

# Up And Down Main Street

The deep spaced cough of a departing train met our ears as we started on our beat Monday morning. 'Twas a most welcome sound!

Good old United Tastes of America—that's what you'll find when you visit the grocery and market departments at 77 and 79 Main Street. Bake, Bill, and Jack are feverishly completing plans, shinning the windows and arranging the "see-all" display shelves for the formal opening on Saturday. The new store is truly something to be proud of and these fellows are extending a cordial invitation to all Garza folks to "come calling." Stanley Brannon, a coffee representative, is going to brew coffee for customers and eight see-ers and J. E. Parker is baking an extra batch of cookies for the occasion.

Speaking of Formal Openings, Fred and Sue, reminds this reporter that Jimmie Hundley and all the folks at Hundley's are getting set to show off their new store and fixtures on Saturday. Mohandus Gandhi, Jr., who had to wear a towel instead of wootens for so long is now fittingly dressed for the open house and is "at attention" in the big display window and is standing guard over the prizes to be given away. Tea is to be served from ten to six o'clock.

Now, if we could just get Marshall Mason, who is giving away an Admiral Dual-Temp Electric Refrigerator on that day, to serve hamburgers and beer during the noon hour, our business beat in the interest of the Dispatch would indeed be filling. We could have our own mid-morning coffee with Eggs and his bunch, lunch with the Mason males, and afternoon tea with the Hundley hands.

Somewhere West of Worry—half where we'll find Garza folks during rodeo time. Everybody is becoming rodeo conscious. To give emphasis to the traditional event, many merchants are stressing Western-style window decorations and merchandising displays.

Winning top-money is the one at Herring's. Alex Webb designed the set and worked up a very unusual merchandise display of rodeo gear. Be sure to see it. Clint, who is a top-hand at this kind of job himself, is right proud of his job Alex.

Displayed in Bryant-Link's window is a hand made miniature truck wagon with all the fixin's surrounding the Travis-made wooden figures are items dear old dear to the hearts and hands of all cowboys.

Over Greenwood Hardware way, T. R. is having difficulty in keeping the displays of shiny new coils of rope from disappearing. Many a cowhand has been practicing fast and furiously with the few rope—breaking it in, so to speak. Incidentally, the new nylon rope happens to be 20c a foot in comparison with the 6c a foot for pre-war stuff. A thirty foot nylon rope will cost the cowhand \$5.95, the old style \$1.80.

Signs of the Times—Rodeo Time—are being prominently displayed on many shop windows. An attractive cowboy motif with the salutation, "Hi-Stranger," is being seen everywhere.

Many a cowhand will feel at home in the new White Auto store. Brands of famous ranches decorate the walls and to add that extra touch of welcome a circle of Garza county brands is being displayed around the "Hi-Neighbor" emblem on the window. The Power brothers, J. N. and Tom, are tending to having matters this week while "Bessie" Gossett, that cute little brunette, is tending store in the old stand.

Power with Pep to Spare—is the motto that the Conoco Service Station boys are promoting when selling Conoco Gas and Oils at their place on Broadway. Iveti Clay, the head man, says Conoco products cost no more, yet give extra zip and punch to the old "hooey." Robert Miller and Neal Clay are running up many a sale in all kinds of services.

Looking in on Ben Williams Barber shop to see what sort of a good job was being done on the front chair that fell the following...

# Memorial Service Will Honor War Dead

LEGIONNAIRES TO BE IN CHARGE OF PROGRAM TONIGHT AT HIGH SCHOOL—

Weldon Skinner will serve as commander tonight, Thursday, for the special Memorial service at the High school auditorium which will be conducted by members of the James C. Cole post of the American Legion. This service, in memory of Garza County's war dead, will be held at 8:30 p. m. and the public is most cordially invited to attend.

The address of the evening will be delivered by Judge Louis B. Reed of Lamesa, district judge and a veteran of both World Wars.

Other speaking parts will be given by W. P. Lester and E. A. Warren, vice commanders of the post and Mrs. T. L. Jones, representing the Legion Auxiliary. The reading of an inspirational poem

will be presented by Mrs. D. C. Williams.

The colors will be presented by a special guard led by Tom Power, Kent Presson, just recently returned from overseas, will act as chaplain. Music for the occasion will be in charge of L. C. Carmichael, song leader, Mrs. Ray Smith, pianist, and Darwood Billings, bugler.

The Legion men have prepared this program and your respectful attendance is requested so you may join in paying homage to these soldiers who will be present only in memory: John Miller, J. E. Robinson, Walter Thomas, Wright Hinson, John L. Jinkins, Douglas Carradine, Sammy Hawthorne, Orus Chesley Self, Eugene Herring, Simon O'Keefe, Jim

Krause, Ray Smith, Jr., Doil Jones, Delma Meeks, Bryan Mathis, Jr., Tom Cook, Paul Cook, Shirley El-Rott, Skeet Edwards, Billy Joe Childers, Charles Gale Clem, Clyde Paddy, Jack Edwards, Clifford Puckett, Clifton Puckett, Milton Hoster, Jr., Jim Henderson and Otis Haire.

Next of kin of our fallen heroes have been sent special invitations.

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, MAY 30, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 24

## C. C. Directorate Elects Sherrill Boyd Secretary

At a called meeting Monday night of the directorate of the newly-organized Post Chamber of Commerce, held in President Joe S. Moss' office, Sherrill Boyd was elected as full-time salaried secretary for the organization. His election is effective immediately and he has set up temporary office at his apartment until downtown quarters are obtained by the chamber.

Mr. Boyd is a native West Texan, having been born in Stephens county. Before the war he owned and operated the Caprock Engraving Company in Lubbock, doing photo-engraving, photography and art and layout work for daily newspapers in Amarillo and Lubbock and a number of weekly newspapers, business firms and individuals in West Texas.

Finding it necessary to close his plant soon after the attack on Pearl Harbor, he became a supervisor at the Pantex Ordnance plant near Amarillo. After two years of this work, he took an overseas job in the picture division of the Office of War Information.

Assigned as technical representative attached to the Army of the United States in the European Theater of Operations, he was engaged in psychological warfare work in London from September 1944 until the end of the war in Europe. Then he was transferred to Paris to become attached to the American Embassy for work with the United States Information Service.

In 1936, he married Miss Evelyn Babb, daughter of Mrs. J. H. Babb of this city, who was associated with the Lubbock Avalanche-Journal. She later served for several years as society editor of the Amarillo Globe-News.

Mrs. Boyd resigned her position with the newspaper to accept an overseas assignment with OWI and was sent to Rome, Italy, and later was attached to the U. S. Embassy in Athens, Greece.

The couple moved to Post last week and are residing at 18 north Broadway.

## Showers Follow Monday's Duster, Post Gets 1 Inch

Following on the heels of Monday's duster and high wind came spotted rains early Tuesday morning which left moisture in some sectors of the county amounting to as much as one and one half inches.

Post's precipitation amounted to a fraction more than an inch, but the hard shower played out as it extended a half mile west of the townsite.

No rain of any consequence was reported from the Plains area of the county. Showers, leaving from one inch to as much as one and half inches of moisture, fell north and east of Post, mostly over the ranching area of the county. Good rains were reported from scattered sectors in the south part of the county.

The wind, with gusts during the day up to fifty miles an hour, abated early Tuesday morning and gave way to the showers.

## LOCAL ROPING CLUB TO SPONSOR MATCHED ROPING SATURDAY NITE

Pairings are being drawn this week for Saturday night's matched roping contest which is being sponsored by the Post Roping club, reports Buck Gossett, president.

Eight ropers are being selected from the club's membership to be matched with as many "out-siders," said Gossett. Each contestant will rope four calves and his total time will be added to that of his team-mates for final score.

A small admission of 25c for adults and 15c for children will be charged at the gate. Proceeds will go to the club to defray livestock feed bills.

## TRIPLE A OFFICE IS CLOSED TODAY

The local county AAA office will be closed Thursday, May 30, in observance of Memorial Day.

The office will be closed from 8 a. m. to 5 p. m. but will resume regular office hours on Friday, stated Robert H. Gibson, Secretary Garza County ACA.

## Plans Announced For Boy Scout Camp During June 2 To 22

The Post Boy Scout camp will be a very busy place during the month of June, since Scouts from the district will spend time at the camp, according to information from G. M. Unger, district Scout executive.

The district has been divided into groups and each group will spend a week at camp during the period from June 2 to 22.

June 2-8 has been designated for Scouts from Castro, Swisher, Briscoe, Hale, Motley, Dickens, Floyd and Crosby counties; June 9-15 for those from Garza, Galves, Dawson, Yoakum, Terry, Lynn counties and from Slaton; June 15-22 for those from Bailey, Cochran, Lamb, Hookley and Lubbock counties.

Camp will open each week on Sundays and close on Saturdays. Visitors nights will be on Sunday and Friday.

A well rounded Scouting program will be offered and the Grand Couer awards will be given those Scouts who excel in camping, in addition to the regular advancement.

Each Scout will be charged \$7.50 for the campment. Spending money will be extra.

## MELODY MAIDS TO GIVE PROGRAM AT TAHOKA AND BROWNFIELD

A special program which is being presented at the Rotary club in Tahoka today will include the local Melody Maids. They will give a series of Musical numbers for the Rotary club of Brownfield Friday.

Mrs. J. A. Stallings, instructor and accompanist for the group, has announced that special numbers are being prepared, several of which will include advertisements of the Post Stampede and Rodeo.

The Melody Maids include Sue Belle Bruster, Edwanda Davies, Lardie Stevens, Anita Kennedy, Mary Nell Bowen, and Mary Ann Hundley. Robert Smith will accompany the group giving special solo numbers.

## Open House Set For Saturday At Hundley's Store

The personnel at Hundley's Men's Wear extend a cordial invitation to the public to attend the formal opening on Saturday, from 10 a. m. until 6 p. m.

Merchandise has been available in the store for the past few weeks but the owners had delayed the formal opening hoping that the store might be completely finished. Their plate glass front has been installed and a most attractive display of various articles or men's wear may be viewed from the sidewalk.

There will be prizes and refreshments as a feature for the day. Be sure and register for the free prizes and enjoy the hospitality of a glass of refreshing iced-tea and cookies.

Elsewhere in this issue of the Post Dispatch you will find an advertisement extending your personal invitation and listing the prizes that will be given away. You do not have to be present at the time the prizes are awarded. You will be notified should you be one of the lucky ones.

## ELECTRIC REFRIGERATOR TO BE GIVEN AWAY AT MASON & CO. SATURDAY

A new 1946 model Admiral dual-temp electric refrigerator, which is expected to arrive any day now, will be given to a customer at Mason & Company Saturday afternoon in the climax to the Company's thirty-first anniversary.

In celebration of their anniversary the Company has conducted a month's sale, during time merchandise prices have been reduced and special promotions have taken place.

The refrigerator will be given away at 3:30 o'clock, at which time all holders of coupons are to be present at the store. In the event the refrigerator does not arrive in time for delivery when it is awarded the lucky person a receipt will be given for later delivery, said Marshall Mason.

## Applications For Dairy Payments Be Filed By May 31

Dairy producers in the county are reminded that May 31, 1946 is the closing date for accepting Dairy applications for the January, February and March payment period, stated Will Wright, Chairman, Garza County AAA Committee. No applications will be accepted after this date for the above mentioned period.

The opening date for the April, May and June payment period will be July 1, subject to change by an order of Congress. If the price of milk and milk products is increased, it is probable that the subsidy will no longer be made. Each producer will be notified as to the outcome, further stated Mr. Wright.

The subsidy is to be continued, two payment rates will be offered. For the month of April the payment rates will be 15c for butterfat and 70c for whole milk, while for the months of May and June the rates will be 15c for butterfat and 55c for whole milk.

As heretofore mentioned these rates are subject to termination or revision in the event of any general increase in price ceilings for milk and its products, asserted Mr. Wright.

## POST IS SENDING THREE REPRESENTATIVES TO CHURCH ENCAMPMENT

Jeff Justice, Jr. and Misses Mary Margaret Dickworth and Frances Terry will leave Post Monday for Ridgecrest, North Carolina to attend the annual encampment of Baptist students.

The encampment will draw a group of over five hundred college students from Texas groups and hundred from Baylor University have made reservations. It was reported.

Courses on various phases of Bible work together with church activity programs will be studied by this large group of college students. Along with the week of concentrated study a fine entertainment program is in store for those who attend.

# Post All Set For Stampede, "Whoopin' Time" Planned For Four-Night Shows Next Week

Cowboys from off the ranches, out of the drug stores, out of the cradles and out of the wheel chairs all are expected to converge on Post next Wednesday for the annual Stampede to be staged over the week end.

Plans and activity for the pre-war style "boot and saddle" exhibition, which was suspended during the war years, have been humming for weeks, and now everything is in perfect readiness for staging the first performance of the spectacular rodeo next Wednesday evening, with the big star-studded event to continue through Saturday night.

## Street Parade To Open Show

This season's Stampede will get off to a flying start at 7:30 o'clock Wednesday evening, at which time a gala parade of prancing horses, riding cowboys and gale dressed cowgirls will ride through the business section of the city. The parade will form at the court house and break up at the arena. Most of Post's merchants have entered contestants in the parade and these entries will be joined by many contestants who will compete for the \$2,500 in cash prizes offered by the association.

Parades are also scheduled for Thursday, Friday and Saturday evenings preceding the rodeo performances and will be made up of contestants and as many other riders as care to participate.

Colorful decorations of flags and bunting will be used on the streets and business firms of the city to give that gay carnival atmosphere to the four-day show. A decorating firm representative and crew arrived in Post this morning to begin work on the project.

Performances will be staged in the arena south of Post High school where seating arrangements of portable bleachers which are being erected at this time, will accommodate several thousand spectators.

## Brahmas Will Be Tough

Bill Lyons, Petrolis, Texas rodeo livestock breeder, will arrive here Tuesday morning with five truck loads of stock to be used in the show. Mr. Lyons has furnished the stock for the Stampede for a number of years and rodeo goers are assured of plenty of action when his broncs, steers and other animals are turned into

the arena.

This season's Brahmas will be tough, as will the wild broncs that Lyons is taking off the range this week. The stock will be fresh, after grazing pastures all fall and winter, when they buck into the Stampede arena for the season's initial show. Nose-dives and "bitin' the dust" will be the talk when cowboys, who haven't ridden in months and many of them returned servicemen, mount Lyons' meanies. From the number of top-hand calf roping and cow-milking contestants who have already announced they would take part in the show one may expect to see good time chalked up in these events.

## Six Major Events

Besides the four events, calf-roping, wild-cow milking, bronc and steer riding, which usually get top billing at West Texas rodeos, the Stampede this season has added two other popular events. The two stellar attractions are the cutting horse contest and sponsor's contest.

The cutting horse contest, a regular ranch chore during the course of operation, offers as its main factor in the contest, co-

ordination between horse and rider. Performance and ability of the rider and horse, and the ease and speed of the work are determining points from the judge's observation. Many of the west's finest cow-horses will perform in this event.

Twenty-five or more girls and young women will compete at the Stampede for laurels as to riding a horse and looking the part. Each sponsor takes every minute detail into account when preparing themselves for this contest. This event will be a spectacular affair and will find the areas most attractive cowgirls participating.

## Special Features Offered

A special feature of the Stampede will be the nightly performance offered by the Abilene mounted square-dance team. This attraction is being brought to the show at great expense to the promoters and will add color and variety to each performance. The team is comprised of twelve men and women mounted on fine horses. Special costumes and regalia are used by the entertainers and each couple will be mounted on matched horses, providing beautiful horses in paints, whites,

surrels and blacks, etc.

Three big dances are to be staged on Wednesday, Thursday and Friday nights. The dances will be in the High School gymnasium with Hop Halsey and His Drug Store Cowboys providing the music.

## Contestants Must Register

A splendid array of contestants in the six major events of the rodeo have indicated they would fight hard for the more than \$2,500.00 in cash prizes offered during the four performances.

All contestants are required to register between 9 a. m. and 12 a. m. Wednesday, for Wednesday and Thursday night shows, and participants in Friday and Saturday night performances must register between 9 a. m. and 12 a. m. Friday. Headquarters will be established at Thaxton Cleaners where the secretary of the association will maintain an office.

Officers of the Stampede are W. S. Duckworth, president, G. W. Conell, vice-president, Humer McCrary, secretary and E. W. Williams, manager. News Rodgers is arena director and W. B. Williamson of Rotax and Jack York of Snyder will serve as official judges.

# Locals To Face Refiners Here Next Sunday

Sunday's Result Will Determine Standing In First Half Of League Play

Sunday's game here between the Levelland Refiners and the local semi-pros will have more than usual importance on the outcome of the Oil Belt league race.

The defeated team will be virtually eliminated from the first half chase, as the team will be sustaining its third defeat. Both clubs have fared well after rather shaky starts and Levelland is expecting some help from college lads just out of school for the summer.

An interesting sidelight of the Post season this far is the fact that the team has participated in the lowest scoring, tightest contests throughout the league schedule. Its 8-6 victory over Odessa was Post's largest score gain, and one of the widest margin between winner and loser. The team and its opponents have scored an average of 10 runs a game, which compares quite favorably with the league average of 14.7. Moreover, the locals have played three 1-run margin melees.

What should keep fan interest up, and is, in the fact that the locals have knocked off the top clubs in the league. Attendance has been good on home games and last Sunday found close to six hundred paid customers passing through the gates of the Post-plex park to see the locals wallop Seagraves, 7-6.

Out-comes of other league games last Sunday found Levelland defeating Odessa, 7-4. Sundown took Kermitt, 5-4; and Jal slugged Seminole, 10-0.

Next Sunday's schedule, besides the Post-Levelland game here, will find Jal going to Sundown, Seminole to Kermitt and Seagraves to Odessa.

League standing is as follows:

Team	Won	Lost	Pct.
Seagraves	4	1	.800
POST	3	2	.600
Levelland	3	2	.600
Sundown	3	2	.600
Kermitt	3	2	.600
Odessa	2	3	.400
Jal	2	3	.400
Seminole	2	3	.400

# Grand Opening Of Pure Food Market To Be Saturday

The public is invited to be guests of the Pure Food Market next Saturday for the grand opening. Everything is in readiness for your inspection visit to the gleaming interior of their new grocery and market.

Bake, Bill, "Dad" and Jack will have on their best smiles and sweetest white aprons to greet each of you and show you over their store. They insist that you make yourself at home.

In a very nice gesture of hospitality they offer the "cup of hospitality," Maryland Club coffee, and cookies baked by Parker's Bakery for your enjoyment.

While you wander around sipping the coffee the store men will be very happy should they decide to take advantage of the specials in the grocery and the extra good cuts of meat displayed in the market.

## WHITE AUTO STORE MOVING TO LOCATION ACROSS BROADWAY

Employees of White Auto Store are busy as bees this week moving into their new location across the street from their present location on Broadway.

The large Power building, formerly occupied by Pure Food Market, and owned by the owners of the White store, Tom and J. N. Power, has been remodeled and made ready for the auto-parts and appliances store.

## PUBLIC INSTALLATION WILL BE HELD BY O. E. S.

Mrs. Imogene Burleson of Tahoka, post district deputy of the O. E. S., will preside as installing officer for the public installation ceremony which will be held Saturday night, June 1, at the local Masonic Hall.

Officers were elected last meeting and will be duly installed at this meeting Saturday night at 8 p. m. The public is cordially invited to attend the ceremony. Refreshments will be served.

### UNEMPLOYMENT CLAIM EXAMINER TO BE IN POST JUNE 6TH

Senior Claims Examiner, H. W. Richardson, will be here Thursday, June 6 at 9:00 a. m. He will accept unemployment compensation claims and veterans' readjustment allowance applications at the courthouse.

The Servicemen's Readjustment Allowances are payable to veterans who qualify under the G. I. Bill of Rights, either as unemployed or self-employed earning less than \$100 a month.

Mr. Richardson said that both the Texas Unemployment law and the G. I. Bill provide that refusal of suitable employment disqualifies the claimant or veteran. Other disqualifications under both laws are for discharge for misconduct and leaving employment voluntarily without good cause, he said.

Mrs. E. M. McKinney of Dallas is visiting with her daughter Mrs. Clyde Ferguson, this week.

## Swing of Southwest Farm Markets

Prices were higher for cotton, steady for grain and hogs, but easy on poultry and eggs; cattle and sheep last week, USDA's production and Marketing Administration reported today.

Unfavorable weather for the 1946 cotton crop and action on the price control bill by the Senate Banking and Currency Committee tended to strengthen cotton prices. Reported sales in 10 markets totaled 82,600 bales this past week against 92,100 bales the previous week and 67,600 last year. Spot market activity decreased as strikes clouded the outlook for cotton consumption.

Continued urgent demand for tight supplies of grain kept prices at new ceilings.

Eggs declined about a cent a dozen at most southwest markets early last week. Cold storage space became tighter and hatcheries reduced operations, throwing more eggs on the market. Demand held up very well and prices were almost steady by Friday. For current receipts, dealers paid 30 to 31 cents a dozen, Dallas; 30 1-2 to 31 cents, Fort Worth and Denver; and 30 to 33 cents, New Orleans.

Poultry prices sagged early last week but later leveled off about steady. Heavy hens brought 23 cents a pound, Dallas; 23 to 24 cents, Fort Worth; 25 to 26 cents, Denver; and 27 1-2 to 30 cents, New Orleans. Fryers remained at ceiling, but movement was near standstill.

Cattle prices were steady to weak at Houston, San Antonio and Fort Worth but stronger to 25 cents higher at Oklahoma City, Wichita and Denver last week compared to Friday's prices of the previous week. Houston sold medium steers and yearlings at \$13 to \$14.50 per hundred pounds and canner and cutter cows at \$6 to \$8.25. San Antonio cleared top medium and good steers at \$14.50 and canner and cutter cows at \$6.50 to \$8.75. At Fort Worth medium steers and yearlings realized \$13.50 to \$16.50 and canner and cutter cows \$6 to \$8.50. Oklahoma City moved choice fed steers and yearlings around \$16.50 to \$17.25 and canner and cutter cows at \$6.50 to \$8.50. At Wichita medium and good slaughter steers and yearlings brought \$14.50 to \$16 and canner and cutter cows, \$7 to \$8.50. Denver sold medium to choice steers and yearlings at \$14.50 to \$17.25 and canner and cutter cows, \$8 to \$9.75.

Light supplies of hogs continued to bring ceiling prices at most southwest markets.

### FARM INCOME HIGHER THAN IN APRIL 1945

A fifty per cent increase in Texas farm income in April over April a year ago was reported Tuesday by the Bureau of Business Research at Austin.

Income of Texas farmers was approximately \$86,000,000 for the month, more than three times greater for the average pre-war month (1935-39.)

Higher prices and greater volume marketings combined to bring about the upturn. Fruit, vegetable and livestock sales were high in volume.

### FORMER GARZA BOY COMPLETES COURSE

Pvt. George Ronald Dinwiddie, son of Mr. and Mrs. A. K. Dinwiddie, former residents of the county, has earned the right to wear "Boots and Wings" of the United States Army Airborne Troops. He has completed eight weeks of combined parachute and glider training during which time he made 8 jumps, the last 3 were tactical jumps, one at night and the others at the break of dawn.

### MEETING PLANNED FOR CO-OP HOSPITAL MEMBERS

Garza county members of the Comrock Cooperative Hospital have received notice of a meeting of the association to be held June 4 in the Livestock Judging Pavilion at Texas Tech.

Purpose of the meeting is to approve the constitution and by-laws and to elect directors.

Registration will begin at 9:30 a. m. A free barbecue will be served at noon.

## Cull Poultry Now Advises Husbandman

The present ceiling prices on corn, wheat and other grains and protein concentrates means that heavy culling must be done in farm and commercial flocks if poultrymen hope to stay "in the black" on egg production, according to S. A. Moore, poultry husbandman of Texas A and M College Extension Service.

"It takes around 11 pounds of feed to produce a dozen eggs from a hen that is laying at the rate of 80 eggs per year," Moore said. A 200-egg hen will lay a dozen eggs on 5 pounds of feed.

The poultry specialist estimated that 3 1-2 million Texas hens, or about one out of seven in the average flock, was costing her owner money instead of bringing it in.

While culling "boarders" from the flock is always good business, it is especially necessary now because of the feed situation, he said. Many low-producing hens in poultry flocks are eating feed at the rate of four to five pounds per month, so two birds culled out now will save a sack of feed in the next year.

The feed so saved can go to relieve the food and feed shortage elsewhere, or two young birds can be raised up to production on what one old one would eat in the meanwhile.

### CLOSING DATE FOR SMITH-DOXEY NEARS

Deadline dates for filing application for Smith-Doxey service are August 1, east of the 100th meridian and August 15, for counties west of the 100th meridian, according to F. E. Lichte, cotton gin specialist, Texas A and M College Extension Service.

While these are the deadline dates, the USDA Production Marketing Administration, which provides the service, has set up goal dates of July 1, and July 15. Applications cannot be filed until cotton is planted, but should be sent in as soon as acreage for a given cotton group can be determined.

The Smith-Doxey Act, now in its ninth year of operation, provides free classing service so that farmers will know the actual grade and staple of their cotton as a guide to selling it.

## PLANS FOR RE-BURIAL OF SERVICEMEN MADE

Within the next few weeks letters will be sent by the War Department to next of kin seeking their wishes on reburial of servicemen now in overseas graves.

The program, which will be carried out through the quartermaster general, Washington, will get underway before late fall when steel caskets, to be hermetically sealed, are shipped overseas for use in the reburial program. All burial costs either in a military cemetery overseas or in a national cemetery in the United States will be borne by the government, according to the announcement of plans. The government will pay up to \$50 of costs for burial in a private cemetery in the United States.

Next of kin will be asked their desires for reburial in the order in which overseas burial spots, both temporary and in regular cemeteries, are verified.

The two national cemeteries in Texas are at Fort Sam Houston, San Antonio, and Fort Bliss, El Paso.

## NEW SERVEL GAS REFRIGERATORS

For you'll find the Servel Gas Refrigerator is basically different. It has no moving parts in its freezing system. Just a tiny gas flame keeps the refrigerant circulating—provides unflinching cold and plenty of ice cubes.

This different, simpler operation means it can't get noisy—ever. And it means, too, there's nothing to wear. Nothing so need fixing. You switch to years of silent, trouble-free service when you choose a Servel. . . You'll find the new Servels are mighty good-looking, too. Big and roomy. And planned just right. An extra-cold compartment for meat storage . . . a place to keep vegetables crisp and unswelled . . . and lots of room for frozen foods! Come in and see them—right now!

## NEWS NOTES FROM . . . Duck Creek Soil— CONSERVATION DISTRICT OFFICE AT POST

Garza county servicemen who have reported to the local Selective Service board the past week with honorable discharges include: Lucian B. Duff, Milton E. Ford, Jessie H. Anthony and Robert C. Francis.

## MIDLAND RODEO BEGINS FOUR-DAY RUN TODAY

A horseback parade through downtown Midland at 4 p. m. today will open officially the twelfth annual world championship Midland rodeo. The show will run through Sunday. The nation's top cowboy, headed by Bill Linderman, 1945 world's champion all-around cowboy, and Toots Mansfield, world's champion calf rider, will compete in the Wild West events which include bronc riding, calf roping, bull riding, barback bronc riding and steer wrestling. Livestock, furnished by Everett Colborn and Gene Austry, has arrived. Purses and prizes total \$7,300. A number of Garza county rodeo fans plan to attend some of the shows.

## ANTELOPES TO GET PROCEEDS ON RODEO CUSHIONS' SALE

Proceeds from the rental of cushions to be offered spectators during the Stampede next week will go to the Antelope football club, said Homer McCarty, secretary of the Stampede, this morning. The boys will be in charge of the cushion rental booth and will use the money taken in to defray expenses of their pre-school camp.

## New Postage Stamp Commemorates Veterans

Of interest to Garza county people will be the new special postage stamp with the honorable discharge button of the United States armed forces pictured on its face. The new stamps were issued early this month and honor all veterans of World War II. The first sheet of the new stamps went to President Truman last Thursday during a sale ceremony at the White House. The stamps bear the lettering, "Honoring Those Who Served."

## Funeral Services For Mrs. Peter Gerner Held Here Sunday

Final respects were paid Sunday afternoon to Mrs. Peter Gerner when a host of friends and relatives gathered at the First Baptist church at 4 o'clock. Rev. D. W. Reed, a long time friend of the family, brought a comforting message on "Absent from the Body, at Home with the Lord" basing his remarks on a text in the fifth chapter of II Corinthians. He was assisted by Rev. Polinae, pastor of the church. The musical solace was provided by a choir singing the requested songs "Sweet Bye and Bye," "Asleep in Jesus" and "Sweet Hour of Prayer." Lena Bredy was born August 18, 1891 in Germany to Mr. and Mrs. Adolph Bredy. The family came to America when she was 18 months old. In 1908, when Lena Bredy was 17 years old when she married Peter Gerner. They came to Garza county in 1921. She died at 2:30 a. m. on May 25 at Lubbock General hospital after being quite ill for several weeks. In the death of Mrs. Gerner, Garza county has lost one who was loved and esteemed by all who knew her. She was conscientious in all she did. She helped to raise a fine family and was a wonderful mother. Her life was one that was well lived and one that will continue to live in its good influence. She was a member of the Lutheran church and of the Order of Eastern Star. Interment was made in Terrace cemetery with Mason and Company in charge. Graveside rites were performed by officers of the local Eastern Star chapter. Pallbearers were Jess Probst, Fred Steinhauser, Chris Gendorf, Ed Miles, Clarence Carpenter, and Gus Gaskal. Mrs. Gerner is survived by her husband, five daughters, Mrs. A. G. Mueller of route 1, Tahoka, Mrs. Lee Mason and Mrs. Ben F. Brewer of Post, Mrs. Collen Host of Phoenix, Arizona, and Mrs. Frieda Gerner of Los Angeles, and three sons, Amos, Raymond and Hottis all of Post, and six grandchildren. One daughter, Tillie, preceded her in death. The father, Adolph Bredy of Clinton, Oklahoma; three brothers, Herbert and Otto of Clinton and Adolph, Jr. were here for the funeral. Other brothers are Robt of Butler, Okla., John of Arapaho, Okla., and Fred of Oklahoma City.

Two sisters, Mrs. George Smith of Yawed, Okla., and Mr. and Mrs. Walter P. Weber and family of Cordell, Okla., were here for the service. Two other sisters survive, Mrs. Walter Plummer of Eldare, Okla., and Mrs. George Hunter of Alva, Okla. Other relatives here for the funeral were Miss Rowena Bredy and Mrs. Doyle Cabanias of Clinton, Eileen Hunter of Alva, nieces.

## GARZA'S CENTRAL FIELD TO GET NEW OUTPOST

Location for an outpost to production on the south side of the Garza central field has been reported this week. The new prospector will be drilled by Herman and George H. Brown and Consmohe corporation on the Sam O. Philpott estate. Location is 330 feet from north and east lines of section 10, block 3, G.M.H. survey. The test will drill to around 3,000 feet with rotary and is scheduled to start at once.

The field, according to unofficial reports, has ninety-two wells connected to the pipe-line which takes oil to loading dumps along the Santa Fe railway side-tracks.

## PHD FIELD MAY HAVE PRODUCER IN SIMS TEST

Test for production is being made at the Sims No. 1 in the PHD field, northwest Garza county, this week, according to reports. The prospector was on a drilled out total depth of 3,570 feet, in lime, and was swabbing and bailing. The casing which was cemented on bottom had been perforated at 2,515-30 feet with 30 shots, and at 3,337-43 feet, with 17 shots. Reports are that 400 feet of oil and no water stood in the hole.

Drilling was done by Honohulu. Location is 400 feet from north and west lines of section 1297, D&W survey.

Honohulu and Devonian Oil Company's No. 3 Payton in the same field, at last reports was drilling below 2,083 feet. This test is located in section 421, TT survey.

## EVERETT WELL LIKELY TO BE ABANDONED SOON

The No. 1 Everett, about 15 miles northeast of Post, shut down last week to await further orders. The test, drilled by Paul G. Schweitzer and H. T. Brady, was bottomed at 3,517 feet, in dry lime. There is no confirmation of rumors that this project might be drilled deeper. Location is on section 14, block 2, H&G.N. survey.

es. Mr. and Mrs. Philip Gerner and son Philip, Jr. of Custer City, Okla., a brother of Mr. Gerner's.

Out-of-town friends attending were Mr. and Mrs. V. P. Haley and Mr. and Mrs. R. W. Haley and family, all of Morton; Mrs. Robt. L. Mason of Lubbock; Mrs. F. J. Brewer and family and Mrs. Forest D. Latimer of Paducah; Mr. and Mrs. Ed Miles, Meadow; Mr. and Mrs. J. M. Johnson and son Johnnie of New Home.

By BONNIE CEARLEY

"Happy is the man that findeth understanding. And the man that getteth wisdom is better than the gaining of silver. And the profit thereof shall be gold." Proverbs 3:13,14.

Eighty-six children enrolled last week for the Vacation Bible school at the Baptist church. They are being instructed by religious stories, handcraft lessons and outdoor play periods. The school will extend into next week.

Members of the Nazarene church are enjoying a revival this week. The services are being conducted by young Rev. Elton Wood of Peniel College in Oklahoma.

Doris Kelsey of the Church of Christ was ill Sunday and unable to preach. Guest speaker for the morning service was L. L. Eldon of Houston, who was visiting with the L. H. Ingram.

Here are some suggested Bible readings we have found helpful: When in sorrow read John 14. When you worry read Matt. 6: 25-34.

When you are discouraged read Job 40. When you forget your blessings read Psalm 103. When you grow bitter or critical read 1 Cor. 13.

## SUNDAY SCHOOL CLASS ENJOYS PICNIC AT LAKE PARK

Members of the Victory Sunday school class of the Methodist church entertained the husbands and friends with a picnic at the lake park last Thursday evening. Luscious sandwiches, potato chips, candies, and colas were enjoyed by the following people:

Mrs. and Misses N. C. Outeb, Ethel Cross, Earl Booth, Edward Rabin, Connor Parsons, Misses Glen Voss and Kent Presson, Misses Thelma Clark, Mabel Berk, Maxine Durrett, Vivian Cooper, Bernice McMahon, Misses Vera King and Surman Clark and children.

## ASSEMBLY OF GOD WILL HAVE SPECIAL ALL-DAY SERVICE NEXT SUNDAY

Rev. Robert Owens, of the local assembly of God, is announcing a special all-day service next Sunday, June 2, at the church. In celebration of the second year at their present location, church members will have three services and will enjoy the fellowship of dinner on the ground at the noon hour.

Rev. Claude Hill, pastor of the Assembly of God church at Stanton, will preach for the special service at 2:30 p. m. Rev. Owens will conduct the other two services. All members of the church are urged to be present and friends are cordially invited to attend.

## NEEDLECRAFT CLUB ENTERTAINS HUSBANDS

The Needlecraft club entertained their husbands last Friday evening at Jennie's Tea Room. Hostesses for the occasion were Mrs. Claude Terry, Ralph Welch and Surman Clark.

A delicious dinner consisting of baked ham, green beans, new potatoes, English peas, vegetable salad rolls, pie, and iced tea was served from a beautiful lace covered table, centered with spring flowers.

After dinner, progressive forty-two was enjoyed by Mr. and Mrs. J. B. Durrett, Boone Evans, Tol Thomas, R. P. Tomlinson, W. F. Pierce, F. C. McAnally, A. A. Satta, Reece Blevins, Claude Terry, Ralph Welch and Surman Clark.

## WCS'S MEETING HELD AT PARSONAGE

The WCS's met Monday afternoon at the parsonage for a lesson on Phases of Christian Social Relations led by Mrs. Jones.

Mrs. Smith read the devotional which was particularly appropriate for the day's lesson. Misses Durrett and Parker assisted Mrs. Jones in presenting the sixty program.

## MUSICAL PROGRAM FOR LIONS AND THEIR LADIES

Wives and lady friends will be special guests next Tuesday night, when Lions club members meet at Jennie's Tea Room.

Hop Halsey and His Drug Store Cowboys have been secured to present the program, according to news from Iven Clary, program chairman.

All Lions club members are hereby reminded to bring their better halves to meeting next week.

A bee dies after losing its sting.

## Wallpaper Makes A Home

The two scenes here show what can be done with wallpaper at small cost to improve the appearance of the typical small apartment, without any architectural changes. With good taste and a few dollars a drab, uninteresting apartment becomes a bright and cheery home. The apartment shown here is typical of thousands throughout the land, which can be made more liveable by the same type of wall treatment. A blue and white leaf-pattern united wallpaper was the starting point. New drapery, slip covers, two new lamps, and a change in chairs and tables in front of the window completed the transformation. "Doing over" the place, one room at a time, is an exciting project in which the whole family can take a lively interest.

## SENIOR AND JUNIOR CLASSES HONORED AT SOUTHLAND GYM

The Junior and Senior classes of Southland High school were entertained Monday night, May 20, by the Sophomore class at a party held in the gymnasium.

Members of the Sophomore class are Betty Jackson, Juanita Wright, Pat Mathis, Bobby Jack Trumble, Ray Robinson, Durrett Hallman, and Richard Becker. Their sponsor, I. J. Duff, assisted them in giving the party.

Games were played by the group and then they were served punch and cookies by the three young lady members of the Sophomore class. Twenty-four young people enjoyed the occasion.

## REGULAR SINGING TO BE HELD AT GRASSLAND

The regular monthly singing will be held Sunday, June 2 at the Grassland Church of the Nazarene.

## MUSIC RECITAL LAST WEEK WELL ATTENDED

Pupils of Mrs. J. A. Stallings and Mrs. Ray Smith were presented in a voice and piano recital last Thursday night. A very good crowd attended and enjoyed one of the best programs heard in recent months.

Voice pupils were presented in solo and group arrangements and piano solos and duets were interspersed between the vocal selections.

Both instructors were well pleased with the reception given them by the audience.

## TIPS GIVEN ON CARE OF FLOWERS

For best appearance, arrange cut flowers in borders or beds according to their height. Put low growers, such as sweet william, on the outside and next arrange those that grow taller, such as Shasta daisy, Iceland poppy, and Oriental poppy. Back of these plant some of the taller growers, such as asters, chrysanthemum, and hardy ageratum.

To prevent flowering plants, such as zinnia, cosmos, tall marigold, and China aster, from growing too tall and becoming spindling, pinch out the leader or terminal bud when the plant is six to nine inches tall. This will result in a more attractive, stocky plant.

To obtain a second crop of blooms from such flowers as delphinium, forget-me-not, viola, and similar plants, cut back immediately after first crop of blooms. Then apply some complete fertilizer and cultivate in, soak with water, and supply two to four inches of mulch.

To make them last longer, cut peonies when the outer petals begin to unfold, roses while in bud, and poppies the night before they will open. Try this plan with other cut flowers, too. Often as much as ten hours of life may be added to rose blooms by cutting late in the afternoon instead of early in the morning. It is also true that short stemmed roses with only a few leaves will keep just as well as those with more leaves and longer stems.

Did you fail to get in your flowers as early as you should? Here are some good ones for late planting: zinnia, ageratum, alysium, centaurea, dahlia, annual pink, and poppy.

Some of the candidates who maintain they will win their races or eat their hats had better be shopping for soft-felt headgear.

Mrs. Glenn Roof, the former Joan Thompson and daughter, Ramsay Jo, arrived last week to visit her mother, Mrs. Bess Thompson, and other relatives. Mrs. Roof lives in Shaker Heights, Ohio.

## Sidelights . . .

FROM WASHINGTON, D. C.  
By Congressman Geo. Mahon

This is Saturday noon. The President is scheduled to address a joint session of Congress at four p. m. today.

The intolerable industrial strife and strikes of recent months are retarding production, producing inflation, and wrecking the economy of the Nation.

A straightforward labor-management policy, which some of us have long advocated, would have avoided this tragic situation. Before Pearl Harbor, during the war, and since the war, the House of Representatives have passed legislation designed to protect the public from disastrous strikes and labor-management trouble, and at the same time give labor and management a fair deal.

But the efforts of the House have been ineffective. Why? Because the U. S. Senate has willfully failed and refused to take favorable action on what the House has done. In fairness it must be said that the Texas Senators have not been parties to this inexcusable delay.

To be more specific: One June 7, 1940, the House passed a bill to revise the National Labor Relations Act by a roll call vote of 253 to 129. It went to the Senate Committee on Education and Labor and died there. On December 3, 1941—four days before Pearl Harbor—the House again passed a bill for this purpose by a vote of 253 to 126. This bill also went to the Senate Committee on Education and Labor and died there. On February 7, 1946, the House again passed a bill which is commonly

## Locals Knock Off Seagraves Here Sunday

More Than Five  
Hundred Parade  
Gates To Game

Five hundred and eighteen paid baseball fans packed into Postex's new baseball park Sunday afternoon to witness and cheer one of the most thrilling and exciting baseball games played in the Oil Belt League Sunday. It was the local team who stopped Seagraves four-game winning streak by a score of 7-4.

It was the brilliant pitching of the big lefthander Ed Altman who held the strong Seagraves nine to only two hits after their first inning bombardment had ceased. It was Ed who crashed a double deep into centerfield in the last of the ninth inning to allow Post to defeat the League leaders.

Holland started on the mound for the local team and gave up three hits, two walks and five runs before being replaced by Post's ace pitcher, Ed Altman, in the second inning who gave up only two hits, two walks, and one run the rest of the game. Reeves did the hurling for Seagraves and gave up eleven hits, two walks, and seven runs in the nine innings.

Seagraves opened the afternoon's prolonged entertainment by scoring three men in the first inning. Holland walked, Anderson and Dickson, German received a single and scored Anderson. Gentry sacrificed to score Dickson and two costly errors by Post infielders scored German. Seagraves came back strong in the second inning and scored twice on an error and two singles before Ed Altman came into the game to put the fire out.

Post came to life in the last of the second inning and scored two men. Carl Jones doubled to left field, Dale Hester singled to centerfield, and catcher Dan Altman stepped to the plate and tripled to deep center field, scoring Jones and Hester. In the third inning Post scored two more tallies. Deamos Altman reached base on an error. Ed Altman reached base on a sacrifice, Peel sacrificed to score Deamos and also reaching first base, Ed went out after being trapped between second and third, and Dan Altman received a single to left field to score Peel before the inning was over.

This ended the scoring on both sides until the seventh inning. Seagraves' third baseman Gentry reached base on an error by shortstop Deamos Altman, and later scored on Prather's triple deep into center field and well over Dale Hester's head. Post went into the last of the seventh inning behind 6-4. Ed Altman singled to left field to reach first, stole second, Peel walked, and thanks to Dale Hester who drove a double between center field and right field to score Ed Altman and Peel and to get Post back into the ball game with a tie.

Going into the ninth inning everything was tied up 6-6. Ed Altman struck-out centerfield Gorman, threw third baseman Gentry out at first base on a slow infield ball, and Punk Peel came in from right field to take Prather's high fly for the last out in the top of the ninth.

Post came to bat in the last of the ninth and the first man up at the plate, Deamos Altman, reached first on a clean hit behind third base, then Ed Altman stepped to the plate and blistered that ball, driving it deep between second and right field for a triple and to score Deamos Altman for the winning tally, bringing the game to an end. Final score was Post 7, Seagraves 6.

referred to as the Case Bill. The bill passed the House by a vote of 258 to 155. It also went to the Senate Committee on Education and Labor and remained there until a few days ago. I am among those in the House who voted for each of these bills.

It is fervently hoped that those in the Senate who have blocked appropriate legislation in the past will now, at long last, join in a program of action for the common good of our Nation.

## KNOX COUNTY OLD SETTLERS TO HOLD REUNION AUGUST 11

Date for the annual Knox County pioneer picnic has been set for August 11, reports S. C. Rawlings, president of the organization. Maybe you aren't this big a nut about cars

Maybe you're able to resist taking your engine apart—as long as it runs swell. That's generally enough for most anybody—no matter how curious he is to see Conoco N<sup>th</sup> motor oil in the act of OIL-PLATING the engine's insides.

OIL-PLATED engines aren't forever having the top opened up to see about carbon—nor having the bottom opened up to see about sludge. Carbon and sludge are the camp-followers of wear. But OIL-PLATING is in the best position to oppose wear—because it is fastened and held direct to inner sur-

faces. This is accomplished by the magnet-like action of an added material in Conoco N<sup>th</sup> oil—patented.

OIL-PLATING is an addition—a durable protection—to the engine's fine inner finish. Ask new car owners and you'll find them widely adopting OIL-PLATING. This time, with this new car, they want to start out right. . . . And should an older car logically have anything less than the safeguard of OIL-PLATING? Then get Conoco N<sup>th</sup> motor oil—at Your Mileage Merchant's Conoco station—now. Continental Oil Company

**MEMORIAL DAY**  
 Today is Memorial Day. Today we honor the memory of those who have been good and faithful servants to their country; those who gave their all at the call of duty; those who followed the bright finger of death to a world where there is no war.

In the hurry of our scheme of living we pause today to remember with reverence the valor and devotion of departed friends. This follows the precedent set many years ago, just after the Civil War, when women of the South went forth to place the first spring flowers on the graves of their dead.

This example was imitated so over the South and gradually in the North that in 1868 General John A. Logan, who was then commander in chief of the Grand Army of the Republic, issued an order designating May 30 as the day for the decoration of soldier's graves.

Now, on Memorial Day, we think of that vast army whose marching has forever stilled; those who, down the years, have fought our battles for us. The battles for freedom against many aggressors have cost the lives of many near and dear through the last three or four generations. May we honor them by cherishing the ideals for which they fought.

Uppermost in our minds are those but recently dead on the land, under the sea, and in the air of the still remembered conflict. All the world, because of what they did, is debtor to them. Because of them our lives are free. Because of them our nation lives.

Tears or words of sympathy cannot bring back the comfort of those loving hands or the music of voices stilled; only the solemn pride of having given more than all the rest is left for those who live to weep.

May we who remain be steadfast in the cause of human rights and liberties, of law and order, and true Americanism, displayed by those who have given their all to this country, who have made the supreme sacrifice, and who have gone beyond the sunset and the evening star.

**OUR GOVERNMENT RESTS IN HANDS OF VOTERS.**

Any unbiased observer of our elections must admit that the follies of the voter are at least as frequent and effective as the follies of our officeholders.

In short, our democratic system of government is no better and no worse than the people, who are still sovereign at the ballot box. Bringing the ballot-box supremacy question right down to our doorstep, how about answering to ourselves a few questions.

Do we vote for courthouse officials who are qualified by experience and judgement to handle the jobs they seek—or do we follow the voting path of prejudice?

Do we cast our ballots for constable, for sheriff and for other law-enforcement officers who have the background, honesty, intelligence and industrial fortitude to carry out their oaths of office?

Do we investigate the capabilities of district and state officials, instead of accepting rumor and the last-minute vituperations of their opponents?

For indeed is the citizen who continuously "ruins" his government officials—local, district, state or national—but who does nothing intelligent to remedy the evils of our democratic system. —The Liberty Vindicator.

The dinner started with cream of tomato soup. The main course was a roast rib roast, with mashed potatoes and broccoli. Soft rolls of white flour were served, with two jetties of butter to a plate. Dessert was apple pie with ice cream. There was coffee with cream and sugar. The speaker cleared his throat. "We are a bankrupt nation..." he began. —Lincoln (Neb.) State Journal.

Not all of our jokes are terrible. The wife threw a batch of our favorite ones in the furnace the other day, and the fire roared.

No one will ever make a married man believe that women are a dime a dozen.

The housing situation is getting terrific here in Post. A couple can't even live with the parents nowadays, because the parents are living with their folks.

The reason we don't like to be photographed is that when we try to look pleasant we don't look natural, and when we try to look natural we don't look pleasant.

When we told the wife that the next time we married we'd get a woman who was easily pleased, she informed us that that was the only kind we could get.

We wish the wife would lay that butcher knife down when she tells us that the way to a man's heart is through his stomach.

When you go to a hotel for a change and rest nowadays, the bell-boys get the change and the hotel gets the rest.

# HUNDLEY'S MEN'S WEAR

We are proud of our new store and want all our friends in Post and Garza County to see it and enjoy it with us. We have delayed extending this invitation hoping that our solid glass door and other new modernistic fixtures would be here, but it seems that John L. Lewis and a few other big shots are the only fellows who get what they want these days. So come to see us any way—we'll be looking for you.

**SMALL COTTON CROP IS FORECAST FOR 1946**

The agricultural department yesterday estimated the 1945-46 world cotton crop at 21,650,000 bales, the smallest since 1924.

The figures indicate a 12 per cent decrease of the cotton produced the preceding year, 24,615,000 bales.

This country's cotton production was only 9,015,000 bales, and compares with the five-year average of 13,149,000 bales. The small crop was a result of a cut in acreage and lower yields resulting from excessive rains in some sections and droughts in others.

**Veterans Representative To Confer With Garza Servicemen June 7 and 21**

Dean E. Ing of the Lubbock office of the Veterans' Administration advises that he will be in Post on the mornings of June 7 and 21 to confer with veterans.

He will be at the courthouse and will be available for consultation regarding any problems concerning veterans. Mr. Ing was to have been here on May 24 but was delayed due to reorganization of the Lubbock office.

ing "colorful" story— "Ob, Lawd," prayed the Negro minister, "prop us up in all the leasin' places."

The fellows at McCray's Appliance Company are trying to get things in shape so they can enjoy the forthcoming rodeo. They have all been busy as bees lately installing new air conditioning equipment in the Pure Food Market and White Auto Store. Recently they installed the cooler air system in Hundley's new building.

We'll have to bury some of our window-shopping dope, as a dog buries a bone, and dig it up later. Our boss only allows us so many words each week—so Happy Rodeo-Time Folks.

Misses Zora Anne Outlaw and Mary Margaret Duckworth arrived here Saturday from Baylor University in Waco, Texas. Miss Outlaw, a Junior student, will return Monday to continue her studies during the summer. Miss Duckworth plans to remain here for the summer.

**MAN HAD BRICK IN HIS STOMACH FOR 10 YEARS**

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking INNER-AID and says the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Garza County.
