

Museum Is Little For West Exhibit

Scientific expedition from Technological College will finish recovering a prehistoric mammoth skeleton from a Hockley field where they were discovered recently, according to Dr. Holden, director of the West Museum at the college, in which representatives are engaged in the tedious job of recovering the skeleton in an effort to prevent its destruction by the elements. The skeleton is believed to be that of a young adult archidiskodon, a species of elephant which has been extinct for 10,000 years, are very large specimens, which at a height of 14 feet at the ears, is in an excellent state of preservation. Dr. Holden stated that its tremendous size has been partially destroyed by the field was plowed, but is about five feet long still in position.

Discovered by Palmers
The skeleton was discovered by J. F. Palmer and his father, F. C. Reed, as they walked through a field on the south of Littlefield, Texas, believed to be unique in the world. The discovery of the skeleton, which was made in 1907, is the subject of a book written by J. F. Palmer and his father, which is being published by the West Museum. The book is titled "The Discovery of the Archidiskodon Skeleton" and is available for purchase at the museum.

Didn't Like Climate
Holden, said the skeleton was covered with dirt and sandstone 10,000 years old, as no bone can last long on earth's surface.

Specimen was found on a hillside near the east of a Pleistocene lake. The skeleton is believed to have been deposited by the changing conditions following the last ice age.

Holden said it would take a team of men with assistants at a year to reconstruct the skeleton in preparation for the present museum ceiling only eight and a half feet high. The cost of reconstruction is approximately \$10,000, Dr. Holden believes.

Rate of growth in a tree is measured by the width of its growth rings.

The Week's News in Brief

Several Thousand Pamphlets On Polio Being Distributed Here

Impetus was given to the Polio Awareness Campaign in Garza County with the arrival of several thousand educational pamphlets which the local infantile paralysis committee is attempting to distribute to every home in the county.

Mrs. Willard Kirkpatrick, chairman of women's activities on the committee, discussed the information contained in the pamphlets at the Post Elementary-High Parent-Teacher Association meeting last Thursday and distributed pamphlets on three different phases of the subject. The material included information on prevention and treatment of polio, cleanliness and information regarding the National Infantile Paralysis Foundation which uses part of the money collected in the March of Dimes each year for research and compilation and distribution of the educational pamphlets.

Mrs. Kirkpatrick sent pamphlets to each school in the county, asking that they be sent to the parents of children, and this week she is distributing pamphlets to the negro population through the negro school and to the Mexican population through the Mexican churches.

The women's activities chairman will discuss the subject at a countywide meeting of home demonstration club women on May 24 and distribute more of the material. She asks that anyone who has not received the pamphlets and is interested in taking advantage of this free information communicate with her or with the Garza County Infantile Paralysis committee.

Chairman, Walter Crider.

DIRT CONTRACTING FIRM LOCATES IN OUR CITY

A new dirt contracting firm, the Joe Dorsey Trucking Company, established a business in Post last week. Joe Dorsey of Rotan, owner, made the announcement.

The business here is under the management of N. J. Bennett of Rotan. He is being assisted by Clem Huckaby, also of that city.

Dirt construction work of all types will be solicited by the new firm, such as construction of government tanks, plowing, tree grubbing, and the like.

All men associated with the firm are experienced contractors and have a wide reputation over this area for fine work. Two new machines are to be used for work in this county. Contact with these men can be made through the local Triple A office.

Mr. Bennett and Mr. Huckaby will move their families to Post as soon as living quarters can be found.

WAYLAND MISSION BAND COMING TO CLOSE CITY

The Mission Band of Wayland College, Plainview, will be in charge of services at the Friendship Baptist Church in Close City Saturday night and for two services, at 11 a. m. and 3 p. m., Sunday.

Commissioners of Garza County Hear Reports From Rural Clubs

The Garza County Commissioners Court, meeting Monday, heard reports of six months of home demonstration and girls' 4-H club activities under the direction of Miss Jewell Hipp, home demonstration agent.

Mrs. J. C. Fumagalli of Verbenia gave a report on organization, stating there are nine 4-H clubs with a total enrollment of 180 girls, and seven home demonstration clubs with an enrollment of 110 women. She also reported on the nine egg grading schools held in the county during March, and said that 61 sequin pins had been made. The pins would have cost \$300 if bought ready-made. In her report she mentioned that the women had learned to remake their hats, saving from three to ten dollars a hat and that 22 hats had been restyled. Several hats for the men have been cleaned and stiffened with felt stiffener.

Mrs. R. A. McLaurin of Justiceburg gave the following report on 4-H club work: 170 headscarves, 152 aprons, 148 skirts, 130 blouses, 150 bags and 150 hats have been made by club girls.

Most of the girls' clubs held achievement meeting early in May.

Dress Revue Announced

The 4-H Dress Revue will be held June 10 in the district court room of the county court house. There will be three classes showing: girls 10 years and below will show in one division; those 11, 12 and 13 years old in another division; and the 14 year old and above in another division. The first place winner in each division will be awarded a trip to the Lamasa District 4-H Rally July 11.

Garza County 4-H girls will enter the Products Show with the boys this fall. Money has been donated by business interests and

NO. 1 JENNIE BOREN IS PUMPING AWAY IN ELLENBURGER STRATUM

The Humble Oil and Refining Company No. 1 Jennie Boren, et al, one quarter of a mile north of the discovery well in the Polar Field, in Kent County near the Garza line, has been officially completed for a 24-hour pumping potential of 18.96 barrels of 40.8 gravity oil, plus 54.16 barrels of water, pumping from Ellenburger pay at 7,763-7,800 feet, which had been treated with a total of 16,000 gallons of acid.

MASON'S ANNIVERSARY SALE ENDS SATURDAY

Mason and Company's 32nd anniversary sale will close on Saturday.

The store had planned to extend the sale over a longer period, but decided to close it because of the "grand reception" which their patrons have given the store. Although much of the original merchandise on hand at the beginning of the sale has been sold, there will be plenty of bargains until after Saturday, the management said yesterday.

the Chamber of Commerce for prizes for the girls.

The nine clubs are: Close City, Cross Roads, Grassburg, Graham, Justiceburg, Southland, two clubs comprised of pupils in the Post Grade School and the Post High School 4-H club.

Gloria Tijerina and Janyce Lobban from the Justiceburg girls' club, styled their hats, bags, skirts, and blouses. Wynonne Morris' articles were shown including hat, bag, skirt, blouse, apron, headscarf and sewing box.

Mrs. Ray Hodges of Barnum Springs told of the landscape demonstration of Mr. and Mrs. Lewis West and Mr. and Mrs. W. B. Sanders. Around 800 shrubs were furnished by the Woodward Experiment Station and 42 grape vines were provided for each demonstration. The majority of these shrubs have put out leaves and are doing nicely in the plains and breaks areas.

Levelland Meeting Discussed

Mrs. Max Gordon discussed the organization of the Post H. D. club, and the testing of pressure cookers, while Mrs. Dick Allen, president of the Post club, told the highlights of the recent District 2, Texas Home Demonstration Association meeting in Levelland. The Garza County women attending the Levelland meeting May 10 were: Mrs. R. A. McLaurin, voting delegate from Justiceburg; Mrs. Allen, Mrs. C. R. Smiley, Mrs. S. W. McCrary and Miss Hipp. There were 20 women planning to attend but were unable to make the trip because of the rain. Mrs. Smiley gave the Garza County report at the Levelland meeting, which was rated as outstanding, along with four others out of the 17 county reports. Mrs. R. A. McLaurin was on the district program, participating in the Texas Demonstration Association panel discussion.

Mrs. Wilburn Morris of the Graham Home Demonstration club told the Commissioners about the value of sewing machine clinics to the women of the county. There have been 15 sewing machines cleaned and adjusted. It would have cost \$7.50 each, had they been cleaned and adjusted by a specialist. This saved the women \$112.50, and many more will be cleaned, as the women are being taught to clean and care for their own machines. This will make sewing easier for them and will make the machines last longer and give better service.

Miss Hipp gave a report of her work for April to the Court.

The agent and the home demonstration club women extended an invitation to the commissioners and their wives to attend the all-day Council and Officers Training School, to be held May 24, at the American Legion Hall. A picnic lunch will be served at noon.

The court expressed appreciation of the work that is being done by the clubs and for the report.

H. T. Thompson of Brownwood district sales manager for the Duncan Coffee Company, and A. L. Richardson, who is replacing Stanley Brannon as the company's representative in this area, visited here this week. Richardson, whose family has been living in Abilene will make Lubbock his headquarters.

Mr. and Mrs. Ray McClellan and family and Mrs. J. F. Mason spent the week-end visiting Mr. and Mrs. O. L. Ferguson and family and friends in Laverne, Okla.

Friends of tall, dark and charming Miss Roberla Ried, former Post school teacher, will be interested in news of her recent marriage.

She was married on April 5 to Leroy Anderson of Omaha, Nebraska, and will go there to live as soon as this term at North Texas State Teachers College is completed. Mrs. Anderson is dean of women at the college.

A Mother's Day reunion was observed Sunday in the home of Jim and Mae Hundley. Guests enjoying the day were Mr. and Mrs. Clyde Hundley and Mary Ann and Mrs. Rutstien of Ralls, Mr. and Mrs. R. J. Hundley, Mrs. E. B. Stewart, Jimmy Hundley, and Mr. Holly and daughter, Daisy Nell, all of Post.

Mrs. Della Justice left Sunday for Tuscon, Arizona, where she is visiting in the home of a brother she has not seen in sixteen years. All her brothers and sisters, with the exception of one are enjoying the reunion there this week.

Mr. and Mrs. Allen Cash spent from Friday through Sunday in Dallas.

Moving back to the old home last week after a sojourn in Morton was W. C. Caffey and his family. Caffey who formerly was associated with the Piggly-Wiggly store here is now employed at the post office and also works part time at the T. L. Jones Ice Company.

Mrs. G. E. Fleming, high school teacher, is leaving within a few days for Brownwood where she will enter the summer session of Howard Payne College. She will be accompanied by her daughter, Margaret.

Helen Jo Young who is working in the executive office of McMurry College in Abilene is still very much in love with the old town. She missed last week's issue of the Dispatch and "felt lost all week," she wrote. Instructions were to place her name back on the mailing list. (Instructions carried out, Helen Jo.)

Mr. and Mrs. T. R. Greenfield drove down to Fort Worth to see Maxine, Sharon and Bill last week-end. T. R. returned via Santa Fe and left Jennie and the car.

Mr. and Mrs. Oliver McMahon spent the week end in Oklahoma City and Bethany, Oklahoma, visiting their children.

Mrs. Jessie Voss is at home again after visiting recently in Abilene with her daughter, Miss Geneva Voss.

Earl Hodges, the Allis-Chalmers man, transacted business in Amarillo on Tuesday.

CHURCH OF THE NAZARENE

J. S. NORTON, Pastor
Post, Texas

On September 4, 1924, a group of people met in the home of Mr. G. W. Brannon for the purpose of organizing a church. Rev. C. C. Montandon, pastor of the Grassland Church of the Nazarene, was in charge of the meeting. Ten persons united to form the first Church of the Nazarene in Post and Rev. Montandon agreed to serve as supply pastor until a regular pastor could be secured. On November 10 Rev. Mrs. Minnie Echols became pastor.

The little group worshipped in the Union Church building every second Sunday each month until they could build a church. Soon they built the building that now houses the Gordon Flower Shop. After worshipping there for a few years they traded the building and \$500 to the First Baptist Church for their present building located on the corner of 8th and Jefferson Streets. This transaction took place in 1938.

Early in the history of the local church, members purchased a parsonage from the Methodist Church. This old parsonage was later sold and the home of Clyde Hundley was purchased in June of 1945. This is the present parsonage.

Those who have served the church as pastor include the following in order of their service:

Rev. Mrs. Minnie Echols, Rev. Cooper, Rev. Amos R. Mead, Rev. J. C. Allen, Rev. Mrs. Maude Busby, Rev. Walter Patterson, Rev. W. R. McClure, Rev. A. T. Moore and Rev. J. S. Norton.

From the local church seven young men have answered the call to the ministry. They include: J. Marvin Harrison, until recently pastor at Littlefield; S. E. Tate of Del Rio; C. F. Sande, pastor at Broadview, N. M.; I. W. Justice, pastor of Grace Church at San Antonio; Lewis O. McMahan, pastor in Oklahoma City; Fay Rogers, pastor at Midland; and Herbert Buchanan who is now preparing for the ministry.

One member, Mrs. W. T. Cook, is the mother of three preachers, one of whom got his early Christian training in the Sunday School and Church in Post and Grassland. The other sons have participated at various times in the church services here. The preachers are Faye Rogers of Midland, Joe Rogers of Melrose, M., and G. S. Rogers of Tampa, Florida.

The Church has grown from a membership of 10 to 100. Regular attendance almost equals 100 per cent of the membership and often exceeds it.

The church is one of the most active in the entire area and participates in all phases of the conference programs.

Attend Church Sunday!

DADDY, the count is on you... not the batter. You're not pitching him strikes. If he gets on base it will be a miracle. You are doing both the pitching and umpiring the game. Quite a novelty setup you have there daddy. How is that youngster to learn to play the game of life in GOLDEN RULE FASHION when his own daddy throws him nothing but 'balls' and calls 'em strikes? W-h-y, your son never will have a chance. You have set the pace daddy... blazed the trail of your own blood to a life of dishonesty, greed, and foul pay when you fail to put 'em over the plate.

YOUR church has a remedy for this sort of conduct. It upholds the better way of life through the teaching of God's word. The church aids you in establishing a principal... the GOLDEN RULE PRINCIPAL and to build a faith strong enough to play the game of life in strict GOLDEN RULE FASHION.

THE church is universal language... it's teachings will bring nations together and prepare the way for His kingdom to come on earth. Go to your church on Sunday and take a friend.

"URAFORM" MAY BE JUST WHAT GARZA FARMERS NEED FOR FERTILIZER

"Uraform," a synthetic nitrogen product developed by the U. S. Department of Agriculture scientists at the Beltsville, Md., station, may be just what Garza County farmers are looking for.

Nitrogen, whether applied on crops in the form of manure, a nitrate chemical, or in a balanced fertilizer, gives a big "kick" to growing plants. But it lasts only a little while and then leaches out of the soil, either by water or air. That means farmers not only lose a good part of the nitrogen but that, for best results, they have to "side dress" the crop.

The USDA's "Uraform" is made by mixing urea and formaldehyde and heating the compound. The new powerful product gives off its nitrogen slowly and at a uniform rate.

Both urea and formaldehyde are expensive now, but tests at Beltsville show "Uraform" will supply nitrogen at a steady rate over a long growing period. When and if it finally reaches the commercial production state, it will be a natural for cotton, corn, and forage crops. And people who fertilize their lawns could get by with one application a year.

In the meanwhile, D. F. Eaton, Garza County agricultural agent, points out, farmers can't beat the phosphate-legume combination as a cheap, long-lasting method of growing their own nitrogen.

ONE-MAN ARMY UNIT IS ASSIGNED TO SOUTHLAND

Southland was included among six cities in which seven organized army reserve units recently were activated. The others, as announced by General Jonathan M. Wainwright's Fourth Army Headquarters, Fort Sam Houston, are Corpus Christi, Baton Rouge, La., Oklahoma City, Tulsa, Okla., and Norman, Okla.

Tulsa got two units: Hq. and Hq. and Service Co., 358th Engineer General Service Regiment, and Hq. and Hq. Detachment, 349 Ordnance Battalion. The six other cities got one unit each.

The Southland unit is the 300th Army Postal Unit, known as a Class "C" unit of the Organized Reserve Corps. It will be composed of only one officer, Lt. James R. King, and no enlisted men.

Fourth Army Headquarters announced that it is contemplated that the 300th APU will be attached to a higher administrative organization at some later date. In events of an emergency, it would be called to active duty as a part of the organization to which it was assigned.

PICKED UP ALONG THE NEWS PATH

Mrs. Arch Turner of Amarillo, who arrived here last Friday to visit her mother, Mrs. A. L. Wallace of the Graham community for 10 days or more, was in town yesterday greeting old friends. She says she and Arch are making tentative plans to move to California, where their two daughters are living.

Mrs. Jessie Voss, who is one of Post's prettiest matrons, was prettier than ever yesterday while wearing a pink veil tied around her head like a spring hat.

Mrs. Ben F. Howell and daughters, Frankie Sue and Vonda, of Hobbs, N. M., spent Mother's Day here with Mrs. Howell's parents, Mr. and Mrs. Oscar Polk. Other visitors in the Polk home Sunday were Mr. Polk's brother-in-law and sister, Mr. and Mrs. M. W. Holloway and niece, Mrs. Mose James; Mr. James and their children Allen and Linda, all of Lubbock.

Lubbock guests at the recital given last Friday night by pupils of Mrs. J. A. Stallings included Mrs. Clarence Woods and daughter, Marilyn; Mr. and Mrs. Wade Holland, Mrs. Allen Benton and daughter, Lynn; Mrs. D. C. Denton and children, and Mrs. Stallings' daughter, Mrs. Royce Durham.

Mrs. T. L. Jones, snowed under with grading examination papers and other last-of-school activities, refused an invitation by telephone to attend the Junior Culture Club banquet last night. Fifteen minutes later, she telephoned the invitation committee to say: "You know, I believe it will be good for me to quit this work and go to a party. May I change my mind?"

Ruth and Johnnie McMinn of Lubbock spent the weekend here with their parents, Mr. and Mrs. McMinn.

Both Mr. and Mrs. E. K. Bowen have been ill at their home but are improving now. They had as their guests Sunday a group of their children and their families, including A. D. Bowen of Stacy, Mr. and Mrs. W. L. Bowen of Doole and Mrs. Noah Reeves of Snyder.

John Boren was looking for something else the other day at his home near Justiceburg when he ran across a May 26, 1904, issue of The Coming West, newspaper published in Snyder before Post was born. The original hand-addressed label showed that Boren was a subscriber. He doesn't remember why he kept that particular issue, which is now yellow and worn with age. E. B. Barnes was listed as editor.

Mr. and Mrs. Roy C. Wells and her brother, Bobby Truett, of Dallas spent Saturday and Sunday in Post visiting Roy's parents, M. and Mrs. J. W. Wells of Cross Roads, and his brother-in-law and sister, Mr. and Mrs. Melvin Hill. Because of damaged bridges, the visitors were unable to go to their former home in the Cross Roads Community.

Charlie and Bib Benson, joined by Jessie and Lorene Benson of Tahoka, spent the week end fishing at Christoval. They were luckier than a few other fishing parties we could mention, as they caught fish in spite of the rain.

Mr. and Mrs. C. F. Jones spent Mother's Day with her mother, Mrs. A. V. Caldwell, in Snyder.

Mr. and Mrs. Pat Henderson and children, Ronnie and Sessie, spent Sunday in Snyder visiting Mrs. Henderson's grandmother and other relatives.

Mr. and Mrs. J. N. Power and daughter, Nancy, spent Sunday in Abilene.

Miss Lucille Meador, who has been clerk of the Garza County Selective Service Board since its organization here more than six years ago, has terminated her work and is now on vacation in Meridian and Valley Mills.

Miss Ruby Carpenter has been ill at her home here since last Thursday. Her condition was improved yesterday.

Mrs. Vera Cockrell had as her Mother's Day guest her son and wife, Mr. and Mrs. Fred Cockrell, of Gorman.

The Rev. C. A. Ticer of Oklahoma, Mr. and Mrs. J. V. Beauchamp of Roby and Garvin Beauchamp of Abilene spent Mother's Day here with Mrs. J. D. Davis.

Fishing and hunting—and cutting a few cedar posts when they need grocery money—have been keeping H. C. Ferguson and his brother, A. A. Ferguson, busy in and around Bend since they moved there from Garza County two years ago.

The brothers have been visiting here the past two weeks. "We fished all the way here," H. C. said yesterday, "and it took us about two weeks to make the trip! I reckon we'll spend about a month going home."

CLOSE CITY HD GROUP SEES FREEZING METHOD

Ten members attended a meeting of the Close City Home Demonstration Club May 7 at the lunch room. Miss Jewell Hipp, Garza County home demonstration agent, told about the countywide bazaar and rummage sale to be held this fall, and the club voted to cooperate.

The group also voted to display their handiwork at the Fall Harvest Carnival which the county HD clubs are sponsoring.

The members placed an order with Miss Hipp for 90 yards of comfort satin to be obtained through a county cooperative buying program. The president, Mrs. Lonnie Peel, reported that a butane system has been installed in the school and told of the hot water heater, sinks and other conveniences which have been added to the lunch room.

Five delegates, Mesdames Jake Mangum, Lola Peel, Ruth Mangum, Jerry Bush and J. W. Teaff, were selected to attend the district Texas Home Demonstration Association meeting in Levelland on May 10.

Miss Hipp demonstrated the preparation of fruits and vegetables for freezing.

All the knowledge and experience gained by successful cotton growers have been combined in the Seven Step Cotton Program, sponsored by the Texas A. and M. College Extension Service in cooperation with other interested agencies and groups.

Unregulated traffic in infected and exposed cattle is one of the chief causes for the spread of brucellosis.

Cotton in America means a likelihood for over 15 million jobs and represents an investment of nearly 8 million dollars.

The number of frozen food locker plants in the country has grown from around 1,300 in 1938 to more than 8,000 in 1946.

Spinning tests have shown that cotton variety for variety be as high in quality as fiber any state in the cotton belt.

**Importance of Supervised Play
At Home Stressed At P-TA Meet**

Coach Bing Bingham stressed the importance of supervised play for children during the summer months at the final 1946-47 meeting of the Post Elementary-High Parent-Teacher Association meeting last Thursday afternoon in the high school auditorium.

In a talk, entitled "Looking Toward Vacation," Coach Bingham pointed out that children need leadership and they respond to their parents' ideas quicker than they do those of anyone else. Leaders are made in the home, he explained. He told how leadership can be gained through properly supervised play.

The meeting was opened with prayer by S. D. Strasner, high school principal. Music for the program was provided by the following seventh grade pupils of Mrs. Lillie McRee:

Barbara Norris, piano solo; Nelda Floyd and Barbara Norris, song, "Linger in My Arms a Little Longer"; Harold Porterfield, Wanda Kilpatrick, Gene Kennedy, Nelda Floyd, Barbara Norris, Don Tatum, Marilyn Light and Cordell Custer, song, "Never Say Yes, Never Say No," with piano accompaniment by Mrs. J. A. Stallings.

Mrs. B. E. Young introduced Coach Bingham.

Conference Is Reported

Mrs. Lee Davis and Mrs. J. E. Parker reported on the district parent-teacher conference at Rails.

A discussion of polio, "the most feared of all diseases" was made by Mrs. Willard Kirkpatrick who explained that the National Foundation for Infantile Paralysis stands ready to help all victims.

As chairman of the women's division of the Garza County chapter of the Foundation, she distributed pamphlets concerning proper prevention measures and treatment of polio.

The following officers were installed for the 1947-48 year: President, Mrs. Tom Bouchier; vice-president, Mrs. John Lott; secretary, Mrs. Noah Stone; treasurer, Mrs. J. D. McCampbell; membership chairman, Mrs. Ira Farmer; finance chairman, Mrs. R. L. Redman; entertainment chairman, Mrs. Lester Nichols; program chairman, Mrs. C. R. Thaxton; program co-chairman, Mrs. B. J. Edwards, and corresponding secretary and publicity chairman, Miss Jo Panter.

Chairmen Appointed

The following appointive chairmen were announced: Founders Day, Mrs. Ralph Welch; parliamentarian, Mrs. Lee Davis; historian, Mrs. Kirkpatrick; goals, Mrs. Parker; music, Mrs. Ray N. Smith; publications, Mrs. Pete L. Kennedy; life membership, Mrs. George Tillman; safety, S. D. Strasner; health, Mrs. B. E. Young; high school service, Mrs. Tol Thomas.

Life memberships were presented to Mrs. J. E. Parker and Mrs. B. J. Edwards, each having served the organization two years as president.

Mrs. Kirkpatrick exhibited the publicity book prepared by Mrs. Nola Brister, with assistance from Miss Bonnie McMahon and Mrs. Joe Norton.

Class awards went to Miss Skeeter Smith's third grade, Mrs. McRee's seventh grade, and to the eighth grade and freshmen classes

which tied for the high school award.

Duck Creek Soil—
CONSERVATION DISTRICT
OFFICE AT POST**

J. W. McQuien, cooperater with the Duck Creek Soil Conservation District who lives in the Verbena conservation group, has purchased two and one-half pounds of weeping lovegrass seed from the district supervisors.

He intends to plant the seed this month on some sandy land as a soil improvement crop as well as protection against erosion. "I believe May is the best time for grass planting on sandy land because of less wind erosion," states McQuien. Lovegrass is a hardy plant for hot, dry summers and makes excellent grazing for cattle.

In addition to the weeping lovegrass, McQuien bought four pounds of Madrid sweetclover and two pounds of blue panicum from the district. He intends to plant it as a part of his conservation work.

Ardie Long, cooperater in the Barnum Springs conservation group, has received two pounds of blue panicum from the district and intends to use the seed in vegetating a two-acre channel.

Among the district cooperaters completing terraces with whirlwind terracing machines recently are Dee Coleman, Grassburr conservation group, 6.5 miles; Herman Morris, Kalgary conservation group, 1.5 miles, and Ray Hodges, three miles on the land he is renting from Mrs. Henry Pegues in the Pleasant Valley conservation group.

HONORED AT HENRIETTA
IN MOTHER'S DAY PAPER**

Mrs. Jim Boyd of Henrietta, who has been to Post many times to visit her younger sister, Mrs. Jessie Voss, was the outstanding mother featured in the Mother's Day issue of the Henrietta Independent.

A Gold Star mother, Mrs. Boyd received national as well as local tribute on Mother's Day, the paper explained. One of her eight sons, Clifford (Bucky), was killed in Italy while serving as a first lieutenant in the Infantry.

In a recent letter from a French family, members of the underground who aided another son, Ralph, after his B-26 plane was shot down and captured, she learned that flowers were placed on Bucky's grave in recent weeks.

Mrs. Boyd's eight children include twins, Bernard and Burton, who live at Dumas. The others, besides Bucky and Ray who died in 1935, are Wilson of McLean, Howard of Dumas, Jimmie of San Antonio and Ralph of Fort Worth. All eight of the children had brown eyes.

In telling of Mrs. Boyd's many church and civic activities in Henrietta and of her success as a mother of successful sons, the paper said her philosophy was "try to solve problems one at a time from day to day—and be

**Soaring Costs
Keep Building
Industry Down**

Soaring costs continue to plague the construction industry in Texas. March reports of the 119 insured savings and loan associations in Texas reveal that the average construction loan has increased 33 per cent in size over March, 1946, placing costs at an all-time record level, according to the University of Texas Bureau of Business Research analysis of figures supplied by the Federal Home Loan Bank of Little Rock.

In March, 1946, the average loan for home construction stood at \$3,265; in March of this year construction loans average \$4,340 for a gain exceeding \$1,000 on each loan. In the light of these facts it is easy to see why the period of "waiting" has set in. Uncertainty continued to earmark the industry's immediate future.

Loans for the purchase of homes, always a major portion of total loans through savings and loan associations, saw a gain of 12 per cent in the average size loans, while loans for reconditioning increased 18 per cent in size.

Material costs are too uncertain, delivery dates indefinite and waiting around between each phrase of a construction job has often slowed down the entire procedure, resulting in sky-high prices and causing would-be builders to hesitate and contractors to steer clear of making bids.

March loans made by Texas savings and loan associations halted the January and February declines to rise 7 per cent for the month. Loans numbered 1,836 in March to fall 26 per cent below the number of loans made in March of last year.

Loans for the purchase of homes continued to account for more than half of all loans, as 849 were authorized with a total of \$3,529,965. This was a dollar-value hike of 15 per cent and a 6 per cent gain in the actual number of loans.

Phone Service Improvements Are Under Way

Although frustrated by the lack of a necessary switchboard and other facilities, which will not be available for probably another year, the Southwestern Associated Telephone Company is going ahead with expansion plans, preparing for the day when facilities can be had.

Ralph Welch, the company's local trouble-shooter, is busy with plans that have been drawn up to handle a five-year program of expansion. They are based on a commercial survey made here about two years ago and have been brought up-to-date to include needs in west Post and other areas where residential building has been taking place. The plans, in time, will include expansion needs brought about by the building of additional mill houses, Welch said.

Although the new lines will not be in operation until another switchboard is available here, the laying of cables will begin in Post within the next few months. The 404 pair of wires now serving the city will be exactly doubled.

A new cable has already been laid between Main and Sixth to eventually accommodate new homes around the high school building and in the west Post area. Another circuit has been completed between 12th and 13th Street, on which 25 applications for telephones have been filed. The necessary telephones to take care of the expansion program probably will not be available for a year, Welch said.

The company also has completed a telephone line to the oil field south of Post and, on Monday, a line out beyond the Caprock, southwest of Post, was completed.

Although Down, Business Stays Above Prewar

Using figures available for the month of March, the University of Texas' capable Bureau of Business Research has compiled some information of interest in Garza County.

It shows that in spite of the existing high level of production and prosperity, Texas business slackened off in March from February's peacetime high, and fell back to its November, 1946, level.

Business in Texas now stands 88 per cent greater than in the prewar years 1935-39 and remains 12 per cent above the level recorded in March, 1946.

Commodities moving in large quantities through the State's transportation arteries and the excellent position of Texas agriculture, along with production figures, continue to be mainstays in the business picture. Finance, both public and private, and labor indicators showed little change. Trade and prices presented the wobbliest situations.

The steady rise in production from its reconversion low in October, 1946, continued during March, paced by substantial increases in the important indexes of crude petroleum production, building permits and dairy products manufactured.

Texas farmers looked back over a prosperous March as farm cash income took a 43 per cent February-to-March hike and rose 36 per cent above income in March 1946. Shipments of livestock, poultry and eggs showed impressive gains.

Greatest weakness in Texas business continued to be in the field of trade, as retail sales of independent stores failed to mark up the usual seasonal advance of 19 per cent during March.

Texas Farmers Still On Crest of Prosperity

Garza County ranchers and farmers probably will be interested in learning that, as the first quarter of 1947 closed out, Texas farmers were still on the crest of prosperity in terms of cash income computed by the University of Texas Bureau of Business Research. Dollar value of March income reached \$77,372,000.

March intake almost doubled February's total and rose 36 per cent above the March, 1946, level, placing the Bureau's seasonally-adjusted index at 342.1. (Base: 1935-39-100). February's index stood at 241 and in March 1946 at 252.2.

The all-time high volume of cattle moving out of Amarillo placed the Northern High Plains farm cash income for the first three months almost 100 per cent above income for the same period last year. Other districts reporting gains were the Western Cross Timbers (53 per cent), East Texas Timbered Plains (49 per cent), South Texas Plains (45 per cent), Red Bed Plains (34 per cent), Coastal Prairies (33 per cent), Southern Texas Prairies (29 per cent), Southern High Plains (19 per cent), Black and Grand Prairies (16 per cent) and Edwards Plateau (10 per cent).

Declines were registered in the Trans-Pecos district, where unusually small livestock shipments brought the three-month income figures down 46 per cent from the first three months of 1946. And in the Lower Rio Grande Valley income dipped 23 per cent. Cumulative income total for January, February and March reached \$195,808,000.

In February-to-March comparison the Northern High Plains saw March farm cash income almost triple February's total. A gain of 122 per cent was marked up in the Southern High Plains and jumps were registered in five additional districts.

Camped with March 1946, only three districts showed drops in farm cash income, while gains ran as high as the Northern High Plains hike which almost tripled income in that district.

KCBD, LUBBOCK'S THIRD RADIO STATION, IS OPEN

Lubbock's third radio station, KCBD, began operation at 6 a. m. yesterday, on a frequency of 1590 kilocycles and 1,000 watts power.

Operated by the Caprock Broadcasting Company, a group of Lubbock business and professional men, the station is managed by Joe H. Bryant whose wife is the former Mary Lee Bardwell of Post.

The station, which is affiliated with the Mutual Broadcasting System network, is operating from 6 a. m. until midnight daily. The studios are at 1865 Broadway and the power station is four miles out on the Slaton highway.

We are all proud of the nice rain we received over the week end. The farmers have pulled up the corners of their mouths once more!

The Barnum Springs Home Demonstration Club ladies and their families were entertained with a wiener roast at the Roy Hodges home Saturday night. A large crowd attended.

Everyone is invited to attend Sunday School at Barnum Springs each Sunday at 11 a. m.

Mrs. W. A. Long returned last Wednesday from a visit to California with her sister and brother-in-law, Capt. and Mrs. Bert Duggers. The Duggers were returning to Mather Field, Sacramento, from Miami Beach, Florida, where he has been in school the past three months. En route to California they saw many wonderful sights along the way. The Painted Desert and Petrified Forest in Arizona, the Grand Canyon and Boulder Dam were among the most interesting sights of the trip. In Las Vegas, Nevada, the playing of the roulette wheels was interesting. In San Francisco they visited the world's largest playground and zoo. Mrs. Long and Mrs. Dugger had breakfast at Tom Brenaman's in Hollywood. Other interesting sights were the movie actors' and actresses' homes in Beverly Hills and Lake Tahoe, the Capitol building and many others.

Church Activities

The Volunteer Mission Board from Wayland College will be guests in the Pleasant Valley church Saturday night and Sunday. Everyone is given a cordial invitation to attend this meeting, as we expect to see some boys from our community in the group. Several P. V. youngsters are enrolled in Wayland.

Church services were not held here Sunday because of the heavy rains.

Miss Annetta McGee returned to Lubbock last week after spending several days here with her parents.

Justiceburg will be ready to stage play

New stage scenery, made by the Boyett Company of Waco, has been installed in the Justiceburg School. It includes a beautiful outdoor scene and a front curtain.

To go with the new scenery the stage's old room scene has been repapered and painted to rival the new equipment in effectiveness.

The school trustees are now trying to buy new opera seats for the auditorium. It was announced at Justiceburg this week.

Hurrah!

For the CLASS of 1947

Nothing would please us more than to congratulate each of the members of the Class of 1947 in person. As this is not possible, unless you come to see us, we take this opportunity of extending to you our heartiest congratulations and best wishes for your success.

FORMER POST COUPLE GAINS PRAISE WITH RESTAURANT VENTURE

Two former Post residents, Mr. and Mrs. O. L. Peddy, have opened a new restaurant which is the talk of Lubbock and which serves fresh seafoods good enough to please the Avalanche-Journal's Plainsman who has mourned in his column for years that no such foods were available in Lubbock.

After the Peddy's opened the American Restaurant at 1611 Avenue H recently, the Plainsman paid them a tribute in his column, complimenting them for both their excellent seafoods and for their clever, nautical interior decorations.

In addition to seafoods, the restaurant specializes in steaks and fried chicken.

Mrs. Peddy is the former Murray Hefner.

ISN'T THERE A DEGREE FOR ROOM MOTHER, TOO?

Mrs. N. C. Outlaw feels like she is being graduated from Post High School along with her daughter, Alma, and the other Seniors. She has been room mother ever since the class started to school 11 years ago, has planned many of their picnics and socials, has served as chaperon and confidential adviser to the group. She gave a graduation gift to each one of the Seniors.

Non-operating railroad unions are demanding still another raise of

\$568,000,000⁰⁰ a year

MR. & MRS. CONSUMER

MR. SHIPPER & MR. FARMER

MR. & MRS. PASSENGER

You would foot the bill!

Look out! There's another big railroad wage demand headed your way!

The non-operating unions alone—whose members do not actually operate trains—are demanding a flat increase of 20 cents an hour. These demands would cost the railroads of the country five hundred sixty-eight million dollars a year!

Last year these employes had an increase of 18½ cents an hour. This was their third major wage increase since 1939. Their average weekly pay has gone up 75%, as against a cost-of-living rise of 54%.

Since 1939, railroad wage and material costs have gone up more than three times as much as freight rates, and five times as much as passenger fares. That is why in

1946, with the largest peacetime traffic in history, the net income of railroads went down to the equivalent of only 2¼% of the net property investment.

What About 1947?

Even with the recent freight rate increase, preliminary figures indicate that the railroads will make only about the same low return in 1947 as in 1946. This will be because:—the wage increase made in 1946 will be in effect for all of 1947;

—special payroll taxes on railroads have recently been increased; —and passenger traffic has declined;

Where Would the Money Come From?

We can't pay out what we don't take in. And we are not taking in enough now to meet present costs and to complete the improvements in service that you need and that we want to give you.

You Would Foot the Bill!

SENIOR COMMENCEMENTS ARE TOMORROW—

Post And Southland Graduates Featured

Today and tomorrow are long-awaited occasions for many a Garza County public school student. These days, to most of them, are the most important in their lives so far, and will be remembered as such all of their lives.

Graduation, was announced in detail in last week's issue of the Post Dispatch. Eighth grade honor students are Barbara Lewis, valedictorian; Mary Nell Bowen, salutatorian; Annie Mae Pierce, Rowena Hodges, Pearl Self and Peggy Johnston.

Post High School Seniors will be graduated at 8 o'clock tomorrow night in the school auditorium. The program has been announced as follows: Processional, Mrs. Ray N. Smith; invocation, the Rev. F. B. Nickerson, pastor of the First Christian Church; address by the class president, Rufus Gerner; salutatory address, "From This Time Forth," Alma Outlaw; valedictory address, "Goodbyes Can Be Pleasant Words," June Taylor; "Neapolitan Nights" (Kerr-Zamernik) and "Nobody Knows the Trouble I See," sung by the High School Chorus, directed by Mrs. T. L. Jones; class history, Rita Faye Mathis; presentation of awards, Stephens Strasner, high school principal; presentation of Rotary Scholarship; presentation of class to school board, Supt. G. R. Day; presentation of diplomas, Willard Kirkpatrick, school board president; song to Seniors, "A Perfect Day," high school chorus; benediction, the Rev. I. A. Smith, pastor of the First Methodist Church; recessional, Mrs. Smith.

Senior class officers are Rufus Gerner, president; Sonny McCrary, vice president; Alma Outlaw, secretary-treasurer; Betty Kennedy, reporter; Lavenia Carpenter, parliamentarian. Room mothers are Mrs. N. C. Outlaw, Mrs. G. E. Fleming, Mrs. A. B. Casey and Mrs. L. P. Kennedy, Jr. Sponsors are Mrs. H. T. Curt and V. F. Bingham.

Judge Tom Garrett of Tahoka will deliver the high school commencement address at the Southland High School graduation service tomorrow night in the school building. The valedictory address will be made by Harley Martin and the salutatory address will be delivered by Doris Quisenberry. Diplomas will be awarded to 12 Seniors, including one in absentia to Harvey Stotts who is in the service.

Large Crowd Expected To Calf Roping

Everything Is Ready For Sunday Contest

Sunday, May 18, will be a Red Letter Day in Post as people come from far and near to look over the recently completed rodeo plant, north of the city, and enjoy a matched roping contest between two expert West Texas ropers who are excellent showmen and are believed to be as evenly matched as possible. The time is 2 o'clock.

The Weather Man expressed his interest in the affair by bringing a generous rain to settle the dust in all parts of the county. All indications are that the weather will be excellent, the crowd will be great and the show will be fast entertainment.

In addition to the matched roping contest between Lanham Riley of Snyder and Sonny Edwards of Big Spring, there will be a jack pot roping contest, which anybody can enter by paying a \$5 fee.

The general admission prices are \$1 for adults and 50 cents for children. With this exceptionally low price coupled with a good bill of entertainment, a capacity crowd is expected to inaugurate the new rodeo plant. W. S. Duckworth, Stampede president, said yesterday.

Publicity has been sent to all weekly newspapers in this area and to the Fort Worth Star-Telegram, the Abilene Reporter, the Nolan County News and the Lubbock Avalanche-Journal. Additional publicity was sent to four radio stations in West Texas and distributed in poster and circular form in many town of the area. Sherrill Boyd went to Lubbock this morning to appear on KSEL at 10:30 o'clock in a radio program, boosting the calf roping.

Post Resident Dies Following Major Surgery

Mrs. L. C. Carmichael, who has made her home in Post the past 20 years, died at 4:30 a. m. Monday in the Plains Hospital at Lubbock where she had undergone major surgery Wednesday of last week.

The funeral was held at 2 o'clock Tuesday afternoon in the First Baptist Church with the Rev. Huron A. Polnac, pastor, assisted by the Rev. Joe Norton of the First Church of the Nazarene, officiating.

Immediately after the funeral, the body was taken by Mason and Company hearse to Fort Worth for burial Wednesday in Mt. Olivet Cemetery. Mr. Carmichael, several other members of the family and the Rev. Mr. Polnac attended the burial service.

Mrs. Ray N. Smith, pianist, and Bill J. Davis, violinist, provided the music at the beautifully arranged funeral service. Post merchants closed their stores for the occasion, and a large crowd of bereaved friends were present.

Flower girls were Mesdames Joe Evans, Nell Caffey, Ruby Stanley, Elvie Carpenter, Tom Ashley, Ted Roy, Dale Stone, Buddy Hall, Will Barton, Byron Haynie, Ira Farmer, Arbeth Voss, Miss Bonnie McMahon and Miss Vivian Cooper.

Pallbearers were E. S. Stewart, John Cearley, Ralph Carpenter, Ira Farmer, J. R. Durrett, Ira Lee Duckworth and R. L. Cummings. Survivors, besides Mrs. Carmichael, include a brother, Jack Muir of Fort Worth; four sisters, Mrs. Ruth Drake and Mrs. Mattie Blessen of Fort Worth, Mrs. Mary Durrett of Wichita Falls and Mrs. A. G. Abbott of Electra; two stepdaughters, Mrs. R. P. Holm of Abilene and Mrs. M. M. O'Rear of Altus, Okla., and two grand children.

Mrs. Holm recently visited here and was with Mrs. Carmichael at the time of her operation. Relatives here for the funeral included Mr. Carmichael's brother, Will Carmichael, and two nephews of Oklahoma and Mr. and Mrs. Redford of Brownfield.

RALLS ROAD IS ALMOST FINISHED FOR TOPPING

Topping will be put on the eight miles of highway, north of Post on the Ralls road, in the near future, Homer Patty of the State Highway Department said Monday. He quoted Mr. Stanley of Lubbock, the resident engineer, as saying the topping process will get underway within a week or two.

Youth Canteen To Be Open On Saturday Night

The Youth Canteen, which is the Junior Culture Club has been sponsoring on Monday and Saturday nights in the Double U Hall, will be open only on Saturday nights during the summer months.

The club, which will not be active during the summer, will discontinue sponsorship of the canteen until next fall. The sponsorship will be carried on by the parents of youth members, with Mrs. Walter Boren serving as president of the group.

All mothers and fathers of 'teen age boys and girls are invited to help with the canteen, particularly in regard to chaperoning. Parents who can help with the canteen on Saturday nights—even occasionally—beginning at 8 o'clock, are urged to communicate with Mrs. Boren.

Anyone having phonograph records, cards dominoes, Chinese checkers and other games to contribute also are urged to get in touch with Mrs. Boren. It also was announced that canteen dues, 50 cents a member for three months, will be payable the first Saturday night in June.

CONTRACT IS LET FOR YELLOWHOUSE EDDIES

The State Highway Department has let the contract for and received the work order on the installation of eddies to check the water and hold the banks of the Yellowhouse River in the region of the bridge seven miles out on the Clairmont road, Homer Patty of the highway department said Monday. The work will get underway as soon as necessary steel is available.

LAST YEAR'S TOP RANKING GRADUATES SUCCEEDED—

Eight Honor Seniors Write Autobiographies, And Ambitions

Last year the Post Dispatch published short autobiographies of the 10 top-ranking seniors of the 1946 graduation class of Post High School. What the youngsters wrote were so interesting and prophetic, the Dispatch staff decided to repeat the feature in regard to this year's top-ranking students.

One year later shows that most of last year's honor students have accomplished their ambitions or are headed in the right direction toward fulfilling them. While most of the ambitions expressed were pertinent to hopes for jobs or college careers, one student, Nora Jo Blacklock, said her ambition was to marry a banker. She is now, Mrs. L. J. Richardson, Jr., whose husband is employed in the First National Bank.

Post High School submitted only eight names of 1947 Seniors, representing the seven highest honor places in the following order: June Taylor, Alma Outlaw, Rita Mathis, Bobby Chandler, Lavenia Carpenter, D. G. Porterfield, and Edwin Perkins and Betty Kennedy who tied for seventh place. All had averages of 90 or above. Their biographies follow:

We Salute The 1947 Graduates

The Post Dispatch staff extends heartiest congratulations to the Seniors of Post and Southland High Schools who receive their diplomas tomorrow night, at their respective schools; to the Post Eighth Graders who will be graduated tonight; to the Southland Eighth Graders who received their diplomas Tuesday night, and to the Eighth Grade graduates of the various Garza County rural schools.

- Post High Seniors: Alma Outlaw, Jimmie Rains, Bessie Smith, June Taylor, Helen Williams, Lavona Jackson, Albert Bayer, Charles Casey, Neal Clary, H. T. Carr, Jr., James Everitt, Rufus Gerner, Charles Hudman. Southland High Seniors: Harley Martin, Lena Mae Samples, Billy Stone, Duane Gilliland. Post Eighth Graders: Ruby Jewel Wade, Annie Mae Pierce, Peggy Johnston, Delores Beauchamp, Jimmy Brownlee, Helen Nita Carr, Roy Lee Davis, Buford Finchum, Herman James, Donald Jones, Gene King, Jonnie Matisler, Donna Mitchell, Junior Odom, Gay Pierce, LaRue Stephens, Roy Pharris.

County Schools Close Tomorrow 'Til September

All of Garza County's rural schools will close for the summer months tomorrow, Dean Robinson, county superintendent, said yesterday.

Graduation services and other end-of-the-season activities have been reported by most of the various community correspondents and published in this and last week's Post Dispatch issues. Most of the graduation services were scheduled for Tuesday, Wednesday and tonight.

Eight Graham Grade School students were graduated in the school auditorium last night in a service conducted by the school principal, Ernest Henderson. They were Jean Lofton, class valedictorian; Jo Ann Shepherd, salutatorian; Jerrell Stone, Pat Stevens, Nelda Oden, W. O. Fluitt, Jr., Ronald Joe Babb and Glenda Mae Young.

COURT HOUSE OFFICE CHANGES ANNOUNCED

The Garza County Home Demonstration Office has been moved from the northeast corner of the second floor of the court house to the office, on the south end of the second floor, which formerly was occupied by the Selective Service Board. The work of the Selective Service Board was terminated earlier in the month.

The GI Vocational Agriculture School instructors, who have been occupying one of the offices in the County School Superintendent's suite on the first floor, will occupy the office vacated by Miss Jewell Hipp, Garza County home demonstration agent, and her secretary, Mrs. Bess Thompson.

'Million-Dollar' Rain Falls On Garza County

"A million-dollar rain" kissed the parched Garza County soil last weekend, giving more than four inches to the entire area.

The Double U Company's gauge registered a 4.40 fall for Post. The only other official measurements recorded were those made by the Soil Conservation Service, as follows: Justiceburg, 4.16; Graham Community, 4.36 and Pleasant Valley, 4.50.

Commissioner W. C. Quisenberry estimated that 6 1/2 inches fell at Grassburr, where the terraces were washed around and permanently damaged. Verbena Community residents reported a similar downpour, which caused all the surface tanks to "run around."

A bridge on the road through Canyon Valley was damaged as were the recently repaired bridges on the road to Spur, below Two Draw. All three were damaged last June by hard rains. Commissioner Quisenberry said repair work was underway Monday, with Precinct 3 paying expenses.

VALLIE WALL LEASES ALGERITA COFFEE SHOP

Mrs. Vallie Wall this week took over management of the Algerita Coffee Shop. She leased the popular eating place from Mr. and Mrs. Tracy, owners of the hotel.

Mrs. Wall is an experienced operator of cafes and plans to give the public a pleasant place to eat and visit. She invites the people of Post and Garza County to the Coffee Shop at all times.

Her first and all haircuts—given by her father. Her first playmate—Brother Pat. First school days—At Antelope, near Spur. Later school days—Verbena. Received first box of candy—Valentine, 1939. High school days—Post. Hobby—Playing basketball and volleyball. Plans for advanced schooling—Texas Tech. Plans for later life—becoming a stenographer like Miss Cook.

Alma Outlaw, Carlsbad, N. M., November 12, 1929—sorry, can't recall the time but believe me—I was there, and so were my mother and father, Mr. and Mrs. N. C. Outlaw, and the girl who was forever pinching me—Zura Anne.

It was not until I was seven that my parents realized I might be ignorant, not that I think so, but they started me in Post Grade School.

Finally I made it to high school and "time began to fly." During that time many things happened—the girls' basketball team went to the State Meet, the football boys beat Slaton, I was secretary-treasurer for three years, editor of an annual, pep squad leader, there were two plays and everything else that goes to make up a wonderful high school career.

It seems that 11 years is all the time I can have in this place so I'll move on. At present, I am in favor of going to Baylor—of course, I could change my mind—that's a woman's privilege, you know. Really, I am ambitious but haven't definitely made up my mind about the future.

Rita Mathis, On September 24, 1930, a daughter was born to Mr. and Mrs. Ben F. Mathis of Post. This little girl was to grow up as Rita Mathis. Early in my life, we moved to El Paso where we lived until I was five years of age. At the age of six, I started to school at Post, but in June of 1942 we moved to Los Angeles, Calif. While in Los Angeles, I attended the John Adams Junior High and John E. Firemont Senior High for two and a half years. We moved back to Post in the middle of my sophomore year. One of the most important events in my Senior year has been my appointment as historian of the Class of '47. I hope to work until I am old enough to go into training to be a nurse. This has always been my ambition.

Lavenia Carpenter, Once upon a time, in 1930 and on the last day of March, a tiny individual opened its eyes in Gaines County and discovered America. There were Mommy and Daddy and a funny looking feathered gentleman with spectacles on his nose, a little black bag in one hand and a four-cornered cloth in the other. Being the only child I received quite a bit of attention, so imagine my three-year-old dismay when a baby brother arrived to steal the show. Finally I reached the glorious age of six when I would be allowed to go to school. The very first day my teacher humiliated me by requiring that I put my nose in the corner for rude conduct. Thus I learned in one easy lesson that the first grade definitely was not my little brother. My first and second years of school were spent going to Loop School in Gaines County, then I moved to Post to live with my aunt and grandmother. Somehow I was graduated from grade school as valedictorian, for which I received a yellow gold watch. I lost it when I was a sophomore. Now I am greatly concerned with high school graduation and job hunting and college; which reminds me, I plan to enter ACC next fall. During my college career, I plan to study art. D. G. Porterfield, On January 13, 1930, in a home

in the southern part of Lynn County was born to Mr. and Mrs. Gus Porterfield an 11 pound boy who has since been known as D. G. Porterfield. Pop Gun, Poppa, or any other nice name that anyone might think for me. I lived in this home for five years; then moved, with the rest of the family, to another spot in Lynn County where we lived for two years before moving to a home on the western line of Garza County where I have lived since. My school days began in September 1936, at Graham Chapel. However, I had started to school the year before at Magnolia but had to quit as I was too young. I was fortunate enough to make every grade and in 1934, after graduation from grammar school, I came as a freshman to Post High School. I kept on trying and each year climbing higher until finally I am about to be graduated. These school days I shall never forget.

Now that my high school days are over I intend to further my education at some college or university, maybe SMU. I would like to study science but I am not fully decided on this question yet.

Edwin Perkins, On December 20, 1927, I started my career as a human being under the name of Bonnie Edwin Perkins. The son of Mr. and Mrs. G. L. Perkins, I was born in Lynn County and resided there until I started to school at the age of five years. Then my family moved to a place near Levelland, and I

her sister, Mrs. O. L. Jones and
family, at Trent.

Mr. and Mrs. Fred Meeks spent
Sunday with their parents, Mr. and
Mrs. Ott Nance.

Mr. and Mrs. George Evans
were in Lubbock Friday.

Mrs. Jeff Justice has returned
from several weeks vacation in
California.

Mrs. Ethylene Masters and daugh-
ter, Shirley, of McKinney, are
here for an extended visit with
her parents, Mr. and Mrs. W. T.
Parchman and other relatives.
Two other daughters and their
families were Sunday guests in
the Parchman home, Mr. and Mrs.
L. E. Matthews of Lamesa, and
Mr. and Mrs. L. H. Graves and
family of Andrews.

Mr. and Mrs. Jeff Justice spent
Sunday with their daughter and

Jim and Clay Ferguson, Garza
County "oldtimers," who have
been living at Bend the past two
years, have been visiting friends
in the Post and Verbena areas.

The revival meeting at Verbena
closed Sunday night, May 5. The
Rev. I. A. Smith was assisted by
the Rev. Mr. Todd, pastor of the
Methodist Church at Seagraves.
They brought many fine messages
which were of benefit to the en-
tire community.

Mr. and Mrs. A. M. Lucas have
been wearing broad smiles, over
a new maroon Chevrolet and a
visit with their son, James, who is
in the army, stationed at San An-
tonio.

Pete Kennedy is remodeling his
kitchen and adding other im-
provements to his home and the
Allen Birds have had their entire
house "face-lifted."

Mr. and Mrs. Julius Fumagalli
recently visited in Ruidoso and
Roswell, N. M. In the latter city,
they saw their son, Bill, who is a
student at New Mexico Military
Institute.

Mrs. J. M. Matsler visited at the
home of her daughter, Mrs. A.
M. Lucas, while attending the re-
vival.

Mrs. Charlie Smiley and small
daughter attended the revival on
its closing day and visited in the
home of Mr. and Mrs. Charlie
Bird.

Friends of Mr. Bradley on the
Allison Estate regretted to hear
that he has been ill at Lubbock.
They are wishing for a speedy re-
covery for him.

The Rev. I. A. Smith will preach
his farewell sermon at Verbena
Sunday, May 18. A large crowd
is expected, as the people of the
community will greatly miss the
Rev. Mr. and Mrs. Smith when
they leave Post and the Verbena
church.

Everybody is happy in Verbena
since the rains came. It is esti-
mated that five or six inches fell
slowly, and there were enough
hard showers to cause most of the
tanks to "run around." The J. C.
Fumagallis and Charlie Birds have
been out gathering fish to restock
some of their tanks.

**OFFICIALS TO DISCUSS
REBURIAL OF WAR DEAD**

To familiarize citizens of this
area with the workings of the pro-
gram for the return and reburial
of the dead of the past war, two
officials of the American Graves
Registration Division, Fort Sam
Houston, will be in Lubbock May
21 and 22. They will be Lt. Col.
H. G. McDougal, chief of the di-
vision, and V. H. Torrance, who
will have headquarters in the
Lubbock court rooms.

Their purpose will be to receive
friends and relatives of the war
dead and explain the reburial pro-
ject to them and try to help them
with personal problems.

Colonel McDougal announced
that the first remains of the na-
tion's heroic dead will be return-
ed to the United States about
October 15.

SPORTS

FROM A STRICTLY LOCAL ANGLE

Locals Will Go To Seagraves Sunday For Fourth Loop Tilt

The local base ball team will go to Seagraves Sunday for the fourth game of the Oil Belt League season. The play is slated to begin at 2:30 sharp.

The Oilers, tied with Levelland Refiners for top place in the loop, were to have come here last Sunday but postponement of the game was made necessary by the rains. The Oilers will use Putsy Gentry, manager of the team, to toe the rubber against the Post club. Ed Altman will do the twirling for the locals.

Polly Duren, manager of the local team, said he expected the boys to snap out of their hitting slump Sunday. The locals are in the cellar of the league, and thus far in the season haven't been able to hit.

A delegation of local fans will follow the club to the neighboring city.

B. J. Edwards Transferred To New Post

A cog in the wheel that has made Post go the past eight years was lost with the transfer of B. J. Edwards, local Theatre Enterprise, Inc., manager, to Los Alamos, N. M. where he will be in charge of three motion picture theatres, one of which is under construction.

Edwards left for his new post last night, leaving Mrs. Edwards here to manage the Garza theatre with Don Windham until his successor is named. As soon as living quarters can be found in Los Alamos, Mrs. Edwards and daughter, Mrs. Bill Shepherd, and baby, Elizabeth Ann, will join Mr. Edwards in New Mexico. Mrs. Shepherd and baby are making their home with their parents and grandparents while Bill is stationed in Korea.

The Edwards' other two children, both of whom are married, will remain in Texas. A daughter, Mrs. Robert Johnson, lives in Lubbock and a son, Bill, lives in Fort Worth.

Both Mr. and Mrs. Edwards have been valuable citizens since they moved here eight years ago from Olney. He served as Rotary Club director in 1942 and president of the Post Chamber of Commerce in 1943 and 1944. He has been extremely cooperative in young people's activities and has made the theatre facilities available to whatever projects have needed them.

Edwards started the movement which eventually will result in a Class A movie theatre for Post. Begun before the war, the project was stopped because of building restrictions. As soon as a government building permit is issued, the theater will be built here, he said yesterday. The building will seat 800 people and be operated by Theatre Enterprises, Inc., along with the Garza Class B Theatre.

Visiting With Brother

M. J. Malouf is in Dallas with his brother who underwent surgery in the Baptist hospital there on Monday. Mrs. Malouf and the children took him as far as Jayton Saturday night where he joined other members of the family before going on to Dallas. Mrs. Malouf and children then went to Rotan where they spent Mother's Day in the home of relatives, returning to Post Sunday night.

All Games Of Oil Belt League Were Doused Sunday

The second postponment of the Oil Belt League season for the Post semi-pros came last Sunday and the play has been set back to the tail of the schedule for make-up.

For the second time this spring the weather has interfered with the locals. The scheduled season opener, April 13, had to be called off due to cold damp weather after the local delegation journeyed to Seminole, and all of last Sunday's games were postponed because of rain and soaked fields.

The six teams of the loop were to have played last Sunday at Post, Seminole and Sundown.

Two Undefeated Softball Teams Match Tonight

Two undefeated softball teams, the local VFW boys and the Whitties' Cafe bunch at Lubbock, will battle it out here tonight, beginning at 8:30 o'clock.

This will be the second game for the VFW team, it having opened the season last Thursday night with a game with the Tahoka Flying Farmers. The locals were ahead 14-2 when a sandstorm broke the game up in the fifth inning.

D. B. BILLINGS MOVING TO SANTA FE, NEW MEXICO

D. B. "Woody" Billings, until last week owner and operator of the Billings Studio, announced Wednesday that he will move to Santa Fe, New Mexico, June 1. He has accepted a position in that city as manager of the camera department of the Santa Fe Stationery Company. Billings opened the photographic studio here about two years ago.

Before going to Santa Fe he will go to Chicago and New York to purchase additional stock for the new camera department of the Santa Fe firm. He plans to visit his parents in Northfield, Vermont, en route to New York.

Mrs. Billings and two children will go to Santa Fe as soon as living quarters are available.

CITY IMPROVES TRASH PICKUP; COOPERATION NEEDED FOR NEATNESS

The city truck has been converted into a dump truck and other improvements were added in an effort to speed up trash and garbage pickup.

In making the announcement, the City Commission asks that merchants and residents use barrels for the trash to be hauled off and acquire wire containers for debris to be burned.

It has been observed that much of the papers and other trash blowing around town, particularly on Main Street and its intersecting streets, come from backs of buildings and houses where no barrels or wire containers are provided.

The City Commission is also asking merchants and employees of Main Street stores to park their cars either behind the stores or on side streets as a courtesy to Main Street shoppers.

Miss Margaret Turner, Lubbock Avalanche-Journal woman's editor, and Mrs. Melba Watson Moore of Lubbock visited here last night with Mrs. Moore's sister, Mrs. Clint Herring, and family and Mr. and Mrs. Sherrill Boyd.

Present prices of cotton and cottonseed are good and markets will be ample to take care of increased production, according to the U. S. Department of Agriculture.

TWO WOMEN VICTIMS OF HEADON COLLISION NEAR POST ARE TREATED HERE

Two women, Mrs. Fred Montgomery of Longworth and Mrs. Ray Smith of Roby, were treated at the Post Clinic Tuesday night for injuries suffered in an automobile collision on the Lubbock highway, eight miles from Post.

The accident happened about 7:30 o'clock when Mrs. Montgomery, driving a 1938 Chevrolet toward Post, attempted to pass a

Johnson Motor Freight Truck, and met a 1941 Ford. W. J. Spain was driving the headon collision. Mrs. Montgomery said she swerved into the car back into the path of the Car. Both cars were badly aged.

Maxine Mullican Becomes Bride of Capt. E. J. Robinson

Lonnie Maxine Mullican, daughter of Mr. and Mrs. Wayles Mullican of Crisp, and Capt. E. J. Robinson, son of Mrs. Jennings Robinson, son of Mrs. Robinson of Post, were united in marriage Saturday evening, May 10, at 8:30 o'clock in the home of the bride's parents, with Foster L. Robinson, minister of Christ officiating. The ceremony was a beautiful double ring ceremony.

MRS. E. J. ROBINSON

The bride, who was given in marriage by her father, wore a long dress with a long, sweetheart neckline and long sleeves. The bodice was trimmed with seed pearls and bugle beads. She wore a finger-tip veil of illusion with a diadem of seed pearls and bugle beads. She carried an arm cluster of white gladioli centered with a white orchid, from which fell streamers of white satin ribbon with lilies of the valley. Her white satin slippers also were trimmed with seed pearls.

Attendants Listed

Mrs. W. K. Mullican, Jr., matron of honor, wore an evening dress of pink net. Her hat was fashioned of pink net and she wore gold slippers. Her flowers were pink carnations.

Miss Duane Mullican, sister of the bride, was maid of honor. She wore a long dress of blue net and carried an arm cluster of pink carnations. Her hat was identical with that of the matron of honor, in blue net and she also wore gold slippers.

Milton Robinson of Fayetteville, N. C., brother of the bride groom, served as best man and W. K. Mullican, Jr., of Dallas, was groomsmen. Alton Johnson of Ennis lighted the candles and served as honorary groomsmen.

A reception followed the wedding. Receiving were Mrs. Mullican, mother of the bride, who wore a long dress of grey chiffon, trimmed with grey lace, and a corsage of gardenias and Mrs. Robinson, mother of the bride-groom, who wore a long dress of lime crepe and a corsage of pink carnations.

The bride's table, overlaid with a white cloth, was centered with the three-tiered wedding cake of white, embossed in orange blossoms and topped with a miniature bride and bride-groom, the latter attired in a Marine uniform. Tall white tapers burned in crystal holders and at each end of the table were arrangements of white gladioli.

Leave For Cuba

Captain and Mrs. Robinson left after the reception for Jacksonville, Fla., and a honeymoon in Cuba. The bride wore for traveling a suit of palmimo gabardine with blue blouse and hat and palmimo accessories. Her corsage was a white orchid.

Mrs. Robinson was born and reared in Crisp and was graduate of the Ennis High School. She received her degree from Texas Technological College, Lubbock and was a member of the Post school faculty for a few years before accepting a position with the Civil Aeronautics Administration in Fort Worth. She was a member of the Alpha Psi Omega and Alpha Chi sororities.

The bride-groom was born and reared in Post and is a graduate of the Post High school. He attended Texas Tech and is a graduate of the Naval Aeronautical School at Lakehurst, N. J. He entered the service in August 1942, and spent 15 months in the Pacific. Remember the Sabbath day to keep it holy. Six days shall thou labor and do all thy work; but the seventh day is the Sabbath of the Lord thy God; in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy man-servant, nor thy maid-servant, nor thy cattle, nor thy stranger that is within thy gates. Ex. 20:8-10.

Sentence Prayer:
Our Heavenly Father, we thank Thee for the privilege of prayer; may we wait patiently before Thee with humble hearts.

Mrs. B. M. Robinson attended a concert in Midland Thursday night of the famous "Old-Fashioned Revival Hour Quartette" and the Hardin-Simmons University A Capella Choir. The pianist with this quartette is recognized as one of the world's greatest musicians and his numbers were enjoyed, as well as the choir and quartette numbers.

The Presbyterian Missionary Society met May 12 in the home of Mrs. Ben Williams with 10 members present. The topic of study was Stewardship and Mrs. D. C. Williams was leader. Mrs. David Templeton read the first chapter of the creed. She will continue to read one chapter at each meeting. A Rehabilitation Program is being started in the church and each family is asked to contribute one pound of food for a box to be sent to Germany.

Mrs. John B. Slaughter, honorary mother of the Victory Sunday School class at the Methodist church, presented this class with a gift of money last week, for which the members are grateful. At various times, Mrs. Slaughter has given the class many gifts including a piano, an altar and others.

Both circles of the W.M.U. met at the First Baptist Church Monday afternoon for a Royal Service Program with Mrs. Dove Mayfield as leader. Several ladies were present.

A beautiful chalk drawing of the Madonna was made by Mrs. Frank Eaton at the First Presbyterian church Sunday morning. This "chalk talk" was given while appropriate music was played.

Mrs. L. A. Presson is enjoying a well deserved leave of absence as choir director at the Methodist church. Mrs. Hazel House is taking her place.

The First Christian church reported an excellent attendance on Mother's Day.

A youth choir presented the musical program at the Methodist church Sunday night and the Young People's conference director from Canyon had charge of the evening service.

Dr. and Mrs. David Templeton are in Walters, Oklahoma, where they are attending graduation week activities of the Walters High school. Their son, David, graduates there this week. It is understood he will return to Post with his parents.

The Abilene District of the Church of the Nazarene met in a zone rally at Lamesa Monday, May 12. The District Superintendent, the Rev. W. B. Walker, presided over the meeting. Services began at 2:30 and 7:45 with a basket supper being served between services. The churches in this zone are Lamesa, Post, O'Donnell, Big Springs, Tahoka, Snyder, Brownfield, Seagraves, and Denver City. Post delegates who attended the meeting were Mesdames H. J. Dietrich, W. B. Sanders, and W. T. Cook, and Cecil Lynn and the Rev. Joe S. Norton.

Dr. Millard A. Jenkins, 74, president of the executive board of the Texas Baptist general convention, has announced his intention of retiring as pastor of Abilene's First Baptist church, a position he will have held 32 years on Nov. 16.

According to the Gallop poll eight out of every ten persons who say the belong to a church manage to get to that church at least once every year.

Juanita Odom And R. R. Dean Exchange Vows

Miss Juanita Odom and Ralph R. Dean were united in marriage Sunday in Tahoka at the home of D. P. Server, justice of the peace. The bride is a daughter of Mr. and Mrs. Lyda Odom of Post. Her husband, a son of Mrs. Bettie Justice, has been employed by the State Highway Department since his discharge from the army. Mr. and Mrs. Dean are at home here.

Morrow Family Has Reunion In Mother's Home

All of the children and four grandchildren of Mrs. S. A. Morrow, wife of the late S. A. Morrow of Post, spent the Mother's Day weekend at her home in Fort Worth.

The celebration opened in Post May 7 when the birthday of Mrs. Morrow's only son, Charles, was observed with a family gathering. His sisters and their families attending included Mrs. W. E. Dent and husband of Post, Mrs. Ethel D. Everett of Brownsville, Mrs. Lillian Wilkes Brass of Socorro, N. M., and Mrs. Ira Elkins and family of Seminole.

Saturday night in Fort Worth, the above group was entertained by another sister of Mr. Morrow, Mrs. Ina Connell, who was hostess for a backyard supper at the Morrow home.

Mrs. Morrow, who is 80 years of age, was especially honored Sunday at a luncheon attended by her children: Charles Morrow, Mrs. Dent, Mrs. Everett, Mrs. Brass, Mrs. Connell, Mrs. Elkins, and Mrs. Homer Huey and Mrs. Ann Griffin of Fort Worth, and the grandchildren, Walter Connell, Jr., and wife of Fort Worth, Miss Flo Wilkes of Fort Worth, Ira Elkins, Jr., of Seminole and Billy Sam Huey of Fort Worth.

During the weekend, the birthdays of Mrs. Dent and Mrs. Elkins were observed. The climax of the visit was a picnic Monday night in Forest Park, Fort Worth.

V. F. W. AUXILIARY MET THURSDAY FOR BUSINESS-SOCIAL HOUR

Mrs. Ruby Davies was hostess last Thursday evening to members of the Women's Auxiliary of the John Miller Veterans of Foreign Wars post No. 6797.

Boquets of beautiful red roses graced tables throughout the entertaining room of the Davies' home.

A business session was held with Mrs. John Rogers, president, presiding. Routine matters were discussed and plans were set in motion for participation in the Poppy Sale to be conducted on May 24. Help was pledged to a needy family, after which the chaplain closed the session.

During the social hour which followed, the hostess served ice cream and cake to the following members: Mesdames Mae Hundley, Ada Mae Tucker, Rogers, Josie Hester, Imogene Jewel, Helen Carter, Jessie Lofton, Agnes Windham, Dorrace Mize, Eva Henderson and Bunny Owens.

Mrs. Hundley and Mrs. Jewel were named delegates to the district convention of the V.F.W. Auxiliary to be held in Lubbock Saturday and Sunday, May 17-18.

Gossip About Garza Guys And Gals —by gay nellie

Engagement rings seem to be the style these days and we see that Jena Barnes and Laquita Brown have joined the fashion parade!

Rex Everett's gift to his mother on her day was a personal visit. He is on leave from a naval base in Corpus Christi and will be here two weeks. Among the other out-of-town kids who were here for the week end were: Frank and Johnny Stokes, Wayne Hundley, Iris Parker, Betty Travis, Betty Ingram, Weldon and David Rogers and Carroll Bowen.

Iris Floyd became a member of the working gals circle. She began work at the bank Saturday. She gets her diploma from PHS Friday night.

Betty Williams met her mother and dad for a couple of nights together when the Williamses were in Dallas last week.

Joe Stokes, with a little help from seven other boys who called themselves the Co. A team, won the annual Freshman horseshoe tournament held last week at A and M College.

Sayra Jo Evans, a former Post resident, was recently chosen Freshman queen at Ranger Junior College. She graduated from High school in '45 and spent the following year traveling. For sometime she was employed in the capitol building in Boise, Idaho. She is the daughter of Mr. and Mrs. Joe Evans of Pecos.

Yours truly received a letter this week with a P. S. like this: "I guess you knew Gene Ashley was on Okinawa. He has a pet monkey."

Lewis Mills was one of three hundred Tech students who were given recognition because of high scholastic records. This special service was held in connection with Parent's Day at the college Tuesday.

Glendon Presson will receive a degree in Business Administration from Texas University June 2.

Now, a word of congratulations to those who "finally made it" out of PHS. I say good luck to you, 'cause you'll need it!

CHERYL BILLINGS GIVEN PARTY ON BIRTHDAY

Happy hours of fun and play were enjoyed on Wednesday afternoon by Cheryl Billings and a group of young friends at the home of her parents, Mr. and Mrs. D. B. Billings. The occasion was Cheryl's third birthday.

The usual games suitable to this age group were played and presents were opened and admired.

A beautiful birthday cake and other refreshments were served at the conclusion of the gay party hours to Cheryl and Carol Billings, Carolyn and Cheryl Moore, Jerry and Billy Clark, Judy Altman, John and Marthana Cearley, Jerilyn Davies, Linda Johnson, Mike Cornell, Carolyn Ann Norton, Sue Evans and Janie Carridine.

Mrs. Billings was assisted by her mother, Mrs. Beanie Sorgree, and her aunt, Mrs. O. D. Cardwell.

Attends Texaco School

Guy Floyd, operator of Floyd's Service Station, attended the Texaco Service School in Lubbock on Tuesday. The school was held by the Texas Company for their employees and dealers.

The Barnum Springs Home Demonstration Club met all day May 8 at the home of Charlene Haynie. Miss Jewell Hipp, Garza County home demonstration agent, gave pressure cooker and frozen food preparation demonstrations. A covered dish lunch was served at noon.

Attending were Pearl McCombs, Juanita Ford, Gladys Pennell, Eunice West, Juanita Lee, Juanita Henderson, Estelle Askins, Maudie Barton and three guests, Lucile Graves, Stella Williams, and Mrs. B. W. Pennell.

The next meeting will be May 22 in the home of Juanita Lee, all day.

JUSTICEBURG CLUB HAS TALK ON FOOD FREEZING

"In preparing fruits for freezing select only sound ripe fruit," Miss Jewell Hipp, county home demonstration agent, told the Justiceburg Home Demonstration Club members when she met with the club May 6, in the home of Mrs. R. A. McLaurin.

"Fruits are prepared as for eating. Keep the fruit cold from the time it is gathered until frozen. The fruit should be washed in cold water. There are ways of preventing discoloration in peaches, apricots, apples and pears.

A sugar syrup is used on apples, apricots, peaches and pears when packaging these fruits, while the dry sugar method is used on berries, cherries, plums and very juicy pineapple."

Miss Hipp also demonstrated preparation of vegetables for freezing.

During the business session, Mrs. McLaurin presided. The trip to the district Texas Home Demonstration Association meeting May 10, was discussed and the president planned to attend.

The group decided to order four dozen pineapple for the club members. The club voted in favor of the Fall Harvest Show and also in favor of the Fall Bazaar and Rummage sale as ways of raising money for the Council fund.

Hostesses for the meeting were Mrs. Lee Reed and Mrs. Bandy Cash who served orange cup cakes and cookies with iced tea.

Others present were Mrs. Geo. Duckworth, Mrs. Betty Cozart, Mrs. Don Robinson, Mrs. Ted Ray, Mrs. Jimmie Tidwell, Mrs. Lee Reed, Mrs. George Evans and Miss Pauline Knox and Miss Hipp.

Mr. and Mrs. Joe Evans of Pecos were visiting Post friends Wednesday. While here Mrs. Evans renewed her subscription to the Dispatch.

Seniors:

wish to take this opportunity to thank the Post merchants and old grads of Post High in wishing you the very best of luck on this eve of commencement day.

Be proud of you, Seniors; and just a little bit envious. Frankly, we doubt if there's a graduate living today who has as much experience at least a year of nostalgia every year of this time. In our congratulations to you, we all mentally re-live your younger, happier days when you were young and stand before life through a pair of colored spectacles. The world was our oyster then... and didn't find a pearl in it. It was up to you as a fair-weather sailor... one you've used to it.

Remember, Seniors; we'll be with you the best of every day. Your commencement day is the beginning of a new way of life for many of you. Your new way of life will be considerably different from the old way of life by a world that will be living daylights out of you. About the only free advice you'll receive from us will be advice... 99 and 100 percent of which isn't worth anything. Follow the lead of the old fogies who try to tell you. If we were as smart as you, we would all be millionaires long ago.

Sincerely,
BANS HUDMAN
If any of you Seniors consider buying an automobile, please come over here at the old service station. (Just can't help being a little envious, can we?)

GETTING OUT

On The LIMB

By

EDDIE the EDITOR

Ohmigosh, why did I have to pick last week end to take all the Dispatch office force fishing? Little six year old Danny Cockrum expressed a literal truth when he said as the bunch was on the way home from Lake Cisco, "Never in all my life have I seen such a mess of water." For him, I am sure that much water hasn't fallen in his lifetime and it's been many a moon since all the oldsters in the party had been in such a flood.

I've decided the best way to do this fishing business is to engage cabins four weeks in advance, then the day before you are ready to take off cancel the reservations. If you are planning a three day trip, stick around home until the afternoon of the third day, then it will be too late to leave, but by that time you will know whether the weather is to be fair or foul.

If you find that you have "just what the doctor ordered" in the way of weather, you can figure that you should have gone a week earlier because they were striking that week. If on the other hand foul weather shows up you can feel proud that you had more sense than to leave home. If in the mean time some guy shows up with a big catch of bass you can figure him as being a "plain simp" for lugging around a lot of dead fish.

But rain or shine, catch 'em or no catch 'em, I always have a big time when I'm around the teen-agers of the Dispatch force. The five talk of the two seventeen year olds together with the candid opinions and expressions of the thirteen year old amaze and amuse me.

The junior miss of our party, Danell, had a heck of a time—she couldn't get her sun-tan and static interfered with her radio boogie-woogie. The weather was "drooly," simply "stinky"—but all the time she paraded around in a pair of shorts, while I hovered around the fire-place trying to get damp timber to burn. Buddy couldn't locate any new girls, and thirteen year-old Jackie didn't like swimming in ice water all by himself. Neither of the two boys added to my comfort by playing, eating and sleeping in bathing trunks. Just looking at them made me cold.

The little Mrs., with chattering teeth, several times threatened to put on her new peddle-pushers, but a glance at the youngster's bare-legs and wet bathing trunks always seemed to change her notions. She finally contented herself by listening to Gannell chatter about her boy friends—her "passion rations." "With so many boy friends," asked the Mrs., "don't you get them confused?" "Isn't that the general idea?" cracked the young Miss.

The kids kept up a continual chatter on everything in the book and the lively conversations had an exhilarating and warming effect on the party.

Yeah—it was fun just listening and being with the kids. Maybe next time the weather will be "anazy" and simply "devoon" and I can get in my part of the fishing.

THE WOMEN—God love em: A sophisticated woman is just a little girl who has traded her pigtails for cocktails.

I've had to stop so many times this week to explain my skating injury that I'm having to cut my column short.

An orphan colt may be raised on a mixture of 20 oz. of sow's milk and 12 oz. of lime water, fed at the rate of 4 oz. every two hours during the first two weeks of life.

ROGER W. BABSON WRITES THIS WEEK:

Marshall Hinted As Vice Presidential Candidate

Independence, Mo.—This is a typical small western city. Its life depends largely on the farmers living about. They are industrious and honest people in Independence and, the name suggests, they are both democratic and independent.

The townspeople had known Harry Truman as an unsuccessful storekeeper who was more interested in politics than in business. In those days this required faithfulness to the Pendergast Machine. Hence, his Independence friends were not surprised when he was rewarded with petty political jobs. When, however, he was made U. S. Senator by the Pendergast Gang, their respect both for the U. S. Senate and the Pendergast Machine fell pretty far and low.

The government's price cutting campaign, although creating much conversation, is ineffectual. It started too late, and without the proper build-up. Cooperation does not reach into enough categories.

The telephone strike was a farce, leaving labor and management exactly where it used to be and Congress over a barrel. Legislation cannot be expected to solve this problem. People like us must find the answer.

The Moscow Conference, besides not settling anything for sure, leaves Russian-American relations in a more strained condition than ever.

Russian newspapers, influenced by our labor troubles and our free spending abroad, are openly predicting an economic collapse in the United States. Then, indications are, the Russians expect to move in.

The delay in writing and putting into effect peace treaties to officially end World War II is costing Garza County and the rest of the United States heavily. The cost of our armies of occupation, plus the cost of largess in food and other relief for countries not able to feed their population, plus the maintenance of larger military and naval forces than we would have in a peaceful world, is costing us something like \$5,000,000,000 a year or even more.

With technical questions holding up the progress of peace considered in the light of their true worth, it is still natural to wonder whether or not the Russians are biding their time, waiting for us to weary of our burden and to crumble under the weight of communist-inspired disunity.

Not able to solve her own food problems (without delving into the reserves set aside for her South American satellites), Russia is not helping relieve hunger in Europe. England's ability to help feed Europe is decreasing. France will soon join our Greece-Turkey benefit list. How long can the United States carry the burden alone? It is possible the Russians have this all figured out.

Russia knows that one of the main reasons we wound up the UNRRA was that while we paid more than 70 per cent of the bill, we had one-sixteenth of the say about what was done with the supplies. She knows that Congress is worried over finances and is now keeping a closer eye on U. S. expenditures for relief.

It is possible Russia's foreign policy is based on the hope of an economic collapse.

It is more important than ever, that the people of the U. S. understand these facts and cooperate with a program—whether carried out by Republicans or Democrats—to make true allies of

Truman's First Two Years The way President Truman acted in the early part of his term confirmed the pessimistic fears of his townspeople. His appointments, his public statements and his private acts appeared to be those of a small town politician who simply did not know what it was all about. His apparent desire to please everyone, brought him enemies both amongst the New Dealers and the Conservatives. Truman's stock tumbled thick and fast, even though he started out with a friendly press.

Everyone out here agrees that Harry Truman is honest and wants to do what is right. He is modest and doesn't think he has the answers to all the questions. He is willing and anxious to take advice from those whom he trusts. All this means that Truman's future and the country's future, for that matter, depends upon these friends to whom Truman turns for advice. If these men are honest and wise, Truman will make a good president. Today his followers appear to be such.

What Our Contemporaries Are Saying:

CANTEEN PROVES WORTH—One group that is doing much to give Sweetwater favorable publicity and perhaps receiving the least credit for its services is the Youth Canteen.

The youngsters, under the expert tutelage and guidance of Mrs. Al Brandt, have made numerous public appearances and in every case have won the acclaim of their audiences.

So far as we have been able to discover, some of the so-called "evils" that opponents to the canteen decried in the days of its infancy have failed to materialize. It is our honest conviction that we are getting more for our dollar contributed to the Youth Canteen than we are receiving from some of the other donations we have made.—The Nolan County News.

INFLATION BRUNT—The merchants of Liberty, Dayton, Hull-Daisetta and a thousand other "Main Streets" of the United States are bearing the brunt of the mild siege of inflation that is lashing the country.

Consumers are suffering, but they can fairly well gauge their purchases of clothing, food and many semi-necessities to the size of their pocketbooks—if they desire to sacrifice occasional cuts of tender steak and if they forget to "keep up with the Joneses."—The Liberty Vindicator.

WORRYING ABOUT MONEY—If people were asked what subject in daily life gave them the most anxiety, a great many would say they worried more about money than anything else. Questions about their ability to pay bills and meet interest payments, or about the rising cost of living, are in the minds of millions.

Perhaps the best cure for money worries is to get the habit of living within one's income, if that is possible. When people become skillful and intelligent in their occupation, they are able to give superior service, and this increases their chances of having a dependable income.

It usually takes self-denial for people to live within their incomes. But if they can manage to keep ahead of their expenses, they have a sense of security that gives them a free mind and a sense of power.—Scurry County Times.

Of the 7 pounds of cheese consumed by the average American in 1946, 4.8 pounds were American cheddar.

Our job is to keep united, keep informed as to world trends, anticipate the problems and be prepared. All this will cost us plenty, here in Garza County.

West Texans will be interested in the annual appropriations bill for the Department of Agriculture which goes to the House of Representatives Monday. There will be a storm of protest, but our Congressman Mahon will be on the side of those trying to prevent unwarranted reductions in certain agricultural programs, including Soil Conservation, AAA, research, Farmers Home Administration—all of which are slashed in the bill—and REA, which the bill expands rather than slashes. The final vote on these items will be taken Friday of next week.

We earnestly hope that the same degree of success that has marked your days in the classroom will carry on into whatever you have planned for the future, whether you continue with your schooling or follow some other pursuit.

as much of the world as possible. For this program, an efficiently operated United States Information Service (or its equivalent under OIC or some other name) is essential.

Such accepted allies as Greece, France and England don't really know us. They like us for our money and potential protective power. We should get acquainted with them and cultivate their friendship on the basis of intrinsic worth and understanding—the values that insure peace.

Thanks to the communists, we have a bad reputation. It seems to me that our duty is to show the rest of the world that we're like some of our next door neighbors here in rapidly growing Post—not such a bad lot once they get to know us.

The prospect for the future is good, however. The U. S. is fortunate in having a Secretary of State who understands the problems and who has the necessary following among people like us to back him up.

President Truman and his Republicans are trying to prevent a bad recession. They will not succeed entirely, but the government economists seem to be making headway toward easing the blow, and frustrating an economic collapse.

Some of our schools, such as Leland Stanford University, are putting international diplomacy in their curricula. It took two world wars to convince us of this need.

The U. S. Chamber of Commerce and government forces are getting somewhere with their campaign to wake the U. S. public up to the communist threat. Once this program takes full effect, our labor-management troubles will be lessened. Our reconversion can proceed on a more normal basis—the American Way.

Another war will come, of

New Annual Is Of Prewar Type In Typography

Since Monday morning, Post High School students have been observed about town in small huddles, autographing each other's annual, the '47 Caprock.

Published by the Steck Company of Austin, the annual is bound in bronze and gold imitation leather and embossed with a western flower design. It is printed on a pebbled offset paper of prewar quality.

Most of the art work and the original ideas for the layout pages were provided by Lavenia Carpenter, the art editor. Other members of the Caprock staff were Alma Outlaw, editor; Rufus Gerner, business manager and Mrs. Ray N. Smith, sponsor. All the drawings not made by Lavenia were made by Bud Short.

Bud's drawings were used mainly as title pages, the first being a Caprock road scene which seems to take the Seniors into a distant unknown future. Title pages introducing the various class sections show an Alpine climber pulling himself up a steep mountainside by a rope, beginning with the eighth grader who has one foot on the ground, showing progress through the various classes and depicting the Senior sitting on top of the mountain with a mortar board on his head and his feathered alpine hat hurtling down into the canyon.

In the section labeled "Stars," full and half-page pictures present Betty Kennedy as the most popular girl; Shorty Hester as the most popular boy; Roy Williams and Alma Outlaw as the Senior favorites; Lorraine Baker and Van Brookshire as the Junior favorites; Jane Wylie and Carter White as the Sophomore favorites; Verna Dell Long and Jimmy Smith as the Freshmen favorites; Bobby Chandler as the Halloween Queen; Jane Ann Turner as the Football Queen, and Lavenia Carpenter and Edwin Perkins in a section labeled "Who's Who."

Sections devoted to sports and other extra-curricular activities generously illustrated with pictures and clever drawings by Lavenia.

W. R. Wardlow of San Benito has returned to his home after a week's visit here with his son, T. J. Wardlow.

Junior Malouf was celebrating the closing of school by wearing a bright red, artificial carnation this week. "It's unwiltable," he explained to persons who noticed it.

Harry Close of New York City left for the East yesterday after spending a week here and in Lubbock on business for the Post Estate.

Mrs. Blanche Daiby of Fort Worth, daughter of Mr. and Mrs. Giles Connell, spent the Mother's Day week-end in San Antonio visiting her son, Giles, a student of Peacock Military Academy. As soon as school is out, Giles will fly to Costa Rica to visit in the home of a schoolmate, Rene Picardo, son of the President of the country. He expects to leave about May 30, Mrs. Connell said this week.

Jesse Curb and family of Canyon visited his father and mother, Mr. and Mrs. J. T. Curb, Sunday.

Tom O. Miller and wife of Carlsbad, N. M., spent the week-end in Post visiting their parents, Mrs. Texas Miller and Mr. and Mrs. J. T. Curb.

Recent visitors in the Ray N. Smith home were Mr. and Mrs. Garland Cannon of Petersburg, Mr. and Mrs. Bill Uhlman and Roy Smith of Lubbock.

Mrs. Louis Arnold, the former Martha Faye Thomas, left last Thursday for her home in Texarkana after visiting two weeks in the home of her father, E. A. Thomas, and wife of Grassland. She came to Garza County with the Thomases who had been visiting in Dallas and had brought Louis' parents, Mr. and Mrs. Hayden Arnold of Kaufman to Texarkana for a visit. Mrs. Thomas and her mother, Mrs. W. J. Fox, accompanied Martha Faye back to Dallas last week. Louis was to meet Martha Faye there and take her to Texarkana.

O. D. Cardwell is grooming his three-year-old Palomino for her debut in the Post Stampede and Rodeo parade this season. He brought her to town the other day to show her the sights and get her accustomed to automobiles and people. She hasn't been ridden much, and so he wants to make her first parade as easy for her as possible.

All of the children of Mr. and Mrs. Lee Dodson were home Sunday for Mother's Day. They were R. B. Dodson and family of Post, Weldon Dodson and family of Hobbs, N. M., Mrs. Frank Rogers and family of Lubbock, Mrs. John Rogers and family of Post and Mr. and Mrs. J. W. Pettigrew of San Angelo.

The annual Brown County Reunion will be held Sunday on the north side of Mackenzie Park in Lubbock, Mrs. Ora Ellis of Plainview has announced. A basket lunch will be served at 1 o'clock in the afternoon.

Mr. and Mrs. L. G. Crump of Oxnard, Calif., and Mrs. Crump's sister, Mrs. R. D. Wright of Artesia, N. M., planned to leave today for their homes after visiting a week in the home of Mr. and Mrs. J. S. Scarborough, parents of Mrs. Crump and Mrs. Wright.

The United States Marine Corps has announced that Capt. E. J. Robinson, son of Mrs. Ida Robinson, has received the gold wings of a naval aviator at the Naval Air Training Base at Pensacola, Fla.

Bill Whitehead and Baxter (Pop) Bardwell visited friends in Post Monday en route to Fort Worth after spending Mother's Day in Lubbock with their respective parents, Mr. and Mrs. Dan Whitehead and Mr. and Mrs. S. B. Bardwell.

Mrs. K. Stoker makes a top hand when it comes to keeping tabs on weights of cattle being shipped out from the Stoker ranch. Recently all the Stokers and Kirkpatrick were up bright and early to get things in order for shipping out 800 head to a buyer near Amarillo. Neighboring ranchmen and cowboys assisted in the job. "Lottie" was on hand, checking with an adding machine. She has been doing this work for a good many years and enjoys it immensely.

Sunday was a doubly significant day for the A. C. Surmans, Della Justice and their children. Not only were Mrs. Surman and Mrs. Justice given devoted attention on Mother's Day in the Doyle Justice home in Lubbock but a christening service was held for their younger granddaughter, Paula. The service was held in the First Presbyterian Church in Lubbock with Dr. Jack M. Lewis officiating.

Overheard in the postoffice, while mail was being assorted:

One voice: "Reckon this is for Nellie or Lillie?"

Another voice: "What does it say?"

First voice: "It's just addressed to Mrs. Babb."

Second voice: "Where's it from?"

First voice: "Winters."

Second voice: "It must be for Lillie then; because I don't think Nellie has any kinfolds down there."

Limitless opportunities are ahead of you, boy and girl graduates; in fact, the sky is the limit these days. So, keep looking up, and pushing ever forward!

We cannot tell you in so many words how proud we are of your accomplishment and how earnestly we hope for your continued success.

From where I sit... by Joe Marsh

Industry Looks at Our Town

Maybe you read how a group of industrial experts have decided that the small town is the place for industry—not big cities. Reasons they give are better housing, pleasanter living, and more opportunity for wholesome recreation.

Well, looking around our town I'd say that was about right. Most of us own our homes, and keep them looking nice; we enjoy each other's company; and our recreations are mostly simple outdoor sports, and in the evening a mellow glass of beer with pleasant company.

As Doc Walters says, that sort of life just naturally sets you up for work the next day... whether it's in office, mill, or field. And Doc should know. He works fourteen hours, but never misses his morning "constitutional" or his evening glass of beer with friends.

From where I sit, any industry could profit from being in a town where wholesome living, temperance, and friendship are the rule.

History repeats itself again this spring. Once again our boy and girl graduates face the future with light hearts and clear vision.

This is, in a sense, a historic occasion... one that we look forward to every year, one that inspires everybody in the community and that leaves us all with a feeling of pride.

Congratulations
boys and girls, and our very best wishes for a bright and happy future

(Continued From Front Page) was not permitted to go to school there until I was six; therefore I had to start over again. I attended school at Levelland two years, then we moved back to Lynn County and I enrolled at New Lynn School. There I finished grade school and half my freshman year in high school. The rest of my freshman year and my sophomore year I spent at Post High School. I quit school at the beginning of my junior year and didn't go back for the rest of that term or the next. I started to school again last year and have enjoyed school immensely since then. After I receive my diploma, I will probably attend college for awhile. After that, I expect to get a ranch somewhere and enter the cattle raising business. One of my greatest pleasures is derived from helping with young people's work in church and I expect to make that work a definite part of my life. Betty Kennedy

ed down to my parents, Mr. and Mrs. L. P. Kennedy, Jr., and left a tiny package tied in pink and blue ribbon, C.O.D. (they didn't pay the price then, but it is costing them now). I was raised under my mother's careful guidance and neighbors' advice until I was six, then my mother put me under the care of my first grade teacher, Mrs. Bullard. I was just learning to catch a baseball when we moved to the country, at Verbena. I attended all of my high school days at PHS and finally am to be graduated this year. What a load off mother's mind! Highlights of my life include receiving my first basketball jacket when I was a sophomore and winning the contest for the most popular girl in school this year. My latest surprise and blessing, I might say, was winning a trip to Ridgecrest in a young people's contest in my church. When fall is here again, I plan to continue my education at Hardin-Simmons University in Abilene—and, who knows, maybe someday I will get married. It was on a sunny day in 1930, about June 25, that the stork sail-
