Popular Evangelist And Gospel Singer To Return For Revival

Gerald and Joe Trussell, evangelist and gospel singer respectively who broke all records in local Baptist history for drawing crowds at the revival meeting here last spring, will begin another eight-day revival at the First Baptist Church Sunday morning. Services will be held at 10 a. m. and 8 p. m. daily, except for the 11 o'clock Sunday service.

The Rev. Huron A. Polnac, pastor, said that 386 people attended services the first Sunday of last year's revival and that 421, a record for all time, attended the last day's service. Two hundred eleven people, a record for a week day morning service, attended one Friday morning during last year's revival. Greater crowds are expected for this year's services, the minister said.

Joe Trussell, who is considered one of the best gospel singers in the Southern Baptist Convention, has been in Post several times, assisting with revivals. He assisted with a Baptist revival in Lubbock this spring and frequently has assisted with meetings in Dallas, Houston and others of the largest Southern cities. He combines an excellent personality with a good, professionally trained voice.

His brother, the Rev. Gerald Trussell, was a student with the Rev. Mr. Polnac at the Southwestern Seminary in Fort Worth. The two stay booked a year in advance for revival meetings and other appearances in Baptist Churches of the South. They were engaged last spring for this year's revival here.

H. H. Foster Is Taken By Death Thursday Night

H. H. Foster, a resident of Post for 34 years, died at his home at 7 o'clock last Thursday night after a long illness.

A native of Hood County, Mr. Foster came here as a farmer but had been retired for a number of years. He was a member of the Masonic Lodge.

The Rev. Huron A. Polnac, pastor of the First Baptist Church, officiated at the graveside funeral service at 4 o'clock Friday afternoon. A Masonic burial service was conducted in Terrace Cemetery, Mason & Company was in charge.

Pall bearers were Ray Smith, Lee Bowen, Dean Robinson, John Cearley, Harold Voss and O. C. Chapman.

He is survived by his wife, a son, J. D. Foster of Post; three daughters, Mrs. H. B. Hankins of Lubbock, Mrs. Sena McNeil of Williams, Ariz., and Mrs. Raymond Redman of Post, and seven grandchildren.

Out-of-town relatives attending the funeral were Mr. and Mrs. Hankins and two daughters and son; F. R. Payton of Stanton, and Mr. and Mrs. F. M. Payton of Hobbs, N. M. E. W. Payton of Ft. Worth, a brother-in-law, started to Post but encountered automobile trouble en route and was unable to complete the trip.

Close friends from out-of-town attending were Jeff Music and Mrs. Erin Sadler of Tulsa and six or seven cars of Lubbock friends.

Mrs. Foster went to Lubbock yesterday to spend a few days with her daughter, Mrs. Hankins and family.

GI Vocational Aggie Students Are Getting Government Equipment

Pro-rated equipment is now being issued to Garza County Vocational Agriculture students, Lewis Nance, coordinator, said this week.

Each student is allotted \$152 each fiscal year for the purchase of any equipment on the approved list, from a complete racket set to a pressure cooker, Nance said. The student can purchase the items at the rate of about \$12.50 a month or wait until his entire allotment accumulates and purchase needed equipment all at once.

Trainmen Find Severed Body Outside Post

The body of a 38-year-old man identified as Lee Wiltz of Port Arthur was found cut in two parts on the Santa Fe Railroad track a mile and a half south of the Post city limits early last Friday afternoon, by a south-bound train crew.

The body was severed about midway of the chest, and the head was found on the outside of the tracks and the rest of the body between the rails.

County Judge J. Lee Bowen, who conducted the inquest, was accompanied to the scene of the accident by J. A. Stallings, local Santa Fe agent, County Attorney V. J. Campbell, Dr. A. C. Surman and Deputy Sheriff Fay Claborn. The doctor judged the man had been dead three or four hours.

No signs of foul play were to be found, Judge Bowen said. It is presumed Wiltz was killed when he fell off a northbound train.

Identification of Wiltz from Social Security and Selective Service cards and other papers found in his pockets was verified that night by his brother, F. W. Wiltz of Port Arthur, whom Judge Bowen contacted through the assistance of the Port Arthur sheriff.

The brother authorized shipment of the body to New Iberia, La., for burial.

Investigation by Judge Bowen showed that Wiltz had traveled from Houston to Hermleigh by train to go to work for a Santa Fe work gang, but had not started to work when he caught another train coming toward Post. Bowen also learned that Wiltz, who was separated from his wife, is survived by two children.

Last Half Mile Strip Of Highway Is Being Cut

Construction of the last half mile of road base and permanent drainage on the eight mile strip of farm-to-market road which was begun several months ago, got underway the first of the week when equipment started moving dirt along the roadway through the townsite.

The road connects with federal highway 380 one block east of the Santa Fe railway, runs parallel with railway for about two miles, and then follows the old Post-Rails route to Yellowhouse River. Considerable delay in construction of the road was encountered by the contractor, Holland Page of Austin, when it became necessary to change the channels of several creeks along the route. The contract required the moving of several thousand yards of dirt from the creeks in addition to straightening and leveling the wide road bed.

The work progressed to the north city limits of Post two weeks ago after clearing the right-of-way through the town, grading got underway and will be finished within a few days.

All of the concrete bridges have been completed, and washed-gravel to form the base for the hard-surfacing is being placed on the north end of the road by this time. Approximately three miles of the strip had been covered the first of the week.

The eight-mile strip is expected to be completed within the next sixty to ninety days.

GEORGE M. BOLES HAS DOUBLE ANNIVERSARY

George M. Boles, who moved from Garza to Lubbock County in 1888 and has lived in Lubbock County longer than any person alive today, celebrated his 81st birthday Sunday. The occasion also was the 56th wedding anniversary of Mr. and Mrs. Boles, who live on the Buffalo Lakes road, six miles southeast of Lubbock.

Before 1888, Boles lived in Garza County three years before joining the late R. C. Burns in operation of the Western Land and Livestock Cross C Ranch, southeast of Lubbock.

COUNTY 4-H BOYS TO LEND HAND—

Contestants' Horses At Rodeo Have Caretakers

COUNTY RED CROSS IS TAKING RELIEF MONEY FOR DISASTER AREAS

Voluntary Red Cross contributions for the relief of Texas City explosion and Texas and Oklahoma tornado sufferers will be accepted by the Garza County Red Cross Chapter, Lewis Nance, fund chairman, has announced.

The contributions may be made to Nance; T. L. Jones, chapter president; or Ira Lee Duckworth, chairman of the greater gifts committee of the local chapter.

Voluntary contributions will supplement the \$250,000 already set aside by the American Red Cross for disaster work in Texas City, a telegram to Jones from John C. Wilson of the Midwestern Area Office in St. Louis said.

The Red Cross was formally placed in charge of relief in the state's disaster-stricken areas by Governor Beauford Jester.

Garza County 4-H Club boys, in a meeting Saturday at the Post High School building, elected a committee to work with the Post Stampede and Rodeo Association in assisting with the care of cow-girl sponsors' and contestants' horses during the rodeo June 11-14 inclusive. The committee consists of Gene Carpenter, Carter Gene White and E. P. Wicker, Jr.

The 4-H boys of the county will work at the place designated for stalls, feeding and in other ways caring for the horses for the \$4.00 stall fees. Proceeds from the project will be used to buy rifles so that the 4-H boys of the county can organize a Junior Rifle Association and affiliate with the National Rifle Association, County Agricultural Agent D. F. Eaton said this week.

See Color Film

One hundred forty-seven 4-H boys and girls attended the Saturday meeting, which was called primarily for the showing of the color film, "Treasure Island," which Eaton said is one of the best films ever made regarding 4-H club work. It was filmed in Georgia by the Extension Services of Texas and six other southern states.

The film subject embraced community service, health, morals, manners and other angles of 4-H work among boys and girls, the agent said.

The girls attending the meeting requested that they be included in the 4-H Club Products Show to be held in October. The request was granted and the girls made plans to elect a committee in the near future to work on exhibits and other arrangements, pertinent to their part in the show.

At the request of the Post Chamber of Commerce, which will finance the show this fall, the following committee of boys was elected to start making arrangements immediately:

To Arrange Lists

Carter Gene White, general chairman; E. P. Wicker, Jr., vice chairman; Gene Carpenter, chairman of buildings and pen arrangements, and Donald Carpenter, R. E. Josey and D. C. Taylor. This committee and the girls committee, in addition to other duties, will have the job of arranging the premium lists.

Sherrill Boyd, representing the Post Chamber of Commerce, presented ribbons—which just recently arrived here—to winners of last fall's show.

At the conclusion of the meeting, the boys made plans for the organization of their rifle club as soon as their rifles can be obtained. They discussed the national contest which is to be held next year at the Aberdeen Proving Ground in Maryland. Contestants will be winners of the various state finals.

BENDIX WASHING AND IRONING CLINIC WILL BE HELD HERE MAY 2

Owners of Bendix washing and ironing equipment and others interested are invited to a Bendix washing and ironing clinic to be held May 2, beginning at 3 o'clock in the afternoon, at the Mason & Company store.

The clinic will be conducted by Miss Sue Herndon of Abilene, factory-trained Bendix home specialist. Coffee and doughnuts will be served to the guests attending. Miss Herndon will be in the Mason & Company store all day.

The Bendix demonstration is one of several special events planned in celebration of Mason & Company's 32nd anniversary on May 4. A deep freeze clinic will be held as soon as the equipment arrives, and the store has announced an anniversary sale which is to begin on April 28.

Station Equipment Sold By Melvin Hill

Melvin Hill, who has been operating the Lakeview Service Station in south Post, on Highway 84, sold his equipment Tuesday to Bill Windham, who will operate the station and continue to sell Magnolia products. The station is leased from J. N. and Tom Power.

Full Schedule For May Seen In HD Report

County Council Hears Plans Of Committees

A full schedule of activities for May were discussed and reports and requests of standing committees were heard at a meeting of the Garza County Home Demonstration Council at the court house Saturday. The May events will include:

May 10, a district meeting of the Texas Home Demonstration Association in Levelland, which approximately 35 Garza County clubwomen are planning to attend.

May 12, meeting of county home demonstration women and 4-H girls with the county commissioners court to report club accomplishments and activities since the clubs were reorganized in December, 1946, and discuss future plans.

May 17, all-day council meeting and officers training school in Post. A picnic lunch will be served at noon, with county commissioners and their wives and several guest speakers as guests. The day's program will include a movie on nutrition, and a Social Security film to be shown by Elliott Adams of the Social Security Board at Lubbock.

Highlights Listed

Highlights of the standing committee reports and / or requests follow:

Recreation: Recommended that each club include a 10-minute recreation period in each meeting's program; announced that the committee will provide two games a month to clubs desiring them and is mimeographing a song sheet for the use of the clubs.

Year Book: Appointed Mrs. W. B. Sanders of Close City and Mrs. Byron Haney of Barnum Springs to the committee.

Expansion: Asked that each of the 62 home demonstration clubwomen visit one non-member between now and May 1 to explain club work and invite membership.

Finance: Recommended that the clubs sponsor a fall bazaar for the sale of handwork, canned products, eggs, butter, milk, dressed fryers, etc., and, at another time of the year, a rummage sale to raise funds for the following projects:

1. Ribbons for the Women's Clothing Rally to be held in August.

2. The Fall Harvest Show.

3. Sending three voting delegates to the Texas Home Demonstration Association meeting next fall.

Store Exhibits Suggested

Exhibits: Requested each club to report plans for the Fall Harvest Show exhibits at the May council meeting; suggested that each club prepare an educational exhibit which may be placed in Post store windows for about three days.

Marketing: Mrs. Wilburn Morris was appointed chairman of the committee to succeed Mrs. W. C. W. Morris who resigned because of living too far away; the committee discussed two cooperative buying projects, and asked the clubs to take orders for pineapple from Laredo and down satin at their next respective meetings. The pineapple is to be bought for canning and the satin is to be used for wool and feather quilts, house coats, draperies and bedspreads.

Four-H Sponsors: Announced that the 4-H Products Show, formerly a boys club event, will be open to the 4-H girls this year and that the sponsors committee and girls' 4-H council officers soon will work up a list of articles to be exhibited and meet with the Post Chamber of Commerce, which sponsors the show, to complete details of the girls' participation.

The council voted to pay expenses of the county home demonstration agent, Miss Jewell Hipp; the council chairman and three voting delegates to the May 10 meeting in Levelland.

NEW ARRIVALS

A son was born to Mr. and Mrs. E. E. Gradine of Lubbock at 4:22 a. m. Tuesday in the West Texas Hospital in Lubbock. The mother is the former Miss Bernice Crisp of Post.

A daughter, Sandra Bernice, was born at 3:45 a. m. Wednesday to Mr. and Mrs. Roy Gary at their home here. She weighed 8 lb., 12 oz.

SPORTS

FROM A STRICTLY LOCAL ANGLE

Locals Journey To Sundown Sunday For Second Tilt Of Oil Belt Loop

Manager Polly Duren will take his Post semi-pros to Sundown next Sunday to try and even up a league standing with the boys he managed to edge out in a pre-season game here several weeks ago. Like the locals, who lost their first Oil Belt league try last Sunday when they bowed to Seminole, 1-3, the Sundown boys are in the cellar having lost a one-sided affair to Levelland, 18-7.

The home boys crowded out Sundown, 7-6, when they came here April 6 for a practice tilt, after using all comers, including several local high school boys. Sundown likewise threw all of their players into the play, and from the close game played here fans are looking forward to another tight game this coming Sunday.

Duren said this morning he would start Big Ed Altman on the mound next Sunday and would likely use most of last Sunday's nine who faced Seminole. Very few changes were made in the line-up last Sunday, with the infield going the full nine innings. Thomas, who still shows a slight limp after being out of play most of last season with a broken ankle, held down first, Joe Randall took care of second, Joe Boren covered third, and Walter B. Holland held down short stop. Altman was relieved at the end of the sixth by his brother, James, and Dan Altman, who caught Ed, gave over to Glenn Norman when Ed pulled out. Two changes were made in the outfield late in the

game. Demos Altman gave over left field to Martin, and Peel turned over right field to Gilmore.

The other two games of next Sunday's schedule will find Levelland moving in on Slaton, and Seagraves going to Seminole.

Results of last Sunday's Slaton-Seagraves game was not known here Wednesday afternoon.

INTRA-SQUAD GAME FRIDAY NIGHT WILL CLOSE GRID TRAINING

Blocking has been the chief aim of this week's final round of Antelope spring training—Coach Bingham didn't like the blocking at last Friday night's Antelope-Exes clash.

The Coach has also been drilling the boys on ball handling, as several fumbles were marked up during the game, and putting them through the paces in correcting other mistakes he noted during the game.

Friday night an intra-squad game will mark the close of the 5-weeks of spring training. The game will be unreeled at 8 o'clock at Antelope field.

Monday afternoon the squad elected Roy Williams and Shorty Hester to pilot the 1947 team as co-captains. Both Williams and Hester were captains last season.

Graham Takes Top Honors In Play Events

Large Crowd Sees School Events At Close City Friday

Approximately 250 people attended the Garza County Rural Schools Play Day last Friday at Close City. All rural schools of the county, except Grassburr, had entries in the various contests.

Graham was high point school with 39 points; Close City was next with 20 points. Garnolia won 19 points and Justiceburg 10. Following is a list of winners by schools, as reported by the directors of various events:

Close City

Lorrye Lou Livingston, first place, fifth grade declamation; Corene Richardson, first, seventh grade declamation; Anna B. Carey, third, fourth grade declamation; Mary Ann Davidson, third, eighth grade declamation; Hazel Shults, first, fourth grade spelling; Virginia Carey, first, seventh grade spelling; Oneita Jones, third, third grade spelling; Patsy Shults, third, fifth grade spelling; Laverne Furr, third, sixth grade spelling; Bobby Tegry, third, eighth grade spelling; Gordon Carey, third; essay; Allen Maddox and Mollie Washburn, third, number sense; Madaly Sanders, third, third grade story telling; Gordon Carey, first, broad-jump; Gordon Carey, first, high jump; Mollie Washburn, first, girls single tennis; Gordon Carey, second, boys single tennis; Bobby Terry and Allen Maddox, first, boys double tennis; Mollie and Cordelia Washburn, second, girls double tennis, and Gordon Carey, first, 100-yard dash.

Garnolia

Lue Ella Parrish, first, eighth grade declamation; Charles Winkler, second, seventh grade declamation; Beuna Welch, third, sixth grade declamation; Billie Jean Jackson, first, fifth grade spelling; Ladelle Owens, first, sixth grade spelling; Tommy Jo Murray, first, third grade spelling; Betty Sue Clabourne, second, fourth grade spelling; Noel White, second grade spelling; Lue Ella Parrish, second, eighth grade spelling; Shirley Young, third, seventh grade spelling; Lue Ella Parrish, first, essay; Billy Guin Jones and Lue Ella Parrish, second, number sense; Bryan Williams, third, first grade story telling; Shirley Watson, third, second grade story telling; Roy Josey, third, broad jump; Garnolia team, third, boys relay; Dot Jones, third, girls 50-yard dash; Hazel Thomas, first, girls 100-yard dash; Garnolia team, first, girls relay.

Graham

Katy Lou McClellan, first place, fourth grade declamation; Lenona Stone, first, sixth grade declamation; Jeraldine Etheridge, first, seventh grade declamation; Dolores Hill, second, fifth grade declamation; Joan Shepherd, second, eighth grade declamation; Jean Lofton, first, eighth grade spelling; Daymond Etheridge, first, second grade spelling; Wyvone Etheridge, second, fifth grade spelling; Lenona Stone, second, sixth grade spelling; Jeraldine Etheridge, second, seventh grade spelling; Clara Ferguson, third, third grade spelling; Elvie J. Peel, third, fourth grade spelling.

Bill Jones, first place, first grade story telling; Auvy Lee McBride, first, second grade story telling; Jimmie Dale Peede, second, third grade story telling; Jeraldine Etheridge and Jean Lofton, first, number sense; Nelta Oden, second, essay; Donald Hare, second, high jump; Dick Crockett, third, high jump; Dick Crockett, second, broad jump; Donald Hare,

Southland. Leonard Anderson, manager of the Southland club, attributed the winning to "Babe King's superb pitching."

Antelopes Upset Dope Bucket To Beat Exes, 19-0

Post Antelopes up-set the dope bucket by taking a 19-0 win in the annual Antelope-Exes game Friday night at Antelope field. The Exes, drawing material from this year's Senior class as well as graduates of several years back, didn't run away with the game. It was the Antelopes all the way through, and only one time did the Exes get in scoring position.

After coasting through the first half without causing the Exes any serious threats, but playing good defense ball, Coach Bingham's charges came back in the game at the half and banged over a counter on the third play. It was a beautiful pass Junior Malouf took from Pleasant Hill in the open field to be free to trot fifty yards to cross the pay stripe. Hugh Ingram's kick for point was blocked.

Shorty Hester scored the second counter on a line play and crossed the goal standing up. R. E. Josey plunged for the extra point. The last touchdown was scored by Josey on a 15-yard pass tossed by Hill.

The Exes lost their chance for pay in the second stanza when Bingham ran in his first string bunch to hold the play after the second string boys had allowed them to penetrate to the one-yard line. The Exes tried hard to cross the pay stripe but did on the 1-yd line. Malouf booted out to put the Antelopes out of danger.

Following the game Bingham had high praise for five new boys who showed up well in the play. He was especially please by the work done at tackle posts by Maurice Steltzer and J. W. Goss. Roy Teaff, another new comer, did all right at guard and Billy Holley showed up well at center. Kay Kirkpatrick took the Coach's eye at a halfback position, as did Bob Johnson at an end post.

The game was well attended by fans.

third, broad jump; Rex King, second, 100-yard dash; Rex King, first, 50-yard dash; W. O. Fluitt, Jr., second, 50-yard dash; Pat Stevens, third, 50-yard dash.

Glenda Oden, first place, girls 50-yard dash; Juanella McClellan, second, girls 50-yard dash; Marcelene Oden, first, girls 100-yard dash; Glenda Oden, first, girls high jump; Nelta Oden, second, girls high jump; Joan Shepherd, third, girls high jump; Glenda Oden, first, girls broad jump; Jean Lofton, second, girls broad jump; Graham boys team, first, relay; Graham girls team, third, relay; Ronald Joe Babb, first, single tennis; Pat Stevens and Ronald Joe Babb, second, double tennis; Glenda Young and Juanella McClellan, first, double tennis; Juanella McClellan, second, single tennis.

Justiceburg

Gloria Tijerina, second place, fourth grade declamation; Janice Lobban, second, sixth grade declamation; Mary Smith, third, fifth grade declamation; Lee W. Sullenger, second, third grade spelling; Dickie Beggs, first, third grade story telling; James Brice, second, first grade story telling; Sydna Lee McLaurin, second, second grade story telling; Justiceburg boys team, second, relay; Justiceburg girls team, second, relay; Olga Fijerina, third, broad jump.

Mrs. Pearl Davidson, principal of the Close City School, reported that all seventh grade spelling contestants made one hundred per cent. Lack of time prevented the playing of all the ball games. These will be played at a later date, Mrs. Davidson said.

Locals Give Up To Seminole In First Of Ninth

A pitcher-catcher blow-up in the first of the ninth, allowing Seminole to score two runs, broke up a good ball game last Sunday afternoon in the season's Oil Belt league opener.

The game for the first six innings was a pitcher's battle, with Southpaw Ed Altman taking down ten batters with strikeouts, and allowing only four hits. His opponent, tall, lanky Johnson, pitched fine ball for the visitors, giving up 5 hits and taking 3 strikeouts. Altman gave over the mound in the seventh to his brother, James, and Johnson turned over the Seminole pitching to Lancaster. James gave up 3 hits and Lancaster 1.

Summary—Post scored 1 run in the fifth; gave up 7 hits; 2 errors, made by James Altman and Norman; and had 9 men die on bases.

Seminole scored 1 run in the fifth, and 2 in the ninth; gave up 6 hits; counted 3 errors, made by Garwin, Brown, and Burris; and had 6 men left on bases.

The box score follows:

POST—	AB	R	H	Po	A
Demos Altman, lf	3	0	0	1	0
Martin, lf	1	0	1	0	0

Mary Rocha and children left for their home in Phoenix, Ariz., Saturday after visiting her parents, the Juan Reyes, here for the past three weeks.

Supt. Hewlett Resigns
Supt. J. P. Hewlett has resigned his position here to move to Wil-son as school superintendent there next year. He and his family will be greatly missed in this communi-ty.

"What a Family," the Senior play was well attended and was enjoyed by all. Don't forget the box supper to be held Friday night at the high school auditor-ium.

Edd King and son, Leslie, at-tended the auction sale in Plain-view Friday and came home with \$285 that they received for one cow.

The Whiteds visited Mrs. Mary Jane Gray and her mother at the Lubbock Memorial Hospital Sun-day. Mrs. Gray's aged mother is a patient there after having broken her hip several days ago.

Mr. and Mrs. J. F. Winterrowd left last week for New Jersey to meet their son who arrived there from Germany where he has been with the occupation forces. They are expected home within a few days.

Arthur Smallwood went to Abi-lene Thursday to have his in-jured hand checked. Although he is doing nicely, he is to have an-other operation in about two months.

Mr. and Mrs. C. W. Dean re-turned from Port Rock where they spent the winter.

Lucky People
The Alford Basingers are sport-ing a new car.

Mr. and Mrs. Clifford Weaver and son and Mrs. Weaver's niece and family of O'Donnell went to Lake Sweetwater over the week-end on a fishing trip. They were met here by Mr. and Mrs. Fred Cockrell, Mrs. and Mrs. Zeke Thompson, and the Driver family all of Cisco.

Mr. and Mrs. Vernon Fry of Sweetwater made a business trip to Lubbock Thursday stopping here on their way home to visit her sister, Mrs. Walter Kellum, and family.

Don Whited, son of the Herman Whiteds of Odessa, had the mis-fortune of his 22 rifle accidentally going-off and injuring his foot, last week.

Mr. and Mrs. W. H. Fletcher of Plainview and Mrs. Frank Fletch-er and daughter of Wilson spent Thursday here with the Truelocks.

Mr. and Mrs. J. R. King visited his parents, Mr. and Mrs. R. E. King of Plainview, over the week-end.

Mrs. Jack Meyers had the mis-fortune of losing her purse at Ralls Friday. The purse contain-ed some money, valuable papers and her glasses.

Mrs. Marvin Truelock was greatly relieved when she received word from her brother, Frank Fletcher who is employed with a newspaper in Texas City, that he did not get a scratch during the recent disaster there.

Lehman Barkley who is em-ployed on a dairy farm near Sweetwater was home Friday night and attended the Senior play.

Vacation Bible School
As soon as the present school term is ended, the Methodists will conduct a vacation Bible school. Prospective students are urged to make plans to attend now.

The Rev. Emmett Brooks preached here Sunday morning and left that afternoon for Win-gate where he is helping in a re-vival this week. He will be here for the evening service Sunday. He was accompanied by Wingate by his daughter, Laverne.

The Rev. Mr. Harmonson will fill the pulpit at the local Baptist church Sunday in the absence of the Rev. Mr. Brooks. On the week following the pastor's return a Sunday School study course will begin.

The monthly social of the Methodist Young people was held at the school lunch room Tuesday night. A large group attended and everyone present spent an enjoy-able evening.

WE DELIVER

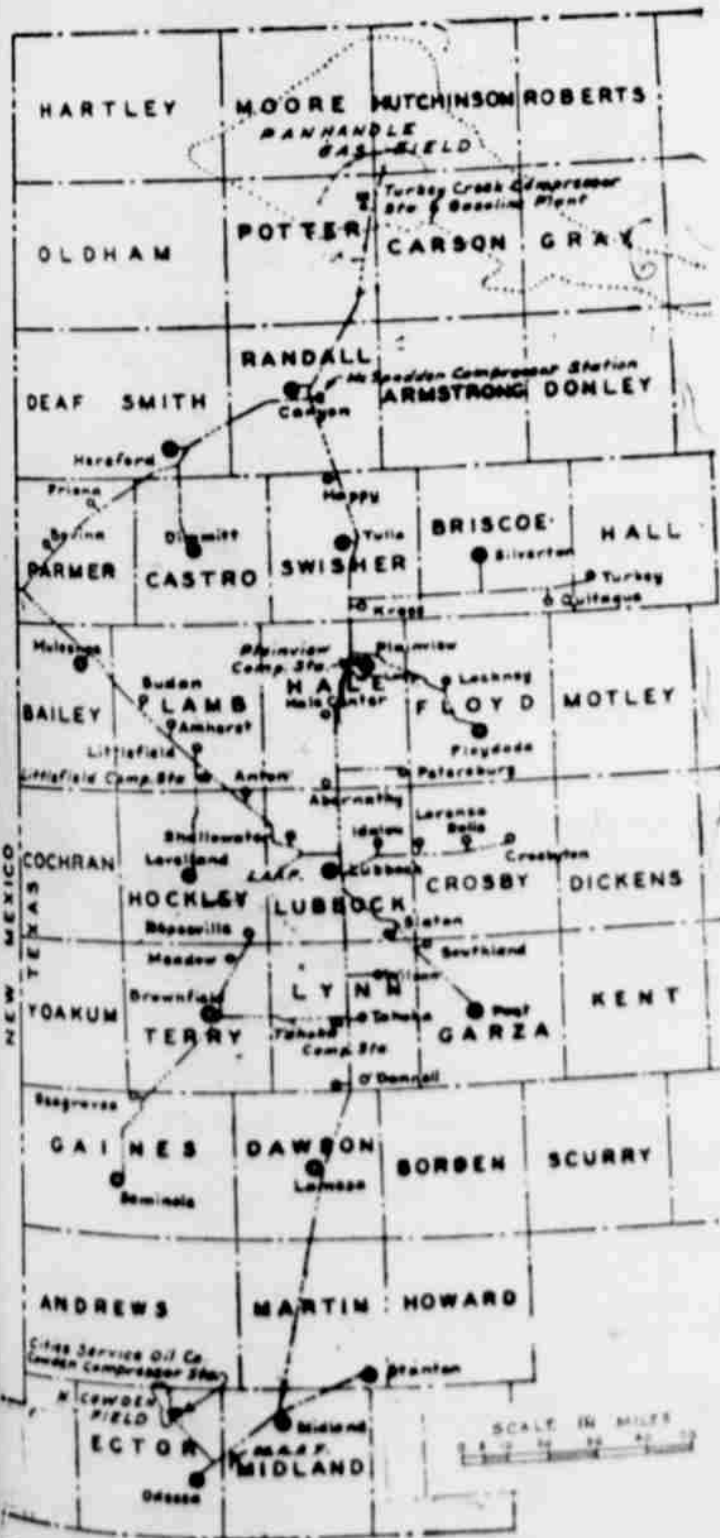

This Month We Commemorate Our First

Twenty years in west Texas

Counting from the founding of our company, we mark our twentieth birthday this month—on April 14, to be exact.

We mention our birthday, not because we feel deserving of any particular acclaim for having attained twenty years of age, or for having served well for nearly that long. Rather, we mention it because these twenty years have witnessed such a tremendous development of the territory we serve. We believe it's the fastest-growing part of the nation. And we sincerely believe, too, that the availability of good Natural Gas Service is contributing substantially to this rapid development.

We express our appreciation for the thousands of fine friendships that have grown up between us and the people of west Texas. We shall strive to hold and deepen these friendships, and to make many more, during our next twenty years.

The above map shows the area we serve. "Fastest-growing section of the U.S.A."

Dodson's

ROGER W. BABSON WRITES THIS WEEK:

45,000 Teachers Draw Less Than \$800 Per Year

Eureka, Kansas—When passing through the Great Central West—as I have the past week—the subject of general interest is not "crops" but rather "schools."

My western friends say: (a) Since 1940, 350,000 of the 875,000

public school teachers have left their blackboards never to return! (This figure does not include the normal turnover of another 75,000!) (b) Sufficient replacements are not being trained to fill these vacancies. (Only 20,000 of the 1,000,000 veterans in American colleges are attending teacher-training institutions.) (c)

While the teaching population shrinks, the pupil population increases. It is quite apparent, therefore, that something must be done quickly if we are to save our public schools.

The Crux of the Problem

Let us face facts. Truck drivers and garbage collectors make more money today than the average public school teachers with \$37 per week! The problem is primarily the need for a living wage for a professional class who have invested heavily in terms of time and money to prepare themselves for their "profession." We, moreover, have entrusted to them one of the most important tasks in a democracy.—developing the minds of the citizens of tomorrow.

It is a sad commentary on the

status of U. S. Public education when Russia spends 7.5% of its national income on its schools; Britain spends 3.5%; and the United States spends only 1.5% of its national income. Is it any wonder that the youth of our country are refusing to invest heavily in time and money to prepare for teaching when 45,000 teachers in more than 20 of our states earn less than \$800 per year?

School Politics

Who determines salary schedules, plots raises and educational policies, approves the hiring and firing of teachers in most communities? Usually it is the school committees. Too many committeemen have remained on the defensive with their apologies and alibis. The

excuses which they make for failure to meet the crisis run like this: "We must pare the budget; the taxpayers won't stand for increased taxation." or, "Let the teachers get jobs somewhere else if they don't like the way we treat them." I haven't heard very many of them soliciting the cooperation of the local press or meeting with the Parent-Teacher Associations to tell them why we must increase our budgets for the schools.

I'm wondering if all of us voters are not ultimately to blame for our present dilemma? We need on our local school committees more trained educators who know something about how a school should be run. We need crusaders anxious to fight for our schools and our teachers. We must cut

through politics and elect men with educational "know how" and have better school committees. In some cities the school committees are hot beds of politics. Out here in the rural communities a child has some chance of an education.

Schools or Roads?

Here is a suggested course of action which might well help in solving our problem:

(1) We must exercise our right to vote, particularly in the primaries, and see to it that our school committees are those who know something about the complex educational problems.

(2) We ought to support a good school committee in its every effort to raise not only the teachers' salaries but also the standards of the schools.

(3) Let us roast out those politicians who are looking primarily for personal glory and jobs for relatives and friends.

We ought to insist that an adequate amount of our gasoline tax goes to our schools. It is the younger generation who are paying the gasoline today. Let them repay for their education by a gasoline tax plus a larger tax on cigarettes, movies and night clubs. After all, it's not only the teachers who are suffering—it's our children and our very way of life. The Supreme Court has declared valid laws forbidding the sale of certain things to minors. Why not put an extra tax on unwholesome sold to minors and give the money to the teachers?

GETTING OUT

On The LIMB

By

EDDIE the EDITOR

Last week I suggested in this column that Post needs to enlarge its city commission. I do not know whether or not you agree with me, nor does it matter—I have a column to write and you have rights to your own opinions. I'll continue to shoot it, you disperse it, and we'll stir up enough interest in Post to know we have a city government. We can both agree on one thing—we need to take more interest in city affairs.

That some of our people are doing some sound thinking is evidenced by a conversation I had one day last week with one of Post's most useful citizens. His name shall not be mentioned at the moment.

First, our friend said he believed the city commission should be enlarged because it minimizes political pressure upon the transaction of the city's business. He also favors the division of the city into wards, and feels by so doing a cross section of the city would be represented.

"But said this man—and from here on I quote him: 'I think the town should be divided into three or four wards... this of course, has been done by many small towns operating under the mayor-commission form of government. Each ward should have at least two commissioners, one to serve for a two-year term and the other for a three or four year term, so that half of the commission would always remain over from year to year, balancing experience with new blood. The mayor's term would be for two years just as it is at present time.'

"Have the commissioners and mayor serve without pay. Why, I would be glad to serve on such a commission but you couldn't pay me enough to take a place on the city commission, or as mayor, under our present system. I'm not interested in anything except the welfare of Post, and I certainly would not want to be saddled with the responsibilities that you are now placing on the shoulders of three men.

"With the town divided into wards, and two commissioners from each, we would have a commission of from six to eight men—enough representation to get a cross-section of the city's interests. With such a body serving because of unselfish desire to serve, there would be no one or two individuals having full control of our city's affairs. Nor, could any one man or a few from the outside interfere with or control the city commission by intruding into the administrative area of the government.

"Another advantage to be gained by dividing the city into wards would be that residents of each ward could discuss their problems with their commissioners, who in turn could bring the matters more forcibly before the commission, instead of them having to go as individuals to commission meetings.

"I believe that such a commission could do a great deal for our city—our government would be more responsive to the people's will instead of tending to respond more to the desires of one group or another, or one individual or another. There would be less likelihood of interference by pressure groups because of the number of members with varied viewpoints on the commission.

"We have been getting along well enough in the past, but now that Post has growing pains let's help her along."

I would like to have some

Garza and the World

Editor's Note—The author of this column is a former Foreign Officer of the U. S. State Department. Her opinions do not necessarily reflect the opinions or policies of the Post Dispatch. The column is carried in the interest of applying world news to the situation here at home.

By EVELYN BOYD

If Henry A. Wallace is successful in making a communist union out of the United States, he is liable to lose the privilege of free speech which this democracy has been permitting him.

This writer, the last person in the world to be in favor of putting a ban on free speech and a free press, is not in the least worried about the impression Wallace made in Europe. The thinking people over there are praying for unity in this country so that they can continue to benefit from our capitalism.

If this were a communist nation and our vast capitalistic holdings were disintegrated, who would feed hungry Europe, provide military and other help in time of disaster? Wallace can't reason his way with a drowning man who is grasping for a straw.

His violation of the privileges of free speech is fooling comparatively few people in this country also. More and more the nation is waking up to the results of a long and well-laid communist infiltration.

We were encouraged last week to read that the American Youth Committee, as fostering communism in some 60 colleges in 14 states. The University of Texas was omitted from the list, by an oversight perhaps. Maybe it is because the communist group down there is working under some other name.

I spent three months in Austin late last summer and fall, working and living near the University campus. I became acquainted with any number of students who were excited over "the cause."

So vague were these youngsters as to what "the cause" is, I could get very little concrete information. None seemed aware of the fact that they were being deluded by an active communist influence, but all openly talked of overthrowing the capitalistic system "one of these days."

A former Lubbock teacher, who teaches at the University, told me that the subject came up almost daily in her classes and she frequently was unable to get the young radicals, who called themselves "liberals," back on the assigned class subject. She spoke to one of her superiors about the problem and was told that the best thing for her to do was to ignore it—if she wanted to keep out of trouble.

Our State Department is to more ideas from people sincerely interested in a city government that can operate to bring about the greatest number of our people.

THE WOMEN—God love 'em—Don't whistle at a girl leaving the beauty parlor—she may be your grandmother.

be commended over the strides he has made since General Marshall took over. An attempt to purge its vast organization of communists and its apparent recognition of the need for effective propaganda and espionage service abroad are most laudable.

To succeed in either of these aims, the State Department is going to have to rid itself of a bunch of my former co-workers and line up a staff of propaganda writers who can compete with the propaganda forces of the rest of the world.

All this talk about how dull the State Department broadcasts to Russia are is no surprise to me. When I joined the OWI basic news staff in New York, the chief of our division told me that I probably wouldn't be able to make the grade; that experienced newspaper reporters were the worst propaganda writers in the government employ.

And the chief wasn't wolfing. I nearly flunked out during the first four months of my work in basic news. It seems that more experienced writers than I even had difficulty making their stuff dull enough to pass the censorship of the State and War Departments.

Then, after we got overseas and found ourselves working under bosses who once had been employees of Time Magazine and other well-known, readable American publications, we rewrote all that State Department tripe to make it readable enough to interest the foreign press for which it was written in the first place.

And, if the vaguely hinted-at program of propaganda, intelligence, etc., is to succeed, the State Department should effect a better understanding between the specialists it hires for that purpose and the old-fashioned embassies under whom these spec-

What Our Contemporaries Are Saying:

NOT SURPRISED—Comrade Henry Wallace is doing what we have expected of him for the past three years. Do you remember that red hot national convention at Chicago in June 1944? Do you remember that a delegation of so-called liberals from Texas shared a half vote with each regular Democrat delegate from Texas, the former being whole-souled for "Hanrah," and the latter for Truman. And we also remember that bunch of radicals led by a cheer leader in the galleries yelling for Comrade Wallace, but FDR finally swapped him out for the promise of another job in the cabinet. No, we are not surprised at the pro-Russian views of Henree. —The Terry County Herald

My co-workers in the New York basic news office were assigned to all parts of the world. Many of them were returning to the states last spring at the same time I arrived from Greece.

Over many cups of coffee in Schrafft's, we gathered that everyone had the problem of "getting along" with the embassy after the end of the war and the transfer of OWI personnel from army to State Department supervision. Nearly everybody's experience was something like my own:

We were reserved—some-what justifiably—because our salaries were higher than those of many old-line foreign officers and instead of belonging to the tea-sipping, leisure class we seemed to have had a background of working in old dirty newspaper offices.

All we were good for, our embassy co-workers seemed to think, was to take pictures and write press releases about such irrelevant matters as the conferring of a medal on somebody or other for something heroic he did in a country that once was an enemy to the country in which we were trying to supply the press with interpretative news of America.

I tried to explain all this when I got back to Washington, but I couldn't find anybody who was interested.

WHEAT IS GREEN—Folks, the good green earth is wonderful to look upon these days. The wheat fields in this section are the prettiest I saw anywhere last week and he traveled 500 miles due north and back, with wheat fields on every hand all the way. The folks in Kansas wanted to know if "it is already heading out" down here. We told them, "yes we will be ready for harvest in another week or so!" —The Lorenzo Tribune.

STREET MARKERS GIVE A CITY LOOK—Many have been the comments coming to the Free Press since installation of new street markers at Haskell street intersections—comments of admiration for the slick "cityfied" signs that definitely pull the town out of the village class.

With accompanying numbers for houses in the residential sections, no longer will a stranger have to be directed to "the fourth house beyond that big two-story building up that way?"

A natural forerunner of free city mail delivery, the revised house numbering and street marking program are just evidences of city pride, forward-moving citizenship and convenience.

All of us Haskell citizens need to study the marking system—for our own convenience and assistance to visitors to our fair city. —The Haskell Free Press.

LONG PIANO STUDENTS TO PLAY IN RECITAL AT GRAHAM FRIDAY EVENING

Mrs. E. S. Long will present a group of piano pupils in the following program at the Graham school building at 8 o'clock tomorrow night:

"Riding the Clouds" and "Moon, Light and Roses," Janice Gordon; "Twilight Bell" and "Goodnight Sweetheart," Kathryn Gossett; "Spring Tulips" and "The Man in the Moon," Victor Day; "Over the Waves," Hazel Shultz; duet, "The Little Prince," Patty Lott and Janice Gordon; "Boy Scout Parade" and "Indian Boy," Bernard Welch; "Starlight Waltz" and "Mandy," Patsie Mason; Waltz, Nita McClellan; Paderewski Minuet and Beethoven's Minuet in G, Patty Lott; "Lotus Bud" and "Blue Heaven," Melba McClellan; "The Drum Major," Billie Nichols; "Dance of the Rosebuds," Joy Mason; "Black Hawk Waltz," Mobeto Allen; "Eitelweiss," Mrs. N. C. Outlaw; "Second Movement from Beethoven's Symphony No. 5" and "Chatterbox," E. O. Young; "Sea Garden," Joyce Short, and "Estrellita" and "Evening Song," Helen Thaxton.

W. F. PIERCE WAS, TOO, CORRECT IN PREDICTION

Some people disagreed with W. F. Pierce early in the season when he estimated that over 250 rail cars of grain would be shipped from Garza County, but now it looks as if he were a good prognosticator.

On Tuesday W. F. Pierce and Sons Grain Elevator shipped its 100th rail car of Martin Maize. An equivalent of 40 or more rail cars of the grain have been shipped by truck by the elevator company Pierce said.

Earl Rogers Feed Store estimates it has shipped out about 65 carloads by rail and the equivalent of ten rail car loads by truck.

If other local grain buyers have shipped out a similar volume, the total for Garza County is already well beyond Pierce's early predictions.

History Book Written By Texan Is Completed

A volume in the long awaited complete history of the South from 1865 to 1946, will be published in November, Dr. T. S. Painter, president of the University of Texas, has announced.

Dr. X. V. Coulter, professor of American history at the University, now on leave of absence with the department of history at the University of Georgia, has written "The South in Reconstruction, 1865-1880," as Volume VIII of the 16-volume history.

All 16 volumes are expected to be completed by 1950 by the nation's foremost authorities on southern history.

the Leonard Reeds of Slaton. Mr. and Mrs. George Atkins and son were in Rotan Sunday. Mrs. George Porter returned to Justiceburg with them.

Garza County Property Owners...

It is tax assessing time. It is to your advantage that your property is correctly assessed for taxes.

We urge you to take a description of your real estate so that it will be properly entered on the tax rolls.

Property Must Be Rendered Before

May 1, 1947

There are many reasons why property should be correctly assessed. One of the main reasons is clearing titles for sale. If property is listed on the tax rolls it is little trouble to check back over a period of years and find whether or not taxes were paid on any given year, whereas if the property is not properly assessed and goes on the supplemental roll it is almost an impossibility to find the listing, and often persons have had to pay taxes up in full to give a clear title to their property when selling.

Too, another big advantage in correctly assessing property, is that when you receive your tax statements and claims of homestead exemptions by mail, you can check the assessment before paying your taxes.

If Your Taxes Have Not Been Assessed For 1947—Drop By The Tax Office At Your Convenience And Let Us Assess Them.

Pleasant Valley News
By Correspondent

Sunday guests in the J. D. Charlton home were a nephew and his family, the R. D. Stanleys of Slaton.

Miss Annetta McVie and Miss Ruth Harber of Lubbock are spending several days with Mr. and Mrs. Ben McVie.

Mr. and Mrs. C. E. Spence have returned from a visit with relatives in Crockett.

The Jack Mathews are happy over their new water well and say that they now have plenty of good water.

Mr. and Mrs. O. B. Franklin are in Glen Rose where they will remain several days to take treatments.

Mrs. Verna Chase visited Sunday with Grandma Potts of Spur who is in the Lubbock Memorial Hospital with a broken hip. Mrs. Potts is doing nicely.

Mr. and Mrs. J. O. Roberts and son visited Mr. and Mrs. C. Waldrip near Grassland, Sunday afternoon.

The Rev. Monroe Testers will be in his place in the pulpit at the local Baptist Church Sunday morning.

Mrs. J. M. Bland and Mrs. Jack Kuykendall are ill this week.

Mr. and Mrs. Wayne Veach and Mrs. B. Darrow and son of Escudido, Calif., are visiting relatives and friends here this week. Mrs. Darrow, the former Norma Veach, and Wayne have many friends in this area, having attended school here and at Southland. Wayne was among the first draftees to be taken and he spent a number of months overseas.

Mr. Altman's early year that was so pretty doesn't look so hot now since the frost. His fruit was unharmed.

Mr. and Mrs. Leonard Morris and family have moved to the Franklin place and he will farm with Howard Smith who has the farm rented this year. The Morris moved here recently from Levelland.

Mrs. Irene Rodgers has returned from Amarillo where she visited her son-in-law, Ernest Griffith, who is a patient in the Veterans' Hospital. He entered the hospital about two weeks ago. Mrs. Griffith has been here and in Amarillo during that time.

A Chicago man, charged with three purse-snatchings, told police: "I'm broke and need money." He was a deputy internal revenue collector.

Oil, Gas and Mineral Leases:

Laredo Hagins, et al, to The Ohio Oil Company, southeast one quarter of section 38, block 8, H&G survey, containing 160 acres. Ten year lease. \$80 rentals; \$1.10 revenue stamps attached and cancelled.

Style-setting Joan Crawford draws a "boo" from the Fashion Creators of America—she doesn't wear a single hat in "Humoresque."

"A Complete \$150.00 Burial Policy For As Little As 15c A Month"

MASON'S BURIAL ASSOCIATION
"Your Association For Your Service"

Mason & Co.
Our Representative
MR. J. G. PRESTON

The Week's News in Brief

Mr. and Mrs. W. D. Barnett moved Tuesday to the home they recently bought from W. A. Gray at 12 West Tenth Street. The Gray family moved Monday to a house they bought in south Post.

Mr. Grounds, factory representative for Deep Freeze—the original home freezer—will visit all day May 1 in the Mason & Company store here, explaining the art of home freezing and how to use the Deep Freeze to the store customers. Anyone interested is invited to visit the store that day; the Company has announced.

Mr. and Mrs. R. Justice opened a cafe Wednesday in the former Gray Furniture Company building on South Adams Street, two doors south of the Corner Grocery.

They remodeled the interior of the building completely before opening the cafe. Mr. and Mrs. Justice will be assisted in operating the business by their daughter, Marvella, and their son, Sterling.

Mr. and Mrs. Jay Atkins of the J. J. Ranch, in Kent County, have returned from a two months trip to Michigan. Before they left, they sold their 3,000-head herd of Karakul sheep to a San Angelo rancher. The Atkinses are looking for a location in New Mexico for rearing their Karakul sheep ranching because of the coyote menace in Kent County.

B. J. Edwards who is recovering from a recent operation left Tuesday with Mr. and Mrs. Fred Worley of Dallas to spend several days in Rudford, N. M.

Guests in the home of Mr. and Mrs. R. P. Cowden last week were Mrs. Cowden's daughter and family, Mr. and Mrs. R. C. Meeker and daughters, Ethel Diana and Lorna Dev, of Fort Worth; Mr. and Mrs. A. J. Peterson of Oakland, Calif., and Mr. and Mrs. Glen McFadden of San Jose, Calif.

Little Katherine Kahler is holding these days from wearing too much boots too long. She inherited them from Mary Louise McCarty, who outgrew them, and refuses to take them off for any occasion except going to bed. "And I got them just in time for the robes," she reasons.

Mr. and Mrs. R. C. Manns have as their guest their son and his wife of Bay City, Mr. Manns who has been quite ill for two or three weeks is able to be up a portion of each day now.

Jan Paula Herring has been visiting all week in District with her grandparents, Mr. and Mrs. W. D. Herring. Her parents, the Clint Herrings, took her there last Saturday morning.

Mrs. L. A. Barrow has as her guests two of her daughters, one from Lubbock and one from Plainview, and her granddaughter, Von Plainview.

Mr. and Mrs. Raymond Redman had as guests Sunday Mr. Redman's brother, Wayne Redman, and his wife of Houston. They had visited also in Midland and San Antonio.

Mrs. Maud Cron was a guest of her sister, Mrs. Bob Warren, for several days last week.

Lewis Nance, Garza County 4-H Vocational Agriculture teacher, will judge horses at the Lawrence Livestock Show Saturday.

Horace Backley and Walton Pantier of Dallas were Post visitors Wednesday.

The Rev. F. B. Nickerson, pastor of the First Christian Church, is visiting this week in Dool, Okla., with his son, Francis, a student of Phillips University, and wife and small son.

For Your Cooperation And Patience...

The cold weather of the past few months, shortage of labor and supplies made it very difficult for us to offer you the kind of Butane service we desire to give.

We are pleased to announce that in the future we will be better equipped to take care of your Butane problems.

We wish to thank you for your cooperation during the time we were unable to give you our best.

Bits Of News

PICKED UP ALONG THE NEWS PATH

Joseph L. Lee, seaman first class, son of Mr. and Mrs. G. W. Lee, has returned to the United States from Antarctica, where he participated in the navy expedition, Operation Highjump. He served aboard the icebreaker USS Burton Island.

B. V. Bollinger of Ruidosa, N. M., was in Post Monday photographing John Herd and G. W. Connell for the Southwestern News Photos' "file of important people," which is kept in Albuquerque, N. M.

Billie Margaret Stevens of Dallas has been visiting her grandparents, Mr. and Mrs. H. F. Stevens, and her uncle, Roy Stevens, here.

Miss Dixie Young of Brownfield is visiting in the home of her brother-in-law, W. R. Young, here.

Mr. and Mrs. Elmer Long walked into a Post Cafe Sunday and saw some familiar looking faces. The faces belonged to Mrs. Hubert Smith of San Angelo and Mrs. Ledford Sewell of Santa Fe, N. M., who had come here to visit briefly with the Longs. Mrs. Long hadn't seen her aunt, Mrs. Smith, nor her cousin, Mrs. Sewell, in 10 years.

Mrs. C. O. Palmer and daughter, Vera, of Olympia, Wash., is visiting her son, Tony Palmer, and family here.

S. C. Storie, J. C. Steel, L. C. White, H. A. Caywood and Mr. and Mrs. Frank Millhorn "caught plenty of fish and had a wonderful time" last weekend when they visited Mr. and Mrs. A. H. Millhorn at Alba, on the Sabine River.

Mrs. Elizabeth Young of Salem, Ore., returned to her home last week because of illness in her family. She had planned to spend the summer here.

Garza County's white leghorns seem to be engaged in a big egg laying contest. Not to be outdone by the Justiceburg hen, whose giant egg was reported recently in the Post Dispatch, a leghorn owned by Bob Russell of Route 1 laid an egg the other day measuring 10 inches in length circumference and seven inches in width circumference. The egg had a soft inside shell but only one yolk. The white from the egg almost filled a tea cup.

The Rev. O. J. Harmonson of Southland filled the pulpit at the Calvary Baptist Church Sunday in the absence of the Rev. I. D. Walker, who is spending his vacation in Alabama. The Calvary Baptist Church will have a visiting preacher again next Sunday.

Mrs. Jack Henry and son, Jackie, of Floydada, spent the weekend here with Mr. and Mrs. John Herd. To celebrate Jackie's 10th birthday Sunday, Marty Reynolds came in from the Cross-H ranch to spend the day. Bryan Williams, III, joined the group for the citting of the birthday cake.

The Henrys visited in Amarillo Saturday, with Mrs. Herd, before they came to Post. They said that Jack Henry, Jackie's father who had both legs broken when hit by an automobile in December, is recuperating nicely at the Veteran's Hospital in Amarillo. He is now able to get around on crutches.

Mr. and Mrs. Josh Cogsdill and Mr. and Mrs. Max L. Morris were Sunday visitors in the home of Mrs. Esma Cash.

O. D. Cardwell and a couple of boys, Buddy and Jackie Hays, saved the Post Volunteer Fire Department some trouble and expense last Friday afternoon when they extinguished a good-sized blaze in a pile of scrap lumber outside the back door of the Post Dispatch. They used an ordinary water hose, rocks and sticks as fire fighting equipment.

The scrap lumber, which was comparatively worthless, was partially saved, but two good stepladders were destroyed. Running the linotype and unaware of what was going on, inside the Dispatch and about 50 feet from the fire, was Dan Cockrum, a member of the fire department.

Kerna Young's 1939 Master Deluxe Tudor Chevrolet which was stolen April 3 is still missing. It has been listed with the National Automobile Theft Bureau by Sheriff Nathan Mears. The bureau is giving national publicity, by radio and other mediums, to descriptions of stolen cars throughout the nation.

Howard McCampbell of the Community Public Service Company spent all day Monday replacing a fireplug near Fry's Feed & Hatchery at the corner of Broadway and Fifth Street. Neighbors told McCampbell the plug was broken Saturday night when a blue 1936 Ford coupe overturned, hitting the fireplug and a tree.

By the time McCampbell was called to repair the fireplug, the overturned car had been taken away. Deputy Sheriff Fay Claiborn said his department had not received a report of the mishap.

Mr. and Mrs. Homer Martin of Breckenridge are looking over business interests in Post this week.

"That old sister lays one like that every day," Mrs. J. D. Chaffin of Pleasant Valley says of the New Hampshire Red hen that laid the giant egg which she and Mr. Chaffin brought to the Post Dispatch Tuesday. The egg measured 8 inches in length circumference and 3 3/4 in width circumference and weighed six ounces. All of the large eggs which the hen has been laying have had two yolks, Mrs. Chaffin said.

"The only way I can account for it," Chaffin says, "is that my hens have fallen for this stuff this Braddy feller (Texas A. and M. poultry specialist) has been telling the clubs about raising bigger eggs of standard size, because all my New Hampshire Reds have been laying bigger eggs than usual this year."

Mrs. George Tillman is visiting her sister, Mrs. Ralph Kalich, at Wilson this week.

Mrs. Mary Bell Bagley of San Bernardino, Calif., is visiting her parents, Mr. and Mrs. Edd Ainsworth here.

Five-year-old Forrest Claiborn, son of Mr. and Mrs. L. E. (Fay) Claiborn, Jr., broke his left elbow playing football with his sister, Ola Marie, and brother, Gene, at his home here late Tuesday afternoon.

W. S. Land, manager of the local G. F. Wacker store, was pretty sick when he saw what was left of the new Wacker store which he helped to open up in Texas City last November. The picture and caption, printed in the Dallas News, revealed that the large window displays had tumbled into the street and that possibly the roof had caved in. Land said the store was more than a mile away from the blasted harbor area.

Mr. and Mrs. Boyd Ray and daughter, Peggy, of Anton visited Sunday with Mrs. Ray's mother, Mrs. Vida Brant.

Mr. and Mrs. J. S. Freeman of Vernon were guests last weekend in the home of Mrs. Freeman's cousin, Mrs. W. R. Graeber. Mr. Freeman, a licensed embalmer, was resting from days and days of working with the victims of the tornado at Woodward, Okla.

BICYCLE CLUB FORMED BY MASON AND THEATRE

A "Crimson Ghost" Bicycle Club has been organized by Mason & Company and the Garza Theatre. The boy and girl members are to meet at the Garza Theatre on Friday or Saturday of each week, to have their membership cards punched and drop numbered coupons in a box.

The winner of the coupon contest will be presented with a bicycle on Friday, July 18, at the conclusion of the serial story, "Crimson Ghost," which is being shown at the theatre. The bicycle will be provided by Mason & Co.

Iceland did not have telegraphic communication with the outside world until 1906.

Several Post Men Attend Annual Ex-Aggie Muster

Four Post graduates of Texas A&M College attended a barbecue chicken dinner Monday night in the judging pavilion at Texas Technological College in keeping with the April 21 muster tradition of A&M. They were Oscar Chapman, George Tracy, Bud Norton and D. F. Eaton. The dinner was given by the South Plains A&M Club.

Doyle Justice, vice president of the club, was in charge of food preparations.

The tradition started on April 21 in 1903 in celebration of the anniversary of Texans winning their independence at the Battle of San Jacinto April 21, 1836.

Since 1903, A&M men have been gathering together in groups "wherever they may be" for remarks by presidents of local ex-students' groups and roll call for the absent.

The 1942 muster on the island of Corregidor has been called the most famous of such gatherings. Twenty-five former A&M students were present. They knew then the fortress was doomed and it fell 10 days later. The following year a muster was held on Guadalcanal, where fighting was going on. In 1944, one was held on the Anzio Beachhead, under fire. In 1945, musters were held on the Elbe in Germany and in the Philippines. In 1946 a huge muster was held on Corregidor with more than 200 present.

Ex-students from all towns in the Lubbock area attended the Monday night meeting, Eaton said.

TEXANS DIVIDE VOTE ON HOUSE LABOR BILL

Representative George Mahon reports that the long awaited labor bill designed to protect the public and prevent abuses by labor bosses and management passed the House of Representatives in Washington last week by the overwhelming vote of 308 to 107. The bill now goes to the Senate for consideration where some revisions are anticipated.

The Texas Members were divided on the final vote on the bill. Mahon, along with 13 other Texans, voted for the measure, and 5 voted against it.

JESTER SAYS TEACHERS DESERVE MORE THAN BILL HAVING NO GUARANTEE

Governor Beauford Jester Saturday night told the people of Texas that he would allow the teachers pay bill to become law without his signature although "the school teachers of Texas deserve better than these bills offered them." He spoke over the Texas State Network.

The bills, by Rep. Dallas Blankenship of Dallas, are designed to raise Texas school teachers' salaries to a minimum of \$2,000 a year. The bills do not, however, guarantee such a minimum, the Associated Press reported.

Leprosy is also known as Hansen's disease.

From where I sit... by Joe Ma

"As Homelike As a Barn"

Cy Hartman finally got his new barn painted, but plenty of folks had a hand in it. Whenever someone got a free day, or a little extra time, they'd come over and help out with paint and brush.

And Cy, to show his appreciation, held a big "barn warming" Saturday—for all the folks who'd helped him (but not barring those who couldn't). Ma Hartman supplied sandwiches, and Cy rolled out a mellow keg of beer.

You'd never think of a barn as "homelike." But with those lanterns

hanging from the rafters, shift tables spread here and there, and Ed Carey's table while the folks enjoyed beer—Cy's barn was sure a hospitable-looking place!

From where I sit, it's just as appropriate to have a barn warming as a housewarming if only because it's another way to get neighbors together in the spirit of good fellowship.

Joe Ma

Jack Burress Elected President Junior Club

Jack Burress was elected president of the Junior Culture Club at the 1947-48 club year meeting when the club met last night in the home of Mrs. Skeeper Smith. Other officers for the year are: Thelma Clark, president; Wilma Pirtle, secretary; Inez Hartel, secretary; Cash, reporter; Jean Bingham, treasurer; Wynona Librarian.

Norton, Jo Tracy and Smith will serve on the executive committee. Meeting Tuesday night was the first of this year. A meeting will be held in the home of Mrs. Skeeper Smith at a later date.

WOMEN TO BE ENTERTAINED IN COMEDY

Public is invited to the comedy "The Old Maid's Club," by the women of Garnolia. The comedy is presenting at 8 o'clock on Thursday night in the school auditorium.

Needlecraft Club

M. E. Kennedy will be the featured speaker at the Friday afternoon for a meeting of the Needlecraft Club.

BIBLE RULES STUDIED BY SOUTHLAND LADIES

The Southland Lutheran Ladies Aid met in the home of Mrs. Joel Nuegebauer on the afternoon of April 16 in monthly session. After the group had sung the hymn, "Must Jesus Bear the Cross Alone," Mrs. Herman Kiesel read an appropriate scripture and prayer.

Mrs. Fred Steinhouser read the poem, "Borrowed," then followed a discussion of rules for Bible study and of Bible passages concerning the various rules.

After a short business session, the meeting closed with singing of the hymn, "Savior Like a Shepherd Lead Us."

Sandwiches, cake and coffee were served by the hostess to 12 members.

Post Girls Win Choral Singing At District Meet

Mrs. T. L. Jones, leader of the Post High School Choral Club, said this week that the group has learned more than 90 songs, including negro spirituals, semi-classicals and some light numbers. The club won both county and district championship this year in Interscholastic League Contests.

MYSTIC SEWING CLUB

The Mystic Sewing Club will meet at 2:30 o'clock tomorrow afternoon in the home of Mrs. J. H. Ramsay with Mrs. Jack Burress and Mrs. Odean Cummings as hostesses.

Church News

By GANELL BABB

Let not your heart be troubled; ye believe in God, believe also in Me. In My Father's house are many mansions; if it were not so, I would have told you; I go to prepare a place for you.

And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know.

Thomas saith unto him, Lord, we know not whither Thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. John 14:1-6

Minute Prayer

Dear God, we thank Thee for the blessings of life and as we speak to Thee now, we ask forgiveness for the many sins we have committed and pray that Thou wilt stay near us each hour and when our name is called that our hearts will not be troubled and that we may depart from this world to live in that mansion Thou hast prepared for us. In the Master's name we pray. Amen.

In spite of the fact that the Methodist Revival got off to a slow start because of bad weather conditions, the church reported a very fine meeting with good attendance.

Sunday a week's revival at the Methodist Church at Verbena will begin. The Rev. Ellis Todd of Seagraves will do the preaching. A cordial invitation is extended to all.

At 7:30 Sunday night the young people of the Church of the Nazarene will present a missionary play entitled: "Lift up your eyes and look on the world." Included in the cast are: Dr. C. M. Wright, oculist; Herbert Buchanan, Nurse Kindheart; Wanda Rogers; Miss I. C. Closeup, patient; Naomi Watson; Mr. Wilbur Blind, patient who walks with a cane; Edwin Perkins; and Mrs. Stoneheart, patient; Claudia Tiger.

This week the WMS of the Church of the Nazarene will meet Friday night in the home of Mrs. Ola McMahon.

Several members of the local Presbyterian church planned to attend the Presbyterian Missionary Society of the Abilene Presbytery tonight at Stamford.

Cline Payton of Abilene Christian College will speak at the local Church of Christ Sunday for both the morning and evening services, beginning respectively at 11 a. m. and 7:30 p. m.

The First Baptist Church, in anticipation of its revival meeting next week, has been holding cottage prayer services all this week. The services were held in each of four zones of the city on Monday and Tuesday nights and at the church Wednesday. They will be held in the homes tonight and tomorrow night and at the church all day Saturday.

The Rev. Huron A. Poinac, Mr. and Mrs. L. W. Dalby, Mrs. L. P. Baker and Mrs. E. E. Cass attended a monthly Baptist Association Workers Conference at Wolf-orth all day Tuesday.

Personnel of the First Baptist Youth Choir is increasing in number and interest. Twenty-eight members participated in the services at the church last Sunday night. The choir meets each Thursday night for rehearsal and provides music for the church each Sunday night.

A merry twinkle and a sense of humor save many a situation.

It is not necessary for all men to be great in action. The greatest and sublimest power is often simple patience.

GRASSBURR BOX SUPPER TO BE HELD THIS WEEK

The public is invited to a box supper at the Grassburr School Friday night.

Proceeds will go to the school lunch room.

A social program has been planned.

MRS. GEORGE SAMSON IS HOSTESS TO CLASS

Mrs. George Samson entertained the First Baptist T.E.L. Class in a business and social meeting at her home on April 16. Mrs. A. B. Stewart and Mrs. Ira Weakley were co-hostesses.

The meeting was opened with devotionals by Mrs. V. J. Campbell and prayer by Mrs. Stewart. After the business discussion, some interesting Bible contests were enjoyed.

Sandwiches, fruit salad, cake and coffee were served to 15 members.

Gossip about Garza Guys And Gals

—by gay nellie

Hats off to Jim Bird for the swell showing he made in the H-SU Rodeo last weekend (and just wait till I tell you about all the prizes he won). He stayed right in there during all the performances and came out top man in the calf roping and saddle bronc contests. Jim scored most of the points for McMurry which helped the college gain its necessary points for a good showing and helped to make Jim the best all-around cowboy entered. He was given a \$200 hand-made saddle, chase silver belt buckle set, and \$105 in cash. Well, Jim thought this was all but, no, his dad, Al Bird, matched his cash prize by also giving him a check for \$105. And besides all that, we saw him with a cute little blonde while he was here Sunday!

We saw Hazel Cash up and down Main "batting the breeze" with all her Post friends Saturday. It was good to see her around again.

Ed Kelly Sims spent the weekend (and a very happy one, we bet) in Ft. Worth.

Billie Jean Ferguson, who is a beauty operator in Lubbock and a former Postite, was a Post visitor Monday.

The Thomases are all afflutter now as they believe Ben L. is on his way home from Alaska (of course you've heard of people wishing for something so strong that they believe its happening). Well, we certainly hope that isn't the case this time as we're all looking forward to Benny coming home.

Johnnie Cato, a student nurse at the West Texas Hospital in Lubbock, visited her family and friends here Sunday.

We were all very pleased to see Don Shirley around town for a few days last week. It seems he was enjoying himself just being here with his old buddies. He and that cute Tech co-ed, Norma Hudman who was down for the weekend, were seen together Saturday night. Don hopes to be out of the Navy by Christmas or soon afterward.

Frank and Johnny Stokes of Plainview are spending the week here.

Miss Earlyne Reed (more than a special friend of David Williams) was again chosen one of the Tech beauties and may we say, we think the judges made no mistake in choosing her.

A. C. Thomas of McMurry was seen around town Sunday and Wayne Hundley was here a few minutes the same day.

In spite of the fact that she didn't place, "Bill" Kennedy did a swell job down at the H-SU Rodeo. And just remember that she had some strong competition. The date has not been set as yet, when "Bill" will be crowned queen of the Tech Rodeo. Due to weather conditions, the coronation was postponed from the scheduled time.

Tom Power and a pilot friend from Houston flew to Montgomery, Ala., last week and stopped for a good time in New Orleans, La., on their return to Houston.

Ernestine Short, a Tech student, spent the weekend here visiting her parents.

Marshall Mason, Jr., who is a member of the Texas Tech Student Council, representing the Engineering Division, was chairman of the Student Council Varsity Show Committee. This committee was responsible for all the planning and arrangements for the Varsity Show which was presented by Tech students at the Senior High School auditorium in Lubbock last week. This was the first Varsity Show Production since 1941 and from all accounts was the most successful one ever to be staged at Tech.

Many of the younger set (and the old ones, too) attended the "Asylum of Horrors" preview at the Garza Tuesday night. For a

First Place Is Won By Post In P-TA Publicity

The Post Elementary-High Parent-Teacher Association's six delegates to the 14th district convention in Ralls, April 17 and 18, brought home the good news that the association's publicity book won first place in its division in the district contest. The book was made by Mrs. Nola Brister, with the assistance of Miss Bonnie McMahon.

Mrs. J. E. Parker, district year book chairman, this year was named chairman of the district nominating committee. Her co-workers will be Mrs. M. C. Butler of Lubbock, Mrs. Lester Hendricks of Littlefield, Mrs. H. J. Moreland, Jr., of Stamford and Mrs. Hoyt Curry of Plainview.

Attending the convention from Post were Mrs. Willard Kirkpatrick, retiring president; Mrs. Tom Bouchier, president-elect; Mrs. Parker; Mrs. Lee Davis, a district vice president, and Mrs. Walter Boren and Mrs. Brister.

They reported that Anson, the home town of the district president, Mrs. E. M. Pittman, was selected as the place for the next district convention. The delegates were impressed by the many wires received, requesting the convention, by the Anson Chamber of Commerce, Rotary and Lions Clubs and numerous other organizations and individuals.

The Post delegation enjoyed the series of worthwhile addresses which were features of the convention program and the 30-minute evening program by the Ralls Choral Club, directed by Mrs. Earl Tinner.

good report on the show ask Jena Barnes. You weren't scared, were you Jena?

T. H. Tipton, Jr., who is employed with the State Department of Health in Austin, recently purchased some surplus dental equipment from Camp Maxey, Paris, Texas. He was among the first veterans to receive a priority. He is a dentist.

CHRISTIAN COUNCIL TO HAVE FELLOWSHIP MEAL

The First Christian Woman's Council, meeting Tuesday afternoon in the home of Mrs. John H. Ramsay, planned an outdoor fellowship supper which is to be served Thursday evening, May 1, at the fireplace behind the church.

The meeting was opened with prayer by Mrs. C. F. Davis. Mrs. Lee Davis presided in the absence of the president, Mrs. B. C. Manis. As the church pastor, the Rev. F. B. Nickerson was out of town, the Bible lesson he teaches to the group was omitted. Diamisal prayer was by Mrs. K. Stoker.

The hostess was assisted by her daughter, Mrs. Jack Burress, in serving refreshments.

DEMONSTRATION GROUP HAVING ALL-DAY MEET

The Barnum Springs Home Demonstration Club met recently at the home of Pearl McCombs for embroidery work. A covered dish meal was served.

Attending were Estelle Askins, Eunie West, Velma Long, Opal Rhea, Juanita Ford, Bert Rhea, Juanita Lee, Charlene Haynie, Maude Barton, Elma Wheeler, Doria King, Mattie Ford, Clara Ford, Dela Fancher, Jackie Parchman and little daughter, Mrs. B. W. Pennell and the hostess.

The club is meeting today in the home of Mrs. Askins all day, for a pressure cooker demonstration by Miss Jewell Hipp, Garza County home demonstration agent.

Attend Open House

Garza County home demonstration clubwomen who attended the Texas Technological College Home Economics and Textile Engineering Open House in Lubbock April 18 were Mrs. Julius Fumagalli of Verbena, Mrs. Wilburn Morris and Mrs. W. C. W. Morris of Graham, Mrs. Jake Mangum of Close City, Mrs. H. G. Smith and Mrs. V. A. Hartman of Post and the county home demonstration agent, Miss Jewell Hipp.

Bible Study Urged

The Women's Missionary Society of the Friendship Baptist Church of Close City met at the church Monday evening for Bible study.

It was announced that every member is urged to attend a similar Bible Study meeting next Monday night, as they "have fallen behind in their study and reading."

ATTENTION All Car Owners! KEEP YOUR PRESENT CAR Looking It's Best!
