## Two Elections Set For Tuesday

Garza County voters will go to the polls Tuesday to choose from among 23 candidates who are seeking election to the U. S. Senate post vacated by Gov. Price Daniel.

In addition to voting for a U. S. Senator in the special election, Post voters will also ballot for a mayor and two councilmen. Mayor James L. Minor and councilmen Roy J. Baker and John N. Hopkins are unopposed for reelection.

Voting in the special election will be at the usual county voting boxes, except in Post where both voting places have been changed. South Post voters will cast their ballots at the high school, while

North Post voters will vote at the Youth Center building, formerly known as the old band hall. Herebefore, these voting boxes have been upstairs in the courthouse.

Friday is the last day for voting absentee in both elections. Absentee votes in the special election are to be cast at the county clerk's office, and in the city election at the City Hall.

The senatorial candidates, as their names will appear on the ballot in this county are: Elmer Adams, Dallas County; Searcy Bracewell, Harris County; Martin Dies, Angelina County; James P. Hart, Travis County; John C. White, Wichita County; C. O. Foster Jr., Hidalgo County;

Frank G. Cortez, Bexar County; Curtis Ford, Nueces County; John C. Burns Sr., Harris County; J. Perrin Willis, Cherokee County; Charles W. (Jack) Hill, Tarrant County; J. Cal Courtney, Dallas County;

Also, Ralph W. Yarborough, Travis County; Dr. H. Frank Connally Jr., McLennan County; Rev. M. T. Banks, Jefferson County; Jacob Bergolofsky, Wichita County; R. W. (Waire) Currin, Hopkins County; Clyde R. Orms, Dallas County; Ralph W. Hammonds, Harris County; H. J. Antoine Sr., Bastrop County; Hugh Wilson, Jefferson County; Thad Hutcheson, Harris County; Walter Scott McNutt, Marlon County.

## Funeral To Be Thursday For Garza Rancher

Funeral services for V. B. "Kelly" Sims, 69, Garza County rancher, who died at 6:40 a. m. Wednesday in West Texas Hospital at Lubbock following an illness of several weeks, are to be held at 3 o'clock this afternoon at the First Baptist Church.

The Rev. Roy Shahan, pastor, and the Rev. A. C. Hardin, former pastor, will officiate. Mrs. Consuelo Thuet and Mrs. Dorothy Kenley will sing "Sunrise Tomorrow" and "Near to the Heart of God," accompanied by Mrs. May Smith at the piano.

Interment will be in Terrace Cemetery under direction of Mason Funeral Home. Pallbearers will be Floy Richardson, Tom Arnett and E. W. Williams Jr. of Lubbock, Marshall Mason Jr. of Midland, Jimmy Bird, Royce Blankenship of Lamesa, Benny Porter of Muleshoe and Spence Bevers.

Mr. Sims, a resident of Garza County since 1913, owned a ranch west of Justiceburg. He was born in Lampasas County Feb. 6, 1888, while his family was en route to Kent County. He had been a member of the Baptist Church for 32 years.

Survivors are his wife; one daughter, Mrs. Lucille Scarbrough of Post; one son, Ed Kelly Sims of Post; four sisters, Mmes. Sallie Trammell of Sweetwater, Eva Davis of Clarendon, Golda Bell Bradford of Monahan and George Thomas of Buchanan Dam, and three brothers, Dave and Tom Sims of Post and Leroy Sims of Lubbock.

## BONDS ASSUMPTION, TAX RATE, TOO

### 14 Candidates In Race For 7 Board Positions

In addition to electing seven trustees from a field of 14 candidates, voters in the newly created Post Consolidated Independent County Line School District will vote on bonds assumption and setting of a maintenance tax in the April 6 election.

The field of 12 candidates announced in last week's Post Dispatch was increased to 14 this week with the filing of the names of Dr. B. E. Young and J. E. Birdwell.

### High Winds Result In Property Losses

The wind was from the southwest at sunrise last Friday morning, indicating parched crops, if the old Indian legend holds true. Less than 36 hours later, however, it was coming in gusts from first one direction and then another, with the South Plains catching the whiplash of one of the Panhandle's worst blizzards in years.

The Post vicinity got only a trace of snow and rain during the weekend's vagrant weather, but not enough moisture to measure from either.

If high winds carried moisture, then this area's crop season would have been assured. Gusts sometimes hitting 75 mph howled from early Saturday night until Sunday morning, with the temperature steadily dropping during that time.

Considerable scattered wind damage was reported. In Post, the west show window was blown out of Bob Collier's drug store and a section of the tin roof ripped off. The air-conditioning unit was blown off the First Methodist Church building, and many instances of minor damage were reported.

Plowed land, made possible by February's rains, is all that kept this area's topsoil from "going with the wind," according to agricultural observers.

## Chest Fund Campaign Still Short Of Goal

With the fund drive of the Garza County Community Chest still about \$600 short of the goal, prospective contributors are urged to make their contributions as soon as possible in order that the quota may be reached during April.

Letters were mailed some time ago to prospective contributors who had not been contacted by Chest workers. Recipients of those letters who wish to make contributions are requested to do so within the next few weeks.

## Name Judges For Stampede Rodeo

Robert Koonce of Jayton and Avery Moore Jr. of Post have been named as judges of the annual Post Stampede Rodeo to be held May 15, 16, 17 and 18.

Two judges and an alternate have also been named for the one-day cutting horse contest. They are Bill Hale of Odessa and Weldon Johnson of Snyder, judges, and Buster Cole of Goldsmith, alternate.

Riding judges will be selected by rodeo performers prior to the opening night's show. Timekeepers will be N. R. King, Dean A. Robinson, Lewis C. Heron and Henry Tate.

Committee chairmen named by J. E. Birdwell, president of Post Stampede Rodeo, Inc., are W. S. Duckworth, concessions; Ira Greenfield, advertising and tickets; Tom Power, parade; Pearl Nance, sponsors, and George "Scotty" Samson, publicity.

## School Bus Halted By Sand Monday Morning

While thousands of other people were still clucking their tongues Monday over the plight of snow-bound travelers in the Texas Panhandle, Mrs. Henry Key of Justiceburg was having troubles of her own—she was sand-bound!

Mrs. Key, who drives a Justiceburg school bus, had picked up only one pupil Monday morning when she suddenly found herself, her lone passenger and her bus halted by sand which had drifted onto a county road east of Justiceburg.

Mrs. Key trudged a mile to the nearest house, that of Mr. and Mrs. H. F. Ainsworth, for assistance. The Ainsworths took the driver back to the stalled bus, which proceeded on its way after the sand had been shoveled away.

The bus arrived at the school only two hours late. Mrs. Key probably figures it could have been worse. What if the Ainsworths hadn't been at home?

## Tractor Operator's Contest Is Friday

A county tractor operator's contest for Future Farmers of America members will be held at 2:30 p. m. Friday, April 5, at the Earl Rogers farm here.

Similar contests are being held all over the state by Ford tractor and implement dealers, Rogers said. Sponsor of the local contest is the Garza Tractor & Implement Co.

FFA members competing in the contest will be Butch Wilson, Bunny Smith and Jerry Morris.

The winner of the county contest will win a tractor driver trophy and will participate in one of 11 district contests in the state. District winners will enter a state contest and compete for a new Ford tricycle tractor as a grand prize.

The public is invited to attend Friday's contest here, Rogers said.

## Program Continues For Salk Vaccine

In connection with the current campaign to see that everyone in the susceptible age group receives Salk polio vaccine, Dr. D. C. Williams, Garza County health officer, asks that those wishing to take the shots go to their family doctor.

Dr. Williams' suggestion was made to J. Lee Bowen, county chairman for the National Foundation of Infantile Paralysis, following a conference with other physicians here.

The county chairman said the chapter had been authorized to spend one-third of the county's share from the March of Dimes to pay for the immunizations.

Bowen also said the county health officer requested him to emphasize that no one should deny themselves or their children the shots because they are unable to pay for the injections.

## C. Of C. Groups Back Closing For Revival

Closing of business places from 9:45 a. m. to 11 a. m. Monday through Friday during the simultaneous revival here in April has been recommended by the retail merchants committee and directors of the Post Chamber of Commerce.

Members of the Post Ministerial Alliance, at a called meeting Tuesday, expressed appreciation to the Chamber groups for their recommendation that business places close.

Teams will visit each place of business Friday afternoon to secure names of all places of business planning to cooperate in the revival effort.

## McMurry Band To Play

The McMurry College Band, under direction of Raymond T. Bynum, will present two concerts in Post Saturday night and Sunday morning.

The band will play at 7:30 p. m. Saturday at the high school auditorium, and at 11 a. m. Sunday in the First Methodist Church.

Gene Young, son of Dr. and Mrs. B. E. Young of Post, is a member of the band.

The two concerts are part of a five-day tour the band is to make in Northwest Texas and New Mexico.

A varied musical menu of symphonic compositions, sambas and swing will be presented by the band in the Saturday night concert. Dorothy King of Throckmorton, featured vocalist with the band, will sing, and a number of instrumental soloists will be heard on the program.

Two overtures which the band will play are "Ballet Egyptienne" by Lullini, and "La Forza Del Destino," by Verdi. "Hayden Suite" will be played by a woodwind quintet.

For the band's "worship through music" program to be given at the First Methodist Church in Post, a mixed quartet will sing, and a trombone-cornet duet will play "The Beautiful Garden of Prayer."

Miss King will sing "The Lord's Prayer," and Peggy Campbell of Lamesa will play a vibratory melody of religious selections.

## OTHER PLANS PROGRESSING FOR BIRTHDAY CELEBRATION

### Jubilee Committees Named

Most committee chairman appointments have been made for Post's Golden Jubilee celebration Sept. 14-17, it was announced this week by general chairman James L. Minor.

Meanwhile, groundwork is being laid on other plans—including program and entertainment—for the observance of the city's 90th birthday, which is to be produced by John B. Rodgers Producing Co. of Fostoria, Ohio.

Advertising materials are being ordered and will be available for distribution well in advance of the event.

The executive committee is composed of Minor, Bryan J. Williams, vice chairman; Mrs. Madge Webb, secretary, and Lynn W. Duncan, treasurer.

Steering committee chairmen are: John F. Lott, fireworks; Giles C. McCrary, underwriting; Willard Kirkpatrick, decorations; O. L. Weakley and Ira L. Duckworth, revenue; Mrs. Irene Rodgers and Walter Duckworth, promotional; Harold Voss, spectacle tickets; Buster Moreland, spectacle; Ed Warren, publicity; R. J. Jennings, hospitality, and Irby G. Metcalf Jr., special events.

Other committee chairmen include: Tom W. Bouchier, historical program; Bill Edwards, novelties; Winnie Tuffing, "Sisters of Swish"; Ira Greenfield, tickets; Mrs. Ryla Lott, queen contest; Glenn Whittenberg, spectacle cast; Charles Didway, press releases; Bob Garrison, radio and television; George "Scotty" Samson, dignitaries and guests; Pat N. Walker, official entertainment and speakers;

Powell Shytles, merchant promotion; Chant Lee, historical windows; John N. Hopkins, concessions; Paul Simpson, properties; Edsel Cross, construction; Mrs. Pat N. Walker, housing; Marshall Mason, pioneer recognition; Tom Power, parade, and Mrs. Tom Power, special music.

## EN ROUTE HOME FROM SOUTH AMERICA

### Actress, Husband Are Post Visitors

Ellen Drew, motion picture and television actress, and her husband, W. T. Walker, visited in Post two days last week en route to their home in Beverly Hills, Calif., after a four months' trip to South America.

Walker, an independent oil operator, has an interest in Garza County's deepest producing well, the Paul C. Teas No. 1-A Slaughter, recently completed on the U-Lazy S Ranch, south of Post. While here, he visited with Teas, with whom he has been associated in drilling activities for a number of years.

Mrs. Walker, now a free lance actress after several years with the Paramount and Columbia studios, said her last picture before leaving for South America was made with Dane Clark and Lori Nelson.

"It was filmed under the title, 'Gambling Man,' but I've since learned that it is to be released under another title," the actress said.

Discovered by Paramount in 1938, Miss Drew's first picture was "Sing You Sinners," in which she appeared with Bing Crosby. Some of her other pictures were "Stars in My Crown," "Cargo to Cape-town," "The Man From Colorado," with Bill Holden and Glenn Ford, and "If I Were King," with Ronald Colman.

"I've made about forty pictures, but it's difficult to rattle off the titles without taking a little time to think about them," she said.

She was born Terry Ray in Kansas City, Mo., but Paramount changed her name to Ellen Drew because there was a young male actor also named Terry Ray.

A few of the TV programs on which the actress has appeared are Ford Theatre, Playhouse of Stars, Celebrity Playhouse, Schlitz Playhouse, and Science Fiction Theatre.

Mrs. Walker, whose affability is a credit to the acting profession,

said she much preferred making films for TV shows to appearing in "live" productions. "Live TV is hard on actors; it beats you to pieces," she said.

Before coming to Post, the Walkers had visited oil properties near Jacksboro and Throckmorton.

Mrs. Walker said this is her second visit to Texas, her first to Post. She and her husband had just returned from a drive out to the Slaughter well.

"In 1946," said Mrs. Walker, "I toured Texas with other actors in connection with a picture Glenn McCarthy had made. But it was such a whirlwind trip that I didn't get to see much of the state."

This time her trip has been more leisurely. She said she was impressed by the great distances between towns and the scenic beauty.

"Texans seem to want to talk most about the bigness of their state, but they have just as much to boast about in its beauty," said the actress.

The Walkers left for Lubbock early Thursday afternoon to board a plane for California, with a brief visit in Santa Fe, N. M., scheduled.

## BAND BOOSTERS TO MEET

Post Band Boosters Club will meet at 7:30 p. m. Monday in the band hall. All parents of band students and others interested in the band are urged to attend.

## Spelling Bee Is Saturday

Ten-year-old Sharon Blackwell of Justiceburg, Garza County's 1957 spelling bee champion, will compete Saturday in the fifth annual Lubbock Avalanche-Journal Spelling Bee in the O. L. Slaton Junior High School auditorium.

Sharon, a sixth grade student, will be competing against spelling champions from 13 other area counties for a trip to Washington, D. C., to participate in National Spelling Bee Week, June 3-8.

Dr. Ishmael Hill, assistant superintendent of Lubbock Public Schools, will pronounce the words for the spellers. Judges are to be representatives of schools attended by the county champions.

The Justiceburg student won the county championship here March 16. She is the daughter of Mr. and Mrs. H. F. Ainsworth of Justiceburg. Second place winner was Marianne Jones of Post, and winner of third place was Kathleen Smith of the Close City School.

Other county champions competing in Saturday's event will be: Cochran County, James Webb; Lamb County, Weldon Finley Jr.; Terry County, Pete Green; Lynn County, Jerre Ann Wyatt; Gaines County, Lou Westcott; Lubbock County, Janice Bowlin; Dawson County, Olivia Beeman; Dickens County, Anna Bob Wil-

## Singers Earn Seven 'Superior' Ratings

"Superior" ratings were received by the Post High School boys' quartet, girls' trio and five soloists Saturday at the University Interscholastic League Choir Festival held in Brownfield.

In addition, four soloists received "excellent" ratings and the mixed chorus earned "good" ratings both in sight reading and concert.

Ratings of superior were accorded soloists Jerry Hitt, tenor; Jimmy Short, tenor; Herman Tanner, baritone; Clarky Cowdrey, baritone, and Boyd Dodson, piano. Excellent ratings went to Linda Davis, contralto; Dixie Davis, soprano; Janene Haynie, soprano, and Don Clary, bass.

The superior-rated boys' quartet, known as "The Loafers," is composed of Short, Tanner, Cowdrey and Clary. Members of the superior-rated girls' trio are Frances Dietrich, Linda Davis and Dixie Davis.

The singers are directed by George M. Willson, head of the school's music department.

## Jaycees To Show Film On Teen-Age Road-ee

A promotional film for the teen-age road-ee to be sponsored by the Post Junior Chamber of Commerce is to arrive soon for showing here, it was announced at Monday night's Jaycee meeting.

The teen-age road-ee is to be sponsored in connection with the Jaycees' nation-wide program of traffic safety.

Thursday To Thursday

By CHARLES DIDWAY

FRIDAY'S CHECK ON the direction of the wind at sunrise should have been made Sunday. Then we could have taken our choice on the kind of crops to expect.

IT'S BEEN SO long since the first day of March that we can't remember whether the month came in like a lamb or a lion, but if this Sunday's weather is anything to compare with last Sunday's, there won't be a doubt in our mind about how it goes out.

THOSE ARE OUR weather notes for the week and now it's time to remind you not to take any wooden nickels Monday, which is April Fool's Day.

ALONG WITH THE rest of you, we'll be pulling for Garza County's representative in Saturday's regional spelling bee at Lubbock, but little Sharon Blackwell, Justiceburg sixth grader, is really going to have to watch her "p's" and "q's" to win first place, considering that nearly all of the other contestants are eighth grade students.

A COMPROMISE HAS been described as an agreement between two people, each of whom gets something he does not want.

BECAUSE OF THE large number of candidates, it's going to be interesting to see how the Garza County vote is distributed in Tuesday's special election to name a U. S. Senator. Since the three candidates in the city election are unopposed, the special election will serve to bring out a larger number of voters. If you're the owner of one of those \$1.75 poll tax receipts, or are eligible to vote through exemption, be sure to "stand up and be counted" Tuesday.

SPEAKING OF POLITICS, we Americans have better manners than to speak ill of our public officials after they are dead. We just call them so-and-sos while they are alive.

SOMETHING ELSE THE folks over at the county tax office hope everyone remembers before the last minute is that Saturday is the deadline for buying 1957 auto licenses. Which means that the "last minute" is almost here!

OF COURSE, US "last-minute-men" have a little more time on auto inspections and filing of income tax returns.

CHILDREN ARE NATURAL mimics. They act like their parents in spite of every effort to teach them good manners.

IT'S TOO BAD THAT more of us didn't attend the Program Clinic conducted here Friday by representatives of the Adult Education Program of Texas Tech. We were there only a few minutes while waiting to get a picture, but saw and heard enough of the program to realize that it deserved a much greater turn-out than it received.

THESE ARE BUSY times, of course, and since we ourselves are a charter member of that over-populated "I Can't Go Club," we know how it is.

Roger W. Babson Writes this Week:

Population Of 220 Million Seen By 1975 If Present Rates Of Increase Continue

BABSON PARK, Mass.—In 1950, our U. S. population was about 150,000,000. Today we are 170,000,000 strong and the prospect is that our rapid expansion in numbers will continue. The 20,000,000 more Americans added since 1950 are equivalent to twice the present population of the six New England states!

Tremendous Growth Ahead I am told that a baby is born in this country every eight seconds, and that, if present rates of increase continue, we could well have a population of 220,000,000 by 1975. This huge gain means that demand prospects for our products are good. Each new birth, each immigrant, and each person living a longer life than had previously been considered normal, adds to the potential demand that American manufacturers and merchants can attempt to satisfy.

This growth in population far exceeds earlier predictions. I well remember the experts telling us in the depression days of the thirties that the U. S. population would hit a peak—probably around 1980—and then decline. As I recall it, they thought that peak might be around 154,000,000—a mark we actually passed about five years ago!

What About Our Labor Force? The current boom in people is the result of an unexpectedly high birth rate and a steadily declining mortality. Modern medicine conquers many of the diseases which in the past have cut life short. Thus the area of our greatest population gain is among the very young and among our senior citizens. The adults who form the labor force are a decreasing segment of the total population. That being the case, we should be more concerned about labor-management relations in future years. I forecast that labor-force growth may continue to lag the total population rise to an increasing degree during the next twenty years. This widening gap will create problems for management except as the automatic factory becomes a factor in the situation. This is especially true if too small a proportion of the labor force possess the scientific and engineering skills required to keep us abreast of technological developments.

Instead of paying too much attention to the

AN OUNCE OF PREVENTION . . .

The Garza County Chapter of the National Foundation for Infantile Paralysis has launched a campaign to have all persons up to 19 years of age receive the Salk polio vaccine, but they are hoping that it doesn't stop there. Since plentiful supplies of the vaccine are available, the Chapter is hopeful that people of all susceptible age groups will receive the full course of shots.

As one Chapter official put it, "Suppose someone took you aside and said: 'You have an enemy who may waylay you and cripple you for life. But I know how you can stop this enemy. You'll have to act fast. It won't cost much money, and it will take only 180 seconds of your time.'"

If you knew the facts were true, you'd take him up on it, wouldn't you?

Well, the facts are true. The enemy is paralytic polio. If you're under 40 years old, you're a possible victim. If polio strikes, you may face a life shattered by disease and disability.

There is no cure for paralytic polio, but there is a way to prevent it. The preventive is the Salk vaccine. It is safe and it works. Three properly spaced shots—at 60 seconds a shot—gives you protection.

Over 45,000,000 Americans have been smart enough to get this protection. But 60,000,000 in the susceptible age group have been foolhardy enough to neglect it.

Don't be one of the foolhardy ones. The polio season starts soon. You still have time to safeguard yourself and your family if you act at once. Go to your doctor or your clinic now. Vaccinate—before it's too late!

Why is it that governmental and other authorities who have to deal with important problems and issues seem determined to use indirect and evasive approaches to a solution instead of hitting the nail pointblank on the head?—Wadsworth, N. C., Messenger and Intelligencer.

Iowa's right-to-work law has now been in effect ten years, but efforts to repeal it have been constant and will continue, no doubt. But the argument that such a law was designed to bust the unions has already been lost. The unions have been doing all right under the law. Wages have been going up steadily and membership has increased.—Washington, Iowa, Evening Journal.

THIS COLUMN CONGRATULATES Bryan Williams III and Barbara Shytles on their election as president and vice president of the Student Council at Post High School for the 1957-58 school year. Bryan and Barbara, along with Kenny Poole, Kay Gene Jones and Principal Glenn Whittenberg will attend the state Student Council convention in Galveston this weekend. This year's Student Council president and vice president are Bill Stephens and Dixie Davis.

THE SOUTHLAND SCHOOL has one of the few girl track teams in this area and the members and their coach, H. E. Lewis, are looking forward to the Bluebonnet Relays at San Angelo late in April. The track team's roster shows a Linda Davis and Linda Davies. Post High School also has a Linda Davis.

SPEAKING OF SCHOOLS, the class had a lesson on Eskimos and were asked to write an account of it. One bright youngster began "the Eskimos are God's frozen people."

Getting Out On The Limb

By EDDIE the editor

SUDDEN THOUGHT: The trouble with many people in trying times is that they stop trying.

An electric watch, run by "a miniature energy cell," is now available for people who are so lazy they don't produce enough motion to keep a self-winding watch running. Time marches on!

LIKE MOST EVERYBODY else in Post, I'm glad to hear that plans for securing speakers for the Golden Jubilee celebration include Rep. George Mahon.

In my opinion, George is one of the most capable lawmakers on Capitol Hill as well as one of the most influential. He presides over the House Appropriations Defense subcommittee, which right now is buckling down to the season when the generals and admirals, accompanied by aides loaded down with secret documents, come to Capitol Hill to justify their request for money to operate during the next fiscal year, which starts on July 1.

George, a tall, quiet-speaking Texan whose black hair belies his 56 years, has been in on the hush-hush conferences for a long time.

He was one of the half-dozen or so congressmen entrusted with the secret of the atomic bomb during its development. Other lawmakers took the word of these few colleagues that the appropriation of vast sums were justified, and passed necessary money bills.

In my opinion, no large scale celebration in the 19th Congressional District would be a 100 per cent success without a speech or at least a visit from George Mahon.

"To keep a tranquil mind, live only one day at a time," advises a sweetness-and-light writer. But even one day can, and often does, bring enough troubles, frustrations or aggravations to untranquelize any body's mind.

Only Americans, it seems, have mastered the art of being prosperous though broke.

THE NEW black-on-white "BK" prefixed license tags that are appearing on the front of Garza County automobiles are causing no end of confusion. One observer says the reason is that drivers still associate this color scheme with highway patrolmen's cars.

But the point I want to make is that Texas tags, 1957 version, are not confusing enough. What I'd like to see is a catch-phrase or a slogan on our BK tag.

How do these sound: "Here's Heaven," "Hi, Pardon!" "Linger Longer, You All Stay!"

Some of the other states leave something to be desired in the way of license-plate phraseology, but all of them are better than Texas, which says only to the stranger in his midst: "BK-520," or whatever the tag number happens to be.

We have nothing on our license plates to compare with such state-tag banners as America's Dairyland, Land of Enchantment, The Empire State, Grand Canyon State, Pelican State (with the picture of a pelican), Land of Opportunity, Heart of Dixie, The Wheat State, Land of Lincoln, Peach State, etc.

I suggest that the handful of Texans who have done a marvelous job of persuading Texas to advertise promiscuously start a contest whose sole purpose will be to choose a slogan for the Lone Star state's 1958 car plates.

History proves that people who go to great lengths to find an easy way out usually fall short.

THE WOMEN, bless 'em: When a man and woman marry they become one. Of course, they must decide which one, and that is often when the trouble starts.

If it's too much trouble to dim your lights when meeting another car at night, be sure and turn your radio up real loud. This will drown out the sound of the crash.

DAFFY-NITIONS Human race: The common run of mankind, no one knows its age but everyone agrees that it is old enough to know better.

Tousework: Domestic labor which, if you do it for wages, you're a servant; if you do it for nothing, you're a wife.

Hug: A roundabout way of expressing affection; energy gone to waist. . . so to speak.

Coffee: A drink that stimulates, as in the case of the man who didn't drink coffee in the morning because it kept him awake all day. Coffee is a beverage that millions of people have good grounds for drinking. A drink of which half the world's supply is consumed in the United States in spite of what some of us have to drink at breakfast.

Winter: The season when you keep the house as hot as it was in the summer when you complained about it. A period that gets so cold that even the wind howls about it.

This is a perfect time — if it isn't too late — to put a stop to hazing and barbaric initiation procedures in the local school system. We have information that several initiates into the "T" club were seriously burned with silver nitrate solution.

A "T" was burned into their faces which could leave permanent scars. The initiates are going around town with their faces in bandages. We are told that one drop of this solution could have blinded the boys for life.

Let's awaken to the fact that such behavior belongs in dark Africa, not America.

As long as such initiation procedures involving physical violence are permitted, somebody is going to go too far.

All the supervision in the world can't make a potentially dangerous practice safe.

When 5 per cent silver nitrate solution is involved, being "slightly" burned is about like being "slightly" pregnant—"Town Topics" in The Tulsa Herald.

Golf, To Be Sure

The home owner really looks forward to spring. There are so many things that need doing outside the house, and as soon as the weather is warmer he'll get right at them—with occasional interruptions, of course, for a few rounds of golf.—The Slaton Slatonite.

Tax Students?

The more we think about Price Daniel's tax message, the madder we get. He is certain he wants to lay a \$9-million-a-year tax on the students trying to get through the colleges and universities of the state. (That's \$200 more per college education.) He is queereous about saying maybe we ought to tax natural gas, too. Texas already gets half its state revenues from direct sales taxes on consumer items; are we so poverty-stricken as a state we have to take the costs of progress out of the energies of youths 17 to 21 and the parents who are trying to finance their education? The legislature ought simply to pass that natural gas tax for \$45 million instead of \$35 million and be done with it.—The Texas Observer.

# Speaker Calls For Farm Program Would Let Nation's Farmers Farm

LUBBOCK (Sp)—Rep. Jamie L. Whitten of Mississippi called for a farm program that would let farmers farm in an address here before the first annual meeting of the Plains Cotton Growers, Inc.

Rep. Whitten spoke to more than 500 PCG members, directors and officers from a 29-county West Texas area on present farm laws and proposed legislation.

The Congressman called for a complete new look at the agricultural program of our nation, including price supports. His talk came after a morning session in which a business report on the PCG was given and a meeting in which the current officers of the organization were elected again.

The three top men named to serve another year include W. O. Fortenberry, Lubbock, president; Wilmer Smith, Wilson, vice-presi-

dent; and M. A. (Rip) Elms, Jr. Littlefield, secretary-treasurer.

Irby Metcalf, Jr. and L. S. Turner are directors of the Plains Cotton Growers, Inc., from Garza County.

Whitten, chairman of the powerful Agriculture Appropriations Committee, who was the first to insist that the Department of Agriculture sell its surplus cotton in world markets at competitive prices, said this sales program had done lots of good and if continued would relieve some of our problems.

He insisted, however, that there were many defects in the present law which have become apparent after years of experience.

"First," he said, "we have learned that controlling acreage will not control U. S. production and we also have learned that reducing U. S. production will not reduce world production.

"It is my belief," he said, "that we must rewrite our farm legislation so as to reverse the present approach, which leads to less and less farming on a more and more expensive basis.

"We must start out with the premise that any farm program to be worthwhile, must let the Amer-

ican farmer farm.

"I am preparing a bill which will be introduced shortly, wherein the American cotton farmer will be given support on his share of the domestic market, figured in terms of bales or pounds. Such supports on the farmer's share of the domestic market should be on the basis of 100 per cent of parity. Under such a bill, the farmer will be released from acreage controls and any cotton that he produces beyond his share of the domestic markets would be available only for world trade and on that share of his crop the farmer would be dependent on what the world market would pay."

President Fortenberry presided at the annual meeting and presented Rep. Whitten with a western hat after Whitten's address. President Fortenberry also made his annual report.

George W. Pfeifferberger, executive vice-president of the PCG, made a report on past activities of the organization during its first year and outlined plans ahead for 1957. Treasurer Elms made a financial report which showed the total assets of the organization to be \$168,253.76.

## PRaises Work Of Finance Committee

### Sen. David W. Ratliff Opposed To New Or Added Taxes At This Session

Due to increased inquiries from constituents relative to any possible new or additional taxes, Sen. David W. Ratliff has advised the press that he definitely did not anticipate any added taxes and declared opposition to such.

Senator Ratliff is a member of the State Legislative Budget Board and is serving on the Senate Finance Committee and the finance sub-committee holding hearings on appropriations.

In praising the untiring work of the finance sub-committee, the senator said:

"I feel proud of the work of my colleagues on the finance committee and extend most sincere congratulations for the sound, business-like and intelligent approach to providing necessary funds and facilities for State services. If I have my way there will be no tax levied on any taxpayer in Texas during this session. The State's financial condition is excellent and there is no need for deficit spending or additional taxing."

### Post Troop 16 Will Be Represented By Two Scouts At National Jamboree

Victor Hudman Jr. and Marshall Tiger of Post's Boy Scout Troop 16 will attend the Fourth National Jamboree, Boy Scouts of America, to be held July 12-18 at historic Valley Forge, Pa.

A 1,500-acre tent city will house more than 50,000 Boy Scouts, Explorers and leaders from all parts of the nation and some from other lands. It will have its own water, electricity and telephone exchange, post office, and other services for the largest gathering of boys in the western hemisphere.

About 100 special trains and hundreds of buses will transport Scouts to the Jamboree.

Contingents will arrive during the three days before the jamboree's opening date, July 12. Three days will be needed to speed the Scouts home after the jamboree closes the evening of July 18.

The jamboree campers will be at least 12 years old, holding Second Class rank or higher. The jamboree is a self-sustaining enterprise made possible by the \$50 jamboree fee paid by each participant.

National, state, and local health and protective agencies are cooperating to give the jamboree a health and safety record better than the average city of 30,000

population. Doctors from home areas will travel and live with the contingents. Each jamboree Scout and Explorer is checked by a physician at home and again upon his arrival at the jamboree.

Already completed is a stage 300 feet wide and 100 feet deep in front of a natural amphitheatre that will hold about 55,000 jamboree campers and guests. Spectacular programs are planned for the opening evening, July 12, and the farewell program on the evening of July 18. Outstanding Americans will participate in both programs.

There will be other Scout shows in sectional arenas. Campfires and daytime demonstrations will give each Scout a chance to show his stuff or be entertained and instructed by the other fellow's skills.

Each night, radio-controlled trucks will deliver fresh dairy products, meat, fruit and vegetables commissary refrigerators. It will be high-quality food, bought by the carload, to fit well-balanced menus.

Troops will get their food and cooking supplies before each meal at sectional commissary tents. Jamboree campers will cook their own meals and share the daily camp chores. Each patrol or crew member will share such tasks as fire builder, cook, and "cleaner-upper." Thanks to the use of over one million paper plates there won't be a dishwashing problem.

The jamboree camp inhabitant will have plenty of time to pick up camping techniques through intercamp visits, displays, campfires and demonstrations. There will be excursions to historic shrines in and near Philadelphia.

Sunday, July 14, will bring one of the most impressive thrills to the jamboree. In several religious services, each conducted in designated areas simultaneously, the more than 50,000 boys and leaders will worship according to their own faiths, all united in the freedom of their right to worship God.

The sprawling tent city will be governed by the Scout Oath and Law and administered by teams of National, Sectional, and Troop Scouting leaders. Scoutmasters and their assistants are being carefully selected locally for the responsibility and honor of jamboree troop leadership.

For many of the 50,000 partici-

pants it will be a "once in a lifetime" experience seeing America and camping with others from all parts of the nation.

The South Plains Council is traveling by six chartered Texas, New Mexico, and Oklahoma air-conditioned buses. The group will leave Lubbock July 2, returning July 23.

"Without reservation, I declare that there is no necessity to levy any form of tax on the people of my district or the State at a time of drought and other economic factors disturbing the average taxpayer. For this reason I will vigorously oppose the addition of any new or added taxes and pledge myself to defend the taxpayers of my district against any unnecessary or unjustified tax levy.

The Fairlane Club Victoria is a brilliant example of the Mark of Tomorrow styling and built-in plus-values that have made Ford the best-selling car in the nation.

# FORD is the lowest priced of the low-price three!

Everywhere you look in the new Ford, you see plus-value features. And these advanced features that make Ford your best buy today... also make it your best buy for the years ahead.

There are many plus-values in the all-new "Inner Ford!" You don't ordinarily see many of the plus-value features that are built deep down into the all-new "Inner Ford." For example, such features as the new, sturdier, contoured frame and new suspensions, front and rear.

There's a big plus-value in Ford power for '57! This year, you can pick a Ford engine to suit your power needs from a whole new family of mightier Ford V-8's. Or you may choose the new Mileage Maker Six.

**Ford is worth more when you sell it!**  
The years-ahead styling and rugged "Inner Ford" features that make Ford worth more now are the features that will make it worth more when you are finally ready to sell it or trade it in.

**Ford is priced right!**  
Comparison of manufacturers' suggested retail delivered prices proves that model for model, Ford is the lowest-priced, full-size car.

**Action Test a Ford... and see for yourself!**  
The only way to get fully acquainted with a car is to get behind the wheel and drive it. And we will be happy to have you come in and Action Test a '57 Ford at any time.

**COME IN TODAY... get a great deal on the NEW KIND of FORD!**

## Church News

Miss Jessie Pearce represented Post at the annual Northwest Texas Methodist Conference Wesleyan Service Guild meeting held Saturday and Sunday in Snyder. Miss Pearce is president of the local guild. Theme for the Snyder meeting was "The Spirit of Christ For All of Life." Featured speaker was Mary Lou Santillan of Holding Institute, Laredo.

One hundred and seven persons completed a five-lesson training course at the First Baptist Church. Final night of the course was held Friday with a general-round-table discussion climaxed the closing. Teachers were gratified over the response and the enthusiasm shown by all teachers and leaders who attended. Among the teachers were: the Rev. Roy Shahan, adults; Jack Lancaster, young people; William Robinson, intermediates; Mrs. Bill Driver, juniors; Mrs. Guy Floyd, primary; Mrs. Marie Dismukes, beginners.

"Mission Field U. S. A.", a book giving informative and interesting data on Home Missions under the supervision of the General Baptist Convention is the topic for mission study for members of the First Baptist Women's Missionary Union. Missions in almost all states, Cuba, Panama and Alaska, will be studied for the next several weeks. Those presenting several chapters on Monday were Mrs. Henry Tate, Mrs. Roy Shahan, Mrs. Lee Bowen and Mrs. E. S. Stewart. An inspirational and appropriate devotional opened the meeting.

Mrs. Mitchell Malouf presented a program in Lamesa recently in connection with Christian Education. She is chairman of this department in the Presbyterial. Several weeks ago the Post woman also presented a program in Rotan before a large group of women.

In Monday's meeting of the Presbyterial Ladies Aid, "Foreign Missions" was the program subject with Mrs. I. N. McCrary serving as program leader. The Rev. Clinton Edwards, pastor, presented interesting facts and figures on the subject.

Preceding his talk, Mrs. Giles McCrary presented the devotional. Mrs. Shelley Camp, vice president, presided over the business meeting. Tentative plans for a visiting speaker were made in preparation for Easter observance at the church. Plans are being considered for a 7 o'clock service on Easter morning as well as an 11 o'clock service.

The Monday afternoon meeting was well attended. The Rev. W. L. Porterfield of the First Methodist Church is in Pettus conducting a revival meeting which will continue through April 3.

A fellowship meeting was held by the young people's group of the First Methodist Church Sunday at 6:30 o'clock in the pastor's home. Andy Schmidt, president of the group, presided over the meeting and introduced those on the program. Group singing and record music were enjoyed after which refreshments were served to Schmidt, Kenneth and Sara Mills, Sharon Jobe, Barbara Shytle, Gary Welch, J. Sullinger and Betty Porterfield.

The Rev. Dudley Strain, minister of the First Christian Church of Lubbock, was elected president of Texas Christian Church group at the 71st annual convention held in Dallas from Thursday through Saturday.

Among the Post representatives who attended the two-day meeting were the Rev. and Mrs. Almon Martin, Mr. and Mrs. K. Stoker and Mrs. Lee Davis, a state board member. Accompanying the Post group was Mrs. Stoker's sister, Miss Ada Nell McFall of Abilene. The Abilene woman is well known in Post having appeared on many church programs here and having visited here through the years. She is district president of the United Church Women and is serving on the planning board which comprises seven laymen, seven laywomen and seven ministers.

Mrs. Willard Kirkpatrick, World Day of Prayer chairman, has received a Thank You letter from Mrs. Elsie I. Sweeney, chairman of National Church Women, in which she says, "We thank you and your church women for their interest and cooperation in the successful conclusion of the pro-

## Jimmie Charles Norman Is Honored On Birthday

Mrs. Jim Norman entertained recently on Sunday afternoon from 3 until 4 o'clock with a party honoring their son, Jimmie Charles, on his first birthday.

Refreshments of birthday cake, home made ice cream and drinks were served to Judy and Jodi Norman, Traci Ann Fleming of Ropesville, Barbara and Linda Gilmore of Post.

## 'Real Opportunity,' Student Says Of Adult Night Course

"It was a wonderful opportunity for me," says Mrs. J. L. Durbin, one of 17 adults who recently completed the Adult Night Course at Post High School.

"For years, I had wanted to take typing and bookkeeping," Mrs. Durbin said. "I found bookkeeping to be very fascinating and quite a challenge. I'm sure it was due to Mrs. Fleming's marvelous ability to teach that I was able to learn far more in 11 weeks than I thought possible. I am well pleased with the courses and plan to continue my studies. I know one thing for sure now . . . you never get too old to learn."

Other adults completing the course under the instruction of Mrs. Cora Fleming, teacher of commercial subjects in the high school, were Mrs. Preston Mathis, Mrs. Carl Rains, Mrs. Dan Cockrum, Nellie Guy, Edna Mason, Mary Fumagalli, Jean Hopkins, Jennie Lou Cowdrey, Billie Windham, Jewel Long, Velma Furr, Mrs. M. A. McDaniel, Mrs. Willie B. Sullivan, Mrs. Wilburn Morris, Homer Gordon and Billy Willoughby.

Certificates of Completion will be sent those completing the course by the National Extension Department of San Marcos.

## Club Members Hear Of 'Passion Play' At Joint Meeting

A joint meeting of Post's two oldest needle clubs, the Needlecraft Club and Priscillas, was held Friday in the home of Mrs. T. L. Jones. Co-hostess with Mrs. Jones, Needlecraft member, was Mrs. Jessie Voss, a Priscilla.

The program consisted of a resume of the Passion Play as witnessed by Mrs. W. R. Graeber on a recent trip to Florida. Mrs. Graeber told of the history of the play which was begun in the year 1633 by a group of villagers in Oberammergau, Germany. The play represents the crucifixion and the ascension of Jesus. The play usually lasts eight hours. The performance was originally undertaken in fulfillment of a vow made by the villagers, who thereby expressed their gratitude for the cessation of an epidemic of the plague. Several traveling troupes have presented the play in the United States.

Mrs. Victor Hudman gave a most appropriate reading after which a social hour was enjoyed.

A delicious refreshment course was served to Mmes. L. A. Barrow, Roy Shahan, Lacy Richardson, E. W. Wrestler, Henry Tate, N. C. Outlaw, C. W. Terry, R. H. Collier, Victor Hudman, J. L. Durbin, Ted Hibbs, J. Welborn, E. J. Robinson, Boone Evans, J. E. Stevens, S. C. Storie, Connie Caylor, M. J. Malouf, O. A. Madison, R. K. Green, F. A. Gilley, Lee Bowen, J. R. Durrett, Mae Voss and J. L. Stewart.

## PLEASANT VALLEY CLUB

The Pleasant Valley Home Demonstration Club met last Thursday in the home of Mrs. Stanley Sims. Mmes. Hardie Smith, Robert Mock, H. Beavers and the hostess made plans, following a social hour, for the district THDA meeting on Wednesday.

## Miss Jane Taylor's Betrothal To Ben Gordon Is Told By Parents

Mr. and Mrs. O. B. Taylor have announced the engagement of their daughter, Miss Jane Taylor, to Ben Gordon, son of Mr. and Mrs. J. M. Gordon. Miss Taylor is secretary to County School Supt. Dean A. Robinson and the future bridegroom is employed by the City of Post.

No wedding date has been set.

## Western Motif Used At Friendship Night Barbecue Of Southland OES

The Southland Order of the Eastern Star entertained at 7 o'clock Friday night in the school lunchroom with a barbecue supper for its annual "Friendship Night."

Guests were greeted at the door by the worthy matron, Mrs. H. V. Wheeler, and were registered by Mrs. Roy Collins, associate matron.

## Hostess March 21 To Couple's Club

Wrought iron bud vases holding white carnations centered four-square tables for the dessert course when members of the Couple's Bridge Club met in the home of Mr. and Mrs. Jess Michael Thursday night. Women cut for the flowers preceding the bridge games.

In the games, prizes went to Mrs. Bill Cates and Bob Collier for high score and to Bing Bingham for bingo.

Those attending were Mr. and Mrs. Bob Collier, Mr. and Mrs. Malcolm Bull, Mr. and Mrs. Bingham, Mr. and Mrs. Bill Edwards and Mr. and Mrs. Cates.

George Landtroop of Fort Worth visited during the weekend in the home of Mr. and Mrs. Tom Johnson and other relatives.

TO PROVE TO YOU WHAT THE EXPERTS ALREADY KNOW ABOUT AMERICA'S NUMBER 1 ROAD CAR!

**Drive the Champ!**

First the automotive writers said, "Keep your eye on Pontiac . . . this one's a sleeper!" Then the California Highway Patrol chose Pontiac after three days of grueling competitive tests of six of America's top performers. Next, in the top stock car event of the year, NASCAR's 160-mile Daytona Grand National\*, Pontiac outperformed everything on the beach including super-charged and fuel injection cars!

**NOW IT'S YOUR TURN**—Slip into that roomy driver's seat. Gently nudge the accelerator and feel Pontiac's barrel-chested 347 cu. in. Strato-Streak V-8 go into action. Put its instant response and Precision-Touch Control to a traffic test. Choose your own rough stretch and feel it disappear under Pontiac's Level-Line Ride. Then head for the open road and give that deep-breathing power plant a chance to show its mettle in the fresh open air. Man—you've got a champ on your hands for sure! And to make it even more fun—there's a chance to win a free Pontiac! Just follow the instructions at the right—you may be a winning driver!

**HERE'S ALL YOU DO!**

- 1 Go to your nearest authorized Pontiac dealer during April and test drive the 1957 Pontiac.
- 2 Fill out the official entry blank and deposit it with your dealer. That's all there is to it!

ECONOMIC LOSS AMOUNTS TO \$229,685,450

## State's 1956 Traffic Death Total Of 2,611 Sets An All-Time High

Col. Homer Garrison, Jr. director of the Texas Department of Public Safety, announced the official figures today for the 1956 highway traffic death count.

Garrison said that with the official closing of the 1956 books on traffic deaths that 2,611 persons had been killed during the year and the economic loss in the state amounted to \$229,685,450.

He said his figures, compiled by N. K. Wovener, chief of the department's Statistical Division, show that 111,501 persons were injured during the year of 1956 and that there were a total of 228,832 motor vehicle accidents.

The state police director said the 1956 death count represented an all time high with 64 more deaths than were placed on the books during the record breaking year of 1955 with 2,547 fatalities.

"Actually," he said, "there was a three per cent increase in traffic deaths in Texas last year in comparison with 1955 and our death rate per 100,000,000 miles of travel raised only slightly to 6.5 as compared with 6.4 deaths per 100,000,000 miles of travel in 1955."

Garrison said several factors must be considered in the fatality figure. "We have more automobiles than ever before in our state and we are driving more miles than ever before. But that is no reason to expect an in-

## Sesame No. 2 Money-Maker For Area Irrigation Farmers

PARIS, Tex. (Sp.)—Sesame has won clear title as the No. 2 money-maker for the irrigation farmers of the High Plains. The new crop's position became clear with the announcement by the Texas Sesame Seed Growers that the 1956 crop of 3,300,000 pounds had been sold for \$341,880.

For many High Plains farmers this meant gross returns from sesame of more than \$120 per acre—second only to cotton.

Robert L. Parker, executive vice president of Texas Sesame Seed Growers, production and marketing organization made up of farmers with headquarters here in Paris, gave this report: "Irrigated yields per acre were the best ever recorded. The average net price on the High Plains of \$10.34 per hundred to the grower is a record high. Most all of the sesame produced was graded and sold as No. 1 quality seed."

The \$10.34 price compared with \$10.04 per hundred for the 1955 High Plains crop and \$9.60 for the 1954 crop.

Parker's organization, which has pioneered the production and marketing of sesame, handles the bulk of the U. S. sesame crop.

Farmers on the High Plains made the highest yields and profits on sesame, Parker reported, but the 5-year-old crop continued to make gains in other sections of Texas, New Mexico, Oklahoma, Louisiana and Arkansas.

"It has been demonstrated clearly that there is a fine opportunity for this crop in the future," Parker said. "U. S. sesame seed production in 1956 was only about one-tenth of the total domestic market requirement, and we could have sold eight to 10 million pounds at the same good price had U. S.-grown seed been available. The market will be just as big in 1957, and if we don't produce sufficient tonnage, buyers will return to foreign sources for sesame seed."

The farmers of the High Plains achieved their record-breaking yields by following a simple formula developed jointly with Texas Sesame Seed Growers: (1) Good farming practices, (2) Thick stand, (3) High Fertility level in soil, and (4) Plenty of irrigation water.

Parker said that for the first time since domestic sesame production began five years ago, irrigation farmers actually produced the yields which have always been expected.

Clayton W. Sanders of Farmer County averaged 1,250 pounds of good seed per acre, a gross return of \$129.25 per acre, and a net profit of \$96 per acre after deducting total production and harvesting costs of \$33.25. Bill Wilson of Hale County grew 1,180 pounds per acre, grossed \$122 had costs of \$29.65 and netted \$92.35. Weldon Bailey of Lynn County averaged 1,200 pounds, grossed \$124.08, had costs of \$29.80 and a per acre net profit of \$94.28. These successes were duplicated many times over

through the High Plains country. "Sesame now has proved itself as a money-maker for the good farmer," Parker said. "The big problems of growing and harvesting and marketing have been removed and costs have been reduced. Most of the pioneering work is over, and an increasing number of farmers now are finding a place for sesame in their cropping picture. Good profits will continue to lure more grain sorghum land in the irrigated areas and more corn land in the dry land farming areas into sesame."

Parker said that his organization is already scheduling meetings of farmers of the High Plains and in the other production areas to demonstrate the latest and best methods of planting, cultivating, irrigating and harvesting sesame. The Growers organization has produced a new color movie which illustrates in detail the various steps in the sesame farming operation, Parker said. In addition, market prospects for the coming year will be presented at the meetings.

Parker said that Texas Sesame Seed Growers has received a sufficient amount of their special grown and processed best quality planting seed to plant enough sesame in 1957 to produce between eight to 10 million pounds of seed. Varieties of seed being offered for commercial production this year are semi-shattering Renner No. 1, the new White Blanco and Rio Shatterproof. The seed is available either from seed dealers throughout the production areas, or directly from the Growers organization in Paris.

## February Sale Of Savings Bonds In County Is \$7,644

Purchase of Series E and H savings bonds in Garza County through February totaled \$16,357, according to T. R. Greenfield, county savings bonds chairman.

The total through the first two months is 11.8 per cent of the county's 1957 quota of \$139,032. February purchases amounted to \$7,644 and those in January to \$8,713.

Primary emphasis during the spring months is on Payroll Savings, the chairman said. Hundreds of firms throughout the state are installing the Payroll Savings Plan which will offer their employees a plan by which they can save systematically. Over eight and a half million Americans and 250,000 Texans are now taking advantage of this method of regular saving.

In Texas, during February, over \$14,000,000 in Series E and H savings bonds were sold. Total purchase of \$14,458,082 for the month were recorded.

During the first two months of 1957, Texans bought \$32,065,275 in E and H bonds. This amounts to 16.6 per cent of the 1957 state goal of \$193,100,000.

# Girls Of Southland Field Track Team Antelope Track Team Wins Fifth Place In Annual Longhorn Relays At Lockney

The girls' track team of Southland will compete in the Bluebonnet Belles Relays at San Angelo on April 27, according to their coach, H. E. Lewis.

The Southland girls recently competed in a dual meet with the Lorenzo girls' team. Southland won first places in the high jump, 160-yard shuttle relay, 220-yard and 440-yard relays, discus throw, shot put and baseball throw.

Members of the Southland team are: J. Ellis, B. Klesel, D. Field, M. Spurlock, K. Mueller, L. Davis, O. Truelock, L. Davies, S. Mc-

The Post Antelope track team scored 16 points in the wind-swept Longhorn Relays at Lockney Saturday, finishing in fifth place behind the host team, Stinnett, Matador and Alpine.

Freezing rain and dust, blown by gusts of wind sometimes reaching 60 mph, battered the approximately 200 athletes competing in the meet and resulted in only three record-breaking performances.

Gehee, S. Oates, A. Neugebauer, D. Ellis, K. Anderson, N. Mueller, L. Halliburton and C. Kasinger.

The Antelopes' lone first place came in the 880-yard run, with Ray Gary negotiating the distance in 2:14.8 to finish ahead of Dexter Thomas of Alpine, Ken Weaver of Idalou and Jerry McGowen of Dimmitt, in that order. Gary also finished in a three-way first place tie in the pole vault, sharing the honors with Dale Kendle of Stinnett and Jim McClanahan of Slaton.

Jack Rains finished third in the 100-yard dash, which was won by Jerry Williams of Lockney, with Monte Boozer of Dimmitt third.

Ralph Hicks of Stinnett came in fourth.

Ronnie Morris picked up a third place in the 440-yard dash, which was won by Teddy Estes of Olton. Ernie Batchelor of Lorenzo was second and Jerry Patterson of Floydada third.

Post picked up another third place in the mile relay. Stinnett was first, Floydada second and Olton fourth.

Coach Burt McCoy took his freshman tracksters to the meet and while they failed to win any places they made creditable showings considering the competition, and gained valuable experience.

Teams finishing behind Post in the point scoring were Floydada, Dimmitt, Olton, Amherst, Slaton, Cotton Center, Lorenzo, Idalou,

## LONE STAR AGRICULTURE

### Sudan-Johnson Grass Hybrids Are Being Falsely Promoted

By JOHN C. WHITE  
Commissioner of Agriculture

An attempt to capitalize on a still-unperfected but potentially great agricultural advance—the Sudan-Johnson Grass hybrid—is posing a threat of serious eradication problems to unwary Texas

farmers. Sudan-Johnson Grass hybrids, still in experimental stages, are being falsely promoted as true varieties by people who somehow acquired seed from experimental crops. The product they are trying to sell is most likely a mixture of undesirable strains, containing Johnson Grass mixtures, Johnson Grass Hybrids and segregates from Johnson Grass.

These so-called hybrids, if planted, could be as difficult to eradicate as Johnson Grass itself. One such "hybrid" seed, being promoted as "Perennial Sweet Sudan," is of very doubtful value since "Perennial Sweet Sudan" has not been formally released to farmers or seedsmen by the Texas Agricultural Extension Service.

The Texas Department of Agriculture Seed Laboratory has been unable to determine any difference between true Johnson Grass seed and some of the seed in question. The Extension Service, which is working hard on the Sudan-Johnson Grass hybrid program, hopes to have some true variety developed after this year's crop is in. Preliminary results indicate that the new hybrids will be very beneficial for grazing and hay, having uniform juiciness, sweetness and structure.

However, until such time as they are perfected and released, purchase of purported Sudan-Johnson Grass hybrids should be carefully considered to prevent probable losses in time and money.

Farmers who have any doubt as to the value of seed being offered for sale are urged to contact their county agents, the Texas Agricultural Extension Service, or the Texas Department of Agriculture Seed Division.

Buford Duff, a former student in the Southland schools, has been elected manager of the Crosbyton Chamber of Commerce.

Duff, who will receive his bachelor's degree in June from Texas Technological College, graduated from high school at Wilson. His parents now live at Plains.

Duff is a student in the School of Business Administration at Tech.

Mr. and Mrs. Tom Wood, en route to their home in Lamesa from Dallas, visited in the Walter Boren home on Sunday. The Woods had been attending a Cotton Buyers Convention at the Statler-Hilton Hotel while in Dallas.

# Consider...

After the bleakness of winter comes Spring. Fulfilling a promise of long ago, the seasons follow one another in divinely planned succession.

All around us we see evidence that evil prevails throughout the world, but the Church gives positive assurance that God is ever present. As Spring brings new life to nature so God, through the Church, brings more abundant life to human beings.

Consider the daffodil—its freshness and beauty speak of hope. Consider the Church—its steadfast faith reaches out to undergird and strengthen mankind. God creates daffodils without our help, but intelligent cultivation makes them even more beautiful. Likewise, He depends on us to work in His Church, helping to spread its influence, to broadcast its message, to make a better world.

Let us accept this tremendous challenge and become a part of God's Church today.

**HOLY BIBLE**

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible, daily.

### 'Texas Today' Topic At Tuesday Meeting Of Amity Study Club

A Texas Day theme was emphasized in party appointments when members of the Amity Study Club met in the home of Mrs. Conrad Hartel on Tuesday night. Co-hostess was Mrs. George Miller.

A buffet supper was served from a beautifully appointed table laid with lace. A floral map of Texas featuring pink carnations, white and blue daisies in a styrofoam base formed the centerpiece. White candles in crystal holders surrounded the attractive arrangement.

"Texas Today" was the subject for study with Mrs. Wilma Olson serving as leader. Following roll call on "a beautiful spot in Texas," Mrs. Olson gave interesting material on "Texas Cities and Their Growth." Mrs. Leo Cobb talked on "Texas Industries and Their Problems."

A report on the district convention held recently in Amarillo was given by Mrs. Jack Burress. A brief business session was held with Mrs. G. K. Cash presiding.

Members attending were: Mrs. Malcolm Bull, Mrs. Burress, Mrs. Cash, Mrs. Bill Cates, Mrs. Leo Cobb, Mrs. Bob Collier, Mrs. Thurman Francis, Mrs. N. R. King, Mrs. Olson, Mrs. V. L. Peel, Mrs. E. F. Schmidt, Mrs. Powell Shydes, Mrs. Carlton Willingham, Mrs. Manas Samples, Mrs. Jack Brown and Mrs. Guy Nutt, a guest.

### Maggie Childress Is Feted At Farewell Party Held March 22

A party honoring one of Post's most beloved people, Maggie Childress, was given Friday night in the home of Mrs. Gladys Hyde and Miss Nora Stevens. The affair was a farewell gesture honoring Mrs. Childress as she is leaving the latter part of the week for her new home in Abilene. Co-hostesses were Miss Wilma Pirtle and Mrs. Lillie McRee.

Guests were friends who have enjoyed traditional Christmas and other holiday events together for many, many years. They were: Miss Lola McWhirter, Miss Bonnie McMahon, Mrs. Chant Lee, Mrs. Jessie Lee Lancaster, Mrs. Lillie Kitchen and the four hostesses.

The honoree was presented an array of beautiful gifts from the friends who were present and from several who were unable to attend. Cake and coffee were served at the conclusion of the party hours.

Mrs. Childress, who has owned and operated Maggie's Beauty Shop here for more than a quarter of a century, plans to open a shop in Abilene in the near future. She has purchased a home there.

The year 1957 is off to a good start with a good number of Duck Creek Soil Conservation District cooperators carrying out needed soil and water conservation practices.

Jack Kuykendoll has recently completed a new terrace system and Mrs. Lucille McBride and Mack Ledbetter have improved their old terrace system by enlarging their old terraces and building new ones to complete their systems.

Irrigation pipelines to conserve water and improve their terrace systems are being installed by Gus Porterfield, C. L. Mason, T. L. Aten, F. D. Wheeler, V. C. Wheeler and Elmer Crabtree.

The Double U Company is constructing additional tanks that will give better distribution of water on their ranches.

Diversion terrace lines have been staked for Walter McQueen, which will help solve water erosion problems on his farm.

This is the time of year that ranchers should be planning spring and summer deferment of their ranges that are in poor condition

due to over-grazing and the prolonged drought.

a cross-country flight to Miami Beach, Fla. Katie McClellan and Frances Macon accompanied her home Monday.

Recent guests in the home of Mr. and Mrs. E. M. Norman were her brother and family, Mr. and Mrs. J. R. Chapman and Sandra, and Mr. and Mrs. Jimmy Grigsby of Plainview. They also visited with Mrs. Chapman's parents, Mr. and Mrs. O. H. Hoover.

The Rev. C. A. Norcross of Lubbock, local Methodist pastor, was down last Thursday visiting in various homes.

Knocking on the door of several homes this last week and entering without a very cordial welcome was "Old Mr. Flu." Some of the victims were Rhea Peel, who was a patient in Garza Memorial Hospital from Thursday until Sunday; Leta, Kathy and Mary Ann Stone, Delwin Fluit, Joel Morris, Sandra Stewart, Lewis Mason, Mrs. Jimmy Doggett, Arlice and Bill; Alfred Doyle Oden, and your correspondent. Orabeth and Jane Maxey were absent from school part of the week with three-day measles. Fifteen others were absent this Monday from the local school with flu and other ailments.

Visiting Mrs. W. A. Oden on Monday night were Mrs. Nellie K. Babb of Post and Mr. and Mrs. W. C. W. Morris.

Mr. and Mrs. Bob Lusk visited at Lorenzo Monday night with his father, Z. P. Lusk, and family.

Mrs. O. H. Hoover and daughter-in-law, Mrs. Houston Hoover of Littlefield, and her mother, Mrs. H. W. Edwards Sr. of Tahoka visited several days recently in Grandfield, Okla., with Mrs. O. H. Hoover's sister-in-law, Mrs. Fred Varner. Then Mrs. Edwards visited in Ryan, Okla., and Mrs. Houston Hoover in Denton with her son, Bob, who is attending college there, while Mrs. O. H. Hoover visited in Frederick, Okla., in the homes of her husband's sisters, Mr. and Mrs. George Jette and Mrs. Scarbrough.

Elmo Bush had minor surgery last week in Garza Memorial Hospital.

Carol Ray Davis was a medical patient in Lubbock Methodist Hospital last Thursday and Friday.

Mrs. James Stone and Mrs. Mary Lee Wristen accompanied Mrs. Lucille McBride to Lubbock last week where she underwent major surgery on Thursday. Annette visited in Post from Friday until Monday evening with her grandmother and aunts, Mrs. L. E. McBride, Verle and Vada.

### Post Couple's Nephew On Tech Tennis Team

Bob Macy of Coral Gables, Fla., nephew of Mr. and Mrs. John F. Lott of Post, is a member of Texas Tech's tennis team, which was undefeated on a recent Southwest Conference tour.

The Tech team defeated Southern Methodist University, 4-2, Saturday. Macy, a freshman, defeated Bill Dickerson of SMU, 8-6, 6-1.

On Friday, the Tech team defeated Texas Christian University, 7-0.

Macy, who was state high school champion in Florida, is the son of Mr. and Mrs. Ike Macy of Coral Gables. He is attending Tech on a tennis scholarship.

### MRS. WILL TEAFF WRITES

### Close City Families Are Hosts To Wayland Mission Band Members

The Wayland Mission Band of Wayland College, Plainview, had charge of services Saturday night and Sunday at the Baptist Church here.

Ira Cook went to Lubbock Monday for a check-up.

In spite of Sunday's bad weather there were 33 in Sunday School.

The Mission Band consists of four girls and four boys. They were dinner guests Saturday night in the Jim Barron home. The girls spent Saturday night in the Will Teaff home. Two of the boys were guests of the Rev. and Mrs. C. D. Nowell, and the other two were guests in the Jim Barron home.

The entire group were guests of the Nowells on Sunday.

Congratulations to Mr. and Mrs. Robert Craig on the arrival of a new baby boy.

Mrs. Irvin Cross is here in the home of her parents, the Bon

### BITS-OF-NEWS

Mr. and Mrs. A. C. Cash and children visited recently with Dr. and Mrs. John Rountree in Dallas.

Mr. and Mrs. Van Tyle Bouchier of Memphis, Tenn., arrived here Sunday for a brief visit with Mrs. A. W. Bouchier and with the Tom Bouchier and Phil Bouchier families. They plan to visit and transact business in Houston before returning to their home.

Mr. and Mrs. Dowe Mayfield spent the weekend in San Angelo with Mr. Mayfield's mother and also visited with his sisters and their families. En route home they visited with friends and relatives in Sweetwater.

Mr. and Mrs. Pete Smith of Artesia, N. M., spent the weekend in the Arvil Smith home.

Mr. and Mrs. Stanley Nixon and son of Brownwood and Mrs. Sonney Hitt and children of Pleasant Valley were weekend visitors in the home of the Rev. and Mrs. A. T. Nixon.

The Rev. and Mrs. R. E. Bratton attended funeral services for a friend in Snyder last week.
