

# Garza County Man Held In Jail On Assault Charge

V. N. Stewart, long-time resident of Garza county and about 45, Tuesday was in the county jail, charged with assault with intent to murder his former wife, Mrs. Ida Stewart, who is reported to be in a critical condition at Lubbock hospital from gunshot wounds.

Stewart was surrendered to Sheriff Percy Printz Monday morning by his son, on whose arm the accused had been staying since the shooting. The charge was filed by County Attorney Carlton P. Webb in the court of Judge Cash, justice of the peace. The sheriff quoted Stewart as saying he "knew nothing about the shooting."

Mrs. Stewart who owns a cafe business in this city, was seriously wounded about 2:30 o'clock Saturday morning when she was struck by one of three bullets fired at her by a man who broke into the apartment where she and her three children were sleeping. The bullet pierced her hand and entered the right side of her head. The woman related to the sheriff that the wound she received in the hand came from the slug which pierced her arm and that only one of the three shots struck her.

The family, including an infant youth, and two girls, 12 and 14, reside in north Post in an apartment house which Mrs. Stewart manages in addition to her cafe business. There are seven children in the family. Mrs. Stewart is the daughter of Mr. and Mrs. J. N. Gossett of Graham. The Garza Sheriff said entry into the apartment was through a window after a screen had been ripped off. A slug dug out of the window at the apartment was .38 caliber, Printz said.

Shortly after the shooting Printz's automobile was found abandoned just outside the city limits on the highway to Lubbock. The vehicle was wrecked when it plowed into several guard rails along the highway.

Condition of Mrs. Stewart early today was "satisfactory" following a "fair" night.

# ANTIQUE BUTTON With A Meaning

This column is dedicated to the men and women who wear the antique button of the armed services discharge. As the discharge button has followed from civilian through their experiences, it records their lives from the day they receive their discharge until they become re-established in civilian life. Contributions by mail or person will be welcomed from veterans and their relatives and friends. We all join in welcoming our service men and women back to our community.

Raymond Robinson, of Mr. and Mrs. J. E. Robinson, received a discharge from Army last Thursday. He and wife and baby are visiting in Lubbock, but plan to return to Fort Worth to live about the first of the year. He will continue his education in the Southwestern theological seminary.

John W. Jenkins is now wearing a discharge button, after being honorably discharged from the Army on August 19.

Robert Wilson Stone is another Garza county man to become eligible to wear the discharge button. Stone was discharged from the Navy on August 8.

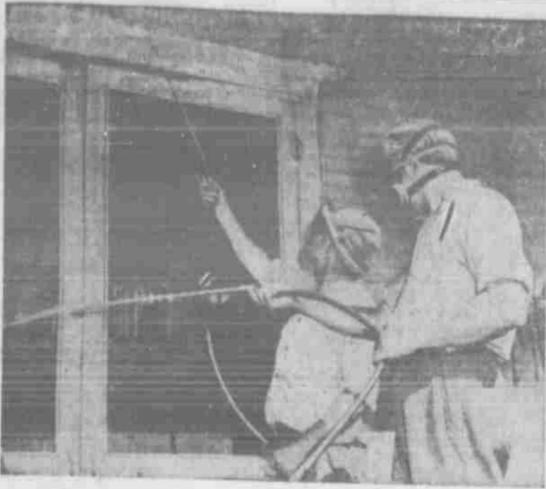

Robert E. Samples has been released by the local Selective Service board after having been called from the Army on July 15. Samples is now wearing the discharge button.

**GARZA MAN INDUCTED TO ARMY RECENTLY**

Garza County has been called to furnish one more man for the Army. The inductee was Frank Albert Baker, who went to Fort Bliss for training August 30.

# The Post Dispatch

VOLUME XIX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, SEPT. 6, 1945 "THE GATEWAY TO THE PLAINS" NUMBER 36

ROCKFORD, ILL.— Health department workers spray a dairy with the army wonder insecticide, DDT, in experiment to curb city's polio epidemic by killing flies. Army trucks also sprayed streets and gutters with the new insecticide.

## Antelopes Shaping Up For '45 Season's Opener, Sept. 14

Thirty four Post High School Antelopes have been bearing down in the first week of preparation for the season's opening grid game, scheduled here Friday, September 14 with the Lubbock Cowhands.

Football has really been in the air this past week... skunk practice, daily drill sessions and chatter among the students... yes, even business men of the city are football conscious and are watching the squad workout daily, as well as enrolling into the Antelope Booster club. Looks like a great season ahead, and all indications point to a successful season for the Antelopes.

Coach J. L. "Lefty" Sollis has been on "needle and pins" this past week working out the kinks, but he is pleased pink over the cooperation, willingness and support given by both the squad and Booster club. "Although it is too early to decide what kind of team Post will be able to field, I am confident we will make more than a creditable showing this season," said the mentor.

The Antelopes have a promising lineup thus far, although much work remains to be done before the Antelopes begin their tough conference schedule. Jimmy Bird, last season's end, brightened prospects Tuesday morning by re-enrolling to school. Bird makes (Turn Back Page, Col. 3, Please)

## Cordial Welcome Is Extended Teachers Of County Schools

Information on enrollment in county schools was not available at the time The Dispatch went to press. A list of teachers, however, was released from the county superintendent's office.

A cordial welcome and a wish for a successful school year is extended to the county teachers.

Close City— Mrs. Pearl Davidson, Mrs. Joe Callis, and Mrs. Charlie Bowen; Graham— Mrs. Lucile K. McBride; Mrs. Nona Wells Lusk, and Mrs. Myrtle R. Ashley; Grassburg— Miss Ruth Billingsley and Miss Ethel Sumnerlin; Cross Roads— Mrs. Elizabeth Fisher; Justiceburg— Mrs. Ruby Lobban; Verbena— Mrs. Virginia A. Williams; Garnolia— Mrs. Winnie Mae Willett, principal; Mrs. C. F. Carmack, and Mrs. Margaret Miller; Southland— J. P. Hewlett, supt., I. J. Duff, principal; H. S., Miss Betty Hitt, Mrs. Mary Vardeman, Mrs. Ruth Hall, Mrs. R. O. Rankin, Mrs. I. J. Duff, and Mrs. Pauline Stotts.

## Five Garza Men Get Physicals

Five Garza county men were sent to Fort Bliss, El Paso, August 22 to take physicals for the Army. The group included Hubert Alder Yarbrough, Ed Kelly Sims, James Lee Smith, Claborn Byron Taylor and Clinton Horace Howell, Jr. reports Miss Lucille Meador, clerk of the local Selective Service board.

## Church of Nazarene Revival Begins Tonight At 8:30

Beginning tonight the Church of the Nazarene will open a ten-day revival meeting.

Guest evangelists are Rev. and Mrs. Jack Carter who will have

REV. AND MRS. JACK CARTER charge of the preaching and singing. Two services daily, those of 10:00 a. m. and 8:30 p. m., will be held.

The pastor, Rev. Austin Moore, extends a cordial welcome to everyone to attend the meeting.

## Post Sailor Visiting Parents On 30-Day Overseas Leave

J. W. Hodges, ship-fitter first class, USNR, arrived in Post Wednesday morning to spend a 30-day overseas leave with his parents, Mr. and Mrs. B. B. Hodges of Justiceburg.

The Post sailor, who has been in England the past twenty-two months, enlisted in the Navy about three years ago. He reports to Galveston when his leave expires for re-assignment.

## Baptist Church Closes Successful Revival Meeting

A very successful meeting was closed at the First Baptist church. The sermons brought by the pastor, Rev. Huron Polnac, and the messages in song presented during each service were filled with inspirational thoughts. Mrs. Ray Smith and Miss Mary Margaret Duckworth rendered some wonderfully fine piano music.

## ABILENE FAIR DATES ARE ANNOUNCED

Abilene, Sept. 6— This area's best livestock, agricultural, poultry, home and manufactured products are slated for exhibit at the 22nd annual West Texas Fair to be held at the Fair park in Abilene Sept. 21 through 29.

Catalogues and entry blanks have been mailed to 2,000 potential exhibitors. Fair President Merle Gruver announced.

Nine days of educational and entertainment features have been planned and entrance fee to the grounds will cover admission to all exhibits and grandstand attractions.

## Application For Mill Housing Project Forwarded To FHA

Application for a housing project for south Post has been sent to the Federal Housing Administration by the Garza County Board of Development. It was announced Tuesday by T. R. Greenfield, chairman of the board.

The project calls for twenty-five low cost houses, ranging from \$1,800 to \$2,500, and several to cost up to \$4,000. The project is being filed to take care of Postex Mill employees. Many former Postex employees, who have been working in war plants in other sections of the country, are planning on returning to Post when they secure housing accommodations.

One day last week the Board of Development met with G. R. Kennedy, representative of the Mortgage Investment Corp., and a Lubbock contractor, who wants to handle the project when it is approved by the F.H.A.

Greenfield said he expected to hear from the application within another week.

## Cross Roads Farmer Brings In First Bale Of Cotton Wednesday

The County's first bale of 1945 cotton was brought to Post on Wednesday by Doyle Howell of Cross Roads community. Howell was the first farmer last season to produce a bale of cotton, bringing it to Post August 21.

The Cross Roads farmer reported the news to the Dispatch about three o'clock Wednesday afternoon, at the same time looking for a Post ginmer to run the cotton. He informed the press he had 1,500 pounds of picked cotton, from which he expects to get a good 300-pound bale.

## O. R. Cooks Receive Unofficial Word About Two Sons

While no official notification has been received from the War Department, Mr. and Mrs. O. R. Cook of this city have been led to believe their two sons, Tom and Paul of the U. S. Army Air Force, were either killed in action or died from wounds received in battle in the European campaign.

Latest communication concerning Tom was received week before last when Mr. and Mrs. Cook received a letter from the waist-gunner on the B-17 on which they son was serving as bombardier. Only two of the eleven men of the crew are known to have bailed out. The plane was more than 20,000 feet in the air when it went down over Misburg, Germany, he wrote. Tom was with the 8th Air Force and was reported missing last November 26. The Cooks received official word on December 26. His foot locker and other effects were received here a few days ago.

Word concerning Paul, who was reported missing last October 5, was received from his wife, Margaret, who lives in Caldwell. She received a letter from one of

## Justiceburg School Enrolls 16 Pupils On Opening Day

Justiceburg school began its 1945-46 term Monday. There were only 16 pupils enrolled on the first day but according to Mrs. Lobban, teacher, others are expected to enroll later.

There are four beginners this year. They are Sydna Lee McLaurin, H. C. Drake, Fernie Reed and Arnold Ray Dorman.

## Dishes Needed At Grade School Lunch Room

An urgent call is going out to the citizens of Post for additional dishes to be used by the Grade school lunch room. Persons who have plates, cups, spoons or forks they do not need are asked to donate them to the lunch room. Either take or send them to the Grade school as soon as possible. This appeal is made by the P-T.A.

## Mr. and Mrs. B. M. Bullard are announcing the arrival of a baby boy on August 22.

The new son was named Stephen Kerry and weighed six pounds, ten ounces. Mrs. Bullard is the former Miss Opal Terry, daughter of Mr. and Mrs. J. W. Terry.

Mr. and Mrs. Raymond Jones are announcing the arrival of a son on August 31. The baby weighed eight pounds and was named Howard Wayne.

## Army Announces Plan On Releasing Men Immediately

The Army Tuesday announced an estimated 665,000 older soldiers and men with high discharge points would not be called to overseas duty and made plans to immediately release another 1,100,000 men from the service.

From now on, the Army ordered, no one will be sent abroad who had 45 or more points as of May 12, men over 37 years of age, and 34 to 36 year old men who have had one year of military service. These categories are about 665,000 men now in the United States.

No WAC's will be sent overseas, either.

The War Department announced it would begin at once screening men affected by the new order from units scheduled to move to the Pacific. Furthermore the screenings will be revised as soon as a recomputation of discharge points is made. The new computation will take into account service up to Sept. 2, instead of May 12.

Any soldier who is 36 or who has 80 points under the Sept. 2 refiguring can get a discharge now upon application. So can anyone who is 35 or over and who has a minimum of two years' service. Enlisted men in these classifications were estimated at 1,100,000. They are in addition to some 400,000 who qualified for discharge before the point total was cut from 85.

## Schools Open Amid Hustle And Bustle Of Students And Parents

Amid hustle and bustle, hurry and worry, another school term was begun last Monday when high school and grade school pupils along with a goodly number of parents filled both schools to overflowing.

High school classes met and lessons were assigned, schedules were re-arranged and the business of learning was begun in earnest.

Approximate total enrollments are 300 for high school and 360 for grade school.

A complete report on enrollment was not available, but it was about 300. Superintendent Ranson said that class rolls had not been completed but that the school facilities are strained almost to the limit by the large number of students. The freshman class especially is so large that Supt. Ranson is wondering whether his teachers will be expendable to the point of caring for the three sections this class will necessitate.

Monday was registration day at grade school and children were signed up and those in higher grades were issued books. Tuesday, as one little girl said, "was just another school day" with children remaining at school for the entire teaching day.

As at high school, the grade school enrollment is huge and the teaching staff has a very heavy schedule. The primary teachers will serve as extra teachers for the higher grades after 3:20 each afternoon.

## T. L. Jones Named Commander Local American Legion

T. L. Jones, World War I veteran and local retail ice dealer, was elected Commander of the James C. Cole American Legion Post Tuesday night during the monthly business session of the post. James L. Minor, World War II veteran, who was recently released from the Army with a Lieutenant Colonel's rank, was elected adjutant.

Other officers named included W. P. Lester, World War I veteran, first vice-commander; E. A. Warren, World War II, second vice-commander; O. L. Weakley, War I veteran, re-elected service officer; A. L. Storie, War I, sergeant at arms; Dean A. Robinson, War I, chaplain; and Ray N. Smith, War I, historian.

The newly elected officers will serve the post for the August 1945 to August 1946 year.

Commander Jones announced, following his election to head the post, that committees would be named this week to include both World War I and II veterans, and that plans would be formulated to make an extensive membership drive to recruit all returning veterans.

Following the business session, George A. Summers, representative of the Veterans Administration, of Lubbock, spoke to the group of fifty or more legionnaires and ex-service men on the benefits for returning veterans, and answered questions concerning the G. I. bill or rights.

## Antelope Booster Club Staging Big Membership Drive

Membership in the Antelope Booster club, an athletic organization of local business and professional men who propose to promote better high school athletics, has grown from a few interested citizens of a few weeks ago to a group of more than eighty men. The club, according to its president, James L. Minor, expects to attain a membership of 125 men before the week ends.

Among the activities undertaken by the organization, has been the insuring of each player of the Antelope football club with an accident policy. The coverage will include any and all kinds of injuries that might befall a boy during practice and play. The organization has also set up a transportation system to carry rural community boys, who are playing on the team, to their homes after practice sessions in the afternoon.

Officers of the club, become Minor as president, include C. R. Thaxton, vice-president, and Rex Everett, secretary. The directorate is comprised of Minor, Thaxton, Dr. Glenn Kahler, N. C. Outlaw, J. E. Parker, Rev. I. A. Smith, Homer McCrary and Dr. A. C. Surman. A membership committee is made up of Parker, Ted Hibbs and Elmer Long. The advertising committee is Outlaw, Minor, Everett and Smith.

## D. W. Hartman Dies In Abilene, Funeral Held Here Tuesday

Funeral rites for Daniel W. Hartman, 90, father of the late Dr. V. A. Hartman of this city, were held in Post Tuesday afternoon at 2:30 o'clock at the First Methodist church. Rev. L. A. Smith, pastor, read the obituary notes and members of the Post Masonic lodge conducted the impressive burial rites with J. A. Stalling conducting the ceremony.

Mr. Hartman, formerly of this city, died Sunday, September 2, at the home of a daughter, Mrs. B. E. Bullen of 609 Ross Avenue in Abilene. "Grandpa" Hartman, as he was affectionately called by his many friends, lived here until 1929 when he moved to Abilene to make his home. He resided here for 17 years. He held membership in the First Christian church and had long been identified with the Masonic lodge. He was at the time of his death a Royal Arch Mason.

His wife preceded him in death. Burial was in Terrace cemetery where she was buried in 1928.

Survivors are: Mrs. Meta Hartman, and two children, Mrs. Frances Hartman Taylor and V. A. Hartman, all of Post; Mrs. Tom Gerald of Canyon; Mrs. Bullen of Abilene; and two sons, C. E. Hartman of La Pryor, and W. F. of Cleburne.

Full bearers were Bob Warren, Bryan Williams, Raymond Redman, Charlie Everett, R. E. Cox, and W. O. Thaxton.

## Club Reporters Please Notice

Very soon most all clubs will resume meetings and reporters will again be sending club reports to the Dispatch. We are urging you to be sure to get news in by Tuesday noon each week.

Some weeks copy is received too late for publication until the following week and in some cases that kills the value of the report. We are most happy to print club reports, but please help us by sending them in on time.

## Old Fashioned Box Supper To Be Held At Youth Canteen

An old fashioned box supper is to be held Saturday night by members of the Youth Canteen. The event is to be given to honor the young folks who are leaving within the next few days for colleges in Texas or for military duty. The canteen in the Double U building club-rooms was opened last week after being closed for several weeks.

Open house hours are to be observed from nine o'clock until twelve. Doors of the canteen will be opened at eight o'clock.

Mrs. J. A. Stallings will present a musical program and an auction sale on boxes will be held. A reasonable price limit is to be observed on boxes.

The public is given a cordial invitation to attend.

# More Wildcats Staked, Garza Pool Widened

At least five wildcat tests are to be drilled on the G. W. Connel ranch in eastern Garza county, and more drilling is seen to widen the production pool in central Garza county.

Stanford Oil Company has made two locations on the Connel property and has moved thirteen families to Post to drill the tests. At least three more locations are to be made on the Connel ranch.

M. Staniforth No. 1, Post estate, was spudded in several days ago and drilling has progressed below 50 feet. Last reports from the well were that cementing a string of conductor pipe, before drilling ahead, was in progress. The test, which extends to the Garza pool, is to go to 3,800 feet. Its location is 300 feet from the north and west lines of section 5, block 3, K. Aycock survey.

Another location has been staked adjoining the pool by Kenneth Murchison, and is to be drilled soon. Location is 2,300 feet from south and 990 feet from east lines of section 7, block 5, K. Aycock survey. It is to be a 3,000-foot rotary test, on the southwest side of the Garza field.

Barron Kidd and A. W. Cherry, Dallas operators, have made application to drill No. 1 K. Stoker, as a 3,000 foot exploration. The test is located one mile east of the closest production on the southeast side of the Garza field where production is around 3,000 feet in Permian lime.

Fourteen wells are pumping their allowables, 60-barrels daily, and daily production of 1,900 barrels of crude is being shipped from the field. Latest reports from the field say that one of the wells is capable of producing 200 or more barrels. Three companies have holdings in the field, most of (Turn to Back Page, Col. 2, Please)

**Gems Of Thought**

Books are the true levelers.  
They give to all, who will faith-  
fully use them, the society, the  
spiritual presence, of the best and  
greatest of our race.—W. E. Chan-  
ning.

**HE LIKES PRESIDENT—**

Editor E. I. Hill of the Lynn  
County News offers "food for  
thought" concerning our Presi-  
dent in a recent editorial in the  
News:

Great Britain seems to have  
been severely stunned by the  
suddenness with which President  
Truman terminated the lend-  
lease program. They were not  
expecting it to come so suddenly  
and without warning, and the  
shock therefore was rather un-  
pleasant. Probably the President  
should have broken the news to  
the British a little more gently,  
but our people generally like the  
promptness with which he is plac-  
ing our country back on a peace-time  
basis. He is going about the mat-  
ter of reconversion as if he really  
means to reconvert. The country  
also rather likes the independence  
he has exhibited in reconstructing  
the cabinet. Maybe the people  
have no particular objection to  
some of the cabinet members and  
other high-ranking officials who  
have been ousted and maybe they  
have little knowledge of our ad-  
miration for some of those who  
have been named to the vacated  
positions, but practically every-

**PARENTS AND COOPERATION**

Parents are made . . . not born.

Years of preparation are spent in developing stars  
in every sport. There is not a single champion in any  
sport who has not reached the success that is his with-  
out a background of work, play, enthusiasm and co-  
operation with the team. The same pattern of work,  
play, cooperation and enthusiasm makes for good par-  
ents.

Parents began their careers as such when they  
were children in grammar school. The guidance, help  
and understanding they received from their parents  
during those formative years in public school helped  
to make them fine men and women.

Parents want to be influential factors in the lives  
of their children. All parents with children of school  
age know how important the child feels about school  
and its activities. To most children the project at  
hand and the outside program in progress is in his life  
"the big moment."

Teachers are trained to do their part in moulding  
a child's life but they are called upon too many times  
to do things that fall under the load of the parents'  
business. During the past few years we have heard  
many parents exclaim, "Let your teacher plan that or  
do that for you, I'm busy."

When we quote this bit of conversation we do not  
have in mind those parents who devote practically all  
their time to school activities. There are many who  
do much more than their share willingly and graciously  
in helping to carry on the school program.

Are you one of those parents who just don't want  
to take time to be cooperative and helpful with your  
child's teacher? This question applies to fathers, as  
well as mothers.

And are you one of those who have been quick to  
criticize the teacher who has taken on extra work,  
perhaps in subjects in which she has had no special  
training, simply because there was a job to be done and  
her superintendent asked her to cooperate?

Now that school is in progress, it seems that  
parents who have assumed the "let George do it" atti-  
tude should reconvert their time, efforts, and  
thoughts to helping not only the teachers and school  
officials but those men and women who are on the  
team—the good parenthood team.

Cooperation is the basis for every successful  
venture whether it be school problems or civic prob-  
lems or just what have you.

The help and assistance and enthusiasm you lend  
your children will have a lasting impression on their  
minds, will mould their opinions and it certainly will  
be a boon to the teacher who has millions of jobs to do  
when parents "let-down."

Set an example of good parenthood for your  
child to follow. Good seeds sown at the correct time  
will bring forth good fruit.

body feels that the President  
should have the free and un-  
hindered privilege of naming his  
own cabinet members, subject to  
the concurrence of the Senate,  
and they like the President's  
promptness and positiveness in  
thus asserting his authority. Harry  
Truman not only made a good  
start, he continues to stay right  
in there, right in the middle of  
the road.

**Improved Uniform International LESSON**

By HAROLD L. LUNDQUIST, D. D.  
Of The Moody Bible Institute of Chicago.  
Released by Western Newspaper Union.

**Lesson for September 9**

Lesson subjects and Scripture texts se-  
lected and copyrighted by International  
Council of Religious Education; used by  
permission.

**A NATION GOD USED**

**LESSON TEXT**—Genesis 41:46-57.  
**GOLDEN TEXT**—He hath given meat  
unto them that fear him: he will ever  
be mindful of his covenant.—Psalm 111:5.

Conservation of natural resources  
—that phrase has a modern touch to  
it, and yet we would do well to turn  
back to the story of Joseph in Egypt  
and learn anew the importance of  
not wasting what we have if we are  
to be fed in the days of shortage.

Certain it is that we should face  
at once the shameful record of  
waste in the manufacture and sale  
of intoxicants. This is temperance  
Sunday. Let us not fail to stress this  
truth.

Joseph recognized the provision of  
God and made use of it for His glory  
and the good of the people.

**I. Food—God's Provision** (vv. 46-  
49).

As men work with God in the cul-  
tivation of the land they are apt  
to begin to think of themselves as  
producers, when they are actually  
only the servants of the Lord in the  
orderly care of that which He pro-  
vides.

We need to renew our sense of  
complete dependence upon God lest  
we become proud of our own sup-  
posed attainments and forget Him.  
Then He will have to withhold His  
bountiful hand and we shall stand  
with empty measures.

Remember, too, that what God  
has given to feed the nations cannot  
with impunity be used for the manu-  
facture of intoxicating beverages  
which are designed and used for no  
good purpose—only for destruction.  
Let's not forget that God could send  
us a famine, too!

The manner in which Joseph cared  
for the gathering of the grain is  
worth noting. He did not sit in his  
royal office and send out an edict.  
He went throughout the land build-  
ing storehouses, seeing that the  
grain was properly conserved.

We need more of that personal  
touch in government. Too much of  
life is controlled by "directives" and  
"rules" with too little of the touch  
of human kindness and a personal  
knowledge of the needs of the peo-  
ple.

Observe also the wisdom of stor-  
ing the food in the place where it  
was raised and where it would  
eventually be needed. No shipping  
and re-shipping, no undue centraliza-  
tion, and no temptation to form a  
special "grain bureaucracy."

**II. Family—God's Gift** (vv. 50-52).

From among the Gentiles, Joseph  
took himself a bride. While it is  
not indicated, we have reason to as-  
sume that she was a believer in the  
true God. One cannot imagine a  
man of Joseph's character and spiri-  
tual integrity marrying an unbel-  
iever.

The sons which came into the  
home were recognized as God's gift.  
Note how God was counted into the  
life of these boys and of the home.

We speak above about the need  
of conserving grain. Think now of  
the infinitely more important con-  
servation of boys and girls.

The liquor interests have used this  
war to create a taste for beer on  
the part of millions of young men  
and women, both in the armed ser-  
vices and in our war plants. They  
have broken down the objections and  
the religious principles of many and  
we are almost at the point where  
one who objects is regarded as a  
foolish fanatic.

If America cannot with impunity  
use her grain to make booze, do  
you think God will hold us guiltless  
if we stand idly by and let the  
rapacious breweries and distilleries  
take our boys and girls? It is high  
time that we awakened to our re-  
sponsibility and stood up for our  
convictions, come what may!

**III. Famine—God's Opportunity**  
(vv. 53-57).

Now the time had come when  
God's word to Joseph proved to  
be true. When His loyal servant  
stood before the world as the one  
who was in touch with the infinite  
One, he had the food to give out  
because he had obeyed God's com-  
mand.

It is in the crises of life that the  
things of God prove themselves.  
When man's hand drops in weak-  
ness and despair, God steps in and  
does the abundant thing; that is, if  
we are willing to recognize Him.

There is another sense in which  
the coming of famine was God's op-  
portunity, for it gave Him the  
chance He wanted to speak to men.  
In the days of plenty and prosperity  
mankind is self-sufficient and too  
busy to listen to God, but when there  
is no food to eat, he has time to  
hear God.

One wonders, with a wonder that  
is almost agonizing at times, whether  
America is going to force God to  
bring hunger of body to her children  
in order to make their hearts hun-  
ger for Him. Will we wait to cry  
out to God until we have felt the  
sharp pangs of hunger, or will we  
by our obedience and gratitude of  
heart encourage Him to continue His  
abundant toward us? Reader, how  
do you feel in your own heart?

**Instructions For Xmas Mailing To Servicemen Listed**

Instructions for mailing Christ-  
mas packages to Army and Navy  
personnel overseas were announc-  
ed through the Office of War in-  
formation and instructions have  
been relayed to the local post  
office.

Postmaster Phil Bouchier lists  
the mailing rules and requests set  
forth by Army and Navy postal  
authorities and asks all Garza  
citizens to note with care the  
rules.

1. Mail gifts between Septem-  
ber 15 and October 15. This is  
the only time you can mail a par-  
cel overseas to an Army person  
without a written request.

Don't mail a package if your  
soldier or sailor is on the way  
back to this country or likely to  
be coming before Christmas.

If there is any reason to believe  
your soldier may move to a new  
location soon, wait until you mail  
your gift to the new address, even  
if this means asking the soldier for  
a letter requesting your gift.

2. Use his latest address, com-  
pletely and accurately.

3. Pack the gift in a heavy  
box and tie with strong cord.  
The packages must weigh no  
more than five pounds, measure  
not more than 15 inches long, or  
a total of 36 inches in length and  
girth combined.

4. Select only usable gifts,  
such as dried fruit, canned luxury  
foods, razor blades, fountain pens,  
wallets or watches.

Don't mail perishable foods, in-  
toxicants, weapons, poisons or  
any inflammable materials, includ-  
ing matches and lighter fluids.

**Refrigeration Gives G. I.s 'That Home Touch' In Bread**

One of the top luxuries in cer-  
tain areas of the Pacific theater  
is fresh bread for hungry G.I.s,  
and they get it wrapped and sliced—  
the same way it is sold in  
the corner grocery. Principal dif-  
ficulty in establishing this "touch  
of home" was that the high speed  
slicing machines became over-  
heated in the tropical areas. That  
problem was remedied by in-  
stallation of electrical refrigera-  
tion connections.

**Pfc. Lewis Martinez Gets Purple Heart**

Pfc. Lewis Martinez, son of Mrs. Bada Martinez of Post, has been awarded the Purple Heart for wounds received in battle in

**William Parchman, Prisoner of War, Is Safe, Parents Learn**

Cpl. William E. Parchman, prisoner of war of the Japanese, has been released, according to information received by his parents, Mr. and Mrs. W. T. Parchman, of Justiceburg.

Cpl. Parchman has been a prisoner since May 7, 1942, and was last heard from in September 1943. The message received by the Parchmans from the War Department follows: "The Secretary of War desires me to inform you that your son's name, Cpl. William E. Parchman, appears on a list of personnel at Camp Hosen Mukden, Manchuria, August twenty-six, received from the American Camp Commander. As further information is received you will be informed." The parents were allowed to send their son a 25-word message two days following the telegram from the War Department.

**Lost Battalion Men Released From Japanese Prisons**

Many hearts are being gladdened over the release of men of "The Lost Battalion." These men have been prisoners of the Japs since the fall of Java in March 1942 and when last heard from were in Thailand prison camp. Messages reaching families in the United States state that prisoners have been returned to military control in the India-Burma area.

Among the prisoners released the last few days was Lt. Ilo B. Hard, husband of a former Post girl, Mary Snow Swift Hard, daughter of Mr. and Mrs. Joe Swift. Lt. Hard left for overseas service with the 131st Field Artillery in November 1941. He was in a prison camp in Burma at first and was later moved to Thailand. Last message received from him was dated May 1944 and was received by Mary Snow in January of 1945. She was informed by the War Department last June that her husband was in good health.

The battalion comprised 600 West Texas men, most of them from Lubbock, Plainview, Amarillo, Abilene, Jacksboro, Decatur and Wichita Falls.

**Sgt. Mason Justice Here From Overseas**

Sgt. Mason Justice, son of Mr. and Mrs. Cameron Justice, arrived in Post on Monday for a 30 day furlough after serving for many months overseas. He arrived in Boston on August 27 and reported to Fort Sam Houston, Texas, and will report to Camp Lee, Virginia at the conclusion of his furlough.

Justice was stationed in Italy and was with the 62nd Airborne Training Center. Some of the duties of this group were to train French paratroopers.

He wears five service stripes indicating two and one-half years of service and two battle stars on his theatre of war ribbons.

He will not have to report for overseas duty again he said but will be stationed somewhere in the United States.

Miss Betty Tuggey of San Diego left Tuesday to return to her home for a two weeks visit in the B. L. Sarge home.

Germany. He was wounded in April. Pfc. Martinez is a member of the 75th Division, 9th Army and will remain in Europe as a member of the Army of Occupation. He went overseas in January 1945.

**S-Sgt. Calvin L. Cooper Returns To Post From European War**

S. Sgt. Calvin L. Cooper, jr., who spent thirteen months in the European Theatre of war arrived home July 27 on the Clairmont Victory ship which landed at Boston, Mass.

Sgt. Cooper wears two battle stars, the Combat Infantry's badge, good conduct ribbon and the Presidential citation. Following his 30-day furlough he will report to Fort Bliss, El Paso.

Sgt. Cooper and his wife, the former Miss Greta Bilberry, were honored with a farewell dinner Sunday at the home of his grandmother, Mrs. J. E. Bullock. Sixty-two relatives and friends attended.

Those registering were Mr. and Mrs. C. L. Cooper and family of Cross Roads, Miss Mary Bell Pappas, Mrs. Bilberry and children of Post, Mr. and Mrs. J. E. Bullock and family of Ropesville, Mr. and Mrs. Lucian Walker and family, Mr. and Mrs. Carl Jones and family of Garnolia, Mr. and Mrs. Ray Norman and family of Hackberry, Mrs. Marlin Page and daughters of Fort Worth, Mrs. L. A. Enloe and children of Slaton, Mr. and Mrs. Allen Julian and baby of Post, Mr. and Mrs. E. O. Young of Close City, Howard Bullock of Abilene, and Messrs. and Mrs. Jeff Huddleston, Lub Burk and family, Arthur Ward and sons, C. C. Jones and V. V. Laws and family, all of Grassland.

**Weldon Panter Serving Aboard USS Mobile**

ABOARD USS MOBILE—Joseph W. Panter, turret captain, first class, USN, brother of Mrs. Cecil Osborne, of this city, served aboard this light cruiser which ducked a dozen Kamikaze planes and evaded enemy mines, torpedos and suicide boats in order to move in close and smash more than 350 Jap shore targets as her contribution to victory at Okinawa. Sometimes during the campaign, she moved in so close, that her crew could readily identify uniform insignia. Eight Jap suicide planes were splashed within two minutes in a sector covered by the gunfire of the Mobile and several other ships and in the meantime, she was doing wholesale damage to the Japs on the island. She blasted 90 caves where they were hiding troops and big guns and knocked out 43 mortars with direct hits. When the Japs tried to supply their front line by motor trucks, she picked off 15 trucks. She swept clean whole areas or picked off individual targets, such as 55 guns and nine ammunition and supply dumps.

**SOUTHLAND BY ADVANCED IN RATING BY NAVY**

Manuel F. Truelock, USN, of Southland, has been advanced in rating to Aviation Ordnanceman first class, USN, the Navy announced today. Truelock, who is on duty with a Carrier Aircraft Service Unit at Naval Air Station, Klamath Falls, Oregon, is the son of Mr. and Mrs. S. M. Truelock.

**BUSINESS GAINED IN JULY OVER LAST YEAR**

Independent retailers of Texas report an 8 percent gain in business last July as compared with July 1944. Women's ready-to-wear stores reported a 26 per cent gain in the same period and hardware stores showed a 15 per cent gain.

**Canyon Valley News**

J. A. Smith, Jr. is employed at the cotton mill after returning from Odessa.

Juanita Smith has returned from Corpus Christi where she has been spending the summer months with her aunt, Mrs. Claudia Martin.

Ollie Dunn's mother of Dunn, Texas, spent the week end in Canyon Valley. Another visitor from Dunn was Frank White.

Mrs. Spurlin spent the week end in Andrews.

We are happy to welcome our new teachers, Mr. and Mrs. Box from Lubbock.

Mr. and Mrs. Cecil Cearley and Jane Ellen visited from Sunday evening through Tuesday with his parents, the F. B. Cearleys. They were returning to Dallas from San Francisco where they have been several months.

Patricia Noles left Tuesday afternoon for her home at Throckmorton after visiting in the home of her aunt, Mrs. L. H. Ingram.

**ATOMIC BOMB PRINCIPLE RECORDED AS EARLY AS 1940 IN TEXAS U TEXTBOOKS**

As far back as 1940 physics textbooks contained the fundamental principles for the discovery of the atom bomb, a University of Texas physics professor says.

According to Dr. M. Y. Colby, chairman of the department of physics, basic information on nuclear physics has been included in texts for at least five years, so recent texts will not have to be rewritten.

Study of physics will be of great importance in the future for the safety of the nation, Dr. Colby said, particularly in recognition of its significance as a world power.

**NEW TEXAS ALMANAC RECEIVED BY DISPATCH**

A courtesy copy of the new Texas Almanac was received last week by the Post Dispatch.

The book, published by the Dallas News, is one of the best documents of facts and figures concerning Texas. It should be in the library of every school and business firm, as well as homes and should be studied for facts about the State.

Although printing paper is alarmingly scarce the book contains 608 pages, the largest in history.

Many people always thought Marie Corelli who wrote "The Mighty Atom" in 1896 was about 50 years before her time. Well?

## Know Your Teachers . . .

With this column we extend a hearty greeting to all our school teachers. About half the teaching staff have been here before and to them we say we are glad you are again with us.

To those teachers who are here for the first time we hope your life in Post will be happy. After visiting both schools and seeing the pupils each teacher instructs during the day we come away with a renewed appreciation of the mighty job done by these good people in the performance of their profession.

For your assistance in becoming acquainted with the teachers here is a list of those beginning school this week and some information concerning the new ones:

K. H. Hanson, superintendent.  
G. R. Day, principal.  
Miss Rachel Hogg is the new home-making teacher and comes here from Lamesa.

Mrs. Ray N. Smith, English.  
Mrs. T. L. Jones, geometry and English. Mrs. W. E. Hoxley is substituting for Mrs. Jones. Her home is Garden City, Kansas. Her husband is here with Standard Oil Company.

N. B. King, mathematics and physical education, comes here from Welch in Dawson county.

Miss Johnnie G. Cook, commercial, is the daughter of Mr. and Mrs. O. R. Cook of Post.

Mrs. Emma Cash, librarian.  
Miss Emma Jo Panter, science.  
Mrs. H. T. Carr, science and commercial, comes in from Gardnerville where she taught last year.

Miss Sybil Pirtle, English, was here two years ago. She was until recently, a member of the WAVES.

Mrs. Pearl Storie, algebra and study hall, taught last year at Jose City.

J. L. Solla, new coach, comes from Lubbock. His wife is teaching in the Lubbock school system.

Grade school teachers are:  
J. L. Miller, principal, who comes here from McAador and superintendent of schools here.

Miss Laurine Richardson and Mrs. J. A. Thomas, first grade. Mrs. Thomas lives on route 1, Post, and drives a school bus.

Miss Bonnie McMahon and Miss Lillian Simpson, second grade. Mrs. Simpson comes from Plainview.

Mrs. Nola Brister, third grade.  
Miss Margaret B. (Skeeter) Smith, third grade.

Mrs. Lillie Kitchen, fourth grade.

Miss Ruth O. Cox, geography, comes from Lamesa.

Mrs. Lillie McRae, science.  
Mrs. G. E. Fleming, history.

## Post Boys Describe Japs Arrival On Ie Shima Island

Several Post people were especially interested in the recent trip made by Japanese envoys to Manila via the island of Ie Shima in the Ryukyu group.

T-3 T. H. Hibbs, son of Mr. and Mrs. Ted Hibbs, and Sgt. Guy Kenrick Cash, son Mrs. Emma Cash and husband of Mrs. Lorene Puckett Cash, have both been stationed on the mighty little island.

Mr. and Mrs. Hibbs had thought their son was on this island according to his limited descriptions and were particularly interested in every bit of news coming from that section. After V-J day his letters were more informative and he told many things regarding the history making proceedings. He also has told of the very peculiar burial service used by the former natives of the island. All inhabitants on the 8 square mile island are strictly G. I.

All natives and their belongings were moved to other islands after the selection of this island as a strategic spot.

T-3 Hibbs left the States early this summer and went directly to this outpost.

Sergeant Cash has been overseas since June 1944 and only since V-J day has been able to tell his family where he has been. With the 63rd Air Service, he landed in New Caledonia, from there he went to Finchaven, New Guinea, then on to Hollandia and Morista in the East Indies. Last November he went into Leyte in the Philippines. Later he was transferred to Mindora Island, P. I. and from there went to Ie.

Since he has been on Ie, information has come from the 5th Air Force command on Okinawa that Sgt. Cash has been awarded the Driver's Qualification Badge.

In a recent letter received by his wife he described the landing of the envoy ships. He said "it was the first time we were ever able to see Japanese ships."

The Jap Bettys were led in by a flight of P-38s and two B-25s and circled the field three times before they landed. As the white planes with the green crosses came to a stop on the runway it was impossible to describe how we felt; we were glad and still the atmosphere was one of strict business.

Crewmen of the Jap planes wore good looking flying suits and the officers were in full dress uniform complete with their samurai swords. The Japanese ambassador was dressed in a white and her home is Tahoka.

Miss Mable Harris, English, is from O'Donnell.  
Mrs. W. F. Presson, mathematics.

## Bits Of News:

Mrs. J. A. Ferguson and Mrs. Elmer Howard, accompanied Mrs. Arville Ferguson to Snyder one day last week.

Mr. and Mrs. Bill Rackley and little daughter of Dallas were week end visitors of Mr. and Mrs. E. Z. Parr.

The Hackberry Baptist Revival closed Sunday night.

Miss Alma Outlaw has returned from a short visit in Kerrville. Miss Geneva Voss of San Antonio is visiting her mother, Mrs. Jessie Voss.

Mrs. L. V. Presson is visiting friends in her former home of Sulphur, Okla.

Mr. and Mrs. Clarence Lanotte and children of Anson visited with Mr. Lanotte and family the first of the week.

Pvt. Irvin Cross of Camp Hood visited his parents, Mr. and Mrs. E. W. Cross, last week.

Pvt. Barry Ford of Camp Hood spent the week end with his wife and little son and his parents, Mr. and Mrs. H. M. Ford.

James Robert Wright, Jr. and wife of Cisco visited in the home of Mr. and Mrs. B. C. Manis Friday of last week.

Sgt. L. D. Stevens of the USMC left from Lubbock Tuesday evening for the Marine base at Cherry Point, N. C. His mother, Mrs. B. L. Sargee, and Mr. and Mrs. O. D. Cardwell took L. D. to Lubbock.

Mr. and Mrs. Ted Hibbs who have been living in the Dale Stone home moved this week to the Apartment on the second story of the Outlaw Motor Company building.

Bill Woods returned to Fort Bliss, El Paso, several days ago after completing a 30-day furlough here with his wife and daughter and mother, Mrs. Will Scarborough. He will report to Camp Chaffin in Arkansas, in a few days.

Mr. and Mrs. M. E. Morris have just returned from Fort Worth where they went to welcome their new granddaughter, Sherry June, who is the daughter of Mr. and Mrs. Maurice Morris of that city.

Mary Ann Hundley, daughter of Clyde Hundley, is living with her grandparents, Mr. and Mrs. J. J. Hundley, and going to school. Her father is temporarily located in Lubbock.

T. R. Greenfield, accompanied by his daughter, Mrs. Weldon Jobe, left this week for a ten-day visit in Bertram, where they will join Mrs. Greenfield and Sharon, who are visiting there. "I don't expect to tell any tales about fishing when I get back," T. R. said "all I'm going to do is just eat and sleep."

Mr. and Mrs. Don Cockrum and son, Dannie, and Mrs. F. E. Marble, returned Monday night from a trip to San Diego, Calif., where they visited with relatives. En route home they were guests of Mr. Cockrum's sister in Las Cruces, New Mexico.

Fred Cray, formerly of Post is now in Colorado City, after a temporary residence near Dallas doing war work for the past three years. He is in charge of the Gulf Station in Colorado. His wife is the former Miss Margaret Williams, a former Post High teacher. Fred is the son of Mr. and Mrs. Will Cray.

A visitor in the home of his parents for a short time last week was John R. Hodman, the former Post soldier whose home is in Tahoka is now with the Finance Department of the Army and is stationed at Camp Atterbury, Ind. He is assigned to the mustering out division and declared that this particular branch had certainly been busy. Before going to Indiana he was with the Tank Division at Fort Knox, Ky.

Chief Petty Officer "Lefty" Davies, accompanied by his wife and little daughter Jerilyn, and Mr. and Mrs. Garland Davies and Don left this morning for San Diego, California. Davies is stationed at the U. S. Naval base in that city. His wife and baby will remain there with him.

E. W. Williams left this week for his third year in New Mexico Military Institute in Roswell, New Mexico. Visiting him for a week before reporting to the institute was his roommate of Richmond, Virginia.

Roy Davis, an employee of the U. I. lazy S ranch for twenty-eight years, is working now in Lubbock. He is associated with his brother, Morris Davis, in a rental property project.

Orville Arnold and son of Fort Worth were week-end guests of the F. C. McAnally family last week. Miss Vieta McAnally visited her brother and family as she was en route to her school at Odessa. She was accompanied by her father.

Sgt. Cash took four rolls of pictures of the planes and crews and T-3 Hibbs said he was able to get several rolls of pictures so their families are most anxious to see the proceedings in the picture taken from "the first row."

## Battle-Scarred Sidewalk Cafe

MANILA, P. I.—At their sidewalk cafe, complete without tables, chairs, or bowing waiters, three Yanks tip their beer bottles, and enjoy a little small talk with their "suds" rations. They are standing in front of a post-marked building in Manila. Bottles shown here are lightweight containers that are thrown away after contents are drained. The new bottle will be available to civilians after the war. Left to right: Cpl. Joseph Badenilli, of Arlington, Va.; Cpl. Chester W. Miedka, Chicago, Ill.; and Pvt. Martin Dees, Latta, S. C.

## Home Accident Preventing Should Be Practiced

"Oh, I've heard all this before," Mrs. American Housewife is likely to say when you try to talk to her about home accident prevention. Yet nearly half the accidents that occur in the United States happen at home, reports Texas A. and M. Extension Service.

"They don't just happen, either," says Mrs. Bernice Claytor, Home Improvement Specialist for the A. and M. College Extension Service. "Most of them are caused by carelessness, dangerous economy, poor housekeeping, haste, or bad judgement."

Last year 4,830,000 persons were injured at home, and 130,000 of these were put permanently out of the running. Fatal accidents at home claimed 31,500 lives.

"Cluttered cellar stairs, children's toys left scattered about on the floor, dangerous drugs not under lock and key—all these conditions are widespread among American homes. And each of them can be the cause of a serious injury," says Mrs. Claytor.

Some people forget that babies are no match for pillows in a tumble. Next to burns and scalds, smothering causes most of our ac-

cidental infant deaths. Other people can't seem to remember that carelessness with matches is arson of the worst order. Keep matches, especially the kitchen variety, away from small hands. "Opening cans with a bread knife may open a gash in your wrist," Mrs. Claytor warns. Wrong use of tools causes one out of ten home accidents. Stew pans on the stove with handles turned out invite curiosity—and perhaps tragedy if your youngster grabs at them.

Remembering to do the simple things—like wielding a knife away from you, and buying new fuses instead of replacing old ones with pennies—will create the amazing difference between a safe, reassuring home life and one filled with lurking dangers.

## Morton Bank Is Looted of \$17,692

Heavily-armed South Plains peace officers were reported this morning to be tracking afoot in the rough, sand-dune pocketed ranch country southwest of Bledsoe the three thugs who robbed the Morton State bank of \$17,692.48 Wednesday noon.

Reports from Morton were that two of the men entered the bank, while a third stood guard on the

Mrs. Dick Allen has moved to Post from Amarillo. She is making her home with her mother, Mrs. Tom Morgan.

outside, during the noon bank holdup. The pair pulled guns, lined bank officials and customers against the walls, scooped up all cash in sight and locked five bankers, at least seven customers, and a young girl in the vault to make their escape. One bandit was masked.

Miss Nora Jo Blacklock was hostess on Thursday night with a party at her home.

Games were enjoyed and refreshments were served to: Iris Parker, Wanda Thomas, Bill Baucus, Richard King, Marian Edwards, Billy Mack Shepherd, Peggy Robinson, Ben L. Thomas, Betty and Billy Kennedy, Edna Swanger, Carol Bowen, Wayne Hundley, Joe Duren, Ed Kelly Sims, Harriett Dietrich, La Nora Turner, Vera Branson, Hugh Templeton, Junior Malout, Mack Head, A. C. Thomas, Cecil Osborne, Percy Parson, Sonny McCreary and Alton Clary.

The girls remained afterward for a slumber party.

**Luncheon To Open P-TA Year; Dist. Officers As Guests**

The Parent-Teacher Association will have a very auspicious start for a year of profitable work when members meet for luncheon, instructions and addresses by district officers on Thursday, September 13.

The luncheon will be at Jennie's Tea Room at 1 p. m. and all members are invited to attend. Mrs. Ralph Welch is entertainment chairman and she will be assisted by Mmes J. E. Parker and Roy Stevens. Any member who wishes to attend the luncheon should call one of these ladies for a reservation.

Immediately following the luncheon the ladies present will go into session and a school of instruction will be held. Mrs. Houston Ward of Aspermont, vice-president for this district, will preside for this part of the program.

The regular meeting will be held at the Grade school at 4:50 p. m. Thursday. Mrs. Willard Kirkpatrick, local president, issues an invitation to any and all who are interested in children

Davies and Etwanda, Mr. and Mrs. Garland Davies and Don, Mrs. Lovie Davies and James. "Lefty" who is at home on 16-day leave will report in a few to San Diego. He will be accompanied back to California by his wife and daughter, Jerilyn.

## New Kitchen Serves Two Purposes

Is the rocking-chair on its way back to the kitchen? Architects, decorators and home-makers agree that the kitchen of the future must combine comfort with utility, and one designer suggests a dual purpose room as cozy as that illustrated above. This is an idea to ponder for the "dream" home, and is particularly adaptable to a large kitchen which is to be remodeled. Here, a pair of chests separates the modern streamline kitchen with its white enamel gas range, refrigerator, sink and storage cabinets from the dining portion with an inviting fireplace, early American furnishings and bright plants at the window.

## NOTICE

A training union will begin at the Calvary Baptist church Monday night. Mrs. W. A. Fite of Dallas will conduct the classes. All persons who are interested are asked to register at 8:30 o'clock on the opening night.

and school work to come and hear Mrs. J. L. Adams speak on "The Family Builds the Future."

Those who have heard Mrs. Adams, who is president of this P-TA district, are emphatic in their praise of her assurance that her talk will be of much enjoyment as well as benefit to all who hear her.

Besides Mrs. Kirkpatrick as president the other local officers are Mrs. Roy Stevens, vice-president; Mrs. N. C. Outlaw, recording secretary; and Mrs. R. L. Redman, treasurer.

Remember Thursday, September 13, is P-TA day.

## Two Study Clubs Will Resume '45-46 Year Next Week

Next week brings the opening meetings for the two study clubs. Both clubs plan a year's work based on the Reader's Digest. The senior club will have coordinated news and required programs as additional study while the junior club will feature book reviews in addition to the prescribed course.

The Woman's Culture club will meet Wednesday, September 12, and the program will consist of plans for the year as outlined by the president and a greeting to new members given by Mrs. J. R. Durrett. Ensemble singing and the reading of the club collect will be included. Members will be notified further regarding this meeting.

Officers for this club are Mmes. T. L. Jones, pros; J. P. Manly, first vice-president; D. C. Williams, second vice-president; John Cearley, secretary; J. R. Durrett, treasurer; Ted Hibbs, program chairman; L. A. Fresson, music chairman; and Lee Davis, parliamentarian.

The Junior Culture club is planning a social meeting to begin their year and plans are for a most enjoyable party. Members will be informed later regarding this meeting which will be held Tuesday night, September 11.

The new officers for this club are Mrs. James Minor, president; Mrs. Jack Martin, vice-president; Mrs. Jess Cornell, secretary; Beatrice Cummings, treasurer; Margaret Stone, parliamentarian; Mrs. Woody Hillings, librarian; and Mrs. Weldon Jobe, reporter.

## TIME SAVERS

**Addressing Parcels**—A wooden mallet dipped in ink is an excellent substitute for a pen when addressing parcels. It saves the pen and the writing is bolder and clearer.

**Adhesive Uses**—A roll of adhesive tape kept close at hand saves time and steps. Use it to mend the torn overshoe, the window shade that cracked, even leaky hot water bottle. If no cork is available for the catsup bottle, place a circle of adhesive tape over the top, letting it come down well over the edges, then dip the top in paraffin.

**Canning Hint**—Jar tops can be turned easily by using (like a holder) a square of sandpaper under the hand. The sandpaper should be large enough to cover one jar lid.

**Threading Machine**—You can see to thread a machine needle much quicker and easier if you place a piece of white paper under the pressure foot.

**Saves Washing**—If a strip of wax paper is put over the tablecloth at each place the cloth does not become soiled as soon. The paper can be wiped off and used for a number of meals. This is helpful where there are small children.

**Save Your Fingers**—When using steel wool for scouring, hold it by clipping with a spring clothes pin. If you tie the pin to a string and fasten it near the sink it will be handy and will not rust.

## GRAHAM H-D CLUB

The Graham Home Demonstration Club met August 28 with Doyle Young as hostess.

Our next meeting will be Sept. 11 with Mrs. Georgie Cook as hostess. Mrs. Keeney will be present. We urge every member to be present at 2:30 o'clock.—Rep.

Pokey Ammons, seaman 1st class, arrived in Post Tuesday on a 15-day emergency leave because of the critical condition of Mrs. Ida Stewart. Mrs. Ammons, formerly Helen Stewart, is the daughter of Mrs. Stewart. Pokey has been stationed at the Naval Base at San Diego since he finished boot camp. He is working as a cook.

## Hint On Preserving Apples With Little Or No Sugar

"How to preserve the plentiful apples and pears with little or no sugar" is the question most folks are asking themselves now, says Mrs. Wilma Keeney, home demonstration agent.

Both apples and pears may be kept several months in the natural state if they are in good condition to start with. They should be gathered when mature but hard, and stored in a cold, moist place. Usually the cellar is ideal. If each fruit is wrapped separately in paper, such as newspaper or tissue paper, it will keep longer.

Apples and pears may be dried very successfully and they may be canned without sugar. If no sugar is available, just use plain water in which to can the fruit. A small amount of honey or corn syrup may be used instead of sugar to make the syrup for canning these fruits.

**Apple Sauce**  
1 gallon sliced apples  
1 cup boiling water  
1 cup sugar (1 cup honey or two cups corn syrup may be used)  
1-4 cup lemon juice if desired  
Good cooking apples with slightly tart flavor make the best sauce or butter. Wash apples thoroughly. Cut into small pieces without removing peelings and cores. Cut into small pieces and in this way it is not necessary to press through a sieve. Add boiling water. Cover utensil. Cook until tender, (about 20 minutes). Press apples with peelings and cores through a sieve. Add sugar. Pack while hot in hot, clean jars and process in a water bath 10 minutes.

**Apple-Carrot Conserve**  
(Pears may be used instead of Apples for this)  
2 cups chopped peeled and cored apples  
2 cups grated or ground carrots  
1 lemon sliced thin or ground  
1 orange sliced thin or ground  
2-3 cups sugar or 3 cups syrup or 2 cups honey and no water  
1-2 teaspoon salt  
1-2 cup water  
Cook all together until the fruit is transparent and has a transparent syrup (about 45 minutes). Pour into hot, clean jars. Seal and process in water bath 10 minutes.

**Readin' Writin' and 'Rithmetic**

SCHOOL DAYS are here again!

It's time now to get back to work . . . and we've many items you'll need, such as;  
PAPER, PENS, NOTE BOOKS, RULERS, PENCILS, AND CRAYOLAS

**Warren's DRUG STORE**  
BOB WARREN, OWNER

**"Hurry, Beth... let's see the NEW QUALITY OF LIVING that makes your house cozy in winter... cool in summer!"**

**"I just slick my finger,"** Beth explained when we got to her house, "and presto—in winter, it's comfortably warm, humidified—whether it's cool or below zero out. Yes, we've a NEW QUALITY OF LIVING . . ."

**"On hot summer days, it's never hot or steamy indoors. In fact, I hardly mind doing dishes! The house is cooled delightfully and has humidity taken out. Oh, we're lucky to have a Servel All-Year Gas Air Conditioner."**

**"This simple unit does it all,"** Beth told me. "We've had it four years and wouldn't be without it!" Was I envious? "Beth," I said, "soon's the war's over, I want to have Servel All-Year Gas Air Conditioning!"

**"Soot He dust! Dirt and soot and even pollen (remember my hay fever?) are filtered out. Our Servel All-Year Gas Air Conditioner saves me hours of cleaning time—makes drapes and furniture last longer, too."**

**"It's a treat for my new home!"**

Beth, the hundreds of home owners who installed Servel All-Year Gas Air Conditioners before the war are enthusiastic. After four years' use, they say, "We wouldn't be without it. It's useful!"

You can plan on it—post-war . . . Imagine! Blustery winters, scorching summers, you'll choose your own indoor climate with our All-Year Gas Air Conditioning. Come in and let us tell you more about it.

**Servel All-Year Gas Air Conditioner**

**West Texas Gas Co.**

**Herring's BLANKETS... soft and warm**

**Lay-Away Plan . . .**

For advanced winter thinking . . . we suggest you get your blankets now and let a small down payment hold your selection.

Moderate heat should be used to hold the life of your porcelain enameled utensils. When the contents have reached the boiling point, the flame may be lowered even more. This is a fuel saving tip also.

Keep cooked meat covered. Chopped and sliced cooked meats spoil more quickly than meat in the pieces. Cut or chop just before using. Keep meat sandwiches and salads cold right up to time of serving.

Put a few pieces of charcoal into glass in which a hyacinth bulb is planted to keep the water sweet.

Mrs. Dale Stone and son have returned to Post to make their home after living for several months in California. Dale is in the U. S. Navy and is serving aboard a troop transport.

**Kent and Glendon Presson Write Home**

Kent and Glendon Presson, sons of Mr. and Mrs. W. F. Presson of this city, have been in the Army 28 months, having been inducted at Fort Sill in May of 1942.

T-Sgt. Glendon was given a few months of intensive training at Fitzsimmons General Hospital at Denver after which he was sent direct to the Sixty Seventh General Hospital in England, without having had a furlough home.

With the war ending in Europe, the hospital closed and all patients were evacuated. Glendon writes that he is now in France taking an eight weeks' college course at the University of Nancy. He informs his parents he is studying French and history of civilization. He says he will be sent back to England when his college work is over and after that he hopes to return to the states.

Kent received his training in various parts of the United States, including Oklahoma, Washington state, Arizona California, Texas and North Carolina.

He was with the 15th Army that crossed the Rhine near Cologne, and later was transferred to Patton's Third Army. After Germany's surrender he was stationed in various parts of Bavaria,

**Tire Dealers May Build Up Stocks Says The O. P. A.**

Tire dealers will be allowed to build up their inventories to a limited extent, beginning this month, the OPA has informed dealers.

This is being done, the agency said, to clear the way for dealers to speed delivery of new tires to consumers as rapidly as they are produced.

The building up of dealer's stocks is regarded here as prerequisite to the ending of rationing, though the agency did not announce this as the cause for the easing up of restrictions.

Mr. and Mrs. Howard Wells and Bob Smith of the Close City community visited the Carlsbad Caverns and Lincoln National Forest several days ago. They returned by way of Roswell.

and Southern Germany for some time. In his recent letter Kent informed his parents that his group was now at an advanced assembly area somewhere in France, destined to be shipped out direct to the Pacific area.

Kent recently was promoted to the rank of first lieutenant.

**Justiceburg News**

Mrs. J. R. Key, Correspondent

Mr. and Mrs. Joe Griffin and son of Lubbock were week end guests of her parents Mr. and Mrs. Jeff Justice and son, Jeff, Jr. Mr. and Mrs. Edwin Reed of Dermont, Mr. and Mrs. Clinton Reed and family of Snyder, Mr. and Mrs. Virgil Reed and family of Sudan, Mr. and Mrs. Leonard Reed and family of Slaton were visitors of their parents Mr. and Mrs. Jeff Reed Sunday.

Guy Parchman of Ardmore, Oklahoma spent the week end with his parents Mr. and Mrs. W. T. Parchman, and other relatives here.

Mr. and Mrs. R. J. Key and son, Jerry, spent Sunday with Mr. and Mrs. S. G. Lansford of Snyder.

Mrs. Arthur Boyd of Dallas is visiting Mr. and Mrs. W. T. Parchman.

Mrs. Kenneth Hale of Lubbock is visiting her parents, Mr. and Mrs. E. C. Pettigrew.

Hunter Alford of Snyder, Mrs. Kate Davis of Roswell, New Mexico, and Mr. and Mrs. Richard Davis of San Antonio were visitors of Mr. and Mrs. Less Davis over the week end.

J. B. Crowley of Houston is visiting Mrs. Etta Clarkston and his children here.

Mrs. R. E. Stewart of Marianna, Fla. who has been visiting her parents, Mr. and Mrs. Elton Nance, left Sunday for Kermit, where she will teach school.

Mr. and Mrs. E. M. Woodard and Mrs. J. S. Reed were in Brownfield Sunday attending the 60th wedding anniversary celebration of Mr. and Mrs. Elick Freeman.

Mrs. J. Clairborne of Snyder is visiting her mother Mrs. Etta Clarkston.

All mothers of this community interested in the "Mothers Club" of our school, are invited to come to our school on Thursday, Sept. 13, at 4:30 p. m. to discuss plans and elect officers for the coming year.

**DISPATCH THANKED FOR HANDLING OF O.P.A. NEWS**

The following message to the Dispatch was received from Chester Bowles, administrator of the Office of Price Administration in Washington.

"Ever since the Congress renewed the price stabilization program, I have been wanting to write about the help which you, (The Post Dispatch) have always given us.

"To my mind, now that the war is over, we are going into the very toughest stage of our fight against disastrous inflation. I do not see how we can avoid the catastrophe which followed the last war unless every person who reads a newspaper understands clearly the issues. That is the reason I am so encouraged by the fine coverage on OPA problems and policies that your staff has given in The Post Dispatch.

"The inflationary pressures we are feeling now in Washington are terrific, I can tell you. The courage to withstand them is that we can do the job which people have given us, is greatly strengthened by your understanding.

"We are very grateful for the excellent news coverage and the very fair attitude that have been displayed by your newspaper through its editorials and news columns with respect to the OPA program," Bowles concluded.

**Extension News**

By R. K. McCoy, County Agent

**4-H Club News**

The following Garza county 4-H club boys, Carter Gene White, Donald Carpenter, Allen Maddox, E. P. Wicker, Jimmy Avery Moore, Billy Glen West, Jimmy Puckett, Billy Bob Hoover, attended the District Two 4-H Club Encampment at Ceta Glen Canyon on August 27, 28, and 29. Attending the encampment with the boys were two 4-H club sponsors, Lewis West and Roy Maddox, and the Agent, R. K. McCoy.

The boys enjoyed the outing very much as well as winning their share of the awards for competitive sports. Garza county won second place in the soft ball tournament, and Billy Glen West won second place in the Senior Division of the rifle shooting, and Billy Bob Hoover won third place in one of the diving divisions.

Alvin Davis was selected to attend the encampment, but could not get away from his farming duties.

**Certificate of Scholarship Award**

Alvin Davis, one of the State's outstanding 4-H club boys received on August 31 the Certificate of Scholarship to be applied at any one of the six State Colleges:

A. & M. College of Texas, College Station; Texas Technological College, Lubbock; John Tarlton Agricultural College, Stephenville; North Texas Agricultural College, Arlington; Texas College of Arts and Industries, Kingsville; Sam Houston State Teachers College, Huntsville.

The award is valued at \$100.00 for one year and was provided by Anderson, Clayton & Co for outstanding achievement in the State Wide 4-H Club Cotton Production Efficiency Contest conducted by Texas Extension Service during the 1944-45 cotton season.

**County 4-H Club Show**

The County 4-H Club Fall Show has been tentatively set for Oct. 4. At this writing all entries are not in, but it is known that there will be classes for fat calves, breeding sows, and breeding gilts. The county show for the eight boys in this year's Sears Gilt Program will also be held on this date. The county winner in the Sears Gilt Program will compete in the District Show to be held on Oct. 6 in Lubbock, also, then this year's Sears Boar will be shown at Lubbock. The county gilt winner will be awarded a \$100.00 Registered Jersey Heifer, and the two top boars at the district show will receive a heifer each. In the county Gilt Show the Second through the Fifth, place winners will each receive poultry awards.

**WAC ENLISTMENTS ARE DISCONTINUED**

Enlistments in the Woman's Army Corps were discontinued, Col. Westray Battle Boyce, director of the corps, announced last week.

Other women's service organizations had previously stopped recruiting. The women Marines reached their quota and halted recruiting some time ago. The Coast Guard's SPARS followed suit on August 13 and the Navy's WAVES on Aug. 15.

**Sgt. Herman Seaton Visiting Home Folks**

Sgt. Herman Seaton is spending a 30-day furlough in the home of his mother, Mrs. Clara Hunton, and his sister, Mrs. George Barker. The veteran of thirty-two months overseas duty declares "you don't know how to appreciate the good old United States until you've been in such places as Tunisia, Tripoli, El Alemain, Bengazi, Sicily and Italy."

Sgt. Seaton first landed in Suez and was assigned to the 38th Engineers. The duty of this group was to lay mine fields and clear airfields and such preliminary work before campaigns. His duty was a bit "on the rugged side."

Following his tour of duty in the African and Mediterranean area in which he won many battle stars, he was stationed in Casablanca. From there he was sent to the United States. He reports, at the conclusion of his furlough, to Palm Springs, Florida, where he will register at a rest camp.

Three months after enlisting he was sent overseas. He was stationed at Camp Clairborne, La.

**ARMY WILL ACCEPT VOLUNTARY ENLISTEES**

President Truman by executive order has permitted resumption of voluntary enlistments in the American armed forces.

Voluntary enlistments were suspended on December 5, 1942. Mr. Truman's action revoked this suspension as a move to help solve the Army's manpower requirements during the occupation of Germany and Japan.

**Pfc. John Sutton Visiting Family; En Route To Pacific**

Pfc. John Sutton is visiting his wife, the former June Bowen, and baby for thirty days. He has just returned from Germany and is en route to the Pacific theatre of operations. He will report to a port of embarkation in South Carolina at the conclusion of his furlough.

Sutton was assigned to Simpson's Ninth Army for 8 months as a member of the 119th Infantry, 30th Division. He went in as a replacement in a platoon that had only 8 men left out of 40. He wears three major battle stars on his European ribbon and is also entitled to wear the good conduct ribbon.

He and his wife and baby are in Snyder this week where they are visiting his parents.

"On The Corner -- On The Square"

# Captain Tom Power Writes Of Officer's Club On Luzon

The following news release was received by the Post Dispatch from General Headquarters of the Public Relations office in the Philippines and will be of interest to friends of Captain Tom Power. The last letter received from Tom by his brother, J. N., was on August 12 in which he stated that he hoped to be home for Christmas. Tom in a previous letter had described the club to his family and was in complete charge of its building while he was in rest camp.

With the First Cavalry Division on Luzon—a tropical island in the Philippines—the "Cocoanut Grove," opened recently on Luzon, for officers of the 12th Cavalry Regiment's 2nd Squadron and it turned out to be an ideal reunion for former college classmates at Texas A. & M., Alabama Military Academy, Arizona Military Academy, West Point and the Mexico Military Institute. Captain Power is the appointed manager of the newly opened club which took just ten days to build and is made entirely of bamboo and pine, except for the wooden foundation.

Upon the close of the Luzon campaign, which included the capture of Manila, the rugged struggle in the struggle for the island town of Antipolo, and

the terrific encounters with the Japs in the mountains surrounding Infanta, officers of the 2nd Squadron, 12th Cavalry Regiment, got together and drew up by-laws, rules and committees in the 'ole Cavalry tradition. Originating on July 11, skilled Filipino laborers and a famous native decorator began the task of building the fanciest officer's club seen since the 1st Cavalry Division left the states in the spring of 1943.

On the interior, Jap sabers, flags, guns, and other souvenirs of combat adorn the walls.

Music was furnished throughout the evening by members of a "swing band" from a nearby town and vocal assistance was rendered by those who attended. The cooks, headed by Technical Sergeant Granville Doggett, former restaurant owner of Lubbock, turned out excellent chow for the battle hardened officers.

## America's Big Guns Being Stored For Use If Needed

According to a news release from the United States Steel Corporation America's big guns and other heavy artillery equipment which have brought peace to the world, may be stored in hermetically sealed containers instead of being scrapped. This experiment is being undertaken in cooperation with the U. S. Army.

Extensive research and experiments have been under way for several months. A welded steel container closely resembling the Army Quonset hut has been developed. The equipment, after being stored in these sealed-in units, will be subjected to an inert gas atmosphere which, replacing the normal atmosphere with its corroding factors of oxygen and moisture, it is anticipated will prevent deterioration of the contents over a long period of time.

The containers are designed for storage almost anywhere under extreme temperatures ranging from 60 degrees below to 170 degrees above zero.

Should it come time to open the "cans" and use the guns again a burner's torch would do the trick.

Cpl. William G. Rodgers, brother of Mrs. Wilma Keeney, spent one day of last week here as her guest. Cpl. Rodgers recently returned from Italy where he was with the Tenth Mountain Division.

### LEGAL NOTICE

We, the subscribers, have this day entered into a limited partnership agreeably to the provision of the Revised Statutes relating to limited partnerships, and do hereby certify that the terms of our said partnership are as follows:

STATE OF TEXAS  
COUNTY OF GARZA

This agreement made and entered into by and between B. M. Robinson and H. A. Karpe, who reside in Garza County, Texas, hereinafter called First Parties, and Madge Mathis, who resides in Garza County, Texas hereinafter called Second Party.

#### WITNESSETH:

The said parties have agreed and by these presents do agree to associate themselves in a Limited Partnership for carrying on in the town of Post, Garza County, Texas, the trade, business, and occupation of buying, and selling meats, groceries, and allied products under the firm name of "Pure Food Market, Ltd." The said First Parties being general partners and the said Second Party, a special partner.

That said partnership shall commence at the date of these presents and shall terminate on the 1st day of January 1950.

That the said Madge Mathis as special partner has contributed \$4,700.00 in cash to the capital stock of the said firm. That the said First Parties have each contributed the sum of \$4,700.00 to the capital stock of said firm.

The interest of the capital stock of Madge Mathis, special partner, shall entitle her to 33 1-3% of the yearly profits of the business of said firm, and the First Parties shall share and share alike in the remaining 66 2-3%.

None of the parties hereto shall enter into any business competitive to the business of the partnership and will from time to time, and during the said term use their utmost endeavors to promote and enhance the mutual interests of the parties hereto.

There shall be kept during said term of partnership, true, just and accurate books of account, wherein shall be entered and set down as well as all the money received and expended in and about the said business, as also all commodities and merchandise bought and sold by reason and on account of the said partnership, and all other matters and things in anywise belonging or appertaining thereto, and either of the parties to this agreement may at any time have free access thereto.

There shall be furnished, under the direction of the said general partners, to each of the parties to this agreement, his executors, administrators, on the 1st day of January in each and every year during the term of this agreement, a true and correct account of all profits and income made, and of all losses sustained, by said firm; and, at the expiration of said term of 4 1/2 years, there shall be furnished, under the direction of the said general partners, their executors, administrators or assigns, to each of the parties to this agreement his executors, administrators or assigns, a true and final account of all things pertaining to the business of said partnership as aforesaid; and upon the making and rendering of said accounts, all and every the capital stock remaining as well as any gain and increase thereof which shall appear, shall be apportioned and divided between the said partners, and delivered to them severally, their executors, administrators or assigns, in the proportion before named; that is to say: To the said Madge Mathis, special partner, 33 1-3%; to the said B. M. Robinson, 33 1-3%; and the said H. A. Karpe, general partner, 33 1-3 percent.

Witness our hands this 26th day of July, A. D. 1945.

## Southland News

Mrs. Floy King, Correspondent

The Southland High School opened Monday, Sept. 3, with two new teachers, Miss Bettie Hitt, formerly of Pleasant Valley, who graduated from Southland High school three years ago. She is a graduate of Wayland College. The other is Mrs. Mary Vardeman of Slaton who studied in WTSTC and Texas Tech and has taught school for ten years and piano for thirteen years. She probably can take some piano pupils after school on Saturdays. There is still another High-school teacher to be secured as soon as possible. At present school opens at ten o'clock but when the time changes it will be nine o'clock. Four grades from Gordon coming here made it possible to change teachers of the lower grades. Mrs. H. R. Stotts will have the first and half of the second grades, Mrs. I. J. Duff, half the Second and Fifth grades, Mrs. Ruth Hall the sixth and seventh, Mrs. Vardeman the eighth, and ninth. The school board has spent more than six thousand dollars on new buses and \$1,600.00 on a new roof for the school building besides new playground equipment for the grade school pupils.

Mr. Dick was elected Superintendent of the Sunday Schools at the Baptist Annual Conference last Wednesday night. Mr. A. F. Davies, Treasurer; Mrs. O. J. Harmonson Clerk; and D. H. Mayfield as BTU leader.

Bettie Lou Lee, niece of Mrs. A. M. Tanner, whom she had not seen in many years, came to see her this week. She was employed at McGregor Defense Plant but her home is in Oklahoma.

Visiting the C. A. Bloxoms Tuesday were Mr. and Mrs. E. D. Bloxom and Ophelia and their daughter, Mrs. J. E. Mayo, of California who has now returned to her home after visiting her parents several days.

Joe Faye Parker of Post spent Friday and Saturday with Deloris DeBuck.

Mrs. I. J. Duff went to Amherst Sunday to visit her sister who has been ill for two months. Mr. and Mrs. Ovis Huff and children of Amarillo visited friends in Southland Monday.

Mrs. John Harmonson and sons of Olney came Thursday to visit the O. J. Harmonsons.

Mr. and Mrs. Harry King and daughter, Mary Frances, spent from Thursday through Sunday with her father, Mrs. I. W. Furrh, of Wienert where they had a family reunion Sunday. All children were present but one son, S-Sgt. Ike Furrh, who is in the Pacific and one daughter, Doris, of Dallas.

Mr. and Mrs. W. H. Fletcher of Plainview spent Sunday night with their daughter, Mrs. Marvin Truebeck, and family. The Fetters also visited their son and family who recently moved back to Wilson.

Duane Gilliland and Hollis Barkley went to Hereford Monday night to visit the Harris' and came back by Lubbock and spent Saturday night with the Aven Bedvids before returning home Sunday.

Mr. and Mrs. John Lemke and son, Tommie, and little grandson, Jimmy Dale Hendrix, returned from Santa Fe Tuesday, leaving Mrs. Hendrix with her husband, W-O James S. Hendrix.

Mr. and Mrs. Heywood Baugier and family have returned from New Mexico.

Mr. and Mrs. George Sartain

## Limited Quantities of DDT For Civilians

College Station, August 14—Although more DDT, the new insecticide, will be made available for civilian and agricultural uses beginning this month, its distribution will not be in quantity, says Paul Gregg, entomologist for the A and M College Extension Service.

While increased production has made possible releasing limited quantities, Gregg quotes an announcement by the War Production Board that "civilian and agricultural use of DDT has been restricted solely to experimental purposes." Moreover, WPB emphasizes that the quantities to be distributed to civilians for household and agricultural use in the next few months will be small.

Gregg quoted the WPB announcement further that specific allocations will be made to the Public Health Service to meet all requirements for programs related to the control of disease carrying insects. Furthermore, a U. S. Department of Agriculture representative said the Department would not request DDT for the specific uses unless the following requirements were fulfilled:

- (1) The crops or animals to be protected must be an important part of the food program; (2) No other insecticide is satisfactory, or satisfactory insecticides are not available; (3) Considerable loss will be involved if DDT is not obtained; (4) Use is officially recommended by the Bureau of Entomology and Plant Quarantine by a state official required to make recommendations; (5) The person responsible for making the recommendation and requesting its allocation should indicate his willingness to keep a watchful eye on its use so that it will not involve quantities in excess of those approved and actually needed; (6) It should be determined and stated by a qualified official that no deleterious residue problem will be involved in its use, and (7) A qualified official must indicate that the danger of poisoning bees, of upsetting the biological complex, is not such as to create a hazard in the proposed use of DDT.

Word has been received from Marine Charles Morrow by his parents that his unit is breaking up and is being reorganized. He is now stationed in California after serving overseas for many months.

and daughter visited Sunday with the Arville Fergusons.

Mrs. Don Pennell and children spent Tuesday with her mother in Post.

Mr. and Mrs. J. P. Howard of Post and an uncle, Dave Turner, of Amarillo, visited the Fergusons and Pennells Saturday.

Arda Long and family of the Barnum Springs community visited the Fergusons Monday afternoon.

Mr. and Mrs. Roy Williams and son arrived Mrs. Williams' sister-in-law to Mineral Wells Thursday returning home Sunday afternoon.

An old settlers' reunion was held at Mackenzie Park in Lubbock last Friday for former Park County residents which is held each year on the fourth Friday in August at the park. All Park County residents are invited. Among those present were Mrs. and Mrs. A. M. Tanner of Southland.

**Hansford Hudman Returns To Base**

Hansford Hudman, Petty Officer 1c of the U. S. Navy, has returned to his base in Norman, Oklahoma, after spending several days here with his parents. His wife and son who have been living with him in Oklahoma remained here with her parents. Mr. and Mrs. Bob Russel, temporarily, "Hans" has been an instructor in the Naval Training school there but does not know what his status will be from now on as the training program is being reorganized.

Jansy Morris spent the week end in Lubbock attending a MYF retreat.

Guy Speck of Carlsbad, New Mexico was transacting business in Post on Monday.

**GARZA COUNTY OIL**

(Continued From Front Page) which is located on Post estate property. The field is situated four and half miles south of Post. Latest reports from Honolulu No. 1 Altman, in northwest Garza county, Ellenburger prospector to past 10,000 feet, had penetrated past 7,700 feet. The location is section 1255, T7 survey.

**WORD FORM COOK BOYS**

(Continued From Front Page) the crew members who said of the seven men in the plane five were prisoners of war and are now in the States. He said he believed Paul bailed out but couldn't be sure. Paul was with the 15th Air Force in Italy and was waist gunner on a bomber. Paul has been credited with shooting down two Nazi planes and was known to have bombed enemy installations in various Axis dominated countries. His two little girls are staying here with their grandparents as their mother has been quite ill. She plans as soon as she is able to come to Post.

**Dows-Wind Fan Bars Flies; It Just 'Blows Them Down'**

The common house fly, more or less triumphant through the years over such contraptions as swatters, sticky paper and screen doors, may be eliminated as a pest, once and for all, with a simple device that just "blows him down."

The weapon is an electric fan, designed to blow a large amount of air downward with gentle velocity, providing an atmospheric barrier which flies, mosquitoes and other insects cannot penetrate. The fan can be installed in

**You Can Still Join The U. S. Marines**

Headquarters United States Marine Corps has authorized the Lubbock office to enlist 80 seventeen year old men during the month of September. These men must be in good physical condition and of high morals. Men enlisting now can either join the Regular Marine Corps or the Marine Corps Reserves. All men will take their "boot training" in San Diego, California. The policy has been, whenever possible, to give the men a "boot leave" upon the completion of "boot camp."

Anyone interested, write or call at Marine Recruiting office, Post Office building, Lubbock.

**POST ANTELOPES**

(Continued From Front Page) the six letter-wearers in the lineup. The other five are Bill Purnagall, quarterback, who has looked mighty good in training this week; David Buster and Charles Propst, each bringing along a few more pounds this season to add weight to the tackle positions; and Wayne Hundley and A. C. Thomas, guards, who made good records last season.

Other gridders who have been working out at the Antelope corral this week include the following last season squadmen: W. C. Carlton, Eugene Ashley, Paul Duren, Raymond Dougherty, Joe Stokes, Hugh Ingram and Sonny McCrory.

About twenty men, who have had little or no football training, are working with Coach Solis for places on the squad.

Friday evening the locals will tangle with a squad from a neighboring town for practice. The public is invited to see the scrimmage.

**ANTELOPE BOOSTER CLUB**

(Continued From Front Page) Cray, L. H. Ingram, Rev. I. A. Smith, and Dr. Surman.

Attention of the members is invited to a special squad practice game, scheduled for 9 o'clock Friday evening at the Antelope field. All members of the Booster club are urged to attend this scrimmage and to get a look-see on the Antelopes in play.

Captain Jimmie Hundley and Miss Jean Callahan are visiting her brother in Colorado Springs, Colorado, this week.

doors or windows and was developed to solve the No. 1 headache of food distributors and processors.
