeded pearls to match the neckline of her gown. She carried a cascade of white roses. Miss Fannie Cimorelli, maid of honor, was attired in a pink lace and net gown with matching headpiece and carried a cascade of red roses.

Anthony Decario was best man for the bridegroom. Nick Mitchell furnished music for the reception held in the American Legion hall, after which the couple left for a wedding trip to New York City. They will reside at 17 Benkard Avenue in Newburgher.

Howard is a graduate of Post High school and was just recently discharged from the Army Air Corps in which he served 42 months.

Mrs. Peel is employed at the Central Hudson Gas and Electric Corporation and is a graduate of Newburgher Free Academy.

MISCELLANEOUS SHOWER HONORS SUNDAY BRIDE IN R. E. COX HOME

Colorful dahlias were used throughout the entertaining rooms of the R. E. Cox home when a miscellaneous shower was given there last Saturday afternoon in honor of Miss Opal Smith who was married Sunday to Mr. Garland Cannon.

Hostesses who entertained for the bride were Meses. Cox, Manly, A. W. Bouchier, Charlie Bowen, Mitchell Bowen, Lee Bowen and Ira Lee Duckworth.

Greeting guests were Mrs. Cox, the bride, Mrs. Ray Smith and Mrs. Mitchell Bowen.

Signatures of the host of friends who called were secured in the bride's book by Miss Mary Margaret Duckworth.

The bride's chosen colors of pink and white were emphasized on the lace covered refreshment table. The floral centerpiece of dahlias was especially attractive and was flanked by candlestands holding white candles. Fruit punch and individual cake squares were served by Miss Barbara Jo Cox and Mrs. Shelley Camp.

Mrs. Bouchier presided over the array of lovely gifts and other hostesses assisted in the dining room.

CAMERA CLUB MEMBERS AND GUESTS ENJOY MEETING IN LOTT HOME

The Post Camera club met in the attractive basement theatre of the John Lott home last Thursday night. Special guests were wives of the members and other invited guests.

Alex Webb had charge of a first of a series of lectures especially prepared and illustrated for camera clubs by Eastman Kodak company. Following the lecture and movie an additional sound film was shown depicting the myriad technical phases of photography. Pictures of how cameras are manufactured, including the extensive research preceding every new development, as well as other informative processes were shown. Pictures were made in the large research laboratories of the Eastman Company.

The club meets the second and fourth Thursdays of every month. Any person is invited to join the club.

Following the lecture by Webb, and preceding the technical film projected by Lott, the host and hostess served ice-cream to sixteen persons.

NEEDLECLUB

Mrs. George Samson was hostess last Friday to members of the Needlecraft club. Sewing and visiting were the order of the afternoon.

For refreshments the hostess served congealed chicken salad, butter sandwiches, potato chips, angel food cake, and punch to twenty-one guests.

Mrs. J. L. Stewart was a special guest. Club members were Meses. Terry, Bivens, Kennedy, Campbell, Faulkner, Suits, Robinson, Durrett, Welch, Jones, Stone, Bouchier, Pierce, Evans, Cox, Malouf, Tomlinson, Carl Clark, Surman Clark and McAnally. —Rep.

SERIES OF PARTIES BEING GIVEN FOR HOUSE GUESTS OF IRIS PARKER

A series of parties have been given this week for houseguests of Miss Iris Parker. The visitors, Misses Ann Harshorn, Billy Helen Newman and Roberta Hampton, all of Ft. Worth, and Polly Carroll of Lamesa, were college friends in TSCW in Denton of Misses Parker, Norma Hudman, Betty Williams and Wanda Thomas.

Miss Parker was the first to entertain her guests with a slumber party in her home Saturday night.

On Monday the group was entertained with an outdoor party given by Miss Norma Hudman. Dancing and outdoor games were enjoyed by the boys and girls, followed by servings of watermelon.

A dinner party was given Tuesday night by Miss Peggy Robinson. A delicious menu of fried chicken, creamed potatoes, English peas, hot rolls, ice cream, chocolate angel food cake and iced tea were served to the girls by the hostess.

Miss Wanda Thomas entertained the group of girls with a slumber party in her home Wednesday night.

The last of the series of parties will be a dinner party given by Mrs. Bill Shepherd tonight.

MRS. ALLEN CASH IS HOSTESS TO PRISCILLA CLUB LAST FRIDAY

Priscilla members spent a most pleasant afternoon last Friday visiting in the Walter Duckworth home. Mrs. Allen Cash was hostess and used the lovely new home of her friend, Mrs. Duckworth.

The group enjoyed talking and some sewing was done. The hostess served the most delicious homemade ice cream and cherry cake squares to her guests. Besides Mrs. Duckworth, those present were Meses. W. J. Tipton, Tom Miller, Earl Thaxton, Ted Hibbs, H. G. Smith, A. B. Haws, Jim Hundley, N. C. Outlaw, Jake Webb, L. A. Barrow, Ira L. Duckworth, Shelley Camp, Raymond Redman, Morris Neff, J. D. McCampbell, Victor Hudman and R. H. Collier.

Return From Vacation

Mr. and Mrs. Oscar Garner and little son returned Monday night from a vacation in Austin and cool Colorado. The trip was made in their new Dodge sedan which was purchased from the Post Dodge and Plymouth agency just before they left for Austin.

MRS. STORIE HOSTESS TO MERRYMAKERS CLUB

Mrs. Sadie Storie was hostess to nine members and two visitors, Mrs. L. P. Baker and Mrs. Forest Cearley, of the Merry Makers club on Tuesday, July 23.

The afternoon was spent in fancy work and visiting. It was announced that the club is sponsoring a quilting at the Close City school house Tuesday afternoon, August 4 to which everyone is invited.

Following the meeting, delicious refreshments of tuna salad and wafers, potato chips, date ice box cookies and punch were served.

The club will meet again Tues-

Mr. and Mrs. Raymond Redman and children, Dannie and Jack, left Sunday morning for a vacation in the mountains of New Mexico.

Mr. and Mrs. Walter Clark of Plainview were in Post several days the first of the week.

day, August 13 at the home of Mrs. Ida Cook.

Proposed Amendments To Be Submitted To Voters in General Election:

H. J. R. NO. 18 HOUSE JOINT RESOLUTION

proposing an Amendment to Article 16 of the Constitution of the State of Texas, by adding thereto Section 62 providing a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; limiting the amount contributed by the State to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits hereunder from receiving other direct aid from the State; authorizing counties to provide and administer such a Fund for appointive county officers and employees after favorable vote in a county election for such purpose; limiting the amount contributed by the county to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits from said Fund from receiving other direct aid from the State; and providing for an election, necessary form of ballot, and publication on the question of adoption of this Amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 16 of the Constitution of the State of Texas be amended by adding thereto Section 62, which shall read as follows:

"Sec. 62 (a). The Legislature shall have the right to levy taxes to provide a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; provided that the amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided for the compensation of such person, or by the State of Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas shall be invested in bonds of the United States, the State of Texas or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of such funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the State, is released to the State of Texas as a condition to receiving such other pension aid.

"(b). Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county; provided same is authorized by a majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall equal the amount paid

for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the county, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid."

Sec. 2 The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held throughout the State in November, 1946, (being the 5th day thereof) at which all ballots shall have printed thereon:

"FOR the Constitution Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas."

Each voter shall scratch one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

* According to an opinion by the Attorney General of Texas.

H. J. R. No. 49 HOUSE JOINT RESOLUTION

proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining, and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:

"FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

"AGAINST the amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof."

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining, and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:

"FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows:

"The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand (\$75,000.00) Dollars, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization of the Governor of Texas on August 31, 1937."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the next general election to be held on the first Tuesday after the first Monday in November, A. D., 1946, at which all ballots shall have printed thereon:

"FOR THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE;" and

"AGAINST THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expense of such publication and election.

S. J. R. NO. 5 A JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to appropriate Seventy-five Thousand (\$75,000.00) Dollars, or so much thereof as may be necessary to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization of the Governor of Texas on August 31, 1937.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows:

"The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand (\$75,000.00) Dollars, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization of the Governor of Texas on August 31, 1937."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the next general election to be held on the first Tuesday after the first Monday in November, A. D., 1946, at which all ballots shall have printed thereon:

"FOR THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE;" and

"AGAINST THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expense of such publication and election.

Locals Take Seminole For Third Straight

The Post baseball team made it three victories in a row Sunday afternoon on their home soil when they defeated a Seminole team 13-7 behind the pitching of two new moundsmen, Charley Presley, Jr. and W. D. Sanders.

Presley started the game and did a fine hurling job for Post, whiffing the third strike by nine batters and allowed only five hits in five innings. Sanders, a vet of the mound position, whiffed the third strike by six of the batters while allowing only six hits the rest of the way.

Carl Greenfield, a well known pitcher to many baseball fans around Post did the hurling for Seminole and allowed the local team only nine hits but errors after errors were made by his infield and forced him to face many batters.

Post made four scores in the first, sixth, and eighth inning and one in the fourth while Seminole made one in the first, two in the sixth, and four in the ninth inning.

Line ups for the game were as follows:

| Post | AB | R | H | O | A | E |
|----------------|----|---|---|---|---|---|
| Carl Jones lf | 3 | 1 | 0 | 1 | 1 | 0 |
| Karr 3b | 3 | 2 | 1 | 3 | 1 | 1 |
| Holland ss | 2 | 0 | 1 | 1 | 1 | 2 |

| Pearcy lf | 4 | 1 | 0 | 0 | 0 | 0 |

To you baseball fans who really enjoy seeing some good baseball playing, be out at Postex baseball diamond next Sunday afternoon at three o'clock when Post and Jal, New Mexico, tangle and you'll see, to this sports writer's opinion, the two top pitchers in the Oil Belt League facing each other. This should be a great show for when Ed Altman and Elbe Miller battled before they only gave up three hits each, Miller being the winner after Altman's infield made two costly errors.

Shortages in household items especially soap, will continue if more fats is not salvaged. Housewives are encouraged to save the fat from hens that are being culled and canned now.

Potatoes, of which there is a bumper crop this year, are the number one vegetable calory-provider to help make up for the cut in bread consumption.

Insanity seldom develops in persons under fifteen years of age.

Do You Need STORAGE SPACE?

We have just received a new shipment of—

HAPPY BIRTHDAY!

Movies talked! Yes, twenty years ago, come August 8th, the movie goes all over the United States sat tensely on the edge of their seats, listening bug-eyed to John Barrymore as he talked in "Don Juan," the first talking movie.

Warner Brothers is celebrating during the month of August the twentieth anniversary of sound.

It is hard to believe that only two short decades ago, we could be entertained by simple pantomime and such sub-titles throughout the picture as "Come the Dawn," "Night Falls," "The Prodigal Returns," etc.

Nobody knows what wonders lie in store for today's children, but it is reasonable to believe that they will never be more amazed than we were when we heard our first talking movie—which was Al Jolson in "The Jazz Singer."

The fade out of the silent screen and the start of the new era that brought motion pictures to the place in the world they occupy so prominently today is really a time for celebrating. During the month of August picture theatres all over the world will feature special events in celebration of talking pictures.

EVERY MAN TO HIS GAME

In defense of his English, the one-time great baseball pitcher, Dizzy Dean, now a sportscaster at St. Louis with a tremendous following of delighted listeners, makes the point that he and his brother, Paul, missed out on a formal education, but managed to do all right in their chosen profession, which was baseball.

"Me and Paul," wrote Dizzy in a United Press contribution, "didn't have to worry about that sort of stuff when we were winning games... Paul, he'd win one, and I'd win the next. Didn't nobody come around after the game and ask whether we'd throwed or throwed the ball in there to make a play."

Dizzy's present job is not to instruct children in the correct use of English, but to describe baseball with professional skill. This he does with creditable success. With Dizzy, a player did not slide into third; he slid. When corrected by the critics, he said, "what do you want me to say—slided?"

The idea that his brand of English could corrupt the speech of school children is ridiculous—when one compares it with the comics read eagerly for generations by millions of kids. His good old brand of "cotton-patch" talk constitutes a colorful contribution to the gaiety of the nation and certainly isn't any more harmful to the young hopefuls than the jabber of the Katzhammer Kids of the funnies.

PUT YOUR NICKEL IN THE JUKE BOX

(Editor's Note:—A teenager in one of the current magazines put some wise words into being with the following editorial. The idea could well be taken into personal consideration by adults as well as adolescents.)

"Huddled around every juke box in the land, you will find drips who want to listen to the music on someone else's nickel. These are the characters to avoid and to avoid being. Wherever you go, whatever you're doing, you've got to add your little nickel. If it's a racket (party, that is), do all you can to help the revelry—get into any game that's going. At home, too, make your presence pleasantly felt, by being an active member of the house. Never let it be said that you're traveling along on someone else's dough, talent, or personality. But to garble an old saying: "Give, and the world gives with you; keep, and you keep alone."

THE ROAD TO WAR

According to a recent nation-wide survey, 62 per cent of the American people now believe that we will have another world war within 25 years. Only 24 per cent believe that we will have lasting peace. By comparison, three years ago, when the last war was at its height, 47 per cent of the people felt that a lasting peace was probable, and 43 per cent were convinced of the inevitability of another war.

The diminishing faith of the American people in man's ability to prevent wholesale murder and destruction on an incredible scale is in itself a terrible commentary on the state of the world. Its origins are obvious enough. We have watched the failure of the United Nations Security Council to arrive at workable agreements. We have seen the trend back to the old balance of power policies which did so much to ferment World Wars I and II. We have seen the rights of small nations destroyed and the voices of dissenters violently stifled. We have seen authorities pessimistically forecast that the world may break down on two great opposed spheres of influence, led by the Soviet Union on one side and the United States on the other.

The challenge this offers to all nations of the world is the greatest they have ever faced. For, should war come again, it could very well end only in the death of civilization as we know it. The atomic bomb is in its infancy, and the "improved" bombs of the future, compared to those of today, will be like a 1947 car beside primitive vehicles that appeared forty-odd years ago. Other weapons, of unimaginable scope and destructive power, are in the experimental stage. It is perfectly possible that this kind of scientific progress, once unleashed for war, may mean the ruin of all mankind.

What nation wants this? What government, no matter how greatly it distrusts its neighbors, will assume the awful responsibility for another war? What differences are so important that they cannot be reconciled in the interest of lasting peace? The very existence of every being, whether he be Russian or American, Pole or Greek, Indian or Briton, depends upon the answers given to these tremendous questions.

A nylon sale is where a woman ruins one pair of hose in order to buy another.

After 40 the bulk of your troubles are in your tummy.

When a woman says she won't be a minute, she is usually right.

If the weather is the same in Hawaii the year around, then how do they start a conversation?

INFORMATION, PLEASE

By a conservative estimate, 300 million people in the world today are victims of malaria. In India alone 2,000,000 die each year from the disease, more than the total deaths from all causes in the United States.

These staggering figures appear in Mrs. M. L. Duran-Reynolds' "The Fever Bark Tree," a dramatic story of malaria and its effect on mankind. Literally "malaria" means "bad air"; the ancient Greeks attributed it to the humid air of the marshes. Alexander the Great was one of its most celebrated victims; he died of this "mysterious" fever in the year 323 B. C.

People tried all manners of strange remedies. One Arabian Physician prescribed pills coated with gold and silver dyes. Another "sure-cure" reads as follows: "Cut the ear of a cat, let three drops of the blood fall in some brandy, add a little pepper thereto, and give it to the patient to drink." Blood-letting, witchcraft, astrology were all tried, to no avail.

Then, in the 17th century, a Spanish monk found that the Indians of Peru had a miraculous cure in the bark of the "fever tree." The tree was later named "Cinchona," and from its bark quinine was made. During World War II the U. S. made 8,000 separate tests to discover a substitute. Several of the drugs that resulted will replace both quinine itself and its well-known substitute, atabrine.

VACATIONER'S CLASSIFIED

It has been said that people travel for three reasons:

Infirmity of body, Imbecility of mind and of inevitable necessity.

The whole lot, it was said, could be classified as: idle travelers, inquisitive travelers, proud travelers, vain travelers and sentimental travelers.

Check this list when you start on that vacation. Might be interesting to see what type traveler you are.

Any Poles, Transformers or Wire Today?

We'll Take A Trainload Please, for Use AT ONCE!

We need poles, transformers, and wire—lots of them to complete the extensions of electrical service planned, and contracted for, months ago. Our suppliers would like to provide them, too. Production simply isn't enough.

All three are prime necessities in providing new services... rural, urban, industrial, and commercial. Manufacturers are unable to make deliveries of poles, transformers, and wire. Even the equipment and fixtures which enable you to use electricity after it reaches you are now far below demand.

We want those who are now awaiting electric service to know that poles are being set, wires strung, and transformers installed just as fast as they can be obtained.

Our job is to bring you the advantages of economical and dependable electricity. We are eager to be on with our job... and promise you that we are doing all in our power to execute it with the least possible delay.

The meeting closed Sunday night at the Church of Christ which was being conducted by Ollie D. and Oran Dial. There were two additions to the church during the meeting.

Visiting the J. L. White Sunday were Mr. and Mrs. Vern Johnson and children.

Mr. and Mrs. Smallwood and Dorothy Sue have been with Arthur Smallwood who is a patient in an Abilene hospital.

Several families from here have been attending the Baptist Revival at Pleasant Valley. Their new pastor, Rev. Tutters, a Howard Payne student, has been conducting the services.

Rev. Emmett Brooks and family left Monday for Harmony where he will conduct the funeral of his grandmother.

Mr. and Mrs. Berg and four children of Denver, Colorado, arrived Thursday to visit her sister, Mrs. S. M. Truelock and other relatives here and at Post. Wednesday they and Mrs. Truelock left for New Mexico to see their father.

Mrs. John Draper of Hereford, formerly of Southland, and Mr. and Mrs. Dave Draper and family of Slaton visited the W. W. Gilliland Sunday.

Herbert Dunn is now manager of the Duff store. Tommie Scott Goulsby is visiting her grandparents, Mr. and Mrs. L. A. Dunn and attending the meeting at the Church of Christ.

August Becker, Jr. is now out of service and at home. He is the last of three brothers, all in the Navy, to recently receive their honorable discharges.

Those attending the 40th wedding anniversary of Mr. and Mrs. Riley Wood Sunday were Mr. and Mrs. E. Martin, Mrs. Nellie Mathis and Carolyn Sue Kasinger, and Mr. and Mrs. Walter Kellum.

Mr. and Mrs. Riley Wood will leave Thursday for San Jose, Calif. to visit their son and his family.

Visiting the Haywood Basingers, John Leskes and other relatives at Miss Glynis Huffer of Vernon.

Mr. and Mrs. Jack Myers and children went to Spur Sunday to visit her parents. Their two sons remained with their grandparents for a few days.

Mr. and Mrs. Ford Shropshire of Post visited the Arville Fergusons Wednesday and attended the meeting at the Church of Christ.

E. L. Howard, who is stationed at Philadelphia, Pa., was through Southland Friday and stopped for a visit with his aunts, Mrs. D. D. Pennell and Mrs. A. A. Ferguson, and families.

Manuel Truelock is stationed at Guam.

Mr. and Mrs. B. C. Robinson, Jr. and daughter, Tommy Scott, of Ft. Worth are visiting her parents, the L. A. Dunns.

The WMSCS met last Tuesday with Grady King for a regular quarterly social. The Methodist ladies revealed the names which they had drawn last quarter for exchanged gifts and drew new names. Cake and punch were served to the group following the meeting. Sixteen members are now enrolled with an average attendance of ten.

Dan Cockrum and Paul Duren

Vada Cleanchers.

Mrs. Pete Vassas and daughter, Ester, returned to Post after a two weeks visit with her aunt, Mrs. J. A. Smith and family.

The Canyon Valley club women met in the home of Mrs. Pete Pennell Friday in an all day meeting. Those present included Mrs. J. A. Smith, Graden Slater, J. E. Craine and Guy Craine. Visitors were Mrs. Pete Vassas, Elizabeth Craine and Emmett Pollock.

F. Z. Beanblossom (left), poultry marketing specialist, Texas A. & M., and J. E. Simpson, Yorktown, president, Texas Baby Chick Association, members of state's Chicken-of-Tomorrow Committee, discuss three-year breeding contest during recent International Baby Chick Association convention in St. Louis. First award of \$5,000 and smaller regional prizes will be given by A&P Tea Company to poultrymen who develop the best meat-type chickens in nationwide program.

Garza Cotton Farmers Should Check for Weevils
Garza county farmers who have cotton should take the advice of Paul Gregg, assistant entomologist for the Texas A. and M. College Extension Service, and check their cotton for boll weevil damage, advised County Agent Frank Easton.

An easy check may be made, Easton quotes the entomologist as saying, is by pulling 100 normal squares each week and examining them for weevil punctures or stings. If as many as 10 or 15 squares out of the 100 are punctured, it will pay to dust the cotton with calcium arsenate at the rate of five to seven pounds per acre. In fields where most of the squares have been stung by weevils, it probably will do no good to poison now, Mr. Gregg says, because there is not enough moisture in the soil to keep the cotton fruiting for the next 10 to 15 days. Unless the cotton can put on more fruit that would be protected from the insects, it will not pay to kill weevils that have already done extensive damage. Farmers should dust these damaged fields after a heavy rain, however.

Reports received by the extension Service show that farmers who have dusted with calcium arsenate have protected most of the fruit on the cotton plants, while fields that have not been dusted have very little good fruit left because of weevil injury.

"Hot dry weather has been in favor of the farmers," says Easton, "because conditions for dusting are good and hot weather alone will help to check the weevils, but I advise that you do as Mr. Gregg advises and check your cotton regularly."

of the Post Dispatch were in Southland on business Saturday afternoon.

Mrs. Homer Freeman of Dallas is visiting the D. D. Pennell's this week.

Mother Donohoo is now staying with her son, Wes Donohoo, and daughter, Mrs. Will Basinger.

Mr. and Mrs. Raymond Hall, newly married couple from Abilene, are honeymooning here this week.

WORTHY BITS FROM CARL SANBERG'S BOOK, "THE PEOPLE, YES"

Here are a few sayings from Carl Sanberg's book, "The People, Yes":

Wedlock is a padlock. Take a good look at the mother before getting tied up with the daughter.

Let a mother be ever so bad, she wants her daughter to be good.

The man hardly ever marries the woman he jokes about; she often marries the man she laughs at.

Keep your eyes open before marriage, half-shut afterward. A wife is not a guitar you can hang on the wall after playing it.

The shabby genteel would be better in rags. Wishes won't wash diabetes. Let the guts be full for they carry the legs.

Love your neighbor as yourself but don't take down the fence. Except in fairy tales the beautiful get less.

A beggar's hand has no bottom. Even God gets tired of too much hallelujah. Lips however rosy must be fed. Somb kill with a feather.

Life goes before we know what it is. One fool is enough in a house.

The answer to housewives' desert problems lie in the estimated 2,613,000 bushel Texas peach crop. Good for breakfast, dinner, supper or between meals.

A dollar bill is six and one eighth inches long.

SUPER TUBE WILL BALANCE YOUR CAR

The little bus was a smooth number when she rolled off the assembly line. But neglect and abuse made her saggy in the spindles with shimmyies in the wrong places. SUPER TUBE, in the MERRILL Electronic Wheel Balancer, gave her a new life—balanced her up, and now she's purring along like a new model. Don't neglect your car! Unbalances increases tire wear and shortens car life. Shimmy is real soon.

CONNELL CHEVROLET CO.

To Our Friends and Customers:

Just to let you know how we are progressing with the re-building and re-modeling of our store since we burned out several weeks ago, we are pleased to announce that the work is progressing as well as might be expected in times like these.

Of course, as you well know we are being delayed in material shortages, but we've managed to secure everything we need to rebuild. We are enlarging our show rooms, building a larger storage department and re-modeling the entire building. We expect to complete all this work within a few more weeks.

As to the merchandise situation, we are pleased to inform you that we are receiving our new stock almost daily. Our buyers will be off to market before long now and buy additional merchandise... so when we open our doors we will have a much larger stock than we carried before the fire.

We are storing the new merchandise in a building we have rented for that purpose, and although we are not attempting to show it until it is moved into our building, we want you to know that if you need some item of furniture that we have, we'll be more than pleased to show and sell what we have received in recent weeks.

So please have no hesitancy in calling on us for the things you need.

We just wanted to drop you this little note to let you know we're still sticking around and making ready to offer you a fine stock of furniture at a very early date.

We're Open From 8 a. m. to 5 p. m.

Hudman Furniture Co.

I wish to take this means of thanking the voters of this county for the vote and support given me in my race for Sheriff.

It is my intention to see each voter before the Run-Off Primary.

Your continued support will be appreciated.

CHAS. O. REED

GRAEBER RITES—

(Continued From Front Page)
man of an improvement program started last year.

He was a charter member of the Rotary club. He served on the city council for eight years, was a most active participant in all charitable and good will organizations. His many charitable deeds are numerous. Earnestly he worked for all phases of the war program such as War Bond drives, USO and Red Cross work. In World War I he served as county chairman of the Victory Loan drive.

The text, "For none of us liveth to himself and none dieth to himself"—Romans 14:7—was used by Rev. Stephens as a text for the funeral sermon. As a citizen Mr. Graeber was upright, as a friend he was sincere and as a Christian he was sincere. His influence in the community, in the personal lives and in the religious life of the town will be felt in the lives of all of us. We are not to mourn but to treasure the memory of one who lived among us so well," Rev. Stephens said.

Musical contributions by a vested choir comprised of choir members from all churches in Post were: "The Church's One Foundation," "Gathering Home" and "All the Way My Savior Leads Me." Solos were given by Mrs. T. L. Jones who sang "Crossing the Bar" and by Miss Iris Joy Parker who sang "Gathering Home." Mrs. Maxine Greenfield Jobe was organist and Bill J. Davis was violinist. Mrs. Jones was in charge of the musical numbers.

The beautiful floral offering was in charge of Bonnie McManis, Verlaime Smith, Vivian Cooper, Margaret Anderson, Lucille Meador, Oneta Anders, Vera King, and Louise Dietrich.

Pall bearers were J. E. Parker, Walter Clark of Plainview, N. C. Outlaw, Noah Stone, Paul Moore, and Marvin Williams.

Honorary pall bearers were: T. B. Greenfield, Harvey Moreman, Charlie Voss, L. C. Carmichael, Harry Dietrich, Boone Evans, George Samson, Oliver McManis, Embury Williams, R. D. Travis, Ben Williams, W. T. Bow-

SAN FRANCISCO, CALIF.— (Soundphoto)—Surrounded by eight children and sixteen grandchildren, Mrs. Katherine Tonini, 74, is shown on arrival by airplane from Airolo, Switzerland. She was greeted at the San Francisco airport by her family, some of whom she had not seen for 34 years.

EARL'S WELDING WORKS CHANGES OWNERSHIP

A change in ownership of Earl's Welding Works was announced early Thursday morning by the new owner, John Lee Condray.

Announcement through advertisement in the Dispatch says the manager, personnel and telephone will remain the same. Only the name has been changed. The shop is now styled Post Welding Works.

The shop will endeavor to give quality workmanship. Patronage of this area is solicited.

ees. Tol Thomas, C. D. Marrel, L. Bowen, B. L. Sorege, J. R. Durrett, E. L. Jones, Roy Baker, F. C. McAnally, Bob Warren, Ed Warren, Dr. A. C. Surman, R. J. Hunsley, Avey Casey, all of Post, Hayes Holman of White Salmon, Washington, Ed Robertson of Lubbock, W. C. Boyd of Plainview.

At Terrace cemetery where interment was made a brief Scripture was recited by Rev. Stephens and a prayer was offered by Rev. Smith preceded by the song "Tell It to Jesus."

Besides his widow, immediate survivors are three sisters: Deaconess Berta Graeber, Miss Vally Graeber and Mrs. Gunter Schultz; and three nephews, Gerhardt Graeber and Hunter and Waller Schultz, all of Germany. Relatives in Post are the W. F. and L. A. Presson families.

Relatives and out-of-town friends attending were Miss Boo Presson of Dallas, Kent Presson of Austin, Mrs. O. M. Bayer, Miss Gladys Bayer and Mrs. Lucille Fowler of Jarrel, George Bayer of Georgetown, Mrs. Johnie Freeman of Vernon, Mr. and Mrs. Walter Clark, Mrs. Frank Nease, Mrs. W. E. Kunze and Mr. and Mrs. Walter Boyd, all of Plainview; Mr. and Mrs. Ed Robertson and family, and Mrs. James Samson of Lubbock.

A LOCAL LADY SPIT UP ACID LIQUIDS FOR HOURS AFTER EATING

For hours after every meal, a local lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloating, daily headaches and constant irregular bowel action. Today, it is lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her.

No gas, bloating or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County. —Adv

WASHINGTON, D. C.— (Soundphoto)—The Mead Committee recently subpoenaed Rep. Andrew J. May, (D), of Ky., House Military Chairman, to testify under oath regarding his connection with the Garrison Munitions Combine. Sen. James Mead, (D), of N. Y., Chairman, Senate War Investigating Committee, signs the subpoena.

STEEL HOLDING UP CONSTRUCTION ON NEW IHC BUILDING

A shipment of steel beams which was scheduled to arrive here several days ago is holding up construction on the new International Harvester Company building which is being erected here by Post Truck & Tractor Company.

Forms around the foundation are being removed today and the owners G. W. Basinger and Dowe Mayfield expect to receive the needed steel within a few days. Brick and tile for the structure have been placed on the grounds and brick laying will get underway as quickly as the steel arrives.

Mr. and Mrs. H. E. Shifflett and children of Polar, Texas, Miss Joe Shifflett of Goodland, Texas, and Mr. and Mrs. W. M. Shifflett of Abilene are visiting in the home of Mr. and Mrs. Lawrence Hall.
