**SURE! WE'VE GOT THE PART YOU NEED!**

This poem was written many, many years ago by C. A. Lukens, now Editor Emeritus of the Farm Implement News, and has been reprinted probably more than any poem relating to the farm equipment industry.

The farmer gazed with heavy frown  
 Upon his mower, broken down,  
 Then hastened to the nearest town  
 To buy repair.  
 He told the dealer of his woes  
 And how much hay he had to mow,  
 But not a number did he know,  
 Nor seemed to care.  
 "The part I want," he wisely said,  
 "Is hollowed out and painted red."  
 I had the number in my head,  
 But I forgot.  
 It holds the thing-um-bob in its place  
 About an inch from that long brace  
 That fastens to the big main base  
 And keeps it set.  
 "You surely know just what I mean,  
 It broke before on my machine,  
 The what-you-call-ums it's between  
 And just behind.  
 The thing which moves along like that  
 About as big as this old hat.  
 Would be if you should smash it flat.  
 I think you'll find."  
 The dealer sighed and shook his head.

"I don't know what you mean," he said.  
 "We'll have to search that extra shed,  
 So come along,  
 If you would only tax your brain,  
 So that the number you'd retain,  
 Or bring the old part in, 'tis plain.  
 You'd not go wrong."  
 From end to end he searched the bins,  
 Clawed over castings, bolts and pins  
 And skinned his fingers and his shins;  
 It made him "cum."  
 But still he searched with sinking heart,  
 (He'd seen two customers depart),  
 And in the last bin found the part.  
 'Twas ever thus.  
 "That's it," the farmer cried with glee,  
 "I thought 'twas number thirty-three.  
 Now, what's the price of that—to me?  
 Great jumpin' frogs!  
 Not thirty cents? An awful rate  
 For a thing that hasn't got no weight,  
 Oh, well, just put it on the slate  
 Till I sell my hogs."

 I don't suppose you believe we have a creature in PHS like this—well—we do, and to top it all he has an unbreakable watch! Who is he?  
 After a week of trial and error exams the students fell out of bed, fell out that is—ready for a new school term of fun and laughter (with studying on the side line), while our teachers rose from their beds, brushed their teeth and sharpened their tongues—just ready for another semester.  
 Mrs. Smith had the right idea in her English Class—she started the new semester off with a very embarrassing subject—(sometimes)—Personality.  
**Popularity!**  
 The most popular period is dinner.  
 The most popular class is gym.  
 The most popular book is "The Virginian."  
 The most popular quotation is "Is U is R is U Ain't gonna graduate!"  
**Why Not?**  
 Why couldn't teachers give us a test like this:

 What color is a ghost? Boo.  
 What color is a "golis" string? Pink.  
 What color is hiccup? Purple.  
 What color is lumbago? Back.  
**A Trip To . . .**  
 The Seniors are still trying to think of somewhere to go for the Senior trip—Juanes, Colorado, El Paso, or maybe to the place where there is no gravity.  
 Well—use your imagination and let's pretend we're in "No Gravity Land."  
 And there is no gravity, we don't have to bother about parking our car. We drop off at the stadium to watch the ball game.  
 With a small, light 15 foot jump we get to our seats and settle down.  
 The players reach home in three tremendous leaps, and every time they strike the ball it soars into space at about the speed of light. Finally, we leave, bored to death.  
 Next we go to visit a friend. The family is eating their supper on the ceiling, that is, the table is up there. (There being no gravity, nothing is stationary.)  
 In the morning you come up to breakfast. You sit up where you get to school and write up your assignments. If you drop something, you just reach up and get it.  
 Finally, when you get home all tired from walking around in leaps and bounds, you lie up and go to sleep.  
 Whew! Let's get down, I say, let's get down to earth and enjoy gravity! Gravity that is!  
**Sophomore Soup!**  
 All of Mr. King's Junior team girls are in the air today because at two o'clock, Thursday, we play Snyder in a tournament here.  
 The Sophomores are discussing tests, grades, changes in schedules, and many other things pertaining to the mid-term tests this week.  
 All sophomores, as well as eighth graders and freshmen registered Monday morning with a smile. Just think half the year is already gone.  
 Today the report cards came back. There were sighs, screams, and many other expressions given.  
 One of our former classmates, Juanita Peel, from Boyd, Texas, visited us this week and we were happy to have her.  
**Personality . . .**  
 Last week's personality was June Wiley.  
 He is red headed and freckle-faced. He is very mischievous and has a nice personality. He gives all teachers quite a bit of trouble—need I say more?  
**Canteen Capers!**  
 About the first thing everyone noticed Saturday night was that the juke box had been fixed. Bud Everett had to operate on it now and then but it would play.  
 We were glad to have as visitors, two of N. W. Stone's friends, Billie Little and Lee Jean McClary of Littlefield. It seems that for one time in his life Hugh Ingram was sorry he couldn't dance.  
 Adults keeping the canteen Saturday night were Mmes. L. P. Kennedy, Eulas Brown, and Mrs. Tol Thomas. Mrs. Homer McCrary kept it Monday night.  
 The canteen will not be open for canteen members on Monday, January 20th. This date is open for a business meeting and all parents who are interested are asked to attend.

## Swing of Southwest Farm Markets

Cotton tumbled \$6 to \$7 a bale last week below the previous week's close. Cattle dropped too, but hogs, grain, and vegetables advanced. Other farm products held about steady at most southwest markets last week, according to the USDA's Production and Marketing Administration.  
 Light supplies of eggs and poultry were adequate to meet the fair to good demand at southwest markets last week. Current receipt eggs held steady at 35 to 40 cents per dozen. Also, heavy hens were steady at 22 to 25 cents per pound at Denver; 24 to 25 at Ft. Worth; and 25 to 26 at Dallas. Turkey trading was near a standstill at about 20 cents per pound for toms and 33 for hens.  
 Hogs gained 50 cents to a dollar a hundred last week at most southwest markets. Top butchers brought mostly \$22 per hundred at Ft. Worth; \$21.50 at San Antonio; \$22 to \$22.50 at Oklahoma City; \$22.25 to \$22.50 at Wichita and \$22 to \$22.65 at Denver.  
 Cattle prices went down at most southwest markets last week. Losses ranged from 25 cents to \$2 per hundred. San Antonio reported about the only steady market with medium and grassy short-fed steers and yearlings selling at \$17 to \$19.65. Common and medium steers and yearlings brought \$12.50 to \$16.50 at Houston. Good beef steers and yearlings realized \$16 to \$23 at Fort Worth and \$17.50 to \$23 at Oklahoma City. Wichita moved medium and good lightweight steers at \$19 to \$22.50. Denver quoted medium to choice steers \$18 to \$25.  
 Most grains were slightly stronger last week. Sorghums made the sharpest advances. Feed prices followed a mixed trend with bran and shorts higher than a week ago while soybean and cottonseed meal continues to decline. Hay demand improved but prices were unchanged.  
 Mrs. Jack Martin and two sons, Val and Lanny, have been visiting for several days with her parents, Mr. and Mrs. Sholston, in Christoval.

## SHIRLEY RECTOR GIVEN SURPRISE PARTY BIRTHDAY

A surprise party honoring Mrs. Shirley Rector on her birthday given last Tuesday night, Jan. 14, when a group of her friends gathered in making the occasion pleasant one for her.

The party was given in the home of Mrs. Lee Byrd with Mrs. Elizabeth Hart and Mrs. Charles as co-hostesses.

The party was a complete surprise and when Mrs. Rector was invited to go to the Byrd home an informal visit, she was met by a roomful of friends who sang out "Happy Birthday" as she arrived.

The honor guest received many personal gifts and each registered in a cleverly designed autograph book.

After an evening of visiting, delicious refreshments consisting of chicken salad sandwiches, po-chips, olives and pineapple were served to the following: Mrs. Rector, Irene Rodgers, Dulcine, Opal Thaxton, Ruth Hart, Imogene Jewell, Ethel Rector, Madge Mathis, Arbeth, Ella Mae Hudman, Vivian King, Mina Rose Stanforth.

## MRS. BEN WILLIAMS IS HOSTESS TO PRISCILLA CLUB LAST FRIDAY

A new year of Priscilla club meetings was begun in traditional manner last Friday afternoon when Mrs. Ben Williams was hostess to eighteen members.

An hour of informal visiting was enjoyed. Club friends for the past year then were revealed and a short business session was held.

Two new members were present, Mrs. Alex Webb and Mrs. Dowe Mayfield.

As Mrs. Williams prepared to serve refreshments she announced that everyone "must walk the road through the New Year."

A streamer path with highway markings was laid through the house from table to table as guests were served their refreshments of salads, wafers, coffee, and cake in courses. Tiny peppermint sticks bearing streamers of Happy New Year were plate favors.

Members present were Mes. Collier, Smith, Kemo, Hibbe, Thaxton, McCampbell, Jake Webb, Young, Morris Neff, A. B. Haws, Victor Hudman, I. L. Duckworth, Estelle Nichols and Misses Agnes Windham and Thelma Clark.

## Pan Preparation Important In Baking Says Miss Hipp

One of the small but important details for successful baking is the proper preparation of the pan. A lot of us are sometimes doubtful about whether to grease the pan, dust it with flour after greasing or to line the pan with paper.

Miss Jewell Hipp, County HD Agent explains that flouring the pan after greasing is added insurance against sticking, but it does have the disadvantage of forming a light extra crust that many cooks dislike. As for greased paper, it protects breads and cakes against scorching or sticking to the pan, but unless it is pulled off immediately after baking, it may stick to the baked food. Paper scorches easily of course, and should be used only when baking is done in a slow oven.

Either plain greasing, or greasing plus dusting with flour, may be used for mixtures like cakes and cookies that contain both fat and sugar. Greased pans and no paper are recommended for quick breads—like loaves and muffins—and for yeast breads which bake at a high temperature.

On the other hand, heavy unglazed paper can be used successfully in baking macaroons which contain a high percentage of egg whites and bake at a low heat. This same type of paper, if greased, may be used for rich mixtures like fruit cake, which burn easily and need long, slow baking.

But sponge cakes and angel food are something different. They are baked in plain pans . . . with no greasing, no flouring and no paper . . . because sticking is no problem with these cakes.

When baking cakes, grease only the bottom of the pan, and leave the sides plain so the batter can cling as it rises. This helps keep the cake light in texture.

## MRS. RAY IRONS HONORED BY WMU GROUP MONDAY

Mrs. Ray Irons was a surprised hostess last Monday afternoon when ladies from the WMU arrived to say hello to her and her very young son.

Until recently Mrs. Irons had been counselor for the Junior G. A. Group and as a token of esteem she was given a gift. When opened this gift was found to be presents for the baby.

Refreshments of coffee and cake gave the visit a party touch. Enjoying the visit with Mrs. Irons and her sister, Mrs. Bill Langham, were Mes. Iven Clary, W. L. Davis, A. W. Bouchier, Jim Williams, Lester Nichols, Dan Cockrum, A. A. Suits, Charles Pierce, and J. D. Foster.

## FORMER POST CITIZENS ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. J. M. Bright of Carrizo Springs, Texas, former residents of Justiceburg, announce the engagement of their daughter, Clara Nell, to James J. Ritcher, son of Mr. and Mrs. L. M. Ritcher of D'Hanis, Texas. The wedding will take place February 15 in Carrizo Springs.

Miss Bright, a graduate of Carrizo Springs High school, is now employed as secretary of the high school. The bridegroom-to-be, discharged from the Navy in June 1946, graduated from the Hondo High school, Hondo, Texas, and is now an employee of Central Power and Light Co. in Uvalde.

The couple will make their home in Uvalde.

Outlaw, and Cearley, Mes. Voss and Bob Warren were late guests. Everyone agreed the party was "extra special," another of Mrs. Ben's well-planned, thoroughly-enjoyed parties.

## Church News

By BONNIE CEARLEY

"The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures; he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yes, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever." Psalm 23

Both circles of the First Baptist church met Monday afternoon for the Royal Service program. Mrs. Dowe Mayfield was in charge of the program. Eighteen were present.

The topic for discussion was the Eternal Message for All People. The hymn for the year, Hark, the Voice of Jesus Calling, was used to call the meeting to order. Mrs. W. L. Davis read the devotional from Acts 17. Mrs. Tomlinson led the prayer.

The general topic People was discussed by Mrs. Ralph Carpenter. The Non-Christian Religions of the World was discussed in six parts by Mes. Dick Allen, Dan Cockrum, Carl Hughes, Iven Clary, Arthur Talley, and Robert Cox. The hymn We've a Story to Tell to the Nation was then sung. Mrs. Mayfield concluded the program with a talk on God's Message for All People. Mrs. A. W. Bouchier voiced the prayer of dismissal.

Fifteen ladies met for the Woman's Society of Christian Service program Monday afternoon in the home of Mrs. B. E. Young. The devotional was read by Mrs. Young after which Mrs. Edwards was in charge of the program on Our Stewardship of the Children of the World. Mrs. Lee Davis was introduced as guest speaker.

During a social hour the hostess was assisted by Mrs. Voss and Mrs. Edwards in serving refreshments.

Next Monday afternoon the group will meet with Mrs. Jessie Voss at 4 p. m. Mrs. Ted Hibbs is in charge of the program.

The Women's Council of the First Christian church will meet next Tuesday afternoon, January 21, at 2:30 o'clock at the home of Mrs. Nathan Mears.

The Intermediate G. A. Group met with their counselor, Mrs. Polnac, at 4 o'clock Monday afternoon for their World Comrade program. The meeting was opened with a song and the devotional reading.

The program Lead Me was presented as follows: To Know Thee More Perfectly by Annie Mae Pierce; To Some Soul Today by Doris Turner; Into Paths of Joyous Responsibility by Billie Nichols; and Into New Paths of Service by Bonnie Ann Bowen. The group was dismissed with a prayer.

Rev. Huron Polnac has been in Dallas this week attending the Conference of Evangelistic preachers and singers of the Baptist Brotherhood.

Rev. A. C. Hardin of Sundown visited here briefly Monday afternoon en route to the Conference in Dallas.

The Business Women's Circle of the Baptist WMU will meet on Tuesday night at 7:30 o'clock, with Mrs. Montie Moore. Mrs. Moore will continue her discussions of the mission study book, God Can.

The Junior G. A. Group met at the church house January 13 with 14 members present. After the opening program the remaining time was spent in making Scriptural posters. Miss Jo Panter is the counselor for this group.

Presbyterian Ladies Aid met Monday in the home of Mrs. Ben Williams with a New Year theme stressed throughout the program and party hours.

Mrs. Kennedy had charge of the Bible lesson taken from fourth chapter of Ephesians. Mrs. Surman was leader for the program. In the social hour Mrs. George Samson was named honor guest for her record of perfect attendance during the last two years. The group presented her with a lovely gift.

Friendship Baptist WMU met January 13 for a Royal Service

## DISTRICT DEPUTY PAYS OFFICIAL VISIT TO POST CLUB CHAPTER

Thirty-eight Eastern Star members were present Tuesday night when hostess Ollie Ruth Chenoweth of Slaton, Deputy Grand Matron of District 2, Section 4, made her official visit to the Post chapter.

After the chapter opened in regular form with Worthy Matron Bernice Propst and Worth Patron Lester Nichols presiding, the deputy was introduced. She then brought greetings from the Worthy Grand Matron. After that she discussed revisions in the constitution and by-laws of the Order and changes in procedure.

As a social courtesy the chapter prepared and served a beautiful buffet supper from a candle-lit table. Bro. Dalby offered thanks and then all present enjoyed the delicious food.

It was a pleasure as well as privilege to have Sister Chenoweth as a visitor; to enjoy her friendliness as well as to hear her instructions, according to those present.

The regular meeting for January will be next Tuesday night, the 21. An invitation ceremony will be conducted.

## GRAHAM 4-H CLUB GIRLS HOLD MEETING RECENTLY

Graham 4-H club girls met on January 8 in the club room. All members were present except Melva Oden. The club motto and songs were sung after which the club pledge and prayer were given in unison.

A meeting will be called again soon when Miss Hipp, the County HD agent, can be present.

Beece Hamblen who has owned and operated the Double R Machine Shop for the past year left early this week for Odessa where he has accepted a position. His wife and two children will go there soon to make their home.

A program. Six members were present. The next meeting will be devoted to a Bible Study lesson.

## THE POST DISPATCH THURSDAY, JANUARY 16, 1947

Mrs. W. F. Cato and children spent Sunday in Plainview visiting former Postles, the Millsap and Jones families. Johnie Ruth Cato, who is a nurse in the West Texas hospital in Lubbock joined her mother for the day. Mrs. Robert Cato and son went as far as Slaton where they visited friends.

Mrs. Tommy Anderson and daughter, Winifred, moved to

Seminole this week. Mr. Anderson has been in Seminole for the past two months. He owns a Gulf Service Station there.

Mr. C. H. Hurler's mother, Mrs. A. J. Hurler, of Liberty, Texas, and his sister, Mrs. W. M. Mitchell, and her husband, of Wichita Falls, visited here over the week end.

L. P. Kennedy underwent minor surgery at the West Texas hospital on Wednesday.

### THE MINERS SPEAK

Coal Age has published an extremely revealing popular opinion poll conducted among miners in the Middle West, Eastern and Southern coal regions by an expert from the McGraw-Hill research organization. According to this poll, 65 per cent of the miners queried felt that union members should vote secretly on future strike calls. The majority of miners were not in favor of government domination of contract settlements. And 60 per cent said there have been too many work stoppages in the past five years.

The most interesting fact developed by these expressions of opinion is that the miners, by and large, are not as favorable to continued one-man dictatorship of their union as many people have believed. Their opinion on the vital subject of work stoppages is especially significant. The individual miner, when he adds up the wages lost by strikes, has every right to wonder if they were worth-while—and if the wiser course is not to continue production while arbitration between union heads and management goes on.

This poll also provides the seeds for legislation which is needed to protect union members as well as the general public against the excesses of labor leaders. Who could argue against a law forcing a secret, supervised ballot by union members before a strike could be called? Who could oppose a measure which would give workers actual and honest control over the policies of the union that is supposed to represent them?

### WHAT OUR CONTEMPORARIES ARE SAYING:

**WHAT'S IN STORE FOR MR. JOHN Q. CITIZEN IN 1947**—That's rather a hard question to answer, as no one seems to have the same idea. According to press reports and magazine articles, we can expect higher and lower prices during the new year; foods will go up and go down; there will be more sugar and less sugar; there will be depression or recession and the volume of business will be the greatest in history; there will be strikes and higher wages and there will be long lines of unemployed.

We will have the severest weather in years and the climate will be mild; business men are advised to buy heavily and buyers are advised to strike against the high prices; cars will be plentiful and there won't be any; there will be lasting peace and the A-Bomb will destroy civilization; everybody will be sad.

Which only goes to prove the adage that only two things are certain—taxes and death.

**AT LEAST WE WORK IN TEXAS**—Chiefly because majority of our Texas war plants were producing civilian goods like clothes or gasoline for military purposes, our reconversion program has not been as rugged as in other states, and we have, therefore, not been tormented with as many labor woes as have beset other states.

At least we work in Texas, and even though we are aware that there will be explosions on the labor front during 1947, all sensible observers believe Texas will be on the light side of the ledger with strikes and picket lines.

Labor is leveling off in the Lone Star State for the working days ahead. It is noteworthy that Texas employment is still increasing and our veterans are either finding new employment, opening new business concerns or returning to their old jobs. It is difficult to make working people unhappy, and the bitter lessons learned in past years should serve as a guidepost for whatever 1947 brings down Texas-way.—The Scurry County Times.

**KEEP THE GENERAL A SOLDIER**—Americans love their heroes-of-the-moment. Good old Lindberg was a fine mechanic and a lucky flier, so he became America's darling, succumbed to public flattery and accepted about every job from U. S. minister abroad to the invention of an artificial heart.

Biscuit-mouth O'Daniel could cry louder and pray longer over the air and he sold billions of biscuits. So America grabs him to its generous mistaken bosom and makes a statesman—in the highest legislative body on earth—out of nothing but a good flour salesman.

Now General Eisenhower, probably the best military man alive, is in danger of being sucked into the political maelstrom as a candidate for the presidency. It would be an ideal set-up for those who capitalize on the public's generosity toward its heroes.

It would be an injustice to Eisenhower to foist a presidential campaign upon him. He is nothing but a soldier, and a good one. As president he would have to depend on political henchmen for every move, or else use the kind of administrative diplomacy of the military type—the only kind he knows.

Our history is replete with examples of military figures in high political offices. It makes bums out of them. Let's keep General Ike in the job he is fitted for—for his sake, and ours.—The Falls Banner.

First IN CAR PRODUCTION... First IN TRUCK PRODUCTION  
First IN COMBINED CAR AND TRUCK PRODUCTION!

**AGAIN** at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is first in passenger car production—first in truck production—first in combined passenger car and truck production... despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes

to be able to build more and more of these fine products which America is buying so eagerly—the only motor car giving **BIG-CAR QUALITY AT LOWEST COST**—the only truck giving **BIG-TRUCK QUALITY AT LOWEST COST**—the complete Chevrolet line which stands out as the lowest-priced line in its field! Meanwhile, it stands to reason you'll get bigger value and quicker delivery by purchasing the product of America's largest builder of cars and trucks—Chevrolet!

Remember... **LARGEST PRODUCTION** means **QUICKEST DELIVERY** of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

Mrs. Floy King, Correspondent

Mr. and Mrs. Willard Wayne Ogle and two year old son, Ronald, recently moved to the southwest apartment of the Hotel. Mr. Ogle began his new employment, as teacher of the seventh and eighth grades. He was formerly a junior journalism major of Texas Tech. Prior to that, he served five years in the Army Air Force, with fourteen months in the Pacific. The Ogles and E. C. Greenes are acquaintances of several years.

W. T. Martin, the teacher who resigned last week, left Monday for Texas where he will be associated with his father, a dealer in war salvage and surplus property.

Mr. and Mrs. T. B. Mathis and children left Saturday for Roswell, New Mexico, after a two-day visit here with his mother, Mrs. Nellie Mathis, and other relatives.

Sam Marsh left Sunday morning for Dallas to see his brother who is critically ill.

Lena Mae Samples spent Sunday night with Joy and Loy Trimble.

Sunday afternoon at 3 o'clock Rev. E. Brooks, Baptist pastor, preached the sermon at the ordination of deacons at the Central Baptist church. A Sunday School study course will begin at the local church January 20 in preparation for the revival to be held here next month.

Monday Rev. Brooks, O. J. Harmonson and J. L. Gary left for Dallas for the State, pastors and laymen's conference. Rev. J. J. Duff was leader at prayer meeting Wednesday night.

Mr. and Mrs. Melvin Pankoney and son of Tahoka, spent the week end with his parents at Wilson and attended church here Sunday.

Last Tuesday at P-TA 18 members were present and Mrs. Rankins room had the most votes. It was decided to meet next month, Feb. 4, at night so that fathers can attend. R. C. Green gave an interesting talk on building a good body. Messames O. J. and Earl Harmonson, Walter Kellum and Woods gave an amusing skit, "The Mood Family." A highway patrolman is to be guest speaker for next month's meeting.

Rev. R. B. Walden went to Lubbock last week for a check-up and is happy about it. He reports that there was a good sermon delivered by Rev. Kirk at the local Methodist church Sunday and Sunday school was back to normal again.

Rev. and Mrs. Walden had two of their sons, J. C. and Ray Walden, and their wives of Lubbock as visitors on Sunday.

Mrs. T. E. Ford and daughter and Mrs. McCombs of Barnum Springs were in Southland on business Saturday.

Mr. and Mrs. Joe Childress and baby and Mr. and Mrs. Dave Draper and children of Slaton visited their parents, Mr. and Mrs. W. W. Gilliland, Thursday night.

Mr. Cecil Cummings of Lubbock visited his mother and brother Sunday afternoon.

Mr. Roy Williams and son, Billy, were in Post Saturday.

Mr. and Mrs. A. Ferguson spent the week end in Post with his father and her mother who are ill.

Mr. Troy Moore was brought

**Critical Shortage of Telephone Facilities Continues To Hamper Expansion of Service In Post**

It is estimated that there are currently two and half million orders for telephone service held due to lack of facilities. The Southwestern Associated Telephone company, which owns and operates the telephone exchange here, and exchanges in the states of Kansas, Louisiana, New Mexico, Oklahoma and Texas, had 8,691 such applications on Dec. 1, 1946, even though 2,347 telephones had been installed for civilian use since VJ Day.

The local exchange has 110 orders for service on file, and has added 121 telephones to the switchboards since the war's end. There are 549 telephones being operated by the exchange at present time, and orders are being filled as rapidly as facilities become available.

The Civilian Production Administration, while recognizing that the objectives of Utilities Order U-2 were still needed and were in the public interest, felt that the problems treated by the order should now be handled by the telephone industry.

Utilities Order U-2 was developed jointly by the Government and the Telephone Industry out of actual experience as necessary to meet the needs of the public and as in the public interest. It has worked well both during and since the war. Since a critical shortage of telephone facilities still exist, the Southwestern Associated Telephone Company and many other telephone companies have adopted and will continue to use provisions of the former Government Order until the critical shortage of telephone facilities has been eliminated.

Under the Federal Government Order U-2, telephone companies were authorized to follow a given order of precedence, departing from the principle of "first come, first served." Shortage of material and skilled labor required in expanding telephone service are continuing to hamper telephone companies in their effort to provide service to those who want and need telephone service.

**Duck Creek Soil— CONSERVATION DISTRICT OFFICE AT POST**

King Bingham is trying some heavy vetch on his farm just east of the Post townsite. He has the seed and inoculant and plans to broadcast the seed on land that has been cut with a stalk cutter, then cover by going over it with a harrow. In an effort to maintain and improve soil fertility Bingham is planting the vetch on some land that has a little more slope and has eroded a little more than the rest of the land.

Mrs. Edna McLendon and Julius Pungall, rancher co-operators with the Duck Creek Soil Conservation District in the Verbena conservation group, who reduced the size of their herds last summer to meet drought conditions, are now planning to let a good stand of grass get started before they get their stock back to normal carrying capacity of their pastures.

Terraces are being constructed on the Ed Cummings and Weldon McGehee farms in the Hackberry conservation group, and on Al Bird's farm in the Verbena conservation group. Red Kuykendall is building all of his terraces up with a turning plow.

Mrs. Tom Weiborn of Lubbock attended the Novelty Luncheon club meetings held on Saturday and Tuesday in the Morrel and Surman homes.
