Large Crowd Expected At Honor Event

Ticket sales for this evening's barbecue honoring George (Scotty) Samson were nearing the 300 mark Wednesday, indicating a "full house" for the affair being held as a tribute to one of the town's most beloved citizens.

The barbecue will be held at 6:30 o'clock at C. W. Post Memorial Scout Camp, just southwest of the city.

T. R. Greenfield, pioneer Post merchant, will be the principal speaker, although a number of other residents will be called upon to join him in paying tribute to "the Scotchman."

O. L. (Ollie) Weakley will be master of ceremonies for a program which will include music by the "Serenaders," Lubbock television and radio performers.

The barbecue meal will be served by Jetton's Catering Service of Fort Worth.

Ira L. Duckworth is chairman of the general arrangements committee. Other members are T. R. Greenfield, W. S. Duckworth, R. J. (Rube) Jennings, T. L. Jones, Tom Bouchier and Marshall Mason.

S. E. Camp is chairman of the ticket committee, and other committees are as follows:

Program—Bouchier, Weakley and Lewis C. Herron.

Gifts and Plaque—Jennings, Jones and J. E. Parker.

Arrangements—W. S. Duckworth and R. H. Tate.

Publicity—E. A. Warren, Dr. A. C. Surman and Dr. D. C. Williams.

History—Mrs. Sherrill Boyd, Mrs. A. C. Surman, Mrs. T. L. Jones and Warren.

The barbecue is to honor Samson for his almost 50 years of community and county boosting, particularly along agricultural lines. He has lived in Post since 1907.

Hard Rains Soak County; Halt Cotton Harvest

Rainfall ranging up to two inches in some sections of Garza County fell late Tuesday night and Wednesday morning, bringing a halt to the cotton harvest, but heightening prospects for a good crop year in 1955.

The measurement in Post up to 10 o'clock Wednesday morning was .90 of an inch, but other showers throughout the day are believed to have boosted the measurement past the one-inch mark.

More than two inches of rain were reported at Southland, Graham and Close City and in areas east and south of Post.

County Agent Lewis C. Herron said the rains would help the late bundle feed and provide good underground moisture for next year.

Ginners in some sections of the county said the rains would delay the cotton harvest a week and perhaps longer if they continue.

Reports from five of the county's six gins Wednesday morning disclosed that a total of 1,185 bales have been ginned. This report does not include the Pleasant Valley Gin, which could not be reached by telephone Wednesday.

Ginnings reported to the Dispatch are as follows: Basinger & Hambright Gin, Southland, 418 bales; Storie Gin, 56; Graham & Co-Op Gin, 335; Close City Co-Op Gin, 125; Planter's Gin, Post, 251.

Except in the Southland area, farmers are reported having difficulty securing enough harvest help. In some sections, it was reported that there are plenty of hands, but that most farmers have no living quarters for crews.

In the Graham community, it was reported that only a few of the farmers have enough hands to harvest their cotton.

The problem of providing living quarters for transient pullers appears to be the main drawback to a plentiful labor supply in the area served by the Storie Gin, west of Post. There, it was said most of the transient laborers are traveling in crews of from 15 to 20 and move on somewhere else when they learn that the farmers can provide living quarters for only five or six.

AGRICULTURAL EXHIBITS OUTSTANDING—At the Panhandle-South Plains Fair last week, some of the most colorful of the agricultural exhibits were those prepared and displayed by various area county agents. Although there was no county contest—each county receiving a \$50 participation award—the three exhibits shown above were judged by the

fair's general agricultural superintendent, George (Scotty) Samson, Post, as being the best. He judged the Lamb County exhibit (left) as the first place booth, Garza (center) second, and Bailey third. The Garza County booth was prepared by County Agent Lewis C. Herron. Holding the bell peppers in the

Lamb County booth is four-year-old Linda Josey, daughter of Mr. and Mrs. R. E. Josey of Post, in the Garza booth, proudly displaying a wheat shock, is five-year-old Sue Finley of Lubbock. The child in the Bailey County booth was not identified. —(Lubbock Avalanche-Journal Photo).

FFA Sweetheart Places Second

Miss Shirley Watson, representing the Post High School chapter of Future Farmers of America, won second place Tuesday night in the FFA District sweetheart's contest at Wellman.

Miss Watson, daughter of Mr. and Mrs. Herbert Watson, is a sophomore at Post High School. She was selected as chapter sweetheart a few days ago.

Eight contestants competed for the sweetheart title, which was won by the Brownfield entrant.

Attending the banquet at which the contest was held were Miss Watson, Chant D. Lee, high school principal; E. F. Schmedt, FFA chapter advisor; Ernie Wayne Popham, FFA president, and Billy Meeks, last year's FFA president.

Other new officers of the Post chapter are: Jack Morris, vice-president; Charles Crain, reporter; Noel White, secretary; Ronnie Kennedy, treasurer, and Jerry Ray Key, sentinel.

City, County To Observe Nat'l Oil Progress Week

"Oil Serves You" is the theme of Oil Progress Week Oct. 10-16, which will be observed here by showing of the film, "The Magic Barrel," at Post High School and grade school on Thursday, Oct. 14.

E. R. (Buster) Moreland, Garza County chairman for the Oil Industry Information Committee, said the admission free film is sponsored by the Texas Mid-Continent Oil and Gas Association.

Chant D. Lee, high school principal, said Wednesday there is a possibility that date of the show at the schools will be changed because of its conflict with six-week tests. Moreland was out of town, however, and it was not definitely known late Wednesday whether or not a change in the date would be arranged.

The public is invited to attend the showing of the film, scheduled for Thursday morning at the high school and Thursday afternoon at the grade school.

Some 42,000 companies will participate in the annual effort to familiarize the public with petroleum's 95 years of achievement during Oil Progress Week, pointing up the benefits oil and its derivatives bring the buyers.

By newspaper advertisements, radio and TV shows, motion pictures, posters, pamphlets, souvenirs and other devices, the industry will proclaim the week's theme.

Not a little of the oil story will be conveyed by the service station operator and his helper, individuals with whom the buying public has the closest and most frequent contact. Too, the week's slogan will focus a lot of attention on the honey, familiar role these people play as "front men" for the industry.

Enrollment In City's Schools Soars To 954

With enrollment in the city's three schools gradually creeping toward the 1,000 mark, administrators and faculty members are looking forward to occupancy of the new junior high school building at mid-term as the solution to overcrowded conditions.

Meanwhile, work at the new school building is progressing satisfactorily, and Simpson & Ross, general contractor, have assigned administrators that the building will be ready for use by mid-term.

Brick and steel work on the new structure is virtually completed, and plastering is under way this week. Much of the work remaining to be done is mill work, and some delay is being caused by difficulty in obtaining enough competent carpenters.

Enrollment at noon Wednesday. See ENROLLMENT, Page 8

Concert Ticket Deadline Is Monday

Whether or not the Garza Town Hall Concert Association presents a program of concerts this season depends on the sale of memberships between now and the Monday night deadline, officers of the association said Tuesday.

The first concert of the 1954-55 season is scheduled for Oct. 15, but the schedule will be cancelled unless the membership goal is met by the Monday deadline, it was reported.

An officer of the concert association said this week that not near all the people considered potential members were contacted during the recent membership campaign. "For a number of months, not all ticket salesmen were able to see everyone on their lists," the officer said. "As a result," he continued, "those wishing to purchase season tickets may do so by contacting Bill DeWalt, membership chairman, or I. H. Herring, president of the association before Monday night."

It was reported early this week at a meeting of members of the board of directors and ticket salesmen that approximately one-half of the required number of season tickets had been sold.

"We need to know, not later than Monday night whether or not we will be able to present the series of concerts this season," the officer said.

Tickets for couples sell at \$10 and each of these tickets will admit husband and wife and members of their family. Single tickets are priced at \$6 each and student's tickets at \$2 each.

Another meeting of directors and ticket salesmen is scheduled for early next week, at which time it will be determined whether or not the membership goal has been met.

Scheduled for the opening concert Oct. 15 is the Dugill International Concert Company, called America's greatest and See CONCERT TICKETS, Page 8

W. A. Gray Is First Poll Tax Purchaser

Garza County's first poll tax receipt for 1955 has been issued to W. A. Gray, Carl Cederholm, deputy county tax assessor-collector, reported Tuesday.

Issuance of poll tax receipts began Oct. 1, along with collection of county taxes. Thirty-nine poll taxes had been paid up to noon Tuesday, according to Cederholm.

Since 1955 is an off-election year, not as many poll tax receipts are expected to be issued as were this year.

The tax official reports that collection of state and county taxes has been good since payments began last Friday. A three per cent discount is offered for payment in October, two per cent in November and one per cent in December.

15 Boys To Show Steers At Dallas

Fifteen 4-H Club and Future Farmers of America members from Garza County will exhibit steers at the State Fair of Texas in Dallas the week of Oct. 18.

The boys and their steers, accompanied by County Agent Lewis C. Herron and FFA Chapter Advisor E. F. Schmedt, will leave Oct. 17 for the fair. Following weighing and sifting, the animals are to be judged Wednesday, Oct. 20, and the sale is set for Friday, Oct. 22.

FFA members taking steers will be Jackie Carpenter, Harry Smith, John Shults, Gary Welch, James Barron, Lee Wayne Sulinger and Charles Crain.

The 4-H Club exhibitors will be Don Richardson, Dean Huddleston, Carol Davis, Lonnie Peel, Tommy Young, Larry Welch, Ronnie Morris and Charles Morris.

The steers to be shown at Dallas were exhibited at the Garza County Fair held here Sept. 17 and 18.

Absentee Voting Begins Oct. 13

Absentee voting for the Nov. 6 general election will get under way Wednesday, Oct. 13, and close Oct. 29, County Clerk Ray N. Smith announced this week.

Absentee ballots may be cast at the clerk's office, or by mail after ballots are requested on the proper forms.

The ballot copy was prepared for printing following Saturday afternoon's meeting of the Garza County Democratic executive committee.

In addition to names of candidates, this year's general election ballot will include 11 proposed constitutional amendments.

Postal Receipts Nearing Record

Postal receipts for the first three quarters of 1954 show an increase of \$2,694.72 over receipts for the first three quarters of 1953, indicating that a new all-time record may be set at the post office here this year. Postmaster Harold Voss reported Tuesday.

Through September, 1954 receipts totaled \$22,926.36, as compared with \$20,231.64 for the first nine months of last year.

The 1953 total was \$30,670.45. Receipts for the last quarter of this year—normally the year's highest—are expected to increase the 1954 total well above the 1953 figure, as well as that of the record year of 1952, when receipts totaled \$31,291.04.

To beat the 1952 record, last-quarter receipts this year will have to total only \$8,364.68 or above. In 1953, the fourth quarter receipts were \$10,438.87.

Receipts for the first three quarters of this year were: March, \$8,685.48; June, \$6,822.50; September, \$7,418.38.

Receipts by quarters in 1953 were: March, \$5,522.19; June, \$7,116.33; September, \$6,563.12; December, \$10,438.81.

This year's biggest month thus far was January, when receipts totaled \$3,782.38. The lowest of the first nine months was April—\$2,013.28.

Following are postal receipts for each year since 1940:

Year	Receipts
1953	\$30,670.45
1952	31,291.04
1951	27,480.90
1950	25,584.39
1949	22,051.74
1948	19,480.05
1947	20,042.50
1946	18,705.65
1945	21,859.54
1944	20,945.87
1943	19,247.92
1942	17,326.36
1941	15,540.52
1940	14,250.56

Garza County Gets New ACP Practice

A new practice—seeding cover crop in the fall of 1954 for protection of farm land from winter erosion—has been approved for Garza County under the 1954 Agricultural Conservation Program, Mike E. Custer, county ASC office manager, announced Tuesday.

The new practice brings to 22 the number approved for the county's 1954 program.

The practice provides for the following varieties, minimum seeding rate pound per acre and cost share per acre:

Hairy vetch (14 rows with small grain), 10 cents, \$1.20; (broadcast), 20 cents, \$2.40; Disk Wonder Peas or Austrian Winter Peas, 40 cents, \$2.15; Oats (with legumes), 40 cents, \$1.40; Rye (with legumes), 30 cents, \$1.20; Barley, 35 cents, \$1.40; Ryegrass (with a legume), 15 cents, \$1.50; 200 pounds 0-20-0 Fertilizer (or its equivalent), \$2.65.

Legumes should be inoculated with fresh inoculant and the cover crop must be seeded not later than Nov. 30, 1954.

When legumes are seeded under irrigation, fertilizer must be applied at the rate of 200 pounds of 0-20-0 per acre. Fertilizer not required for dry land, and no cost-sharing is offered for the application of fertilizer on dry land.

Grazing consistent with good management is permitted. The harvest of hay is permitted, but the crop or stubble must be left on the land until the time seed are normally formed. The crop may not be harvested for grain or seed.

Cost-share will not exceed 80 per cent of cost.

The specified minimum seeding rate and the minimum required fertilizer application is the maximum amount of seed and fertilizer for which costs will be shared.

It is not necessary that small grains or ryegrass be planted with a legume, but seeding rates when seeded alone will be increased by 25 per cent.

Brother Of Post-Woman Has Polio

Kirby Dunlap of Petersburg, brother of Mrs. George Tillman of Post, is being treated for polio in a Plainview hospital.

Dunlap, a furniture dealer at Petersburg, was admitted to the hospital Monday and his illness was diagnosed as polio the following day.

Druth Relief Is Near For County

Favorable action on the State Druth Committee's recommendation that Garza County be designated for druth relief is expected soon, Mike E. Custer, county office manager of the Agricultural Stabilization and Conservation Service, was informed Tuesday in a letter from the Lubbock office of Cong. George Mahon.

Mahon's secretary wrote Custer that she had got in touch with the congressman and that he told her he had talked with the secretary in his Washington office in regard to the county's application.

Mahon said his Washington secretary informed him that a favorable recommendation of druth relief had been mailed Sept. 24 by the State Druth Committee and had arrived on Sept. 27, but that the druth committee there had not met for final action.

"We believe favorable action will be taken soon," Custer was told in the letter.

Thursday to Thursday

By CHARLES DIDWAY

LAST WEEK TAKES THE cake as 1954's "Week of Upsets, starting with the New York Giants winning the World Series in four straight games, continuing with a flock of upsets Friday night in high school football circles, and running through Saturday afternoon and night with the "experts" taking a beating on college gridiron results.

THE GIANTS' WIN OVER Cleveland certainly wasn't an upset, but the almost-effortless way in which they seemed to achieve it was. We were for Cleveland from start to finish, but except for an inning or two didn't see or hear much to cheer about. Giant fans seemed to be in the minority here, with the long faces outnumbering the beaming countenances as the Giants came through with one, two, three, four victories—just like that.

IT'S TOO BAD THAT the Post Antelopes couldn't have shared in Friday night's dozen or so high school football upsets. Their showing at Crosbyton against a Class A team was their most dismal of the season thus far. But we're not giving up on the Antelopes. We think that if they can get by Tahoka here Oct. 22, which is Homecoming, they'll have a good chance to at least tie for the District 5-AA championship.

THE KEENE, N. H., SENTINEL recently received the following item from one of its small-town correspondents: "While berrying recently, Mrs. Joe Skinner, Mrs. Don Purcell and Mrs. Manning and her small daughter met a bear. All were surprised."

TONIGHT WILL BE A BIG one for Scotty Samson and two or three hundred of his friends. After 47 years, Scotty is to get something more than "lip service" for the multitude of good things he has done for Post and Garza County. As honor guest at a barbecue, he will receive the well-wishes and other tokens of gratitude from both old-timers and newcomers who know a good man when they see one.

THE WORLD'S SHORTEST sermon is preached by a traffic sign: KEEP RIGHT.

THERE ISN'T A NEWSPAPER, large or small, that doesn't make at least its share of mistakes each week, but last week's issue of The Crosbyton Review came through with FIVE in one short paragraph. In a story on the then-upcoming Crosbyton-Post football game, the Review writer, in glancing back over Post's record, wrote that Roscoe defeated the Antelopes, 12-0 (Post won, 7-0); that Post and Morton tied, 14-14 (it was 7-7); that Hamlin defeated Post 13-7 (it was 19-7); and that Post beat O'Donnell, 33-0 (it was 33-7).

THERE'S A DYED-IN-THE-WOOL Wink Wildcat football fan in our midst. He's Bob Short, who is employed at Clary's Conoco Service Station, and every week he calls to see if we can tell him how Wink came out. Wink isn't having much of a season, but Bob has stood all the reports surprisingly well, with the exception of one three weeks ago when it fell our sad lot to inform him that the Wildcats had lost to Kermit, 45 to 0. Bob sputtered something into the telephone and hung up.

HE TOOK IT A LITTLE better last week.

Roger W. Babson Writes This Week:

Better Recognition Of Supply And Demand Law Is Needed For Peace And Prosperity

BABSON PARK, Mass. (Spl.)—What we need more than anything in this country if we want both peace and prosperity is a better recognition of the Law of Supply and Demand.

A Lesson From 1953 Many people have indicated to me in recent months a kind of fatalism about our economic outlook. They seem to feel that prosperity can be maintained only in a war economy. Perhaps this is because it has been so many years since we have prospered without war. A lesson that we will learn from the recession which started in the summer of 1953 is that we can have both peace and prosperity if we will adjust ourselves to the Law of Supply and Demand.

But a lot of research must be done on consumer attitudes, on finding out what makes people buy, on how to create wants and needs, and how to develop appreciably more effective selling. This especially applies to all merchants. These are the ones who determine employment and business. I wish I had a five-dollar bill for every person I have recently heard say that he would buy a new car if only someone would really try to sell him one.

Lessons From 1929 And World War II During the peace years from 1929 through 1940, we lost in national output of both goods and services better than \$600 billions when measured by 1953 prices. This was about twice what World War II cost us! Our real trouble during those unhappy years was that the buying power of our people failed to keep pace with our productive know-how. For the Law of Supply and Demand to work freely in peacetime, the benefits of new inventions and new methods must be passed along to the worker in the form of higher wages and to the consumer in the form of lower prices, so that the public will be able to buy the products of our increased capacity. This surely requires spending more money on advertising.

Out of our experiences in two World Wars we have learned that the Law of Supply and Demand, although suspended during wartime, must never be forgotten. We have learned that only by curtailing civilian demand can

WOMEN AND JURIES . . .

It is almost a month until the November general election, but none too early to begin studying the state constitutional amendments that will appear on the ballot.

The Legislature has put quite a load on the people—11 proposed changes in the state's organic law, most of them involving important issues. One of the most important is H. J. R. 16, providing that "neither the right nor the duty to serve on grand and petit juries shall be denied or abridged by reason of sex." Where the term "men" is used in the Constitution in reference to juries, it shall include persons of both sexes.

Only five states, including Texas, do not permit jury service by women. Six have changed their laws to permit or require it since 1949.

Women practice law, sit on the bench of many courts, serve in Congress and in the legislatures, making the laws, serve in the armed forces, engage in virtually every profession and business. Yet in these five states their sex alone bars them from jury service. This obsolete ban should be rubbed out of our state Constitution.

Inquiries of federal judges in various sections of the country have evoked the uniform opinion that women make as good jurors as men in every respect.

The chief objections to female jury service are that courthouses are not required to furnish overnight accommodations for women jurors when necessary, and that special exemptions or exceptions for women are necessary because of household duties. These arguments have been met in courts of other states; why not in Texas?

There is increasing need for qualified jurors. Getting enough "good men and true" to serve is a problem. It would not be, and would not be if the courts could draw jurors from both sexes.

An amendment similar to the one coming up in November was rejected in 1949 by the vote of 154,392 to 130,908. That this vote, cast in an off-year election, was too small to be representative of the Texas electorate is apparent from the fact that in both the preceding and the succeeding year more than a million ballots were cast in primaries and general elections.

This year the Texas League of Women Voters and other groups will make a campaign for the jury service-for-women amendment. All voters should inform themselves concerning the measure, and when they do, we believe they will support it.

end when we gave him the score of Wink's loss to Pecos, and seemed sufficiently recovered for us to talk to him long enough to learn that he used to play for the Wildcats—back in the days when nine times out of ten, or even oftener, they were on the long end of the score. Class A Wink has been a holy terror among higher-ranked schools for the past 10 or 15 years, and can afford to have one bad season without losing much prestige.

THOSE WHO SAW THE POST schools' new Junior Band perform at last Thursday evening's football games were enthusiastic in their praise of the young bandmen and their director, Bill Parks. It's a big start toward the development of the kind of high school bands that bring home sweepstakes awards from the year-end contests.

Getting Out On The Limb

by EDDIE the editor

SUDDEN THOUGHT: You don't need money to be happy . . . you can have a screw loose.

One of the tempering influences in resisting temptation is that it may never come again.

THE WOMEN, GOD LOVE 'EM! Woman is what man marries. Women have two hands, two feet, and always too many ideas. Someone once described a woman as "a rag, a bone and a hank of hair," but I have a feeling that he didn't live long after making that remark!

Women spend fabulous sums of money on what it pleases them to call "hats," and the nearer these hats resemble the sink strainer or grandmother's feather duster, the more they apparently appeal to the feminine heart.

A woman will fuss at a man because he keeps so much junk in his desk drawers, but the purse she carries with her wherever she goes bulges with a more miscellaneous accumulation of cosmetics, theater tickets, laundry and grocery lists, keys, letters, hairpins, souvenirs and trinkets than would fill two desks. She considers it her sacred duty to clean up a man's desk and rearrange his various stacks of papers which were filed according to his own decimal system until that decimal system has been thrice removed and he can't find a thing; but she glories in the chaos of her pocketbook.

Generally speaking, women may be divided into four classes: wives, widows, old maids and career gals. The difference between the latter two is that the old maid is resigned to her fate and divides her time between concocting herb soups which she forces on sick brothers-in-law and spoiling her married sister's kids. The career gal dons a sophisticated veneer, gets herself a better job than "the man she didn't get," and proceeds to prove to herself and the man that she gets enough out of living from nine to five.

Before a woman marries, she agrees to everything you say. Afterward she still agrees to everything you say, providing you are saying, "Yes, dear."

If you don't pay attention to her, she thinks she is neglected or that you are interested in someone else. If you do flood with attentiveness, she suspects you of "covering up." If you forget her birthday, she tells you what a terrible memory you have and her whole day is ruined. If you remember it, she wonders who reminded you and says you shouldn't have spent so much money in flowers when what she really needed was hose.

Marrying a woman is more of a gamble than any other form of lottery ever invented, which is probably why it is such a popular institution. And the cosmetic manufacturers and beauty parlors have made it even more of a gamble. You can never tell if that vision of loveliness of your courtship days will be what you'll see at the breakfast table after the vows have been made.

But if you are just an ordinary better wage-earner than anyone in her circle, a lover comparable to movie heroes, handsome enough so that all her woman friends sigh over you, but such a model of virtue that you never even notice them; if you turn your pay check over to her to do with as she pleases, make her plans your only plans, never forget to comment on her latest hairdo or dress, never complain if the steak is burned, or that you don't have a steak to be burned, or that you are fastening your shirts with safety-pins—in short, if you are a dream-come-true to all maidens, you can pick your woman and make her happy.

But if you are just an ordinary guy, you'll still get some woman to get you to propose to her, and she'll have the time of her life for the rest of your life, trying to make you over.

You aren't really old until nothing is fun enough to make you forget the weather.

If we could purchase mental erasers, we wouldn't need psychiatrists.

Exasperated Wife: "The night before last you came home yesterday, and last night you came home today. If you come home this afternoon tomorrow, I'll go home to mother!"

DRESSED COMMENTS — According to James Laver's "Taste and Fashion," a G. G. Harrup & Co. Ltd. publication, a woman regards the same dress as:

- Indecent—10 years before its time.
- Shameless—5 years before its time.
- Daring—1 year before its time.
- Smart—Right now.
- Dowdy—1 year after its time.
- HIDEOUS—10 years after its time.
- Ridiculous—20 years after its time.
- Amusing—30 years after its time.
- Quaint—50 years after its time.

THE AMERICAN WAY,

Our Contemporaries Are Saying

Famous Saying Benjamin Franklin once said: "When men are employed they are best contented; for on the days they work they are good-natured and cheerful, and, with the consciousness of having done a good day's work, they spend the evening merrily. But on idle days they are mutinous and quarrelsome."—The Lockney Beacon.

Universal Solvent A smile is the universal solvent. Its physical components are so powerful as to dissolve even a flint heart; to destroy an unspoken word of anger.—Matador Tribune.

Does A Good Job Several times before the lamented second primary election this newspaper suggested our governor break into the movies to give the whole world the benefit of his good looks and histrionics. Last week it appeared he took this one piece of advice, and will play himself in a forthcoming movie. We don't know anything about the picture, but we congratulate the casting department—he plays himself better than anyone we know.—The Balls Banner.

Watsons Adopt Son Coach and Mrs. Preston Watson are the proud parents of a 10-year-old blond-headed, blue-gray-eyed son. The coach and his wife adopted Dickie Sullivan from an uncle in Spur. His parents are deceased. Mrs. Watson said her greatest thrill was when Dickie decided to call them mother and daddy. Dickie Sullivan, Watson has decided to be a football player and goes out for practice with his father each day. Although a Spur Bulldog fan, he says he will

Charming—70 years after its time. Romantic—100 years after its time. Beautiful—150 years after its time.

WITH THE WORLD'S Series still fresh in most people's minds, this item should prove of interest: Babe Ruth hit 714 home runs during his baseball career—more than any other player in the game. But few fans may know that the great Ruth had more failures than any other star player. He was struck out 1,330 times. Thirty of the strikeouts were in World's Series games. But unless he was in there swinging for the fences, he couldn't have left a total of 33 achievement records for his followers to shoot at.

In baseball as in anything else, we can't see records without trying—and sometimes making mistakes.

Next Week: "Trade-outs." Variants of these and similar rhymes will be recorded in the permanent collection of Mother Goose in Texas, if sent to Ray Wood, Raywood, Texas. Copyright 1954, by Ray Wood.

William Trembletoe is a good fisherman; Catches fish—puts 'em in a dish; Catches hens—puts 'em in pens; Some lay eggs—some lay none. Perhaps some reader can carry it on from there. Whatever may have been the origin of this, one of the oldest and best known of American child rhymes, my research has not revealed. I have not found it in any of the Mother Goose books I have examined, so I conclude it is an American invention. Early comers to Texas brought it from their home states and taught it to their children, but it is truly in the Mother Goose tradition. It was used as "counting out," not for any particular game, but just for the fun of it. Another well-known counting out rhyme which seems to have originated in the old country, but is well known to American children is:

Earle, oarle, eekerie, Ann; Filson, folson, Nicholas, John; Queezy, quavy, English navy, Stiecklum, starklum, buck.

Next Week: "Trade-outs." Variants of these and similar rhymes will be recorded in the permanent collection of Mother Goose in Texas, if sent to Ray Wood, Raywood, Texas. Copyright 1954, by Ray Wood.

BOB COLLIER - DRUGGIST

15 FFA Members To Participate In Funds Supplied By Santa Fe

Fifteen outstanding Texas Future Farmers of America have been named by George Hurt, acting State Director of Vocational Education, Austin, to participate in funds supplied by the Santa Fe Railway for the educational program conducted by the Texas Association of Future Farmers of America.

Five of these are from the Panhandle and South Plains. They are Norman Tueck, Canyon; Don Wisdom, Quanah; George Harris, Lubbock; Bud Hale, Lamesa; and Duane Lewis, Brownfield.

Vannoy Stewart, acting chief consultant for Texas FFA, Austin, has announced that the Santa Fe grant of \$2,125 will be used toward defraying some of the expenses of the selected group and their leaders to attend the National FFA Convention in Kansas City, Oct. 11-14.

These young people were selected for convention participation on the basis of leadership, scholarship and development of home farming projects under FFA auspices.

For 27 years the Santa Fe has supported FFA work in the states served by the railroad. In addition to this year's unrestricted donation in the states of Illinois, Missouri, Kansas, Oklahoma, Texas, Colorado, New Mexico, Arizona and California, for use by each state, the Santa Fe has made a donation of \$2,000 to the National FFA Foundation toward the furtherance of the national activities of that group.

The Santa Fe will honor recipients of their award funds, state leaders, national agricultural officials and farm press, radio and TV agricultural experts participating in this program with a dinner at the Muehlebach Hotel, Kansas City, Oct. 12.

SS Representative On Regular Visit

A representative of the Social Security field office in Lubbock is at the district courtroom in Post today for the purpose of offering assistance in all matters pertaining to social security.

Beginning next year, the new law makes it possible for all beneficiaries on the social security rolls to earn up to \$1,200 a year without losing benefits for any months. The earnings test for both the employed and the self-employed recipients of old age and survivors insurance benefits is the same. Under the 1954 Amendment to the Social Security Act, those who receive wages as well as those who work for themselves will have their income judged on a yearly basis after this year. The old law judged only the self-employed beneficiaries on a yearly basis. Employed workers lost a month's benefits for every month in which they made over \$75.

After 1954, both employed and self-employed men and women who are receiving their social security payments may make as much as \$400 in three months without losing benefits for that year. (Under the old law a semi-retired worker who took a seasonal job which paid him \$400 in three months would have lost benefits for those three months.) Or a beneficiary could work throughout the year at a part-time job and make \$105 a month. He would lose benefits for only one month in the entire year. (Under the old law the employed person would have lost benefits for the entire year.) For every \$80 over \$1,200 earned by the self-employed or the employed beneficiary, he will lose one

'The Command' Story Of Early Frontier

"The Command" in Warner Color, shows Friday and Saturday at the Tower Theatre. This story of the American frontier stars Guy Madison, Joan Weldon and James Whitmore.

The supporting cast, which reaches into the hundreds, is headed by Harvey Lembeck, who served so nobly in "Stalag 17" as "Sugar Lips" Shapiro.

"The Command" was filmed on location in the rugged mountains of California. The story concerns the plight of a troop of cavalry when the ranking field officer is killed and the command falls to an able though inexperienced medical officer played by Guy Madison.

His task of protecting the settlers of the Wyoming territory from a savage onslaught is made complex by the necessity of proving himself worthy to his men and to Joan Weldon, the woman he loves.

Post Man To Judge At Plainview Fair

George (Scotty) Samson will judge individual and community exhibits this weekend at the annual Hale County Fair in Plainview. He was agricultural department superintendent of the Panhandle-South Plains Fair held last week in Lubbock.

Attendance at this year's Hale County Fair is expected to exceed last year's 15,000 figure, officials say. The fair is to be held Thursday, Friday and Saturday.

You're no idea how easy... how fast... how economical your cotton harvest can be until you put a John Deere Two-Row Cotton Harvester to work in your fields.

The John Deere does a once-over job on any cotton suitable for mechanical stripping drilled in 40-inch rows. Two men make up your crew... time is cut to a fraction of hand-pulling harvests... and the entire job is done for as little as \$2 per bale. See us for details.

In its first year, millions of motorists have proved the benefits of

Conoco Super Gasoline with TCP

Now let these five "full-year-users" tell you what they have discovered about

The Greatest Gasoline Development in 31 Years

Little more than a year ago, we introduced Conoco Super Gasoline with TCP. At that time, we promised owners of new cars and old that TCP would:

- Boost engine power as much as 15%.
- Give you extra gas mileage.
- Be just like an engine tune-up.
- Increase spark-plug life up to 150%.
- Let you enjoy all the extra performance of Conoco Super's higher-octane rating.

Now, one year later, here's what TCP customers are telling us about Conoco Super Gasoline with TCP, the greatest gasoline development in 31 years:

1 "I use this 1951 Plymouth, and my wife, our 1949 DeSoto. Since using Conoco Super with TCP, they run almost like new. The engines sound better. We're sold on Conoco Super with TCP."

Mr. Shirl R. Thomas, Greer
280 South 10th West, Salt Lake City, Utah

2 "Spark plugs used to go at 5,000 miles, but with Conoco Super I haven't changed plugs in 10,000 miles. I'm getting new car power from my 1951 Buick. Conoco Super with TCP is OK!"

Mr. Umer J. Newman, Insurance Salesman
2562 West Jefferson Blvd., Dallas, Texas

3 "What I like about Conoco Super with TCP has been the ease of starting. I use it in my trucks because it's important to be on time. In my '52 Cadillac, I get better mileage."

Mr. Robert M. Rowland, Builder
1185 Empire Street, Aurora, Colorado

4 "For one year, we've used Conoco Super Gasoline with TCP in 12 trucks and 5 cars, besides this 1953 Oldsmobile. It boosts engine power and gets more miles out of each gallon."

Mr. T. P. McDams, Jr.
Vice-President, McDams Oil Equipment Enterprises
308 East 9th Street, Bristol, Oklahoma

5 "Driving with my children in the car, it's important to have our 1953 Packard run smoothly. Since using Conoco Super with TCP, there's no engine chatter at all. We're most impressed!"

Mrs. James T. Cox, Housewife
4808 Holly Street, Dallas, Texas

CONOCO

After one full year, there's still no substitute for

Conoco Super Gasoline with TCP

The first power-producing public utility was built in New York City in 1882.

Public Notice

STATE OF TEXAS
COUNTY OF HALE
Before me, the undersigned authority, a Notary Public in and for Hale County, Texas, on this day personally appeared Vernon Griffin, who after being duly sworn upon his oath, says as follows:

My name is Vernon Griffin, I live in Plainview, Texas. On September 13, 1954, I married Willa Mae Sanford at Clovis, New Mexico and we separated on September 19, 1954. After my wife and I separated, I did not know where she was and since she had told me that her home at one time had been Post, Texas, I went to Post, Texas to try to determine where she was. I inquired for her at Post, Texas, and in making my inquiries, I described her physical characteristics. The physical characteristics of my wife, Willa Mae Griffin and those of Mrs. Willie Mae Howell, nee Willie Mae Nelson are very much the same and because of the similarity in names and the similarity of physical description, the people who I inquired from mistakenly assumed that I was inquiring for Mrs. Willie Mae Howell.
I have seen Mrs. Willie Mae Howell and she is not the person who I married but does have the same physical characteristics and looks very much like the Willa Mae Sanford that I married.
If my inquiry for my wife in and around Post, Texas, has caused any misunderstanding or embarrassment to Willie Mae Howell, I am very sorry and herewith tender my apology to her, her husband and her family.
Witness my hand at Plainview, Texas, on this the 5th day of October, 1954.

INSTALLED—Harlan Powell was installed as president of the Texas Society for Crippled Children in Fort Worth Oct. 2 at the 17th annual meeting of the Society. He succeeds H. L. McGurk of Fort Worth as the leading official of the Easter Seal organization. His term of office is for one year.

Recent guests of Roy Upchurch were his brother and family, Mr. and Mrs. Thomas Upchurch and baby, of Crosbyton.

Mrs. Beggs' Parents Are Honored With Open House Sunday

Mr. and Mrs. J. W. Berry of Snyder, parents of Mrs. J. W. Beggs, celebrated their 60th wedding anniversary with open house at their home Sunday. The only living member of their wedding party, Mrs. D. J. Berry of Fort Worth, was present.

The couple was married Sept. 30, 1894 in Johnson County in the home of the bride's parents. They lived in Grandview for four years before moving to West Texas. They settled in Scurry County in 1900 and resided on a farm until 10 years ago when they moved into Snyder.

The Berrys have eight children, 21 grandchildren and 2 great-grandchildren.

More than 100 guests called during the open house.

Mrs. Davis' Home Is Scene Of Club

"Our National Characteristics" was the theme for yesterday afternoon's meeting of the Woman's Culture Club at the home of Mrs. W. L. Davis. Mrs. Connie Caylor was cohostess. The program was presented by Mrs. Tillman Jones, Mrs. Lee Davis and Miss Maxine Durrett, club president, who also presided over the business session.

Attending were two new members, Mrs. K. Stoker and Mrs. Victor Hudman. Mrs. Davis, Mrs. Jones, Miss Durrett, Mrs. Charlie Gates, Mrs. J. P. Manly, Mrs. Ellis Mills, Mrs. Roy Shahan, Mrs. E. S. Stewart, Mrs. Cecil Thaxton, Mrs. Ralph Welch, Mrs. D. C. Williams and the hostesses.

Refreshments were served to Mrs. Ray, Mrs. Charles Propst, Miss Jane Stephenson, Mrs. Jess Cornell, Miss Maxine Durrett, Mrs. Wallace Simpson, Mrs. Blackburn, Mrs. Jimmy Hundley, Mrs. Burney Francis, Mrs. Max Gordon, Miss Ganell Babb and the hostess.

P-T-A Will Meet At Grade School Oct. 14

The Parent-Teacher Association will meet at 3 o'clock Oct. 14, in the grade school auditorium. "In Order to Form a More Perfect Union Between Home and School" will be the theme for the day. The theme for the year is "We The People."

Mrs. Victor Hudman will preside over the business session, followed by a program by Mrs. O. G. Hamilton.

Look Who's New

A daughter, Debra Lee, was born to Mr. and Mrs. Lee Proctor of Levelland at 4:20 a. m. Oct. 3, in Garza Memorial Hospital. She weighed six pounds and 15 ounces. Mr. and Mrs. Buster Moreland are the maternal grandparents.

Dismissed Mrs. Nelson Clark and baby. Mrs. Tommy Zumalt (treated and released).

Mrs. S. C. Storie, Jr. Angelita Garcia. Walter Byrd. Janie Smith (treated and released).

Mrs. Beggs' Parents Are Honored With Open House Sunday

Mr. and Mrs. J. W. Berry of Snyder, parents of Mrs. J. W. Beggs, celebrated their 60th wedding anniversary with open house at their home Sunday. The only living member of their wedding party, Mrs. D. J. Berry of Fort Worth, was present.

The couple was married Sept. 30, 1894 in Johnson County in the home of the bride's parents. They lived in Grandview for four years before moving to West Texas. They settled in Scurry County in 1900 and resided on a farm until 10 years ago when they moved into Snyder.

The Berrys have eight children, 21 grandchildren and 2 great-grandchildren.

More than 100 guests called during the open house.

Mrs. Davis' Home Is Scene Of Club

"Our National Characteristics" was the theme for yesterday afternoon's meeting of the Woman's Culture Club at the home of Mrs. W. L. Davis. Mrs. Connie Caylor was cohostess. The program was presented by Mrs. Tillman Jones, Mrs. Lee Davis and Miss Maxine Durrett, club president, who also presided over the business session.

Attending were two new members, Mrs. K. Stoker and Mrs. Victor Hudman. Mrs. Davis, Mrs. Jones, Miss Durrett, Mrs. Charlie Gates, Mrs. J. P. Manly, Mrs. Ellis Mills, Mrs. Roy Shahan, Mrs. E. S. Stewart, Mrs. Cecil Thaxton, Mrs. Ralph Welch, Mrs. D. C. Williams and the hostesses.

Refreshments were served to Mrs. Ray, Mrs. Charles Propst, Miss Jane Stephenson, Mrs. Jess Cornell, Miss Maxine Durrett, Mrs. Wallace Simpson, Mrs. Blackburn, Mrs. Jimmy Hundley, Mrs. Burney Francis, Mrs. Max Gordon, Miss Ganell Babb and the hostess.

Mrs. Bingham Is Sorority Hostess

Mrs. Bing Bingham was hostess for a meeting of Mu Alpha Chapter of Beta Sigma Phi Sorority in her home Monday evening.

Mrs. Vernon Ray presided over the business session, during which plans for the rushing season were completed. Mrs. Gerald Blackburn had charge of the program on "Speech."

Refreshments were served to Mrs. Ray, Mrs. Charles Propst, Miss Jane Stephenson, Mrs. Jess Cornell, Miss Maxine Durrett, Mrs. Wallace Simpson, Mrs. Blackburn, Mrs. Jimmy Hundley, Mrs. Burney Francis, Mrs. Max Gordon, Miss Ganell Babb and the hostess.

Mrs. Charles Gates was hostess for a meeting of the WSCS Monday afternoon in her home. Mrs. J. E. Parker gave the devotional and Mrs. J. R. Durrett gave a talk on the Fourth Assembly of the WSCS, held in Milwaukee, Wis. in May. Those present were Mrs. Ellis Mills, Mrs. T. L. Jones, Mrs. Cecil Ramsey, Mrs. R. J. Jennings, Mrs. R. H. Collier, Mrs. T. R. Greenfield, Mrs. N. W. Stone, Mrs. Jess Rogers, Mrs. Parker, Mrs. Durrett and Mrs. Gates.

A Training Union Revival will be held at the First Baptist Church beginning Monday evening. Mrs. John McLean and Miss Ethel Hamilton of the State Training Union department of Dallas will conduct the study course.

The Mary-Martha Sunday School Class of the Methodist Church enjoyed a party last Wednesday afternoon in the home of Mrs. R. H. Collier. Mrs. Jim Powers and Mrs. R. B. Tucker were cohostesses. Mrs. J. R. Durrett gave the devotional and Mrs. T. L. Jones talked on "The Life of Billy Graham." Attending were Mrs. J. E. Rogers, Mrs. T. R. Greenfield, Mrs. Fred Robinson, Mrs. Carl Clark, Mrs. S. W. McCrary, Mrs. Charles Gates, Mrs. Durrett, Mrs. Jones and the hostesses.

4C'S WILL MEET
The Cloze City Community Club will meet Oct. 12 for a 42 party. Each family is asked to bring a pie, which will be served with coffee. Games for the youngsters will be planned.

Weekend visitors in the home of Mr. and Mrs. Belyeu were Mr. and Mrs. Al Mitchell and children of Southland. Mr. and Mrs. Mack McLain and son of Ballis and Mr. and Mrs. Buzzy Odum.

Mrs. J. R. Kiker and her mother, Mrs. T. E. Fortune, returned from Amarillo Tuesday after attending funeral services for a relative, Ed Johnson.

Mr. and Mrs. Dee Hodges and children and Mrs. E. L. Gilmore visited in Abernathy Sunday with Mr. and Mrs. W. A. Waters. Mrs. Gilmore remained for a longer visit.

Mrs. W. J. Tubbs left Tuesday for Richmond, Va., to visit relatives. On Oct. 23, she will attend the wedding of her niece, Miss Nannie Gordon-Rennie.

Church News

Scripture
Beloved, let us love one another; for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love. In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him. Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins. Beloved, if God so loved us, we ought also to love one another. No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us. Hereby know we that we dwell in him, and he in us, because he hath given us of his Spirit, and we have seen and do testify that the Father sent the Son to be the Saviour of the world. Whosoever shall confess that Jesus is the Son of God, God dwelleth in him and he in God, 1 John 4: 7-13.

The Rev. C. J. McCarty of Lubbock will speak at the First Baptist Church Sunday morning and evening, while the pastor, the Rev. Roy Shahan is conducting a revival at the Trinity Baptist Church in Lubbock.

A large crowd attended the fellowship meeting and supper at the Methodist Church Monday evening. Following group singing, Mrs. Edsel Cross directed a program.

Sunday is "Layman's Day" at Calvary Baptist Church. Men will reach all the Sunday School classes, sing in the choir and have charge of all phases of the service.

Mrs. Charles Gates was hostess for a meeting of the WSCS Monday afternoon in her home. Mrs. J. E. Parker gave the devotional and Mrs. J. R. Durrett gave a talk on the Fourth Assembly of the WSCS, held in Milwaukee, Wis. in May. Those present were Mrs. Ellis Mills, Mrs. T. L. Jones, Mrs. Cecil Ramsey, Mrs. R. J. Jennings, Mrs. R. H. Large Crowds Are Visiting Cafeteria

E. E. Pierce, school cafeteria manager, reports that large crowds are eating at the lunchroom this week, which was recently designated "get acquainted with your school cafeteria week." Monday's attendance was 300, Tuesday's, 301 and yesterday's, 339. Average daily attendance is 280.

A contest is under way between the classes with awards to be presented to the one who has the most friends and parents visit the cafeteria this week. In the primary division, Miss Bonnie McMahon's room, 2C, is leading with 11. In the elementary grades, Mrs. Lillie Kitchen's room, 4B, is ahead with 14 and in the high school, the sophomores, sponsored by Roy Morrison and E. F. Schmedt, are leading with 19.

Monday: Tamales, mashed potatoes, cabbage and apple salad, bread, ½ pint milk, spice cake squares with orange icing.

Tuesday: Sliced ham, candied potatoes, blackeyed peas, hot rolls and butter, ½ pint milk, peach jelly.

Wednesday: Salmon croquettes, catsup, cream style corn, tossed salad, bread, ½ pint milk, apple-orange crumble.

Thursday: Barbecued beef on buns, lima beans, bread, ½ pint milk, peanut butter cookies.

Friday: Meat loaf, green beans, Harvard beets, bread, ½ pint milk, pineapple pudding.

Mrs. Herbert Walls Is Feted At Shower

Mrs. Herbert Walls was complimented at a layette shower Saturday evening in the home of Mrs. Charlie Brown. Mrs. Buster Shumard was cohostess.

Games were played and refreshments were served to 24 guests.

PARTY HONOREE

Mrs. Lyda (Pooner) Odum, Jr., was honored at a layette shower Tuesday evening in the home of Mrs. Roy Holly.

MERRYMAKERS TO MEET

The Merry-makers Club will meet Oct. 12 with Mrs. J. F. Storie. Everyone is asked to remember her club pal who will have a birthday or anniversary between now and Christmas.

BITS-OF-NEWS

Guests in the home of Mr. and Mrs. L. O. Ticer over the weekend were Mr. and Mrs. Stanley Nixon, students in Howard Payne College, Brownwood, Miss Billie Joyce Ticer, a Tech student, and Miss Claudia Jean Ticer, who is teaching in Whiteface Junior High School.

Weekend visitors in the home of Mr. and Mrs. Belyeu were Mr. and Mrs. Al Mitchell and children of Southland. Mr. and Mrs. Mack McLain and son of Ballis and Mr. and Mrs. Buzzy Odum.

Mrs. J. R. Kiker and her mother, Mrs. T. E. Fortune, returned from Amarillo Tuesday after attending funeral services for a relative, Ed Johnson.

Mr. and Mrs. Dee Hodges and children and Mrs. E. L. Gilmore visited in Abernathy Sunday with Mr. and Mrs. W. A. Waters. Mrs. Gilmore remained for a longer visit.

Mrs. W. J. Tubbs left Tuesday for Richmond, Va., to visit relatives. On Oct. 23, she will attend the wedding of her niece, Miss Nannie Gordon-Rennie.

Mr. And Mrs. H. F. Anderson Observe Golden Wedding Oct. 17

Relatives and friends are invited to attend the 50th wedding anniversary celebration of Mr. and Mrs. H. F. Anderson on Oct. 17.

Open house honoring the couple will be at the First Baptist Church from 2 until five o'clock in the afternoon.

Mr. and Mrs. Anderson were married at Hanna, in Wise Co., and moved here in 1928. He retired Jan. 1 after serving as star mail carrier from Post to Brownfield for 19 years.

Bits of News From Here and There

Visiting in the Pete Walls home this week are her brother, Truman Goss and family of Snyder. Geneva, who had been visiting here, returned home with her family.

Mrs. L. G. Thuett, Sr., arrived home Thursday from Lubbock Methodist Hospital, where she recently underwent heart surgery.

J. T. Peddy returned home Friday after visiting in Lamesa and Big Spring. The A. A. Porter family of Big Spring brought him home and stayed overnight.

Mrs. Lilly Hubble returned home Friday from Slaton Mercy Hospital.

The Garza County Agricultural Stabilization and Conservation Service committee and Mike E. Custer, county ASC office manager, were in Lubbock last Thursday to attend a District 2 meeting on the 1955 cotton allotment program. Members of the Garza County ASC committee are Claude E. Spence, chairman; Will Wright, vice-chairman, and Avery Moore, Jr., member.

Building New Scout Camp Depends On Success Of Operating Funds Campaign

The South Plains Boy Scout Council has an 80-acre tract of land 10 miles northeast of Silverton in Briscoe County awaiting development—awaiting the funds to pay for the development.

The tract is known as Camp Haynes, given to the 20-county South Plains Council in 1942 by the late John Haynes in memory of his mother. The camp is located in a huge canyon area, beautiful because of the roughness of the terrain and because

of the contrasting coloring of trees and rocks. The Little Red River runs through the canyon and the Scout Council has a fine dam which has created an excellent water area for fishing and boating.

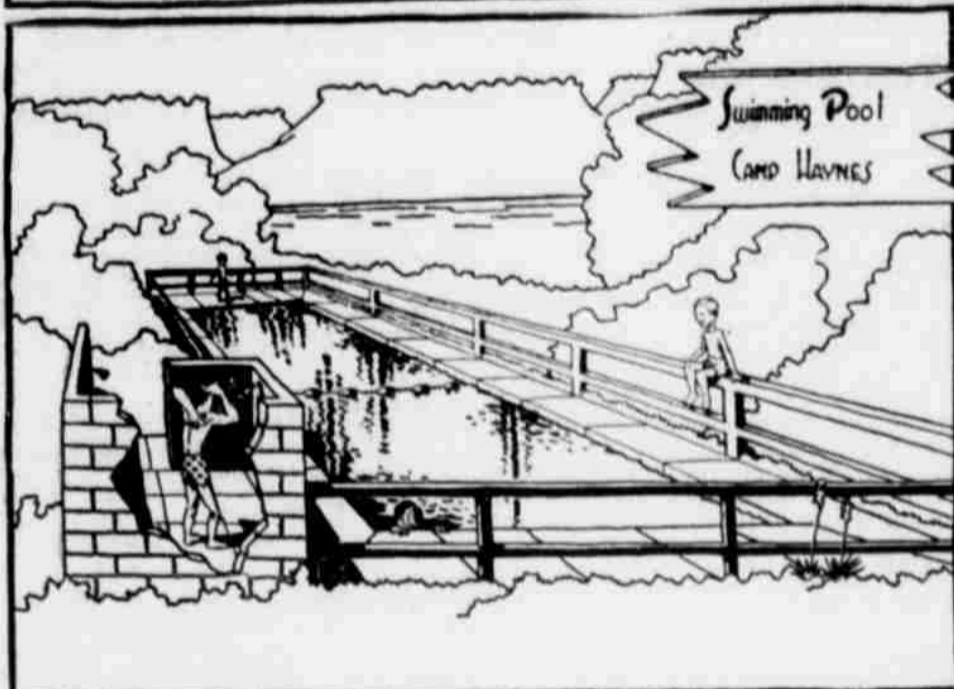

The camp will serve the boys of the Council as an advanced short term, overnight and weekend camping area. The plans for development call for three developed troop campsites, each capable of handling 36 Scouts and leaders at a time.

But the development will depend on the success of the annual campaign for operating funds in the 20-county area in October and November. The total construction cost is estimated conservatively at \$7,000 at the campsite. This figure will be included

in the Council's campaign for its regular operating budget this fall. Total campaign goal, according to Joe T. Salem, president of the South Plains Council, is \$100,000.

W. R. Sewell of Lubbock is chairman of the Council's finance committee; and Ray Mowery of Texas Tech is chairman of the overall operating and capital development part of the entire program.

Each of the three developed troop campsites will include a troop cabin 12 by 14 feet with

ANCHORS AWEIGH
NEWPORT NEWS, Va.—The anchor chains for the super carrier Forrestal are composed of 1,368 links each weighing 360 pounds. Port and starboard chains will each support a 60,000-pound anchor. Links are 2 feet, 4 1/2 inches long. It took about the same amount of time to forge the chains as to build a 2,000-ton destroyer.

VA Questions And Answers

Q. Is it possible to obtain additional Korean GI training allowances because I am supporting my parents? Or are the extra amounts limited only to married veterans?

A. It would be possible to obtain the higher rate of GI allowance if you are supporting your parents, and are single. They will have to fill out a VA form, "Statement of Dependency," which may be obtained at any VA office. You must submit a certified copy of the public record of your birth, or of the church record of your baptism.

Q. I want to study law under the Korean GI Bill. Would I be allowed to take a bar review course after I complete my college work?

A. Yes. On your application form, list "Lawyer" as your objective. And put down both "Bachelor of Laws degree" and "Bar Review Course" as your training program leading to the objective.

Q. A friend of mine is a totally and permanently disabled World War One veteran who is receiving an extra pension allowance because he needs regular aid and attendance of another person. He has just been admitted to a VA hospital. Will his extra allowance continue while he is hospitalized?

A. No. The higher pension rate for regular aid and attendance does not apply when the veteran is hospitalized by VA.

Q. Is it possible to get a loan on a GI term insurance policy?

A. No. A GI term insurance policy has no loan value. A GI permanent plan, on the other hand, does have loan value after it has been in effect for one year.

The first zoo in America was at Philadelphia in 1874.

NEEDS GAS—STEALS CAR
CORNISH, N. H.—Clifford Peterson, cooking breakfast in his home, saw his 1952 automobile being driven off across the field. Hurrying out to investigate, he found another car, also a 1952 model, had been left in his garage. Police said the car was out of gas and that apparently was the reason for the switch.

Mr. and Mrs. Warren Yancey have been vacationing in Utah.

HUMBLE BITS

Howdy Folks: In answer to a query, we suppose it's all right for a young lady to hold clandestine meetings with a young man who works in a bank, providing he isn't a teller and she doesn't lose her balance.

We heard of one gal who promised to marry a man after he had made his fortune. That isn't an engagement: it's an option.

And we read about another gal who said she was engaged to a man who just couldn't bear children.

Gosh, what does she expect from a husband, anyhow?

Well, as one woman later remarked, in war, an engagement is a battle. In love, it's a surrender.

But who are we to give advice to the love-lorn?

Our job is to supply you with the best in HUMBLE PRODUCTS.

"Blind Man's" Bluff

You know how Handy Turner down at the hardware store goes in for weird advertising stunts. Well, when it came to plugging his new Venetian blind department, his enthusiasm nearly landed him in trouble.

Handy painted a warning on the tailboard of his truck: "Caution—blind man driving."

"Had drives about a mile," Handy says, "when a state trooper stopped me and told me that sign might cause trouble. Guess he was right. From now on I'll advertise in the Clarion."

Copyright, 1954, United States Brewers Foundation

cement floor, provisions for cooking and small meetings. The troop cabins will be built in a rustic style out of quarter logs, which will blend with the rugged environment.

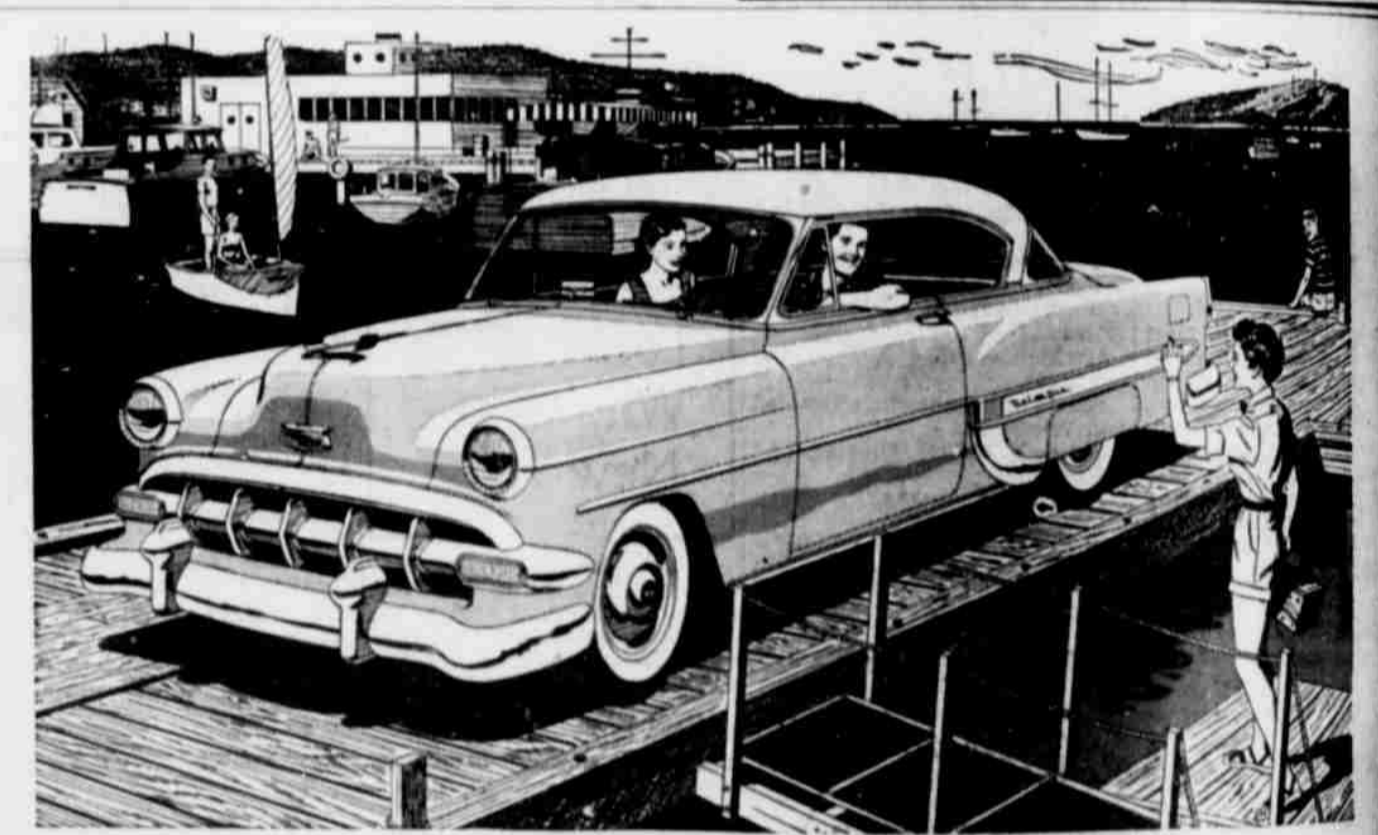

An adirondack shelter 9 by 14 feet for winter camping purposes will be included on each troop campsite. They will have concrete floors and will be constructed with quarter logs. Fireplaces for cooking and reflector heating will be on the open side of the shelter.

Troop washing and bathing and toilet facilities will be erected on each troop campsite. The troops will add, later on, flag poles and Council fire rings.

A large spring under a big cottonwood tree northeast of the dam has been boxed in cement. Water will be piped to an overhead storage tank to be chlorinated for drinking purposes. Pipes then will carry water to each troop campsite. Water from the springs will also be diverted through pipe to the new concrete swimming pool. The swimming pool will be 20 by 50 feet with water flowing through it continuously. A four-foot apron of cement will form a walk completely around the pool. A two-rail cement fence will surround the wall, thus enclosing the pool.

Ten by 10 foot bath house for dressing and showering will be located on one corner of the pool at the shallow end. The bath house will be of concrete block construction. The depth will range from three to seven feet. An eight-inch drain will provide the necessary drainage so that the floor and sides can be cleaned regularly.

An outdoor shelter 16 by 32 feet will provide an assembling area in case of a rain or for larger gathering and demonstrations. It will have a concrete floor and a pitched roof supported by five poles on each side. Provisions will also be made for an up-to-date rifle range with eight shooting stands and a field archery course.

You'll always (be glad you bought a Chevrolet!

And here are four good reasons why! You save when you buy — Chevrolet's the lowest-priced line of all — yet you save when you trade. You'll stay proud of Chevrolet's lasting good looks. Top Taking Harsh Drugs for Constipation

Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

Constitution, never take harsh drugs. They cause brutal cramps and griping, upset normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief by gentle laxative—without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Dr. Peppin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, assisting relief of temporary constipation every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach cramps that constipation often brings.

Dr. Caldwell's. Money back if satisfied. Mail bottle to Box 280, York 18, N. Y.

Southland News

Please Send News Not Later Than Monday to MRS. HARLEY MARTIN Southland Correspondent

Mr. and Mrs. Herb Self and Mr. and Mrs. W. A. Self of Fort Worth recently visited Mr. and Mrs. Earl Lancaster.

Travis Dabbs, a junior student at Texas Tech spent Saturday night with his parents, Mr. and Mrs. Herman Dabbs, and family.

Mr. and Mrs. Edward Moseley and Nedra, Mr. and Mrs. Son Basinger visited Mr. and Mrs. Jack Lancaster in Post Tuesday night.

Mr. and Mrs. Harley Martin and Tyra Jan are guests of his brother, Blanton Martin, and family at Spade.

Southland residents attending Lubbock funeral rites for W. A. Hamilton, a resident of this area for 39 years, were Mr. and Mrs. Hub Taylor, Aubrey McNeely, Harley Martin, Herman Dabbs, Sam Martin, Claud Spence, William Lester, Billy Edmunds, Martiny Edmunds and Howard and Virgil Smith. Services were conducted in Rix Chapel and burial was in Lubbock Cemetery.

Southland's six man football team defeated Spade 36-27 in the first home game of the season Friday night.

Dentists Of Area Attend Meeting

Dr. B. E. Young of Post was in Lubbock last weekend for the 17th annual meeting of the South Plains District Dental Society, which included two clinical meetings.

Speakers include Dr. Beryl Richey, secretary-treasurer of the Colorado Dental Foundation, and Dr. Joseph P. Weinmann, professor of pathology in the College of Dentistry and professor of oral pathology in the College of Medicine at the University of Illinois.

Mr. and Mrs. Bobby Leake and children of Lubbock were recent guests of his parents, the John Leakes.

Mr. and Mrs. W. Poindexter and children of Lubbock recently visited his parents, Mr. and Mrs. J. H. Poindexter.

A woman's study club has been organized at Hackberry and officers were elected as follows: Mrs. G. Taylor, president; Mrs. M. Jackson, vice-president; Mrs. Harley Martin, secretary and treasurer, and Mrs. T. Dabbs, program chairman. The group will select a name for the unit within the near future and meetings will be held twice monthly. Mrs. Barkley will be hostess for the next meeting at 2 p. m., Oct. 12.

Six Completions, Five Locations Listed In County's Oil Activity

Six completions and five locations are included in recent reports of oil activity in Garza County. The completions are as follows:

Justiceburg-Glorieta—Cecil Oil Corp. No. 1-A Reed, 330 feet from north and west lines of Section 117, Block 5, H&H Survey, pumped 151.8 barrels of 37.4-gravity oil plus 25 per cent water daily. Gas-oil ratio was 249-1. Perforations from 2,554-2,564 feet were acidized with 3,500 gallons.

Huntley-Glorieta — Edwin L. Cox No. 8-G Huntley, 1,237 feet from west and 2,450 from south lines of H. G. Brandon Survey, flowed 74.14 barrels of 37.6-gravity oil plus 0.1 per cent water daily through one-fourth-inch choke. Gas-oil ratio was 130-1. Perforations from 3,912-3,920 feet were not treated.

P. H. D.—Leland F. Long No. 4 C. R. Scott, 330 feet from south and west lines of Section 128, BS&F Survey, pumped 145 barrels of 38-gravity oil plus 2 per cent water daily. Gas-oil ratio was too small to measure. Open hole from 3,521-3,549 feet was acidized with 300 gallons.

Post—Sam G. Dunn No. 7 McCrary, 990 feet from west and 330 from south lines of the southwest quarter of Section 81, Block 5, GH&H Survey, pumped 48.4 barrels of 37.5-gravity oil plus 24 per cent water daily. Gas-oil ratio was nil. Open hole from 2,700-2,837 feet was acidized with 600 gallons.

Post—Sam G. Dunn No. 5 McCrary, 330 feet from south and east lines of the southwest quarter of Section 81, Block 5, GH&H Survey, pumped 48.99 barrels of 37.5-gravity oil plus 20 per cent water daily. Gas-oil ratio was nil. Open hole from 2,720-2,826 feet was acidized with 6,000 gallons and fractured with 10,000 gallons.

Huntley-Glorieta — Seaboard Oil Co. No. 4 B. D. Huntley, 330 feet from west and 2,023 feet from south lines of Section 1214, A-647, TTRR Survey, flowed 169 barrels of 37.1-gravity oil and no water daily through 20/64-inch choke. Gas-oil ratio was 365-1. Perforations from 3,860-3,865, 3,870-3,875, 3,882-3,885, and 3,915-3,929 feet were not treated.

Following are the new locations:

Huntley-3400—Seaboard Oil Co. No. 4-T B. D. Huntley, 2,023 feet from south and 330 from west lines of Section 1214, Block A-647, TTRR Survey, five miles northwest of Post, rotary to 4,200 feet, at once.

Wildcat—Headwaters Oil Corp. No. 1 S. C. Storie, 330 feet from north and west lines of Section 1303, EL&RR Survey, seven miles northwest of Post, rotary to 5,000 feet, at once.

Huntley-Glorieta — Continental Oil Co. No. 6-A Ted Shults, 330 feet from east and 1,143 from south lines of lease, also 330 feet west and 1,688 south of the northwest corner of Section 1216, TTRR Survey, but in Section 4, Horace Brannon Survey, four miles northwest of Post, rotary to 4,200 feet, at once.

Huntley-3400—Continental Oil Co. No. 5-A Ted Shults, 330 feet from east and 1,143 feet from south lines of lease, also 360 feet south and 1,261 east of the northeast corner of Section 1402, EL&RR Survey, but in Section 4, Horace Brannon Survey, four miles northwest of Post, rotary to 4,200 feet, at once.

Huntley-3400—Continental Oil Co. No. 7-A Ted Shults, 480 feet from east and 1,143 feet from south lines of lease, also 480 west and 1,688 south of the northwest corner of Section 1216, TTRR Survey, but in Section 4, Horace Brannon Survey, four miles northwest of Post, rotary to 4,500 feet, at once.

Lubbock Rites Held For Southland Man

Funeral services for William A. Hamilton, 79, of Southland, who died Thursday night in a Lubbock hospital, were conducted in Lubbock Saturday, with burial there.

Hamilton, a retired farmer, had lived in the Southland vicinity for 39 years, moving there from Collingsworth County.

He is survived by his wife; two sons, A. C. (Stumpy) Hamilton of Lubbock and H. E. Hamilton of Carmichael, Calif.; three grandchildren and one great-grandchild.

Cooking Electrically MAKES SPECIAL RECIPES EASY FOR THE ROBERTS FAMILY

3428 Julian Blvd., Amarillo, Texas

Says Mr. J. C. Roberts, "It's no trick at all to prepare my special Jambalaya in the well cooker of our electric range. I never worry about the results; they're always good. The family really goes for my Jambalaya, too."

MR. ROBERTS' RECIPE FOR JAMBALAYA

2 strips bacon, chopped
2 small onions, finely chopped
3 chicken bouillon cubes
2 cups water
2 tablespoons chopped green pepper
1 teaspoon salt
1 cup uncooked rice, washed
1 No. 2 can tomatoes
2 tablespoons chopped parsley
1 cup cooked shrimp

Sauté bacon, onion and pepper in deep-well cooker until onion is clear and bacon nearly crisp. Add bouillon cubes dissolved in the 2 cups of water. Add salt, rice and shrimp. Cover. Heat on HIGH until steam escapes. Turn switch to SIMMER and cook for 1 hour.

MRS. ROBERTS' RECIPE FOR SEVEN MINUTE ICING

1 1/2 cups sugar
3 egg whites
1/2 cup water
1/4 teaspoon cream of tartar
1 teaspoon vanilla
1/4 teaspoon salt

Combine all ingredients in two-quart sauce pan. Mix well. Place pan on small surface unit of electric range. Turn on medium heat. Beat ingredients with electric mixer for seven minutes or until ridges are made in the icing.

SUE ROBERTS' RECIPE FOR PIGS IN A BLANKET

6 wieners
12 strips of cheese
8 slices of bacon

Slice wieners in half lengthwise. Cut slit down center of each. Cut cheese in long strips 1/4 inch thick. Place a strip of cheese in the slit of each wiener. Wrap each wiener with 1/2 slice of bacon and secure with a toothpick. Place wieners on rack of broiler pan. Broil about 5 inches below the broiler unit until bacon is crisp. Turn and broil on other side until bacon is crisp. Serve immediately.

LETTIE ROBERTS' RECIPE FOR HERMITS

Mix together thoroughly
1/2 cup soft shortening
1 cup brown sugar
1 egg
1/2 cup cold coffee
1/2 cup oil
1/4 cup sifted flour
1/4 teaspoon soda
1/4 teaspoon nutmeg
1/4 teaspoon cinnamon

Mix in
1/4 cup raisins
1/4 cup broken nuts

Drop rounded teaspoonsful about 2 inches apart on lightly greased baking sheet. Bake at 400° F. for 8 to 10 minutes.

Says Sue Roberts, "The electric broiler works so well that it's easy to make teen-age snacks in just a few minutes." And, Lettie continues, "When I bake my cookies in the electric oven, they are always so good, never burned up, but real nice."

Early Mailing Of Yule Packages Overseas Urged By Postmaster

Christmas packages addressed to persons in the military service outside the continental United States again this year must be mailed between Oct. 15 and Nov. 15 if their delivery by Dec. 25 is to be assured. Postmaster Harold Voss announced Tuesday.

City Directory Plans Progress

Compilation of listings for the new directory to be published by the Post Lions Club was reported on by Victor Hudman at Tuesday night's regular weekly meeting of the club.

Hudman was appointed chairman of the directory committee at the meeting and, in turn, appointed J. N. Power as chairman of the directory advertising committee.

Most of the listings have already been compiled for the directory, but a number of new families have moved in and some residents have changed addresses since the compilation. These people are requested to contact Hudman or other members of the Lions Club and give their correct addresses.

The new directory will be the first published here since 1947 and members of the club hope to make it as complete and as authentic as possible.

Also at Tuesday night's meeting, Cliff Clark, Caprock Chevrolet, Inc., salesman, was introduced as a new member. Clark was a charter member of the club until a few years ago.

Accident Victim Leaves Hospital

Mrs. W. H. Childs of the Close City community, who received a head injury last Thursday afternoon when her automobile was struck by a truck, was dismissed Tuesday from Garza Memorial Hospital.

The accident occurred about 5 p. m. as Mrs. Childs drove her automobile across U. S. Highway 380, nine miles west of Post. The car was struck by a T. E. Mercer truck driven by Howard Faulkner of Gladewater.

Investigating officers said Mrs. Childs' automobile was flipped over onto its side and then landed upright after being struck by the truck. Officers said it appeared to be a case of neither driver seeing the other vehicle in time to avert a collision.

Mrs. Childs was en route to the home of her father-in-law to pick up her daughter who was visiting there.

BAD LUCK TO HIM

DETROIT, Mich.—A thief stole all 13 electric clocks from the Trowbridge school walls.

Homecoming Plans Well Under Way

Ex-students of Post High School are reminded this week that Oct. 15 is the deadline for payment of dues in order to be eligible for participation in homecoming activities here Oct. 22.

The dues, which are \$1 a year, may be paid at the First National Bank to Miss Pearl Craig, secretary of the association.

Husbands or wives of Post High School graduates also are eligible for membership in the Ex-Students Association upon payment of the \$1 membership fee.

V. L. (Punk) Peel, president of the association, said Wednesday that approximately 1,000 invitations have been mailed to ex-students.

Homecoming activities will include a business meeting at 4 p. m. in the high school gym, a dinner at 6 o'clock, and the Post-Tahoka football game at 8 o'clock.

Committee Names Peel As Nominee

E. E. Peel was certified as Democratic candidate for Precinct 2 commissioner of Garza County at a meeting of the county Democratic executive committee Saturday in the office of T. R. Greenfield, chairman.

Peel's name will appear on the Nov. 6 general election ballot. He was appointed several weeks ago to complete the unexpired term of L. E. (Buck) Gossett, who resigned to accept the position of administrator at Garza County Memorial Hospital.

Gossett was re-nominated in the Democratic primary elections. His resignation was accepted by the executive committee preceding Peel's appointment.

Greenfield said all but two of the county's precinct chairmen attended Saturday's meeting.

Concert Tickets

(Continued From Front Page) most versatile concert ensemble. Around the world with music—that's their program.

The group always opens with Brahe's "Bless This House." Thereafter, various men members of the company are featured in such selections as "The Donkey Serenade," "The Rosary," "Hawaiian War Chant," "Tico Tico," "Nobody Knows the Trouble I've Seen," "Elli Elli," "Summertime," "Night and Day," "Drums of Egypt," "The Song of India," and many others. Carrie Jacobs Bond's "I Love You Truly" is their theme song.

All are presented with special arrangements by Dungill and with telling drum effects.

More than singers and instrumentalists, the Dungill Company are top-flight entertainers and make up the greatest family novelty on the concert platform today.

To be presented early in January is Anauta, said to be the only Eskimo woman on the American platform. A native of Ruffin Land and author of "Land of the Good Shadows," she describes the way her people live and tells many amusing stories of the country.

Scheduled for presentation early in March are Hansen and DeBell, duo pianists, who will bring their own matched seven-foot Steinway pianos.

Another concert artist, who may be presented at any time during the concert season, is Josephine Antaine, leading lyric soprano of concert, opera, radio and television.

Faculty Change Is Made At Graham

Mrs. D. C. Applin, wife of Post's school superintendent, has been employed as principal and teacher at the Graham Rural School to replace G. L. Hamer, who resigned.

Hamer had been at the Graham school since the opening of the term. His wife is continuing in her teaching duties there.

State School Funds Are Received Here

A \$4 per scholastic apportionment of state school funds, amounting to \$508, was received by Garza County Sept. 27, according to County Supt. Dean A. Robinson.

Also received recently by county schools were \$650 salary and operational funds and \$2,272 transportation aid funds.

ACCIDENTAL HUNTERS

CLARKSVILLE, Ark.—An automobile occupied by Eugene Steel, 19, and Richard Bridges, 17, left the highway and rolled over and over for more than 200 feet. The only casualty was a rabbit struck and killed about 130 feet from the highway.

Main Street

(Continued From Front Page) a check-up. He is the fellow who can give it the "works."

Get more "go" on a gallon of gas. You can do just that, says Noah Stone if you give your car a periodic, scientific tune-up. Mechanics at POST AUTO SUPPLY are thoroughly experienced and equipment is latest. Folks there will give you an A-1 job every day.

That LOWELL SHORT takes the prize for hitting the nail on the head every time. If you don't think so, be sure and read SHORT HARDWARE ad this week. When you need hardware, think of Lowell and Lillie. They will find what you need.

Lay-Away-Plan is being offered at POST WALGREEN DRUG. With this new service we will all be able to get our Christmas shopping started in earnest. This firm has just unpacked a new shipment of electric mixers, toasters, shavers and lighters. All these gifts head the Christmas Shopping list of many a person, so see and select gifts early by using the Lay-Away-Plan being offered by Jake and Aiva at POST WALGREEN DRUG.

Dearborn Heaters are the answer to "beating the man winter to the punch," advises James Minor, manager of MASON & COMPANY. The store is filled with all sizes of the popular heaters and you will find them at a price range to fit your budget. "The main thing is buy now while the selection is best complete," said James.

HAWES FRIENDLY SHOES is advertising Miracle-Tread shoes in this issue of the Post Dispatch. Mr. Hawes is featuring the choice pump and smart casual in his ad. You'll find the price he is advertising below your expectation.

"In cold weather, too . . . before you look at ease . . . you've got to feel at ease . . . wear the one-and-only Jockey brand longs," is the caption on Herring's ad appearing in this issue of the Post Dispatch. Read Cooper's ad then go down to Herring's and lay in your winter supply of Jockeys.

Enrollment

(Continued From Front Page) day stood at 954—329 in high school, 595 in grade school and 30 in the Negro school.

Enrollment in both the grade school and Negro school is expected to increase after the peak of the cotton harvest season. A number of Latin-American and Negro pupils are engaged in the harvest.

Enrollment by grades Wednesday in the grade school, as reported by Principal Ellis M. Mills, was as follows:

First, 100; 2nd, 121; 3rd, 79; 4th, 72; 5th, 71; 6th, 80; 7th, 72.

A snool of thread is known as a "reel of cotton" in England.

RECIPE OF THE WEEK

By Mary Lee Taylor
All-Star Cling Peach Whip

1 cup Pe Evaporated Milk
12 marshmallows, finely cut
2 1/2 tablespoons finely cut marachino cherries
1/2 cup finely cut, unsteamed nuts
1/4 cup sugar
No. 249 can cling peach slices
1 teaspoon softened plain cut marachino cherries
1/4 cup orange juice
2 Tablespoons lemon juice

Chill milk in ice cube tray of refrigerator until ice crystals begin to form around edges. Put into a large bowl the marshmallows, cherries, nuts and sugar. Drain peaches well and save juice. Slice 10 peach slices. Dice rest of peaches into marshmallow mixture. Soften gelatin in orange juice in a measuring cup. Heat 1/2 cup peach juice to boiling. Remove from heat. Add softened gelatin and stir until gelatin dissolves. Then stir into peach mixture in bowl. Chill. Put ice cold milk into a cold quart bowl. Whip with cold rotary beater by hand or with electric beater at high speed, until fluffy. Add lemon juice and whip until stiff. Fold whipped milk into cold peach mixture. Garnish top with peach slices. Keep chilled. Makes 6 servings.

Post's Jack Kirkpatrick in quarterbacking this season's Red Raider eleven.

Post And Slaton Teams Tie, 0-0

The Post and Slaton junior high school football teams battled to a scoreless deadlock here last Thursday night, with the junior Antelopes having the edge in the statistics.

On two drives, one in the first half and one in the second, Post drove to the Slaton 12-yard line, but each time the visitors held.

The sweeping end runs of Post halfback Charles Morris featured the junior Antelopes' attack. Although hampered by a foot injury, Morris made several sparkling gains on wide end runs after taking pitchouts from Quarterback Sidney Hart.

Once, in the second quarter, Herbie Hays, Post back, punted 37 yards out of bounds on the Slaton three-yard line.

The Post Dispatch

THURSDAY, OCTOBER 7, 1954

Post Freshmen Defeat Slaton, 20-6, In Abbreviated Tilt Here Thursday

In a game cut short in the fourth quarter by an outbreak of extra-curricular activities, the Post freshman football team defeated the Slaton freshmen, 20 to 6, here last Thursday night.

Tempers flared shortly after Slaton kicked off to Post following their fourth quarter touchdown, and Maurice Kerr, visiting coach, pulled his team off the field after it appeared that things might get "out of hand."

Post's first touchdown came in the opening quarter when Half-

back Don Ammons swung wide around his right end for 10 yards. Quarterback Noel Don Norman plunged for the extra point.

The Antelopes drove 45 yards for the touchdown after Guard Ray Garner blocked a Slaton punt on their 45. Runs by Norman and Fullback Sammy Martin took the leather to the 10, from where Ammons went over.

Post scored again in the second quarter when Norman faked back to pass, couldn't find a receiver, tucked the ball under his arm and ran 32 yards to score standing up. Martin plunged for the extra point.

Earlier in the quarter, Slaton had held for downs on their one-yard line. They brought the ball out to their 37, but Martin halted their drive by intercepting a pass and getting back to the 32.

Post scored again on the ensuing kickoff when Norman took the kick on his 15 and returned it 85 yards for a touchdown. A plunge for the extra point failed.

Slaton's touchdown came early in the fourth quarter on a quarterback sneak from one yard out. The try for point was unsuccessful.

Outstanding linemen for Post were Center Troy Cartmill, who recovered two Slaton fumbles, Guard Joe McCowen and Ends Mike Ray and Howard Jones.

District 5-AA Play Opens On Oct. 22

All District 5-AA teams except Abernathy will open conference play on Oct. 22, with Tahoka at Post and Slaton at Spur. Abernathy has an open date on the 22nd, but opens conference play the following Friday at Tahoka.

The Tahoka Bulldogs boast the best record thus far in non-conference games, having defeated Denver City, O'Donnell and Crane while losing only to Littlefield of District 6-AA.

Spur has defeated Matador and Ralls and lost to Floydada. Post has won from Roscoe and O'Donnell, lost to Hamlin and Crosbyton and tied Morton. Abernathy has scored wins over Tulla and Dimmitt and lost to Olton and Sundown. The Slaton Tigers have defeated Amherst and Ralls while losing to Coahoma, Seagraves and Olton.

Following is the District 5-AA season standings:

	W	L	T	Pct.
Tahoka	3	1	0	.750
Spur	2	1	0	.667
Post	2	2	1	.500
Abernathy	2	2	0	.500
Slaton	2	3	0	.400

This Week's Games: Post at Rotan, Slaton open date, Tahoka at Seminole, Abernathy at Floydada, Spur at Olton.

SPORTS Post Scripts

There'll be one more road game and then a week's rest for the Post Antelopes before they open conference play here Oct. 22 against the Tahoka Bulldogs. It'll be Homecoming at Post High School and here's hoping the Post team can rise to the same heights it did at last year's Homecoming when it pinned a 40-20 defeat on a Slaton eleven, which was "doped" to win the game.

The Roscoe Plowboys, who opened the season here Sept. 10, play at Hamlin Friday night. Roscoe was trampled by the Seminole Indians, 47-6, Friday night while Hamlin was winning from Roby, 31 to 7.

Morton's Indians, who played the Antelopes to a 7-7 tie here Sept. 17, play at Seagraves Friday after taking a week's rest. The game should be fairly evenly matched, with a slight nod in Morton's direction.

The O'Donnell Eagles, who have yet to win a game, also took a rest last weekend, but it'll be anything but that Friday night when they play host to the Stanton Buffaloes in a conference game. In their last outing, the Eagles lost to Tahoka, 34-0.

With their best team in years, the Crosbyton Chieftains have been running roughshod over all opposition thus far this season, but we think it'll be a different story Friday night when they journey to Hale Center. It'll be a meeting of two of the best Class A teams on the South Plains.

The Rotan Yellow Jackets, who play host to the Antelopes Friday night, surprised most observers by holding the strong Winters Blizzards to a 14-12 score Friday night at Winters. If the Yellow Jackets have improved as much as the score of the Winters game indicates, then it looks as if Coach Bing Bingham's boys are in for another rough evening Friday.

The Tahoka Bulldogs, shaping up as District 5-AA's strongest team, whipped Crane, 27 to 20, Friday night. This weekend, the Bulldogs take on Seminole, who lost to Crane by one touchdown. Playing the Indians on the latter's gridiron, the Bulldogs will be extremely lucky to win.

Slaton's Tigers got back in the win column Friday night by scoring a 19-13 victory over the Ralls Jackrabbits. Slaton has an open date this weekend before meeting the Floydada Whirlwinds on Oct. 15 at Slaton.

The Spur Bulldogs rested over the weekend, but this week journey to Olton for a game with that school's double-tough Mustangs. The Bulldogs have won over Matador and Ralls and lost to Floydada. We predict they'll have a 2-2 record after the Olton contest.

Big Bertha, racing on eastern tracks this season, weighed 13 pounds at birth.

YOUTHFUL RESEARCH
RICHMOND, Va.—Two twelve-year old boys reported here the results of research which may revive an industry. Mustache wax, they say, is just the thing for training flat-top or crew cut haircuts to stand up straight, even if you have cowlicks.

Rotan Mayor Pays Tribute To Youth

In the following letter to the Post Dispatch, Mayor Cecil A. Lotief of Rotan pays tribute to the late Tommy Malouf, son of Mr. and Mrs. M. J. Malouf:

IN MEMORY OF TOMMY MALOUF

The City of Post and Garza County has lost one of their outstanding young men in the passing of Tommy Malouf. No finer tribute can ever be paid, not even to a prince, than the one that was paid to him by the good neighbors and friends in his home town. It goes without saying that his friends, such as schoolmates, ministers of all churches, and civic leaders in all walks of life appreciated his fine qualities. He was a good all-around boy—good Christian, good student and outstanding athlete.

Tommy has visited in my home for several years and was a good friend to my son. We always enjoyed his visits because he was sweet and polite and a well-mannered boy.

In closing let me say for myself and other people who came to Post for Tommy's funeral that we were royally treated by the citizens of Post. We were invited by so many of them to go to their homes and spend the night. All of us appreciated their fine hospitality and friendship.

May the good Lord bless all you and comfort his good family and friends.

Respectfully,

Cecil A. Lotief,
Mayor of Rotan

It costs about \$30 per pupil transported to provide school bus service in the United States.

EXECUTIVE OFFICER—Lt. Cdr. E. J. Maddox, Medical Service Corps, USN, son of James S. Maddox of Post, has been assigned to the U. S. Naval Hospital Corps School at Great Lakes, Ill., for duty as executive officer. He went to Great Lakes from the Naval Medical Unit, Tripler Army Hospital, Honolulu, Oahu, T. H., where he served as administrative officer. Cdr. Maddox entered the service in 1920 as an enlisted man in the Hospital Corps and later received a commission in the Medical Service Corps.

Slaton Wins Three From Post Elevens

Slaton gridders won three games from Post Tuesday night on the Slaton gridiron, with rain falling intermittently during all three games.

Coach Olen Reddell's Post "B" team lost by a score of 20 to 0. Coach Herman F. Raphael's 6th grade team was defeated, 13-6, and his 7th grade team, 7-0.

Plunkett's Show Coming To Post

Plunkett's all-new stage show with their band and orchestra will show at the fairgrounds here at 8 p. m. Oct. 20 under the auspices of the Post Volunteer Fire Department.

Plunkett's show has 10 big acts of vaudeville featuring Captain Plunkett with his famous television animals; Corky Plunkett Trio, acknowledged as America's greatest trampoline artists; Kennedy "Chubby" Swain, king of all comedians; Miss Gloria Plunkett, exotic dancer; Plunkett's Peaches, beautiful girl dancers; Toby Plunkett, comedy juggling and monologist; the Personality Girls; the Plunkett Five, five orchestra; Miss Frances Valarde, sensational Spanish web number.

In addition to the vaudeville acts, there will be a three-act comedy, "Holy Sinners."

Post Soldier Is In Honor Guard

Army Pfc. Robert L. Donaldson, 21, whose wife, Cieta, lives on Route 1, Post, is returning to the United States as part of the 1,000-man honor guard escorting 2nd Infantry Division colors from Korea to Fort Lewis, Wash., the battle-hardened outfit's new home.

Donaldson, a gunner, was selected for the escort as an outstanding member of the division's 82nd Anti-Aircraft Artillery Battalion. He entered the Army in January 1953, and completed basic training at Fort Bliss, Tex.

Pfc. Donaldson is the son of Mr. and Mrs. William F. Lancaster.

Rita Hayworth Stars In Tower Attraction

Rita Hayworth, the most fascinating lady of our screen, appears as the most notorious woman of our time in Columbia Pictures' "Miss Sadie Thompson," torrid new South Seas drama filmed in color by Technicolor and showing at the Tower Theatre on Sunday and Monday.

Jose Ferrer, Academy Award winner and celebrated personality of the Broadway stage, stars with Miss Hayworth in the sultry drama which is based on W. Somerset Maugham's famous story. Aldo Ray is featured in the principal supporting role.

The cast also includes Russell Collins, Diana Costello, Harry Belaver, Wilton Graff and Peggy Converse.

SANTA FE CARLOADINGS

Santa Fe carloadings for week ending Oct. 2, were 25,243 compared with 24,973 for the same week in 1953. Cars received from connections totaled 12,423 compared with 13,741 for same week in 1953. Total cars moved were 37,666 compared with 38,714 for same week in 1953. Santa Fe handled a total of 36,141 cars in preceding week of this year.

Sugar beets are white, not red.

PLENTY OF BULL—Here in Texas where everything is done on a big scale convict cowboys are no exception it comes to bull riding in the annual Prison Rodeo's opening event. They ride 'em in bunches of ten at a time and call it the "Mad Scramble." This unique event will open each of the five bigger, better and wilder performances of this year's 23rd Annual Prison Rodeo at Huntsville each Sunday afternoon in October.

'Education In Legislation' Workshop Scheduled By 14th District Of P.-T. A.

One hundred and fifty Parent-Teacher Association leaders and school administrators from 20 West Texas counties, including Garza, are expected to participate in an "Education in Legislation" workshop at Spur on Saturday, under sponsorship of the 14th District, Texas Congress of Parents and Teachers.

"With the regular session of the Legislature to be held during the current school year, it is important that we look to our responsibility for legislation and examine our methods of evaluation and promotion of desirable legislation," said Nat Williams, Lubbock superintendent of schools and district legislative chairman, who has arranged the program.

Directing the workshop will be Dr. C. L. Yarbrough, superintendent of Snyder public schools and citizenship chairman of the Texas Congress of Parents and Teachers. Mrs. Robert Cross of Anson, 14th District president, will preside at the opening session.

Registration will begin at 8:30 a. m. at the East Elementary school auditorium in Spur. A luncheon will be held down town at 12, and the workshop will end at 4:15.

Participating in the program will be Senator Harley Sadler of Abilene, Supt. O. R. Douglas

Brownfield, district citizenship chairman; Rep. Elbert Reeves, Matador; Rep. Waggoner Carr, Lubbock; Mrs. Mary Stinnett of Austin and Plainview, former president of the Texas Congress of Parents and Teachers; Bob Dennis, Democratic chairman of Lubbock County; Mrs. E. M. Pittman, Anson, district parliamentarian and member of the Texas Congress of Parents and Teachers' board of managers; Mrs. Frank Todd, Lubbock; Everett Beaver of Anson, Jones County superintendent of schools; Dr. John Carroll, head of the Department of Education, Texas Technological College, Dr. Yarbrough, Williams and others.

Poster Cook, superintendent of schools at Spur, is in charge of local arrangements.

Fourteenth District comprises 20 West Texas counties, as follows: Bailey, Cochran, Cottle, Crosby, Dickens, Fisher, Floyd, Garza, Hale, Hockley, Jones, Kent, King, Lamb, Lubbock, Lynn, Motley, Stonewall, Terry and Yoakum.

Visiting in the M. S. Smith home over the weekend were their son-in-law and daughter, Mr. and Mrs. Vernon Brawley and-daughters of Garland, and their sons, Red and family of Abilene and Jimmy and Leroy and their families of Lubbock.

Mileage Death Rate In Average Year Greater At Night Than In Daytime

"When the glow goes, whether you're strictly by hoof or on wheels, dig yourself the most, man, and eat that chassis juice or you'll be real gone!"

This cryptic bit of advice in teen-talk was given today by Col. E. R. Tilley of Houston, president of the Texas Safety Association, and services advisor for the Gulf Oil Corporation.

Roughly translated, it means, "When you walk or drive after sundown be cautious, take it easy, if you want to stay alive."

While Col. Tilley used the current vernacular of young people, his comment is intended for people of all ages, he said.

"Nighttime is dangerous in traffic," he said. "The National Safety Council estimates that the mileage death rate in an average year is two to three times as great at night as in daylight." "This is the reason," he said, "for the special emphasis given to the theme 'Night Traffic Hazards' in the October traffic safety program being conducted locally by the Texas Safety Association, the Texas Department of Public Safety, and the National Safety Council."

"The month-long program has been planned," he said, "to help people become more aware of the hazards encountered in driving and walking near traffic after sundown, and to teach them safe practices when they must travel at night."

"Actually," he said, "more people are killed in traffic accidents during the hours of twilight, darkness and dawn than are killed in such accidents during daylight."

"And this fact seems even more significant when it is considered that less driving is done during the hours of darkness."

The high traffic death rate at night prevails in both city and county, according to Col. Tilley. "In 1953," he said, "more than half of all urban and rural traffic deaths occurred at night."

"And the most dangerous time of all is the hours of 5 to 8 p. m.," said Col. Tilley. "Of all fatal traffic accidents last year,

Football Films By QB Club Members

Two films, "How to Play Football" and "Football in the Classroom," were shown at Monday night meeting of the Post Dispatch Football Club in the school cafeteria.

H. W. Schmidt, president, and absence of Charles E. Green, present.

Lewis C. Herron, Gate City agent, and Miss Jessie home demonstration agent, returned from College where they spent a week of the annual state convention of Extension Service agents.

one out of five occurred during these three hours.

"Neither drivers nor pedestrians can see as well at night," he said, "and they compensate for their reduced vision with increased caution. They are to avoid accidents."

"The best advice in any time traffic situation," he said, "is contained in the Golden Rule: 'Cut Your Speed at Dark.'"

Linenbroker says a man is assured a clean environment in the navy, plus world travel, good pay, free medical care, the opportunity to learn a skilled trade and persons may obtain information concerning career fields in the

SOLID HOLIDAY

OMAHA—Remember the old popcorn wagon? One still is operating here after 54 years. The wagon first saw service in 1900, has had three owners, and now is operated by William Bly, 74, who has owned it since 1940 when he retired as a truck driver. Some of the grandchildren of patrons who bought popcorn in the early part of the century now patronize the wagon. Only change is replacement of the gasoline-operated popper with an electric one. A city fire law required it.

Mr. and Mrs. T. H. Tipton have returned from a visit with friends and relatives at Waco and Gatesville.

WHOA! HOSS—Earing down a wild bronc for saddling in the wild horse race, one of the top action events at the annual Prison Rodeo, takes muscle rather than soft words as these convict cowboys demonstrate. Such action-packed events are the order of the day at any one of the five big performances of this year's 23rd Annual Prison Rodeo, Oct. 3, 10, 17 and 24, in Prison Stadium, Huntsville.

KNOW YOUR PROPOSED AMENDMENTS New Measure Would Give County And Precinct Officers Four-Year Terms

(EDITOR'S NOTE: This is the second in a series of articles analyzing the 11 proposed amendments to the state constitution, on which Texans will

vote in the general election Nov. 2.)

FOUR-YEAR TERMS

Senate Joint Resolution No. 4, if adopted, would change to four years the terms of elective district, county and precinct officers which now have two-year terms.

The amendment would immediately provide four-year terms for district clerks, criminal district attorneys, county judges, judges of county courts-at-law, county criminal courts and county domestic courts, county clerks, county treasurers, county surveyors, county commissioners for precincts 2 and 4, justices of the peace and inspectors of hides and animals.

If this amendment should be adopted, the change to four-year terms for the following offices would not be effective until 1956: District attorneys, sheriffs, assessors and collectors of taxes, county attorneys, county commissioners of precincts 1 and 3, constables and public weighers.

Since the four-year terms of all the elective district, county and precinct offices would not expire in the same year, some of them would be up for election every two years.

Those favoring longer terms of office for these officials argue that two-year terms do not give a capable official time to accomplish improvements in administration; that two-year terms require too much of the time of incumbents in campaigning for re-election; that running for office every two years is expensive and puts the officials in the embarrassing position of depending

Guests of Mr. and Mrs. Tom Henderson this week are Mr. and Mrs. Allen Schwartz of Colorado Springs, Colo., and Dick Schwartz of Milwaukee, Wis.

Tom Henderson, Temple Lee and J. C. Henderson attended the fair in Lubbock Tuesday of last week.

Visiting the Tom Hendersons Sunday were Mr. and Mrs. O. F. Pennell and sons, Mr. and Mrs. Roger Hensley and Glow Hensley of Tahoka and J. C. Henderson.

too largely on outside contributions.

Opponents of changing these terms contend that it is a fundamental principle of our State Constitution that elective local officials should subject themselves frequently to the judgment of the voters, at least every two years; that re-election is not too great a problem for a competent official since Texas voters have always been willing to grant successive terms; and that outside contributions to campaigns are not so likely to injure the public interest as would terms doubled in length during which no accounting is made to the public.

Home Safety Could Cut In Half Texas' Annual Fire Death Toll

AUSTIN (Spl.)—Texas' annual death toll from fire could be cut in half if home could be made the safe haven it's supposed to be.

At least 300 of the 464 Texans who died in Texas fires in 1953 were trapped inside their homes by the blaze. Norris W. Parker, manager of the Texas Insurance Advisory Association said today. More than 125 of the victims were children who either could not escape because proper exits were not available, or else had been left alone and were unable to escape without adult aid.

Clothing becoming ignited from too close contact with open fires was listed as the second major cause of fire deaths by the insurance trade association. Many of these deaths also involved small children whose clothing was ignited by open gas heaters and other heating devices.

Improper use of gasoline was third on the list and the improper use of kerosene was fourth. Improper installation and maintenance of gas heaters, stoves and appliances was the fifth major cause of fire deaths.

Parker urged a careful inspection of homes by Texas householders as a part of National Fire Prevention Week, Oct. 3-9. To help reduce Texas' fire death toll, he said that at least two means of exit should be available to every bedroom, the house should be ventilated properly both day and night and children and old people never left in the home alone.

He also urged that all open heaters be protected by screen guards, that gasoline never be used for any purpose except as a fuel and that kerosene be stored outside the house in approved containers. Only approved heating devices should be used, and these should be properly installed and vented. As a further precaution, he urged an annual inspection of gas lines and appliances by an expert.

UNREPORTED CRIME

VENTURA, Calif.—A motorcycle officer discovered a theft but couldn't report it by radio. Someone had stolen the microphone from his motorcycle.

DID YOU EVER

Hear someone say we needed more room in our hardware store?

IF YOU HAVE

you come in and look around. We believe you will decide we have a lot of room-most of which is piled up with something we would like to sell you.

IT COULD BE

We do not have what you want but a better guess is WE HAVE IT. Now all this time we are talking about HARDWARE. We have some pretty hardware and then we have lots of useful HARDWARE too.

WHEN YOU NEED

anything that you might think is hardware, come on down and see if we have it or grab that telephone and call 120 and we can tell you within a reasonable length of time whether or not it's around here and when we dust it up a bit, we can give you the worth of it-or rather what we ask for it.

We Do Appreciate Your Business.
