

Contract let for new high school; new gym may be added 'bonus'

School board orders plans

Post Independent school district trustees Monday afternoon awarded the construction contract for Post's new high school building to the Inland Contracting Co. of San Antonio, low bidder on the project at \$336,207.

At the same time the trustees voted to employ the Lubbock architectural firm of Atcheson, Atkinson & Cartwright to draw up the final plans for a new high school gymnasium.

ACTION TO draw up gym plans came after the trustees discussed the proposition of submitting the gym for construction bids to see if gym could be constructed with what remained of funds from the \$710,000 school expansion bond issue voted in the spring.

Architects had estimated the new high school would cost \$450,000 whereas the bid went for \$336,207. With the possibility that similar savings may develop in completion of the remodeling of the present high school building, it is possible there would be enough money left to construct the gym, providing that it of course was bid in well under the architect's estimate.

A new gymnasium had been planned originally in the big school expansion program, along with expansion of present lunch-room facilities, but both projects were put aside in the spring to hold the bond issue to the \$710,000 voted.

Architects' preliminary estimate of the gym cost was between \$150,000 and \$180,000.

IN AWARDING the contract for construction of the new high school, trustees were told that the San Antonio builders were prepared to begin moving on location within 48 hours after receiving the contract from the board.

The Inland Contracting firm estimated a completion date of 250 calendar days after receiving the bid, which would mean the new high school would be finished sometime next June if that schedule were maintained.

This apparently gives plenty of time to complete the project. See **CONTRACT LET**, Page 8

Sub teachers get salary increase

Salaries of substitute teachers in the Post schools have been boosted from \$8 to \$12 per day.

Action came Monday at the board's September meeting because substitutes were hard to find at the \$8 rate.

Trustees also voted Monday to offer the Texas Roof Co. of Lubbock a contract to repair broken tile on the grade school building roof at a cost of \$330. This was the result of wind damage.

Another board action was the decision to offer to purchase 33 additional window screens from the Bundock Construction Co. of Lubbock at a cost of \$5 per screen to completely rescreen the present high school building. The firm, now completing the conversion of the auditorium into classrooms and an assembly room, had a number of suitable new screens available.

Rotary to host school teachers

The Rotary club will be hosts to all Post teachers and their wives or husbands next Tuesday evening at a dinner in city hall.

Wives of Rotarians also will be guests for the occasion. No regular Rotary luncheon will be held next Tuesday noon because of the teachers' banquet.

The Rev. Joe Barnett, pastor of Levelland's Church of Christ, will be the banquet speaker on the subject of relationships between teachers and parents.

Approximately 165 are expected to attend.

Post man fined \$76.45 for carrying a pistol

Samuel S. Newman of Post was fined \$50 and \$26.45 costs by County Judge J. E. Parker Saturday on a charge of carrying a pistol "on or about his person."

Newman was arrested Friday night by City Marshal Otis G. Shepherd Jr., and the complaint was filed by the county attorney on behalf of Deputy Sheriff Red Floyd.

If weather remains dry for next few weeks

Stripping of cotton is seen

If the weather stays clear and dry there will be lots of cotton defoliated and stripped by machines in Garza County, County Agent Lewis Herron told The Dispatch this week in a review of the crops situation.

He reported irrigated cotton as "still looking good," but that dryland cotton "countywide is poor". Most cotton men in the county think the county will be fortunate

to harvest 15,000 bales this year—5,000 bales under the last county estimate in the High Plains cotton report.

Herron reports the cotton is now opening and that the grain sorghum harvest is under way.

Grain is testing fairly high in moisture, but is having to be cut due to lodging.

Grain buyers here report that the milo harvest is "picking up"

this week but is not yet in full swing.

Mike Mitchell estimates that the 1959 feed crop will total up only "40 to 50 per cent of last year's bumper crop."

With 60,000 acres planted to milo, an average yield of 1,000 pounds to the acre, and figured at the present \$1.40 per hundredweight cash price, Garza's milo harvest this year will be worth some

\$840,000 to county farmers.

Earl Rogers doesn't think the average per acre will be over 800 pounds and County Agent Herron sees it at "less than 1,000."

All told, it will rate as a good crop, but nowhere near last year's bumper harvest which averaged around 1,500 pounds to the acre.

Too much of the dryland maize is burned so badly that it will never be harvested.

Postings

By JIM CORNISH

We are proud today to announce an important new page has been added to The Dispatch's news page of the community front page of the community front page of the community front page...

The School Page has been one of our goals for the last two years. School authorities have agreed to school coverage both year and again at the beginning of the present fall term. We are happy they accepted because we know the parents are going to enjoy this school page just as much as the students.

Congratulations to High School Editor Pat Wheatley, her Editor Janene Haynie, and to eight reporters — Mary Ford, Carol Billings, Sammie Caffey, Kathy Stone, Travis Melanie Thompson and Sharwood—for an excellent start at 12 hours notice. We met this fine staff Monday afternoon and the next morning Editor brought all the copy of the school stories on this page into the Dispatch office. Since the school goes to press four times a week with four-page sections, school page deadline for copy is Friday afternoon. "Have You?" promised to be a really good column.

Junior high staff was named last week, but we didn't have opportunity to meet with them. We were away to a Press Association "ad meet" in Friday, Saturday, and Sunday. Editor Charlie Didd was devoting most of his time to our intertype machine in place of an operator. None of the junior high staff, led by Barbara Hahn, got busy with several items for the "Page" without a briefing.

We hope to have a school picture on the page each week. Things work out right we'll have the new school page in our first picture next week.

We'll look over the sports page POSTINGS, Page 8

Construction here to \$926,635 for year

The issuing of \$61,000 in permits here the past three of which are for new construction for the year's construction has totaled \$926,635. The permits went to Ted Snyder builder. One was for a residence in the Sunbelt. It will be a 1,800-foot, brick veneer, concrete foundation, shingle roof and central heating. The other permit was for the Sunset Addition at 123-000. It will be a 1,700-foot residence, brick, concrete foundation, wood shingle

OPEN TO PUBLIC

The new Garza Medical and Professional Clinic and the Clinic Pharmacy, both housed in the new building above, will hold a public open house Sunday afternoon at 318-20 West 8th Street. (Staff Photo)

Open house to be Sunday at clinic

The new Garza Medical and Surgical Clinic and the Clinic Pharmacy at 318-20 West Eighth street will hold an open house between 2:30 and 4:30 o'clock Sunday afternoon to which the public is cordially invited.

Dr. John E. Carter and Dr. James R. Matthews are the two physicians who share offices and quarters in the \$40,000 clinic building. Dr. Carter, who financed and built the clinic, told The Dispatch this week that arrangements soon will be worked out in which Dr. Matthews will purchase an equal share of the new clinic building from Carter.

The new Clinic Pharmacy which occupies the front portion of the clinic building is owned by Bob Sinner and Myles B. Clark of Snyder, and is being operated for the present by Sinner, who has moved his family to Post from Snyder.

H. S. Brown, Lubbock contractor, was the general contractor for the new clinic building which is 39 feet in width and 112 feet in

City's property valuations jumped \$79,000 this year

Post's assessed property valuations are up \$79,000 over a year ago, Mayor Powell Shytle told Lions club members Tuesday night in a talk of city problems and probabilities at that civic club's weekly dinner meeting at Tom's Place.

The mayor said the assessed valuation for the coming tax year is \$3,384,937 — this representing 35 per cent of the true worth of the properties within the city.

The city tax rate, he emphasized, will remain the same. Shytle's pointed out that the new garbage charge will free some tax funds badly needed elsewhere in a growing city's budget.

The mayor also briefly reviewed the new approach now being taken by the directors of the White River Municipal Water District in an effort to complete qualifying for the \$3,000,000 federal loan, thus permitting dam construction to begin next year.

Shytle's review of city affairs generally covered about the same ground as his talk recently before the Rotary club.

depth. The building is of concrete block construction with steel-supported roof. It is entirely air-conditioned. The Clinic Pharmacy occupies approximately 700 square feet in the front portion of the building.

The clinic portion of the building contains a large waiting room in the front with a large business office directly across the hall. Next down the central hall, opposite each other, are the two panelled, carpeted offices of the two physicians. Four examining rooms, a laboratory, an x-ray room, an emergency treatment room next to the back entrance, a recovery room, and a utility room comprise the remaining facilities of the clinic building.

The front is of pink, gray and white concrete tile with a decorative tile window fronting the waiting room.

The clinic building has an adjoining asphalt parking lot to the east with angle parking for 18 cars.

The clinic's staff includes two office nurses, Mrs. Gene Terrell, wife of Bob Terrell, and Mrs. Mozelle Edwards of Slaton, and Mrs. Wanda Wilkerson as receptionist and bookkeeper.

Suppliers for various portions of the clinic's construction were the following:

Roofing, Lydick Roofing Co.; electrical, A & B Electric Co. of Lubbock; installation of G. E. year-around weather conditioner, Casey & Welch Electric of Post; insulation by James Insulation Co.; plumbing by Belk Plumbing; floor coverings by Newsome Distributing Co.; acoustical ceiling by Maynard of Lubbock; concrete by Post Ready-Mix Concrete Co.; concrete block and stone by Texas Concrete Block of Lubbock, and framing materials by R. E. Cox Lumber Co. of Post.

The open house announcements by the clinic and pharmacy will be found on page 11 of today's Dispatch with congratulatory ads to the clinic occupying most of the rest of pages 10 and 11.

The new clinic has been open since Aug. 31. Construction was begun in early July.

Dr. Carter came to Post from Eden, Texas, in September of last year and Dr. Matthews began his practice here in February of this year.

Maxine Durrett home from tour

Miss Maxine Durrett returned to Post Tuesday following a two and one-half month tour of Europe.

In talking to Maxine she said "two of the nicest experiences of the trip were seeing John Boren, son of Mr. and Mrs. Walter Boren, at Heidelberg, and Jimmy Ferguson, son of Mr. and Mrs. A. A. Ferguson who is stationed in Frankfurt, Germany."

Miss Durrett was accompanied on the tour by her cousin, Mrs. Leah Akin of Wichita Falls.

Oil men to meet again Tuesday on Centennial

The Garza County Oil Centennial Association will meet again at 8 p. m. Tuesday in City Hall to continue planning for the Oil Centennial Week here in October.

David Newby, chairman, asks that all local oil men be present.

Mr. and Mrs. Farmer and Family Post Trade Area:

You are cordially invited to attend the first annual Farmers' and Business Men's Barbecue to be held Saturday evening, Sept. 19, at the new county 4-H building in the county park here.

Serving will begin at 6 p. m. No tickets are required. Please come.

The Post Chamber of Commerce

Farmers' Barbecue here Saturday

The cooking of 900 pounds of boneless chuck beef will get under way probably before sunup Saturday morning for the first annual Farmers and Business Men's barbecue.

Chief Cook Matt Stelzer, assisted by his two sons, Julius and Andy, are going to do the barbecuing honors and whip up a few hundred pounds of beans to go with the beef via Matt's own private recipe.

The barbecue—to which all the farm families in the entire Post trade area are invited—will begin at 6 p. m. Saturday at the 4-H Building and area in the city-county park on the south edge of Post.

Upwards of 2,000 people are anticipated with the serving to continue until all are fed.

No tickets are required. Families of local business men also are invited.

No speech program is involved. "It's just a good eating and good visiting session for all concerned," says Chamber Manager Johnny Hopkins.

Dozens of local business men will assist in the coffee making, serving, and greeting.

The barbecue this year replaces the first bale of cotton awards which previously have been made annually by the sponsoring Chamber of Commerce.

Conservation supervisor to be elected Oct. 6

An election of a conservation district supervisor will be held in Zone 1 of the Duck Creek Conservation district Tuesday, Oct. 6, County Agent Lewis Herron said this week.

Zone 1 includes county commissioner precincts 1, 2, and 4 in Garza County.

B&PW could lead town beautification too

The Business and Professional Women through their cemetery improvement project are doing this community a real service.

They are providing the necessary civic leadership to get an important town project accomplished—the care and beautification of our cemetery.

Maintaining a cemetery as a beauty spot in West Texas is no simple task. It takes plenty of work and plenty of care. The more who are willing to help, the better the cemetery can be kept.

The response to the B&PW appeal for aid in the project has been large. It has been so successful in fact that the ladies are hopeful of making the project a permanent one with a big clean-up drive each year with a lot of individual care around the calendar, so to speak.

The City Council proved their appreciation for the ladies' efforts last week by approving purchase for over \$500 of a shredder to cut the grass. In the past such a machine has had to be borrowed from the county. This means it will be continually available for cutting.

Once the B&PW feels it has the cemetery project well in hand, we might suggest that the ladies branch out and extend their beautification drive all over town. A campaign to promote the planting of trees through a club-sponsored wholesale tree sale would be just one of the many projects of this type which might be undertaken.

Anyway, The Dispatch wants to add its note of appreciation to that of the City Council for the excellent work the B&PW Club is doing for the community with its cemetery project.—JC

Watch out for school buses on highway

Texas' largest transportation system is now in full swing—the State's fleet of more than 8,000 school buses. Furthermore, for the next nine months, these buses will carry the bulk of nearly 2,000,000 pupils to and from school each week day.

It is truly a Texas-size task to transport all these pupils—it is an even greater task to transport them safely. No one will deny the school bus driver has a tremendous responsibility.

But, says the Texas Safety Association, motorists are also charged with the safety of our school bus riding pupils. The State law is very precise on this point and reads as follows:

Sec. 104. OVERTAKING AND PASSING SCHOOL BUS:

a. The driver of a vehicle upon a highway outside the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus, which has stopped on

the highway for the purpose of receiving or discharging any school children, shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten miles per hour, and with due caution for the safety of such children.

b. Every bus used for the transportation of school children shall bear upon the front and rear thereon a plainly visible sign containing the words "school bus" in letters not less than eight inches in height.

c. The driver of a vehicle upon a highway with separate roadways need not stop upon meeting or passing a school bus which is on a different roadway or when upon a controlled-access highway and the school bus is stopped in a loading zone which is a part of or adjacent to such highway and where pedestrians are not permitted to cross the roadway.

Oil Week planners set example

Seldom ever have we seen a group of men in one occupation sit down together to plan a community celebration and educational campaign all wrapped into one as have the oil folks for Garza County Oil Centennial Week.

David Newby, as the county oil information chairman, grabbed the ball and ran with it three weeks ago when he asked all the other oil folks to meet together and see if they wanted to celebrate oil's 100th birthday here in America.

They did. And how they are working together! They're raising their own funds, mapping their own plans, and in the end—come the

third week in October—they propose to stage their own Oil Week Centennial with the townspeople and the farm folks as their guests.

Talk about good will and a better understanding of a vital Garza industry. This celebration certainly ought to do it.

The oil men here have taken positions of real community leadership right along. This is just another example of how they work together to get things done.

The rest of us can learn a lot by just watching them work out their celebration with enthusiasm, hard work, and their own dollars.—JC

Mr. and Mrs. Farmer — you're invited

The Chamber of Commerce is sponsoring a big appreciation barbecue for all the farmers and their families of the Post trade territory Saturday evening at the new 4-H building just south of the lake.

The event replaces the first bale of cotton award. The local business men thank the barbecue event would be a better method of showing ALL you farmers our appreciation for your efforts in this area.

So, come one, come all. There will be hun-

dreds of pounds of barbecued beef on hand with all the trimmings. A "speechless" program is promised. It'll be a good place to eat and visit with your friends.

So don't miss it—starting at 6 p. m. Saturday evening.

Due to the difficulty in reaching everyone by personal invitation, The Dispatch wants you—on behalf of the Chamber of Commerce—to consider this your invitation to come and eat with us Saturday night.—JC

Everybody should take a look Sunday

When Dr. John Carter came to town some months ago, he immediately set to work on plans to build a brand new, completely modern Garza Medical and Surgical Clinic.

This he has completed to give Post additional medical facilities which this growing town has so badly needed.

With the completion of the clinic, Dr. Carter immediately began building of a new home for his family.

Both together they represent a large and sizable investment in Post's future. Such an investment by a newcomer certainly is to be appreciated by all of us.

While many towns have had to build their

own clinics to attract physicians, Post has had a new physician not only move into town, but erect an important new asset—new medical facilities.

Dr. Carter and Dr. James R. Matthews will hold an open house Sunday in the new Garza Medical and Surgical Clinic at 318-20 West 8th Street to give the general public an opportunity to inspect this fine new facility as well as the Clinic Pharmacy which occupies the front portion of the clinic building.

We hope the townspeople turn out en masse to see the contribution which has been made and to again thank these two fine young doctors for moving to our town and opening practices here.—JC

What our contemporaries are saying

When the telephone didn't answer, it used to mean nobody was home. Now it probably means you aren't synchronizing with the commercial.—The Andrews County News.

It requires more than a few coins dropped into

the hole beneath an oil derrick to excite the influences that bless those who believe in wishing wells. The magic charm responds to bales of greenbacks, which, at infrequent intervals, may be tossed back to where the owner can grasp them.—Matador Tribune.

Some sales prospects are misers; they let the rest of the world go by.

History has a way of repeating itself. But gossip has history beat to a frazzle.

Some people never hit the mark because they never pull the trigger.

It's bad enough to be a quitter. But it's worse to finish something you never should have started.

The happiness of your life depends upon the quality of your thoughts.

Even a tombstone will say good things about a guy when he's down.

Spend more time with people you like least and you'll find them very likable.

Always do right. This will gratify some people, and will astonish the rest.

Corner on Cotton

BY BOB COLLINS

Millions of dollars are going to be lost to cotton farmers this season just because some producers aren't smart enough to follow good picking and ginning practices. . . . the experts say that one simple practice at the gin will make the farmer from \$10 to \$30 per bale. . . . this practice is the grouping of seed cotton according to moisture and trash content. . . . talk to your ginner about it. . . . you'll find him more than cooperative. . . . also, we suggest you talk to your county agent about good picking practices, even if you do know more about growing cotton than he does!!!

Paper vs. Cotton

Paper is making more inroads into cotton's markets. . . the Army is experimenting with a paper-base bed linen and several other items of clothing. . . also, a large mailorder house is offering paper fabrics with nylon reinforcements for use in making tablecloths, draperies, etc.

New Weapon

Scientists have just come up with new facts about using calcium arsenate to kill boll weevils. . . where it was once thought that the pests had to eat the chemical before it would kill them, it has just been discovered that the poison can kill through contact.

Cotton Meeting

Theme of the Beltwide Production Mechanization conference in 1960 will be "Growing Quality Cotton Efficiently". . . should be worthwhile for the producer. . . conference will be held in Memphis, Tenn., on January 11-13. . . some of the top technical men in the country will be there.

Moisture Meter

We hear of some cotton producers who are using a moisture meter to determine when to pick. . . and making \$5 to \$10 per bale easy. . . they check the cotton in the open boll early in the morning. . . it's too wet (that over 10 per cent moisture for hand picking or over 8 per cent for machines) they wait an hour and check it again. . . when it's ready, they go to it. . . they ston when the late evening reading shows too much moisture.

About your health

People who know say a single rat can waste through \$2 worth of dry corn without any trouble whatever, and despoil another \$20 worth in the process.

They're mighty expensive critters to tolerate in town or country, both by virtue of the food they eat and the some 27 diseases—including typhus fever and huponic plague—they are known to spread.

This time of year rats will be in field burrows. Soon though, with rural harvest well under way and cooler weather coming, they'll move into grain bins and feed stacks and buildings where food is stored.

If you're interested in keeping them out of your place, now's the time to formulate a plan to deprive them of food and shelter this winter and avoid a repetition of last year's record-breaking infestation.

Start by burning or piling scrap lumber at least two feet off the ground. Scatter feed stack chaff and manure piles over fields. And keep the inevitable weeds and grass around outbuildings cut so as not to attract rats.

Rats breed so rapidly that mere killing campaigns without accompanying sanitation are worthless. On the other hand, striking reductions in rat populations have been made by rat proofing without killing procedures.

Farm buildings in good repair are seldom infested with rats, so it follows that's the way to keep them. Check to make sure walls are tight and that floors and foundations are crack-less. A strip of galvanized metal three feet or so high, placed around the base of a building will keep rats out—provided they can't get through the floors.

By and large, rats as a group probably prefer grain to any other type food. Which is a good argument in favor of building new granaries tight and off the ground.

All known rats runs ought to be baited with poison. In one closely supervised campaign, almost 12,000 rats were killed at a cost of about 4 cents per rat. Warfarin bait was used; and the amount required to kill a rat averaged slightly less than a quarter pound.

Other effective poisons are available but many of them must be used with extreme caution. Persons unfamiliar with rodenticides should get expert advice before attempting to use them.

Food consumption studies show that families spend more money for meat and meat substitutes than any other major group of foods.

THE AMERICAN WAY

Awake at Long Last

Remembering yesteryears

Five years ago

Waller & Allen, Lamesa contractors, began work Monday on installation of a new 34-foot screen at the Tower Theatre; the third annual reunion of former residents of Henderson State Park in Lubbock; two dogs exhibited by H. J. Dietrich, breeder of high grade German Shepherds, made excellent showings in the Lubbock show of the Heart of the Plains Kennel Club; Miss Helen Laura Thaxton and Charles Marshall Prather exchanged wedding vows in the Church of Christ; approximately 100 attended the Parent-Teachers Association's first meeting of the year; the first meeting of the year of the Alpha Chapter of Beta Sigma Phi Sorority was held in the home of Miss Genevieve Babb; the Southwestern Medical Foundation has announced the appointment to its Advisory Council of J. Lee Bowen.

Fifteen years ago

STATE FAIR'S FREE 'SHOWER OF STARS'

Perez Prado Red Foley Steve McQueen

Herb Shriner Johnny Puleo Woody Herman

A fabulous "Shower of Stars" will fall on the 1959 State Fair of Texas, Oct. 9-25, and all for free. Among big-name entertainers to be featured in the free shows are Perez Prado, "king of the mambo," Oct. 12; Red Foley and his Ozark Jubilee TV troupe, Oct. 15; TV Star Steve McQueen, Oct. 16; Hoosier humorist Herb Shriner and Johnny Puleo and his Harmonica Gang, Oct. 20, and Jazz Bandleader Woody Herman and his "Herd," Oct. 21.

Texas Tech is to offer course in chemistry via television for credit

LUBBOCK — In a move to strengthen science teaching on the South Plains, Texas Tech will join more than 250 U. S. colleges and universities offering credit for a Continental Classroom telecast course in Modern Chemistry.

The 160-lesson series will begin Sept. 28 on the NBC network and terminate May 27, Dr. Samuel H. Lee, Tech associate professor of chemistry and program coordinator, announced. It may be seen locally from 6:30 to 7 a. m. on KC-BC-TV.

Dr. Lee explained that the Modern Chemistry course is designed primarily for high school teachers who may earn six-semester hours of college credit at Tech for the two-semester course. They will meet for Saturday morning seminar and lab sessions in chemistry. "Others interesting in obtaining a better understanding of recent developments in chemistry and who have had a year of college chemistry are eligible to enroll for credit," he pointed out.

Formal registration for the course will be held at 9 a. m. Saturday, Sept. 19, in Chemistry Building 203. However, much time and effort may be saved if Dr. Lee is contacted in advance for certain forms, informed whether graduate or undergraduate credit is being sought and if the enrollee has previously attended Tech.

Dr. John F. Baxter will be the national teacher of Continental Classroom's Modern Chemistry. The course will include fundamental principles of chemistry and a survey of recent developments. Structures of chemical species will be stressed.

Bible Thoughts "The Truth Shall Make You Free"

by RONNIE PARKER

In John 8:32, Jesus says, "Ye shall know the truth, and the truth shall make you free." The truth here means the Christian religion. The doctrines of the true religion shall make you free. It will free you from the slavery of evil passions, inordinate desires, corrupt actions.

The condition of a sinner is that of a CAPTIVE or a SLAVE to sin. He is the one who serves and obeys the dictates of an evil heart. "Ye were the servants of sin," servants unto iniquity; (Rom. 6:17, 20).

The effect of the gospel is to break this hard bondage to sin and to set the sinner free. We can learn from this that religion is not slavery or oppression. It is true freedom. Cowper said:

"He is the freeman whom the truth makes free,
And all are slaves beside."

The work of God in giving us the TRUTH is freedom from the slavery of sin. This can come with a cheerful and delightful surrender of ourselves to Him.

YOU CAN FIND A WELCOME AT THE CHURCH OF CHRIST ANY TIME

High Plains cotton prospects still good

LUBBOCK — Texas High Plains cotton crop prospects for the 1959 season continue to look good and based production in early September was placed at 1,775,000 bales.

It is up about 5,000 bales from the Aug. 1 crop estimate by officials of the Lubbock Exchange and the Plains Growers, Inc.

Reports throughout the area are to be good. Late-planted cotton is said to be making good progress. Some dryland is possibly suffering now for lack of moisture but much of the dryland area is in good shape and farmers report heavily irrigated stalks. Most noticeable in the crop estimate is the increase in production on dryland and increase from irrigated

cotton authorities now agree weather the next six weeks in the Plains will mean the difference between a good and bad crop as far as cotton is concerned. Most farmers have hopes for a good, dry fall and late frost.

The 1,775,000 bale estimate materialize, it would be the largest cotton crop ever produced in the 23-county Texas High Plains area. Top was the 1958 crop which produced 2,025,433 bales. About 100,000 more acres were planted this year since there is no soil bank, but adverse weather in May and June wiped out high as 600,000 acres and of it was late in being re-planted. Standing acreage on the Plains as of Aug. 1 this year was 50 acres, just about the same standing acreage in 1958 at the same time.

County listed production estimates by counties:

Borden 10,000, Bristow 15,000, Castro 30,000, Cochran 10,000, Crosby 105,000, Dawson 10,000, Deaf Smith 9,000, Dickens 10,000

Santa Fe carloadings are up for the week

Santa Fe carloadings for week ending Sept. 5, 1959, were 23,356 compared with 22,318 for the same week a year ago. Cars received from connections totaled 11,937 compared with 10,807 for the same week a year ago. Total cars moved were 34,393 compared with 33,125 for the same week a year ago. Santa Fe handled a total of 33,753 cars in the preceding week this year.

MADE GOOD!!!

The seven-year-old son of a television comedian came home with his report card.

"Well Son," asked the television star, "were you promoted?" "Better than that, Pop" chirped the kid happily. "I was held over for twenty-six weeks."

COMING!

TRUCKS THAT DO THE NEXT BEST THING TO PAVING EVERY ROAD IN AMERICA!

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, braunier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

Bring Your Dream Home Down to Earth

WITH A BUILDING LOAN FROM FORREST LUMBER CO. We Offer A Loan For Every Building Purpose

TAKE ADVANTAGE OF FORREST'S FINANCE PLAN

We can, without delay, arrange a suitable loan for any kind of building project. We have a special loan to cover all purchases made from Forrest Lumber Company or affiliated stores. Its a loan plan to cover cost of all types of repairs, alterations or improvements to your existing residence. We also have the same type loan to cover multi-family dwellings, buildings and commercial structures, and farm structures.

IF YOU WANT TO BUILD A NEW HOME...

We can fix you up with a GI or FHA loan to include purchase of real estate and completely build the structure. Complete cost for a two-bedroom home will range from \$7,000 to \$10,000. Low monthly payments, including taxes and insurance, will retire the loan over a period of years.

Come in and talk it over with us.

IF YOU WANT TO IMPROVE YOUR PRESENT HOME

We have a loan designed to enable you to add an extra room or two, build a new garage or make any kind of extensive addition and improvement. You can borrow from \$2,000 to \$5,000 on payout periods of five to fifteen years.

OTHER LOANS IN FORREST'S FINANCE PLAN

We have a loan designed so you can finance any purchases made from this Forrest yard from \$65 up to \$5,000. You can re-pay this loan in from six to sixty months. Payments may be made on monthly, quarterly, semi-annually, or annual basis. This type loan will enable you to purchase new bath fixtures, floor coverings, home furnaces, paints, new fences, or any other materials. It's an ideal loan for a Do-It-Yourself homeowner.

There's another loan, designed to enable a home-owner to repair, make alterations and improvements, to his existing home. It will cover all costs of labor and materials up to \$2,500 and may be re-paid in from six to 36 months.

SMALL BUSINESS BUILDING LOANS—If you're interested in building a new business building we can arrange a small building loan of up to \$3,000, exclusive of financing charge. Repayment extends from six months to three years.

FARM BUILDINGS—This loan is designed to enable farmers and ranchers to build structures for agricultural purposes, exclusive of residential purposes. The maximum loan is \$3,000, repayable in six months to seven years.

Card of Thanks

I wish to express my appreciation to all who sent flowers, cards and gifts during my recent stay in the hospital at Temple.

We wish to express our deepest appreciation for the many thoughts and kindnesses of the friends and neighbors, and Dr. Carter, and to those who brought food and other expressions of sympathy at the time of the loss of our loved one, Mrs. J. F. Mason.

The Mason family
 The McClellan family
 The Ferguson family

We would like to express our sincere appreciation to those who were so thoughtful during our recent bereavement. The cards, food, flowers, and kind thoughts will be gratefully remembered.

Mrs. Rube Hardin and family

I wish to express my thanks to everyone for their many acts of kindness during my stay in the hospital; also for the cards and flowers, and to Dr. Matthews, Dr. Carter and to all the nurses.

Kenneth Smith

The family of Mrs. H. D. Thomas wishes to express their appreciation to everyone for their sympathy during the loss of our mother and grandmother. Thanks to the ones that brought food. May God bless each of you.

The children and grandchildren of Mrs. H. D. Thomas

JIM SAINS HOST FAMILY REUNION

Six 1959 Southland graduates are now leaving for college

By MRS. JESSE WARD
 Southland '59 graduates leaving for college are J. W. Payton, Ronnie Dunn and Karen Gail Pennell, Texas Tech, Lubbock; Karen Ann McGehee, Lubbock Christian College; Carolyn Ward, South Plains Junior College, Levelland, and Gilbert Becker, Texas Lutheran College, Seguin.

Mr. and Mrs. Jim Sain were hosts for a family reunion at their home in Slaton Saturday of last week. Among those attending were her mother, Mrs. S. M. Lewis, Route 1, Post; Mr. and Mrs. Bill Wright and Sue of Spearman, Mr. and Mrs. Ronald Beard of Pampa, Mrs. T. J. Wardlow of San Benito, Mr. and Mrs. Richard Lewis and sons, Edwin and Troy, of Route 1, Post, Mr. and Mrs. Charlie Woodfin of Post, Mrs. Jimmy Splawn and children of Amarillo, and the host couple.

Jerry Hitt returned to Abilene Thursday of last week, where he is a sophomore at Hardin-Simmons University. His parents, Mr. and Mrs. Elmer Hitt, accompanied him and returned to Southland the same day.

Spending the weekend with Mr. and Mrs. Jack Myers and Kelly Jo were their son, A-I Ned Myers, Capt. Neely and Sgt. Fox, all of Dyess Air Force Base at Abilene.

MR. AND MRS. Don Stewart of Snyder have moved to Alpine where they will attend Sul Ross College. Mrs. Stewart is the former Linda Lee Davies.

Mrs. T. J. Wardlow of San Benito, who has been visiting her mother, Mrs. S. M. Lewis, and other relatives, returned to her home last week.

Mr. and Mrs. Winston Lester and children and his mother, Mrs. W. P. Lester, spent last weekend at Granbury with relatives.

BARNUM SPRINGS NEWS

Guy Petersons are home from trip

By CECILIA BLAND
 Mr. and Mrs. Guy Peterson returned home Sunday from Andrews where they visited Mr. and Mrs. H. B. Yarbro. While gone, they also visited their daughter in Fort Worth.

Guests of Mr. and Mrs. Tom Henderson Sunday were Tom French of Lubbock and Mr. and Mrs. Floyd Hodges.

Mr. and Mrs. C. W. Brewer and children visited in the home of Mr. and Mrs. C. D. Nowell Saturday. Sunday Mr. and Mrs. O. B. Hodges of Post visited Mr. and Mrs. Bill Norman.

MRS. LOLA MAE Ryan of Post visited Mr. and Mrs. Tom Henderson Tuesday. A Saturday visitor was Bill Long.

A recent guest of Mrs. George Sneed was Mrs. Shorty Graham. Mr. and Mrs. Cecil Bland were guests of Mr. and Mrs. J. M. Bland Sunday.

Oscar Gordon and son of Post visited Monday with Tom Henderson. Thursday of last week Mrs. L. P. Kennedy visited Mrs. Henderson.

Sunday night Estelle Nowell was a guest of Mr. and Mrs. C. W. Brewer.

Gary and Ike Brewer spent Sunday night with their grandparents, Mr. and Mrs. C. D. Nowell. Mrs. Tom Henderson, Mrs. George Sneed and Mrs. S. H. Murphy transacted business Friday in Lubbock.

Mr. and Mrs. Ozell Williams, Ronnie and Marilyn, visited in the Cecil Bland home recently.

Mrs. A. R. Robinson attended the Lubbock Association last Thursday, held in the First Baptist Church of Lorenzo.

Visiting Mr. and Mrs. Jack Myers and Kelly Jo last week were his brother-in-law and sister, Mr. and Mrs. Curtis Palmer of Midland.

Jerrilyn Huddleston returned last week to Abilene where she is a sophomore student at Abilene Christian College.

Recent visitors of Mr. and Mrs. Carl Payton, J. W. and Linda, were his parents, Mr. and Mrs. Dan Payton of Gentry, Ark.; his brother and sister-in-law, Rev. and Mrs. Bill Payton of Bolivar, Mo.; his aunt and uncle, Mr. and Mrs. Fred Payton of Roswell, N. M.; another uncle, Jim Payton of Slaton and his son, Zack Payton and daughter Marilyn of Lubbock.

MR. AND MRS. Tom Carroll of Dallas were recent guests of her parents, Mr. and Mrs. W. J. Kuykendall.

Mrs. D. H. Hatchett of Lubbock spent the weekend with her brother-in-law and sister, Mr. and Mrs. Ed Milliken. Other recent visitors in the Milliken home include their granddaughters, Mrs. Billy Yeats of Lawton, Okla., and Mrs. Bob Henderson and children of Tahoka; their sons, Bryon Milliken of Lakeview, and Mr. and Mrs. Ralph Milliken and family of Wolforth; and a nephew, Raymond Milliken of Lubbock.

Last week it was erroneously reported in the Southland news that Ross Dunn was a freshman at Duke. Ross is in his second year in the Seminary at Duke University, Durham, N. C.

Mr. and Mrs. Jesse A. Ward accompanied their daughter, Carolyn, to Levelland Sunday afternoon where she enrolled Monday at South Plains Junior College. While there they visited their daughter and son-in-law, Mr. and Mrs. R. W. Cook, Mike and Regina, and a sister, Mrs. Tippitt, who is ill and a patient in the Levelland Hospital.

Mr. Farmer...

We are ready to handle your mile in our modern facilities. You can either store with us—plenty of storage is available—or we will pay you cash for it.

Please bring your grain to our office and scales—formerly the Jones Grain Co.—on South Avenue H.

We appreciate your business.

Caprock Grain Co.
 Mike Mitchell

MAN WITH AN IDEA

John Franklin Carlil, pioneer geologist who applied his knowledge of underground rock formations to the search for oil, was one of the many men whose ideas sparked oil's first century of progress.

Until Carlil's work gained recognition, it was thought that great rivers of sub-surface oil flowed from Canada through Pennsylvania to Mexico. He insisted that the best guides for oil prospectors were rock structures.

Carlil's published reports are asserted to have created the geology of petroleum. They became standard reference works and were important in the development of knowledge about sub-surface oil accumulation.

Since 1859, when the first oil well was drilled, men with ideas have worked to provide Americans with this abundant, low-cost source of energy—energy that has meant more human progress in the last century than in the previous 6,000 years.

Double ring vows pledged by Patsy Norman, Richard Brooks

Double ring wedding vows were pledged by Miss Patsy Jean Norman and Richard Mac Brooks Saturday evening at 7:30 o'clock in the Grassland Methodist Church. The bride is the daughter of Mr. and Mrs. W. H. Norman, Route 3, and Mr. and Mrs. Neely Brooks of Tahoka are the bridegroom's parents.

The Rev. W. A. Watkins read the candlelight ceremony before an archway of flowers and candelabra.

Miss Jerrie LeMond was pianist and accompanied the Rev. Mr. Watkins as he sang "I Love You Truly" and "The Lord's Prayer".

Escorted in marriage by her father, the bride was attired in a floor length gown of Chantilly lace over bridal satin. The fitted bodice featured an encapuled neckline of lace and long sleeves. Ruffles down the back of the full skirt formed a small chapel train and a seed pearl tiara held her elbow length veil of silk illusion. The bride's bouquet was of brown orchids surrounded with ivy and feathered flowers, carried atop a white Bible. She also carried out the tradition of wearing something old, new, borrowed and blue, and wore a penny in her shoe.

Mrs. Dale Kincer of Slaton, cousin of the bride, was matron of honor. Miss Jan Thomas of Tahoka, Mrs. Marlin Hawthorne of San Angelo, Miss Dottie Harrison of Tahoka and Miss Sandra Stewart of Post were bridesmaids. The attendants wore dresses fashioned alike from copper velveteen, styled in sheaths with scooped necklines and three-quarter length sleeves. They carried baskets of copper flowers entwined with greenery.

Jimmy Riney was best man for the bridegroom and ushers were Lendell Norman, brother of the bride, Dale Kincer of Slaton, Donald Williams and Neely Brooks of Tahoka.

Mr. and Mrs. Jerry Brown of

Tahoka were candlelighters. The bride's parents were hosts for a reception following the ceremony, with over a 100 guests attending. Miss Stewart registered guests and Miss Thomas and Miss Harrison served.

For a wedding trip to Colorado

Springs, Colo., Mrs. Brooks chose an Autumn green suit with a mink collar.

They are at home at N. Sixth Street, Tahoka, where Brooks is associated with Brooks Trucking Company. Both are graduates of Tahoka High School.

MRS. RICHARD MAC BROOKS (Patsy Jean Norman)

Calvary Baptist WMU program by Mrs. Duren

The Calvary Baptist Church's Women's Missionary Union met Monday evening for the first program of the Mary Hill Davis Week of Prayer program, under the leadership of Mrs. Paul Duren.

Mrs. Kelly sang a solo and Mrs. Lloyd Anthony led the ladies in prayer.

Participating in the program were Mrs. Graydon Howell, Mrs. V. L. Cople, and Mrs. W. C. Kiker. Other members attending were: Mmes. Daisy Britton, John Miller, Mabel Martin, Roy James, C. D. Nowell, E. E. Pierce and a visitor, Mrs. Johanna Homer.

Birthday party held for Teresia Maddox

Mrs. Thurman Maddox entertained with a party recently honoring her daughter, Teresia, on the occasion of her 10th birthday.

Guests played a series of games after which the honoree opened her array of gifts and refreshments of chicken salad sandwiches, potato chips, and cold drinks were served to:

Voda Beth Voss, Zelika Freeman, Emily Potts, Donna Mathis, Nedra Childs, Kay Litten, Nancy Robinson, Brenda Ward, Sue Cople, Donna and Nancy Maddox, the honoree, Mrs. W. H. Childs and Mrs. Maddox.

Women's Culture Club program Wednesday on 'Travel Talk'

Mrs. Winnie Tuffing presented a talk on her trip to Bolivia for the program of "Travel Talk" when members of the Women's Culture Club met last Wednesday. Mrs. Tuffing, attired in the native costume of the Bolivian women, discussed highlights of her trip, touching such points of interest as the native customs, the climate and government of the South American country. On display were several handicraft items Mrs. Tuffing brought back to the States.

The club met at the home of Mrs. Bess Thompson with Mrs. J. H. Haire as co-hostess. Mrs. Haire, president, introduced club members with original lines of prose.

The opening prayer was offered by Mrs. J. R. Durrett and the presentation of club yearbooks was made by Mrs. Tillman Jones, literary chairman.

The tea table carried out the club colors of purple and silver, featuring a centerpiece of purple asters. A silver and crystal service was used for punch and cookies.

Members attending were: Mmes. Walter Boren, Douglas Buchanan, Connie Caylor, W. L. Davis, Durrett, W. B. Dyer, J. H. Haire, Jones, D. H. Koeninger, M. J. Malouf, Almon Martin, James

Mrs. Angie James honored Sunday on 80th birthday

Mrs. Angie James was honored on the occasion of her 80th birthday Sunday with a family dinner in the Slaton home of Mr. and Mrs. James Brooks and family.

Eight of her sons and daughters were present for the all-day event. They were:

Mr. and Mrs. Carl Fluitt, Jacky and Delwin, Lois Edwards, Mrs. L. W. Gandy, Mrs. Miri Wilkins, Mrs. J. F. Ethridge, Mr. and Mrs. A. E. Bean, Mrs. Johnny Inman and daughters, Mrs. M. O. James and children;

Also, Mr. and Mrs. J. M. James and children, Mr. and Mrs. Jesse James and children, Mr. and Mrs. Thurman James and family, Mr. and Mrs. Clinton Gandy and children, Mr. and Mrs. Rubin Gandy and children, Mr. and Mrs. William Jones and family, Mrs. Harold Crook and children, the honoree and the hosts.

18 attend outing at City-County Park

Eighteen members of the Primary Department of the Calvary Baptist Church's Sunday School attended an outing Thursday of last week at the City-County Park.

Games were played, followed by refreshments of cold drinks, ice cream, and cake.

Adults sponsoring the event were Mrs. E. E. Pierce, Mrs. Daisy Britton, Mrs. Gordon Flowers, Mrs. Otis Goode, Miss Edna May Blodgett, Mrs. Aubrey Phillips and Mrs. Mabel Martin.

"Apparel of Distinction"

Over 150 attend first P-TA meeting of year Thursday

Over 150 were in attendance for the first meeting of the Post-Teacher Association last Thursday night at the school lunchroom. Officers and members of the organization are combining efforts to make the local group a better association between teachers and parents and urge all parents and teachers to attend the monthly gatherings.

The Thursday evening meeting was under the topic "Let's Get Acquainted!" and President David Newby introduced local officers and chairmen of committees to those attending. Officers are: David Newby, president; Mrs. Pat Walker, vice president; Mrs. Jim Cornish, recording secretary; Harold Voss, treasurer; Mrs. V. L. Peel, historian, and Mrs. James Minor, parliamentarian.

Committees and their chairmen are: Mrs. David Newby, membership; Mrs. Bill Edwards, entertainment; Mrs. Giles McCrary, budget and finance; Mrs. Tom Pow-er, program; Mrs. Warren Yan-ney, hospitality; Mrs. Jess Michael, publicity and corresponding secretary; Mrs. R. T. Smith, room representative; Mrs. J. B. Potts, telephone, and Mrs. S. E. Camp, telephone.

Following Mr. Newby's introduction, Glenn Whittenberg, Post High School principal, introduced members of the faculty, after-which presentation of the club year-books was made by Mrs. Tom Pow-er. The yearbook was dedicated to Mrs. Sid Cross, past P-TA president.

During the business session, Mrs. Cross donated a 15 gallon aquarium as the parent attendance prize for elementary and junior high schools.

Following the meeting, a coffee hour was held with parents and teachers enjoying a get-acquainted period.

John F. Lott, Garza County civil defense chairman, will be in charge of a program entitled "Can We Survive?" at the Oct. 8 meeting of the organization. All parents and teachers are urged to attend the monthly meetings of the association.

Post residents attend golden wedding event

The Rev. and Mrs. J. Harve Mathis of Post were included in the 100 friends and relatives who attended the golden wedding anniversary celebration of Mr. and Mrs. J. D. Galloway in Waco recently. He is a brother of Mrs. Mathis.

While there they visited Mr. and Mrs. Marvin Sherrill and Mr. and Mrs. Johnny Riney in Waco and Mr. and Mrs. Hudson Self in Brownwood.

Lois Edwards hostess for slumber party

Miss Lois Edwards entertained with a slumber party Friday night following the Crosbyton-Post football game.

Guests for the occasion were: Denise Eubanks, Virginia Young, Linda Kuykendall, Kay Gordon, Gayle Dillard, Margie Casteel, Patsy Thompson, Billie Lou Hill, Frankie Howell and Lois.

Sept. 20 wedding date is cancelled

Mr. and Mrs. M. L. Pierce, 514 West 6th, announce that the Sunday, Sept. 20, wedding date of their daughter, Kim, and Jerry Ray Key, has been cancelled.

SUNDAY VISITORS

Mr. and Mrs. James Babb and son and Mr. and Mrs. David Mid-off and son spent Sunday in Lovington, N. M., visiting with Mr. and Mrs. Lynn Graham. The Gramams are former Post residents.

"Your Credit Is Good"

Horticultural Festival to be held Oct. 17-18

LUBBOCK — Flower and vegetable gardeners in the Lubbock and South Plains area will have a chance to show off the fruits of their summer labor in the Fall Horticultural Festival slated at Texas Tech Oct. 17-18.

Eight classes of chrysanthemums, five classes of roses, 10 classes of dahlias 11 perennial classes and eight annual classes will be open for competition in the show. Five classes of bulb or bulb-like structures will also be shown.

Ed Zuknuckas, assistant professor of horticulture, said vegetables will round out Division I of the show. The arrangements division will have a southwestern motif of "Sagebrush and Skies" this year.

In the way of tips for preparing for the horticultural festival, the Tech horticulturist, suggests that gardeners check their plants for insect damage. Spider mites—which cause a dusty appearance or fine webbing on plants—are more in evidence in the Lubbock area and should be sprayed immediately, he said.

Black spot on roses and rust on snap dragons are best controlled with fungicides. He also warned of large grasshoppers and caterpillars that can damage buds.

Persons growing the large exhibition-type mum varieties should be selecting flower buds and removing side shoots at this time, he said. This is only done on the large flowered type of mum, he emphasized.

Zuknuckas also suggests use of fertilizers now that mum buds are forming and developing. Mum plants should be staked now, not sheared, he said.

Vet's Forum

Q. I am a World War II veteran. May I get VA outpatient medical treatment for a nonservice-connected disability?

A. No. Outpatient medical care by VA generally is for the treatment of service-connected conditions only.

Q. I applied to VA by letter for disability compensation, and received an application form to be filled out. Is there a time limit on mailing this form back to VA?

A. If you want VA to consider your original letter as the effective date of your application, the form you received must be completed and returned to VA within one year from the date it was sent to you.

Q. I have a disability directly traceable to my service in the Korean War and I am planning to apply for vocational rehabilitation. Is there any limit on the amount of training I may receive?

A. You may train for as long as is necessary to rehabilitate you, up to a maximum of four years.

Q. I am eligible for a VA grant for a "wheelchair house", but I already have purchased a home on my own. Could I use this grant to pay off my mortgage?

A. Yes. A "wheelchair housing" grant may be used to pay off the indebtedness of a home which you have already acquired.

Q. My World War II GI term insurance is getting pretty expensive for me and I'd like to convert to a permanent plan but do not feel I can afford to convert all at once. Could I convert, say, \$2,000-worth now, and the rest later?

A. Yes. As long as you convert at least \$1,000-worth, and additional amounts in multiples of \$500, partial conversion of your GI term insurance to permanent insurance is all right with VA.

"TODOS BIENVENIDOS"
(Church located on Northeast side of town on Spur highway)

The majestic serenity of the cross is a marvelous thing to behold. Nowhere throughout the pages of history do we find a symbol which has meant more to man than the cross. The early Christians carried it before them as they were driven to their deaths in the blood-stained Roman arenas. The Crusaders under its banner turned back the infidel enemy from the shores of Europe. During the cruel Nazi occupation of France, the Cross of Lorraine was the rallying point of all who fought against tyranny.

The church, your church, is the bulwark behind which the freedom loving people of the world have always gathered and through their combined efforts and the guidance of Almighty God have marched triumphant against every enemy of mankind. The church needs you, but more importantly... you need your church.

© 1959, Coleman Adv. Serv., P. O. Box 4887, Dallas, Texas

The Sign of God

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Way now clear for state loan, as—

State board approves White River changes

The Texas Water Resources board has given its approval to the new financing plan proposed by the White River Municipal Water district to finance \$4,000,000 in government loans to build the proposed White River dam and water pipelines to the four member towns.

Postings—

Continued from Page 1
page you'll find a good Southland football game story under the byline of Linda Pavton. Linda wrote the story and mailed it in over the weekend—apparently as Southland's correspondent because we'd asked school authorities there to get us a reporter for the school page. We hope Linda next week can write us a Southland high column along with more excellent football coverage. And we wish those winning Eagles of her's all the luck in the world.

We hope other county schools to whom Editor Didway wrote invitation letters to participate in the school page will get us reporters who will show as much interest as our high school and junior high staffs here.

We heard some bad news this week. Harry Porter, former manager of the Post radio station who has a lot of friends here, recently suffered a severe heart attack at his home in Garland, Tex., and now is on the critical list in the Baylor Hospital at Garland. He's in room 353 if friends would like to drop him a card or letter. We heard from one of his local friends that Harry should be in the hospital from three weeks to three months.

Coach Vernard Alexander made the kind of a talk before Rotarians we like to hear. He is going about the rebuilding of high school football fortunes here with a real plan of action aimed at developing talent before it reaches the high school level. He well knows that the Antelopes can't be turned into a winning football team overnight. Football interest in recent years has slumped to a low ebb. Too many youngsters who may have the talent and ability don't go out for football because it takes plenty of effort and good physical condition. We think Coach Alexander in time will correct this attitude. He knows he has a selling job to do and he is out to arouse community interest in football again. We are not one of those who think that football should be over-emphasized. Neither do we think that football has to be over-emphasized. Football is a body contact sport which can do a lot for growing boys. School administrators and teachers should run the schools, but we still can have a good football team. That's what Coach Alexander is working toward and it will take time—and a lot of adult help and encouragement. Post is making a start this year on the road back—but fans shouldn't expect the road back to be a downhill sprint because it's going to be an uphill pull for some years yet.

School trustees have the idea they may be able to get a new high school gymnasium—now badly needed—as an extra "bonus" so to speak out of the \$710,000 school expansion bond issue. The gym was sidetracked before the voting last spring to enable the bond issue to be held to \$710,000—but it is possible enough money may be saved out of the expansion projects for the construction of the gym and thus complete the expansion program. Gym facilities at the high school level are currently atrocious and that is telling no secrets. We're not speaking about a basketball emporium either—but gymnasium facilities for gym classes which are required courses in the high school curriculum. Those taking gym these days have to alternate between gym and the study hall due to the lack of facilities. The gymnasium is a definite school need. We hope it comes true as a bond issue "bonus" in the months ahead.

The Dispatch is still shorthanded without a regular Intertype operator—but filling the vacancy this week were Editor Charlie Didway and former publisher Eddie Warren. Despite the shorthandedness, we all decided to push ahead with the school page although we weren't in the best shape right now to handle it. When Editor Charlie found himself in a "spot" over the weekend in making some repairs and a part replacement, Dan Cockrum, who has a printing shop of his own here, came down and worked for several hours Sunday afternoon and evening helping Charlie get it all back together. His generous help is appreciated.

Things have been so hectic around here the last couple of weeks we haven't gotten around to a mention of Johnny Hopkins' ap-

The finance committee of the White River board of directors, of which R. J. (Rube) Jennings is a member, met Friday with the state board in Austin.

No word, however, has yet been received back from federal authorities in Washington on whether or not they will accept charges proposed by the water district to clear the way for payment of the \$3,000,000 federal loan.

The district would receive its other million dollars in a state loan.

Financing changes in the plan comes by removing receipts from surplus water to oil companies from the financing arrangements and changing the payoff schedules.

White River directors will hold their September session tonight at Crosbyton and will hear a full report on present status of the financing picture.

The Garza County commissioners court at its September meeting Monday approved a two-year contract with Prichard and Abbott, Fort Worth firm of evaluation engineers, to determine the valuation of oil, gas, public utility, and railroad properties for the county for both 1960 and 1961.

The engineering firm will be paid at the rate of 4½ cents per \$100 of valuation.

The court also decided that the engineers, who are in charge of making up the county tax rolls on numerals, should complete it and deliver it to the tax collector by Aug. 15.

The court also approved payment of the county bills, approved the hospital financial report submitted, and authorized payment of clerks and judges' salaries for the Sept. 5 road bond election in precinct 1.

The court voted to appoint O. L. Westley, Wallace Simpson and L. R. Mason as special commissioners for condemnation proceedings at the pay rate of \$12 each per day when employed.

No such projects are now before the county, but the appointments were made for possible future need.

The court also approved an order from District Judge Truett Smith to pay the county's pro-rata share of \$27.80 monthly toward the stenographer's salary in the district attorney's office. Four counties divide this salary cost on a population basis.

Five traffic tickets which have been issued recently by City Marshal Otis G. Shepherd Jr., included:

David P. Humphries, turning from wrong lane.
James Johnson, defective brakes, Sept. 11.
Christine A. King, running stop sign, Aug. 31.
Harold Wayne Mason, Sept. 13, reckless driving, \$3 fine.
Al Arrendondo, Jr., Sept. 1, no driver's license.

RETURN TO CALIFORNIA
A-2c Jeton V. Denison left Friday for El Centro, Calif., following a visit here with his aunt, Mrs. Thelma Kuykendall. He and Mrs. Kuykendall enjoyed a trip to Texas City to visit his mother and then on into parts of Oklahoma and Kansas. They went fishing in Kansas and Mrs. Kuykendall reports she caught a five and one-half pound catfish—the largest fish she had ever caught.

preciation month at the Tower Theatre, Johnny gave away treats to all the youngsters and is booking in a lot of the best shows as his way of saying "thank you" to the Post movie-going public. The best way you can show your appreciation of Post's fine movie theatre is to go out to a movie a little oftener.

Bermuda reports tourist gains.

LA NORMA—Beautiful trapeze artist will be seen among the various acts scheduled with CASTLE'S 3-RING CIRCUS at the Panhandle South Plains Fair in Lubbock, Sept. 28-Oct. 3.

School lets—

Continued from Page 1
time to permit use of the new high school by the start of the 1960-61 fall term.

SUPT. R. T. Smith pointed out that the \$336,207 contract for construction means that such costs would average only \$8.65 per square foot.

It was originally believed such construction costs would figure around \$10.50 per square foot. Trustees had met last Thursday night and again Friday before the Monday special meeting at which the contract awarding was unanimously voted.

The new high school will be located on the northern block of the two purchased in the spring by the school district from the Postex Cotton Mills just south of the present grade school.

It will face north on Sixth Street.

The new gymnasium, if built later, would be located in the second block to the south. Adequate parking facilities thus could be provided.

THE NEW HIGH school will be a one-story brick building consisting of two long parallel wings connected in the middle by a breeze-way.

In the first wing, facing the street, will be eight general classrooms, each 24 by 28 feet in size, a larger speech room, a good-sized library, a homemaking cottage unit consisting of a clothing lab, a food lab, a living room, and a fitting room, a faculty "workshop room" for the teachers, the high school principal's office, a book room, the superintendent's office, offices for two secretaries, the board of education meeting room, and the tax office.

In the second wing, behind the first, will be the general science laboratory, a chemistry and physics laboratory, four general classrooms, a typing room, a bookkeeping room, a secretarial instruction room, a mechanical drawing room, a woodwork shop, and a large 39 by 26 foot choral room.

THE VOCATIONAL agricultural department will be housed in a 92 by 36 foot building separated from the new high school building. It will include an office, one classroom, a storage room, a large shop room, and a lavatory and restroom.

The new high school building is so designed that in event of future classroom expansion is necessary, a third parallel wing can be constructed behind the first two.

The new high school is planned to handle 400 students without crowding in the 9th through 12 grades. There are approximately 300 students in the four high school grades this year.

If the town's growth continues, rapid, school officials estimate that 500 students could be crowded into the new building.

The high school is so designed that additional classrooms can be added on via a third wing behind the first two.

Outlaw will head Demo fund drive

AUSTIN — The "Dollars - for - Democrats" drive in Garza County will be headed this year by N. C. Outlaw of Post.

Announcing this today, State Campaign Chairman John Wildenthal, Jr., said the annual fund-raising project would get under way on Sept. 25 and continue through Oct. 4.

All funds collected will go to the National Democratic Committee and will be credited to the Texas quota for the Party, Wildenthal said.

Calling for the co-operation of all Democrats, the drive Chairman declared:

"The success of this campaign will depend upon many individual contributors who are interested in keeping the Democratic Party responsive to the needs of the people.

"The Dollars - for - Democrats campaign gives every Democrat the opportunity to help build a stronger and more united Party dedicated to the cause of good government."

Wildenthal said the drive's activities in Garza County would be co-ordinated by Outlaw, and all precinct Democratic workers were urged to assist him in the campaign.

Hospital Notes

Those admitted to Garza Memorial Hospital since last Tuesday were:

- J. G. Pate, medical
- Mrs. Nolan Miller, surgical
- Mary F. Martin, surgical
- Mrs. John Cook, surgical
- Kenith Smith, surgical
- Mrs. Jackie Payne, obstetrical
- Glenn Polk, medical
- Dorothy Laws, medical
- Mrs. Mozelle Bartlett, medical
- Ruth Askins, surgical
- Clifford Redman, medical
- Mrs. Jimmy Smith, obstetrical
- Mrs. Stanley Mathis, medical
- Emmett Shedd, surgical

- ### Dismissed
- Mrs. Lupe Silvas
 - Mrs. John Cook
 - Mrs. Johnnie Matsler
 - Mrs. Nolan Miller
 - Doyle Young
 - Glenn Polk
 - Kelly Duren
 - Mrs. Aubrey Williams
 - Mrs. Jackie Payne
 - Jimmy Hill
 - Kenith Smith
 - Mrs. Julian Smith
 - Nora Samora
 - Mrs. Betty Messer

ODESSA VISITORS

Mr. and Mrs. V. L. Dawson of Odessa visited over the weekend with Mr. and Mrs. Aubrey Phillips.

HOUSTON VISITORS

Tuesday visitors of Mr. and Mrs. T. J. Peddy were Mr. and Mrs. Jimmy Peddy and Mrs. Shirley McCool of Houston.

All can help—

Continued from Page 1
prone to give our boys and girls too much. Better disciplining of youth can come from the home, he urged.

"We have a good long ways to go in our football program here," the new head coach said. "We won't introduce some additions to the program until we feel the kids are ready."

Alexander said the coaches are pleased with the high school squad's attitude.

"We hope to improve each game and make a good fourth quarter effort," Alexander said.

He added that he liked the improvement the team showed in the second game here last Friday night over their opener at Ralls the week before.

Alexander emphasized that "it is important to win" as little good comes from losing and that it's equally important to keep hustling.

The coach pointed out that local schools now have a full football development program but that it will "take time" for the improvement to show.

He closed by inviting all interested adults to come out and watch the squad practice.

"We'll be down there on the field until dark or after and you're all welcome," he declared.

Nine charged in JP court here

Nine traffic and liquor violations were filed in Justice of the Peace D. C. Roberts' court this week but one of them deserves explanation.

The J. E. Parker charged over axle weight Sept. 16 in an out-of-town truck driver. Court patch he expected to receive some kidding about it because since the charge is "over axle weight."

Other charges, dates charged were filed, and total fines or costs when already assessed as follows: Ray Sampley, drunk, Sept. 16, \$20.65.

T. A. Strahan, Sept. 16, over gross weight, \$40.50.
O. D. Dobbs, Sept. 16, truck er gross weight, \$40.50.
P. J. Hogard, Sept. 16, red light, \$16.50.
Frank Perez, Sept. 14, \$24.65.

C. G. Tittle, Sept. 18, failure control car to avoid collision, \$50.
L. O. Neeley, Sept. 8, truck gross weight, \$45.65.
W. E. Jordan, Sept. 8, \$24.65.

ATTEND MEETING

Attending the Lubbock Area Annual Association meeting Thursday at Lubbock were Mrs. Mrs. Graydon Howell, Mrs. T. Polk, and Mrs. Aubrey Phillips.

DISTRICT COURT SESSION

District Judge Truett Smith was scheduled to hold a Garza County district court session here today for non-jury cases.

Florida boasts nearly 1,400 hotels.

WEEKEND IN BOWIE

Mr. and Mrs. Warren Stockton and Mark spent the weekend in Bowie visiting her parents. Mr. and Mrs. O. Z. Rhyme and Anita Joyce. Stockton is the new Plant Industrial Engineer at Postex Cotton Mills, Inc.

SUPT. R. T. Smith pointed out that the \$336,207 contract for construction means that such costs would average only \$8.65 per square foot.

It was originally believed such construction costs would figure around \$10.50 per square foot. Trustees had met last Thursday night and again Friday before the Monday special meeting at which the contract awarding was unanimously voted.

The new high school will be located on the northern block of the two purchased in the spring by the school district from the Postex Cotton Mills just south of the present grade school.

It will face north on Sixth Street.

The new gymnasium, if built later, would be located in the second block to the south. Adequate parking facilities thus could be provided.

THE NEW HIGH school will be a one-story brick building consisting of two long parallel wings connected in the middle by a breeze-way.

In the first wing, facing the street, will be eight general classrooms, each 24 by 28 feet in size, a larger speech room, a good-sized library, a homemaking cottage unit consisting of a clothing lab, a food lab, a living room, and a fitting room, a faculty "workshop room" for the teachers, the high school principal's office, a book room, the superintendent's office, offices for two secretaries, the board of education meeting room, and the tax office.

In the second wing, behind the first, will be the general science laboratory, a chemistry and physics laboratory, four general classrooms, a typing room, a bookkeeping room, a secretarial instruction room, a mechanical drawing room, a woodwork shop, and a large 39 by 26 foot choral room.

THE VOCATIONAL agricultural department will be housed in a 92 by 36 foot building separated from the new high school building. It will include an office, one classroom, a storage room, a large shop room, and a lavatory and restroom.

The new high school building is so designed that in event of future classroom expansion is necessary, a third parallel wing can be constructed behind the first two.

The new high school is planned to handle 400 students without crowding in the 9th through 12 grades. There are approximately 300 students in the four high school grades this year.

If the town's growth continues, rapid, school officials estimate that 500 students could be crowded into the new building.

The high school is so designed that additional classrooms can be added on via a third wing behind the first two.

Post '11' to meet Frenship Tigers here Friday

Hoping for first victory

Seeking their first win after starting the Post Antelopes will meet the Frenship Tigers of Disappointment at 8 p. m. Friday. Frenship is undefeated in two games and opened with a 22-8 victory over Wilson and last Friday won Ropesville, 31 to 7. Wilson and Ropesville are in Class B elevens.

Frenship is said to be considerably stronger than last year, when they defeated them 28 to 14 in the first Post victory in 13 years.

ANTELOPE squad, still beset by injuries, was better through strenuous drills week by Coach Vernard Alexander and his assistants, Harold and Pete Murray.

Back Forrest Claborn, who was injured in the Crosbyton game, is not likely to play tomorrow night. Alexander said. Starting the fullback slot will be more Clarence Ivie, who ripped some good gains against Crosbyton after Claborn was injured a second quarter touchdown.

Kenny Poole is still bothered by a knee injury and probably will see any more action than he will against Crosbyton, which was ranked 11th in the state.

AND TACKLE Dan Rankin held out of the Crosbyton game because of rison, will be in for the Frenship contest, Alexander said.

Starting lineups will be Glen Washburn and Scotty Pierce as Mike Cornell and Bobby C. tackles; Jimmy Minor and Paulie guards; Jimmy Ivie, Derwood Mayberry, quarterbacks; Curtis Didway and Richard, halfbacks; and Clarence fullback.

Ivie's chief offensive threat will be Hobgood, a float-footed, and senior back, who ripped several good gains against the Antelopes in last year's game. Other starters will be Jimmie Harrison, Lynn Harris, who shifted from quarterback to back, and James O'Donnell.

Ivie in the Tiger line probably will be Tommy Crites, 190-pound veteran, and Roy O'Donnell. Dwan Smith and Richard Dackles, Larry Blake and Gerald Jobe, guards, and Rich, center.

MEETING TO BE HELD will be an important meeting of the entire Sunday School of the Presbyterian Church meeting at 7:30 p. m. The meeting will be in the home of Warren Yancey, 1000 West 11th.

SERMON TOPIC will be Clinton Edwards, pastor of the Presbyterian Church, will give his sermon subject "Where Are You, God?" Sunday at 10:30 a. m. and comes from Jer. 23:24, and the Scripture Lesson will be Psalm 138.

SPORTS SECTION TWO The Post Dispatch

Thursday, Sept. 17, 1959 Page 9

Crosbyton team roars from behind to rack Post, 36-20

The Crosbyton Chieftains were ruder guests at Post's new stadium dedication Friday night, pinning a 36 to 20 defeat on Coach Vernard Alexander's Antelope eleven in a second half scoring spurge.

Intercepted passes and long runs proved the Antelopes' downfall after they had taken an early 8-0 lead on a Crosbyton "boner." The two teams were deadlocked, 14-14, at halftime, but the thin Antelope ranks were unable to contain the hard-running David Edwards, 180-pound fullback, and 130-pound scatback David Stephens.

IT LOOKED LIKE a big night for the injury-riddled Post team when Crosbyton's back men let the opening kickoff roll into the end zone, where Post halfback Curtis Didway pounced on the ball for six points. Quarterback Derwood Mayberry scooted around end for the extra points to give the Antelopes an 8-0 bulge.

Post had another chance to score after the Chiefs were unable to move, with fullback Forrest Claborn returning Charlie Moore's punt from the Post 45 to the Crosbyton 32. The threat bogged down, however, when a fumble in the Post backfield lost 10 yards, and Didway punted out of bounds on the Crosbyton 17.

A five-yard penalty set Crosbyton back to the 12, but fireworks came on the next play with Edwards taking a pitch-out from Moore, circling right end and stroking 88 yards for a touchdown. Moore failed in an attempt to run over the extra points, and the 'Lopes clung to an 8-6 lead.

END SCOTTY Pierce returned Moore's short kickoff 11 yards to the Antelope 46, but an incomplete pass and two running plays left Post short of a first down and Didway boomed a punt out of bounds on the Chiefs' 5-yard line.

Crosbyton moved up to the 39, but tackle Dean Johnston recovered Edwards' fumble to put Post back in business on the Chiefs' 41. Again, Post was unable to make

Game at a Glance

Crosbyton	Post
7 First Downs	10
304 Net Yds. Rushing	164
0 of 4 Passes Completed	0 of 10
1 Had Intercepted	2
3 Punts	8
28.7 Punt Avg. Yds.	32
2 for 10 Penalties	10 for 70
3 Lost Fumbles	1

a first down and Moore returned Didway's punt 10 yards to the Crosbyton 20.

The Chiefs moved to their 48 early in the second quarter, but a stiffening Post defense stopped them there and Claborn returned Moore's punt seven yards to the Post 27.

A FIVE-yard offside penalty set Post back, and end Tad Roberson intercepted Mayberry's pass and ran it back to the Post 2-yard line. Moore sneaked through center for a touchdown and Edwards bulled over for the extra points to put the visitors ahead, 14-8.

Post's second touchdown came late in the first half after Pierce's jarring tackle knocked Moore loose from Didway's punt and halfback Richard Ray recovered on the Chief 25.

Short gains and a five-yard penalty against Crosbyton took the ball to the 1, from where Mayberry sneaked across for the touchdown. He failed in an attempt to run over the extra points.

The Antelope hopes dimmed on the touchdown drive when the hard-running Claborn suffered a knee injury and was replaced by Clarence Ivie.

POST BEGAN moving after the second half kickoff, which Ivie returned eight yards to the Antelope 33. Didway went for 13 and a first down on the 46, but Mayberry lost four yards on a keeper and Post was penalized five yards for taking too much time in the huddle. Following an incomplete pass, Edwards returned Didway's punt 50

yards to the Post 25.

On the first play from scrimmage following the punt return, Edwards circled right end for a touchdown. Moore added the extra points on a keeper to put the Chiefs out in front, 22 to 14.

Late in the quarter, Post held for downs on its 17 and drove upfield on an 18-yard gain by Mayberry. A five-yard offside penalty halted the surge, and Edwards stepped in front of Mayberry's short pass, running it back 37 yards for a touchdown. Moore passed to Roberson for the extra points to up the Crosbyton lead to 30-14.

MAYBERRY ALMOST got loose on the ensuing kickoff, running it back 35 yards to the Crosbyton 45, but was injured on the play and replaced by Kenneth Williams.

Line plays picked up two yards, but Williams lost 14 in a pass attempt, and Didway punted out of bounds on the Crosbyton 29.

On the first play, Didway intercepted Moore's pass on the Post 41, but the Antelopes were unable to go. Moore fumbled Pierce's punt on the Chief 35, but a Crosbyton player recovered on the 24.

Stephens took a handoff from Moore, broke through the center of the Antelope line and sprinted 76 yards for a touchdown. Halfback Duane Winter failed in an attempt to run over the extra point, leaving the score at 36-14.

CLARENCE IVIE'S lateral to Mayberry brought the kickoff up to the Post 38. After passing incomplete, Mayberry rambled for 15 and a first down on the Chief 44. Ivie, in for Claborn, scooted for 16 and a first down on the 28. Mayberry got eight yards at left end, and Ray rambled for three more and a first down on the 17.

Ivie carried for 13 and a first down on the 4-yard line, and Mayberry sneaked over for the touchdown two plays later. A pass failed to tack on the extra points, leaving the score 36-20.

Once again, the Antelopes weren't at full strength for a tough game. Guard Kenny Poole, who missed the opening game with Ralls because of a knee injury, started Friday night's game, but reinjured the knee after a few plays.

Perhaps the brightest spot for Post were the performances of sophomore Clarence Ivie at fullback and Bobby Hudman at guard. Two senior non-lettermen, ends Glendon Washburn and Horace Smith, also showed up well. Sophomores Bobby Beard and Dean Johnston at tackles played good games at their positions.

The entire Post team showed flashes of brilliance on both offense and defense, but the flashes were too far between and didn't last long enough.

7th grade and Slaton tie; 8th loses thriller

Coach Gerald Loyd's seventh grade football team played Slaton's red-shirted youngsters to a 6-6 standoff in the first game of a grid doubleheader at Antelope Stadium Tuesday night, but Coach Glynn Gregg's Post eighth graders were no match for their powerful Slaton counterparts in the nightcap and dropped a high-scoring tilt, 44-28.

Benny Owen raced 50 yards on a punt return in the third period for Post's only touchdown in the opener, but Slaton bounced back moments later to recover a Post fumble on the locals' 35 and drive it across for the tying touchdown. Running plays for conversion points by both teams failed.

The clock ran out on Slaton in an effort to score the winning touchdown with the ball on the Post 10 yard stripe. Two consecutive five yard penalties stalled that effort.

The local seventh graders moved the ball well, driving to Slaton's 15 after the game-opening kickoff and twice more getting good drives going. Inability to complete passes halted two of the thrusts.

The nightcap gave the fans on both sides of the field — and several hundred turned out for the games — plenty to cheer about. Lanky halfback Cisco Perez of Slaton was simply unstoppable as far as Post was concerned. Cisco broke away for a 65-yard scoring dash on the first scrimmage play of the game and tallied all of Slaton's six touchdowns. The visitors

scored twice more in the first period and held a 24-0 lead after five minutes of play.

Halfback John Bland got Post into the scoring column with a 50-yard touchdown run in the second period and Slaton went into the halftime intermission with a 44-6 lead.

Slaton used mostly reserves through the final two quarters when Post came to life to get three more touchdowns while holding the visitors scoreless.

Jackie Fluit set up the second Post TD in the third period with a 40-yard dash and quarterback Pat Cornell sneaked it over the double stripe.

Then fullback Ronnie Morris gave local fans something to go home talking about by scoring two touchdowns for Post in the final 25 seconds of play.

The first came on an 83-yard scamper when he fought his way

into the clear and went the distance. As soon as Slaton got the ball after the kickoff he intercepted a pass and swept wide across the field to score again. The locals slammed across with runs for the four conversion points.

Slaton brought several hundred rooters with them including a red-sweatered student pep club and a dozen uniformed cheer leaders.

The bigger and more talented Slaton eighth grade club is the same team which went undefeated last year as seventh graders. It was their first start for the 1959 campaign.

It was the second games for both Post teams, the seventh graders losing to Wilson and the eighth graders to Crosbyton last week. The two squads will travel to Tahoka next Tuesday night for another doubleheader with the Tahoka seventh and eighth grade elevens.

Southland romps over Loop team

By LINDA PAYTON
SOUTHLAND — Coach Duane Locke's Southland High School Eagles scored their second straight triumph of the young grid season at Loop Friday night with a 32-0 whitewashing.

Receiving the opening kickoff, Southland scored in six plays on a 50-yard march with the tally coming on a six-yard pass from Dan Basinger to Manuel Salinas. Darrell Jones made the extra point.

That was all the scoring until the second half when Jones started a three-touchdown spurge on a dive play. Basinger passed to Salinas for the extra point to make it 16-0.

Ronnie Sales intercepted a Loop pass to give Southland the ball. Clint Smith scored from 15 yards out on an end-around. Basinger passed to Salinas for the extra point again.

The last touchdown came on a pass from Basinger to Smith. The extra point was scored on another Basinger to Salinas pass.

Quarterback Basinger, Halfback Jones, and End Salinas were the offensive standouts with good defense turned in by Gary and Delton Robinson and Dennis Popham in the middle of the line and by Ronnie Sales.

There's a lot of school at Southland. So come on everybody and come to the next game Friday night at Southland. Kickoff time against Dawson will be 8 p. m.

42 cases against Westex hunters

AUSTIN — Law enforcement officials in the West Texas area have guided up considerably since the first of September, according to the director of law enforcement of the Texas Game and Fish Commission. Within a week's time, 42 cases were made against hunters in the West Texas area, who killed curlew, plover, and quail out of season. The shooting of curlew and plover is a Federal offense as well as a State offense.

Although there seems to be a bountiful supply of doves throughout the State, shooting in some areas has been somewhat erratic. Weather changes started the bird movement and wardens of some counties report slow hunting. Water hole shooting has been slowed in many areas because of rains. On the other hand, a bountiful grain crop has provided so much food in other areas that doves are not inclined to leave.

Freshmen defeat Crosbyton, 6-0; to play Slaton

Coach John Blocker's freshman Colts, who defeated Crosbyton, 6 to 0, last Thursday night at Crosbyton, journey to Slaton this evening for a game with that school's freshman team.

The freshman team's one-touchdown victory over Crosbyton was the first win registered thus far this season by a Post football team.

A sparkling 75-yard run up the middle by halfback John Valdez broke a scoreless tie in the third quarter and provided the margin of victory for the Colts. A pass from quarterback Buddy Moreland to end David Lee failed to click for the extra points.

Post back Glenn Polk suffered a head injury on the second play of the game and was admitted to the hospital here upon his return. He has been dismissed and is reported to be getting along all right this week.

Coach Blocker described the win as a "team victory." "We looked especially good on defense," he said.

He named as outstanding on offense, Valdez, Moreland, Ken Rankin, Dewayne Capps, Royce Chance, Graves and Dennis Payne. Boys looking best on defense, according to the coach, were Marshall Salinas, Maxie Long, Billy Shumard, Jerry Nutt, Larry Guy, Nuel Landreth and Frankie Gary.

Red Raiders to open against Texas Aggies

LUBBOCK — Short on experience and long in enthusiasm, Texas Tech's Red Raiders unveil their new multiple offense against the Texas Aggies in the Cotton Bowl at Dallas Saturday night.

With only five seniors and 12 lettermen from last year—one of them probably sidelined—Coach DeWitt Weaver could be excused for singing the blues.

Realistically not going out on a limb, Coach Weaver says he is proud of the spirit shown by the 38-man squad. "They like the new offense because they have confidence in it," Weaver says. "With it we may lose the ball on interceptions, but I think we'll surprise some teams."

Weaver expects the Raiders to average 20 passes a game from their slot-T, multiple wing, and other spread formations.

Sneaking up on the Aggies will be difficult, for the memory of Tech's rebounding from a two-touchdown deficit to win 15-14 last year still rankles at College Station.

Further complicating Tech's situation is the likely absence of its leading rusher for the past two seasons, Letors' Ronnie Rice, with a shoulder separation.

Tech rooters to stage game rally in Dallas

DALLAS — Boosters of Texas Tech's Red Raiders will stage a rally Sept. 19 in Dallas prior to the Tech vs. Texas A&M football game, Lee Walters, Tech Ex-Students Association chapter president in Dallas, has announced.

All Ex-Techsians, Tech students and friends of the Red Raiders are invited to the rally slated from 1 to 5 p. m. in the Statler Hilton's Embassy West Room.

More than 1,500 are expected for the huge party that is designed to whip up spirit for the game that night in the Cotton Bowl.

Changes Are Coming

For 13 years we have been OPENING SHORT HARDWARE at 8 a. m. and closing at 6 p. m. SINCE WE HAVE BEEN SOMEWHAT UNDER our ordinary or good health WE ARE THINKING OF CUTTING down our working hours some and we are making this PRE-ANNOUNCEMENT that you may know what our plans are.

WE THINK WE CAN SERVE YOUR NEEDS as well and ASK YOU to help us in making some changes.

WOULD 30 MINUTES (15 minutes on each end of the day) or 1 hour (30 minutes on each end of the day) inconvenience you?

WE THINK that starting OCTOBER 1st and continuing thru the winter, we will probably OPEN at 8.30 a. m. and CLOSE at 5.30 p. m. OUR HEALTH comes first and YOUR NEEDS come close behind.

Howdy, Neighbors!

We want to take this opportunity to welcome the Garza Medical and Surgical Clinic to our busy neighborhood on West Eighth, where we'll now be building health as well as educations for our boys and girls.

We are proud to have had a part in providing some of the materials for this wonderful new addition to our town. We wish Dr. John E. Carter and Dr. James R. Matthews well as our new neighbors.

State Capital NEWS

By Vern Sanford

AUSTIN — "Dogwood time in Texas" could come around Thanksgiving this year.

In years past, the deadline for candidates to file for a place on the Democratic primary ballot was the first Monday in May. Would-be candidates frequently followed an old East Texas tradition of holding off formal announcements "until the dogwood is out."

Depending on the season, dogwood blooms late February to early March, some 2 to 2½ months before the old May filing deadline.

Election law changes passed this year move the filing date up to Feb. 1. If the whole schedule is moved up accordingly, "dogwood time" would be from late November to early December.

Probably, for the first time at least, long habit will cause most candidates to feel this is too early.

Also for the first time in 1960, county officials will face a new fact of life. A constitutional amendment adopted last year bars them from running for another office while holding their present office, if it has more than one year to run.

This means that district judges, district attorneys, county judges, etc., all of whom have four-year terms, can't run for some state office in their "off year." They will have to resign first.

This rule does not apply to state officials holding four or six-year offices.

BATTLE LINES forming — How-

ever lively state politics, they probably will be eclipsed in the coming months by the tremendous interest building up in national party politics.

Focal point of most of the suspense and activity is U. S. Sen. Lyndon B. Johnson, first Texan since John Nance Garner to be regarded seriously as a potential presidential nominee.

Clubs to support Johnson are already being formed, and Democratic Executive Committee Chairman J. Ed Connally of Abilene has predicted strong unity behind the senator.

But complete unity is unlikely. Liberals are forming a Texas Democrats for Stevenson organization.

First showdown will be at the precinct conventions. They'll be May 7 since the new law moves the date from the last Saturday in July to the first Saturday in May.

REPORT TO taxpayers — Texas government cost more last year than ever before and will cost even more in the fiscal year that began this month.

But there was a bright spot in State Comptroller Robert Calvert's report. Because of a new bookkeeping system enacted by the Legislature, the General Revenue Fund deficit is only \$26,571,159 instead of the \$67,000,000 that was predicted.

Calvert reported the state spent \$1,163,883,080 in the year just ended. This is \$140,000,000 more than in the previous year. In the present year spending will be some \$50,000,000 higher than in the year just ended.

Biggest expenditures, in the order of their cost, were for highways, schools, public welfare, state hospitals and penal institutions.

STUDY FOR survival — A new adult education program, aimed at the person who wants to live to a ripe old age regardless of what happens, will be launched in Texas this fall.

Texas Education Agency, in conjunction with several other state and federal agencies, is setting up the civil defense study program. It will be offered initially through public schools and junior colleges.

TEA's team of civil defense consultants will begin by holding workshops in various Texas cities and towns to train teachers. Teachers in turn will set up free classes for the public.

A 12-hour course in six two-hour sessions is planned. It will cover the potential perils from both natural and man-made disasters, and how to survive them.

Texas is one of five pilot states which will pioneer this program this year. Next year 29 states will participate.

DAMP HARVEST — Too much rain at the wrong time has caused Texas crop prospects in some areas to sag.

U. S. Department of Agriculture has estimated the state's 1959 cotton crop at 4,525,000 bales. This is 225,000 bales less than was predicted earlier. Wet weather, causing insect damage and root rot, particularly in East Texas, was blamed. Quality, as well as quantity, of cotton has been hurt by the rains.

In some parts of the state August was the wettest month this year.

Rice, grain sorghum and vegetables also have been damaged in the sections near the coast.

HATCHET BURIED — A long and sometimes bitter controversy over Trinity River water apparently has ended in compromise.

Conflict had developed between the City of Houston and the Trinity River Authority, for which Dallas and other upriver residents

South Plains history depicted

LUBBOCK — New insight into South Plains life of the past 50 years can be gained from a "Cow Trails to Rails" exhibit, on display Sept. 15 through Dec. 20 in the West Texas Museum at Texas Tech.

Nine months of planning and preparation have gone into the exhibit, as part of Lubbock's 50th anniversary celebration.

The exhibition has a twofold purpose according to Mrs. Bryan Edwards, incoming president of the Women's Council of the Museum which, with the Museum, is sponsoring the celebration.

Primarily, it is to honor early residents of the county and to create an atmosphere in which

they may reminisce with one another about the days when Lubbock came to be.

Secondly, it provides a glimpse into Lubbock's past for newcomers curious about their hometown and for other residents to ponder the success of early decisions made for themselves and their community.

IN THE ART Gallery guests can see a blacksmith's shop complete with anvil and other equipment, a general merchantile store authentic even to a 1909 calendar, and a replica of the town's first jail in which school, church and literary society meetings were held.

In addition to these there is tableaux of an ice cream parlor,

a wedding scene, the homesteader's dugout, and the meeting of the Quakers, the area's first residents, with the cattlemen around a chuck wagon and a plow.

All the exhibits in the Gallery were brought to life by models wearing authentic costumes of the 1879-1909 period in a special show opening the display. The costumes represent months of research, directed by Miss Mabel Erwin, former head of the Department of Clothing and Textiles at Texas Tech. Work on the costumes is by professional dressmakers and milliners as well as seamstresses with a more personal interest. They interpreted the sketches made and the patterns cut by Miss Erwin.

A total of 54 models are used in the tableaux.

The men, women, and children in the exhibit wear typical clothing to represent every phase of life around Lubbock at the turn of the century. There is the Gibson Girl, a "Merry Widow" costume, Buster Brown and linen duster, a pink party gown, second day dresses, Polanaise and girls fresh white lawn dresses with bright red sashes.

In addition to these are the dress of the Quakers, the homesteaders, and clothing suitable for sports wear, such as the riding habit, the bicycle costume and the correct apparel for playing croquet in the early 1900's.

HISTORY COMES TO LIFE

Mr. and Mrs. Fred Underwood of Lubbock chug down a dirt road in a replica of a 1901 Oldsmobile. The Underwoods and the car were part of live presentation opening a new exhibit of South Plains history in the West Texas Museum at Texas Tech.

For Having the Faith in the Future of Our Community to Build the

Garza Medical and Surgical Clinic

We know how important good medical facilities are to our town. Many of us remember back to the days when we needed them badly.

Your new clinic is a real addition to the assets of this community. It also is an assurance to us all that Post now has medical facilities which are keeping pace with this city's growth.

We take this opportunity to wish you well in your medical practices here.

On the eve of your Sunday afternoon open house for the public's inspection of your new clinic, we want to say again, simply and sincerely—thank you.

GRAHAM COMMUNITY CORRESPONDENT WRITES

Weather conditions changing, crops now being harvested

By MRS. DILLARD THOMPSON

Weather conditions have certainly changed during the past week, so people need not continue to wish for cool weather any longer. Farmers will probably wind up their irrigation this week. Lots of feed has been cut and a little cotton is being gathered at this time.

Mr. and Mrs. Carl Fluit, Jacky and Delwin, and Lois Edwards attended a birthday dinner in Slaton Sunday in the home of Mr. and Mrs. James Brooks honoring Mrs. Fluit's grandmother, Mrs. Angie James, who was 80 years old.

Mr. and Mrs. Delmer Cowdrey and Clarky were in Lubbock Sunday afternoon where Clarky entered Lubbock Christian College. Joe Dick Rogers, son of Mrs. John Rogers, is enrolled as a freshman at Tech.

WALT ROGERS of Lubbock spoke Sunday at the Church of Christ for both services. He and his family were dinner guests of Mr. and Mrs. Glenn Davis and Carol. Other Sunday visitors in the Davis home were Mr. and Mrs. Alvin Davis and children of Brownfield and Mr. and Mrs. Elvius Davis and family.

Weekend guests of Mr. and Mrs. Quanh Maxey and family were Mr. and Mrs. Louis Sinclair and family of Abertnaby, Mrs. Leon Davis, and Mrs. T. F. Davis of Post.

Mr. and Mrs. Bob Norman and Mr. and Mrs. E. M. Norman returned home the first of the week from Pomona, Calif., where they visited in the home of their brother, Mr. and Mrs. Johnny Norman.

Mr. and Mrs. Fred Gosssett spent the weekend at Petersburg in the home of their daughter and son-in-law, Mr. and Mrs. Jason Justice and daughters, Mr. and Mrs. Bill McMahon and Linda and Margie Harrison also visited there Sunday.

Mr. and Mrs. H. L. Mason and family were Sunday dinner guests in Post of Mr. and Mrs. Gene Mason and family.

MERRELL HARPER of Lubbock was a Sunday guest of his sister and her family, the Leo Cobbe.

Mrs. W. C. Bush and Mrs. Burney Francis visited recently in the Gordon home of Mr. and Mrs. Jim Mason.

Mr. and Mrs. James Babh and son of Post visited Monday evening in the home of Mr. and Mrs. W. C. Bush.

Mr. Elva Peel and Mary Ann Stone were honored Sunday with a birthday dinner in the home of Mary Ann's parents, Mr. and Mrs. James Stone.

Little Maria Hutton, daughter of Mr. and Mrs. Jimmy Hutton, was a medical patient in Slaton Mercy Hospital from Wednesday until Saturday of last week.

Mr. and Mrs. Elmer Dee Jones and Daria Mason visited in Brownfield Thursday with his aunt, Mrs. Sallie Sherry.

THOSE ENJOYING the birthday dinner in the home of Mr. and Mrs. Curtis Williams Sunday evening honoring Curtis on his 25th birthday were Mr. and Mrs. Charles Williams Jr., Mr. and Mrs. J. W. Rogers Jr., the guest of honor, Mrs. Williams, Lee Ann and Andy.

Mr. and Mrs. Bud Mason and Brenda visited in Andrews Sunday in the home of Mr. and Mrs. J. W. Mason and family.

Shirley Doggett was a guest in

Post Saturday of her great-grandmother, Mrs. Crider.

Mr. and Mrs. James Stone entertained with a party Friday evening honoring their daughter, Mary Ann, on her 12th birthday.

Kay Maxey visited with Lois Hodges Saturday and attended the birthday party Saturday night for Ruth Miller.

Mrs. Pearl Doggett left Monday for Lubbock after several days visit with her son and daughter and their families, Mr. and Mrs. Jim Doggett and Mr. and Mrs. Walter Jones.

Jo Fern and Helen Vern Taylor visited in Snyder Monday with Mrs. Jimmy Byrd and family.

Mrs. Gene Nunn and sons of Abertnaby visited Wednesday with their parents and grandparents, Mr. and Mrs. Earl Gregg.

Patsy Thompson attended a slumber party Friday night in the Post home of Lois Edwards.

MR. AND MRS. Ray McClellan and Kim visited in Lubbock Sunday with Mrs. Joe Aimo, Katie McClellan, and Mrs. Jack Dunlap.

Mr. and Mrs. Glenn Hill and Alan of Plainview and Glen's grandparents of Tulsa visited Sunday afternoon with Mrs. Hill's mother and family, Mr. and Mrs. Elvius Davis.

Monday evening guests in the home of Mr. and Mrs. Curtis Williams and children were Mr. and Mrs. J. W. Rogers Jr. and Mrs. Joe McCowen and Johnny of Post.

Mrs. Quanh Maxey and Mrs. Noel White and son spent the day recently in Abertnaby with Mr. and Mrs. Louis Sinclair and children.

Mr. and Mrs. Walter Jones were Sunday evening guests in the home of Mr. and Mrs. H. L. Mason.

Sunday dinner guests of Mr. and Mrs. Alvin Young and family were Mr. and Mrs. Isaac, Sharon and Shirley, of Post.

Mrs. Vic Arnold, Cecilia and Mike, of Tulsa, visited Saturday night and Sunday with their parents and grandparents, Mr. and Mrs. Dillard Thompson, Kenneth, Patsy and Gloria. Other Sunday dinner guests were Raymond Young and James Dodd of Post.

Visiting Saturday in the home of Mr. and Mrs. Elva Peel, Rhea and Beth, were Mr. and Mrs. Jimmy Byrd and D-Lyon of Snyder.

Mrs. Novis Pennell of Post visited recently in the Quanh Maxey home with Mrs. Noel White and son.

Mr. and Mrs. Delmer Cowdrey attended the open house Sunday afternoon at Roosevelt for the new brick home of a cousin and family, Mr. and Mrs. Burl Railsback.

Mr. and Mrs. Carl Fluit and Jacky visited in Post Sunday evening with Mr. and Mrs. W. O. Fluit Sr.

WEEKEND IN AMARILLO Mrs. Charles Long and children spent the weekend in Amarillo with their parents, Mr. and Mrs. Gordon Carey. They were accompanied by Ann Long.

VISIT HER MOTHER Mr. and Mrs. Marvin McKinley and son, Welton, of Mountainair, N. M., spent the weekend here visiting with her mother, Mrs. L. A. Puckle, and family.

Nothing is so empty as a day without a plan.

ASPIRIN, ANYONE?—The young man with the squashed look on his face does this sort of thing for a living. A performer with the Gene Heller Wild Animal Show, playing near Kansas City, Mo., his duty is to be carried around by his head in the elephant's mouth.

Ray Price and June Carter headline Spur's Jubilee Show

SPUR — Ray Price, hillbilly and country music artist, and Miss June Carter, hayseed comedienne, will headline Spur Golden Jubilee Celebration slated for September 24, 25, 26.

Both are stars of the Grand Ole Opry, and have been seen and heard nation-wide over television and radio. Price and Miss Carter may be seen in two performances, once on Friday night, and again on Saturday night, at 8 p.m. The musical variety show will be held in Jones Stadium. Admission is \$1.50 for adults and 75 cents for children under 12.

Several other South Plains musicians and recording stars will support the headliners. Spur High School Ex-Student Association is holding its Homecoming during the Jubilee, and a flock of people are expected to descend on Spur to help celebrate "50 Years of Progress," which is the theme of the Celebration.

A Golden Jubilee Booster Caravan will make a trip this coming Saturday through McAdoo, Crosbyton, Rails, Floydada, Matador, Roaring Springs, Afton, Guthrie and Dickens.

Construction has begun on floats for the parade to be held Friday morning prior to the Crosbyton-Spur football game. The parade will feature floats from businesses in Spur and from classes of the Ex-Student Association who annually hold a parade. The events will be staged together this year.

Other events on tap include a barbeque at noon on Friday and Saturday; Old Fashioned Tea; Antique Exhibit; Style Show and judging of Brothers of the Brush beard contest.

The big three day festivities will wind up with a dance Saturday night featuring Ray Price and his Cherokee Cowboys and two other bands.

RECENT GUESTS Guests of Mr. and Mrs. Stanley McMillan and Mrs. Leah Winningham during the past two weeks were his parents, Mr. and Mrs. W. B. McMillan of Haskell; Mrs. Winifred's children, Juanita and Judy Edsall of Elbert, Mr. and Mrs. L. L. Phemister and Mr. and Mrs. B. W. Condon and family of Big Spring, the Don Henderson family of Eunice, N. M., the Carson Shaws and Jerry Sue Phemister of Fort Worth, M-Sgt. and Mrs. Glenn Edwards and family visited en route to Fort Rucker, Ala., after three and one-half years in Germany.

The Australian capital of Canberra, with a population of 40,000 gets about 300,000 tourist visitors a year.

Grand Ole' Opry Stars... RAY PRICE and JUNE CARTER Will Give Two Performances at the Spur Golden Jubilee SPUR, TEXAS SEPTEMBER 25, 26—8 P.M. Jones Stadium ADMISSION Adults \$1.50 Children 75c

McGuire Sisters top state fair billing

AUSTIN — The program of entertainment, exhibits, livestock shows and special events for 1959 State Fair of Texas, Oct. 9-25, in Dallas indicates there'll be more to see, more to do, more that's free and more that's new at the nation's largest annual exposition this year.

The daily entertainment calendar of the Fair as usual is crowded, with the famous McGuire Sisters heading a musical revue in the Music Hall and the ever-popular Ice Capades bringing in an all-new show.

The all-free "Shower of Stars" will present Perez Prado and his orchestra Oct. 12, Mitch Miller and 4,000 high school musicians Oct. 13, Red Foley and his Ozark Jubilee TV performers Oct. 15, TV western star Steve McQueen Oct. 16, blues singer Sam Cooke Oct. 19, Humorist Herb Shriner Oct. 20 and the bands of Woody Herman and Chris Barber Oct. 21.

LIVESTOCK PREMIUMS at the Fair are higher than ever, totaling over \$120,000, and the judging program is equally impressive, with many new events. The big new \$2,000,000 State Fair Livestock Coliseum will house three series of horse shows with judging Oct. 10-18 and Oct. 22-25. The Pan-American Livestock Exposition will run Oct. 10-18 and the Junior Livestock Show will follow during the second week of the Fair.

Many foreign nations will have exhibits in the Texas International Trade Fair and the majority of car manufacturers will unveil their 1960 models at the Fair's Automobile Show. Exhibits will also include such novel features as a closed circuit TV setup where fairgoers can see themselves in color, and the fabled "City of Nikko" exhibition that is being shown outside Japan for the first time.

In the Women's Department there'll be free fashion shows for the ladies and the hundreds of winning entries in needlework, foods, art hobby skills and other traditional categories.

THE AGRICULTURE Show will focus attention on modern plant breeding techniques and for the first time all the farm machinery exhibits will be brought together in one large three-acre area. A "man conquering space" display and exhibits of Army and Navy tactical missiles will be reminders of the modern age. And there will be literally hundreds of other free exhibits.

Four football games to be played in the Cotton Bowl during the Fair include SMU-Missouri Oct. 9 Texas-Oklahoma Oct. 10, Prairie View-Texas Southern Oct. 19 and SMU-Texas Tech Oct. 24.

TUESDAY NIGHT VISITORS Mr. and Mrs. L. W. Evans and Miss Jean Cato of Lubbock visited Tuesday night with Mrs. Evan's parents, Mr. and Mrs. Charley Williams. HOME FROM OKLAHOMA Mr. and Mrs. J. R. Kiker and Mrs. Garnie Smith returned Monday from a five-day visit in the home of Mr. and Mrs. Jim Hutton in Oklahoma. RETURN FROM TRIP Mr. and Mrs. Clarence Martin returned Monday from a five-day visit in Artesia, N. M., with Mr. and Mrs. Jack Johnson and family. Forests cover 40 per cent of South America, about the same per cent as in Soviet Russia.

LET ME BUILD YOUR NEW HOME I am building several new homes in Post at the present time. I can help you arrange FHA Financing. Horace Henley Route 7, Box 235—Lubbock PHONE SH 4-2121

Khapra beetle from Asia has invaded Texas

The Khapra Beetle, native of India, Ceylon, and Malaya, and new to the United States, has at last invaded Texas. The invasion was first discovered in El Paso County in March of this year.

This destructive grain pest is capable of causing great damage to our stored grain. Losses of stored barley and various seeds have ranged from two per cent to total destruction. The beetle has a prodigious rate of reproduction, and the surface of bulk-stored grain literally crawls with it during a heavy infestation.

The insect apparently gained entry into California during World War II, but because of its similarity to the domestic Black Carpet Beetle, it was not brought to official attention until 1953. Its habit of congregating in cracks and crevices of bricks, masonry, and wood storage structures gives it the name "khapra", a word in an East Indian dialect meaning "brick". Since the podowns or storehouses of India are commonly made of mud bricks, the insect comes naturally by its name of "Brick Beetle".

The female adult of the Khapra beetle is a nondescript light-to-dark brown beetle measuring about one-eighth of an inch long, a little larger than a flea. The male is about one-third smaller. The beetle depends upon man to spread it from place to place. Considering the large movement of grain, seeds, sacks, and other materials that might be infested by the Khapra beetle, few countries have better facilities for its transportation than the United States.

In March the Texas Department of Agriculture discovered 19 infested grain elevators and feed mills in El Paso County, two in Hudspeth County and one in Presidio County. All but two of these have been treated. This quick action has saved feed mills and stores thousands of dollars.

Classes at PHS elect officers

By PAT WHEATLEY
The organization of the classes at Post High School has been completed this week.

The seniors elected Bob Cato, president; Curtis Didway, vice-president; Glenda Whittenberg, secretary; Sharon Jobe, treasurer; Marie Thompson, reporter; and Jamie Thompson, student council representative. Mrs. Scott and Mr. Pooler, student council representatives. Mrs. Scott and Mr. Pooler were elected as sponsors and Mrs. E. E. Peel and Mrs. Stone as room mothers.

The junior class elected Jimmy Hays, president; Donnie Hays, vice-president; Margie Casteel, secretary; Kay Gordon, treasurer; and Guy, reporter. Elected as sponsors were Mr. Hopkins and

Mr. Murray and as room mothers Mrs. Chester Morris and Mrs. H. H. Hart.

The sophomores elected as president, Tommy Bouchier; vice-president, Ronnie Clayton; secretary-treasurer, Melinda Newby; reporter, Kathy Stone; student council representative, Judy Morris. Their sponsors are Mr. Teal and Mr. Blocker and room mothers are Mrs. S. E. Camp and Mrs. Phil Bouchier.

The freshman class elected Stana Butler, president; David Schubarth, vice-president; Ken Rankin, secretary; treasurer; Sammie Kay Caffey, reporter; Sharon Isaacs, student council representative.

Each eighth grade section elected separate officers. 8A elected Billy Max Gordon, president; Nita Wilson, vice-president; Marilyn Minor, secretary-treasurer. 8B elected Jackie Fluitt, president; Richard Hart, vice-president; Susie Jo Schmidt, secretary-treasurer. 8C elected Linda McMahon, president; Danny Odum, vice-president; Margie Ann Harrison, secretary-treasurer. Carol Billings and Mary Beth Ford were elected reporters.

7th grade antics!

The seventh grade music class has a sextet. It consists of Anna Walker and Meredith, soprano; Carolyn Mats and Gayle Tittle, mezzo; and Helen Haley and Gayla Johnson, tenors.

Lobban was at Midland today and Tuesday with her ill sister-in-law. While she was away, Mrs. Cy Thaxton substituted for seventh grade math. However, Mrs. Lobban is back now and we all hope her daughter-in-law is feeling much better.

The seventh grade football team has been named "Post Toasties". They have played one game, which was lost to Wilson, 12 to 30.

The team consists of: Jimmy Pierce, Butch Cross, Jerry Herron, Ronnie Simpson, Roy Howell, Ronald Turner, Roy Brown, Laylan Bratcher, Le Carb, Benny Owen, Jerry Rinker, Billy Blacklock, Mike Hays, Lewis Avialo, Mike Joe, Bob Blacklock, Jackie Adcock, Dicky Vardiman, and Gus, Billy Mitchell, Den-

Week's menus at lunchroom

Lunchroom menus for the Post schools for the week of Sept. 21 through Sept. 25 are as follows:

Monday: Chicken and noodles, buttered sweet peas, cole slaw with green pepper, bread, butter, apple pie, one-half pint milk.

Tuesday: Toasted pimento cheese sandwiches, hot potato salad, green beans, bread, butter, peanut butter cookies, one-half pint milk.

Wednesday: Ranch style beans, boiled cabbage with pork, corn bread, butter, fruit salad, one-half pint milk.

Thursday: Hamburger on bun, blackeye peas, potato chips, tossed salad, ice cream cup, one-half pint milk.

Friday: Tuna fish salad, buttered green lima beans, cheese sticks, hot rolls, butter, fruit jello, one-half pint milk.

Garza County SCHOOL PAGE

The Post Dispatch Thursday, Sept. 17, 1959 Page 13

Principal answers letter on 'why no school news?'

Dear Mr. Whittenberg:
A lot of us were disappointed in the lack of high school news in the Post Dispatch. We would sure like to see as good school reporting as there was last year in regard to class meetings, elections, etc. Thank you.
A School Friend

To All Interested School Patrons:
I received this letter through the mail today. It is a very nice letter and contains a worthy criticism of a constructive nature. I fail to see why anyone would be astounded to sign a letter like this.

We at the school are always receptive to constructive criticism but anonymous letters are not worth much.

There are numerous reasons why we have thus far been unable to get the school news in the paper.

In the first place we started school here before our construction was complete. We had school one week with no bells, nor did we have electricity in all classrooms.

Classes had to be organized before reporters could be elected and since our assembly room was not completed there was no place in the building large enough to have freshman or sophomore class meetings.

As the old saying goes "The difficult we do immediately, the impossible takes a little longer."

You can see from today's paper what we had in the planning stages. Give us time and we will try to keep the public informed concerning what our students are doing at school.

To my anonymous friend, I hope this answers your question.
Glenn Whittenberg
High School Principal

"Open Your Mouth And Close Your Eyes - And This Time, Don't Bite My Fingers."

Have You Heard??

By THE STAFF
The first general assembly of the 1959-60 school year was held last Thursday in the new assembly room. The student body was addressed by Mr. Whittenberg, principal, and Mr. Smith, superintendent. General instructions were given.

Kathy Stone had a "Back to School" slumber party the other day. Janene H., Judy M., Anne M., Peggy R., Beth K., Ruthell M., Jan P., Jane F., Jane M., and Sandra S., all had lots of fun. They had Cokes, sandwiches, and candy as refreshments.

Seniors are selling "We're Backing the Antelopes" stickers for car bumpers. They're only 50 cents, so everybody buy one and support the Antelopes and the Seniors.

Hey, everybody, take it easy in the halls or you'll re-injure one of our football players. Just joking, boys, we hope ya'll recuperate soon.

Glenda Whittenberg had a slumber party after the Ralls game. Guests were Kat, Bettye, Mel, Pat, Sharon, Rhea, Leta, Sharron, and Linda. They served themselves to Cokes, sandwiches, and cookies.

The upperclassmen really thought eighth graders came little these days when one fellow had to be lifted up to the water fountain. It was a big relief to find out that he was just one of the teachers' little boys.

The Seniors are already getting ready for the busy year ahead.

Let's all stick together and keep our school spirit high, and back our Antelope team. Good Luck, boys!

Choir is going to Cotton Bowl

By JANENE HAYNIE
On Oct. 13-14, the PHS choir is planning a trip to the Dallas State Fair to sing with some 3,000 voices in the Cotton Bowl.

They will leave early on the 13th in order to arrive at 3 p. m. for a rehearsal.

On the night of the 13th, the program will be presented. During their spare time they will visit the fairgrounds. The choir will return home late the night of the 14th. Approximately 43 people are planning on attending along with several mothers.

The girls' sextet was selected last Thursday. They are: Janene Haynie, Peggy Butler, Karen Potts, Sharon Jobe, Linda Wilks, and Janith Short. It isn't certain if there will be a boys' quartet.

Band openings in Air Force
The Air Force announced today that vacancies exist for qualified bandmen. These vacancies are at most major Air Force bases in the United States, with chances for future overseas assignment possible.

There are 27 bases in the United States that utilize bandmen. Those in this vicinity are Amarillo Air Force Base, Sheppard AFB at Wichita Falls, Lackland AFB at San Antonio, and Cannon AFB at Clovis, N. M. Vacancies also exist for women in the WAF band at Norton AFB in San Bernardino, Calif.

Auditions can be arranged for any young man or woman that is proficient in clarinet, bassoon, oboe, flute or piccolo, French horn, cornet or trumpet, baritone or euphonium, tuba or piano.

Those that are selected for this assignment go direct to an assignment with a band as soon as basic training is completed at Lackland AFB in San Antonio. Qualified applicants are promised in writing, before enlistment, that they will be assigned to an Air Force band.

Complete information may be had by contacting the Air Force recruiter in the Post Office Building, Lubbock, or by seeing Sgt. DeWitt Simons, the Air Force recruiter for Garza County, at the post office in Post at noon the first and third Tuesday in each month.

VISIT IN NEW MEXICO
Mr. and Mrs. Charley Williams were accompanied by their daughter, Mrs. L. W. Evans of Lubbock, to Portales, N. M., for a visit with relatives over the weekend.

Quite a variety of couples, new and old, have been seen around this year. Among them are Kenny and Linda, Richard and Peggy, Sharon and Donald, Billie Lou and Johnny, Marianne and Royce, Kathy and Gary, Curtis and Beth, Bonnie and Joe Bob, and Kat and Bob. Lots of the girls are staying home now because so many of the graduates are now in college.

Paper staff organized

By CAROL BILLINGS
The Post High School paper staff was organized Monday after the reporters, editor and assistant editor were chosen.

The editor this year will be Pat Wheatley while Janene Haynie will

be her assistant. The reporters will be as follows: Mary Beth Ford, Carol Billings, Sammie Kay Caffey, Kathy Stone, Travis Guy, Melanie Thompson and Sharron Wood.

The staff met after school Monday and decided what to call the column and wrote the news for the first edition of "Have You Heard?" The column will be written every week in The Post Dispatch.

8th grade capers!

By MARY BETH FORD
COUPLES SEEN: Linda McMahon and Junior Foster; Carol Billings and Jimmy Martin; Mary Beth Ford and Royce Chance; Margie Harrison and Johnny Mayfield; Lynette Potts and Danny Richardson; Pamela Stewart and Pat Cornell; Nita Wilson and Wendell J.

Junior High student staff writers named

Barbara Hahn has been named editor and Mary Ann Stone assistant editor for the Post Junior High School section of the Garza County School Page in the Post Dispatch.

Class reporters are: Betsy Shyles and Meredith Newby, 7th grade; Terry Power and Carol Camp, 6th grade, and Linda Hays and Jackie Wilson, 5th grade.

Betty Jo Hill had a slumber party Friday, Sept. 11, at her home. The party went to the Post High School football game. The refreshments were sandwiches, Cokes, potato chips and cookies. The guests were Carol Billings, Linda McMahon, Lynette Potts, Argan Robinson, Mary Beth Ford, Susie Schmidt, Marilyn Minor, Margie Harrison, Linda Pennell, Nancy B. and Betty Jo. Everyone had a nice time.

Teaching Home Ec
By KATHY STONE
Mrs. Camp, who teaches H. E. for the first time in Post High, has two H. E. I classes and two H. E. II classes.

She is a fine teacher and the girls like her and their work. The H. E. II girls are studying housekeeping and the H. E. I girls are studying family relations.

We are all glad to see that Linda McM and Junior F. are still going together after their "little disagreement" Monday at noon.

FIFTH GRADE NEWS
This year the fifth graders are studying health, language arts, geography, and arithmetic. They seem to like health the best.

Move under way to reopen Antelope Alley by Friday

By SAMMIE KAY CAFFEY
We were very happy to learn that if all goes well, Antelope Alley (the youth center) will be open by Friday night. It will be wonderful to have something to do besides go to the show or drive around.

that we are going to be the ones to give Antelope Alley a face lifting. In that same rumor that I heard we were going to get to do the work, it will also be our ideas of how to decorate it, so gang let's put on our thinking caps and get busy. I've heard it said that if we want mustard brown or lavender blue it will be, so let's try and think of some color that will be really pretty and make everyone happy.

We're to have a directors' board composed of two from each class in high school. They are, with the help of the adult board of directors, to set up rules for us to go by. It is wonderful that we will have someone our own age to stand up for us at the directors' meetings. Also, we are going to have one person who will be there each night that will help us carry out the plans we make and see that everything is carried on to the best advantage of each young person.

It will take a lot of hard work to make Antelope Alley work, but if we'll get in there and really work, we'll have something to be proud of at last. Oh yes, you girls and guys get on your old clothes and bring your hammer, nails and paint brushes, I've heard a rumor we'll never overcome the prejudice against Antelope Alley. This is our chance to really make our parents and our town proud they are behind us. So come on gang let's show Post that we're worth our salt if other kids can do it, so can we.

National Merit Scholarship registrations are open now

1961 graduates who wish to be eligible for the 1960-61 National Merit Scholarship competition should register now at the school office.

Mr. Whittenberg principal, announced today. The National Merit Scholarship Qualifying Test will be given at 9 a. m. Tuesday, March 19, 1960 or Saturday, March 19, 1960.

Students must be second-semester juniors or first-semester seniors at the time of the examination. Students must pay a \$1 fee the day of the test. Any interested student who is unable to pay should consult Mr. Whittenberg.

Senior class members game concessionaires

By TRAVIS GUY
The junior class had charge of the concession stands Friday night at the football game and will have at all future home games.

Because of the hard work of the juniors, they cleared close to one hundred dollars from the sale of coffee, cakes, hot dogs, cold drinks and gum. They would certainly appreciate your patronage at the coming games.

Seniors have field days at expense of downtrodden frosh

By SHARRON WOOD
The seniors really had their field days the first week of school. The poor fish really got their noses rubbed in the ground.

The first day, Monday, was a little easy—just book carrying for them.

Tuesday, it began to pick up, with the fish wearing five different colors of ribbon in their hair. They also had to wear different colored socks and shoes.

Wednesday, they were dressed in solid black and when met in the hall by a senior, they had to recite two lines of poetry. Some were very unique.

Thursday, the fish were reliving their childhood days. They were dressed in little kids' clothes carrying their little teddy bears and dollies. They looked real sweet.

Friday, the last cruel day, the boys were dressed in short pants and bow ties. The girls met with the senior girls and were made to wash the sidewalk with toothbrushes.

It was a lot of work and fun for both classes during initiation week.

The senior class is now trying to get back on friendly terms with the freshmen. The seniors would like to take this opportunity to thank them and tell them what swell sports we think they are.

Justiceburg Mothers Club makes plans for Halloween Carnival

By MRS. WELDON REED

Visiting in the home of Mr. and Mrs. Douglas McWhirt and children Wednesday evening was Mr. Jeff Crane of Andrews.

Mr. and Mrs. Frank Breder of Albany visited with their daughter and family, and Mrs. Douglas McWhirt Thursday.

Mr. and Mrs. Ott Nance ate supper with her mother and sister, Mrs. L. N. Peirman and Vera in Snyder Tuesday night.

Mrs. Ott Nance heard from her sister and brother-in-law, Lena and Grady Pierce who are fishing in Yellowstone Park, Wyoming. They have seen the earthquake damage and are still having tremors. Old Faithful was not affected. They leave Sunday and antelope hunt in Wyoming with friends from Snyder, Texas, the Von Roeders.

We were all sorry to see Mr. and Mrs. Bill Wilson and family move to Post this week.

THE JUSTICEBURG Mothers Club met last Friday and made plans for the Halloween Carnival, those attending were: Mrs. Buddy Roper, Mrs. Tommy Forrest, Mrs. Billy Blacklock, Mrs. Bud Schliehuber, Mrs. Ott Nance, Mrs. Douglas McWhirt, Mrs. Bandy Cash, Mrs. Albert Bevers, Mrs. W. T. Helms, and Mrs. Weldon. They served the school children cokes after the meeting was over. The next meeting will be held September 25, at 2:30 in the cafeteria.

Miss Sandee Cross was entertained recently with a going away party before entering college. She will go to John Tarleton. The party was given by Mr. and Mrs. Douglas McWhirt. Bar-b-que hamburgers were served to Mr. and Mrs. Sid Cross, Micah and Lea Merri, Mr. and Mrs. James Kennedy, Jimmy and Randy, Mrs. Billie Mears and Jatha Jo and Vivian, Dwayne, Robert and Danny McWhirt.

Mr. and Mrs. Sam Bruner and girls visited over the weekend in Mexico with her parents, Mr. and Mrs. H. L. Smart. They also attended the 36th Division Reunion.

Mr. and Mrs. Harold Wiley of Snyder visited with their daughter and family, Mr. and Mrs. Bud Schliehuber Sunday.

FRIDAY EVENING visitors of Mr. and Mrs. Billy Blacklock were Mr. and Mrs. B. M. Blacklock, Mr. and Mrs. Bobbie Blacklock, Belinda and Ruddle, Mr. and Mrs. Ben Seward, Bennie and Debbie of Post.

Mrs. Bud Schliehuber and Denise visited Mr. and Mrs. Harold Wiley in Snyder, recently.

Attending the football game in Post Friday evening were Mr. and Mrs. Bud Schliehuber and Denise. Mr. and Mrs. Sid Cross entertained with a bowling party and picnic in Lubbock honoring Butch Wilson who is going to college this year. Those attending were: Butch Wilson, Nita Wilson, Mr. and Mrs. George Duckworth, Mr. and Mrs. Bud McLaurin of Amarillo, Mr. and Mrs. James Kennedy, Jimmy and Randy of Post, and Mrs. Billie Mears and Natha Jo of Post, Mr. and Mrs. Douglas McWhirt, Dwayne, Vivian Robert, and Danny, Aliso, Lea Merrie, Micah, and Sandee Cross, and George Knox Duckworth.

Sunday visitors of Mr. and Mrs. Billy Blacklock and boys were Mr. and Mrs. W. C. Melton and Mr. and Mrs. T. B. Johnson of Level-

Ringling Has Greatest "Pro" Clowns

Chuck Burnes, Ringling Clown

Gene Lewis, Ringling Clown

Lou Jacobs, Ringling Clown

When better clowns are found clowning, they'll be found clowning with The Greatest Show on Earth.

And that means they'll be right in there clowning with more funny gags than ever before when Ringling Bros and Barnum & Bailey Circus comes to Lubbock Municipal Coliseum for shows twice daily Oct. 19-21.

These professionals of laughter always keep a step ahead of themselves in the serious art of figuring out new situations and props that create belly laughs.

land. Mr. and Mrs. Melton remained for a weeks visit.

MRS. DOUGLAS McWhirt was hostess for a home appliance party held in her home Monday. Those attending were: Mrs. Buddy Roper, Mrs. Ott Nance, Pauline Knox, Mrs. Cecil Smith, Mrs. Cameron Justice, Mrs. Bud Schliehuber, Mrs. J. M. Boren, Mrs. J. M. Tidwell, Mrs. Jo Ball of Fluvanna, Mrs. Billie MacAlister, Mrs. Weldon Reed and Mrs. Jewel Young, demonstrator Sandwiches, cake, coffee and cold drinks were served.

Mr. and Mrs. Jim Kennedy of Post honored Miss Sandee Cross and Miss Jerry Lou McLaurin with a going away party Saturday night. Spagetti and meatballs and all the trimmings were served. Those attending were Sandee and Jerry Lou, Mr. and Mrs. Sid Cross, Lea Merrie and Micah, Mr. and Mrs. Douglas McWhirt, Dwayne, Vivian, Robert and Danny, Mrs. Billie Mears and Natha Jo, Butch Wilson, Jimmy and Randy Kennedy.

Mr. and Mrs. Joe McCowen visited Mr. and Mrs. Weldon Reed Saturday night.

Mr. and Mrs. Leo Reed honored their son Fernie, on his birthday with a supper Sunday night. Those attending were: Mr. and Mrs. C. Cornett, Mrs. Fernie Reed and Bruce, Mr. and Mrs. Weldon Reed.

Funsters from all over the world, they have this year created a "rocket" gag, and Lou Jacobs, famous funnyman, is back again with his water-spouting, blank cartridge-firing midget automobile.

These preposterously dressed buffoons spend days and weeks figuring out a single "gag", and their only reason for being is to provide laughter to the thousands of visitors to The Greatest Show on Earth.

Each of the scores of Ringling Clowns looks different. For once a

circus comic has worked out a makeup distinctive in design and color, he has a sort of moral copyright to it, and no other clown copies his makeup.

Hundreds of pounds of clown makeup—zinc oxide, olive oil, glycerine and coloring—are used annually by the Ringling funsters.

"Everytime we put it on," they say, "we get a beauty treatment."

All clowns are called "Joey's," after Joseph Grimaldi, an English stage comic of the 19th century.

Circus tickets go on sale Monday

LUBBOCK — Civic Lubbock, Inc. has announced that tickets to Ringling Bros. & Barnum and Bailey Circus will go on sale by mail order on Monday, September 21. The Greatest Show on Earth will be seen in the Lubbock Municipal Coliseum October 19, 20, and 21 at 3:30 and 8 p. m. daily.

Ticket prices are \$3.60, \$3, \$2.40 and \$1.80 and children, under 12, are admitted at half price to all matinees only and in any section. Ticket orders should be mailed to Lubbock Coliseum, care of City Hall, Lubbock, Texas, and should be accompanied by check or money order and a self-addressed return stamped envelope.

Included in this year's circus performance is a spectacular new production number featuring the entire cast. The number - "Carnival Round the World" - is one of the most lavish ever presented by

Ringling Bros. Circus and blends the beauty of all nations into a fairland of rainbow radiance. Both humans and animals participate in this salute to the world. Other outstanding numbers are "Ballet of the Buccaneers" and "Viennese Interlude".

In addition to these new production numbers all of the regular clowns, aerial acts, lions and elephants will be on hand to give the patrons a delightful and enjoyable visit to the circus.

Keeton Cattle Auction

A special announcement to all Farmers, Ranchers and Cattle Dealers—Keeton Livestock Commission Co. is ADDING another Sale Day. Auction sales will be held every Monday AND Friday beginning the week of Sept. 21, 1959.

Keetons bring more than 40 years experience in the cattle business to the disposal of cattle buyers and sellers plus one of the most modern auction rings with seating for hundreds of people. They operate their cafe for the convenience of their customers. Keeton Livestock Commission Co. has facilities to feed, shape, and sell your cattle. All consignments, one or more, are appreciated.

Keeton Livestock Commission Co. has continually improved and expanded their livestock Auction since they opened three years ago and are better equipped in experience and "know how" to sell your cattle at top market prices.

Remember beginning the week of Sept. 21, 1959, Keetons will have two Auction days each week, Mondays and Fridays at 10 a.m. They are located 5 miles S.E. of Lubbock on the Slaton Highway.

Tech Band readies exclusive shows

LUBBOCK — Texas Tech's marching band will flash on the football field this fall with a series of exclusive shows featuring a wide variety of music.

"One show will salute composer Irving Berlin," new Tech Band Director Dean Killion reported. "Another will feature songs from Rogers and Hammerstein's 'South Pacific'."

Killion said each of the shows will be built around exclusive arrangements being done by Jerry Gates of Des Moines, Ia. The performances will feature timing and marching that will challenge the best bandsmen.

"I believe in fast moving shows with a lot of variety," the 35-year-old Killion commented. "Our shows will be built around whatever the music demands. They'll range from the peppy to the majestic, with the marching geared to the music."

"I like to use music that currently is popular with the public," he continued. "From beginning to end, each show will be different

from others in this fall's series". The Tech Band will make two trips for football games this fall—to Waco for the Baylor contest Oct. 17, and to Dallas' Cotton Bowl for the SMU clash Oct. 24.

The peppery Killion, who's become known for his showmanship at Nebraska University and Fresno (Calif.) State, joined the Tech faculty this fall, succeeding D. C. Wiley as band director.

HUMBLE Presents... THE NEW TIRE of this generation!

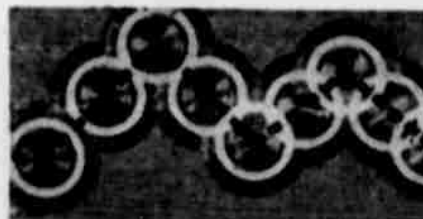

ATLAS BUCRON TIRES

Positively No Squeal!

YOU CAN'T MAKE IT SQUEAL!

The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the 'miracle new rubber of the tread.

Ordinary tires "bounce" . . . multiply bumps and jars.

Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

SOAKS UP BUMPS AND JARS! You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron Tires smothers "bounce." Your car rides like the day you bought teers easier, handles better.

Trade Now for a set of these amazing new tires.

Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. Equip your car with Atlas Bucron Tires on all four wheels.

GUARANTEED BY HUMBLE

Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. (Note: All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

Add Traditional Charm

to Modern Outdoor Living... with GAS LIGHTS

From the nostalgic years of the last century re-appear the lights that have the entire country talking . . . Gas Lights! Authentically styled, they add appeal to any home, regardless of architectural design. Practical, as well as picturesque, Gas Lights DO NOT ATTRACT BUGS . . . provide no-glare illumination that is inoffensive to neighbors yet acts as a deterrent to trespassers or burglars. On the patio, along driveways, sidewalks and steps, around swimming pools . . . Gas Lights cast a soft, magic glow that is graciously inviting and relaxing. Call Pioneer Natural Gas Company tomorrow about an installation in your yard.

NO MONEY DOWN
AS LOW AS \$2 PER MONTH
AS LOW AS 2 YEARS TO PAY
\$49.50 INSTALLED*

* Up to 50 feet of gas line included in normal installation. Where footing under concrete is required, the cost is \$1.50 per foot. Tailing requirements in excess of 50 feet—25c per foot.

Look for a growing empire Pioneer Natural Gas Company

Wildlife exhibit back on road

AUSTIN — The Wildlife Exhibit, under the supervision of Harley Berg, has taken the story of wildlife to various counties in Texas for the past 10 years. The exhibit is made available through the efforts of the local Chamber of Commerce or other civic organizations where the public can view the major animals of Texas, such as deer, antelope, lion, and falcon. It also has birds, including various types of ducks, turkey, and doves. The fish aquaria contain assortments of freshwater fish found in Texas lakes and rivers. Anyone needing this Wildlife Exhibit for public use, should contact the director of information and education, Game and Fish Commission, Austin.

Plans are like the rudder of a ship to steer your course through the maze of London's Sir Cleve Price Thomas.

Only one-half the natural gas used in Texas is consumed in the state.

Braille's system of printing for the blind was introduced in 1829.

Only one per cent of U. S. production goes into Lincolnton.

ONE FAIR DISPLAY

This IM-99 BOMARC Interceptor missile will be one of the military displays at the Panhandle South Plains Fair in Lubbock Sept. 28 - Oct. 3.

Missile to be shown at South Plains fair

LUBBOCK — One of the military exhibits at the Panhandle South Plains Fair in Lubbock, Sept. 28 through Oct. 3, will be the Air Force's IM-99 Bomarc Interceptor Missile, considered to be one of the most important defense weapons of the North American Continent. The development of the Bomarc was begun in 1950, after studies indicated that GAPA (Ground-to-air-pilotless-aircraft) and other shorter range missiles would not permit adequate defense of the United States.

A BOMARC squadron, equipped with high explosive warheads for a single enemy aircraft and nuclear warheads for formations of invading aircraft, can provide air defense for a circular area with a 500-mile diameter. Six of these squadrons, strategically placed, could provide air defense from coast to coast.

Fired by pushing a button, powered by liquid fuel rocket engine, the Bomarc — when it reaches a suitable speed and altitude — drops its booster rocket and twin ram-jet engines, slung beneath its fuselage, take over to provide power for supersonic cruising.

The Boeing Aircraft Company, which developed the GAPA missiles, is producing Bomarc missiles; Aerojet General Corporation is producing the rocket engines; and Marquardt Air Corporation is making the ram-jet engines. The Bomarc weighs about 15,000 pounds, is 47 feet long, and has a wing-span of 18 feet 2 inches. The speeds are supersonic and the altitude is extreme. Airmen technicians of the Orientation Group, USAF of Wright-Patterson Air Force Base, Ohio, will accompany the exhibit and answer spectators' queries.
