

# Coach Bingham To Organize Boy's Club Here

SHOPPING—  
And Down  
in Street

reporter and other  
of the Dispatch staff,  
helped to assemble ad  
information for Dis-  
concerning the  
Sale of Mason  
with all the  
county in extending  
to one of Post's  
Thirty-three years  
service covering a  
is a record of which  
can be proud. The firm,  
in 1915 by Mar-  
and W. L. Davis  
then as Davis-Mason  
has grown stead-  
ing well in advance of  
of the county and  
is one of the leading  
of its kind in West Texas.  
and its own men during  
to the credit of  
the firm and themselves.  
remarkable organization.  
original store was located  
now occupied by  
a 20 foot  
the present 40X  
building with spacious  
requires 9600 square feet  
space to care for the  
culture and appliances  
stock. The firm was re-  
in 1941 when Mr. Davis  
interest to Mason.  
and Company, with its  
Mason and co-partner  
Minor, presents a special  
in the Dispatch com-  
ing thirty-three years of  
service. Hundreds of  
are listed in the special  
and many special prizes  
are ready for the sale and  
assure you that you will  
get wonderful buys. Doors  
open at 8 o'clock on Satur-  
day.

pre-war service...  
Curb Service... is being  
by the Red Raven Cafe.

grocery and Market.

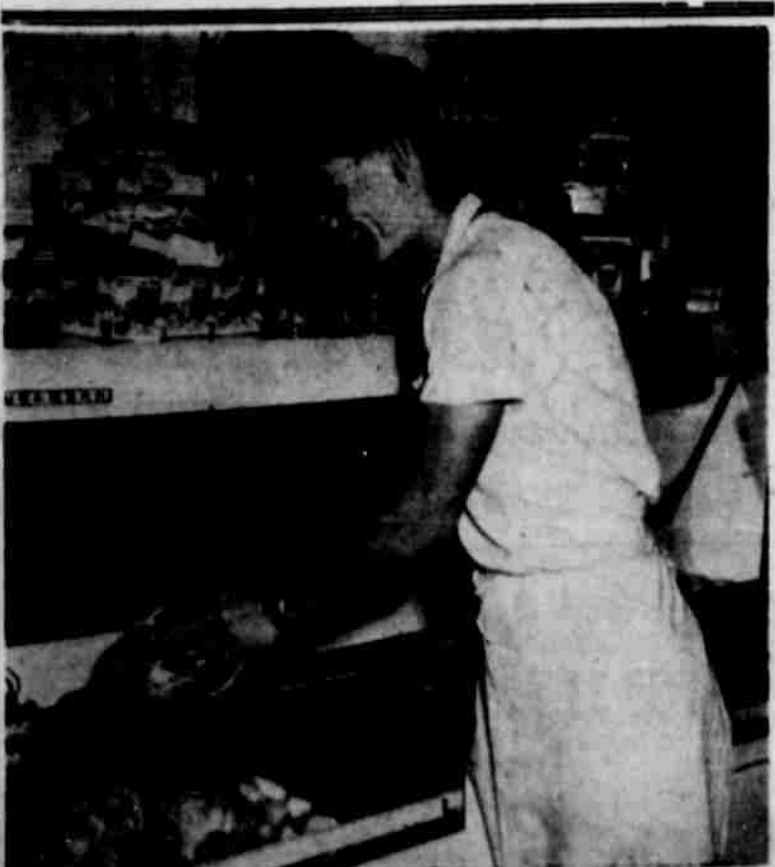

## Additional Gas To Be Available Next Winter

An announcement of personal interest to every user of natural gas throughout the area served by West Texas Gas Company has just been made by R. F. Hinchey of Lubbock, president of the company. Hinchey disclosed that his company has entered into an agreement with El Paso Natural Gas Company to purchase natural gas from that company at two points in West Texas. This new supply of gas, he said, should be available before next winter and will enable West Texas Gas Company to meet winter peak-day needs of its customers throughout the area. After these two connections are made, the West Texas Gas Company will be drawing gas from five sources of supply. Multiple sources of supply of course minimize the incidence of temporary gas shortages which may occur when pipe lines break or when there is mechanical failure of compressor station engines. El Paso Natural Gas Company last year built a gas transmission line from the Gulf of Mexico to the Texas coast. (Continued On Back Page Col. 2)

## Civilian Manpower Committee May Be Organized In Post

T. L. Jones has been named chairman of a committee to organize a civilian manpower committee in Garza County by James H. Goodman of Lubbock, chairman of the South Plains Army Advisory Committee. Jones will call a meeting of Mayor John Herd, Judge J. Lee Bowen, Irvin Chandler of Clovis, City and Willard Kirkpatrick, presidents of the county's independent school district boards, and J. H. Haire of Southland, president of the Southland Rural School Board, in the near future to discuss the organization of such a committee. The South Plains Army Advisory Committee has been requested by the Secretary of Defense of the United States to assist in military recruiting by having the manpower committees organized in the various South Plains counties, for the purpose of increasing voluntary enlistments into the military services.

## POST FOLKS AT WORK:

Boyd Bowen is shown arranging fresh vegetables in the refrigerated vegetable rack at the O. K. Food Store which is owned by his uncle, Oscar K. Bowen. Boyd, a pleasant high school student spends his after-school and summer hours learning every phase of the grocery business. Staff Photo.

Dick Woods, left, local manager for the West Texas Gas Company and two men from the George R. Tucker Construction Company of Odessa watch Tucker Company welder work on a portion of two-inch high pressure line recently installed in north, south and west Post to accommodate 24 new consumers. Many more feet of new line will be installed here before summer is over, Woods said. This is part of the company's expansion program.

## Wear A Poppy Saturday To Honor Dead, Help Living

Garza County residents will have an opportunity "To Honor the Dead and Help the Living" Saturday by wearing a "buddy poppy." The annual Memorial Day sale of the little red flowers, which were made by disabled and needy veterans of the United States, is sponsored by the Veterans of Foreign Wars and Auxiliary. Mrs. Imogene Jewell, chairman of the local sale, will be assisted by members of the auxiliary. Proceeds from the sale will be used to help orphaned children of veterans. The idea of the poppy as a memorial flower for world war dead sprang up as naturally as the little wild flower itself. In the days of the first world war, the flower was the one touch of beauty which survived amid the hideous destruction of war. The soldiers of all nations were awed and impressed by nature's profusion of these bright red poppies in a region where death reigned supreme, and they came to look upon them as the living symbol of the sacrifices of their dead comrades.

## Monday Is Not To Be Holiday Here

Monday will not be a holiday in Post. Although it is customary to observe a holiday on Monday when Memorial Day falls on Sunday, a quick survey made by the Post Chamber of Commerce among local merchants revealed that they preferred not to close on Monday. This includes the First National Bank.

## Vernon Ray To Be On Coaching Staff

The Post Independent School Board has announced the recent election of Vernon Ray of Bay City as assistant coach for the 1948-49 school year. Ray, who will be graduated from Texas Technological College this summer, will arrive here with his wife August 15 to begin his duties. He will need an apartment, Coach Bing Bingham said yesterday. The assistant coach and Bingham were roommates their first year at Texas Tech, where both were outstanding Red Raider football players. Ray played end.

## Sears Roebuck Pigs To Be Awarded Here

Eight gilt pigs and a boar pig Garza County's quota of the 4-H hog program sponsored over the United States by the Sears Roebuck Foundation, will be given to nine 4-H boys here June 5. The boys will be selected on basis of the best essays written on "The Value of Producing Hogs As A Source of Cash Income On Our Farm," and the writers' facilities and abilities to successfully complete the demonstration.

## Camp Post To Open For Three Weeks

Camp Post for Boy Scouts of the South Plains Area Council will open Saturday for three weeks. Jack Johnson of Lamesa, Boy Scout field representative, spent this week at the camp completing arrangements.

## Fire Destroys Home

The home of Mrs. Tessie Williams, a widow who lived near the Postex Cotton Mills, was completely destroyed by fire Monday morning.

## Athletics To Be Feature Of Activities

All boys between the ages of 7 and 14 years are invited to meet with Coach Bing Bingham at 9 o'clock Monday morning for the purpose of organizing a Boys Club, which will be sponsored by the Post Chamber of Commerce. An interesting program of summer activities has been mapped out by the coach. One of its purposes will be to train today's youngsters for tomorrow's high school sports so that Post can have even better teams in football and other sports events. The club will be operated without cost to the boys who belong to it. The program will be partly financed by a series of fun nights, in which the boys will be presented in boxing and other entertainment. Contributions from interested adults will be accepted gladly by the sponsoring organization. The money may be turned over to Sherrill Boyd, C of C secretary, or any of the following board members: James Minor, W. S. Land, Dr. Glenn Kahler, Alton Carr, S. E. Camp, Dowe Mayfield and Lowell Short. These men can also supply any additional information desired on the Boys' Club program.

## Good Cotton And Grain Yields Are Assured By Rain

The Post Dispatch editor wishes he had some of the Lubbock Avalanche-Journal's raindrops to "splatter" over this page in celebration of this week's soaking rains over the entire county. Starting Sunday night, after the last rodeo performance, the weatherman dropped from 3-8 to an inch of rain over the county Tuesday morning. Sixty-five one hundredths of an inch was measured here that morning by the Double U Company's rain gauge. Then the rains started in earnestly and a two-day precipitation followed. Sixty-one hundredths of an inch of rain fell here Tuesday and Wednesday. This with the rain that fell since last Sunday and the 24 one hundredths of an inch which fell earlier last week makes a total of an inch and a half of moisture falling on Post. The moisture did not arrive in time to save the wheat, according to observations of County Agricultural Agent Robert H. Gibson but it came in time to assure a good yield on cotton and feed crops which will be planted immediately after the rains end and the ground is dry enough. All cotton planted between now and June 15 should make a good yield, the agent said. Nobody seemed to mind that the rain-soaked telephone cables partially disrupted telephone service in the county.

## Financial Report Of Rodeo To Be Given In Paper On June 3

A financial statement regarding the proceeds of the Post Stampede and Rodeo will be available for publication next week, the rodeo association secretary, Homer McCrary, said yesterday. As all bills had not been paid by press time, it was not possible to estimate the financial outcome. It was believed, however, that the rodeo was a financial success. Stockholders of the association will meet at the City Hall at 8 o'clock Tuesday night to hear the report and attend to business concerning the association. A record crowd of people from all over West Texas attended (Continued On Back Page, Col. 1)

## Will 4-H Clubs Have Building For 1948 Show?

September 17 and 18 are the dates set for the annual Garza County 4-H Club Show. Livestock and crop girls' club exhibits will be shown. "The place will be announced later," Agricultural Agent Robert H. Gibson said yesterday. "We have our fingers crossed, hoping to raise enough money to have our own building by then," he said.

## City Working On Sewage Disposal

H. N. Roberts of Lubbock, engineer, spent Wednesday here appraising the water and sewage disposal systems. The information will be presented to the voters in event of a bond election and to the bond buyers, Sherrill Boyd, city secretary, said yesterday. Roberts previously made an inventory of all the properties out will be spend quite a bit of time here in the near future gathering additional information.

## Midland Boosters Coming Tomorrow

Delbert Downing, manager of the Midland Chamber of Commerce, wired the Post of C. yesterday that the Midland Rodeo Boosters will visit here about 2 o'clock tomorrow afternoon.

## Look Who's New

A daughter was born to Mr. and Mrs. J. D. Hord, Jr., of Lubbock, formerly of Southland, at 2:25 a.m. Saturday in the West Texas Hospital in Lubbock. The baby's father is employed by the West Texas Gas Company.

## Polnacs Attending Brother's Funeral

The Rev. and Mrs. Huron A. Polnac and sons, Huron A., Jr., and Lennis Ray, left Tuesday for Gorman where they were to attend funeral services at the First Methodist Church for Mrs. Polnac's brother, Tech Sgt. Frank A. Gray, who was killed in Burma during the war. The Rev. Mr. Polnac was to officiate.

## Water Company Man Confers With Herd

Luther Raley, representative of the Community Public Service Company headquarters in Fort Worth, was here Tuesday conferring with Mayor John Herd and other city officials.

From where I sit ... by Joe Marsh

**It's Leap Year, Girls!**

First girl in our town to "get her man" on Leap Year was the Cuppers' daughter, Jane, who wed Bill Webster's boy last Saturday.

When I asked Bill Jr. if it was true that Janey really did the proposing, Bill said: No, but she made it plain she'd make an ideal wife. Instead of looking for diversion or excitement every evening, she was content to chat beside the fire.

"I could plainly see," says Bill, "that we'd really have a happy home life—which is just exactly what I want from marriage."

I know it's usual for older folks to shake their heads over the younger generation. (It's gone on for hundreds of years, now.)

But from where I sit, young people of marrying age today are every bit as commendable as their elders were—in their temperance (a glass of beer for instance), tolerance, and common sense. So to Jane and Bill—the best of luck!

Joe Marsh

**Dresses Of Last Summer Can Get New Look Easily**

The dress you thought too long last summer may be still too short for the current style, but there are ways of making it longer and more stylish, too. "Study the styles in newspaper ads and fashion magazines to see how materials are combined in dresses, and you'll be surprised to see how many ways you can make your last summer's dress look like new," advises Mrs. Jewell H. Strasser, Garza County home demonstration agent.

She says you'll find eyelet embroidered pique used in many ways. A skirt can be lengthened from 2 to 6 inches by using one or more bands of the pique.

"Bands of contrasting color, bias plaids or striped material will not only lengthen the skirt, but bring life and color to a discarded dress. A yoke added to the top of a skirt is a good way to get the 'new look' in length and hip style, too.

"A bias fold or a 'petticoat ruffle' added to the bottom of a full skirt can add 2 inches and fit into the current styles as well."

Mrs. Strasser suggests that all dresses made this summer have a good hem, and all new clothing bought or made have a generous hem in addition to being the proper length. This proper length depends upon the woman and her height, for there is no definite number of inches from the floor for women to follow. Many stylists say from 11 to 13 inches is within the fashion, but Mrs. Strasser says the very tall, slender woman might wear her skirt 13½ inches while 10½ inches from the floor might be more becoming to the very short woman and yet both be fashionably correct.

South of Lamesa.

**Southwest's Garment Industry Recognized**

The Southwest's booming garment industry will be symbolized in the exhibits of at least a dozen representative clothing manufacturers at the First Annual Industrial Exposition in Ft. Worth from May 30 through June 6.

One of the most virile of the many industries which have moved to the Southwest during the current shift of industrial operations, garment manufacturing has spread over the Southwest in towns large and small.

Please Send News Not Later Than MONDAY to **BILLIE SUE QUISENBERRY** Grassburr Correspondent

Mr. and Mrs. W. C. Quisenberry and daughter, Billie Sue, were in Lubbock shopping last Wednesday. Billie Sue was married to Herman Jinkins Saturday morning.

This community was well represented at the Post Stampede and Rodeo.

Mr. and Mrs. Wiley Melton of Abernathy spent Friday night here in the home of her parents, the Lee Smiths. Mrs. Melton's brother, Leonard Smith, returned home with them for a two weeks visit.

Bessie Mae Smith of Lubbock came home Friday and she and her mother, Mrs. Lee Smith had planned a vacation trip in San Antonio and were to leave Saturday. Because of the bus strike, their trip had to be postponed.

Mr. and Mrs. Marshall Tipton of the Close City Community were Sunday dinner guests in the home of her parents, Mr. and Mrs. E. W. Cross.

Mr. and Mrs. Fulton Barron, Mr. and Mrs. Pat Patterson and little daughter, Sandra, of Lamesa were Sunday evening guests in the W. C. Quisenberry home.

**Dudley K. Brummett Has New "Manager"**

Dudley K. Brummett of Lubbock, candidate for state senator, has a new "campaign manager," he said last week while visiting in Post: Dudley K. Brummett Jr., who was born May 7 in Lubbock. The child is the first child for the Brummetts.

"Shooting the Sun" means using a sextant to determine a ship's location at sea.

**High School Year Book For 1948 Is Credit To Staff**

The 1948 Caprock, Post High School annual which did not arrive here in time for distribution before the close of school, was distributed to the students and faculty members Monday. It was well worth waiting for.

The annual is distinguished by a beautiful bronze letter cover with a gold embossed Antelope head as the decorative feature and front and back fly-leaves picturing in green tint the high school and a group of students relaxing pleasantly in the yard.

The book is dedicated to Coach Bing Bingham, the managers, and the members of the 1948 Antelope team, whose courage and sportsmanship brought honor to the Post High School.

The dedication picture of the honor group is printed in the Antelope colors, black and gold, on a two-page spread.

Liberal illustrations by two capable artists, Dolores Moore and Bud Short, add unusual interest to the book. The drawings are of a comic nature. Photography by Helen Thaxton and the Post Art Studio is excellent.

The annual staff consisted of Billie Nichols, editor-in-chief; Jane Turner, business manager; Bud Short, art editor; Helen Thaxton, photographer; Marjorie Freeman, assistant editor; Mary Nell Bowen, associate assistant editor; Dolores Moore, assistant art editor; Senior representatives, Joyce Evans and Bonnie Bowen; Junior representative, Lanell Brown; Sophomore representatives, Daisy Holly and El Wanda Davies; Freshman representatives, Robert Smith and LaRue Stevens; Eighth grade representatives, Cordell Custer

**Bob Johnson Will Preach At Calvary Church On Sunday**

Youth Day will be observed at the Calvary Baptist Church Sunday. Departments usually handled by adults will be taken over by the young people, as follows:

Pastor, Bob Johnson; Sunday School superintendent, Buddy Hays; song leader, Jackie Hays; pianist, Bonnie Faye Williams; ushers, Tommy Walls and Tommy Mathis; special music, June Armistead and Theona Beauchamp, and the following Sunday School teachers:

Men's Bible Class, Thomas Johnson; Women's Bible Class, Theona Beauchamp; Fidelis Class, Rita Faye Mathis; Young People's Class, Bonnie Gary; Intermediate Girls, Joy Faye Parker; Intermediate Boys, Petie Hays; Junior Girls, LaJuan Davis; primary classes, Vada Holly, Bonnie Faye Williams and Ethel Mae Williams, and Beginners, June Armistead.

**Good Paint Job On House, Barn Is Worth Money**

Painting a house or barn does make it look nice, but the real reason behind painting is to protect the building. If one's home or farm building has not been painted during the past four or five years, now is the time to tend to that job, says Robert H. Gibson, Garza County agricultural agent. To let the job go any longer means the surface of the siding may need more careful and expensive preparation for re-painting.

Local conditions play an important part in the selection of paints. For example, in warm, humid climates harder types of paint that contain greater amounts of zinc usually stand up better than soft paint. And in the extra dry sections, it is the other way around. Soft paints containing mostly white lead are better.

There is a good supply of ready-mixed paint of high quality to suit local conditions, and it can be had in nearly any color.

Gibson says to remember that a paint job is no better than the application. A good painter will take off all the old loose paint and make sure the surface to be painted is dry before he starts his job. Even the best paint will fail if it is applied right after a shower.

One of the important things to do before starting a paint job is to be sure the paint is mixed right. Too much oil causes the paint to dry slowly, get dirty and fade. And, not having enough oil causes the paint to wear off rapidly. Cracking is caused by hard, quick drying paints. Wrinkles in the coat of paint are made by improper brushing of heavy, oily mixtures. Too much thinner in the paint or not enough coats will usually cause chaulking.

Two coats of paint is all right when the surface is in good condition and most of the old paint remains after sanding, brushing and scraping. Otherwise, says Gibson, three or four coats are needed. The cost might be more, but one can rely on having a more lasting, satisfactory job.

**Steven's Style Shop**

**Right Side Was Up**

King Bingham, talking about sound land use, said a certain piece of land is not what it used to be and never was. Now Doc Kennedy near Verbenia, who has been in this country before mesquites became a problem and when hay was mowed and stacked in the valleys, has another way of discussing sound land use. He says, "The right side of a lot of this land was up before it was ever plowed and put in cultivation."

Sound land use is one of the corner stones of the Duck Creek Soil Conservation program. The other three are the right combination of soil conservation practices, to improve and maintain soil fertility, and economically feasible conservation farming.

There are 53,000 acres of land in the area served by the Post Work Unit that needs to go back to grass to get the right side up again.

**Grass Seed Harvest**

Ernest Henderson nine miles west of Post, made plans this week to try for another weeping lovegrass seed crop. Henderson plans to quit grazing the lovegrass. He will cultivate the grass to kill weeds between the rows. The two acres of lovegrass will then be irrigated to get maximum seed production. African weeping lovegrass under irrigation in other areas has yielded up to 150 pounds of seed per acre. For several years the price of weeping lovegrass seed ranged from \$4 to \$5 per pound. Last fall it sold for \$2.25 per pound. The present price is \$3 per pound. The district supervisors have weeping lovegrass seed for sale at the Fry Feed and Hatchery.

Henderson, cooperating with the Duck Creek Soil Conservation District, planted these two acres of lovegrass in the spring of 1947.

Soil Conservation Service technicians will give assistance in harvesting and cleaning the seed to make a source of home seed available to cooperators for next spring's grass planting.

**Eubanks Alfalfa**

James C. Eubanks of Canyon Valley, who is cooperating with the Duck Creek Soil Conservation District, has 25 acres of alfalfa that will soon be ready to cut.

This first alfalfa cutting is somewhat delayed because it was grazed heavily and late in to spring. Although the drouth undoubtedly delayed the growth, it is the greenest field in the country. In loose soils, alfalfa roots deep into the soil for water. Eubanks alfalfa is on sandy sub-irrigated land.

Soil analysis made by Soil Conservation technicians in one of

the fields showed a need for phosphate fertilizer.

Eubanks applied 200 pounds of phosphate to the acre. A grain drill, hopper type fertilizer spreader, was used to apply the fertilizer. Streaks through the field of dense alfalfa where fertilizer was unavoidably applied heavy indicates that heavy application of phosphate fertilizer may be needed.

**Garza Girls Are Eligible To Try For Movie Role**

A 12-year-old 4-H club girl, who will not have had her 13th birthday by June 30, will be selected from one of the four 4-H club regions in the United States to play an important part in a Hollywood movie, "The Green Promise," a story of a farm family's struggle for success.

A girl from each of the four regions will be selected for a screen test and the part will be awarded to the girl making the best test, Texas is in the southern region.

Garza County has several girls with the required qualifications, besides the above-mentioned age, for entering the contest.

Lona fide 4-H club member, who has been actively enrolled for two years, has completed one demonstration and is completing another, has held elective office has completed all cooperators goals for one year, has approved of parents whose signature on their application for the contest will be required.

Application blanks and other information concerning the contest may be obtained from the county home demonstration agent, Mrs. Jewell H. Strasner. A photograph of the contestant must be attached to the entry blank, Mrs. Strasner said.

The winning girl will have all expenses of herself and a chaperone paid while the picture is being filmed.

Johnny and Beth Kemp of Post spent Sunday night here with their aunt, Mrs. Bob Thomas.

Jackie and Margaret Hoskins are recuperating from the measles.

Ladell Owen of Tahoka spent the weekend here visiting Martha and Hazel Thomas.

Mr. and Mrs. D. L. White and family and the M. D. White family of Abernathy visited Mr. and Mrs. Dariean White Sunday night.

Mr. and Mrs. Joyce Steel and Mr. and Mrs. H. A. Caywood spent Monday in Lubbock, Mrs. Caywood is still taking treatments weekly in the West Texas Hospital.

Bob Thomas and Barry Ford visited Sunday in Kress with Barry's father.

Curtis Steele spent Monday night with Noel White.

Barry Ford had the misfortune of losing his horse Monday.

**SAVE USED FATS!**

HELP YOUR COUNTRY... HELP YOURSELF!

There is still a very real need for every ounce of used fats we can salvage. The world-wide shortage is greater today than ever before. Please... keep saving and turning in your used kitchen fats. P. S. Yes! you do get paid for them... and you know how ready cash counts today.

Keep Turning in Used Fats! American Fat Salvage Committee, Inc.

**BITS OF NEWS**

Mr. and Mrs. J. P. Berry went to Denver City over the weekend to bring their children home after they had spent last week there visiting relatives.

Mr. and Mrs. Ralph Shrader recently came from Kansas en route to California to visit her brother, Cecil Osborne, whom she had not seen in 22 years.

Mr. and Mrs. Everett Windham moved recently to Robstown.

He died from injuries received when he fell on the pavement in Post Saturday.

Company

## Southland High School Seniors Enjoy Interesting, Historical Texas Tour

The Southland High School Seniors recently enjoyed such an interesting educational trip, the Post Dispatch asked Supt. C. S. Lindsey to send an account of it for publication. It follows:

"At 4 o'clock Saturday morning May 8, 1948, the Senior Class and their sponsor, C. S. Lindsey, accompanied by Mrs. Lindsey and Mrs. Clark Barton, left Southland to see points of interest in Texas.

"The first objective was Del Rio where we were guests of Mr. Alexander, the high school principal. He had made arrangements in one of the most beautiful homes one could ever expect to see for all the Senior girls and in another beautiful home for Mrs. Lindsey and Mrs. Barton. Mr. Lindsey and Mr. Alexander stayed with the boys at Teentown. The Seniors and other young people came to Teentown for an evening of fun and games.

### Visited Teentown

"We unloaded our bus at Teentown and Mr. Alexander took over the driving and showed us Del Rio, which is located in an oasis. Water for the entire town and irrigation of the area supporting it is obtained from a single spring, which was interesting to see.

"After seeing other points of interest, we went across the border to Villa Acuna, Mexico. After seeing a noted restaurant and tourist lodges there, we went to a fort up on the mountain overlooking the city. From there we saw the Mexican houses made of grass and thatched roofs.

"The next morning we headed our bus toward San Antonio stopping at Uvalde for the Seniors to have their first swim of the season.

"In San Antonio we visited the Alamo and other historical spots then bought souvenirs at the Buckhorn Saloon. After spending several hours in Breckenridge Park, we left for Austin where we stayed at the Driskill Hotel. The next morning, we visited the state capitol, the governor's mansion, the University of Texas and a few other places of interest, but were hindered because of a heavy rain.

MADE TO ORDER

Choose your own frame from our wide variety of molding.

Mason & Co.

## Rode High Waves

"Leaving Austin, we went to Galveston where we had a suite of rooms at the Rogers Motel. The Gulf of Mexico was a sight to see, as it had been rainy and stormy most of the day and the waves were reaching out against the wall and breaking out again to the ocean. Mr. Lindsey and the boys went swimming.

"The next morning the waves were still high and it was real cool, so we decided on a boat ride out in the bay and on until we reached the gulf. After returning, the party went swimming and everyone received a blistered back.

"The next day we went by way of Texas City, scene of the terrible disaster last year, to Houston, the largest city in Texas; then we went on to Huntsville where we spent the night. We saw Sam Houston State Teachers College, Houston's home and museum, then went out by the Texas Penitentiary.

"Next we went to Cleburne, where we were guests of the American Legion. The Ladies Auxiliary had prepared the evening meal for us and a group of other young people. After eating, we were guests at the carnival which the Legion was sponsoring.

"We left Cleburne for Southland, arriving there about 6 p.m. Saturday."

## Spur Cowboy Jubilee Slated For June 3-5

With a long list of amateur cowboys already on the entry list, plus an eye-ful of beautiful cowgirl sponsors, the Spur Cowboy Jubilee is practically all set "for the greatest all-amateur rodeo ever to be presented to the people of West Texas on June 3-4-5, in Spur."

A program that consists of calf roping, bronc riding, bareback bronc riding, wild cow milking, steer riding, cutting horse contest and an added feature, an Old-Timer roping contest, will certainly give to the rodeo audiences thrill after thrill.

A large number of entries and inquiries are in the booking for the Cowgirl Sponsors contest which will be a show for itself. Added to this feature will be an enormous parade of decorated floats and cars of different groups of organizations.

Committees for the different departments have been appointed by the president of the association, J. E. Swenson. Several towns are being asked to send sponsors or to enter a float in the forthcoming celebration.

In French history May 31, 1793 to July 27, 1794 is known as the "Reign of Terror."

## Officers School Held For Women in County Clubs

The annual officers and committee training school of the home demonstration clubs of the county was held in the Methodist Church basement all day Saturday, with Mrs. Jessie Voss acting as hostess. Mrs. J. E. Stephens gave the invocation.

The morning program was opened with singing led by Mrs. O. H. Hoover and Mrs. Wilburn Morris accompanied by Mrs. T. L. Jones, pianist. Talks were given on the duties of various club officers by Mesdames Tom Bouchier, C. H. Hartel, Esma Cash and Evelyn Boyd.

A covered dish luncheon was served at noon. The Rev. J. E. Stephens offered prayer before the meal. In the afternoon, Mrs. B. E. Young gave a book review and C. H. Rogers of the Coca-Cola Bottling Company in Lubbock showed a movie on flower arrangements. He presented each with a souvenir pencil.

Mrs. George Evans of Justiceburg, council chairman, presided over the meeting. The council committee recommended to the group that the home demonstration clubs and the 4-H boys and girls sponsor a candidate rally and box supper at 8 o'clock June 18. The place is to be announced later. The proceeds will be used to pay the expenses of the boys and girls who will go to the 4-H Round-Up at Texas A. & M. College in August and for other 4-H and home demonstration causes. At this rally, each candidate will be asked to speak.

A report of the district Texas H.D. meeting, which was held in Plainview recently, was given by Mrs. W. F. Furr, delegate, and Mrs. L. H. Peel. They spoke of the business and social activities of the state H.D. clubs.

Luncheon guests of the clubwomen included Judge J. Lee Bowen, Mr. and Mrs. Buck Gossett, Mr. and Mrs. Boone Evans, Mr. and Mrs. C. H. Rogers of Lubbock, Mrs. Bouchier, Mrs. Young, Mrs. Cash and Mrs. Jones.

Mr. and Mrs. L. H. Arnold and son, Thomas Hayden, will leave tomorrow for their home in Texarkana after visiting two weeks in the home of her father, E. A. Thomas, in the Grassland Community.

Periods of the year when the nights and days are of equal length are called equinoxes.

# NEWS

**STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS**

and such complaints as Headaches, Nervousness, Acids, Toxins, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Read What They Say!

**Drugless Health**  
REGARDLESS of how long you have been a sufferer, and how many medicines you have tried before, you can now hope for relief if you try GEO-MINERAL, the wonderful mineral aid. Feel and enjoy the results one week after you start taking it. GEO-MINERAL comes from the earth — Nature's laboratory. Contains NO alcohol, NO preservatives, NO oil, NO harmful drugs, NO dope — is NOT habit forming. Cost: ins ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments — highly recommended by the medical profession.

**FOR THOUSANDS** of years ever since Hippocrates was the father of medicine, minerals and other natural medicines were a reliable remedy for most of our common ailments. GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. If you suffer from nutritional anemia, nervousness, lack of vitality and energy see what GEO-MINERAL will do for you.

**Amazing Results**  
MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry weighing you down — it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

**Wonder Minerals**  
RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of their doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there twice a year.

**YEAR after year**, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

**GEO-MINERAL Retail Price**  
1 Bottle \$1.10 6 Bottles \$6.00

"We have sold Geo-Mineral for the last six months and it has been one of the best selling drug items we have ever handled" — say Porter Bros., pharmacists of Concord, N. C. "Users report amazing results in many instances, and we personally believe Geo-Mineral is a good medicine for purposes as indicated, and recommend it to sufferers who have tried other medicines with little if any results. They may discover that Geo-Mineral is what they have probably been needing and looking for — we unhesitatingly recommend it."

GEO-MINERAL is not a physic and does not interfere with the foods in the stomach. It cleans and purifies the intestines, thoroughly relieving gas, toxins, acids, and bloating. After these poisons are out of the system and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

**100% Guaranteed!**

**WE URGE everyone to try GEO-MINERAL.** Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

**TRY it today!** It may do wonders for you — and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

"You just can't beat Electric Cooking"

**F**or good cooking, and cooler cooking, you just can't beat an electric range...it's the easy and low cost way to prepare better meals with less effort.

Electric cooking is best because you can control the heat you're using exactly, make sure that every dish gets just the right amount of heat for the right amount of time.

Better still, you'll have more time to "get out," for the new electric ranges require no watching...cooking is practically automatic.

Plan now on doing better cooking... electrically... You'll get more and more enjoyment from cheap electricity in the Panhandle Plains, Pecos Valley Area.

We have nothing to sell but good electric service. You'll find a choice of electric ranges, and other electric cooking equipment at a nearby appliance dealer's.

## Softball Games Tomorrow Night Free To Public

A good crowd gathered at the Postex Park Monday night to see the Storie Motor softball team lose 8-10 to the Postex Mill team. At the end of seven innings, the score was tied and an additional inning was played. Bingham pitched for the Mill and Brock took the mound for Storie Motor.

The American Legion trounced Garnolia 27-8 in the last game. Jones, Ammons and Bengt took the mound for the Legionnaires.

Games were played last night and are scheduled for tomorrow night. No admission price will be charged.

Next week's schedule is as follows: Monday night, American Legion vs. Postex Mills and Garza Theatre vs. Garnolia; Wednesday night, Garza Theatre vs. Storie Motor and American Legion vs. Postex Mills; Friday night Postex Mills vs. Garnolia and Storie Motor vs. Garza Theatre.

Game time is 8:15 o'clock.

## Slaton Tigers To Play Millers Here Next Sunday, 3 P.M.

The Slaton Tigers, tied with Brownfield Cubs, for top Oil Belt League honors, will provide opposition for the local nine here next Sunday afternoon at 3 o'clock at Post Miller's park.

The Slaton crew has held top spot in league play since the opening of the season, but after giving up a game to Brownfield last Sunday fell into a tie with the Cubs for top place.

## Double U. Cows Add To Rodeo's Success

One of the biggest single contributions to the success of the rodeo was the Double U Company's loan of 50 head of cows for the cutting horse contest Homer McCrary, secretary of the Post Stampede and Rodeo Association said yesterday.

Because of the drought, cows for the event would have been otherwise unavailable, he said.

## Post Millers Drop Game To Levelland Crew Last Sunday

The Post Millers dropped another Oil Belt League game Sunday when the Levelland Refiners came here for the first game between the two clubs in this season's play.

The visitors got off to a good start in scoring early in the game, racking up 2 runs in the second and 1 in the third. They piled up their lead over the locals in the fifth when they garnered another 5 runs. The locals scored 2 runs in the second and followed with another 2 runs before entering the seventh inning when they piled up 6 runs to give them a 2-run lead over the visitors. In the first of the inning Slaton scored 3 runs to win the game, 11-10.

Nine costly errors were attributed to the Miller's losing game.

The box score follows:

Merle Jenkins was called to Caddo last Friday to take his father, George C. Jenkins, to a clinic in Fort Worth. He said his father's condition was improved this week.

## Sheriff Mears Has Busy Week Because Of Drunks, Rodeo

Sheriff Nathan Mears, who was quite busy last week assisting with the rodeo, was also extremely busy being a sheriff.

Eleven white persons were arrested for drunkenness and 10 paid fines of \$1 and costs. One remained in jail. Two of the persons arrested was a couple from Dallas and one was a man from Lubbock.

Two negroes paid fines of \$1 and costs for gambling.

A man from Brownfield pleaded guilty to transporting beer and paid a fine of \$139.05. He also paid a fine of \$1 and costs for speeding. He was carrying eight cases of beer, the sheriff said.

Two white men paid fines of \$1 and costs for driving without operator's licenses and one of them also paid a fine of \$5 and costs for reckless driving.

A Lubbock man paid a fine of \$1 and costs for running a red light here.

## Tom Power Return From New York Attend Ford Show

"I'll knock your hat off." That's what Tom Power says of the 1949 Ford which he and 2,000 other dealers saw previewed at a Southwest Regional Ford Show Monday in Oklahoma City.

The new cars, which will be shown simultaneously all over the nation including Post, on June 18, have been drastically changed in appearance. There is no resemblance, whatsoever, to the present Ford, Power said.

The 2,000 Southwest dealers wore 10-gallon hats, boots and other western regalia to the meeting, which was attended by the Governor of Oklahoma and a number of other state and national dignitaries. Entertainment was by Spike Jones and His City Slickers.

Power and his wife stopped in Oklahoma City en route home from New York City where they had been visiting Mr. and Mrs. C. I. Dickinson.

## Justiceburg News

Please Send News Not Later Than MONDAY to MRS. R. J. KEY Justiceburg Correspondent

Mr. and Mrs. H. B. Parchman of Littlefield visited here Sunday.

Mr. and Mrs. Albert Bevers of Brownfield, former Justiceburg residents, are announcing the arrival of a son.

Mr. and Mrs. W. T. Parchman, Mrs. Lillie Ballard, the Baudy Cash family, the R. J. Key family, the W. A. McGinnis family and L. Trice spent the weekend fishing in the Concho River between San Angelo and Christoval.

Mr. and Mrs. W. T. Parchman, Jr., and daughter of Lovington, N. M., visited relatives here last week.

### Priscilla Club

The Priscilla club will meet at 3:30 o'clock tomorrow afternoon in the home of Mrs. John Cearley.

## Bobby Chandler And R. E. Josey Wed In Slaton

Miss Bobby Chandler, daughter of Mr. and Mrs. C. N. Chandler, became the bride of R. E. Josey, son of Mr. and Mrs. Walter Josey, in a ceremony in Slaton at 8:30 o'clock the night of May 18.

The bride wore a white suit with white accessories and a corsage of pink carnations.

The couple was attended by Mr. and Mrs. Jake Sparlin.

Mrs. Sparlin wore a black formal crepe dress with white accessories and a white carnation corsage.

Mr. and Mrs. Josey are at home in the Colonial Apartments.

## Food For Europe Being Collected By Presbyterians

The Presbyterian Aid met with Mrs. Maggie Kennedy Monday afternoon. Mrs. W. E. Dent taught the Bible lesson, and Mrs. D. C. Williams taught a lesson on "Fellowship of Kindred Minds."

It was announced that each member of the church is asked to give a pound of food for boxes to be sent to Europe.

## Barnum Springs Club Hears About Breads

The Barnum Springs Home Demonstration Club met with Estelle Askins May 13 for a sweet bread demonstration by Mrs. Jewell H. Strasser, who was assisted by Mrs. W. H. Barton.

Refreshments of chiffon cake, coconut cake and homemade ice cream were served to 10 members, a new member and three visitors.

The club is meeting today with Juanita Ford.

## Mrs. R. H. Collier Is Hostess To Club

The Priscilla Club met May 14 in the home of Mr. and Mrs. R. H. Collier for an afternoon of visiting and sewing. Ice Cream topped with fresh strawberries and chiffon cake were served.

Mrs. J. L. Stewart was a guest. Others attending were Mesdames Ira Lee Duckworth, Dowe Mayfield, Ted Hibbs, Earl Thaxton, Ben Williams, Nettie Barrow, Victor Hudman, H. G. Smith, N. C. Outlaw, Robert Cox and Mrs. John Cearley and daughter, Marthana.

## Rainbow Assembly To Be Instituted

A rainbow Assembly will be instituted here next Wednesday night before an audience of Rainbow, Order of the Eastern Star and Masonic members.

The institution will be followed by a public installation of Rainbow officers.

## Church News

By GANELL BABB

Scripture: Mark 11:22-26

And Jesus answering saith unto them: Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, and shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them. And when ye stand praying, forgive, verily I say unto you, That whosoever shall give, for if ye have ought against any; that your Father also which is in heaven may forgive you your trespasses. But if ye do not forgive, neither will your Father which is in heaven forgive your trespasses.

Minute Prayer  
 Dear God, teach us to pray, trusting fully Thy infinite love and Thy unfailing Providence. Amen.

The three circles of the W.M.U. of the First Baptist Church met together Monday afternoon at the church for a royal service program which was given by the Eloise Cauthen circle. The program theme was "Laborers Together in our Denomination." Nineteen members were present.

## Gossip About Garza Guys And Gals

—by gay nellie

Rodeo time in Post brings lots of excitement and people from all over the world. Loyd Lee dropped in from the South Pole just in time for the big event in his home town. But there are always some who live right around here that don't make it; and some of them have a good excuse, just like Dee Caffey, who had to stay home because he had a sick cow.

## Engagement Rings seem to be getting more plentiful again.

Betty Kennedy recently received one from Gaylon Young, and Jo Rita Ray received one from James Dooley. It is our understanding that neither one will receive the second ring, for quite a while yet.

E. W. Williams, Jr. will be home from S.M.U. tomorrow with his former N.M.M.I. roommate, Bill Baucus of Richmond, Mo., who has been attending Oklahoma A. & M. They will leave here Saturday for Roswell, to attend the N.M.M.I. commencement, then E. W. will go on to Walsenburg, Colo., to spend the summer. Ed Sims leased a ranch and went up there about a month ago, and it's rumored that Harold Childs will be joining them soon to spend a week or two.

## Betty Williams will be graduated from T.S.C.W. in Denton Monday night.

At the same time Mary Margaret Duckworth will be graduated from Baylor U. in Waco.

While Giles Dalby and his grandfather were discussing his entering the cutting horse contest last week, Giles thought it best he ride his grandfather's horse, Pat, so Mr. Connell consented to it and they gave an other contestant permission to ride Giles' horse, which won second place event one night of the show.

## Jeneice Propst is spending the week in Abernathy with her sis.

Mrs. E. L. McGaugh, Jr.

A. C. Thomas of McMurry is spending the week here and then he will go to Nashville, Tenn., and go to school for two weeks then work as a Bible salesman during the summer months.

Bennie Porter of Muleshoe was here over the weekend. He entered in the big rodeo.

## Beth Hamilton Has Party On Birthday

Beth Hamilton was honored on her 10th birthday with a party at her home last Thursday afternoon.

Games were enjoyed by the group after which refreshments of cake, ice cream and punch were served to Carolyn Hudman, Freada Kennedy, Mozelle Edwards, Ann Pennington, Patty Lott, Twana Lee Teague, Jackie Redman and Alton Spinks.

## Mrs. Raymond Redman spent Tuesday in Lubbock with her sister.

Mrs. Blake Hankins, who is ill.

Seleman, who has presided for the past several years, is retiring and a new bishop will be appointed.

Dr. David H. Templeton, pastor of the First Presbyterian Church is preaching a series of sermons on the history, organization, and doctrines of the Presbyterian Church. The public is invited to hear these sermons.

## Miss Quisenberry And Mr. Jinkins Are Wed Saturday

Miss Billie Sue Quisenberry, daughter of Mr. and Mrs. W. C. Quisenberry, became the bride of Herman J. Jinkins, son of Mr. and Mrs. F. M. Jinkins, in a ceremony in the First Baptist Church Saturday morning at 10:30 o'clock.

The Rev. Huron A. Poinac performed the double ring ceremony.

The bride wore an aqua blue dress and her corsage was of pink carnations.

Mrs. Charlie Jinkins, matron of honor, wore a light blue dress and a pink carnation corsage.

Charlie Jinkins, brother of the bridegroom, attended as best man.

After a wedding trip to Carlsbad, N. M., the couple is at home in an apartment here.

Both the bride and bridegroom attended Post High School, and Mrs. Jinkins is a 1948 graduate.

## Mrs. M. J. Malouf Entertains Group

The Needlecraft Club met Friday, May 14, in the home of Mrs. M. J. Malouf. The afternoon was spent sewing and visiting. A short business meeting was held and the members decided to start in June meeting at 4 o'clock instead of 3:30. There will not be a meeting next week.

Refreshments of chicken salad and pimento cheese open face sandwiches, olives, pickles, potato chips, spiced cake squares with whipped cream and iced tea were served to two guests, Mrs. Joe Norton and Mrs. Lula Floyd and the following members:

Mesdames A. W. Bouchier, J. E. Stephens, H. P. Tomlinson, W. F. Pierce, T. L. Jones, C. W. Terry, J. R. Durrett, M. K. Bingham, Ida Robinson, A. A. Sults, J. M. Boren, V. J. Campbell, Tol Thomas, R. E. Cox, George Samson and the hostesses, Mrs. T. L. Jones played piano selections throughout the afternoon.

## Picnic Planned For Members, Husbands

The Mystic Sewing Club members will entertain their husbands Friday night with a picnic, at which Mrs. Odean Cummings and Mrs. Max Tucker will be in charge of the program. Club pals will reveal their names at the picnic.

Noah Webster was the first great American lexicographer.

ROGER W. BABSON WRITES THIS WEEK:

# Wall Street Gets Religion, Loses Old Complacency

New York City—Wall Street is getting religion! This does not mean that they are becoming interested in any form of theology or some special church denomination. But Wall Street certainly is awakening to Jesus' basic teaching, namely, helping our brother men.

For over 40 years, I have spent much time on Wall Street. I worked there in 1900 and have had an office there or close by ever since. Certainly, the Wall Streeters have been a self-satisfied group of people living largely—either directly or indirectly—on inherited money. These men felt perfectly safe whatever might happen believing that New York City with its wealth

was fast becoming the financial and ruling center of the world. Frankly, the game of old Wall Street was to sell out to the public when prices were high, letting the market drop to low levels until the public was forced to lose their stocks and then re-buy them and make millions. Until the Securities and Exchange Commission came into being Wall Street could lie, browbeat, steal and get away with it. In short, Wall Street lived on exploiting others whether Americans, Europeans or Chinese.

**New Wall Street**  
This old complacency has completely gone. Wall Street is now definitely scared. It is scared of the U. S. Department of Justice, it is scared of Congress and it is especially scared of Russian Bombs. Wall Street really believes that if there should be war with Russia the chances are 50-

50 that New York City would be wiped out. This means that their business would be ruined and they would be lucky not to lose their own lives by the bombing. The preaching of the Atomic Bomb by scientists is putting the "Fear of God" into Wall Streeters as the preaching of Hell Fire by the churches put religion into their rural ancestors.

The new Wall Street is beginning to think about the old Golden Rule. It has already lost faith in armies and battleships; it is not sure that a big air force will save it. Wall Streeters are beginning to believe that Communism can be headed off only by making the peoples of the world healthier, happier and more prosperous. They see that the real fight between Russia and America will consist of proving people of Western Europe and Asia better fed, better clothed

and better educated. Instead of longer trying to exploit people, they have at last concluded that they had better help people. This, of course, includes the people of the United States as well as those of England and of Western Europe.

**What About Prices?**  
It Wall Street sticks to this policy it should greatly lessen the "boom and bust" history of our country. It should tend to stabilize business, prices and wages. Instead of looking for business, more wages and higher prices, this new policy should tend to flatten out the curves. Any recession should be gradual. The old Area Theory which I have preached for 30 years, which was temporarily suspended by President Roosevelt, should again come into force.  
This doesn't mean that the present good times will continue

indefinitely. There are many other "streets" in this country which need more religion besides Wall Street. Stockholders, manufacturers, and shopkeepers must be content with smaller profits. Wagerworkers must do more work for their present wages. (This especially applies to the bricklayers who are a disgrace to the entire labor movement.) Politicians must use the same care about spending the taxpayer's money as they do about spending their own. We all need to observe the Golden Rule.

Usually when I come home from New York City, I am rather blue and pessimistic. The selfish, wasteful and unpatriotic atmosphere found there, not only on Wall Street but along the entire length of Broadway, has made me sad. For the first time in some years I have come back truly optimistic. Why? Because

there are real signs of Street getting religion. A need now is to have this spirit spread throughout country to every city, town and farm.

A cairn is a pyramid of stone used as a landmark memorial.

**GETTING OUT On The LIMB**  
By EDDIE the EDITOR

THE WOMEN, God love 'em! If you doubt that women are wearing fewer clothes, just take a look at the figures.

Now that the rodeo is over, and we made a success of it and there isn't anything I can do about the need for rain, I'm turning my thoughts today to something we need for our long-range welfare as badly as we need a rain for our present and next year's welfare.

It's a county library, I'm thinking about.

I don't think we ought to jump in and start raising a bunch of money for a county library until we get a few other, current projects out of the way. BUT, it is time to be thinking about a library and planning for it, against the day when we've had a good crop year and we've obtained our sewer system, boys' club, agricultural building for the 4-H boys and girls, a city or county hospital, and Two Draw Lake.

All projects such as the above named and a county library require advance planning and a year of such planning isn't too much for the library project.

Mrs. Esma Cash, who has had special library training, and I have been doing quite a bit of research. The results of which are summed up, in a large measure, in the following excerpts from a letter written in answer to my questions by Mrs. Robert H. Wilson, Extension Director of the Texas State Library:

"Unfortunately there is at present no state funds or federal funds available for aid to county or other public libraries in Texas. The State Library has keenly felt the need for such money for many years, and last year, with the Fiftieth Legislature and with Governor Jester enthusiastic about an appropriation for Extension, we felt very hopeful. Now we are pinning our hopes on the Fifty-First Legislature and on such people as you to convince the law-makers of your own library needs. At the same time the Demonstration Bill for Federal Aid to Libraries is pending, having passed the Senate unanimously on January 25. You can aid this cause by writing to your representatives in behalf of H.R. 2465. We need to get more votes among the house membership.

"At present the State Library carries out its functions with a skeleton staff in the field of Extension. There is only one field worker, and I also do all the desk work in Austin. We have no funds for this work except my salary and a small traveling expense account. We have a few thousand books, by no means all of them new or in good condition, which we lend in small collections to libraries getting started in their towns or counties. So far as we are able with these limitations, we try to give advice and on-the-spot aid to new libraries. If you in Garza County can organize and finance a library for yourselves, we will do what we can to go along with you.

"There are only about 40 out of a possible 254 counties in Texas which maintain tax-supported county libraries, and only 10 or 15 of these meet even minimum standards for support and for trained personnel and for complete county coverage. Most of our country libraries are not wealthy or populous enough to afford library service without state or federal aid, or aid from some rich individual. It takes around a dollar a person in

## Garza and the World

Editor's Note—Opinions expressed here are those of the author, and they do not necessarily reflect the opinions or policies of the Post Dispatch. The column is carried in the interest of applying world news to the situation here at home.

By EVELYN BOYD  
If a person is to refrain from being hopelessly ignorant he must read the newspapers EVERY day. If he lets up on reading the papers for two or three days in a row, he will miss out on something or other that he ought to know to keep from appearing ignorant.

We started remodeling our house, just as we were hitting the end-of-school rush and the peak of promoting the rodeo. I rushed around the office all day until dark, then went home and worked with the house until midnight. There was no time to read the papers or other informative publications.

The New York Times, Manchester Guardians, Life Magazines, Coronets, Saturday Evening Posts, Lubbock and Ft.

an area to be served to support a library. And experience shows us that no matter what the area or the population, a minimum of \$25,000 a year is a must. This doesn't mean that many small clubs or public libraries are not giving some sort of service to the people. But as a rule they do not have a trained librarian or professional or clerical help for her; they do not have an adequate book stock; they do not keep their doors open many hours of the day or evening; they do not reach out with branches, stations, or bookmobile stops to all the people outside the immediate town.

"So many of our counties have low tax valuations that we can never hope for them to support county libraries by themselves. The solution is to come by neighboring counties banding themselves together, as the law permits them to do, and operating as multi-county or regional libraries. When our State and/or our Federal Aid is available, we in the State Library will encourage such carefully organized groups. As I see it from studying the Texas Almanac, Garza County is a good subject for such cooperation. Its tax valuation is only a little over four million dollars, and if the Commissioners appropriate the full ten cents on the hundred dollars possible by law, you would still have barely enough to pay the salary of a trained librarian, with no money for books or supplies, for helpers, or for a bookmobile or for a building."

Mrs. Wilson advises us to write letters to our representatives in behalf of H.R. 2465, if we wish to speed up Federal Aid for our library project. It would help the situation along if everyone interested in getting a county library here a few years from now would sit down TODAY and write a letter to Congressman George Mahon, House Office Building, Washington, D.C., urging him to do his part to see that the above bill is passed.

Stassen and Dewey are battling for the Republican nomination, and Senator Vandenberg's stock quietly continues to rise. The Lubbock Plainsman says Stassen is a Republican Roosevelt. I don't know how true this is, but I'm not sold on either Stassen or Dewey. One of these days, I'll make a study of Vandenberg's good quali-

## What Our Contemporaries Are Saying:

THE WAY FORWARD — This month we Americans will wear our poppies to show that we remember. We will go to the cemeteries with flags and flowers and pay tribute to those who gave their lives for America. We will come back to our homes full of memories of the past and thoughts for the future.

It was the future of America that our heroic dead sacrificed their lives—for a future of peace and freedom. They carried out their purpose with brilliant success. Twice the threat to our country was turned back and the enemy completely crushed. We must ask ourselves why the future appears so uncertain today, less than three years after the final victory in the second world war.

What have we done or what have we failed to do that has permitted aggression to begin a new march toward world conquest? History gives us a clear answer. We have failed to go forward from victory to security because we have failed to keep America strong. Let us look back at our mistakes.

When Imperial Germany began its bid for world supremacy in 1914, the United States did not prepare for defense. We had only words of protest with which to answer aggressions against us—words that went unheeded until we suddenly found ourselves forced into war, totally unprepared. Thousands of our finest young men paid with their lives on the poppy-studded fields of France to defeat the aggressor and restore peace.

Again, when the aggressors betes and pass them along in this column (before the Republican Convention takes place, I hope).

By the time this rolls off the press, Eisenhower may again be the No. 1 boy for the Democrats. I hope this is true because I like Eisenhower and it will be refreshing to have a candidate who won't be spending a fortune putting out a bunch of campaign hokey.

By the way, what was Stassen's and Dewey's debate on Outlawing the Communist Party all about? This took place while I wasn't reading the papers and I never could tell from all the radio blurbs who was on which side.

gan moving in the 1930's, there was no one strong enough to call them to halt. Italy went into Ethiopia, Japan invaded China and Hitler crossed the Rhine. Success encouraged them to go on. Appeasement only whetted appetites for more. What could there be to stop them? Certainly nothing the Japanese could see when they launched their planes to bomb Pearl Harbor. A policy of weakness once more brought war to the United States.

Now there are new fields of crosses in France, in the far Pacific and many other parts of the world, giving their heart-breaking testimony to the tragedy of failing to keep our nation strong. Again our country has disbanded the forces which brought victory and has failed to make any adequate provision for its future security. Again a new aggressor is taking step after step toward world domination, which, unless halted, can only lead to war.

The way forward for America is clear. It is the way of firmness and strength—firmness in the cause of freedom and democracy, and strength to give our words weight in the minds of dictators. That is the only way toward enduring peace.

America has tried the other way, the way of unpreparedness and appeasement—tried it twice and it has always led to war. As we wear our poppies this year, let us take new determination to do all within our power to make America strong so that our country can go on forward in peace as the hope of the world for freedom.—National News of the American Legion Auxiliary.

"DON'T CARE-ISM"—Only 25 persons turned out to hear an address by Railroad Commissioner Olin Culberson at Midlothian last week.

The greatest danger to America is not Communism, Fascism, or Nazism, he declared.

The real threat to our democracy, he said, is "Don't Care-ism." The people of America are reaching the point that they aren't interested in who is on the school board or who is in Congress, he warned.—State Observer.

PIROOTIN' AROUND—Old Bill Splivins says never trust a man who sits around bragging about being boss in his own home. Chances are he'll lie about other things, too.—Seminole Sentinel.

#### LEGAL NOTICES

THE STATE OF TEXAS  
TO: JUANITA ODOM,  
GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 28th day of June, A. D., 1948, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, at the Court House in Post, Texas.

Said Plaintiff's petition was filed on the 11th day of May, 1948. The file number of said suit being No. 926.

The names of the parties in said suit are: J. D. ODOM, as Plaintiff, and JUANITA ODOM, as Defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff sues for divorce and custody of minor child of the parties, alleging marriage on or about August 3, 1945, cruel treatment of plaintiff by defendant, birth of JANICE DEE ODOM (a girl) now one year of age who resides with plaintiff, being only child born to the marriage, and that the parties have no community property. Plaintiff prays for judgment of divorce, that custody of said minor child be awarded to plaintiff, for costs of suit and general relief.

Issued this the 11th day of May, 1948. Given under my hand and seal of said Court, at office in Post, Texas, this the 11th day of May, A. D., 1948.

Ray N. Smith, Clerk, District Court, Garza County, Texas.

St. Luke, one of Jesus' disciples, was a physician.

### Rodeo Helped By Sound Equipment Of Texas Company

Contributing noticeably to the success of the Post Stampede and Rodeo last week was the modern sound truck which the Texas Company sent here from Houston. It is the only sound truck which the company owns and it is equipped with the best sound equipment that is available.

The announcer, Nat Fleming, said it was the best sound equipment he had ever heard in operation, and similar comments were general among the rodeo audiences. The spectators seemed to be impressed with the clearness of the vocal transmissions, the lack of static and the alertness of the operator, G. A. Green of Houston.

All expenses of the truck and the operator, including gasoline and hotel bills for Green, were paid by the Texas Company. This is the second time, the company has so favored the Post Stampede and Rodeo Association. The first time was in 1946.

Billie Sue Quisenberry, 17, of Post, Issued May 18, 1948.

### FACTORY APPROVED REPAIR SERVICE

**For Your Farm Equipment**

Quality of repair work is just as important as quality of the original machine. Overhauling, reconditioning, adjusting, must be done by mechanics who understand your equipment, and with precision tools that insure accuracy. Here's what we can offer:

**PRECISION SHOP EQUIPMENT.** Our shop is completely equipped to handle all types of repair work.

**REPLACEMENT PARTS** made to the same specifications as the original parts.

**ATTENTION TO DETAILS.** "Handle with care" is a standard rule in our shop. Our service protects the vital parts of your equipment during repair work and later during operation.

Now is a good time to repair equipment for use next spring. A phone call will put your job on our list.

VENETIAN BLINDS

Mason & Co.

Bits Of News:

Mrs. E. Barnes of Merkel spent last week here visiting her brother, J. A. Meeks. He accompanied her home Friday.

Mrs. Bertha McKinney returned home from the West Texas Hospital Friday and is doing nicely.

Mr. and Mrs. John C. Justice of Plainview were here Tuesday. They were accompanied home by her mother, Mrs. Maggie Ivy, who has been visiting relatives here for several days.

Mr. and Mrs. Elgie Stewart spent the weekend in Levelland visiting their daughter and family, the Blanton Masons. Mrs. Mason honored her dad with a birthday dinner Sunday. Elaine Mason returned home with her grandparents for a two weeks visit.

Mr. and Mrs. James Phipps, Miss Margaret Aday and Richard Turner, all of Muleshoe, and Mr. and Mrs. Cecil Osborne, Jr., spent Sunday at Buffalo Lakes, near Lubbock.

Little Janice Moreman is ill with the measles. Coach and Mrs. Bing Bingham returned this week from a short vacation in Lubbock and Spur. They will spend the summer here.

Mrs. Mamie Lott and daughter, Mrs. Ike Macy, and Mrs. Leo Cloney of Coral Gables, Fla., who have been visiting at the U Lazy S Ranch left Tuesday afternoon for Coral Gables. Mrs. Lott will remain there until June 11, then bring her grandson, Bobby Macy, and two friends, Mrs. Robert Ellis and Mrs. C. Boykin Reese, of Coral Gables to the ranch for a visit. Bobby will spend the summer here with his grandmother. The other guests will return to Florida by plane.

Mrs. M. L. Whitfield and son, Harold, visited their daughter and sister, and her family, the Claude Powers, over the weekend and attended the rodeo.

Mr. and Mrs. Bob Rogers, accompanied by Mrs. Maggie Ivy spent Monday in Big Spring.

Z. P. Lusk of Lorenzo, former Garza County residents, spent Monday here.

Mr. and Mrs. M. E. Morris and Mrs. William Lester are visiting in east Texas.

W. D. North of Cicero, Ill., whose wife arrived here about two weeks ago, will be here Saturday to visit his daughter, Mrs. Allen Owen and family for a week. He and Mrs. North will go to a Kiwanis convention in Los Angeles, Calif., before returning to their home.

Mr. and Mrs. R. J. Hundley accompanied their son, Jim and wife to Dallas when Jim went to Market recently. They visited in the home of Mrs. R. J. Hundley's sister-in-law, Mrs. E. Z. Parr, and family.

Thomas Ammons and Oles Odom, who were injured Easter Sunday in an automobile accident, were taken to San Angelo Monday to have their casts removed. Both has worn casts from the waist down. They will be in wheel chairs for two months, then they will be able to walk. Roy Holly, who was critically injured in the same accident, continues to improve. Mrs. Ammons said yesterday.

Mr. and Mrs. Jack Samsor left Monday for Temple where Mrs. Samsor was to go through the Scott and White Clinic.

Rodeo guests of Mr. and Mrs. James Minor were Jack Minor and Miss Pearl Dolloff of Seagraves and Mrs. Allegra Warner of Fort Worth. Mrs. Warner is assistant executive secretary of the Fort Worth Rotary Club.

Joe Minor of Tahoka, brother of James Minor, visited here last Friday. He was en route to Austin to make arrangements to enter the University of Texas this fall.

A foot pound is the amount of energy required to raise one pound one foot.

Thanks, Folks---

One of the real pleasures of putting on a successful rodeo is the thought of friendly associations it brings about; another is the opportunity it provides for telling you how much the directors appreciate the cooperation and good will of all the folks who had a part in making the show a success.

Especially do we wish to thank the time keepers, the fence patrolers, the ticket salesmen, the dance directors, the persons who helped in the chutes and the arena, the persons who watered and helped keep the arena in good shape and for securing stalls for the horses of the contestants, those who had part in the parade and helped in the cowgirl sponsors contest, the musicians who played for the dances and furnished music for the booster trips and the girls who provided the booster trip programs and to all those who made the booster trips a success. Too, we wish to thank the Post Lions Club for their assistance in helping with the automobile parking, and the Texas Company for use of their sound truck.

Directors of the Post Stampede and Rodeo

Notice: Stockholders Meeting at 8:00 o'clock Tuesday night, June 1, at the City Hall. Purpose of the meeting it to elect directors for the coming year.

**FINANCIAL STATEMENT OF RODEO TO BE GIVEN—**

(Continued From Front Page) the opening performance last Thursday night and the grand stands were filled on Friday and Saturday nights. The Sunday afternoon performance was before a disappointingly small crowd.

The rodeo dances were well-attended and they made enough money to offset some of the other expenses of the rodeo, James Minor of the dance committee said.

Good crowds were in Post for the pre-rodeo parades each evening. Cash prizes in the merchant sponsor contest of the parade went to Sandy Cross, riding for the Lone Star Service Station, first; Nonnie Rodgers, riding for the Post Dispatch, second, and Am Floyd, riding for Floyd's Service Station, third.

In the cutting horse contest of the rodeo, Wilson Connell of Snyder, riding Silver, took first place with 1009 points. Other winners were Jack Hart of Marshall, riding Fidler, 995 points, Jeff Beal of Tokio, riding Satan, 935 points; John Wisdom of Haskell, riding Jodie Earl, 932 points; Rex Smith of Abilene, riding Polesti, 837 points, and Martin Taylor of Gail, riding Smokey, 846 points.

Others making the best record of the entire show follow:

Calf roping—First, John Wallace of Haskell, 13.8 seconds; Lester Forest of Tuscola, 15.8 seconds; tie for both third and fourth places, Chock Black of Lovington, N. M., and Billy Holley of Snyder, 16.2 seconds.

Wild cow milking—First, John Wallace, 16.8 seconds; second, Harold Belew of Fluvanna, 17.8 seconds, and third, Jimmie Bird, 32.2 seconds.

Cowgirl Sponsors—Monte Murphree of Rotan, first prize, \$100; Bill Kennedy of Breckenridge, second, record player, and Sadie Smith of O'Donnell, hand-tooled purse. The second and third prizes were contributed respectively by Herring's and Yandell's Shoe Shop.

Miss Murphree, a niece of Mrs. Bob Roberts rode Mr. Roberts' palomino horse "Buck." She plans to spend the summer here.

The best two-day averages in saddle bronc riding were made by Bud Miller of Wichita Falls, 294; Doug Bloodworth of Denver City, 289, and Jimmie Blair of Mankins, 280. The winners of the first go-round were Bud Miller, first; Jimmie Blair, second;

**ADDITIONAL GAS—**

(Continued From Front Page) sion line from Eunice, N. M., to California, and this year is extending a 21-inch line from Eunice northeastward to the Panhandle Gas Field. This new extension crosses West Texas Gas Company's transmission lines at two points; between Amherst and Sudan, and between Hereford and Umbarger. It is at these two points of intersection that natural gas will be purchased by West Texas Gas Company and fed into its transmission network. The gas so purchased will be natural gas from the Panhandle Gas Field and is expected to be available by November 1, subject to coal and steel strikes or other events which might delay completion of El Paso Natural's line.

"There still remains some few

Doug Bloodworth, third, and Lonnie Sexton, fourth. Winners on the second go-round were Pud Miller, first; Doug Bloodworth, second; Kid Morley, third, and Bobby Williams, fourth.

The best two-day averages in bareback bronc riding were made by Clifford Boydston of Fretolia, 295; Bob Brown, 293, and Jack Brown 292. The first go-round was won by Pee Wee Nelson and Clifford Boydston, who split first and second places; Bob Brown, third, and Jack Brown, fourth. Second go-round winners were Jack Brown, first; Clifford Boydston, second; Bob Brown and Bobby Williams, who split third and fourth places.

The best two-day averages in bull riding were made by Clifford Boydston, 266; J. N. Eicke of Snyder, 142, and Jimmie Beck who tied for third place with 140 each. The first go-round was won by Jack Buchanan, first;

V. Loren Blackmore of Lubbock, second; Kenneth Wilson, third, and Clifford Boydston, fourth. The second go-round was won by J. N. Eicke, first; Clifford Boydston and Jimmie Beck, tie for second and third, and Gene Lamons, fourth.

Bud Miller, high point cowboy of the show, was presented with a bridle by Yandell's shoe shop.

Dub Gray, who had the best two-day average among the Garza County calf ropers in the show was awarded with a hat given by Haws store; Jimmy Bird, who had the second best average, received a \$5 cash award from the Community Public Service Company. Willie Miz won third place among the Garza County ropers.

(Continued From Front Page) at the store these days is the Mop display. . . .

Jesse's Garage, another new business for Post, was opened Tuesday in the rear of Triangle Service Station. Jesse Barnes whose reputation as an expert mechanic is known over the entire area, is new owner of the business. In an announcement ad in this issue he invites the public to come to see him in his new location. . . .

Mamas will be happy over the new brand of children's shoes that Clint Herring has added to the Herring's Dry Goods store. Trimfoot, a teen-age fashion shoe, is styled for tiny tots in sizes from infants to little 9's and are made of the finest leathers. An attractive window display featuring the many styles in sandals, walkers and saddle oxfords will be of interest to all who want well fitting shoes for their youngsters.

**MRS. WINDHAM RITES—**

(Continued From Front Page) Windham, all of Post, and Douglas Windham of Brownwood. Four grandchildren, Billie and Leslie Nichols of Post, and Brenda Carol and Ronnie Douglas Windham of Brownwood; and a sister, Mrs. Altha Porter of Big Spring.

local bottlenecks," the gas company president said, "because the towns have grown so rapidly that some sections of transmission line have become too small to handle the greatly increased demands. We are intensifying our efforts to iron out these local deficiencies. We believe all will be taken care of one way or another before snow flies. If it's humanly possible, we'll certainly do it, because we sincerely want to take care of the fuel needs of our territory."

The gas company is operating, Hinchey explained, under long-range expansion program calling for the installation of added facilities year by year as needs are anticipated. This program, he said, has been accelerated because of the demonstrated inadequacy of transmission facilities under the severe weather conditions of last winter. This in adequacy of transmission facilities from the gas fields, of course is now overcome by the signing of the agreement with El Paso Natural Gas Company.

A plant which lives for one year only is an annual.

MASON AND COMPANY  
33rd Anniversary  
Section Of The  
Post Dispatch

### Entertainment And Prizes Included In Store Program

Mason and Company today readied plans for its most momentous of many merchandising events during its many years of service in the section—its anniversary sale.

This year's sale—marking the thirty-third anniversary of the firm—opens Saturday, May 29, and obviously is headed for new accomplishments in the great volume of merchandise which will be moved.

For Mason and Company during this sale will display more new merchandise than the firm has been able to obtain for such parades of bargains during recent years.

"Mason and Company, of all firms, has full confidence in Post's future," says James L. Minor, junior partner and manager. "In expressing this faith we spare nothing in obtaining great volumes of fine merchandise to pass along to our customers in this area. And this year we have all new merchandise, and more of it, to pass along to our customers at bargain prices."

A Mason and Company anniversary sale is more, much more than the words and the expression imply. They are, in truth, annual tributes to the pioneering business men who turned to the great South Plains and the "Cap Rock" sector to launch a business enterprise which always has given its every customer every possible "break" in its dealings.

History of Mason and Company dates back to a day in 1915 when a Georgia contractor and a Garza County boy decided on a new business venture in Post, "under the Cap," because they had "just about finished" all the construction work available at the moment in the town which the millionaire cereal manufacturer, C. W. Post, had established.

The contractor was W. L. Davis. His partner was Marshall Mason.

Now Mr. Davis is in retirement, but Marshall Mason continues to head the firm which was established as Davis-Mason Company, expanding from a rather unpretentious beginning at Post to its present-day status of one of the section's strongest business institutions.

James Minor, Mr. Mason's son-in-law, meantime, had returned from the service in 1945 and become a junior partner in the Mason and Company store here.

Under Mr. Mason's guidance the Post store's business has continued to grow by leaps and bounds. Its 1946 volume reached the all-time high peak for the firm, and the trend through 1947 and 1948 was toward a new record.

The spacious, well-stocked Mason and Company store is both inviting and impressive. It is a credit to Post, and its imposing stock of home furnishings would do justice to a department store in one of the larger cities.

Mason and Company extends a warm welcome to all to visit the store and see the many bargains which will be offered during this 33rd anniversary sale.

There will be some special free entertainment features plus awards of some nice prizes. There will be a grab box for the ladies, and the first 10 boys entering the store on Saturday, May 29, will get jetmobiles. The first 10 girls will receive miniature Lane cedar chests.

### Three Post Students To Receive Degrees At Tech On June 7

Three Post students are among the 508 candidates for degrees at Texas Technological College, in Lubbock. They will be graduated at the annual commencement exercises June 7.

The local candidates are Louis D. Stevens, Jr., son of the late Mrs. B. L. Soggee, who will receive a Bachelor of Science degree in electrical engineering; Ernestine Louise Short, daughter of Mr. and Mrs. Lowell Short, who will receive a Bachelor of Business Administration degree in commercial teaching; and Marshall Lee Mason, Jr., son of Mr. and Mrs. Marshall Mason, who will receive a Bachelor of Science degree in petroleum engineering.

Mason completed requirements for his degree in August last year and has been employed since at Jacksboro.

Guests in the home of Mr. and Mrs. Boy Hart during the rodeo were Rufus, W. C. and Bill Hart and Juanita Herd of Snyder.

Marshall Mason, left, takes an order from some customers of long standing, Mrs. Lula Floyd, Mrs. R. P. Cowdrey, Mrs. Floyd and Mr. Cowdrey bought furniture from the store when it opened here 33 years ago and have been trading with Mason and Company ever since.

Here is an interior view of the Mason and Company store where the discriminating shopper can find a complete line of all modern and up-to-date quality home furnishings of national prominence. Everything for the home from house paint to picture frames is included in Mason's storehouse of merchandise with well-known, time-tested trade names. If you don't see what you want in this store, ask for it because Mason's probably have it if it's available.

### Official U.S.D.A. Figures Given On 1947 Cotton Crop

Will Wright, chairman of the Garza County Agricultural Conservation Association, has advised that cotton acreage, yields, and output for 1947 all showed increases over the year before. Here are official Department of Agriculture figures, field statistics, and cooperating state agencies.

Acreage in cultivation on July 1, 1947, amounted to 21.5 million acres, 18 per cent more than the previous year, but 12 per cent less than the 19-36-45 average. Lint yield in 1947 is indicated at 267.2 pounds per harvested acre, 31.9 pounds above 1946 and 16.6 pounds above the 10-year average.

The cotton crop totaled 11,841,000 bales more than the small 1946 crop but 539,000 bales less than the 10-year average. Cotton seed separated from the lint amounted to 4,679,000 tons, 33 per cent more than from the previous

#### Happy Birthday:

May 29, Verna Joy McGinnis of Justiceburg.

May 30, Mrs. J. E. Stephens and Boy Hart.

May 31, Mrs. W. A. McGinnis of Justiceburg and Josie Reno.

June 2, Mrs. Victor Hudman, Tommy Paity and Howard Freeman.

**Weeks this week: National Buddy Poppy Week** began Monday. The Dionne Quintuplets were born 14 years ago tomorrow. Saturday is Memorial Day.

year crop, but about 9 per cent less than the average.

The sharp upturn in production more than offsets the slight drop in price. The average receipt of 31.9 cents per pound received for 1947 cotton sold May 1, 1948, is three-fourths of a cent below the average for 1946 season but 17.1 cents above the 10-year average. The combined value of cotton and cottonseed is estimated at \$2,291 million, only 2½ per cent lower than the record 1919-crop returns.

**Mr. and Mrs. H. L. Smith and daughter of Tahoka** visited Mr. and Mrs. Pete Dodson Friday. They attended the rodeo.

### BITS OF NEWS

**Mr. and Mrs. Allen Benton and daughter, Lynn, and C. W. Ratliff of Lubock** attended the rodeo on Thursday night and visited the L. W. Dalbys.

**Mrs. Alton Carr and daughter, Camilla, are visiting Mrs. Carr's mother in Chillicothe** this week.

**T. R. Greenfield had an operation** in the Lubbock Memorial Hospital last Thursday. Mrs. Greenfield has been staying in Lubbock with him. His condition is said to be satisfactory.

**Rodeo guests of Mr. and Mrs. Bob Roberts** included Mrs. Roberts' father, Jasper Helms; her brother, Cecil Helms; her brother-in-law, Guy Murphree, and her niece, Miss Monte Murphree, all of Rotan.

**Mr. and Mrs. Boyd Smith and Mr. and Mrs. Jesse Benson of Tahoka** were rodeo guests of Mr. and Mrs. Charlie Benson.

*The Bendix Company*

BELIEVE ME, I'VE AWAKENED TO *Real Comfort...*

GUARANTEED for 10 YEARS

... I KNOW WHAT RELAXED SLEEP IS NOW THAT I HAVE MY *Morning Glory*

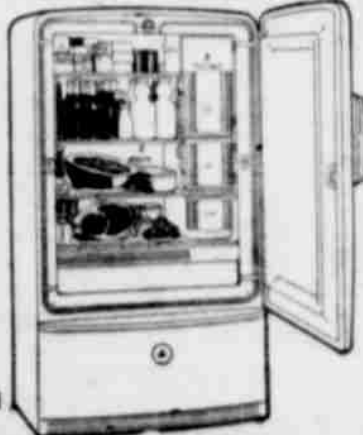

TUFFLESS INNERSPRING MATTRESS AND MATCHING BOX SPRING"

I never had any idea what a difference a mattress could make—and then I spent a week-end with the folks, and slept on the new Morning Glory Dream Team in their guest room. Hm-m-m-m-m-m! Such sleep! For the first time in years every muscle in my body actually had a chance to relax! That I liked—in fact, I loved it. So, as soon as I got home, I went sleep-shopping... AND HERE'S WHAT I DISCOVERED

It happens at midnight

**NORGE**  
with the new  
**Self-D-Froster**

It's new... it's modern... it's exclusive... it's the new Norge Self-D-Froster—the refrigerator that DEFROSTS ITSELF! Just think of it... no more fuss and muss of manual defrosting... no button or dial controls. No melting of ice cubes... no exposure of food to outside air. Norge... and only Norge... eliminates these worries. Every night at midnight, while you sleep, the Self-D-Froster takes over.

Here's how the Self-D-Froster works!

This handsome electric clock, mounted on the refrigerator door, turns the mechanism off at midnight, switches it on after the coating of frost has melted.

Defrost water is carried away into the non-spill hand-drip container, conveniently located and easily removable for emptying at your convenience.

Defrost water never collects in the Cold-pack... so there's no need to remove your meats. Sealed Giant Side Freezer keeps ice cubes frozen.
