Amarillo Bus Tickets Are On Sale In Post Today

POST FOLKS AT WORK:

King Bingham who, in partnership with Earl Rogers, owns the Garza Tractor and Implement Company is shown demonstrating one of the new "buggy-topped" Ford tractors which he has on display. His company carries a full line of parts and equipment for all Ford tractors and other implements. In addition to the tractor shown above, he has on display a new model

two-way plow and a loader, which are ready for demonstration. Bingham said he is planning to cooperate with the Soil Conservation Service on a field demonstration in the near future. All the new Ford-Dearborn equipment will be demonstrated. Bingham has two hobbies: Livestock farming and his grandchildren. —Staff Photo

Post Antelopes Net \$2,612 From Playoff With Lockney

Post's share of the gate at the Post-Lockney Bi-District Championship Football Playoff in Lubbock last Thursday was \$2,612.27. Supt. G. R. Day announced this week.

Total gate receipts, he said, was \$7,729.50. From this total amount, expenses were paid, as follows:

Tax, \$1,291.19; officials, \$135; Interscholastic League Fee, \$321.92; gate keepers, \$58; time keepers, \$15; printing \$58; telephone calls, \$75; rent on Jones Stadium at Texas Technological College, \$611.64; football, \$13.45; total, \$2,504.95.

With the expenses paid, the remaining \$5,224.55 was divided equally between the two teams. Proceeds from the Post-Little-

field District Championship game netted \$1,217 for the Post High School Athletic Department.

The total proceeds to date from championship games is \$3,829.27.

If favorable weather results in a crowd of 10,000 spectators at the regional championship game in Amarillo Saturday, the Post team can earn more money than at any previous game, because, thanks to Amarillo hospitality, the expenses will be comparatively little.

Bargain Days For Post Dispatch To End On January 1

It's less than 30 days until the end of the Post Dispatch Bargain Rates.

Now is the time to renew subscriptions or take new subscriptions to the Post Dispatch at a saving of 50 cents each. After January 1, the regular rates—\$2.50 for Garza County and \$3 for outside the county—will go into effect.

Renewals will be dated from the expiration dates of the subscriptions now in effect.

EXCAVATION BEGUN

Oliver and Bellamy of Midland, contractor, begun excavation Tuesday for the new swimming pool at Camp Post.

Post-Phillips Playoff May Draw 10,000

Chartered bus tickets to the Post-Phillips game at Butler Field, Amarillo, Saturday may be bought at Hundley's today at \$4 per seat for round trip. The number of tickets sold by tonight will determine the number of busses to be chartered from the Texas, New Mexico, Oklahoma Bus Company.

Three busses have been engaged already to take the band members and school teachers. These and busses to accommodate those who buy tickets by tonight will leave from Hundley's at 8:30 a.m. Saturday and arrive in Amarillo in time for lunch. After lunch, the busses will take the passengers to Butler Field and remain there to bring them home after the game. A stop will be made for an evening meal.

As the game will be the only football tilt in the Panhandle area, it is expected that at least 10,000 fans will be on hand for the regional playoff.

Site and day of the game between the two undefeated, untied teams were decided Sunday by two coin tosses at a meeting of Post and Phillips school representatives at Amarillo. The Post group preferred Jones Stadium in Lubbock because of two factors: Milder weather and the (Continued On Back Page Col. 2)

American Legion Makes Survey Of Local Accidents

THIS IS SAFETY DAY.

A banner with the above message was swung across Highway 84 at the Main Street Intersection Tuesday by the local American Legion Post, which is launching a safety program designed to eliminate accidental injuries and deaths in Garza County.

With the help of Miss Ruth Sherburne of the Printograph Company in Kansas City, the Legion Post has been doing research this week and has learned, unofficially, that a minimum of six accidental deaths and 260 accidental injuries have been suffered by Garza County residents during 1948. The figures were obtained from the Post Clinic, the local funeral homes, Post Dispatch files and courthouse records.

Legion Commander S. E. Camp said the survey would be compared with a survey to be made at this time in 1949 in an effort to determine whether the current safety campaign is worth the effort.

In conjunction with the safety drive, the American Legion is sponsoring a Safety Slogan Contest in the public schools. A Green Cross Safety Button will be given for the best slogans.

Yesterday was the deadline for writing the slogans. The winners will be announced next week.

Hudman's Observe 3rd Anniversary

In celebration of its third annual birthday, Hudman Furniture Company is launching an anniversary sale tomorrow for eight days.

In appreciation of their business friendship with the people of Garza County, Marvin and Victor Hudman announced this week that they plan to offer the biggest Christmas bargains ever seen in their store.

Everything in the store will be marked down in price. Many of the items are listed in an advertisement elsewhere in today's paper.

Alvin G. Davis, who this week won the highest national award offered for 4-H club achievement at the National 4-H Congress in Chicago, has brought national fame to Garza County. See story on Page 1 of Section 2.

Reminder Issued For 18-Year Men To Sign With U.S.

As nearly as can be ascertained, no Garza County boys were included in the November 30 draft call.

J. E. Parker, Garza County member of Selective Service Board No. 88, said this week that he had heard that two or three men had been called.

The Post Dispatch telephoned the Lubbock headquarters of the Selective Service Board, to learn that nobody there could say whether or not any of the men who left Monday night and Tuesday for the army reception centers were from Garza County but that the Lubbock Avalanche-Journal had been provided with the list of draftees from this four-county area.

A call to the Avalanche-Journal yesterday revealed that no Garza County men were among the men who left in two groups this week.

U. S. defense officials announced from Washington, D. C., Tuesday that the January draft call will be cut from 20,000 to 10,000 and that the February call will be only 5,000. The cuts were caused by budgetary limitations, the Defense department explained.

President Truman has ordered the budget for the fiscal year starting July 1 kept to \$15,000,000,000.

Although their chances of being drafted in the near future (Continued On Back Page Col. 3)

Look Who's New

Mr. and Mrs. Sterling Julian of Carlsbad, N. M., formerly of Post, are announcing the birth of a 7 1/2 lb. daughter at 3 p.m. Sunday in the Carlsbad Hospital. The baby is a granddaughter of Mr. and Mrs. King Bingham and Mrs. Walter Julian. She was named Frances Ann.

A son, Lenford Ray, was born to Mr. and Mrs. Ray Warren last Thursday morning. He weighed 6 lb.

Mr. and Mrs. A. C. Nichols are announcing the birth of a 6 lb., 7 oz. daughter, Barbara, November 22 in the Mercy Hospital at Slaton. Mrs. Nichols and the baby were brought home by Mason ambulance this week.

Final Report Made On Junior Red Cross

The Junior Red Cross Chairman for Garza County, Mrs. Nola Brister, has announced that a total of \$94.07 was collected during a recent drive in the schools of the county. The schools participating in the drive were Post Grade and High Schools and the Verbena, Grasshuzz, Garnolia and Southland Schools.

Post Is Underdog By Four Points In Coaches' Poll

Frank Godsoe, Amarillo Globe-News sports editor, called the Post Dispatch yesterday to report that the U. S. Weather Bureau's official long-range prediction indicated warmer weather and sunshine in Amarillo Saturday afternoon. He urged the Post Dispatch to "do everything possible to promote a big crowd" because Amarillo is going all-out to entertain the guests from both Post and Phillips.

The sports editor also reported the results of a Globe-News survey of all the head coaches of Class A football teams on the High Plains in regard to the outcome of the Post-Phillips game and their predictions for the state championship.

Thirty coaches answered the Globe-News query. Twenty picked Phillips to defeat Post, nine picked Post to defeat Phillips and one said "it depends on the breaks and the weather." The 30 answers showed an average of 11 points predicted for Phillips and 7 points predicted for Post.

Ten of the coaches picking Phillips had played Phillips but (Continued On Back Page Col. 2)

Jesse McClellan Dies When Struck By Lubbock Car

Funeral services for Jesse McClellan, former Garza County resident who was killed Tuesday night when struck by an automobile in Lubbock, will be held at Grassland, also his former home, with Hudman Funeral Home in charge. The date of the funeral was pending arrival of relatives by press time.

McClellan, who made his home in Lubbock with a sister, Mrs. Ellaphine Lamb, was killed almost instantly in the accident, which happened about 6:15 o'clock on East Broadway, a few yards east of the entrance to Mackenzie State Park. He was believed to have been walking back to Lubbock from a farm on the Idalou Highway where he had been employed the past week. Witnesses said he was walking toward town on the left shoulder of the highway, and apparently ran diagonally across the road into the path of a car which was also coming into town. The vehicle was driven by Billy Roy Springer of Lubbock.

Surviving relatives, in addition to Mrs. Lamb, include a daughter, Jessie Mary, of Brownfield; two sisters, Mrs. Ewing King of Post and Mrs. Jack Case of Pattonville, and five brothers, Noah of Sargent, Bryant of Talco, Walter of Dumas and Morris and Ray, both of Garza County.

Xmas Decorations Appearing Over City

Christmas decorations are being taken out of mothballs and the attic and are appearing in store windows and homes all over the city. The first tree a Dispatch reporter observed was being put up in the Parsons Dress Shop last week. The first home decorations observed were those at the Elbert Davies home.

The city will string colored lights up and down Main Street within the next few days.

Grade School Cage Games Break Even

The Post Grade School basketball teams lost a girls' game, 21-3, and won a boys' game, 10-8, with Graham Tuesday night. The boys made their winning score in the last half minute of play. Principal E. E. Pierce said yesterday.

Holly Speaks In Favor Of Better Roads

A small crowd attending a called meeting of farmers and others interested in good rural roads in the district court room Monday night heard W. O. Holly, a Garza rural mail carrier, discuss the need for hard-surfaced roads on all the mail and school bus routes in the county and participated in a round-table discussion of the subject.

Judge J. Lee Bowen, chairman of the committee to organize a Garza County Rural Roads Association, issued to the county commissioners and others attending the meeting books from which they can sell memberships in the Texas Rural Roads Association, whose purpose it is to have a million members throughout the state. The association's aim is to get hard-surfaced roads for every mail and school route in the state. To accomplish this, it is working through the county organizations such as the one formed here Monday night.

Membership in the association is \$1 a person.

The West Texas director of the state association, W. C. Foote, Petersburg rural mail carrier, was unable to attend the meeting because of an injury received in a recent accident. He sent a message, however, as to why he believed Garza residents should join the association.

"You should join this association and be a part of the group making the request to the Legislature for a rural road program. The Legislature wants to do what the majority of you want, but only through organization can you show them what you want."

Rotarians Selling Tickets To Magic Circus On Dec. 19

Every member of the Post Rotary Club has tickets to sell for the appearance of Dr. Gaffney, master magician, and his company Saturday night, December 18, in the Post High School auditorium, beginning at 8 o'clock. Proceeds will benefit Boy Scout Troop 16, which is sponsored by the Rotary Club.

Billed as an internationally known artist who gives a streamlined performance of ultra-modern miracles, Dr. Gaffney's show will last two hours. Featured with him will be an artist billed as "Viola and her Magic Doves" and a cast accomplished in music, dancing and charm. The program is said to be "a big indoor circus of mystery" varied enough to intrigue the entire family.

Clyde Duren Dies In Denver Friday

Clyde (Cotton) Duren former Post resident who had been a patient in the Fitzsimmons Veterans Hospital in Denver, Colo., the past four years died there Friday morning.

Funeral services were held at the Campbell-Lewis Funeral Home in Trinidad, Colo., Monday afternoon and burial was in the Trinidad Cemetery.

His death was believed to have been the result of second degree burns which he received about two weeks ago when his bed caught fire. He lost consciousness soon afterward and never regained it before passing away.

Survivors include three sons, who live in Trinidad; six brothers, Paul Duren of Post, Dale of Pueblo, Colo., Fay of Denver, Bren of Trinidad and Leroy of Durango, Colo., and two sisters, Mrs. L. L. Wendell of Sherman and Mrs. Leroy Harmon of Pueblo.

Two Sousaphones To Add Zest To Band

When the Post school band appears between halves at the Post-Phillips Regional Championship Football game at Butler Field in Amarillo Saturday afternoon, it will use, for the first time, two new double B flat Sousaphones.

Bandmaster Merle Jenkins said that one of the new instruments was purchased with a big donation from the Comanche Oil Corporation. On behalf of the band and the Post Schools, he expressed deep appreciation for the gift.

Mr. and Mrs. "Lefty" Davies and children and Mr. and Mrs. Curtis Davies and daughter spent Sunday in Cisco with the Harold Davies family.

Mrs. John Faulkner returned Monday from Big Spring, where she spent 12 days visiting her sister, Mrs. Joe Kuykendall. While away, she also visited in San Angelo, Eden and Lubbock.

June Armistead spent the weekend visiting her father, James Armistead, in Lubbock.

Mr. and Mrs. Bill Roberts and Mrs. R. C. Anderson of Lubbock were Sunday guests of Mrs. Walter Hyde and Miss Gladys Stevens.

Mr. and Mrs. Arlin Windham and daughter of San Angelo were recent guests in the home of his father, John Windham.

Mrs. M. L. Nichols of Alamo-ordo, N. M., recently spent several days visiting with her son, Lester Nichols, and family.

CLINE R. PADEN

Italian Mission To Be Discussed At Local Church

Evangelist Cline R. Paden will speak at the Church of Christ at 7 o'clock Friday evening concerning the work that the Church of Christ is planning to do in Italy. Paden, who has preached here a number of times, is being sponsored in this work by the Crescent Hill Church of Christ of Brownfield and he plans to spend the remainder of his life preaching the Gospel to the Italian people.

Last fall he and William C. Hatcher, who is being sponsored by the Hayes Avenue Church of Christ in Detroit, Mich., went to Italy to obtain the needed information to start the work there. They spent two months taking pictures of conditions. Paden will show 1,200 feet of the movies here tomorrow night and talk regarding his observations while there.

Fourteen missionaries will leave for Italy January 1. Paden and his wife will be in the group. The missionaries will establish a boys' home for the Church of Christ near Rome, engage in public proclamation of the Gospel and further a program of benevolent work sponsored by the Churches of Christ in the United States.

The public is invited to see the pictures and hear Paden describe this work tomorrow night, the local pastor, Paul Mayr, has announced.

Grade School News

Written By Pupils

The grade school students enjoyed parties on Wednesday afternoon of last week before turning out school for the Thanksgiving Holidays. The first grades, two groups of the second grade, the third grade, fourth grade and one group of sixth graders enjoyed parties at the school given by the room mothers. They played games and had refreshments.

A theatre party was enjoyed by one group of second graders, fifth graders, one group of sixth graders and the seventh graders. They saw, "Give My Regards to Broadway." They returned to the school building, where the room-mothers served refreshments.

Room 5-2 is making plans for a Christmas party on December 23. Mrs. Maxine Presson is the teacher.

The grade school basketball teams went to Graham Tuesday night for a girls and boys game.

Mrs. Roxie Pierce of San Saba, mother of Principal E. E. Pierce, is ill.

The 4-H girls met Tuesday at 1 p.m. They learned to make trays.

The grade school band students honored Merle Jenkins with a birthday party in band class yesterday.

Mrs. Jim Cunningham in Post. Mrs. Edna McClendon has had a water tank for her stock built on her place.

Mr. and Mrs. J. C. Fumagalli spent the holidays in Roswell, N. M., visiting with their son, Bill, and saw him play a polo game between N.M.M.I. where he is a student, and El Paso. The N.M.M.I. team won.

SMALL GIN FIRE

The Post Volunteer Fire Department answered a call to the Pleasant Valley Gin Monday afternoon, but found the fire extinguished when they arrived. The fire, which originated in a trash pile, was in the boiler room. The damage was negligible.

ACA Elections On December 11 Will Help Agriculture

Community farmer committee elections will be held in Garza County for "C" Community at the Garza County ACA Office on Saturday, December 11, and for "A" and "B" Communities on Tuesday, December 14, at the Church of Christ at Graham and the Basinger Hardware at Southland. There will be boxes for absentee ballots for all communities in the Garza County office. Will Wright, chairman of the County Agricultural Conservation Committee, announced today.

At these elections Community Committeemen to administer the Agricultural Conservation Program and related programs for 1949 will be chosen. Since both the Agricultural Conservation Program and Price Supports are of vital concern to farmers of Garza County, it is to the best interest of each farmer to participate in this election, Wright said.

This farm program with its elected farmer committees gives farmers an opportunity to administer their own program. It is truly a democratic method of administration, ACA officials believe.

Wright explained that any man and his wife who have participated in the 1948 Agricultural Conservation Program, Sugar Program, who are eligible for a commodity loan or other price support or who have a contract with the Federal Crop Insurance Corporation, are eligible to vote in the election.

Every farmer who is eligible to vote has a responsibility to cast his or her ballot, the chairman said. "We shall well be at the crossroads this year. We may neglect our opportunity to administer our own program and let control of agriculture slip away from us; or we may unite back of the farm program and build for a better and stronger agriculture in the future. It is our choice," he explained.

District President Of PTA Expresses Convention Thoughts

A statement regarding the recent convention of the Texas Congress of Parents and Teachers in El Paso, was released to the press this week by the district president, Mrs. E. S. Smith, of Locozeno. It follows:

"The convention program was one of the best, and the El Paso people were such fine hosts. You will be reading from month to month in the Texas Parent-Teacher magazine the good things that each speaker gave. Mrs. J. H. Moore, state president, brought an inspiring message in her presentation of the convention theme. Other important speakers were Mrs. C. C. Clark of Naichez, Miss. Dr. Robert E. Allen of the University of New

Mexico, Albuquerque; Dr. Henry H. Hill of George Peabody College for Teachers, Nashville, Tenn., and J. G. Bennis of El Paso.

"The 14th District was most ably supported on the State Board and Program by two of its outstanding members, Mrs. H. G. Stinnett of Plainview, first vice-president, and Mrs. H. F. Godeke of Lubbock, vice president of Region VIII. We are exceedingly proud of them.

"Your district president was made most happy by the telegrams and flowers from the City of Locozeno, the Lorenzo P.T.A.; the Lorenzo Woman's Study Club and the local units, delegates and visitors from the 14th District."

Among the 60 people attending the convention from the 14th District were Mrs. Lee Davis and Mrs. K. Stoker.

Post Antelopes Eke Out 7-6 Victory In Lockney Bi-District Championship Game

The Post Antelopes battled the over-sized Lockney "Bulldozers" to a heroic 7-6 victory to win the championship of Districts 4-A and 3-A last Thursday afternoon in Jones Stadium at Texas Technological College, before an audience of 8,000 to 10,000 spectators. Jack Kirkpatrick's "educated toe" was the deciding factor in the game, as without the extra point a tie might have resulted in the loss of the bi-district championship.

The Longhorns opened the scoring in the first quarter, driving 33 yards on seven plays to send their hard-hitting Jerry McCullough over center into pay-dirt. McCullough's plunge for extra point was stopped an inch or two short of the goal that might have given the Steers a victory.

Although the Antelopes drove to the Lockney 15-yard line just before the half ended, they did not score until the third quarter. A 71-yard Antelope surge in the opening moments of the third period was halted on the one-inch line. The drive, however, gave the Antelopes their biggest scoring chance and the second time they made good. They covered 38 yards on five plays with a 15-yard unnecessary roughness penalty against Lockney helping them. Junior Malouf carried the ball every time except once, when Charles McGuire took it to send the drive into the end zone, where Malouf took over for the touchdown.

The Lubbock Avalanche, in describing the game at this point, said "Kirkpatrick stepped back, surveyed the goalposts and calmly flipped the ball over the bar to hand the Antelopes the win."

With four and a half minutes remaining in the third quarter, Lockney made another try. Calvin Pyle returned the kick-off to the 26 and a drive of 37 yards started with Jack Cole passing once to Pyle for a good gain and McCullough lugging consistently. On the second down, Lockney went for the distance, pulling Pyle out on an end around.

The handoff was bad, Pyle fumbled and Roy Teaff recovered for Post. When Lockney next got the ball, in the fourth quarter, it was on their own 18-yard line. The Longhorns started a drive, ploughing through to the Post 36-yard marker. There the Antelopes held, forcing Lockney to punt. Malouf at this point sent a kick 71 yards to the Longhorn 16.

With less than three minutes remaining, Lockney disregarded the air and stayed on the ground, where the Steers were exceedingly powerful. Lockney "bulldozed" to the Antelopes 47, where Cole fumbled and Kay Kirkpatrick recovered.

The Antelopes had driven down to the Steer 31-yard line when the game ended.

It was obvious from the opening kick-off that both teams were playing for a coveted championship, and both the Antelopes and Longhorns demonstrated the best tackling that their fans had seen all season, and there were Lubbock fans in the stadium who declared it was the most exciting game played this season on the Jones grid.

Each of the Antelope regular players turned out a sparkling performance, while trying to buck the immovable object that

"We Can Win If We PLAY BALL---" Coach Believes

The undefeated Post Antelopes, champions of Football District 4-A and 3-A, have spent the past week massaging sore muscles and, in the case of three players, recuperating from influenza, in preparation to meet the fast, traditional winners of the Panhandle area, the Phillips Blackhawks, Saturday at 2 p.m. in Butler Field, Amarillo. The game will be for the regional championship, winner of which will meet the winner of this week's Monahans-Ballinger game in a semi-final playoff.

Although the Antelopes were badly bruised at the hands of the District 3-A Lockney Longhorns last week in Lubbock, Coach V. F. Bingham believes they will be in good shape by Saturday and, he stated, "I think we can beat Phillips if we play ball."

The Antelopes outweigh the Blackhawks a little in the line and a lot in the backfield. The Blackhawk fullback average is 128 lb. For the past 10 years, Phillips has been considered one of the best coached Class A teams in the nation and its record, as outlined elsewhere in today's paper, has substantiated this theory.

All of this year's Blackhawks are fast, and they have one of the best centers in the state, 176 lb. Jimmy Walker. Two boys in the backfield, M. Eldridge, 128 lb. and B. Braden, 120 lb., also have given the Panhandle fans plenty of thrills this season.

The Blackhawk record on points gained and lost is noticeably better than Post's. Phillips has won 284 points and lost only 24 this season. Post has won 233 points and lost 38 points to date. The Antelope scoring record follows:

Junior Malouf has made 20 touchdowns and three conversions, 121 points, and has also made the longest runs, 85, 80, 75 and 65 yards. Because of injuries, he has been able to play in only nine of the 11 games

Globe-News Is Watching Four Post Men For All-Regional Football Team Honors

Readers of the Amarillo Globe-News in this area have been aware that the newspaper's sports department had Phillips and Post jointly ranked in the No. 1 spot of its weekly ratings of the top 15 teams on the High Plains throughout the last six weeks of the regular season.

Feeling "pretty good that our predictions wound up at the top of the heap," the sports editor, Frank Godsoe, wrote the Post Dispatch a long letter, praising both the Antelopes and the Phillips Wildcats and giving a summary of background information regarding the latter. The letter follows, in part:

"Phillips scored 284 points through the regular schedule and in the first round of the playoffs, having the best scoring record of any of the 32 teams included in the first four districts. The blackhawks have allowed only two touchdowns against the first string, two others against the reserves — 24 points.

"Post will outweigh Phillips a few pounds in the line and quite a few in the backfield, as the Blackhawk's starting backs average only 128 lb. Phillips runs the T-formation as does Post. The team has featured speed and clever ball handling all year, or did, that is, until the quarterback, Billy Hughes, received a broken arm in the District 1-A championship game with Perryton.

"Chesty Walker, the Phillips coach, has the best 10-year record of any schoolboy coach in Texas, perhaps in America. He moved in at Phillips in 1939, won six Region 1-A championships in nine years, more than any played to date.

Charles McGuire has passed for nine touchdowns, three to K. Kirkpatrick; three to R. E. Josey, and three to Maurice Fluitt.

Ronnie Bouchier has scored five touchdowns for 30 points. His longest runs were for 50 and 45 yards.

Jack Kirkpatrick has kicked 17 out of 20 attempts for 17 points.

Coaches Bingham and Vernon Ray are tentatively planning to start Saturday's game with the following line-up:

Jimmy Smith, center; Donald Carpenter and Calvin Storie, guards; Maurice Steizer and George Pierce, tackles; A. J. McAlister and Maurice Fluitt, ends; Charles McGuire, quarterback; Junior Malouf, left half; R. E. Josey, right half, and Ronnie Bouchier, fullback.

Carpenter, Storie and Malouf have been battling influenza this week, but Coach Bingham is expecting them to be able to play on Saturday.

NEW BASKETBALL SUITS

The new Girl's Basketball Suits arrived last week and were used the first time in the game at New Deal Tuesday night. They are bright gold satin with black initial P's and black numbers ranging from the 50's to 62. The blouses have cap sleeves; the skirts are trimmed with black down each side and around the legs.

Guests of Mrs. Fannie Maude Mears last Friday were Mr. and Mrs. Leland Scifers of Whiteface, Mrs. Mears and Mrs. F. I. Bailey spent yesterday visiting friends in Snyder.

other Class A school in the state, eight district championships in 10 years and seven bi-district championships in 10 years. His overall record against all competition, including Class AA Schools, is 109 wins out of 123 played, 12 losses and two ties.

"Last year Phillips didn't win the district championship, losing to Perryton in the title game by a 33-0 margin. That snapped a string of 42 in a row against Class A competition. Perryton undoubtedly had one of the greatest teams in Texas.

"The Globe-News staffed your games with Levelland, Lockney and Littlefield this year, so we are fairly familiar with the personnel of the Antelopes.

"Phillips has three linemen of the approximate calibre of Calvin Storie of Post. They are Dan and 'Porky' McClellan and Billy Joe Snyder, guards, and Jimmy Williams, center. We consider Williams one of the better schoolboy centers and line-backers in Texas. He's terrific and should have a good battle with Jimmy Smith of Post.

"Phillips has had a Williams

playing center every year since 1939. This one looks best of all. Two of his brothers are playing for Texas Tech and one plays for West Texas State. He weighs 175 lb. and is the heaviest man on the team.

"When Hughes was injured against Perryton, Billy Braden, 120-lb. right halfback, moved to quarterback to call the plays and hand off the ball on the T-formation. His place was taken by Johnny Usery, 128 lb. Braden has small hands and it is considered doubtful that he could do a very good job of passing off the ball until the Lefors game. He did most of the running, personally accounting for over 100 of the 143 yards totaled by Phillips. Lefors had a very strong line. Others in the Phillips backfield are Tommy Moore, 150 lb., playing halfback, and Melvin Eldridge, 127 lb., playing left half.

"I thought Post was great against Lockney and am very high on Storie, Smith, Malouf and McGuire. All of them will be considered when we select our all-regional team."

District 4-A To Have One Bracket Only Next Year

Football competition in District 4-A in 1949 will be conducted on a "single unit" schedule instead of the north and south brackets set up this season, according to plans made Tuesday night at a meeting of the District 4-A executive committee. Coach V. F. Bingham attended the meeting.

The representatives of the 11 loop schools decided that each school will play a full schedule of 10 conference games next season, but the exact game slate will not be drawn up until a meeting which will be held in January.

Teams which are slated to compete in 4-A next season include Slaton, O'Donnell, Post, Tahoka, Seagraves, Littlefield, Sundown and Sudan do not have the minimum enrollment to compete in Class A, but the three schools were voted in—at their request — by the other district members.

Representatives from all of the schools except Tahoka and Muleshoe attended the meeting at Levelland High School.

Basketball Girls Lose Two Games

The Post basketball girls lost two games in a tussle with Deal there Tuesday night. A team lost was 15-14 and another 12-14.

At the half the girls were leading by 6 points. The game, the opponents had out in the last quarter. The pivot position and scoring honors. Joy Stewart, high pointer for the team.

Janet Stewart, Jeanette and Alice Ruth Carr are forward positions in the line of the A game with Nell Bowen, Frances Bennett, Clotta Buster holding guard positions.

At the end of the first quarter the two teams were tied. In the second quarter, the girls lost out, and by the New Deal was 10 points. Their high pointer played well and was able to get the goal by shooting with her right or left hand. Janet Stewart took the big honors for Post with 10 points.

Paisley shawls were featured in Paisley, Retneworthland.

F. Presson And Margaret Roe To Married December 27 At Kingsville

Mrs. J. C. Roe of Atchafalaya, having graduated from the Western Union High School in Springfield, Mo. She is a graduate of Post College in Lubbock, Tex. She will live in Kingsville, Mo. She is employed by the Refining Company.

Among Post folk attending the wedding will be his mother and his brother, Kent; his aunt, Mrs. W. R. Graeber, and his uncle and aunt, Mr. and Mrs. L. A. Presson. The engagement was announced at a tea given November 22 by Miss Roe's aunt, Mrs. Laura Roper, and Miss Ena Talbot, both of Kingsville.

A color scheme of gold and white was used. The table, lace-covered, was centered with a bouquet of yellow mums surrounded by miniature telegraph poles and lines. A double bell cake, decorated with calla lilies and tiny yellow flowers and tied with a maline bow was placed over a reflector. Bouquets of mums and roses decorated the living room.

The wedding date was announced on a miniature telegram, reading KGOOI PD—Kingsville, Tex. 22—TO WHOM CONCERNED MARGARET AND GLENN DECEMBER 27.

MRS. LULA FLOYD

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever.

Minute Prayer:

Our Father, Enable us to live as not to spoil a single day or grieve a single heart by deeds that might never be undone, or words that might never be recalled. Amen.

Mary J. Adamson Becomes Bride Of J. A. Humphries

Miss Mary Jeanne Adamson, daughter of Mrs. D. R. Adamson of Tahoka, formerly of Post, became the bride of Johnny A. Humphries of Midland, son of Mr. and Mrs. J. A. Humphries of Arkadelphia, Ark., last Thursday.

Harold Paden, Church of Christ minister of Lubbock, performed the double ring ceremony in the home of the bride's mother, before an archway of bronze mums and greenery, at 12 o'clock noon. The bride was given in marriage by her brother, D. R. Adamson, Jr., of Tahoka, wore a white wool suit with bronze accessories and an orchid corsage. She also wore a strand of pearls belonging to her grandmother.

Miss Connie Leeper of Denton, maid of honor, wore a hunter green dress with black accessories and a corsage of bronze mums.

Donald Adamson of Tahoka, brother of the bride, attended the bridegroom as best man. After the ceremony, a dinner was served. The table was laid with a linen cloth and centered with a three-tiered wedding cake.

On the wedding trip to Arkadelphia, Mrs. Humphries wore an aqua wool suit with brown accessories. The couple will be at home in Midland upon their return.

The bride is a graduate of Tahoka High School. Among the out-of-town guests present for the wedding were Mrs. Doris Roach and Mr. and Mrs. H. W. Roland and children of Midland and Mr. and Mrs. Herbert C. Hoover, and son of Crosbyton.

Almeta King of Plainview was here Thursday wearing a snazzy looking engagement ring. She brought the lucky boy, C. C. Reed, along to "meet the family."

Putt Powell, a bachelor sports writer for the Amarillo Globe-News, observed the Post-Littlefield game in Post. A letter to the Amarillo sports department from the Post Dispatch thanked the paper for sending a writer to the game and regretted that he didn't have time to "hang around after the game and meet some of the sweet young things." Frank Godsoe, the Globe-News sports editor, answered the letter, saying "If Post wins here Saturday and you play at home in the quarterfinals or at Lubbock probably I will staff the game. Hope I do better than Putt and hang around long enough to get acquainted with the sweet young things. I, too, am single."

Frances Cook of Wichita Falls spent the holiday weekend here visiting her cousin, Rowena Hodges.

PHS Boys Vying For "Sweetheart" Honor On Tuesday

The Dinner Bell Club met Monday morning in the high school auditorium to set a date for the coronation of the F.H.A. Sweetheart. The date has been set for Tuesday night at 7 o'clock in the gymnasium.

Nominees for "sweetheart" and their escorts from the high school grades are: Senior, Mack McCullough escorted by Janet Stewart; Junior, Buddy Hays escorted by Joy Stewart; Sophomore, Giles Dalby escorted by Mary Nell Bowen; and Freshmen, Cordell Custer escorted by Barbara Norris. The contest is being carried on by penny-a-vote boxes and the "sweetheart" will be selected when the contest closes at 1 o'clock Tuesday afternoon.

Immediately after the coronation ceremony, there will be a box supper and games of 42, ping-pong and bingo. The public is invited to attend.

At the Monday meeting, the club members drew names for a Christmas party. The date will be announced later.

The club voted to pack Christmas boxes for underprivileged children overseas.

Junior Club Plans Supper For Dec. 14

The Junior Culture Club met the night of November 23 in the home of Mrs. N. W. Stone with Mattie Evelyn Collier as hostess and June Sutton as co-hostess. Roll call was answered with current events. Elaine Gibson, chairman of the entertainment committee, reported plans for the club's buffet supper to be given December 14.

Phyllis Haws and Jewell Strasser were elected to membership. The program chairman, Joy Schuitz, discussed "What Is Federation?" Inez Hartell discussed "Why Be Federated?" and Helen Carter talked on "Federation and Our Club."

The hostesses served a salad plate, hot spiced tea and individual decorated cakes. Twenty members were present.

Three New Members Received By Group

Joy Evans, Joyce Pharriss and Venita Kilpatrick were elected to membership in the Junior 4-H Club this week when the club met at the school building.

Agnes Dodson, president, presided for business, and Gayle Askins, secretary, gave a report. Ruby Montgomery was named foods demonstrator; Arieta Gary was named clothing demonstrator, and Leslie Nichols was named game director.

A sing song was conducted by Mrs. Maxine Presson, sponsor of the club.

Home Demonstration Clubs Plan Party

The next meeting of the Home Demonstration Club members will be held on December 10 when a Christmas party will be held at the First Methodist Church. The Justicebury club will have charge of the program. At this time members will exchange handmade gifts from a Christmas tree. Gifts are not to be valued for more than a dollar.

There will be no meetings this week of any clubs as Mrs. Jewell Strasser is completing the official report of the county clubs and will be busy with office routine.

Amarillo Choir To Sing In Lubbock

The Lubbock Symphony Orchestra will present its second concert of the subscription series, Wednesday, December 8, in the Lubbock High School Auditorium. At this time, the orchestra will present as its guest, the Amarillo High School A Cappella Choir, an outstanding singing group which has been the demonstration choir for the past two years for the annual convention of the Texas Music Educators. Last summer the AHS A Cappella Choir was chosen to sing in Madison Square Garden and included on the New York visit a nationwide broadcast over NBC. It is rated by many critics as the top high school choir of the nation.

The growth of A Cappella singing in Amarillo High School is almost unbelievable. It be-

Good Grass Makes Neighbors Want Soil Conservation

Ranchers and farmers who don't want good grass ought to stay away from good pastures, because the fever is catching.

Last week when the GI Vocational Agriculture class was on the Giles McCrary's pasture some of the boys said "This is the best grass I've seen for a long time."

Bruce Montgomery lives just beside the Paddle Ranch's Bull Pasture. The Post Dispatch carried a picture some time ago of grass knee deep in this pasture. Montgomery started deferred rotation grazing on his pasture this fall. This week he showed soil technicians the improvement in his pasture and pointed out the high forage grasses.

Crop residue, incidentally, is preventing Montgomery's land from blowing. Montgomery, whose farm is near Clairemont, is carrying out a conservation plan with the Duck Creek Soil Conservation District. Recently he said "Last year my land just about got away from me a couple of windy days. Now I've got it where it won't blow. Had I started this practice in my cropping system several years ago the soil would be better now."

Last spring, on deep sandy land, Montgomery made a thick planting of red top cane in rows. It got six to seven feet tall. After frost this fall a combine was used to harvest the seed. A stubble three feet high was left standing and the rest of the stalks were scattered over the land. On the deeper sandy soil, Montgomery plans next spring to plant African weeping lovegrass in this stubble mulch.

Montgomery has several thousand pounds of cane seed, so that district cooperators, who will need it next spring, can buy it at a saving.

Governor Jester Proclaims Month To Help Europe

On Thanksgiving Day the American Silent Guest Plan for relief to distressed Europe was inaugurated over the nation for a second consecutive year, Governor Jester has announced.

The Governor proclaimed the month November 25 to December 25 as Silent Guest Plan month in Texas.

Last year's drive netted more than \$1,400 for Texas's share of the aid to Europe's poverty-stricken people — war orphans, widows and old folks. The Governor expressed confidence that donations in 1948 will exceed those collected last year.

As projected through the nation, this plan calls for each American family to invite a "Silent Guest" to eat at his table for one month, sharing in a Thanksgiving and a Christmas dinner.

Mindful of the fact that it would cost a family approximately \$30 to feed a guest for one month, the Governor has suggested that those families with limited incomes may "share" a Thanksgiving meal, or that and a Christmas dinner.

After calculating the cost for feeding this extra person, the family may mail a check or money order, covering that sum, to the Governor's office in Austin. The collections will be forwarded then to Committee headquarters for purchase of food packages from the non-profit, government-approved organization, CARE, for delivery to needy families in Europe, Governor Jester said.

CARE, the Cooperative for American Remittances to Europe, Inc., was chosen by the American Silent Guest Committee last year to handle the funds because it represents all of the major religious and nationality groups, and is the only organization of its kind so comprehensive in scope.

Why Dutch is Growing a Beard

That beard on Dutch Miller's chin doesn't mean that he's getting ready to play Santa Claus. He's simply paying off the election bet he lost to Cappy Swanson.

And while some folks allow it's all a lot of nonsense—like the wheelbarrow ride that Cappy had to give Dutch after last election day—from where I sit, it's a mighty wholesome aftermath to a difference of opinion.

Because good Americans all take their politics and voting mighty seriously. But when the issue's settled, and the die is cast, accept the verdict in a good humor.

And that's as it should be. Some folks vote for their favorite beverage, vote for cider. In fact, differences of taste in anything! But that doesn't mean we can't live together in good fellowship.

Get a FORD "PHYSICAL"

Every 5000 MILES

10000 15000 20000

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical" — which includes a thorough engine, ignition, electrical, wheel and brake check... and a complete inspection of the body, inside and out.

Make it a habit to let us check your Ford regularly to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Malouf, McGuire, Stelzer Awarded Merchant Prizes

The Post Antelope Booster Club met Tuesday night in the High School Auditorium with a record crowd attending. The meeting was opened with a discussion of the district championship game between Post and Littlefield. Prizes were awarded to Junior Malouf and Charlie McGuire in the backfield and Maurice Stelzer for the best lineman in that game. The prizes were offered by Tom Power, Pure Food Market and Hamilton Drug.

Coach Ray talked on the Phillips-Lefors game which he attended Saturday. He explained about the coin tossing which caused this week's game to be played in Amarillo on Saturday. Alex Webb showed a movie of the Post-Littlefield game.

The Rev. D. A. Bryant made a short talk congratulating the Antelopes on the clean games they have been playing and the good sportsmanship of the boys.

G. R. Day made an announcement about the Post-Phillips tickets that are on sale at his office for the Saturday game.

Jim Hundley announced that as many chartered busses as are needed may be secured from T.N.M. & O. coaches if persons interested in riding the bus will buy their tickets at Hundley's Store by tonight.

Marshall Gibson, Booster president, closed the meeting with a short talk to the Antelopes, encouraging them to keep right on going with their style of football and reminded them that they are one of the 16 teams out of 400 in the state that are still in the running for the state championship title.

Coach V. F. Bingham was unable to attend the meeting because of an out-of-town district coaches' meeting.

Gibson has announced that no more prizes will be awarded the boys for their outstanding play in the games, as the district game with Littlefield was the last one to be judged.

Mr. and Mrs. Ed Lawrence Robertson of Denton and her father, Frank Nease of Plainview, former Post residents, attended the Post-Lockney football game in Lubbock last Thursday.

POST IS UNDERDOG—

(Continued From Front Page) had not played Post. Nine of the coaches answering the query had played Post. Of these, five picked Post, three selected Phillips and the ninth was the coach who said "it depends on the breaks, etc."

Seven or eight of the coaches, Godsoe said, predicted that the regional champions "can't beat Monahans," six believed that the winner of the Post-Phillips game can beat Monahans, three coaches said the winner of Saturday's game will go to the finals and three said the regional winner also will win the state championship. Seven or eight of the coaches queried made no predictions beyond Saturday's game.

AMARILLO TICKETS—

(Continued From Front Page) chance for more local fans to witness the game. The Phillips group, which is acclimated to the Panhandle weather, preferred Amarillo so that more Phillips fans could witness the game. Coach V. F. Bingham preferred Friday, because more Post fans could witness the game that day than on a Saturday at this time of year. The Phillips coach preferred Saturday because 3,000 Phillips fans employed in the refinery there do not have to work that day.

Bingham was reconciled after losing both tosses, because Butler Field was offered free of charge and the Amarillo Chamber of Commerce offered to handle ticket sales to the game without charge to both teams and to sell advertising for football programs and split the profit between the two teams. As can be seen by reading the expense account of the Post-Lockney game in Lubbock, itemized elsewhere in today's paper, this will provide several hundred extra dollars for each team.

Football tickets are on sale in the office of Supt. G. R. Day at Post High School. They are \$1.50 for reserved seats, \$1.20 for general admission and 50 cents for students. The deadline for buying them is 10 a.m. Friday.

Station KFYO, Lubbock, will broadcast the activities from Butler Field, beginning at 1:45 p.m., under sponsorship of Mason and Company. The game will begin at 2 o'clock. KFYO is 1340 on the dial.

Coach Bingham will leave with the Antelopes tomorrow morning for Amarillo, where the

Regional Winner To Look Downstate

The winner of the regional championship football game in Amarillo Saturday between the Post Antelopes, champions of Districts 1-A and 3-A, and the Phillips Wildcats, champions of Districts 1-A and 2-A, will play the regional champions of the southern part of West Texas, winner of the game between Monahans of District 5-A and Ballinger.

Last weekend, Phillips defeated Lefors by a score of 14-0 in the midst of a snowstorm at Pampa Saturday, both touchdowns having been made by Bill Braden, quarterback, who did most of the fast running for the Blackcats.

On Friday night Monahans' brilliant halfback, Waldo Young, scored two fourth quarter touchdowns to give his Lobes a bi-district 13-0 championship over the Rotan Yellowhammers at Sweetwater. Monahans, like Post and Phillips, is undefeated and untied.

Ballinger won a bi-district championship over Dublin last weekend to get into the regional playoff with the Far West.

After this week, the West Texas regional champions will be looking downstate for further laurels.

NEGRO CHILD DIES

Graveside services were conducted Thursday for Eddie Starks, colored, 3-month-old son of Mr. and Mrs. Ennis Starks of Canyon Valley. Burial was in Terrace Cemetery with Mason and Company in charge. Survivors include his parents, and grandparents, Mr. and Mrs. David Rider and Mr. and Mrs. Artice Starks, all of Canyon Valley.

REMINDER ISSUED—

(Continued From Front Page) are rapidly diminishing. 18-year olds are reminded to register in County Judge J. Lee Bowen's office within five days after reaching their 18th birthdays. "The registration order is to be enforced rigidly," Parker said, "and it is most important that every 18-year-old youth take care of his responsibility in this respect."

boys will work out in the afternoon and spend the night resting up for the game.

Clubwomen Give Report On Successful Year

County home demonstration clubs reported at the meeting held November 28 at the First Church the following 1948:

Landscaping Demonstration "Bed." All clubs had the training by the agent. All the demonstration on lawn and "Plantation Shrubs." The Education Program on Labels of Canned Goods was studied in clubs in order to save a dollar.

Had the Home Improvement Demonstrations on "Upholstering" with a total of furniture re-done.

Home demonstration, and sweet dough were participated in clubs. All clubs had the recent bake

Leather Tooling received training in leather bags" but has been the only in the tools for leather to tool billboards. This club showed educational leather tooling" at the school. However, every "Leather Glove" are making a good gloves. To date 28 pairs and three pairs have been cut and are already completed. These are beautiful brown cape skin, color pigtex are worth far more of the leather, and the home demonstration. Jewell H. Stras.

Home Demonstration made a good show. Demonstrations development. Mrs. S. F. room demonstrator; McQueen, landscape and Mrs. J. C. and Mrs. C. F. Taylor demonstrators.

have directed the work. **Demonstrators Helped** Barnum Springs and Graham Home Demonstration Clubs each had good landscape demonstrations by Mrs. W. A. Long and Mrs. Delmer Cowdrey; also excellent yeast bread demonstrations by Mrs. W. H. Barton and Mrs. O. H. Hoover. Mrs. L. H. Peel, Close City, Mrs. George Evans, Justiceburg, Mrs. C. M. Voss, Post, did well with yeast bread demonstrations.

Graham, Verbena, Barnum Springs and Justiceburg have done "Glass Etching" while Post, Justiceburg, Graham, Verbena, and Close City have completed over 60 pieces of textile painting and stenciled articles.

The clubs have finished a round 42 pieces of furniture since the agent gave the demonstration. Barnum Springs having re-finished the highest number of pieces per club: Nine.

Knitting, Crocheting Learned The clubs having crocheting and knitting demonstrations were Barnum Springs, Close City and Graham. Twenty women learned to knit and 12 to crocheting as a result of these demonstrations. All the clubs had the "Better Grooming Program."

The Graham Club was the only club which had not missed a council meeting or training school during the year. All the clubs were complimented by the agent on their fine attendance at council and training schools in 1948 and for their excellent cooperation on the Annual Fall Exhibit and Bake Show and other activities of the year.

The Close City Home Demonstration Club had two members who built new homes. Mrs. Will Teaff and Mrs. A. A. Ritchie. Four members remodeled homes. Mrs. L. H. Peel, Mrs. V. M. Stone, Mrs. J. R. Kiker and Mrs. R. E. Bratton. Mrs. Stone also put up a new yard fence, set out trees and sodded lawn. Mrs. Teaff also sodded lawn. Several members had gardens and three members have restyled three dresses and one wool suit since the restyling

dresses demonstration. All the clubs have restyled 60 garments since the demonstration.

The new club, Pleasant Valley, showed a garment at the annual meeting that had been redone since the demonstration at their first meeting with the agent the preceding Friday.

Bedrooms Improved It was reported that Mrs. S. F. Everett of Verbena has done an excellent job on her bedroom improvement demonstration. She papered the walls in attractive stripe design in pink and blue with grey background. She filled all the cracks in the floor with crack filler and painted the floor in grey. The room has windows across the north and east sides. These windows are curtained in drapery effect with ball fringe trim. The dressing table is attractively styled from two orange crates with a gathered skirt of unbleached muslin trimmed in green material with a tiny crocheted edge in delicate pink. The half bed has a flounce skirt spread to match dressing table and stool. The stool is made from a nail keg and covered with the same material as the dressing table. To make this room more attractive, Mrs. Everett added a green ruffle around the mirror above the dressing table.

For an accessory touch in the room, Mrs. Everett fashioned a match holder resembling a huge sunflower, crocheting the center and making leaves from an old green purse. She has harmonizing shaggy throw rugs on the floor and a comfortable bedroom rocker.

Every Club Participated The Exhibit Committee Report was given by Mrs. Sid Cross. Five home demonstration clubs placed educational exhibits in the Fall Show in Post. Every club participated in the general exhibits at this show, totaling about 400 entries. Each home demonstration club took part in the recent bake show, with a total of 101 entries. The Garza County home demonstration women exhibited at the Panhandle

South Plains Fair and also assisted with the club exhibits by being hostesses one day at the fair.

The Educational Expansion Report was given by Mrs. L. H. Peel who said that the home demonstration clubwomen reported on their activities to the Commissioner's Court in March and stressed the need for a secretary for the extension agents. The court voted unanimously to hire a half-time secretary.

The Home Demonstration Council officers and chairmen of standing committees attended a Training School in Lubbock for the purpose of receiving information and instructions for a better organization. The clubwomen continued their T.H.D.A. Reading Program qualifying for 10 reading certificates with the addition of 22 stars to their reading certificates. One club member entered the essay contest in the county in 1948. The clubs held an Officers and Committee Training School in May, at which time reports on the Texas Home Demonstration Association district meeting were given. A covered dish lunch was served at which time the Commissioners Court and wives were guests. This Training School was also in celebration of the National Home Demonstration Week.

Leather Is Reasonable The Marketing Committee Report was given by Mrs. Wilburn Morris. The committee sponsored one Producer-Consumer Educational Program during the year on the labeling of canned products. The committee investigated the price of sheeting, cotton materials and wool batting. It was decided that prices were too high to make a saving by cooperative buying. This committee also investigated prices on pineapple to see if the clubwomen could make a saving by buying the pineapple cooperatively but, due to a heavy crop, the pineapple prices were moderate. The council voted not to buy pineapple.

The only article the clubs have bought cooperatively this year was leather for making gloves. The estimated value of the gloves made is approximately \$145, and the women paid \$58.78 for the leather and thread.

Mrs. Morris read a letter from a citrus fruit grower giving prices of tree ripened oranges and grapefruit which may be ordered from the company by any of the club women at a nominal price.

The Yearbook Committee Report was given by Mrs. J. C. Fumagalli stating that 100 year-

books were made and issued to club women in 1948. Materials for the Home Demonstration Yearbooks were contributed by the Commissioners Court. The 1949 yearbooks are ready for the press with programs on the Clothing Demonstration, Cake Demonstration, Landscaping and Bedroom Improvement.

4-H Work Outstanding Mrs. Wilburn Morris gave the 4-H Sponsors Committee report, saying that Garza County 4-H girls won a total of 16 trips during the year, including trips to the district encampment and to the Texas State Fair and the State Dress Revue Contest in Dallas and a two-day recreation training school in Lubbock.

There are 132 4-H girls in the county. Twenty-five of them entered the dress revue contest in April and 15 of them won blue ribbons, 10 won red ribbons and five won white ribbons.

Forty-three girls entered articles in the County Fair this fall, 10 girls entered cakes in the bake show and 10 girls entered articles in the Panhandle-South Plains Fair. Five blue ribbons were won at Lubbock.

Jeanne Kiker was winner of the District 2 State Fair Award.

Four-H girls and boys have had four rallies this year, and all were well-attended.

Nineteen girls entered the recent bread show. Two girls made wool suits as club projects this year. The girls have made a total of 115 headscarves, 60 dresses, 25 slips, five slacks suits, five peddlepushers, 20 shorts and halters, 75 gowns, 30 pairs of pajamas, 15 skirts, 40 blouses and two pairs of panties this year.

They also have made three quilt tops, two bedspread and curtain sets, 35 pillowcase sets and 25 towel sets, 100 dresser scarves (embroidered or painted), one coin purse, five shell pins, seven cork notebooks, 60 etched glasses, five felt belts and several paintings. The girls also canned about 500 jars of fruits and vegetables. Some of the girls have done work in chicken raising and care and in gardening.

Finances Reported The Finance Committee Report was given by Mrs. W. H. Barton. She stated that all clubs had participated in three bake sales held during the year, that all clubs had cooperated on selling greeting cards and Christmas cards, that the Council received \$15 from the Panhandle-South Plains Fair at Lubbock for as-

Garza Boy Wins Nation's Highest 4-H Recognition

It was announced this week by the National 4-H Club Congress in Chicago that Alvin G. Davis, son of Mr. and Mrs. Glen Davis of the Graham Community, won the coveted 1948 National 4-H Leadership Award which only 19 other 4-H boys have won in the history of 4-H activities. He is the first Texas winner of the award, which included a trip to the Congress and a \$200 scholarship.

The leadership award is considered the highest honor available in 4-H club work. As the 1948 winner, he has been "the big wheel" at the National 4-H Congress which closes today. He left last Thursday night for Fort Worth to be the honor member of the Texas delegation leaving from that area for the convention. While in Fort Worth, he made several radio talks and other public appearances Friday and Saturday.

In Chicago this week, he has been toastmaster at leading banquets, interviewed on several nationwide radio hook-ups, photographed by all the news services and, in other ways, has been treated as a celebrity. On all occasions, he has made it known that he was "from Post, Texas, in Garza County." After

appearing on the "Welcome Traveler" program in Chicago Monday, he was presented with a Gruen watch from the sponsor.

The purpose of the National 4-H Leadership Award, according to Robert H. Gibson, Garza County agricultural agent, is to help 4-H members achieve the following objectives:

To gain an understanding of the major characteristics that should be developed in order to become a leader; to learn of the ways and means by which 4-H Club work is helping club members to develop their leadership qualities; to obtain a better knowledge of the need of able leadership relative to a prosperous and happy farm and home life; to become acquainted with the work of former 4-H Club members who have become able leaders in various walks of life, and to learn and appreciate the enduring values of sound leadership in a democratic society.

In order to qualify for the award, a person must win certain county, state, sectional and national honors, which include the following:

County, gold medal of honor, for outstanding boy; state, 17-jewel, gold-filled wrist watch for outstanding boy; sectional, educational trip to National 4-H Congress for outstanding boy in one of four extension sections of the nation, and national, \$200 scholarship for high ranking boy in nation, in addition to silver trophy for boy showing the most outstanding rural leadership.

This, the nation's top 4-H honor, concludes the competitive 4-H activities for Alvin, who has reached his 21st birthday and the retiring age for 4-H competition. He began his 4-H work eight or nine years ago, and he won his first trip in 1942. This current trip to the National 4-H Congress is the second such trip he has won. He has also won on trips to Mexico, Kansas City and the Danforth Foundation Camp in Michigan. He is now vice president of the first year group in the Danforth Foundation, and he is also vice president of the 4-H Club at Texas Technological College in Lubbock, where he is a student.

He previously won a scholarship of \$100 to Texas A. and M. College and he spent a year there before entering the armed forces during the war. He has a trunk full of ribbons, which he has won in fairs and other shows.

With Alvin in Chicago is E. P. Wicker Jr., of Southland who won the Santa Fe Award and thousands of boys from the 48 states, Hawaii, Alaska and Puerto Rico. E. P. left Friday for Chicago.

Three-Act Play To Be Staged By Juniors Dec. 17

The cast has been chosen for the Post High School Junior Play which is to be presented in the high school auditorium Friday, December 17, at 8 p.m. The sponsors of the Junior Class, Miss Beattie Pitts and Mrs. G. E. Fleming, have announced the following cast members:

Carolina, a Negro servant; Fern Womack; Gailya, an adopted daughter, Sue Bell Brister; Reeta, a two-faced friend; Barbara Lusty; Bert Wade, Reeta's brother; Wayne Kennedy; Mrs. Barry, Gailya's foster mother; Daisy Holly; Lora, a lively housemaid; Evelyn Sugg; Clark, a busy butler; Wayland Hood; Judge Barry, Gailya's foster father; James Barnes; Royal Manton; Burt's rival, Eugene Ford; Jim Rankin, the manacled man; Wayne Thomas.

The play, in three acts by Lillian Mortimer, is entitled "The Eyes of Love."

GRUBBED LAND Dee Coleman, 12 miles north-east of Post, recently had the mesquite grubbed off 84 acres of land. He plans to terrace this land before putting it in cultivation.

ROGER W. BABSON WRITES THIS WEEK:

Truman Should Restore Confidence Of Businessmen

New York City.—Leading businessmen are now trying to analyze Mr. Truman's promises. They were so sure that Mr. Dewey would win that they didn't bother to read Truman's speeches during the campaign. Now the New York Times and other newspapers are besieged by requests for back copies in order to read about Mr. Truman's promises. Believing Mr. Truman is honest, they take more stock in his promises than in those of his distinguished predecessor.

To Labor And Farmers

The outstanding promise that Mr. Truman made was that the

Taft-Hartley Act will be repealed. Only a coalition of Republicans and Southern Democrats could prevent this, and I am sure that even they could not prevent radical amendments or possibly a return to the Wagner Act. Although the revised Act will give the employers the same rights to talk to their wagers, yet most of the changes will be much to the advantage of labor in getting their fourth round of wage increases. Talks with some labor leaders indicate they are willing to agree to the Communist Test provided it applies also to employers.

Mr. Truman also promised the farmers that he would work for continued price supports and all other benefits which farmers

now have. So far, so good. But Mr. Truman went a step further. In addition to promising higher wages and supported farm prices, he further promised lower retail prices to consumers. Of course, this is much like promising to make 2 and 2 add up to 5. As Mr. Truman has time to think this over, he will realize that it will be very difficult to keep all three promises,—to labor, farmers and consumers. His New Deal braintrusters may tell him that this can be done by reducing the production. It would be like "sinking the ship to clear it of rats."

Only One Way Out

The only way these three promises can be kept is by subsidizing key employers. This was a policy used in many industries during the war. It is "beat-

ing the devil around the bush," but in many cases it reduced the price to consumers considerably more in dollars than the subsidy amounted to. On the other hand, as in the case of potatoes, there were instances where it was a terrible farce. It really means that in addition to throwing favors to labor, farmers and consumers, he will throw one more gift to certain manufacturers so that production will not be curtailed.

Of course, this means higher taxes. All subsidies must ultimately be paid by the taxpayers. I, therefore, would expect to see an increase in corporation taxes, and possibly in personal income taxes to take care of these subsidies which would be in addition to our tremendous expenditures for armament at

home and "peace" abroad. There would be a tremendous yell against such increased taxes but otherwise the deficit budget would require the issuance of more bonds. This would surely mean further inflation.

About Business Confidence

I have been unable to find a businessman — Republican or Democrat—who is going ahead with new plans not already arranged for before election. Of course, there are great backlogs in industrial building, new homes, improvements to machinery, material stockpiles, etc. This backlog should keep gross business fairly good during 1949. Net earnings and dividends, however, are sure to fall off. Businessmen who were all pepped up to get ahead with expansion progress under Dewey are

now crestfallen and should make some move to revive the confidence of businessmen or else the decline may run into a slide regarding the attitude regarding the year to take profits at a time. A few safe companies, however, are a good sound investment in the present. Producing real estate, furniture, rare diamonds, gold neckties, these things may do better than most over the next two or three years.

GETTING OUT On The LIMB
By EDDIE the EDITOR

I believe the giant Lockney team could have beat us last Thursday, if they hadn't resorted to such unethical stunts as poking their opponents in the eye, kicking 'em after they are down and clawing at their faces.

Although I loathed witnessing such a degrading spectacle, I couldn't help laughing at some of the stunts that were pulled—particularly the time one of our boys tried to stop the biggest big tackle. Without changing his stance, old big T grabbed our little fellow around the waist, dangled him in midair with one hand while working on his face with the other. I imagine the Post boy felt like he was in the clutches of a man from Mars.

At least one such offense gave the Longhorns a 15-yard penalty and the Antelopes an advantage which led to the winning touchdown. But the officials did not see as many cases of "unnecessary roughness" as the spectators saw.

The Lubbock business houses and our numerous individual friends really went all out to make the Post fans feel at home in Lubbock last Thursday.

My party had a quick lunch at the Hilton Hotel, where the service was courteous and the food was excellent, despite the crowd. We had dinner at Katmann's which should have run out of food long before our late arrival there. Yet, the food was delicious, the service most gracious, and the price was reasonable.

And our Lubbock friends: We could hardly find our seats in the stadium for being stopped by people from Lubbock who wanted us "to come out to the house after the game." This was not just our party, getting all these invitations. We know lots of Garza people who were entertained in Lubbock homes or at the Lubbock Country Club after the game.

And the night before the game, Allen (Chuff) Benton called and invited us to look him up, while in Lubbock, offered to get us tickets and offered all sorts of transportation and other courtesies to the coach and the football boys. Chuff, now a confirmed Lubbocker, was a member of the Post High Regional Football Champions of 1928.

The next day our friend Chuff's backing us now, he said in his Journal column: Joe Kelly bragged on us for our good behavior at the game and said he hoped Post and Lockney are the forerunner of many more district, regional and even higher calibre championship games to be played in Lubbock. We hope so, too!

Personally, I'm well pleased with the game. The Antelopes, outclassed in size and power, had to do some quick thinking and clever maneuvering to hold their own. To many fans they didn't look as good as they did at Levelland or with Littlefield, but to me they looked wonderful—as they picked themselves up after every one of the beefy Steers' power drives and tried again with grimmer determination and courage.

Again I say it was excellent, intelligent teamwork which made it possible for us to make a touchdown which, with Kirkpatrick's extra point, made the victory possible.

After seeing the Lockney game, I have greater hopes than ever that we can go on to the final championship. But I'm not saying anything out loud because these football players from the Panhandle area are the most rugged individuals in the state. They are reputed to be big, clean, courageous, healthy and intelligent boys, the same as ours. This next game ought to

Garza and the World

By EVELYN BOYD

Remember back when juvenile delinquency was the Number 1 topic of conversation in Post? That was more than a year ago.

The people got together and did something about it. In fact, they did a lot of things.

They revived the Boy Scout activities, and I suspect that the Post Scout and Cub troops and packs now have the largest membership in their history. The people behind this wonderful work are doing much for Garza and the entire world.

And they operated a Boy's Club during the summer months, and they promoted the world's largest junior rodeo.

And they supported the Garza County 4-H work, which is outstanding in the nation.

And, through their contributions, they are giving two little boys a break by paying their tuition at the wonderful, wonderful Boys' Ranch.

Post is out of the Boys' Ranch territory, and it was difficult to arrange this fine experience for two Post boys. The boys have been most cooperative, and the Boys Ranch Committee regularly receives good reports as to their activities.

Because of the fine cooperation of the citizens of Post and Garza County it is possible that these boys can stay at the ranch at least one

be a dilly.

THE WOMEN. God love 'em: At the end of an evening some women are so tired they can hardly hold their mouths open.

I don't thrive very well on adverse criticism, but I find I can live for several months on a nice compliment.

What are you doing about Christmas decorations? I started about this time last year getting my wife to design some for our office windows. She hasn't finished the job yet, but maybe we'll get 'em up by next year.

This laziness on our part isn't very good for business. We ought to put out as much as possible this year, by way of spreading the Christmas spirit.

The more Christmas spirit we have, the more we get out of Christmas. The more we get out of Christmas, the better our business will be. We need to do everything possible to keep business booming now.

Okay, I've talked myself into it. I'll try to get those Christmas decorations up next week, and I'll also put some Christmas lights at my house. I'll try, at least.

Have you bought your tickets yet for the Rotary Club's magical show December 18? I heard somebody say the other day they didn't want to buy the tickets early because they didn't know what they would be doing on Saturday night, December 18.

The tickets are very reasonable in price, and the money goes for a good cause: Boy Scouting in Post.

more year, despite the fact that this isn't such a good cotton year.

Anyone interested in doing something important along the lines of keeping juvenile delinquency at a minimum here is invited—even urged—to send a check to the Boys' Ranch Fund to any member of the committee. Mrs. Carl Webb is chairman. Her helpers are Mrs. John Lett, Mrs. L. N. Roberts, Mrs. A. C. Surman, Coach V. F. Blingham and Yours Truly, who is the secretary-treasurer.

Assisting with the heavy lifting, in matters of bookkeeping, mimeographing, letter addressing, stamping, mailing, etc., are the Post Chamber of Commerce, which furnishes stationery and stamps, etc., Sherrill Boyd and Mrs. Joyce Osborne, Mrs. Gertrude Ward, West Texas Gas Company secretary, stands ready to help whenever needed, and J. C. Shedd helps with the leg work.

By the way, speaking of people and organizations that do a lot for the youngsters here, I mustn't overlook the very fine work being done every day—and every night — by the Rev. I. D. Walker, pastor of the Calvary Baptist Church. His car is almost always loaded with youngsters from his church en route to football games, basketball games, circuses and just anything else wholesome that is going on for miles around.

I mention these things in a column on the world situation because world citizenship begins at home.

Today's youngsters are inheriting more responsibility and more headaches than any youngsters ever born in previous eras.

The children of the Atomic Age will have to pay the bills of the late Industrial Age. They have to adjust themselves to the changing governmental trends and to a world that is no longer divided by great distances.

It will be the responsibility of today's children to keep "The American Way" a reality in this country and to try to keep peace in a world that can be destroyed by careless use of the atomic bomb.

Today's children need every break they can get. They need all the encouragement possible to get an education and to fit themselves for their grave responsibilities.

They need a chance to learn the meaning of good citizenship. They start learning this at home, at school and in Sunday School—right here in Post. Several hundred children are learning them at the Boys Ranch, near Amarillo.

But far too few children are having adequate training in these requisites for tomorrow's world.

Natives of Garza County are scattered to the four corners of the world, and many of them are filling important positions in matters of worldwide concern.

We have former Garza citizens in such important positions as those held by Congressman Ed Gossett, and Chesly Manly who is in Paris interpreting the United Nations puzzle for the Chicago Tribune. We have former Post boys in the armies of occupation, in atomic bomb plants and in important military installations all over the world.

It will always be like this. The day is no longer with us when it was safe not to educate a boy because he chose to spend the rest of his life on a farm.

Farming has become so complicated — what with erosion and government

What Our Contemporaries Are Saying:

SCHOOL REFORMS IN TEXAS

—Down at Austin a legislative committee has been studying school problems for the past year. Under ordinary conditions such reports are junked by succeeding legislatures. There is a large turnover in legislative membership, and the new bunch has ideas all of his own. But State Superintendent L. A. Woods has been riding the educational range for a long, long time in Texas. He rules the schools with an iron hand, and makes the educators like his own ideas. Legislators have been after the scalp of L. A. Woods for years, but he sits tight in the saddle. Perhaps his condemnation of the educational reforms will do more to bring about these reforms than his endorsement might have obtained. Folks are funny about their friends and their foes. — Canyon News.

BORING FROM WITHIN—Charges released this week, revealing that Communists have infiltrated into some of the church organizations in America, and that they are attempting by insidious methods to overthrow the one great barrier to their continued advance, should cause those of us who love the American way of life to engage in sober consideration of the danger that confronts us.

Communism is opposed to Christianity. In fact it is opposed to any concept of God or Godliness. The tenets of that political creed are atheistic and would destroy all doctrines not enunciated by Marx and Lenin and Stalin.

The revelation that came this week should serve to strengthen the determination of Americans that the forward march of this vicious system must be stopped. It should still the tongues of those who have so blandly voiced the opinion that there is no danger to America from communism. It should answer the inane

bookkeeping — that the successful farmer needs to be a college graduate.

The people of Post and Garza County, during the past year—have done everything possible for the benefit of their youth. The youngsters have shown their appreciation in various ways, but the most significant is that the wave of juvenile delinquency has been relegated to the unpleasant past. We can keep it relegated if we keep on the ball like we have been for the past year.

argument that "it can't happen here." It should alert all of us to the fact that we must fight with every available means the steady encroachment upon our liberties achieved by communism.

A long time ago it was said that "Eternal vigilance is the price of liberty," and most of us, forgetting the truth of that statement, have relaxed our vigilance and permitted the upsurge of this cancerous growth within our land.

Perhaps the facts proclaimed in the recent presidential campaign were not "a red herring" after all. — Hamlin Herald.

DEBATE IS PROPER — Governor Jester approved the report of the Gilmer-Aikin committee "in principle" but with reservations for possible exceptions later, while State Superintendent Woods has assailed specific proposals of the same report.

Any one who has tackled even the digest of the initial findings of the committee, which may be subject to revision, approves the idea of full debate and discussion of its many phases. The report contains 33 proposals, and its avowed major theme is a program of minimum education for every child in Texas. That broad objective may have captured the governor's attention, as it will millions of other citizens.

There is a statutory provision that every county or school district subdivision must extend a minimum amount of support for its schools. That is an excellent idea to deal with those communities who have been "getting a free ride" on state and supplemental aid. Yet the report in its entirety points definitely to higher state educational costs, higher local financing in instances, and should not be rammed through the Legislature as an emergency measure.

Technical, intricate aspects of the report should be reduced to simple, crystal-clear terms as education for the taxpayers, rich and lowly, who like the governor are for better schools, but chafe under mounting taxation. An enlightened people is the essence of democracy, and in the Gilmer-Aikin report the public school group has an opportunity in that direction. Free discussion and debate are both appropriate and necessary. — Fort Worth Star Telegram.

TAFT-HARTLEY LAW — By demanding outright repeal of the Taft-Hartley act, without even proposing that Congress en-

act legislation to take the place of this law, American labor leaders are riding to another fall.

Mr. John L. Lewis may dip into his extensive store of derogatory adjectives, as he did a day or two ago, and again denounce the Taft-Hartley act; other labor leaders may continue the attacks they made on the law before and during the Presidential campaign. But public interest is stronger than even the National Association of Manufacturers, or the Chamber of Commerce of the United States, or Wall Street, or organized labor.

Public interest required that some such legislation as the Taft-Hartley act be passed by Congress. That was the reason why Congress voted for the Taft-

Polar Farm First To Sign Up With Duck Creek Unit

John Davis, Polar farmer, has agreement No. 1 with the Board of Supervisors of the Duck Creek Soil Conservation District which was signed on 9-15-41, the board announced this week.

Since Davis signed, 340 other farmers and ranchers have signed district agreements. Davis has carried out his conservation plan as fast as he could and now lacks only one practice. Financial circumstances, the weather and equipment and help have all been factors in how fast the work could progress. Davis has been the final judge as to how much and when he could do conservation work. From time to time Soil Conservation Service technicians have stopped by to explain new conservation

BITS OF NEWS

Among the Post football fans attending the Phillips-Lefors bi-district championship football game in Pampa Saturday afternoon were Coach and Mrs. V. F. Bingham, Coach and Mrs. Vernon Ray, Supt. G. R. Day, Jim Hundley, Donald Carpenter, Marshall Gibson, Junior Malouf and Wallace Barnett. The coaches and their wives were accompanied by Coach and Mrs. Clarence Tillery of Slaton. They watched the game in a snowstorm and most of the cars were snow-bound on the way home, and the passengers had to spend Saturday night in their automobiles. Yes, they took colds.

Mr. and Mrs. Tom Welborn of Ruidoso, N. M., who spent the Thanksgiving weekend in Lubbock visited briefly in Post Monday before returning to New Mexico. They had completed all of their Christmas shopping Friday and Saturday and were making plans to entertain Mr. and Mrs. W. G. McMillan and son, Bill, of Lubbock at their home during the Christmas holidays. They plan to return to Lubbock and Post on the New Year's weekend, then go to Louisiana for a few days.

Mr. and Mrs. Cecil Thaxton spent Friday in Abilene with their daughter, Helen, who is a freshman student at the Abilene Christian College.

methods and to give him a word of encouragement.

The one conservation practice Davis needs is to prevent soil and water losses from his pastures. He deferred grazing on one of his pastures during most of the growing season in 1947 and 1948. Buffalo grass, blue grama, hairy grama, side oats grama, black grama, and tobosa have begun to thicken up. Some grass litter has begun to accumulate and in another season or two Davis will have completed his original conservation plan agreed on seven years ago, conservation technicians believe.

Davis liked the benefits of a cover crop of rye and vetch. He said the benefits of winter and early spring pasture, its value from seed harvest, and its soil protection and soil improvement would fit in his farm program. He plans to amend his conservation plan to include a planting of rye and vetch next September.

The Justiceburg school pupils who had a perfect attendance record for the third month are Johnny Robinson, Arthur Gene McGinnis, Roger Sullinger, Mike Ray, Weidon Reed, Troy Witherspoon, Fernie Reed, Lee Sullinger, V. A. Lobban, Jr., Jerry Ray Key, Connie Witherspoon and Eva Lou Key.

Gene McGinnis and Jane Green have moved from this community. We regret losing these children from our school. New school pupils are Virginia and Wynona Dunigan who have moved here from Post. We welcome them to this community.

Mr. and Mrs. R. A. McLaurin and family spent the Thanksgiving holidays in Amarillo visiting relatives.

The Rev. J. E. Stephens of Post will speak at the local church Sunday.

Gay Sanders of Muleshoe spent the weekend here visiting in the home of Peggy Johnston.

Mr. and Mrs. J. M. Oliver and daughter, Sandra, of Tulsa, Okla., have rented the house formerly occupied by the Alton Carr family and will move here about December 1. Oliver, a contractor, will be in charge of the sewer extension program which is to get under way here as soon as possible after his arrival. He recently completed a project in Slaton and is now finishing one in Hereford. Mrs. Oliver and Sandra have been making their home in Slaton during the past several months.

wants the Post Dispatch readers to tell Santa Claus what a "Do Toot" is.

St. Nick who took advantage of the bargain rates and renewed his subscription to the Post Dispatch this week, told the editor that he would be reading all the letters published in the paper between now and Christmas. The first letters follow:

Dear Santa Claus:
The only thing I really want for Christmas is a Do-Toot and I can't make my folks understand what it is. I don't understand why they can't figure it out. It goes on the back of a tricycle and it has two reds. If you don't know what this is, maybe some of the Post Dispatch readers will write and tell you. Please bring me a Do-Toot.

Sincerely,
Gayle Hopkins,
2408 Sanders Street,
Lubbock, Texas.

Dear Santa Claus:
Please bring me a doll buggy, sweetie doll and money bank. And bring me some candy and nuts, a ring and bracelet and necklace. I have been a good girl and I study hard at school.

Your friend,
Patsy Norman.

Dear Santa:
I am 8 years old and go to school at Southland and in the second grade and doing pretty good in my lessons. Will you please bring me a punching bag, harmonica, Mickey Mouse wrist watch, gun (cowboy boots, maybe), cowboy gloves and hat, a robe and house shoes and fireworks, also candy, nuts and fruit, and anything else you'd like to bring me.

Love,
Giann Dale Wheatley.

Dear Santa:
I'm a little girl three years old and I'd like you to bring me a real pretty doll and doll buggy, dishes, big black toy horse, piano, Doctor and Nurse Set, house shoes, candy, fruits and sparklers, and I'd like just anything else you care to leave me.

I love you,
Frances Elaine Wheatley.

Warning Issued Against Deaths By Asphyxiation

With the advent of cold weather each year in this state, several deaths are usually reported, resulting from asphyxiation by gas fumes in improperly ventilated homes or sleeping quarters. Dr. George W. Cox of Austin, state health officer, has issued a warning in this respect, emphasizing that it is never safe to sleep in a tightly closed room with a gas fire burning. Even if there are no gas leaks, the air soon becomes vitiated and unfit to breathe.

"When occupying a room in which gas is burning, be sure always to have at least one window or door open, to admit fresh air," Dr. Cox said. "If the weather is too cold to permit leaving an open window in the room occupied, then play safe by opening a door into an adjoining room where a window can be opened."

Dr. Cox said he was prompted to issue this warning early in the season because of the fact that thousands of new residents in the state have come from districts where they have been used to burning coal, wood or oil, and they do not know the dangers of gas fumes in improperly ventilated homes.

Occupying a room heated by an open gas flame, and at the same time keeping the room tightly closed, may prove disastrous the very first time it is tried," Dr. Cox said. "It is better not to risk it even one time. Always be sure that your room has plenty of fresh air, but make doubly sure when you have a gas fire burning."

—19 SHOPPING DAYS TILL CHRISTMAS—

USE POLES (PLUS WIRE & EQUIPMENT) MEAN "MORE POWER TO YOU"

They are gone from the storage yard now—set up along the new Post-ownfield transmission line, hung with crossarms, insulators, wire, hardware. Now the line is "hot," bringing power to meet the expanding needs of towns, farms and oilfields in this area.

Those poles filled plenty of yard space. So did the cable reels, the crossarms and other equipment. Yet all that represents just a small part of the total investment we have in plants, lines and substations to furnish good electric service to the Panhandle Plains and Pecos Valley area.

More power to you—that's what we're bringing, every hour of the day and night. More dependable power, more useful power, more abundant power, for your every electrical need.

DEMONSTRATION CLUBS—

(Continued From Front Page)
 sisting with club exhibits as hostesses for a day at the fair, that the Council received \$25 from the Bewley Mills Flour Company in Fort Worth for participating in the Bewley Bake Contest, that the Council paid \$60 for the three T.H.D.A. delegates, trips to the State Convention at Temple, paid \$7.50 on Lois Ritchie's trip to the State Fair at Dallas, presented the runner-up in the Gold Star Contest, Lenona Stone, with a gift, presented Janyce Lobban, 1947 runner-up in the Gold Star Contest with a gift, paid \$24.50 on the expenses of six girls and one sponsor to the District 4-H Club Encampment at Lubbock in June, that the council paid expenses for the bake show and the fall exhibits for the home demonstration clubs and 4-H clubs, except the ribbons for the home demonstration clubs which were paid for by the Post Chamber of Commerce and prizes given the girls which were made possible by the merchants of Post. The council had other minor expenses which amounted to about \$16.

Recreation Included
 The Recreation Committee Report was given by the chairman, Mrs. R. A. McLaurin. She stated in her report that a majority of the clubs had had 10 minutes of planned recreation for each club meeting, that this recreation was planned to include four types—physical, mental, spiritual and educational. The majority of the clubs carried out the goal on planning two parties for their communities and entertaining their families. Some that have not accomplished this goal will complete it with Christmas entertainments in their communities. The Home Demonstration Club women assisted 4-H Clubs in March with a Recreation School. There were 22 pieces of outstanding play equipment added to the Home Demonstration Club women's homes this year.

The T.H.D.A. report for the year was given by Mrs. J. C. Fumagalli who is retiring T.H.D.A. county chairman. The T.H.D.A. Chairman attended a Training School in Lubbock, attended to all the necessary correspondence, writing about 25 letters concerning the T.H.D.A. work of the county, that the county had four representatives at the District T.H.D.A. meeting in Plainview and had three delegates at the State Meeting in Temple. The Home Demonstration Club sponsored the Rural Division of the Red Cross this year and received good cooperation from all the communities. The T.H.D.A. held two election meetings during the year, one to elect district delegates and the other to elect state delegates and the 1949 County T.H.D.A. Chairman, Mrs. Sid Cross.

To Give Party
 Plans were made for an annual Christmas Party for all home demonstration club members on December 10. Handmade gifts will be exchanged and a Christmas program will be prepared. There will be no business discussion at the next meeting but the new 1949 yearbook will be given to the women and the new officers will be installed at the January council meeting, at which time Mrs. R. A. McLaurin will be installed as council chairman; Mrs. Julius Fuma-

Four-H Boys And Girls Well-Fitted For World Place

If you've ever wondered just what the 4-H Club boys and girls in Texas do, here's the answer.

This is last year's record of nearly five thousand 4-H Clubs in Texas with a membership of over 110,500 youngsters.

These kids produced food, and they conserved food. And they made more food available to their families, as well as to families overseas. J. W. Potts, extension state 4-H club specialist of Texas A. and M. College, says they had more than 23,000 gardens. The boys have raised more than 368,500 chickens and turkeys. The girls had nearly 7 thousand poultry flocks.

The 961 thousand quarts of food these youngsters put up in cans and jars doesn't include the hundreds of pounds stored in the freezer locker.

Food wasn't the only item on the program by any means. These 4-H boys and girls helped make their homes more attractive and livable. The girls' projects included making more than 59,000 new garments and remodeling over 33,000 other items of clothing.

Fire and accident prevention programs also held the interest of many of the club members. They spent time improving their own health as well as that of their families and communities.

Soil and water conservation practices played a big part on the 4-H Club program, too. The boys had nearly 110,000 acres in conservation management. Besides this, they raised more than 54,500 head of livestock, while the girls were planning more than a million and a quarter meals.

That's what the record shows. In doing all these things, says Potts, they gained a better understanding of their place in the world today.
