

Thursday to Thursday

By CHARLES DIDWAY

Only 19 shopping days until Christmas!

And not until we wrote the above line did we realize that there is so little time left for the youngsters to mail their letters to Santa Claus...

Tuesday was the first day of the wind-up month of a rather eventful 1953. Since the majority of us are "pooped" anyway at year's end...

The Dispatch wishes to join with the Chamber of Commerce in urging everyone to enter the home decoration contest...

There'll be only one Friday the 13th in 1954, and it doesn't roll around until August. Maybe it'll be our lucky year.

We don't suppose there ever was or ever will be an all-district or all any other kind of football team that will please everyone...

First off, we want to say that we're glad Tommy Malouf was named to the offensive team and J. C. Shedd and Novis Pennell received honorable mention for the defensive team...

Nor do we believe that our opinion in the matter is that of one fan. As much praise as we heard throughout the season of Nolan's outstanding gridiron performances...

We don't know Nolan any better than we do any other member of the Antelope squad and there is nothing personal in our opinion.

We've finally learned the 1954 date of Easter Sunday: it's April 18. During the past few weeks, we've had to profess ignorance every time we were asked that question.

Since the publisher didn't use up all the new Texas Almanac in writing his "Getting Out on the Limb" column, we're going to sandwich in a few of the statistics to finish padding out our own effort.

Frinstance we learned that the Texas state motto is "Friendship." The word "Texas" or "Tejas" was the Spanish pronunciation of a

Roger W. Babson Writes This Week:

7,500 Business Failures Since First Of Year Costlier Than In Any Period Since Depression

BABSON PARK, Mass.—Panicky readers disturbed by the increasing number of business failures have asked me if business conditions are not likely to take a sharp drop by 1954. Here is what I think.

Bankruptcies Have Increased The months to come will separate the men from the boys in business. Right now, when we are supposed to be booming along, companies are dying at the rate of 700 a month.

Too many inefficient business operators have been swept to prosperity by the business currents of strong demand rather than by their own business acumen. I predict that many more of these would-be entrepreneurs will be severely squeezed unless they wake up, cut expenses, and get hard at work in general.

Some of my critics say I am too pessimistic. They point out that 67% of our homes are more than 20 years old, that there has been a tremendous shift from farm to suburbs, and that an entirely new way of living and lots of new wants have been created.

Against the argument that we have more people with more education and with more discretionary buying power than ever before, are such realities as these: Through the early months of 1953, shoe production was about

ON SHOPPING AT HOME . . .

With the Christmas season here, Post merchants are stocking their stores with gift lines that compare favorably with those to be found anywhere. Once again, Post residents are urged to do their Christmas shopping at home.

Larger shopping centers often beckon buyers with items that cannot be bought at home, but only in rare cases is the shopper justified in driving a round trip of anywhere from 90 to 150 miles to purchase a gift or other item that can practically be duplicated at home.

Out of civic pride, shoppers are urged to shop their hometown stores for every gift on their list before making an out-of-town holiday buying trip. After all, Post merchants are the only merchants in the world who, in the final analysis, give a hoot about Post. Let's reciprocate by shopping their stores first before going out of town to make Christmas purchases.

NOT ONLY IN WASHINGTON

When we talk of taxes, most of us think of the federal government. That's natural—for federal taxation constitutes our greatest tax burden.

But we will make a bad mistake if we overlook government at the other levels. During the last fiscal year, says the Tax Review, state tax collections broke all previous records, reaching a high of \$10,542,000,000.

The moral is plain. We must fight against wasteful and excessively costly government everywhere—not just in Washington, D. C.

"Your weekly newspaper is the nerve center of a community, and without it that same community would soon begin to lose its identity. It is one of the great bulwarks of a free America. Thousands of weekly newspapers throughout the United States represent the best read printed matter in general circulation today."—Ashland, Neb., Gazette.

"In these days of high taxation, a person has to take advantage of all the good breaks to keep from going broke. But remember, any free handout is just a false solution to the basic difficulty. The day you find yourself believing that government gifts are the cure to all economic evils, that's the day you slipped into socialistic and communistic thinking."—Fowler, Mich., Post.

Doing easily what others find difficult is talent; doing what is impossible for talent is genius.—Henri Frederic Amiel.

Caddo Indian word meaning "friends" or "allies." And that motto applies to all outsiders except a certain writer for Esquire Magazine and Edna Ferber, whose latest novel isn't very complimentary to the Lone Star state.

There's a population table in the almanac which includes the casual information that of Garza County's 6,281 inhabitants in 1950, more than half of them were male—3,265 to 3,016 females. There were 5,967 native white, 70 foreign born white and 242 Negroes.

The median age of the county's 6,281 inhabitants was 26.6, and the median school year completed, 8.7. There were 1,515 families, with a median family income of \$2,889, and 6.9 inhabitants per square mile—plenty of elbow room for everybody!

Other useful things I learned from the new almanac is that texts of both Federal and State Constitutions are included with latest amendments.

Principal federal and all state and county officials are named. There are more than 10,000 names of individuals in public and private life and there is a summary of laws of the 53rd Legislature.

Texas is one of the great military centers of the world with its historic Fort Sam Houston, its Brook Field medical base, largest in the world at San Antonio, its great Naval Air training base at Corpus Christi, and more than 100 other installations.

Texas mineral production values in 1953 are calculated at \$3,720,000,000, greatest in history, and twice as great as the value for any year preceding 1946. Of Texas' 254 counties, 185 produce oil or gas on appreciable scale. The new Texas Almanac lists all oil-producing counties with latest annual production, and also total production from time of first discovery until the present.

There is a complete summary of the latest census reports, showing details by counties. All county articles are rewritten and all county detailed maps redrawn showing especially the details of farm-to-market and local road paving.

Miscellaneous items include a long list of Texas tornadoes, 1893-1953, compiled by the Weather Bureau, a comprehensive

Getting Out On The Limb

by EDDIE the editor

MONEY-GRABBER: Anybody who grabs more money than you can grab.

This ailing world would be in much better shape if there were as many people willing to fill prescriptions for its cure as to write them.

THE WOMEN, GOD LOVE 'EM: Did you ever stop to think that a woman's promise usually carries a lot of wait.

TEXANS HAVE a reputation the world over of being boastful about their state. One reason is that they never run out of facts and figures from which to quote—not as long as there is a Texas Almanac.

I have just received the new 1954-55 edition of the Texas Almanac with the compliments of The Dallas Morning News. It's crammed full of facts and figures of which any Texan can be proud.

Booming industrial development and short water supply constitute the big pro and con of present Texas economic development, according to the new almanac.

Net values of Texas manufactures in 1953 reached the 4-billion-dollar mark. Principal new activity during the last two years has been in the building of great new chemical plants along the Gulf and the erection of big interior plants such as the \$100,000,000 aluminum plant at Rockdale and the big steel mill at Daingerfield.

A water shortage affected more than 100 large and small cities and towns during the 1951-53 drought. But by the middle of 1953 there were 525 reservoirs completed or under construction with a total capacity of 36,000,000 acre-feet, with something like 100,000,000 acre-feet capacity on the engineers' drawing boards.

Not under the weather chapter is a wet-dry map of the state, showing prohibition as against liquor, beer wine and beer territory. Most of the area of Texas is dry. Most of the population, however, resides in wet territory.

An interesting thing I noticed about that wet-dry map is that you can leave Post headed due east and you won't hit wet territory anywhere before reaching the Louisiana state line. You'll travel through 15 dry counties—Kent, Stonewall, Haskell, Throckmorton, Young, Jack, Wise, Denton, Collin, Hunt, Hopkins, Franklin, Titus, Morris and Cass.

If you strike out due north looking for wet territory, you'll traverse the dry counties of Crosby, Floyd, Briscoe and Armstrong before entering Carson County, where the picture changes. Going south from Post, you must cross dry Borden County before entering Howard, where the only wet spot is the southwestern corner.

Other useful things I learned from the new almanac is that texts of both Federal and State Constitutions are included with latest amendments. Principal federal and all state and county officials are named. There are more than 10,000 names of individuals in public and private life and there is a summary of laws of the 53rd Legislature.

Texas rail, truck bus and air commerce reached a new high in both freight and passenger business. At 47 commercial airports, 1,887,817 passengers were employed in the last year reported with 91,631 for foreign destinations.

Texas is one of the great military centers of the world with its historic Fort Sam Houston, its Brook Field medical base, largest in the world at San Antonio, its great Naval Air training base at Corpus Christi, and more than 100 other installations.

Texas mineral production values in 1953 are calculated at \$3,720,000,000, greatest in history, and twice as great as the value for any year preceding 1946. Of Texas' 254 counties, 185 produce oil or gas on appreciable scale. THE AMERICAN WAY

Our Contemporaries Are Saying

Essay On Men A girl in Hamlin High School is reported to have prepared this essay on men:

Men are what women marry. They are divided into three classes—husbands, bachelors and widowers. A bachelor is a man whose mind is filled with obstinacy and whose soul is filled with suspicion.

Bandit Car Displayed The car that was used by John Dillinger and bandit company for 39 holdups and 13 murders will be in Spur Friday and Saturday, sponsored by the local American Legion.

You Can't Go Back When you stop to look upon the time that has passed you think it had wings and super-sonic speed.

Latest Ulcer Remedy Latest ulcer remedy I have heard about: concentrated cabbage juice. Saw a newspaper story in which a good many folks say it really works.

Land Suit Settled One of the longest, most involved and intricate court cases ever heard in Kent County came to an end when the jury found in favor of the heirs of the late Percy Jones.

They'd Better Not Try Advertising on billboards might have been effective to some extent in the horse and buggy days when people had time to read while they rode.

list of Texas historic places, principal diseases of Texas crops, characteristics of Texas' 20 principal cotton varieties and where they are grown, and tens of thousands of other interesting facts and figures.

The Long Green Money may be the root of all evil, but the long green seems to make very attractive shrubbery.—The Kaufman Herald.

Money may be the root of all evil, but the long green seems to make very attractive shrubbery.—The Kaufman Herald.

They'd Better Not Try Advertising on billboards might have been effective to some extent in the horse and buggy days when people had time to read while they rode.

The case involved a claim for "excess lands," which the court ruled did not exist.—Jayton Chronicle.

This car is a 16-cylinder 1931 Cadillac which weighs 9,144 pounds. It has an apparatus under the motor to spray tacks on the road of would-be pursuers.

When you stop to look upon the time that has passed you think it had wings and super-sonic speed. When you look forward to some good event, time appears to run like molasses in January.

Latest ulcer remedy I have heard about: concentrated cabbage juice. Saw a newspaper story in which a good many folks say it really works.

Yes sir, skip through such a book makes you proud to be a Texan, besides giving you a Stetson-full of brand-new statistics to spring on out-of-staters.

CHARLES DIDWAY E. A. WARREN

Entered at the Post Office at Post, Texas, for transmission through the mails as second class matter, according to an act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the manager.

Remembering Yesteryears . . .

Five Years Ago This Week Mrs. Arlie Ramage was complimented at a recent lavette shower in the home of Mrs. Delmer Cowdrey. New gold satin basketball suits for the girls team at Post High School were received last week.

Ten Years Ago This Week Mr. and Mrs. Phil Boucher are parents of a son, Joe Tom, born in Lubbock General Hospital. He weighed five pounds.

Fifteen Years Ago This Week Miss Rose Jean Bailey, high school senior, will be crowned football queen at a dance in Post High School gymnasium Friday night.

Close City farmers will meet tonight to consider buying the gin there, now owned by J. E. Griffith died Wednesday heart attack in a Beverly Calif. hotel. He was there while supervising remodeling of City's supper club, which he purchased.

"Where Good Food Is Never Accidents"

the MATCHLESS Gift for Mother

Of course, it's an electric range. Here's the gift that keeps on giving 1,095 times a year—3 times a day, every time Mother cooks a meal.

Smith of Howard Fay-  
age in Brownwood spent  
holiday weekend with Mr.  
s. Ray N. Smith.

Visiting Miss Kate Lowrie last  
week were Roger Kennedy and  
Mr. and Mrs. Paul Lischler of  
Goldthwaite.

The Rev. and Mrs. George  
Chandler and three children of  
Clovis, N. M., spent Friday here  
in the Shelby Bishop home.

# Let's talk turkey

Whether you are planning to serve one of the small turkeys that weighs just a few pounds or the traditional 20-pound bird this Christmas — you can be sure it will cook to perfection on your modern gas range. If you are broiling, roasting or frying your turkey let your modern gas range take over the cooking job — while you enjoy a real holiday with family and friends.

## To Roast a Turkey

Salt body cavity and stuff lightly; close opening by placing several skewers across it, then lace around them with a cord. Grease the skin of the bird with melted cooking fat, then salt and pepper. Place on rack in an open roasting pan. Roast the turkey with breast down until 45 minutes before end of cooking time, then turn bird to allow skin to become golden brown. If desired, cover top and sides of bird with fat-moistened cheesecloth during the roasting period. Roast according to following chart:

Weight	Temperature	Hours
8 to 10	325° F.	3 to 3½
10 to 14	325° F.	3½ to 4
14 to 18	300° F.	4 to 4½
18 to 20	300° F.	4½ to 5
20 to 25	300° F.	5 to 6

## Former Post Resident Is Operating 31 Ice Cream Trucks In San Antonio

(EDITOR'S NOTE: The following article from a San Antonio newspaper is a sketch on Fred Cravy, former Post resident and son of Mr. and Mrs. Will Cravy of this city.)

### Les Short Closes Out Buick Agency

Les Short has announced that he has closed out his Buick dealership agency here and that the firm's service department has been taken over by James Altman and Ray Warren, both of Post.

Short, Buick dealer here for the past three years, said he had made no definite plans for the future, but probably would continue making his home in Post until after the first of the year.

Both Altman and Warren have had several years' experience in automotive repair work. Altman was service manager for Short at the Buick agency.

### Defense Bonds Will Help In Replacing Farm Machinery

Most farmers of Garza County would benefit in the long run if they participated in the U. S. Treasury Department's farm machinery replacement program, T. R. Greenfield, chairman of the county U. S. Savings Bonds committee, said this week.

The machinery replacement plan is very simple, he pointed out. It merely urges farmers to put the amount of the annual depreciation of the farm tractor into U. S. Defense Bonds each year. At the end of 10 years the farmer would have enough money saved, with interest, to pay for a new tractor and have some left over.

Most farmers know the importance of the farm tractor to the agricultural production plant. Without the tractor, the "power plant" of the farm, production stops. The farmer cannot afford to have this production stop or even slow down. His personal welfare as well as that of the nation depends a great deal on the continued operation of our American farms.

The county chairman pointed out that new Savings Bonds offer farmers an even better investment now than ever before. The Improved Series "E" Savings Bonds have all the old advantages plus a new higher rate of interest and an improved yield in the early years. They can be extended at interest for 10 years after maturity.

### Tillman Completing AF Basic Training

Danny R. Tillman, 18-year-old son of Mr. and Mrs. George Tillman of Post, is completing his Air Force basic airman indoctrination course at Lackland Air Force Base, San Antonio.

The basic training is preparing Tillman for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

### Wildcat In Garza Is Plugged, Abandoned

Operator has plugged and abandoned the Harry Hubbard No. 1 Shelby CSL wildcat in the northwestern part of Garza County, after finding no shows of oil or gas in the San Andres.

Total depth was 4,100 feet in lime and shale. No drillstem tests were taken. It was one and one-half miles south of a 3,813-foot dry hole and three miles north-west of the Buenos field area.

Exact location was 7,197 feet from south and 330 feet from north lines of Abstract 399, Shelby CSL Survey, two miles south-east of Southland.

Mr. and Mrs. Jim Kirby of Abilene spent Thanksgiving here as the guests of Mr. and Mrs. Jim Slapley.

HAMILTON DRUG

Those Cravy ice cream trucks that go tinkling around town, exciting all the children, would not be in San Antonio if it had not been for a dream Fred H. Cravy had back in 1947. He was living in West Texas at the time and dreamed one night that he was going into the ice cream business in San Antonio. Up to that time, he'd only been in San Antonio once in his life—but he made the dream come true.

Since then he's been active in San Antonio civic affairs and, among other things, is president of the San Antonio Safety Council. Born Feb. 1, 1917, in Garza County, he spent his early years on a ranch, then at the age of 13 moved to Post to attend high school. He didn't participate in activities outside the class room; he didn't have time. He was working in his free time.

After graduation, he studied business administration at John Tarleton College for a year, then transferred to Texas Tech where he studied mechanical engineering. At the age of 20, he began operating a service station in Colorado City and was there for three years.

Moving to San Diego, Calif., he entered an industrial school. The courses he completed there enabled him to obtain a position as foreman at a Dallas aviation plant in 1942. He also served in the company's educational department, teaching tooling and engineering to company employees.

For a time, after World War II, he drove an ice cream truck in Hollywood. Returning to West Texas with his wife, he had that dream about entering business in San Antonio. The Cravys talked it over the next morning at breakfast and, before the day was over, were en route to San Antonio. Cravy went into business with one truck in October, 1947; now there are 31 Cravy trucks rolling around town.

Cravy is a Shriner, a member of the Chamber of Commerce and the Jaycees and is chairman of the new city traffic commission. He became interested in the Safety Council because "in my business we deal with children." The Cravy residence is at 202 Ridgehaven Place.

Visiting Mrs. Joe Ford this week is her sister, Mrs. Ollie Carroll, of Dublin.

Miss Pearl Self, a student in Hardin-Simmons University in Abilene spent the holidays here with her parents and friends.

Holiday guests in the J. T. Peddy home were Mr. and Mrs. O. B. Peddy and two daughters of Houston, Mr. and Mrs. A. A. Porter and two sons of Big Spring, Mrs. K. E. Young and two sons of Lamesa, Mr. and Mrs. Dale Stone, Darrell Stone of Texas University in Austin and Miss Mary Lou Hedgepath.

Pfc. George Fallis of Camp Pendleton, Calif. is visiting his niece, Dorothy Sanders.

Mr. and Mrs. Hiram Sanders and Larry Joe of Carlsbad, N. M., were holiday guests of her mother, Mrs. E. L. Gilmore.

The Rev. and Mrs. Shelby Bishop and family spent Thursday in Lubbock with his parents, the Rev. and Mrs. H. P. Bishop.

Mr. and Mrs. Robert Holden and two children of Midland were Thursday guests in the Joe Ford home.

Thanksgiving guests of Mrs. E. L. Gilmore were her son and family, Mr. and Mrs. Harvey Gilmore and two children of Amarillo.

**Addax Candidates Election Winners**

It's official now. The president and vice president of Post High School's Student Council are Billy Layne Gray and Donald Moore, respectively.

The two Addax candidates were elected last week in the third balloting to decide the winners. The first balloting resulted in a deadlock, and on the second ballot, Larry Waldrip and Don El Dale, Black and Gold candidates were elected.

The third election was held after the Addax party's request for a new election was granted by school officials.

Gayle Askins and Nora Brunton, elected secretary and treasurer, respectively, in the second election, did not figure in the third balloting.

Mr. and Mrs. George Duckworth have returned home after spending a few days in Amarillo with the Hendersons and in Tulsa with Mr. and Mrs. Buster Sadler. Mrs. Sadler is the former Miss Irlin Wilks of Post.

**Entry Deadline Is Producing Rush At Fort Worth Show**

FORT WORTH (Sp.)—As the deadline for livestock entries nears, the mail at the offices of the Southwestern Exposition and Fat Stock Show is growing heavier and indications point to a record number of beef and dairy cattle, sheep and goats. Final day for these entries is Dec. 15.

Premiums are the largest in the Stock Show's history—\$173, 235, including the horse show and rodeo. Exhibitors of horses have until Jan. 8 and exhibitors of poultry, turkeys and rabbits have until Jan. 15 to send in their entries.

Plans are already in motion for the world's greatest indoor rodeo, Verne Elliott, "Mr. Rodeo," who has produced all but two of the rodeos here since 1925, again will present the show. As was the case a year ago, Reutter Bros. will be associated with him and the combined strings of rodeo stock form the greatest collection of bucking horses and fighting Brahmas bulls in the country.

Special days are being set in honor of organizations and cities. Show dates are Jan. 29 through Feb. 7.

Mrs. E. B. Crockett, part of last week.

**Bits Of News From Here and There**

It was erroneously reported in last week's Dispatch that Kim Wilks had been treated and released at Garza Memorial Hospital. The item should have read Pink Wilks.

Weekend visitors in the Roy James home were Mr. and Mrs. Hugh Martin and children, Mr. and Mrs. Gene Martin and children, Mr. and Mrs. Barney Martin and children, Mrs. Leroy Hilberry and children and Mrs. Harry Berry and children of Soudown.

Sunday at Lazbuddle with his cousin and wife, the Loyd Smiths.

Friday visitors of the Robinson family were Mr. and Mrs. E. Farris of Bonham, Miss Donna Farris of Abilene, Zeal Robinson and son of Levelland, Mr. D. C. Roberts, Sr., and Mrs. Leonard White of Lubbock.

Mr. and Mrs. H. W. Schmidt and children, Andy and Susie Jo, visited in Houston and College Station on Thanksgiving. They saw the Texas A. & M.—Texas University football game at College Station. Their son, John, who is attending school there, returned to Post with them for the weekend.

All of Mrs. Willie Richardson's children and all but one grandchild, Mrs. Tom Leake, and her husband of Lawton, Okla., were present for a Thanksgiving dinner. Attending were Mr. and Mrs. Leroy McCrary and Butch and Danny of Amarillo, Bill McCrary of TCU in Fort Worth, Mr. and Mrs. Flev Richardson and Don and Danny, Mr. and Mrs. Preston Mathis, Mr. and Mrs. L. J. Richardson, Jr., and Becky and Mike of Brownfield and Mr. and Mrs. Bill Richardson and Bonnie, Bickey and Glib of Amarillo.

**TB Patients Given 200 Deer Hides By Hunters Of Texas**

AUSTIN (Sp.)—More than 200 deer hides reached Austin in the first two weeks of the hunting season as Texas sportsmen answered a plea of tuberculosis patients for buckskin.

L. M. Rathbone of the Austin Taxidermist Studio who is donating both shipping and tanning costs said various locker plants over the state have advised him they are collecting the hunters' contributions for bulk shipment.

The tanned leather will be used in handicraft projects in the four state-operated TB hospitals at Tyler, San Angelo, San Antonio and Kerrville, where hospital officials say occupational therapy is one of their gravest needs.

Mrs. Alice Coombs of Austin who is in charge of the occupational therapy efforts in the state hospitals system has said 1,000 hides could be utilized in each of the four TB hospitals during the next year. This number would approximate one tenth of the Texas deer kill reported last year to the Game, Fish and Oyster Commission.

Hides may be sent collect by motor freight or express. Mr. Rathbone says, but they should be marked "For TB Patients."

Mrs. Ella West who has been visiting her sons, Drs. Lincoln and Vernetta Sanders, in St. Louis, Mo., returned to Post Wednesday night.

Mr. and Mrs. Jesse Compton are announcing the arrival of a daughter weighing six pounds and 15 1/2 ounces, at 9:38, Nov. 26, in Garza Memorial Hospital. She has been named Carol Kay. Mr. and Mrs. Dick Roach are the maternal grandparents. Mrs. R. B. Tucker is Carol's great-grand mother.

A daughter weighing five pounds, 14 ounces, was born to Mr. and Mrs. Arnold Parrish of Post at 1:30 p. m. Tuesday in the West Texas Hospital in Lubbock. The new arrival is the Parrish's first child.

## Ed Moseleys Feted At Dinner Party

The Robert Mock home in the Pleasant Valley Community was the scene of a dinner party Saturday night honoring Mr. and Mrs. Ed Moseley who recently moved to Post. A gift was presented to the honor couple.

Those present were Mr. and Mrs. Jack Burkett, Mr. and Mrs. Buddy Hall and Joe, Mr. and Mrs. Hershel Bevers and Peggy and Sherry, Mr. and Mrs. Skinyne Kuykendall and children, Mr. and Mrs. Wesley Scott, Mr. and Mrs. Eldon Lancaster, Mrs. T. L. Adams and girls, Mr. and Mrs. R. V. Burnes and sons, the Moseleys and Mock family.

## Troy Gilmores At Home In Carisbad Following Wedding

L. L. Grenillian of Carisbad, N. M., is announcing the marriage of his daughter, Leola, to Troy Gilmore, formerly of Post. The double ring ceremony was read Saturday by the Rev. Joe E. Maneul, pastor of the First Methodist Church, in the bride's home in Carisbad.

The bride wore a light grey suit with white accessories and a corsage of red carnations. Mr. and Mrs. Grigg Lozendy attended the couple.

Mr. and Mrs. Gilmore are at home at 504 N. 8th Street, Carisbad. The bridegroom is employed by the Lozendy Grocery and Market.

## Mrs. Robert Cox Entertains Club

The Priscilla Sewing Club met at 3 o'clock Friday afternoon in the home of Mrs. Robert Cox, with 10 members present.

The hostess served congealed salad on lettuce leaves, chocolate cake and coffee to: Mrs. Lawrence Epley, J. D. McCampbell, George Sartain, Earl Westler, Victor Hudman, Ben Williams, E. H. Collier, N. C. Outlaw and D. C. Hill, Jr.

The club's annual Christmas party will be held at its next meeting, place and time of which has not been set.

Mrs. Gordon Hamilton and Billy visited relatives in Santa Anna Friday and Saturday.

## Mr. and Mrs. Franklin Observe Golden Wedding At Open House

Mr. and Mrs. O. B. Franklin, Garza residents since 1914, observed their 50th wedding anniversary Saturday, in the home of their son and daughter-in-law, Mr. and Mrs. E. A. Franklin.

Eight members of Calvary Baptist W.M.E. met Tuesday for the Lottie Moon Christmas program.

"The Choraleans," high school choir, will sing Sunday morning at the First Presbyterian Church, the Rev. Gerald N. Blackburn, pastor announces.

Roy Shahan, First Baptist pastor reports: "Last Sunday was a good day in attendance and interest at our church. We are looking forward to another good and even better this Lord's Day. The subject for Sunday morning's sermon will be 'The Master's Map of Missions' (Matt. 28: 18-20 and Luke 13:29). At the evening service the theme will be 'Over and Above' (1st. Chron. 29:3 and Matt. 26:39). If you are not in attendance in worship services, a welcome awaits you at the First Baptist Church. 'Come thou with us and we will do thee good.'"

The Church of the Nazarene will have as guest speaker Sunday evening at 7:15, the Rev. J. W. Short of Greenfield, Ind., who is touring the Abilene District of the Church of the Nazarene, in the interest of the Home Mission Revolving Fund. The Rev. Mr. Short served as a district superintendent for 35 years and retired from the superintendency about two months ago. "He has enjoyed a rich and fruitful ministry which is continuing as an evangelist," the Rev. A. E. Duke, pastor, said. Members of the Church of the Nazarene and the pastor extend an invitation to the public to hear the Rev. Short and enjoy the fellowship of this service.

The intermediate girls Sunday School class of Calvary Baptist Church was entertained Tuesday night in the home of Mrs. Pole Crippin. Refreshments were served to the following: Loreta Blodgett, Joan Odem, Eva Lee Bishop, Tommy and Patsy Rogers, Gladys Pierce, Dorothy Sanders, Alex Fay Kiker, Mary Jo Smith, Kay Anthony and Janice Ticer.

The regular meeting of the 44's scheduled for Monday night has been postponed until Friday night, Dec. 31, at 7:30 o'clock. Everyone is invited to attend and a special party is being given a quartet of ten choraleans and a pie.

Don Davies will observe his birthday Dec. 2.

Mr. and Mrs. June Coffey of Lubbock spent Thanksgiving in Carisbad with Mr. and Mrs. A. H. A. and Mrs. Tom Coffey.

## Miss Ferguson And Billy Greene Repeat Vows Thursday Evening

Miss Patsy Louise Ferguson, daughter of M. and Mrs. Howard Ferguson, became the bride of Billy Greene, son of Mr. and Mrs. W. B. Greene of Iowa Park, Thursday evening.

## Miss Mary Jo Williams To Wed L. W. Evans On New Year's Day

Mr. and Mrs. Charley Williams are announcing the approaching marriage of their daughter, Mary Jo, to L. W. Evans, son of Mrs. Mable Martin.

The Rev. Herbert Addrell will read the double ring ceremony at 8 o'clock in the evening, Jan. 1, in the First Baptist Church.

Miss Williams and her fiance were graduated from Post High School in May. The prospective bridegroom is employed by Armstrong Moving and Storage Company in Lubbock, where the couple will be at home following the wedding.

## Hospital Notes

Relatives and friends are requested to observe the following schedule of visiting hours at Garza Memorial Hospital: 10 to 11 a. m.; 2 to 4 and 7 to 9 p. m.

**Cotton Allotments Will Slash '54 Crop One-Third, Says Extension Economist**

COLLEGE STATION (Spl.)—When the 1954 cotton crop moves to market, growers will compete with an 8.4 million bale carry-over, the largest of any postwar year.

Furthermore, while an approval to marketing quotas will assure growers a 90 per cent parity support price, John G. McHaney, assistant extension economist, says cotton acreage allotments will reduce the state's crop next year by one-third.

Tentative national marketing quotas call for the production of 10 million bales of upland cotton and 30 thousand bales of extra long staple. Acreage allotments should tend to boost the price, but will cut the total cash receipts from cotton, McHaney explains. Allotment quotas must be approved in a national referendum vote by two-thirds of the growers.

The current crop of upland cotton is about 25 per cent larger than normal and approximately twice the extra long staple is in supply. Including the 1954 crop, the carry over from last year and a few imports, this country now has 21 million bales. Domestic consumption and exports will lower the supply to 8.4 million bales by August, 1954, McHaney says.

The economist foresees a small drop in domestic milling consumption during the coming year. Delivery to the military forces probably will decline. And, while cotton exports are down 2.5 million bales from 1951's 5.5 million, a further decline is not likely. Exports may advance slightly, he says.

**Penix New President Of Lubbock Deaf Club**

Otho C. "Buddy" Penix, shop employe at The Post Dispatch, has been elected as new president of the Lubbock Club of the Plains Association of the Deaf. He had been serving as secretary.

Penix's election came at a recent meeting of the club in Lubbock. As president, he succeeds Guthrie Williams of Lubbock.

The club, which has 96 members, meets in Lubbock once a month.

Guests last week of Mr. and Mrs. Otho C. Penix were his sister, Barbara Penix of Dallas, and Weldon Greer of Fort Worth. The four spent Thanksgiving Day in Crane with Mr. and Mrs. Artie Shaver.

**Legion Asks That Nov. 11 Be Called 'All Veterans Day'**

The American Legion will spearhead a movement for the passage of a bill by the next Texas Legislature to declare Nov. 11 "All Veterans Day," according to a resolution unanimously adopted by the organization's state community service committee which met here at state headquarters the past weekend.

The community service committee, headed by Mayor R. C. Gusman of Bay City as chairman, in its resolution stated that since Nov. 11 is now a national holiday because of Armistice Day, that it could well be the day to honor veterans of World War II and the Korean conflict also.

The resolution stated that VJ Day and Pearl Harbor Day, all as significant as Armistice Day, had failed to gain recognition as had Nov. 11. "The result is that there is no set day now in which the people of Texas can give pause and honor to those who died in the wars of the past two generations."

The resolution calls upon all of the Texas posts and the districts and divisions to support the government. Others present

**BITS-OF-NEWS**

Mrs. R. W. Babb and Gemell were Thursday dinner guests of Truett Babb in Meadow. Other visitors were Mr. and Mrs. J. W. Brannon and Truett Wayne of Silverton and Max Williams of Cotton Center.

J. W. Orr of Fort Worth spent the weekend here with his son, W. C. Orr, and family.

Mrs. Mable Martin with her daughter, Reese, who is ill.

Mrs. Annie Brown Lubbock with the Johnsons last week.

Mrs. and Mrs. M. J. Malouf and Tommy had as their Thanksgiving guests Mr. and Mrs. Mitchell Malouf, Jr., and Sherry Melinda of Eunice, N. M., Mr. and Mrs. Buddy Malouf and Mark Steve of Borger, Mr. and Mrs. Johnny Malouf and Michael and Matthew of Lubbock and Mr. and Mrs. Bill Sanders and Madlyn of Plainview. The Maloufs were expecting their daughter, Mrs. Alfred Assad, and family of Los Angeles, Calif., but they were unable to be here because of illness in the family. Mrs. Malouf said she was serving turkey and dressing, ham and all the trimmings and the boys asked "if that were all they were going to have to eat." She said their teasing was a good sign that they all enjoyed themselves.

**Pastor Urges Look At Other Side Of Thanksgiving In Union Service Here**

"It is too easy for man to look about him and be thankful only for material things," said the Rev. Charles R. Gates, First Methodist Church pastor, in his Thanksgiving message at last week's union service at the Church of the Nazarene.

"Let us look at another side of Thanksgiving and see what we have to be thankful for... our homes, our government, our people and our churches."

"The key to our every thought," continued the speaker, "is found in these words: 'Bless the Lord, O my soul, and all that is within me.'"

"Within man," said the Rev. Gates, "man finds joy that overcometh sorrow, happiness that overcometh disappointment, peace that overcometh confusion, hope that overcometh despair, assurance that overcometh darkness, faith that overcometh death, and love that overcometh self."

"This is Thanksgiving, a real Thanksgiving, for man has found within the real values of life. Let us be thankful tonight—as a nation, a people—and apply this text to our hearts: 'Bless the Lord, O my soul, and all that is within me; bless His holy name.'"

The program was as follows: Prelude, Miss Wanda Rogers; invocation, the Rev. Almon Martin; hymn, "Stand Up for Jesus";

## Post Men Named Members-At-Large Of Comanche Trail Boy Scout District

Victor Hudman and Dr. B. E. Young of Post were named as members-at-large of the district committee of the Comanche Trail District, Boy Scouts of America, at the annual district business meeting held recently at C. W. Post Memorial Scout Camp.

Officers elected for the coming year were Alex Webb of Sla-

ton, district chairman; Melvin Kunkel of Slaton, vice-chairman, and John Thomas of Ralls, district commissioner.

The following district operating chairmen were appointed by the new chairman: Dr. Dale Rhoades of Crosbyton, finance; Cliff Cox of Slaton, advancement; Phil Brewer of Slaton, health and safety; Mack Klattenhoff of Slaton, camping and activities; L. B. Hagerman of Slaton, organization and extension.

The district operating chairman for 1953 gave reports to the district committee on progress in the past year's program.

Other district members-at-large besides Hudman and Dr. Young are: George Gabriel of Spur, Jean Smith of Cone, L. A. Wicks of Ralls, Thomas, A. W.

Lott of Lorenzo, Fred Cunningham of Crosbyton, Webb, Kunkel, Hagerman, J. Edd McLaughlin of Ralls, Brewer, James Cox of Ralls, Cliff Cox of Slaton, Dr. Rhoades, Klattenhoff, and the Rev. Mr. Watkins of Idalou.

The members-at-large represent the business, civic, religious, scholastic and industrial interests in the district. Other members of the district committee are institutional representatives who are appointed by the institutions which sponsor scouting in the respective communities.

### Post Men Judges At Floydada Pony Show

George Samson and Earl Hodges were in Floydada Friday to judge that city's first annual Shetland Pony Show, which attracted 79 entries with awards going to persons from 10 different South Plains towns.

The grand champion of the show was the stallion shown by Earl E. Elliott, Shallowater. Reserve champion went to J. G. Cagle, Floydada.

The Bruce Shepherd family of Levelland and Mrs. Wilton Payne and Paula of Tuboka were Sunday visitors of Mrs. W. J. Shepherd and Gertrude and Linda Ward.

### Two Garza Countians Attend TSTA Meeting

At least two Garza countians, Dean A. Robinson and Mrs. Mary Lee Wristen, were among the approximately 10,000 teachers and administrators in Dallas last week for the three-day annual convention of the Texas State Teachers Association. Robinson is superintendent of education in Garza County, and Mrs. Wristen is a teacher in the Graham school.

At the closing session Saturday, Mrs. Kate Bell, assistant director of Houston elementary schools, was elected president of TSTA. G. E. (Tommy) Thompson, Kermit superintendent of schools, was chosen vice-president.

Mrs. J. F. Brandon was carried to a Lubbock hospital Sunday afternoon.

**"The coffee's terrible but it's the only restaurant in town"**

Muddy coffee. Soggy toast. Indigestible food. Bad luck for the hungry salesman who stops in that town for a bite to eat. The missing ingredient is "competition."

Funny how that word has a way of stirring up activity.

People who manufacture things, for example, prickle all over when they think about competition. They sit up evenings fretting about it, and spend millions to improve their products. The result, of course, is high quality at lowest possible cost. And the winner of a contest like that has to be the public.

People are tempted sometimes to wonder what life would be like without competition. For a clue, they might note the shabby fall in living standards in countries where clumsy fingers of state monopoly have strangled competition.

Over 3,000 manufacturing firms in America share in the electrical business. We can name offhand 20 sizable firms that compete at giving the public better refrigerators. There are more than 200 rivals in the making of electric motors. At least 37 in electric irons; 53 in home freezers; 25 turn out vacuum cleaners. And so on down the list.

Some companies competing with General Electric today actually sprang up from the seeds of General Electric research. New products have invited new companies. In certain cases, whole new industries. And more will come.

The competitive race just never ends. That sounds tiring for the contestants, but in fact it is healthy exercise. Healthy for the country, too. At General Electric we wouldn't have it any other way.

*You can put your confidence in—*

**GENERAL ELECTRIC**

## Cowboys' Christmas Ball Set At Anson

ANSON (Spl.)—The annual Cowboys' Christmas Ball, commemorative of Larry Chittenden's ballad and a square dance at the Star Hotel where he was guest in 1885, will be staged in Pioneer Hall here Dec. 21-23, inclusive, at 8 o'clock each evening.

A regulation will be in effect

that participants wear costumes of the 80's and 90's on the nights of the dance.

Mr. and Mrs. Charles Bowen has as their guests during the holidays their daughter, Mary Neil, a student in Hardin-Simmons University in Abilene and their son, Charles, of Texas Tech. Joyce Short of Tarleton State College visited her parents, Mr. and Mrs. Lowell Short, and family during the holidays.

### Poll Tax Payments Are Lagging Here

A total of 353 poll tax receipts had been issued up to Wednesday noon at the office of County Tax Assessor Collector Carl Cederholm.

With 1954 an election year, indications are that January will be the "big" month in poll tax payments. The deadline for payment in order to vote is Feb. 1.

In the general election year of 1952, a total of 1,449 poll taxes were paid in the county. The 1950 figure was 1,442, and that of 1948 was 1,605.

Less than 800 poll taxes were paid for 1953, which was an "off" election year.

December is the last month in which discounts are allowed on state and county tax payments. A one per cent discount is in effect this month, following discounts of three per cent in October and two per cent in November.

### AF Reservists May Travel By Airlift

**HENSLEY FIELD (Sp.)**—Air Force reservists from the Post area are now authorized to travel by airlift to the Air Force Training Center at Hensley Field, Grand Prairie, Texas. Col. Jerry W. Davidson, commander, 8708th Pilot Training Wing, announced today.

A reserve C-46 Curtiss "Commando" transport plane will be flown from Lubbock, Midland, and Big Spring, one weekend each month to take 8708th Wing members to the Dallas-Fort Worth area for weekend reserve training.

Headquarters Continental Air Command, Mitchell Field, New York, recently authorized the airlift so that reservists away from metropolitan areas could benefit from training with an organized unit.

The 8708th Pilot Training Wing trains officers and men to set up a pilot training school in event of national need. Col. Davidson said: "There are now more than 900 paying weekend jobs open to qualified reservists. Veterans who desire more information are invited to contact wing members in Post, or with Reserve Recruiting Office, Hensley Field, Grand Prairie."

### Uranium Boom Town Hasn't Single Tree

**URANIUM CITY, SASK.**—This uranium boom town, with modern and scientifically laid-out community in Saskatchewan, will be a town without trees even though it sits smack in the center of thousands of square miles of heavy bush and timber in the northwestern part of the province.

In the planning stage, almost every thoroughfare in the new community was laid out as a wide, tree-bordered boulevard.

However, officials of the Natural Resources Department, with one eye on the masses of trees that reach right to the town limits and the other eye on the forest fire hazard this summer, ruled that Uranium City must be treeless.

#### BUY BUTANE FIRM

Mr. and Mrs. Dewitt Taylor have purchased the Harvey & Odom Butane Company. They are operating the butane service at their Col-Tex Service Station on South Broadway.

Half the motor car registrations of the United States are in eight states—California, New York, Pennsylvania, Ohio, Illinois, Texas, Michigan, and New Jersey.

### P. A. System Bought By Post C. Of C.

The Post Chamber of Commerce this week purchased a public address system for use by the organization and by other local groups in community affairs.

The system was purchased through a local radio shop by a committee of Ralph Kirkpatrick, Powell Shytle and Tom Power.

Rules and regulations for use of the new system will be worked out in the near future, according to Mrs. Ira Greenfield, Chamber of Commerce secretary.

### 1954 Allotments ---

(Continued From Front Page) dual allotments.

Although state and county allotments are based on past histories, the individual farmer's allotment will be made on his per cent of cropland. But in order to qualify for his full allotment, the farmer must have planted at least that many cotton acres in any one of the last three years. If he fails to meet this qualification, his allotment will be based on his high acreage for any one of those years.

### Wreck Victims ---

(Continued From Front Page) five passengers.

W. C. Caffey, in front of whose service station the crash occurred, said he looked up when he heard the "flip-flopping" of a flat tire. "Just as I looked up," he said, "I saw the two cars smash head-on."

The older woman and the little girl were already dead when they were extracted from the crushed car. Three ambulances were dispatched from Post after a telephone call by A. V. McCowan, Justiceburg section foreman.

Mrs. Covarrubin died shortly after reaching the hospital here. Mrs. Underwood's death occurred about 6:30 p. m., a little more than three hours after the crash.

late Sunday night, Underwood told Garza County Sheriff Carl Davis that "the first thing I knew my car started swerving. Then the other car started swerving and then we hit."

Shirley's fatalities were the first of 1953 in Garza County. The DVA death toll for the month placed now stands tied with the record of 124 fatalities registered in 1952.

### Christmas ---

(Continued From Front Page) and 21. The theatre hits are "The Band Wagon," on Dec. 21, and "The Golden Blade" on Dec. 22. Shows will open at 1 p. m. each day.

A number of entries had been received up to noon Wednesday in the Christmas home decoration contest being sponsored by the Chamber of Commerce, Mrs. Ira Greenfield, secretary reports. Dec. 16 is the deadline for entry in the contest, in which cash prizes totaling \$78 are being offered in two classes.

#### JUSTICEBURG MEETING

The people of the Justiceburg Community are urged to attend a meeting at the school building Saturday night, Dec. 4. The group will discuss the town's water supply system.

The Rev. and Mrs. A. F. Duke had as their Thanksgiving guests Mr. and Mrs. C. A. Wilson and daughter, Sandra, of Hillsboro, their son and family, Mr. and Mrs. A. M. Duke and Alex Don and Patsy of Loveland, and their daughter and children, Mrs. Hayes Denney and Alex Charles and Beverly Ann of Littlefield.

### Local Cagers Win, Lose At Crosbyton

Post High School cagers won one and lost two at Crosbyton Tuesday night, with Coach N. R. King's girls team marking up its third victory of the season by a score of 35-33.

Coach Vernon Ray's Antelope "A" and "B" teams lost to the Chiefs in their first games of the 1953-54 season.

Crosbyton scored a 46-35 victory in the varsity game by breaking loose in the closing minutes after the Antelopes had tried a full-court press to break up a stalling exhibition.

Larry Waldrip, forward, scored 19 points to lead the Antelope point makers. Others seeing action in the "A" game were Bobby Cowdrey, forward; Billy Meeke, center; and Tommy Murray and Moody Graham, guards.

The "B" game was closer, with Crosbyton scoring a 29-26 win. Novis Pennell scored 10 points for Post, and Don Gates eight points. Others in the line-up were Tommy Malouf, Charles Chandler, J. C. Shedd and Ted Tatum.

Tomnie Williams led the Post scoring attack in the girls' game with 17 points. Tying her for scoring honors was Starrett of Crosbyton. Joy Martin scored 12 of Post's points. Others playing were DeEva Lofton, Frances Craig, Deanie Hill, Woody Stewart, Wynonne Morris, Marie Howard, Arleta Gary, and Betty Sue Norman.

The Post girls "A" and "B" teams play Cooper here Friday night. The boys' teams next games are against Crosbyton here Thursday night, Dec. 10.

### Main Street ---

(Continued From Front Page) toys can be found at toy counters.

#### Street "SEENS"

"Sweets to the Sweet" could be the theme of displays at Shorty Hamilton's drug store this week as all hands and the boss were busy unpacking and arranging Pangburn's Christmas candies. Saw Ralph Kirkpatrick telling a customer true tales about the South Wind heaters and also the Red Head hot water heaters that he can install expertly in your car. And while we were down that end of Main Street we also saw J. N. Power busily engaged in talking a customer all about some super boys in used cars, one was a '53 Mercury that looked A1 for our money. Bouncing around in high in the Christmas bazaar building (old law building next door to Mason's) getting everything all set for the big day Saturday were Lois Williams, Neil McCrary, Iris Power, Frances Camp, Linda Malouf, Evelyn Boyd and Doris Everett. These Presbyterian women and all others in the women's organization have been working for months on gift items and from the grapevine we hear that you girls who buy from them will find unusually attractive items. Linda Malouf, who is the world's best apple sauce cake baker, will have several of these famous cakes for sale. Other food items will be on sale from the kitchens of many a good Presbyterian cook. See you there. It is good news to hear Maggie say that her daddy, N. J. Lanotte, is showing improvement after his recent heart attack. Margie Gearheart is doing a bang-up good job of taking care of Lanotte Furniture business while the boss is recovering. The TOWN clock over Dodson's we imagine gets more glances than a cute young thing a la Monroe. It is really a popular bit of fixture for Main Street and Dodson's Jewelry is also a popular spot for timely subjects such as watches and diamonds.

Garnolia played Close City in softball Wednesday afternoon and was defeated, 19-18.

### Twin Steers ---

(Continued From Front Page) Brown of Lubbock.

The 7,000-acre Faulkner Ranch, adjoining the Two-Bar on the south, will be added to the latter spread on Jan. 1, Coleman said. Lee Davis of Post has had the Faulkner Ranch leased.

Getting back to the calves, Coleman said he didn't know just how rare twin births are among cattle, but that he'd heard they are "pretty rare."

The steers, posing nonchalantly for a picture, offered no hint as to the rarity of births such as theirs. Neither did they seem bothered over the inevitable parting, which is to come soon. Such excellent steaks shouldn't stay too long on the hoof.

### Foster Case ---

(Continued From Front Page) ed by the owner. The appeals court pointed out that the crucial question in the case was whether or not the beer belonged to the appellant or to the car's owner.

Visiting Mr. and Mrs. Joe Ford Friday were Mr. and Mrs. Charley Ford of Brownwood.

### Garnolia Notes

Please Send News Not Later Than Monday to  
**SHIRLEY WATSON**  
Garnolia Correspondent

Sunday visitors in the Amos Gerner home were Mr. and Mrs. Pete Gerner of Post, Mr. and Mrs. Raymond Gerner of Lubbock, and Mr. and Mrs. Lee Mason.

Mr. and Mrs. H. D. Gartman visited in Odessa Wednesday. Thanksgiving guests of Mr. and Mrs. C. C. Francis at Close City were Mr. and Mrs. Thurman Francis and Jane and Mr. and Mrs. Burney Francis and Neal.

Visiting in the Bud Taylor home Sunday were Mr. and Mrs. Oscar Osman of Petersburg, Mrs. Coy Woodell and Glenda of Lorraine, Mr. and Mrs. Byron Taylor and girls of Lubbock, Mrs. Walter Josey and Joyce and Loyce, Mrs. D. C. Seaggins and Mrs. Barliard Miller and children of Claremont, Mr. and Mrs. Alton Clay and Judy, Mr. and Mrs. Richard Vardiman and sons, and Mr. and Mrs. Carl Webb of Post.

Barbara Amos and Betty Holt of Lamesa spent the weekend with Jane and Faye Taylor.

Thursday guests in the G. C. Murray home were Mr. and Mrs. G. C. Murray, Jr., and family of Houston.

Weekend guests of the Walter Joseys were Mr. and Mrs. Coy Woodell and family of Lorraine, Mr. and Mrs. R. E. Josey and Jaymie and Linda, Cpl. Lester Josey and Mr. and Mrs. W. R. Young of Post.

Visiting in the Charlie Craig home during the holidays were Mr. and Mrs. Winford Craig of Ozona, Miss Nell Woodul of Lamesa, and Shirley Young and a friend.

Garnolia played Close City in softball Wednesday afternoon and was defeated, 19-18.

New basketball suits have been ordered for the girls and boys teams.

Mrs. Emmett Ramsey is visiting relatives in East Texas.

Mr. and Mrs. T. V. Thomas of Artesia, N. M., and Connie King of Crane were Thanksgiving guests in the H. S. Watson home.

Mr. and Mrs. A. V. Nelson and Betty and Doyle spent Thursday at Abernathy with Mr. and Mrs. J. R. Anderson.

### Parents Are Hosts To Players, Dates

Post Antelope football squadmen and their dates, and Coaches Bing Bingham and Vernon Ray and wives were guests of parents of some of the players on a hay ride and wiener roast Monday night.

The hay ride was to rodeo arena barbecue pits, where the wiener roast was held. After eating the group went to Teen-Town for the rest of the evening.

### Next School Holiday Set For Christmas

Classwork was resumed Monday at the Post schools following the Thanksgiving holidays, which began Wednesday, Nov. 25.

The next break in the school's regular schedule will come Friday, Dec. 18, when classes will be dismissed until Monday, Dec. 28, for the Christmas holidays.

The Easter holidays for the schools will begin Friday, April 16, and continue through Monday, April 19.

Glendale and Elaine Wheatley spent the holidays at Pleasant Valley with the Henry Wheatleys.

Nancy Watson visited in the Rev. and Mrs. Clifford May at Grassland Sunday.

Thanksgiving guests of the Rev. and Mrs. A. T. Nixon were Mr. and Mrs. Sonny Hitt and daughter and Miss Junelle Ticer of Post.

Joyce Weatherby of Lamesa spent Thursday with Mr. and Mrs. R. A. Wheatley and Mary Lee, Kathy and Vera Faye.

The Rev. and Mrs. A. T. Nixon and Stanley were Sunday visitors in the Roy Appling home at Grassland.

Mr. and Mrs. Jamie Baugh and Gail of Tahoka were Sunday guests of the J. E. Ramsey family.

Mr. and Mrs. W. D. White and Jan were Thursday guests of Mrs. White's parents, the H. A. Roberts, at Grassland.

Mr. and Mrs. A. M. Wiley and family of Plainview and Mr. and Mrs. R. C. Ray and boys were Sunday visitors of the H. D. Gartmans.

Mr. and Mrs. H. S. Watson and son visited in the Gus Porterfield home at Grassland Sunday.

Inhabitants of the Isle of Man are called Manxmen.

## 'Mr. Scoutmaster' Coming To Tower

Clifton Webb again turns his talent to comedy in "Mister Scoutmaster," the Twentieth Century-Fox picture coming to the Tower Theatre on Sunday and Monday.

Webb has the star role with Edmund Gwenn and Little George "Foghorn" Winslow as the co-stars. Frances Dee, who returned to the screen after a long absence, and Veda Ann Borg head the supporting cast which also includes a group of 280 Boy Scouts.

"Mister Scoutmaster" was adapted for the screen from a book of reminiscences by a Scoutmaster entitled "The Prepared," taken from the Boy Scout motto. It tells the story of a stiff, snappish man who in the course of selling a breakfast food on a TV program tries to understand children. Not until he is tricked into becoming a Scoutmaster for a Boy Scout troop does he really learn the workings of the young mind much to his discomfort at times.

## Kirkpatrick Named All-Conference QB

Jack Kirkpatrick, Texas Tech quarterback and a former Post High School star, has been named to the quarterback position on the Associated Press All-Border Conference team selected by sports writers and coaches.

Bobby Cavazos of Texas Tech, the Border Conference's leading candidate for All-American honors, was the only unanimous selection on the all-conference eleven.

Kirkpatrick, a sophomore at Tech, has been playing first string quarterback for the Red Raiders since early in the season. He is 18 years old, 6 feet 2 inches tall and weighs 180 pounds.

## Frank Barthelows Move To Mesquite

Mr. and Mrs. Frank Barthelows recently moved to Mesquite after a few months residence in Post, where he was superintendent of construction on the city's waterworks extension project.

Following the completion of the Post project, the Barthelows continued to live in Post a few weeks while he supervised a sewer system extension job in Slaton.

Dinner guests in the Dillard Morris home in Clovis City last Thursday were Mr. and Mrs. Ples Hill and children of Lubbeck, Mr. and Mrs. Wiley Hill and Billie of Post and Mr. and Mrs. E. C. Hill and Betty and Deanie of Barham Springs and Dennis Herman.

# The Post Dispatch SECTION TWO

THURSDAY, DECEMBER 3, 1953

## 1954 ACP Sign-Ups To Begin Monday; Meeting Set Friday

The 1954 Agricultural Conservation Program has been approved and the Garza County Agricultural Stabilization and Conservation Service (formerly PMA) will begin accepting requests Monday for assistance under the 1954 federal cost-share program, according to Mike E. Custer, county office manager.

The 1954 program is to be explained and practices approved at a meeting at 2 p. m. Friday at the courthouse. Conducting the meeting will be county and community ASC committee members and representatives of the Extension Service and Soil Conservation Service. Everyone interested in the ACP program is invited to attend the meeting, Custer said.

"There have been some changes made for this year's program," Custer said. "These changes will be fully explained at Friday's meeting."

The sign-up period opening Monday will continue through Dec. 20, according to the office manager.

Following is the list of practices and practice numbers which are applicable in Garza County in 1954:

1. Seeding permanent pasture grasses on cropland to be turned back to pasture.
2. Establishment on cropland of mixed grass or legume pasture to improve soil structure as part of crop rotation.
3. Initial establishment of field strip cropping to protect soil from wind erosion. The strips must consist of guar, huiam or madrid clover or sorghums alternating with other crops.
4. Seeding adapted perennial grasses, perennial legumes, or other range forage plants necessary to provide adequate soil protection on rangeland.
5. Controlling competitive shrubs necessary to permit growth of adequate, desirable vegetable cover for soil protection on range or pasture lands.
6. Planting non-crop grazing land to prevent soil loss around runoff and drainage water pipe systems.
7. Construction of deepening wells to livestock water to obtain proper distribution of livestock and encourage rotation grazing and better grassland management as a means of protecting established vegetative cover.
8. Constructing, enlarging or sealing dams or reservoirs for livestock water.
9. Construction of permanent cross fences or drift fences.
10. Establishing sod waterways at ends of terraces.
11. Constructing large terraces.
12. Constructing diversion or spoolway terraces.
13. Reorganizing farm irrigation systems by installing concrete pipes and constructing concrete spillways and diversion boxes.
14. Initial establishment of winter annual legumes.
15. Initial establishment of summer annual legumes.
16. Initiation of stubble mulching.
17. Deep plowing sandy cropland.
18. Contour listing or chiseling not on contour for wind erosion control.
19. Contour conservation practices will include deferred grazing and control of bindweed, and any other practices to meet new conservation problems.

## Tommy Malouf, Post Halfback, Named To All-District Team Picked By Coaches

Tommy Malouf, junior halfback on this season's Post Antelope football team, was named to an offensive back position on the all-District 5-AA team, selected by coaches last week at a meeting in Slaton.

Malouf was the only Antelope griddier making the all-district team, although two others, J. C. Shedd, end, and Nova Pennell, linebacker, received honorable mention for the defensive eleven.

Spur and Floydada, No. 1 and No. 2 teams at the finish of the district race, each placed seven men on the all-district teams.

The first offensive team selections were as follows:

Ends, Chester Lindsey of Spur and Jack Womack of Floydada; tackles, Fred Wyatt of Spur, Jimmy Dunn of Floydada and Billy Lewis of Abenmathy; guards, Don McGinty of Spur and Garland Huddleston of Taboka; center, Don Barber of Floydada; backs, Jerry Reynolds of Slaton, Malouf, Curtis Blair of Spur and J. B. Ables of Taboka.

Named to the first defensive team were:

Ends, Bobby Lehman of Taboka and Gordon Jeter of Floydada; tackles, Stan Vickers of Floydada and Wyatt guards, Jimmy Williams of Taboka and Harold Trout of Slaton; linebackers, Chester Brady of Slaton, Barber and Lindsey; backs, Geromimo Ramos of Abenmathy, Cloyd Stephens of Floydada and Blair.

## Young Post Hunter Gets 5-Point Buck

Ray Charles Garner, 13-year-old son of Mr. and Mrs. O. C. Garner, killed a five-point, 64-pound buck Thanksgiving Day on a deer hunt with his parents near Mason.

Young Garner dropped the buck at about 75 yards with a shot in the neck, using a .300 Savage rifle.

It was the only deer killed by the group, according to the youth's father.

"Since it was Ray Charles' first deer hunt, it certainly was a surprise when he made it a successful one," said Garner. "I heard him say, 'There is a buck!' and before I knew it, he had taken aim and dropped him."

Following the hunt, the Garners visited in Taylor with Mrs. Garner's relatives before returning to Post.

## County Requests 33 Tons Of Hay

Garza County has requested 33 tons of hay under the joint federal-state program, according to Mike E. Custer, county ASC office manager.

However, no hay has yet been received in the county, and Custer said Tuesday he had not received any word on when a shipment might be made.

Railroads have granted a special 50 per cent reduction in freight rates for transportation of drought relief hay.

Under the drought-relief program, the state and federal governments pay the remainder of the costs of transportation. The rancher or farmer pays the full cost of the hay.

Two carloads of cottonseed meal were received Tuesday morning for distribution under the program, Custer said.

The temperature of birds is higher than that of mammals.

Over 16 million tons of seed were mined in the Star in 1952.

## Outbreak Of Fires Keep Firemen Busy

An outbreak of fires last week, one of them on Thanksgiving Day gave firemen their busiest three-day period in several months.

The holiday fire occurred about 10 a. m. Thursday on the George Carpenter place, five miles west of town, was the most serious. Carpenter's home, work shop and tools were destroyed at an estimated loss of \$2,000.

The fire was reported to have started when a spark from a welding machine ignited low fumes.

No damage resulted from a small fire Friday morning at the home of Mrs. Oma Mobern, firemen reported. The blaze caught from a bathroom heater.

Wednesday evening, firemen were called to a fire at a Brown Box, heater tank, three barrels of a mile west of town, little or no damage resulted, it was reported.
