## School Bells Will Ring Again Next Monday

### Rural Schools Are Put In Readiness For Monday Opening

School bells will ring for Garza county's school children Monday morning September 2, at 9 o'clock, according to notices from County Superintendent Dean A. Robinson, and Superintendents G. R. Day of Post and Huron Hewlett of Southland. There has been a hustle and bustle in and around school buildings the past few weeks. School authorities, including in that classification not only superintendents, but school janitors, school trustees, and interested patrons, have all been busy attending to preparations for the school year.

Buildings have been cleaned, lunch rooms in some buildings have been repainted, class room floors repaired and oiled, desks refinished, and repairs have been made to heating systems.

The Justiceburg school building has been equipped since last school term with butane gas, as have the Close City and Grassburg schools. With exception of Cross Roads all rural schools of the county are now equipped with butane.

Lunch rooms will be in operation at Post, Southland, Close City, Graham, Grassburg and Garnolia. Announcement as to when each room would begin functioning was not available to the Dispatch, but it is believed by school authorities that all will begin serving meals within a few days after school opens.

Since no teacher is available for the Verbena school, children of that community will come to Post, Robinson said.

School buses will run on Monday and will be routed as of last year and probably with the same drivers.

Four new teachers have been added to the faculty of the rural schools. They are Mr. and Mrs. L. H. Welsh, Miss Allene Welsh and Miss Elsie Josie.

Teachers and school they will serve are: Close City, Mrs. Pearl Davidson, Misses Welsh and Josie; Graham, W. O. Cooper, Mrs. Tom Ashley and Mrs. Bob Lusk; Grassburg, Miss Ruth Billingsley and Ethel Summerlin; Cross Roads, Miss Elizabeth Fisher; Justiceburg, Mrs. Ruby Lobban; Garnolia, Mr. and Mrs. Welsh and Mrs. C. F. Carmichael.

Three Garza County 4-H club boys, accompanied by County Agent Frank Eaton, left Tuesday for the annual 4-H Round-Up at College Station.

The boys attending the Round-Up are Carter Gene White, son of L. C. White, who is a member of the district rifle team, an active 4-H clubber, and who has done outstanding work the past several years in school and county club work; Donald Carpenter, son of Ed Carpenter, who was selected as a delegate after White qualified for the rifle team during the district meet at Lubbock, and who is also outstanding in club work in swine breeding and grain sorghum demonstration; and E. P. Wicker, jr., son of E. P. Wicker. He was selected by club leaders for his outstanding demonstrations with swine and field crops.

The Round-Up will continue through August 30.

### HUDMAN FURNITURE CO. RE-OPENS THIS WEEK

Hudman Furniture Company reopened this week after being closed several weeks for repairs after a devastating fire that destroyed the rear of the store building and a big stock of brand new furniture.

The store has been completely refinished on the inside, the damaged section wrecked out and rebuilt an additional thirty feet was added to the rear of the building.

### Mears Coasts Into Garza's Sheriff Office Over Chas. O. Reed

Garza county voters, 1350 in number, gave Nathan Mears the sheriff's office, when they favored him by 106 votes over his opponent, Charlie O. Reed. Mears gathered a total of 728 votes to Reed's 622.

County voters also gave Beauford Jester a three to one victory over Homer P. Rainey in the governor's race, while they gave Boyce House thirty-five more votes than Allan Shivers in the lieutenant-governor's race. House polled 641 to Shiver's 606.

For commissioner of agriculture they gave J. E. McDonald 750 votes, and R. E. McDonald 441, and for judge of the court of criminal appeals Owens was high man with 601 to Beauchamp's 569.

The sheriff's race was the only county race and created wide interest.

### Football Schedule Announced; Five Home Games Carded

The 1946 football season for the Post High School Antelopes will open September 13 when the Antelopes go to Ralls to mix with the Jackrabbits in a non-conference night game, it was announced the first of the week by G. R. Day, superintendent, when the full schedule was completed.

The card lists ten games, including the Post-Ralls contest, eight of which are conference games. Of the ten games carded, five are to be played on the home gridiron. The schedule follows:

September 13, Ralls, there.  
September 20, Tahoka, here.  
September 27, Seagraves, there.  
October 4, Snyder, here.  
October 11, O'Donnell, here.  
October 18, Slaton, there.  
October 25, Andrews, here.  
November 1, Sundown, here.  
November 8, Denver City, there.  
November 15, Seminole, there.

The Post-Ralls and Post-Snyder games are the only non-conference melees scheduled.

Season activity tickets are to be offered both high school students and school patrons. The tickets may be used for all football and basketball home games, said Mr. Day. They will be placed on sale in the business district during the first week of school and the beginning of football season.

### E. J. ROBINSON WILL REMAIN WITH MARINES

E. J. Robinson, son of Mrs. Ida Robinson of this city, this week informed his mother that he accepted and took oath of office for permanent appointment in the U. S. Marine Corps as a second lieutenant to rank from June 1, 1942, with temporary rank of captain.

Robinson at present time is taking advance flying at Pensacola, Florida, and will receive his wings about January 1, 1947, and be designated as a Naval aviator

### Jester's Total Climbs Above The 688,000 Mark

Beauford H. Jester of Corsicana had received 688,354 votes of the 1,044,953 votes tabulated in the governor's race by the Texas

BEAUFORD H. JESTER

Election bureau Tuesday. Homer P. Rainey's vote was 359,599.

The sixteen counties of the South Plains joined the balance of the state in giving a thumping plurality of Jester.

Jester, who is now serving as railroad commissioner, will continue in his present office until his inauguration.

The Election Bureau's tabulation showed Allen Shivers led Boyce House in the lieutenant-governor's race, 564,887 to 439,928.

J. E. McDonald won over R. E. McDonald, 501,965 to 471,688, in the land commissioner race.

Tom Beauchamp led Jesse Owens 596,155 to 447,671 for the court of criminal appeals post.

### MARTIN RESIGNS SERVICE OFFICER'S POST HERE

Everett Martin of Spur, who has been working with Garza county veterans as Service Officer for the past several months, Monday resigned his position to enter the University of Mexico September 2.

Besides Garza county, Martin worked in Dickens and Stonewall counties, and came to Post on Mondays. He officed in the American Legion hut, and during the time he spent here assisted hundreds of local veterans with problems and claims.

He plans to complete his college work during the fall and winter terms, and is majoring in industrial arts.

The vacancy is not to be filled, as very few veterans are calling for assistance now.

### MRS. CASH OPENS RENTAL LIBRARY TO PUBLIC

Mrs. Esma Cash announced this week the opening of her rental library. She has a collection of many different kinds of books, ranging from the latest novels to light reading for children. Rates for rentals is given in her advertisement in this week's Dispatch. Library hours are from 5 p. m. to 8 p. m.

### 25,000 Men Will Be Inducted Into Army During Next Month

Reception center line will begin to form next week, when draft boards send in September quotas to meet the Army's call for 25,000 men in the 19-29 age group.

The Garza Selective Service board expects volunteers to more than fill the quota asked of this county, and "if we get credit for all our volunteers we will easily meet the quota without drafting anyone," said Dean A. Robinson, chairman of the board.

Draft machinery was shut down two months, and during the June period, at which time the whole future of the draft was up in the air, only 6,400 men were inducted.

During the July-August holiday local boards have been registering and classifying men between 18 and 44.

Eighteen year olds must register but are not subject to induction until they reach 19.

### Local Welfare Office Now Handling 174 Cases In Garza County

One hundred and seventy four Garza county residents, including aged, dependent children and needy blind, are receiving aid through the local welfare office.

Assistance is being given to three needy blind, four dependent children and there are 167 old age assistance cases filed in the office, a check by a Dispatch representative with O. C. Chapman, old age assistant officer, revealed Wednesday.

Garza and Lynn counties are now spending \$4,218.42 monthly for old age assistance. Chapman said that the old age allowance was cut \$2.30 last month, and that it will be cut another \$2.30 in September, but will gain the loss in October if the legislature passes a law authorizing the state to match federal funds. The federal government will match the state's first \$5 with \$10, making the maximum old age assistance \$40.

A survey shows that in Texas, two out five blind Texans receive aid; one out of every two, age 65 and over, receive old age assistance; and one out of every seventy children, under 14, receive dependent children's aid.

### FORMS FOR TERMINAL LEAVE PAY RECEIVED

Application forms for former enlisted men's terminal leave pay were received at the local post office Wednesday morning, reports Phil S. Boucher, postmaster. Veterans who are qualified to receive the pay may obtain the blanks at the post office.

The form, officially called "Claim of Settlement-Unused Leave," is simple to fill out. The blank must be sworn to before a notary public.

Veterans have until September of next year to fill out their forms. The bonds to be issued will be as of the date of discharge.

### Large Enrollment Expected When Post Schools Open

#### Classes To Run All Day; Lunch Room To Be Open Monday, Teachers Get Raise

Approximately nine hundred students are expected to be enrolled in Post High and Elementary schools on Monday, Superintendent G. R. Day said Wednesday morning. This will be quite a substantial increase over the 785 figure of last year. Eight hundred and thirty scholars were enrolled, but with transfers and the addition of Verbena pupils, the enrollment will probably be nearer the 900 mark.

School will open at 9 o'clock and will continue through the day with a complete schedule. Classes will be dismissed at 3:50 in the afternoon.

The lunch room in the Elementary school will be open on Monday, Mr. Miller, principal of the grade school, and manager of the lunch room, announced. Mrs. Wesley Stephens, Mrs. Joe Blacklock and one assistant, yet to be appointed, will operate the room.

#### Birth Certificates Needed

All first year pupils must bring their birth certificates to avoid delay in enrollment, said Mr. Day. All children must be six years of age before September 1 to be eligible for school.

Holidays for the first term have been announced, following this week's board meeting, as follows: Thanksgiving holidays will be November 28-29, Christmas holidays will begin December 20 and school will be resumed the 30th. Other holidays will be decided upon later in the year.

#### Teachers Get Salary Raise

A decision of the school board that will meet with the wholehearted approval of everyone was the increase in teacher's salaries. A twenty per cent increase was approved. This amount will give teachers approximately \$300 more a year.

S. D. Strasser was elected High School principal at the recent board meeting and will replace Weldon Skinner, who resigned two weeks ago. Mr. Strasser taught mathematics in the school system last year. One other teacher is yet to be elected, but Mr. Day feels that by Monday a full corps of teachers will be on hand to begin the new term.

Mr. Day is quite optimistic over the prospects of a successful school year.

Personality singing and music classes will be taught this year by Mrs. Stalling and Mrs. Elmer Long will also continue her music classes. Both women have already announced registration dates.

School buses will run on regular schedules Monday.

### EDUCATIONAL PROBLEMS TO BE DISCUSSED, LOCAL PEOPLE TO ATTEND MEET

Garza county will be represented in Lubbock Saturday when school authorities meet there in a conference. The purpose of the conference is to bring before school people of the district a number of problems that will have a bearing on the educational program of Texas schools.

Dean A. Robinson, G. R. Day, J. M. Miller, S. D. Strasser, and Mrs. Davidson are among those who are planning to attend. All teachers and trustees are invited to go to the meeting which is to be held in the district court room in Lubbock.

Among subjects to be discussed are school finance, plan and procedure of administering the National school lunch room act, equalization aid problems, and standards of new courses of study for Elementary education.

This meeting is one of a series being held over the state.

### MORF GI FATHERS TO BE GIVEN RELEASE

Enlisted fathers with 18 months' service as of September 30 and before, about 7,400 in number, will be called during the next few weeks for shipment home, the War Department has announced.

## Heavy Rains Drench Garza This Week

### Moisture Will Benefit Some Crops, Lakes And Earthen Tanks Filled

The long-awaited rains, so badly needed to break a drought that has persisted in Garza county for more than eight weeks, came early this week and have left sufficient moisture to revive the feed and cotton crops which have deteriorated rapidly the past few weeks.

A good half inch of moisture fell over parts of the county early Tuesday morning, but the fall was spotted. The rains came again Wednesday morning, and were more general, resulting in heavy downpours in most sectors. Post Wednesday morning measured 4.42 inches, and a similar amount was reported over most sectors of the county. In the south part of the county the fall was not as great, about one and half inches, which is sufficient to aid crops and range land.

Two Draw lake, which has been dry for months, caught a great amount of water which caused the dam to give way in two places. South lake is full of water, the first time in about five years. The east abutment of the bridge which crosses Yellowhouse river was washed away when the river went on a rampage and caused all traffic on highway 380 to be held up.

Lightning struck near the telephone building early Wednesday morning and Post was without long distance circuits for some time. Wednesday's rain was accompanied by quite a bit of electrical disturbance.

Basements over town were flooded and other minor damage noted.

It is believed that the rains were several weeks late to be of much benefit to producing a big grain crop, but a large per cent of the Martin maize will produce grain. The rains will be of benefit to cotton in the eastern part of the county where a fair crop is reported.

It has been sixty-one days since any appreciable moisture had fallen in the county. General rains were received on June 27, which left moisture ranging from one inch to as much as three inches in some sectors. Spotted rains came before that date, the earliest on June 19, with precipitation in some areas of the plains sector measuring three to four inches.

There were spotted showers on June 23, but not any appreciable moisture was reported at that time. Only 10 of an inch of rain was received during the entire month of July, and that shower did not cover all of the county.

The hot, dry winds last week withered the green foliage on most all crops and caused grass to look as though it had passed through the dead of winter.

Stockmen over the county are jubilant over the moisture and the water which filled their watering tanks.

### PLUNKETT VARIETY SHOW PLAYS HERE SEPTEMBER 2-4

Under the auspices of the Post Volunteer Fire Department the Plunkett Variety show will be staged here September 2, 3, and 4.

The show features ten members of the Plunkett family, all talented in their particular fields of entertainment.

The show will pitch its tent on the 3rd west of the post office on Main street. Shows will begin each night at 8 p. m.

The Plunketts were formerly with the Hater-Kaifer show, appearing here in 1942.

Performers include Jerry Plunkett as the little personality girl with the smooth voice, Kennedy Smith and Jimmy Van, as two of the funniest men in the stage show business, Capt. Fuzz Plunkett and his trained seals, as well as a troupe of performing dogs and monkeys; Corky and Gloria Plunkett in a flying adagio dance.

The five boys will use their percent of the proceeds to a good advantage in projects that will benefit the volunteer organization.

### FOUR MEN VOLUNTEER IN ARMY AIR FORCES

Four Garza county boys, Oscar Ray Thomas, Charlie M. and Arthur D. Goss, and Claborn H. Taylor, volunteered into the Army Air Forces last week at Lubbock.

The men were transferred to Goodfellow Field, San Angelo, and later will be sent to Randolph Field, San Antonio.

All four made high grades on the test.

**LET'S PREVENT TRAFFIC ACCIDENTS**

With the opening of school only a few days in the future the motorists of Post should stop and check their driving habits. It seems that there is more reckless driving in our city than ever before. Monday scores of small children will be on the go. Children are usually so intent on their own thoughts that they are not too observant sometimes of things going on around them, so it behooves the adults to use extra caution in their driving habits.

This cutting in and around cars on the wrong side is one of the most dangerous habits. Drivers should at least give the person in front a chance to pull over to the right, but it seems that some fellows are in too big a rush to blow the horn, so they just cut around on the right side of the road, instead of the left.

Turning around in the middle of Main street is another practice that should by all means be stopped. The way may seem clear to you on your side of the street, but a boy on a bicycle, or a small child can come from apparently nowhere, and fast, especially if he has the right of way.

Double and triple parking is extremely dangerous, especially with the "wild" drivers we have seen on our streets lately.

Speeding cars pass in front of our school building hourly without any sign of checking speed when approaching the school zones.

These dangers should be remedied and now. With no traffic officers to enforce common ordinary driving laws it is the duty of every citizen to be his own cop . . . "drive within the laws."

**OUR CHURCHES HAVE MUCH TO OFFER**

Man would be a sorry victim of his own mistakes if he did not have tools to correct his errors as well as to achieve his aims.

We need erasers as well as pencils, turpentine as well as paint, medicines as well as food.

Man's spiritual needs are in this respect no different from his physical needs. We need an inspiring, compelling, driving power to achieve that which is right, and we need a sympathetic, forgiving power to help us remove that which is wrong.

The church offers men both. Through worship, teaching and activities it inspires men. Through its prayers and preachings it helps us to find the promised forgiveness.

**MONEY ISN'T EVERYTHING**

People for whom money is the most important thing in life are inclined to look with a raised eyebrow at those who have a different sense of values. In fact, a man who turns down cold cash for such intangibles as personal contentment and independence, may seem freaky to his mercenary neighbors.

It gives us a warm feeling to know that in our midst are people who don't count money above everything else. The satisfaction of knowing that they are doing a good job in their chosen work is their just reward.

**WHAT OUR CONTEMPORARIES ARE SAYING:**

The United States has so much of the world's gold and other wealth, we must lend some to our war-ridden (or desperately hurt) neighbors if they are to get back on their feet and be customers for American cotton, tobacco and manufactured goods in the future.

Dr. Isaiah Bowman, president of Johns Hopkins University, put the matter very simply the other day when he said: "The U. S. is like a boy who has won all the marbles available in the neighborhood. If the boy wishes to keep playing marbles, he will have to lend some of them to other boys so they can play."—Progressive Farmer.

If Russia hopes, by the use of force and propaganda, to bring the whole world eventually into the fold of communism, as many of the best informed men of the world believe, she has laid out for herself a huge but not impossible task.

Communism thrives where poverty and gross economic injustice prevail. It can scarcely take root in a nation of home owners. It swept over Russia following a long rule of totalitarianism and tyranny—a land of peasants and serfs, of ignorance and poverty. It gave Russian people the best they had ever known in the matter of economic justice and security.

Extreme misrule and oppression on the one hand, and communism on the other, is all the Russian people have ever known, and they think therefore the communism is the cure-all for the ills of the world.

Russians do not know what liberty is. They do not know what democracy is. They do not know what individual enterprise is. They are, therefore, fanatical in their advocacy of communism and in their efforts to spread it throughout the world. It will easily take root where poverty and hunger and ignorance and economic injustice exist. It devolves upon the United States and Great Britain and other Democratic nations, therefore, to bring about as much prosperity and economic justice throughout the world as may be possible. The extent to which they may succeed or fail may determine whether this world eventually is to be democratic or communist.—Lynn County News.

Everybody is talking about his rights these days. Here, says the Texas Safety Association, is something for drivers to remember about the other fellow's rights—the pedestrian's rights: A pedestrian who has started across the street with the green light has the right to continue to a point of safety before the driver starts up, even though the light has changed after the pedestrian stepped from the curb.

Two cavalry rookies were given a horse apiece. They wondered how they could tell them apart.

"I'll cut the mane off mine," said one. He did, but it grew back in time.

"I'll trim the tail on mine," said the other, but it, too, grew out. "Let's measure," suggested the first. "Perhaps, one is higher." And sure enough, the black horse was a full three inches higher than the white horse.

Maybe you can gain a few seconds by stepping off the curb to wait for the light to turn green—but you may lose your life! The Texas Safety Association says it's the little chances pedestrians take that cause serious accidents.

If the nation's fire losses continue to mount at present rate, an all-time high in fire destruction will be set. Farm fire losses are keeping pace with the general increase.

As a result of the National School Lunch Act, more children over the nation should soon be getting better lunches.

**Thanks Garza County Voters**

It is my desire to thank each and every voter of Garza County who in any way assisted me in my campaign for Sheriff.

Your vote and influence was appreciated gratefully, and even though I did not get elected, I feel that I polled a very fine vote.

It is my desire to assist the newly elected Sheriff in any way possible and I sincerely hope that at some time I can be of service to each of you.

### POST RESIDENTS MAY DISCUSS SOCIAL SECURITY PROBLEMS WITH AGENT

Elliott W. Adams, manager of the Social Security Administration in Lubbock will be in Post at the U. S. post office at 2 p. m., Wednesday, September 4, for the purpose of assisting persons who have questions regarding Social Security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for Social Security account number cards.

Employees desiring to check up on their Social Security wage credits can do so by securing an addressed post card at any office of the Social Security Administration, completing the form on the opposite side and mailing it. A statement will be received within a short period of time.

In case the wage statement fails to agree with the worker's own records, he may advise the Social Security Administration and immediate efforts will be made to adjust the difference.

### SUGAR STAMP 49 MAY BE USED THRU SEPTEMBER

The current Sugar Stamp, No. 49, which was to have expired at the end of the month, will be valid through September. This announcement came yesterday from the OPA.

Allocations must continue at five pounds per person every four months, OPA said, because of uncertainty of supplies from Cuba and Puerto Rico.

Mrs. Bert Wardlow and children of Phoenix, Arizona, are visiting Mrs. Esma Cash this week.

### WELL KNOWN MAN FELT LIKE SWOLLEN BALLOON; FULL OF STOMACH GAS

Recently, a well known man stated that he used to feel like a swollen balloon after every meal. He would bloat full of gas and spit up acidulous liquids for hours after eating. Was... terribly constipated. This man is one of the hundreds in this vicinity who now praise INNER-AID. He states he was amazed at the results when he took this medicine. Now he eats what he wants without gas or bloating, and bowels are regular for the first time in years. He feels like a new man.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County. —Adv.

### PLANS REVIVAL MEETING JUSTICEBURG CHURCH

A week's revival meeting will begin Sunday, September 1 at the Justiceburg Baptist church, Rev. D. W. Reed, pastor, announced last week.

Rev. H. C. Bristow of Knott, Texas, and former pastor of the Post Calvary Baptist church, will be in charge of the preaching services. Services will begin each evening at 8 o'clock. The public is given a cordial invitation to attend the meeting.

### CONTINUATION OF EMERGENCY FOOD PROGRAM IS URGED

The Emergency Food Program has been very effective in contributing toward relief supplies for war-stricken countries," so stated Will Wright, chairman Garza county AAA.

"The critical needs of the spring months before this year's crop were harvested have been met to a surprising degree. As the President and Secretary Anderson have made known thru recent statements, the need for conserving food continues. While this year's crop in starvation areas are helping to alleviate the situation they are not sufficient to meet present needs for food in those countries this winter. State and County Emergency Food Program managers are asked to continue the good work being done," further stated Mr. Wright.

In the words of President Truman, "only by continued cooperation among all of us can we as a nation do our full share in the months to come to relieve the hunger that still exists in the world. The importance of this effort in relieving human suffering and establishing world peace cannot be underestimated."

### FIFTY OR MORE VETS ENJOY VFW SUPPER

Fifty or more Garza county ex-service men attended the VFW supper and open house at the Legion hut Monday night, when the second such entertainment was staged by the VFW since its organization here.

A number of veterans filled application blanks for membership in the organization.

### BILLINGS OPENS PHOTO STUDIO AT TAHOKA

Darwood Billings this week opened a photographic studio in Tahoka, which he will operate in addition to his studio here.

At present he plans to do the processing work for both places here, and has engaged a Tahoka woman to manage the Tahoka studio.

### POLAR TEST NEARING ELLENBURGER FORMATION

Drilling had progressed last week end at American Liberty Oil Company No. 1 Connell-Young, Kent county exploration, to below 7,506 feet in lime, sand, and shale, and was continuing toward its objective of 7,800 feet.

The test, located in the southeast corner of section 56, block 5, H&GN survey, is one mile northwest of the Humble discovery well for Ellenburger. The Humble well was developed into a producer at 7,775 to 7,810 feet in Ellenburger.

Another exploration in the Polar field, Humble No. 1 Elkin, last week was drilling below 5,137 feet.

Both explorations are just over the Garza county line in Kent.

### FIRST SUNDAY SINGING TO BE HELD AT GRASSLAND

The regular first Sunday singing will be held at the Nazarene church in Grassland, Sunday, September 1. Due to a death in the community, the last first Sunday singing was dismissed, but this promises to be the biggest gathering of all, said a committeeman in charge of arrangements.

"We have the promise of some very good quartets from Slaton and Lubbock," said the committeeman.

The public is invited.

### VISITS FRIENDS HERE

Lawrence Shively of Colorado City, former Post High School band conductor, and who several weeks ago was discharged from the U. S. Navy with a lieutenant's commission, was in Post Monday visiting friends.

Mr. Shively plans to enter Texas Tech this fall.

### TWO GET DISCHARGES

Two Garza county men, James B. Field and Auguston James Sparlin, received discharges last week and have reported to the local selective service board.

Miss Lucille Collier has returned from an extended visit in Los Angeles, California. She was accompanied on the trip by Mrs. Bruce Robinson, the former Mary Erma Speck, of Carlsbad, New Mexico, and friends from Lubbock. While there they visited former Postites, Miss Hazel Evans, who is an employee of one of the city's banks, and Mrs. Bobby Brant, who is with an automobile concern. Miss Collier also was a guest of Mr. and Mrs. Lois Crump, who live near Los Angeles. The Crumps also formerly lived in Post.

**FALL COATS STRESS NEWNESS IN LINE AND WIDE RANGE OF COLORS**

The fall fashion picture is full of surprises... and coats are in silhouette variety splicing lead. Silhouette variety splicing lead. Fitted waist lines are Fall coats. Fitted waist lines are Fall coats. Fitted waist lines are Fall coats.

Full sleeves give the newest look to coats. Yokes and drop shoulders vary the classic pattern. Belted daytime, three quarter length, double breasted coats, deep revers—and single breasted, deep revers, belted types with regular sleeves, belted types with full pleated skirts, are new.

Soft-surfaced materials are the trend for Fall, and richness of color adds elegance. Black and brown of course lead the color parade but winter blue and rich foliage reds and spruce greens will be seen in volume. White wines and off-whites are still popular.

Friends of Mrs. Willard Kirkpatrick will be pleased to know that she is able to return home after being in the Harris Memorial hospital at Ft. Worth for the past two weeks. She and Mr. Kirkpatrick are expected to arrive home today.

**Minute Prayer**

In Thee, O God, we live, and move and have our being. If Thou wert to withdraw Thy hand for a moment we should sink into nothingness. We thank Thee for all that makes life worth living; for home and kinship and loving friends; for happiness, the hope and the opportunity of doing good. We thank Thee for life and immortality brought to light in the Gospel, and for a strong staff to lean on as we journey toward the immortal life. Sanctify us by Thy Spirit, that we may run in the way of Thy commandments; and enlarge our hearts that we may constantly be doing good as we have opportunity unto all men.

An exceedingly large number of boys and girls from both the Calvary and First Baptist churches left Monday morning for the district Baptist encampment. The encampment is the first in several years due to the war and during that time, a new camp site was purchased by the district for that purpose. The group returned Wednesday.

A revival meeting began at the Church of the Nazarene last night with ex-chaplain Rev. Edwin E. Hale of Bethany, Oklahoma, conducting the services. Rev. Joe Norton, local pastor, announced. Besides the preaching and song

**HAWES FAMILY RESUMES ANNUAL REUNION; LOCAL COUPLE ATTENDS AFFAIR**

Before the war the Hawes family held an annual reunion on the third Sunday in each August. Due to the departure of several members of the family to the armed forces, and others to defense work, the meetings were discontinued for the duration. On August 17, 1946 the members of the family again met and reestablished the annual reunion. This was the first meeting for many Hawes family members since 1941.

The reunion this year was held at the Fort Parker State Park near Mexico, Texas. People began gathering on Saturday morning and by Sunday one hundred and fifteen members of the family were present. The affair was conducted in an informal family outing manner. Meals were served in picnic style and everyone slept under a star spangled sky for a roof. At any hour of the day or night a person could hear old times, or war experiences being discussed, or pure nonsense being carried on.

Before adjourning a business meeting was held. J. A. Hawes was elected president and C. R. Jenkins was elected secretary. Frank Hawes was elected chairman of the food committee to care for arrangements for the next meeting, which was voted to be held again at Fort Parker State Park, on the third Sunday in August of 1947.

Due to various reasons all members of the family could not be present, but there were one hundred and fifteen in attendance, including Mr. and Mrs. A. B. Hawes of Post.

**MRS. J. D. McCAMPBELL HOSTESS TO PRISCILLA CLUB LAST FRIDAY**

Priscilla club members met last Friday afternoon with Mrs. J. D. McCampbell and enjoyed visiting and sewing. A short business session was held and one new member was elected to the club.

A refreshment plate of delicious pineapple cake and grape punch was passed by the hostess. Mrs. Satterwhite, mother of the hostess, was a guest. Club members present were Mmes Collier, Smith, Ben Williams, Duckworth, Thaxton, Webb, Hawes, Redman and Cearley.

**W.M.U. ELECTS NEW OFFICERS MONDAY**

The Womens Missionary Union of the First Baptist church met Monday afternoon at the church for the purpose of electing new officers for the coming year.

Mrs. Iven Clary was elected president, Mrs. Keith Kemp, vice-president, Mrs. R. P. Tomlinson, secretary, and Mrs. Raymon Redman treasurer. Various committees will be appointed later by the president.

Installation services of the new officers will be held the latter part of September and they will take office on October 1.

A book review will be given

services, group prayer meetings for all ages are being held each evening at 7:30 o'clock. Services are being held each morning at 10 o'clock and each evening at 8 o'clock. The revival will continue through September 8. Every one is given a cordial invitation to attend.

Mmes B. E. Young, I. A. Smith, T. L. Jones and J. R. Durrett attended the three-district Methodist seminar which was held in Lubbock last Thursday and Friday.

The Young People of the Church of the Nazarene are organizing a Gospel Team. They plan to conduct services in neighboring churches and to go into the homes of shut-ins with songs of inspiration and messages of cheer.

A revival is to be held at the Justiceburg Baptist church beginning Sunday. Rev. Bristow of Knott, Texas will be in charge of the services, which will be held each evening at 8 o'clock. A cordial invitation is given the public to attend.

Rev. J. E. Stephens, pastor at Grassland and Graham, conducted the services at the First Methodist church Sunday. Rev. I. A. Smith, pastor, is conducting a revival at Graham this week.

Minister Doyle Keley, pastor of the local Church of Christ, is conducting a revival at Graham. The Church of Christ congregation of the Post church attended services there Sunday night.

Dr. L. N. Lipscomb of Lubbock will deliver the message at the First Methodist church next Sunday evening. The quarterly conference will be held immediately following the church service.

**Forceful Preaching**

Dr. Kidd, a well-known preacher of Aberdeen, Scotland, in bygone days, once spied a man sleeping peacefully through all his fulminations. He lifted his Bible and threw it with unerring aim at the head of the offender, shouting, "If you don't hear the Word of God, I'll make you feel it!"

**BIRTHDAY PARTY GIVEN FOR BRYAN WILLIAMS III SATURDAY AFTERNOON**

Bryan Williams III was a very happy and excited honor guest last Saturday when his mother entertained from 6 till 7:30 o'clock at their ranch home in celebration of his sixth birthday.

Outdoor games were played, the children enjoying the shady play ground.

The children gathered around a table to watch Bryan open his presents. Then the birthday cakes were brought out and the happy Birthday song was sung to Bryan.

The cakes were angel food iced in white, decorated in pink and green and bore six pink candles. They were cut and served with sandwiches and cherry punch.

Helping Bryan celebrate were his brother Lee, Judy and John Frank Davis of Slaton, Don Finley of Tahoka, Jan and Judy Thomas, Mary Louise and Pamela McCrary, Kathryn Kahler, Jimmy Minor, Jan Justice, Martin and Beth Kemp and Marthana Cearley.

Grown-up enjoying the party were the grandparents, Mrs. Lee Wooten, Mr. and Mrs. Bryan Williams, sr., and the mothers of most of the youngsters.

**CHRISTIAN WOMEN TO MEET TUESDAY IN MRS. F. I. BAILEY'S HOME**

## Growth And Improvement Indicated For Neighboring West Texas Towns

It seems that the farmers over the area were extremely busy last week, straining every effort to obtain that first bale of cotton. In checking our regional exchange newspapers, we find that many counties report the receiving and ginning of first bales for 1946.

Towns reporting first bales were Snyder, Hermleigh, Sweetwater, Hamlin and Slaton.

Previously mapped plans for the Central West Texas Fair to be staged in October in Haskell were decided upon to be carried out. Approval was given for the construction of new buildings and repair work on the exhibition building and grounds. Despite the drought, agricultural, poultry and livestock exhibits are expected to be even better than in previous years.

An election which will give or deny the Nolan county school board the authority to issue an annexation order affecting five rural school districts will be held in the five districts and in the Sweetwater independent school district on Saturday, September 14. The rural school districts affected are: Bitter Creek, Cottonwood, Plum Creek, Ada, and Stamper. This action was taken after the Sweetwater school board had stated its decision not to continue accepting the scholarships from the five districts under the old contract set-up.

Plans are being made for the

1946 Trinity Exposition which will be held October 23-26 in Liberty, Texas. Several parades will be presented during the run of the exposition, an outstanding quarter horse show and the choosing of the queen and her coronation will be highlights of the exposition. Various committees have been chosen and have met to further plan for the affair.

The arrival of fire plugs is the only factor that is now holding up the start of water main extensions in Crosbyton. Water lines were received last week and contractors have already arrived and are now awaiting the arrival of the hydrants. The 8-inch pipes have already been placed along the streets where the mains are to be changed, but digging of the ditches has not yet started.

A big celebration is going to be held Friday and Saturday in Sudan in honor of the completion of 82 blocks of street paving, and new county roads. A main street parade being led by the school pep-squad will begin the day's events with exhibits being shown in the mornings. Baseball games will begin at 1 o'clock on both days, with four teams competing for championship. An old fiddler's contest will also be staged during the course of events. Highlight of the celebration will be the performance of several teams of Indian dancers to be led by the Taos Indian Adam Trijillo (Red Deer.) Sudan, a town of slight-

## HARLEY SADLER MAY SEEK SPEAKERSHIP OF HOUSE

State Representative Harley Sadler of Sweetwater, and who is widely known in this county as "West Texas's No. 1 showman," having owned and managed a successful traveling theatre show which played here many seasons, may become a candidate for speakership of the state house of representatives, according to last week's Sweetwater newspaper.

Sadler, according to the newspaper, is being urged to make the race by house members who believe, like Sadler, that the best interests of the state will be served if the house speaker is from a so-called rural area, rather than from one of the metropolitan areas.

There are three possible candidates for the seat, including Sadler. Two are from metropolitan areas. One is W. O. Reed of Dallas, a corporation lawyer. The other is W. A. Hull of Fort Worth, who faced a run-off Saturday.

The only move Sadler has made so far in the direction of candidacy, the newspaper reported, was to send out cards to house members asking them if they were pledged to any candidate for speakership. Sadler has received about 100 responses, of which 40 percent indicated pledges to Reed, 40 per cent expressed a desire to support Sadler, and 20 per cent indicated they were conditionally pledged to either Reed or Hull, if the latter was re-elected.

Sadler before definitely deciding to enter the race, was awaiting results of the Saturday primary.

ly more than 1200 people, boasts more street paving than any town in the State for its size.

Colorado City has already begun looking into the future of the Wolves, with fall football work-outs to begin September 2. Vast improvements are also being made to the football field and gymnasium. One hundred and thirty feet of new bleachers have been built, a new fence has been built around the field and the dressing rooms in the gymnasium have been renovated with the installation of additional showers and refinishing of the floors.

The title of "Miss South Plains" now rests in the hands of Miss Dorothy Carmack of Lubbock. The judging was held last Tuesday night at Levelland. Miss Carmack will be given a free trip to Colorado and a screen test. The four girls in the final judging, other than Miss Carmack, were Mrs. Marion May as "Miss Seagraves," Mrs. Doris Burleson as "Miss Lamesa" and Charlene Newman as "Miss Hockley County."

Present U. S. Department of Agriculture estimate on the national wheat crop is 1,132 million bushels, with a 101 million bushel carry-over from last year.

## His Farm Fields Are Factories

U. S. FARMERS have made our fields into factories:

We live better than people in other countries because our farmers get more out of the soil.

The steel industry takes pride in the way it has helped bring about this improvement in farm practice. Tools of steel—from the plowshare to the giant combine—have multiplied in number and increased vastly in quality.

Fifty years ago the typical farm in America used about 3 tons of steel. Today the figure is nearer 17½ tons.

That is a measure of the modernization of agriculture and an indication of the interdependence of steel and farming.

We no longer have separate "farm production problems" or "industrial production prob-

lems." We have but one set of problems for everybody.

If strikes, for instance, restrict the supply of farm implements and supplies through work stoppages, or make their cost prohibitive, America is out of gear.

Anything which tends in this direction is bad for the farmer—and finally for everybody. Farmers know it. Everybody else should know it.

Steel mills need all the scrap iron and steel they can get. The shortage is serious. Farmers can get extra dollars and help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 350 Fifth Avenue, New York 1, N. Y.

The Institute has printed a booklet STEEL SERVES THE FARMER. Write for a copy and it will be sent gladly.

## THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen!

Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 100 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance.

There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

### Highlights of Regular Army Enlistments

1. Enlistments for 1½, 2 or 3 years (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
5. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. GI Bill of Rights benefits assured for men who enlist on or before October 5, 1945.
8. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

### LEGAL NOTICE:

H. J. R. No. 68  
**HOUSE JOINT RESOLUTION** proposing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from

### AIR MAIL POSTAGE TO BE CUT TO NICKEL

Postage on domestic air mail will be reduced from 8 cents an ounce, to 3 cents an ounce, or fraction of an ounce, beginning October 1. Postmaster Phil S. Bouchier has been advised by the U. S. Postal Department.

The 5-cent rate will apply to all mailable matter transported by air within the continental United States and within any territory or possession of the United States. The rate will also apply to air mail sent to or by members of our armed forces stationed outside the continental United States.

Legislation reducing the air mail rate was passed August 1 by the house and sent to the President for his okay.

### GARZA VETERAN TAKES ADVANTAGE OF "MAIL ORDER" BUYING PLAN

Among the successful purchasers in the first "mail-order" catalog sale of surplus used motor vehicles conducted by the Veterans' Division of the War Assets Administration office in Fort Worth was Adrian O. Cook of Post.

Cook, who is a veteran of World War II, was awarded a 1941 cargo trailer for \$711.

The sale was unique in that it offered in excess of 12,000 certified veterans an opportunity to inspect the vehicles at any of the 16 Army Camp locations through North and West Texas and make their purchase by mail, with alternate choices given, since the oldest dated certificate holders

the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the voter cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.
