Anything Can Happen--It's April Fool

Poised for politics are these fine Garza County candidates for the Presidency of the United States on the Hinterland Party ticket and their wives. The women will help their husbands campaign, and all will ride donkeys from now until the National Hinterland Convention in order to save money to pay their income taxes. They are, left to right, Boone Evans and his wife, who, like Mrs. Truman, doesn't like Cocker Spaniels; Sherrill Boyd, whose wife wasn't in the picture because she is running for the Presidency on a League of Women Voters' ticket; Mrs. J. Lee Bowen, who admires Ellanor Roosevelt, and her husband; Mrs. W. T. Parchman, who will outdo Mrs. Taft in the campaign, and her husband, and Buck Gossett and his wife, who is designing another balcony for the White House.

Raymond Young Is Hijacked Friday In Grocery Store

Although Sheriff Nathan Mears and several candidates for the sheriff's office have been working on the case, the identity of the masked bandit who robbed Raymond Young at his Hiway Grocery of approximately \$300 last Friday night remains a mystery. Young told the Post Dispatch editor that within a very few minutes after all his employes had left the store that evening and just after he had taken his money from the cash register, put it in his pocket and had stepped into the lavatory to wash his hands, the bandit entered the store by the front door and had reached the meat department when Young (Continued On Back Page, Col. 2)

Southside Store Stock Moving To Main Street Site

The Southside Grocery store was closed last Saturday and the stock is being packed for removal to the old Collier Drug Store building, which is being remodeled completely, repainted and equipped with fluorescent lights. The grocery store's name will be changed to Cash and Carry and it will be managed by H. A. (Red) Karpe who, with Mrs. M. E. Kennedy, owned the Southside store. Mrs. Kennedy's interest in the business recently was bought by A. B. Haws. Opening date of the Cash and Carry will depend upon how soon the remodeling of the building can be completed and the installation of fixtures and stock can be accomplished. The store will be operated on a strictly cash basis. It will feature staples and fancy groceries, frozen foods and the best grade of meat (Continued On Back Page, Col. 1)

Five Garza County Men To Try For U. S. Presidency

Five Garza County men this week jumped on the Hinterland Party bandwagon and announced their candidacy for the Presidency of the United States. This puts local voters in a spot because each is peculiarly qualified for the much sought-after Presidential post. As can be readily seen in the above picture, four of the Presidential candidates have wives, who not only will campaign in their behalf but will guide their husbands' to a solution of all international problems. Here are the platforms and qualifications of each candidate: Boone Evans—"Raise money for Europe through Walking Man Contests," is fond of banquets. Sherrill Boyd—"Freedom to do what you want to do when you want to do it," loves politics. J. Lee Bowen—"A Monterey in every community," likes a good fight. W. T. Parchman—"What's good enough for Justiceburg should be good enough for the nation," is a good mayor. Buck Gossett—"Clean up America first," prefers donkeys to automobiles. April Fool.

LEE ROY HOLLY

One Killed, Five Injured In Wreck Near San Angelo

Lee Roy Holly, 29-year-old son of Mr. and Mrs. Roy Holly, was killed, and his father and brother-in-law, R. H. Sappington, two other Post residents and an army officer from San Angelo were injured in a tragic two-car wreck about 1:30 Sunday morning five miles east of San Angelo. The five Post men, who were traveling in a 1941 sedan, were returning home from a fishing trip when their car crashed into a concrete bridge and a 1948 automobile, driven by Lt. Alton Elmer Skinner of Goodfellow Field, near San Angelo, plowed through the wreckage. The Post men, besides the Hollys and Sappington, were Thomas Ammons and Otis Odom. The car belonged to Sappington. All of the accident victims from Post were taken by ambulance to a San Angelo Hospital where Lee Roy died in the emergency room shortly after his arrival. The elder Holly, suffering from possible spine injury, and Odom, who had fractures of the femur and pelvis, were still unconscious Monday and in critical condition. Holly had developed pneumonia by this morning, but Odom had shown improvement. Ammons suffered a fractured right femur and Sappington received a head injury. They also (Continued On Back Page, Col. 1)

Cows To Be Tested For T. B. And Bang's Soon

Dr. H. A. Lewis, assistant state veterinarian, will return to Garza County for one day during the second week in April for the purpose of testing cows for tuberculosis and Bang's disease. Those whose cows were not tested, for lack of time, when Dr. Lewis was here the first time and others wishing to have cows tested should get in touch with either Lewis Nance or Robert H. Gibson at the court house. One dollar for each test will be charged for each cow; Gibson said yesterday.

4-H Building To Be Discussed At Meeting

The proposed project to acquire an exhibits building for Garza County 4-H Club boys and girls will be discussed at a public meeting at 3 o'clock Saturday afternoon in the district court room. All interested persons are invited to attend, Garza County Agricultural Agent Robert H. Gibson, said yesterday.

Candidates Announced For Saturday Election

Saturday is school trustee election day in Post, throughout Garza County and elsewhere over the state. Voters of the Post Independent School District will elect two trustees to fill vacancies caused by the expiring terms of Tom Bouchier and Raymond Redman, Redman, who is up for re-election, and Paul Jones are the only candidates whose names were filed with the board secretary. Voting will take place at the City Hall. The only expiring terms on the Garza County Board of Education are those of the county trustee-at-large and of Precincts 1 and 4. The only candidates filed with Garza County Judge J. Lee Bowen were H. F. Wheatley, for re-election as county trustee-at-large and

Mrs. Jeff Justice, for re-election for Precinct 4 trustee. The retiring Precinct 1 trustee, F. L. Ward, told Judge Bowen he is not seeking re-election. Voting for these three trustees will be at their respective schools, as will voting for all rural school board trustees. Candidates for the various rural school boards along with names of trustees whose terms are expiring follow: Close City—Candidates, Orval Smith, Alvin Young and Deward Bartlett; expiring terms, E. W. Curry and A. O. Rosenbaum. Graham Chapel—Candidates, F. W. Gossett, Wilburn Morris, O. G. Roderick, Robert (Bud) Mason, and J. H. Peede; expiring terms, Oscar Graham and J. W. Stone. Dollar Day Series To Open Here On Monday

Monday will be Dollar Day at a number of local stores. It will be the first of a series of Dollar Days which the Post Chamber of Commerce hopes will grow into a periodical Trade Day, on which worthwhile prizes will be given. Every first Monday in the month will be Dollar Day for awhile—until the public decides whether or not the custom should be con-

tinued and a Trade Day sponsored by the Chamber of Commerce, would be worthwhile. Dollar Day has been a subject at regular meetings of Chamber of Commerce directors for more than a year. Finally, it was decided that individual merchants should sponsor it for awhile then, if sufficient interest is shown, the chamber would organize a Trade Day series.

Mrs. B. Cummings Of Southland Is Buried On Friday

Mrs. B. Cummings, a resident of Southland for 33 years, died at her home there last Thursday afternoon after an illness of several months. Funeral services were held at 3 o'clock Friday afternoon in the Southland Baptist Church with the Rev. O. J. Harmonson of Lubbock, assisted by the Rev. Tommie Rutledge, officiating. Burial was in Southland cemetery with Mason and Company in charge. Pallbearers were W. P. Lester, Hub Haire, Morton Edmonds, Fred Woods, Everett Samples, Robert Jones, Wilbur Woods and Leonard Anderson. Flower girls were Mrs. W. W. Gilliland, Pauline Childress, Mrs. Buford Jones, Mrs. Bob Jones, Mrs. E. Edmonds, Mrs. Everett Samples and Mrs. Saunders. Survivors include four sons, (Continued On Back Page, Col. 2)

Clubwomen Take Cancer Drive Over

Community workers on the Garza County Cancer Fund drive this month will be announced by the general chairman, James Minor, next week. The Post phase of the drive has been turned over to the Junior Culture Club which several months ago included the cancer program as one of its projects. Mrs. Burnon Haws, the club's cancer drive chairman, yesterday announced that a concentrated collection of donations will be waged by the members in downtown Post Saturday. Jars will be placed in each store beside a placard requesting a donation. The club members will sponsor a bake sale in the Piggly Wiggly store Saturday, beginning at 10 a. m., and give all proceeds to the cancer fund. During the afternoon Saturday, the members will distribute cards which say "A Quarter for Cancer Gives Cancer No Quarter" to all persons who make donations of (Continued On Back Page, Col. 2)

Worst Duster In Ten Years Hits Here On Tuesday

Garza County suffered with many other regions of the state Tuesday over one of the worst dust storms in 10 years. Traveling at a steady 52-miles an hour, the duster damaged trees, ruffled dispositions, put a stop to oil and many farm activities and caused two airplanes to make a forced landing in the Verbenia Community. Eight miles north of Post on the Rails highway, traffic was stopped for awhile on the bridge across the Yellowhouse riverbed because of sand blown from the river and banked up on the approach to the bridge. Commissioner Boone Evans kept county road machinery busy all afternoon removing the dirt so that traffic could proceed. It blew back each time it was removed. A number of trees were split by the strong wind and at least one crashed and fell across the highway, two blocks north of Main Street.

Hudman Freezer School Planned

Miss Norma Lantz, Philco home economist, will discuss and demonstrate points of frozen food chests to the general public at a free Philco Freezer School at 3 o'clock tomorrow afternoon at Hudman Furniture Company. It is not necessary to own a Philco Freezer Chest in order to benefit from the demonstration, the Hudman Company believes. The shortcuts to housekeeping which Miss Lantz will demonstrate will be applicable to any type of freezer chest.

Was Your Child Noted In Scholastic Census

The Post Independent School District scholastic census was completed by J. T. Curb yesterday. He reported 760 school-age children for the 1948-49 year. If any school-age children have not been counted in the census, their parents are urged to notify Supt. G. R. Day, because each child reported adds \$55 to the state apportionment for the local school fund.

Southland Junior Play To Be Given Friday

The Junior Class of the Southland High School will present a play, "The Campbells Are Coming," in the Southland High School auditorium tomorrow night at 8 o'clock. Admission is 20c and 35c. The public is invited to attend.

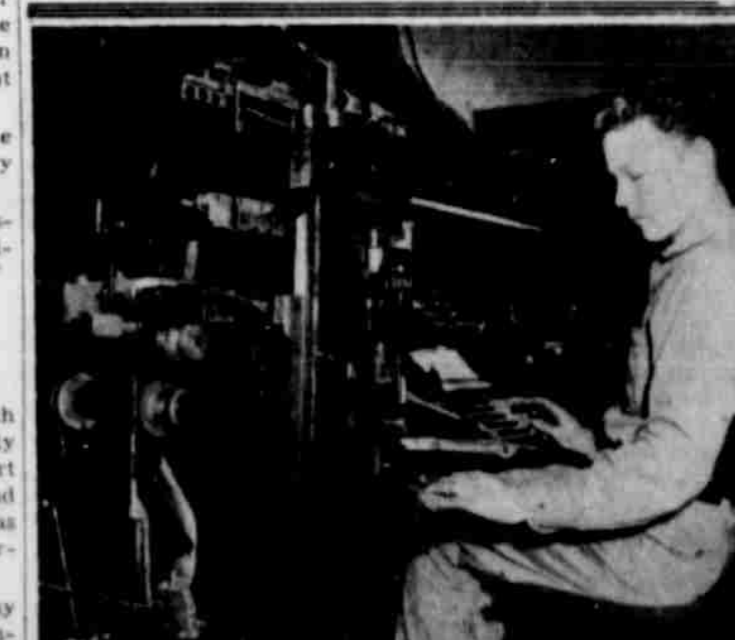

Veterans, Wives To Eat Barbecue

All ex-servicemen and their wives are invited to "barbecue and trimmings" at the American Legion Hall tonight, beginning at 8 o'clock. Several state officials of the American Legion and Auxiliary have been invited to attend. The women present will discuss reorganization of the American Legion Auxiliary.

Field Is Convicted In Court Wednesday

Jasper Field, negro charged with reckless driving, was found guilty in Peace Justice Jim King's court yesterday and a fine of \$10 and costs was levied. The case was appealed to county court, appearance day for which is May 3. Two white men arrested Sunday evening for drunkenness were fined \$1 each and costs. Sheriff Nathan Mears said yesterday. Another white man, arrested Monday evening on the same charge, is in jail, he said.

SOIL CONSERVATION DISTRICT NEWS

Weeping Lovegrass

E. Henderson, nine miles west of Post, has two acres of weeping lovegrass that he planted last spring. In a good natured way Henderson has insisted to Soil Conservation Service employees that his cattle would not eat lovegrass. And it is true that to get lovegrass it must be in a pasture where livestock has no other choice of grasses. Livestock will do little grazing on weeping lovegrass when they have green wheat, barley, rye, alfalfa, and sudan as they have had at Henderson's. However, the shoe was on the other foot this week, because while soil technicians were assisting Henderson lay out irrigation ditches every cow left the wheat pasture and grazed through the lovegrass. The lovegrass is green three to four inches high on areas where Henderson cleaned off last year's dead growth. Weeping lovegrass furnishes grazing a month earlier than native grass in the spring and stays green a month later in the fall.

Sweetclover Seed Here

There's sweetclover seed available to district cooperators for 35 cent per pound at the Fry's Feed and Produce Co. Sweetclover is a bi-annual in that it grows during the first summer after planting, the root systems stay alive during the first winter, and then the clover crop goes to seed and dies the second summer. Like other legumes when properly inoculated take nitrogen from the soil air and store it in nodules on its roots. The deep root system of sweetclover reaches down into the subsoil for mineral nutrients.

Range Survey

Merle Britton range conservationist will complete a range survey on the Percy Jones ranch this week. Information secured from

range surveys are used as an inventory of the vegetable resources of a range. The amount and kind of grass, and the capability of different pasture land to produce grass will be used in helping Mr. Mathews, foreman, and Mr. Jones, owner, develop a range management plan for their ranch.

Two Grass Planters

Ralph and Roy Welch are attaching special planter attachments to a two row disk opener sod planter which they will use this spring to plant 40 acres of weeping lovegrass. The Welch brothers have 320 acres of sandy land which they plan to establish to lovegrass.

Crop Residue Saves Soil

A. R. Robinson, one mile south of Pleasant Valley, says "the residue from feed crops helps keep up soil fertility. A cover crop or crop residue breaks the impact of falling raindrops. Instead of raindrops splashing mud as they hit the ground, they remain clear when land is protected by crop residue and readily penetrate the pore spaces in the soil."

John Brown, an abolitionist, was hanged for seizing the state armory at Harpers Ferry, West Virginia.

STEEL MILLS NEED SCRAP METAL FROM YOUR FARM

Supplies of scrap for the steel furnaces are critically low. The furnaces thrive on a diet of about equal portions of pig iron and scrap. More scrap is urgently needed, if there is to be enough steel for making farm implements and countless other products. More than three million tons of steel scrap lie idle

on America's farms, according to the latest estimates—scrap that only litters up the place, scrap that is wasted where it is. How much is there on your farm? How about the old car body, that rusted cultivator, those old plow bottoms, discarded tools? Every bit helps—and it is needed now.

IT'S HARVEST TIME FOR SCRAP

There's a bumper scrap crop to be harvested this spring—and there's money in it for you. Your

scrap dealer will pay for everything usable. You can do three good turns in one scrap harvest:

1. You make some money on what you can't use.
2. You get your outdoor spring housecleaning done.
3. You help the steel mills turn out more steel for the implements and equipment you'd like to have on your farm.

Scrap means savings to you—if you'll collect it and sell it. On the first rainy day, when you can't

plow or sow or cultivate, put on your oldest clothes and get that scrap together.

HERE'S WHAT TO DO

1. Pile up every bit of iron and steel scrap on your place.
2. Take a payload into town the next time you go. You'll make more money out of it that way.
3. If you can't drive it in, call your scrap dealer and ask him to pick it up.
4. If there is no scrap dealer near you, call your implement dealer. Ask him how to get your scrap started toward the steel furnaces.

Garza Cotton Is No Respector Of Cycle Tradition

Cotton production in Garza County, since 1918, has been tabulated as follows by a cotton specialist for W. N. Williamson of Lubbock, district agricultural agent:

1918-1,070 bales; 1919-7478 bales; 1920-7,963 bales; 1921-8,382 bales; 1922-9,669 bales; 1923-10,433 bales; 1924-16,595 bales; 1925-13,094 bales; 1926-19,818 bales; 1927-22,885 bales.

1928-13,294 bales; 1929-5,430 bales; 1930-6,502 bales; 1931-16,796 bales; 1932-23,094 bales; 1933-21,822 bales; 1934-2,025 bales; 1935-13,677 bales; 1936-7,506 bales; 1937-34,616 bales.

1938-10,840 bales; 1939-10,712 bales; 1940-3,371 bales; 1941-16,516 bales; 1942-19,418 bales; 1943-11,873 bales; 1944-10,912 bales; 1945-995 bales; 1946-1,256 bales; and 1947-15,177 bales.

No appreciable amount of cotton was produced in the county before 1918.

The tabulation shows that cotton produced in Garza County does not run in a predictable cycle. The first five years of crops under 10,000 bales per year were followed by six years of larger crops, then by two years of poor crops, three years of crops larger than the "bumper" crop of 1947, then a crop failure etc.

Last year's crop of 15,177 seemed like a bumper crop because of the failures of the two preceding years. The 1947 crop yield was less than half that of 1937, when the all-time high of 34,616 bales was made.

The report, released this week by Robert H. Gibson, Garza County agricultural agent, was based on ginnings to January 16, 1948.

The Week's News in Brief

While calling a rural telephone number which didn't answer recently a Post Dispatch reporter overheard one side of a conversation. It went like this:

"Did you get your ironing done yesterday?"

"My goodness, what did it cost you?"

"Five dollars! Well, I'll say."

"But she did get it all done, though?"

"Well, I'll let you go, I mustn't let my cookies burn."

"Goodbye."

Mr. and Mrs. Richard Vardiman recently spent a few days in Jal, N. M., with Mrs. Vardiman's sister, Mrs. Wayne Mayfield and son, who had been visiting here accompanied them as far as Andrews, their home.

Mr. and Mrs. George Barker recently visited in Longworth with her sister, Mrs. W. B. Owens, and family.

Guests in the Clyde Redman home recently were Mrs. Lula Floyd, Mr. and Mrs. J. F. Storie, and Mr. and Mrs. Carl Mullins, Miss Jo Ella Hicks and Miss Ruth Redman of Lubbock and Mr. and Mrs. Scott Richardson of Leveland.

Recent guests of Mr. and Mrs. D. C. Scroggins were Mr. and Mrs. Wayne Mayfield and son of Andrews, Mr. and Mrs. Troy Havins and son of Amarillo, Mrs. Carl Vickers and three children of Jayton and Merle Dean Medley of Clairemont.

Roy Wells and his twin sister, Mrs. Floy Hill, were honored with a birthday dinner March 21 in the home of their parents, Mr. and Mrs. J. J. Wells. Others who were present were Mr. and Mrs. Roy C. Wells, Mr. and Mrs. Johnny Wells and three children.

The Comanche Oil Corporation force here has a new two-tone F-6 red Ford truck.

Sterling Ammons, son of Mrs. Bettie Justice, has enlisted in the army. He left last week for Fort Ord, Calif.

Lt. Cotton Dean, who has been stationed in Alaska, has written his mother, Mrs. Bettie Justice, that he is now back in the states and is visiting his wife and baby in Manitowoc, Wis. It is his first time to see the baby, who was a year old on March 14. Lt. Dean has been in the service since 1942. His mother had not learned by press time whether or not he is to receive a discharge.

Mr. and Mrs. I. N. McCrary of Fort Worth spent the Easter holidays with their son, Giles, and family. The elder McCrary is recuperating from pneumonia.

Mr. and Mrs. Bryan Cockrum of Chicago have been visiting his brother, Dan Cockrum, and family.

Clyde Williams of Big Spring visited friends here Sunday.

The Walter Clarks of Plainview spent Easter with Mrs. Carl Clark and family.

George Herd of Fort Worth visited here Saturday with the John Herds.

Mrs. Charlie Allen and son-in-law and daughter, Mr. and Mrs. John H. Hendrix, of Crockett attended Mrs. Mohoto Morgan Allen's open house and visited here several days.

Mr. and Mrs. Elgie Stewart spent Saturday and Sunday in Plainview visiting Mrs. Stewart's sister, Mrs. Maggie Ivy, and niece, Mrs. John C. Justice. Mrs. Ivy returned to Post with them to spend a few days. Other guests in the Stewart home early this week were Mrs. Blanton Mason and two daughters of Leveland.

Mr. and Mrs. Claude Power had as Easter guests her mother, Mrs. M. L. Whitefield; her brother and wife, Mr. and Mrs. Buddy Whitefield, of Littlefield; her brother, Carroll, of Fort Worth, and her sister, Mrs. Raymond Harrell, and two children of McKinney.

Mr. and Mrs. E. J. Hundley had as their guests Sunday afternoon Mr. and Mrs. Clyde Hundley and Mary Ann, and Mrs. Hundley's mother, Mrs. Rustein of Crosbyton and Miss Alene Jones and Wayne Hundley of Abilene.

Guests in the home of Mr. and Mrs. J. Lee Bowen Sunday were Mr. and Mrs. Carroll Bowen, Abilene; Mr. and Mrs. Orian Cannon and daughters, Linda and Kerry, of Muleshoe, and Mr. and Mrs. John Sutton and daughter, Donna Kay. Mr. and Mrs. J. Lee Bowen and children, Susie and Butch, drove the Carroll Bowens to Abilene in the afternoon.

GARZA FOLK ATTEND TRADITIONAL SERVICE IN LAWTON ON SUNDAY

On practically every Easter Sunday Garza County is represented at the Outdoor Easter Service which annually attracts thousands of visitors to Lawton, Okla. Last year Mrs. Winnie Tuffing and Mrs. Ott Nance attended and brought back the description contained in the following paragraphs.

The 23rd annual Lawton service this year was attended by Mr. and Mrs. O. H. Hoover.

The site of this service, the Holy City of Oklahoma, is in the Wichita mountains, 16 miles northwest of Lawton. The feature is a pageant of the life of Christ by a cast of Lawton people. The town of Lawton is not large enough to take care of the great crowd of people who attend. Hotels are full to overflowing and numbers of people camp on the hillside, waiting for the early service. There are no seats in this great amphitheater, but thousands of people come as early as 7 o'clock in the evening and sit on the ground all night long in order to be able to see and hear this story of the Resurrection of Christ, which begins at 3 a.m. Music and singing begin at midnight.

Founder of the Holy City and author-director of the mighty pageant each year is Mark Anthony Wallock, a Congregational minister of Austrian birth who came to this country when he was quite young. Exploring one day in the Wichita mountains, he saw a replica of the hills of Judea and the Holy City of Jerusalem, and conceived the idea of the Easter service.

Mr. and Mrs. Hoover also visited relatives in Grendfield and other places in Oklahoma and returned home Monday.

Millers Drop Initial Pre-Season Game To Memphis Red River Valley Leagers

First Oil Belt Game Will Be With Slaton

The Post Oil Belt League Millers dropped their first pre-season practice game to Memphis Sunday in Memphis, losing 15 to 8 in a seven-inning fracas. Memphis is in the Red River Valley League.

The Millers started with Bud Slatter on the mound. Because of wild throws, he was relieved in the first inning by Walter B. Holland who carried through for several innings before giving up the mound to Polly Duren.

The Millers will play another pre-season game with Slaton Sunday afternoon at the Postex Park, beginning at 2:30 o'clock. Slaton is an Oil Belt League entrant.

On the following Sunday, April 11, Memphis will come here for a return pre-season game.

On Sunday, April 18, the league series will get under way at 2:30 o'clock in the afternoon with a game with Slaton at Slaton.

Pitching continues to be Post's chief bottleneck. Manager George Sartain believes that as soon as he can get this department on the beam, the Post Millers will have an excellent season.

Airplane Mystery Deepens As Wide Area Is Searched

A four-plane aerial search for a low-flying plane which mysteriously disappeared over rough terrain in the Verbena Community during Tuesday's dust storm was directed by Pilot Jimmy Hundley all day yesterday with no results.

A ground search for the missing plane was started about noon Tuesday after James E. Crawford, Jr., of Hobbs, N. M., made an emergency landing on a farm owned by Al Bird at 11 a. m. and told of having seen a companion plane disappear in the choking clouds of dust.

Crawford, who was flying an Ercoupe, said he left Hobbs at 7 a. m. and sighted the other pilot, who was flying a Luscombe Silvair, while flying near Denver City. He did not know the name or the address of the other pilot. They ran into a stiff wind above Seagraves and were thrown about eight degrees off course. Crawford was en route to Lubbock on business. Above the Verbena Community, Crawford said the other pilot signaled that he was out of gas and forced to land.

Crawford followed the plane down as far as he dared, but visibility was too poor to determine whether or not the plane crashed. He circled as long as possible before running out of gas and landed on the Bird place.

He was taken to the J. S. Nichols home on a tractor by two sons of J. L. Cunningham. Nichols took him to Post where he reported the accident. Hundley, Nichols and Crawford attempted to drive to the place where the plane was believed to have crashed but had to turn back because of sandy roads and poor visibility. Some of the Verbena residents continued the search on horseback, but without any success.

Hundley began the search by plane at 7 o'clock Wednesday morning. About 10:30 he was joined by Joe Eblin of Slaton and his plane. That afternoon two Lubbock planes joined in the search. Crawford's plane, although slightly damaged, was moved yesterday to a spot suitable for a take-off and the pilot left in it for Lubbock.

M. M. Aldredge Is Death Victim

Miller Melville Aldredge, Garza County rancher who died of a heart attack Sunday, was buried in the Sweetwater Cemetery Tuesday. He was a native of Alabama and came to West Texas in 1900. He was 59 years old.

Survivors include two sons, Dr. Bud Aldredge and Melville Aldredge, Jr., of Sweetwater; three daughters, Mrs. Fannie Groom of Lamesa and Mrs. Annie Jewell Wilson and Mrs. Velma Goss of Sweetwater; his mother, Mrs. Margaret Jane Aldredge of Grand Prairie, and two brothers and four sisters.

Many Vehicle Owners Waited 'Til Deadline

There was a long line of vehicle owners all day yesterday in the Garza tax assessor-collector's office getting their 1948 license plates before the midnight deadline.

By mid-afternoon 1,139 passenger vehicle plates had been issued. The final total on all vehicle tags will be announced next week.

DR. IRA WOOD ELECTED DISTRICT ROTARY HEAD

The Post delegation attending the district Rotary conference in Big Spring this week said that Dr. Ira Wood of Littlefield was elected district governor. Five hundred Rotarians and their wives were registered.

Post residents attending the conference were Dr. and Mrs. David H. Templeton, Dr. and Mrs. Glenn Kahler, Mr. and Mrs. Giles McCrary, Mr. and Mrs. Minor and Lewis Nance.

As a colony, Virginia was often called The Old Dominion.

Grade School News

First Grade

The six and seven year old first grade boys and girls are happy each week when the mail clerk delivers the children's newspaper, "My Weekly Reader," to them. They enjoy reading and discussing the stories and pictures and they take the paper home to read to their parents.

An outstanding feature each week is a letter from Willy Quack. Stories this week concerned playing with kites, airplanes, roller skates and marbles. The writers described games played by children in the spring, why the children should play in a safe place and listed other spring activities that are fun.

Mrs. Stott's first graders are enjoying music with rhythm band instruments and are looking forward to playing for the entire school in an assembly program.

A new girl, Sandra Black, entered Mrs. Callis' first grade this week. She is from New Jersey.

Third Grade

The third grade assembly program will be presented tomorrow. It will include two plays, "Cinderella's Reception," and "Monkey Shines in a Doctor's Office."

Gerald Outlaw withdrew from school last Friday and will finish the school year in Victoria where his parents live.

Fourth Grade

Grade 4-1 has two new pupils, Hilario Lozana and Harold Mack Kemp.

Johnny Blocker moved away March 15, Nettie Vandell moved away March 17, and Joyce Evans left March 26.

Grade 4-1 has two newspapers. Writers for the boys' paper are Gene Young, Jimmie Bowen and Tommy Mayfield. Writers for the girls' paper are LaJuan Davis, Jaunelle Nichols and Barbara Stanley. The boys' newspaper is sponsoring a drawing contest and will give a prize for the best picture of outdoor nature.

Lewis Ammons is having to miss school because of the serious injury of his father in a car wreck.

Grade 4-1 had a nice Easter party in the room. The March room mother, Mrs. Charlie Bird, and the permanent room mother, Mrs. Pete Kennedy, served sandwiches, drinks and candy.

The children of grade 4-2 enjoyed seeing two films of Africa shown at the school by Miss Lydia Wilke, a Nazarene missionary on furlough, because they are studying Africa in their geography class.

Grade 4-2 had an Easter party in the school room. The March room mother, Mrs. W. B. Sanders, served drinks and cookies.

Fifth Grade

The two fifth grades went to a roadside park for their Easter picnic. After an Easter egg hunt, their room mothers served refreshments.

Grade 5-2 recently elected Tommy Lou Scott as girls' baseball captain and Leonard Short as boys' baseball captain.

Seventh Grade

Billie Marie Williamson had as her Easter guest Betty Jane Dill of Lubbock. Carolyn Cummings' mother, Mrs. Cloma Cummings of Brownfield, spent Easter with her.

Most of the seventh graders went to a birthday party Saturday night at Lula Bess Teal's home in honor of Jean Cato.

Friday afternoon both seventh grades went on an Easter picnic at the second bridge. They were accompanied by their teachers, Miss Zora Ann Outlaw and L. H. Welch, and Mrs. J. W. Boren, Mrs. Ralph Welch, Mrs. G. W. Pennington, Mrs. W. W. Stevens and Miss Robinson.

The children took their own lunches, and drinks and cookies were served by Mrs. Pennington and Mrs. Stevens.

Janice Lobban, daughter of Mr. and Mrs. V. A. Lobban, of Justiceburg, had the mumps last week.

The Post Dispatch is indebted to the following children for the above news items as well as a number of other bits of news in other parts of today's paper:

Willie Ann Mathis, Glenda Askins, Julia Grove, Jack Redman, and several students who wrote anonymously.

Henry V of France, in the Edict of Nantes in 1568, granted toleration to the protestant religion. Louis XIV revoked it in 1685.

Mrs. Doyle Davis has been critically ill at her home since Saturday.

Mr. and Mrs. C. D. Goss and son spent Sunday in Snyder with relatives. Mr. Goss left Tuesday for Denver, Colo., where he will be employed as a carpenter.

Happy birthday to Jack Redman and Carolyn Hudman, who observe their birthday on April 4, and to Gene Young, who observes his birthday on April 5. All three of these youngsters were born within two or three hours of one another.

Antelopes Bow To Crosbyton In Ball Game Wednesday

The Post Antelopes played their first baseball game of the season yesterday afternoon at the Postex Park and lost to Crosbyton 18-12 in seven innings.

The locals, despite their loss, made a good showing and were a smart looking bunch in the new grey and blue uniforms bought recently by the Post merchants.

The Antelopes will meet Crosbyton again tomorrow afternoon at Crosbyton at 4:15 o'clock.

Tuesday afternoon at the same hour, the locals will play the Lubbock Boys Club in Lubbock. The teams will play here the night of April 27, beginning at 7:30 o'clock.

Admission price for the games here are 15 and 25 cents.

Firemen Succeed With Ducat Sale

Tickets, at \$2 per couple, for the Annual Firemen's Ball, next Thursday night in the City Hall, are selling fine, Fire Chief Homer McCrary said yesterday.

Although a number of tickets have been sold to persons not planning to attend, indications are that a good crowd will be present. Proceeds from the ticket sale are used each year to send the firemen to conventions and fire schools and for other projects of interest to the Post Volunteer Firemen.

A seven-piece orchestra from Snyder has been engaged to play for the dance, which will begin at 9 o'clock.

James John Corbett, heavy-weight boxing champion, was known as "Gentleman Jim."

The First Baptist Church was filled to capacity Sunday for the Easter Service and to hear the new organ played for the first time. Merle E. Jenkins, organist, provided a beautiful musical program. The song service was under the direction of the choir director, A. A. Suits. A special song by Mesdames L. G. Thueft, Jr., Alvin Young, Monta Moore, and Preston Mathis was given.

Miss Lydia Wilke, a missionary on furlough from Africa, was one of the outstanding speakers at the zone rally held here at the Church of the Nazarene last Thursday. She told of her experiences in Africa.

The members of the W.S.C.S. enjoyed a seated tea in the home of Mrs. J. R. Durrett Monday afternoon from 3:30 until 4:30 o'clock.

After the necessary announcements were made, a program was given. Miss Shirley Schmidt sang two songs, and Miss Schmidt and Misses Joyce Evans and Delores Moore sang a song. Mrs. T. L. Jones, pianist, accompanied the girls. The tea was given in honor of new members of the society and prospective members. Mrs. Ted Hibbs gave a reading and Mrs. B. E. Young told the story of "Mary, the Mother of Jesus." Refreshments were served.

The group will go to Southland Monday at 2:30 o'clock for a meeting.

The Rev. Oren Orahood, a preacher in East Texas, will speak at the First Christian Church Sunday at the 11 o'clock worship hour.

A Revival meeting will begin Sunday evening at the Assembly of God Church. Services will begin each evening at 7:45 o'clock. The Rev. and Mrs. B. Z. Curtis of Carlsbad, N. M., are the evangelists. Everyone is given a cordial invitation to attend. The Rev. W. G. Miller is pastor of the church.

The Easter service at the Presbyterian Church consisted of Communion, reception of new members and Christening of four children. The new members are Mr. and Mrs. Giles McCrary, Mr. and Mrs. Carl Adams, Giles Dalby, and Carolyn, John and James Boren. The children Christened were Carol and Susan Reynolds, twin daughters of Mr. and Mrs. Martin Reynolds, and Mary Louise and Pamela McCrary, daughters of the Giles McCrarys.

The Rev. and Mrs. Huron A. Polnac and the Rev. and Mrs. I. D. Walker attended a farewell party at the College Avenue Baptist Church Monday night in honor of the Rev. L. L. Richardson, pastor, and wife who are leaving today to make their home in Anchorage, Alaska.

The party was given by ministers of the Baptist Association and their wives. The men gave a suit of clothes to the Rev. Mr. Richardson, who has been called as pastor of a Baptist Church which the Brownfield Baptist Association is organizing in Anchorage. The ministers' wives presented a gift to Mrs. Richardson.

The Rev. Mr. Polnac, who is vice-moderator of the Association, will succeed the Rev. Mr. Richardson as moderator.

The members of the Methodist Church enjoyed a fellowship supper at 7:30 o'clock Monday evening in the church dining room. Mrs. J. A. Stallings and a group of her pupils presented the program. The group elected new officers. The retiring president, Ted Hibbs, presided. S. D. Strasner was re-elected secretary-treasurer, and Jack Kennedy was elected president. Approximately eighty persons were present.

Manners In The Home Subject Discussed At Club Meeting

Manners In The Home was the topic for discussion when members of the Junior Culture Club met the night of March 23 in the home of Helen Faye McQuien. Reba Land was leader for the program. She gave a most informative talk on the subject.

During the social hour which followed, the hostess served strawberry shortcake and coffee to the following members: Juanita Burgess, Helen Carter, Reba Land, Phyllis Haws, Skeeter Justice, Margaret Bull, Thelma Clark, Fern Jones, Inez Hartell and Loren Cash.

The next meeting will be held with Phyllis Haws on April 13.

Couch Is Upholstered At Verbena Meeting

The Verbena Home Demonstration Club met all day Friday in the home of Mrs. S. F. Everett. A studio couch was upholstered. Mrs. Jewell H. Strasner helped with the demonstration. A covered dish luncheon at noon was followed by a business meeting. Roll call was answered with a book each member had read during last year.

A report was given on the Red Cross pie supper. The club is cooperating with the committee appointed to raise funds for the 4-H building to be built at the Rodeo grounds.

A bake sale is to be held to help raise funds to send 4-H girls to a camp this summer. Labels from cans were shown and discussed. Refreshments were served.

The next meeting will be all day April 12 in the home of Mrs. J. C. Fumagalli. A demonstration will be given on yeast breads.

ROGER W. BABSON WRITES THIS WEEK:

Rejection Of Marshall Plan Would Cost Too Much

Washington, D. C.—People ask me, "As a businessman, what do you think the Marshall plan would mean to American business?" The answer I should like to make is, "As a man, what do you think the Plan would mean to humanity?"

I have read letters to various newspapers written by supposedly intelligent people. They refer to the Marshall plan as "Operation Rat Hole" and say, "we will be pouring our millions down the drain." The suggestion is that the project is hopeless from the start. The writers imply that they would rather keep tight hold of

their cash than to give it away. The same people have the impression that the Plan is merely an over-sized charity. They fear that we would ship overseas the food which we ourselves might need at home. Even if this were true, could we, as the world's richest country and as a Christian community wholly refuse to share?

What Is The Marshall Plan

Most of the arguments against the Marshall Plan have been advanced by people who seem to have little idea what it means. The Marshall Plan is a program for the investment of money and goods, not for Europe's relief, but for her recovery. At present, Europe is nearly helpless because she lacks such essentials as food, fertilizer, coal, steel, and transportation.

These were destroyed or used up by the war. They can now be replaced, but not without our help. You yourself, could not plant a garden if you had neither spade, fertilizer, nor seed. You couldn't start a trucking business without a truck, gasoline, or money. Nor can Europe.

What the Marshall Plan proposes to provide is the capital for re-financing an old business. That some of the capital will be in the form of tractors and some of it in the form of wheat does not alter the case. European laborers cannot now produce to capacity because they are hungry. When they have full stomachs and are able to work, and when they have tools to work with, there will be coal to run the factories to produce

the steel from which to build the tractors to plow the gardens to feed the workers.

Can We Afford It

But can we afford the Marshall Plan? Can we part with the twenty and a half billion dollars, which has been estimated as its cost? Can we aggravate present shortages by sending steel, fertilizer, railway cars, coal? Can we spare any?

The answer is that we can afford the Marshall Plan because we cannot afford to reject it. What the program will cost us has only been estimated, but what its rejection would cost can scarcely be imagined. There is, of course, no guarantee that this plan will save Europe; but without it Western Europe will go down into chaos and Communism. We cannot live

alone in the world. We must not give Europe over to the other camp. For the sake of our own way of life, for the sake of the institutions which mean most to us, for the sake of our business and our future, we cannot refuse to make the attempt.

As a businessman, then, I think that the Marshall Plan is a good gamble and, what is more, I think that the alternative is a poor gamble. But one thing I insist on. Let's see that after the countries of Europe receive our aid, they get busy and produce. Production is the only lasting solution to their problems or to our problems either.

GETTING OUT
On The **LIMB**
By **EDDIE the EDITOR**

THE WOMEN, God love 'em: Their Easter bonnets Sunday were the best ever in my entire memory.

They blended in as one unit with the fancy NEW LOOK clothes that all the ladies were wearing and it was difficult to single out a hat amid all the masses of loveliness that I saw.

The hats seemed to be of three types: Big ones with lots of veiling, flowers, feathers and doodads; middle-sized ones with lots of veiling, flowers, feathers and doodads, and little ones with lots of veiling, flowers, feathers and doodads. The chief difference in them seemed to be the lovely faces, which the hats, veils, etc., encircled and the expensive-looking dresses, coats and suits to match.

Veils this year serve a dual purpose. They not only seem to hold the hat on the head, but they hold all the roses and gadgets on the hat. Mrs. Bill J. Davis wore a beautiful pale pink hat Sunday. It seemed to consist of a round brim with about six large pale pink roses. The roses were tied down with the veil, and the hat had no crown.

I was fascinated by the feathers. I don't know whether the feathered ladies shot the birds themselves, or what, but they sure were pretty. Mrs. Preston Mathis had one on that I really liked, except it was shaped like a soldier's overseas cap instead of a sailor's white hat. It was pink, however, instead of khaki, and it had a big, black swinging feather folded back over it and sticking out for some distance at a 45-degree angle from the back of her head.

I only saw Mrs. A. A. Suits from a distance and so I may be wrong, but I think her hat was sort of modeled after the sailor's white hat. But the brim was turned down in front. And this little white creation was topped with a nest of big black feathers.

I kept remembering the Truth and Consequences program on which a contestant was sentenced to wear a hat topped with a potted tulip all week and she was to get some sort of prize if the tulip grew as much as six inches in the allotted time.

All during church, I kept watching the flowers on Easter hats and, so help me, some of them seemed to be growing.

Betty Jo Kennedy was wearing a huge black hat without a crown and a flat brim which had a big rose attached to one side, and there were rosebuds—which seemed to open during the church service—all around the brim.

It doesn't seem to make much difference where milady wears her hat this year—just so long as it is in the general direction of the head.

Mrs. Bill Richardson wore her pretty white straw hat that was trimmed in green checked taffeta ribbon on the back of her head, allowing a clear view of her entire face. But Mrs. Oscar Graham wore her small black hat right on her forehead. I wondered how she kept it from falling down into the song-book until she turned her head and I saw some trappings in the form of four little strips of ribbon across the back of her head. These, I guess, and the veil served as an anchor.

Mrs. Cecil Osborne had a hat with a real high crown

By EVELYN BOYD

Today, April Fool Day, formerly was known as All Fools' Day. For some, the day is unofficially observed throughout the year. Tradition, however, restricts it to one day of the 365 and the time-honored pranks, practical jokes and fool's errands associated with it occur then.

The "holiday" (school teachers tell me it might as well be an official holiday) is celebrated the world over. The French call the victim a poisson d'Avril, or April fish. The expression, some say, goes back to a certain spring festival celebrating the increasing number of fish in the streams and the fact that they were then more easily hooked.

In Scotland, the April fool is the April gawk. "Gawk" signifies "cuckoo." "Hunting the gawk" is practiced thus: Sandy sends the gawk with a letter to Ian some

and just a hint of a brim that was aqua like the sea on a hazy morning but with a wide brown band around it. She wore this structure at the exact angle of Tom Power's car wheels when he turns the corner at Main and Broadway.

Tom's wife, by the way, can always be counted on to have an exotic hat. She was carrying it, instead of wearing it, when I saw it, but it seemed to be made of taffeta in the shape of a half-blown balloon. This balloon business seemed to be attached to a brown straw-looking band like those on a sailor's dress blue hat.

There were any number of lop-sided hats at church Sunday. Covey Duckworth had a bright green one, with navy blue trim, and Agnes Windham had a white straw one with a big satin bow at one side.

As far back as I can remember I could always count on Mrs. A. W. Bouchier to appear in church with an Easter bonnet that topped them all, and this year was no exception. She really did look sweet in her black straw hat with a big bunch of colorful flowers on it.

But the hat that I liked the very best of all was Joyce Herd's. I looked at it good and was never able to figure it out. Somehow or other it reminded me of a huge navy and white Valentine although, as hats go, it wasn't very large. I guess you'd call it middle-sized, but it was too big for a Valentine. The part nearest her face was white, but on top of the first brim were alternating layers of navy and white. It was sure a smart looking hat, one I'd like to wear some time.

Several American newspapers in 1934 published a "photograph" of a man flying under his own power. News-men abroad had picked up the picture in good faith from an All Fool's Day edition of a foreign newspaper.

Some victims of April Fool jokes are lucky. A prankster informed J. Henry Smith of Goshen, N. Y., that his wife had telephoned him to come home. When he opened

What Our Contemporaries Are Saying:

HEADED FOR HOME — Press dispatches from Norfolk, Va., stated that the aging battleship Texas, had undergone repairs sufficient to start her on her last journey around the Florida Keys, across the Gulf of Mexico and up the Houston ship canal to her last resting place.

Through the efforts of Texas school children and the Junior Chamber of Commerce throughout the state, all but \$40,000 of the \$225,000 necessary to dig a berth for the old battleship on San Jacinto battlegrounds, has been raised, and it was hoped that all the funds will be in by April 21, which is the anniversary of the day Texas won its independence from Mexico on the field of battle, which was fought on the grounds where the old battleship will rest, and become one of the many shrines at San Jacinto.

Retired Fleet Admiral, Chester W. Nimitz, native of Fredericksburg, Texas, will receive the old ship on that date, and present it to Texas through Gov. Beauford Jester.—Terry County Herald.

GHOSTS ARE TOSSING — Ghosts of the pioneers must be tossing in their sleep this week, for in Democratic Crosby County a Republican party has been organized. Long accepted as a one-party county in a one-party state in the one-party South, Trends can have nothing but admiration for those resolute persons who would dare to buck this Democratic stronghold.

Trends can't vote for them—we have been raised too much Democrat. But strange as it may seem, we feel that a strong Republican party in the county and state would be one of the best things ever to happen to Texas. As it is, we get scant attention from either party. To the Democrats we are part of the solid south and need little to keep us in line. To the Republicans, in the past, we were an impossible situation. Perhaps this is the beginning of a two-party system in Texas. Trends

the door, he found the house filled with smoke. His wife had left the electric iron turned on, then she went to visit a neighbor. Thanks to his prompt return, the damage was under \$100.

The above bits of Fool's Day lore are from the New York Times magazine. They pretty well illustrate the fact that the world over, a bit of foolishness is a popular pastime.

SLATON HAS ADVANTAGE — Nearly every town in this area now has a County Club or is in the process of organizing one. Slaton has the advantage of many towns because we have the Slaton Club House with its surrounding park, but an attractive Country Club would be something worth while to do.—Slaton Slatonite.

LITTLE FOLK'S WAR—We the people, sit with folded hands, while the Big Wheels begin to turn and the ponderous War Machine begins to creak in readiness to be off again. I offer no solution, but 'tis a pity that this must be, when the little people of every land long so earnestly for peace. But then, the little peoples are seldom fond of the wars they fight. The papers say that even the bigwigs in and of the various countries don't want War, but that it might come by accident. An epic, jest, you say? War by accident. Do you suppose you're just as dead if you get killed in an accidental war?

As little honest, honorable Finland passes under the Red shadow, there is considerable kaketa between the fellers on the highways and byways. "Got your call, yet?" is a favorite greeting to Reservists and National Guardsmen. (And secretly, I send my pea coats to the cleaners. Them rascals ain't gonna catch me dirty! No, sir!)—Colorado Record

how much is enough?

We wish we knew. In spite of our best efforts, the demand for telephone service continues to exceed the supply of materials necessary to provide it. We have already installed a record number of telephones, but still more applications for new service continue to come in. All of our efforts are aimed at "balancing the scales"—to have installations keep pace with new applications. It takes time and money, but we hope before too long to keep up with this tremendous demand.

Competition From Other Professions To Cause Continued Scarcity Of Teachers

"Texas will continue to have difficulty obtaining the qualified teachers it needs despite salary increases granted by the last legislature, because the high cost of living has more than offset the raises in pay," Miss Emma Mae Brotze of Marshall, president of the Texas State Teachers Association, declared in a press release this week.

"We are grateful because the legislature provided a minimum salary scale of \$2,000 annually for teachers with degrees. This has made the average salary of our teachers \$2,500.

"The fact remains, however, that Texas is still under the average pay for teachers in the United States and that increasing cost of living is forcing many people to look to other things of endeavor for their livelihood.

Is Costly Process
 "Obtaining a degree which qualifies a person to teach in Texas schools is a costly process. It is quite likely that the fact that teachers receive 12 per cent less than the average pay for all employed persons in the United States, including laborers, is little inducement for persons to train for and enter the teaching profession."

Miss Brotze pointed out that conservative figures of the United States Bureau of Labor Statistics charges of drunkenness, paid fines of \$1 each and costs last weekend in justice of the peace court.

A galleon was a large, unwieldy ship formerly used by the Spanish.

reveal that the cost of living has increased 63.9 per cent since before the war.

"The average salary of Texas teachers, \$2,500, is equal to a paycheck of \$1,526 in the 1935-39 period," the state teachers president said.

"In purchasing power, that means the dollar bill will now buy only what 61 cents would before the war.

Take home pay of teachers has also decreased due to the fact that federal income tax is now levied on their salaries. That was not done prior to 1936.

"With income tax deductions, the average salary of Texas teachers is equivalent to \$1,306 before the war.

Profession Not Appealing
 "So long as high prices continue, so long as federal government pays larger salaries for persons requiring college degrees, and teachers get less pay than semi-skilled workmen, I do not believe the profession will appeal to the type of person we want to teach our children," Miss Brotze pointed out that teachers' pay has never been comparable to others and that increases have not kept pace.

The federal government's lowest grade of pay in the professional field is \$2,691, Miss Brotze declared.

"Compare that with the \$2,000 minimum in Texas and one can readily see why the federal government attracts more people than does the school room.

"Federal salaries in the professional class are as high as \$10,000 a year. I know of no position in the Texas public schools which pays anything comparable to that."

"The expenditure for education throughout the United States is only two per cent of the national income, as comparable with as much as six per cent in some other countries.

"I am firmly convinced that if we are to staff our classrooms with persons properly trained to teach our children that it will be necessary to provide better salaries for our teachers."

HOLLY KILLED—

(Continued From Front Page) were improved yesterday. The army officer suffered a laceration of the chin and was treated at the Air Force Hospital until Tuesday. Highway patrolmen described the mishap as one of the worst of the year. Hitting the bridge with a terrific impact, the engine and body were torn from the frame of the Sappington car. Pictures are published elsewhere in this paper. Funeral services were held at 6 o'clock yesterday afternoon for Lee Roy, a resident of Post 8 years, in the Calvary Baptist Church, with the pastor, the Rev. I. D. Walker officiating. Burial was in Terrace cemetery with Mason and Company in charge. His injuries were said to have been internal, a broken leg and a back injury.

Pallbearers were Doyle Baxter, Bill Dickson, Billy Gary, Owen Echols, Jimmy Smith, Leroy Jenkins, George Hester and Elvin Johnston.

Flower girls were Berneice Hays, Bobby Day, Virginia Evans, Juanita Dean, Laverne Rowland and Daphne Beauchamp.

Survivors include his wife; parents; five brothers, Billy Byrd, Ray Douglas, Lewis O'Daniel, Troy Eugene and Eddie Ronald Holly; four sisters, Mrs. R. H. Sappington and Vada, Joan and Erlene Holly.

SOUTHSIDE GROCERY—

All Tickets Sold To C Of C Dinner On Monday Night

All the tickets for the annual Post Chamber of Commerce banquet, which will be held at 8 o'clock Monday night in the City Hall, have been sold, the secretary, Sherrill Boyd, said yesterday. A capacity crowd of approximately 125 persons will be present.

The members will elect four new directors, hear reports of the past year's work and plans from the board of directors as to projects for the next year.

The program will be highlighted by an address by Delbert Downing, manager of the Midland Chamber of Commerce, and music by Merle Jenkins, Post school bandmaster.

CANCER DRIVE—

(Continued From Front Page) any size to the drive.

Although the list of workers in the various communities was incomplete by press time, it was known that Mrs. Mason Justice, a member of the Junior Culture Club and chairman of the drive in Justiceburg, is arranging a box supper and forty-two party for the cause, and that Mrs. Julius Fumagalli is chairman of the drive in the Verbeno Community.

Cakes, pies and cookies for the bake sale Saturday morning are being baked by members of the Junior Culture Club and their friends. "We will accept a cake or pie from anybody who wants to contribute one," Mrs. Haws said yesterday.

MAN HIJACKED—

(Continued From Front Page) re-entered the room.

The robber calmly told Young that he wanted his money. The merchant thought it was a joke, at first, and didn't cooperate. The bandit then became nervous and told him to hurry up.

Once he had the money, he walked sideways to the front door, and backed out, holding the gun on Young. He turned left, and a few moments later, Young heard a car change gears. He could tell by the lights that it went south a short distance then turned left in an alley.

Mrs. Young, who was in another section of the building, heard the conversation and stepped to the door in time to witness the hold-up. As she had a large sum of money in her own pocketbook, she stepped out of sight in the other

Justiceburg — Candidate, Raymond Key; expiring term, Raymond Key.

No candidates for the remaining schools—other than for the Southland Rural High School—were filed with Judge Bowen. Elections of write-in candidates will be held Saturday at the following schools:

Grassburr—Expiring term, Basil Puckett.

Leforest—Expiring term, Henry Key.

Cross Roads—Expiring term, W. C. Graves.

Barnum Springs—Expiring term, J. L. Wheeler.

Verbeno—Expiring terms, A. M. Lucas and Allen Bird.

Seven trustees will be elected for the Southland Rural High School, which last summer took in Gordon, Hackberry and Pleasant Valley Communities.

Candidates are J. H. Haire, William Lester, J. O. Roberts, Lee Mason, C. R. Scott, Kenneth Davies, Herman Dabbs, J. H. Huddleston, Chris Gindorf, J. R. King and Dillard Dunn.

Results of the rural elections will be reported to Judge Bowen who will have the returns canvassed by the Garza County Commissioners Court, probably at the April 12 meeting.

Mrs. Lee Davis Is District PTA Office Candidate

"New Frontiers" will be the general subject under discussion in the 20th Annual District Conference of Parents and Teachers of District 14, to be held in Anson, April 14, 15, and 16.

Some things that have been planned for the conference are as follows: Wednesday evening, 7.30 p.m. the Chamber of Commerce and Anson Lions Clubs are having a dinner for all executives of the 14th District, in the Memorial Hall. It will be followed by a business session.

Thursday, April 15, the program will begin at 9 a.m. in the high school auditorium. Registration of officers and delegates will begin at 8 a.m. in the high school administration building hall. The program for Thursday morning will be New Frontiers in Health; Thursday afternoon, New Frontiers in Home and Family Life; Thursday night, New Frontiers in World Understanding.

Friday morning, at 9 a.m. will be the concluding session on the theme of New Frontiers in School Education.

Some of the outstanding people present who will address the conference and lead in panel discussion will be: Mrs. T. R. Odell, state vice-president, Mrs. Alice Y. McConnell, lecturer for the Hogg Foundation, Austin, and an outstanding educator, Mrs. E. M. Pittman, district president, will preside.

Nominees for district offices are as follows:

President: Mrs. E. S. Smith, Lorenzo, recording secretary, Mrs. J. E. Hartley, Lubbock; corresponding secretary, Mrs. Alvin F. Ham, Lorenzo; vice-presidents, Mesdames John W. Thomas, Ralls, A. O. Bennett, Paducah, J. V. Frizzell, Jr., Littlefield, M. E. West Lubbock, and Frank Neace, Plainview.

The nominees will be voted on at the general session of the conference Friday. All delegates are asked to have their credentials in order. The public is invited to attend.

Eating and sleeping facilities are being cared for by the Chamber of Commerce.

NOW IS SEASON TO KILL POISONOUS WEEDS WITH POWERFUL 2, 4-D SPRAY

Early spring is the season for killing out loco, hoarhound, bull thistle and poisonous bitterweed with 2,4-D, says Robert H. Gibson, Garza County agricultural agent.

Uniform success on these has been reported by county agents over the state the past two years. The most complete kill is made by spraying when the plants are young, tender and growing. 2,4-D under any brand is the same, but its solution may be weak or strong, and the weak solutions need less water than the stronger concentrations. Directions for mixing the various brands are different, and may be found on their containers.

2,4-D will kill most any other weeds coming up this season of the year. It makes a fine weed killer, but Gibson warns to keep it away from gardens, flowers and ornamental shrubs because it will damage these plants severely, perhaps kill them out entirely.

Another important thing to remember about the use of 2,4-D is that it is a fairly strong spray that "hangs on." Even if a sprayer is washed out after being used, it is impossible to kill plants with 2,4-D while spraying insecticides later on. So the safest thing to do is have two sprayers one for 2,4-D, and one for insecticides. This way there will be no danger of injuring the plants when switching from 2,4-D to insecticides.

Sunday, The Measons and Mr. and Mrs. Horace Vaughn and Mr. and Mrs. West visited in the home of Mr. and Mrs. Sam Leslie Sunday night.

**Unkept Yard Can
Cause Disaster
In Form Of Fire**

Your front yard is your show window, stated Marvin Hall, in asking Texans to set aside one day during Spring Clean-Up Week to tidy up their lawns.

"An unkept yard may not only give you a bad reputation with your neighbors but might also cause you a serious fire," he said. "A good time to brighten your surroundings will be during the statewide clean-up week designated by Governor Jester as April 4-10."

To keep little sparks from finding a way to feed upon your house, Hall recommends that you first pick up all paper, boxes, rags, etc. out of flower beds and shrubbery and burn them, if there is no regular garbage collection by the city where you live.

"The best time to burn trash is on a damp day when there is no wind," he says. "Always burn your rubbish in an incinerator or covered metal basket, and above all, keep well away from a going bonfire so there will be no danger to your clothes. Remember that you can also be asphyxiated from standing in the smoke too long by being overcome by poisonous gases from the fire."

Twigs and leaves should be raked up and disposed of. Leaves should be buried in flower beds to enrich the soil as well as to lessen the chances of a trash fire.

"Weeds that choke the life from your flowers and vegetables can start a fire that will take yours too," Hall pointed out. "Now, before they get a good root-hold, is the best time to dig them up. A careless match or cigaret, in the dry-type weed or dead weeds, have started many a grass fire that took the life of Texans and destroyed their property."

Mowed grass raked in piles has also started many a disastrous trash fire, he added. Grass should be put in an incinerator as soon as it is cut.

This spring, first thing...

...you've got a date that just can't wait!

So, clear out! Get down the street, where a Conoco Mileage Merchant can drain out dirty, contaminated winter oil and refill with Spring-time Conoco Nth... the oil that OIL-PLATES as it lubricates!

It's like this: When Nth Oil (Patented)* enters your engine, a special added ingredient fastens extra lubricant so closely to metal that cylinder walls

and all working parts are actually OIL-PLATED!

Because this extra OIL-PLATING stays up on cylinder walls... won't all drain down to your crankcase, even overnight... a Spring change to Conoco Nth Motor Oil extra-protects from "dry-friction" starts... from power-choking sludge and carbon due to wear!

That's why, for extra-cool, extra-powerful, extra low-cost miles you'd better...

Garza 4-H Calves Bring Good Prices

The 4-H boys of Garza County who had calves entered in the South Plains Junior Fat Stock Show at Lubbock last week received average prices for them in the auction sale held Wednesday afternoon. Carter White's 15th place heavyweight calf brought 31c per pound and his other calf brought 31 1/4c per pound. Noel White's calf sold for 31 1/4c and E. P. Wicker's calf brought 31c. Vandon Thomas had a calf in the show which was sited but he sold it for about 28c and Carter White's barrow that stayed in the show also sold well.

Alvin Davis was the only Garza County purchaser present for the sale and he bought the 1st place lightweight Berkshire barrow of the show which was shown by a Lubbock County boy. Davis also bought the 13th place lightweight calf of the show at private treaty. This calf was shown by Billy Taylor of Garza County and was the Reserve Champion of the recent Garza County show. Davis plans to show it at the State Fair at Dallas in October. He also will show the calf at the Plainview Fat Stock Show April 1 and 2 and then go on to Kansas City where animals entered in the show will be sold.

Mrs. Leila Young Mathers, an heir to the Post Estate, and her husband of Pasadena, Calif., visited the double U. property in Garza County Monday. That evening they were joined by another heir, Kenneth Montgomery of Battle Creek, Mich., and S. B. Bardwell of Lubbock and Post for a trip over the company's property around Levelland. Montgomery and the Mathers left for California Wednesday. Mrs. Montgomery was to join them en route.

Lee Roy Holly was killed, four other Post residents and a lieutenant from Goodfellow Field, near San Angelo, were injured in a double accident which wrecked these two cars near San Angelo

about 1:30 o'clock Sunday morning. The five Post men were riding in the top car, a 1941 sedan which crashed into a bridge. The 1948 automobile in the lower picture, in which the lieutenant was rid-

ing, plowed through the wreckage of the 1941 car. State patrolmen investigating the mishap termed it one of the worst of the year. (San Angelo Standard - Times Photo).

Oil Activities In Garza Field Are Slowed Up

Oil activities in Garza County during the past week have been comparatively slow.

Ohio No. 1 Swenson Land and Cattle Company, in northeast Garza county, had tested last weekend for about 80 per cent salt water, and 20 per cent oil, in small quantities, from the total depth at 7,976 feet, back up to the interval at 7,540-48 feet.

The upper section is said to be in the top of the Ellenburger. None of the shows which have been investigated have yielded sufficient oil to make the prospect any sort of a producer. It is expected that its owner will shortly order it plugged and abandoned.

Humble Oil & Refining Company No. 1-G Humble fee, four miles east of Justiceburg, had tested in both the Ellenburger and in the Missippian, and had proved that neither of those formations had any petroleum of commercial amounts.

It is now preparing to test in the San Andres section at above 2,500 feet, where it had some extra slight signs of oil and gas. Interested observers are afraid those streaks will not develop any oil, and that soon the venture will be abandoned.

Proven Oil Company, L. M. Glazo, et al, No. 1 George W. Herd, trustee, three miles south of Justiceburg, had tested from the total depth at approximately 3,1167 feet, in lime, back up to the zone at 2,517-30 feet.

Small amounts of oil, along with some water, have been recovered on each test taken. None of them have shown for any sort of an oil well.

Operators were to perforate the casing and acidize and test on the zone at 2,445-2,510 feet, at the end of the week. The horizon had some small signs of oil and gas.

Miss Mary Margaret Graham of Amarillo spent the Easter holidays with her parents, Mr. and Mrs. Oscar Graham, and her brother, Moody Graham.

Naomi Ruth Nichols spent Easter in Tulia visiting Mrs. J. A. Bartlett.

GARZA 4-H CLUBS TO BE REPRESENTED AT REVUE

All eight of the Garza County girls' 4-H clubs are planning to be represented by several members each, their sponsors and a number of parents at a Style Revue sponsored by the Simplicity Pattern Company in the agriculture building auditorium at Texas Technological College in Lubbock tomorrow, beginning at 2:30 p.m. Although a complete list of those planning to attend was not available yesterday, the following had indicated to the county home demonstration agent, Mrs. Jewell H. Strasser, that they planned to go: From Graham, Mesdames Wilburn Morris, E. E. Peel and James Stone and five girls; from Close City, Mesdames W. F. Furr and
