## Absentee Voting In Sharp Drop

Eleven absentee votes for the Aug. 28 runoff election had been cast up to noon Wednesday, according to County Clerk Ray N. Smith.

Six of the votes had been cast in the clerk's office, and the other five had been sent in by mail. Eleven ballots had been mailed from the clerk's office, with six not yet returned.

The sharp drop in the number of absentee votes from that of the first primary is attributed to the fact that most vacations are over, Smith said.

Voters have from now until Aug. 24 to cast absentee ballots.

According to the Secretary of State's office, those eligible to vote absentee are those who are ill or disabled, or who expect to be out of town on election day. There is no fee for voting absentee.

## Postex Mill Back On Six-Day Work Week

Increased business at the Postex Mill this quarter has resulted in resumption of a six-day work week, R. J. (Rube) Jennings, president, announced Monday.

Jennings said the six-day week is expected to continue for at least the rest of the year. For the past three months, the mill had operated on a five-day work week.

## Horse Show People Guests At Barbecue

The City Park was the scene of a barbecue Saturday morning for members of the Garza County Quarter Horse Association, show exhibitors, officials and other guests. Approximately 100 persons were served.

The meal was prepared by Lee Davis, Dick Woods, Earl Hodges, Bill Long and Julius Johnson.

## Ballots Are Mailed For ASC Elections

Ballots for the election of three men from each of the three Agricultural Stabilization and Conservation communities of Garza County were mailed from the ASC office Monday, reports Mike Custer, office manager. The ballots must be returned not later than Tuesday, Aug. 24, date of the election.

"This, like all other elections, is an important one," emphasized Custer. "Farm operators in each community should interest themselves in the election and

## Telephone Company Seeks Increase In Rates For Post

General Telephone Company of the Southwest is seeking higher rates in Post, with decreased earnings brought about by increasing operating costs pointed out as the principal reason for the request.

R. E. Saunders, General's district manager for Post, blamed the continuing inflationary spiral that has increased the cost of furnishing service for lowering the company's rate of return on investment in Post.

Mayor T. L. Jones said today that the telephone company's request for higher rates here will be discussed by the City Commission at its next meeting, which will be early in September.

Since 1932, Saunders said, there have been only two rate adjustments in Post, totaling approximately 31 per cent.

"These rates," he said, "are now inadequate because of the continued increase in costs of materials and equipment that go into furnishing telephone service, which have increased as much as 100 to 250 per cent."

Saunders went on to explain that in order to provide money for expansion a telephone company needs to attract investors to buy its securities. "To do this," he continued, "we must offer reasonable interest or dividend rates and also assure the investor a reasonable amount of security. Despite every practical economy of operation in the Post exchange, increased costs have so affected operations that repricing of local telephone service is needed."

The present rates in Post are: Business — One-party, \$7.75; two-party, \$6.25; extension, \$1.50. Residence — One-party, \$4.50; two-party, \$3.75; extension, 75 cents.

The telephone company has set the following as the required rates:

Business — One-party, \$11.50; two-party, \$10; extension, \$1.50. Residence — One-party, \$5.75; two-party, \$4.75; extension, 75 cents.

The last increase in Post was

## Dispatch Is Winner On News Pictures

The Post Dispatch last week was awarded first place in news pictures in contests sponsored by the West Texas Press Association.

The Dispatch placed third in the best all-around newspaper (towns over 2,000 population) and third in advertising layout and composition.

A two-foot trophy was awarded the Dispatch at a luncheon held in Midland Friday during the annual West Texas Press Association meeting.

Second place in the news pictures division of the contest was won by the Stamford American, with the Fort Stockton Pioneer third, and the State Line Tribune (Farwell) fourth.

Stamford and Littlefield newspapers finished ahead of the Dispatch in the best all-around newspaper contest, and also in the advertising layout and composition contest.

put into effect on Oct. 1, 1951, and was based on data as of Nov. 30, 1950, according to the district manager.

As an example of how the cost of furnishing service has risen since 1940, Saunders pointed out that 11 general wage increases resulting in an over-all increase of more than 170 per cent, have been granted. Since the date of this study, a 12th increase has been granted and

went into effect on July 1, 1954, which will bring wages to represent approximately 82 per cent of the expenses, exclusive of depreciation and taxes, he added.

When asked if the telephone company did not experience a decreasing unit cost as volume increases, Saunders explained that while this is true in most businesses or other utilities, it is not true with telephone com-

## VISITORS TO ARRIVE AT 10 A. M. SATURDAY

## Foreign Group To Tour Postex Mill

Thirty foreign agricultural leaders, currently touring the United States observing various agricultural operations, will arrive in Post at 9 o'clock Saturday morning for a tour of the Postex Mill, where Garza sheets

and pillowcases are made.

The special bus carrying the group will stop at the Chamber of Commerce office and be escorted from there to the mill by a C. of C. reception committee.

Eleven of the visitors are from Thailand, Costa Rica and Formosa, and are in the United States to study rice production methods. The other 19, here studying irrigation methods, are from Brazil, Egypt, Iran, Italy, Uruguay, Greece, Yugoslavia and Turkey.

Under the supervision of Dr. D. K. Fuhrman, associate professor of irrigation engineering and drainage at Utah State Agricultural College, the visitors this week are studying South Plains irrigation.

Miss Isabel Giampietro of the Foreign Operations Administration in Washington, D. C., is traveling with the group as an interpreter.

Dr. Fuhrman said that since the tour began May 19, the irrigation study group has visited in Utah, Idaho, Wyoming, Montana, Nevada, California, Arizona and New Mexico.

The trip is being sponsored by the U. S. Department of Agriculture and the nation's land grant colleges.

## Seven Cases Are On Court Docket

Seven cases are on the docket for hearing beginning Monday at the August term of county court, which opened early this month.

Defendants in the seven cases and the charges against them are: David Isles, sale of beer; Jack A. Wall, driving while intoxicated; Bertha Williams, sale of whiskey; James L. Mock, driving while intoxicated; Soto Morales, aggravated assault; Dalton Morgan, check law violation, and Bill Littlell, driving while intoxicated.

The jury panel for the August term includes the following: Floyd H. Hodges, Phil Trammell, James E. King, Hugh Mar-

tin, Bud Everett, Robert Cox, Fred Douglas, Livingston, Raynes, Alvin Young, J. G. Siegel, Weidner, McGeehe, Lewis, Wendall, Ellis, C. R. Scott, H. A. Wood, Earl Rogers, Walton, E. E. Peel, E. R. Moore, A. B. Casey, Byron Haynie, Hodges, Stanley L. Butler.

## Antelope Club Name Changed Wednesday

Antelope Boosters Club has a new name, but its objective remains the same—boosting the fortunes of the Post High School football team.

The meeting Wednesday morning, 13 members of the club decided on the new name of "Post Quarterbacks Club," the Rev. Charles R. Gates, president, reports.

The meeting time was also changed—from Thursday night to Monday nights.

Membership fees in the club are 50 cents. The organization is open to women boosters of the Antelopes, as well as to the men, Rev. Gates said.

The club is making arrangements for printing of 1954 football programs within the next few days.

## Fellowship Student To Be Rotarians' Guest Tuesday

The Rotary Club of Post will be host to Miss Fiozelle Jones, of Sweetwater, on Tuesday Aug. 24. Miss Jones is a Foundation Fellowship student of the 183rd District of Rotary International, and has just returned from a year's study at the University of Manchester in post-graduate work in British history and government, and travel over Continental Europe. She was sponsored for a Rotary Foundation Scholarship by the Sweetwater Rotary Club, and was selected as the 183rd District's Rotary International Fellowship Student in December of 1953.

Miss Jones attended school in Sweetwater, and graduated from the University of Texas with a Bachelor of Arts Degree, with honors, in English. At the University, she was a member of the Women's Debate Team, Mortar Board (women's honorary society), Alpha Delta Pi social sorority, and Phi Beta Kappa.

President Rube Jennings of the Post Rotary Club says that Rotary International is spending some \$350,000 annually, offering scholarships through Rotary Clubs the world over for advanced study outside their own country. He added that 115 students will be selected for Rotary Foundation Fellowships from the 89 countries of the world in which Rotary is now organized for the

academic year of 1955-56. These fellowship students' expenses are fully paid, and the only obligation imposed is that they act as unofficial ambassadors in the country in which they are taking advanced studies for the way of life of their native land. And, in return, when their study is finished and they return to their own country, they are expected to likewise act as unofficial ambassadors in selling the way of life in the country in See ROTARY STUDENT, Page 8

## Janie Gossett Is Queen Of Rodeo

Miss Janie Gossett, 16, daughter of Mr. and Mrs. L. E. (Buck) Gossett, won the Junior Rodeo queen's race last weekend over five other candidates.

Janie, who will be a junior this year in Post High School, received the queen's trophy following the grand entry at Saturday night's rodeo performance. The presentation was made by Joyce Josey, chairman of the queen contest.

Riding into the arena on a station wagon furnished by Tom Power, Ford dealer, the queen was accompanied by the other five candidates—Sherry Taylor, Hazel Lancaster, Jeanette Storie, Minnie Lee Mathis and Jennie Lou Redman.

Proceeds from the queen's contest, in which votes sold for a penny each, are to go into the Garza County 4-H Club fund.

## School Financing Speaker's Topic

The history of public school financing from the earliest times to the present was traced by Dean A. Robinson, Garza County superintendent of education, in a talk Tuesday evening at the Post Lions Club meeting.

Robinson devoted much of his talk to an explanation of school financing under the Gilmer-Alken Law, which was enacted a few years ago.

The Lions discussed plans for the Garza County Fair here Sept. 17 and 18, and the following committee appointments were announced:

Ticket Sales—Victor Hudman, chairman; Almon Martin, J. N. Power and Weaver Moreman.

Foods — Will Scarborough, chairman; Walter Lee Johnson and Joe J. DeArmon.

Bingo — Howard Madders, chairman; H. W. Schmidt and Ben Owen.

Also discussed by the Lions were plans for the new city directory they plan to have published in the near future.

By CHARLES DIDWAY

TWO OF THE YEAR'S BIGGEST SPECTACLES on the local scene—the Southwestern Championship Junior Rodeo and the Garza County Quarter Horse Show—have been staged, and we can begin looking forward now to the Democratic runoff election, the opening of the 1954-55 school term and the Garza County Fair—in that order.

IN MANY RESPECTS, THIS YEAR'S Junior Rodeo was the best in the seven-year history of the event. There have been more contestants than the 185 who competed this year, but it's doubtful if competition has ever been keener or performances more outstanding. The times posted in the roping events here will stand up against those in any junior or amateur rodeo held anywhere.

THE FACT THAT THE RODEO WAS RUN off smoother this year can be attributed to the reorganization several months ago when adult directors were elected to direct and assist the junior officers and directors in staging the event. There was also more cooperation this year on the part of the business firms and civic groups, including the Post Chamber of Commerce, which spearheaded the city decoration project and assisted on other angles.

IT'S A LITTLE EARLY AS THIS is being written to learn whether or not the rodeo was a success from the financial standpoint, which, after all, is a mighty big item in any fundraising event. But, from the spectator's standpoint, last week's four-night show was a big improvement over some of those held in the past.

RARELY DOES A NEWSPAPER COME ANYWHERE close when it tries to predict what the size of a crowd will be or how many entries there will be in such-and-such a contest. But in predicting that there'd be 80 horses entered in Saturday afternoon's horse show we outdid ourselves. Instead of hitting over the mark, as we usually do, we hit under it. The 84 horses shown here in this year's event set a new record.

BELIEVE IT OR NOT, THIS YEAR'S first football game will be played two days before classwork begins for the new school year, although registration for the term will have been completed by the time the Antelopes take the field against the Roscoe Plowboys on Friday night, Sept. 3. Classwork is scheduled to get under way the following Monday.

ANOTHER BIG EVENT THAT ISN'T too far away is the Garza County Fair on Sept. 15 and 18. Members of the Post Lions Club, sponsoring the fair for the second successive year, are making plans for an even bigger exposition than last year's event, which surprised even the sponsors from the standpoint of quantity and quality of entries. Those who haven't received a copy of the fair catalogue, which includes the complete premium list, may pick one up at the county agent's office.

Roger W. Babson Writes This Week:

First Complete Revision Of Federal Tax Laws In Many Years Will Help Everybody

BARBON PARK, Mass.—The new tax law will help everybody. It is the first complete revision of all the Federal tax laws which has taken place for many years.

Hard Luck And Baby Sitting Favored One of the first things recognized is that we all should get easier tax treatment for misfortune. This includes everything from sickness and accident to business losses. Not only are allowances made for this year's hard luck, but we are also allowed to charge these losses against a greater number of previous years' gains. Limited child-care expenses for low-income parents are exempted.

You may deduct medical expenses above 3 per cent of income, instead of 5 per cent as at present. But, you must remember that from now on you may only deduct sums spent for drugs and medicine above 1 per cent of your income. Mothers, or widowers, who must work to support children under 12 or other dependents, and any woman whose husband is incapacitated, or working couples with combined family income of less than \$4,500 may deduct up to \$600 spent for child care. If you miss work because of an illness or an injury, you are entitled to tax exemption on payments made to you by your employer up to \$100 a week. The exemption does not apply in the first seven days of an illness, unless you are hospitalized.

Relief For Dividend And Retirement Money

If you are a stockholder, you won't have to pay any tax at all on the first \$50 of income in dividends. Furthermore, you can take 4 per cent of any dividend income above \$50 and deduct that from your tax payment. Although the double taxation of dividends is wrong and dishonest, I do not feel so badly that the President's request was not fully granted, especially in the case of young people. Older people who cannot work and are wholly dependent upon dividends should have total relief, but not everyone. In fact, the discrimination should perhaps be by age, rather than by the total dividends received, except when they are reinvested in the stock of the same company. You won't have the basic 20 per cent tax rate on the first \$5,000 of retirement income received after you pass 65. If you are a retired Government employee such

MORE FUNDS ARE NEEDED

This week marked the start of the Emergency March of Dimes—something new in the nation-wide campaign to raise funds with which to fight infantile paralysis.

With one March of Dimes having already been completed this year, the National Foundation for Infantile Paralysis has a job on its hands to raise enough money in the current campaign to replenish exhausted funds.

Although most every community went over its quota in the January drive, an upward surge in the number of polio cases and stepped-up research work has made the need for funds greater than it ever has been.

Our own county is an example. The share of funds we received from the January campaign has been exhausted and it has been necessary for the NEIP to send the county a check for \$500 with which to continue its aid to polio patients. Many other counties are in an even worse condition as far as polio funds are concerned.

Coin containers have been set up in business places here as a starter on the Emergency March of Dimes. Let's remember what a fight we have on our hands in combatting the cripples of children and give as generously as possible in this worthwhile campaign.

A small town without a newspaper would be like a school without a teacher or a church without a pastor!

That striking opinion comes from Prof. John H. Casey of the Department of Journalism of the University of Oklahoma. He went on to say this: "In the aggregate, the country newspaper determines the outcome of more elections, exerts a greater influence for constructive community progress, is read longer by more members of the family, and constitutes, with its millions of circulation and quadrupled millions of readers, a better advertising medium than any other group of newspapers or periodical publications."

By staying alive throughout the school year, the parents' organization can be a big help toward putting band activities here on a firmer footing.

And some of the letters—Said at the top—"Released without charge!"

And one gay pup—Had scribbled—"Unless release date—is strictly observed—You will be taken—From our list!"

And I didn't care—A tinker's dam—How soon—the space moocher—Cut me out—And I said so—Across his copy—And sent it back—

And Chauncey—Was all smiles—And good humor—Was fairly oozing—Out of—His perfumed hide—

And he gave me—A cigar—With a band on it—And pulled up a chair—

And he showed me—Samples—Of street car cards—And samples of dodgers—To be used—By the thousands—

And he said—They intend—To use every—Billboard they could get—

And I asked him—Were they going to—Use theatre programs—And he said—Why certainly—All of them!"

And I asked him—How much money—Would they spend—With the newspapers—And he looked at me—Like he was sorry—For my ignorance—

And he said—"Why, my dear sir—The newspapers—Are always glad—To print the race 'news'—On an exchange—Of courtesies!"

And I asked him—Were the billboard men—And the program sharks—And all the others—Doing that too—

And he tried to be patient with me—And suavely explained—That the billboard men—And others—Couldn't afford—To give away—Their valuable services—

And after I—Threw his samples out of the door—After him—And readjusted my collar and tie—I sat down to meditate—

And it came to me—That if newspaper men—Have been so—Danged easy—For so long—That a press agent—Has nerve enough—To remind them of it—It's about time—We make a change—

Or get out—Of the way—And make room—For men who—Have better sense.

# Saturday Horse Show Draws 84 Entries For New Record

Eighty-four horses were shown Saturday afternoon in the sixth annual Garza County Quarter Horse Show to set a new record for the event. The number of animals entered in this year's show was approximately 20 more than in any of the five previous events. The grand champion stallion, Babe Mac C, was shown by Buster Cole of Goldsmith, and the reserve champion, Town Crier, was shown by Paul Curtner of Jacksboro.

Taking the grand champion trophy for mares was Little Squaw B, owned by Mr. and Mrs. J. D. Kitchens of House, N. M., and shown by Mrs. Kitchens. The reserve champion was Neva Mae, shown by Bill Wyche of Van Horn.

Ralph Howe of Seymour, who has judged some of the nation's top quarter horse shows, judged the event here. George "Scotty" Samson was show superintendent, and Don Long was assistant superintendent. Alvin G. Davis of Brownfield was the announcer.

Approximately 300 persons saw the show.

Trophies donated by Post individuals and business firms were awarded winners and runners-up in each class and ribbons were presented through sixth place. Assisting in the presentations were Roger Camp, son of Mr. and Mrs. S. E. Camp, and Connie Connell, daughter of Mr. and Mrs. Wilson Connell of Polaris.

## One Of Nation's Top Safety Records Compiled By SWPS Company Workers

H. L. Allen, vice president, Lubbock, announces that Southwestern Public Service Company employees have now worked two million consecutive man-hours without a lost-time accident, the longest continuous accident-free period in the company's history, and one of the top safety records among the nation's electric light and power companies.

Only seven other electric companies in the country have achieved the two million mark for the entire company, the records of the Edison Electric Institute reveal. The EEI award for recognition of million man-hour or more safety accomplishments was inaugurated in 1943, and to be the eighth out of nearly 300 member companies to reach the two million accident-free man-hours goal is a significant safety achievement for Southwestern Public Service Company.

The present unbroken string of accident-free days began on Jan. 30 of this year. The company is averaging less than one lost-time accident for every million man-hours, as compared with a utility industry average of 11.50 lost-time accidents for every million man-hours worked.

The old saying, "You couldn't do it in a thousand years" applies to this recent safety accomplishment, for it would take one man a thousand years to accumulate two million man-hours without a lost-time accident. The 1,850 Public Service Company employees need just over three months to accumulate a one million total.

Three million without an accident is the next goal, and the Public Service folks are after it.

Guests of Mrs. Irene Rodgers during the rodeo were Mr. and Mrs. Novis Rodgers and daughter, Nonnie.

Mr. and Mrs. Earl Thaxton are visiting friends in Kansas. They left Friday.

## VA Questions And Answers

Q. I recently was discharged from the WAVES. If I take a school course under the Korean GI Bill, could I count my husband as a dependent for GI allowance purposes?

A. You could count your husband as a dependent only if he were in fact dependent upon you.

Q. My child was born a couple of months after my husband's death. I now am getting a VA pension for myself. What must I do to receive an additional amount for the child?

A. Within one year after your husband's death, you must notify VA of the birth of your child. VA then will ask you for official proof of birth. This must be submitted within one year from the date of VA's request. The additional pension payments may be made effective as of the date of the child's birth.

Q. Would I be allowed to enroll in two schools at the same time under the Korean GI Bill?

A. You would be allowed to enroll at two schools only if one school does not offer a complete training program that will lead you to your objective, or if it would be impossible for you to complete your program in time at one school.

Q. If a veteran dies without naming a beneficiary for his GI insurance, what happens to the proceeds?

A. The proceeds will be paid to his estate in a lump sum.

Mrs. Johnny Beggs transacted business in Lubbock Wednesday.

**Indoors or Out—It's HARD TO WEAR OUT!**

Jones-Blair Porch and Floor Paint puts a beautiful glossy finish on wood, cement or linoleum porches or floors—puts long wear and service underfoot. Indoors or out, it's hard to wear it out—because it's scrub resistant, water resistant and weather resistant. Its tough, hard finish stubbornly resists scuffing and abrasion—its mirror-like surface stays bright and gleaming, richly colored as tile and almost as easy to keep clean.

Jones-Blair Porch and Floor Paint spreads easily, flows on smoothly, covers well and dries quickly. Perfect for laundry and recreation room floors or any floor where a glossy, durable finish is needed.

Jones-Blair Porch and Floor Paint—the all 24 paint—so nice to come home to. Come by and let us help you with any painting need.

## Miss Twila Welch Becomes Bride of John Spicer Saturday Evening

An archway of greenery and pink gladioli accented by green tapers in branched candelabra formed the background for the wedding ceremony for Miss Twila Welch and John Dee Spicer in the First Baptist Church of Justiceburg on Saturday night.

Parents of the couple are the Rev. and Mrs. L. H. Welch of Post and Mrs. T. R. Hildebrand of Joshua and C. T. Spicer of Kilgore.

Vows were exchanged at 8 o'clock and were read by the bride's father. Throughout the ceremony Mrs. Ray N. Smith played softly the "Indian Love Call." She offered traditional wedding music preceding the impressive ceremony and also accompanied Dove Mayfield, Jr., as he sang "Always" and "Because."

The bride was given in marriage by her brother, N. Lee Welch, of Amarillo. Her gown was fashioned of white Chantilly-type lace over white satin. The fitted bodice featured a stand-up collar and long sleeves. The diaphanous skirt extended into a cathedral train. Her fingertip veil of silk illusion was attached to a Juliet cap of lace trimmed with lilies of the valley and she carried a cascade of pink rose buds.

The matron of honor, Mrs. Jack Buchanan of Coahoma, wore a ballerina-length dress of green organdy over taffeta with a matching stole. She carried orchid daisies.

Bridesmaids were Miss Virginia Welch of Lubbock and Miss Buena Welch of Post, sisters of the bride. They wore dresses of orchid organdy over taffeta with matching stoles and carried green daisies.

Truman Hildebrand of Joshua served the bridegroom as best man. Candles were lighted by the ushers, A. J. Sales of Girard and Leslie Welch of Post.

A reception immediately following the ceremony was held in the church. The refreshment table was laid with lace over orchid taffeta. A tiered wedding cake centered the table, which featured green and orchid daisies in the floral arrangement. Sisters of the bride, Mrs. A. J. Sales and Mrs. E. A. Stewart, presided at the table. Guests were registered by Mrs. N. Lee Welch.

The bride chose for her wedding trip, a navy dressmaker suit fashioned of silk shantung. Accessories were pink and navy. The couple will be at home at Carswell Air Force Base in Fort Worth after Aug. 23.

The bride was graduated from Post High School and Texas Tech. She majored in education and received her B. S. and M. E. degrees. For the past two years she has been employed as speech therapist by the Lubbock Public Schools. She will continue work as a speech therapist in Fort Worth this fall.

The bridegroom, a graduate of Joshua High School, was graduated from Texas Tech with a degree in agriculture. He is now serving as a second lieutenant in the Air Force.

## Mother, Daughter Honored At Tea

Mrs. Nadyne Morrow and daughter, Mickey, who are moving away from Post, were honored by members of the Berean Sunday School class of the First Methodist Church with a tea from 7:30 to 8:30 o'clock Monday evening in the home of Mrs. Charles R. Gates.

Mrs. Morrow, who was a member of the Berean class, is moving to Kerrville. Her daughter is to be enrolled in the State School for the Blind at Austin.

Lucy Trammell and Frances Dietrich presided at the serving table at the farewell tea.

Gifts were presented Mrs. Morrow and Mickey by the class, the Methodist Youth Fellowship, and other friends.

## Miss Patty Lott Is Hostess At Party

Boots and saddles and things Western formed an appropriate and attractive centerpiece for the brunch table when Miss Patty Lott entertained Friday with a Coke party in the home of her parents, Mr. and Mrs. John Lott, for her house guest, Miss Jerry Johnston of Houston.

Mrs. Lott assisted her daughter in serving pineapple and cantaloupe sections, "dogs" in a blanket, cookies and Cokes to Miss Johnston, Miss Sally Bateman, who was visiting her sister, Mrs. J. E. Birdwell, during the rodeo, and Miss Mozelle Edwards, Miss Freda Kennedy, Miss Margaret Moreland, Miss Marcia Dean Holland, Miss Ann Moreland and Miss Carolyn Hudman.

**ENGAGEMENT TOLD**—Mr. and Mrs. Cecil R. Thaxton of Post are announcing the engagement and approaching marriage of their daughter, Miss Helen Thaxton, to Charles Marshall Prather, son of Dr. and Mrs. Charles Lee Prather of Austin. The ceremony will be read in the Post Church of Christ at 8 o'clock in the evening, Sept. 11. The bride-elect is a 1952 graduate of the University of Texas and has taught in Corpus Christi for the past two years. She is working this summer on her master's degree at the university. The prospective bridegroom, an ensign in the U. S. Navy, is stationed at Athens, Ga. He has a master's degree in business from the University of Texas and formerly was with the State Board of Bank Examiners in Dallas.

## Chuck Wagon Supper Is Held At Boren Home Wednesday Evening

An old-fashioned chuck wagon supper was given Wednesday night preceding the rodeo by John and Jim Boren at the home of their parents, Mr. and Mrs. Walter Boren.

Rustic and realistic appointments and decorations were used on the cafeteria-style table in the attractive kitchen den of the Boren home. After guests served themselves with barbecued beef, beans, fruits and relishes, they assembled in the yard where they enjoyed good food and fellowship for an hour before going to the rodeo arena where a number of the guests had a part in the show.

Among those who attended were Bebe Cockrell, Jerry Lynn Hughes, Pat Taylor, Betty and Connie Connell, Nonnie Rodgers, Sonny Harrell, and Dick Beidleman of Snyder, Bill Phelmy and Monty Griffin of Lamesa, Mary Zoe Hendrix of Buffalo Gap, Charles and Tommy Bird, Don Boren, Tommy Myers and Carolyn Boren of Lubbock, Neal Mears of Kerrville, Carolyn Hudman, Freda Kennedy, Margaret and Linda Moreland and Joyce Short of Post.

Jim and John were assisted in entertaining the guests by their parents.

**MYSTIC SEWING CLUB NOTICE**

Mrs. H. E. Butler will be hostess to the Mystic Sewing club on Friday afternoon.

For the first time since 1941, all six children of Mr. and Mrs. Allen M. Lucas were together Saturday and Sunday in the home of their parents, who are longtime Garza County residents. Fifty-six were present for a barbecue Sunday in the Lucas home.

The children and their families here for the occasion were: Mr. and Mrs. Harold Lucas, Dixie and Barbara; Miss Marguerite Lucas; Mr. and Mrs. Wilburn Lucas; Gary, Marilyn, Tommy and Billy of Kansas City, Mo.; Mr. and Mrs. Marshall Reno; Mrs. John D. Morrison, Rita, Linda, Mary and Danny of Mundelein, Ill.; and Jim N. Lucas and Jimmy of Albuquerque, N. M.

Others present were: Mr. and Mrs. John McQueen and Walton, Mr. and Mrs. Tom Gilmore, Mrs. Nan Matsler, Mr. and Mrs. Lonza Marlar and Kay of Morton, Mr. and Mrs. Luther Bilberry, Tom, Sharon and Larry; Mr. and Mrs. Lawrence Bilberry and Bill of Snyder; Mrs. Hal Jones, Jr., Johnny Wayne, Mara Jean and Holly; Mr. and Mrs. J. W. McQueen, Nelda and Larry of Plainview; Mr. and Mrs. Morgan Smith of Rotan; Mrs. Ida Lowe; Bobby Lucas of Temple; Mr. and Mrs. Russell Wilks, Jr., Linda and Vickie, and Mrs. Josie Reno.

Arriving too late to appear in this week's birthday column was the announcement of Miss Patti Lou Peel's birthday, which occurred last Saturday. She is the daughter of Mr. and Mrs. Punk Peel.

## Visitor From Finland Is Honored Girl Scouts At Dinner Party

Mario Ivalo of Leppavala, Finland, was a visitor of Girl Scouts of Post on last night. Miss Ivalo came to Post as one of 12 exchange counselors touring the United States and lecturing to scout groups about their native lands. Miss Ivalo served as a guest of honor at a dinner party in the City Hall following a tour of the city.

The theme was used in decorations for the dinner. The dinner was given by Mrs. L. A. Barrow. The dinner was given by Mrs. L. A. Barrow. The dinner was given by Mrs. L. A. Barrow.

The dinner the visitor group with the "World" badges, telling them of their homeland and answering questions scouts asked.

It is noted that Finland is one of the coldest countries in the world. The child learns to ski as soon as she is able to walk, and people in Finland ride instead of horses.

The visitor had never before, the group took her in giving her instruction in this brand of amusement. It is so typical of this state. They watched from the windows of the hall after which girls took her as their guest.

Miss Ivalo was most impressed with the color of the horses and the riders at the opening performance. This year's show, she said, was most impressive. She said she had never before seen such a large number of riders. She said she had never before seen such a large number of riders. She said she had never before seen such a large number of riders.

# Name Champs Saturday In Seventh Annual Rodeo

Champion cowboys and cowgirls in six events were named Saturday night at the concluding performance of the seventh annual Southwestern Championship Junior Rodeo.

Approximately 10,000 people attended the four night performances, with the opening night crowd of around 4,000 the largest.

The crowd's enthusiasm at each show left little doubt that from the spectator's standpoint this year's rodeo was among the best in the event's history. Good times were posted in the roping and girls' barrel race events, and the "salty" stock furnished by Goat Mayo of Petrolia helped the cowboys provide plenty of thrills in the riding events.

Marlin Stephenson of Braggs, Okla. captured two championships—calf roping and ribbon roping, and his name was drawn from among those of the other individual champions to receive the new Gray horse trailer awarded following the final show.

Other champions were: Sidney Johnson, Snyder, bareback bronc riding; Don Workman, Olton, bull riding; Monte Griffin, Lamesa, flag race; and Sherry Price, Addington, Okla., girls' barrel race.

Each champion received a trophy belt buckle and \$5 from Caprock Chevrolet Co. of Post.

Guthrie Ann, ridden by Darrell Rhodes of Abilene, was the show's champion cutting horse. Spooks, whose rider was Nathylene Kendrick of Houston, was second; Quarterback's Bertha, ridden by Bobby Wedeking of Stamford, placed third, and Mona Dee, whose rider was Sherry Price of Addington, Okla., finished fourth.

A total of 185 contestants from eight states competed in this year's rodeo. Because of the large number of entrants in the roping events, it was necessary to hold "overflow" roping contests on Thursday and Friday nights.

Alvin G. Davis was show announcer, and Don Gill of San Angelo clowned the show. Timekeepers were Powell Stykes, Alvin Young, Pat N. Walker and Ralph Cockrell.

Riding judges were Joe Collier of Wichita Falls and Harold Thomas of Jayton, and J. Martin Basinger of Southland and Bishop Mathis of Post were flag judges. Will T. Smith and his son, Clifford Smith, of Childress were pickup men.

An added attraction at Saturday night's show was a tap dance by 10-year-old twins from Carlsbad, N. M.

First go-round winners were: Bareback Bronc Riding—Jerry Garner, Lubbock; Sonny Beauchamp, Fort Worth, and O. B. Barnes, Tulsa, split second and third; Sharkey Rinker, Graham; Harold Watson, Springlake; Sidney Johnson, Snyder.

Bull Riding—Bobby Littrell, Marlow, Okla.; A. J. Shirley, Coalgate, Okla.; Harold McQueen, Wetumpka, Okla.; Don Workman, Olton; E. M. Holt, Jr., Navasota, Kenneth Killough, Abilene, and Joe Smith, Abilene, split fifth place money; Royce Rodgers, Anson, Tommy Miers, Lubbock, Jack Lowe, Graham, and Billy Rogers, Gatesville, split sixth place money.

Girls' Barrel Race—Nedra Mixon, Brownfield, 20 sec.; Mike Reid, Silverton, 20.4; Janelle McGilvray, Robert Lee, 20.6; Amy McGilvray, Mertzon, 20.7.

Ribbon Roping—Darrell Echols, Lamesa, 11 sec.; Kenneth Wood, Ashland, Kan., 11.6; Marlin Stephenson, Braggs, Okla., 12; Cotton Kinney, Sulphur, La., 12.5.

Calf Roping—Bobby Goodspeed, Wetumpka, Okla., 12.1 sec.; Bob Brown, Throckmorton, 12.8; Stephenson, 13.6; LeRoy Hodges, Tuscola, 13.8.

Cutting Horse Contest—Spooks, ridden by Nathylene Kendrick, Houston; Mona Dee, ridden by Sherry Price, Addington, Okla.; Guthrie Ann, ridden by Darrell Rhodes, Abilene.

Second go-round winners were: Ribbon Roping—Stephenson, 11 sec.; Sonny McBride, Ardmore, Okla., 13.1; Anthony Salinas, 13.3; Bill Phinizy, Lamesa, 13.4.

Calf Roping—Doyle McSpadden, Rotan, 11.7 sec.; Charles Appelt, Hallettsville, 11.8; Ronnie Huckabee, Andrews, 12.4.

Girls' Barrel Race—Sherry Price, 20.1 sec.; Amy McGilvray, 20.3; Janelle McGilvray, 20.9; Mike Reid, 21.4.

Following are winners at the final three night shows:

# 'The Best Years Of Our Lives' And 'Johnny Guitar' To Show At Tower

Two of the most outstanding pictures ever filmed, "The Best Years of Our Lives" and "Johnny Guitar," are booked for this weekend at the Tower Theatre, and another, "The Glenn Miller Story," is to show at an early date.

"The Best Years of Our Lives" shows Friday and Saturday, and "Johnny Guitar" Sunday and Monday.

The return of Samuel Goldwyn's "The Best Years of Our Lives" to the list of current screen attractions has been hailed as an event of much importance to the picture-going public.

For this picture not only has the distinction of having won more awards in the annual distribution of honors by the Motion Picture Academy of Arts and Sciences than any other single production, it also proved itself, in theatres all over the world, to be one of the most effective

and affecting screen attractions ever produced.

The all-star cast, which brings to the screen the three vividly delineated emotional crises around which the story revolves, includes Myrna Loy, Fredric March, Dana Andrews, Teresa Wright and Virginia Mayo.

In "Johnny Guitar," Joan Crawford's fabulous career in motion pictures reaches a smashing climax as she dons levis and six-guns for one of the most brilliant performances of the year.

Filmed in gorgeous Trucolor by Consolidated amidst the wild splendor of old Arizona, "Johnny Guitar" has such notable co-stars as rugged Sterling Hayden, Mercedes McCambridge and Scott Brady in the top roles.

Ten couples attended the affair.

Penney Executive Visits Mill Here

M. T. Ryan, director of purchases for the J. C. Penney Co., visited the Postex Mill here for a few hours last Friday.

Ryan was accompanied by Post by C. A. Gibson, director of manufacturing for Ely & Walker of St. Louis, and F. A. McDevitt, director of mill sales for Ely & Walker.

The three arrived in Lubbock by plane and were brought from there to Post by R. J. (Rube) Jennings, president of the mill here.

Drilling Rig Pump Damaged By Fire

Fire damaged a pump early Tuesday night at a Duncan Drilling Co. rig at the Huntley No. 3 project, about ten miles northwest of Post.

Post firemen took a truck to the scene, where it was reported that practically all the damage was confined to the pump.

The fire is reported to have been caused by a spark which occurred when the rig's light plant was turned on.

'XMAS IN AUGUST'

One of the strangest sights ever seen here is the "Christmas tree in August" display in the lobby of the Tower Theatre. John N. Hopkins, manager, said the Tower personnel hasn't completely "gone crazy." They're just using the Yuletide tree to remind young and old alike of the "gift" they have coming in being able to see "The Glenn Miller Story" on the Tower screen.

BUYS OUT INTEREST

T. L. Jones announced this week that he had purchased the interest of his nephew, Barney Jones, in the Jones Grain Co. here. The two had been associated in the grain firm for the past four years. T. L. Jones, now the sole owner, said the firm would continue operation under the same name.

## Material Is Scarce For Antelope Grid Squad

Approximately 75 boys, only about 24 of whom can be counted on as candidates for the "A" squad, will report Monday for opening sessions of football practice. Coach V. F. "Bing" Bingham announced Tuesday.

Most of the candidates, Bingham said, will be out for the 8th grade, freshman and "B" squads. With the opening game with Roscoe only two weeks away, prospects for a winning football team are none too bright, due to the scarcity of material, Bingham said this week.

"As far as attitude is concerned, however, it'll be one of the best teams we've ever had," Bingham said.

Assisting Bingham in opening drills for the coming season will be Vernon Ray, assistant coach; Olan Reddell, "B" team coach, and Herman F. Raphael, grade school coach. Reddell is a new member of the coaching staff, having taught at O'Donnell the past few years.

Returning lettermen are Backs Moody Graham, Novis Pennell, Mack Terry, Darrell Ray Norman, Tommy Murray and Homer Cato and Linemen Bowen Stephens, Ted Tatum, Billy Meeks, Dickey Beggs and Junior Smith.

Lost by graduation from last year's squad, which won five and lost five, are Backs Charles Chandler and Darrell Bruton and Linemen Larry Waldrip, Royce Josey, Donald Moore, Bobby Cowdrey, Nolan Williams, J. C. Shedd, Auda Vee Teaff and Danny Redman.

Another regular, Halfback Tommy Malouf, will be lost to this year's team because of illness. He was all-district halfback last season.

Don Gates, who was ineligible last season as a transfer from Idalou High School, is expected to land a starting team backfield berth. Year before last, he was all-district quarterback at Idalou, and last season saw service with the Antelope "B" team.

Other players from the "B" squad listed as candidates for this season's first string include Ronnie Kennedy, Jerry McCampbell, Raymond Gary, Leon Davis,

Noel White, Andy Schmidt, Jackie Carpenter, Damon Ehrbridge, Bill Stephens, Jack Morris, Charles Kilpatrick and James Brewer.

The Antelopes' 1954 schedule follows:

Sept. 3, Roscoe; Sept. 10, Morton; Sept. 17, at O'Donnell; Sept. 24; Hamlin; Oct. 1, at Crosbyton; Oct. 8, at Rotan; Oct. 22, Tahoka; Oct. 29, at Slaton; Nov. 11, at Spur; Nov. 19, at Abernathy.

The Tahoka, Slaton, Spur and Abernathy games will be conference affairs.

## Hubbers Win Over Wood Bees, 10-2

The Post Wood Bees battled the Lubbock Hubbers on even terms for three innings at Lubbock Monday night, but lost by a score of 10 to 2, with the Hubbers scoring eight runs in the last three innings of a seven-inning contest.

The Hubbers got off to a two-run lead in their half of the second inning on singles by Reagan, Rosa and Doering and a walk issued Manager Frank Benites.

The Wood Bees tied it up in the top half of the third when Paul Duren and Shorty Hester scored on Dink Taylor's single. Duren had walked and Hester had singled. That ended the scoring for the Wood Bees, who got only four hits off the combined offerings of Earsley, Doering and Simmons.

Billy Ramage and Alton Taylor divided the pitching duties for Post, giving up a total of 12 hits.

The game was an exhibition affair between the locals and the Hubbers of the West Texas-New Mexico League.

Mr. and Mrs. Cecil Thaxton spent several days last week in Austin with their daughter, Helen, who is a student in the University and who has a teaching fellowship there this summer.

## SPORTS FLASHES

### Still Hitting Ball

Ralph Kiner, the National League's leading home run hitter for seven straight years, from 1946 through 1952, is still hitting the ball hard. But for doubles, not homers. The Sporting News reports that while Kiner had only 16 home runs through Aug. 8, he had hit 31 doubles. That made the Chicago Cubs' slugger tops in that field. It also brought Kiner up even with his best previous output of doubles. He hit 31 in 1951.

### Rookie Pitcher Shines

The Sporting News says "Hats Off" this week to Brooks Lawrence, rookie pitcher of the St. Louis Cardinals. The reason for the tribute is Lawrence's amazing record since he joined the Cardinals. In just 45 days, Lawrence compiled a record of nine victories and four losses—through Aug. 9. During that stretch he made eight starts and 11 relief appearances.

### Ruth's Record Safe?

So far as Babe Ruth's home run record is concerned, it now seems safe from assault by Willie Mays this year. The New York Giants slugger, who for a time was ahead of Ruth's home run hitting schedule, ran into a slump. As the Giants ended a home stand on Aug. 8, Willie had gone 11 games without a round-tripper. He had hit safely in all those games, but had done little of value, driving in only two runs. A correspondent of The Sporting News says Mays seemed to be trying too hard.

### It Had To Happen

It had to happen, says a headline in The Sporting News—the Dodgers are to be featured in the funny papers. Ham Fisher, who draws Joe Palooka, is going to include Dodger players in his strip from Sept. 1 through World's Series time. The Dodgers plan to hold a Joe Palooka Day at Ebbets Field some time in September.

### Support A Winner

The fans support a winner. The Cleveland Indians, managing to stay ahead of the Yankees in the American League race, are making the turnstiles spin at Lakefront Stadium. As reported in The Sporting News, home attendance in Cleveland so far this year is 150,000 ahead of what it was last year at this time.

### At Long Last

At long last, says The Sporting News, someone has thought up a method of pitching to Stan Musial. Joe Garagiola, the veteran catcher now with the Cubs, has this solution: "You pitch to Musial," he says, "just like you do to any other batters, except that you don't let the ball go." Garagiola has a good idea of how to pitch to Musial, but someone some time ago suggested another method—throw him four straight balls, then pick him off first.

### An Extra Feature

Sports Broadcaster Red Barber provided an extra feature the weekend of the annual Hall of Fame ceremonies at Cooperstown. He preached a sermon at Christ Church there Sunday night, Aug. 8. He discussed the parallels between life and baseball. Barber is a lay preacher, holding a minister's license in the Episcopal church.

Mr. and Mrs. Everett Webb are spending their vacation in San Antonio with their son who is a patient in the AFB hospital there.

PARADE TROPHY—Natha Jo Mears, four-year-old daughter of Mr. and Mrs. Nathan Mears of Guthrie, is being awarded a trophy by S. E. Camp for being judged the "most under 10" in the parade opening the Southwestern Championship Junior Rodeo. Natha Jo is the granddaughter of Mrs. L. F. Kennedy of Post and Mr. and Mrs. Jim Snyder.

**HAPPY REUNION**—B. D. Tucker (center) is shown being greeted by his sister, Mrs. Frank Whitney, and his brother, Willie Tucker, whom he hadn't seen for 22 years. Shortly after this reunion at the Ted B. Hibbs home, Tucker, a resident of Post for 14 years, left for Big Spring to make his home with his brother and sister.—(Staff Photo).

### Post Man's Brother And Sister Had Lost All Hopes Of Seeing Him Again

B. D. Tucker spent his 74th birthday Sunday with a brother and sister he hadn't seen in more than 22 years.

Relatives of Tucker, a bachelor, had lost all trace of him until Ted B. Hibbs, manager of Southwestern Public Service Company here, located them in Big Spring and took Tucker to their home.

Following a joyous reunion at Big Spring, Tucker returned to his modest home here, where he had lived for the past 14 years, to make preparations to move to Big Spring to make his home with his brother, Willie Tucker, and his sister, Mrs. Frank Whitney.

Early last week, Tucker's brother and sister came after him. "He'll get to spend his 74th birthday with us," said Mrs. Whitney.

The brother and sister said they'd given up hope of ever finding their brother until they heard from Hibbs.

"Mr. Hibbs has done a wonderful thing in bringing us together again," Tucker said.

Almost too feeble to get around, Tucker had lived alone here on an old-age pension for the past several years. The small shack in which he lived is at the rear of the home of Mrs. Bettie E. ...

"I knew he must have some folks somewhere," Hibbs said. "So I got to questioning him and

learned that a brother-in-law had at one time been employed at the Dawson County courthouse in Lamesa. I got in touch with District Judge Louis B. Reed and with his help learned the brother-in-law's name and that he had moved to Big Spring."

Hibbs said he got in touch with the Big Spring party and learned that his wife was Tucker's sister and that Tucker also had a brother at Big Spring.

"Mrs. Hibbs and I loaded Mr. Tucker in the car and took him to Big Spring," Hibbs said. "It was as happy a reunion as I ever expect to see."

The Big Spring relatives said when they'd last heard of their brother he'd been in the Lubbock vicinity.

"We'd given up ever hearing of him again," they said.

## Costs Result From Farm Machinery, Says Expert

LEGE STATION (Spl.) — A high-cost item in farm machinery is the tractor, according to C. H. Bates, extension manager specialist, are higher now than they were before 1941. The fact, points out the specialist, is responsible for much of the shifting to power machinery. Such machinery is now about double its pre-war

cost, but, adds Bates, there's a catch to the deal. Just to get a cotton harvester, field forage-harvester or a pick-up baler doesn't mean it will be a money maker. These machines, like the hired man, must be kept busy if they are to return a profit. The less a machine is used the greater will be the per hour or acre cost.

Bates suggests that farmers study their machinery needs and invest only in those which can be kept busy. Acreage allotments should be considered. Depreciation of machinery too is a part of the cost of production. A tractor used 1,000 hours a year will depreciate very little more than one used half as much, and the depreciation charge for the less used tractor will about double the busy one.

If operations aren't large enough to keep machinery reasonably busy, Bates suggests custom hiring might be the answer. He backs up this suggestion with information from a recent Texas Agricultural Experiment Station study made in the Blackland

**LIFE-SAVING DEMONSTRATION**—Two American Red Cross life-saving instructors from Reese Air Force Base were at the municipal swimming pool recently to put on a demonstration for members of the adult swimming class sponsored by the Parent-Teacher Association. Nearest the camera is Robert E. Kidd demonstrating artificial respiration to Mrs. Sue Cornell. Hidden by Kidd are Wayne York and Herbert F. Aduddell, life guard at the pool here. The other two "victims" are Mrs. Sue Belle Propst and Mrs. Jack Rex.—(Staff Photo).

## The Word and the Deed—

### The Strange Contrast

In his 20 years in State office, the present Governor, Allan Shivers, has said a great many things, and has done a lot less than he had said he would do. His promises of 1954 can be gauged by Texans who want to vote with care, by his performance of the past. Mr. Shivers, a very effective exponent of the trade of saying one thing and doing another, has written his own record, which can be given in many instances in his own words, and by that record he richly deserves to be judged.

**DEMOCRATIC PARTY:** "I will support the Democratic nomination. I make that pledge without reservation."—Shivers to Credentials Committee, National Democratic Convention, July 1952.

**WATER:** "Eighty per cent of the flood waters in Texas was wasted . . . 50 million acres . . . have lost one-fourth of their topsoil . . . We must do something about it."—Shivers radio speech May 10, 1950, quoted in Dallas Morning News.

**OLD AGE ASSISTANCE:** "Certainly we must continue an even better pattern in the great field of human relations . . . this field includes public welfare—sufficient aid to our splendid elderly men and women."—Shivers in radio speech, Texas State Network, 7 p. m., Aug. 3, 1949, shortly after he became governor.

"I shall continue to advocate making available to our deserving aged citizens . . . sufficient funds to carry them through the evening years of life . . ."—Shivers in campaign radio speech, 8:45 p. m., July 15, 1952.

"The basis of all propaganda is the misleading statement which has the ring of authenticity, whether it is used by the village busybody or persons in high office attempting to promote 'the big lie.'"—Article entitled "They Say . . ." by Allan Shivers in This Week, Nov. 22, 1952.

**TEACHER PAY:** "I am not against the \$600 pay raise . . . but we are forced to decide what we can afford."—Signed article by Gov. Allan Shivers, Dallas Morning News, Feb. 1953.

**DEMOCRATIC PARTY:** "I have no intention of voting any other ticket than the Democratic ticket."—Shivers in Statewide radio speech, July 1952 (just before the primary election).

**HONESTY:** ". . . the honesty, efficiency and integrity of your State government have . . . been questioned."—Shivers in radio campaign speech, 8:45 p. m., July 15, 1952.

"Gov. Allan Shivers' call for a cost-of-living salary raise for teachers drew applause today . . ."—Dallas Morning News, Oct. 5, 1952, reporting speech to schoolmen in Austin.

**FEDERAL AID:** "I will not sign the bill for the Canadian River Dam unless Federal Aid provisions are eliminated."—Shivers to delegation of Panhandle leaders, May, 1953.

"I intend to vote for the Republican candidates for President and Vice President."—Shivers at Press Conference, Oct. 2, 1952.

"We must work out a program to save our soil and water."—Shivers in campaign speech, June 10, 1954. Still just talking four years later.

"I'm not sure that I can support the old-age assistance amendment. I'm not sure what it means."—Shivers at press conference in October, 1951. Just before old-age assistance increase was defeated at the polls.

Fact: The ceiling on old age pensions, for which Shivers voted as a Senator in 1945, has remained in effect to this day, throughout Shivers' three years as lieutenant governor and five years as governor.

"The governor flatly refused to cooperate (in efforts to pass teacher pay legislation)." Bob Proffer, president, Texas State Teachers Assn., in letter to teachers, May 23, 1953.

"I supported the Republican ticket, and I'm proud of it."—Shivers in speech to Pittsburgh, Pennsylvania, Executive Club, Jan. 1954.

"I think John Van Cronkhite was just sucked in on that deal" when he collected \$1,000 a month from Lloyds of North America."—Shivers at press conference, May 22, 1954.

"Shivers told reporters at a press conference he thought the question of further spending—including the teacher pay issue—should be put off . . ."—Associated Press dispatch in Fort Worth Star Telegram, April 17, 1953.

"Gov. Allan Shivers today demanded that the Federal government build the Diablo Dam on the Rio Grande."—Shivers press release, June 30, 1954, during campaign time.

area. A study of 63 farms showed \$21.35 as the per bale cost of stripping cotton in 1952 with the farmers' own machine. This compares with the custom stripping rate of \$20.67 per bale in the same area. Doing custom work in the community will cut the overhead cost of machinery, says Bates.

Finally, he says, unemployed equipment increases equipment expenses and does not cut labor costs. Count the cost before you buy and consult your equipment dealer on the size machine for your operations.
