Trustees resume work on building

Independent School District trustees resumed work on the building at a special meeting Monday night.

at a special meeting Monday night returned to the knotty problem of building expansion here. It appears the same appears the same June, 1957, when the considered it—either new high school and the present 30-year-old building for grade or junior or (2) remodel and present high school high school use and classroom addition to school building. After two hours of hearing they wanted to rapidly toward a solution.

Pre-Chest drive work under way

Advance work on Garza County's 1959 Community Chest drive, scheduled for Nov. 17-21, was well under way this week with pledge cards for the campaign being handed to workers of the "advance gifts" division Tuesday afternoon. Jim Cornish, Chest drive chairman, announced today his key chairman in the six-division drive organization and an assistant drive chairman.

Band group attends contest at Amarillo

Band Director Bob Meisch and four members of the band were in Amarillo Tuesday to attend the regional band marching contests. Band members accompanying the director were Boyd Dodson, Rodger Sullenger, Sandra Martin and Beverly Young.

chairman of the Postex Cotton Mill employes division. Edsel Cross heads the oil employes division. Supt. of Schools R. T. Smith is the chairman of the school division of the drive to contact all teachers and other school employes.

CLAUD COLLIER is the new chairman of the employes and commercial division.

Assistant general chairman for the drive is Leo Acker.

The 1959 drive toward a \$12,500 budget goal—\$500 increase from the \$12,000 goal for 1958—is already \$674.20 "on its way", Cornish announced, with a \$500 check from the Postex Cotton Mills and a \$174.20 check from the Golden Jubilee organization, representing the final balance left in the Golden Jubilee fund from last year, which was pledged to the Community Chest.

Show of oil at Shell wildcat

Shell Oil Company's wildcat, the No. 1 Sims on the Ed Kelly Sims ranch in southern Garza County, had a show of oil in the Mississippi, M. L. Pierce, Shell production foreman, announced this week.

The promising wildcat flowed in three drillstem tests from the Strawn last week.

Pipe is now being set preparatory to drilling out and testing the Ellenburger.

Shell also reported this week it had plugged a dry hole its Jones test in Borden County, was moving in preparatory to drilling the Slaughter-CD-2 in the Happy Strawn field, and had an oil show in the Sprayberry at its Slaughter-G-1 wildcat on the Slaughter ranch.

Humble is reported moving in to drill another wildcat deep try on the ranch one and one-fourth miles west and as many north of Shell's Slaughter-F-1.

Most gins stand idle

Rain, which has been falling intermittently throughout most of Garza County since Saturday, had brought the cotton harvest to a virtual standstill Wednesday, with skies still overcast Thursday morning.

With the exception of the Planters Gin in Post, which ginned eight bales Wednesday morning, other gins had shut down, some having sat idle since Saturday. The cotton ginned Wednesday at the Planters Gin came from east and northeast of Post, where there has been very little rainfall. Some farmers in the Canyon Valley community northeast of Post and others east of town were still pulling Tuesday, but the rains of Tuesday night and Wednesday morning are reported to have halted the harvest in those areas, too.

UP TO Wednesday noon, a total of 4,684 bales had been ginned by the county's six gins, which is an increase of only 909 bales over ginnings reported at the same time last week.

Rain in Post from Saturday until Monday was measured at .66 of an inch, with another .15 of an inch reported Tuesday. Tuesday night and Wednesday morning's precipitation figure had not been reported late Wednesday.

COTTON BUYER Jack Henderson said yesterday that if the bad weather would "break" within the next two or three days, the cotton crop would not be hurt too much, but that it would suffer severely if the bad weather continues much longer than that.

Ginning totals at noon Wednesday were: Planters Gin, 1,069 bales; Graham Co-op, 936; Close City Co-op, 548; Storie Gin, 330; Basinger Gin, Southland, 1,250; Pleasant Valley Gin, 551.

The gin managers report that grades are holding up "pretty good," considering the bad weather. Very little machine-pulled cotton is coming to the gins, but the amount is gradually picking up.

Permits jump to \$423,837 here

City building permits have been issued to L. R. Mason for moving in of the former Grassbur school building and tearage and remodeling them into residences.

The school building is to be remodeled into two 30 by 42-foot wooden residences with composition roof and located at North Avenue P and 14th Street. Estimated cost of moving in and remodeling is \$3,000 on each unit.

The tearage, which is 28 by 34-foot, will be located at North Avenue M and 14th, also at a cost of \$3,000.

Other permits issued during the last few days were the following:

Mrs. L. G. Thuet Sr., 28 by 34-foot residence and 10 by 20-foot garage at North Avenue N and 10th Street; \$6,500; Tom W. Bouchier, contractor.

Bessie Gregg, 22 by 24-foot residence with 12 by 22-foot carport garage attached on West 12th Street; \$4,850; Lefty Davies, contractor.

Mrs. G. N. Leggett, moving in 20 by 30-foot house to North Avenue Q and 12th Street, adding one room and carport; \$3,000.

The six building permits are for construction costing an estimated \$23,350 and bring the building permit total here since March to \$423,837.

Band sweetheart to be crowned

The Post Antelope band sweetheart will be crowned Friday night in a ceremony preceding the Post-Spur football game, Band Director Bob Meisch has announced.

Candidates for the sweetheart title are Ruthell Martin, Judy Clary and Peggy Butler. Ruthell and Judy are majorettes and Peggy is the drum major.

HALLOWEEN QUEEN CONTESTANTS

One of these four girls will be crowned queen of Post High School's Halloween Carnival at 7:30 p.m. Saturday in the high school auditorium. The candidates and the class each represents are, from left to right: Sandra Stewart, freshman; Frankie Sue Howell, sophomore; Melanie Thompson, junior; Janet Stephens, senior. (Story in column 4.)—(Staff Photo.)

The Post Dispatch

Thirty-Second Year Post, Garza County, Texas, Thursday, October 30, 1958 Number 22

Postings

By JIM CORNISH

Let's remember to go vote Tuesday in the November general election. While the candidate selection may be pretty thin—as far as contests go—those constitutional amendments will be in your hands Tuesday. We especially urge your support for Amendment No. 7 to "untie Texas" by abolishing the constitutional ban against state advertising—thus permitting Texas to go after new industry and the tourists. The size of Garza's delegation to state Demo convention will be based upon the number of votes cast for governor Tuesday (Governor Daniel has an opinion).

A Post visitor at Lamesa over the weekend reported a lot of the hand of cotton hand business there that Post has been losing this fall as Garza cotton waits in the fields for stripping machines due to a lack of hands. He noted that all stores and restaurants were open to migrant cotton hands both Saturday and Sunday because of rain and that the streets and stores were crowded. Garza's cotton committee was told in August it would be lucky to get but a small number of the 1,200 hands it asked for because the hands knew Post didn't offer places to stay overnight, eating facilities, or places to get hair-cut.

(POSTINGS — See Page 8)

Election interest light

The nine proposed constitutional amendments to be voted on in Tuesday's General Election are creating most of the pre-election interest here, but even that doesn't amount to more than a ripple. The fact that the General Election is on a Tuesday instead of a Saturday, as are most elections in Texas, means a change in two of the voting places, County Judge Pat N. Walker said Tuesday.

Since Tuesday is also a school day, voters in Precinct 8 (South Post) will cast their ballots in the district courtroom instead of in the high school building. Judge Walker also said Tuesday that a

place to hold the election in Precinct 9 (Two Draw) still hadn't been decided on. The primary elections last summer were held in the Negro school building.

ONLY A very light vote is forecast in Garza County in Tuesday's election. The only political race creating any interest locally is that between U. S. Sen. Ralph Yarborough and his Republican opponent, Roy Whittenburg, who visited in the county a few weeks ago in the interest of his candidacy.

Of the nine proposed constitutional amendments, No. 1 and No. 7 are generating most of the interest here and throughout the state. No. 1 would provide for annual sessions of the Legislature, an annual salary of \$7,500 for legislators and an unspecified amount for "expenses of office."

No. 7 would allow the Legislature to appropriate money for advertising the advantages of Texas in nationally circulated publications.

Break-in solution near, Rains says

Sheriff Carl Rains said Tuesday that solution of a break-in at Post High School the night of Oct. 19 is near, with one youth having admitted breaking into the building and three others being questioned.

The sheriff declined to name the youths, pending completion of the investigation. They are former students at the school, he said.

Nothing was reported missing in the break-in, but a large book rack in the library was turned over.

Coronation in auditorium, booths in gymnasium

Coming a day late because of other activities, the Post High School Halloween Carnival will be held Saturday night in the high school gymnasium, following a coronation ceremony in the high school auditorium at 7:30 o'clock.

This year's carnival is being sponsored by the junior and seniors classes for the benefit of their class funds.

Close competition is expected in the races for Halloween king and queen, with each of the four high school classes sponsoring entries.

The candidates are: Seniors, Janet Stephens and Sidney Hart; juniors, Melanie Thompson and Scottie Pierce; sophomores, Frankie Howell and Jimmy Minor; freshmen, Sandra Stewart and Tommy Bouchier.

With the exception of the food booth, which will open about an hour before the coronation, all others booths will be opened following the crowning ceremony.

The carnival attractions will include: Country store, fishing, food booth, cake walk, dart game, house of horrors, penny pitch, pick-my-pockets, chunking dolls, movies, basketball pitching, marriage bureau, and bingo.

Directing the students in making arrangements for the carnival are senior class sponsors Mrs. Cora Fleming and Albert Parsons and junior class sponsors James Pollard and James Galloway.

Halloween Carnival is Saturday night

These two first grade pupils of Miss Marie Lusk are wondering just where the jack-o-lantern got his funny face. The pupils are

Dispatch Editorials

Thursday, October 30, 1958

Help untie Texas! . . . Vote for No. 7

Texas, largest state in the Union, is one of only three states which have no statewide plan for exploration and development; in fact, Texas has by law prohibited herself from embarking on any such program.

This unenviable state of affairs can be corrected to a certain extent by passage of Amendment No. 7 in the General Election on Nov. 4. We use the term "corrected to a certain extent" because passage of Amendment No. 7 does only ONE thing; it repeals the ban. It does not spend a solitary nickel for advertising. It does not appoint an advertising agency. It does not write, illustrate, produce nor publish advertisements. It simply repeals the ban, inserted during the Constitutional Convention of 1876 — the carpet bagger era — prohibiting "the expenditure of public funds for the purpose of bringing immigrants into Texas." By repealing the ban, it gives the citizens of Texas the privilege of DECIDING FOR THEMSELVES whether they wish EVER to advertise the industrial and tourist attractions of the Lone Star State. The forty-five other states have this choice.

For more than forty years, far-sighted Texans have realized the need for a program of planned promotion to attract new business and industrial development, new residents and more tourists to our State. Several attempts have been made toward the establishment of such a program through Legislative action (as has been done by virtually every other state in the Union), but Article 16, Section 56 has always defeated them. And through the years, there have been many efforts to eliminate this stumbling block from the Constitution of our otherwise enlightened and progressive State, and a number of Amendments have been proposed. It was in 1957 that the Texas Legislature finally agreed on SJR 4, which proposes the Amendment to be voted on in the General Election.

It is the chief concern of those actively supporting the passage of Amendment No. 7 that members of the voting public may fail personally to grasp the potential implicit in a program of planned promotion . . . and that they may fail

victim to certain misconceptions which arose from opposition to earlier proposed Amendments, originally diametric but since reconciled in Amendment No. 7:

- (1) that advertising Texas will result in higher individual and corporate taxes

"In most of the 40-odd states that advertise, gasoline taxes alone, paid by tourists, equal or exceed the amounts spent for advertising."

- (2) that Texas already gets enough free advertising

"The majority of respondents, both those who HAVE and those who HAVE NOT been to Texas, consider the notorious braggadocio of the Texas people as 'typically Texan' . . . The majority of out-of-state people who have NOT been to Texas . . . have heard nothing about Texas tourist facilities . . . have erroneous impressions of Texas topography and weather . . . have heard nothing of Texas industrial potentialities . . . don't think they would like to be permanent residents of Texas."

- (3) that nobody in his right mind would oppose Amendment No. 7

"It is inconceivable that the Constitutional Amendment allowing the state to spend money to attract tourists and industry from outside the state will be defeated this fall.

"But complacency has defeated many a 'sure thing' proposal at the ballot box."

Go to the polls on General Election Day and when you do, vote FOR Amendment No. 7. It is as important to the citizens of Garza County as it is to those of any other county in the state that this carpet bag era ban on state advertising be wiped out.—CD

11 worthy drives combined in one

Garza County's Community Chest drive for 1959 is scheduled for a five-day campaign Nov. 17-21, but the "big gifts" committee which swings into action well in advance of the official "kick-off" because of the ground it has to cover got started this week.

The campaign budget for next year totals \$12,500 and includes all the county giving necessary for 11 important and worthwhile organizations.

Besides the nine organizations participating in last year's drive, two new organizations have been added—the Colored Community Center here for some needed equipment for its converted school building, and the Golden Age Club, a new organization to provide recreation and fellowship for any of the old folks who want to participate.

The nine other organizations participating in the Chest budget are the American Cancer Society, the Post Youth Center, the American Red Cross, the Girl Scouts, the U. S. O., the Gonzales Warm Springs Foundation, the Boy Scouts, Salvation Army, and American Heart Association.

The important thing to remember in any successful community chest campaign is that this is YOUR drive and when you make your donation remember you are giving not to one organization—the Community Chest—but actually to 11 different organizations.

This one campaign wraps 11 drives all up into one. But it won't be effective unless in giving you give proportionately—keeping in mind that your contribution is going to be divided among 11 different organizations.

If you give one dollar for example, it means you are giving nine cents to the Red Cross, nine cents to the Boy Scouts, and nine cents to each of the other nine participating organizations. If you give \$5, for example, you are giving 45 cents to each of the 11 organizations.

A suggested slogan for Garza's 1959 Chest drive is: "Don't Give Until It Hurts, But Give

Until It Feels Good."

Remember that you needn't give the full amount in a lump sum. You can divide your contribution into either monthly or quarterly payments. That way you can afford to give more without having to give it out of one pay check or from one month's business receipts.

Last year, the Chest drive reached out to every interested Garza county. In the weeks ahead, the Chest organization again will attempt to reach everyone who wants to give.

A well organized rural division will call on the folks in every Garza community. The Postex Mill again will cooperate with the Chest in making deductions from workers' pay checks as they desire. Oil company employees will be solicited in another division. The commercial division will send its workers during actual drive week to call at every place of business in the city to contact employers and employees who haven't already been contacted by the "big gifts" committee. A school division will contact teachers and other district employees.

The participation of all Garza countians will be needed to put the drive over the top. And over the top it must go, because Community Chests cannot long stand which fall short of their budget goals because participating organizations then will withdraw and organize their own drives.

The Chest organization is highly beneficial to the county because it combines eleven fund-raising drives into a single united effort. That saves lots and lots of volunteer work hours by the community-spirited folks who give their time to such drives. It also assures the community that participating agencies have their budgets carefully checked by a screening committee to be sure their requests are in YOUR best interests.

So "Give Until It Feels Good" and remember—you are giving to 11 worthwhile organizations, not just one.—JC

Halloween no excuse for vandalism

It doesn't take Halloween here for vandals to go on the prowl, but on the presumption that the night might see more vandalism than usual because of it being a "special occasion." The Dispatch wishes to add its voice to others in the community in urging that property destruction be kept at the barest minimum by the destructive-minded.

Of course, there isn't much chance of "getting through" to the type of person who breaks into school buildings to turn over book racks, or tears up a roadside park just for the heck of it, or damages property at the swimming pool just to have something to do, but there is a chance of such a plea making those who tear up things only on Halloween night stop and think.

What our contemporaries are saying

One of the weaknesses of big business, along with big government or anything else, is the loss of individual responsibilities at lower levels. Anyone who served in the Army, for example, knows that most things go "through channels" where they are bucked either up or down in the chain of command until finally the responsibility is diluted. We have the same thing here in our area, with big business.—Ochiltree County Herald.

A week late mentioning the fact, but "Save the Horse Week" was observed last week. Where there were 26,500,000 horses in 1915, the number was decreased until today there are only 3,550,000 of the animals. Next to a dog, a horse is a man's best friend. Hitched to a buggy, you could

cess energy on Halloween night that property destruction shouldn't even enter in a fun-lover's mind. For instance, there is the old custom of trick-or-treat, which no doubt many will enter into, and there is the Post-Spur football game, at which even the most energetic can let off pound after pound of "steam" by attending and rooting for his home team.

The night before Halloween, one can have fun aplenty at the school carnival being sponsored by the junior and senior classes. In fact, we can think of at least a dozen ways to have Halloween fun besides destroying property or doing other things that will harm others and make the one who did it feel like a heel after the "fun" wears off.—CD

fall asleep and the horse would take you home safely. Now look how the present day method of transportation will treat you. You fall asleep at the wheel and it's doubtful there'll be enough of your remains left to identify you.—The Stanton Reporter.

Water that goes over a dam or through flumes to turbines, is vital. That which is held back is static. The resources of a man's heart may be evaluated in a like manner. Warmth, sympathy and understanding spent in his daily life become useful implements, while that which is stored must eventually perish beneath its own weight.—Matador Tribune.

THURSDAY to THURSDAY

By CHARLES DIDWAY

SATURDAY is the first day of November, and it promises to be an eventful month, with next Tuesday's General Election getting things off to a start.

Election interest here, of course, centers on the nine proposed Constitutional Amendments, which are much more important than they might appear at first glance. Since Alaska has crept into the statehood picture, loyal Texans are going to need to do everything just a little bit bigger than they have been, and a good way to start would be to turn out BIG for Tuesday's election.

VETERAN'S DAY will be Nov. 11, and Post High School Homecoming, Nov. 14. No plans that we've heard of have been made for Veteran's Day, but members of the Post Ex-Students' Association are busy on plans for the homecoming event, which will also bring the Slaton Tigers to town for the traditional Post-Slaton football game.

In between the General Election and Homecoming, the Post Antelopes, Antelope band and the usual large contingent of fans will journey to Tahoka Nov. 7 to help provide the grid menu for the homecoming celebration there.

FROM THE homecoming date until Thanksgiving, the town will rock along minus holidays, but with a number of important events such as launching of the fund campaign for the Garza County Community Chest, continuation of the harvest, and a hundred-and-one other things that help make small towns big.

After Thanksgiving, there won't be but about three days of November left on the calendar, but Chamber of Commerce plans are to get the town's Christmas decorations up right after Turkey Day, and it could be that they'll go up before the first day of December arrives.

BUT, TO KEEP from getting ahead of ourselves, we need to remember that today is only Oct. 30 and that there is one more day of this month left. It'll be a big one, too! Besides being Halloween, it's the date of the Post-Spur football game.

The current issue of "West Texas Today," official publication of the West Texas Chamber of Commerce, contains tables of Texas Employment Commission estimates for the 135 counties served by the WTCC, ranging alphabetically from Andrews to Young.

THE POPULATION table estimates Garza County's population at 8,400 as compared with a 1956 estimate of 8,100. The table on employment shows Garza County with 3,000 workers—575 farm and 2,425 non-farm. The non-farm workers' figure includes 480 employed in manufacturing. The TEC estimates that there are only 25 unemployed persons in the county, which seems far too low, probably, even to the most optimistic.

We learned Friday evening that even after you have lived in a town for nearly six years, it's easy to leave town on the wrong road if you're not paying attention to where you are going.

WE AND THE wife tore out for Floydada about 5:45 p. m. Friday, congratulating ourselves on getting such an early start, and talking up such a storm that instead of taking the Ralls road, we headed out the Spur road. We're ashamed to admit it, but neither of us gave any thought to being on the wrong road until we came to the concrete bridge that spans McDonald Creek.

We went on by way of Crosbyton, and it worked out almost as well—the highway signs we checked going and coming (we came back the right way) told us we went only 10 miles out of the way by not taking the right road when we left.

THE WIFE MAY want to shoot us for writing about taking the wrong road, but we thought it worked out pretty well. We'd been over the road from Ralls to Floydada before, but we'd never traveled the one between Crosbyton and Floydada. You see some pretty scenery over the latter route, but we'll have to agree with the wife that it is one of the crookedest stretches of farm-to-market roads in this part of the state.

Parting Thought: When a fellow realizes what a drip he has been it's often too late to fix things.

Newspapers are keeping modern. In 1957, over \$57,000,000 was invested by newspapers to improve plants, equipment and product.

The tire and tube industry in 1957 increased its investment in newspaper advertising by 39 per cent over the previous year.

Bing Crosby first studied law before Paul Whiteman told him he was better as a singer.

The alligator is strictly a product of the Americas, except for one species in China.

THE AMERICAN WAY

A Needed Constant Reminder

Remembering yesteryears

Five years ago

Friday has been set as homecoming for the Post High School Exes organization; the annual PTA Halloween carnival for Post schools will be held Saturday night; funeral arrangements were uncompleted today for Mrs. Lela Browning, who died Wednesday in the home of her daughter, Mrs. C. W. Carpenter, in the Garnolia community; the Post Ministerial Alliance has announced that Union Thanksgiving services will be held at the Church of the Nazarene Thursday night, Nov. 25; a total of 159 poll tax receipts had been issued up to noon Wednesday; Garza County's cotton harvest has hit the 1,000 bale mark with 1,196 bales having been ginned by Wednesday morning; Miss Anita Stone and John Jerald Bilberry exchanged wedding vows Oct. 16 in the Lubbock home of Rev. and Mrs. A. O. Graydon; Mr. and Mrs. A. Lee Ward are parents of a daughter, Debra Cecile, born Oct. 27 in Garza Memorial Hospital; Judy Clary celebrated her ninth birthday with a party Thursday; Joyce Short, student at Tarleton State College, spent the weekend here visiting her parents, Mr. and Mrs. Lowell Short; the Post Antelopes will play the Slaton Tigers here Friday night with both teams looking forward to their first 1958 loop victory.

Ten years ago

Funeral services for Bill Smith were held at 3 o'clock Sunday in the Calvary Baptist Church, with the Rev. A. B. Cockrell officiating; El Wanda Davies was honored on her 16th birthday Tuesday evening with a surprise party; Post's speedy, undefeated Antelopes scored 32-0, over the Snyder Tigers Friday night in a non-conference tilt; a conference of the Lubbock district of Methodist churches will be held in O'Donnell Tuesday, with the Post church be-

ing represented; Mrs. Will Wright and Mrs. Taylor Cook are in Fort Worth this week; an announcement in this week's Dispatch tells of the formal opening of Curb's Cafe on West Main Street; Mr. and Mrs. Owen Norris and family left this week to make their new home in Lubbock; Miss Betty Hagood was honored on her 15th birthday when her sister, Mrs. Hershel Bevers of Justiceburg, entertained with a party Saturday night; H. T. Carr returned home Tuesday from the Veterans Hospital in Amarillo, where he had been a patient for several days; an impressive initiation ceremony was held by the Rainbow Assembly Tuesday night at the Masonic Hall; the Presbyterian Missionary Society met Monday afternoon in the home of Mrs. W. E. Dent.

Fifteen years ago

Homecoming plans for Texas Technological College are being planned for Nov. 13, when the Red Raiders play the North Texas A&M Aggies; Mrs. H. F. Giles left Friday night for Mineral Wells where she will undergo treatment for several days; seven gins in Garza County have ginned a total of 7,168 bales of cotton; T. R. Greenfield was elected chairman of the board of stewards at the Methodist Church Tuesday night; a war fund drive was opened in Garza County Monday; Sgt. Jack Burrell left Saturday for Camp Campbell, Ky., where he has been in training for the past several months; Jo Ann Moreman, daughter of Mr. and Mrs. Weaver Moreman, celebrated her sixth birthday with a Halloween party; Miss Helen Jo Hundley of McMurry College, spent a short time visiting in Post over the weekend; 14 Garza County men are to report to the Lubbock induction station for induction into the armed services; Mrs. Inez Satterwhite has moved to the home of her daughter, Mrs. J. D. McCampbell.

Complete treatment for physically disabled offered at Gonzales WSF

One of the 11 participating members in the 1959 Garza County Community Chest is the Gonzales Warm Springs Foundation, for which a budget of \$170 over last year's budget figure. The article outlines the non-profit, non-sectarian center.

THESE LITTLE PIGGIES ...

went to treatment—at the Gonzales Warm Springs Foundation. Angelita Gutierrez, two-year-old polio patient from Pearsall, receives therapy from Miss Teresa Silva. Warm Springs, faced with a financial crisis, is conducting a statewide emergency drive through local Lions' clubs, United Funds and Community Chests.

a waiting car. To bystanders he appeared to be like any other child of his age just learning to walk. But he had begun life much differently than most children. He was born without feet.

AFTER A detailed evaluation of his case, he was fitted at the Center with leg braces and artificial feet. He is now home and will walk by himself without crutches.

When one Central Texan was admitted he could neither walk nor talk. An auto accident had left him nearly helpless and damaged his brain. Slowly, for rehabilitation takes time and patience, this young man regained his speech through Speech Therapy and gradually began to orient himself with his surroundings. Through a quirk of the brain, he could read but no longer under-

stand what he saw in pictures. However, on discharge, he was able to take care of his daily needs, and walk with the aid of a cane.

Some disabled persons are able to "come back" to a complete normal life, others may only be able to feed themselves and take care of their daily needs. Even this minimum recovery can be extremely important because it frees another member of the household to make a living. And, who can place a dollar value on having a father or a mother returned to his family, even though a wheelchair may restrict his activities?

TO THE man who asks why he should contribute to the Texas Rehabilitation Center, the answer lies in a question. Will no one in your town suffer a crippling injury

Cattle prizes at Fort Worth show to total \$57,000

FORT WORTH — Prize money for various cattle classes at the 1959 Southwestern Exposition and Fat Stock Show will total more than \$57,000, W. A. King, superintendent of livestock, has announced.

The seven breeds of beef breeding cattle are allotted a large share of the premium total. Awards for the breeds are Herefords, \$13,800; Polled Herefords, \$5,000; Shorthorns, \$4,532; Aberdeen-Angus, \$10,000; Brahman, \$2,000; Santa Gertrudis, \$800; Brangus, \$2,000 and Red Angus \$800.

Red Angus have been added to the judging schedule for the first time in 1959.

Steers will compete for \$4,180 in the open show and \$4,731 in the junior division, which is limited to exhibitors who are members of Texas FFA and 4-H chapters.

Premiums for the open bull carlot-and-pen division are \$6,380 and beef heifers classes in the junior show will total \$2,930.

The 1959 stock show, which will be held Jan. 30 through Feb. 8 in Fort Worth, will offer the largest amount of prize money in its 63-year history. About \$194,000 will be given to winning exhibitors in the exposition rodeo. The rodeo will feature Dale Robertson, star of TV's western series, "Tales of Wells Fargo".

Deadline for livestock entries is Dec. 15. Entry blanks or information may be obtained by writing the Southwestern Exposition and Fat Stock Show at P. O. Box 150, Fort Worth, Texas.

Jerry Hitt co-social chairman at college

ABILENE — Jerry Hitt, son of Mr. and Mrs. Elmer Hitt, Route 1, Post, has been named co-social chairman of the freshman class at Hardin-Simmons University.

Jerry is also a member of the A Cappella Choir.

Other officers of the freshman class are Freddie Thigpen of Graham, president; David Boyd of Pasadena, vice - president; Molly Jackson of Odessa, secretary; Marcia Mackey of Barbourville, Ky., treasurer; Ann Marlette of Graham, reporter; and Liz Farmer of Stephenville, co-social chairman.

during the coming year ... will no one suffer a stroke ... will there be no cerebral palsy, no muscular dystrophy? Most disabled people, who now cost the public some \$537 million annually, can be readily rehabilitated. Nearly 85 per cent of rehabilitants return to work, according to a survey by a leading insurance company. In the next three years, their income taxes alone match the public funds spent on them during disability.

Because of its complexity, total comprehensive rehabilitation can be offered only in the few centers where there are competent and specially skilled personnel. Largest in the Southwest, the 110-bed Texas Rehabilitation Center has treated persons from virtually every county in the state. Whether or not this program is continued depends to a large extent upon the response of community chests. In Garza County this need has been appreciated and the Chest has pledged \$500 to the Texas Rehabilitation Center.

LONE STAR AGRICULTURE

Imported fire ant is infesting two of largest cities in Texas

By JOHN C. WHITE Commissioner of Agriculture

The pain-in-the-neck pest of the century, the vicious little imported fire ant, has evidently chartered new worlds to conquer, and two of Texas' major cities—Houston and San Antonio—are among the first top prizes in the fire ant's line of fire.

Both Houston and San Antonio have been found to be infested in varying degrees by the native South American fire ant, whose sting is extremely painful and whose stone-hard earth mounds play havoc with the landscape.

TO COMBAT this unwelcome intrusion, both cities, assisted by Texas and U. S. Departments of Agriculture and local and county officials, have begun to take definite steps toward eradication.

In Houston, where more than 20,000 acres are infested, a cooperative city-county program has been inaugurated which will provide for ground treatment in various sections of the city. Aerial application of insecticides in Houston is prohibited by city ordinance.

In addition to direct preventive and eradication efforts in sections of the city, treatment and inspection of Houston plant nurseries by Texas Department of Agriculture inspectors has practically eliminated these potential fire ant hideaways from the area of concern.

ALTHOUGH NO definite plan of action against the fire ant has been formulated for San Antonio, county officials have appropriated funds scheduled to be matched by city funds for treatment of private property in the city. A committee is now being organized to initiate the program, which will likely be similar to that planned for Houston.

One of the greatest matters of concern in the eradication plan is that connected with eliminating risk of contamination and poisoning in the treatment of private property with the necessary ant-destroying chemicals. In this respect, fullest precaution possible has been taken in selection of the chemical—granular heptachlor—and in prescribing instructions to be followed by persons living in areas to be treated.

A sampling of these instructions include: Prior to treatment, close windows and doors, cover or turn upside down water and feed con-

tainers for animals and pets, cover all leafy vegetables, preferably with plastic, remove fish from open ponds and cover ponds with plastic, cover open cisterns; after treatment, sprinkle lawns and gardens with water thoroughly, but prevent children and pets from drinking from puddles which might form, wash all garden vegetables thoroughly before eating. Keep dairy cattle from grazing in treated area for a period of 30 days, and keep children from playing in treated area for several days.

HOME FROM COLLEGE

Miss Barbara Wheatley, sophomore at West Texas State College, spent the weekend visiting her parents, Mr. and Mrs. Henry Wheatley.

Chicago is the country's greatest rail center. Some 1,700 trains arrive and depart daily. Deadline for placing classified advertisements in The Dispatch is Tuesday noon.

59 FORDS AWARDED GOLD MEDAL

by Comité Français de l'Élégance at Brussels World's Fair

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

Why did the Comité Français de l'Élégance bestow upon Ford its highest award? One firsthand look and you'll see why these altogether-new 59 Fords were called the world's most beautifully proportioned cars. You'll see it in the new Thinline Roof and see-it-all rear window ... in every clean and gleaming, low-swept line.

Yes, every brand-new Ford styling feature ... from Fashion Star Grille to Iris Eye Safety Taillights—is designed to keep that brand-newness! Its Diamond Lustre Finish, for example, never needs wax to keep its glitter. And when we tell you Ford's low first cost, you'll realize that this 59 Ford is beautifully proportioned to your budget, too!

Nothing but Hardware

Short Hardware

AUSTIN — As Texas' "Battle of the Budget" roars on toward its 1959 climax, almost every week brings a new statement on the probable size of the state deficit. Usually worse than the last one. State Comptroller Robert S. Calvert and Legislative Budget Director Vernon A. McGee combined to present a frankly pessimistic picture for the Texas Research League meeting in Austin.

McGee said the general revenue fund will need \$279,000,000 during the next two years to keep things going as they are. Calvert estimated that the present tax structure would put \$125,000,000 into general revenue during this period.

This leaves a gap of \$154,000,000 between estimated income and outgo. In addition, Calvert estimated the general revenue fund will be \$35,000,000 in arrears by the end of the present fiscal year in August, 1959.

Research League is composed of several hundred leaders in Texas business and professions whose private contributions support research in the interest of governmental efficiency. Much of the League staff's time during the past year has been devoted to assisting the State Tax Study Commission in a mammoth survey of Texas' revenue and tax problems.

GOV. PRICE Daniel took a "we can lick this thing" attitude in a press conference on taxes.

Daniel said he felt the deficit could be erased and new revenue needs met without a general sales tax or income tax. Taxes we have presently could be raised to the maximum level used in other states, said the governor. And other taxes—not sales or income—could be added.

Daniel also indicated that he was not fully convinced that the gap between income and needs would be as large as the \$154,000,000 mentioned by the comptroller.

He would not definitely say now, said the governor, that he would or would not veto sales or income tax bills if passed by the Legislature. But he made it clear that he did not favor them, and that he thought there were better possibilities.

Daniel praised state agencies who reduced their budget requests a total of \$1,490,631. Overall, the budget requests had run \$272,000,000 higher than for the present biennium.

POSSIBILITY OF more drastic cutting loomed when the Legislative Budget Board voted to reject some of the appropriations being sought by the State Hospital System.

It voted to lop \$8,000,000 off the system's requested operating fund and disapprove spending \$5,500,000 for a new mental hospital in the Gulf Coast area.

Budget Board recommended a slight increase in money for the Texas Youth Council. But it voiced a "thumbs down" attitude toward setting up a state-supported paid parole system for juvenile delinquents.

Legislative Budget Board is made up of 5 members from the House and 5 from the Senate who, with staff assistance, screen appropriation requests in advance and

make recommendations to the Legislature.

TWO STATE agencies who've gotten black marks in past years got basically good report cards in the summaries given by analysts for the Texas Research League meeting.

State Insurance Department has made many improvements in the year since its reorganization, said one researcher. He predicted that an era of better regulation would result in saving to policyholders and fewer company failures.

State Welfare Department was described as "basically well-administered" in comparison to some years ago when it was the source of dissatisfaction.

In the welfare field, the League was told, Texas can expect increased spending in the future. Texas now spends 18 per cent of its tax money or \$173,000,000 a year on welfare. But other states are "more generous," observed the researcher.

BUDGET BOARD also is giving attention to drawing up a bill setting up a salary schedule for state employees.

Its purpose would be to guarantee "like pay for like work" throughout state departments. It would be based on a job classification study recently made by the Texas Employment Commission.

Public school and college teachers and persons in executive positions would not be included.

Budget Board members commented that in some departments a person doing stenographic work may be called an "administrative assistant" and get much more money than a person doing stenographic work in another department.

NEW LAWS and institutions to deal more forcefully with Texas' soaring crime rate may be a major topic for the next Legislature.

County and district attorneys meeting in Austin were asked by Governor Daniel to help in the job of strengthening and plugging the loopholes in Texas' law enforcement structure. Daniel said that at the present rate Texas will have a 28 per cent increase in crime in three years.

Too often, said the governor, criminals escape punishment through hairline technicalities in the laws. He also urged (1) state-paid parole supervisors for juveniles, (2) a second boys training school to separate serious offenders from those for whom there is more hope, and (3) stricter narcotics laws.

U. S. SENATOR Ralph Yarborough is urging Texas liberal Democrats not to scratch Gov. Price Daniel's name on the general election ballot regardless of how they may feel about him.

Senator Yarborough warned delegates in the State AFL-CIO convention that each precinct gets one delegate for every 25 votes cast for the party's gubernatorial nominee. If a liberal area casts a small vote for governor, it will have a small delegation to the next party convention and less chance of gaining control.

If you scratch the governor's name, said Yarborough, who has

Richard Hart has birthday party

Richard Hart celebrated his 13th birthday with a party given by his mother, Mrs. Boy Hart, at their home last Wednesday afternoon.

Halloween decorations were used throughout the entertaining rooms. The Halloween motif was carried out in table decorations in black and orange. Birthday cake, frosted punch, mints and nuts were served the guests.

After the guest of honor opened his gifts, a series of games were played.

Attending were: Nita Wilson, Marilyn Minor, Lynette Potts, Becky Thompson, Glynn Quinn, Billy Max Gordon, Ricky Little, Pat Cornell, Curtis Hudman and Richard.

Post VFW Auxiliary wins plaque at meet

Post 6797 Women's Auxiliary of the Veteran of Foreign Wars Post won the attendance plaque, based on percentage membership at the District 7 encampment in Slaton Saturday and Sunday.

Mrs. Katie Conner, president, presided and department senior vice president, Mrs. Hedwig Eaton of Amarillo, was guest speaker. She discussed community service.

Lubbock, Brownfield, Spur and Post auxiliaries were represented.

Cotton quality vital to price

COLLEGE STATION — Keep cotton dry, loose and clean during the harvesting process. That is the word from Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service, and author of a new publication dealing with cotton harvesting problems.

Elliott in MP-297, "Keep Cotton Dry, Loose and Clean" points out that the condition of seed cotton at the time it reaches the gin largely determines the final grade of the lint in the bale. That final grade is of major importance for it in turn determines the selling price of the bale.

In the new publication, Elliott gives hints and factual information on such subjects as when to harvest, loading the cotton, transporting cotton, clean cotton, when to defoliate, servicing equipment, green boll separation devices and weed control. All are subjects which play a part in determining that final grade.

Copies of the publication are available at the office of local county agents or from the Agricultural Information Office, College Station, Texas.

All things come to those who wait—on themselves.

been at odds with Daniel for years, "you'll be cutting off your nose to spite your face."

TEXAS Democratic Party leaders said National Chairman Paul Butler is deliberately destroying party unity efforts by stirring up integration issue.

Butler's statement: "There will be no compromise on the integration problem. The people of the South who are not deeply dedicated to the philosophy of the Democratic Party will have to go their own way."

Said Governor Daniel: "We have been doing our best to settle these conflicts within the party and keep it big and strong enough to include people who do not share the same view." "Statements like Butler's," said the governor, "will make the task more difficult."

Tommy Sands show is attended by Postites

Members of the Matroni Micere Club gathered last Thursday evening and attended the Tommy Sands show at the Lubbock Municipal Auditorium.

Following the show, the group met at the home of Mrs. Joe Duren for coffee.

Attending were: Mrs. Jerrine Hester, Mrs. Kay Pace, Mrs. Jeanette Hall, Mrs. Laverne Hays, Mrs. Maurine Moon, Mrs. Mary Sharp, Mrs. Bobbie Baldwin, Mrs. Johnnie Wallace and a guest, Miss Joyce Josey.

Mrs. Hays will be hostess for the next regular meeting of the club, to be held Nov. 11.

A straight tip on a sure thing usually demonstrates the uncertainties of life.

Hunt, fish license sales on increase

AUSTIN — Anticipating a record year, more than 41,000 Texas sportsmen bought hunting licenses during September, according to the fiscal director of the Game and Fish Commission.

On the basis of revenue reported, the director reported \$123,443.45 from hunting sales. This is an increase of approximately \$14,000 over the period in 1957.

Remitting agents had 10 to pay for licenses September; therefore, not include money on hand, the director explained. Fishing license sales represent more than 20 per cent of total state fishing license sales.

A Sheffield, England, man was sentenced for stealing his own false teeth from the dentist who had repaired the plate.

and Mrs. Bill Walker of Beverly Hills, Calif., were weekend of Mr. and Mrs. James Simms. Mrs. Walker, who is former actress Ellen Drew, and her husband were en route to their home California after a visit in New York and the eastern states. They were in Post to look after their oil interests. He is a partner of C. Teas, well-known oilman in this area.

Castel of Castel Studio, attended the Panhandle Photographers Convention in Amarillo over the weekend. The convention was held at the Herring Hotel and photographers were shown techniques in various aspects of photography, new to this area.

busy weekend of activities is scheduled by most Postites, beginning with the PTA Mexican supper tomorrow evening, the Post-Spur game that same night, and Saturday the Halloween carnival coronation at Post High School.

Miss Anne Porterfield left Monday to make her home in with her parents, Rev. and Mrs. W. L. Porterfield. Miss Porterfield has been employed as receptionist for Dr. Bob Williams.

flowers formed the decor for a "get acquainted" shower for Nancy Mosley and Miss Alma Jean Winn of Slaton, Wednesday afternoon in the home of Mrs. J. L. Baillentine. Miss Mosley is the daughter of Darrel Norman and Miss Winn is to be married to J. Kennedy. Invitations were mailed to 15 guests to call at 4 p.m. Both honorees' chosen colors, pink and white, and brown and white were used. They were presented an array of kitchen items. Mrs. Waldrip and Mrs. Mack Terry were hostesses for the occasion.

Donja Queen, Bobby Cowley wed in double ring rite

paragonage of the First Baptist Church in Slaton forming the marriage of Donja Queen and Bobby Cowley Thursday afternoon. Rev. J. B. Sharp performed the double ring ceremony at 4 p.m. The couple are Mr. and Mrs. Jerry Queen of 320 West Slaton, and Mr. and Mrs. Bobby Cowley of Post. Mr. and Mrs. W. Stephens of Post are parents of the bride. The bride chose for her wedding a fitted suit of powder blue and white gloves. An arrangement of carnations on a white Bible, being out the tradition, the bride wore a ring belonging to her grandmother, Mrs. Stephens, for something old and borrowed; blue earrings, a gift from the bridegroom for something new and blue, and a penny in her shoe for luck.

Miss Sue Stephens of Post, cousin of the bride, was maid of honor. She wore a blue knit dress and a corsage of white carnations. J. W. Rogers of Post attended the bridegroom as best man. Guests from Post included Avalon Hays and Bowen Stephens.

Following the ceremony, the bride's parents were hosts for a reception at their home. Wedding cake and spiced tea were served by Miss Stephens and Mrs. Hays.

For a wedding trip to Central Texas, Mrs. Cowley wore a black suit with corresponding accessories. They are at home near Throckmorton, where he is employed by an oil company. Mrs. Cowley attended Slaton schools and her husband attended Post schools.

Calvary Baptist GA members have party

A Halloween scheme was used for a party for members of the Junior Girls Auxiliary of the Calvary Baptist Church last Wednesday afternoon. Mrs. W. C. Kiker, junior department leader, was hostess for the affair.

Following a series of games and tricks, ice cream was served to the following girls: Darla Pierce, Barbara Montgomery, Patricia Tanner, Wanda Bilberry, Elaine Pate, Mary Grace Hodges, Diane Kiker, Edith Johnson, Belvie Johnson, Linda Bias, Linda Hays, and Juanita Gore.

Mrs. Ellis presides at business session

Mrs. G. D. Ellis, president, presided over a business session when members of the Golden Age Club met last Thursday morning at 11:30 o'clock at Antelope Alley. Minutes from three previous meetings were read and approved.

The group enjoyed singing hymns, accompanied at the piano by Mrs. E. E. Pierce, after which a plate luncheon was served.

Beta Sigma Phi Sorority has program by Mrs. Sims Monday

Mrs. Ed Kelly Sims was in charge of Monday night's Beta Sigma Phi program on "Study of Manual and Yardstick". The meeting was held in the home of Mrs. A. C. Cash, with Mrs. Jack Henderson as co-hostess.

Mrs. Sims reported on the Oct. 25-26 area Beta Sigma Phi sorority convention in Abilene, to which she was a delegate. Mrs. Jess Compton discussed "Ways and Means Forum".

Attending the convention from the Post sorority were Mr. and Mrs. Ed Kelly Sims, Mr. and Mrs. Dale Cravy, Mr. and Mrs. Wallace Simpson, Mr. and Mrs. Jimmy Hundley, Mrs. Burney Francis, Mrs. Johnny Hopkins, and Mrs. Jess Compton.

Fourteen members and eight pledges were present for the Monday meeting. They were: Mrs. A. C. Cash, Mrs. Compton,

Church News

Rev. Cecil Stowe of the local Nazarene Church was guest speaker at the Nazarene Church in Snyder Sunday. Mrs. O. V. McMahon was in charge of the services at the church here.

Plans were being completed this week for a banquet to be held at Tom's Place tonight, for all Sunday School teachers of the Church of Christ and those interested in teaching. Approximately 60 are expected to attend the affair. Bob Hoover of the Vandalia Village Church of Christ in Lubbock is scheduled to speak.

"Victory Day", the last day of the Forward Program of Church Finance was Sunday at the First Baptist Church. Rev. C. B. Hogue reported a very successful day and everyone was well pleased with the new church budget.

The Watson Baptist Church in Calgary voted recently to have youth night once each quarter. The quarterly project will be led by the youth of the church and they will be in charge of the evening services on their day. Ann and Faye Messer and Freda Parsons were elected youth officers. The first youth program will be Sunday night at 7:30. The Wayland Mission Band of Plainview will lead the service with special music, testimonies and presenting the play "The Challenge of the Cross." The public is invited to attend these services.

Rev. Clinton Edwards, pastor of the First Presbyterian Church, has announced his sermon topic for Sunday morning will be "Let's Find Out", with text taken from Luke 21:38.

The Mattie Williams Circle of the First Presbyterian Church will meet Thursday in a joint meeting with the Presbyterian Women's Organization. The time has been set for 9:30 o'clock.

Rev. Ed Bates, pastor of the Friendship Baptist Church, is making plans this week to attend the Texas Baptist Convention in San Antonio, Nov. 3-5.

Rev. and Mrs. Graydon Howell attended the Mission Study Institute at the Calvary Baptist Church in Lubbock Tuesday.

Rev. Graydon Howell completed teaching the Primary Leadership

Patsy Ethridge, V. A. Dodson wedding date to be Nov. 14

Nov. 14 has been set as the wedding date for the marriage of Miss Patsy Ethridge and V. A. Dodson, son of Mr. and Mrs. R. B. Dodson. Miss Ethridge, daughter of Mr. and Mrs. R. A. Ethridge of the Graham community, is a senior at Post High School. Her fiancé is a graduate of Post High School and is employed by Jones Ice and Grain Company.

The couple will be married in the home of the prospective bridegroom's parents.

P-TA to sponsor Mexican supper

"Little Mexico" will be the theme for the Post Parent-Teacher Assn., sponsored Mexican supper tomorrow night at the school lunchroom.

The event will begin at 5 o'clock and last until 7:30 o'clock, giving everyone time to see the Post-Spur football game.

The seventh grade girls will serve. A menu consisting of hot tamales, tacos, spanish rice, beans, pumpkin pie, and coffee will be served. Proceeds will go to the PTA organization, to be used for various school items and activities.

Continuing with the program, Mrs. Dowe H. Mayfield Jr. discussed a Texan, Van Cliburn.

Roll call was answered with "What Do You Think of the UN?" Mrs. J. H. Haire, Mrs. Tillman

'United Nations' program topic at Woman's Culture Club meet

The Woman's Culture Club met last Wednesday afternoon in the home of Mrs. W. B. Dyer with Miss Maxine Durrett as co-hostess.

A program on "United Nations" was presented, under the leadership of Mrs. J. R. Durrett. The Rev. Eugene Matthews spoke on the program subject and showed films taken during a visit he made to the UN headquarters.

Attending were: Mrs. Douglas Buchanan, Mrs. Boren, Mrs. W. L. Davis, Mrs. Lee Davis, Mrs. Durrett, Mrs. Haire, Mrs. Jones, Mrs. M. J. Malouf, Mrs. Almon Martin, Mrs. Mayfield, Mrs. E. S. Stewart, Mrs. K. Stoker, Mrs. Bess Thompson, and the hostesses.

The next meeting will be Nov. 5 in the home of Mrs. Durrett with Mrs. Haire as co-hostess.

Plans completed by sewing club Friday for 'family' party

Plans for a "family get-together" were completed by members of the Mystic Sewing Club when they met Friday afternoon in the home of Mrs. E. R. (Buster) Moreland, for their regular bi-monthly meeting. The evening gathering is scheduled for Nov. 6 in the home of Mrs. S. M. Young. Members of the club and their families will meet at 7 o'clock for the evening of entertainment.

Refreshments of cake, coffee and tea were served to the eleven members and three visitors present.

Those attending the Friday meeting were: Mrs. Frank Runkles, Mrs. Eva Bailey, Mrs. Ella West, Mrs. Marvin Hudman, Mrs. Lowell Short, Mrs. Lester Nichols, Mrs. Winnie Henderson, Mrs. Everett Windham, Miss Henrietta Nichols, a new member, Mrs. Thelma Kuykendoll, and three visitors, Mrs. Larry Waldrip, Mrs. Billy Proctor and Mrs. Mack Terry.

LYNDA DAVIS

Student pledged by Angel Flight

FORT WORTH — Lynda Davis, Texas Christian University student from Post, has been elected to pledge status in the TCU Angel Flight, affiliate organization of the Air Force ROTC unit on campus.

Nineteen girls have been pledged to the organization this semester, boosting the total membership to 30. The Angel Flight was initiated by the Arnold Air Society at TCU in November 1957. The girls are honorary members of TCU's cadet group and have their own distinctive uniforms. They act as hostesses for official Air Force ROTC cadet functions and social activities.

Miss Davis, a sophomore elementary education major at TCU, is the daughter of Mr. and Mrs. Leroy Davis. She is a graduate of Post High School.

B&PW CLUB TO MEET

The Post Business and Professional Women's Club will meet this evening at 7:30 o'clock in the city hall.

The trouble with a chronic borrower is that he always keeps everything but his word.

Training Union Manual Tuesday night at the Calvary Baptist Church. Those participating in the series of lessons were Mrs. E. E. Pierce, Mrs. Lola Hays, Mrs. Daisy Britton, Red Sloan, and Mrs. W. C. Kiker.

The general officers of the Calvary Baptist Church will meet Thursday night with the pastor and department superintendents, department directors and deacons in a church workers conference to plan the church calendar. A covered dish dinner will be served.

Sermon topic for the Sunday morning service at the Assembly of God Church will be "Sanctification", text John 16:17. "Sanctify them through Thy truth — Thy word is truth."

These specials good for FRIDAY, SATURDAY And MONDAY ONLY. During our remodeling, we found merchandise that was "lost" and we damaged a few items. These and others are specially priced for this weekend.

Vet's Forum

Q. I am eligible for War Orphans Education. I've just been discharged from the Army, although I am still under 21. If I take War Orphans schooling, will my VA allowance come directly to me, or must it be sent to my guardian, since I am under age?

A. VA would send the allowances directly to you, since it has ruled that in your status as veteran you may receive payments personally, even though you are under age.

Q. My state recently gave me a bonus and I am drawing pension from the VA. Do I have to count the bonus money as income when I fill out VA's income questionnaire the first of next year?

A. You do not have to report state war bonuses as income in determining 1958 income for VA pension purposes.

Q. I have a Korean GI term insurance policy, with the letters "RS" before the policy number. I understand that by a new law these policies may soon be converted to permanent insurance. How soon can I make the change-over? How much of the new-type permanent insurance will I be allowed to carry?

A. The law permitting holders of Korean "RS" term policies to convert to permanent insurance becomes effective Jan. 1, 1959. The maximum amount of permanent insurance you may obtain under the new law is limited by the face amount of your present policy.

Q. I need a copy of my discharge in order to get a Certificate of Eligibility with which to get a GI home loan, but my discharge is lost. Where can I get a replacement?

A. Write to the Personnel Records Center of the Armed Forces, 9700 Page Boulevard, St. Louis, Missouri. Give your service number and your branch of service. There is no charge for this replacement.

'The Vikings' is coming to Tower for three days

One of the most lavish and spectacular pictures of all time, costing approximately \$4,000,000 to produce, "The Vikings", will show at the Tower Theatre on Sunday, Monday and Tuesday, through United Artists release.

The picture is an epic screen adaptation of the best-selling novel by Edison Marshall, and stars Kirk Douglas, Tony Curtis, Ernest Borgnine and Janet Leigh.

A swashbuckling, authentically researched story of the blood-thirsty Norse warriors, "The Vikings" was filmed in Technicolor and Technirama on location in Norway, Germany and France.

No people in history have been as ferocious and wild as the Vikings in their heyday, which was about a thousand years ago. And the film pulls no punches in showing their games, feasts and battles in scrupulously accurate and forceful detail.

Post boy member of Stage Band at Tech; first concert today

LUBBOCK — Progressive jazz is gaining new recognition at Texas Tech through formation of a Tech Stage Band by the music department.

The highly select group of 18 instrumentalists, which includes Tommy Mayfield of Post, is to present its first concert at 4 o'clock this afternoon in the Tech Union Building.

Commenting on the band's organization, Dr. Gene Hemmle, Tech music department head, said, "We feel that progressive jazz is a legitimate expression in music today."

"It has been influenced by serious contemporary composers and has had its influence on serious music."

Keith McCarty, music instructor, is in charge of the stage band, whose personnel has been selected from the Tech Concert Band. Mayfield plays a baritone sax in the stage band.

LUBBOCK VISITORS

Mrs. C. C. Rister and Mrs. O. W. McLeod of Lubbock visited briefly in Post Friday afternoon en route to Rotan.

A Church Going Family Is A Happier Family

SHE HIT THE BULLSEYE!

Her skill with a bow and arrow is really amazing; she can hit the bullseye with nine arrows out of ten. That is a real accomplishment. How much more important it is though, for her to be able to score a bullseye in life. To do so she must have her target clearly in sight, that is, she must know where life is intended to go. Nowhere, but in the Church are the goals of life clearly taught; here life is seen in its eternal perspective, values that last are held and taught. See that you and your family learn the way to a bullseye in life.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without government or society or way of life which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

IN ACCORDANCE WITH PRESENT LEGISLATION

1959 upland cotton quota, acreage allotment and referendum date set

COLLEGE STATION — A national marketing quota of 12,167,000 bales, a national acreage allotment of 16 million acres and a date set, Dec. 15, for a farmer referendum on marketing quotas for upland cotton have been announced by Secretary of Agriculture Ezra Taft Benson.

Metcalf is named bonds chairman

Irby G. Metcalf Jr., president of the First National Bank in Post, has been named U. S. Savings Bonds chairman of Garza County by Nathan Adams, chairman of the Texas Savings Bonds Committee.

Metcalf, who replaces the late T. R. Greenfield, will direct all phases of promotion and the sale of savings bonds to Garza County. He becomes a member of the statewide volunteer organization whose efforts are contributed to public service.

"Today, and as far into the future as we can look, we are facing times as critical as any we have known in the last quarter of a century," the Post banker said in accepting the appointment.

"Fortunately," continued Metcalf, "there is a way that makes it possible for every one of us to participate in achieving this strength by purchasing savings bonds. U. S. savings bonds are a safe, sure investment because the interest and principal are fully guaranteed by the U. S. government."

"Mr. Metcalf has an outstanding record as a banker and civic worker, and I know our program will benefit greatly from his leadership and direction," State Chairman Adams said.

Postings—

(Continued From Front Page)

cuts. Chamber Manager Johnny Hopkins said the other day he hoped Chamber members could be gotten together to examine the problem with the hope of working something out for the 1959 harvest. It's a worthy project and one that could bring a lot of business here as well as help the cotton farmers get that cotton out of their fields.

Post can be mighty proud of its First National Bank and the growing service Irby Metcalf and the bank are offering to the bank's Post trade area. Another example of that expanding service is the bank's announcement on page 16 of the opening Nov. 1 of a savings department paying two and one-half per cent interest on deposit. Metcalf has been striving and succeeding in offering improved banking services to this community — and those services are mighty important. A savings department encourages thrift not only for youngsters but for us oldsters too.

S. C. Storie Jr. really has something to advertise today—not only the first showing of a 1959 line of cars but the addition of the Edsel dealership for the Post area to his Storie automobile agency. The approval for the dealership came only a couple of days ago, but S. C. promises to have a new 1959 Edsel on hand for display tomorrow. In fact, the approval was too fast for Edsel's publicity department so S. C. had no picture of his new car for his ad on page 4 of today's Dispatch, but you can see the car tomorrow if you drop by his showroom. Storie Motor of course will continue as the Post dealer for both Mercury automobiles and GMC trucks.

This weekend come the November Dollar Days on Friday, Saturday, and Monday and you'll find a lot of bargains listed in the many Dollar Day ads in today's Dispatch. The best bargains of all are the hometown bargains where "bargain hunting" isn't so expensive.

Dove Mayfield at Mayfield Co., Inc., will unveil the new International Harvester tractors Saturday and they are real "power beauties." Remember we told you a lot about them a few weeks back when Dove went in with other area dealers for a real demonstration day near Snyder.

ment-price support programs known as Choice A and B. Under A, growers who comply with their regular acreage allotment will have available price support at not less than 80 per cent of parity. Growers under Choice B receive larger farm allotments—40 per cent above the regular allotment—but with a reduction of 15 per cent of parity in the support price as compared with Choice A.

If marketing quotas are not approved for the 1959 upland cotton crop, only the regular allotment program will be in effect. Price support will be available to co-operators at 50 per cent of parity as provided by law. Under the 1959 quota program and in accordance with controlling legislation, growers who exceed their chosen farm acreage allotments will be subject to penalties of 50 per cent of the cotton parity price as of June 15, 1959 on the farm's excess production. Too, all cotton produced on the farm will be ineligible for price support.

According to J. E. Montgomery, program specialist, Texas ASC office, notice of individual farm allotments under both Choice A and B will be made available to producers prior to the Dec. 15 referendum.

Election—

(Continued From Front Page)

widows of Rangers who retired before the 1947 State Employees Retirement System was established. No. 8: Would allow the Legislature to appropriate money to pay for medical care for people who receive old age assistance, aid to the blind and aid to dependent children.

No. 9: Would allow the Legislature to authorize creation of hospital districts in Amarillo, Wichita County and Jefferson County.

On Garza County's official ballot for the General Election, these proposed amendments appear at the bottom of the ballot.

THERE ARE three columns at the top of the ballot—Democratic Party, Republican Party, Constitution Party, Independent and Write-in, in that order from left to right.

Besides Yarborough and Whittenburg, there is another candidate for the U. S. Senate—Bard A. Logan, Constitution Party.

Gov. Price Daniel, bidding for his second term, is opposed by GOP candidate Edwin S. Mayer, a Sonora rancher. The Constitution Party has no candidate in this race.

In the race for lieutenant governor, incumbent Ben Ramsey, seeking a fifth term as the Democratic candidate, is opposed by Philip Lee Eubank of San Antonio, secretary of the Constitution Party. The Republicans offered no candidate in this race.

Other state level races, featuring for the most part token contests, include:

ASSOCIATE JUSTICE of the Supreme Court, Place One, in which Robert W. Hamilton, the Democratic nominee, faces John Q. Adams, the GOP candidate.

Commissioner of Agriculture, pitting Democratic nominee and incumbent John White against Grover C. Carothers, the GOP candidate, and H. W. Vogan, the Constitution party standard-bearer.

District Governor to visit Rotary Club

Burnett Roberts of Levelland, governor of Rotary's 573rd district, will pay his annual visit to the Post Rotary club next week.

Governor Roberts will meet club officers, directors and committee chairmen in a club assembly Monday night at the home of Dr. B. E. Young, club president, and then address the club at its Tuesday luncheon.

The Rev. Ronnie Parker, pastor of the Church of Christ, addressed Rotarians at their weekly luncheon Tuesday, using as his theme the power of example.

In 1922, the first balloon tires were introduced on U. S. cars.

Two are charged with fighting

Charges of fighting were filed against Charlie Goss and Dale Harris in justice of the peace court Tuesday on a complaint filed by City Marshal Otis G. Shepherd Jr.

The two were charged with fighting Monday night at a residence on West Third Street. The city marshal was called, but the two men had left when he arrived and were not filed on until Tuesday morning.

Others booked in justice of the peace court during the last few days were A. R. Riley, vehicle over weight; Israel Garcia, no Railroad Commission permit; Jess Corbett, drunk in a public place; Frank Torres Jr., drunkenness; Mack Moore, drunkenness; P. D. Wheatley, muffler violation; Edward Poe, drunk in a public place; Frank Cortez, simple assault; Gwin Willis Bridgeman, no motor vehicle inspection sticker; J. V. Thrash, reckless driving.

Fines on the above charges which had been paid up to Tuesday afternoon included: Garcia, \$40.50; Torres, \$24.65; Wheatley, \$16.50; Cortez, \$20.65, and Thrash, \$20.65.

Trustees—

(Continued From Front Page)

first graders that year in comparison with 185 first graders this year.

At the present time there are 278 students in the high school with 93 of them freshmen, 81 sophomores, 59 juniors, and 43 seniors.

Smith said it is very likely in four years the high school enrollment should at least reach 350.

Trustee E. R. Moreland declared that two factors point very favorably toward real growth in Post and the school district in the years just ahead. First, he said, oil activity every day looks better in Garza County. Second, if the White River Dam goes through to assure plentiful water the community is sure to grow considerably.

SMITH TOLD trustees that the high school building—with its two extra classrooms built this summer as a temporary measure—is now at capacity and that all available rooms in the entire system are in use. The only way to add more students now, he explained, is to increase the size of the classes, now averaging from 27 to 29 students.

He said classes could be increased to a maximum of 35 students where rooms were large enough. All 19 rooms in the grade school building are in use with the fifth grade moved to the high school building.

"I don't know where we'll put them if we have a big increase next year in grade school enrollment," Smith said.

BOARD MEMBERS discussed the possibility of converting the present inadequately sized high school auditorium into eight additional classrooms and remodeling the high school. That would call for more new classrooms to be built for the grade school building.

Supt. Smith said a major high school remodeling job would create a "time problem" as the remodeling would have to be completed in 90 days over the summer vacation or there would be no place to hold high school classes the next fall, and that a major remodeling couldn't be done in 90 days.

THE SCHOOL official also reported that the high school lunchroom is "too small." "We feed between 500 to 600 daily in the lunchroom now and fed 624 today," Smith reported. He said it needs to be expanded on the east side so that 1,000 can be served without undue delay. "We would feed more today but we don't have the room," he said.

Moreland proposed that the football stadium be moved out to the edge of town to give proper room for a new high school building if trustees decided to move in that direction.

AD CORRECTION

In Dunlap's Dollar Days advertisement on page 15, Men's All-Wool Jackets, selling for \$8, should read as "values to \$11.95", not 1.95 as it incorrectly appears.

SHOULD BE STARTED AT ONCE

Fall deferment of native grasses is advised by range specialist

COLLEGE STATION — The early fall rains which have been followed by mild, cloudy weather have given a tremendous boost to grass growth. This condition, advises B. J. Ragsdale, associate extension range specialist, is ideal for fall deferment of native grasses.

The specialist points out that if best results are to be obtained from this range improving practice, it should be started at once. By deferring grazing of native grass pastures now, food reserves in the grass roots will be restored, and an early vigorous growth can be expected during the next growing season. Research work indicates that a grass plant deferred from grazing produces approximately four times as many roots as a closely and often grazed one, he says.

Another advantage of fall deferment this year is seed production. Many grasses failed to produce an abundant seed crop earlier due to the dry summer. These grasses are now producing a good seed crop, says Ragsdale. Deferment will allow the seed crop to mature and this in turn will speed up the natural reseeding of native pastures. Too, when grasses are grazed continuously during seed head production, livestock eat the seed stalks and the plants may not be able to produce early forage next spring.

The forage now being produced can be utilized during the winter months after the food reserve in the roots have been restored and the seed crop has matured and fallen to the ground. Good grass

forage on the ground for winter use is the feed reserve needed for cutting overhead ranching costs. Too, points out Ragsdale, deferred grazing is one of the practices eligible for ACP payments in certain areas of Texas. Details on the practice may be obtained from local county agents or county ASC offices.

Chest drive—

organizations—the Golden Age Club and the Colored Community Center.

Duckworth's advance gifts committee, which last year accounted for some \$8,400 of the \$12,000 subscribed budget, met Tuesday afternoon at the First National Bank with Irby Metcalf, president of the organization, and Cornish sitting in for distribution of pledge cards of those making Chest contributions of \$25 and over.

MEMBERS OF Duckworth's committee. Many of whom have served on this important committee several times, are R. J. Jennings, Ted Hibbs, Bryan J. Williams, Powell Shytle, James Minor, E. R. Moreland, and J. B. Potts. Potts is also treasurer of the Chest organization for the 1959 campaign.

Mrs. Hartel is busy lining up Chest workers in the various communities throughout the county in the rural division and expects to "kick off" that division of the campaign a week in advance of the main drive, Nov. 17-21, because of the many rural miles

Expert sees exhaustion energy sources

LUBBOCK — If the Earth's population continues its explosive growth, mankind will exhaust current sources of energy by about 2030 A. D., a Princeton University chemist has predicted at Texas Tech.

In an address to the Tech chemistry faculty and students, Dr. Clark E. Bricker called for basic research now to uncover new energy sources in case current trends of population and energy usage continue.

"The world's population remained fairly constant from zero A. D. through 1600 A. D.," he declared. "However it doubled in the next

200 years and doubled again in the following 85 years."

"Indications now are that it will double a third time within the next 50 years and a fourth time 35 years after that," Bricker continued.

"If we continue to use coal, gas, oil and other energy sources in proportion, we'll probably exhaust them by the date indicated," he said.

The only safe response to this possibility—however problematical—is to undertake basic research

now that will lead to new sources by that time, Bricker said. This is a tremendous task, he declared. He urged the public back any private governmental plans to support research. Bricker said one of the possibilities of obtaining new lies in finding ways to fuse deuterium, or heavy hydrogen, which can be obtained in abundance from sea water.

Antelopes to play Spur '11' here Friday

Junior Antelopes take two tilts from Tigers

SECTION TWO The Post Dispatch SPORTS Thursday, October 30, 1958

Post loses first loop tilt to 'Winds, 52-24

The Post Antelopes' dream of upsetting the undefeated Floydada Whirlwinds lasted through a little more than one quarter at Floydada Friday night, but turned into a nightmare in the second quarter with the Whirlwinds scoring 38 points for a 44-8 halftime lead.

It was a heartbreaking defeat for Coach Frank Krhut's lads, who, with a two weeks' rest behind them, probably were keyed higher for the Floydada game than any Antelope team ever was keyed for an opponent.

The final score was 52 to 24, with Floydada tacking on their final touchdown in the fourth quarter. The Antelopes pushed across two touchdowns and came through on both extra point tries in the fourth to score more points against the Whirlwinds than any other team this season. In fact, the 24 points scored by Post are only one less than the total of 25 which had been chalked up against the Floydada eleven by their seven previous foes.

ALSO HELPING make the defeat a little less bitter for the Antelopes was the fact that they were ahead of the highly rated Whirlwind eleven for awhile, being the first team this season to get out in front of Coach Preston Watson's crew.

The fast, hard-running Floydada backs rolled up 440 net yards rushing to only 78 for Post, but the Antelopes had the upper hand in the passing department with 174 yards on six completions against 108 yards on four completions for the Whirlwinds.

The Antelopes went into the second quarter with an 8-6 lead, but it didn't last much longer than the time it took to post it on the scoreboard.

The Whirlwinds received and moved to one first down before stalling on the midfield stripe. Jerry Windham was tackled on the Post 20 as he ran laterally after taking the Floydada punt.

THREE RUNNING plays gained only eight yards for the Antelopes, and Curtis Didway's punt was returned four yards by Bill Patterson to the Whirlwind 42.

Leon Williams circled his left end for 12 and a first down on the Post 46, but a handoff was fumbled and Post recovered on the Floydada 42.

A five-yard penalty for backfield in motion stalled the Antelopes, and Floydada took over on their 36 after Didway's nine-yard run on a keeper failed by four yards of picking up a first down.

Two line plays gained only four for the Whirlwinds and after a pass fell incomplete, Didway returned Rodney Teague's punt 25 yards to the Post 45.

A LINE play failed and after Scottie Pierce barely missed Windham's running pass, Didway quick-kicked to the Floydada 15.

The Whirlwinds then gave a hint of what was to come when Don Vickers broke over tackle and raced 53 yards to the Post 32 before being hauled in by Windham and Dan Rankin. Williams kept the drive going with a 15-yard gain to the Antelope 17, where Billy Williams made the stop. Post drew a 15-yard penalty on a personal foul, and on the next play Vickers burrowed through the line for the touchdown. Danny Shipley's extra point kick was low and wide, and the Whirlwinds led, 6-0, with two minutes remaining in the first quarter.

Derwood Mayberry made one of

several good kickoff returns from his 10 to the 35, and after Didway passed to Windham for nine yards, Forrest Claborn banged for two and a first down on the Post 46.

AFTER TWO long passes had failed, Mabyerry worked in behind the Floydada safety man on the 15, took Didway's down-the-middle peg and outran the lone defender to the goal line. Didway passed to Billy Williams for the extra points, and Post led, 8-6, on the final play of the first quarter.

Vickers returned Charlie Morris' kickoff 23 yards to the Floydada 33, and from there the 'Winds marched 67 yards to their second touchdown, with Patterson going through the line for the final eight yards. Bill Gilliland plunged for the extra points to put Floydada back in the lead, 14-8.

Mayberry returned the kickoff 33 yards to Post's 43, but the Antelopes couldn't move, and Didway's punt was killed on the 29.

ON THE first play, Williams started around end, cut back and went 71 yards for a touchdown. Patterson banged the line for the extra points to up the score to 22-8.

A bad break led to the Whirlwinds' fourth touchdown. After the kickoff had sailed out of bounds, they kicked again, this time from their 35. The kick was short and Charlie Morris, making a desperate lunge to gather it in, fumbled, and Floydada recovered on the Post 42.

Patterson and Teague carried three times to make it a first down on the 30, from where Vickers set sail for another touchdown. Patterson crashed through center for the extra points to give his team a 30-8 lead.

On the first play after Mayberry had returned the kickoff 15 yards to the Post 30, Williams intercepted Didway's pass on the Antelope 45 and got back to the 30, with the ball finally winding up on the Post 48 after a 15-yard clipping penalty against the Whirlwinds.

TEAGUE PASSED to Patterson for 18 yards, but a 15-yard holding penalty set the 'Winds back to the 46. Teague and Patterson combined to lug the leather to the two-yard line, from where Gilliland went over for the touchdown. Patterson was stopped short on the extra point try to make the score 36-8.

Bad luck continued to dog the Antelopes. After the kickoff return to the 25, Didway's second passing attempt was intercepted by Patterson, who legged it back 40 yards for a touchdown. Floydada drew a five-yard penalty as they lined up for the extra point try, but Teague passed to Rex King for the bonus points and a 44-8 lead.

Mayberry ran the ensuing kickoff out to the 30 from the 15, but the Antelopes were penalized to the 23 for clipping. A pass fell incomplete and Mayberry circled end for seven yards as the disastrous quarter ended.

THE THIRD quarter was scoreless.

Game at a glance

less, but near its close the Antelopes came close after Mayberry broke through to block Elwyn Pierce's punt on the Floydada 40, and Claborn scooped up the loose ball and carried to the 15.

Mayberry passed to Claborn for 11 yards and a first down on the four-yard line, but a fumble recovery at that spot halted the Post drive.

After taking the ball on downs, Floydada drove to the Antelope four-yard line before the Post defense held on a fourth down try.

Claborn picked up a yard at the line and Floydada was penalized 15 to the 20 for unsportsmanlike conduct. Mayberry, now running at quarterback, passed to Didway on the Floydada 40, the Whirlwind defender tipping the ball just enough for Didway to grab it and scoot 60 yards for a touchdown.

Mayberry's pass for the extra points found Williams in the end zone, and the score changed to 44-16.

After receiving the kickoff, Floydada scored again, the payoff performance being a 68-yard pass play from Teague to Patterson. Gilliland rammied the line for the extra points to make it 52-16.

AFTER MAYBERRY had returned the kickoff 21 yards to the Post 36, the Antelopes bogged down and Didway quick-kicked 50 yards to the Floydada 28.

After losing 13 yards on a fumbled pitchout, the 'Winds punted to Windham on the Post 40 and he made a brilliant 45-yard return to the Floydada 15. An unsportsmanlike conduct penalty against the Whirlwinds moved the ball to the one-half yard line, from where Mayberry scored on a keeper through center. Claborn plunged for the extra points.

The game ended five plays later with Floydada in possession on

Freshman game is Saturday

Many area 1957 stars on Tech, Buff rosters

LUBBOCK — Most of last year's stars from South Plains and Panhandle high schools will be in action as the West Texas State and Texas Tech freshmen collide in Jones Stadium at 1 p. m. Saturday.

Admission to the game, a benefit for the National Football Hall of Fame, is \$1 for adults, 50 cents for others.

In Tech's Picador lineup will be such standouts as quarterback Soapy Sudbury, halfback Milton Brown, halfback Leo Brittain, halfback Dickie Polson, end Charles Rice and guard Ken Kendrick of Amarillo; halfback Richard McMin of Stratford, quarterback Billy Ryan of Seymour, fullback Hubert Pearce and end Blake Adams of Monahans, center John Hanst of Lockney, guard Jack Dokken of Wilson, tackle Larry Mullins of Snyder, tackle Richard Stafford of Matador, tackle Don Walkup of Muleshoe, end Archie English of Seminole, end Freddie Thompson of Morton and end Robert Sanders of Muleshoe.

West Texas State's Calves boast a similar lineup of Lockney's Dickie Barton, Lane Crank and Jerry Williams, Clarendon's Jerry Behrens, Canyon's Richard Burgess and Rory Funk, Amarillo's Jerry Cannon, Matador's Garland Cartwright, Dayton Graham and Franklin Thrasher, Phillip's Johnny Crook, Slaton's Doug Corley, Friona's Weldon Fairchild, Seminole's Bill Wallace, Ralls' Ocie Forbes, Price College's James Wilburn, Sunray's Jim Gibson and Jimmy Hill, Spur's Randall Gilcrease, Ray Powell, and David Morgan, Hereford's Sam Lesley, Tulia's David Hutto, Sundown's Jimmie Jones and Guerry Wright, Plainview's Larry Pool, Farwell's

the Post 45.

Except for the "lost" second quarter, good defensive play was turned in by the Post line and secondary, with Kenney Poole, Herbie Hays, Jimmy Minor, Rankin, Mike Cornell, Pierce, Williams, John T. Brown, Victor Hudman, Larry Welch, Bobby Beard, Sidney Hart and Morris all playing it to the hilt.

Southland Eagles beat Pettit, 14-6

The Southland Eagles opened conference play in grand style Friday night, scoring a 14 to 6 victory over Pettit on the Pettit gridiron. It was the Eagles' first victory of the season.

Tomorrow night, the Eagles play Union at Southland in another eight-man conference game. The grid contest will be one of the Southland homecoming highlights.

The Pettit victory brought the Eagles' record to one win, one tie and four losses.

Trans-Pecos antelope hunt called success

AUSTIN — Despite cold rainy weather the Trans-Pecos pro-horned antelope hunt was considered a success with a total kill of 803 reported, according to the director of wildlife restoration of the Game and Fish Commission.

Three hunts of three days each were held Oct. 1-10 with 860 hunters participating. Hunter success this year was more than 93 per cent, the director said.

During the first hunt 374 hunters bagged 358 pronghorns for a 95.7 per cent success. The second hunt had 359 hunters netting 93 per cent success with 334 pronghorns killed. Only 111 pronghorns were taken on the third hunt with 87.4 per cent success by 127 hunters.

Coach Lawrence Cook's 7th and 8th grade football teams ended their season Tuesday night with victories over Frenship 7th and 8th graders on the junior Tigers' gridiron.

The Post 8th graders won by a score of 38-0, and the 7th graders came off with a 22-2 victory.

The 8th grade team rolled up a 24-0 halftime score, then coasted the rest of the way, with Coach Cook even playing linemen in the backfield in an attempt to hold down the score.

Post's first score was made by Ken Rankin on a five-yard run, with Glenn Polk running over the extra points. A few plays later, John Valdez scored on a 35-yard reverse, and again Polk ran over the extra points. The first half scoring ended with Marshall Salinas scoring on a tackle-around run, and Steve Bullard adding the extra points.

Post scored two more touchdowns in the second half. Raul Gonzales caught a 40-yard pass from Valdez for one, with Rankin tacking on the extra points. Then Gonzales, shifted from end to halfback, ran 40 yards to score, with the extra point try failing.

The 7th graders put their game on ice with two quick first quarter touchdowns. Both were scored by Joseph Valadez, one on a four-yard run, the other on a 40-yard pass play with Quarterback Pat Cornell on the throwing end. Cornell scored the extra points on a quarterback sneak after the first touchdown, and Dickie Price ran over the bonus points following the second six-pointer.

Post scored again in the third quarter on a 35-yard punt return by Valadez, the try for extra

points failing.

Post reserves yielded a safety in the fourth quarter to enable Frenship to avert a whitewash.

Post scored two more touchdowns in the second half. Raul Gonzales caught a 40-yard pass from Valdez for one, with Rankin tacking on the extra points. Then Gonzales, shifted from end to halfback, ran 40 yards to score, with the extra point try failing.

The 7th graders put their game on ice with two quick first quarter touchdowns. Texas Tech is invited to Sugar Bowl meet

LUBBOCK — Texas Tech has accepted an invitation to participate in the Sugar Bowl track meet in New Orleans Dec. 28, according to Track Coach Don Sparks.

Tech will send its mile relay team, a quartermiler, and a hurdler. Last year Tommy Patterson of Waco gave the Red Raiders a third place in the high hurdles.

Worship unit to be dedicated Nov. 7 at state TB hospital

SANATORIUM — The first unit for formal worship on the grounds of any Texas state hospital will be dedicated Nov. 7 at McKnight State Tuberculosis Hospital, Sanatorium, Texas. U. S. Sen. Lyndon B. Johnson will be principal speaker.

The All-Faith Chapel is a \$70,000 gift from more than 3,000 private citizens who recognized the spiritual needs of tuberculosis patients facing many months of hospitalization. The chapel project includes a central sound system with a pillow speaker to each bed which will bring religious services, entertainment and health talks directly to the bedside.

The chapel is centrally heated and air-conditioned and has an electric organ. Office space is provided for Protestant and Catholic chaplains and should the need arise there are provisions for Jewish services as well.

Contributions have been received from 148 counties served by the hospital, including Garza County.

VISITS IN ROARING SPRINGS

Mrs. Jessie Lee Lancaster was a weekend guest of friends in Roaring Springs. She formerly taught there.

NEW DE SOTO FOR 1959

Pictured above is the four-door hardtop Sportsman Firestone De Soto, one of 18 models of the new 1959 De Sotos which

went on display Friday at Post Auto Supply here and at other De Soto dealers throughout the nation.

De Sotos with history-making swivel seats on display at dealer's here

Offering history-making swivel seats and push-button weather controls, newest companion to push-button driving, in its 30th anniversary line of 18 models in four series, the new 1959 De Soto automobiles went on display Friday at Post Auto Supply, 114 South Avenue I, and dealers over the country.

With the new 1959 models, De Soto has the famed sports-type Adventurer engine delivering 350 horsepower available for the first time in all models.

PUSH-BUTTON three-speed Torqueflite transmission is standard on Firestone, Firelite and Adventurer models. Other extra accessories which now become standard on certain models include: wheel covers, plastic steering wheel, front and rear floor carpets, airfoam seat cushions, electric clock, color sweep moulding, handbrake warning light, windshield washers, and back-up lights.

Thirteen accessories which were optional equipment last year have been made standard on many models, including power brakes and power steering which are now standard on Firelite and Adventurer models. Safety cushion instrument panel is standard on Firestone, Firelite and Adventurer models.

NEW ENGINEERING feature on the 1959 De Soto is Level-Cruise air suspension, available with Torsonaire. The latter is standard on all models.

The new styling gives De Soto a lower and wider appearance. Outstanding styling features include new massive integrated two-section front bumper with a long horizontal air scoop dividing lower and upper section; eyebrowed dual head lamps, and a new sculptured roof line on four-door hardtop models which adds 3½ inches to leg room

and 13½ inches to headroom. Running the length of the car and flaring dramatically upward is a broad new spear-like color sweep, also available with a fluted anodized aluminum insert. Full styling treatment has been given the rear of the new De Soto, incorporating an integrated rear bumper. The trademark of three-tiered taillights, has been retained for the fourth consecutive year.

DE SOTO is offering 18 models in four series, Firesweep, Firestone, Firelite and the limited production Adventurer. The Adventurer series is available only in the two-door hardtop and the convertible. In the Firesweep, Firestone and Firelite series the following models are available: four-door sedan, four-door Sportsman hard-top, two-door Sportsman hardtop and the convertible. In both the Firesweep and Firelite series, two station wagons are available: the Explorer, a nine-passenger wagon with a third rear-facing Vista-seat; and the two-seat Shopper wagon.

THE FIRESWEEP models are built on the wheelbase of 122 inches, four inches shorter than the other three series.

The most significant seating development in history, the swivel seat, provides individual accommodations for both the driver and the front-seat passenger. Each seat pivots outward in a 40-degree arc to facilitate ease of entry and exit. A pull-down padded arm rest divides the swivel seats.

After opening the car door, the seat is unlatched by a lever on the seat frame, allowing the seat to swing outward. When the seat is returned, it automatically latches in place.

No waiting period for enlistments in U. S. Marine Corps

The Marine Corps no longer requires a waiting period for enlistments, according to T-Sgt. Art. Candelaria, non-commissioned officer in charge of the Marine Corps Recruiting sub-station in Lubbock. During the past nine months, young men whose applications for enlistment were accepted, had to wait before they could be sworn in and assigned to a training station.

Qualified applicants may now enlist for immediate active duty, extended active duty, or may enlist in the Marine Corps' 120-day delay program. Information about assignments to Marine Corps schools, Marine aviation, line duty, or military obligations, may be had by contacting the Lubbock Marine recruiters.

A Marine recruiter is in Post every second and fourth Tuesday at the courthouse.

Mexico's oil resources were taken over by the Mexican government in March, 1938.

Head smut cause of trouble in grain sorghums

COLLEGE STATION—Grain sorghum head smut is causing considerable damage in several areas of Texas, reports Harlan Smith, extension plant pathologist.

The head smut problem is centered in the Coastal Bend area, parts of the Central Blackland area, and in parts of the High Plains area, points out Smith. Damage to some fields in the Coastal Bend area is as high as 60 per cent. Some fields in the southern part of the Central Blacklands report as much as 50 per cent damage and Deaf Smith county suffered as much as 20 per cent damage.

Smith attributes the build-up of head smut primarily to the widespread planting of susceptible varieties and hybrids. Among the most susceptible varieties are Martin, Texioca 54, Combine 7078 and RS 610.

In most varieties of hybrids, Smith points out that affected heads are sterile. Tiller heads on the side of the plant are smutted. This condition is sometimes hard to detect because the smut is concealed by leaves.

Where fields are free of the disease fungus, the pathologist says seed treatment with panogen or ceresan is effective in preventing the smut. Resistant varieties are required in fields which are infested. Avoid continuous crops of sorghum.

Resistant sorghums available commercially are RS 630, Caprock, Plainsman, Redbine 66, feterita and hegari, though these are not too widely accepted. Texas 601, Texas 620, RS 650 and Redbine 58 have a certain degree of resistance and may be used if otherwise adapted to the area.

Work is already underway by the Texas Agricultural Experiment Station to incorporate resistance into acceptable hybrids.

Chiropractors of area to meet in Lubbock

LUBBOCK — Dr. Melvin E. Garrett Jr. of Waco, president of the Texas State Chiropractic Association, will be the main speaker at a tri-district meeting that will bring chiropractors here Saturday and Sunday from all parts of the South Plains, Panhandle and West Texas.

It is expected to be the biggest meeting of its kind ever held in this area, since the three districts cover all of the Plains and Panhandle and West Texas from San Angelo, Big Spring and Andrews on the west to Brownwood, Cisco and Throckmorton on the east.

VISITS GRANDPARENTS

Cynthia White of the Graham community, was a weekend guest of her grandparents, Mr. and Mrs. L. C. White.

'Traffic Goblins' are hazard on Halloween

"Halloween is tomorrow night, and the traffic goblins will get you if you don't watch out!"

This isn't a humorous phase, but a deadly serious warning from J. O. Musick, general manager of the Texas Safety Association.

"I believe in goblins," Musick said today, as he discussed the dangers that lurk along Texas streets and highways on Halloween. "But I'm not talking about the kind of goblins that bring scared squeals from the youngsters. The ones I fear are the traffic goblins who victimize unwary boys and girls as they go about their 'trick or treating' on Halloween."

Musick pointed out that youngsters are likely to forget safety rules in the excitement of scaring and being scared on this spooky night. They forget that they may have on dark clothing, which makes them difficult to see, and blinded by masks, they frequently make sudden dashes into busy streets.

"It would help prevent many tragedies," he said, "if parents would try to get their children to take off masks when they go outdoors. And if they would provide their sons and daughters with light-colored or reflectorized costumes."

"The best way to keep the kids safe," Musick said, "is to keep them off the streets altogether. This isn't easy, but if parents plan home or community parties, it can be done."

He urged parents to band together to see that sufficient parties and gatherings are provided in

More than 174,040 Texas farms are equipped with one or more tractors.

their communities to keep the youngsters entertained, thus offering them little inducement to go roaming the streets.

Musick also reminded motorists to keep a constant look-out for children, especially in residential areas.

SANTA FE CARLOADING

Santa Fe carloadings for ending Oct. 25 were 23,881, an increase of 2,461 for the same week a year ago. Cars received with 12,109 for the same week in 1957. Total cars moved 360 compared with 35,540 same week a year ago. Santa Fe handled a total of 196 cars in preceding year.

The Dead Sea, lowest on earth, is 1,290 feet below sea level.

Bible Thought

"TOMORROW"

by RONNIE PARKER

The Bible is clear in letting us know the importance of today. "Today is the day of salvation." "Go work today in my vineyard." The present is all that we have. The past is gone forever. We only have memories. The future is not and may not come. The time to serve God and your fellow man is now!

The unknown poet has given us these worthy thoughts. He was going to be all that a mortal should be.

TOMORROW No one would be better than he TOMORROW

Each morning he stacked up the letters he'd written TOMORROW

The greatest of workers this man would have been TOMORROW

The world would have known him had he ever lived TOMORROW

But the fact is he died and faded from view, and that was left when living was through. Was a mountain of things he intended to do TOMORROW.

THE CHURCH OF CHRIST WILL ALWAYS WELCOME

Harold Lucas says "IT'S A FACT"

The newly married couple need the advice of an experienced insurance agent — to make sure they have insurance to cover the wedding presents — personal effects, if a trip is taken — and to safeguard the new home. We invite you to bring your insurance questions here.

And We Can Prove It!

Opposites Usually DO NOT Marry Each Other Studies of Terman (Stanford University) tend to show the tendency is far like to marry like—that there is a fair correlation between husband and wife in intelligence, appearance, etc.

Adventures in ADVERTISING

TOMBSTONE TERRITORY

Before World War I Fairy Soap was the largest seller on the American market. Mother used it as a beauty aid. Junior used it in the bathtub. Sister used it to shampoo her hair. And father used it to wash that portion of his face which wasn't covered with mustache and mutton chops. In magazines, on bill boards and in newspapers, you would see advertisements of Fairy Soap.

During the first great war the demand for Fairy Soap was so great that the manufacturers dropped their huge advertising program with an eye to making a bigger profit. They figured Fairy Soap was so well known it would carry itself. They were wrong. Other far sighted soap manufacturers stepped in with appealing advertising campaigns and took over the market. Fairy Soap was never able to come back and today lies in the graveyard alongside the Gold Dust Twins, Saint Jacobs Oil, Melon's Baby Food, Dolly Varden Chocolates, Omar cigarettes, Maxwell automobiles and many other products that died a natural economic death due to lack of advertising.

Graham folks attend Saage funeral held first of last week in Slaton

By MRS. DILLARD THOMPSON
Those attending funeral services in Slaton the first of last week for A. G. Saage were Mr. and Mrs. Earl Gregg, Mrs. W. H. Norman, Mrs. Bob Norman, and Mrs. E. M. Norman. Mr. Saage was the father of Roy Saage, brother-in-law of the Normans and Greggs.
"Somebody Goofed" again last week and I'm glad it was my own item. Anyway, it should have read other dinner visitors were Rev. and Mrs. H. O. Abbott and daughters. Other afternoon and evening visitors were Mrs. W. C. W. Morris, Mrs. W. A. Oden, D. C. Morris, Fred Babb, Mr. and Mrs. J. B. Thompson of Lubbock and Mr. and Mrs. C. W. Roberts and Waymouth of Grassland.
Mr. and Mrs. Glynn Barron of El Paso were weekend guests of her parents, Mr. and Mrs. Grover Mason. Other Sunday guests were Mr. and Mrs. Jimmy Hutton and Mark and Mr. and Mrs. Jody Mason and son.
Mrs. Frances Fugua of Spur, was a Sunday guest at the Methodist Church with her daughters, Mr. and Mrs. Doyle Fry and Mrs. Lucas.
Mr. and Mrs. Quannah Maxey, Jane and Diane and Mr. and Mrs. Noel White spent Sunday at Roaring Springs with her parents, Mr. and Mrs. J. D. Green.
Mrs. Vae Oden was a guest last week of Oden's parents, Mr. and Mrs. Alfred Oden. She also spent Sunday night with Mr. and Mrs.

Marlin Hawkins and Thursday night with Mr. and Mrs. Emory Stevens. Mr. and Mrs. Walter Crider of Post visited Sunday night in the home of Mr. and Mrs. Jimmy Doggett.
Sandy Jones and Michael Hawkins have been on the sick list.
Mr. and Mrs. Glenn Davis visited in Brownfield Sunday afternoon with their son and family, Mr. and Mrs. Alvin Davis.
Mr. and Mrs. Doyle Fry were in Lubbock last Sunday with his grandfather, L. A. Bratner, who was ill in Methodist Hospital.
JOYCE BILBERRY was an overnight guest of Mr. and Mrs. Luther Bilberry last Tuesday night.
Mrs. Roy Gary and little daughter and Mrs. D. C. Morris visited Monday morning in the Dillard Thompson home.
Mr. and Mrs. Leon Davis were Sunday guests of her parents, Mr. and Mrs. J. C. Howard, Kenneth and Keith.
The L. E. Rylant family of New Mexico were weekend guests of her parents, Mr. and Mrs. W. O. Fluitt Sr., and other relatives.
Darlene Jones spent Friday night and Saturday with Gloria Thompson. Sunday supper guests of Kenneth and Patsy were Lois Edwards, Mary Lois Jones, Beth Stewart, Kenneth Howard, Delwin Fluitt and Charles Gordon.
MR. AND MRS. Earl Gregg visited at Ropesville Sunday afternoon in the home of Mr. and Mrs. Jess Gregg and children.
Sunday dinner guests in the home of Mr. and Mrs. Elmer Cowdrey were Homer Jones, Mr. and Lawrence Peel. Afternoon visitors were Mr. and Mrs. Harry Rotan, Gary and Sharon of Nolan.
Sunday night guests of Mr. and Mrs. Earl Gregg were Rev. and Mrs. W. M. Dorrough and daughters of Big Spring.
Monday guests in the home of Mr. and Mrs. Elmer Cowdrey and Mrs. J. N. Gossett were the Cowdrey's daughter and family, Mr. and Mrs. Jake Sparlin and children of Odessa, Mr. and Mrs. Donald Windham of Post, Mr. and Mrs. Delmo Gossett and family of Lubbock, Mr. and Mrs. Elvus Lonnie Peel and Gene, Mr. and Mrs. Fred Gossett and Carroll Davis.
Last rites for Carl "Top" Davis of Long Beach, Calif., and formerly of the Graham community, were held Saturday at 1 p. m. in Long Beach, Davis, who was 56, was a brother of Glenn Davis and Mrs. Jewel Graham of this community.

Rains put stop to harvesting

By MRS. WILL TEAFF
The rains of Saturday and Sunday put a stop to the cotton harvesting, also to the visiting over these muddy country roads.

Recent visitors in the home of the Rev. and Mrs. R. E. Bratton were Mrs. Ona Farley and Mrs. Gerion of McKinney and Mr. and Mrs. Bill Lowe of Lubbock. Sunday visitors were Mrs. Lowell Martin and son, Butch, of Ira.

Mrs. T. H. Tipton visited with Mrs. H. F. Wheatley Monday. Mrs. Wheatley injured her foot recently and is confined to her home.

Mrs. Will Teaff, Dennis Popham and Mr. and Mrs. Roy Teaff were dinner guests of the Delbert Cockrells in Post Sunday. Other guests were Connie and Carla Cockrell, daughters of Mr. and Mrs. Ralph Cockrell.

Mr. and Mrs. Will Teaff visited in Brownfield with the Milton Bayer family Thursday. They stopped in Tahoka and had lunch with Mrs. Ray Teaff, who works in the Tahoka Clinic.

Post couple attend SWPS award dinner

Mr. and Mrs. Ted R. Hibbs were in Lubbock Tuesday night to attend the 10th Annual Service Award Dinner of Southwestern Public Service Co.

A buffet dinner was served and the program included dinner music by Bernie Howell, invocation by Rex Brown, and Lloyd Thompson, vocalist. Theme of the program was "Where the Money Goes."

More than fifty SWPS employees received service awards ranging from five to 30 years of service.

The dinner was held in the ballroom of the Lubbock Hotel.

ATTEND VFW MEET

Bob Poole, Nicholas Vukad and Robert Russell attended a District 7 Veterans of Foreign Wars convention in Slaton Sunday. Poole is district commander; Vukad, district adjutant and quartermaster, and Russell, district inspector.

Your Community Chest dollars help support it

Red Cross stands ever ready to help in case of disaster

(Ed. Note: The American Red Cross is benefitting to the extent of \$1,750 in the 1959 budget of the Garza County Community Chest. This is the same amount as was budgeted by the Chest last year for the Red Cross. Facts and figures in the following article have been furnished by George F. Harper of Lubbock, Red Cross field representative.)

Should a disaster occur in Garza County, the Red Cross stands ready to assist the citizens in restoring the victims of the disaster to as near a normal condition as possible. Whatever is needed in the way of personnel or supplies can be obtained.

This help is given on the basis of need, and loss. Loss without need or need without loss does not qualify a person for disaster assistance. Every person is expected to use his own resources and the Red Cross will supplement these resources in an effort to get him restored to a pre-disaster basis.

One does not need to be a pauper to qualify for Red Cross help, but it must be shown that help is needed by the person applying for assistance before it is given.

DURING THE emergency period, anyone in need of food or shelter will be given it, and he will also be given an opportunity to make application for further and more extensive help. Before such help as payment of large medical bills, purchase of furniture or rebuilding of homes is given, an application must be filed. When this is worked out by a case worker and has been approved, the assistance will be given.

Post and Garza County are organized to act in time of disaster. John F. Lott is the local disaster chairman and Bob Poole is co-chairman. Arrangements are now being made for a two-day training session for the members of the disaster chairman's committees so they will know better how to manage a disaster operation and utilize the help of National Red Cross personnel.

DURING THE past 12 months, the field representative points out, we have been fortunate in having no disastrous tornadoes on the

South Plains. The year before, there were tornadoes all over the plains. During that tornado season, the Red Cross spent more than \$30,000 over and above what was raised in the South Plains area for Red Cross, to assist people who were affected by these tornadoes.

This money was spent in buying furniture, assisting in the rebuilding of homes, furnishing food and clothing to people who needed them because of the disaster, and paying medical bills of those injured in the tornadoes. This money was a gift from the American people to the storm victims through the American Red Cross. All of it was given, none of it was loaned.

DURING THE series of tornadoes, the most disastrous storm occurred at Silverton and \$55,227 of the Red Cross funds were spent there. Next serious and also next costly was the Olton tornado, with the Red Cross spending \$35,372 there. From this, they ranged down the scale to \$1,917 spent at Ralls in Red Cross disaster relief.

Disasters are not confined to tornadoes. Burnouts large enough to classify as a disaster also receive prompt Red Cross assistance. In addition to its disaster relief, the Red Cross is on the job the year around in Post and Garza County. During the last few years, dozens of Garza County servicemen stationed overseas have been contacted by the Red Cross in cases of emergency when they were needed at home.

Guy Floyd of Post is chairman of the Garza County chapter of the American Red Cross.

"You'd Rather Go With Me — Even If Agnes Does Give Trading Stamps?"

Post High Highlights

By MARCA DEAN HOLLAND

Everyone agrees that the game last Friday night did not turn out like we wanted it to, but we sure showed Floydada that we have a football team!

Just think, after we beat Spur, Tahoka, and Slaton, and then Spur beats Floydada, there will be a triple tie for first in our district, with the POST ANTELOPES included.

By the way, the Spur Bulldogs will be here tomorrow night for our second district game. Everyone be sure and be there to help back the Antelopes all the way to victory! The game will not only be climaxed by a victory, but also the Antelopes annual "Dads' Night".

Each and every one of the classes sure are working hard to get their Queen and King candidates elected. The halls are overflowing with posters and the classrooms are stacked high with balloting boxes. Good luck to all of you!

The Junior Class had a very successful "bake-sale" last Saturday, and wish to thank everyone for their contributions.

If you are wondering why all the kids are taking so many books home this week, it is because of three-weeks test! My, how the time does fly!

Mr. Whittenberg and Mr. Raphael enjoyed their visit at Houston and the Principal's Convention very much. They left Sunday morning at 8 and arrived at Houston by 7 the evening of the same day. They just made it for the banquet, which was held at the Rice Hotel. A Rabbi of the Jewish Synagogue of Houston, was the speaker. Monday morning a general session was held to discuss school problems. Another speech was heard at the luncheon meeting. That evening a section meeting was held where the principals were divided into discussion groups according to the schools which they represented. Monday night reports from 11 commissions which the state has organized to study curriculum were given. Reports on Health and Physical Education, Guidance, Mathematics, English, and Social Studies were among those given. Tuesday morning at a breakfast, all business was discussed and the convention adjourned. Mr. Whittenberg and Mr. Raphael returned home late Tuesday night from a pleasant but tiring trip.

The new fad with the girls around Post High seems to be loud socks.

Former resident of Kalgary dies in Hobbs, N. M.

Funeral services for Joe H. Gilmore, 60, were held at 2:30 p. m. Friday at the Griffin Funeral Home, Hobbs, N. M., with the Revs. J. C. Quarles of Lovington, N. M., and Wayne Grizzle of Crosbyton, Baptist ministers, officiating. Burial was in Prairie Haven Cemetery, Hobbs.

Mr. Gilmore was a pioneer resident of the Kalgary community and a longtime resident of Lea County, N. M. He was manager of the Stancel Ranch, with headquarters about seven miles northwest of Lovington. He had lived in that area for 10 years or more.

Mr. Gilmore is survived by his wife, Mrs. Iva Gilmore; two sons, Shelby H. of Monument, N. M., and Joe E. Gilmore of Nowata, Okla.; eight daughters, Mrs. Dave Rowell and Mrs. Royce Rollins, both of Hobbs, Mrs. Billie Powell of El Paso, Mrs. Hank Schillings, Mrs. Paul Bennett and Miss Gladys Ruth Gilmore, all of Chula Vista, Calif., Mrs. Jim Cassano of Miami, Fla., and Mrs. Ralph Parsons of Kalgary.

He is also survived by three brothers, Lon Gilmore of Crosbyton, Tom Gilmore of Post and Alf Gilmore of Corvallis, Ore.; five sisters, Mrs. Olen Brooks of Lovington, Mrs. A. J. Havens of

There have been checked, striped, and even plaid socks going everywhere. I have also noticed shoes being laced from top to bottom instead of vice versa.

Some of the P. H. S. couples seen together over the weekend were: Jerry Windham and Melanie Thompson, Ronnie Morris and Judy Gosssett, Don Greer and Alice Joy Nichols, John T. Brown and Leta Stone, Mickey Priddy and Sandra Kennedy, Charles Morris and Sharon Wood, Jimmy Short and Kay Martin, and many more.

I sure would like to have some more news. If you know any at all, please—turn it in to me!

See you tomorrow night at Antelope Stadium!!!

\$500,000 sought for new ACC building

ABILENE — Abilene Christian College today launched a campaign to raise \$500,000 for the construction of a new classroom building.

The drive was announced at the College's annual Homecoming Celebration which winds up Saturday.

The three-story masonry building will be erected as a south wing to the Hardin Administration Building, and will be designated the Citizenship Center. It will match in appearance the present Bible Building, erected by friends of the College in 1955 as a north wing to the administration building.

Building A Home? Or Adding A Room?

Whatever your building problem is, let us help you with:

1. Quality materials at reasonable prices.
2. Financing to fit both your budget and your building need.

We want to help you, no matter how small the job you have in mind might be.

R. E. Cox Lumber Co.

TCU Homecoming is set for Saturday

FORT WORTH — Climaxed by the 64th football battle with the Baylor Bears on Saturday afternoon, Texas Christian University's annual Homecoming will feature elaborate lighted displays on campus, the traditional bonfire, a score of class reunions and events this weekend.

The general public will be invited to many of the features, especially the "grand opening" on Friday night at 8 o'clock. Since it will also be Halloween, large crowds are expected for the bonfire.

Replacing the downtown parade of recent years, static "floats" will be built around the West Campus quadrangle by student organizations. They will remain on exhibit throughout Homecoming which ends Sunday night.

Farm Bureau slates 25th annual meeting

CORPUS CHRISTI — The silver anniversary convention of the state's largest general farm organization—the Texas Farm Bureau—will be held here Nov. 9-12.

More than 1,500 members and their families, including almost 800 official voting delegates from 196 organized counties, are expected to attend the 25th annual meeting of the rapidly-growing state Farm Bureau. Convention headquarters will be in the Nueces Hotel with general sessions in the Exposition Hall and special events such as queen contest and banquet in the Memorial Coliseum.

COUNTY FHA SUPERVISOR ANNOUNCES

Private lenders increasing stake in insured long-term farm loans

Local banks and other private lenders are increasing their stake in the Farmers Home Administration's program of long-term loans to qualified farmers to buy or improve family-type farms or establish good soil and water practices, Joseph E. Box, Farmers Home Administration county supervisor, pointed out this week.

His agency is authorized to insure farm real estate loans that are made from funds advanced by banks, insurance companies, or other institutions having funds to invest. Since the recent change in the money market, activity by investors has greatly increased.

During the past six months, the national monthly volume of new insured loan business has risen from approximately \$1,250,000 to \$5,000,000 a month.

For either a direct or insured loan the farmer pays 4 1/2 per cent interest. If the loan is insured, the lender or investor gets a clear 3 1/2 per cent and the government guarantees payment of both principal and interest.

The full guarantee and the money market change have put many local banks in position to contribute to a stronger local agriculture by helping farmers otherwise unable to buy or improve their farms, Box said.

After a five-year period the private lender may sell the insured note to the government or the amount of principal and interest due, may arrange for later sale, or may hold until the note is fully repaid. In case of default, the government stands ready to take the note over with no loss to the investor. The Farmers Home Administration takes care of all collection and servicing details.

Grain sorghum ranks second in crop value

STATION — Grain has taken a place of prominence in Texas agriculture. Sorghum production has been more than five times since a maximum production of 1.5 million bushels in 1957. The annual monetary value of sorghum in Texas since 1949 has exceeded only by cotton and wheat. Sorghum is used for poultry, swine and cattle. The grain contains 12 per cent protein, 1.5 per cent fat and 70 per cent carbohydrates, compares favorably with corn as a feed grain. The starch from the grain can be used for food products, adhesives and sizing for paper fabrics.

Sorghum is grown for grain on substantial acreage in about 135 Texas counties. Cultural practices are similar to those required by other row crops such as cotton and corn. The method of seedbed preparation and later cultivation depends largely on the soil, climate and kind of equipment available.

The Texas Agricultural Experiment Station has released a bulletin entitled "Grain Sorghum Production in Texas." This 35-page publication contains discussions on practically every phase of grain sorghum production. It may be obtained from the Agricultural Information Office, College Station, Texas. Ask for Bulletin 912.

Southland WSCS groups meet jointly for prayer program

WICHITA FALLS — Mrs. Wilson Baker, Mrs. Clyde Shaw has been ill for several days.

MR. AND MRS. H. W. Seals went to Plains Sunday to visit their son and family.

APPROXIMATELY 85 ATTEND

Justiceburg folks attend family reunion held at park in Snyder

By VIVIAN McWHIRT
The Towle Memorial Park in Snyder was the scene of a family reunion for the S. S. Bevers family recently. A get-together and food was served to approximately 85 people. Those present from Justiceburg were Mr. and Mrs. S. S. Bevers, Mr. and Mrs. Albert Bevers and family, and Mr. and Mrs. Sam Bevers Jr. and family. Other relatives attending were from Ropesville, Snyder, Post, Midland, Roscoe, Lubbock, Denver City, Big Spring, Brownfield, Seagraves, Kingsville, and Corpus Christi.

daughters were called to Mexico Thursday to attend the funeral of Mrs. Bruner's grandmother, Mrs. Emma Hall. They also visited his mother, Mrs. W. L. Bruner, of Kerens.

Mr. and Mrs. Sam Bevers Jr. entertained with a supper for relatives Friday evening.

Mr. and Mrs. Bud Schlehuber and Denise, and Mr. and Mrs. Harold Wiley of Snyder attended the Post-Floydada football game Friday night.

MR. AND Mrs. Jack Holladay of Ira and Mr. and Mrs. Ray Niedicken and family visited Mrs. Albert Bevers and boys recently. Dinner guests of Mr. and Mrs. Bud Schlehuber and family Sunday were Mr. and Mrs. Jim Boren and Barbara.

Sid Cross attended the Dallas State Fair recently.

Mrs. Jim Boren and Barbara visited in Snyder this past week with relatives.

Mr. and Mrs. J. J. Bevers, Miss Elsie Marie Millender and Miss Marjorie Gerdes left Monday for their homes in Kingsville and Corpus Christi. They have been visiting in the S. S. Bevers' home.

Mrs. Frances McWhirt, Danny and Robbie, and Mrs. Mary Cross were in Lubbock Tuesday.

The Justiceburg area has been having some good rain showers this past week.

MR. AND Mrs. Albert Bevers and family went to San Angelo Saturday.

Mr. and Mrs. R. C. Borer and daughter of Snyder visited Sunday night with Mr. and Mrs. Bud Schlehuber and family.

The men have returned from their deer hunt at Moah, Utah, and Albert Bevers got two deer. All of them reported a successful hunt.

Recent dinner guests of Mr. and Mrs. Jim Boren were her mother and sister from Snyder, Mrs. Cockrell and Betty.

Mr. and Mrs. Hershel Steelman and family visited Mr. and Mrs. Douglas McWhirt and family Saturday.

Albert Bevers attended the Masonic school at Ira Monday night. Mrs. B. A. Cross visited a few days recently with her son and family, Mr. and Mrs. Sid Cross.

SUNDAY GUESTS
Sunday afternoon guests in the home of Mr. and Mrs. Ira Farmer were Mr. and Mrs. Sonny McCrary of Odessa.

New Arrivals

Mr. and Mrs. Ed G. Sawyers announce the birth of a son, Dan Henderson, Oct. 26 in Garza Memorial Hospital. He weighed seven pounds six ounces.

Mr. and Mrs. A. J. McAlister are parents of a son born Oct. 21 in Garza Memorial Hospital. He was named Tracy Douglas and weighed six pounds.

Mr. and Mrs. Jose Soto are parents of a son, Jose Soto Jr., born in Garza Memorial Hospital Oct. 25 and weighing five pounds eight ounces.

Mr. and Mrs. Spencer Kuykendall announce the birth of a daughter, Penny Faye, born Oct. 26. She weighed seven pounds eight ounces and was born in Garza Memorial Hospital.

Mr. and Mrs. G. R. Rivera became parents of a daughter Oct. 23. She was born in Garza Memorial Hospital and weighed seven pounds seven 3/4 ounces.

CALLED TO HOBBS

Mr. and Mrs. Ralph Parsons and family of the Kalgary community were called to Hobbs, N. M., last week because of the illness and death of her father, Joe Gilmore. Several others from that area attended the funeral held in Hobbs last Friday.

SUNDAY GUESTS

Sunday guests of Mr. and Mrs. Herman Messer and family were Mr. and Mrs. John Coursey and children of Spur and Mr. and Mrs. Bill Mize and children of Justiceburg.

Children are a great deal more apt to follow your lead than the way you point.

Students learning foreign languages in TT laboratory

LUBBOCK — In a basement room below the president's office at Texas Tech, students are learning to hear and speak foreign languages in a laboratory that is quieter than most libraries.

The lab contains an electronic "Tower of Babel", established by the foreign languages department to aid students to acquire greater facility in speaking another tongue.

Seen while entering the new lab are signs saying "Ruhe", "Silence", "Silencio" and "Silentium" admonishing you to keep quiet in German, French, Spanish, and Latin — representing the languages taught at Tech.

Headed by Dr. Harley Oberhelman, the Foreign Languages Sound Laboratory is already proving to be a popular place for serious students of languages. The lab contains 20 individual audio tape machines and earphone sets for listening and nine tape recorders to aid in perfecting pronunciation.

"In this lab, students have two ways available to them to aid in language studies," Oberhelman said. "They may listen to material recorded on tape which is correlated with class work. Or, they may listen to drill exercises and questions and record their own answers on the same tape."

While students are not required to use the lab and no grade is given for doing so, more than 200 students used the new facility a total of 164 hours during the first week of operation.

WEEKEND IN SLATON

Mrs. George Hester and children spent the weekend in Slaton as guests of her parents, Mr. and Mrs. J. E. Short.

A NEW Banking Service For This Growing Area

BEGINNING NOVEMBER 1

The First National Bank Will Open A SAVINGS DEPARTMENT

Paying 2 1/2 PER CENT INTEREST

On All Savings Accounts

"In keeping with the bank's policy of offering this community and its trade territory every service rendered by any other bank, effective Saturday, Nov. 1, the First National Bank of Post will open a savings department paying 2 1/2% interest on all savings accounts."

"The First National Bank wants to assure its customers that it will offer every banking service in keeping with the needs of the large and growing area it serves."

"The savings department is another step forward in the bank's policy of better community service. Such a department will encourage thrift habits among both the youngsters and the oldsters and enables the depositor to put money aside regularly for a family goal or the proverbial 'rainy day.'"

"Plan now to open your savings account with us soon."

IRBY G. METCALF, JR.
President

FIRST NATIONAL BANK

"Small Enough To Be Friendly, Large Enough To Serve Your Every Banking Need"
