Mayor Lists Five Major Objectives As Vital To City's Growth, Development

Five projects essential to the continued growth and development of Post were outlined by Mayor James Minor in a talk Tuesday at the Rotary Club's weekly luncheon.

They are: (1) a city manager; (2) a new city hall, library, fire station and city jail; (3) a city court, uniformed police force of at least three men and a patrol car; (4) extension of the city limits in all directions, and (5) a city youth recreation center.

The mayor outlined the five needs after briefly reviewing the City of Post's accomplishments during the past 18 months. The most important of these included:

Change to altermanic form of government; search for an adequate water supply; cooperation with firemen in improvement of fire department; sponsorship of annual clean-up day and spraying of alleys; assuming operation of Terrace Cemetery; improvement of traffic problems, particularly in school zones; cooperation in setting up of school-city library; purchase of new street sweeper; water and sewer extensions; paving project financed by city warrants; White River project;

Ordinance on peddlers; deepening of South Lake; cooperation in setting up of city-county welfare unit; cooperation with Highway Department on regulation for access driveways; authorizing engineers to draw up 20-year water supply plan for city; improvements at City Park.

The mayor also told of plans for additional street lighting, further improvement of traffic problems, and other projects.

Adding to the City's report to the Rotarians was Councilman Powell Shytles, who showed the new paving projects on a map of the city. He also reported on last Thursday's meeting at Spur to negotiate with landowners for purchase of land at the site of the proposed White River dam.

"We've just about got to the point where we can bargain a little bit," Shytles said. He said prices placed on the eight and one-half to nine sections needed had varied from a low of \$40 an acre to a top of \$160.

Moisture Measures .65 Of An Inch, Exceeding January Normal Of .55

Snow and rain, following on the heels of the coldest weather of the season, had left .65 of an inch of moisture up to noon Wednesday, with more in prospect.

The .65 of an inch total already is .10 of an inch above the January normal of .55. In January of last year, only .02 of an inch was measured.

Last weekend's snow left .25 of an inch of moisture and was followed by two rains measuring .25 of an inch and .15 of an inch. Skies were still overcast Wednesday afternoon, holding the promise of more rain.

The weekend rain came just as the snow was melting, enhancing the value of the moisture to the parched soil, which received only 4.99 inches during 1956.

Agricultural observers say the moisture received the last few days is a big help, but is not sufficient to put the ground in shape for planting preparation.

Streets and roads were hazardous from snow and ice over the weekend, but no serious traffic accidents were reported in the Post vicinity.

Joint Funeral Is Held Sunday For Huffmans

Joint funeral services were conducted at the Church of Christ at 3 o'clock Sunday afternoon for Archie E. and Howard H. Huffman, Post brothers, who were killed in a car-truck collision Thursday night about three miles south of Colorado City on State Highway 208.

Otis L. Proffitt, minister of the church, officiated at the rites, assisted by the Rev. Graydon Howell, pastor of the Calvary Baptist Church. A choir sang "Precious Memories," "Farther Along," "Asleep in Jesus" and "In the Sweet Bye and Bye."

Burial was in Terrace Cemetery under direction of Mason Funeral Home. Pallbearers for Archie were J. W. Gray, Morris Huff, Oscar Garner, Weldon Rogers, Andy Steizer and Glenn Bratcher, and for Howard, M. H. Hutto, Emmett Shedd, Jerry Odum, Don Rose, Robbie King and Charles King.

Howard was killed instantly in the accident, which occurred when his 1955 Chevrolet sedan collided head-on with the truck. Archie died at 11:05 a. m. Friday in a Colorado City hospital.

The brothers were en route home for the weekend from their oil field jobs near Bronte. The collision occurred about 9:30 o'clock on a narrow stretch of highway. Robert Huffman, brother of the victims, said he learned from investigating officers that the collision apparently occurred when the automobile skidded into the truck after hitting a shoulder of the road and going out of control as the driver attempted to avert a collision.

The impact of the crash threw Archie from the car as it was slammed off the pavement into the roadside ditch. The truck, a tractor-trailer type loaded with grain, traveled 152 feet after the collision, careening off the highway into a field. Neither vehicle, however, overturned. Both the sedan and truck were total losses, according to investigating officers.

The driver of the truck escaped without injuries, but another occupant suffered back injuries.

The Huffman brothers, sons of Mr. and Mrs. George I. Huffman, had lived in Post since 1947 and prior to that resided with their parents in the Canyon Valley community of Crosby County.

Archie was born Sept. 17, 1928, at Eastland, and was married June 24, 1950, to Miss Minnie Jo Dye. In addition to his wife, he is survived by two children, Jo Beth, 5, and Danny, 2.

Howard was born Oct. 3, 1932, in Little Rock, Ark., and was married to Madie Belle Monk on Oct. 8, 1951. He is also survived by three children, Wesley, 4; Marshall, 3, and Mary Ann, 1½ years old.

The brothers are also survived. See JOINT RITES, Page 8

County PCG Directors To Be Elected Feb. 8

Two new directors for Garza County on the board of Plains Cotton Growers, Inc., will be elected at a meeting at 7:30 p. m. Friday, Feb. 8, in the district courtroom.

Present directors are Irby G. Metcalf Jr. and L. G. Thuet Jr. Each county included in PCG membership elects one businessman-director and one farmer-director.

All cotton growers, ginners, businessmen and others interested in the cotton industry are urged to attend the Feb. 8 meeting and help elect the new directors.

Postex Mill Nears Peak In Production

Full production in the sewing room at Postex Mills, Inc., is waiting on completion of an expansion program at the Sherman, Tex., mill, which furnishes the local plant with 150,000 yards of cloth weekly, R. J. (Rube) Jennings, president, said this week.

The cotton mill here is up to capacity production following recent completion of an expansion program costing more than a million dollars. As soon as the expansion at the Sherman mill is completed, the sewing room here will be able to increase its output of Garza sheets and pillow cases to full capacity, Jennings said.

Stepped-up production at the mill here already is resulting in the output of 8,500 dozen sheets and 7,500 dozen pillow cases a week.

"Once we get up to full production, we'll be bleaching approximately 24,000,000 yards of cloth a year," the mill president said. He also said that the mill would use around 10,000 bales of cotton a year as compared to 7,500 before the expansion.

The number of employees has increased from 380 to 435, resulting in a payroll boost of approximately \$4,000 a week. All 20 of the new mill employee houses are occupied as the result of a number of new workers moving their families here since the increased production got under way.

One hundred and 14 new wide sheeting looms have been installed, making a total of 356 looms. Thirty-three new spinning frames have brought the number of these machines to 70, and 84 new carding machines have been installed, all old ones having been replaced with new ones.

The first phase of the expansion program, which began last year, was extension of present buildings. The program was completed around the first of the year with installation of a completely new air-conditioning system in the carding, spinning and weaving rooms.

Chest Fund Total Is \$595 Short Of Quota

Cash and pledges to the Garza County Community Chest total \$8,405.54, which is \$594.49 short of the \$9,000 quota, it was announced this week following a meeting of Chest officers.

Total cash contributions are \$7,482.04 and pledges amount to \$923.50, it was disclosed. The larger gifts committee, of which Ira L. Duckworth is chairman, has received \$6,632 in cash and \$394.50 in pledges.

Chest officials said they would welcome contributions from those who have not been contacted by fund campaign workers. Contributions may be made at the First National Bank or to Community Chest officers, who include Dean A. Robinson, V. F. (Bing) Bingham, Duckworth and E. R. (Buster) Moreland.

Post Man's Mother Dies In Fort Worth

Mrs. Daisy Helmick, 76, mother of the Rev. Roy Shahan of Post died at 9:45 p. m. Wednesday in St. Joseph's Hospital at Fort Worth following an illness of about 18 months.

The Rev. Mr. Shahan had been at his mother's bedside since Monday.

Mrs. Helmick had been living with a daughter, M. J. T. Pope, in Fort Worth. She lived in Cisco for more than 35 years.

She is also survived by another son, Homer Shahan, of Cisco, and another daughter, Mrs. Wailan Woodruff of Oklahoma City.

Funeral services were to be held at 2 o'clock this afternoon at Cisco in the East Cisco Baptist Church, of which Mrs. Helmick was a member.

EL PASO MAN SPEAKS

Carlos Rivera, Spanish language director in El Paso's elementary schools, spoke here Monday night at a meeting of the Classroom Teachers Association.

"SMILING JACK" GOES TO JAIL—Because he refused Lion Al Norris' request to do a special number for the March of Dimes at last weekend's radiothon, "Smiling Jack" Rogers of radio station KRWS is being handcuffed by Sheriff Carl Rains preparatory to a trip to the "pokey." Friends and admirers of Jack bailed him out, with the money going to the March of Dimes. At the left is Norris, the complaining witness, and at the right, Bob Garrison, KRWS manager.—(Staff Photo).

MOTHERS TO MARCH ON POLIO, HERE TONIGHT

MOD Total Over \$1,000

With tonight's "Mother's March on Polio" yet to come, contributions to Garza County's 1957 March of Dimes totaled \$1,060.19 up to Wednesday noon, according to Almon Martin, co-chairman.

Last year's Mother's March gained more than \$800 for the campaign and if it does as well this year will put the total up near the \$2,000 mark.

The fire siren will be blown at 7 o'clock to herald the beginning of tonight's house-to-house canvass by mothers. The march is scheduled for completion by 8 o'clock.

Those wishing to contribute to the Mother's March are asked to have their porch light turned on or a light in the window.

The KRWS radiothon sponsored Friday and Saturday by the Post Lions Club brought in a total of \$428.50, the chairman reports.

Other contributions have been as follows: Close City School, \$10.40; Close City community, \$56.16; Post Elementary School, \$100.83; Barnum Springs community, \$50.56; Justiceburg community, \$43.56; Mystic Sewing Club, \$5; Amity Study Club, \$5; Merry-makers Club, \$5; Southland community, \$40.51; Grassbur and Verbena communities, \$261.82.

Mrs. Pat N. Walker, chairman of the Mother's March on Polio, has appointed the following team captains for tonight's event: Mmes. Malcolm T. Bull, Robert Cox, Percy Parsons, Katharine Trammell, R. A. Moore, Powell Shytles, V. L. Peel, Zeta Pennie, Eugene Martin, Donald Windham, E. H. McCampbell, Hansford Hudman, Howard Maddera and R. E. Shedd.

"Let's finish the job!" is the theme announced for this year's March of Dimes.

Co-chairman Martin and Bob Poole point out that the "job" is two-fold: To raise funds for repair of the damage that polio has done to thousands of Americans in the past and to prevent the disease from crippling more thousands in the future.

Up to 4 o'clock Wednesday afternoon, 765 poll tax receipts had been issued, which is several hundred under the county's potential voting strength.

Tax officials also remind the general public that sale of 1957 automobile license plates begins Friday.

5 O'Clock Today Is Poll Tax Deadline

There's still time to pay your 1956 poll tax if you can make it to the tax office by 5 p. m. today. Tax Assessor-Collector T. H. (Talmage) Tipton said the office will not be kept open after that hour for late-comers.

Up to 4 o'clock Wednesday afternoon, 765 poll tax receipts had been issued, which is several hundred under the county's potential voting strength.

Streets and roads were hazardous from snow and ice over the weekend, but no serious traffic accidents were reported in the Post vicinity.

MAKES 226.57 BARRELS PER DAY ON POTENTIAL TEST

New Strawn Pool Opened In County

Potential of 226.57 barrels of 35 gravity oil daily has been reported for Paul C. Teas, Dallas, No. 1 J. B. Slaughter Estate, six miles south of Post on the U Lazy S Ranch.

The well has been completed as a Strawn discovery two and one-fourth miles southwest of the Garza pool. The wellsite is 330 feet from west and 3,578 feet from south lines of Section 31, Block 1, Jasper Hays Survey. It is four miles north of an 8,683-foot failure. Two new wildcats are scheduled

for the county in other oil developments. On the darker side was abandonment of Edwin L. Cox, Dallas, No. 1 J. P. Ray, north of Post and two miles northwest of the Post Glorieta pool. The venture was abandoned at 3,750 feet.

Production at the Strawn discovery was through one-inch choke and perforations at 8,364 to 8,394 feet after 6,900 gallons of acid. Gas-oil ratio was 530-1.

The hole was bottomed at 8,360 feet and cased to 8,482 feet. Top of the Strawn was called at 8,364 feet. The project was originally filed as a 5,500-foot operation and later amended to 8,500 feet with no shows developed in the Permian.

One of the new wildcats is Humble Oil & Refining Company's No. 1 Slaughter, slated to test Ellenburger in the southwest corner of the county. To be dug on a 9,100-foot ticket, the prospector spots 660 feet from east and 760 feet from south lines of Section 7, Block 30, T-7-N, B&B Subdivision of the TTRR Survey, 20 miles southwest of Post. There is no

nearby Ellenburger production. In the west-central sector of the county, Ada Oil Company has filed application to drill its No. 2 Molly Saunders as a 4,000-foot San Arders explorer. Drillsite is 330 feet from north and west lines of Section 1304 of the EL&RR Survey on a 167-acre site. It is six and one-half miles northwest of Post, one-half mile northwest of the No. 1 Saunders, a 4,313-foot Glorieta failure, and one and one-quarter miles southwest of the Garza-Glorieta field.

Teacher Employed For Fourth Grade

Mrs. Wilson Hill, who has taught two years at Ropesville, has been employed as a fourth grade teacher here to replace Mrs. Betty Miller, who resigned.

Mrs. Hill, a graduate of Texas Tech, began her new teaching duties this week.

Mrs. Miller had taught here since the opening of the current term.

Supt. R. K. Green said this week that a replacement will not be hired for Paul Valentine, who resigned Jan. 18 as high school English teacher. The superintendent said the vacancy would be filled by shifting of present teaching personnel.

Two Youths Admit 28 Area Break-ins

Twenty-eight area break-ins, including one at Post, have been admitted by two juveniles taken into custody at Slaton, according to Sheriff Carl Rains.

The sheriff said he talked to the juveniles after they were taken to the county jail at Lubbock and that they admitted breaking into the Rogers Feed & Tractor Store here the night of Jan. 22.

Nothing was reported missing from the store, the sheriff said. One of the boys is 15 and the other is 16 years old.

New Uniforms Ordered For Band

Members of the Post Antelope band are to have new uniforms in time for the University Inter-scholastic League Band Festival on April 26.

The new uniforms, which will be in the traditional black and gold colors and with West Point style shakos, were ordered Monday night at a meeting of the Band Boosters Club. The new uniform was selected from three styles shown at the meeting by the representative of a San Antonio uniform firm.

The uniforms are to be paid for by funds raised through Booster Club projects under the guidance of the organization's finance committee.

Joe J. De Armon, vice president, who presided at the meeting, appointed the following committees:

Uniform—Bob Meisch, chairman; Mrs. L. E. (Buck) Gossett, Mrs. Iven Clary, Mrs. R. B. Dodson.

Finance—Mrs. Iven Clary, chairman; Mrs. T. C. Poik, Mrs. Gossett, Martin Nichols, Lowell Short, Meisch.

Guy W. Nutt On New Job At Littlefield

Guy W. Nutt, conservationist for the Post Work Unit of the Duck Creek Soil Conservation District for the past three and a half years, has accepted a similar position with the Lamb County Soil Conservation District at Littlefield.

Alex Ringhoffer, range specialist at the SCS office here, is serving as work unit conservationist until a replacement for Nutt is named.

Nutt already has assumed his new duties at Littlefield, but it will be from two to four months before he moves his family there, Ringhoffer said.

Prior to the Post assignment, Nutt worked in Abilene with the Middle Clear Fork SCD. He is a 1950 agriculture graduate of Texas A&M College.

Other personnel of the SCS office in Post are Junior Hagins, conservation aide, and Billy Carlisle, part-time employee.

ONE REASON SUNDAY MORNING'S SNOW LOOKED SO GOOD WAS THAT IT HAD A LITTLE BIT OF MOISTURE IN IT.

AFTER FOUR YEARS, it's going to seem strange to turn to the desk just behind ours and not find Ganell there when we want to know the correct spelling of someone's name, or where so-and-so lives, how long he's lived there, etc.

GANELL, WHO WAS born and reared in Garza County, had put her wide acquaintance to good use during the 10 years she spent as an employee of The Dispatch by helping new editors get "on to the ropes" about people, names and places. That, however, is only one of the many reasons she'll be missed at The Dispatch and "up and down Main Street."

NOW THAT SHE'S gone, we'll put our own four years of knowledge gained here to the best use we know how in helping Claudine Michael get on to the ropes as Ganell's successor. And, who knows; it may not be long until Claudine will be as proficient in helping us decipher our handwritten notes as Ganell was.

ANOTHER MYSTERY that wasn't cleared up during 1956 was the thing behind the green door.

WE'VE NOTICED THAT the Chamber of Commerce is making use of its stationery and other media to remind folks that 1957 is the 50th anniversary of the founding of our city. That's a good idea—one we'd like to see catch on. If things work out just right and the country doesn't dry up and blow away, a 50th anniversary celebration—semi-centennial, if you want to get technical—will be held later in the year.

RELATIVELY SPEAKING, 50 years isn't such a long time, but out here in West Texas, which hasn't been settled as long as most other sections of the nation, it's been "quite a spell." To realize how long ago it HAS been, one needs only to glance backward at some of the other things that were happening back in 1907.

THE SPANISH-AMERICAN War, which had ended nine years before, was still fresh in the minds of many; Theodore Roosevelt was President, and Oklahoma was admitted as the 46th state. Even then, the nation was having segregation troubles—with Japanese school-children in San Francisco schools.

CONGRESS HAD PASSED an act providing for construction of a canal across the Isthmus of Panama; Nicaragua and Honduras were locked in a "banana republic" war; the Anglo-Russian Entente was concluded, aligning Russia with England and France against the Central Powers, Lee De Forest patented the three-electrode tube, later of great importance in the art of radio.

W. Babson Writes This Week:

Difference In Making And Losing Money On Stocks Depends On Time Of Purchase

BARBON PARK, Mass.—It is the first time for several years that I have felt free to recommend any specific stock or bond in this Weekly Column. I, however, now want to explain the mention of non-taxable bonds which I made in my recent Forecast for 1957.

History Of Bonds
There is a big difference between stocks and bonds. Stocks own the equity in a corporation. Profits go to the stockholders after payment of interest on the bonds and other indebtedness. This may be much or none, and it fluctuates up and down. Some people make lots of money by buying stocks at the right time; while other people lose everything by buying them at the wrong time.

Bonds—on the contrary—are the same as a mortgage on your house. The interest on bonds is a prior claim. Usually their price does not fluctuate as widely as the price of common stocks and the interest is most always paid. Hence, they are much safer to buy than are stocks. In addition to U. S. Government Bonds, there are three other important types of bonds: (1) "Full Faith" State and Municipal Bonds, which are the safest investment you can buy and whose interest is non-taxable. (2) Corporation Bonds, which—of the same company—are safer than the stock of that company, but their interest is taxable. (3) Revenue Bonds which are issued by your state, city, or town, but your interest payment depends upon the earnings of a state turnpike, or upon your local gas, water, or sewerage system. This interest, however, is not taxable.

Today's Prices For Bonds
All bonds are cheaper than they have been for over 20 years. Buy almost any today and you should have an excellent investment. But by proper selection, with the help of an investment counselor, you should be sure to make money particularly by purchasing selected non-taxable bonds. Buying good non-taxable bonds is just like discovering gold in your own back yard. No reader of this column remembers my ever saying this since the panic of 1929-1932.

All of the following non-taxable Revenue Bonds were selling at par (\$1,000) a few months ago. Today they can be bought as follows:
Florida Turnpike Authority Revenue, Rate: 3 1/2%, Maturity: 4/1/55, Price: \$5.50.
Illinois Toll Highway Revenue, Rate: 3 1/2%, Maturity: 1/1/55, Price: \$7.00.

ANOTHER FEBRUARY BIRTHDAY

During February, America observes the birthdays of several of its illustrious sons—Washington, Lincoln and Thomas Edison. Another birthday celebration of national proportions in which Post, Garza County and all America can properly join is that of the Boy Scouts of America.

Scouting in the United States reaches its 47th anniversary during Boy Scout Week, Feb. 6 to 12. It is difficult to recall when our nation did not have this character-building, leisure time program for its boys and young men. A Boy Scout troop was formed in Post not long after the organization came into being, and this community has gone right along with the program ever since. Because of the location here of Camp Post, our community has become synonymous with Boy Scout outings, the local camp site serving as the official one for the South Plains Council.

Since Feb. 8, 1910, more than 26,000,000 American boys and men have been influenced by the Scout Oath and Law. They have had the benefits of Scouting training, fellowship, handicraft skills and high adventure. Post has always had the good fortune of having plenty of adult leaders for its Scouting program.

The community and America are all the richer for it. Many men in high places in American affairs today proudly credit Scouting's influence in their lives.

Today over 4,500,000 boys and men are actively enrolled in 540 local councils with a membership of 111,000 units. Fortunate indeed are communities where Scouting flourishes.

American adults of good character give generously of their time in giving leadership. Others help by raising funds, or in serving as members of local Boy Scout councils which in turn provide: training for leaders, camp facilities, worthwhile year-round activities, personal advancement, and opportunities for Scouts to render community service.

This summer there will be a "mountain peak" experience for more than 50,000 Boy Scouts, Explorers, and their leaders when they gather at historic Valley Forge in Pennsylvania for their Fourth National Jamboree. We earnestly hope our community will be well represented when Scouts from all over the nation camp together.

It will be a gathering of youth who will be among the nation's top leaders a few decades hence.

all those things—as we were able to do with the help of our Encyclopedia of World History—you realize that it's been a long time.

AMBITION IS a fine thing, but it will get a person into a lot of work.

THE TOWN LIAR was called as a witness in a traffic accident case and was asked to take the usual oath to tell the truth, the whole truth and nothing but the truth. He thought it over a few moments and then, with a sigh, replied, "Okay. I'll try anything once."

SUCCESS THAT GOES to a man's head usually makes a short visit.

Getting Out On The Limb

By EDDIE the editor

SUDDEN THOUGHT: The trouble with people these days is that they want to get to the promised land without going through the wilderness.

One of the easiest things in the world to meet is expenses. You run into them every place you go.

I REMEMBER more than you might think about the first school I attended. I remember that you could study geography through the floor, forestry through the walls and astronomy through the roof.

I also remember that most history teachers in those days seemed to have a penchant for drilling dates into pupils' heads. I probably don't remember more than one-tenth of the important dates I had to learn, and, thank goodness, I've just found out that it's just as well I don't. Two Fresno State College history professors say that only 13 dates are important enough to be remembered by the average American citizen—and 40 are sufficient for college students.

The 13 dates they believe should stay with a person for life are:

1. Discovery of America in 1492.
2. The Protestant Reformation of 1519.
3. Settlement of Jamestown in 1607.
4. Introduction of slavery and the first legislative assembly of 1619.
5. Coming of British sovereignty over much of North America in 1763.
6. Declaration of Independence in 1776.
7. Establishment of government under the American constitution, 1789.
8. Rise of the common man's participation in government, 1828.
9. The American Civil War in 1861.
10. The war with Spain in 1898.
11. World War I, 1914.
12. Depression of 1929.
13. Entry of America into World War II, 1941.

Those are the 13 events that should be kept in their chronological order for a reasonably good understanding of events, say the two professors.

Another occupational hazard is that you may become involved in a situation in which you will have to do a lot of hard work.

THE WOMEN, bless 'em: "It's hard for a husband to fool the average wife," says a psychologist. And the above-average wife and the below-average wife.

IF THERE WAS time, there should be an individual editorial on each of these topics this week:

- Pay Your Poll Tax.
- Don't Wait Until April 15 to Get Your Car Inspected.
- Give Generously to the March of Dimes.
- Pay Your School, County and Other Ad Valorem Taxes Before the Deadline.
- Don't Wait Until the Last Minute to Make Out Your Income Tax Return.
- Write Your State Representative.
- Make Sure Your Liability Insurance is in Force Before Venturing Onto the Highway.

A camel is an animal that looks like it had been put together by a committee.

Some people don't have much to say. The only trouble is you have to wait so long to find it out.

WRITING IN Editor & Publisher, Philip N. Schuyler says: "A new coast-to-coast check of representative automobile dealers shows a continued preference for newspaper advertising. A vast majority of 344 dealers questioned . . . declared they put this local form of advertising ahead of all other media."

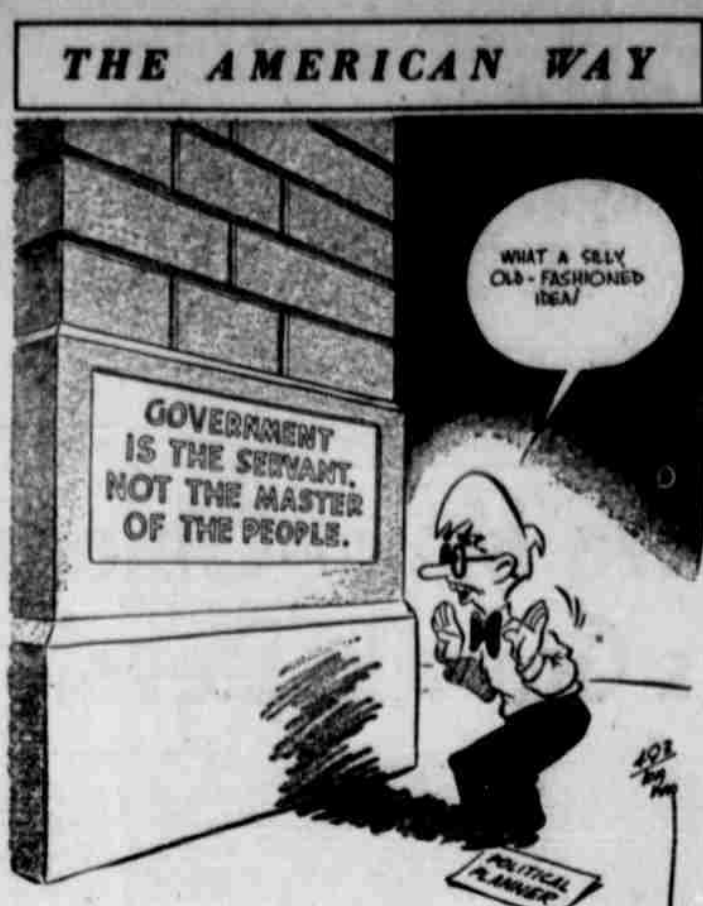

An editorial in the same issue of the same magazine refutes the claim that TV is dominant among young people. It cites a factual survey in which 39 per cent of 18 and 19 year olds questioned said newspapers are "hardest to do without," whereas only 18 per cent said the same thing about television.

Newspapers aren't only here to stay—they're still the leaders of all media.

The "mind over matter" books are selling like hot cakes because they are highly flattering to many readers who scarcely have enough mind to matter.

In New Zealand the other day a boat collided with an automobile. So far there has been no report that a submarine collided with a land plane, but don't bet this won't happen.

FRIDAY IS FEB. 1, and it's another "shorty" this year—only 28 days. Wonder whatever became of the idea to re-do the calendar so every month would have the same number of days?

He WOULDN'T UNDERSTAND!

Our Contemporaries Are Saying . . .

Newspaper Ban

Max Noble joined the Marine Corps recently, and is stationed at San Diego, Calif. His parents subscribed to the Banner for him, so he could keep up with hometown news. Now comes an urgent air mail letter from Max pleading that the paper NOT be sent. "As much as I'd like to have it—" That fits right in with Marine Corps philosophy. When some drunkard sergeant isn't drowning his recruits in the creek waters of South Carolina, or some sadistic non-com isn't having his men do push-ups over a naked bayonet, then some damned fool officer is ruling that recruits and trainees can't read their hometown papers. We can see why the armed services have to have the 18-year-olds—an older man would take that rifle issue him and use it to better advantage.—"It Sez Here" in the Rails Banner.

Undiscovered Secret

See in the paper where Troy Martin of the Oilco Enterprise and W. H. Graham Jr., the newspaper magnate of Farwell, Bovina and Friona, took advantage of a blanket invitation extended to newspaper and radio men within 150-mile radius of Clovis, N. M., to be members of the Presidential party when Ike visited Clovis Monday.

We'd like to know how these birds manage to take a Monday off and still get out their weekly papers. How they do it is a secret we haven't yet discovered. Speaking of invitations, we have been snubbed again by a governor of Texas! We weren't invited to the inaugural ball—and our whole day was ruined!

The Same Everywhere

In the days of Mark Twain the attitude of the people in that day was no different than the attitude of the people today, if we are to judge by the quotation made by Twain. He said: "Everybody is talking about the weather, but no one is doing anything about it." To get over the meaning which we are endeavoring to get to the people of Stanton, Twain's quotation gives us the opportunity to paraphrase it by saying: "Everybody is talking about the condition which prevails in Stanton, but no one is doing anything about it."—Stanton Reporter.

Fighting The Wolf

Our new national economy has made the blue collar worker a man of distinction while his white collar contemporary is forced to patch the patches on his apparel to prevent arrest for indecent exposure. Labor has become an executive who presses a button to cause a machine to do his former work. At the same time the white collar worker is fighting the wolf from the door with a handful of degrees.—"Trail Dust" in Matador Tribune.

Antelope 'A' And 'B' Teams Take Two From Ralls Cagers

The Post Antelopes defeated the Ralls Jackrabbits, 70 to 52, here Friday night in their last regularly scheduled non-conference game of the season. Earlier, the Antelopes had defeated Ralls, 39 to 35, in a game on the Jackrabbits' court.

The visitors took an early lead Friday night and started out as if they were intent on gaining revenge on Post for their early-season loss. The score was tied at 18-all late in the opening quarter, but Troy Cartmill's fielder gave the Antelopes a 20-18 first period bulge.

Post pulled steadily away in the second quarter, racking up 16 points to only eight for the Jackrabbits and leaving the court with a 36-26 lead at halftime. Jimmy Short's three buckets from the field led the Antelopes' second quarter surge.

Ralls outscored Post, 16-14, in the third period, and the Antelopes held a 50-42 third quarter lead. In the final quarter, however, Coach McCoy's charges doubled the score on the visitors, 20-10, to chalk up the 70-52 victory.

Although hard fought, the game was one of the cleanest high school contests ever played in the gym here. Ralls committed only four personal fouls and the Antelopes were guilty of only nine.

The box score follows:

RALLS (52)	fg	ft	pf	tp
Taylor	2	1	0	5
Garner	1	2	2	4
Morris	5	1	0	11
Wheeler	8	5	1	21

Tahoka Bulldogs Defeat Lockney Cagers, 72-63

The Tahoka Bulldogs defeated the Lockney Longhorns, 72 to 63, at Tahoka last Thursday night to wind up the first half of their District 2-AA round-robin with a 3-3 record.

Jerry Brown scored 31 points on 10 field goals and 11 free throws to grab scoring honors. Roy Kidd paced the losers with 19 points.

In a preliminary game, Lockney's girls took a 51-40 victory over Tahoka, with Neida Widener scoring 36 points. Mary Belle Wood hit 21 for Tahoka.

COTTON REPORTS READY

AUSTIN (Spl.)—Three reports describing cotton research in Texas have been reprinted by the University of Texas Cotton Economic Research Bureau because of demand for additional copies.

"Comparative Fiber and Spinning Test Results on Rain Grown and Irrigated Cotton," "Preliminary Report on Fiber Properties and Manufacturing Importance of El Paso Area Cotton" and "Cotton of the El Paso Area" are free on request to the Cotton Economic Research Bureau, University of Texas, Austin 12.

Navy Recruiter Frank Chim-arusti of Lubbock was here Thursday on his regular weekly visit to Post. He will be here every Thursday at the courthouse.

Sidney Hart Scores 23 In 'B' Victory

Sophomore Sidney Hart scored 23 points Friday night as the Post Antelope "B" team defeated Ralls "B" in a preliminary to the varsity contest.

Ralls led, 11-10, at the end of the first quarter, but the Post team scored 19 points to the visitors' four in the second quarter to latch on to a 29-15 halftime bulge. The winners led, 47-24, at the end of the third quarter.

The Post box score follows:

'Winds Beat Abernathy In Overtime, 61 To 55

The Floydada Whirlwinds closed out their first half of District 2-AA play undefeated Friday night by winning over Abernathy, 61 to 55, in overtime.

The Whirlwinds were trailing, 45-38, going into the final period, but outscored the Antelopes, 17-10, to send the game into overtime. Don Colley scored 28 points for Floydada, while Buddy Guinn paced Abernathy with 18.

In a preliminary game, the Abernathy girls took a 63-46 victory, with Sonja Wilson scoring 20 points for Floydada and Guinn 25 for Abernathy.

FROM EVERYWHERE

AUSTIN (Spl.)—The University of Texas has 555 students from 65 political sub-divisions of the world outside the continental U. S. FAMOUS Esso Extra

GASOLINE

gives extra anti-knock performance in modern engines

Modern cars, especially the 1957 models, have engines with high compression ratios.

Even at this altitude, these engines require extra performance of Humble's famous Esso Extra gasoline.

It's the best premium gasoline you can buy... with extra anti-knock performance... extra power... extra protection against vapor lock... extra mileage... extra quick starting and warm-up.

Fill up with Esso Extra gasoline under your neighbor's Humble sign—its famous for performance.

Prevent "the knock you cannot hear"—the famous Esso Extra gasoline.

Engineers call it "trace knock," a knock so faint that only a trained technician can hear it. But like all knocks, it robs your engine of power, forecasts engine damage. In any price class, a modern car in any price class is especially if it's a 1957 model—prevent "trace knock" with Humble's famous Esso Extra gasoline.

Japanese Motif Carried Out At Meeting Of First Baptist WMU

Don Butler served as program chairman and Mrs. Lee Bowen as menu chairman. The mission study book, "Japan Advances" by W. Maxfield Garrett, was presented. To set the

theme for the day this decoration committee created a Japanese atmosphere with colorful lanterns, Japanese figurines and unusual dried floral arrangements. The menu for the luncheon featured sukiyaki, a famous food of Japan, rice, bean sprouts, fruit cup, almond cookies, tea and coffee.

Margaret Nell Steel Wed To Ray Brannon In Recent Rites

Margaret Nell Steel, daughter of Mrs. W. T. Steel, and Billy Ray Brannon, son of Mrs. R. E. Brannon, were married recently at the First Baptist Church. The ceremony was conducted by Rev. J. R. Brincefield. The bride wore a traditional "Wedding March."

Given in marriage by her father, the bride wore a ballerina length gown of embroidery nylon not over satin. Satin covered buttons highlighted the sleeves which ended in points over the hands. The fingertip veil was of nylon tulle which fell from a headpiece of seed pearls. She carried an orchid atop a white Bible, and carried out the tradition of "something old, new, borrowed and blue."

Miss Donna Walker of Snyder was maid of honor and Charles Hardy of Post served as best man. A reception was held in the home of the bride's parents following the ceremony. The bride is a graduate of Snyder High School. The bridegroom is a graduate of Post High School and is now attending Draughton's Business College in Lubbock.

To Address Elementary Pupils

Roy Shahan, pastor of First Baptist Church, is to be invited to address the children of the second of a series of elementary school assemblies to be conducted by members of the Ministerial Alliance. Church News

A meeting of the District II Youth of the First Christian Church was held at 7:30 p. m., Tuesday, in the First Christian Church of Lubbock. The speaker was the Rev. Rawlins Cherryhome. The Rev. Cherryhome is a missionary in Thailand, and his speech was on that country.

Wednesday, at 11:30 a. m., a luncheon meeting was held in the First Christian Church of Lubbock for the ministers and their wives of District II. The Rev. Cherryhome will also speak at this meeting. The luncheon was an opportunity for the Rev. and Mrs. Harry Purviance's friends and associates to see them before they leave for Sedalia, Mo., where the Rev. Purviance will be minister of the First Christian Church. He has been minister of the Lubbock View Christian Church.

The Rev. Rawlins Cherryhome, who is now in Lubbock, is on a furlough from his missionary work in Thailand. Before being sent to Thailand, he and his family were in China at the time of the Communist seizure and barely made their escape to safety as the reign of terror began.

There will be a joint meeting of the elders and deacons in the social hall of the First Presbyterian Church at 7:30 p. m., Jan. 31. This is an important meeting and full attendance is needed.

The Rev. Clinton Edwards of the First Presbyterian Church has announced that his sermon subject next Sunday morning will be, "Channels of Blessing." The text will be John 7:38 (RV).

The special evening service planned for last Sunday night at the First Presbyterian Church was cancelled because of the weather. The program was to have been presented by a group of junior and senior high school age youths, who are a Presbytery Youth Officer team from Brownfield, Lamesa and Snyder. Weather permitting, the team will be here Feb. 3. David Olsen, outreach chairman, Westminster Fellowship Presbytery, of Lamesa, will be in charge of the evening's programs.

At 7 p. m. the team will take charge of the evening worship, speaking to the congregation of their part in such a program and also of the advantages to the youth and the church that will come from a youth organization.

The joint meeting of the Presbyterian Women's Organization and the Mattie Williams Memorial Circle scheduled for last Monday will be held next Monday, Feb. 4, 2 p. m., with Mrs. Walter Boren presenting the program.

The Rev. J. R. Brincefield, pastor of the Assembly of God Church is pleased to report that the attendance for the church's current revival is increasing with each service. The Rev. William B. Little of the Ralls Assembly of God Church is assisting the Rev. Brincefield in conducting this revival. The Rev. Mr. Little and his daughter, Florence, are furnishing special music for the services. The Rev. Mr. Brincefield would like to invite everyone to attend this revival which will go on until further notice. He would also like to invite you to hear him speak on radio station KRWS every afternoon from 5:15 to 5:30 p. m., through Sunday.

"A Recipe to Bring Rejoicing," (text, Psalm 63:8, "My soul followeth hard after thee.") will be the subject of the Rev. J. R. Brincefield's sermon at the Assembly of God Church's Sunday morning services.

The Rev. Graydon Howell of the Calvary Baptist Church, and son, Graydon, Jr., spent Monday and Tuesday in Plainview attending the 36th annual session of the Panhandle Pastors and Laymen's Conference. The main speakers each day were: Dr. Porter M. Bales, Sr., pastor emeritus of First Baptist Church, Tyler, whose topic was ethics; Dr. Harold Graves, president of Golden Gate Baptist Theological Seminary, Berkeley, Calif., speaker on Galatians; Dr. James L. Sullivan, executive secretary of Southern Baptist Sunday School Board, Nashville, Tenn., who brought the main sermon at each meeting.

The Young People and Intermediates of the Calvary Baptist Church met in the home of the Rev. and Mrs. Graydon Howell for a fellowship hour after the Sunday night services. Dalton Cople was in charge of the games which were played.

WSCS Group Works On Meeting Plans

"Juvenile Problems," a book being studied by members of the Women's Society of Christian Service of the First Methodist Church, was continued Monday when the group met in the home of Mrs. R. A. Moore.

Mrs. Ellis Mills and Mrs. Tillman Jones presented some pertinent facts and figures and other information on this problem.

Tentative plans for the sub-district meeting of WSCS groups from Slaton, Southland, Cooper, Lubbock and Post were made during the business meeting conducted by Mrs. J. E. Parker, president. The sub-district meeting is scheduled for Feb. 12 at the Post First Methodist Church. The theme of the meeting, "Jesus Calls, We Answer," is being worked out by committee members who will present the program.

The next meeting of the society will be held in the home of Mrs. Noah Stone on Monday Feb. 4.

Shipley Home Is Scene Sewing Club Meeting

Mrs. George Barker was elected into membership in the Mystic Sewing Club Friday when the group met in the home of Mrs. Jim Shipley. Other matters of business were conducted after which an hour of sewing and visiting were enjoyed.

The hostess served refreshments to Mrs. Barker, Mrs. Winnie Henderson, Mrs. H. F. Giles, Mrs. Everette Windham, Mrs. Lowell Short, Mrs. Marvin Hudman, Mrs. Eva Bailey, Mrs. Ella West, Mrs. Frank Runkles, Mrs. Arnold Parish and Mrs. G. E. Fleming. The next meeting will be held in the home of Mrs. Short on Feb. 8.

TELETHON PARTY

Gene Young was host to a group of friends at the home of his parents, Dr. and Mrs. B. E. Young, Saturday night for a Telethon party. Informal games and do-it-yourself refreshments provided entertainment in addition to the telethon viewing. Among those attending were Gwen Cople, John Boren, Linda Davis, Dickie Beggs, Barbara Wheatley and Frances Bird.

The Rev. Graydon Howell of the Calvary Baptist Church, and son, Graydon, Jr., spent Monday and Tuesday in Plainview attending the 36th annual session of the Panhandle Pastors and Laymen's Conference. Oneita Jones Named Homemaker Of Tomorrow Following Test Here

Miss Oneita Jones, daughter of Mr. and Mrs. Barnie C. Jones of the Close City community, has been named the Betty Crocker Homemaker of Tomorrow in Post. She received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating girls at Post High School, where Mrs. Caroline Sawyers is head of the homemaking department.

Miss Jones' examination paper now will be entered in competition with those of 655 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runner-up award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

Each state winner will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the runner-up girls in each state. The school of the state winner receives a set of the Encyclopedia Britannica.

More than 300,000 young women in 11,636 of the nation's public, private and parochial schools participated in the third annual search.

Miss Billye Ruth Hill Telethon Party Hostess

Billye Ruth Hill was hostess for a slumber party in her home Saturday night. The guests watched the March of Dimes Telethon and had refreshments of tuna fish sandwiches, popcorn, candy and soft drinks.

Attending were Barbara Mills, Elaine Wheatley, Ann Long, Ann Taylor, Darlene Bratcher, Vonda Howell and Wanda Williams. The hostess's mother, Mrs. Wiley Hill, served the girls Sunday breakfast.

sponsored by General Mills. The program is designed to assist schools in education for home and family living and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. A total of \$106,000 in scholarships will be awarded.

The national winner will be named May 2 at the American Table banquet in the Waldorf Astoria Hotel, New York City. The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. This year for the first time girls who rank second, third and fourth in the national finals will receive \$4,000, \$3,000 and \$2,000 scholarships respectively.

Science Research Associates of Chicago prepared and scored the examinations.

Area Farmers Benefit From Rate Reductions On Shipments Of Hay

Drought-ridden Texas farmers, dairymen and ranchers will reap additional large benefits as a result of the railroads' extending their 50 per cent freight reduction on shipments of hay.

Since Oct. 13, when the rate slash went into effect through mid-January, Texas agriculturists were aided by the railroads to the extent of \$1,689,389. During that time the railroads shipped 134,993 tons of hay into Texas at the 50 per cent rate.

The rate cut tendered by the railroads covered eight states. The total saving to agriculturists in the 8 states has been \$2,371,832, of which \$1,689,389 has benefited Texans.

Action of the railroads, the only carriers which have come to the aid of farmers, ranchers and dairymen, has been hailed by Texas agriculture leaders as the biggest contribution to the drought-stricken area. The move was also commended by President Eisenhower.

The rate reduction, originally scheduled to expire Jan. 15, has been extended through March 31, the Texas Railroad Association announced.

Boy Scout Week Is Feb. 6-13; Post Troops Will Take Part

Boy Scouts of Post and Southland will join in the observance of Boy Scout Week Feb. 6-12, marking the 47th anniversary of the Boy Scouts of America. The organization will set one day aside as "Recognition Day" during the observance.

In countless communities throughout the nation, Scouts, their parents, local institutions and public officials will pay tribute to the leaders of the 111,000 Cub packs, Boy Scout troops and Explorer units for the contribution they are making to the boyhood of America.

"Recognition Day will be an occasion to thank all who were involved in the 1956 Get-Out-the-Vote Good Turn," says Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts of America.

"We are extremely proud," he said, "of our Get-Out-the-Vote program last Fall in which every

local council participated in such a magnificent manner. The tremendous task of distributing over one and a quarter million posters and thirty-seven million Liberty Bell doorknob hangers fulfilled a responsibility of vital importance to our country and in so doing, provided hundreds of thousands of young Americans with a citizenship training opportunity both challenging and worthwhile."

It is especially significant that the organization's "Duty to Country" emphasis in its four year program, known as "Onward for God and My Country" will be stressed this year, said Dr. Schuck.

"There is probably no more important citizenship service than that in which our Cubmasters, Scoutmasters, Advisors and their assistants are engaged," he said. "The service that these leaders render through Scouting is invaluable citizenship training to all America! The result of such magnificent leadership is felt in almost every phase of our national and local community life."

During Recognition Day ceremonies the Freedoms Foundation unit award plaques will be presented for the performance of outstanding citizenship cooperation.

These are mounted wall certificates in full color which read, "In recognition of patriotic service in the 1956 Get-Out-the-Vote Campaign—Boy Scouts of America and Freedoms Foundation—Onward for God and My Country."

The Boy Scouts of America, Dr. Schuck points out, is operated by 1,196,843 adult volunteer leaders with the help and assistance of a small professional staff of 3,157 leaders. Men come forward in increasing numbers, he said, to give their best in the service of youth.

Without them, he states, there could be no Scout program. Because of them over 3,300,000 boys today enjoy the adventure of Scouting, which has become a part of American life.

Scouting attracts for its volunteer leadership positions men of education, as well as men of character with an educational and occupational background well

above the national average. Only men of good character are accepted for these leadership positions.

A study of personal data of volunteer leaders in all capacities shows that more than 60 per cent were once Scouts. A like number were high school graduates and 30 per cent finished college.

Among the Scout leaders 86 per cent are married men and 61 per cent have sons. A high percentage are active members in fraternal, service, or veterans groups.

On a check of occupations, 25 per cent were professional or technical workers, including lawyers, teachers and physicians. Another 20 per cent are craftsmen and foremen; 10 per cent are public officials, buyers, credit men, managers and proprietors of small businesses, while another 10 per cent are sales persons or engaged in advertising or insurance. The remainder are in scattered occupations.

Men serve because of a personal interest brought about through their contacts with boys; others because of friendship with men already leaders, or because of their affiliation with a local institution that sponsors a Scout unit.

VA Questions And Answers

Q. Could I take a correspondence course under the War Orphans education program?
A. No. The law prohibits correspondence training. War Orphans education must be taken in the school or college classroom.

Q. How do I go about paying my GI insurance premiums once a year instead of every month? I understand I can save a little money that way.
A. First, find out how much you will have to pay. Your local VA office, or the VA district office where you pay your premiums, can tell you. Then send VA a check for that amount, explaining in a letter that you are paying on an annual basis.

Q. Is it possible to change courses of study under the Korean GI Bill more than once?
A. No. The law allows only one change of course—and no more, under any conditions.

Q. I am planning to get a GI business loan. No real estate is involved. How much money does the law allow me to borrow?
A. The law places no restrictions on the amount you may borrow from a private lender. The law, however, does limit VA's guarantee on non-real estate business loans to 50 per cent of the loan up to a maximum guarantee of \$2,000.

Navy Reserve Officer Ends Training Cruise

Navy Reserve Lt. Robert L. Mason, son of Mr. and Mrs. L. R. Mason of Route 2, Post, and husband of the former Miss Margaret Jesse of Amarillo, was among 159 Naval Reservists who returned to New Orleans, La., Jan. 20 aboard the escort vessels USS Haas and USS Willett following a two-week training course in the Caribbean.

The Reservists practiced seamanship, readiness drills and gunnery during the cruise. A week-end recreational visit was made to Coco Solo, Panama Canal Zone.

Pakistan's largest exports are jute and tea.

Added Benefits For Navy Re-Enlistment

The officer in charge of Navy recruiting for this area announced today that under a new policy, recently authorized by the Secretary of the Navy, men honorably discharged from the Navy will receive added benefits upon re-enlistment within 90 days after discharge, including immediate payment of the re-enlistment bonus. Other benefits include advance travel pay and 30 days leave if desired. They are also given a choice of east or west coast duty and will be enlisted in their old rate.

As a typical example, a second class petty officer with four years of service, re-enlisting for six

years within 90 days of discharge, and electing San Francisco as his reporting station, would immediately be paid \$1,054.80; other pay grades are in proportion.

Men re-enlisting after 90 days, regardless of time elapsed since separation, are eligible for these same benefits except the re-enlistment bonus and in some cases, re-enlistment with their former rate. In many ratings, re-enlistment is authorized in the same pay grade as held at time of discharge.

Scurry County To Ballot On Freeway

SNYDER—Scurry County residents will go to the polls Feb. 18 to determine whether the state will construct a \$4,000,000 freeway through Snyder, requiring a \$750,000 outlay by the county for right-of-way bonds.

If the \$750,000 bond issue is approved, the state will turn U. S. Highway 84 into a four-lane freeway along its route through Snyder and build overpasses on U. S. 84 where it intersects State Highways 180 and 205 near the city.

MRS. EARL MORRIS WRITES

Elsie Albright Hostess At Telethon Party In Her Home Saturday Night

Ronald Huddleston is home this week from Abilene Christian College and spoke at the Gordon Church of Christ on Sunday. Some of Ronald's friends, Misses Annette Brownsley and Maxine Childs and Charles Bryant, who are students at ACC, came out with him and attended church at Gordon.

Miss Elsie Albright entertained some of her friends Saturday night with a Telethon party in her home.

Supper was served to Misses Karen Gale Pennell, Donetta Ellis, Nancy Mueller, Kay Anderson, Kenneth Callaway, Fred Myers, Dale Edmunds, E. L. Dunn, Carol Donahue, and the hostess.

The Rev. and Mrs. Ted Gaze and baby of Slaton were supper guests in the Clyde Shaw home last Thursday evening. The Rev. Mr. Gaze is pastor of the First Baptist Church in Slaton.

Mr. and Mrs. Curtis Watson of Lubbock visited her uncle and aunt, Mr. and Mrs. T. L. Barnes, last Sunday.

The Rev. Silas Dixon, Mr. and Mrs. Horace Wheeler, Mr. and Mrs. Jay Oats and Mr. and Mrs. Dillard Dunn attended a dinner in Lubbock's Asbury Methodist Church last Thursday evening to plan on helping raise funds for a girls' dormitory at McMurry College.

Both girls' and boys' basketball teams were defeated by Shallowater last Tuesday evening on the home court. Friday, the girls won over Lorenzo and the boys lost by two points.

Mr. and Mrs. Herbert Dunn are visiting relatives in Fort Worth and attending the Southwestern Exposition and Fat Stock Show this weekend.

Billy Lancaster was here last week from Temple to visit his parents, Mr. and Mrs. Earl Lancaster, Sue and Jimmy, and to get a few shots at quail before the season closed.

Wayne Hallman and sons of Lubbock visited his parents, the H. D. Hallmans, Sunday and attended church at Gordon.

Mrs. Bob Russell entertained a few of her friends last Wednesday in her home with a dinner and quilting party. Those attending were Mrs. Clyde Haire, Fred Davidson, H. D. Hallman, J. B. Rackler, Ed Denton, Raymond Gatzki, William Lester, R. R. Jones, Earl Morris, and Misses Louise Davidson and Mattie Dobbs.

Mrs. R. R. Jones left Thursday for a two weeks' visit with a son-in-law and daughter, Mr. and Mrs. Arch Thurman, and other relatives in Amarillo.

Mr. and Mrs. Earl Lancaster visited her sister, Mrs. Carl Foster and Snappi in Lubbock last week.

Jerry Pennell and Miss Betty Johnston attended the Grigsby-Beck wedding in Lubbock last Saturday evening.

Mrs. Jake Gindorf entertained in her home with a birthday supper last Saturday night honoring her daughter Joan on her fourth birthday. Those helping Joan celebrate her birthday were her grandparents, Mr. and Mrs. A. Wilke, Mr. and Mrs. Gindorf and other relatives, Mr. and Mrs. Walter Stolle and children and Mr. and Mrs. Elmer Gindorf and children.

Mr. and Mrs. J. W. Holmes of Muleshoe visited in the Peyton Crawford home last Sunday.

Floyd Meers, who lived here for a number of years and now of Fort Worth, suffered a severe heart attack about 10 days ago. His daughter and family, Mr. and Mrs. Wendell Saunders and children, went to Fort Worth last week and they report Mr. Meers much improved.

Members of the WMU met in the Baptist Church last Monday to continue their study, with Mrs. S. W. Truelock as leader.

A number of the young people met Saturday night in the home of Mr. and Mrs. Leroy Mueller and enjoyed a Telethon party and refreshments.

The children of Mr. and Mrs. Weldon Meador have been suffering from attacks of the measles.

THE SECRET

In another moment he will be getting up and walking toward you, eager to tell the secret of his calmness and strength. Will you listen?

He has solved many problems, overcome much grief and temptation, been able to meet the conditions of every-day living, all because through the Church he has come in contact with the Source of all power. In the Church he has found companionship. Its worship services have brought faith, peace and serenity. Its activities have furnished an outlet for his creative abilities and energy. The Church has been a part of his life from boyhood. Through its various departments the needs of his life have been met. He has enjoyed the fellowship there and, looking back, he is able to trace his own growth.

Have you learned his secret? Wouldn't you like to know it?

What the Church has done for him it can do for you. If you are young, it will help meet your problems. If you are older, it will bring satisfaction and peace.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Models Of Ford's New '57 Truck Line Go On Display Friday At Tom Power's

Ford's new 1957 truck line, originally not scheduled for production until 1958, will be introduced by Ford dealers Friday. Offering nearly 300 different models, the Ford line represents the biggest change in the history of the company, and cost \$77,000,000 to design and put into production.

Tom Power, Inc., Ford dealer here, will have on display a 1957 Styleside pickup and Ford's Ranchero, an entirely new idea in transportation and the most original design in many years in the trucking industry.

"We have made this great change in our truck line because we believe truck users are on the threshold of vast improvements in delivering goods to the American public," said Robert S. McNamara, Ford Motor Company vice president and Ford Division general manager.

"To help truck operators make this progress, Ford has launched this new line a year ahead of its original 1958 scheduled introduction," he explained.

Cutting one year off the design and production schedule cost Ford an extra \$5,000,000, it was disclosed.

The new Ford truck line features new "Styleside" pickup models with streamlined load area 25 per cent bigger than last year; a new series of six tilt-cab transport truck models which are the lowest priced in the industry; a new Ranchero model which combines passenger styling and comfort with all-terrain pickup truck utility; greater payload capacities in medium and heavy duty models; and an expanded parcel delivery series.

Engine power throughout the line has been raised an average of 8 per cent to help truck operators stay abreast of modern traffic flow. Engines have been redesigned for better breathing. They have a new motor oil pump for more effective lubrication, a dry-type air filter that is more easily cleaned, new economical heavy duty carburetors, and lighter flywheels to permit faster acceleration. Hydraulic clutches are a new feature, standard for the whole line at no added cost.

Four basic power plants are offered, with 27 different modifications available for specific hauling service.

McCoy Hits For 41 As K&K Team Beats Petersburg, 97-63

Burl McCoy, Post High School basketball coach, poured 41 points through the hoops here Monday night as K&K Food Mart defeated the Petersburg Independents, 97 to 63, in a TAAF Texas League game which had been postponed from Saturday night.

After getting off to a 26-17 first quarter lead, the K&K team coasted the rest of the way. They led, 45-29, at halftime and 70-45 at the end of the third quarter.

The victory gave the Post team a 2-1 record in league play.

New Uniforms

(Continued From Front Page) was presented by the "Modernaires," who played several numbers under the direction of band director Meisch.

According to the school band director, there are three money raising campaigns to take place before the school year is out. They are a Community Birthday Calendar, a variety show to be put on by the band early in March and a variety show sponsored by the Seranaders of Lubbock.

Concerning merchants participating in this effort to raise money for the uniforms, Meisch said, "There will be no solicitation of funds from merchants for this project; however, those merchants wishing to donate may make their contributions to the club and they will be appreciated." He further stated, "Everyone's cooperation in helping the band raise this money by participating in these three drives will be greatly appreciated."

COMMITTEE BREAKFAST

Twenty-eight newly appointed Chamber of Commerce committee-men attended a breakfast at 7:30 o'clock this morning at the City Hall, offering suggestions for the organization which will be taken up at the next directors' meeting. It was announced by Bryan J. Williams, C. of C. president, that the committee's breakfast will be held every month—at 7:30 a. m. on the last Thursday. Those attending will be invited to offer suggestions for consideration by directors. The breakfast of ham and eggs was prepared and served under the direction of Mrs. Winnie Henderson.

EVANS AT CAPROCK

B. F. (Boone) Evans, longtime resident of Garza County, has accepted a position as salesman at Caprock Chevrolet, Inc., Harold Lucas, manager, announces. Evans, who recently completed three terms as Precinct 1 county commissioner, will assume his new duties Friday.

Mrs. Ed Warren returned Monday night from Rotan after spending several days with her mother, Mrs. A. R. Tyson, and her sister, Mrs. Rob Strayhorn.

VFW To Discuss Plans For TAAF Cage Meet

Plans for sponsoring the TAAF district basketball tournament here will be discussed at 7:30 o'clock tonight at a special meeting of Post 6797, Veterans of Foreign Wars.

All members are urged to attend and help make plans for this community service and youth activity program.

ASC Office To Begin Agreement Sign-up

The Garza County office of the Agricultural Stabilization and Conservation Service will begin executing 1957 cotton acreage reserve agreements at 8 a. m. Monday, according to Emmarhe I. Hartel, office manager.

March 1, 1957, is the last day an agreement can be filed.

The ASC committee will allocate funds for this program to applicants on a first come first served basis, the office manager said. Applicants who sign agreements while funds are available will have a guaranteed contract, while applicants who file requests after the allocation is exhausted will execute a contract at a later date if funds are available.

CHERRY PIE SUPREME

1/4 cup Fat Evaporated Milk
 3 Tablespoons cornstarch
 1/2 cup sugar
 1 lb. 4-oz. can sour, pitted cherries
 2 Tablespoons butter or margarine
 1 Tablespoon lemon juice
 few grains salt
 1 cup powdered sugar

Have ready a baked 9-in. pastry shell. Chill milk in ice tray until almost frozen around the edges. Mix in a 1-cup saucepan the cornstarch and sugar. Drain cherries, saving syrup. If necessary, add water to syrup to make 1 cup. Stir syrup into cornstarch mixture. Cook and stir until very thick and clear, about 7 min. Cool thoroughly and then add drained cherries. Put into pastry shell. Meanwhile, melt butter in small saucepan. Take from heat and mix in until smooth the lemon juice, salt and powdered sugar. Cool thoroughly. Put ice-cold milk into a cold 1-cup bowl. Whip with cold rotary beater at high speed, until stiff. Whip in cooled powdered sugar mixture just until mixed, about 1/2 at a time. Do not overbeat. Arrange around edge of pie. Chill an hour before serving.

KRHUT'S TEAM AFTER SECOND TOURNEY TITLE

Post Freshmen Cagers Take On Slaton Tonight For Tournament Championship

The Post and Slaton freshman basketball teams are to meet tonight in the championship game of the Slaton Invitational Basketball Tournament.

Originally scheduled for Saturday night, the game was postponed to Thursday because of weather conditions.

Coach Frank Krhut's team defeated Roosevelt, 40-24, in their

first round game, and Slaton "B," 43-28, in the semi-finals to advance to the championship finals.

After winning over Roosevelt, the Post team had to come from behind in the second half to outscore the Slaton reserves. They had led, 10-8, at the end of the first quarter, but were behind, 19-16, at the halftime intermission. The future Antelopes outscored their opponents, 27-9, in the second half to chalk up the victory.

The Post team will be after its second tournament championship, having taken the first place trophy in the recent 16-team Floydada tournament.

The Post box score in last Thursday's Slaton "B" game follows:

The team plays the host team tonight in the finals of the Slaton tournament. Members of the squad are: Front row, left to right: Larry Welch, Travis Guy, Mason

McClellan, Homer Carter; second row: Ray Crispin, Forrest Claborn, Curtis Didway, Kenny Poole, Darrel Jones; third row: Coach Krhut, Clinton Smith, Scotty Pierce, Dan Rankin, Leon Braddock, Franklin Carter.—(Bob Madison Photo)

Spur Here For Games Friday

The Post Antelope boys' and girls' basketball teams are to meet teams from Spur here Friday night in District 2-AA games. The Post teams go to Floydada on

Tuesday night. The Antelope girls won and the boys lost Tuesday night in games at Lockney.

Coach McCoy's Antelopes were defeated by one point, 54-53, when Morris Meriweather of Lockney hit a field goal with three seconds left in the game.

The Antelopes built up a 21-10 first quarter lead and were ahead, 36-27, at halftime. The Longhorns found the range for 13 points in the third period while holding Post to four, and the teams were deadlocked, 40-40, when the third quarter buzzer sounded. Troy Cartmill, with 15 points, was high scorer for Post, while Meriweather canned a total of 24 for the Longhorns.

The score in the girls' game was 37-41. The Post scoring was almost evenly divided, with Kay Martin hitting for 18, Louise Gerner for 17 and Marie Howard for 16. Nelda Widener scored 25 points for Lockney.

It was the Antelopes' second loss to the Longhorns and the Post girls' second win over the Lockney sextet.

POSTEX MILLS

By A. LEE WARD

Well, it's Tuesday again and it did rain. Real honest-to-goodness wet water. The only thing, it did not last long enough Monday night. Don't forget, this Thursday, Jan. 31, is the last day for paying your poll taxes. We realize this is not a much of a year for national elections, but we have some very, very important elections coming up this year in our own county and city. The bond vote for the White

River Water District will probably be coming up sometime in March, so pay your poll tax so you can vote in that election. Mr. and Mrs. Bill Norman visited Mrs. Norman's four-year-old niece, Jeannie Simmons of Dumas. Jeannie is a heart patient in the Northwest Texas Hospital in Amarillo. Mr. and Mrs. Lonnie Peel and Mr. and Mrs. Sexton Huntley were Saturday night visitors in the Ray

Young home. Mr. and Mrs. H. D. Bevers and Sandra of Brownfield, Mr. and Mrs. Happy Bevers and children were Sunday guests in the Spence Bevers home. Raymond Martin of Lubbock spent the weekend visiting in the T. A. Buchanan home. Mr. and Mrs. Doyle Nelson and Mr. and Mrs. Will Allen, Jr. and Rex spent the weekend at Fort Worth visiting relatives. All the folks at the Postex Mills wish to take this opportunity to express their deepest sympathy to the families of Archie and Howard Huffman. Mr. and Mrs. Jack Bowen of Kermit, Mr. and Mrs. Tommy Bowen and boys of Odessa and Mr. and Mrs. Bill Bowen of Lubbock, Mr. and Mrs. Vancel Bowen of Littlefield, Mr. and Mrs. Wesley Hardin of Crane attended the fun-

BITS-OF-NEWS

Jess Benson of Lubbock and formerly of Post who suffered injuries in a car accident quite some time ago is suffering from complications of a broken neck and injured discs in his back. His brother, Charles Benson, has been in Lubbock several times recently to check on his condition.

Mr. and Mrs. Bill Latta, of Nutria, Colo., were weekend guests in the Lowell Scrivner home.

THE PERFECT HOME

Many retired, as well as active people, are living now at the famous Crazy Water Hotel in Mineral Wells, Texas.

The world's largest lobby, comfortable rooms, delicious food, health preserving baths and a great mineral water are all available at very economical rates.

You may associate with the finest people of the Southwest at the Crazy Water Hotel. The other day I noticed visiting in the lobby one of the most successful cotton farmers from the Plains, the retired owner of an abstract firm, a rancher whose reputation for handling steers has been outstanding for more than fifty years, a successful contractor, a Kansas wheat farmer, an owner of a ranch in the blue stem section of Kansas and a retired druggist—all visiting and enjoying comfortable living in the Crazy Water Hotel.

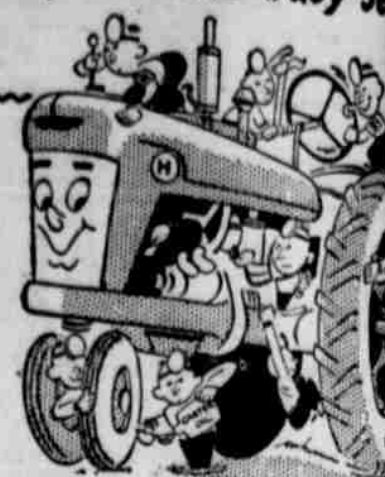

Write today for information about the economical rates, the many wholesome activities and a pleasant way of life.

Fred Brown, Manager, Crazy Water Hotel, Mineral Wells, Texas.

Mrs. Lois Floyd was a patient in Methodist Hospital in Lubbock last week. She underwent minor surgery.

Ted Tatum of College in Canyon end with his partner Ira Farmer.

No Weather Worries!

she's sitting PRETTY with an Electric CLOTHES DRYER

... because she makes her own drying weather—day or night. Rain, snow, dust will not mar the beauty of HER clean wash. Just a simple transfer of the clothes from the washer to the dryer is all it takes for a CLEAN drying job. Her clothes last longer, too, because the harsh sun doesn't get a chance to fade away delicate colors. You, too, can make your own drying weather . . . with a clothes dryer—of course it's electric.
