## Annual VFW Buddy Poppy Sale Planned

National Buddy Poppy Week, which will be climaxed with Memorial Day Monday, May 30, will be observed here Saturday by the annual sale of Buddy Poppies, sponsored by the local Veterans of Foreign Wars Post and Auxiliary. Mrs. Viola Miller is the chairman of the sale.

The poppies, which were made by disabled soldiers in the nation's veterans hospitals, will be sold in business areas of all cities and towns in the United States Saturday, and the proceeds will benefit the families of disabled veterans. The price of each poppy is left up to the purchaser. Members of the V. F. W. Auxiliary and a group of high school girls will conduct the sale here.

In many of the northern states, Memorial Day is a legal holiday but Monday will not be a holiday in Post, according to Bill Land, president of the Post Chamber of Commerce. No special observance is scheduled here for Monday.

Although it is not yet a national holiday, Memorial Day is observed in every part of the nation. The custom first was inaugurated by the women of the South who, in the first days of early spring, went out to strew flowers on the graves of their beloved dead. The example was imitated here and there in the North.

In 1868, General John A. Logan, then Commander-in-Chief of the Grand Army of the Republic, issued an order designating May 30 as a day for the decorating of soldiers' graves.

Since that time, May 30 has become the occasion in most states for the commemoration of American soldiers and, in many localities, of all dead.

Well-Behaved Crowd  
Attended 1949 Rodeo

The week of the 1949 Post Stampede and Rodeo was as dull a week as Sheriff E. M. Bass has had since he went into office, he told a Post Dispatch reporter yesterday.

"You can quote me as saying it was the nicest rodeo crowd I have ever seen," he said, "and the Garza County Sheriff's Department, thoughly appreciated the good discipline that was displayed throughout the show."

Plainview Rodeo To  
Be Opened Today

Tim Holt, movie star, and many of the nation's top rodeo performers are in Plainview for the Bar-None rodeo which opens for a three-day run there tonight.

Night performances will begin at 8 o'clock each evening. A quarter horse show to be held Friday at 1 p. m. is an added attraction to this year's Plainview show.

Farmers Hurrying  
To Plant Cotton

Plains farmers of Garza County, taking advantage of the "lull between rains" were planting cotton day and night this week. It is believed that last night's showers did no damage to their fields, with the possible exception of scattered sections in the Southland area which received the heaviest precipitation.

FOUR FINES PAID

Justice of the Peace Jim King collected fines of \$1 and cost each on two highway violations, one drunkenness charge and disturbance of the peace during the past week.

BOY'S RANCH GETS LAND

The Boys Ranch, which is being organized near San Angelo, now officially owns the 965.5-acre Tankersley farm-ranch, the Star Telegram announced today.

## Look Who's New

Mr. and Mrs. Sam C. Gatzki of Wilson are parents of a daughter born at 9:15 o'clock Saturday morning in the West Texas Hospital in Lubbock. She weighed 6 lb. The baby is a granddaughter of Mr. and Mrs. Gus Gatzki of the Gordon Community.

A son, weighing 6 lb., 13 oz., was born to Mr. and Mrs. J. N. Power at 8:33 p. m. Tuesday in the Lubbock Memorial Hospital. He was named James Thomas.

## Spur Defeats PHS In Bi-District Baseball Playoff

An unusually successful Post High School athletic season ended sadly yesterday when the District 4-A Championship Antelopes were defeated at Spur by the District 3-A champions of that city in the bi-district baseball playoff. The score was 11-0. Spur will play Wellington at 3 o'clock Saturday afternoon in Spur for the regional championship. Wellington is the District 2-A winner. There were no high school baseball teams in District 1-A.

Coach V. F. Bingham, who showed disappointment at losing the bi-district championship to his home town, said last night that the Antelopes lost the game in the first inning. "We got off to a bad start, making five errors and giving up six runs," he explained. "It would have been a good game, had it not been for this slow start."

Billy Ramage, who started pitching, was pulled in the first inning. Roy Wade went in and struck out three men, in the first inning.

The Antelopes held during the second inning, had men on the bases but couldn't score. In the third, Post made four more errors, and gave up three runs. Spur finally got two earned runs in the fifth inning. The Antelopes held Spur scoreless during the last two innings.

The coach said that Ronnie Bouchier, Roy Wade and Jerry Odum played good ball. The other players looked good, but they couldn't seem to overcome the handicap suffered in the first inning.

## Garza-O'Donnell Roping Planned

The Garza County Calf Ropers will meet the O'Donnell Roping Club in a contest in the Post Stampede Arena at 8:30 o'clock Saturday night. The public is invited to attend.

Jackpot roping will follow the calf contest.

## Utilities And Oil Tax Rolls Approved

The Board of Equalization for the Post Independent Consolidated School District met at the Post High School building and approved the utilities and oil tax rolls. The board will meet at a later date to consider the real estate tax roll, Supt. G. R. Day said.

The tax rolls total approximately six and a half million dollars, the superintendent said.

## H. D. COUNCIL

The Garza County Home Demonstration Council will meet at 2 o'clock Saturday afternoon at the court house in regular session.

The Post Stampede and Rodeo Association announced yesterday that the 1949 rodeo was a financial success and that a detailed financial statement probably will be available for publication in next week's issue of the Post Dispatch.

"We know we didn't go in the red," said Homer McCrary, association secretary, "and we think we made some money. We'll know how much next week."

## School Bond Election To Be Called

The Post Independent Consolidated School Board, meeting at the high school building Monday night, selected Barton and Smith, representatives of the Plainview office of the Central Investment Company, to draw up the petition for a school bond election here and do the legal work necessary for voting the bonds for the purpose of building a new grade school.

Supt. G. R. Day told the Post Dispatch that the board considered several bids on the proposed bonds but decided not to act on any of the bids until after the election.

The petition is now being prepared and will be passed around in the near future for the required number of signatures, and the election will be called thereafter as soon as possible.

## Bible School At Southland Planned

Mrs. W. L. Holloman of Slaton will conduct a 10-day Vacation Bible School at the Southland Methodist Church, beginning Sunday at 3:30 p. m.

From Monday on, classes will be held from 5 until 7 p. m. each evening.

All children of the community are invited to attend.

The school will be closed with a public program. Teachers will be: Beginners, Mrs. Grady King and Mrs. Dan Siewert; primary, Mrs. John East, Mrs. Paul Winterrowd and Mrs. W. C. Field; juniors, Mrs. Clay Johnson, Mrs. Bobbie Oats and Mrs. H. C. Dunn; intermediates, Mrs. T. L. Weaver and Mrs. Spencer Brewer.

Committees will include: Refreshments, Mrs. J. B. Robertson, chairman, and Mrs. Fred Davidson and Mrs. Elton Weaver, and recreation, Wilma Wheeler, chairman, and Mary Frances King.

## Mrs. Ivy Reynolds Claimed By Death

Funeral services for Mrs. Ivy Reynolds, mother of J. C. Reynolds and Charlie Reynolds of the Pleasant Valley Community, were held Friday in the First Baptist Church at Mt. Calm. Burial was in the Mt. Antioch Cemetery near Mt. Calm. The two sons and their families attended the services.

Mrs. Reynolds, who made her home with her two sons part of each year and spent the remainder of the time with a daughter in Houston, died from a stroke Wednesday of last week in Houston.

## Sewer Extension Project Should Be Finished Soon

Work on the city sewer extension project is progressing according to schedule and, weather permitting, should be completed for the most part within 30 days.

Connections to the sewer extension already completed are being made as rapidly as plumbing facilities are available. City Secretary Sherrill Boyd said yesterday.

A number of property owners in the areas where the extension has been completed have been telephoning the City Hall to see whether or not the alleys will be leveled off. "The answer is, 'yes,' just as soon as the workmen can get to them," Boyd said.

## Ignited Grease Causes Only Slight Damage To Cafe

Other than slight smoke damage to the kitchen walls, everything seemed to be in tact, with the "breakfast run" moving as usual at the Algerita Cafe this morning following a midnight fire-calls when 20 gallons of grease ignited in the cafe's "Fry-olator."

The fire, which developed into a dense smoke and leaping flame, was discovered by T. H. Tracy, hotel-owner, about two hours after the cafe closed. The fire was quickly smothered out before heavy damage resulted.

F. A. Marcus, who recently leased and re-opened the newly remodeled cafe, said this morning that he evidently turned the burner up instead of down when he closed last night.

## Mild Electrical Display Seen In Post Once Again

Violent thunderstorm activity returned to the South Plains after several days of generally fair weather last night to bring high winds, severe electrical displays, dust and heavy showers to many sections.

The wind and rain in Post were slight compared to the situation in Tahoka, Wilson, Slaton and other neighboring towns. Storm-jitters Post residents, however, viewed a "tornado cloud" in the west with increasing alarm as the electric lights flickered on and off during a period of lightning and thunder last night.

If the "tornado cloud" brought any disaster to the South Plains area, the news was not known here by press time.

The Lubbock Weather Bureau Station forecast more stormy conditions for today, mostly in the form of thundershowers.

## Boys Club To Be Directed By Coach Ray

Coach Vernon Ray announced last weekend that the 6-weeks Boy Club season will open June 6 in the Post High School gymnasium.

All boys of the ages 6 to 14 years are invited to enroll. The fee is one dollar a week per boy.

The club will be operated from 1 o'clock until 3:30 p. m. each afternoon and the program will consist of softball, games and relays, basketball and boxing. Coach Ray will direct the activities.

A Fun Night, to which the public is invited, will be held. The date will be announced later.

The Boys Club is sponsored by the Post Chamber of Commerce.

## Adult Homemaking Class Is Offered

Sixteen students have enrolled to date in the summer homemaking class which Miss Bessie Pitts is offering at Post High School from 9 a. m. until noon each Tuesday and Thursday through June 30.

Miss Pitts, who is the high school homemaking teacher, announced last week that she would also offer classes for adults from 9 until 11 a. m. each Wednesday. By press time no adults had enrolled.

If any adults wish to take the class at a different hour, Miss Pitts will offer the instructions from 2 until 4 p. m. instead of the above morning hours. The class, if organized, will study clothing construction, food preservation and home improvement. No charge will be made for either the adult or the student class.

The students started Tuesday on a group project to improve the homemaking laboratory at the school and they will also study improvement of their respective homes.

## Summer Term Of Tech Opens June 6

The first summer term of Texas Technological college will begin June 6. Dormitories will open at noon Sunday, June 5. A number of Garza County teachers plan to enroll.

The largest class in the 23-year history of Texas Technological college will be graduated in ceremonies May 30.

PIERCE IS ILL  
A Hudman ambulance took G. T. Pierce to Tahoka for a medical check-up today. Mr. Pierce has been seriously ill at his home.

## Ellenburger Test Drilling Should Start This Week

Rigging up is in progress today on the Comanche Oil Corporation Et Al Montgomery-Davies No. 1 Garza Deep one mile south of Post, and drilling to test formations to and including the Ellenburger should get under way by tomorrow or Saturday.

The Comanche Corporation's little rig, on the F. B. Robinson Unit No. 7, north and west of Post, had reached 1,200 feet by yesterday morning. Comanche's cable tools by press time had reached below 3,000 feet on the F. B. Robinson Unit No. 6 in the same area.

The G.W.V. Drilling Company, which is drilling for Comanche on the C. L. Williams No. 2, west of Post, had reached approximately 2,000 feet by yesterday. This is to be a San Andres well.

Drilling started Tuesday on the J. F. Storie San Andres well west of Post. Pete Morgan is drilling contractor for the Bond Oil Company.

## Grain Men Study Embargo Ordered By Transporters

South Plains grain men are studying the embargo on grain announced by the American Railroad Association yesterday, although the full extent of the move could not be determined by press time.

The grain harvest in this area, delayed somewhat by recent rains, is expected to cause a run on storage space when the late harvest does get under way.

The Avalanche-Journal this morning quoted a spokesman for a Lubbock seed and grain company as saying "sooner or later it will be an automatic embargo, since storage space in most sections is already at a premium; moreso in fact than boxcars to transport grain." He said that before an elevator could get a car loaded with grain, the railroad probably would require a written guarantee that the grain would be unloaded at its destination.

The Railroad Association, in announcing the embargo, emphasized the embargo order is designed to aid orderly movement of the crop to storage space.

## CLAIREMONT STORM

A hail and windstorm at Clairemont last night was reported by a man who had his "hail-damaged" car serviced at the Gulf Service Station. Jerry Queen, operator, said this morning.

## FINAL RODEO WINNERS ARE ANNOUNCED

# Post Stampede Declared To Be Financial Success

The Post Stampede and Rodeo Association announced yesterday that the 1949 rodeo was a financial success and that a detailed financial statement probably will be available for publication in next week's issue of the Post Dispatch.

"We know we didn't go in the red," said Homer McCrary, association secretary, "and we think we made some money. We'll know how much next week."

On behalf of the association, McCrary asked the Post Dispatch to express appreciation for everyone who helped make the rodeo a success. "It's public cooperation," he explained, "that put the rodeo across."

Raymond Haby of Lubbock was voted the best all-around cowboy of the rodeo and presented with a pair of handmade boots.

Bull Riding  
Don McDonald of Ft. Huachuca

## Saddle Bronc Riding

The best average in the show was made by Dutch Taylor of Albany. Corky Morris of Quitaque and Chisum split for second and third places. First go-round honors went to Taylor, first; Bud Miller of Wichita Falls, second; Don Sparks of Snyder, third, and Bruce Wise of Quitaque, fourth. The second go-round was won by Ferris, first; Chisum, second; Taylor, third, and Joe Groves of Lubbock, fourth.

## Calf Hoping

The best time of the show was made by Johnny Parrott of Throckmorton, with 15.2 seconds on one calf. Parrott with total of 34.6 seconds, was also high man on two calves, and D. Burrus of Tahoka was second with 36.7 seconds. First go-round honors went to Burrus, 16.7 seconds; Harold Childs, 17.8; Dub Gray, 19.3 and Parrott, 19.4. The

second go-round winners were Parrott, 15.2; Jimmy Bird, 15.7; Jim Smith of O'Donnell, 17.1, and Leon Jones of Lubbock, 18.

## Double Mugging

The best time of the show was made by L. D. Thompson of Newcastle, with 21.1 second on one calf. The best time on two calves was made by Rufus Hart of Snyder whose total was 53.2 second and the second best time was made by Johnny Parrott, 53.7 seconds. First go-round honors went to Thompson, 21.1 seconds; Fat Boy Wright of Breckenridge, 21.5; Parrott, 23, and Jimmy Bird, 25.5. The second go-round was won by J. Oxford of Knox City, 22 seconds; James Hill of Snyder, 22.5; Rufus Hart, 24.1, and Pete Reed of Breckenridge, 24.3.

Cutting Horse  
Jess Everett of Snyder took the first four places in the cutting horse contest with four separate horses, Warsaw, first; Trus-

ky, second; Troubles, third, and Daddy, fourth. There were about 16 entries.

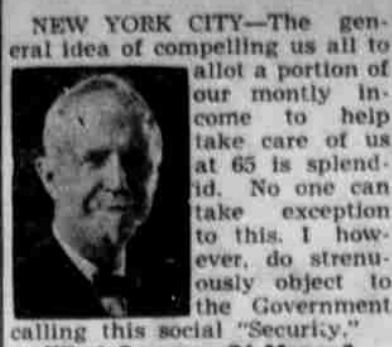

## Cowgirl Sponsors

Mrs. Nell Collier of Wichita Falls won first place with 24.4 seconds, and received a prize of \$100; Miss Rosemary Rice of Big Spring won second place with 24.9 seconds and received a \$3 beaver Stetson presented by Hundley's Men's Store, and Miss Sadie Smith of O'Donnell won third place with 24.9 seconds and received a sterling silver belt and buckle set presented by Dodson's Jewelry Store. Miss Smith and Miss Rice had to ride off a tie.

The ambulance for the show was the courtesy of Mason and Company, and the public address system was lent by the Texas Company. The Boy Scouts operated the cold drink concession and the Rainbow Assembly operated the hot dog concession. (Continued On Back Page, Col. 1)

ROGER W. BABSON WRITES THIS WEEK:

# Social Security Name Is Deceptive To U. S. People

NEW YORK CITY—The general idea of compelling us all to allot a portion of our monthly income to help take care of us at 65 is splendid. No one can take exception to this. I however, do strenuously object to the Government calling this social "Security."

**What Becomes Of Money?**  
First, let us consider how this works. We each have deducted from our pay every week one per cent. To this is added an equal amount contributed by our employer, which he adds to the cost of the goods we make and is ultimately paid by us. Hence, in the long run, all of the

money is collected directly or indirectly, from us. All readers should understand this. Next, where does this money go? It is not invested in a miscellaneous diversified group of safe securities, which would help industry and employment. Rather, the government merely buys its own bonds or gives the Fund a credit on its books. This money when invested might be compared to a note which you or I might give to ourselves; or, a better illustration, would be like the endorsing of our own I.O.U. **What Do We Get?**  
Briefly, at 65 years of age, if we quit work, we get a small pension from the Government. This ranges from \$10.00 minimum to \$85.00 maximum per month, according to the number of years that we have contribu-

ted to the fund and our average wages during said years and whether we are single or married. This means that a single person who has worked 40 years at an average wage of \$150 during all these 40 years can retire at 65 and get \$42.00 per month; or if married, get \$63.00 with something for the widow at death. If your wage averages less than \$150.00 or if you have worked less than 40 years, you are cut down proportionally. With the cost of living as high as at present and the purchasing power of the dollar so small, this pension means little to a man and his wife. I, however, do not object so much to the small amount as I object to the label. The Federal Trade Commission should forbid the use of the word "Security." This

word is fooling 50,000,000 people to think that by making this contribution, they will be secure in their old age. If the Government wants to call it a "pension," well and good; but to use the word "Security" is absolutely deceptive and wrong. If any business corporation should attempt such misrepresentation, it would be haled into the Federal Courts. **For Good Or Evil?**  
No doubt the motive for the Act was good, but the real question is whether the American people would be better or worse off today without it? I honestly believe the nation is worse off today because this legislation is killing the spirit of saving. People are saying "Uncle Sam will take care of me." Hence, they spend their surplus

funds on gambling, horse races, liquor and other wasteful expenditures, instead of saving their money as did their parents. If the Government was promising to pay us in real things such as food, clothing and shelter, these pensions would be O. K. The Government, however, takes our good dollars today and can pay us in bad dollars when we are 65. These may be worth very little. **How Safely To Save**  
The above means that if all the readers of this column should reach 65, July 1, 1949, they would get an average of only \$34.50 per month pension. Hence, it is a crime to your family to depend upon this. Instead do these three things:  
(1) Have a small sustenance

farm somewhere to go in an emergency.  
(2) Give your children some trade or professional education.  
(3) Make regular investments which can be cashed in at the right time in a well diversified list of stocks. **GOOD REAL THINGS**  
DDT for bedbug control can be used in the form of an emulsion, as a suspension in water, containing 10 percent fully effective. It is dusted well into crevices of walls and boards of infected over the surfaces of and mattresses.

### GETTING OUT On The LIMB

by EDDIE the EDITOR

Last Wednesday while we were sweating out the rain that threatened to ruin the rodeo, Dean Robinson said: "If they'd have asked me, I could have told them not to have the rodeo the last week of school. I've been here 23 years, and in that time it has failed to rain the last week of school only two or three times."

There are, of course, advantages in having the rodeo in May, the main one being that the performers and the stock are all fresh from a winter of inactivity and the spectators are not fed up with one rodeo after another in the area like they get as the summer wears on.

Now, I have a few more rodeo comments to get off my chest, and then I'm through until next year:

The rodeo is a mighty fine thing for this area. I have an idea that more people of all ages enjoy it than would enjoy any other type of entertainment that could be promoted. I'm sure that hundreds of people look forward to it from one year to the next, and that it is the high spot in their year's recreational program for the entire family.

This rodeo is made possible by the tireless efforts of a small handful of people. You know who they are. They are the same hard workers who put on the rodeo every year, with very little heavy lifting from anybody besides themselves. This bunch is to be commended, lauded and praised. In addition to spending their own money, neglecting their own businesses and going without meals and sleep for a long period of time, they don't expect any special recognition.

If it were not for these people, there would be no rodeo because in addition to the great number of people who like the rodeo but not well enough to do any work on it there are as many people here—as there are hard rodeo workers—who expect to be paid or publicly thanked for the work that they do.

If the rodeo association undertook to pay everybody who rode a horse in the parade, provided some entertainment on a booster trip, helped park cars or, in any other way, lent assistance, it would go bankrupt.

You'd be surprised how many people who, when asked to assist in some small way, say that they will if they and their families can have free season tickets.

And you'd be surprised to know that the reason there are fewer and fewer merchant sponsors in the parade each year is that the merchants feel that the riders expect to receive gifts that are too expensive. I happen to know that one merchant was asked to donate a pair of \$40 boots in return for the services of a cowgirl sponsor to ride in the parade. This sort of thing kills the spirit that is necessary to stage a successful rodeo.

There are always a few things that can be said after any show by way of ironing out bugs and making the next show better. Considering the weather and other handicaps, this year's show was good. But—and I will keep saying this until something is done about it—I think some more effort should be made next year to vary the program and give the performances something that will set them apart from the ordinary run of rodeos.

There should be some special-

## Garza and the World

By EVELYN BOYD

One man in Post—who is too modest to have his name mentioned here—paid \$150 to have the "National Republic Lettergram" service sent to 19 Garza County school teachers and officials.

This service is prepared by the National Republic Organization of Washington, D. C., which has taken it upon itself to inform the American public about the unparalleled wonders of living in the United States under the private enterprise system.

These 19 subscriptions to this service will provide the teachers with some excellent material which they can work into their Americanism programs in the public schools.

In every town of the nation, an effort is being made to supply the public school teachers with this same sort of solid information which they can pass along to their students in any manner that to them seems advisable.

A good example of the valuable information which this service carries is a comparison chart, prepared by the organization, which quotes a few figures about the United States and other countries. One part of it illustrates how long it takes to earn the price of various items in the United States and in Russia, such as:

To buy food for five people, it takes three hours work in the U. S. and nine hours in Russia; cotton stockings, one hour in the U. S., 24 hours in Russia; cotton shirt, three hours in the U. S., 320 hours in Russia; woolen gloves, two hours in U. S., 100 hours in Russia; alarm clock, four hours in the U. S., 160 hours in Russia; toothbrush, 15 minutes in the U. S., four hours in Russia; ladies' coat,

ty acts—of the type that one would not see at a West Texas rodeo. It will take something like this to make the Post Stampede an event that people for miles around will want to attend each year. Otherwise, rodeos in the area are a dime a dozen and the spectator—if calf roping, bull and bronc riding are all he's interested in—may as well spend his money at any of a jillion other rodeos in West Texas.

The Post Stampede should now set out to make its show different and better than any other rodeo in West Texas. It can be done if all the people will get behind it and work—for nothing—like a few people do.

I think the parade is one of the most important features of a rodeo. If you want to see a good parade, go to the Snyder rodeo. There you will see float after float, like that nice one that the Rainbow girls entered here and like the First National Bank's clever kiddie-driven chuck wagon. All the merchants and clubs at Snyder take an interest in the floats and they make the difference in whether or not the parade is good. Maybe it would help if, next year, a substantial prize is offered for the best float.

75 hours in the U. S., 1,600 hours in Russia; galoshes, three hours in the U. S., 160 hours in Russia.

The chart says: No nation on earth, regardless of its form of government, ever gave to human beings so much liberty and material prosperity as our own Constitutional form of Freedom. We started out as 13 little States, ridden by poverty and threatened by savages. . . we now represent the utmost in individual freedom and individual prosperity. Compare our United States with any other land on earth. The working man here is a king compared to the working man in any other country. Nearly all of us have modern homes—electric lights and power—gas cooking—telephones—automobiles—automatic refrigeration—electric washers and irons—radios—insurance policies. Most of us own bonds and have money in the bank, plus a thousand and one other conveniences and luxuries.

It seems to me that information like the above ought to be included in the regular courses in history and geography. It would do much to offset the known Communist plan of eventually winning over this country by guiding the thinking of today's school children.

The "Lettergram" service has all sorts of interesting observations. I particularly liked this one, which was written by Lucia Ramsey Maxwell and is entitled "The Constitution Speaks":

"I AM THE CONSTITUTION OF THE UNITED STATES OF AMERICA—your title-deed to FREEDOM. I am the Magna Charta of the RIGHTS of the Republic, the RIGHTS of the States, and the inalienable RIGHTS of THE PEOPLE. I was ordained and established by THE PEOPLE, for the purpose of securing for you and your posterity, the blessings of unity, justice, tranquility, the common defense, the common welfare and the perpetuity of LIBERTY.

"I am a government of LAW, a superior, paramount law, changeable only by those by whom I was founded and enacted—THE PEOPLE. My principles are fundamental and were designed to be permanent. I bestow Legislative Powers on the Congress of the United States, and I definitely outline and define its duties and its limitations. I also lay restrictions on the powers of States.

## What Our Contemporaries Are Saying:

**UP TO DATE LIST**—Here are just a few suggestions for the high school graduate:  
One hoghead of whale blubber.  
Set of Model T piston rods.  
Fur-lined set of billiard balls for quiet home games.  
A cluster of Appalachian rhododendrons, unless you have to spell it.  
Monogrammed nose-ring.

"I vest with Executive powers, the President of the United States. These powers are not only designed but positively prescribed. He derives his power and his authority from me.

"I confer judicial powers upon the One Supreme Court, to safeguard your lives and liberties. The powers are clearly defined and limited, and that those limits might not be forgotten or mistaken, I was written.

"I guarantee a Republican Form of Government, to every State in the union, a government of the people, by the people, and for the people. I guard and protect your homes, and guarantee security from unwarrantable search and seizure. I wisely give the control of the children to their own parents, and deprive the Federal Government of any control over them.

"I guarantee to you, FREEDOM OF SPEECH, and FREEDOM OF THE PRESS. I protect the rights of minorities as well as those of majorities. I give the people the right to assemble peaceably and to petition for redress and grievances.

"I guarantee RELIGIOUS FREEDOM, the right to WORSHIP GOD according to the dictates of your own conscience. My principles of Civil and Religious Liberty are like the Ten Commandments, perpetual and eternal, and applicable to every age and every station.

"I am your birthright and heritage, bought and paid for in blood and sacrifice. I am your title-deed to FREEDOM, which is yours to hold in trust for posterity. If you fail to keep that trust inviolate, if I am nullified, destroyed or impaired, you and your children will cease to be FREE AMERICANS, and will become slaves to dictators and despots. Eternal vigilance is the price of LIBERTY. Guard well your heritage, lest you perish."

The above would be an excellent piece for high school declamation classes.

Olive fork, pickle fork, salad fork, lemon fork, turning fork—anything except a plain eating fork.  
A dozen assorted sink stoppers.  
Mounted moose-head.  
Any type of unusual animal, readily adaptable as a pet, such as a gazel, pelican, East Indian lemur or South African sloth.—The Rails Banner.

**RECREATION NECESSARY**—Recreation is said to be the most important feature of this modern life. It is said to prolong life. What about the old birds who lived to be 90 years of age, and worked every day? Did they have to rely on recreation for long life?—The Canyon News.

### See this new Maytag Dutch Oven Gas Range

Cooks either automatically, or as a conventional gas range. Also gives you the never-equalled flavor and excellence of famed Dutch Oven cooking.

Cooks either automatically, or as a conventional gas range. Also gives you the never-equalled flavor and excellence of famed Dutch Oven cooking.

As a conventional range, you'll find many important, modern improvements, such as the speedy, heat-focusing, gas-saving Spiral Flame burners. And you'll like the ease of cleaning: range top and burner bowls are stamped from one piece of gleaming white porcelain.

Large oven cavity automatically, or by usual methods. Dutch Oven method retains whole meal, automatically, while yet away. Heavy insulation holds heat in—keeps kitchen cool. Only Maytag Dutch Oven Gas Range automatically turns on the gas and keeps right on cooking.

COME IN—SEE ITS MANY OUTSTANDING NEW FEATURES

From where I sit... by Joe Marsh

**Two Heads Are Better Than One (Or None)**

I get a kick out of buying stuff down at the hardware store. And I always ask for a little advice from one of the two brothers who run it, because I know beforehand exactly what the answer will be.

Like when I needed a new garden hose. "Henry," I says, "how about this new plastic hose—is it really as good as rubber?" "Well," he says, "I'm inclined to think it is—but you'd better ask Tom."

I found Tom in back and asks him the same question. "Well," says Tom, "in my opinion it is—

but you'd better ask Henry." "I already have," I says, "and when you two cautious old codgers agree I'd bet my life on the decision."

From where I sit, your own opinion is worth a lot—but so's the other fellow's. That's why I keep saying, over and over, let's be tolerant of the other person's point of view—whether it's on politics or farming—or whether you like milk shakes and he prefers a temperate glass of beer.

Joe Marsh

The Jimmy Boyd family of Midland will be dinner guests in the Iven Clay home Sunday. Boyd, a former Garza County agricultural agent, and Clay have May birthdays two days apart, and their wives always give a dinner for them at this time of year.

Tom Power helped with the round-up at Wilson Connell's ranch Tuesday.

### Beginners Class In Band Planned

Merle Jenkins, director of the Post School Band, announced this week that he will teach a summer class for beginners in band music to prepare them to

### Troop 16 Will Go To Camp Post On Sunday For Week

Seventeen members of Boy Scout Troop 16 will be among the approximately 125 boys from several South Plains troops to spend a week at Camp Post beginning Sunday.

Each Boy Scout camping period at Camp Post this summer will begin on Sunday afternoon and close the following Saturday noon. From Saturday noon until Sunday noon, there will be a Cub-Dad Pow-Wow at the camp for three successive weeks.

The camp was officially inspected Saturday when the executive board of the South Plains Area Boy Scout Council held a quarterly meeting there.

Final details of getting the camp ready for the season are being worked out this week by Field Scout Executives Frank Atkinson of Levelland and Jack Johnson of Lamesa, and the camp director, Raymond Lupfer.

The new swimming pool at the camp has been completed and will be in use for the boys who meet the minimum health and safety standards of the Boy Scouts of America. These standards require medical examinations for the boys within 30 days of their attending the camp and a physical check on their entering the camp.

### ALFALFA HARVESTED

Denny Eubanks this week harvested approximately 500 bales of alfalfa on the Eubanks farm in the Canyon Valley Community. He has made arrangements with Fry Feed and Hatchery to buy 12 tons of phosphate fertilizer. He plans to use 500 lb per acre on the alfalfa. He said "where I put a heavy application of fertilizer in February, 1948, the alfalfa is sure good."

Mrs. Elma Caudle and son of Hale Center and Mrs. Kate Phillips of Lubbock, visited last Friday in the home of Mrs. John Faulkner and daughter, Mrs. Dezzie Middleton. Mrs. Caudle is Mrs. Faulkner's niece.

play in the band when school opens in the fall.

All persons desiring to enroll their children in the class should call Mr. Jenkins between Monday and Wednesday, so that the class can be formed next week and instruction begin immediately.

### It's A Good Thing There Was No Fire

Both fire trucks answered a false alarm early Monday evening at the Lowell Short residence. A trash fire, which was well under control in the Short's back alley, had caused someone to turn in the alarm.

Adding further confusion to the incident was the false rumor that the fire was at the R. D. Dravis home. While Travis was working calmly in his garden, scores of people appeared at his home to "watch the fire."

"It's a good thing we didn't really have a fire," Travis told a Post Dispatch reporter, "because the fire trucks would never have found a place to park for all the cars that beat them to our neighborhood."

Short and his two sons were burning some junk lumber and other trash when they heard the fire alarm. They wondered where the fire was, but went on with their trash burning, until the crowd started forming there and the fire trucks appeared.

### Mrs. Joe Adler Dies May 18 In San Diego, Cal.

News has been received here of the death of Mrs. Joe Adler of San Diego, Calif., the former Miss Beulah Thompson of Post. Mrs. Adler, who had been seriously ill since September, passed away at 9 a. m., May 18, and funeral services were held in San Diego last Friday morning.

With her at the time of her death were her husband, a former Lubbock resident, and her sister, Miss Sybil Thompson, formerly of Post. Her brothers, Carter Thompson of Amarillo and Phil Thompson of Plainview, were unable to attend the funeral.

Mrs. Adler was a daughter of the late Mr. and Mrs. Virgil Thompson of Garza County, and she taught school in Post for a number of years before she married. She left Post about 1928.

John H. Babb of Chicago, Ill., was installed as vice president general of the Sons of the American Revolution at the national SAR convention in Jacksonville, Fla., last week. He is a son of Mrs. J. H. Babb.

Mr. and Mrs. Boyd Rea of Arton visited Mrs. Rea's mother, Mrs. Vida Brant, Sunday.

### Carter White To Leave June 7 On Washington Trip

Carter Gene White, one of four statewide 4-H club contest winners of a trip to the National 4-H Camp at Washington, D. C., will leave here the night of June 7 for College Station to join the party which will leave there the morning of June 9 in a 12-passenger sedan.

In the party will be the other three Texas winners, Harry Lee Schneider of Guadalupe County, Beverly Runnels of Brazoria County and Lue Ruth Stephens of Dallas County, and Miss Bonnie Cox, Miss Anne B. Elliott, Alton Nelson and A. H. Karcher, Jr., of the Texas Extension Service.

En route, overnight stops will be made at Little Rock, Ark., Nashville, Tenn., Roanoke, Va., Elkton, Md., New York City, N. Y., and Trenton, N. J. The group will be at the camp in Washington from the night of June 15, through June 22. Overnight stops on the way home will be at Greensboro, N. C., Montgomery, Ala., New Orleans, La., and College Station.

Expenses will be paid by the United Gas Pipe Line Company, which also will present certificates of recognition to the four winners for their outstanding 4-H work.

Carter Gene will be recognized as a livestock showman who has 70 prize ribbons in his collection, president of the district 4-H organization and for his successful club project in raising cotton, grain sorghums, hogs, beef cattle, poultry, horses, sudan and Hereford breeding cattle. He started his club work at the age of 8 years, and has been president of his local club four times president of his county organization three times, and is now junior leader of his club. He was awarded an Anderson Clayton Scholarship in 1948 and was second in the State Crops Contest.

He was graduated last week from Post High School, where he was an honor student and active in all school affairs, including football and other sports. He is the 17-year-old son of Mr. and Mrs. L. C. White. He plans to enter Texas Technological College in Lubbock this fall and study animal husbandry.

Jerry Queen spent Tuesday in Lubbock.

Working to Provide You With Good Gas Service

It takes a lot of skilled men and women besides a lot of material to furnish you good natural gas service. Over 300 men and women are back of your West Texas Gas Company's gas service. Engineers, draftsmen, fitters, compressor operators, field men, welders, servemen, pipe line workers, clerks and many other skilled men are on the job to provide you with good gas service.

Many of these men and women, your friends and neighbors, have been working for you 15 and 20 years. You know their jobs and are conscious of what good gas service means to you.

And they know too... "Good Gas Service Doesn't Just Open."

## Seagraves, Riding Atop Oil Belt League Standings, Plays Post Millers Tonight

The Post Millers will play Seagraves in the Postex Park tonight in an Oil Belt League game. On Sunday, the Millers will journey to Levelland for another Oil Belt League encounter in the afternoon.

Seagraves continued its ride atop the league standings after Sunday's games, and Brownfield lost its seventh consecutive start to remain firmly entrenched in the cellar position.

The Millers defeated Brownfield Sunday, 12-11. After a slow start that saw Post go ahead 7-4 after five innings of play, the Millers scored a run in the sixth which was surpassed by a six-run rally by Brownfield in its half of the inning. The losers put together one more run in the seventh to take a 11-8

lead, but Post salvaged the victory with a four-run last inning to hand Brownfield's K. Russell the loss. Boren was the winning pitcher.

Anderson, Brownfield center fielder, had five hits in six times at bat; Bish, third base, collected four to six, and Russell hit safely twice in three times up. Leading Post were Thomas, three for four; Boren, two for four, and Walter B. Holland with three for five. G. Hester had two hits in five times at bat.

Seagraves scored two runs in the second and four in the sixth to down Tahoka, 5-4, with Faulkner pitching the winning game. Faulkner led the hitting with two safeties, including a double, for the winners, and Hicks knocked one out of the park and was credited for two runs batted in. Pierce had a triple and B. Rogers hit a double for the losers. Deatherage also was credited with a double for Seagraves. Holcombe was the losing pitcher.

Levelland posted a 12-1 victory over Sundown as the winners collected 17 hits to only six for the losers. Leading the hit parade were Trammell and Cooper with three hits in five trips and Terry and Stone with three for six. McChristal and Totten paced Sundown with two hits apiece in four times at bat. Credited with the win was Theford and Wright was tagged with the loss.

In Sunday's final game, Denver City downed Slaton, 9-8, with Epperson gaining the victory. Coliard was the loser.

## Baseball Team Of Post High School Wins District 4-A

Post defeated Morton, 7-4, last Thursday afternoon at Chapman Field in Lubbock to win the high school District 4-H championship.

Last Thursday's game was the finale of a three-game playoff with Morton. Billy Ramage pitched the entire game for Post, striking out 14 men and giving up only three hits. All of Morton's runs were on errors.

Post stepped out into a 3-0 lead in the first inning, increased the margin to 5-0 in the third, and added runs in the fifth and sixth to pile up the total of seven.

Junior Malouf got two 2-base hits, and singles were made by R. E. Josey, Billy Ramage, Jim Ruth Norman, Carter White, Bobby Pennington and Jerry Odom.

A four-run outburst in the sixth by Morton fell short of the mark. Three of the runs came after Clifford Wall, Roy Smith, and Fred Stockdale loaded the bases. Jimmy Winder then poked a long triple to left field to score the runners ahead of him. The next man up, Derrell Bowman, sacrificed Winder home with the fourth and final tally. In the second inning, Morton loaded the bases with one out but could not score. In that inning, Wall doubled. Billy McDaniels was on the hill for the losers.

In the first two games of the playoff with Morton, Post took the first here with a 17-2 county, and Morton scored a 5-4 victory at Morton in the second game.

## Gossip about Garza Guys And Gals

**Alma Outlaw is expected home** tonight or tomorrow from Baylor. Her parents went to Waco after her yesterday. Alma's sister, Zora Ann, who is a teacher in Brownfield High School will be home after the commencement program tomorrow night. Zora probably will attend Tech this summer.

**Jack Wright will be graduat-** ed from A&M College June 3. He is a member of the largest class ever to graduate from the College. Double-header baccalaureate and commencement programs will be held to take care of the 1,200 graduates.

**Sue Bell Brister left Sunday** for Seminole to spend the summer. She plans to get a job there.

**"Rusty" Bowen arrived home** last week from Harper, Kans., where he has been employed with a Railway Company. He is planning to enter Hardin-Simmons in Abilene this summer.

**Lavenia Carpenter will arrive** home Saturday from Denton where she has been attending T.S.C.W.

**James and John Boren spent** Saturday night and Sunday in Lubbock as guests of Mr. and Mrs. Hubert Richards.

**Kathryn Childress will be gradu-** ated from A.C.C. in Abilene Monday. Her mother, Mrs. Magie Childress and her grandfather, N. J. Lanotte, will attend the commencement exercises.

**H. T. Carr, Jr., and Bobby** Graves, students at West Texas State College in Canyon, were here over the weekend for the P.H.S. commencement program.

**O. R. Cook, Jr., and Johnny** Malouf will receive their de- grees from Tech Monday evening.

**We heard many nice com-** ments on the fine showing a lo- cal boy, Harold Childs, made in the rodeo here last week.

## Methodists Open Area Conference In Amarillo

The Northwest Texas Metho- dist conference opened its 40th annual session in Amarillo Wed- nesday. Attending the confer- ence from Post are the Rev. A. B. Cockrell, Mr. and Mrs. John Lott and several other inter- ested persons.

Dr. J. O. Haymes a prominent leader in Methodist work, re- ported that more than 9,000 new members joined the Methodist church in Northwest Texas dur- ing the past fiscal year.

Doctor Haymes said the pre- sent active membership of the conference is 72,175. There is an inactive membership of more than 18 per cent.

He reported the conference raised \$3,534,600 for all pur- poses during the year and spent \$1,870 for building and improve- ments.

Bishop W. C. Martin address- ed the conference at its open- ing session. Methodist minis- terial dead were honored at a memorial service.

Ministerial appointments for the coming year will be an- nounced late Sunday afternoon.

**Mr. and Mrs. L. C. McMinn** spent the weekend visiting rela- tives in Santa Anna.

## Fluitt-Reno Vows Are Exchanged In McClellan Home

Miss Jeneice Fluitt, daughter of Mr. and Mrs. W. O. Fluitt, became the bride of Harold Reno, son of Mr. and Mrs. Iva Reno, at 3 o'clock Saturday afternoon. The Rev. Bill Flemings of New Home, Methodist minister, per- formed the single ring ceremony before an altar decorated with spring flowers, in the home of the bride's brother-in-law and sister, Mr. and Mrs. Morris Mc- Clellan. Guests were members of the immediate families.

Miss Juanella McClellan, niece of the bride, played "Because" at the piano before the cere- mony and she also played the wedding marches.

The bride, given in marriage by her father, wore a blue dress with white accessories and a corsage of white carnations.

Miss Bobbie Nell Fluitt, maid of honor and sister of the bride, wore a pink dress with white accessories and a purple cor- sage.

Maurice Fluitt, the bride's twin brother, attended the bride- groom as best man.

The bride's nephew, Wayland McClellan and Delwin Fluitt, served as ring bearers, one carry- ing the ring on a pillow and the other handing the ring to the best man.

After the ceremony, a recep- tion was held. Wedding cake and punch were served.

The couple is at home here after a short wedding trip. The bridegroom is employed by a service station.

## Carolyn Boren Is Honored At Party

Miss Carolyn Boren, who was graduated from high school Fri- day night was honored at a luncheon and theatre party given by Mrs. Hubert Richards of Lubbock Tuesday. The honoree and guests met at the Richards home for lunch, then went to see the clever movie, "When Moth- er Was a Freshman."

Attending were Daisy Holly, Alma Floyd, Betty Mills, La- Nelle Brown, Frances Benson, Janet Stewart Mildred Boren and the honoree and hostess.

## Malouf Family Is Honored At Party

Mrs. Ben Smith entertained the M. J. Malouf family with an outdoor breakfast at 6:30 o'clock last Friday morning at her home, as a farewell courtesy to Mrs. Malouf and sons, Mitchell, Jr., and Tommy who left the next day on a trip to California. Pineapple juice, scrambled eggs, bacon, hot biscuits, butter, jelly and coffee were served to about 30 guests, who were mem- bers of Mrs. Malouf's Sunday School Class and other friends.

## HD Council Reports Results Of Bazaars

The Garza County Home Dem- onstration Council made \$120 from the four bake sales and bazaars sponsored during the past month, the home dem- onstration agent, Mrs. Jewell H. Strasser, said this week.

She expressed the apprecia- tion of the clubwomen for the public's support.

The "Rachel Fong" G. A.'s of the First Baptist Church met Monday afternoon in the home of Geraldine Dunlap with ten members present. The next meeting will be Monday even- ing in the home of Billie Ticer.

The Vacation Bible School in progress at the First Baptist Church is reported to be grow- ing in attendance every day. An average of 110 children have at- tended this week. The school will continue through next week. The Departmental superinten- dents are Mesdames Robert Cox, Intermediates; E. M. Bass, Ju- niors; C. K. Pierce, Primary Di- vision; and Carl Hughes, Begin- ners.

The Southwestern Public Ser- vice Company invites the public to tune in at 12:45 p. m. every Sunday beginning June 5, to hear

## Church News

**Scripture:**  
For we are saved by hope; but hope that is seen is not hope; for what is a man seeth, why doth he yet hope for? But if we hope for that we see not, then do we with patience wait for it. Like- wise the Spirit also helpeth our infirmities; for we know not what we should pray for as we ought; but the Spirit itself maketh intercession for us with groanings which cannot be ut- tered. And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. Roman 8:24-27.

**Minute Prayer**  
Ever let the light of Thy pres- ence shine through us to in- fluence others to follow Thee.— Amen.

Announcement was made at the Sunday evening service at the First Baptist Church, that Agnes Windham and ElWanda Davies will attend the Baptist Camp in Ridgecrest, N. C., this year. A secret committee in the church selects two young peo- ple to attend the camp. The trip is an annual courtesy of Mr. and Mrs. Ira Lee Duckworth.

The Presbyterian Missionary Society met Monday afternoon in the home of Mrs. George Samsom for a program on Christian Expansion in Rural Areas. The devotional was from the 13th chapter of Matthew. It was announced at the meeting that a picnic supper will be held on the church lawn, June 2, in honor of the Rev. A. L. Dor- sett and family of Houston who will be visiting here. Every member of the Presbyterian church is urged to be present at the church at 6:30 p. m. and bring a picnic lunch.

The members of the W.S.C.S. were hostesses for a tea Mon- day afternoon at the church in honor of their guests from Grass- land and Draw, who presented a program on Advanced Mission- ary Work. Mrs. J. E. Peters, conference officer, was leader for the program. Others who participated in the program were Mesdames D. G. Cook, Gus Porterfield, and Roy Lamond of Grassland and Mrs. Sherrill of Draw.

Mr. and Mrs. Bill Crump have leased their business here and are making plans to enter the Southwestern Baptist Theologi- cal Seminary in Fort Worth, where he will continue his min- isterial studies and Mrs. Crump will study voice and piano. Mr. Crump has served as substitute pastor at the local Calvary Baptist Church since moving to Post a few months ago.

The First Baptist T.E.L. Class met Wednesday of last week in the home of Mrs. John Faulkner with Mrs. F. E. Marable as co- hostess. Mrs. R. E. Tomlinson gave the devotional and prayer was by Mrs. Ira Weakley. The business session was followed by a social hour in which some contests were enjoyed. Refresh- ments were served by 14 mem- bers and a visitor, Mrs. J. N. Gossett.

The Rev. A. B. Cockrell and Mr. and Mrs. John Lott are in Amarillo attending the North- west Texas Annual Methodist Conference this weekend. The Pastoral Relations Committee, with J. E. Parker as chairman, will be in charge of the Sunday morning services at the local Methodist Church. There will be no evening services.

The "Rachel Fong" G. A.'s of the First Baptist Church met Monday afternoon in the home of Geraldine Dunlap with ten members present. The next meeting will be Monday even- ing in the home of Billie Ticer.

## Mrs. Wes Greer Is Birthday Honoree

Mr. and Mrs. Johnny Ray and children, Maudie Faye and Jerry, gave a surprise birthday din- ner last Sunday for Mrs. Ray's mother, Mrs. Wes Greer of Grassland.

Those present were Mrs. Wes Greer, Mrs. J. C. Bargsley and Douglas Greer and children of Grassland, Mr. and Mrs. Jack Richey and sons of Slaton, Mr. and Mrs. J. Fred Bucy, Jr., and baby of Lubbock and Mrs. Tom Morgan of Post.

## Seniors Honored In Ray N. Smith Home

After the Post High School Commencement Friday night, members of the Senior Class and their friends were enter- tained at a Coke party in the home of Mr. and Mrs. Ray N. Smith. Hosts were Mrs. Smith, Mrs. H. T. Carr and N. R. King.

**MYSTIC CLUB**  
The Mystic Sewing Club will meet at 2:30 tomorrow afternoon in the home of Mrs. R. W. Babb. Mrs. F. I. Bailey will be co- hostess.

**NEEDLECRAFT CLUB**  
The Needlecraft Club will meet tomorrow afternoon at 3 o'clock in the home of Mrs. T. L. Jones.

"Hymns of the World," starring John Charles Thomas and Ken Darby and the King's Men. This program may be heard over 13 stations. In this area the pro- gram may be heard over KFYO, Lubbock.

## Culture Club Has Luncheon Closing Year's Program

The Woman's Culture Club closed the 1948-49 season with a luncheon, program and instal- lation of officers yesterday in the First Methodist Church.

Mrs. Lee Davis presided. The program was featured by a col- ored movie made by Mrs. John Herd on a trip to Alaska. The films were shown by Mrs. Herd, a guest of the club.

Mrs. S. D. Strasner, member of the Junior Culture Club, serv- ed as installing officer. Those installed were:

President, Mrs. Ralph Welch; vice president, Mrs. Charlie Bird; secretary, Mrs. L. W. Kit- chen, and corresponding secre- tary and treasurer, Mrs. Monta Moore.

The luncheon menu and table decorations were arranged by a committee consisting of Mrs. J. E. Parker, Mrs. Tom Bouchier and Mrs. Dowe Mayfield. Decora- tions included purple lark- spur and queen's lace on the tables.

Only three members were ab- sent. Attending besides those named above were Mrs. John A. Lane of Lubbock, a guest, and Mesdames Walter Eoren, A. B. Cockrell, Robert Cox, W. L. Davis, C. E. Daughterty, J. R. Dur- rett, T. W. Hagood, T. L. Jones, Maxine Presson, H. W. Schmidt, George Tracy and B. E. Young.

## Douglas Gossett Is McMurry Graduate

Douglas W. Gossett received a bachelor of arts degree in religi- ous education from McMurry College in Abilene Tuesday. He entered the college in January 1946, and was a member of the Ministerial Forum. He plans to enter the Theological Seminary of Southern Methodist University in Dallas, in September.

Mr. Gossett is a son of Mr. and Mrs. Fred Gossett of Route 3, and his wife is the former Miss Beatrice Cummings.

Mrs. Fred Gossett and son, Donald, and Mrs. J. W. McMa- hon and daughter, Iris Steen, at- tended the commencement exer- cises in Abilene Tuesday.

## PRISCILLA CLUB

The Priscilla Club meeting, which was scheduled for to- morrow afternoon in the home of Mrs. Jake Webb, has been postponed. The next meeting will be June 10, in the home of Mrs. Morris Neff.

Visiting Mr. and Mrs. Alvin Shelton and daughter Sunday were Mr. and Mrs. Virgil Melton of Lubbock, Mr. and Mrs. H. E. Shelton and Mr. and Mrs. Eldridge Shelton and children of Slaton.

**New Building To Be Erected Here For Planters Gin**

A Planters Gin construction crew this week started tearing down the company's old Munger gin in east Post in preparation for the erecting of an all-steel building to house a Hardwick-Etter gin. Only the seed house of the old gin buildings will remain on the site.

The new steel building will be put up as soon as the wreckage of the old gin is moved away. It is likely that the foundation will be run within a few days.

Lee Davis, manager, said that equipment for the new gin will include a Diesel engine.

**F. A. Marcus And Mrs. Fumagalli Win News Money**

F. A. Marcus, formerly of Seminole, received last week's first prize of \$2.50 for reporting that he and his son, Jack, have leased the Algerta Coffee Shop. The second prize of \$1 went to Mrs. Julius Fumagalli for information that her son, Bill, is working as a stand-in in Gene Autry's new picture, "Sons of New Mexico."

Honorable mention went to Jeneice Propst for reporting a wreck on Highway 84; Mrs. T. E. Ford for information concerning a robbery at the Postex Mills; to Mrs. Ott Nance, for the tip on the coffee which was given for the visiting Cowgirl Sponsors; to Miss Beattie Pitts for the news tip on the 25th wedding anniversary of Mr. and Mrs. J. F. Storie, and to Walter Crider for the tip on the local Red Cross disaster plans.

News tips like the above make the Post Dispatch the most interesting weekly newspaper in West Texas, and so the contest will continue indefinitely.

### Rodeo Results

(Continued From Front Page)  
 This was the third year that the Texas Company has provided the use of its \$15,000 sound equipment. The truck, which is operated by Glenn Green of Houston, covers rodeos and other public entertainments all over the southern part of the United States, from Florida to New Mexico, as a good will gesture.  
 S. E. Camp, local Texaco Company agent, said that several cowboys who participate in most of the Texas rodeos told him that the good performance of the Texas Company sound equipment helps make the difference between a good rodeo and a bad one because the riders are so dependent upon the public address system for instructions and other essential information concerning their part in the show.  
 All expenses of the sound truck and operator were the courtesy of the Texas Company, Camp said.

Mr. and Mrs. Harry Evans and son of Amarillo visited his parents, Mr. and Mrs. George Evans, at Justiceburg over the weekend. The Harry Evanses were not in the Amarillo tornado area.

Mrs. W. A. Cook of Lubbock visited here over the weekend in the home of her son-in-law and daughter, Mr. and Mrs. Earl Hodges. Sunday visitors in the Hodges home were Mr. and Mrs. Mack Schrum of Eunice, N. M.

### Curtis A. Cryer Of Borger Heads Lions' District

The three-day 1949 convention of District 2-T-1 of the Lions Club closed in Lubbock Tuesday with a luncheon at Hotel Lubbock. The Post Lions Club was represented at the convention Monday by S. D. Strasser and Garland Davies.

Curtis A. Cryer, Borger school superintendent, was elected district governor, and Childress was named as the 1949 convention city.

Passage of a resolution assuring right-of-way of a blind person with a white cane and support of the movement for establishment of a free camp and recreational center for the underprivileged crippled children of Texas were advocated in resolutions approved by the convention.

A highlight of the convention program was the address by Dr. Eugene S. Briggs of Enid, Okla., president of Lions International, who said he was speaking for 385,000 Lions in 7,520 clubs in 26 nations on five continents.

"International organizations, such as the Lions," he said, "are striving for a common objective—to bring about better conditions and better understanding in the world. . . . But we seem to be too complacent in this democracy of our and take our issues too lightly, when we let less than half the people decide for us in voting. We've got to get something started in this vibrant nation of ours so that the

### Four-H Awards To Total More Than \$6,000 This Year

If there had been 4-H Clubs when George Washington was a boy, he probably would have qualified as a champion in the National 4-H Leadership awards program. Today's rural youth have the advantage of being trained for leadership by taking part in this program. As one 4-H'er aptly observed—initiative, patience, perseverance and resourcefulness are qualities to be desired in a leader, and there is no better place to learn than in 4-H.

With these objectives in mind as they work in the various 4-H projects, Texas Club members are participating in the 1949 leadership contest, according to the State 4-H Club office. Alvin Davis, was one of the national winners last year. He and Patsy Delavan of Devine had the most outstanding records in the state, and were presented with 17-jewel wrist watches appropriately engraved.

Besides the watch for state winners, there is an educational trip to the National 4-H Congress for the high-ranking boy and girl in each of the four extension sections. From these eight sectional winners, the boy and girl having the best record will be chosen to receive a \$300 national scholarship. The two runners-up will get a \$150 scholarship. Top boy and girl in each county will be awarded a gold medal of honor. All of the awards—totaling more than \$6,000—are donated by Edward F. Wilson, president of Wilson and Co., Chicago.

In addition to the state winners, county medals were awarded to 94 other Texas boys and girls. The Cooperative Extension Service supervises the program.

### Texas Ranger Film Made In Part On Tom Elkins Ranch

"The Streets of Laredo," one of several Hollywood films made in part on the picturesque ranch of the late Tom Elkins, near Gallup, N. M., will be shown at the Garza Theatre Sunday and Monday, June 5 and 6.

Elkins, brother of Mrs. Elton Nance and Sam Elkins of Justiceburg, furnished horses for the film and some of his ranch employees rode in some of the scenes.

"The Streets of Laredo" is a story of the first Texas Rangers, featuring "Calico Charlie, known also as having the warmest smile and coldest heart in Texas," and starring William Holden, MacDonald Carey, William Bendix and Mona Freeman.  
 Some of the story was filmed in Laredo. The Elkins ranch was used in certain scenes because of the expansive areas of tall red cliffs on the property, it is believed.

Idea will catch on for the rest of the world."

President Briggs and District Governor William R. Rutherford of Dumas were honored at a banquet-dance Monday night. They were presented with gold watches and silver belt sets, and an electric clock was presented the state secretary, Marlowe Fisher of Austin.

Mrs. George Evans of Justiceburg has returned home from the West Texas Hospital in Lubbock where she was a patient suffering from a throat infection.

George Herd of Fort Worth arrived here last night to attend to business and visit in the home of his brother, John Herd.

### Williams Attends Meeting And Tour On Conservation

Jim Williams, Duck Creek Soil Conservation district cooperater, this week attended a district supervisors meeting and tour at Spur. The supervisors approved applications for assistance in soil conservation work covering approximately 94,000 acres. Roy and Bobby Pennington's conservation plan was approved for assistance.

The supervisors also discussed the need for special grass drills designed to plant both clean and trashy grass seed. Russell Wilks' grass planting was made this spring with this kind of a drill. It belongs to the soil conservation service and is used only for trial grass planting. In their discussion, the supervisors recognized a growing need for fertilizer drills to help encourage the use of rye and vetch cover crops. Oscar McGinty, chairman, said "in the past we have placed emphasis on heavy machinery to hold water on the land; we need to think more of getting water into the land, where plants can use it. Cover crops and grass management will accomplish this."

**Afternoon Field Tour**  
 In the afternoon the supervisors and visiting cooperators inspected conservation work in the county. Jim Williams, after looking over a native grass planting made in 1943 on the Walker farm, described the stand of grass as revolutionary. Kinds of grass in this planting on hilly sandy land is little and sand bluestem, switch grass, blue and hairy grama.

**Vetch And Rye**  
 Stops were made on the McGinty, Wayne Beattie and J. B. Montgomery farms to see vetch and rye cover crop planting.

McGinty has approximately 180 acres of a vetch rye mixture. Beattie has 10 acres of vetch and rye planted in deep sandy land. The vetch covers the land in a solid mat two feet deep. J. B. Montgomery lists the following points of significance about his vetch and rye.

1. It has furnished grazing since November.
2. His 75 acres of vetch and rye have been worth \$20 per acre for pasture.
3. It has improved each year. This is the third year on the same piece of land.
4. The land is very sandy. Cotton would not make enough to pay to grow it.
5. It has completely prevented wind erosion.
6. Much of this year's crop is volunteer from last year's seed crop.
7. The fertility of the soil has improved.
8. Nitrifying nodules are abundant on the roots of the vetch plants.
9. Jim Williams said there are hundreds of acres around Post that could best be used for vetch and rye.

### County Records

Courts and Marriage Licenses  
 Real Estate Transfers  
 Oil And Gas Leases

**Warranty Deeds:**  
 Mary Belle Bagley, et vir, to John Miller Post No. 6797 Veterans of Foreign Wars of U. S., lots 1, 2, and 3, of G. Coury's sub-division adjacent to the town of Post. Consideration \$500.

Diana Barron and Auda Vee and Howard Lee Teaff have measles.

Mr. and Mrs. L. R. Mason attended funeral services for a relative in Waco Sunday.

Miss Ruby Mason is driving a new Plymouth.

Mr. and Mrs. Virgil Stone are spending most of their time in Lubbock with his father, A. Stone, who is ill in Lubbock Memorial Hospital.

### California Not So Sunny For Drifters

Mr. and Mrs. Carl Doss of Los Angeles, Calif., arrived here Tuesday to spend two days visiting their nephew, E. A. Warren, and wife. They are en route home from a month's vacation in the southern states.

Doss, who for a number of years has been associated in the shoe department of Bullock-Wilshire in Los Angeles, believes that Los Angeles will be the world's largest city within a very few years.

People from all over the world are moving into California and living conditions in Los Angeles are so crowded that people are having to sleep in the parks. Unemployment is increasing, and prices are remaining high.

California's high old-age pension is attracting many people to the state, he said. Many of the other newcomers are "drifters" looking for a good climate and an easy life. Their war savings are gone and they can't get away.
