ALL GRADES CELEBRATE TOMORROW

# Last Of School Activities Are Scheduled

It's all practically over but the shouting—and the exams. School days for the 1946-47 year are numbered, and the students in all grades will celebrate tomorrow by having either a half or whole holiday.

The occasion being Senior Day, some 40 senior students, chaperoned by Mr. and Mrs. Bing Birmingham, Mrs. N. C. Outlaw, Mrs. L. P. Kennedy, Jr., Mrs. A. B. Casey and Mr. and Mrs. H. T. Carr, will leave bright and early for a weekend in Ruidoso, N. M., via Bill Pendley Motor Lines of Lubbock. The class will return Sunday afternoon.

The four other high school classes are having picnics tomorrow. The Juniors will go to Mackenzie Park in Lubbock; the Sophomores to the Sam West Ranch; the Freshmen to the canyon area near the second bridge on the Tahoka highway, and the Eighth Graders will picnic at the school gymnasium.

**To Ride Train**  
Besides what's in store for the lucky Seniors, the biggest thrill of the day will come tomorrow to the Seventh Graders, many of whom have never ridden on a train

The students will go to Lubbock on the train and be met at the station there by their mothers, who will take them in automobiles to Mackenzie State Park for a picnic.

The remainder of the grades will have school until noon tomorrow, have lunch at the school and an afternoon devoted to play.

Seniors will take their examinations May 8 and 9, and other high school classes will have exams Tuesday and Wednesday, May 13 and 14.

The baccalaureate sermon is scheduled for 8 p. m. the night

of May 11, in the high school auditorium. The Rev. Huron A. Polnac, pastor of the First Baptist Church, will be the speaker.

### Graduations Scheduled

There will be no school May 15, as all teachers will be working on reports. The students, however, will come to school at the regular time Friday, May 16, to receive their report cards and be dismissed for the summer. School buses will not run May 15, but will be in service May 16, Supt. G. R. Day said this week.

Eighth Grade graduation services will be held at 8 o'clock

Thursday night, May 15, in the high school auditorium. S. D. Strasner, high school principal, will deliver the address. There are approximately 60 students in the class, Superintendent Day said.

The high school commencement program is scheduled for the following night, May 16, at 8 o'clock in the high school auditorium. Awards will be presented to honor students of all grades, scholarships will be presented, the senior class program will be presented and graduating students will receive diplomas.

# The Post Dispatch

VOLUME XXI POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, MAY 1, 1947 "THE GATEWAY TO THE PLAINS" NUMBER 20

### EDUCATIONAL PROGRAM PLANNED

## Polio Awareness Drive To Get Underway Here

May 8-24 has been designated as infantile Paralysis Awareness Week in Garza County, said Mrs. Willard Kirkpatrick, chairman of the women's division of the Garza County Chapter of the National Foundation for Infantile Paralysis.

The specially designated weeks will be observed by an educational program which will first be presented to the members of the Post Elementary-High Parent-Teacher Association at its meeting next Thursday afternoon.

Mrs. Kirkpatrick's committee will then supply all of the schools in the county with infantile paralysis educational material which the children can take to their parents. The materials also will be distributed in the two local federated women's clubs, the local service clubs and the home demonstration clubs of the county.

On the last day of the designated period, May 24, the subject will be discussed at the county-wide training schools which the

(Turn to Back Page, Col. 2)

## Boy Scouts and Cubs To Enjoy Supper, Games

An annual program for the two Boy Scout troops sponsored by the Lions and Rotary Clubs and the Cub Scout Pack sponsored by the Post Chamber of Commerce will be given Tuesday evening, beginning with a ball game between the scouts and the cubs at 5:30 o'clock on the high school playground.

At 7 o'clock, the boys and members of their sponsoring organizations will meet at the American Legion Hall for supper and a special program.

The committee on games and entertainment includes Robert Cox, Homer McCrary and J. E. Parker. The food committee includes Ira Greenfield, Paul Jones and Oscar Chapman.

### STORE PERSONNEL IS ASKED TO COOPERATE IN PARKING PROBLEM

So that prospective shoppers can have a chance to park in front of the stores, the City Commission is urging all store owners and employees to park their own cars either behind the stores or on side streets, Mayor John Herd announced this morning.

With the many automobiles belonging to store owners and employees standing all day in the Main Street parking spaces, customers are greatly inconvenienced when trying to shop. Many of them have submitted this plan to the City Commission as being urgent on the list of city improvements, the mayor said.

## Brownfield Man Is Legion Head

In the annual spring convention of the 19th Texas district of the American Legion, which embraces Post, held at Snyder last Sunday, Bruce Zorns, commander of the Howard-Henson Legion post in Brownfield, was elected district commander.

Zorns, vice-president of the Brownfield State bank, succeeds A. C. Jackson of Lubbock as commander. T. H. Thigpen of Big Spring was named vice commander.

The convention was attended by more than 200 Legionnaires.

### CALLING MEETING

Mrs. Willard Kirkpatrick president, is calling a meeting of the executive board of the Post-Elementary-High Parent-Teacher Association at 3 o'clock next Thursday afternoon at the high school building.

## MORE ANIMALS THAN CATTLE BENEFIT— Government Tank Building Program Shows Results Over County

By EVELYN BOYD  
Dispatch Writer-Photographer

The elk and the buffalo roaming Al Bird's range in the Verbeno Community—the deer in the Slaughter's U Lazy S pastures—and the antelope on the Double U property, along with the more orthodox livestock of the county, are sharing the benefits of the U. S. government tank building program.

About 300 livestock watering tanks have been built in Garza County, with the help of government financing, since the program was inaugurated here in 1938, according to records in the local Production and Marketing Administration office.

One of the largest tanks built so far in 1947 recently has been completed on the Bird ranch, where several smaller tanks have been built in years past. The new tank has a dam which is more than 30 feet high and has dimensions of 9541 cubic yards. It will hold water approximately 40 feet deep. Mike Custer of the local PMA

office estimates.

### Cross-H Has Largest

The largest tank in the county, with post-shrinkage dimensions of 12,456 cubic yards, was built some time ago on Giles Connell's Cross-H Ranch. The next largest tank, 10,817 cubic yards after shrinkage, was completed in January last year on the Slaughter U Lazy S Ranch. This tank is now nearly full of water and, according to J. W. Satterwhite, foreman, "it looks like it hasn't lost a drop of water."

The Double U Company has built a number of the government tanks, one of them near Two Draw Lake, having dimensions of approximately 8,000 cubic yards. The average tank is 5,000 yards.

Only a few tanks were built in the county before 1940, and in 1941 only 19 tanks were built. Although the program was slowed up noticeably in the early years of the war, a few more than 19 tanks were built in 1942. By 1944, the advantages of the program had become obvious and 137 tanks were built that year in the county.

## Rodeo Plant Is Being Completed This Week End

Post's new rodeo plant, on highway No. 84 north of the city, is being completed this week, according to Embury Williams, Post Stampede and Rodeo manager who has devoted the past month to supervising the construction of corrals, fences, grandstand, etc.

Lighting is being installed and other final touches are being put on and the entire construction will be completed by the weekend, Williams said.

The new plant will be inaugurated May 18 with a matched calf roping contest between Sonny Edwards of Big Spring and Latham Riley of Snyder, beginning at 2 o'clock in the afternoon.

## Bendix Clinic To Be Held At Mason's Friday

Everyone who owns Bendix washing and ironing equipment or who wishes to own such equipment is invited to the Bendix Washing and Ironing Clinic which will be held at 3 o'clock tomorrow afternoon at the Mason & Company store.

Miss Sue Herndon of Abilene, factory trained Bendix home specialist, will conduct the clinic. Coffee and doughnuts will be served to the guests. The specialist will be in the store all day tomorrow.

### SCHOOL BAND DIRECTOR VOTED FOR NEXT YEAR

Music will return to the Post public schools next year.

The Post Independent School Board voted, at its last meeting, to elect a band director for the 1947-48 school term.

The director will be elected at a later date, Supt. G. R. Day said yesterday.

### CEMETERY BOARD URGES PAYMENTS FROM LOT OWNERS

Terrace Cemetery Company, which is beginning its spring work this month, has announced that dues for the upkeep of cemetery lots should be turned in to the company as soon as possible.

Explaining the difficulties of carrying on the work in the face of unpaid dues, the president, T. R. Greenfield, says: "Our cemetery, the last resting place of our friends and loved ones, should be a place of beauty, a place in which all of us are interested."

"Your directors did not accomplish as much as they wanted to last year, but they did all that was possible with the limited amount of dues collected.

"If you desire that we care for your lot, please turn in your annual dues if you have not already done so.

"We will appreciate your full cooperation this season and we, your directors, will be able to do a better job in keeping Terrace Cemetery beautiful."

## Water Pressure To Be Improved With New Pump

A. R. Carr, manager, has announced that the Community Public Service Company has received the purchase order on a new booster pump which, when installed, will work from pressure control at the reservoir.

The pump was ordered after the recent project of cleaning the water pipes failed to increase the water pressure more than 14 lb. The new pump, which can be controlled to pump as many gallons as needed per minute, should eliminate the pressure troubles, Carr said.

The booster pump should arrive this week and it will be installed and in operation by June 1, if all necessary parts and fittings are available.

## Another Era Is Gone With Sale Of Baker Store

After many years of faithful service to their many customers, Roy and Voda Baker have sold the Southside Grocery and Market and are beginning a long, well-earned vacation today. The store has been sold to Mrs. M. E. Kennedy and her son-in-law, H. A. (Red) Karpe, who will assume management tomorrow.

Voda has been in the grocery business on the Southside store site since 1919, when she worked for her father, the late T. A. Edmondson, owner of the Edmondson Grocery. After the death of her father, on August 8, 1936, she operated the store with the assistance of B. T. Patterson until she and Roy consolidated the Edmondson store with Roy's competing Southside Grocery, across the street, in April 1939.

Roy and Voda were married April 20, 1926. After the consolidation of their stores, they remodeled and enlarged the original Edmondson building several times. It is now three times as large as the original store. They consistently added to their stock and services new types of merchandise and fancy groceries, as they appeared on the market, making their business one of the most modern of its kind. They have specialized in frozen foods.

Mr. Karpe was associated in the (Turn to Back Page, Col. 3)

## Petit Jurors Are Called To Court

County Clerk Ray N. Smith has announced that the following petit jurors, from which a county jury will be selected, should report to the court house at 10 a. m. Monday:

Ted Shults, C. D. Rogers, A. M. Lucas, D. N. Mayfield, Homer Robinett, Paul J. Jones, A. T. McCampbell, Paul Moore, Will Wright, Shelley E. Camp, Homer McCrary, Quannah Maxey, O. G. Roderick, Isaac Brown, A. O. McDougle, Lester Keeton, A. A. Meeks and Elmer L. Hitt.

## Traffic Law Violators Are Being Fined

### COUNTY AND HIGHWAY OFFICERS COOPERATE

Garza County officials last Friday night joined the State Highway patrolmen of this area in a concentrated campaign to improve traffic conditions.

By Wednesday they had collected fines for 13 offenses and had no plans for easing up their vigilance in the near future.

Two men, charged with drunk-driving, entered pleas of guilt in county court and paid fines of \$50 each and had their drivers' licenses suspended for six months.

Offenses for which fines were collected included running a red light, speeding, lack of drivers' licenses, lack of Texas commercial operators' licenses, throwing a bottle on the highway and lack of trailer licenses, Deputy Sheriff Fay Claborne said.

Sheriff Nathan Mears and Claborne also recovered two saddles here last week that had been stolen in Fort Worth. The saddles were brought here by a man who came from Fort Worth to visit an uncle.

## Post Officials To Attend WTCC Committee Meet

Mayor John Herd and Sherrill Boyd, Post Chamber of Commerce secretary, will go to Sweetwater tomorrow to attend the third of a series of conferences by West Texas development committees set up by the West Texas Chamber of Commerce to work with rail lines serving the area in probing and nationally advertising its industrial assets and opportunities. Officials of the Santa Fe system will meet with the committees.

E. L. Buelow of San Angelo, as chairman of the West Texas-Santa Fe conference, has summoned 116 members of the group to the meeting, which will be held at the Bluebonnet Hotel. All committees are composed of WTCC directors and local chamber of commerce managers in towns affiliated along the various lines. Mayor Herd is a director in the WTCC.

The discussion is expected to center on the vast production of agricultural and other raw materials in the 55 counties served by the Santa Fe that can be turned to account industrially. Also to be taken up will be a proposal for comprehensive industrialization surveys to be made jointly by the railroad, chambers of commerce in the towns it serves, and the regional chamber.

The Sweetwater Board of City Development will be host.

### L. L. GOLLEHON DIES FROM HEART ILLNESS IN WHITTIER, CALIF.

Word has been received here of the death of a former resident, L. L. Gollehon, who died the night of April 19 at Murphy Memorial Hospital in Whittier, Calif.

Death came within two hours after he had been stricken with a severe heart attack at his home in Whittier.

Funeral services were held the afternoon of April 22 at the White-Emerson Funeral Home in Whittier, with the Rev. Kenneth Carlson officiating. Mrs. William Binkley of that city sang "Does Jesus Care" and "The Christian's Goodnight." Among the beautiful floral offerings were bouquets and sprays from friends and relatives in Garza County.

Pallbearers were Milton and Gilbert Gollehon, Clyde, R. E. and Warner Tankersley and Roy McCoy, cousins of Mr. Gollehon, all of the Los Angeles area.

Interment was in Rose Hill Memorial Park, near Whittier.

Mr. Gollehon is survived by his parents, Mr. and Mrs. L. W. C. Gollehon; a brother, Bobbie, and a sister, Mrs. Roy Reed, all of Rivera, Calif., and a sister, Mrs. Joe B. Godwin, of Beaumont, Calif.

The L. W. C. Gollehon moved from Post to California about two years ago.

### District Lions Meeting

Elmer Long, a district zone leader, tentatively is planning to attend a district Lions Club meeting in El Paso May 4, 5, and 6.

Elk wading in tank water on Al Bird's ranch says "thank you" to Mrs. Wynona Gossett, an employee of the Garza County PMA office

Dr. and Mrs. B. E. Young have been attending a state dental convention in San Antonio this week. They planned to return home tonight.

Duke Travis, head man of the Bryant-Link Company in Post, attended a meeting of all Bryant-Link officials in Stamford on Monday.

Mrs. Emma Dunlap of Slaton is visiting in the home of her daughter, Mrs. George Tillman.

Mrs. H. H. Foster spent last week with her daughter and family in Lubbock and returned to Post Monday afternoon.

Mrs. George Tillman and Mrs. Johnie Mickey were Lubbock visitors Saturday.

L. A. Frenson, Tol Thomas and Albert Thomas are fishermen who, no doubt, will be telling "tall tales" about the "fish that got away," when they return home from Possum Kingdom Dam on Saturday. They left Saturday to enjoy a week's outing at this favorite fishing place.

Paul Duren Jr., telephone employee, has been in Tahoka the past two weeks going some repair work for the Company.

Bits Of News

PICKED UP ALONG THE NEWS PATH

Cloyd Curb, who for a number of years has operated cafes in Post, is reported to be opening a new place on South Broadway at the Perry tourist camp.

Mr. and Mrs. George Barker plan to leave about May 5 for a vacation in Saint Jo, Mo.

John Sutter and family who have been away from Post for some time moved back this week. Sutter is employed at the Postex Cotton Mills and will also do furniture repair work for the Lanotte Furniture store, after mill working hours.

Anita Stone, daughter of Mr. Mrs. G. M. Stone of Close City, visited the Southland School Monday and was accompanied home by a Southland friend, Sherry Taylor, who spent the night at the Stone home.

Mr. and Mrs. James Minor and Lewis Nance will leave Sunday for Fort Worth to attend a district Rotary meeting through Tuesday. James and Lewis are the president-elect and vice president-elect of the local club.

Stanley Brannon, who has been serving as West Texas district sales representative for the Duncan Coffee Company, has been transferred to the Northern New Mexico and Lower Colorado District. He visited in Post Tuesday en route to Albuquerque.

Mrs. Tol Thomas returned Monday from Amarillo where she visited with her son, Jimmy, and his family. Cute little granddaughter Deadra was the center of attraction for Mrs. Thomas during her visit.

Mrs. Elmer Hill, of Waco, the former Geno Foreman, who is here visiting her aunts, Mrs. Gladys Hyde, Miss Nora Stevens and her uncle, P. E. Stevens, and family spent the week end with Mr. and Mrs. Caffey of Lubbock. She returned to Post Monday with Mr. Stevens who took his daughter, Betty Jo, back to Tech. Mrs. Hill spent the first of the week in the P. E. Stevens home assisting her aunt in completing arrangements for a party held on Tuesday afternoon.

Mrs. Mary Bell Bagley who has been visiting her parents has returned to her home in San Bernardino, Calif.

Something new in mixing bowls is coming up for the housewife. Miss Jewell Hipp, county home demonstration agent, says that mixing bowls with finger grips and spouts for pouring dough are being manufactured and are due to appear on the retail market soon. The agent says the newly designed bowl promises to reduce the difficulty of holding a regular mixing bowl when stirring a mixture, and the small spout makes pouring convenient.

Gene Giles, son of Mr. and Mrs. H. F. Giles, has taken a job with an oil company in Eldorado. His wife, the former Pat Jones, will join him in Eldorado as soon as living quarters can be found.

D. M. McElroy has returned home from a three weeks visit with friends and relatives in Bridgeport.

Mr. and Mrs. Jess Cornell and two children, Mike and Pat, moved back to Post this week. Cornell has been operating a bakery in Roswell for the past year. They are living with Mrs. Cornell's parents, Mr. and Mrs. Lee Davis, until they locate a house or an apartment. Cornell expects to go into business in Post.

Bobbie Mikus of Fort Worth, nephew of Mrs. G. W. Northcutt, is here assisting the Northcuts in the cafe.

The Rev. Claude Rains and family of the Third St. Church of God attended a district convention at Borger last week.

Mr. and Mrs. Leon "Hypo" Walls of Dallas were visiting friends and relatives here over the week end.

Mr. and Mrs. Guy Speck of Carlsbad, N. M., formerly of Post stopped in Post Tuesday en route home from Rochester where they had taken Mrs. Speck's mother, Mrs. A. B. Caruthers, who had been visiting in Carlsbad.

The Specks were bursting with pride over their new grandchildren, Guy Vickers, the five-month-old son of Mr. and Mrs. Cecil Speck of Lamesa, and Donna Wayne, 11-month-old son of Mr. and Mrs. Donald D. (Bud) Speck of Carlsbad.

The Specks planned to spend Tuesday night with their son, John Amzy, on his farm near Lamesa.

They're calling Lewis (Sonny) Nance "Corrigan" since his return from Lorenzo where he spent last Saturday morning judging the ladies' and men's saddle horse and children's horse divisions of the Lorenzo Livestock Show and the afternoon participating in the jackpot and ribbon calf roping contests.

It was a bad afternoon for "Corrigan." He made only a mediocre showing in the jackpot roping, but appeared to be a money winner in the ribbon contest. That is, his roping was in the money class and he had what should have been the good fortune of roping his calf right in front of the judges.

But Sonny couldn't find the judges to whom he had to present the ribbon. Frank Eaton, who accompanied Nance to the show, said "Corrigan" ran all over the arena hunting the judges, cutting his time down to fourth place before he found them.

The city of Austin has certainly undergone a change in 29 years asserted Noah Stone who returned from there Monday night. It was the first time Noah had been in the capital city since he and Ira Lee Ludtworth were stationed there during the first World War.

Stone was accompanied to Austin Friday by Mrs. Stone and Sonny, and Mr. and Mrs. Boone Evans and daughter, Joyce. They visited the Bobby Colliers and the Don Fosters who are in school there.

"It is beautiful in that section of the state and folks in that area are beginning to fuss about too much rain," Noah said.

Mmes. Kenny Cash, M. H. Hutto, and J. A. Bird, were visiting and transacting business in Lubbock on Tuesday.

Mrs. Bruce Robinson of Carlsbad, N. M., the former Miss Mary Ermine Speck, and Miss Hazel Evans of Long Beach, Calif., formerly of Post, visited friends here last Friday.

Mr. and Mrs. Arthur Taylor of Carlsbad, N. M., were week-end visitors here. Mrs. Taylor's mother, Mrs. C. A. Jackson, accompanied them home to spend a day.

**THIRTY-TWO BUILDINGS ACQUIRED FOR COLLEGE**  
 The first of 32 war surplus buildings are expected to arrive next week at Texas Technological College in Lubbock from Camp Berkeley, Abilene, according to the contractor. Moving is expected to be completed in time for use by the college next fall.  
 The temporary structures will cost about 50 per cent to class room space on the campus, college officials have estimated.

**Roadster Ignites**  
 The Post Volunteer Fire Department answered a call Saturday afternoon to extinguish a fire in a Model A Ford roadster in the back yard at the home of Mr. and Mrs. Nolan Clary, on West 11th Street. The roadster caught fire while the Clarys' son, Neal, was trying to repair it. No damage was done, firemen reported.

**Brownfield Has 'Growing Pains' Like This City**  
 John A. Lane, James Minor and Sherrill Boyd, president, vice president and executive secretary respectively of the Post Chamber of Commerce, and their wives attended a banquet given in Brownfield last Thursday night by the Terry County Board of Development.  
 They heard reports of Brownfield's recent voting of bonds to buy its own water facilities, extend the sewer lines and do some paving and of the city's current project to build an eight-story office building to house businesses attracted there by the increasing oil activities in the area.  
 The main speaker at the banquet was Marvin Ulmer, Midland banker who is a past president of the Texas State Bankers Association. Ulmer told of Midland's early "growing pains" and commended the Brownfield Board of Development for keeping Brownfield's facilities on a par with the city's growth.  
 A farmer who was raising a large crop of potatoes sent an order to a Salt Lake City department store for some "atomic stuff" to use on potato bugs.

**Babies Versus Noise Versus No Homes Is Frustratin' Situation**  
 It's frustratin', isn't it? Having National Baby Week, which began April 26, and National Noise Abatement Week all at the same time.  
 What to do? Muzzle the babies? One bright-cracker suggested combining the two special occasions with a National Rent-Your-Apartment-To-Families - With Children-Week.  
 That way the babies would benefit by having homes instead of cramped up quarters in the few places that currently tolerate children and the apartments would be beaming with blissful home life, where children can be taught to become quiet, peaceful, law-abiding adults, the bright-cracker explains.  
 While what is accomplished by National Noise Abatement Week is still somewhat a vague, unsuccessful state, it has been calculated by those who first proposed National Baby Week that 6,000,000 American babies and other millions of slightly older children are better fed now than at any time in the nation's history.  
 This is attributed by National Baby Week proponents largely to the publicity given to proper diets for babies that is circulated throughout the nation during this week.  
 But it's still frustratin'. The better you feed 'em, the healthier they are and the healthier they are, the less they cooperate with National Noise Abatement Week.  
 And this makes it impossible to set landlords to cooperate with Bright-Cracker's proposed Please-Rent-Your-Apartment-To-Families-With-Children-Week.  
 It's a vicious, frustratin' circle, isn't it?

THURSDAY, MAY 4, 1947 THE POST DISPATCH  
 In their soil improvement work, Texas farmers applied 100 times as much lime to their land in 1946 as they did back in 1943.  
 More than 1,000 languages are spoken in the world. But many a man seems to rely mostly on the use of profanity.

**Girls' 4-H Exhibits This Month Add Weight To Agent's Routine**  
 Miss Jewell Hipps' perennially full schedule will be fuller than usual this month, as 4-H Club girls of the various communities in the county will be exhibiting all the articles they have made in club work at their respective schools.  
 The Garza County home demonstration agent has announced her May program, as follows:  
 May 1—Post Home Demonstration Club, American Legion hall.  
 May 2—Post 4-H (4th and 5th grades) 9 a. m.; Post 4-H (6th and 7th grades) 10 a. m., school building. Exhibit all articles made by 4-H girls.  
 May 3—Office.  
 May 5—Crossroads 4-H Club, 1:30; Grassburr 4-H Club, 3; Exhibit 4-H articles made by girls.  
 May 6—Close City 4-H Club, 9; Grham 4-H Club, 10:30; Exhibit all articles made by 4-H club girls, Justiceburg Home Demonstration Club at 2:30 at the school auditorium, demonstration, "Preparation of Fruits and Vegetables for Freezing."  
 May 7—Close City Home Demonstration Club, demonstration, "Preparation of Fruits and Vegetables for Freezing," 2:30 p. m. at the club room.  
 May 8—Barnum Springs Home Demonstration Club, at 10:30, demonstration, "Preparation of Fruits and Vegetables for Freezing," and testing pressure cookers.  
 May 9—Justiceburg 4-H Club, 10:30; Southland 4-H Club, 2:15; exhibit of all articles made by 4-H club girls.  
 May 10—District meeting of the Texas Home Demonstration Association at Levelland.  
 May 13—District meeting of home demonstration agents at Lubbock.  
 May 14—Verbena Home Demonstration club at 2:30, demonstration, "Preparation of Fruits and Vegetables for Freezing."  
 May 15—Crossroads Home Demonstration Committee, meeting at 10:30, demonstration, testing pressure cookers, and "Canning Under Pressure."  
 May 16—Demonstrator visits.  
 May 17—Meeting scheduled for this date postponed to May 24.  
 May 19—Office.  
 May 20—Leadership Training School on "Water Bath Canning" for two home demonstration club leaders, and two 4-H club leaders

**Remodel Old Hats**  
 Members of the Justiceburg Home Demonstration Club met the afternoon of April 15 for an enjoyable time remodeling old hats. Mrs. George Evans and Mrs. George Duckworth were hostesses.  
 It's the way you look at it. Fishing might not be an enjoyable sport if you had to do it all the time for a living.  
 Accidents never forewarn their victims—so the safest thing to do is always carry insurance protection against them. For interesting details see us.

**From where I sit... by Joe Marsh**  
**We Got to the Fish Fry After All**  
 That community fish fry was sure a great success. There were plenty of appetizing extras, and Will Dudley did a right wonderful job of frying the fish—soft and flaky inside—brown and crisp around the edges.  
 But we didn't get to go. The missus was tired after working in the yard, and we just didn't want to leave her.  
 Then how did we know the fish was so good? Because the folks didn't forget us. They sent Skippy Henderson over with two steam-  
 ing covered plates of fish, and a pitcher of cool, sparkling beer. And we finished them off in front of our own fire.  
 From where I sit, that's one of the things that makes our town so nice a place to live in: a spirit of share and share alike. That plate of fish and glass of beer weren't just great eating, they were symbols of the thoughtfulness that makes for better living!  
 Joe Marsh

# VACATION

## Auto Tip...

CHECK UP BEFORE YOU START

If you are one of the many who, for the first time in years, are planning vacation motor trips in pre-war cars — take our advice:

Have us equip your car with a new set of U. S. Royal Tires and Tubes —new Seat Covers and Other Accessories you haven't been able to get for a long time.

Have your car thoroughly checked over, tuned up and adjusted before you leave. Little faults (such as a slipping fan belt, worn brake shoes and countless others) can readily develop into major difficulties before vacation trip is ended.

### Justiceburg News

Please Send News Not Later Than MONDAY to MRS. R. J. KEY Justiceburg Correspondent

The Rev. D. W. Reed conducted the Sunday church service here. A good attendance of forty was reported. Brother Reed was a dinner guest of Mr. and Mrs. George Evans.

Mr. and Mrs. Marvin Dorman of Snyder were week end guests of her parents, Mr. and Mrs. Sam Bevers and son, Junior.

West Hobbs of Carlsbad, N. M., is visiting his sister, Mrs. Etta Clarkston, this week.

Mr. and Mrs. Noble (Blackie) Bennett and family of Rotan spent Sunday visiting here with Mr. and Mrs. George Atkins.

Merlon Gordon was a Slaton visitor Sunday.

Mr. and Mrs. W. T. Parchman spent the week-end with their daughter and family, the L. E. Matthews, of Lamesa.

Mrs. John Blakely and children are visiting relatives in Austin this week.

The Bible Study Class met in the home of Mrs. Cecil Smith Friday with nine members attending.

Mr. and Mrs. George Evans visited in Slaton Saturday and attended the Methodist revival there Saturday night.

Gilbert Gillsboro and Claude Ushery visited relatives in Odessa the first of the week.

Mr. and Mrs. E. C. Pettigrew and daughter, Sophabeth, of Borger, visited last week with his parents, Mr. and Mrs. Claude Pettigrew. The granddaughter will remain here for a months visit.

Mr. and Mrs. Claude Pettigrew visited relatives in Slaton Sunday.

### STRANGE AND BEAUTIFUL BIRD KILLED BY RAYMOND KEY FINALLY IDENTIFIED

Justiceburg community was somewhat astir over the strange bird that was killed by Raymond Key last week.

The bird was white with patches of blue on its head and back. Its bill measured three inches and its wingspread was three feet, nine inches. Growing through the blue thatch on top of its head were three and a half inch white feathers which stood straight up. The bird weighed about one pound.

The body of the beautiful bird was taken to school where a teacher and the pupils studied it with reference to a bird book and finally identified it as a blue heron.

Warm Weather encourages growth of bacteria in milk. Clean milk cooled quickly gives quality.

### Publicity Sent Radio Stations Regarding Post

Garza County will receive statewide and national publicity as a result of some diligence on the part of the Post Chamber of Commerce publicity committee.

Three radio stations, one having a statewide audience, the Texas Quality Network, and the Conoco Tourade Service which has a nationwide following have been provided with information concerning Post and the county.

The Tracy-Locke Company of Dallas, agency for the Light Crust Doughboys, has advised the Post Chamber of Commerce that the Doughboys will give as much publicity as possible to the information sent regarding the May 18 calf roping, the Post Stampede and Rodeo and the Post baseball games.

The program is broadcast daily at 12:30 noon over leading stations of the Texas Quality Network.

The Fort Worth Broadcasting Company station, KKOL, has agreed to publicize Post on its Sunday afternoon program (1 until 2 o'clock) dedicated to pertinent facts about Texas, announcing from time to time special events in this area.

For this program, the publicity committee supplied KKOL with historical and current facts about Post and a list of home baseball games and a calendar of other events.

Station KGNC in Amarillo is planning to institute a series of Sunday morning programs devoted to all communities in its listening area. For this program, the publicity committee provided information similar to that sent to KKOL.

The committee supplied Station KSEL in Lubbock with a calendar of special events, including the local baseball schedule and calf roping and rodeo events. The Lubbock station broadcast the calf roping announcement and described the new Post rodeo plant Sunday.

Historical and current facts that would be of interest to tourists was sent to the Conoco Tourade Headquarters at the request of the Conoco Company. This information will be included in the Tourade Maps which are used by travelers throughout the nation.

### Texan Writes Book

Judge Marvin Jones, chief justice of the U. S. Court of Claims who served as War Food administrator during the war, has written a book, "How Food Saved

### Grassburr News

Please Send News Not Later Than MONDAY to MRS. BASIL PUCKETT Grassburr Correspondent

Some people never want for anything so we have heard, but we believe most of the Grassburr folks want warm weather and rain. James Lee Smith and Eugene Martin are home with honorable army discharges.

A number of people turned out for church services Sunday. The Rev. Walsher of Calgary preached. He will be here again May 4. So all you folks come out and see how you like the preacher and how he likes you!

Jimmy Puckett and Pat Taylor were in a car wreck Friday night and were very lucky as neither were hurt.

Mr. and Mrs. S. W. Elliott of Levelland visited her parents, Mr. and Mrs. J. G. Sievert last week.

Grassburr school is very proud of its new cement porches, also a new merry-go-round.

Mrs. Clarence Nelson and Miss Summerlin were shopping in Lubbock Saturday.

Weldon Young, a brother of Mrs. Clifton York, who has been in ill health since his recent release from the army, is in a hospital.

Mr. and Mrs. Sparlin were called to the bedside of his father Thursday night. Mr. Sparlin has been seriously ill for sometime.

We see Henry Smith driving a good looking car. Guess he bought it to look after his new grandson, as Artie Fay and Kenneth Warshaw are the proud parents of a boy.

A box supper was held at the Grassburr School Friday night with a large crowd attending. Betty Jean Eubank was crowned queen of the evening. She was dressed in white and blue and wore blue flowers in her hair. The proceeds, which amounted to \$78, went to the school lunch room to help pay for a swanky new refrigerator. We have a nice lunch room, of which we are very proud. If there is any doubt about it, ask Mr. Carr who recently did some repair work at the school house and ate at the lunch room each day. Canyon Valley neighbors attending were Mr. and Mrs. Ross Winn, Mr. and Mrs. Pete Pennell, and the parents and niece of Mr. and Mrs. Horace Eubanks.

Lonzie Marlow of Morton, visited the Matlers over the week-end. His family was not able to come with him because of illness.

Mr. and Mrs. Jack Taylor had supper with the Basil Pucketts Saturday night and spent the evening playing 42.

Mrs. Russell Wilks has her grandson, Grant Johns, visiting with her this week. A granddaughter, Linda Kay Wilks, spends a large part of her time with Mrs. Wilks.

Johnnie Matsler was a Sunday visitor of Jimmy and Tommy Puckett and they spent the afternoon playing football and horseback riding.

Mr. and Mrs. W. C. Carradine and Janie of Post visited the Bailey Matslers Sunday afternoon.

Mr. and Mrs. M. P. Smith and Jim visited the Wilks Sunday evening.

We are happy to have new bridges on the Spur and Post roads once more. It has been nearly a year that we have had to dig sand and—at odd times—mud across the rivers.

"American Lives," which is just off the National Capitol Press.

Lightning flashes are estimated to create 100 millions tons of nitrogen compounds on earth every year.

**HIGHWAY PATROLMEN ARE  
KEEPING WORD IN POST**

State highway patrolmen appar-  
ently meant what Patrolman T.  
A. Rowland of Lubbock recently  
told a Post Dispatch reporter  
about clamping down on drivers  
whose licenses, brakes and lights  
are not in order.

A reporter around town last  
weekend counted seven people  
who were stopped by patrolmen  
in two hours time. Another Post  
resident reported a similar ac-  
counting in her neighborhood,  
along Highway No. 84.

"Our house was just like be-  
ing next door to a police station  
last Friday. If the state highway  
patrolmen weren't stopping them,  
Sheriff Nathan Mears was" she  
observed.

It's the unlucky pedestrian that  
experiences that run-down feeling.

**GI Classes Are  
Informed As To  
Credit Buying**

An instructive film on coopera-  
tive buying and an interesting  
lecture on sources of credit were  
enjoyed by members of the GI  
Vocational Agriculture School in  
Post Monday night and in South-  
land Wednesday night.

The film, "Ten Years of Coop-  
erative Credit," is an agricultural  
credit picture released by the U.  
S. Department of Agriculture. It  
was shown by Garza County Agri-  
cultural Agent Frank Eaton.

In connection with the picture,  
Lee F. York, secretary-treasurer  
of the Lubbock Production-Credit  
Association made a general talk  
on agricultural credit, explaining  
sources of short term (three to six  
months) credit, intermediate cred-  
it (one to three years) and long  
term credit, such as that offered  
by the Federal Land Bank and  
some of the insurance companies  
which allow 25 to 30 years for re-  
payment.

He explained the credit plans  
of the Federal Land Bank, the  
Home Owners Loan Corporation  
(former Farm Security), the com-  
mercial banks and the Production  
Credit Association.

**CONTRARIEST WELL YET  
IS BOTTOMED AT 7800  
FEET IN KENT COUNTY**

"One of the most contrary  
wells" yet to be drilled in this  
general oil area, the Humble Oil  
and Refining Company No. 1 in  
the Polar Ellenburger pool in  
Kent County, near the Garza line,  
has been bottomed at 7,800 feet in  
the Ellenburger.

According to the Scurry County  
Times, the operator last week  
was installing a pump and plan-  
ning to complete after the well  
failed to develop flowing produc-  
tion from 7,793 to total depth.

Known as the Humble No. 1  
Boren, in section 46, block 5, H&G-  
N survey, a quarter-mile north  
extension to the No. 1 Lida Vick,  
which was the discovery well, the  
test was treated in four stages  
with a total of 16,000 gallons of  
acid. As a climax, the well was  
given an additional "primer"  
acidization shot at 7,000 gallons of  
acid.

After being swabbed for 24  
hours, the well failed to kick off  
and flow, despite the fact that it  
had looked better on drillstem  
test than did the original Lida  
Vick.

**Pleasant Valley  
News**

Please Send News Not Later Than  
MONDAY to  
Pleasant Valley Correspondent

Joe Harrison is in Paducah with  
his brother who is ill.

Mr. and Mrs. J. O. Roberts vis-  
ited several times last week with  
Mr. Robert's sister, Mrs. Marlin  
Waldrip of Grassland, who is in  
the Lubbock Memorial hospital  
recovering from a recent opera-  
tion.

Visiting in the F. W. Hall home  
last week were his sister, Mrs.  
Wanda Sanders, and friends of  
Snyder.

Mr. and Mrs. Elmer Hitt were  
Sunday guests of Mr. and Mrs.  
Dan Payton.

Mrs. Kate Phillips and son, Nor-  
man, of Lamesa were guests of  
her sister, Mrs. J. M. Robinson  
over the week end.

George Dickson of Peacock vis-  
ited last week with his mother,  
Mrs. K. C. Dickson, and other  
relatives here.

Guests in the Alva Robinson  
home during the past week were  
the Edd Dyes of Post, Alva's  
mother, and Mr. and Mrs. Tru-  
man Riddle, also of Post.

Mr. and Mrs. O. B. Franklin  
have returned from Glen Rose  
where Mrs. Franklin has been  
taking treatments in the clinic  
there. She is feeling much bet-  
ter.

Mrs. Robert Mock and baby  
daughter, Barbara Ann, came  
from the hospital to their home  
here Monday.

Mrs. Verna Chase visited Mr.  
and Mrs. G. N. Smallwood at  
Southland Sunday afternoon.

Mrs. Lawrence Burkett was ill  
last week.

Visitors at the local church  
Sunday night were Mr. and Mrs.  
Flimmin and Mr. and Mrs. Dil-  
lard Dunn and sons.

The Rev. and Mrs. Teeters  
visited last week with her sister-  
in-law, Mrs. A. W. Bratcher and  
baby boy in the Lubbock Memorial  
hospital.

**ANDERSON WILDCAT IN  
JUSTICEBURG AREA IS  
BOTTOMED AT 1433 FEET**

Anderson Brothers No. 1, south-  
central Garza wildcat which was  
due to dig to around 2,800 feet to  
test the San Andres-Permian, was  
bottomed at 1,433 feet in salt, last  
week, and the contractor was  
fishing for bit from the cable tool  
drilling outfit.

This exploration, four miles  
west of Justiceburg, 330 feet from  
north and west lines of section 47,  
block 6, H&GN survey, checked  
high on both the anhydrite and  
the Yates, to dry holes in the  
vicinity.

**County Auditors Here**

Mr. and Mrs. H. P. Wine of San  
Angelo, representing the Sedge-  
wick and Cherry Company of  
that city, are spending 10 days  
here making the annual Garza  
County audit at the court house.

# Sundown Comes To Post Sunday For Loop Tilt

## Ed Altman To Toe Slab For Locals

Sundown, with a 6-1 win last Sunday over the Post club, will move in on Postex diamond next Sunday for a return Oil Belt league tussle with the locals. The visitors will be making their second appearance here, having played a practice game with the Post semi-pros here April 6. The game will be the third league match for each team, with Post having two defeats chalked up, while Sundown has one win and a loss.

Toeing the slab for the locals will be Ed Altman, veteran southpaw, who allowed seven hits to the Sundown bunch last Sunday when he went the full nine innings. His pitching opponent will likely be Joe Atler, who did a brilliant bit of pitching last Sunday in allowing the locals only three scattered hits during the game.

Polly Duren, manager of the local club, said this morning that work was progressing satisfactorily at Postex park and that by the week's end at least one section of the grandstand would be usable. The steel arrived last week end and foundation work had been completed this morning. The stands when completed will have seating capacity for approximately

## Grassland's Ball Diamond Soon To Be Ready For Use

The new softball diamond, now under construction at Grassland, is in the final stages of completion, and will be ready for use within several days, it was announced the first of the week.

The field will be lighted for night softball play with current supplied by the REA.

Grassland is reported to have a fast softball club and will provide many night games during the season for residents of the community.

Besides the Post-Sundown game next Sunday, Seminole goes to Seagraves, and Slaton to Level-

land. Seagraves and Leveland remain the only two undefeated teams in the loop. Seagraves in the season's opener took Slaton, 10-4, and last Sunday cleaned Seminole, 7-5. Leveland took the opener from Sundown, 18-7, and last Sunday walloped Slaton, 4-2. Seminole has a win and loss along with Sundown, and Post is in the cellar with a loss to Seminole and Sundown.

Sunday's game here will get underway at 2:30 sharp.

## Bingham Turns Antelopes From Grid to Cage Work

Just to keep something going during the two hours set aside each afternoon at Post High school for athletic activities, and to shape up a group of athletes for next season, Coach Bingham called basketball spring training for thirteen boys Monday afternoon, and has been putting them through the paces each afternoon since.

The boys had no sooner hung up their football gear than came the basketball call. "I want to keep these boys in good condition for next season's athletic program," declared Bingham. "We may as well be doing something that will help to develop these men, as to have them loafing during the time set aside for athletic activities."

Boys out for training include: Junior Malouf, R. E. Josey, Buddy Hays, Kay Kirkpatrick, Ronnie Bouchier, Chas. McGuire, Bob Johnson, Gaylon Young, Stanley Benge, Hugh Ingram, Roy Williams, Billy Ramage and Clarence Voit.

One Lava field in Iceland covers 1,700 square miles.

# SPORTS

FROM A STRICTLY LOCAL ANGLE

## Locals Dropped To Bottom Of Ladder By Sundown's Pitching Ace Sunday

### Four Softball Teams Organized At Post High

With more than forty boys participating in softball play, four teams were organized at Post High the first of the week and already play has begun on a round-robin tournament.

The tournament is slated to run through next week and is being reeled-off during the afternoon physical education periods, 2 to 4:30 o'clock.

### Lubbock Nine Tops Ladder

Local baseball fans who have been making it a habit of dashing up to Lubbock to see the night games of the West Texas-New Mexico league have declared the weather a bit chilly, but the play not aplenty.

The Lubbock Hubbers, leading the league race, seem to be getting most of Post fan praise, and have already been picked by some Postites as pennant winners.

Sunday quite a number of Post baseball followers saw the Lubbock-Albuquerque game at Hubber park.

### MYSTIC SEWING GROUP MEETS IN GILES HOME

The Mystic Sewing Club met last Friday afternoon in the home of Mrs. H. F. Giles with Mrs. E. N. Gibson and Mrs. Odean Cummings as hostesses.

The members enjoyed an afternoon of visiting and sewing, which was concluded with a business meeting. Refreshments consisted of ice cream and coconut cake.

Attending were Mesdames Lowell Short, Nathan Mears, Bill Phariss, Gibson, Robert Cato, Arthur Talley, Jim Powers, C. K. Pierce, Cummings, C. R. Smiley, Eulas Brown, C. L. Curb, Jesse Wright, H. F. Giles, R. W. Babb, and two guests, Mrs. L. J. Richardson, Jr., and Mrs. Gene Giles. Mrs. Jack Burrell and Mrs. Eulas Brown will be hostesses for the next meeting, May 9.

### VFW AUXILIARY MEETS FOR BUSINESS PROGRAM

The Auxiliary to the John Miller Post of the Veterans of Foreign Wars met last Thursday night in the home of a member, with two Lubbock guests, Mrs. McDonald and Mrs. Jackson, present. All except four members attended. Included in the group were two gold star mothers.

Delegates were elected to the district and state meetings. A poppy sale was discussed and a committee was appointed for the sale.

The Post semi-pros suffered their second straight defeat of the season last Sunday when they journeyed to Sundown, losing 6-1, to Joe Atler and the Sundown Oilers before a large crowd of spectators.

The hard-pitching Atler kept the locals in the Oil Belt league cellar by allowing only three scattered hits during the full nine innings and made nine Post batters give up the stick on strikeouts. Although the Sundown delegation collected only seven hits off of big Southpaw Ed Altman, they were able to bunch them more effectively to pile up 6 runs.

The locals rallied briefly in the ninth inning to score 1 run, but could not bunch enough hits to overcome Sundown's 6-run lead.

The box score follows:

## Officers To Be Installed When PTA Ends Year

Officers will be installed for the 1947-48 season and a recreational program will be given at the closing meeting for the year of the Post Elementary-High Parent-Teacher Association at 3:30 o'clock next Thursday afternoon in the Post High School auditorium.

Life memberships will be presented to Mrs. J. E. Parker and Mrs. B. J. Edwards, both of whom have served two years as president. Only one other P-T Unit in the district, that of one of the Lubbock schools, was eligible to present two such life memberships this year. Mrs. Willard Kirkpatrick, president, said this week.

Delegates to the recent annual spring meeting of the 14th District, Texas Congress of Parents and Teachers, in Dallas will give reports.

The hospitality committee, consisting of Mrs. Charles Bowen and Mrs. Al Norris, will be in charge of the program. Invocation will be by S. D. Strasser, and music will be presented by seventh grade pupils of Mrs. Lillie McRee.

Coach V. F. Bingham will talk on the subject, "Looking Toward Vacation."

The executive board will meet at 3 o'clock.

## HONORARY MEMBERSHIP IN POST OES CHAPTER GIVEN TO MRS. NABORS

The guest book recorded 85 names of those who attended a Friendship Night program at the Post Chapter of the Eastern Star on Wednesday of last week. The visitors represented chapters from seven neighboring towns and one from Missouri.

The chapter was opened in regular form with Worthy Matron Berenice Propst and Worthy Patron Lester Nichols presiding. The special honor guest, Sister Hinda Jane Nabors of Lubbock, was presented and a history of her Eastern Star work was read by the worthy matron who placed emphasis on the fact that Sister Nabors was founder of the Friendship meeting in this area.

Guest officers from the visiting chapters were seated by Marshal Estlea Nichols and a short program was given. A special choir sang "Is My Name Written There?" The Spirit of Friendship, represented by Bonnie Cearley, was assisted by star point officers Grace Thomas, Lucile Meador, Sybil Cockerum, Vinnie Bird, and Eula Haws in recalling those ideas of the Order related to Friendship. The Book of Friendship, made especially for the occasion and carrying the names of those present was then given to Sister Nabors. The choir sang a special arrangement of the beautiful hymn, "The Book of Friendship," and one of the Baptist Theological Seminaries for further ministerial preparation and study.

## MRS. PRESSON'S BABY GRANDSON ENJOYS HIS WEEK THE YEAR ROUND

National Baby Week may come only once a year to many people, but to Mrs. L. A. Presson it is just any old week that she can do something for her only grandchild, David Lee Hedgecock, five-month-old son of Mr. and Mrs. L. D. Hedgecock of Minneapolis, Minn.

For the baby's first Christmas, Mrs. Presson went to Lubbock and made a recording of Brahms' "Lullaby," playing the piano and singing the melody.

So pleased were David Lee's parents over the recording, they asked for more when Mr. and Mrs. Presson visited the baby in Minneapolis. With Mrs. Presson singing the verses, a friend playing the piano accompaniment and the baby's father attending to technical details, several beautiful recordings of nursery rhymes were made. Mr. Hedgecock is a teacher in the speech department at the University of Minnesota.

## Shirley Rector Becomes Bride Of Mr. Roberts

Mrs. Shirley Rector of Post, daughter of F. J. Helms of Snyder, was married to L. N. Roberts, son of Mr. and Mrs. Play Roberts of Orr, Okla., last Thursday in Lawton, Okla., at the home of the officiating minister, the Rev. Mr. Harrell.

The bride wore a royal blue gabled suit with white accessories and a corsage of white rosebuds.

After the ceremony, Mr. and Mrs. Roberts visited his brother-in-law and sister, Mr. and Mrs. Bill Dozier, in Wilson, Okla., and his parents, in Orr.

The couple is now at home here where the bridegroom is employed by the Hipp Oil Company.

Mr. Roberts served in the Third Armored Division of the First Army during four and one-half years of the war. He spent 20 months in the European Theater of Operations, winning the Bronze Star and five battle stars.

## HIGH SCHOOL SENIORS HONORED AT SUPPER IN McCAMPBELL RESIDENCE

Among the social events honoring the Post High School Seniors was an ice cream supper given Tuesday night by women of the Church of Christ at the home of Mrs. J. D. McCampbell.

Practically all the seniors and their sponsor, Mrs. H. T. Carr, were present. Games were played and homemade ice cream was served with homemade cakes.

## GERALD CARPENTER IS HONORED ON BIRTHDAY

Gerald Carpenter was honored on his seventh birthday when his mother, Mrs. Ralph Carpenter, entertained him a group of his classmates at her home.

The children played both outdoor and indoor games, then Gerald opened his gifts after blowing out the candles on his birthday cake. The guests sang "Happy Birthday," and the cake was cut and served with punch.

Guests included Benny Joe Clary, Danny Cockerum, Elwayne Young, George Graham, Allen S. Johnson, Jo Ray and Patsy Ross, Ann Sarcain, Don Davies, Fred Lee Hightower, Donald Gilmore, Darlene Carpenter and several mothers.

## HOWARD JONES HONORED AT PARTY ON BIRTHDAY

Howard Jones was honored on his eighth birthday Saturday when his mother, assisted by Mrs. Kenny Cash, entertained with a party at his home.

Games were played and the birthday cake was served with ice cream.

Children attending were Bennie and several other friends. A beautiful song, "Star of the East." In conclusion an honorary membership in the local chapter was presented to Mrs. Nabors.

Visiting matrons and patrons were recognized and each one responded with appropriate words and called on members of their chapters to rise for recognition. They were from Snyder, Southland, Slalon, Lubbock and Freedom in Lubbock, and Tahoka. Three guests, not matrons, represented O'Donnell, Levelland, and Ilmo, Mo.

Informal visiting was enjoyed during the social hour. Iced punch, salted nuts and small cakes iced and decorated in the colors of the order were served from a long table centered with spring flowers.

## Church News

By GANELL BABB

Finally, my brethren, be strong in the Lord, and in the power of his might. Ephesians 6:10

### Church Personality of the Week:

Mrs. Willard Kirkpatrick is one of the most outstanding members of the First Christian Church. There are so many nice things that she has done for others and for the church that we cannot mention them all. But we do know that she has been active in church work here and has done more than her part, for the last 20 years. Although she is very active in civic affairs, her church work always comes first. Orchids to Mrs. Kirkpatrick.

Brothers Joe and Gerald Trussell arrived in Post Monday and the revival at the First Baptist church is well underway. Large crowds are attending every service and, remember, a cordial invitation is extended to all, whether you're a Baptist or not.

William Reeves of Abilene will speak at the regular services Sunday at the Church of Christ.

The Rev. Harrell Rea, former pastor of the First Christian church here, who is pastor in Galveston, has written to the church here and elsewhere, asking for donations to the Texas City Christian church. The Post church voted to send next Sunday's Sunday School offering to these suffering people, in their time of need.

Many lovely flowers are being placed in the Baptist church during the revival. Two of the prettiest bouquets were phlox from Mrs. J. P. Manly's garden and vari colored iris from Mrs. J. E. Parker's garden.

The Home Builders Class of the Nazarene Sunday School enjoyed a steak fry last Thursday evening at the roadside park. Those present were Mr. and Mrs. J. C. Johnson, Mr. and Mrs. Lester Keeton, Mr. and Mrs. Earl Rogers, Mr. and Mrs. T. D. Scott, Mrs. Charles Pruitt, Mr. and Mrs. Weldon Swanger, and the Rev. and Mrs. Joe Norton. Mrs. Norton is the teacher of the class.

Next Sunday is family day at the Church of the Nazarene and many families are expected to attend the services.

The Ladies Aid of the Presbyterian church met Monday afternoon at 3 p. m. in the home of Mrs. W. E. Dent with 10 members present. "The American Indian" was ably discussed by Mrs. Frank Eaton. Reports of the district meeting of the Ladies Aid, which was held at Stamford last week, were given. The ladies who attended the Presbyterian at Stamford were Mesdames Surman, Dent, Ben Williams, Samson, Templeton, and Dr. Templeton also attended.

The Rev. I. A. Smith who has been at Verbena this week helping with the revival there, will be back here for the regular service Sunday morning.

A secret committee in the Baptist church chose Betty Jo Kennedy and Ila Fay Bratcher to attend the Baptist Camp at Ridgecrest, N. C., this summer. Mr. and Mrs. Ira Lee Duckworth are paying the expenses of these two girls.

Whether she is going about the house doing her daily chores or leisurely relaxing in her rocker, Mrs. A. W. Bouchier always has her Bible right there.

### Recital Scheduled

Mrs. J. A. Stallings will present her students in recital at 8 o'clock the evening of May 9 in the Post High School auditorium.

and Richard Clary, Frances Dietrich, Donald Gilmore, Jack, Patty, and Linda Lott, Don Clary, Leslie Anita Nichols, Elizabeth Norton, Janice Gordon, Janice Barrow, Carolyn Hudman, Marthana Cearley, Gary Welch, Edward Daniels, W. A. Talley, Norman Shedd, Kay Gene Jones and the honor guest, Jerry Don McCampbell, who was out of town, sent a gift.

John Hancock and John Adams, American patriots, were boyhood companions.

## MRS. ALEX WEBB GIVES PARTY FOR PRISCILLAS

Mrs. Alex Webb was hostess last Friday afternoon to members of the Priscilla Sewing Club at her home. Bouquets of lovely spring flowers were used as decorations.

After some time spent in conversation and needlework, the hostess conducted two contests. In the first, "Recognize These Slogans," Mrs. A. B. Haws won first prize and Mrs. Earl Thaxton received the consolation prize. The second contest was composing a telegram from letters in the word Priscilla. Mrs. Ted Hibbs and Mrs. Dove Mayfield received high prizes. All the prizes were small items pertaining to sewing.

Refreshments consisting of strawberry shortcake with whipped cream were served. Plate favors were miniature hats made by the hostess from colored plastic thimbles, vari-colored construction paper and tiny ribbons. Each hat had a different design from the others. The favors were made by the hostess.

Twenty-two guests attended.

## Shower Honors Mrs. Smith In Stevens Home

Mrs. P. E. Stevens, assisted by her daughter, Miss Betty Jo Stevens, and Miss Mary Etta Norman, both students of Texas Technological College in Lubbock, entertained with a bridal shower at the Stevens home in the Graham community Tuesday afternoon in honor of Mrs. Frank B. Smith of Lubbock, the former Miss Margie Stone.

The guests were received by Mrs. Stevens, Mrs. Smith and the latter's mother-in-law, Mrs. John D. Smith of Lubbock. Mrs. W. H. Childs presided at the guest book, and Mrs. Elmer Hill of Waco, niece of Mrs. Stevens, presided at the refreshment table.

Cup cakes, nuts and mints were served with coffee from a beautifully appointed table. Decorations throughout the house were panicles, sweet peas, fern and bridal wreath.

The bride was assisted in opening the gifts by her mother, Mrs. G. M. Stone, and her little sister, Anita.

Among the guests was the honoree's grandmother, Mrs. A. Stone. Others attending were Mesdames Inez Ritchie, Jason Justice, Fred

## NEEDLECRAFT CLUB IS ENTERTAINED FRIDAY

The Needlecraft Club was entertained last Friday afternoon by Mrs. M. E. Kennedy and daughter, Mrs. Rankin, at the Kennedy home.

The hour was spent in needle work and visiting. Tuna salad on lettuce was served with potato chips, cookies and coffee.

Attending were Mesdames John Faulkner, M. J. Malouf, Moore, Carl Clark, W. F. Pierce, H. T. Carr, L. W. Dalby, C. W. Terry, V. J. Campbell, R. P. Tomlinson, T. R. Greenfield, T. L. Jones, Tol Thomas and M. K. Bingham.

Gossett, Opal Leiby, Charles Rogers, Dale Stone, J. E. Robinson, John L. Wallace, Clovis Tucker, W. H. Norman, E. M. Norman, Jake Sparlin, Lonnie Peel, Glenn Davis, Elmer Cowdrey, W. P. Lester, Sherrill Boyd, Elmo Bush, Virgil Stone, Jessie Gregg, Delmer Cowdrey, Guy Young, Iris McMahon, James Stone, Albert Stone, L. S. Turner, Dora Davis Redmon, Miss Lester and Lucille Morris.

Unable to attend but sending gifts were Mesdames Dave Sims, Vera Gossett, Hardy Smith, N. W. Stone, S. C. Caldwell of Muleshoe, Charlie Scott, Dovie Young, Don Windham, B. C. Childs, Henry Aten, Pearl Robinson, Otis Wheeler, Lula Jo Stewart, and Jewell McGehee.

## Big Bend Group Will Meet In Oklahoma City

Garza County commissioners tentatively are planning to send at least one representative to the meeting of the Broadway to the Big Bend Association with the Oklahoma Highway Commission in Oklahoma City, June 4, beginning at 10 a. m., said County Judge J. Lee Bowen, a member of the association's board of directors.

All the board members, other members of the association and chamber of commerce delegations from towns along the proposed route are invited to attend. Invitations also have been extended to Fred Wemple, West Texas representative on the Texas Highway Commission, and D. C. Greer, Texas State Highway engineer.

Gov. Foglio Miramontes of the State of Chihuahua, Mexico, has been requested to send representatives, as the proposed Big Bend route crosses into Mexico at Presidio and continues in a south-westerly direction through Chihuahua City on to Polobampampopo on the Pacific Ocean.

Several delegations from West Texas will take bands or other form of entertainment to give a booster atmosphere to the trip, purpose of which is to enlist the cooperation of the Oklahoma Highway Commission in the Oklahoma section of the proposed route.

## Close City News

Please Send News Not Later Than MONDAY to MRS. WILL TEAFF Close City Correspondent

The Bon Longshores had visitors from California Sunday and Sunday night.

Mr. and Mrs. Lee Collins and family of Lubbock visited Sunday in the G. C. Custer home.

Visitors during the past week in the Bo Wheatley home were Mrs. Monroe Patrick, Mrs. Anna Mae Green and Jack Boren of Austin, Travis Boren of Comanche, Mrs. Frank McWhorter and Mrs. Charlie Boren of Waxahachie, and Mrs. Modelle Hudnall of Blue Water, N. M.

Sunday guests in the Virgil Stone home were Mr. and Mrs. Aubrey Ritchey and family, Mr. and Mrs. Bud Stevens and Betty Jo, and Mr. and Mrs. E. Young.

The Rev. J. McClain is conducting a study course at the local Baptist church.

Brother Waller, a young preacher from A.C.C. in Abilene, fills the pulpit at the local Church of Christ each second Sunday.

Mr. and Mrs. B. Wheatley and Mrs. Altop Meeks and children of Sliton left Tuesday morning for a few days visit in Waxahachie.

Callers at the Teaff home Sunday to see the new son of Mr. and Mrs. Delbert Cockrell were Mrs. Dale Cowdrey, Mrs. Alvin Graves and children, Ralph Cockrell of Lubbock, and Mrs. Vera Cockrell of Post.

Mrs. L. E. Mason and Mrs. A. M. Smith attended the workers conference at the Baptist church in Wolfboro last Tuesday.

Tom Williams is ill this week.

The W.M.S. of the Friendship church met Monday afternoon for Bible study. The Rev. J. McClain led the lesson of the afternoon, based on daily Bible readings.

Mrs. E. W. Curry and Mrs. A. M. Smith attended a mission program at Monroe Tuesday.

## HOUSTON MAN DISPLAYS SLAB FROM GRAND CAMP DURING VISIT TO POST

W. Hester of Houston, Company Public Service Company case superintendent, while transacting business here last week displaying a slab of debris from the Grand Camp, which freighter which blew up in Texas City and started a series of other disastrous explosions.

The slab was 8-inches square and about a half inch thick, twisted and jagged in shape. Hester said it was a typical sample of the fragments which hit the refineries and, by friction sparks, set off a series of explosions. Such pieces could be seen all along the waterfront, he said.

Hester explained that many of the surviving French sailors from the Grand Camp had been catapulted into the water by the first explosion. The spray of metal from the ship, after it lifted out of the water to explode again passed over their heads, leaving them comparatively unharmed.

Hester, who was in Houston at the time of the first explosion, went to Texas City that night.

## GI Insurance Is Reinstated Through V. A.

Houston H. Boyd, Veterans Administration contact representative who is stationed in the Garza County Court House the second and fourth Thursday mornings of each month, has announced that during the past 30 days veterans have reinstated more than one and a half million dollars of their GI insurance.

He said that Garza veterans may consult the V. A. Contact Office at 703 Lubbock National Bank Building for information on re-instatement and converting term policies.

Boyd's office hours at the local court house are 9 a. m. until 12 noon on the days he is in Post. His job here is to interview vet-

## Southland News

Please Send News Not Later Than MONDAY to MRS. FLOY KING Southland Correspondent

Mr. and Mrs. J. F. Winterrowd have returned from New Jersey where they met their son, Billy, who has been in occupied Germany, and the three returned to Southland the first of the week. Welcome home, Billy!

Mrs. Fred Wiley and children of Slaton visited Mrs. M. T. Truelock Sunday evening.

Miss Paschall spent Friday night with her parents in Lubbock.

Troy Moore and Lewis Quisenberry of Dallas are visiting the Robertsons and Quisenberrys here.

Miss Mary Lynn Morris of Dallas spent the weekend here with her parents, Mr. and Mrs. Earl Morris.

Dr. and Mrs. A. C. Surman were Sunday dinner guests of Mr. and Mrs. Douglas Livingston.

Mrs. Dial of Lubbock spent the weekend here with her daughter and family, the Wards.

Mr. and Mrs. Walter Kellum were dinner guests of their daughter, Mrs. Walter Wilke, and family.

The Wortes family visited at Crosbyton Sunday.

Mr. and Mrs. J. P. Howard of Post are spending the week here with their daughters, Mrs. A. Ferguson and Mrs. D. D. Pennell and families. Their sister, Mrs. Cedarholm of Amarillo, is also visiting them.

Mr. and Mrs. C. W. Dean had as their guest over the weekend, their daughter, Doris, and family of New Mexico.

### Among The Churches

The April attendance at the local Baptist church was an average of 99.

The Rev. O. J. Harmonson preached at the local Baptist Church Sunday morning and was a dinner guest of the B. R. Arthurs. Mr. and Mrs. A. F. Davies were also visitors in the Arthur home.

The Rev. Mr. Burnett of Dallas was guest preacher at the local Baptist church Sunday night. He is the leader of the Sunday School study course being taught here.

The Rev. and Mrs. Tom Rutledge, Mrs. Delmer Trimble, and Mr. and Mrs. Horace Wheeler and boys attended the Methodist Youth Rally in Lubbock Monday night.

A study course is being taught at the local Methodist church each Sunday evening at 7 p. m. The public is urged to attend.

### Gone A Fishing

Heywood Basinger, Alfred Basinger and Wilbur Wood are spending the week on a fishing trip.

John Taylor, Hubert Taylor, Ray Dick, Earl Lancaster, Blondie Ellis and Mr. Cooper returned Saturday from a several days fishing spree.

Mr. and Mrs. Will Basinger have returned from a fishing trip and they came home driving a new Buick.

Frank Fletcher, who was employed in a newspaper office in Texas City, was between two presses at the time of the explosion and he didn't get a scratch when the building collapsed. He is employed in Galveston now.

Mrs. Nellie Mathis, Mrs. Nettie Kellum and Carolyn Sue Kay-singer visited the Walter Kellums Friday night.

The baby of Mr. and Mrs. Wulbur Field is ill this week. Mrs. Billingsley also is ill.

Mrs. Sam Ellis gave a shower honoring Mrs. J. R. King last Thursday. Because of the rainy weather several were unable to attend.

Mrs. W. M. Fletcher of Plainview spent last week here with her daughter, Mrs. Marvin Truelock, returning to her home Friday.

Mr. and Mrs. Henry King and Elaine visited the Leon Kings Saturday and Leon and family accompanied them home to spend the weekend.

erans and their beneficiaries regarding any matter pending before the V. A.

## The Week's News in Brief

Right in the midst of National Noise Abatement Week, which is conflicting concurrently with National Baby Week, began National Music Week May 2. Possibly because National Noise Abatement Week got here first, not a single horn is being bought for a music-minder Garza County youngster this week.

Mrs. Marshall Mason and daughter, Mrs. James Minor, for some time now have been wearing each other's hats without their respective friends being any the wiser. Mrs. Mason wears the hats tipped forward on her brow in a matronly fashion, and Marian Lee tips them back on the crown of her head in the manner of the younger folk.

W. N. Williamson of College Station, district agricultural agent, was in Post last week conferring with County Judge J. Lee Bowen.

People having no children, noise or music to be for or against during this National Baby Week and National Noise Abatement Week, begin tomorrow, probably will be interested in knowing that National Religious Book week begins May 4.

The wheat was pocket high, heading out and a solid mass of greenery from Childress to Altus, Oklahoma, last weekend. L. C. Carmichael observed when he and Mrs. Carmichael went to Altus to visit their son-in-law and daughter, Mr. and Mrs. M. M. O'Rear.

Mrs. R. M. Cash is spending the week in Abilene, visiting her daughter and other relatives.

Clint Herring's various vehicles are enjoying new shelters. In front of his house, Clint has built a shelter with smart-looking green awning top for his new Oldsmobile and out at the airport he has erected a similar shelter, with wooden top, for his airplane.

Mrs. W. A. Long of the Barnum Springs Community left Friday for a two weeks trip to California. After her return, she will serve as Post Dispatch correspondent for the Barnum Springs and Hartford Communities.

The Post folk who were among some 200 in "The Old Maid's Club" play audience at the Garnolia School last Friday night sent a bouquet of store-bought flowers to Minnie Will Williams who was a member of the cast.

The Post folk also reported that the play and its accompanying humorous sketches and song selections were first rate entertainment, and they were full of praise for Mrs. C. F. Carmack who directed the production.

Guy Gearhart and Giles Connell went to Albuquerque, N. M. Saturday, to see a calf roping exhibition.

Mr. and Mrs. Luther Harper of Belton, former Post residents, visited relatives and friends in Post last week and accompanied their granddaughter, Carolyn Moore, to Lubbock on Thursday for a tonsilectomy at the Lubbock Memorial Hospital. Carolyn, who is recuperating at home now, is a daughter of Mr. and Mrs. Paul Moore.

### Business In Austin

Superintendent J. P. Hewlett, Horace Wheeler, Hub Haire, Kenneth Davies, Don Pennell, Elmer Hitt and R. H. Dabbs of Southland, and D. A. Robinson and Lee Davis of Post, transacted business in Austin last week. Hewlett and Wheeler returned home last Thursday while the others went on to Texas City and Houston before they returned.

The P.T.A. will meet Tuesday night, May 6 at the High School auditorium. There will be a negro minstrel show that you will not want to miss, so remember the date, at 8 p. m.

Southland played Pleasant Valley two games of baseball Sunday and won both. We have now entered the Slaton league and the first game will be played Thursday night at Slaton.

## PLAINS LUMBER COMPANY

GETTING OUT

On The LIMB By EDDIE the EDITOR

Roy and Voda Baker who are retiring from the grocery business this week have served two generations of many fine families.

Words cannot express the feeling of these fine folk of south Post who are giving up this fine couple as a part of their daily life.

Roy and Voda not only dispense groceries—they offer an abundance of good will. Their kindness, their understanding and generosity are living examples of what true friendship really means.

Running a bureau of information, as well as taking care of dozens of errands on weekly trips to Lubbock are just two of the side-lines indulged in for the interest of the good neighbor policy.

Their retirement from the grocery business is well earned for they have worked long and late. The place they hold in the hearts of the people will never see retirement.

THE WOMEN—God love 'em! Annual depreciation has ruined as many women as it has automobiles.

Having nothing better to do I was sitting on top a counter in a store one afternoon last week chiding the fat with one of our up-and-coming young merchants.

Our discussion patterned along the line of enlarging our city commission and dividing the town into wards. The elder, and more experienced one of our threesome, didn't like the idea advanced in this column last week when I quoted one of our citizens in his suggestion of dividing the city into wards and electing two commissioners from each.

All of which makes me wonder

ROGER W. BABSON WRITES THIS WEEK:

Keep Out of Debt, Hope for Best, Be Prepared for Worst

Eureka, Kansas—I hope I am wrong; but the following is a brief summary of my vision for the next five or more years whatever Russia may do.

(1) I am reasonably sure of at least two more years of fair business. If the U. S. adopts the right international policy, this can be extended to five years or more.

(2) My manufacturing friends are very much upset by labor's demands and believe that "sooner or later" we will witness a Great Depression with millions of unemployed. Commodity, real estate and stock prices will be very much lower than at present, they claim.

(3) When visiting Washington, I find a belief that unless Russia collapses in the meantime there will then be a communistic uprising in the U. S. If our Federal Government is not taken over by the Communists, through democratic procedure, certain state and city governments certainly will be.

(4) If these Congressmen are

right, a panic of tremendous proportions could take place with people leaving the big cities and seeking refuge in the self-sustaining sections of the Central West. I refer to areas with their own food, fuel and housing supplies and which are not dependent on railroad transportation.

(5) If that time comes, or when the danger is fully evident, it will be too late to prepare for it. You cannot take out fire insurance on your house when it is burning! Yet, today there are several ways to prepare yourself and family both against communistic uprisings from within and Russian bombs from without.

Both of these factors would dangerously effect industry in and around many large cities. The

first "hedge" would be to migrate with your families to some small interior city in the Central Area of the United States. If you don't care to take so definite a step now you can at least now make a start by re-arranging your investments.

Safest Investments should include those companies whose assets or sources of materials are decentralized, or underground or indestructible. Among these are certain Land, Chemical and Mining companies most of whose assets are well scattered, well buried or obtained from the sea. Also, companies processing or packing

food products whose assets are in or near Agricultural Areas. Some Lumber and Sea Food companies should be included in this group. Bomb Targets should include most heavy industries such as Steels, Locomotives, Automobiles and Machinery. Other companies whose principal income is derived from Food Distribution in large cities would be vulnerable. Utilities, including transportation, gas and electricity, Electrical Equipment Manufacturers, large Department Stores, Drug Companies and Restaurant Chains would all be open to attack.

Semi-Protected Investments are those based upon somewhat scattered assets with at least the greater portion in "safe" areas. I have in mind such industries as

the Container Companies, Meat Packing Companies, Chain Store Communication Companies, finally Publishing Companies whose good will and are in the same category marks and cannot be out.

When I am in New York with my banking friends inclined to be bullish. Manufacturing centers are plagued by severe labor I become bearish. When I am out here at the edge of the U. S., viewing our gin areas of grain, forests and happy people, I er bearish nor bullish. I do advise my readers to and keep out of debt. Be best, but prepare for the

Garza and the World

Editor's Note—The author of this column is a former Foreign Officer of the U. S. State Department. Her opinions do not necessarily reflect the opinions or policies of the Post Dispatch. The column is carried in the interest of applying world news to the situation here at home.

By EVELYN BOYD

The picketing, stench-bombing and boing of Kirsten Flagstad, Norwegian soprano who allegedly preferred the Nazi regime during the war, seems incongruous with the general U. S. policy of forgiving and forgetting.

It would indicate an encouraging trend, if the public would become as indignant over massed forces that have been promoting communism in this country.

Our soldier boys eliminated Flagstad's Nazi regime. The problem now, it seems, is not to crucify Flagstad but to rid the country of un-American forces that are more present than past.

A step in the right direction is the move to educate the people who have good eyes but can't see to the fact that the standard of living for all classes of people in the United States is higher than for their counterparts any place else in the world. Our economic system, which is based on free enterprise, permits this.

And call them by any name you like, there always will be economic classes of people. Even in communistic Russia, there are people who have more than others. Imagine the colonization of an area the size of Garza County. Let's populate it, we'll say, with 6,000 people whose entire resources have been pooled and divided equally among them. Each person has as much as his neighbor.

Now, let's look in on this colony a year later. Some enterprising people will have acquired legitimately the holdings of a proportion of the others and will have used the profits to expand their own business potentialities. This tendency is not only normal, but it is American.

Legislate to prevent exchange of property and levy government taxes to absorb individual profits so this thing can't repeat itself. This would be the communist way. Go back a year later, and find that some less scrupulous people will have broken the rules; will have resorted to black marketing, thievery, and trickery to get around the law, and they have more worldly goods than their neighbors—like in Russia.

Nobody has any respect for law in communist-dominated Yugoslavia. In Greece, where there is no middle party—only the minority right wingers and the communists who influence everybody left of

just what is best for our town—when I talked with the party who furnished the material for most of my last week's column I was all sold on his idea, now after talking to another I've decided he might have something on his thought of getting us divided—maybe it would be better to have a one-track mind, I wouldn't always be getting side-tracked.

what used to be center (well, the latter group abstained from the last general election which the Allied Observers said was fair, but that's another story)—there is no law enforcement and no order. All I had to do to take a riot picture was to hold my camera out the window almost any day, during 10 postwar months in Athens.

The communists who didn't vote in the Greek elections had been in the doghouse because of their British-frustrated, bloody, destructive revolution of a year and a half before. Russia, who refused to participate in the Allied Election Mission, advised them to abstain and to lay low until all the fuss died down and assured them their time would come later.

And their time is still coming—later, U. S. money and fatherly attitude notwithstanding. There is nothing but trouble, heartbreak, tragedy and disaster ahead in those countries where the trouble-making communists have been allowed to multiply like rabbits.

Too many of our American young folk have been influenced by these lazy communist ideas.

My heart bled for the future of this country when I observed for 21 days, while crossing the Atlantic in a Liberty ship last year, our fine-looking merchant seamen loafing on the job, talking openly of cheating the steamship company out of the maximum of overtime, selling American priority goods from the ship to the black market overseas at exorbitant prices and planning a Maritime strike, as soon as they got home, for higher wages.

I watched one boy paint the captain's dining room, which was about the size of the Post Chamber of Commerce Office. He spent two weeks dabbing paint on the four walls, work-

What Our Contemporaries Are Saying:

TRUMAN CHECKS UP—Of late we have been hearing quite a bit about the parity of prices on farm products being responsible for high cost of some foods. The president just cited two to show the utter folly of such a statement. He said that the parity price on wheat was around \$1.80 per bushel, and it was bringing around \$2.50, the parity price on pork was a bit over \$14, he stated, and hogs were selling for \$25 on the market. Then he went on to state that the United States was the only country in the world with more food than its people can use, and that the rest of the hungry world is a prospective buyer. So, as Mr. Truman concluded, it boils down to the age old condition of supply and demand.—Terry County Herald.

ing only when he heard the captain's footsteps approaching. The rest of the time he was refereeing the gin rummy game that I played every day with my Greek-speaking cabin mate. He worked overtime in order to finish his painting on schedule, collected time and a half.

My cabin mate and I, the only women on the ship, dawdled over our coffee every morning at breakfast, for possibly an hour after eating, because we had nothing else to do. We didn't learn until the day we docked that the mess boy had been making an extra 85 cents an hour for pouring two cups of coffee for us after the appointed breakfast time and cleaning up our table after we left. The boy admitted they didn't want to tell us that, because they delighted in seeing the mess boy get to the steamship company for that extra money.

These boys belong to a union which has a contract providing for extra pay for every minute of "work" turned in after designated hours. I'm not fussing at the union or about the contract, but I resent the fact that our American boys will take advantage of their position to "rock" their employers.

It smacks too much of the lawlessness and lack of morals that I witnessed in the communist-influenced Balkans where everybody, except a few, seemed to think the world owes him not just a living but an expensive one.

STAY WITHIN REASON—It is rather odd to note that the advocates of a huge increase in state taxes in the Texas Legislature, who have been loudly preaching the same doctrines that the people rejected last summer when they rejected Dr. Homer Rainey for governor, are singing an entirely new tune.

They are pointing to their own clamor for new taxes on natural resources, that already are heavily burdened, as proof that Dr. Rainey was right and Governor Jester was wrong.

Impartial observers say there can be little doubt about what the people voted for in the primaries last summer. They voted for the Legislature to provide for the needs of the state—both new and old—and to be confined within the existing revenues of the state government.—The Scurry County Times.

BI-FOCALS—Editor Jackson of the Slaton Slatonite has this to say about his new bi-focals—"Speaking of glasses, this is the first pair of bi-focals I have ever worn and I believe they should be renamed no-focals for to me they are the most confusing things I have ever tried to wear. There is just one place where I can hold a book or newspaper so that I can read at all and most newspapers are so bulky that it is hardly worth while trying to find out what is going on and as I have lost interest in love and kisses, I don't care anything about reading books

so I go around in a kind of dim world and if I want to read anything I put it right up under my nose so that I look like I'm reading the news instead of it, and a lot of it stinks.

### Cub Scout Pack Holds Exhibit Of Collections

Collections of coins, bird eggs, notebooks, plaster casts of animal tracks and other objects were exhibited by the local Cub Scout collectors at a meeting of the Cub Scout Pack last Thursday night at the City Hall. An enthusiastic group of parents and boys were present.

Awards were presented, as follows:  
Marty Reynolds, Bob Cat; John Bill Evans, Wolf; Donald Moore, gold and silver arrows for his Wolf badge, and Leonard Short, gold arrow for his Wolf badge, all of Den I; Don L. Dale, Wolf, and Bobby Dunlap, Bob Cat, both of Den II.

John Lott, who presented the

### GARZA COUNTY FOLK URGED TO JOIN FLY KILLING -- DDT DRIVE

A nation-wide drive is underway to kill out millions of pests that have been hampering health since Adam and Eve. Flies are the pests, and DDT is the weapon.

Launched by the U. S. Department of Agriculture, the drive is being taken up in the Lone Star State by the Texas A. and M. College Extension Service. Extension entomologists state that the people of Texas, both rural and urban, never before have had the chance they have this spring to make war on flies. DDT has proved itself as a fly-killer.

Miss Jewell Hipp, county home demonstration agent is urging the people of Garza County to start their drive on killing flies as soon as possible.

Most recent research has shown that the worst of the disease-carrying flies can be killed by spraying DDT around the places where the flies rest. The entomologists are not only asking farmers to use the DDT around sheds, barns, pig pens and cow lots, but Miss Hipp says they are also urging city officials to spray garbage cans, curbs and gutters, stock yards and other places where flies swarm. In the home, 2 1/2 to 5 per cent DDT is effective against house-flies.

"The more people get in the fight against flies early in the season, the less bother they'll have with the flies this summer," the entomologist say.

### CUB SCOUT PACK TO BE CONCESSIONAIRE FOR CALF ROPING ON MAY 18

Members of the Post Cub Scout Pack will be in charge of the cold drinks concession at the May 18 calf roping match between Lanham Riley of Snyder and Sonny Edwards of Big Spring, the Post Stampede and Rodeo Association announced this week.

Awards, expressed appreciation for the parents without whose cooperation, he said, the boys could not have earned the awards.

The attendance flag for April was presented to Den II.

Jess Wright, the new cubmaster, was introduced and received with a hearty welcome. Dr. Glenn Kanler, representing the Post Chamber of Commerce, accepted the pack's charter. The chamber of commerce, as the pack sponsor, will keep the charter.

### Local VFW Post Contributes To Texas City Fund

The John Miller Post of the Veterans of Foreign Wars, at its meeting last week, arranged to send a \$50 contribution to Texas City disaster relief. The check was sent to Walter J. Gates of Galveston, quartermaster for the Texas V.F.W., along with similar contributions from many hundreds of posts over Texas and the nation. More than 30 members of the Texas City VFW Post were killed in the explosions and many other members were left homeless.

The following delegates, all new officers in the post, were named to attend the district meeting in Lubbock May 17 and 18: D. B. Billings, Lloyd Shedd, W. E. Davies and L. F. Short. Alternates are John P. Rogers, Clovis Tucker and Charles W. Wood.

George A. Mize and W. Paul Simpson were received as members. The following appointive officers were named for the year:

Adjutant, J. W. Henderson; officer of the day, Adrian O. Cook; sergeant major, Bob Poole; quartermaster sergeant, Marvin Bowen; patriotism chairman, John P. Rogers; legislative officer, Jimmy Hundley; guard, R. Jones; color bearers, Leslie H. Hill and Billy Lester; post historian, John Shedd; bugler, H. R. Ricker, and service officer, Harold Voss.

It was announced that the VFW softball team is working out on Mondays and Fridays from 5.30 until 7.30 p. m.

The next meeting will be held at 8 o'clock the night of May 8.

### JAMES STALLINGS WILL TAKE JOB IN LUBBOCK

James Stallings, who has been traveling the past year for the Dallas Photo Supply Company, will become manager of the photographic and jewelry departments of the new Sears-Roebuck store in Lubbock on May 1.

After spending last weekend in Post with his wife and son, who have been visiting here several weeks at the home of his parents, Mr. and Mrs. J. A. Stallings, he returned to Dallas Monday to finish his business with the Dallas firm.

### JESS BARNES RETURNING TO POST AUTO COMPANY

Jess Barnes, who left here last January to work as a mechanic for the Kuykendall Chevrolet Company in Lubbock, has moved back to Post and will be associated as shop manager with the Post Auto Supply which is owned by Noah Stone. He will assume duties Monday.

Barnes was associated with the Post Auto Supply before going to Lubbock. His wife formerly was employed at Herring's. They have many friends and former clients in Garza County who welcome them home.

### FLAME RESISTANT FINISH

Government and industrial research have developed flame-resistant chemicals that may be applied to fabrics to cut down danger of household fires.

Miss Jewell Hipp, county home demonstration agent, says that fire-resistant draperies, rugs and upholstery are in prospect as a result of the new development.

The problem of fire-proofing ironing board covers is still unanswered, however, since the heat of the iron will break down the flame resistant chemical covering.

Oxygen is the most abundant among the 92 elements in the things which man uses.

**Bits Of News:**

While Arthur Turner was seriously ill recently in Rotan and Dallas hospitals, his friends and neighbors on Route 3 did him a good turn by plowing his land and his garden. Mr. Turner has now returned to his home.

Mrs. M. C. Smith of Blackwell, Okla., is visiting in the home of Mr. and Mrs. Arthur Turner on Route 3.

Charles Wood, son of Mr. and Mrs. Dick Wood, has been employed as an outside man for the Community Public Service Company to replace Howard McCampbell, who resigned after two years of service.

Mrs. and Mrs. C. M. Voss left Tuesday for a week's trip in Big Spring, San Angelo and Junction. In Big Spring they visited Weldon and family. They were guests of the W. G. Voss family in San Angelo and this family joined the Post couple for a short visit to Junction with Thomas Voss and family. While in Junction they enjoyed a very pleasant fishing trip. They returned to Post Monday.

Mrs. Dovie Davies who has been quite sick is showing some improvement the last few days, members of her family report.

Mrs. L. A. Pirtle who has been in Abel Sanitarium in Lubbock came home Monday. She is feeling much better, it was learned.

Talented Lois Herring, to be accompanied by Clint, is looking forward to a short vacation in Dallas this week end where she will attend the Metropolitan Opera Company's presentation of the opera "Boris Goudonov." Lois, a member of the Lubbock Symphony orchestra, who spent many hours recently in practice for the closing program of that organization on Tuesday night in the Lubbock Senior High auditorium, is excited as are other opera fans in this area over the opera series being presented in Dallas.

The Herring's cute little daughter, Jan Paula, is enjoying a visit with her grandparents in Plainview this week.

**NEW ARRIVALS**

A son, weighing 5 lb., 11 1-2 oz., was born at 7:01 p. m., April 23, to Mr. and Mrs. K. E. Warshaw of Calgary in the Lubbock Memorial Hospital.

A boy, weighing 6 lb., 10 1-4 oz., was born to Mr. and Mrs. A. W. Bratcher at 2:31 a. m. Friday morning at the Lubbock Memorial Hospital. Mrs. Bratcher is the former Miss Joy Carpenter.

A daughter was born to Mr. and Mrs. Robert Mock of Route 1 at 11:32 a. m. Saturday in the West Texas Hospital at Lubbock. The baby weighed 7 lb.

**TANK BUILDING—**

(Continued From Front Page) already is old enough to show results: Cattle are fatter because they don't have to walk so far to get water, and ranchers with adequate tanks no longer have to ship their cattle away in dry seasons.

Garza County, Custer says, is fortunate in having the necessary amount of drainage areas in its ranch land below the plains. The tank building program is not practical on the plains because of lack of natural drainage.

**POLIO AWARENESS—**

(Continued From Front Page) home demonstration clubs are having in Post, Mrs. Kirkpatrick said.

The local Infantile Awareness campaign was planned during a recent visit here of Mrs. Pearson of Abilene, the National Foundation's area director. The information to be distributed has been sanctioned by Dr. D. C. Williams, Garza County health officer.

The material, which is to be distributed in pamphlet form, discusses prevention and treatment of the dreaded polio disease and describes the work of the foundation. No attempt will be made to raise funds for the work, as this year's polio campaign already has been conducted in Garza County, the chairman explained.

About 25 pounds of feed are required to develop a pullet to the laying stage.
