If you were over at the courthouse yesterday you probably are wondering today about some phases of the farm surplus commodity program. When welfare clients lined up for the first distribution of surplus commodities in Garza County since depression days they were handed out some 350 pounds of creamery butter—a food item most folks feel they can no longer afford. It was bought by the government to protect butter prices. Doesn't make sense does it—welfare clients eating butter.

Shell Oil Company doesn't have any drilling under way right now in Garza County, but that doesn't mean that deep drilling — aiming at the Ellenburger and Pennsylvanian continuing. One oil man yesterday counted up on his fingers seven rigs which are running on new deep testing in the southern part of the county. Three are for General American, and one each for Southern American, Southern Minerals, U. S. Smelting (Sims No. 1) and the Hammond.

The Postex Mill has purchased some softball equipment for employees and Lee Ward reports that "at least for a couple of weeks" some of the fellows are going to try to have some fun and get some exercise at the same time. Lee refuses to predict how much longer the softball players might last.

Bob Collier by being elected head of the West Texas druggists and Irby Metcalf by being named vice president of the South Plains bankers have brought two more honors back to Post with them this week. Such honors prove that both are gaining deserved recognition in their respective fields.

Some question still remains as to how much fishing was done—or how good the fishing was—but some 13 or 14 Post and Garza County men are back this week from a spring fishing trip together which everyone appeared to have enjoyed. The group rented a bunkhouse on the Umberto Garza Ranch on the San Diego River in Old Mexico. Among those taking part for varying lengths of time between last Wednesday and Sunday were Deputy Sheriff Red Floyd, Irby G. Metcalf, Jr., Dr. A. C. Surman, James Minor, Cy Thaxton, Dee Coleman, Mayor Powell Shytles, Walter Duckworth. See POSTINGS, Page 8

Go ahead given on school remodeling

Post Independent School District trustees gave architects the go ahead Thursday noon to draw up plans and specifications and estimated cost on the remodeling of the present high school auditorium into six classrooms with an assembly room above. The project is the first step in the major remodeling of the building into a junior high school. Trustees held a special session on the plans last Thursday noon in the school lunchroom. Remodeling of the auditorium is being pushed for the summer vacation months so the added classrooms will be ready for bulging school enrollments next fall.

Capacity of bleachery at Postex Mills is doubled

Another major expansion at the Postex Cotton Mills will go into operation Monday when new stainless steel bleachery equipment is scheduled to be started up for the first time. Lee Ward, mill superintendent, said the new equipment being installed this week, will double the "bleachery capacity" of the mills and relieve an operational bottleneck. In the bleachery the brown cotton cloth is bleached to white. Ward explained that present bleachery equipment has been

operated around the clock for 23 straight days without stopping in an effort to bleach enough cloth for full sewing room operations. The mill superintendent also announced that the sewing room, which was shutdown from Friday noon until Tuesday morning, has been forced into a four-day week operation for about the next three weeks due to a shortage of cloth, not due to any slackening of orders to the mill. Ward said the mill recently had to ship all its available brown cloth to Pepperell, Ala., for dye-

ing so that it could meet its commitments for colored cloth orders on time and that it would take some time for the cloth to be returned. "We need to be sewing full time and this will put us behind our orders," Ward said, "but it can't be helped." Ward explained that the Postex Mills here make only a third of the total yards of cloth which go through the sewing room and finishing plant. Mills at Sherman, Tex., and High Shoals, N. C., weave two-

thirds of the brown cloth used here. A storeroom in the remodeled office section of the Postex Mill has been remodeled again to provide an office and bunkhouse and shower space for the Burlington Industries truck terminal. Burlington Industries, of which Postex is a part, operates its own trucking fleet of diesel truck from east coast to west coast, hauling only its own products and materials. A terminal for the truckers was See POSTEX MILLS, Page 8

'59 construction here will top million mark

Post, in the midst of a residential building boom, appears headed for the biggest construction year in the town's 51-year history. Construction permits should zoom well over the million dollar mark before Christmas.

Building permits to date total \$290,405, according to a total run up yesterday in city hall. Major building items coming up include the new high school building, major remodeling of the present high school building as soon as school is out, a new home on West Main for the First National Bank, and a new medical clinic building.

Post woman critically injured in accident

Mrs. Ann Gore, 34, wife of Ola Gore, was critically injured Tuesday morning in an automobile accident at Bethany, Okla., while en route with her family to Oklahoma City to attend funeral services for her brother.

sign, hitting the Gore car and turning it over several times. She was uninjured. Mr. and Mrs. Claud Collier of Caprock Chevrolet flew to Oklahoma City Tuesday afternoon and returned last night, bringing three of the four Gore children with them, Ola Jr., Gale and Kay. They will stay with the Colliers and return to school. The youngest child, Linda, 5, will remain in Oklahoma with relatives of the Gores.

The next regular meeting of the Post Sewing Club will be Friday, April 24, at 8 o'clock in the home of Mrs. Eva Bailey.

SOMEBODY'S MAD AT 'LAW'

City Marshal Otis G. First Class Scout awards were presented to four members of Boy Scout Troop 16 at a Court of Honor held Monday night at the Boy Scout Hall.

Victor Hudman presented the first class awards to Charles Brandon, Curtis Hudman, Ricky Little, and Raymond Shaw.

Man found guilty in stabbing case

Frank Morris, Negro, paid fine and costs of \$20.65 in Justice of the Peace D. C. Roberts court this week after being found guilty of simple assault.

Judge Roberts found him guilty of stabbing Ullis Vieks, another Negro, in the shoulder with a knife Sunday afternoon in "the flats" area. Vieks, also arrested, was charged with drunkenness. Other charges filed in the Justice of the Peace court in the last few days include: D. Charis, April 19, drunkenness; George Irvin, April 19, drunkenness, \$24.85 fine and costs; J. W. Green, April 19, drunkenness, \$24.65 fine and costs; E. B. McKnight, April 19, no valid inspection sticker; B. J. Baker, April 18, no valid inspection sticker; J. C. Booger, April 13, drunkenness.

Progress is seen on water project

White River municipal water district held their April session at Spur last Thursday night and busied themselves with setting up a monthly timetable for getting all the details worked out on the \$3,900,000 federal loan. Tom Bouchier, board chairman, reported that work is progressing on developing the necessary contracts with oil companies for surplus water. The required city elections in the towns of Post, Ralls, Spur, and Crosbyton won't come until after the water contracts are signed with the oil firms. Directors are planning to get busy and complete necessary preliminary right-of-way planning.

Connell well is new discovery

The Sunland Oil Corporation et al of Fort Worth has completed its No. 1 A, B, Connell as a San Andres discovery, one and one-half miles northwest of the Rocker A multiphase pool in southern Garza County. The well pumped 102 barrels of oil per day through perforations at 2,770 to 2,777 feet, after being acidized with 1,500 gallons. The producer is a mile north, northwest of a depleted San Andres producer and separated from the Rocker A area by several failures.

Bookmobile visits 5 Garza communities

The Texas state bookmobile visited five Garza County communities Tuesday with 27 books checked out at Justiceburg, 18 at Close City, 16 at Graham, 45 at Pleasant Valley, and 112 at Southland. The bookmobile also picked up five new registrations at Graham, two at Close City, one at Justiceburg, 12 at Southland, and one at Pleasant Valley.

Brothers badly hurt in wreck

Four Post High School youths were injured, two seriously, about 4:30 Sunday afternoon when the pickup truck in which they were riding overturned two or more times on highway 380 just east of town.

mine the extent of Wayne's injuries. The youth was to have run the mile in the regional track meet at Lubbock this weekend.

Seriously injured were two brothers, Wayne Hair, 18, and Floyd Hair, 15, sons of Mr. and Mrs. S. W. Hair.

.40 inch of rain received in two weekend showers

Wayne received a fractured skull, numerous scalp and facial lacerations, and a possible broken jaw and pelvic fracture. Floyd suffered a broken neck.

Post received another .40 inch of moisture in two spring showers last weekend, but County Agent Lewis Herron declares more rain will be needed before cotton planting time.

Both are in Garza Memorial Hospital. The other two youths in the car were Gary Howell, the driver, son of Mr. and Mrs. Conner Howell, who was treated and released at the hospital and who had a pulled leg ligament; and Kenneth Williams, 16, son of Mr. and Mrs. Charley Williams, who was cut and bruised.

Official measurements here were .23 inch of moisture for last Thursday's shower and .17 inch Saturday morning. Cotton planting is expected to get under way about the last of the month on irrigated land if the weather turns warm and stays there to warm up the ground.

City Marshal Otis G. Shepherd Jr., who investigated the accident said he was told the pickup truck in which the four were riding and a car containing ten girls were "whipping from one side to the other" of the highway while traveling at a high rate of speed approaching Post.

Providing rainfall is plentiful—and that's a big if in West Texas—cotton planting on dry land will get under way in May. Stock pond water is still low, Herron said.

The officer said he was told that Howell "hit the brakes" to avoid hitting the car containing the girls and lost control of the truck.

Shepherd said the truck skidded 267 feet from the point where the brakes were applied. The truck, according to some, rolled over two or more times. None of the four youths were thrown from the cab.

Floyd, who suffered the broken neck, crawled out and walked around and thought he had only a "crick" in his neck. X-rays have been taken to deter-

March of Dimes raises \$2,268

Net receipts for the Garza County March of Dimes campaign this year totaled \$2,268.86, Harold Lucas, drive chairman, announced today.

Lucas' final report on the campaign showed receipts including \$76 in individual gifts, \$412.23 in club and organizational gifts, \$130 in school collections, \$642.87 in Mother's March, \$240.41 in coin collector contributions, and \$824.35 from special events staged by Graham chapel, Justiceburg, Graustburg, and Verbena.

Directors are planning to get busy and complete necessary preliminary right-of-way planning.

Lucas said he wanted to express his thanks to the many persons who contributed their time and efforts to make the 1959 drive such a success.

The people have spoken

A lot of people were surprised at a lot of other people a couple of weeks ago when the "straw vote" on the police force carried by a single vote.

The threat of a 33 per cent tax levy boost if a police force were activated figured to scare all but the most hardy away.

The question now is what is the council going to do about the proposition.

Certainly it would be most economical if some cooperation could be worked out between the city and the county on the law enforcement problem.

A two-man city night-time force with one car could do a pretty good job of night-time protection, at the time when protection is most needed.

The county sheriff's force could handle any daytime law enforcing around town in return for getting some sleep each night.

With one officer and one police car now

available, that would mean only adding one additional officer to the staff.

That man should be an experienced lawman, well versed in investigation, and the other important points of good police work.

The city-county would also need to get together and hire a night-time sheriff's radio operator. This would establish that vital communications link between the citizen and "the law" around the clock.

A telephone call to the sheriff's office at any hour of the day or night, followed up by a radio call to the patrol car, and officers could be where they were needed within seconds.

This is a sensible police plan which wouldn't cost any tremendous increase in taxes and which would give full value return in "law enforcement" for the dollars spent.

Public opinion here today is for more law enforcement. Let's work it out.—JC

Dial phones not far away

General Telephone is now proposing dial phones for Post. The utility firm isn't dillying and dallying around. It appears to be ready to get down to business with the city council and work out a sensible solution.

Obviously, General Telephone waited until the new city administration was on the job before making this new move.

The utility has dropped its former plan of interim rates.

A dial system here means an unattended dial, which isn't, of course, what the folks would prefer. But the handling of local calls through Lubbock certainly seems to be an improvement over the earlier probability of Tahoka operator service.

Both General Telephone and the city stand to gain from dial phone installation in the long run. For the community it would mean a more efficient phone service, as the present system in operation here is really antiquated and thus in many ways inefficient.

For General Telephone a new dial system

would be a money saver in operating costs in return for the large new investment.

Faced with the necessity to either install dials or continually expand the present phone system to keep pace with community growth, General Telephone is proposing conversion to dial at no great financial strain.

For the residential user it would mean only 50 cents more on the phone bill each month.

The council has yet to study the company's dial proposal, but even at this early date the obvious conclusion is that General Telephone is making a much better rate proposition than ever before.

Into any new dial agreement ordinance, of course, should be written a solid performance clause with adequate enforcement provisions. We are sure the present city council wouldn't consider any dial proposition without it, in view of General Telephone's quite recent successful "squeeze" play for a rate hike by refusing to connect any new customers.—JC

Cotton Week isn't so far away either

National Cotton Week next month isn't so far away.

Last year's Chamber of Commerce sponsored Cotton Week was a good start toward the promotion of this region's leading agriculture product.

The Chamber this year is planning another Cotton Week event, and it should, of course, have some new "wrinkles" over last year's starter.

We hear the Chamber already is hard at work on the promotion.

Local merchants should look around their

stores at their cotton products and be prepared to tie in with Cotton Week with some real Cotton Week specials featuring cotton goods of one kind or another.

Almost every store has some somewhere that can be displayed and featured.

Some individual Cotton Week promotions also would help stir up interest.

The point to make here is that Cotton Week is almost here—and now is the time to start completing our plans for Post's second successful Cotton Week.—JC

Medical, hospital growth cited

Garza County can well be proud of its medical and hospital growth.

Post now has five physicians to serve this community and the surrounding farm and ranch area.

Its new Garza County Memorial Hospital at last is operating in the black ink. That is no easy feat and indicates that the hospital here is gaining steadily in general acceptance.

In fact there was a hint the other day that

if the growth of hospital use continues, the problem in the not-too-distant future will be one of adding on additional hospital facilities.

That is the worthwhile price of progress and community growth. It is something to start thinking about. And in mulling it over, let's consider the fact, too, that Post is now able to offer more and better medical care to the folks of this area than ever before.—JC

What our contemporaries are saying

George Dolan's takeoff on the State Highway Department's neat, sneaky way of clipping a few days every two years from driving license time of all automobile drivers in the state, reveals something that most every writer knew about and intended to mention, but didn't. When the date for license renewal nears, the license holder gets a notice. To be sure he doesn't forget, the automobile owner gets off a check promptly, also he gets back a license renewal, which is dated

the day it is issued, sometimes a couple of weeks before the actual date of expiration. Clip six to ten days off a million licenses and you've made a neat profit, besides saving the time needed to hunt up the correct date. At that, a lot of us are glad to lose eight days off our permit time in preference to taking a written examination and a driving test! We should add that the quip doesn't absolve the clip.—The Floyd County Hesperian.

THURSDAY to THURSDAY

By CHARLES DIDWAY

THESE ARE getting to be busy weeks out at the schools. They always are for a month or a month and a half before the end of the term. From the time of the junior-senior banquet on until graduation night, the pace gets dizzier and dizzier—not only for the students and teachers, but also for the parents.

Since Jim Cornish, Ruby Williams and Joan Stewart wrote all the news in last week's Dispatch, we got more enjoyment than usual out of reading the paper. As you read in "Postings" last week, we were tied up in the back shop and all the news we wrote was over the weekend.

THIS WEEK the situation remains unchanged and "Thursday to Thursday" is about all we're writing, and we're pecking it out at home. Jim offered to write it for us, but we once heard of a fellow who oozed himself right out of a job by letting others do all his work for a week or two. The moral is: Try to keep your fellow workers from finding out they can get along without you.

The story we enjoyed most in last week's Dispatch was the one about the prehistoric elephant remains found in Lynn County. While reading it we made a mental note to inform some of the amateur archaeologists hereabouts that Charlie Henderson once told us of a petrified whale somewhere over in Kent County.

CHARLIE IS almost past going now, but at one time he was considered one of the best geologists in this part of the country. If the members of the local archaeological chapter are interested in Charlie's story, they ought to call on him. He is still interested in such things and will talk your ear off about them if you have time to listen.

Garza County high school athletes will be there in numbers Friday and Saturday at the regional track and field meet in Lubbock. Post has qualified entrants in 11 events, and the Southland Eagles also qualified a large number by winning the team championship in the District 7-B track and field meet held last week.

ON THE SAME subject, two or three members of the Post Antelope track and field team broke all sorts of "records" a few days ago, but they weren't the kind of records one breaks in competition. One of the boys had a hundred or so old phonograph records he wanted to get rid of, so he and a couple of friends went down to South Lake and spent an hour or two sailing the records out over the waters.

Sign in a Restaurant: "Use Your Fingers. Emily Post Doesn't Eat Here Anyway."

OUR WIFE ASKED a good question the other day. Looking at our battered felt hat, she wanted to know, "When is Straw Hat Day?" We hadn't thought of it until then, but it shouldn't be far off.

We listened in the other day on a couple of old-timers talking about poker, and one asked the other if he knew what kind of a hand is a "dead man's hand." The one asked, said he didn't, so the smart one told him that a dead man's hand consists of a pair of aces and a pair of eights. He said it is called that from the report that Wild Bill Hickok held such a hand at the time he was shot by Jack McCall during a card game in Deadwood, S. D., in 1876.

The third grade teacher carefully explained that a group of sheep is a flock, and a group of quail is a covey. Then she asked for the names of groups of other animals.

When she came to camels, a child in the back of the room timidly suggested, "a carton."

HD agent lists landscape hints

By JESSIE PEARCE

Our landscape specialist has reminded us that the fancy-leaved caladiums we are accustomed to seeing in indoor planters can also be used to brighten up summer gardens.

The recommended varieties for outdoor planting, ranging in color from snow white with green to deep red with green, include: Candidum, Lord Derby, Crimson Wave, Porcile Auglais, Red Ensign, Spangled Banner and Thomas Tominson.

The elephantear (colocasia esculenta) is easily grown outside. If heavily mulched it will survive winters in central Texas. The large green leaves make a pleasing contrast with the texture of most shrubs.

Information on planting and insect control can be gotten from a leaflet that I have in the office "Caladiums add Color to Home and Garden". If you wish a copy of this bulletin, just write my office and request it.

I have some other new publications on gardening that may be of interest to many gardeners. One of them is "Spring Flowering Bulbs". This is a U. S. Department of Agriculture publication that gives information on selection, planting, and care of bulbs as well as care after blooming and storage of the bulbs. Information is also given in this bulletin on varieties. I know that it is too late to plant these bulbs this year, but care of them is necessary now to insure their blooming and storage will insure bulbs for planting next fall.

I also have copies of a publication on Daylilies that many of

Tahoka enjoying big 1959 building boom

TAHOKA — Tahoka currently is in the midst of its biggest building boom in many years.

Since the first of the year building permits totaling \$479,500 have been issued by the city. This does not include about \$50,000 in construction just outside the city limits.

Included in the total are 13 new homes, one new business building, a new gin plant and a new gymnasium.

IN DALLAS HOSPITAL

Gary Dan Bilbo, 20-month old son of Mr. and Mrs. Virgil Bilbo of Post, was admitted April 19 to the Scottish Rite Hospital for Crippled Children in Dallas. Texas Scottish Rite Masons founded the hospital thirty-five years ago in an effort to provide a chance at a normal life for the handicapped child. The hospital, which has accepted more than 100,000 children for treatment since 1925, is supported by public contributions and bequests.

WEEKEND GUESTS

Mr. and Mrs. Mitchell Malouf Jr. and family of Big Spring were weekend guests in the home of his parents, Mr. and Mrs. Mitchell Malouf, Mitchell III and Melinda will remain for an extended visit. Another grandchild, Emmet Malouf of Lubbock, is also visiting in the home of his grandparents.

Another new bulletin that I have in the office is on chemical weed control in lawns.

Anyone wishing these bulletins can contact my office and I will be glad to send them, or you may come by the office and pick up a copy.

Bible Thoughts
"We Believe the Bible"

by RONNIE PARKER

The Bible has, indeed, been an anvil on which many a hammer has absolutely been worn out. Critics and enemies have tried continually to destroy it.

The Bible is God's book and will never be destroyed. We believe it. We have reason to believe it. One reason is that it is a UNIQUE book. It is among the oldest books in all the world. The Bible records events from the beginning of creation down to the year 96 A. D. Many of the things reported in the Bible transpired long before the pyramids were built along the River Nile. The songs of David and Solomon had been sung before the great classic poet of Greece had given the account of the Trojan War. Many of the books in the Bible were completed before the first public library was built in old, historic Athens.

All the prophets, from Isaiah to Malachi, had given us a vision of future events and had passed away before the philosophies of Socrates, Plato, and Aristotle were announced.

Two thousand years have passed since the Holy Spirit laid down the pen of inspiration to grasp it nevermore and yet it is strange to say that the Bible is just as applicable to the people of this hour as it was to those of the first century. The Bible is for you. Believe it.

WE WOULD LIKE FOR YOU TO STUDY THE BIBLE WITH US AT THE CHURCH OF CHRIST

In this Kingswood, every window is Safety Plate Glass.

Nicest wagon that ever joined your family!

Chevy's station wagons should really be called family wagons. You can choose from five models, including the four-door, nine-passenger Kingswood, with its rear-facing rear seat.

Here's a brisk and breezy wagon that'll take on any chore you name, from a trip to the beach to a journey

home from the lumberyard. There's room, you see, for a whole half-ton of cargo—a space ten feet long, with the rear seat and tailgate down.

These wagons are easy to load, too—you just roll the rear window into the tailgate and flip it down flat. No liftgate to wrestle with.

Chevrolet's so easy to handle it's a natural for the lady of the house. Big, safer brakes, too. Chevy's even

got bigger tires—they come as standard equipment on every one of our wagons. But why not fall in love with a Chevy firsthand—at your Chevrolet dealer's!

The car that's wanted for all its worth!

Post represented Thursday at District 2 HD meeting

Garza County was represented by three delegates, Mrs. Carl Payton, Mrs. Wilson D. Williams, and Mrs. Herman Kolb; a visitor, Mrs. Robert Mock, and agent Miss Jessie Pearce at the annual meeting of the District 2 Home Demonstration Club last Thursday in Plainview.

"Education in home and family living demands a new look at a new world", Dr. Willa Vaughn Tinsley, Dean of Home Economics at Texas Tech, told the ladies at their annual meeting. She told us that there is now more opportunity for choice, more things to buy, and more money to buy with. At present, Dr. Tinsley says, Home Economics exists only as it relates to the needs and interests of families.

Mrs. O. D. Kennedy, Brownfield, vice president of District 2 presided at the meeting. Approximately 500 ladies, representing 20 South Plains counties attended this meeting at the Wayland College auditorium.

Other key speakers were Mrs. Bess Rothman, Charm Consultant and Lecturer, of Chicago, who said "Any woman can do beautiful—its' what you do with what you

have that makes a difference". Mrs. Geo. Hackney, Jr., Greenville, Treasurer of Texas Home Demonstration Association, brought a message from the State Board.

Dr. Cecil Cosper, Dean of Wayland College, gave devotional thoughts on the days theme, "Forward together with God". Welcome was extended by Charley Young, from the Plainview Chamber of Commerce, and Mrs. Mickey Means of Borden County gave the response.

Lunch was served at the College Heights Baptist Church through the courtesy of the Hale County Farm Bureau and the Plainview Co-op Compress.

Following the luncheon, the group was entertained by the Wayland International Choir. A

clever skit, entitled "This is Your Life" presented Mrs. Home Demonstration in the various activities and accomplishments of club work. This was based on reports of work from each county.

Mrs. Bayne McCurry, THDA Chairman, of Lamb County, gave a summary of the meeting, followed by the benediction by Mrs. C. R. Burkley, vice president of District 2.

Special guests were Miss Gladys Martin, State Home Demonstration Agent, College Station; Miss Roberts Campbells, editor of Messenger, and Mrs. T. J. Parsons, vice president, District 1, both of Hereford; Miss Katherine Randall, Womens Editor of Farmer Stockman, and Mrs. Aubrey W. Russell, District Agent of District 2.

B&PW Club elects officers Thursday

Officers were elected when members of the Post Business and Professional Women's Club met last Thursday evening at the City Hall. Mrs. Katharine Trammell was elected president and Miss Maxine Durrett vice president. Others elected to office were Miss Wilma Pirtle recording secretary; Mrs. Ruby M. Williams corresponding secretary and Miss Jessie Pearce treasurer.

During the business session, presided over by Mrs. Ruth Young, president, plans were discussed for the Public Affairs Banquet sponsored by the group to be held Thursday, April 30. Tickets are now on sale by members of the club.

Mrs. Helen Taylor was in charge of the program. She gave a classification of her job in the laboratory of Postex Cotton Mills.

Miss Charlotte Taylor presented two cornet solos to highlight the program.

Women of the Church of God of Prophecy served dinner to the group and tables carried out a spring motif in decorations. Attending were: Mrs. Ruth Young, Mrs. Clara Campbell, Miss Nora Stevens, Miss Wilma Pirtle, Mrs. Fritz Greenfield, Mrs. Helen Taylor, Miss Maxine Durrett, Mrs. Eleanor Webb, Mrs. Winnie Tuffing and Mrs. Katharine Trammell.

Baptist TU officers plan May programs

Officers of the Training Union Department of the First Baptist Church met Sunday afternoon at the church where they planned the coming month's TU program and schedule of events.

Following the business meeting, a sandwich supper was served.

Arizona was admitted as a state on Feb. 14, 1912.

Postscripts

Mrs. V. L. Peel entertained members of the Lucky 13 Bridge Club at her home at 903 West 7th last Wednesday with an afternoon of bridge. Mrs. Bob Collier took the prize for bingo, Mrs. George Miller the "high" prize, and Mrs. Kay Kirkpatrick was the high scoring guest. Others attending were Mmes. Malcolm Bull, Leo Acker, Jack Brown, Wallace Simpson, Burton Hill, Bill Cates, Jack Henderson, Jimmy Hundley and Mrs. Pat Taylor, a guest. A green and white color theme was carried out in decorations.

Ten members of the local chapter of the Order of the Eastern Star and Worthy Patron Darrell Stone were among the many South Plains OES members attending the OES School of Instructions in Lubbock Saturday. Attending from Post were Mmes. J. D. McCampbell, Tom Hagood, R. B. Dodson, L. G. Thuet Jr., Malcolm Bull, Edsel Cross, L. G. Thuet Sr., C. R. Wilson, Will Wright, Noah Stone, and the Worthy Patron.

Included in the schedule of events for the coming week for Post women are: the Monday evening meeting of Beta Sigma Phi Sorority for a program on "Modeling"; the Tuesday afternoon meeting of the Amity Study Club, where a program on "Our Need for Better Schools" will be presented, and highlighting the week will be the Public Affairs Banquet, sponsored by the B&PW Club, Thursday evening. The banquet, however, is also for the men, and Dr. Willa Vaughn Tinsley, Texas Tech, Lubbock, will be guest speaker.

Mrs. Winnie Tuffing talks at senior breakfast Wednesday

A "travel talk" was combined with a graduation theme Wednesday morning for a breakfast honoring 1959 seniors of Post High School. The breakfast, an annual affair, was sponsored by the Women's Society of Christian Service of the First Methodist Church.

Place cards were miniature "graduates" in caps and gowns, and red rose arrangements were used to complete the decor of the Fellowship Hall.

Following the breakfast, special guests Mrs. G. E. Fleming and Frank Krhut, class sponsors; Mrs. Boy Hart, Mrs. Chester Morris, Mrs. Paul Jones, and Mrs. Jack Brown, room mothers; R. T. Smith, PHS school superintendent, and Glenn Whittenberg, principal were presented.

Mrs. T. L. Jones was mistress of ceremonies. Mrs. R. A. Moore, WSCS president, gave the welcoming address and Victor Hudman, senior class president, gave the response.

A prayer of dedication was offered by the Rev. Eugene Matthews, after which Miss Peggy Butler sang "Graduation Day" accompanied by Miss Karen Potts.

The highlight of the morning was a "Travel Talk" by Mrs. Winnie Tuffing. Mrs. Tuffing, attired in the colorful native dress of the South Americans, told of her trip to Bolivia, South America. She discussed the customs of the people and the religions of the country, telling what she considered the most interesting events of the trip.

In Cochachamba, 5,000 miles from Post, Mrs. Tuffing went to visit a mission and there met Mr. and Mrs. Marshall Dixon and learned Mrs. Dixon is a friend of Miss Jessie Pearce of Post.

The 60 guests were dismissed with good wishes and by singing the school song, "High Over the Fields of Battle".

CIRCLE MEETS

The Monday Circle of the First Methodist Church met last week for a continuation of the study on Isaiah, which is being taught by Rev. Eugene Matthews, pastor. The study will be concluded April 27.

Public Affairs Banquet set for Thursday; Dr. Tinsley speaker

Dr. Willa Vaughn Tinsley, Dean of the School of Economics at Texas Tech, Lubbock, will be guest speaker for the evening. The Public Affairs Banquet Thursday evening, April 30, at the City Hall. The banquet is sponsored by the Post Business and Professional Women's Club. Dr. Tinsley's subject for the night will be, "Women in Today's World".

The banquet is an annual affair for B&PW groups over the district and this will be the second for Post since the local club was organized. Purpose of the event is to acquaint the public with B&PW work. Tickets are now on sale and the time of the banquet is set for 7:30 p.m. Mrs. Katharine Trammell is

Church groups in tacky party

The event of the season for the district and Married Young People's Training Union Department was a recent "tacky" party and supper held at the First Baptist Church.

"Anything Goes" was the theme carried out by Mrs. Herman Raphael, social director, with Christmas, Easter, Halloween, and other holiday decorations adorning the walls of the party room.

Mrs. Arnold Parrish and Mrs. Robert Baker provided games and prizes for entertainment and Mrs. May was winner in the division of having the best costume. His prize was a plastic bag of moth balls.

First place in the women's group was awarded Mrs. W. C. Coffey Jr., with her prize being "you always charm others". Guests for the occasion included

Mrs. L. G. Thuet Jr., Mrs. Robert Baker, Mrs. Arnold Parrish, Mrs. Walter Johnson, Mrs. James Matthews, Mrs. Herman Raphael, Mrs. C. B. Hogue, Mr. Glenn Norman, Mr. Bob Miller, Mr. and Mrs. Turman Irwin, Mr. and Mrs. Windham, Mr. and Mrs. Mallard, Mr. and Mrs. John Ray, Mr. and Mrs. Ray Henderson, Mr. and Mrs. W. C. Officers elected for Garden Club

Officers were elected for the new club year when members of the Green Thumb Garden Club met last Thursday evening at the home of Mrs. Walter Johnson. Members of the nominating committee, Mrs. Sid Cross, Mrs. Lester Nichols and Mrs. Herman Raphael, presented a list of nominees for officers and the group voted to elect the following: Mrs. J. B. Potts, president; Mrs. Donald Winham, vice president, and Mrs. Lester Nichols secretary.

Mrs. James Pollard was in charge of a program entitled, "Verbenias". Refreshments of open face sandwiches, cake and coffee were served to the following:

Mmes. L. C. Herron, Hansford Hudman, N. R. King, Max Gordon, Windham, Pollard, Bob Meisch, M. L. Pierce, Ralph Welch Johnson.

Mrs. Welch will be hostess for the May 20 meeting of the club at which the new officers will be installed.

and Mrs. Tom Power program chairman for the 1959-60 school year.

Mrs. Sid Cross, out-going Post president, was elected vice president for the district of Garza, Crosby and Floyd counties at last Tuesday's district conference in Plainview. Others attending the conference from Post were Mr. and Mrs. R. T. Smith and Mrs. Herman Raphael.

Out-going officers of the Post P-TA are Mrs. Cross, president; Mrs. James Minor, vice president; Mrs. Dick Allen, recording secretary; Mrs. David Newby, treasurer, and Mrs. Noia Brister, program chairman.

Following the election of officers, Band Director Bob Meisch presented members of the sixth grade band who in turn played several selections for the group of parents and teachers present.

Mrs. Ellis presides at Golden Age Club

Mrs. G. D. Ellis, president, presided over a brief business session when members of the Golden Age Club met last Thursday at the annex of the First Christian Church.

Mrs. E. E. Pierce accompanied the group at the piano for a song service and the afternoon was spent playing "42" and "84" following a plate luncheon.

Fourteen members were present.

"Your Credit Is Good"

About your health

Since 1954, when there were 3,037 cases of polio, Texas has seen a gradual decline in the number of polio cases. Credit for the decline is generally attributed to the advent of the Salk vaccine.

Last year there were only 610 cases of paralytic and non-paralytic polio reported to the Communicable Disease Control Division of the Texas State Department of Health.

The sad fact of the matter is that 76 per cent of the paralytic polio cases occurred in persons who had not received any of the Salk inoculations.

Equally shocking is the fact that almost nine out of ten of the paralytic polio cases had not completed the basic series of three prescribed shots of the anti-polio vaccine.

A large segment of the school age children and young adults have taken advantage of the protection afforded by three-shot series.

However, many older people have been lax. But worse still is the number of families who have neglected to have their pre-school age children inoculated.

Last year, 65 per cent of the cases of paralytic polio struck at small children in the birth-to-four age group.

These victims couldn't do anything about receiving the Salk shots themselves.

The burden of responsibility falls on those parents with pre-school age children who either don't care, don't know or don't believe that paralytic polio is still striking down victims — mostly tiny children.

A steady decline in all forms of polio has been the reward received from the thousands of dollars spent for research to develop the Salk vaccine.

So much so has been the success of the vaccine that the principal private foundation which sponsored its development has shifted its activities of research to other diseases. There could be no better commentary than that.

But even more important are the thousands of victims who have been spared the pain, heartache and crippling after effects of paralytic polio.

Summer is coming with its usual rise in the number of polio cases. See your physician immediately so that he may start the series of three shots as soon as possible.

And by all means have your pre-school age children protected.

"TODOS BIENVENIDOS"

(Church located on Northeast side of town on Spur highway)

The Door of God's House

This old door, cracked and paint peeled, might well be the door of any small church throughout our vast land. The people that worship here perhaps are not able at this time to apply a costly coat of paint or do an extensive repair job. However, they are not ashamed of its weatherbeaten or well-worn appearance. Far from it, they are proud that it has stood always unlocked and sometimes open through a rainy day or stormy night ready to let all enter who seek refuge and comfort. Its hinges are loose; not from oversight but from overwork. Its old knob is shiny by the continual turning of humble hands. Wherever your church affiliation may be...from the smallest of wooden buildings to the loftiest cathedral, the door of God's house is always open to you. Go this Sunday! Remember, the church needs you; but more importantly...you need your church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Boy injured in unique 3-car collision here

Jerry Don Smith, 5, suffered a v-shape scalp laceration which required 20 stitches to close in an unusual three-car collision here late Friday afternoon.

The boy was injured when the 1951 Ford driven by his mother, Mrs. Edna Bruton Smith crashed into the back of a 1959 Buick driven by Eugene Debbs Throck-

morton about 5:15 p. m. just east of the Santa Fe tracks on East Main street.

The collision's impact knocked the Buick into the rear of a 1955 Oldsmobile driven by Mrs. Partlow.

Both the Partlow and Throckmorton cars had slowed to turn into the parking lot of the K&K Food Mart when the collision occurred.

The Buick in the middle suffered the greatest amount of damage—but the Smith car was also badly damaged. Mrs. Smith had two other of her children with her in the car but they were not injured.

The accident was investigated by Sheriff Carl Rains and City Marshal Otis G. Shepherd, Jr.

Insurance agent receives award

Jim Sexton of Sexton Insurance Agency, representing Houston Fire and Casualty Insurance Company in Post, has received the company's silver anniversary award from Leon Fouts of the Fort Worth home offices and Kenneth Huey special field representative.

The award was presented to Sexton on behalf of the entire Houston Fire and Casualty organization at ceremonies in the Sexton Insurance Agency. Upon making the presentation, Fouts said: "It gives me great pleasure to present this award of appreciation to the Sexton Insurance Agency. These men are highest quality insurance men who are a tribute to our company and the industry. We congratulate them."

Houston Fire and Casualty operates in 31 states and has a force of 1,100 agents. President of the firm is J. M. Ferguson, Jr.

Site staked for deep wildcat

Deep drilling in Garza County is beginning to spread out of the ranch areas in the southwest and eastern parts of the county.

A new wildcat deep test has been announced by Sinclair Oil and Gas Co. It will be an 8,400 foot exploratory to be dug in the central portion of the county about six miles southeast of Post on a 640 acre lease.

Designated the No. 1 Lotte Stoker, the wildcat spots 1,980 feet from north and east lines of Section 35, Block 5, GH&H survey.

It is three miles east of the Garza field area and 1.75 miles northwest of a 3,934 foot failure and 2.5 miles northwest of an 8,215 foot duster.

Other new Garza County oil starts include:

A Burford & Sams and Ray Smith of Midland wildcat, the No. 1 Scott Storie, 660 feet from north and 7,175 feet from east lines of section 1,403, block 1, EL&RR survey, 10 miles northwest of Post, on 710 acres. It is planned for a 9,300 foot depth.

Joe Blalock of Longview's No. 6-C I. N. McCrary in the O. S. Ranch (Glorieta) field, 1,310 feet from south and west lines of Section 125, block 5, H&GN survey, 8 miles north of Justiceburg on a 240 acre lease. Drilling will be to 2,900 feet.

Bookmobile here next on May 2

The Texas State Library Bookmobile will make its next stop in Post Saturday, May 2, Miss Mary Jo Vines, bookmobile librarian, has announced.

The bookmobile will be located in the used car lot of Tom Power Ford from 9 to 11:30 a. m. and from 12:30 to 3 p. m.

During the bookmobile's second stop here April 11, a total of 363 books were checked out—205 by adults and 158 by juveniles.

Some 53 new registrations were taken during the day. Miss Vines reports Post readers are among the most discriminating of the five counties being served by the bookmobile.

57 pigs drowned in Lynn County's rain

TAHOCA—Jack Hoskins of Newmoore lost 57 shoats by drowning in the recent big rain.

Jack had his pigs grazing some wheat in a low place when the rains came. In that vicinity north of Newmoore, three or four inches of rain fell and the shoats were "just plain drowned."

OFFICE MOVED

M-Sgt. George Henderson, army recruiter who comes to Post each Wednesday afternoon, reports that the U. S. Army recruiting office in Lubbock has been moved from the postoffice building to 1110 Texas Avenue.

White pelicans are one of the largest American birds and many have a wingspread of nine feet.

Construction—

(Continued From Front Page) Two more permits, totaling \$450, also were issued by the city this week.

A permit was issued to R. H. Tate for repairs, paint fence and for running curbs at 110 South Ave. Q. The estimated cost was \$250.

The Assembly of God Church was issued a permit to build a carport and sidewalk at 316 North Ave. I. Cost was estimated at \$200.

Building activity is expected to be given added impetus when the city completes its plans for developing the newly annexed two square miles around the edges of the community.

Mayor Powell Shytles explains that sometime in May the city council will sit down here with a city planning expert from the state health and sanitation department to begin work on a master plan for the development of the annexation area.

Shytles said the city will be interested in determining where streets and alleys will go and how best to extend municipal utilities into the area.

He indicated that after the master plan has been worked out with state help, the council expects to then appoint a zoning board to work from the master plan in the development of the new areas.

The mayor said that surveys already have staked the municipality's new boundaries and are busy preparing a new city map which is now awaited before work can begin on the master plan.

SERMON TOPIC

"Is Baptism Important?" will be the subject of the sermon Sunday at the Presbyterian Church. This is the second sermon under the general topic, "The Basic Ingredients of Faith" and will also come from Acts 2:28.

CLUB TO MEET

Mrs. Travis Thomas, 815 West 4th, will host the Priscilla Club meeting, Friday at 3 p. m.

HOUSTON VISITOR

Darrell Bruton of Houston visited in the home of his mother, Mrs. Ethel Bruton, Sunday.

John Lott, president of the South Plains Boy Scout Council, has been notified by E. W. Wolfe, national director of Boy Scout rural service, that the South Plains Council has been selected as one of the "top ten" in the field of rural Scouting during 1958. Lott will receive the award at a special recognition dinner during the National Boy Scout Council meeting in San Francisco June 4. Congratulations, John. John says that the thanks go to the untold number of outstanding adult scouters in the South Plains Council who have made this award possible.

Walter Clark, over at Caprock Chevrolet, has good reason to be proud of an award he received last week at a recognition dinner in the Biltmore Hotel at Oklahoma City. Walter, who is in charge of parts and accessories at Caprock Chevrolet, was presented with a certificate of membership in Chevrolet's Parts and Accessories Record Club. The club has been in existence for 11 years and Walter has been a member from the very first year. To be honored as a member in the record club requires that the parts and accessories man meet his sales quota, operate a clean and orderly parts department, and make all his various reports on time. Walter was one of the three men at the dinner who had been members of the club all 11 years in this Chevrolet parts men in the zone made it this year. Claud Collier accompanied Clark to Oklahoma City for the recognition dinner.

Fire guts Dunlap warehouse Monday

The Dunlap Department store warehouse at Lubbock, which services Post's Dunlap store, was damaged Monday afternoon between \$60,000 and \$100,000 as the result of a mysterious fire.

The Lubbock fire department Tuesday began a thorough investigation of the blaze which gutted the two-section storage building only a few blocks from the downtown business district.

One Lubbock fireman was injured in a fall fighting the blaze, which required 90 minutes to bring under control after being reported at 2:30 p. m.

R. N. Hays, assistant fire chief, said a preliminary investigation showed that the fire appears to have started in two different places in the warehouse which are divided into sections protected by a fire door between.

Evangelism Emphasis has good attendance

The Evangelism Emphasis, which began last Sunday at the First Baptist Church, will continue thru Sunday.

Indications are that attendance for the week has been exceptionally good, and also that a number of decisions have been made.

Dr. Strauss Atkinson, noted Baptist speaker, is guest speaker.

Two Post students in regional school meet

Some 2,600 West Texas high school students will jam the Texas Tech campus Friday and Saturday to attend the Region I Inter-scholastic League Meet.

Participating in the Meet from Post High School are Marca Dean Holland in the literary event, and Victor Hudman in the slide rule event.

Guild concludes study on Isaiah at meeting

A conclusion of the study on Isaiah was made when members of the Wesleyan Service Guild met recently in the home of Miss Jessie Pearce.

Refreshments of coffee and cookies were served to eight members.

Members are urged to attend the next meeting, which is the pledge service, one of the highlights of the club year.

The Emphasis and Loyalty to the local Sunday School and church program being stressed for seven consecutive weeks at the Assembly of God Church is in its fourth week and has been favorably received. Rev. J. R. Brincefield, pastor, announced this week. Plans for a two-week revival to begin June 14 are now under way also.

MISSION STUDY

The second mission study will be held Sunday evening at the First Presbyterian Church beginning at 6:30 with a light supper. Host couples will be Mr. and Mrs. Irby Metcalf and Mr. and Mrs. Giles McCrary. The Mission program will be by Mrs. T. W. Hagood, and will begin about 7:30 p. m. Mrs. W. B. Dyer will have charge of the children's division.

Student library club is busy

By LINDA MESSER

The Post High School Library Club consists of student librarians with Linda Messer, president, Dorothy Kuykendoll, vice president, Patsy Payne, secretary-treasurer, Anne Harmon, student council representative, Diane Brooks, state delegate, Barbara Stanley, reporter, and Edna Blodgett, Eddie Carpenter, Billie Beck, Robbie Nutt, Betty Bilberry, and

Mrs. McRee, sponsor.

The Library Club is an active member of the Teen Age-Library Association of Texas.

In community and library relationship the library club and sponsor have participated in various activities as follows: Giving service to students, faculty and citizens of Post, processing and circulating books for the city library, supplying books for the hospital, assisting in research work for students and citizens. Also the sponsor and library club worked with Senior Scout Group one year, meeting on Tuesday night of each week for instructions in library procedures and repairing and processing books for the city library.

In social activities through the years the library club has had picnics, wiener roasts, Christmas parties, also socials with the Girl

Scout Club. At each Christmas party the club has enjoyed a Christmas Dinner, each member bringing toys and books for children, also participating in bringing food for the needy.

Rotarians see film on controlling wild well

Rotarians at their Tuesday luncheon saw an interesting color movie, "Trouble Below", the true story of how Humble Oil Company fought and won control of a wild well in the Laguna Madre.

District Highway Engineer Julian Smith was in charge of the program.

Roy Lee Williams, who is furnishing the special music this week for the evangelism services at the First Baptist Church, sang a vocal solo.

Claud Collier will wind up his Caprock Chevrolet Baby Portrait Contest Saturday which gives you folks just two more days to get those youngsters under six down to have their pictures made by Cal Casteel in "living color". Some 200 youngsters to date are entered in the contest for the \$200 in government savings bonds offered as prizes. Quite a successful promotion, we'd say.

Last week was National Library Week and due to a late news rush we just couldn't handle some library week contributions brought down to us by Mrs. Lillie McRee. Post high librarian and written by high school students. We want to explain the reason we couldn't use them last week. Space forbids using all of them this week either but on this page you'll find a feature written by Linda Messer, president of the Post High School Library Club which explains what that organization does and how it operates.

Our story two weeks ago on the Justiceburg school board election got "lost" at Leveland when we left a galley full of stories in type in the newspaper shop there while getting some emergency help after our machine broke down. But the story is still worth reporting—even two weeks late. Sid Cross as a write-in candidate defeated Mason Justice running for reelection to the board. Remember last July it was Justice who nosed out Cross in the primary when Cross was seeking reelection to the county commissioners' court. Tommy Foerrest was elected as the other Justiceburg school board member.

John Lott, president of the South Plains Boy Scout Council, has been notified by E. W. Wolfe, national director of Boy Scout rural service, that the South Plains Council has been selected as one of the "top ten" in the field of rural Scouting during 1958. Lott will receive the award at a special recognition dinner during the National Boy Scout Council meeting in San Francisco June 4. Congratulations, John. John says that the thanks go to the untold number of outstanding adult scouters in the South Plains Council who have made this award possible.

Walter Clark, over at Caprock Chevrolet, has good reason to be proud of an award he received last week at a recognition dinner in the Biltmore Hotel at Oklahoma City. Walter, who is in charge of parts and accessories at Caprock Chevrolet, was presented with a certificate of membership in Chevrolet's Parts and Accessories Record Club. The club has been in existence for 11 years and Walter has been a member from the very first year. To be honored as a member in the record club requires that the parts and accessories man meet his sales quota, operate a clean and orderly parts department, and make all his various reports on time. Walter was one of the three men at the dinner who had been members of the club all 11 years in this Chevrolet parts men in the zone made it this year. Claud Collier accompanied Clark to Oklahoma City for the recognition dinner.

Why Gamble?

Yes, why gamble . . . when there's no chance of winning? That's the kind of gambling you're involved in when you drive your car beyond the recommended period without having the oil changed.

Although you may use the very best motor oil, such as Phillips 66 Trop-Artic, there comes a time when the accumulation of impurities in the oil reduces its efficiency.

That's why lubrication experts say: the best motor protection is to use the best motor oil, and change it every 1,000 miles under average around-town driving conditions.

Be sure to let your Phillips 66 Dealer change oil for you on schedule.

Post tracksters in regional Friday

Captain Frank Kribut takes his High School track team to Lubbock Friday for the two-day AA regional meet on the Texas Tech track. Only boys who placed either first or second in the district meet are eligible and one of them, Wayne Hair, won't be making the trip.

Hair was badly injured in a car wreck Sunday afternoon. He had qualified in the mile and was given a good chance of winning a trip to the state meet with a one or two finish in the distance event.

The regional meets, which include both A and B divisions besides the double A, get under way at 1 p. m. Friday and will continue through Saturday.

Figured to fight it out for the team title in the regional are Tullia, Olton, Seminole, Dalhart and possibly Coleman. Seminole won the regional last year.

The regional will wind up the spring track season for the Antelopes except those who qualify for the state AA meet May 8-9.

Those who will compete at Lubbock Saturday and the events are as follows:

100 Yard Dash—Curtis Didway. Low Hurdles—Jerry Windham. 440 Yard Relay—Windham, Craig Graham, Didway and Charles Morris.

800 Yard Run—Tommy Boucher. 220 Yard Dash—Didway. Broad Jump—Windham. Discus—Scotty Pierce. Pole Vault—Morris and Glendon Washburn.

Southland Eagles win District 6-B track championship; set 4 records

Tommy Dunn sparked the Southland Eagles to their second District 6-B track championship on Texas Tech's oval at Lubbock Friday, winning four events.

Dunn scored 20 points as he won two records and tied two others in winning four first places. Three years of district competition he has won 11 first places.

Southland pulled out the crown pulling together a mile relay team for the first time this year of winning the final event on the program.

The Eagles totaled 61 points to 55 for Lorenzo.

Had Southland not entered the mile relay, Lorenzo which finished third would have been second and could have edged the Eagles, 57 to 56.

Dunn set new district records in both the 440 dash and the broad jump, doing the 440 in 52.4 seconds and leaping 20 feet, 10 inches.

He tied the century dash mark with a 10.3 in the preliminaries and also tied the 220 dash mark of 22.6 which he established himself a year ago.

But Dunn wasn't the only record breaker for Southland. Darrell Jones of Southland broke the shot put mark with a 41 foot, 11 1/2 inch heave and D. Pennell of Southland set a new discus standard with a 129 foot, 11 inch effort.

Jones also was second to Dunn in both the 100 and 220 and ran a leg on the winning mile relay team for 12 1/2 points as his individual contribution.

Southland was fourth in the junior high division with 12 1/2 points.

More Pony League players needed

If Post is going to have a four-team Pony League of its own this summer, age-eligible players are going to have to show more interest.

Ray Henderson, president of the local Little League organization, reports that plenty of Little Leaguers have signed up, but that "we're hurting for the Pony Leaguers."

Only about 25 Pony Leaguers have signed up to play so far.

All 13 and 14 year old boys are eligible and some 12-year-old youngsters can be used.

Those interested in playing Pony League ball this summer who have not signed up are urged to call Henderson at KPDS Radio.

Bows to Crane in regional final

Post volleyball team qualifies for state

The Post High School Girls Volleyball team has qualified for play in the state AA tournament at Abilene May 1-2 by finishing as runnerup in the regional.

Coach Jiggs King's girls' team defeated Tullia, 12 to 10, in the semi-finals of the regional meet played last Friday in the women's gym in Lubbock.

They lost in the finals to Crane, 23-3.

Both Crane and Post thus qualified for the state meet.

Pairings for the state meet will be drawn April 30.

Members of the Post girls' volleyball squad are Janet Stevens, Sandra Veach, Glenda Whittenberg, Pat Wheatley, Danelia Bate-man, Kay Martin, Ann Morris, Linda Wilks, Peggy Ramsey, Ruth-ell Martin, and Judy Clary.

Post High Highlights

By KIM PIERCE and MARGIE CASTEEL

The junior-senior banquet, which was held Friday night was a smash success! A picturesque volcano, Hawaiian servant girls, palm trees, and all the trimmings that go with the Hawaiian Islands left wonderful memories with the seniors of '59. The entertainment was furnished by George M. Willson, Jackie Whitaker, the High School Girls Sextet, and Jimmy Short.

A highlight of the evening was a Hawaiian dance at Antelope Alley, sponsored by Mr. and Mrs. Bill Edwards. The Stage Band of Post High, directed by Bob Meisch, made it seem like a real junior-senior prom.

While we are on the subject of dancing, let's all get on the ball and start having more dances at Antelope Alley. It's there for us any time we want it.

We were all sorry to hear about Wayne and Floyd Hair being in the hospital due to injuries received last Sunday afternoon when the pickup they were riding in turned over.

The Crosbyton Choir presented a program Thursday morning in an assembly. The choir, composed of 100 members, was making its first spring tour.

The basketball boys received their jackets and co-district patches, and the cheerleaders received their awards in an assembly last Friday morning.

The First Methodist Church invited all the members of the senior class to their annual breakfast Wednesday. Everyone enjoyed it and would like to thank all the people who made it possible.

"TERM THEME" is a dreaded word around P. H. S. Everyone is reading one, writing one or typing one. Here's wishing everyone an "A".

Jerry Windham, Charles Morris, Curtis Didway, Cricket Graham, Tommy Boucher, Scottie Pierce and Glendon Washburn will go to Lubbock next Friday and Saturday to compete in the track meet. Lots of luck!

Mrs. Kay Gene Payne is the happiest girl in high school this year. She is to be valedictorian, and Jimmy Short is salutatorian. We are all real happy for you two.

Friday night Lela Edwards had a slumber party for some of the sophomore girls who served at the junior-senior banquet. Denise Eubanks, Gayle Dillard, Patsy Thompson, and Kay Gordon attended and stayed up 'til 2 a. m. eating, playing records and talking. Everyone said they had a real good time.

Last week we forgot to mention that the band students also plan to receive jackets this year. They ordered them sometime last week and expect them to be here in a few more weeks. To hear the kids describe them they must really be beautiful.

Last Saturday was High School Day at Abilene Christian College. Bonnie Duncan and Billie Lou Hill went to enjoy the day along with many other high school students from every part of Texas. They attended chapel in the morning and heard the ACC A-cappella choir sing. In the afternoon they heard the ACC "Big Purple Band" play and enjoyed a track meet in which students from several colleges competed.

Junior Set

By CHRISTINE CORNISH

Glenda Hutto, Pam McCrary and Chris Cornish really enjoyed the musical "Li'l Abner" at the Lubbock Municipal Coliseum Saturday night. The girls thought it was real cute especially Robert Kaye who played Li'l Abner!

Ugh! Achievement tests were taken during this week—and how!

Reba Shepherd was hostess for a "hamburger fry" held Friday evening at her home. The ten kids invited enjoyed hamburgers, chocolate cake and kool aid. Everyone had a real "ball" listening to records and playing games.

Well, the new subject in Science is weather and we students are filling out daily weather sheets. And can you believe this—we're supposed to make a "cloud" tomorrow. Precipitated water vapor you know. I do hope some "cumulonimbus" clouds roll around and bring some more rain.

Get whiz—only 4 1/2 more weeks of school to go. Whoopie. This may be a little early but—have a happy vacation everyone!

C. W. Blacklock new SS superintendent

C. W. Blacklock was elected superintendent of the Sunday School Department at the Church of the Nazarene business meeting Sunday.

Others elected to serve in various departments of the church are: Mrs. Cecil Stowe, Missionary Society; Lyndell McDaniel, Young People's Society; and Mrs. Earl Rogers, supervisor of the high school and young people's classes.

He tied the century dash mark with a 10.3 in the preliminaries and also tied the 220 dash mark of 22.6 which he established himself a year ago.

But Dunn wasn't the only record breaker for Southland. Darrell Jones of Southland broke the shot put mark with a 41 foot, 11 1/2 inch heave and D. Pennell of Southland set a new discus standard with a 129 foot, 11 inch effort.

Jones also was second to Dunn in both the 100 and 220 and ran a leg on the winning mile relay team for 12 1/2 points as his individual contribution.

Southland was fourth in the junior high division with 12 1/2 points.

Southland Eagles win District 6-B track championship; set 4 records

Tommy Dunn sparked the Southland Eagles to their second District 6-B track championship on Texas Tech's oval at Lubbock Friday, winning four events.

Dunn scored 20 points as he won two records and tied two others in winning four first places. Three years of district competition he has won 11 first places.

Southland pulled out the crown pulling together a mile relay team for the first time this year of winning the final event on the program.

The Eagles totaled 61 points to 55 for Lorenzo.

Had Southland not entered the mile relay, Lorenzo which finished third would have been second and could have edged the Eagles, 57 to 56.

Dunn set new district records in both the 440 dash and the broad jump, doing the 440 in 52.4 seconds and leaping 20 feet, 10 inches.

He tied the century dash mark with a 10.3 in the preliminaries and also tied the 220 dash mark of 22.6 which he established himself a year ago.

But Dunn wasn't the only record breaker for Southland. Darrell Jones of Southland broke the shot put mark with a 41 foot, 11 1/2 inch heave and D. Pennell of Southland set a new discus standard with a 129 foot, 11 inch effort.

ELECTRIC HEATING

HIGH IN COMFORT

Luxurious warming comfort — the kind an electric blanket gives you — is what you get from electric heating — a gentle warmth that makes you feel, oh, so cozy.

It's rather amazing to some people that you can get such gentle, safe warmth from electric heating for so little cost — but, it's true. A typical electric wall heater, for example, operates for less than 3¢ an hour and for completely electric house heating there's a new, even lower, heating rate.
