

Garza 4-H Club Boys Have Fine Entries In Annual Show Today

The Post Dispatch

VOLUME XX POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, SEPT. 26, 1946 "THE GATEWAY TO THE PLAINS" NUMBER 41

\$150 In Cash Prizes Offered Exhibitors

Judging of hogs in the annual 4-H club show was beginning at 8:30 o'clock this morning when the Post Dispatch was making up forms for the press. A total of close to 100 entries had been made in the show, including livestock, poultry and field crops, when entries closed at 9 o'clock. The show is being staged on the lot west of Hundley's mens store, where stalls and booths are set up.

Prizes totaling one hundred and fifty dollars are being offered by the Post Chamber of Commerce, and will be distributed to first, second, and third place winners in the various divisions. A special prize, the amount of which was not announced by County Agent Frank Eaton, will be given to the 4-H club boy who demonstrates the greatest showmanship in presenting his exhibit.

Following the judging of hogs, livestock and poultry will be classed at 10 o'clock, field crops at 10:30 and horse judging will be completed by noon. The entries will be held in each division for an afternoon showing.

In the horse division nine boys had entered animals. They include Jimmy Avery Moore, Barry Ford, Moody Graham, Arlen Smith, R. E. Josey, Jerrel Stone, Pete Maddox, Jacky D. Meeks, Charles King.

In the poultry division entries have been placed by: Billy Bob Hoover, Bobby Oden, Wylie Dee Hodges, H. C. Gribble, Donald Carpenter, Jerrel Stone, Pete Maddox.

Gene Carpenter and Carter Gene White have entries in the fat calf division; and Lonnie Wall and H. C. Gribble are showing fat pigs. Donald Carpenter has entered a bear in the swine division, and Carter Gene White a breeding sow. Mack McCullough and E. P. Wicker, Jr. have entered sows with litters. Attracting the greatest number of entries in the swine division is the breeding gilt section, with nine boys competing for prizes. They include: Billy West, Jackie Carpenter, D. C. Taylor, Gordon Carey, R. E. Josey, E. O. Young, Jr., Frank Thomas, Fred Lang and Cordell Custer.

H. C. Gribble, Darrey Howell, Carter Gene White and E. P. Wicker, Jr. have placed entries in dairy heifers.

In the field crop division, entries in maize have been made by Donald Carpenter, Wayne Carpenter, Vernon Lusk, and Carter Gene White. Cotton is being shown by Arlen Smith and R. E. Josey. Arlen Smith has placed peanuts and corn, as an exhibit, and Jerrel Stone a general display of feed. Pete Maddox is showing several varieties of grain sorghum. Darrey Howell has an exhibit of peanuts and peas. In the garden division, Barry Ford and Pete Maddox have exhibits.

General superintendent of the show is Gene Carpenter, 4-H club boy. General show committee is composed of Donald Carpenter, superintendent of swine, Carter White, superintendent of beef calves, Jimmy Moore, superintendent of field crops, and E. P. Wicker, Jr., superintendent of dairy calves.

Judges are Robert Gibson, field crops; Jason Gordon, county agent and Bill Griffin, assistant county agent of Lubbock county, livestock and poultry; Fred Hale, Texas Experiment Station, College Station, swine; and Lewis Nance and O. D. Caldwell, horses.

DISTRICT COURT CONVENED HERE LAST MONDAY

The September session of district court was convened here Monday morning when a grand jury was selected from the panel by Judge Louis B. Reed of Lamesa and sworn in at 10 o'clock.

The grand jury set to work immediately after receiving instruction from Judge Reed and recessed shortly after noon, after finding no bills of indictments. G. W. Basinger was chosen as foreman of the grand jury and the other eleven members are V. H. Anderson, C. R. Bower, Delmer Cowdrey, R. B. Dodson, W. B. Holland, B. L. Longshore, E. A. Morgan, E. M. Norman, E. M. Pettigrew, Walter Stolle and A. H. Taylor.

Two civil jury cases have been set by Judge Reed for trial next Monday when the first week jury panel is called. The cases are John Guthrie vs. Texas Employees Insurance Company, suit for damages on personal injuries; and W. F. Pierce Truck and Grain Co. vs. Scott Storie, damages on breach of contract.

Lee Dodson was named court bailiff.

Petit jurors summoned to appear in court next Monday at 10 a. m. include:

Fred Babb, John Baker, L. P. Baker, Jesse E. Barnes, Mitchell Bowen, Dee Caffey, A. B. Cooney, W. L. Crider, Jewell O. Cummings, H. R. Dabbs, Dew Davis, L. S. Edwards, J. H. Eubank, Tom A. Gilmore, Chris Gunderf, Oscar Grubman, W. C. Graves.

J. H. Haire, J. M. Hays, Joe F. Hopper, Cameron Justice, Jack Kennedy, C. C. Lee, Harold Lexas, Bryan Moxey, A. A. Meeks, Hugh Martin, G. T. Mason, J. B. Matler, J. S. Nichols, L. H. Peel.

R. O. Rankin, Luther Reed, Floy Richardson, J. P. Rogers, H. E. Smith, S. C. Storie, Jack Taylor, Harold Wallace, Russel Wilks, Jr., Roy D. Williams, R. D. Young.

Grain Men Estimate Crop Will Produce 1200 Pounds To Acre

Garza county grainmen, as well as farmers, are again encouraged over possibilities of a fine grain crop yield this season. The rains of several weeks ago, and the warm weather that has prevailed the past few weeks has given the crop a new lease on life.

W. F. Pierce, Post grainman who early this week made a survey of the crop, said Monday that the Martin maize would average 1,200 pounds to the acre. The early crop is being harvested now, and is being good, said Pierce. The first carload of 1946 grain will be shipped in Houston this week.

Cotton is also producing better than was expected a month ago. Cotton picking got underway the first of the week over most of the county and the first gathering is averaging one quarter bale to the acre.

Grain prices took a 26c hike early in the week and there is quite a demand for future shipments.

REGIONAL MAGAZINE SECTION TO BE PART OF POST DISPATCH

Post and Garza county subscribers of the Post Dispatch will find in this issue the first edition of the monthly magazine section of regional news which will appear monthly as a regular feature of this newspaper.

The 16-page tabloid section gives a general news coverage of the West Texas area and includes many feature stories of the area. Especially do we wish to call your attention to the story on page 12 of the supplement, "Old Timers Recall Rain-making Efforts," a story about the late C. W. Post and his efforts to bring rain to the area.

There will be many other features concerning this immediate area in issues to come, as well as those from other sections of the west which will be of interest to you.

We sincerely hope you like the feature.

602 Garza County Producers Receive \$40,337 In Checks

All checks have been received by Garza county producers who carried out soil conservation practices on their farms in 1945, stated Robert H. Gibson, secretary Garza County ACA Wednesday.

Checks were received by 602 producers on 558 farms in the amount of \$40,337.91, Gibson stated. Approximately \$24,000.00 was earned under the Conservation Materials and Service Program in furnishing assistance in the construction of earthen dams and terraces and digging water wells. The balance of this amount was earned by producers for contour farming of row crops, summer fallowing land to be seeded in the fall of 1945, plowing fireguards and strip cropping, Gibson said. He estimated that payment for these same practices in 1946 will be approximately \$85,000.00, and that applications for payment to individual producers will begin in the very near future.

SANDSTORM AND WIND USHER IN COOL WEATHER

The 35-mile wind which kicked up a good old fashioned sandstorm in this area last Sunday afternoon also ushered in some cool weather. There was a 20 degree drop in temperature for all sections of West Texas.

Rains were reported in some sections of the state, especially in the lower Rio Grande area.

Temperatures in the north and west reached the low 40's, while in the central sections most points hit lows at 50 to 60 degrees.

Lowest reading was 42 degrees at Amarillo and Cleburne. Brownsville was the hottest point in the state Monday with a reading of 95 degrees.

New Subscriptions Being Taken On Daily Papers

The Post Dispatch has been authorized by both the Fort Worth Star Telegram and Lubbock Avalanche-Journal to accept new subscriptions, as well as renewals during the annual bargain day sales for these two newspapers.

This is the first year since the out-break of the war that either of the dailies have accepted new subscriptions. It will no longer be necessary for subscribers to bring in the "label" from their newspaper in order to renew. Both papers have announced an increase in rates for this year.

The Fort Worth Star Telegram, daily and Sunday, will be \$10.99. The Telegram without the Sunday edition is \$9.60.

Welding School For Farmers To Be Held In Post Oct. 21-23

Garza farmers interested in learning the art of electric and acetylene welding will be privileged to do so October 21-23 when a three day course of instruction in all types of farm welding will be conducted in Post under the sponsorship of three major welding companies of the State.

This city, according to County Agent Frank Eaton, has been selected as one of four in district 2 in which the three-day school will be held. The course will include both electric and acetylene welding and will cover all types of farm welding. Four schools were held recently in district 1, said Eaton, and proved to be worthwhile to farmers who attended.

There will be no charge of any kind in connection with the course, as the equipment and materials are to be supplied by the sponsors. Farmers needing cattle-guards or other welded items, by supplying the materials for same, will be instructed on how to build them and can use them as projects for the course, said the County Agent.

Announcements as to place, and hours of the course will be made in later editions of the Post Dispatch.

Antelopes Expect Tough Opposition From Seagraves

The Post Antelopes this week are looking toward another tough assignment Friday night and have been busy all week working out the kinks which brought them defeat last week when they tangled with the Tahoka Bulldogs on the home grid.

The tough assignment will come tomorrow night when the Antelopes journey to Seagraves to mix with the rugged, veteran studded Eagle squad in a conference mated. The Eagles, while Post was taking a 13-2 licking at the hands of the Tahoka delegation last Friday night, romped over the Slaton Tigers, 20 to 6. Coach Tillery's Tigers have been picked as one of the top contenders for the district championship, and knowing the Tigers as most Post fans do, there is little doubt but that the Eagles are plenty powerful.

At any rate tomorrow night's battle with the Eagles will be watched closely by all coaches of the district, as the game will give the first direct comparison of scores in measuring up the top teams of the southern half of the district.

Coach Bingham has been putting his Antelopes through scrimmage sessions the past few days and has been attempting to tighten his first string line. Some offensive work has been given, but most of the practice sessions have been centered around ironing out the kinks of last week's play.

A large fan following will accompany the team to Seagraves.

PROGRAM TO BE GIVEN HONORING SOLDIERS

The Pleasant Valley community will present a special program Friday night at 8:00 o'clock at the Baptist Church. The program promises to be one of the most impressive ever to be held there. The public is cordially invited to attend.

Enlists In Army

Jackie Earl Lancaster was reported by the local Selective Service board this week as having enlisted in the Army on September 8.

GI VOCATIONAL SCHOOL TO BEGIN NEXT TUESDAY

Twelve Garza County GI's have enrolled in a vocational school which is scheduled to begin Tuesday night, October 1, it was announced the first part of the week by Lewis Nance, teacher-coordinator.

Classes in agriculture are to be held in the agricultural room at Post High school, and though originally planned to accommodate twenty students, a few more veterans may be added, said Nance. Among the first GI's to enroll were: J. E. Brandon, Jr., W. D. White, E. R. Davis, W. H. Teaff, A. M. Ramage, Guy Gearhart, G. M. Ramage, A. W. Stone, Burnice Floyd, W. B. Richardson, J. C. Steel and E. J. Henderson.

Other veterans who would like to enroll in this first school should contact Mr. Nance at his office in the court house as soon as possible and sign-up for the training. In addition to receiving the free training course, veterans will be paid, under the GI Bill of Rights educational program, on the same basis as if they attended college.

Mr. Nance informed the Dispatch that since the announcement of the school was made last week many returned veterans have contacted him concerning the program. He offers the following questions and answers for the (Turn to Back Page, Col. 3 Please)

Materials For Fair Being Assembled By County Agent

With exceptions of a number of garden products and threshed grains, materials for the County exhibit at the Panhandle-South Plains fair have been assembled, reported County Agent Frank Eaton Tuesday.

"We will have a creditable county exhibit at the fair this year, despite the early drought, hail, and rain damage suffered by our crops," said Eaton. All of the agricultural products are said to be of top quality, and with the addition of several needed materials the exhibit will be most complete.

The County Agent would like to secure the following garden products to complete the display: bell peppers, tomatoes, pumpkins and watermelons. Also needed in the way of threshed grains, are barley, maize and oats.

HI-WAY GROCERY-MARKET PURCHASED BY MR. YOUNG

Raymond Young, who for a number of years was associated with the Piggly Wiggly store here as manager, announced Tuesday that he had purchased the business and stock of groceries owned by Mr. and Mrs. Wesley Northcutt, and operated in South Post under the name of Hi-Way Grocery & Market.

The transaction was completed the first of the week, and Mr. Young took over management Tuesday. The location is on south Broadway.

EXTENSION OF CENTRAL FIELD TO BE SOUGHT

M. A. and T. F. Grisham are reported to be contemplating drilling a well on the southeast side of the Garza central field on the K. Stoker ranch.

The exploration is to be located 960 feet from north and 1,650 feet from east lines of section 4, block 5, K. Aycock survey, and will be on the outside of the proven producing area in the Garza field.

FERRY CROWLEY BURIED WEDNESDAY

Friends in this county have been informed of the death of Perry Crowley in Lubbock on Tuesday at the home of his daughter, Mrs. Mae Champlain. Mr. Crowley, an old-timer of this county who moved a few years ago to Lubbock, was buried in Breckenridge on Wednesday.

PRISON RODEO TO BE STAGED NEXT MONTH

The 15th annual Texas prison system's "underworld" rodeo is to be staged at the Huntsville penitentiary on four successive Sunday's beginning Oct. 6.

The rodeo performers are to be recruited from the ranks of the men in Texas prisons.

According to publicity sent out by C. C. Springfield, "the riders are ready to go. For that matter, all the convicts are ready, although their 'going' is somewhat hampered by legal red tape and numerous shotgun guards. Just the same, they're ready."

These rodeos are open to the public. Admission price is \$1. In addition to seeing the rodeo, one can get a side-trip through the penitentiary. Both prison officials and inmates would welcome spectators from this area. The dates again are Oct. 6, Oct. 13, Oct. 20, and Oct. 27 at 2 p. m.

Approximately 1500 enthusiastic Post and Tahoka fans filled the stadium to capacity to witness the Antelopes accept defeat in their first conference game here Friday night as they fell by a score of 13-2 to the Tahoka Bulldogs. Of course this was very much to our regret but sometimes, happens to the best—yet we have always heard that "Every dog has his day" and, really folks, we do not believe that this goes just for Bulldogs, do we?

The game however was much closer than the score indicated for Post played brilliantly and each player turned in a splendid performance. Even though there were some mistakes—remember a person often profits by them.

The Antelopes received the opening kick-off and started what looked like a touchdown drive, but were stopped on the 34 yard line by two infractions of the rules.

Co-captain Shorty Hester carried the ball from the 34 down to the 23, but the ball was brought back and Post was penalized for off-side. On the very next play Gaylon Young running from right halfback position circled his own left end for 9 yards, but Post again drew a 5 yard penalty for ockfield in motion. After this Post could never seem to get started and although the Antelopes were later stopped three times on the 20 yard line, it was Tahoka's ball game.

Co-captain Roy Williams and Billy Joe Lofton stood out in the line for Post and Co-captain Shorty Hester in the backfield. Co-captain Don Akin stood out in the line for Tahoka. Joe D. Minor, younger brother of Max Minor, of football fame and James Minor, manager of Mason & Company, was the big cog in the Tahoka team.

You who did not attend this game really missed something but we hope you will journey with us Friday night to help "Beat Seagraves" when the Antelopes tangle with the Eagles.

There were no church services at the Methodist church Sunday because of the sudden illness of Rev. R. B. Walden, however, a large crowd attended Sunday school.

Tuesday night at the school auditorium, the P-TA held their executive committee meeting under the leadership of the president, Mrs. Hubert Taylor. The membership drive will be made before next meeting which will be at 2:30 Tuesday afternoon, Oct. 1. Parents are urged to come. The membership fee is 50c. Each parent joining at the next meeting will be given one vote for each child he or she has in school. Two \$5.00 prizes will be given to the Grade school room and the High school class getting the most votes. An interesting program is planned.

Minister Ford Shropshire of Post, who preached at the local Church of Christ Sunday will preach here every first and third Sunday. The church has already made definite plans for their revival next summer. Minister Dean Brookshire, who formerly lived at Slaton, will come to do the preaching. The beginning date is the third Sunday in July and the meeting will last two weeks. The seats are to be moved outside for night services.

A large crowd attended the Eastern Star's play Thursday night. They especially enjoyed the popular number presented by Randall Weaver's accompaniment on the mandolin to the three pieces played by his father, T. L. Weaver, and four songs by the six year old girl of the Pair's. Both children attend Wilson school.

Those attending the Baptist Annual Association at the Calvary church in Lubbock last Tuesday were Rev. and Mrs. Emmett Brooks and daughter, Laverne, Mr. and Mrs. A. F. Davies and Mr. and Mrs. C. A. Bloxon. The Brooks and Davies families also attended Wednesday.

Wednesday night there were 55 present to hear the Baptist Sunday school conference program. Beginning this week, the Young People's choir will practice after each mid-week prayer meeting and the pastor, and leader, John Leske, urge all choir members to be present. Rev. Brooks hopes soon to carry a Young People's program to neighboring churches.

Sunday guests of Mr. and Mrs. Elmer Watson were his parents, Mr. and Mrs. L. E. Watson, sisters, Mrs. Evalyn Jennings and children, and Mrs. Mildred Phillips and family and brother, Johnnie Watson and family.

Mr. and Mrs. Buddy Hall accompanied Mr. Henry Edwards to Ft. Davis last week on a two day visit and business trip. They visited in the home of Mrs. Hall's sister, Mrs. Bob Sproud and family. Mrs. R. C. Green was substitute teacher for the Seventh and Eighth grades in Mrs. Hall's place.

Monday morning, Rev. Walden was still in bed but much improved. Among his Sunday visitors were their son, J. C. Walden and wife of Lubbock and daughter, Mrs. Frank Matlock and family of Plainview.

Last Wednesday evening, there was a business meeting at the local Methodist church. Sunday school and church officers were nominated to be presented to the church here at the Quarterly Conference on October 26 at 7:00 p. m. Dr. L. N. Lipscomb, superintendent of Lubbock District will preach the conference sermon. This veteran preacher of the Plains has previously spoken here and a large crowd is expected. At the business meeting, teachers were elected for the smaller Sunday school classes as follows: Beginners, Mrs. Clay Johnston; Primary, Mrs. Wilbur Field, and Junior, Mrs. J. B. Robertson. The four older classes elected their teachers Sunday morning.

Joe Gayle, the son of Mr. and Mrs. S. A. Fleming, is majoring in agronomy in the Agricultural department of Texas Tech.

Mr. and Mrs. Walter Kellum and Mrs. Riley Wood left Friday for Amarillo to visit Mrs. Wood's sister, Mrs. J. P. Pierson and family. They returned Sunday.

Mrs. Lewis Donohoo is back home and able to be up after undergoing surgery about two weeks ago.

Among those attending the ball game in Lubbock Sunday afternoon were W. A. Basinger and son, Melvin, Hub Haire and Leonard Anderson.

Visiting the Sampson Gillilands Sunday afternoon were Mr. and Mrs. Dave Draper and children of Slaton and Mr. and Mrs. H. O. Rankin and Lehman Barkley.

Mr. and Mrs. Collins had dinner with the Roy Williams Sunday.

Mr. and Mrs. Victor Vara's baby girl, Linda, is recovering from a fractured collar bone which she received last week when she fell out of her high chair.

Sunday guests of Joy and Loy Trimble were Luna Lee Bain and Bobby Ann McMill of Slaton and Margery Becker.

Mrs. Helen Young who is making her home with her parents while her husband is overseas left last week to spend about two weeks with her husband's parents, the Youngs at Tangelwood, Texas.

Farmers Know What a Profit Is For

AS his own boss, the farmer has long since found out that a profit is not just an extra sum, above the bare cost of doing business, which can be used as you please. It is the main source of funds necessary to pay for a new silo, buy better machinery, and improve the house and the barn.

In spite of the great rise in income, farm profits are no more than necessary to keep the farm plant producing efficiently. It's the same with the iron and steel industry which makes the materials for the farmer's tools.

In 1945 steel companies had left, after meeting all expenses but before paying dividends, only a little more than one-tenth of one cent on each pound of steel sold. The profit on each dollar invested was less than five cents. Year by year since 1941, when the war started, earnings have been declining.

Although last year's output of steel was 19

per cent greater than in 1940, the last prewar year, pay rolls were nearly double but dividends were lower.

There are many misunderstandings and misrepresentations about profits. Some people forget that reasonable profits are a necessary incentive of the American system, which results in abundant low-cost farm products and abundant low-cost steel products.

It is up to those who know what profits are for, and what they can do, to see that they are not destroyed—and with them our high standard of living.

Steel mills need all the scrap iron and steel they can get. The shortage is serious. Farmers can get extra dollars and help increase steel output by sending worn-out machinery, etc., on its way to the furnaces. AMERICAN IRON AND STEEL INSTITUTE, 35½ Fifth Avenue, New York 1, N. Y.

Swing of Southwest Farm Markets

Poultry and eggs, cotton and some grains went up last week, livestock remained steady to firm, but some vegetables showed weaker prices, reported USDA's Production and Marketing Administration.

Rain hampered grain shipments last week and helped improve prices. Oats, barley and corn gained one to three cents a bushel. Wheat held steady. Sorghums lost around two cents a cwt. early in the week but later regained these losses.

Cotton advanced two to three dollars a bale last week. Spot market activity increased. Sales in the 10 spot markets totaled 129,800 bales compared with 92,300 bales the week before and 103,600 bales for the corresponding week last year.

Hog receipts totaled 6375 head at southwest markets this past week compared with 5325 head the previous week. Hungry demand quickly cleared all classes and weights at ceiling prices. Stocker and feeder pigs were generally scarce and good kinds brought \$17 to \$18 a cwt.

More cattle arrived at southwest markets last week than the week before, but supplies were still light and made up largely of stockers and feeders. Most slaughter grades were scarce and brought steady to stronger prices. Stockers and feeders were firm to stronger at Texas markets but some weakness showed up at other terminals. Medium to good stocker calves brought \$13 to \$14.50, Houston; \$13.50 to \$15.50, San Antonio and Oklahoma City. Ft. Worth sold common and medium stocker and feeder steers, yearlings and calves at \$11.50 to \$14. Denver quoted common and medium stocker cows \$8 to \$10.25. Medium and good light stock steers and yearlings realized \$14 to \$16. Wichita

Growth And Improvement Indicated For Neighboring West Texas Towns

News in the surrounding areas consisted mostly this week of school news and the entering of the students from various towns in colleges over different parts of the state.

An order was issued last Tuesday annexing five Nolan county rural school districts to Sweetwater Independent school district. The annexed school districts include Ritter Creek, Cottonwood, Plum Creek, Ada and Stamper. Area of the Sweetwater school district jumped from about 36 square miles to approximately 115 square miles as a result of the annexation. Only two districts in the county are now unconsolidated or unannexed, those being Blackland and White Flat. The annexation election was called by the county board as an emergency measure after the Sweetwater school board had refused to con-

tinue serving the five districts under the old contracts. The Gains County News in Seagraves is holding a circulation contest in which nine lucky boys will each win a U. S. Navy Mark 1 Anti-Aircraft Target Kite. The contest started Saturday, Sept. 21 and will end Saturday, Oct. 12 with winners being determined by the nine boys who receive the most new or renewal subscriptions.

The carbon black plant at Seagraves is now going at full speed with five to eight carloads of carbon black being shipped per day. As much carbon black has been shipped recently as at any time during the recent war. Most of the shipments of this product are made to foreign countries, Buenos Aires, South America; Columbia, S. A.; Shanghai, China; Istanbul, Turkey; Balboa, India; Copenhagen, Denmark; Le Harve, France; and Canada. During the war, carbon black was used to mix with concrete to make runways for the Air Force, however, most of it is now used to make synthetic rubber.

Brick laying was begun last week on the hospital which is being constructed in Crosbyton. Almost all of the building materials needed are already on the ground. The brick work is expected to be completed within 60 days. Electrical wiring on the building will begin immediately.

A Scoutmaster, Bob McKinnon, and his assistant, Carl Davies, were chosen and a Scout committee was appointed and a meeting of a group of interested boys was held last week as a preliminary to the re-organization of a Boy Scout troop in Crosbyton. The troop is being sponsored by the Crosbyton Lions Club. A regional Court of Honor was held at Falls Monday for all boys who are interested in seeing how Scouting functions.

Veteran's housing units were going up last week on city-owned property at Rice Spring Park in Haskell. The units which were former Army barracks were being brought from Camp Barkley near Abilene. Approximately twenty veterans and their families will be housed in the structures with rentals being handled through a veterans housing board and will be in keeping with the amounts of other local rent property.

A Quarterback Club for Colorado City was organized last Monday night for the purpose of furthering the interest in football in that city. Membership shall be composed of adult citizens of Colorado City, who are interested in the promotion of athletics and development of young men and women. Officers of the club have been elected to serve for one year. John Reese was elected president of the club.

The Littlefield Rodeo which was sponsored by the Junior Chamber of Commerce and held at the fairgrounds proved to be a great success. The four-day performances which began last Thursday and lasted through Saturday tested the ability of approximately 125 cowboys. Spectators were also entertained by Mone Reger and his troupe of special event performers, Dixie and Virginia Reger. A parade which began at the court house Thursday afternoon started the event. Cash prizes of \$1500, plus entrance fees, were given for calf roping, bareback bronc riding, saddle bronc riding, bulldogging and steer riding.

Mr. and Mrs. Cecil Osborne of Muleshoe were here Thursday and Friday transacting business and visiting friends.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both!

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted) for men now in the Army with 6 or more months of service.
- Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may enlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- A furlough for men who reenlist within 30 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
- Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
- Options to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothing and Medical Care

Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

CONSERVATION DISTRICT OFFICE AT POST

Some terracing has been started. Bryan Williams of the Close City conservation group is building about four miles of terraces. Hugh Davis of Clairmont is building about five miles. Part of the terraces being constructed on the Davis farm are in a Johnson grass meadow. "The main reason I want to build terraces here is to hold water on the land. The Johnson grass is keeping the land from washing and with the moisture conserved by terracing the Johnson grass will make more growth," said Davis.

The alfalfa planted by Horace Eubank early this month is up to a good stand and doing well.

DPA APPROVES NEW CHANGES ON PRICES

Candy bars selling for a nickel and a dime may shrink in size, the DPA said Tuesday as it allowed manufacturers to compute ceiling prices under a new system. At the same time the pricing agency took these varied actions: Allowed users and holders of stocks of syrups and liquid sugar to use or dispose of old stocks without rationing in order to ease hardship resulting from the August 22 order that tightened rationing of syrups. Raised prices on nail kegs and western softwood shingles in order to boost production of both are allowed to accelerate the housing program. Upped ceiling prices 12 per cent on innerspring mattresses sold directly to consumers by manufacturers, in order to equal increases previously allowed on mattresses moving through usual trade distribution.

POST YOUTH INJURED IN WRECK NEAR TAHOKA

According to a news release in this morning's Lubbock Avalanche, two Post boys, James Waters and L. B. Pate, were injured in an automobile-motorcycle wreck near Tahoka late Wednesday afternoon. The right leg of Waters, 20, was amputated just below the knee. Pate suffered only minor injuries. Waters, passenger on a motorcycle driven by Pate, was taken to the Lubbock Memorial hospital by ambulance immediately following the crash.

The accident occurred when Gilbert Maurine Stewart, Lynn county farmer, who was driving a coupe, made a left turn and the motorcycle skidded to the left as Pate, going west, put on the brakes and swerved to avoid the car. Waters' leg apparently, was caught by the rear bumper of the Stewart car.

WTCC BEGINNING FALL REFERENDUM CONVENTION SEASON

The West Texas Chamber of Commerce is on the move toward the beginning of its annual fall referendum convention season. H. Y. Overstreet, president, has called a meeting of the regional chamber's executive board for Friday of this week for planning and organizing the 1946 referendum, which will start with eight district meetings around the territory to be held during October. Friday's session will be held at Colorado City, starting at 10 a. m. Frank H. Kelley will be official host. The Colorado City official is district director of WTCC District No. 5. The executive board is composed of the chamber's officers, immediate past president and district directors, altogether numbering 17.

The group's major job will be receiving and disposing of reports with recommendations as made by the organization's various committees, constituting the proposed essentials of the program of work to be carried on in 1947. These matters, when the board has passed on them, will be as usual referred to affiliates in 165 West Texas towns for action at their local meetings, to follow the district gatherings.

The board also will appoint sub-committees for conducting WTCC's windup clearance meeting, the Directors & Referendum Assembly to be held at the headquarters building at Abilene in November. The date for this will be set Friday, also dates and places for the district meetings.

FIREWORKS DISPLAY PLANNED FOR FAIR

A fireworks display was added Monday as a feature of the opening night program of the Panhandle-South Plains fair, Oct. 7-12, it was announced Tuesday by fair officials.

A "picture" of Jester, and probably of Lamphier, will be outlined in fireworks, it was said. Veterans will be admitted to the fair grounds free during the day and night and no one will be charged for grandstand seats for the night's program.

ARMY WILL INACTIVATE SHEPPARD FIELD SOON

Inactivation of Sheppard Army Air Field near Wichita Falls will be completed Sept. 30, Army officials announced Wednesday.

The assigned strength of the installation will be reduced to 10 officers, 126 enlisted men and 100 civilians for maintenance purposes.

At peak strength the field was a training ground for approximately 45,000 AAF personnel.

Colorado, meaning red, was probably named for the earth coloring in certain sections of the state.

Nevada, meaning "snow clad" was named for its high, snow-capped peaks.

TEXAS AUTO DEATHS UP 42 PER CENT SINCE JAN. 1

The State Department of Public Safety reported Sunday from Austin that 1,185 Texans died in traffic accidents during the first eight months of 1946 compared to 835 during the same period last year. This represents a 42 per cent increase. There was a jump of 38 per cent in the total number of accidents.

The death toll for August was 134, considerably under the 159 deaths reported in March, this year's blackest month to date on the score of traffic fatalities.

ARNOLD IS APPOINTED AS REVENUE COLLECTOR

President Truman Monday appointed Herbert E. Arnold of Greenville, Texas, to be collector of internal revenue for Northern Texas.

Arnold, 42, has been acting collector for the district since the death several months ago of Collector W. A. Thomas.

Maine was named after an ancient province in France.

MARCA DEAN HOLLAND HONORED WITH PARTY ON FIFTH BIRTHDAY

A very enjoyable afternoon was spent Saturday by a group of children, who helped Marca Dean Holland celebrate her fifth birthday. Several games were played, but the one most enjoyed was pinning the donkey's tail on for which a prize was given to the winning boy and girl.

The children were then assembled in the living room where the nice gifts were unwrapped. The cake was placed on a table and the candles were lighted, during which the children sang "Happy Birthday" to Marca Dean.

Refreshments of fruit punch, devils food cake and white and pink birthday cake with pink mints were served to Bubber Talley, Don Allen Pierce, Sharon Brooks, Clara Frances Smiley, Patsy Norman, Tommy Lou Scott, Ray Charles Garner, Marthana Cearley, Linda Lou and Joyce Bilberry, Don Davies, Martha Jean McAnally, Johnny and Beth Kemp, Sherry Custer, Allane Norris, Nora Bruton and Danny Cockrum.

SUE BELL BRISTER HONORED ON 13TH BIRTHDAY SATURDAY

Miss Sue Bell Brister was honored on her 13th birthday Saturday, Sept. 21 with a party given by Mrs. Tom Anderson.

Many games were enjoyed by the group and an array of lovely gifts were received. Delicious refreshments were served by the hostess to the honoree and the following guests: Anita Kennedy, Daisy Holly, Drura Ann Hughes, El Wanda Davies, La Rue Stevens, Mary Ann Hundley, Jimmy Brownlee, James Barnes, Robert Smith, Wayne Thomas, Wayne Kennedy and Mary Nell Bowen.

LOUELLA GILMORE AND LUTHER BILBERRY WED SEPTEMBER 15

Miss Louella Gilmore became the bride of Luther Bilberry Sunday, September 15 at 9 o'clock a. m.

The couple were married in the Methodist parsonage before a beautiful altar arrangement of dahlias. The double ring ceremony was read by Rev. I. A. Smith.

Lawrence Bilberry, twin brother of the groom, served as best man and Mrs. Lawrence Bilberry, sister of the bride, served as matron of honor.

The couple left immediately following the ceremony for a short trip. They will make their home here.

BILLYE RUTH HILL HONORED WITH BIRTHDAY PARTY SATURDAY

Mrs. Wiley Hill honored her small daughter, Billye Ruth, with a birthday party in her home on Saturday, September 21.

After the lovely gifts were opened by the honoree refreshments were served to the following: Jerry Windham, Dean Hill, Toni, Freddie and Judy Browning, James Wilburn, Joyce and Jo Carol Warren, Kay Hedrick, Dero Odum, Johnny Hill, Ronnie and Olive Henderson and Kay Crispin.

MISS IMOGENE HAGOOD HONORED WITH SHOWER AT JUSTICEBURG

A bridal shower honoring Miss Imogene Hagood, bride elect of Hersheff Beavers, was held Thursday afternoon in the home of Mrs. Less Davis. Many guests attended showering beautiful gifts of various kinds on the honoree. Delicious refreshments were then served to the group by the hostess.

The couple will be married Sunday, September 29 at 9 a. m. in the home of the officiating pastor, Rev. D. W. Reed of Close City. The couple plan to spend several days in Carlsbad and other places of interest in New Mexico following the ceremony.

JUNIOR CULTURE CLUB RECEIVES NEW YEAR BOOK

The year book committee of the Junior Culture Club reported this week the completion of their new year books which were distributed at their regular meeting Tuesday night, Sept. 24.

The covers of the new books, designed by Doris Eaton, are various colors, all lettered and tied in black. A book design, titled with the four courses of study, art, music, decoration and home-making, centers the book and represents the theme for the year, "Fine Arts and Their Practical Uses."

Contents of the book include the club's color, flower, motto, club day, pledge, officers, roll call, constitution and by-laws and an outline of the year's programs.

There are four required programs for the year, that of Federation, Parliamentary Procedure, Health and Safety and Texas program. These will be supplemented with other programs during the year.

NEEDLECRAFT CLUB NOTICE

The Needlecraft club will not meet this week due to the meeting at the Baptist church. The club will meet next week, Oct. 4, at the home of Mrs. J. B. Faulkner.

Church News
MELBA JO MILLER

"Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal."

"But lay up for yourselves treasures in Heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal."

"For where your treasure is, there will your heart be also."
Matthew 6:19-21

Minute Prayer

Our gracious Father, grant us some new manifestation of Thyself today; some deeper experience of Thy grace; a clearer vision of our field of service, and more joy in its work. May we have a real inclination to our duty, and an honest preference for Thy will. So may our fellowship with Thee be unbroken today. Therefore may we be glad and free from care. May the day come soon when all the earth shall seek its refuge in Thee. Forgive our sins, and make us more like our Master—sensitive and strong, unselfish and true.

Next Sunday morning at the Church of the Nazarene, there will be a Cradle Roll program. Babies will be special guests and will be introduced to the congregation. They will be presented with beautiful Cradle Roll certificates by Mrs. Ruth Dale, superintendent of that department.

Next Sunday afternoon at 3:00 o'clock, the annual meeting of the Church of the Nazarene will be held. Reports from different officers will be given and elections will be made for another year.

In the Sunday morning service of the Church of the Nazarene, Herbert Buchanan will be presented a local preacher's license.

The revival meeting which is being held at the First Baptist church conducted by its pastor, Rev. Huron Polnac, is progressing nicely. The attendance is increasing with each service and much interest is being shown in the services. Morning services begin at 10, evening prayer service at 7 and preaching service at 7:30. The public is cordially invited to attend these services. The church has set as their goal for attendance at Sunday school 305. Be present at this service and help reach the goal.

The Methodist WSCS met Monday in the home of Mrs. T. R. Hibbs. The program was opened with the Devotional given by Mrs. B. E. Young. The program was a spiritual life program led by Mrs. I. A. Smith and given by Mmes. N. W. Stone, J. E. Parker, R. H. Collier, T. R. Greenfield and T. R. Hibbs. Some business was transacted followed by delicious servings of hot chocolate and open face cheese sandwiches.

The Presbyterian Ladies Aid met Monday in the home of Mrs. W. E. Dent where an interesting Stewardship program was given. The program was led by Mrs. Mattie Kennedy and given by Mmes. W. E. Dent, A. C. Surman, J. A. Stallings and D. C. Williams. Some business was discussed following the program. Delicious refreshments were served by the hostess to Mmes. Ben Williams, George Sarnson, J. W. McCoach, Howard McCampbell and son, David. The group will meet Monday, October 14, in the home of Mrs. A. C. Surman.

Rev. and Mrs. R. E. Bratton, Mrs. E. W. Curry, Mrs. Will Teaff and Mr. and Mrs. J. F. Brandon attended the Baptist association in Lubbock Tuesday and Wednesday, Sept. 17 and 18.

Recently the story was told of a modern child who, when asked to offer thanks at the dinner table, said "This food comes to you through the courtesy of God Almighty. Amen." Which seems to us a pretty good expression of the child's belief.

Bobby Hudman, son of Mr. and Mrs. Hunsford Hudman, came to play and help him celebrate his third birthday last Thursday.

As each guest arrived, young Bob passed candies and gum. They played with his toys until all the guests had arrived, then they sat in a circle around Bob as he opened his gifts.

After a period of enjoying the new toys, grape sodas and birthday cake were served to Gary Simpson, Kay and Bill Gordon, Sorny Hudman, Carolyn Hudman, Margaret Bingham and Kelly Luck, Mrs. Simpson and Mrs. Gordon and Bob's Uncle Scott Russell of Lubbock.

J. M. Cargile of Dallas visited here last week end with his sister, Mrs. F. A. Gilley.

THE PROBLEMS OF THE MERCHANT

It's a very human failing to take it out on the merchant when you can't find what you want in a store. But the country's retailers deserve a large share of consumer compassion.

The typical store today finds itself besieged by eager buyers at a time when it has little to sell, because strikes and shortages are holding up production of all those marvelous postwar gadgets we were supposed to have coming. Experienced, courteous employees are hard to find, despite the all-time high in wages.

The merchant goes to bed at night with his head throbbing from the complex and endless reports he must make to the income tax officials and other agencies of government. He doesn't know from one day to the next what OPA policy will be. And he's faced with a price problem over which he has no control.

Despite all this, American retailing has performed supremely well. It has stretched supplies so that as many people as possible get a share. It has managed to keep good standards of service going, and is gradually bettering them. It has done everything in its power to limit price increases. It is providing you with what you want as fast as it can get the goods.

Retailing has performed a service it can be proud of. The consumer can be certain that no country on earth has a retail industry as efficient as ours.

THE BLACK MARKET BENEFITS AGAIN

In an editorial entitled "Meat for the Black Market," The Portland Oregonian says: "OPA's report of large storage of meat which cannot be sold profitably under ceiling prices should leave no one in doubt that the black market will return, fatter and bolder than ever, and that the people as a whole will pay more for meat than they have been paying without price control . . ."

"A most regrettable feature is that a great many farmers and dealers who normally prefer to conform to the nation's laws and regulations will be impelled by necessity or desire for greater profit to desert the legitimate channels of trade. This condition will prevail so long as there are consumers willing to pay illegal prices for meat . . . It is a situation as detrimental to the nation's morals as prohibition."

During the period when meat was removed from OPA controls, it flowed in abundant supply into the honest channels of trade. Stores which would not pursue black market practices and so had little meat to sell, once more had full showcases. Prices, of course, were high, judged by prewar standards. But that is inevitable in these days of enormously increased labor and material costs. It was obvious that a price level, based upon competitive factors and the economic condition of the nation, was being arrived at.

Now meat is becoming a black market item again. That means it will be available in far smaller quantities in the reputable market—and that it will be beyond the reach of the millions of consumers who refuse to patronize black markets. Equally important, again placing meat prices on an artificial basis has postponed the return of this country to a sound supply-and-demand method of doing business.

WHAT OUR CONTEMPORARIES ARE SAYING:

Russia wants a "sphere of influence" in eastern Germany and the other countries of middle and eastern Europe, and Henry Wallace echoes "Amen!" If Russia wants a sphere of influence in which she is to be un molested, let her throw open her own doors to influences emanating from the United States and the other democracies, just as America's doors are open to the palavering of the Russian communists.—The Lynn County News.

000

The idea that the GI has any more priority to buy stuff than anyone else seems to be just so much more bunk put out at Washington by the goody, goody boys that promised the boys who went into the service just about everything. We have found that out of late when one of this firm applied to buy some needed machinery, and the salesman suggested that an application from an ex-GI would help in early delivery. All papers sent us was duly executed, and we thought that was the last of it, but lo and behold, here comes another long questionnaire from the big boys up at Washington, wanting to know why we needed the machinery and how bad, and if what we had would run at all. To fill the bill one would almost have to swear a lie, by stating that the machinery was fixing to collapse, and that our livelihood depended on the new machinery. The quizzical gentleman was informed that most anyone with a G. Washington hand press and a shirt-tail full of type can rek out an existence now. That is just the reason that a lot of good people are willing for all those bureaus to be closed air tight and see if those who manage them now can get out and make an honest living themselves.—The Terry County Herald.

It's a great day when the last wire is in place and you can flick a switch and have electricity at your command.

It has taken time to bring the wonders and advantages of electricity to folks in this great area.

But today, in a major part of our 12 million dollar expansion program, we're stretching our rural power lines to reach more and more farms and ranches.

Folks in those homes have been waiting a long time for low cost electricity, and many of them can look forward to better living electrically.

"Robber" Hens Today— No Profits Tomorrow

No profits! That's the danger if you put up with feed-eating, non-laying "robber" hens. Many of these birds are soon doomed to die from organic disorders, anyway. Let Eamesway call them out now, while you can still get them to market.

The Eamesway System of Poultry Inspection pays for itself many times over on feed saved. Time and again it eliminates 25% of a flock without decrease in egg production. Stop this feed-wastage now. Let an Eamesway technician find which are the "robber" hens in your flock.

Going Fishing? Here's How!

To hear Willie Wells and Basil probe arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil cooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #IX&*!!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

POST SOLDIER KEEPING UP WITH ANTELOPES, LIKES RAILBIRD COLUMN

Sergeant James Lee Smith, Post High 1944 graduate, and who is now serving with Uncle Sam at Fort Belvoir, Virginia, writes the Dispatch that he is keeping up with the Antelopes and Post happenings through the Post Dispatch. His letter in part:

"I have been keeping up with all the very latest dope on the Post Antelopes for this season, I wish to state that as a former student of Good Old PHS, I am one hundred per cent behind them. I know most of the fellows on the team, and would like very much to see every game of the season.

"Just today I read the first edition of the "Railbird," and I believe that it will be a success. I enjoyed it very much, and I know that it will be much better as the season really gets under way, and Miss Turner can give the blow-by-blow description of each game.

"I am at present with the United States Army Recruiting Service here at Fort Belvoir, Virginia. My good friend, and another Postite Joe Duren, is assigned to an organization only a short distance from my own here. So we get together every once in a while and

GREENFIELD NAMED CHAIRMAN GOOD ROADS AMENDMENT COMMITTEE

T. R. Greenfield, prominent Post hardware merchant and good roads advocate, has been chosen chairman of the Garza County Good Roads Amendment Campaign committee, it was announced Monday by Charles E. Simons, executive vice-president of the Texas Good Roads association.

Appearing on the ballot in the November 5 general election is amendment No. 3, the Good Roads constitutional amendment guarantees the availability of motor vehicle registration fees and gasoline taxes exclusively for road purposes, with the exception of one-fourth of the gas tax which will continue to be allocated to the available free school fund.

"Mr. Greenfield's deep interest in better and more improved highways and farm-to-market roads was the primary factor in his selection to head the Garza County campaign," Simons said.

"With so many outstanding organizations backing the Amendment," Simons continued, "we feel that every citizen in Garza county should be fully informed of the provisions of the measure and the benefits they will derive from it. For this reason, we have selected Greenfield to head the Garza county committee and direct a vigorous educational campaign to point out the merits of this amendment."

1945 CROP COTTON TO BE POOLED FOR PRODUCERS' ACCOUNT

All cotton still under the 1945 Crop Loan on October 1 will be pooled for producers' account by the Commodity Credit Corporation.

According to F. C. Elliott, cotton work specialist of the Texas A and M College Extension Service, Texas farmers who have 1945 crop cotton under loan now should give serious consideration to marketing the cotton before it is placed in pools. The average 1945 loan rate for 15/16 inch Middling cotton, gross weight, was 21.09 cents per pound. Since the price now has climbed considerably, producers should be able to dispose of this cotton at prices that will give them a substantial profit.

The 1945 crop loan cotton which is not redeemed before October 1 will, as provided in the loan agreements, go into pools. Not until all the cotton in the pools is liquidated will the producer receive any payment. Net proceeds, if any, will then be distributed among the producers whose cotton was placed in the pools in proportion to their interest. From the proceeds of the pool cotton will be deducted all advances and accrued costs—including storage, insurance and handling charges. No payment will be made to producers at the time their cotton is placed in pools and after October 1, farmers will not be entitled to order the sale of cotton now under loan.

MILLS SELECTED FOR TECH SCHOLARSHIP

Louis Mills, Post High 1946 graduate and last season star footballer, has been informed that he has been selected as a candidate for one of the Dunlap Department store's scholarships to Tech.

A number of \$100 scholarships were offered by the Lubbock store, and if Mills meets grade requirements and other factors governing the awarding of the scholarships he will be among the winners.

THE STATE OF TEXAS

TO: R. H. DAVIS,

GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 21st day of October, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, at the Court House in Post, Garza County, Texas. Said Plaintiff's petition was filed on the 19th day of August, 1946. The file number of said suit being No. 854. The names of the parties in said suit are: Mrs. Kate Davis, as Plaintiff, and R. H. Davis, as Defendant. The nature of said suit being substantially as follows, to-wit: A suit for divorce alleging marriage of the parties on September 9th, 1909, abandonment of plaintiff by defendant on April 2nd, 1933, and that all children of the marriage are now over twenty one years of age, and that there are no property rights to be determined. Plaintiff prays for judgment of divorce, costs of suit and general relief.

Issued this the 6th day of September, A. D., 1946.

Given under my hand and seal of said Court, at office in Post, Texas, this the 6th day of September, A. D., 1946.

Question—Does my "signing up" force me to attend school?

Answer—No. In filling out and signing the original form you are merely applying for your Certificate of Eligibility. Upon receipt of this you can enter any school at any time.

Q. If I live near a county boundary line, may I go to the school of my choice?

A. Yes, you may go to any school in the United States where they will accept you.

Q. What size farm or ranch must I own or have leased or rented before enrolling in a class in Agriculture?

A. No definite size has been specified. A local committee of farmers will determine your eligibility.

Q. Will be required to operate my farm or ranch under prescribed plans and methods developed by someone other than myself?

A. No, each individual enrolled in the school makes his own individual plans and programs of work.

Q. What educational qualifications must a veteran possess in order to enroll?

A. None. The educational benefits are available to you if you had 3 months in the armed forces, regardless of your previous education.
