Postex Athletic Club Building Fine Ball Park South Of Mills

Post will be afforded one of the finest baseball parks in this section, when work is completed within the next few weeks on the park south of the Postex Cotton Mills, which is being constructed by the athletic association of the mills. The diamond will be used by the city softball league, of which the mills have a team entered, and will also provide a park for Sunday afternoon games of the semi-pro Oil Belt League, of which Post is affiliated.

Lighting of a similar type as that used at the Antelope football field is being provided for night softball. The tall poles have already been set and fixtures are expected within two weeks. Three sets of bleachers are being placed behind the wire netting which extends from behind the catchers plate to first and third bases. Additional seating will be erected later from funds derived from the season's play, said Carl Adams, who is supervising the work and serves as secretary of the mill's athletic association. The cost of construction, in addition to the work which is being done by mill employees, may exceed \$2,000, said Adams.

The acreage for the park, which is mill property, provides ample parking space for automobiles. The area has been cleared of brush and the infield is as level as a table's top.

Night softball league play is expected to get underway as quickly as the lighting is completed, and play will be almost a nightly affair, asserted Adams. The mills team has already begun practice and expects to be a strong contender for the city championship.

Travis Gilmore is manager of the Postex team.

Local Rotary Club Officers-Elect Attend District Convention

The Rotary club officers-elect for the ensuing year, Dean Robinson and Robert Cox, attended the district convention of the organization held early this week in Amarillo.

Of the 51 clubs in the 16th district 56 of them were represented. Until Tuesday morning the number of persons registered totaled 558 and of this number 169 were Rotary Anns.

The general theme of all the sessions was the Responsibility of Rotary in World Affairs. In commenting on the program Mr. Robinson said he heard many good speakers but to him the outstanding address was given by D. D. Monroe of Clayton, New Mexico, a representative of Rotary International.

The first of the sessions was held Sunday evening in the Polk Street Methodist church with Dr. Thompson speaking. Dr. Albert Venting, a minister from Cleburne, also appeared during the sessions.

Monday afternoon 400 of the visiting delegates boarded a special train for a visit to Boys Ranch, out at Old Tascosa. There they were served a barbecue supper and a program was presented for them.

During the business meeting W. Aubrey Stephenson of Abilene was elected as District Governor, replacing Charles Peyton of Cleburne.

The convention was concluded about 2:45 o'clock Tuesday afternoon.

LOCAL BASEBALLERS GET TWENTY NEW UNIFORMS

When Post's semi-pro baseball club appears on the diamond Sunday, in their second game of league play, they will be suited out in brand new white uniforms.

The twenty uniforms, white with blue "Post" across front of shirt and blue numeral on back, arrived here Monday. The material is white duck, with blue and red piping, with blue felt cap with white "P" and socks of blue and white wool.

218 Garza Producers Apply For Cotton Crop Insurance

The sales for 1946 Cotton Crop Insurance came to a close last Thursday, April 25. The final check on applications received in the Garza County AAA Office showed that 218 producers will have their cotton insured this year. These 218 applications cover 251 farms.

In making this report, Will Wright, Chairman, Garza County AAA Committee stated that the sales this year exceed that of last year by eleven applications.

"No matter what might befall the cotton farmers this year," Mr. Wright said, "those producers who applied for 1946 Cotton Crop Insurance are assured that theirs is not a complete failure."

Graduation Dates Are Announced For Post High School

Graduation exercises for the Senior Class, 1946, of Post High School will be held during the week of May 12, according to information this week from the office of the superintendent, G. R. Day.

The Baccalaureate Sermon will be delivered Sunday night, May 12, at 8:30 p. m. in the High school auditorium. Doyle Kelly, minister of the local Church of Christ, will give this address.

On Friday night, May 17, at 8 p. m. this same class will assemble in the auditorium for the graduation exercises.

About thirty-nine members of the class will qualify to receive their diplomas.

Eighth grade students will have their graduation exercises on Thursday night, May 16, at 8 p. m. in the High school auditorium.

STANLEY BRANNON MOVES TO POST TO HEADQUARTER FOR COFFEE COMPANY

Stanley Brannon, son of Mr. and Mrs. Oscar Brannon of San Antonio, and who was reared in Post, has returned here to make his headquarters while associated as a district representative for a Houston coffee concern.

The Brannon family moved to San Antonio about twenty years ago, where Mr. Brannon has been engaged in the automobile business. While residing here from 1914 to 1925, he was associated with the Postex Cotton Mills as a departmental foreman. Stanley for several years was an employee of Warren's drug store.

Stanley is now associated with Duncan Coffee Company of Houston. His territory covers most of West Texas and parts of eastern New Mexico.

BAPTIST CLOSE SUCCESSFUL WEEK'S REVIVAL SUNDAY

Overflow crowds were present for the last services of the revival at the First Baptist church, which closed on Sunday night.

Sixty-three decisions were made during the services conducted by Brothers Gerald and Joe Trussell. Every service was marked by exceptionally fine singing.

The church membership was greatly inspired by the messages and hope to continue a campaign of evangelism. Visitors were mightily impressed by the power vested in these two workers.

NEW TAXI SERVICE COMES TO POST

J. W. Jenkins, who came here recently from Levelland, this week is announcing a new business for Post. He has opened a taxi service.

The new taxi business will make its headquarters at White's cafe. Jenkins is an experienced cab driver and assures Post and visiting patrons prompt and courteous service. His telephone number is XW.

New Paint Job For Post Office

The post office building is undergoing a spring clean-up. Paint is being applied to the window frames and doors and needed repairs are being made this week.

Local Businessmen Underwriting \$5,000 On Four-Night Rodeo

An early report this week from the Rodeo finance committee revealed that approximately \$4,800 of the \$5,000 or more pledges expected of local merchants to underwrite the 4-night rodeo had been taken.

Several weeks ago when Stampede directors met and laid plans for the big four-performance rodeo it was deemed necessary to have the shows underwritten in case of loss. The rodeo, according to conservative estimates of directors, will cost between \$5,000 and \$8,000 to stage this year. The directors favored a "good show, or no show," and have spared no costs in bringing to the public the finest show ever presented here or in other West Texas cities.

Besides the four main events, bull and bronc riding, calf roping and wild cow milking, a number of special features have already been booked, including the famous mounted square-dance team of Abilene. At present time officials of the association are corresponding with special rodeo entertainers and several clowns with hopes of offering more feature acts.

When the big show gets underway June 5 spectators will see the wildest and fastest rodeo livestock ever assembled in an arena, the best has been contracted by the association.

Simmons University Concert Band To Give Program Here May 8

The University Concert Band of Hardin-Simmons University, Abilene, will give a concert in the Post High School auditorium Wednesday afternoon, May 8, at 1 o'clock, according to a news release received from the University.

The forty-one piece organization will give a varied program, with several feature numbers under the direction of Herbert Preston, assisted by Otis Harvey. Billie White of Lamesa will be master of ceremonies. Billie is a member of the HSU Cowgirls and one of the university yell leaders.

NEW VEGETABLE COUNTER INSTALLED AT SOUTHSIDE GROCERY

The "Crispy Cold" refrigerated vegetable counter installed quite recently at the Southside Grocery and Market displays vegetables to the very best advantage in addition to lending that "crisp and cool as a cabbage leaf" look to them.

The new fifteen foot vegetable counter is quite an asset to the store. It insures the customers fresh vegetables every day in the week.

New counters, display racks and shelving for a larger stock of canned goods are being installed. The entire store is being re-arranged to give more convenience to the customers.

The store also recently installed a new frozen food locker.

NEW ARRIVALS

Mr. and Mrs. Neil De Layon of Lubbock are announcing the arrival of a 7 pound 7 ounce son, Marion Neil, on Sunday morning, April 28. Mrs. De Layon was Miss Kitty Faries and was an employee of the First National bank here.

Mr. and L. D. Speer of Lubbock are announcing the arrival on April 20 of an 8 pound son named Randall Eugene. Mrs. Speer is the former Thelma Cromer, who taught school here last year.

Mr. and Mrs. A. D. Brown of Okville, California, are announcing the arrival of an 8 pound, 1 ounce son on April 25, named Alva Daniel, Jr. Mrs. Brown will be remembered here as Maggie Roberts. She is the sister of Mrs. Keith Kemp.

Membership Pledges Are Being Solicited By CC Committees

With an annual membership fund goal set at \$6,000, progress has been made this week by committees who have been canvassing the city with membership pledges, for the newly organized Post Chamber of Commerce.

The city has been divided into zones with two-men committees working each section, reports the finance committee chairman. Only a few businessmen remain to be seen before the membership drive ends, and thus far committees have met with almost one hundred percent co-operation.

When the drive is completed the directorate will set to the task of employing an efficient full-time secretary to assist in carrying out the year's work program.

Roping Club Buys Brahma Calves For Weekly Ropings

Organization of a calf roping club and Friday night weekly roping events at the Post Stampede arena, was announced the first of the week by Earl Hodges, one of the promoters.

The club last week purchased nineteen Brahma calves from the Union Stock Yards at San Antonio and Hodges and Morris McCollough delivered the animals here the latter part of the week. The calves average 240 pounds in weight and are said to be fine roping animals.

The club, according to Hodges, will have roping events each Friday night at the arena, and as an added feature will throw in a steer riding event. The public is invited to attend the weekly ropings.

Fifteen paid members make up the club roster. Buck Gossett is president and Walter Josey, secretary.

DR. AND MRS. KAHLER WILL ATTEND THE STATE MEDICAL ASSOCIATION

Dr. and Mrs. Glenn Kahler plan to leave Post the first of the week for Galveston where they will attend the 39th annual session of the State Medical Association of Texas, which begins May 6 and runs thru the 9th.

This will be the first "full dress" state medical meeting since 1942, when the annual sessions were suspended during the war, and will find many distinguished guests who will speak at the meeting.

Among the prominent physicians on the program are: Dr. H. Barker, Chicago; Dr. G. Theron Claggett, Mayo Clinic, Rochester, Minn.; Dr. Nicholson J. Eastman, and Jack S. Guyton, Johns Hopkins University, Baltimore; Dr. Robert J. Reeves and Wiley D. Forbes, Duke University, Durham, N. C.; Dr. James L. Wilson, University of Michigan; Dr. Reginald M. Atwater, American Public Health Association, New York; and Jay C. Ketchum, American Medical Association, Chicago.

Mrs. Kahler will visit friends in Houston during part of the week.

SUGAR STAMP NO. 49 IS GOOD FOR 5 POUNDS NOW

The sugar stamp which became effective May 1 is Spare No. 48 in Ration Book No. IV. Each stamp is good for the purchase of five pounds of sugar. These stamps will remain good for a period of 4 months.

Spare stamp No. 9 is still good and will remain so during the summer.

Just four years ago next Saturday on May 4, 1942, the registration of sugar was put into effect. It seems the continued rationing of that precious commodity will last much longer.

EN ROUTE FROM JAPAN

Ensign Bill J. Davis, son of Mr. and Mrs. W. L. Davis of this city, is reported to be en route home from Japan and is expected to arrive here within the next two weeks with his honorable discharge.

Kent County Well Completed For 250 Barrel Producer

Humble Oil & Refining Company's No. 1 Vick, located just over the Garza line in Kent county, which has created considerable oil interest the past several weeks was completed last week for a 250 barrel producer. The test produced approximately 250 barrels of oil in a full 24-hour flowing test, through a 14-64 inch tubing.

The well, located in the northeast quarter of section 45, block 5, H&GN survey, which is producing from casing perforations at 7,775-7,810 feet in Ellenburger, has brought two new explorations to the field. American Liberty Oil Company No. 1 Connell-Young, will be 600 feet from the south and east lines of section 46, block 5, H&GN survey, and about two miles northwest of the Vick discovery.

Humble No. 1 B. A. Moore, is to drill 600 feet from north and west lines of section 45, block 5, which is approximately one half mile due west of the initial producer.

VFW Plans Big "Feed" Next Regular Meeting, May 13

Arrangements are being made by the John Miller Veterans of Foreign Wars post, No. 6797, to stage a big "free feed" at the next regular meeting of the post, Monday night, May 13, for all ex-servicemen of the county who are eligible to affiliate with the organization, by having served on the seas or on foreign soil during either of the two World Wars, reports Henry Allen, post commander.

The fast growing organization, which was formed here several weeks ago, has already reached a membership of more than seventy returned servicemen. There are several hundred other ex-servicemen in the county who could qualify for membership in the post, and to these men is extended a special invitation to visit the post next regular meeting night.

DUCKWORTHS WILL ATTEND MEXICO CITY INSURANCE MEETING

Mr. and Mrs. Leo L. Duckworth were to leave this morning for San Antonio where Friday they will join more than 240 members of the Kansas City Life organization, and board one of two special trains to the 50th Anniversary Convention of the Company to be held in Mexico City the week of May 5.

The group will comprise representatives of the Company from 39 states and the District of Columbia and will be the first large convention party to enter Mexico since the war ended. In charge of the two special trains will be Luis Perez Abreu, Consul of Mexico for North Texas, who has been appointed by his government to accompany the party to the capital.

The Texas delegation includes thirty-four agents qualified for attendance and their wives. O. Sam Cummings, state manager for Kansas City Life for Texas, will accompany the party.

CARLSBAD CAVERNS TO BE VIEWED BY POST HIGH SENIORS

The Senior Class will depart Saturday at noon on their long awaited trip to Carlsbad Caverns. Mr. Skinner, principal of the High school, Mrs. Delmer Cowdrey and Mrs. B. M. Robinson, Sr. and possibly some others will accompany the group.

They will spend Sunday on the tour of the underground wonders and will return to Post on Monday.

31st ANNIVERSARY IS BEING OBSERVED BY LOCAL FURNITURE FIRM

Main Furniture store is this week observing its thirty-first anniversary. To celebrate the event the store is staging a store-wide sale of all merchandise between May 2 and June 1. The public is invited to attend the store.

Kermit Will Supply Opposition For First Home Game, May 12

Due to another change in the Oil Belt League schedule, the local team will make another of those long trips next Sunday when they go to Odessa for their second game of the season. It was originally planned by league officials to alternate games, by the teams playing one home game and a visiting game throughout the season, but conflicts were met and a new schedule announced.

The present schedule will find Post playing Kermit here the following Sunday, May 12, for their first home game of the league season. The remainder of the card has the local team paired as follows: May 19, the team goes to Sundown; May 26, Seagraves comes here; June 2, Levelland comes here; June 9, the local journey to Seminole; June 16, Odessa is here; June 23, Sundown plays here; July 4, Levelland gets the game; July 14, the team goes to Seagraves; July 21, Seminole comes here, with the final game of schedule play booked here July 28, with Jal, New Mexico.

The Post nine opened the league schedule last Sunday by dropping a close 3-1 decision to the Jal, New Mexico Gasers at Jal. It was one of the best played games of the day throughout the circuit.

Odessa the same day was losing to Kermit, 7 to 3, so each of the contestants at Odessa will be looking for its first victory.

Other league results Sunday were: Seagraves outstaged the Seminole nine 18-3; while Levelland bowed to Sundown, 11-19.

Next Sunday's schedule pits Jal against Kermit at Kermit; Sundown plays Seminole at Seminole; Seagraves plays Levelland at Levelland; and Post goes to Odessa.

Uncle Tom Vaught, Pioneer Resident, Buried Saturday

Funeral services for a pioneer farmer of Garza County, "Uncle" Tom Vaught, were conducted Saturday, April 27, at the home in the Close City community. He passed away at 1:45 p. m. on Friday after a short illness, being 89 years, 4 months, and 5 days of age.

Rev. J. A. Smith officiated for the service, assisted by Rev. Van Martin. "Let not your heart be troubled," and further words from John 14 with other appropriate scripture was read by the two ministers in giving consolation to family and friends.

A special arrangement of "Under His Wings" was sung by Mrs. K. Stoler, Hub Hair, Jack Burrill and Winnie Tuffing. The other musical consolation was the group singing of the old favorite, "When the Roll is Called Up Yonder."

Thomas Benton Vaught was born December 21, 1857 in Arkansas. He settled in Garza county in 1914 and was actively engaged in farming until a few years ago.

Mrs. Vaught preceded him in death by several years. Eight sons and daughters survive. Mrs. Mattie, with whom he lived; Mrs. C. J. Mangum of Post; Mrs. J. A. Prutcher of Phoenix; Mrs. R. E. Boucher of Gorman; Mrs. D. E. Cushman of Lubbock; S. W. Vaught of Slaton; B. M. Vaught of Bloomfield, N. M.

Two sisters, Mrs. Alice Hathaway of Kermit and Sallie West of Norman, Oklahoma and two brothers, W. E. of Brookston, Texas and Grady of Louisiana survive. Besides the eight children other descendants include 25 grandchildren, 31 great grandchildren and 4 great-great grand children.

Pall bearers attending in the last rites for this fine old gentleman were George Clary, Ernest Duncan, Wade Terry, E. Henderson, L. G. Thuet, Sr., and L. G. Thuet, Jr.

Interment was made in the family plot at Terrace Cemetery with arrangements in charge of Mason and Company.

HOME CANNERS SHOULD CHECK PRESSURE GAGE BEFORE CANNING SEASON

Home canners who have the dial type gage on their pressure canners should have it checked with a master gage before they begin canning this year, according to Gwendolyn Jones, specialist in food preservation for the Texas A. and M. College Extension Service. The weighted type gage will need nothing but thorough cleaning.

As the gage is the guide to temperatures inside the steam pressure cooker, it is very important that it registers correctly. If jars have been heated too little, they will spoil later, Miss Jones explains. Or if they have been heated too much the food will lose nutritive value, flavor and desirable texture. This year when canned garden vegetables will help stretch world food supplies it is particularly important not to take chances on losing a single jar.

If it is necessary to send the gage to the manufacturer, it should be carefully wrapped and marked "Fragile."

Finally, if it does register high or low, Miss Jones suggests tying a reminder tag on the canner which states just how many pounds of pressure to allow.

SOCIAL SECURITY MAN TO BE HERE MAY 8

John Palmer, Social Security Board representative will be in Post at the post office on Wednesday, May 8, for the purpose of answering any questions people may have on Social Security, discussing possible benefits, and taking applications for Social Security account number cards.

After a worker begins to draw old-age and survivors insurance payments he should remember that if he has a living wife that she too may be entitled to benefits when she attains age 65. Therefore, it is important that contact be made immediately with the field office manager who will gladly furnish all the necessary information concerning the filing of claims for benefits.

COUNTY AGENT SPEAKS TO LOCAL LIONS CLUB

Frank Eaton, Garza County Agricultural Agent, talked to Lions club members at their regular meeting Tuesday, using for his subject Food Savings to Help Starving People of Europe.

Special discussion was given to recreational program for children during the summer. As one member expressed it, the "wheels are set in motion" for a Junior baseball league. The scheme will be mapped out and will be presented to the club next week.

All members are urged to attend the meeting next Tuesday night.

Dr. and Mrs. D. C. Williams left today for Fort Worth. Their daughters, Betty, who is a student in TSCW in Denton, and Mrs. J. Arceneaux and small son, of Shreveport, La. will join them here for several days visit.

Mr. and Mrs. L. C. Carmichael Attend Funeral in Oklahoma

Mr. and Mrs. L. C. Carmichael went early Sunday morning to Mangum, Oklahoma, to attend the funeral of W. D. Busby, 96, who died at his home in Mangum.

The aged gentleman, a retired Baptist minister, was the father of Mr. Carmichael's first wife, Mr. Busby was born on March 9, 1850 in Mississippi. He established his home in Mangum in 1898.

Mr. and Mrs. Carmichael spent Sunday night with their daughter, Mrs. M. M. O'Rear and Mr. O'Rear in Altus, and returned to Post Monday.

Mr. and Mrs. N. W. Newbury have returned from Granbury, Texas, where they attended the funeral of Mr. Newbury's brother, T. M. Newbury. The couple went to Waurika, Okla., following the funeral and returned here Tuesday.

SIX-POINT PROGRAM OFFERED BY ANDERSON FOR FAMINE RELIEF

A six-point program for famine relief to be carried out in addition to voluntary conservation efforts has been announced by Secretary of Agriculture Clinton P. Anderson, according to a report received from the United States Department of Agriculture. "These measures," he said, "are taken after consultation with the governments of Canada and the United Kingdom, in which it was indicated that they would work with this nation toward the two common objectives of increasing total relief shipments of grain promptly and giving priority to areas abroad most urgently in need of special aid."

The six measures follow:
1. Millers are required to reduce their production of flour for domestic consumption to 75 per cent of the quantity distributed in the corresponding months of 1945. In addition to making more wheat available for export, this amendment to War Food Order 144 is designed to bring about more equitable distribution of wheat among millers.

2. Under the same amendment, food manufacturers are required to limit the use of wheat in the manufacture of products for domestic human consumption to 75 per cent of the quantity used in the corresponding months of 1945.

3. Effective May 1, millers and food manufacturers are limited to 21 days inventory of wheat. After that date no miller or food manufacturer may use wheat unless quantities of wheat or flour equivalent in excess of this amount are offered to the Commodity Credit Corporation for export.

4. The USDA is offering a bonus of 30 cents a bushel on wheat delivered under the certificate plan by May 25. To be eligible for this bonus a producer must select a date for payment between the date of delivery and June 15, 1946.

5. The USDA will buy 30 million bushels of corn from producers for which they will be paid a bonus of 30 cents a bushel above the market price on the date of delivery for corn sold to the CCC.

6. The USDA is offering to buy an unlimited amount of oatmeal from millers in the U. S. to make available additional food for relief purposes.

Mrs. Ida Stewart is informing the public through an advertisement in the Dispatch that she has leased the Garza Cafe. Mrs. Stewart formerly operated the cafe which is located in the theatre building.

PENSION ROLLS CLIMB AS PAY DECLINES

Texas pension rolls are going up and the amount of assistance to individual pensioners is going down, the Department of Public Welfare reports from Austin.

The department announced that 182,035 persons are eligible to receive checks for May as compared with 179,756 in April. Each check for May will be \$1 less than the authorized grant, and as the rolls increase the average payment will continue to decline. Average payment for May is \$24.31 as compared with \$24.41 in April.

It was expected that applications would continue at a high rate for some months.

Aid to needy blind rolls increased 89 to 4,865. Average payment for May will be \$26.48 as compared with \$26.20 in April.

Aid to dependent children payments increased to 8,950, representing 21,988 children.

OLD SETTLERS OF LYNN COUNTY TO MEET JUNE 24

The annual Old Settlers Reunion will be held in Tahoka on June 24, according to Harley Henderson. It will probably be held at the City park.

Persons who moved to Lynn county during or prior to 1918, whether they reside there now or not, are eligible for membership and are cordially invited to attend. Many Garza county residents are former Lynn county citizens.

MRS. CALVIN COOPER, SR. UNDERGOES MAJOR SURGERY

Church News

By BONNIE CEARLEY

And be merciful unto us, and cause his face to shine upon us; That thy way may be known upon earth, Thy salvation among all nations." Psalms

There will be a ground-breaking ceremony Friday for the new building which is to be erected at Lubbock College in Plainview. For the ceremony, which will be attended by Gov. Stevenson among others, some persons have been chosen to represent the churches in this area and lift a stone of dirt for each of the three churches. Gerald Bowen has been chosen to attend from the First Baptist church here.

The reporter this week has somewhat neglected in securing items but will try to get more next week about what has been going on around churches.

They were mightily pleased with the new painting job inside the new painting room. A green and white paint has been applied to the walls and ceiling of the windows are very of their new yellow drapes. The parsonage has a bright and look also.

Wonder how many people to Sunday school last Sunday after Easter. The church proudly announced their attendance went up were 421 present.

Read this little story this and we want to pass it on to the quarters of a certain Monday trader, a visitor and a handsome copy of the printed in English. Knows his best could neither write in that language, nor inquire why it was there. "When a new trader from I have had no dealings to me. I put this book in his hand the owner of the Bible. handles it with care and I feel that I can trust it if he casts it aside with or a curse I will have to do with him."

FRIENDSHIP CHURCH HOST TO WORKERS CONFERENCE APRIL 23

Friendship Baptist church of Close City was host to the Lubbock Association workers conference on Tuesday, April 23. The program was built around the theme of Evangelism. P. J. Tyler, Jr. educational director at College Avenue Baptist church in Lubbock led the song service followed by the devotional by Rev. A. L. Miller pastor at Slide. The following subjects were discussed by the ministers of the Association: "The preparation for a revival in unchurched communities" by Rev. Henry J. West, pastor at Lorenza; "Preparation for a revival in Local Church" by Rev. C. J. McCarty, pastor at Calvary Baptist church Lubbock; "The Need of Revival in Our Association" by Rev. Geo. Dale, pastor at Sanders Mission Lubbock.

Texas Baptists are beginning the organization of a great crusade for Christ in Evangelism, headed up under the leadership of Rev. C. E. Matthews pastor of Travis Avenue Baptist church, Ft. Worth. Rev. Cecil Ray pastor of Arnett Benson Baptist church Lubbock spoke on "The Scope of this Crusade." Rev. B. N. Shepherd, District Missionary, spoke on "The Organization and Officers and their task of the Crusade."

Rev. A. A. Bryane pastor at Brownfield preached the noon sermon on the subject "The Conquering Christ."

This was WMU quarterly meeting and the following program on Stewardship was given under the leadership of the president, Mrs. W. E. Twitty of Lubbock First church; Devotional, Mrs. Van Martin; "More blessed to Give" by Mrs. Roy Bass of First Church of Lubbock.

The local WMS furnished the noon meal.

Junior G. A.'s Met in Regular Session

The Junior Girls Auxiliary met Monday, April 29, at 4 o'clock at the First Baptist church. There were fifteen present. Several songs and a very interesting program were given.

NEEDLE CLUB NOTICE

The Needle Craft Club will meet Friday, April 3, at 3:30 p. m. with Mrs. V. J. Campbell.

BANQUET TO BE GIVEN HONORING CLOSE CITY HIGH SCHOOL PUPILS

The WMS of Friendship Baptist church will sponsor a formal banquet for the high school pupils of Close City on May 2nd at 7:30 p. m. at the school cafeteria.

Places will be set for twenty-four young people, the teachers of Close City, Dean Robinson, county superintendent, Rev. H. H. Henkel of Lubbock and the Wayland college quartet from Plainview.

The program will be as follows: Invocation, Bro. Martin; Welcome, Mrs. E. W. Curry; Senior response, Helen Williams; Junior response, Mrs. Davidson; Board of Education, Dean Robinson; Class prophecy, Wylene Moss; Address, Rev. Henkel, pastor of East Side Baptist church of Lubbock and music by the Wayland Quartet.

A delicious menu of chicken a la king, creamed peas in patty shells, mashed potatoes, pear salad, hot rolls and pie and ice cream will be served.

FRIENDSHIP SHOWER GIVEN IN SOUTHLAND FOR MR. AND MRS. GARY

Mr. and Mrs. C. W. Gary of Southland were given a shower of miscellaneous gifts recently as a token of friendship. They lost all their possessions in the fire which destroyed their home on April 20.

The shower was held at the gymnasium and luncheon with more than 200 friends presenting gifts. Mr. Duff made a very interesting talk.

Mrs. Troy Moore and Mrs. Roy Williams were hostesses and were assisted in serving refreshments of sandwiches, cookies and punch by Meses. H. D. Mayfield, Carl Lancaster, Bloxson, Denton, Harmonson, Grady Taylor, Cooper, Maggie Hallman, Ruby Dick, John Leake, and Herman Dabbs.

Mrs. John Lott Entertains in Honor of Her Mother

Mrs. John Lott complimented her mother, Mrs. Bertram Tizard of Kansas City, when she entertained the Novelty Luncheon club on Tuesday.

A gay, colorful summer motif was used by the hostess in table appointments and in the delicious luncheon menu which was served from foursome tables.

Sprays of scarlet roses and bouquets of pink rosebuds were used throughout the entertaining rooms. Small bouquets of roses were used to center the luncheon tables.

Twelve guests enjoyed the delightful party.

Bridge was enjoyed following the luncheon.

Local People Attend OES Meeting in O'Donnell

Loree Thaxton, Esta Lea and Lester Nichols of the local Eastern Star chapter visited last week with the chapter at O'Donnell.

The meeting was an initiation ceremony and in conjunction a memorial program was presented, making a most impressive service and thoroughly enjoyed by the visitors.

FAYE MATHIS HOSTESS TO LEADERS SUNDAY SCHOOL CLASS PARTY

Faye Mathis was hostess Monday night to members of the Leaders class of the First Baptist church for their monthly social.

The devotional was read by Odee Kemp. Mrs. Davis led the prayer. The group sang God Will Take Care of You. Lucile Pennington read Does God Care?

A short business session was held and then everyone joined in several games which were directed by Lucile Pennington.

Pretty and unusual bookmarks in colored plastic printed with Bible verses were given as favors when the hostess served a refreshment plate of iced tea and angel food cake.

Attending the party were Mrs. Davis, the teacher, and Mary Gale Young, Lucile Pennington, Frances Talley, Sybil Cockrum, Nell Windham, Elvie Carpenter, Odee Kemp and Vernie Moore.

P-TA WILL MEET IN LAST OF YEAR'S SESSIONS

The last meeting of the current year for the P-TA will be held next Thursday, May 9, at the High school auditorium.

After the call to order given by the president the Lord's Prayer will be recited in unison. Mrs. J. E. Parker will be leader for the program. The subject for discussion at this time will be Will There Be A Sex Problem?

The president is asking that a full membership be present for this meeting when officers for next year will be installed and all business of the year concluded.

WCS MEMBERS MEET MONDAY AT PARSONAGE

The regular meeting of the WCS was held Monday afternoon in the parsonage.

The devotional was given by Mrs. I. A. Smith. Mrs. Durrett was in charge of the program on Supplies and she was assisted by Mrs. Graeber.

The meeting was closed with a benediction pronounced by Mrs. Greenfield.

Mr. and Mrs. A. C. Howell spent the Easter holidays in Seagraves with their daughters, Misses Lois and Lenis.

DARLENE CARPENTER CELEBRATES THIRD BIRTHDAY WITH PARTY

Darlene Carpenter, daughter of Mr. and Mrs. Ralph Carpenter, celebrated her third birthday Monday, April 29 when her mother was hostess for a party for her.

After the guests arrived some time was spent playing. Darlene then went at the exciting task of opening her gifts.

The very special ceremony of blowing out the three pink candles on the big white cake was observed. Pink ice cream was served with the cake.

Helping the little honoree celebrate were her big brother, Gerald, Beth Ellen and Johnny Kemp, John Allan Cearley, Sandra Kay Baker, and Jeannette Moore. Several mothers were present also.

FAD AND FANCY

A touch of the original is being used by many lovelies for their spring wardrobes.

Affectionate French expressions such as "Je t'aime," "Viola mon coeur," "Baissez-moi," and "Cheri," are being embroidered on tailored white silk blouses.

'Tis quite a neat feature and one that can be copied by any enterprising young lady who wants something different.

First Sunday Singing At Nazarene Church At Grassland

The regular first Sunday Singing will be at the Nazarene church at Grassland Sunday, May 3 at 2:30. New Stamps books have been purchased and it is expected that this singing will be the best in some time. Everyone is invited.

GEMS OF THOUGHT

Simplicity of manner is the last attainment. Men are very long afraid of being natural, from the dread of being taken for ordinary.

Contentment is a pearl of great price, and whoever procures it at the expense of ten thousand desires makes a wise and happy purchase. —Balguy

House guests of Mr. and Mrs. John Lott are Mrs. Lott's parents, Mr. and Mrs. Bertram Tizard of Kansas City, Mo.

Across The Tracks

By H. H. H.

Almost every day since the coming of hot weather, tourists have stopped by to ask direction to Two Draw Lake. It pains us to have to tell them that the old water hole just doesn't exist anymore. Having been raised on a farm adjacent to Two Draw, we spent a good portion of our growing years there—and, lack of the price of admission, we usually did our swimming and fishing after the caretaker had gone to bed.

For over a quarter century Two Draw Lake was the mecca for fishermen from all over West Texas, and probably played host to more conventions, reunions, Fourth-of-July celebrations, barnstorming air shows, and just plain necking parties than any similar landmark in this end of the State.

But we suppose Two Draw's demise was inevitable. Most of the lake's natural watershed has been put into cultivation, and this, plus the drought, has dried the ole swimmin' hole up for good.

But, we repeat—it's a dud, gummed shame.

Speaking of swimming—Orchids to the editorial writer who plugged for a local pool in last week's Dispatch. We'll help push such a program to the limit of our ability.

Folks—next time you need gas, oil, or your tires checked—drive over to Hudman's Texaco Service Station—where the quality of the product is exceeded only by the quality of the service.

Sincerely,
HANS HUDMAN

Fights For Life

MILWAUKEE, WIS. — William Double, 3, (above) was given a fighting chance to win his battle against double pneumonia and empyema after he had received 250,000 units of the newest "miracle drug", streptomycin. The boy, son of former State Assemblyman William F. Double, a Milwaukee attorney, received the streptomycin through the efforts of the Milwaukee Sentinel and other Hearst Newspapers, which obtained a release from the civilian Production Administration. The drug was located at the Abbott laboratories in Chicago.

TANK-OWNERS SHOULD ORDER FISH EARLY

Farmers and others who depend upon state fish hatcheries for supplies to restock their home waters should place their applications direct with headquarters. The procedure, says R. E. Callender, game management specialist for the A and M College Extension Service, is for the applicant to write to Marion Toole, Chief Aquatic Biologist, Game, Fish and Oyster Commission, Austin, for standard application forms. After filling out the forms they should be returned to the office of the commission. As a rule, Callender says, forms are not available at the offices of county agricultural agents, although it now is permissible for agents to submit names of those desiring fish. In that case the game commission will send forms to individuals named, provided accurate mailing addresses are given.

Callender also announces that a limited quantity of game preserve protective signs are now available.

LAND OWNERSHIP SURVEY TO BE MADE BY USDA

Sometime around May 15th about one out of every ten Texas landowners will receive a USDA Bureau of Agricultural Economics land ownership questionnaire. This form, the Texas A and M College Extension Service has been informed, will be the basis on which up-to-date information as to opportunities on the land will be provided for veterans and for studies on various farm ownership problems.

It will be the first survey on this subject since immediately after World War I, according to Dr. L. P. Gabbard of the Texas Agricultural Experiment Station's Division of Farm and Ranch Economics who is representing Texas A and M College on the project. Individual replies will be held in strict confidence, he said. All land owners who fill out and return the questionnaire will receive a copy of the final report. County agricultural agents will

Five Hundred See League Opener, Local Lose 3-1

Five hundred baseball hungry fans witnessed and cheered one of the most brilliant pitching duels ever to be staged in Jal, New Mexico Sunday afternoon in the opening Oil Belt League game.

It was Post's big left-hander, Ed Altman who bowed to Elbe Miller of Jal, but not until his teammates had made three costly errors and eight and a half innings of hard fought ball game had passed. It was Altman, reaching his peak of the year, who gave Jal offense only 3 hits. He struck out five, walked 3 and had to face 29 batters. Post's defeat came by the way of 3 errors. First error came in the first inning when short-stop Wade Holland missed a line drive and Jal lead off man scored, having reached the base on a walk and advanced to third. Then two more errors were made in the last of the 4th inning when first baseman made a wild throw to second-sacker Demus Altman. The ball rolling wild through second baseman was fielded by short-stop Wade Holland who fumbled it and later fielded by Carl Jones, but not until Jal's center-fielder and second baseman, who had reached bases on hits, had crossed home plate for scores.

Elbe Miller limited the Post batters to four hits and walked none. He struck-out 12 men, which tells the story of Post's offense. Only four Post players reached base, one of these being a two base hit by Hester. Jones hit a single in the fifth inning, stole second and third and scored on Wade Holland's hit.

The most sensational defensive play came from Walter Holland who picked up a ball which had been juggled by the short-stop, whirled and caught a man out at first to bring the fifth inning to a close. Punk Peel made the defensive outfield play of the day when he ran in some seventy-five feet from left field to make a shoe-string catch of a hard line drive in the sixth inning. Final score for the game was Jal 3, Post 1.

County To Benefit by Money Spent On Rural Repair Jobs

Expenditures totaling more than \$251,000 will be made in the next few years by home owners on farms and in small communities of Garza county to improve present electric service and home plumbing.
 These outlays will mean additional income to practically every local business and will finance additional wiring, bathroom improvements and new electrical equipment for the county's 882 farm and rural homes already served with electricity, according to a study released by the Title Council of America.
 Introduction of running water, installation of tiled bathrooms and home features, D. P. Forst, chairman of the Council's Residential Construction Committee, revealed one in five farm families throughout the nation plan bathroom improvements, he said.
 Additional wiring is needed in practically every farm home with electricity, according to the study. A high market likewise exists for milking machines, quick freezing units, electric motors, baby chick brooders and other equipment.
 Expenditures in the county are part of a \$94,817,000 program to be undertaken by Texas farms and rural home owners in the next five years, the study revealed. An estimated \$2,294,900,000 on similar improvements to present electric service will be spent in the nation during that time.

Homer Thompson Writes from Korea

A letter received last week by the editor from Captain Homer E. Thompson, former Garza county agricultural agent, will be of interest to Dispatch readers. Captain Thompson is stationed in Korea and is in agriculture and military work. His duty, as outlined in his letter, is the distribution of food.

Excerpts from the letter follow:
 "How are all the folks back home. I keep pretty well up with them and the way things are going by reading the Post Dispatch. The paper is like a big newsy letter from home each week.
 "I was eligible for discharge January 1, but for some reason the War Department put me into a "scarce" category, so now I have until July 1 before I can get my discharge. When that time arrives I hope to board a big fast ship and be on my way home. I do not like this country, but military government comes first and me second. I am in agriculture work and my duty is to rob Peter and give it to Paul. Some Koreans have plenty rice, while others are starving... we have to divide the crop, sometimes at gun-point. The people are quite difficult to understand and do not like us a little bit, which is okay by me. Rice is as precious as gold over here, as it is the main source of livelihood. Our outfit arrived here after the harvest season, so it is quite a problem to ferrit out hoarded rice.
 "As for our welfare, we enjoy fresh deer meat, as we get very little state-side meat. Deer is plentiful here, as well as pheasants and wild boar... often our men kill more deer than we can use, so we have to limit our hunting.
 "We have sent all the faps back to Japan so they are out of the way now.
 "Hope to be seeing you before long."
 Captain Thompson's address is: 70th MG. Hq., APO 233, c/o Postmaster, San Francisco, California.

POST'S PARKING SITUATION

Parking in Post, like in most other little West Texas city where some form of controlled parking regulations is not in effect, has developed into a problem of no little importance to Post merchants and individuals. Even during the emergency when there were not as many vehicles in use it was difficult to find a place to park in some sections of the city, but now that more cars are back in use it's worse.

The parking situation took top place on the list of "what Post needs" suggestions presented at a recent civic club's program. The suggestions came from a cross-section opinion of Post people and were read to the club by the party in charge of the program who had contacted fifty or more persons for suggestions on city needs.

Some merchants are complaining about the "squatters" ... guys who park their cars in a spot and leave them all day, who force would-be shoppers off, or cause them to drive blocks away and walk back.

The big squawk is being heard from persons who have found it difficult to drive down Main with cars parked two-deep in front of stores and the same way in the center of the street, with only enough room left to squeeze through without dragging off a fender. Too, the center of Main usually catches all the big trucks, and these vehicles are often parked for hours occupying enough space for three to four passenger cars.

There have been several suggestions as to how the parking situation could be corrected, two of which would help greatly ... stop double parking in center of street, and store owners could relieve the situation considerably if they wouldn't park their cars in and around their places of business, or in front of their competitors business, and park behind their stores.

Post is a pretty small town ... but it is big enough to have a parking problem about which something ought to be done, and quick.

MAY 1 IS CHILD HEALTH DAY

May 1 is annually observed as Child Health Day in America and this year is no exception. The health and welfare of the millions of children who hold the future in their hands is of prime importance.

President Truman, in his proclamation, called upon the people of each community to pledge themselves to review their community health and medical care services.

In considering health conditions it seems Post is particularly fortunate. It just seems that there are fewer underprivileged persons in the smaller communities because of a personal interest of friends and medical authorities in the welfare of all.

While each one of us is vitally concerned over the physical well-being of youngsters it should be remembered that a wholesome mental condition should be carefully nurtured by instilling the ideals of constructive living into each child.

The national picture of child health is painted in somber colors by a report from Katherine Lenroot, chief of the Children's Bureau who says that at least three-fourths of all school children need dental care and four million have sight defects. Some twenty thousand orthopedically crippled children are receiving no care, according to her report, and thousands of others suffer from malignant disease.

So it is well to take stock along these lines and do what we can to improve our future health condition.

TEXAS PRISON PAROLE SYSTEM OUTMODDED?

Delegates to the Police Association in Galveston last week heard ten recommended changes in the present pardon and parole system employed by the Texas Prison System.

Several chiefs declared the present set up to be inadequate, basing their findings on the number of convicts now being released who have previous commitment records.

As an example, more than half of the criminals released on clemency during the first seven months of last year were law-breakers with previous convictions ranging from a suspended sentence to eight penitentiary terms.

The police chiefs said that they were not against rehabilitation but that they were in favor of granting no clemency to any habitual criminal who shows no intention of reforming or becoming rehabilitated.

It is the duty and obligation to give the first offender an opportunity to reform but when a criminal has gone to the penitentiary two or more times it seems evident he intends to follow a life of crime.

In the light of these findings ten recommended changes in the present system made by the policemen's group will be presented to the state legislature in January for adoption.

Why they call money "dough" we don't know. Dough sticks to the fingers.

BUILDING AHEAD
 of a fast growing TERRITORY

Mile on mile of new transmission lines, begun even before the war's end, are now bringing low cost electric power to more homes, more farms, more industries, more businesses. Our active expansion program includes many more miles of transmission lines, under construction right now. We've always had faith in the future and prosperity of the Panhandle, Plains and Pecos Valley areas... and we're continuing to build ahead of this fast growing territory. Take a look at this schedule of projects, already under way, or awaiting more materials: Additions to power plants at Borger's Riverview Station, Carlbad, Denver City, Clovis and Geymon to produce 100,000 additional horsepower, at a cost of \$6,000,000. New transmission lines, power plant and substation facilities costing \$2,500,000. Another \$5,500,000 will be spent on improvements throughout our entire service area to build miles and miles of additional new power lines which will open new vistas to better living, better farming, new industries, and more profitable business. Yes, the Panhandle, Plains and Pecos Valley area is growing fast... and we're BUILDING AHEAD to the tune of \$12,000,000 to help develop a better, more prosperous territory by bringing more electric power to more people... at lower cost than ever before.

Swing of Southwest Farm Market

Cotton, some vegetables and sheep brought slightly lower prices last week at southwest markets, but cattle prices were strong to higher, hogs and grain at ceiling and egg and poultry prices were steady, according to USDA's Production and Marketing Administration.

Spot cotton prices moved within a rather narrow range last week and were about unchanged from a week earlier. Spot markets were moderately active with a good demand for a wide range of grades and staple lengths. Offerings were less than a week ago.

Southwest egg markets were steady this past week. Receipts continued liberal, but reports indicate the peak of the production season has been reached. Current receipts brought 30 1-2 to 31 cents a dozen in Dallas and Fort Worth and mostly 30 to 31 cents, Denver.

Good demand continued to absorb light poultry offerings at steady prices. Heavy hens were quoted 22 to 24 cents a pound, Ft. Worth; 23 to 25 cents, Dallas; 22 to 25 cents, Denver; and 29 to 29 1-2 cents, New Orleans. Most fryers sold around 30 to 32 cents.

Grain supplies were at a standstill last week and feedstuffs were at the lowest level in the memory of the trade, according to dealers. Continued heavy demand kept prices at ceiling. No. 1 hard wheat, with ordinary protein content, brought \$1.83 to \$1.85 a bushel, bulk, in carlots, with all charges paid to Fort Worth or Galveston; sorghums \$2.70 per hundred lbs. and No. 3 white oats 89 to 91 cents a bushel in Fort Worth and 91 to 93 cents in Galveston.

Southwest livestock markets reported steady to higher prices for cattle, most hogs at ceiling and lambs 25 to 75 cents lower last week.

Heavy receipts of cows turned up at most terminals with medium cows quoted at \$10.50 to \$12, Houston; common and medium cows, \$9.50 to \$12.50, San Antonio; and medium and good cows, \$11 to \$14, Fort Worth. Top prices for cows at Oklahoma City ranged from \$11 to \$13 per hundred lbs. Bulk common and medium cows brought \$9.50 to \$12, Wichita and common to good cows realized \$10.75 to \$12.25, Denver.

ELMER LONG ATTENDS DISTRICT MEETING OF LIONS AT ALPINE

Elmer Long, zone chairman of this district of Lions clubs, attended a meeting in Alpine Saturday and Sunday of the District Governor's Cabinet. The Alpine club entertained the cabinet and other visiting Lions.

On Saturday night the group were guests for a stag party at Sul Ross Cafeteria. In addition to a delicious dinner an unusual program was enjoyed. The Lions club of Ojinaga, Mexico sent a 12-piece marimba orchestra and a group of senorita dancers to put on the program.

The visiting ladies were given a chicken dinner at Indian Lodge 25 miles out from Alpine. At 10:30 p. m. they were joined by the men and the entire group in a convoy of 15 cars drove up Mt. Locke to the McDonald Observatory at Fort Davis.

Mr. Long was especially enthused over this part of the trip. The views of the planets through the 82 inch telescope were quite wonderful and a rare treat for the visitors. This was a specially arranged trip, a courtesy of the Alpine club, since the usual time for admission to the public to view the planets is the last Wednesday night of each month.

Some interesting facts concerning Lionism given by Mr. Long were relative to this district. It is the largest district in Lions International, extending from El Paso to a line about even with Snyder and north to the state boundary.

Also regions 4 and 5 of this zone are running Frank Jordan, mayor of Brownfield, for district governor next year.

UNEMPLOYMENT CLAIM EXAMINER COMING HERE

Servicemen's readjustment allowance claims from veterans are running heavy in the Post area, according to H. W. Richardson, senior claims examiner for the Texas Unemployment Compensation Commission.

Mr. Richardson will be at the courthouse, 9 a. m., on Thursday, May 9.

In addition to veterans affairs, Mr. Richardson will conduct the regular business of the Unemployment Compensation Commission while in town.

As an agent for the Veterans Administration, the Unemployment Compensation Commission accepts readjustment allowance applications from unemployed ex-servicemen, as well as from veterans whose earnings from self-employment are less than \$100 a month. The \$20-a-week allowances may be drawn by the veterans any time up to two years after the official termination of the war, or two years after the individual gets out of the service, whichever is the later.

Garza Countains WHO RECEIVED COVETED "Ruptured Duck" DURING THE PAST WEEK

Garza county men who were recently given their honorable discharges from the armed forces include: Grady T. Porter, D. J. Atkinson, J. H. Burton, Lee Troy Lester and Hugh L. Templeton.

David Charles Rogers and Lee Roy Holley were sent to El Paso, Friday, April 26, for their pre-induction physicals.

CONSERVE ON WHEAT PRODUCTS IS URGED BY USDA COUNCIL

Every parent in Garza county has a stake in the present food campaign to help feed millions of starving children in Europe and Asia, according to Will Wright, chairman, USDA Council.

Homeless, starving children of these war torn countries are the adults of tomorrow with whom the present children of the United States must do business, he explained, adding people must be strong and healthy to help make a peaceful world.

Recent surveys reveal that of 75,000 school children tested in Poland, 40 per cent showed signs of lung disorders; caused by malnutrition, and in Greece tuberculosis had increased nearly five times during the war. Many thousands more will be crippled for life by tuberculosis of the bones and joints. In addition, millions of these hungry children are also homeless and they must have food now, he emphasized.

"Reducing bread consumption by a slice or two a day and fats and oils by a spoonful is no sacrifice for us when we can substitute other foods that are just as nourishing," he said.

Until the harvest season in Europe and Asia, which still is several months away, civilians are asked to reduce consumption of wheat products by 40 per cent and fats and oils by 20 per cent.

THIS WEEK IS A TIME OF MANY OBSERVANCES

Most people know that this week, April 28 through May 4, is National Baby Week and clever advertising copy calls attention to the various items necessary to the well-being of each little dimpled darling or pesky little person, depending on the humor you are in at the moment.

Another bumper crop of babies is forecast for this year and there is the right to have every advantage possible for a good start in life. They are our future.

This week is also being observed as National Noise Abatement Week. (We do not know who sets aside many of these special days but to us it seems the very utmost in inconsistency to celebrate these two weeks at the same time.)

Seriously though, the idea behind noise abatement has its merits. Dr. Thomas Parron, surgeon-general of the U. S. stated that practical and experimental evidence indicates "that noise produces fatigue, impaired hearing, nervousness, decreased efficiency, and emotional disturbances."

The National Noise Abatement Council, headquartered in New York City, is the moving spirit in the curbing of racket in streets, factories and offices.

Certainly work is not possible without some noise and few of us would care to live in a world of complete silence but every person has at one time or another heard such blasts of cacophonous sound that he earnestly desired quiet. Too many people now have too many nerves so noise abatement is to be desired.

Such fishermen as have not yet felt the urge to row upstream and cast a fly may we remind you this is also National Fishermen's Week.

Those people who have boys and girls in the family may think that every week is children's week and will be glad to know that just one certain week, April 27 through May 3, has been designated as Boys and Girls Week.

Dick Allen met his brother and father, J. R. Allen, in Weatherford on Sunday. The elder Mr. Allen who lives in Crockett, Texas, returned to Post with his son and will spend the summer here.
