Vets Hospital Program Is Scheduled Here Tonight

Cohleen Jensen, noted concert and radio pianist, will be one of the guest artists who will appear in person at the First Methodist Church at 7:30 o'clock tonight in a Veterans Hospital program. Another of the artists on the program will be Bobby Del Rio, one of the country's foremost accordionists.

"Entertainment with a religious purpose" is the way the program is described by the Rev. Charles Gates, pastor of the church. Everyone is invited to attend the program, and the admission is free, he said.

Miss Jensen and Del Rio are members of the groups which give entertainments in Army camps and veterans hospitals.

In addition to being a concert pianist, Miss Jensen has a very lovely soprano voice.

She has been on the major radio networks since she was 15 and has been praised highly as a concert pianist. She has studied under some of the best known teachers in America as well as having had special training under several foreign teachers. Miss Jensen is making a real contribution to our wounded men in our hospitals with her musical talent.

Lions To Sponsor Magic Show Here

Arnold Furst and his rabbit, "Oscar," will present a two-hour magic and illusion show here Monday night, Sept. 28, under the auspices of the Post Lions Club. The program will be presented in the high school auditorium.

Tickets sale proceeds will be turned over by the Lions Club to the high school choral club to help finance a trip next month to the State Fair of Texas at Dallas.

Tickets may be purchased from members of the choral club. Plans for the benefit program were made at Tuesday night's meeting of the Lions Club. Also discussed were plans for a zone night meeting here Nov. 3, which will also be ladies' night. Herb Henderson of Wolfforth is chairman of the zone, which comprises Slaton, Wolfforth, Wilson, Spur and Post.

The Lions have expressed their thanks to everyone who helped make the Garza County Fair an event.

Right-Of-Way Proves Problem On Road Work

Difficulty by the county in securing right-of-way may delay the State Highway Department's call for bids on a \$250,000 project for improvement of an 11-mile stretch of U. S. Highway 380 east from Post. It was announced this week.

Ozell Williams, Precinct 3 commissioner, said every effort is being made to secure the needed right-of-way, but that many of the property owners are non-residents of the county and that this is the main difficulty being encountered in securing easements.

The county had hoped to have the right-of-way secured in time for the highway department to let the contract by Oct. 15, the commissioner said.

The highway department plans to widen the road on the north side and a 20-foot strip of right-of-way is needed for the 11 miles of improvement.

The proposed improvements would result in a modern road with asphalt-surface shoulders and a total width of 40 feet.

Meanwhile, plans are progressing for a 10 1/2-mile stretch of farm road in the northeast part of the county to connect with a farm road into Crosbyton. Starting point of the new road will be RIGHT-OF-WAY, Page 8

Red Cross Chapter Elects Chairmen

Elections of a new chairman of the Garza County Chapter of the American Red Cross and a new roll chairman have been announced following a recent meeting of board members.

Guy Floyd has been elected chapter chairman to replace Lee Bowen, who resigned several weeks ago upon moving to California.

Elected as new roll call, or fund drive, chairman was Oscar Garner. Powell Shytle was chairman of the 1953 Red Cross fund drive.

Another meeting will be held in the near future for the purpose of setting a new budget and making plans for the 1954 fund campaign, which opens next March.

Last week's board meeting was held in the office of Dean A. Robinson, who is chapter treasurer. Those attending included Miss Jean Fitzsimmons, Red Cross field representative.

VFW Commander Is Invited To Barbecue

Justin Mason of Ro'an, state commander of the Veterans of Foreign Wars, has been invited to attend a barbecue to be held here at 8 p. m. Thursday, Sept. 24, by John Miller Post 6797 of the VFW.

District 7 VFW officials, including Thad Patterson of Seagraves, district commander, also are being invited to attend the barbecue, according to Bob Poole, publicity chairman for the local post.

All Garza County war veterans are invited to attend the barbecue whether or not they are a member of the VFW, Poole said.

A beef animal donated to the post by Mason Justice of Justiceburg is to be barbecued for the affair.

ONE OF 48 WEST TEXAS COUNTIES LEFT ON ROLLS

The Garza County Production and Marketing Administration office received official notice Tuesday morning that Garza is one of the 48 West Texas counties where ranchers still can order cheap emergency livestock feed from the government.

The State Drouth Disaster Committee, in a closed meeting, recently cut the list of eligible counties from the 152 declared a disaster area in July.

Claud McCan of Victoria, committee chairman, said the 104 counties lopped off were sus-

Premium Paid For Second 'First' Bale

Both of Garza County's first 1953 bales were in Tuesday after E. M. Woodard, who lives seven and one-half miles east of Justiceburg, brought in the first bale of "breaks" cotton.

Woodard received from the Post Chamber of Commerce a \$50 premium, the same as that paid Sept. 5 to V. H. Kuykendoll of the Close City community for the first bale of plains cotton.

Both bales were ginned free by the Close City Gin, according to L. H. Peel, manager.

Woodard's cotton was pulled from about 12 dryland acres, of which he has 85 planted in cotton. He himself finished pulling enough cotton Tuesday morning to make the bale.

The seed cotton weighed 1,500 pounds and the finished bale

Concert Group Sets Oct. 5 As 'Kickoff' Date

Mrs. Leora Craig, a representative of the Southern Town Hall Association of Dallas, will be in Post on Monday, Oct. 5, to assist temporary officers of the Garza Concert and Town Hall Association in launching their 1953-54 season membership campaign.

Announcement of Mrs. Craig's coming was made Tuesday night at a meeting of Miss Maxine Durrett, membership chairman, other officers and membership team captains at the Chamber of Commerce office.

The "kickoff" meeting will be held at 9 a. m. at the City Hall, according to plans made at Tuesday night's meeting. During the membership drive, Mrs. Craig will also assist officers in forming a permanent organization and selecting programs for the concert season.

The temporary organization was set up here last June, with Mrs. Carleton P. Webb named as president. Mrs. Irene Rogers, vice president; Mrs. Fritz Greenfield, secretary, and Miss Durrett membership chairman.

Miss Durrett announced at Tuesday night's meeting that she had appointed 12 team captains and five co-captains for the membership campaign beginning Oct. 5.

Others attending this week's meeting were: Mrs. Webb, Mrs. Greenfield, Mrs. Willard Kirkpatrick, Mrs. Albert McElfide, Mrs. Nell McCrary, Mrs. Cy Thaxton, Mrs. Leo Acker, Mrs. Ralph Kirkpatrick and Mrs. Mary Lee Weisten.

31 Post Rotarians At Inter-City Meeting

The Post Rotary Club was represented almost 100 per cent Tuesday night at the Lubbock Rotary Club's 29th annual Inter-City Relations Meeting of West Texas Eastern New Mexico clubs.

Chant D. Lee, President of the Post club, reported Wednesday that all except four of the club's approximately 35 members attended the affair.

Highlights of the meeting, which was held in Jones Stadium, were an address by U. S. Senator Lyndon B. Johnson and a chicken barbecue.

Four Stations Are Inspecting Autos

The doors of four official auto inspection stations opened here Tuesday morning ready to check motor vehicles under the provisions of the modified Motor Vehicle Inspection Law which was enacted by the last Texas Legislature.

A fifth station, Broadway Auto Clinic, had made application for auto inspections and was expecting state approval at any moment, according to Loyd Edwards, owner.

Inspection stations already in operation Tuesday were those at Conell Chevrolet Co., Les Short Buick Co., Wilson Bros., and Tom Power, Ford dealer.

Season Tickets Off Sale After Friday

After Friday, unsold season tickets to the Post Antelopes' six home football games will go on sale as reserved seat tickets at each game, according to D. C. Arthur, superintendent of schools.

Those wishing to purchase season tickets while they are still on sale as such may do so at the high school office.

EVENT CONSIDERED 'BIG SUCCESS'

Name Top Winners In '53 County Fair

The Garza County Fair, which some people were afraid might be a " flop " because of crop and range conditions, turned out just the opposite here Friday and Saturday, with large crowds attending and high class exhibits being entered in all divisions.

Sponsored by the Post Lions Club, the Fair was such an outstanding success that it probably will be made an annual event officials of the club said.

Approximately 30 steers were entered in the club boys fat beef department, and about 18 hogs were exhibited in the swine show.

The grand champion steer was shown by 4-H Club members Ned and Fred Myers, sons of Mr. and Mrs. Jack Myers of Southland. In addition to the fair awards, they received a \$25 cash prize from the Post Junior Chamber of Commerce.

The reserve champion steer was shown by Dean Huddleston, son of Mr. and Mrs. Homer Huddleston, and also a 4-H Club member.

Another special award in this division was \$5 paid by C. E. Riddison for the high-placing steer off the Baldwin Ranch. The award went to Carroll Davis, 4-H Club member.

In the swine division, the grand champion barrow was shown by Loren Stephens, and the reserve champion by James Barron. Both are members of the Post High School Future Farmers of America Chapter.

New Soil Worker Finally Reports

Guy Nutt, new conservationist for the Post unit of the Duck Creek Soil Conservation District, was several weeks late in reporting on his new job. The reason? He suffered a broken left ankle and other injuries in an automobile accident last July, shortly after being named to replace Arlon McSwain, who had resigned the position at the local office.

The new conservationist is on the job now, although he's still on crutches. A cast was removed from his left leg only last Friday. He moved his wife and their daughter, six-year-old Ann, here from Abilene in time for Ann to start her first year of school in Post.

At Abilene Nutt was with the Middle Clear Fork Soil Conservation District. A graduate of Texas— See SOIL WORKER, Page 8

District Court Term To Open Next Week

A new 106th District Court grand jury will convene here Monday after reporting to District Judge Louis B. Reed. At least seven charges will be submitted to the grand jury, according to Pat N. Walker, Garza County attorney.

Forty men have been summoned to report for petit jury duty at the term of district court.

IF I ONLY HAD A KNIFE—Six-year-old Ronnie Gradins admired the watermelons at the Garza County Fair so much that he got up on the table with them. Ronnie makes his home in the Pleasant Valley community with his grandparents, Mr. and Mrs. H. N. Crisp.—(Staff Photo).

The Post Stampede Cowboys will make their last trip of the season next Wednesday when they journey to Claremont to ride in the parade opening the Kent County Rodeo. They are going to come back with a trophy, too, since three trophies are being given and only three riding groups have been invited—the Stampede Cowboys and mounted units from Fisher and Dickens counties.

Tom Power, secretary for the Stampede Cowboys, says the group will have a party following this last trip, and will decide on the details while at Claremont.

"Pokey" Hundley, 82-year-old former Post cowboy who is at the Underwood Clinic in Amarillo, is eagerly looking forward to the day when he can come home, but it won't be until next fall. This week, Pokey's son, Jim Hundley, brought us the following lines which his father had composed to be sung to the tune of "Get Along Little Dogies":

"I'll ride Ole Paint, lead Ole Bald,
"Feelin' just fine, be home next fall."

Jim says Pokey is the oldest resident of the Amarillo clinic and that he's now considered "top hand" there to the extent that the others refer to him as the "Colonel." Pokey's brother, Dick Hundley, of Waurika, Okla., is also at the clinic.

"Pokey is 75 per cent well now, and his many friends hereabouts will be glad to learn that he'll be back with us next fall," his son said.

For the first time in our life Saturday afternoon, we had a "ringside" seat at a beef animal judging event. In order to make sure of getting the results as soon as they were compiled by County Agent Lewis Herron and Vocational Ag Teacher E. F. Schmedt, we stayed close to the public address system being "talked over" by Lewis, and watched George Keith, Texas Technological College herdsman, go through his paces as judge of the animals.

Along with all the others, we were proud of the 4-H Club and FFA boys when Keith told the crowd that they had done an excellent job with their animals despite the drought and other adverse conditions. The same was true of practically all other departments of the Lions Club-sponsored fair, which was considered a huge success. Now that we've got a start, next year's event should be even bigger and better—most certainly so if crop and range conditions are better than they are this year.

We wound up Saturday with the Jaycees' membership duck to spoil what had been anticipated as a restful weekend. Just before we left the office Saturday afternoon, Hansford Hudman enthusiastically dropped in to tell us that he had signed a new member and was leaving the duck in our charge until we had done likewise. Each Jaycee has the privilege of naming the duck to suit himself. Hans said he called it "Bobo" while he had it, but knowing the duck as we now do, we'll bet that was just its nickname and that Hans called it some of the things we've been calling it since taking

Use Of Local Banks For Trust Funds Highly Recommended In Protection Of The Family

GLOUCESTER, Mass.—I have been rather disturbed to meet some old friends here who have lost their husbands and are disappointed with the way his estate has been divided. The husband left no will, and the newly heirs did not get the money. It didn't seem quite fair to leave the same amount to a son who is in good financial condition as was left to a daughter who had had polio. I have already urged necessity of everyone making a WILL under proper legal advice, but I now also urge the use of a local bank for Trust Funds.

Protecting Your Widow

Instead of leaving all or one-third of your estate to your wife outright, leave her portion in Trust with instructions to this effect: "My wife is to receive the income and also to receive some of the principal if in the Bank's opinion, she at any time needs extra money. When she dies the Bank will distribute the remaining property to my children." Your wife would be of advanced age. She has never bought and sold securities, collected income from investments or filled out income tax returns. By such a Trust the property would be managed by an experienced Trustee. Your widow would then be happier and safer.

When you die your widow will be pestered by people who want to borrow. Some of these may be relatives and friends who would be hard to turn down if the money is left outright. If, however, the money is left in Trust, she can honestly say to these people: "I am sorry; but all my money is in Trust, and I cannot do what you want." This may be a Godsend to all the relatives, as well as to her. If the relative or friend is really entitled to the money, there are other places to borrow.

Protecting Your Daughter

Another reason for leaving property in Trust, especially for a married daughter, is to make sure that at her death, or in case of remarriage, your grandchildren will someday receive the property. It is very hard for a young wife to refuse her husband if she has money in her own right; but if it is in Trust, her husband cannot lose it and yet would not be offended. Then you can be assured that your grandchildren will receive the property eventually. Instead of, perhaps, some persons you have never known.

PUBLIC SERVANT NO. 1 . . .

Many Post citizens may be overlooking a faithful and efficient service which is being given them every day. In this modern society of ours we have many public servants, but these servants are not government employees and they are not another expense for your tax dollars. Who are they? They are the youngsters who make up your school safety patrol.

You've grown to take them pretty much for granted, haven't you? You shouldn't, especially if you have children in school. Do you actually realize what they mean to you? They guide your children safely back and forth across the street each day. They prevent the motorist from having to run the hazard of children darting across the street and possibly right under the wheels of your car.

Their job is just as important and done just as efficiently as the traffic officer at a downtown intersection. There are not enough local traffic officers to handle the school traffic problem, so these boys form a vital link in your community's traffic safety effort.

The Texas Safety Association points out that these children take great pride in their work; they enjoy it. They would also take pride in some individual praise from you. Is your son a member of the safety patrol? Have you thanked him or complimented him on the job he is doing? Even though your boy is not on the patrol, or even if you do not have children in school, you, as an individual citizen, should let them know that you are aware of their good work and appreciate it.

In many instances, the school cannot afford to buy the equipment or replace worn-out equipment for these children. Don't you think the purchase of belts, raincoats and caps for the patrol members would be a good project for your civic or service club? Everyone likes to be recognized for a job well done—THEY do, too.

The next time you pass the school patrol, think of what it would be like if they were not there. Remember they are protecting the life of some of your friends or loved ones. Support them—let them know that YOU are proud of them.

ing the web-footed \$4.95 home with us Saturday.

The football team wasn't the only Post High School unit getting off to a good start Friday night. Bobby Robbins' band and Etta Jane Stephenson's pep squad performed equally well at Ralls. It looks like a big season for all three aggregations.

Congratulations are in order for three new office holders—County Supt. Dean A. Robinson, new president of County School Superintendents, District 4, Texas State Teachers Association; Guy Floyd, new chairman of the Garza County Chapter of the American Red Cross, and Oscar Garner, new Red Cross roll call chairman.

Guy was elected at a meeting Sept. 9 to replace Leo Bowen, who has moved to California, as county Red Cross chairman. At the same meeting, Oscar was chosen roll call chairman to succeed Powell Shytle, who conducted this year's successful Red Cross fund campaign.

Your Will could direct that your daughter receive certain income for life, and at the daughter's death, after the children reach a certain age, the property be divided among your daughter's children. Or you may be the owner of a business which you would like to leave to a young son. If so, why don't you leave the business in Trust jointly with a bank and your son? The income could be payable to your wife for life after paying a fair salary to your son, and at her death, the business go to the son at a certain age. You, of course, would give the two Trustees ample powers to meet all unforeseen changes that may arise.

Remember Estate Taxes

The Federal estate tax can often be lessened by leaving property in Trust and eliminating a "second" tax. For instance, if you leave your entire estate outright to your wife or daughter, the Federal estate tax at your death would be considerable, and if she dies more than five years later, leaving to a child all your property, her estate must pay a second Federal tax. This second tax could be avoided by leaving your property in Trust, without a "general power of appointment" with the income payable to your wife and/or daughter for life and then going to the grandchildren.

The above tax saving can also be accomplished by "splitting" your entire estate while living, or by leaving it so that only half would be taxed at your death, and the other half at your wife's or daughter's death. Then the Federal estate tax would be very much less. In this case, instead of one Trust for your wife, there would be two. For one of these your wife could hold a "general power of appointment." Then only one of those Trusts would be taxed at her death—namely, the one as to which she held a "general appointment." The other Trust, though the property in it would be taxed at her husband's death, would escape tax at her death. In closing let me say I am not a lawyer. I got these general ideas from George L. White, Attorney for and Trust Officer of the Newton-Waltham Bank of Newton, Massachusetts, with which bank I have formed Trusts for my wife, daughter and grandchildren.

Getting Out On The Limb

by EDDIE the editor

If you have sense enough to be happy — you have sense enough.

Etiquette is learning to yawn with your mouth closed.

THE WOMEN, GOD LOVE 'EM —They got a new accessory for a car. It's called a silencer. Fits right over your wife's mouth.

I've been looking over some special news advances from the Associated Press on "The Oatis Story." After several months of rest, medical treatment and research, William N. Oatis has written the story of his two years in a Communist prison cell in Czechoslovakia, and the events leading up to it.

It makes one's blood boil to read how the AP correspondent was "railroaded" into the Communist prison by a system which knows no laws except its own and which recognizes no human dignity unless it can serve its own selfish ends by doing so. There is much of interest in "The Oatis Story." One incident which struck me as typical of "the system's" workings is the following, told in the prisoner's own words:

"I was allowed to write my wife in St. Paul, Minn., about once every six weeks, and I got letters from her as often, sometimes two or three at a time. (Many of mine got lost somewhere along the way, and she went more than a year without direct word from me.)

"She wisely avoided mention of political news, which never would have passed the prison censor, but managed to tell me that Harold Ross, Mildred Bailey and John Dewey had died and that Ingrid Bergman Rossellini had had twins.

"Last November, I was called before a police officer to write my wife. I asked him who had won the U. S. election. He put me off. Two months later he told me it was Gen. Douglas MacArthur.

"Five days before my release, I got some cartoons and verse that my wife had clipped from the New Yorker magazine. On the back of one clipping was part of the Talk of the Town column. It seemed to be a report of some ceremony. It told how 'President and Mrs. Eisenhower' were on hand and how the band played 'Hail to the Chief.' That was how I found out that the new president was really another general."

DELUSION—Small girls think that boys are made of snails, of lizards and puppy dog tails. When girls grow up—and this part's funny—they think that men are made of money.

Matrimony puts an end to more petting than all the park police put together.

Speaking of success stories, we once heard of a man who started at the bottom and stayed there.

What has happened to the cowboys? The Bureau of Census in its detailed occupations for the civilian labor force in Texas doesn't even list them.

But the Texas labor force—2,121,282 men and 747,324 women when the census was made three years ago—is a varied and versatile army from the 16 lady blacksmiths, all of them employed, to the 243,956 farm owners and tenants.

Some Texans do the most interesting things at the most unusual places. For instance Dal las through which the Trinity River trickles has three employed female sailors and deck hands in addition to 15 men with jobs in that nautical field. The Fort Worth metropolitan area, a few miles up-stream, has one woman and eight men at work handling its maritime commerce. In the Waco metropolitan area there are four men and one woman similarly employed.

Fort Worth and Dallas ran neck and neck when it came to women loggers. Both had two each when the census was made. Nine women were employed as airplane pilots or navigators and there were 228 women lawyers and judges in the state. By 1950 the number of employed women physicians and surgeons had increased to 365, including 10 Negro women.

And visitors to Texas who expected to find punching cattle the principal occupation may be disappointed by another fact uncovered by the census—clergymen outnumber bartenders three to one.

Among the part-time workers not listed were those who play Santa Claus during the Yuletide and those who sell smoked glasses during an eclipse of the sun.

The first grade pupil walked up to the teacher and said, "I gotta go."

The teacher warned, "When you have to go, raise two fingers."

"Will that help?" asked the child.

Hot Check Artists Fined
Passers of hot checks are finding that it is not a paying proposition in Crosby County. Judging from the fines meted out in justice and county courts this week five persons, all charged with swindling with worthless checks, have been apprehended this week and paid fines ranging from \$24.10 to \$57.05. One man was returned here from Houston Tuesday to face swindling with worthless check charges in county court.—The Crosbyton Review.

NEW BRITAIN, Conn. (AP)—No one will ever know for sure whether Isaac A. Alkas was 124 or 127 years old when he died. His 90-year-old widow and state records gave his age as 127. Alkas always insisted, however, that he was three years younger.

That Is The Question
A city park or no city park, that is the question that local citizens have been seeking the answer to for several years. There is no question about everyone wanting a park. The question is, where do we put it? How do we finance it, and how do we maintain it? Those are the questions that the civic improvement committee of the Chamber of Commerce and the local Lions Club are seeking the answer to. Anyone having any hint of an answer to any or all of the questions will be welcomed by either or both of the committees.—The Canyon News.

Good News

to us and to all our friends

You've probably heard about it—how the Ford Motor Company is getting into the farm equipment business in a bigger way than ever before. Up to now, you see, Ford has designed, engineered and manufactured tractors—over two million of them all told. Now Ford, through the new Ford Tractor Division of the Ford Motor Company, assumes direct responsibility for both the Ford Tractor and the broad line of Dearborn Implements.

What this means to you as farmers and to us as Ford Tractor Dealers is that we can LOOK TO FORD—even more than in the past—for the best farm equipment that modern methods can produce at the lowest possible cost.

As Ford Tractor Dealers, we have always tried to serve you well. Now, we are confident, we are going to be able to serve you even better—with a great tractor and with the latest and best in farm equipment to help make your work faster, easier and more profitable.

Yes, this is good news to us—to our customers and all our other friends.

BY THE WAY, HAVE YOU TRIED OUT THE NEW FORD TRACTOR GOLDEN JUBILEE MODEL? Try out its new power, its advanced hydraulic system and the easy way it handles. See how it does your own work on your own farm. Then price it!

Cream Whips Main Street Traffic

Traffic jam in front of the county court house last week. Thought every-thing in the county was coming from the Clarion, but they were from the kitchen. A 5-gallon can fell off Fisher's truck, spilling cream over the street. Our cop, Tiny Fields, halted traffic. They could pick up the cream when a kitten ran out and lapping up the cream. Traffic piled up, but Tiny Fields bood. Light changed green three times. After the kitten had enough, Tiny waved the traffic through.

From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinner time, it's just each to his own taste and everything's "smooth as cream" between them.

Mrs. Didway's Sister Dies In California

Funeral services were held in Ojai, Calif., Friday for Mrs. Stella Hill, sister of Mrs. Charles Didway of Post.

Mrs. Hill, a former resident of Clarendon and Hedley, died following an illness of several weeks duration.

Besides the sister of Post, she is survived by her mother, Mrs. Nora Bain of Clarendon; five children and seven brothers.

TIPS FROM YOUR COUNTY AGENT

By JESSIE PEARCE

Clothes last longer when carefully worn and stored. According to Nena Roberson, they affect the wearer's morale, too, if they are well groomed.

There are several suggestions for keeping clothes ready to wear. For instance, hang clothing up as you take it off. This not only prevents wrinkling but helps keep the garments in shape and gives them a chance to rest between wearings.

Keep the closet clean and have enough space for garments to hang there without being crowded. If you have problems along this line, perhaps you can relieve the situation by using the new hangers that hold several blouses and skirts.

When you hang clothes up is the time to check them for buttons and mending. Check too for any stains that need removing. The older a stain becomes the more permanent on the fabric.

Gloves are an important part of any costume so they should be kept well groomed. They need to be washed before they look dirty, for hard scrubbing wears them out. Wash white gloves after each wearing.

Farmer Discovers Eager Hay Market

SEDALIA, Mo. (AP)—R. E. Callen discovered an eager market for his hay the hard way. His truck, piled high with the stuff and en route to another county, cracked an axle and toppled over a few miles north of this Pettis County seat.

Almost immediately, hay-hungry farmers began converging on the trucker, who escaped injury. Before either the highway patrol or a wrecker arrived, Callen had sold his load.

"I didn't know Pettis County needs hay so badly," he said. "I had several offers almost before the truck stopped rolling on its side."

ROUND TRIP

ENID, Okla. (AP)—Bus drivers meet the funniest people. A woman sleepily took an early morning bus to work here, then immediately fell asleep again and rode twice to the end of the line. Finally the perplexed driver awoke his passenger and asked her to pay the fare.

SPECIAL ENROLLMENT For Residents of Garza County

During the Week Starting September 21

HOSPITALIZATION "KING-SIZE"

Up to \$27.00 a day for Hospital Room Up to \$500.00 Doctor's Fee for Operations

NEW 4-WAY PROTECTION PLAN

One out of eight people you know might become a hospital patient within a year — or one out of every three average size families. Could you afford the large hospital and doctor bills you might have if that person should be you or someone in your family?

Here are 4 special policies — each paying in addition to the other, and in addition to workmen's compensation or other insurance you may have. Take all four and you will have a health protection program with "king-size" benefits. Or take just that part of the program you need to secure the type and amount of protection you want for yourself and your family.

1. For Hospital and Surgical Expenses

Girardian policy form G-10 offers \$4 to \$12 a day for HOSPITAL ROOM, up to 200 DAYS on account of any one accident or sickness. Plus liberal cash benefits for Operating Room, Anesthesia, Laboratory Service, Medicines, Blood Transfusions, Oxygen, Surgical Dressings, Ambulance, and many other items. Pays DOCTOR'S FEES for operations, from \$10.00 to \$300.00, depending on nature of operation and according to schedule of fees in policy. Hospital confinement not required for payment of surgical fees. Age limits — 1 day to 80 years.

2. For Additional Hospital Expenses

Girardian's policy form SR-30 pays \$4 to \$15 a day, for each day of hospital confinement, up to 200 days for any one accident or sickness. This is to supplement other plans which do not provide the daily benefit you need. When combined with our policy form G-10, you can arrange for daily room benefit up to \$27.00 a day if you wish.

3. For Doctor's Visits

Payment for Doctors' visits, at home or in the hospital, are provided under Girardian's new medical care policy, form M-20. Benefits start with first visit in case of accident, with third visit for sickness. Also provides for Doctor's fees for operations up to \$200.00, but depending on nature of operation and according to fee schedule in policy. When combined with Girardian policy form G-10, maximum surgical allowances up to \$500.00 are possible.

4. For Loss of Time if Injured

UP TO \$200.00 A MONTH, FOR AS LONG AS FIVE YEARS, if you are totally disabled by accidental injuries, is the protection offered by Girardian policy form D-40. Benefits start with first day of disability. Hospital or house confinement not required. Also provides lump sum payments for accidental death, dismemberment and loss of sight. To keep the cost low, pays half benefit for first 15 days disabled. Excludes suicide, non-scheduled aviation and military hazards... otherwise covers all accidents, at home, work, at play or while traveling.

Liberal Benefits To keep the cost low, and to give the greatest protection to the greatest number of people, these policies must contain reasonable restrictions such as: 15-day waiting period for sickness; 6 months' waiting period for operations due to sickness and for certain chronic diseases specified in the policies. Not covered are mental and nervous cases, rest cure, or alcoholism.

* Maternity benefits up to \$265 available through combination of policy forms G-10, M-20 and SR-30, after 10 months. Not available to persons insured at children's rates. * Legal reserve protection, good anywhere in the World. * Special arrangement with Western Union enables hospital to wire Company collect to speed payment of benefits. * Company licensed by your State Insurance Department. * Accepted by hospitals throughout the country.

P-TA Is Host For Party Thursday

The first meeting of the Post Parent Teacher Association was held in the School Cafeteria Thursday evening, in the form of a "get-acquainted" program. The meeting was opened by a brief business session with reports of committee chairmen and presentation of the yearbooks by Mrs. Ellis Mills. Following group singing, led by Miss Wanda Rogers, and introduction of teachers by Lowell Short, there was a watermelon slicing and general "get-acquainted" period. Class awards for the most parents represented were made to the eighth grade in the High School Division, Mrs. O. G. Hamilton's fifth grade in the Intermediate Division and Mrs. E. F. Schmedel's second grade in the Primary Division.

Austrian Woman To Speak Sept. 28

The public is invited to hear Frau Renee von Bronneck of Austria speak at Post Grade School auditorium at 8 p. m., Sept. 28. She left Paris in August and is coming to this country as a courtesy of the Texas Federation of Womens Clubs. Frau von Bronneck is a former film star, actress, singer and lecturer. The Amity Study Club, which is sponsoring her Post visit, will give a tea in her honor at the home of Mrs. Pat Walker from 2:30 until 4:30 the afternoon before the program. Several guests have been invited by the club.

Mrs. Sam Bevers, Jr., Is Feted At Shower In Hyde-Stevens Home

Mrs. Sam Bevers, Jr., was complimented at a layette shower Monday evening in the home of Mrs. Gladys Hyde and Miss Nora Stevens. Other hostesses were Mrs. L. L. Wright, Mrs. George Tillman, Mrs. Cecil Thaxton, Mrs. Lillie McRee and Mrs. Maggie Childress. One hundred gifts were displayed, among which were a blanket and baby shoes, a surprise gift from Mrs. Bevers' husband who is in the Army and stationed in Korea. Mrs. Bevers also arranged for his wife to be presented with a corsage for the party. A yellow and blue theme was emphasized in party appointments, flowers and refreshments. The serving table was laid with a linen cutwork cloth over blue satin and was centered with a bouquet of yellow dahlias and snapdragons grown by Mrs. Ira Lee Duckworth, and blue tapers. White cake squares with yellow and blue storks punch, salted nuts and yellow mints were served to 50 guests.

Mrs. Balducci Is Honored At Party

A farewell party for Mrs. Sarah Balducci, Garza Memorial Hospital nurse, who is moving to California, was held Friday night in the home of Mrs. Pauline Mathis. Following the party, at which refreshments were served, the group attended the county fair. Those present besides the honoree and hostess were Mrs. Vernon Ray, Mrs. Sybil Shaw, Miss Melba Cowger and Miss Helen Ryle. Plans for the annual school carnival on Thursday, Oct. 29 were made last Thursday at a meeting of the Mothers' Club of the Garnolia School. The following officers were elected for the 1953-54 school year: Mrs. Burney Francis, president; Mrs. H. D. Daniella, vice president; Mrs. Bishop Mathis, secretary. Approximately 26 pupils were enrolled for the first week of the new term at the school. Teachers are Mr. and Mrs. A. T. Nixon.

Culture Club Has Luncheon Saturday

The Woman's Culture Club began a new year with a luncheon at the city hall at 1 p. m. Saturday. The course of study, "This Scientific Age" was used in table decorations. Miss ElWanda Davies sang a solo, with accompaniment by Mrs. J. A. Stallings. Mrs. Roy Shahan offered the invocation and Mrs. J. R. Durrett introduced the new members and guests. Mrs. J. F. Storie presented the yearbooks and the club heard reports from Mrs. James Dietrich, girl scout leader, and Mrs. Conrad Hartel, a representative of the Amity Study Club. Miss Maxine Durrett gave the president's message before Mrs. T. L. Jones led in group singing of "America's Great Songs." Mrs. Charles Gates was pianist. The Pledge of Allegiance concluded the afternoon's program. Attending were Mrs. B. J. Boren, Miss Davies, Mrs. Stallings, Mrs. Dietrich and Mrs. Hartel, guests; Mrs. R. J. Jennings and Mrs. Gates, new members; and Mesdames W. L. Davis, D. C. Williams, Jack Ballentine, Walter Boren, Lee Davis, Durrett, W. R. Everett, O. G. Hamilton, Dowe Mayfield, George Tracy, W. J. PMA Adjustments For Cotton Acreage Lost To Drouth Requested By WTCC

ABILENE (Sp.) — The West Texas Chamber of Commerce today called on Administrator Howard H. Gordon of the Production and Marketing Administration to advise the Texas PMA committee to count in the 1952 and 1953 cotton and wheat acreage totals the "acres lost because of abnormal weather conditions."

A proclamation of cotton acreage controls by Secretary of Agriculture Benson is expected in October which would impose acreage allocations county by county based upon a five-year average of acres in cotton in 1947, 1948, 1949, 1951 and 1952, and wheat controls have already been voted.

"Texas, particularly the western half of the State, will lose heavily when this average is computed because of drouth conditions unless the intent of public law is followed," R. M. Fielder of Abilene, stated. He estimated that more than a mil-

lion acres historically dedicated to cotton were lost to the drouth in Texas in both 1952 and 1953.

Fielder, chairman of the agriculture and livestock committee of the regional chamber of commerce, said that Section 344 (b) of the Agricultural Adjustment Act of 1938, as amended in 1950, gives the PMA authority to make adjustments in drouth areas.

Specifically, the WTCC called for measuring and reporting for the record:

1—Land which was planted in cotton but on which cotton did not come up because of inadequate moisture.

2—Land which was prepared for cotton planting but on which nothing was ever planted because of inadequate moisture.

3—Land which was prepared for cotton planting but on which, after lengthy waiting made cotton planting unseasonable, cover crops were planted instead to prevent wind erosion.

The request which the WTCC sent to Gordon states that the organization had been advised by Congressman W. R. Poage of Waco, a member of the House Agriculture Committee, that public law provides for upward adjustments for these conditions and that Gordon had stated before the House committee in August that the PMA had authority to make these adjustments.

"One of our directors talked to members of the staff of your state office and was advised that office had received instruction from Washington that such acreage should not be included," the message to Gordon states.

"We realize that many of the counties—maybe all of them—have measured the cotton acreage and made their reports. We do believe, however, that the facts should be clarified and that action should be taken by your office to advise your state

FIRST 1953 BALE—Shown here is the first 1953 bale of cotton off the plains in Garza County. Its grower, V. H. Kuykendoll (right) received a \$50 premium from the Post Chamber of Commerce. Mrs. Carl Payton, Pleasant Valley—First, peach jelly; third, peach jam.

Mrs. Robert Mock, Pleasant Valley—Second, tea towels, frog-

office that this acreage, because of the loss by drouth in 1952 and 1953, must be included and that your county PMA officials should be specifically advised to review and remeasure the acreage in each county to be sure that land intended for cotton as pointed out in the three examples listed should be included in the figures for our West Texas counties and for our state, if the 1952 and 1953 acreage totals are to show a fair and equitable situation." The same request was made for Texas wheat acreage.

ROADMASTER
CUSTOM BUILT BY BUICK

To you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motoring experience of the past half century. We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflow—where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built? We'll be happy to arrange matters. Why not visit us soon?

*Available at additional cost on Roadmaster and Super models only. **Optional at extra cost on Super and Roadmaster Sedan and Riviera models.

City Hall Is Scene Of Area Gathering

Approximately 55 members of the Permian Basin Water Works Association attended a regular monthly meeting here Tuesday night at the City Hall, with the Post Water Department as host.

Joe S. Moss, city attorney, made the welcome address in the absence of Mayor T. L. Jones, who was in Lubbock at an inter-city Rotary meeting. The response was by Ralph Campbell, assistant water superintendent at Lubbock.

Pat Hines, Tahoka water superintendent, presided and introduced Phil Sampson of Lubbock, a representative of the Texas Vitreous Pipe Co. Sampson showed two films, one on the manufacture of water pipe and the other on water contamination.

In a brief business session, the group selected Odessa as the site of the next meeting, which will be Oct. 13.

The meal was prepared and served by Mrs. Winnie Henderson and her City Hall kitchen staff.

Four Stations - - -

(Continued From Front Page) inspected, opened Tuesday and will run through next April 15.

Homer Garrison, Jr., director of the State Safety Department, has issued an appeal to car owners to take their vehicles to one of the stations early and avoid a last-minute rush similar to that which resulted under the old law that expired Aug. 25.

Garrison pointed out that all of the station operators have been fully versed in the provisions of the new act, which calls for inspection only of brakes, lighting equipment, horns, rear view mirrors and windshield wipers.

Order Is Placed For Senior Class Rings

Post High School senior class rings and junior pins were ordered Wednesday.

The new rings will be an oblong design, yellow gold with a white gold background for the setting. An antelope's head will be the center setting, with "P.H.S." "1954," and the owner's initials lettered on the ring.

Donnell Eagles Post's Best Home Gridiron Foe

The Antelopes, with one already to their credit, will play their home season Friday night against the Class A O'Donnell Eagles, who lost to Meador last Friday night in their game.

Players used by Coach Bingham and Vernon Friday's hard-fought victory over Ralls came in the game in good shape and the squad is at length for tonight's first game.

Donnell said Tuesday afternoon's starting lineup would be the same as the Ralls game. That is, Williams and Shedd at quarterback, and Meeks, Long and Stephens, Waldrip, center; Graingerback, Chandler and halfbacks, and Bruton.

The O'Donnell eleven handily trounced last Friday's Class B Meador. The Post gridirers are expected tonight's game light season. Post beat O'Donnell in a tight ball game. The boys started the season O'Donnell—half of them. Three of the back-ers are back. They are Moore, Tommy Modisette and Raines. Gerald Moore,

guard, is the only returning line letterman.

Ed Robertson is the O'Donnell coach.

Kickoff time for tonight's game is 8 o'clock.

MISS FLAME — To stimulate interest in fire prevention, members of the Dallas Junior Chamber of Commerce have named pretty Nancy Boyd as their "Miss Flame" queen. She will reign during the annual Jaycee fire prevention parade in Dallas next month and will participate in all club fire prevention activities during the next year.

First In Series Of Assemblies Slated

George Pitts, radio, stage and television star, will present his "Highlights of Variety" in the Post Grade School auditorium at 9 a. m. Wednesday, Sept. 30.

The program will be one of a series of Southern School Assemblies to be presented here during the 1933-34 school year, according to Principal Ellis M. Mills.

The price of admission will be 15 cents, and parents are invited.

Pitts' program will include a comedy hat routine, phantasy in paper, ventriloquism, home playing and an imaginary voyage to Europe accompanied with sound effects.

A J-shaped dagger is part of what every well-dressed Arab must wear in Zanzibar.

Widders Take On '11' Tonight

Antelope "B" team will play football season at home against what is expected to be a strong Class B Wilson team.

"Bing" Bingham's and Ray's starting line-up include seven freshmen, sophomores and one junior.

Will be Noel White, and Ernie Popham, tackle; Leon Davis, and Dickey Beggs, so-wards; Andy Schmidt, and Glas Payne, both fresh-ers; Jackie Carpenter, quarterback; James and halfbacks, Ronnie and freshman, and Norman, sophomore, and full-back, Gates, junior.

Antelopes Win Over Ralls '11', 13-6, In Season's Opening Tilt

The Post Antelopes scored touchdowns in the first and third quarters at Ralls Friday night and then fought off a last-ditch Jackrabbit fourth-quarter rally, which produced one touchdown, to win 13-6 in their first game of the season.

The Antelopes' first touchdown came early in the opening quarter when Halfback Tommy Malouf took a pitch out from Quarterback Moody Graham, streaked for the sidelines and ran 49 yards to score standing up. Halfback Darrell Ray Norman booted the extra point to give the Antelopes a 7-0 lead.

Malouf's touchdown run came on the first play from scrimmage after Post had recovered a Ralls fumble on the Jackrabbits' 49. It was one of five Jackrabbit fumbles recovered by the Antelopes.

The first period touchdown ended the scoring for the first half, but the Antelopes were on the Ralls 16 as the halftime whistle sounded. A pass play with Quarterback Tommy Murray on the throwing end and End Nolan Williams on the receiving

end had carried from the Post 44 to the Ralls 21, and a five yard penalty against the Jackrabbits deposited the leather on the 16 as the half ended.

The Ralls running attack was rendered impotent in the first quarter by a stubborn Antelope defense. Huge Jackrabbit losses on attempted runs came on nice break-through tackles by Ends J. C. Shedd and Williams.

Ralls threatened early in the second quarter on a twisting 29 yard run by Halfback Billy Campbell after the Jackrabbits had pounced on a Post fumble. The play carried from the Antelopes' 39 to their 10, but on the next play Center Larry Waldrip recovered a Jackrabbit fumble and Post punted out of danger.

Norman's third quarter touchdown was set up after Shedd broke through to intercept an attempted pass on the Ralls 32, taking the ball almost out of the hands of the thrower. With Charles Chandler and Malouf carrying, the Antelopes drove to the 20, and then Graham made it to the 15 on a "keeper." Darrell Bruton got down to the 7 on two line plunges and Norman took a pitch-out from Graham, found running room and hugged the right sideline to hit pay dirt. Norman's kick for extra point sailed to the right of the cross-bars.

The Antelopes threatened again in the third quarter after Waldrip recovered a fumble on the Ralls 41. Running plays carried to the 25, but Malouf was thrown for a 10 yard loss on a pitch out to halt the drive.

The lone Jackrabbit touchdown was set up in the fourth quarter by a 15 yard penalty against the Antelopes for roughing the kicker on a punt. With the ball on the Post 27, Campbell broke loose to the 7 yard line, then made it across on the next play.

Williams blocked the try for extra point.

Ralls started driving again after Bruton punted out of bounds for Post on the Jackrabbit 40. Campbell skirted his right end for 13 yards and a first-down on the Post 47, but Bruton came in fast to intercept a pass on his 35 and ran it back to the Ralls 10 before being caught from behind.

Chandler picked up three to the 7 and Bruton plunged to the 3 yard line, but the final whistle caught the Antelopes before they could huddle for another play.

Waldrip, Shedd, Williams, and Guard Ted Tatum shone on defense for the Antelopes, although every man played by Coaches "Bing" Bingham and Vernon Ray gave good accounts of themselves. It appears as though this year's Antelope bench has more depth than any of recent years.

SPORTS Post Scripts

By ELMER FUDD

We're starting off this week's effort with a reminder that what was District 6-AA just before the season began is now District 5-AA, according to the Texas Interscholastic League. The change was made because District 3-AA is not operating this season. District 5-AA teams still are Post, Slaton, Spur, Floydada, Abernathy and Tahoka.

We didn't do too badly on our first-week predictions, missing the boat only on the Slaton-Coahoma, O'Donnell-Meadow and Rotan-Lakeview games. Four right out of seven is a little better than .500, which is as much as a football prognosticator should expect.

Trampled last week by Class B Meadow, 34-6, the O'Donnell Eagles aren't expected to provide much opposition in the Post Antelopes' first home game Friday night. But as long as they are able to trot 11 men onto the field they've got a fighting chance. We're picking Post by a comfortable margin.

The Slaton Roughnecks, Post's opponents for Sept. 25, play Abernathy this weekend (at Sundown). Despite their 27-12 loss to Olton, the Abernathy eleven gets our nod against the as-yet-untested Roughnecks.

The Crosbyton Chieftains, who held Floydada to a 19-7 victory Friday night, will find out Friday night if the Meadow Bronchos are as good as their 34-6 win over O'Donnell indicates. On the basis of their fine showing against Floydada, we're picking the Chiefs in a close one.

The Rotan Yellowhammers, held to a 19-19 draw by Lakeview in their first game, play Roscoe this weekend. We're picking the Yellowhammers in a close one. Rotan plays Post here Oct. 9.

The Tahoka Bulldogs open this weekend on their home grid against strong Denver City, which last Friday eked out a 7-6 victory over Seminole. It looks from here like another victory for the Class A Mustangs over a AA team.

The Slaton Tigers, upset by Coahoma, 19-13, travel to Sea-graves Friday night. Unless Coahoma is stronger than usual, Slaton isn't living up to pre-season "darkhorse" predictions, and we're of the opinion that they're in for another setback.

The Floydada Whirlwinds, favored, along with Spur, to win the District 5-AA title, journey to Tulla Friday. The Hornets lost to Memphis, 15-6, in their opener, and we're predicting that they are in for another defeat from the Floydadans.

The Spur Bulldogs had their hands full Friday night eked out a 13-12 victory over Class A Matador, and face another tough one Friday night when they play host to the Ralls Jackrabbits. Seeing as how Spur has the advantage of the home field, we're picking them over the Rabbits.

See you at the O'Donnell game!

District Scorers Start Off Even

District 5-AA scorers got off to fairly even starts in Friday's opening games, none of them racking up more than one touchdown.

By virtue of having scored a touchdown and made an extra point, Darrell Norman of Post and Joe Sparkman of Slaton, each with seven points, are off to a lead.

The scorers:

	td.	pat.	ttl.
Norman, Post	1	1	7
Sparkman, Slaton	1	1	7
Malouf, Post	1	0	6
Ramos, Abernathy	1	0	6

Tower Theatre's Third Anniversary Is To Be Celebrated All Next Week

Anniversary celebration will be held during the entire week of Sept. 20-26, John Hopkins, manager, has announced.

Highlight of the anniversary week celebration will be awarding of a valuable prize each night through the courtesy of Mason & Company, with the grand prize—a Lane cedar chest—to be awarded the final night of the celebration, Saturday, Sept. 26.

Each day during the celebration, the first ladies will be admitted free. The show opens every day at 1:45 p. m., except on Saturdays, when opening time is 12:45 p. m.

Free cake and coffee will be served at the theatre Tuesday through the courtesy of Parker's Bakery and the American Cafe.

The screen schedule for anniversary week follows:

Sunday and Monday: "Thunder Bay," with James Stewart, Joanne Dru, Gilbert Roland and Dan Duryea.

Tuesday: "The Lady Wants Mink," with Dennis O'Keefe, Eve Arden and Ruth Hussey.

Wednesday and Thursday: "The Farmer Takes a Wife," with Betty Grable and Dale Robertson.

Friday and Saturday: "The Great Sioux Uprising," with Jeff Chandler, Faith Domergue and Lyle Bettger.

"We cordially invite everyone to help us celebrate our third anniversary," the manager said.

The Tower Theatre was opened Sept. 22, 1950. The first feature, Hopkins recalls, was "Louisa."
