Cotton rush now on, gins going 24 hours

The county's six gins are on a 24 hour working basis now trying to gin a 1960 Garza cotton crop which experts figure will wind up somewhere between 18,000 and 20,000 bales, which would top the 1959 bale total.

With machine pulling being pushed in good weather, cotton is now pouring into the gin yards. Graham Co-op Gin for example had 378 cotton trailers on the yard at one time.

Planters Gin here in Post reported Tuesday 1,005 bales ginned with the cotton grade strict low middling and middling spots.

Nephew's family on TV 'Special'

The R. L. Robertson family of Amarillo has been selected by NBC-TV to portray a representative American family in an hour-long NBC "special" on Monday, Nov. 14.

Robertson is a nephew of Mr. and Mrs. L. P. Baker of Post and has visited in Post a number of times.

The telecast, "Story of a Family," will be narrated by Jane Wyatt, with TV time in this area scheduled for 6:30 p. m.

The story of the 11-member Robertson family will be used to dramatize the values of family life in a changing world.

The Robertson family was selected by NBC in a nation-wide search which began with nearly 2,000 families in mind.

"The Robertsons represent the universal experiences of all families during the first half of the century," said Joseph Krungold, NBC producer and writer.

Robertson is owner of Robertson's Market, Scott Choice Meat store and Robertson's Amana Plan.

HOME FROM INDIANA

George Pierce of Hodges Tractor Company flew home Sunday from the Indiana resort of French Lick where he attended the Allis-Chalmers showing of 300 units of farm and utility equipment which was attended by 4,000 Allis-Chalmers dealers throughout the country. He flew to Indiana Friday.

Post girl among 3 killed in wreck near Tahoka

Two young Tahoka men and a Post girl—Mary Alice Gueterrez, 16—were instantly killed about midnight Saturday near the east city limits of Tahoka when the car in which they were riding slammed into the rear of a loaded grain truck and then careened across the highway into an oncoming vehicle.

The Tahoka men killed were Frank Manriquez, 23, driver of the car and Gravel Flores, 23, of Route 2, Tahoka. Both were employees of the City of Lubbock.

Miss Gueterrez is the daughter of Mrs. Frances Gueterrez and is also survived by several brothers and sisters. The Gueterrez live south of the Postex Mills here.

Funeral rites for Miss Gueterrez were conducted in the Holy Cross Catholic Church here at 10 a. m. Tuesday. Burial was in the Terrace Cemetery here under direc-

tion of the Hudman Funeral Home. Double funeral services for the other two crash victims were conducted in the Tahoka Catholic church at 4 p. m. Monday.

A fourth person in the death car, Pedro DeFlores, 23, of route 2 Tahoka was given emergency treatment at the Tahoka hospital and then dismissed.

Also given emergency treatment at the Tahoka hospital was Hilary Teron Millicin, 19, of Odessa, driver of the car into which the Manriquez careened after hitting the truck.

Investigating officers reported Manriquez was traveling east on U.S. 350 when his car struck the rear of a grain truck driven by Willie Leon Wolf, 32, Anson Negro.

Patrolmen said the car "ran completely under the back of the truck" and then was thrown broadside into the path of the car driven by Millicin.

Caddel, who was riding in the back seat, told investigating officers the car was blue and white.

The American Cafe here did not reopen this week after its normal Monday closing because of the accident. Both cafe cooks are in the hospital.

The cafe is expected to reopen when Mrs. Scarborough can secure adequate cooking help.

A Heart Forum, originally scheduled for next Thursday night in the Community Room of the First National Bank, has been cancelled for the time being due to a conflict with the Post P-TA meeting.

J. B. Potts announced today. He said the South Plains Heart Association hopes to reschedule afternoon with a middling grade

of it spotted.

Planners Gin here in Post reported Tuesday 1,005 bales ginned with the cotton grade strict low middling and middling spots.

The Close City Co-op Gin reported 1,052 bales ginned Tuesday, with the grade running middling light spots. The Storje Gin had ginned 700 bales Tuesday with the report that the cotton coming into the yard Tuesday was "pretty good cotton."

The Basinger Gin at Southland had ginned 1,600 bales by Tuesday. The Basinger Gin at Southland reported.

The Tuesday total at the Pleasant Valley Gin was 1,220 bales with the cotton grade reported fair.

Car causing collision did not stop

Three Post men injured in headon crash Sunday

Three Post men were hospitalized Sunday night as a result of a head-on crash with a trailer truck on US-84 a mile and one-half south of Slaton.

Injured were: Wilf Scarborough, 59, proprietor of the American Cafe, who was unconscious yesterday in the Methodist hospital at Lubbock suffering from a badly broken left leg, a compound fractured jaw, and chest injuries which included his ribs being pulled loose but not broken. Thirty-one stitches were required to close a gash under his chin.

E. C. (Buck) Hundley, shop foreman and Intertype operator here at The Post Dispatch, who suffered a fractured left leg and head and chest bruises.

Lowell (Pat) Caddel, 53, a cook at the American Cafe, who suffered a fractured wrist and ankle.

Scarborough and Caddel are in the Methodist Hospital at Lubbock and Hundley in the Mercy Hospital at Slaton.

The driver of the trailer-truck, Raleigh Clois Ray of Route 1, Tahoka, received only emergency treatment for slight injuries at the Slaton hospital and was released.

According to investigating highway patrol officers, the accident was caused by a car which was proceeding north toward Slaton ahead of the Post car which was driven by Scarborough. The three Post men were en route to Lubbock for a meeting.

The car ahead of Scarborough's car pulled off onto the right shoulder of the road, as if to stop, and as Scarborough's car began to pass, swerved back onto the pavement. This forced Scarborough to swerve into the left lane directly into the oncoming truck-trailer.

The car which caused the accident did not stop after the collision but drove away and turned off the highway.

The "big gifts" division, already at work is of course the backbone of the Chest drive and raises two-thirds or more of the total funds subscribed. But the final success of the drive comes next week when everybody gets the chance to give—not \$25, \$50 or \$150—but what they can afford—\$4, \$7 or \$10, or more.

In giving remember two things. Nine organizations are going to divide these Chest dollars nine ways. Instead of nine financial campaigns, we now have only one all-out effort. So give as you are giving to nine organizations—not one.

City, county aid is sought for new public airport here

A new public airport for Post appears in the making this week with local flying enthusiasts asking both the city and county for labor and equipment to help get new dirt runways in usable condition.

Spencer Kuykendall, operator of a charter flying service off the local field and spokesman of the local flying group, told the City Council at its November meeting Monday night that the present airport lease with the Double U Company will be up Jan. 1 and isn't being renewed by the Post interests.

He said his group was interested in leasing a field for a public airport if they could obtain labor and equipment help on building the runways. He said he planned to meet with the Garza County Commissioners' court next Monday to discuss the same proposition with them.

Mayor Powell Shytle told Kuykendall that "I think you'll find us pretty receptive when you get your land."

The flyer told the councilmen he thinks the flyers have "a good chance" of leasing large enough acreage for an airport on the Rails road a little more than 3 miles north of Post. It would be directly on the highway.

The other choice is city-owned land west of Post on top of the cap, but which can only be reached by a dirt road, and is four miles by road from the city.

Kuykendall said the proposed new site wouldn't have longer runways, but would have no obstructions to their use in prevailing winds, as is the present airport.

The Dispatch has been on "emergency operational status" this week following the Sunday night automobile accident in which our back shop foreman, Buck Hundley, was injured along with two other Post men. Buck appears to have escaped the headon crash a whole lot better than was first feared. X-rays showed a crack in a bone below the knee in his left leg which will keep the leg in a cast for several weeks. While Buck is on the shelf, Editor Charlie Didway has been riding our Intertype machine in the back shop and yours truly has tried to be editor and reporter in his spare time.

So if we've missed some items, or goofed this week, don't blame Charlie. We hope Buck will be out of the hospital soon and then we'll all be trying to figure out to get him back on the job—game leg and all. Wilf Scarborough, the American Cafe owner, was the worst hurt in that Sunday wreck. He really got smashed up and with his cook also hurt, the cafe has had to close down until kitchen help can be obtained.

Next week is the week for Garza countians to wear their heart on their sleeves so to speak. That's when the 1961 Garza Community Chest drive attempts in six days to collect all the funds which will be needed next year for nine worthy, participating organizations.

The goal is record-sized, which means a bigger effort will be needed than ever before. It's up to per cent from last year which means if you can you should give at least 10 per cent more.

The "big gifts" division, already at work is of course the backbone of the Chest drive and raises two-thirds or more of the total funds subscribed. Chest drive 49% toward '61 goal

Big effort all set to open here Monday

Garza County Community Chest workers were 49 per cent on their way to their record-sized \$13,572 goal for 1961 today with Irby G. Metcalf Jr. reporting contributions and pledges of \$6,605.20 in the advanced gifts division.

The principal Chest drive—in all other divisions other than the big gifts spearheaded by Metcalf—will kick off Monday for an all-out one-week effort.

Leo Ackler, Chest campaign chairman, told The Dispatch that the future of the Little League and Babe Ruth League summer baseball programs hangs on the success of this Chest drive.

He pointed out that the Chest this year has included \$2,000 for permanent park improvements for the youth program and the money must be raised if the baseball program is to be continued successfully.

Acker said drives will begin Monday in the Postex Cotton Mill employees division, school employees division, oil employees division, courthouse employees division, highway department employees division, ministerial alliance, rural division, and downtown employees division.

He named the following division chairmen for the all-out drive to provide all 1961 funds needed for the nine participating Chest organizations:

Schools, R. T. Smith; Postex employees, Chant Lee; oil division, Edsel Cross, Millard Pierce, and Everett Windham; courthouse employees and officials, County Judge J. E. Parker; state highway department, Julian Smith and Joe Williams; ministerial alliance, the Rev. Bill Hogue; rural division, J. B. Potts; postoffice employees, Harold Voss.

"We need a better effort than last year," Acker declared. "Our goal has been boosted over \$1,000 and we must succeed if participating organizations are to receive the money they need for operation."

The Chest chairman urged everyone to give as generously as possible and to increase their pledges over last year.

Metcalf reported some of the bigger Chest contributions are still

Last rites for Mrs. L. A. Dunn held at Gordon

Funeral services for Mrs. L. A. Dunn, 86, of Southland, were held Friday at 2:30 p. m. in the Gordon Church of Christ, B. C. Stapleton of Lubbock and Troy Brewster of Slaton officiated.

Mrs. Dunn, a resident of Southland for 40 years, died early Friday in Slaton Mercy Hospital.

Survivors include the husband, five sons, V. O., Ahlene, J. W. Slaton, and M. A., H. C., and D. L., all of Southland; two daughters, Mrs. N. R. Robinson of Bellire, and Mrs. C. C. Brazil of Mineral Wells; 15 grandchildren and 10 great-grandchildren.

Burial was in Southland Cemetery under direction of Williams Funeral Home of Slaton.

"out" and to be collected. He is pushing for a fast windup of the big gifts portion of the drive which contacts all contributors giving \$25 or more.

Guy Floyd, chairman of the liquor stores sub-division of the Chest drive, reported that his campaign got off to a fast start with a \$200 check from Hubert Odum of Cecil's Liquor Store, who gave \$150 for the store and \$50 for his employees.

Already \$500 has been contributed on "the strip" and Floyd has many more contacts still to make before finishing his rounds.

Metcalf said his division of big gifts would need to raise between \$9,000 and \$10,000, or more, if the 1961 goal is to be reached.

He urged his workers to complete their Chest calls as quickly as possible and turn in pledge cards and contributions at the bank.

Slaton 'drier' now than a year ago

Slaton and Dickens voted to remain "dry" Saturday thus preserving the extended "trade territory", including Lubbock, for Post's liquor dealers.

Slaton, where a group of leading business men spearheaded the "wets" campaign, turned down legal liquor sales for off premise consumption by a 162 vote margin, 1,086 opposed and 924 for.

This was a bigger margin for the dries than the Slaton city boxes of the precinct election there last year.

Dickens stayed dry by only four votes, 89 to 85.

Post liquor dealers were elated at the outcome as a Slaton wet victory would have meant loss of the entire Lubbock liquor business to Slaton and the probable movement of some local stores to Slaton, despite high investment costs involved.

Several dealers reportedly had options on Slaton "store locations"

should the wets score the victory many anticipated.

One local liquor dealer placed his legal notice of application for a Slaton liquor store in the Slaton Slatonite last week two days in advance of Saturday's election, apparently figuring to get a week's jump on the field in getting the notice published and thus into operation sooner if the wets won.

The Slaton dries big advertising push in last Thursday's Slaton paper was a page advertisement entitled, "Let Post Speak". It quoted 11 Post business and professional men, including two county officials, to the effects of liquor business on Post's economic picture. All of those quoted said it didn't help business generally, the argument Slaton wets had advanced in backing the package store proposition.

A precinct vote in the Slaton area is expected next as the law (See SLATON VOTE, Page 8)

92-vote margin in county to Kennedy

Garza gives Jack White House push

Garza County, which never has voted Republican in a presidential election, gave Democrat Jack Kennedy a 92 vote boost to help him into the White House in Tuesday's general election which produced no county surprises and a smaller voter outpouring than trooped to the polls back in 1952.

The county totals in this presidential race was 829 for Kennedy and 737 for Nixon with Kennedy carrying five of the county's nine boxes and the absentee voting and

Nixon winning in four of the county's boxes.

The presidential contest was closer this year than in either 1952 or 1956. Garza went for Stevenson over Eisenhower, 786 to 628 four years ago. That is a 158 vote margin, as compared to 92 votes this year.

As elsewhere across the South, which generally went to Kennedy, Kennedy's Catholic religion did not appear to play a prominent part in the outcome here.

The two contenders split the two big Post boxes with Nixon holding a 5 vote edge on these two.

Kennedy won Southland, Close City, Graham, Two Draw and North Post, while Nixon took Verbona, Justiceburg, Pleasant Valley and South Post.

While no total vote case was available yesterday, the total votes counted for the two presidential candidates was 1,566 as compared to 1,414 votes cast for Adlai and Ike in 1956 and 1,676 total votes cast in 1952.

Charles L. Sullivan, Constitutional party candidate, received six votes and Rutherford L. Decker, Prohibition party candidate, received another six for the U. S. presidency.

The Democrats scored a clean sweep in the various state races here in the county, as they did throughout the state. The biggest vote for a Republican in the state races was a "protest vote" against Senator Lyndon Johnson in his senate race.

Johnson polled 1,022 votes in the county to 515 for John Tower, his Republican opponent. In contrast Governor Price Daniels piled up a 1,344 to 300 vote lead in Garza County over Republican William M. Steger in the governorship contest.

All four state constitutional amendments carried in the county, although the one to boost legislators' salaries got a close call, 495 for and 496 against.

The amendment to boost the interest rate for veterans' land bonds won comfortably 629 to 350, and the amendment giving the legislature authority to control the small loan business carried 584 to 307.

In the congressional race in the county, Rep. George Mahon defeated John R. Anderson, Constitutional party candidate from Borden County, 1,184 to 284.

The Tuesday election saw County Tax Assessor - Collector T. H. Tipton and County Attorney Carlenton P. Webb reelected without opposition and Fay Claborn, farm-

Chest goal is tough one

Garza County's 1961 Community Chest drive kicks off Monday and in one week's time fund workers are aiming at a goal of \$13,572 in cash and pledges.

It won't be easy to put this one over the top. First, because the goal is the biggest in Chest history. The over \$1,000 boost in the goal from last year's \$12,500 comes with the Chest stepping in to help complete badly needed playing facilities for the summer baseball program here—that keeps a couple of hundred youngsters busy playing ball.

Two thousand dollars for the baseball program is included in this Chest budget and probably \$2,000 more will be needed in 1962 to complete paying the bill on the facilities.

Putting the summer baseball program into the Chest and bringing the participating organizations up to nine ought to make the Chest appeal just that much stronger because the baseball program is recognized for its true community worth.

The second reason why it won't be easy to reach the \$13,572 goal is because so many of us aren't reached by the Chest fund raisers and asked to give, and because many of us who are reached forget that a dollar means only 11 cents each to the participating organizations.

Reaching every Garza countian is a problem which hasn't been entirely solved. The Chest organization reaches all businesses here, all county officials, all mill employes, all school teachers, downtown employes, oil workers and most of the rural folks through well organized rural community campaigns.

But a lot of people aren't in one of these categories and consequently they aren't reached.

If you are one of these and want to do your share to make Garza County's fund raising for worthy organizations a successful single effort,

bring or mail your contributions to the First National Bank or The Post Dispatch.

Now, let's think for a moment about those who don't really give enough. This Chest drive is the one effort to raise all the funds needed from Garza County for nine different organizations for a whole year.

Contacted individually in nine separate drives, many would give \$5 to each, but don't seem to consider giving \$45 to all nine in a single drive.

To make it easy on the paying, the Chest has a pledge system.

You can pay either by the month or quarter throughout the coming year if you so desire. This makes it easier for people to give the \$45—instead of the \$5.

The Chest will be a success only as long as it is successful in reaching its goal each year. Failure to reach the goal means pro-rating available contributions among the nine organizations and probably would mean cutting down on the programs of these organizations for next year. It also would threaten the future existence of the Chest because organizations would be prone to "pull out" and "go it on their own" if they couldn't obtain funds needed via the Community Chest route.

Lots of Community Chests have failed and disintegrated in recent years. But Garza County's remains strong and healthy.

If everyone will give—and give a fair share of up to a day's pay—the 1961 budget of \$13,572 can be reached.

Remember next week, when the Chest fund raiser gives you a pledge card, that this is a drive for nine different organizations, not just one. Give generously—and remember arrangements have been made through the pledge route to "pay as you go."—JC

Looking back at Halloween

We were told by a Post merchant the other day that there was less "messing up" of store fronts this last Halloween than any other he could recall and that he thought the youngsters should be commended for refraining from this senseless marking of show windows with soap and other agents.

All in all, it was one of the most sensible Halloweens we've seen here. Of course, there was the traditional "outhouse" burning on West Main, but somehow or other that has come to be expected. One of these Halloweens, no doubt, that, too, will be by-passed as was the soaping of windows this Halloween.

Some of the young people were out Halloween night soliciting funds for CROP, which is a worthwhile organization, while others were soliciting for UNICEF, about which we have our doubts.

UNICEF, like so many other United Nations-connected organizations, has a plausible surface appeal. It is the United Nations Children's Fund. Almost any idealistic child can be prevailed upon to canvass door-to-door for contributions when he is told that he is doing it "for the poor children of the world."

But a few facts take much of the glamour out of this endeavor.

UNICEF is financed by contributions from 81 governments. The United States is expected to contribute 2 1/2 times as much as the other 80 combined. The collection from the Halloween

drive was expected to run only \$1,250,000—less than 2 per cent of the total.

Nineteen of these countries contribute in non-convertible money which can be used only to buy goods from those countries or hire their citizens to work for UNICEF or other U. N. agencies.

Why not dispense our charity direct, through all-American instead of world channels? Why not see to it that if Polish and Yugoslav children are aided, they know that the gift comes from this country, as most of it does under this setup? If the Communist regimes in those countries won't agree, let them forego a contribution of American aid. UNICEF funds to Poland through 1957 came to \$18,961,569; to Yugoslavia \$18,333,282.

Many parents and Sunday school teachers will be surprised to learn that numerous Communist have been employed by UNICEF, some in responsible positions and some of them Americans. The first chairman was a Red Pole. Numerous members of the American committee to promote the UNICEF program are or have been affiliated with communist fronts.

Let's allow our children to have the traditional Halloween parties or go trick-or-treating in their neighborhoods. Let's not change this children's fun festival into a fund-raising project. And let's contribute any money we can afford to give to needy children abroad, through our church missionary societies.—CD

An editorial for Veterans Day

While many still haven't gotten around to calling it "Veterans Day" instead of Armistice Day, Friday, Nov. 11, is Veterans Day by Presidential proclamation—a day on which to honor the veterans of all our wars.

It was William Shakespeare who asked, "What's in a name?" and we're of the opinion that the question posed more than three hundred years ago by the world's greatest writer packs the same potent wallop today as it did early in the 17th Century when he asked it. Veterans Day or Armistice Day, it still is a time to honor both the living and the dead of all our wars. Personally, we cast our vote for the new and are in favor of going along with the term Veterans Day.

In these troublous days, when in no more time than it takes to push a button unleashing a fury mankind has never known, we may have a new flock of war veterans before we know it. Let's continue honoring those we already have,

ever hopeful that something will be worked out to keep that button from being pushed. This is not the type of editorial in which to be facetious, but we can't refrain from repeating a modern day wise man's comment that anyone who survives as long as 15 minutes in the next war will be considered a veteran.

Those valiant warriors of the Revolutionary, Mexican and Civil wars have departed from our midst. Not many of the Spanish-American War veterans remain, and the ranks of those men who fought World War I to help keep the world "safe for democracy" are thinning. Those no longer with us are the ones whose memory we honor; those still in our midst are the ones to whose valor and sacrifices we pay tribute this Veterans Day. May their lives be long and fruitful, but let us hope that their ranks are not increased by a new contingent of veterans—veterans of World War III.—CD

What our contemporaries are saying

They say it happened in a teen-age rock 'n' roll joint . . . the waiter dropped a tray of dishes and six couples got up to dance.—James Roberts in The Andrews County News.

When success turns a person's head, you'll find he's facing failure.—The Hamilton Herald-News.

The most thoroughly wasted of all days is that on which one has not laughed.—James Roberts in The Andrews County News.

The western world keeps pecking away at the idea of a summit conference. Fearing for the lives of millions of this generation, heads of government, particularly of Britain, insist on a summit next spring. The United States, playing the leading role, can't find a place to begin. Any summit now will be a summit predicated on the rules that the Soviets lay down, amounting to appeasement in the same manner as Mr. Chamberlain thought he obtained "peace for our day"

when he capitulated to Hitler. It is a most vexing matter, a thorn in the side of authorities at Washington.—The Floyd County Hesperian.

If a person, firm or any group has anything to sell or give away, it generally pays to let the public know what is being offered. How else can the public know that something is for sale or is being given away? . . . This is the reason why the merchant who just opens his door and waits for customers to enter—without doing some form of advertising—is likely to do a minimum of business. At the same time, the merchant who sees to it that the public knows what he has to offer is going to be much better for the town.—Canton, N. C., Enterprise.

Where do government benefits come from? An African eager to learn about democracy was having difficulty with the idea of taxation of the people "for the benefit of the people." Suddenly the light dawned. "I see!" he cried. "It means that if I want to give my dog a nice piece of fresh meat, I just take a knife and chop off part of his tail."—Pocomoke City, Md., Democrat.

THURSDAY to THURSDAY

By CHARLES DIDWAY

THE PRESIDENTIAL Election, including most of the shouting, will be over by the time this column appears in print. Since the column is being written over the weekend before the election, it doesn't leave much to write about. Most anything I'd say now would be hopelessly out-dated by the time the paper is out.

One of the nicest things about getting the election over with is that it will feel good to breathe fresh, clean air once again. It has been going from bad to worse ever since last summer's party conventions.

IT USUALLY ISN'T difficult for any mother to remember the date on which her child's birthday falls. It'll be especially easy, however, for Mrs. Joy Fluit. The same day she gave birth to a son at Garza Memorial Hospital she was elected Homecoming Queen by Post ex-students at the homecoming banquet.

It is about the most unusual occurrence I've ever seen at a homecoming banquet. I'd showed up with my camera to get the queen's picture. Instead, I got a picture of her sister, Kay Martin, also a PHS graduate, receiving the crown for her. Well, as long as we kept it in the family . . .

ATTRACTIVELY BOXED and wrapped gifts went to a number of people at the banquet. One of the gifts was a set of Garza sheets from Postex Mills, presented George M. Willson, whose 7th and 8th grade choir and boys' sextet sang several numbers.

Time was the big element at the banquet, since they had to rush to get through in time for the football game, which started half an hour earlier than last year's homecoming game. But they made it in plenty of time, including the election of officers, etc. The fact that the banquet was held in the old high school gym made it conveniently close to the football field.

ALL IN ALL, this year's homecoming was a very enjoyable affair, and the Antelopes added to the enjoyment by beating the Slaton Tigers for the first Post victory over Slaton since 1956.

The man up the street says the quickest way to get a lot of undivided attention is to make a mistake.

BECAUSE MY CAMERA misfired a couple of weeks ago, not many people have learned yet who the youngsters are that received the Post Chamber of Commerce's first Annual Achievement Awards. Our apologies to the winners, one of whom came from Southland just so we could make the picture. The winners are: Linda Payton, Outstanding 4-H Girl; Jerry Thuet, Outstanding 4-H Boy; Linda Kuykendoll, Outstanding FHA Girl; and Jimmy Hodges, Outstanding FFA Boy. The awards were presented by Lee Ward, Chamber president, with Manager Johnny Hopkins also taking part in the ceremony.

Old Timer says: I can remember when a bank was a place to save money—not borrow it . . . Some folks reform and some jee' get too old to act up . . . In the old days a man worked on and on. He had tired blood, but he didn't know it . . . Remember when Charity was a virtue, and not an industry? . . . A sure sign of old age is when you feel your corns more than your oats . . . Some people put candles on their birthday cake to make light of their age . . . Remember when people who wore blue jeans worked?

THE MINUTE MEN of today are the ones who can make it to the refrigerator and back with a sandwich while the commercial is on.

Remembering yesteryears . . .

Five years ago

Elwanda Davies, Mary Nell Bowen, Judy King Brown, Dot Jones, Velta Carpenter, and Rheba Hays are the nominees for homecoming queen; Miss Freda Kennedy, high school senior, was crowned as Post Antelope band sweetheart in a between-halves ceremony at the Post-Floydada game Friday night; a house to house sale of tickets for the Post Lions Club's second annual pancake supper will begin tomorrow, according to Betty Sue Hunt, president of the Garza County Youth Center, which will receive the proceeds from the supper; Miss Onella Shedd, daughter of Mr. and Mrs. John W. Shedd, became the bride of Billy P. Snow, son of Mr. and Mrs. William J. B. Snow, at 6:00 p. m., Saturday in the home of the bridegroom's parents; Mr. and Mrs. Jerry Epley from Denver City spent the weekend visiting with Mr. and Mrs. Lawrence Epley and Mr. and Mrs. R. B. Perrin and Loveta; funeral services for Mrs. J. M. Bright, mother of Mrs. Claudine Tipton, were conducted in Carrizo Springs Tuesday of last week.

Ten years ago

Monday the elementary school students will move into their new building; only 292 Garzans voted Tuesday in the general election; funeral services for A. F. Pierce, father of Mrs. Will Wright, were held in Slaton Tuesday afternoon; Leslie Anita Nichols, daughter of Mr. and Mrs. Lester Nichols, returned to school Wednesday after recently undergoing surgery; Miss Edna Lucille Payton became the bride of Bobby John Taylor in a double ring ceremony Sunday; Mr. and Mrs. Elton Lee are parents of a daughter, Brenda Faye; graveside rites were held for Domingo Valdez infant son of Mr. and Mrs. Everett Valdez Sunday; Mr. and Mrs. James Minor and children will leave tomorrow to

attend the Howard Payne College homecoming; Mr. and Mrs. Boone Evans transacted business in Lubbock Monday; Mrs. Stanley Sims was complimented with a layette shower Monday at the home of Mrs. Alvie Robinson; delegates from Post attended the Baptist General Convention in Fort Worth over the weekend; Dr. and Mrs. D. C. Williams hosted a canasta party Wednesday night for members of the First Presbyterian Church choir; Rev. and Mrs. Almon Martin will hold open house Sunday afternoon at the First Christian Church parsonage; Mr. and Mrs. Carroll Bowen have built a new home on South Harrison; the Post Antelopes will meet the Slaton Tigers Friday night at Slaton; Mrs. Ella Johnson is a patient in Abell Clinic in Lubbock.

Fifteen years ago

Funeral services for one of Post's most beloved women, Mrs. D. M. McElroy, were held Friday afternoon, at the Calvary Baptist Church at 3:30 p. m.; financial condition of Garza County is very good at this time, despite an almost total cotton crop failure and short grain sorghum crop; the marriage of Miss Gwen Wright to O. L. Miller took place Saturday evening at the First Methodist Church at McKinney; Elwanda Davies who was 13 Oct. 27, was honored that afternoon with a birthday party given by her mother, Mrs. Curtis Davies; Sundown's grid machine in an aerial attack, which was launched after a scoreless first period, scored three touchdowns Friday night to roll the Antelopes, 20-0, in a District 6-A conference game; Garza County farmers are advised this week that the U. S. Department of Agriculture has adopted a "grass roots" approach to speed the reconversion of the nation's farm land from war-time production to long range soil building and water conservation.

Garza's Youth Center is given 'new life'

The Garza County Youth Center, which participates in Community Chest funds to the extent of \$1,700, is becoming an increasingly popular recreation place for teen-agers of both high school and junior high school classification.

The Youth Center is in the building commonly known as the old Band Hall, at the corner of Tenth Street and Avenue M, and has also been known as "Antelope Alley."

Inclusion of the Youth Center in last year's Community Chest budget enabled its operations to be put on a new footing and plans are now well under way for even more efficient operation.

Mr. and Mrs. Bill Hatler of Lubbock were employed recently as paid directors of the Youth Center. Their duties are to supervise all activities. The Hatlers, who are students at Texas Tech, are trained in youth recreation work. The Hatlers are paid \$15 for each evening they supervise activities at the center, with the maximum number of evenings set at six a month.

The Youth Center is open either

Friday night or Saturday night of each week for high school students and for special occasions throughout the year such as homecoming, Christmas, etc.

Also during the year there are parties for the 7th and 8th grade students.

Use of the Center is open for any meetings or group activity of any resident of Garza County for a nominal charge of \$5.

The Youth Center has been newly painted inside and other improvements made. The biggest need now, as far as appearance is concerned, is repainting of the exterior of the building.

Officers of the Youth Center's adult board of directors include Mr. and Mrs. Bob Smith, chairman, and Mr. and Mrs. Jim Cornish, secretaries-treasurers.

Other members of the board are Messrs. and Mrs. Clint Herring, Gene Matthews, S. E. Camp, Bill Edwards, David Newby, B. E. Young, James Minor, Ed Herring, C. L. Morris, Byron Haynie, Nathan Little, Jess Cornell, Robert Cox, Barney Martin and Walter Jones.

Leaders for school annuals being taken

"Caprock", Post High School's annual, will be on sale from 7 to 21. This year we are asking you make full payment, instead of half now and half later.

Staff members are: freshmen, Susie Jo Schmidt, Linda Hill; sophomores, Sammie Kay Baker, Chris Cornish; juniors, Les Neale, Neal Francis; seniors, Mike Minor and Mike Cornell.

Staff feels sure you will like this issue of the annual. There will be more pages, something really new and very different in division pages.

For snapshots of this year's yearbook are needed. If any of you have camera bugs, please help.

Be sure to order your "Caprock" something you won't miss.

Junior class play progressing

The play is slowly and surely progressing. Last time at the school auditorium, we practiced the second act. We are to have another practice at one o'clock on Sunday afternoon, since the parts aren't fully memorized.

Practices are a lot of fun, especially to Mrs. Scott, Mrs. Hill, Mr. Hopkins. They seem to be enjoying them almost as much as we do.

Next week we plan to start on the third act. Some of the parts are rather long, but everyone is doing a fine job. You'd be surprised to see how many talented people there are in our class. A lot of our ad libs seem to fit better into the play than the original script.

Looking forward to seeing you all at our Junior Play on Saturday.

Everyone working hard for good School Page

By Billie Lou Hill
Last Friday all of the kids were working for good Homecoming. We are all working real hard to have a good School Page. We have co-operation with the reporters of other classes to have a good School Page.

We enjoy working on the paper and having interesting news for the people of Post to read.

CHOIR PERSONALITY

Janene Haynie always does part

By Carolyn Moore
Our first victim is Janene Haynie, the daughter of Mr. and Mrs. Byron Haynie. Janene was born in Post Dec. 25, 1942, and has been celebrating Christmas and her birthday on the same day ever since.

Janene is a very busy girl again this year. You can always depend on her doing her part to help in everything there is to be done. This year she is a member of the high school girls' sextet for the fourth year and vice-president of the Choir among many other things. Janene has been in the choir for five years because she enjoys singing so much.

Here are some of Janene's favorites: subject, "chemistry, of course"; sport, football and swimming; food, Italian food; color, orchid; actress, Susan Hayward; actor, Paul Newman; pastime, "goofing off"; hobbies, keeping scrapbooks of all her high school activities and events; plans for future, college at either North Texas State College, West Texas State College, or TCU.

BOOK REVIEW

'Stars in Her Eyes' about stage

By Sharla Pierce
"Stars in Her Eyes" by Betty Cavanna, concerns a movie star's talented daughter, Madga Page, who goes to Paris to study opera and ballet. There, she meets Scoop Barton, a manuscript writer for her father, Peter Page. He is three or four years older than she is.

She is quite fond of him, but unfortunately for her, her father isn't.

When she goofs her first time on stage—well, I won't tell you. The book can be found at PJHS library.

Pamela Owen heads Junior High band

By Betty Hutchins
Recently, the junior high band elected the following officers for the coming year:

President, Pamela Owen; vice-president, Ricky Welch; secretary-treasurer, Judy McCampbell; and reporter, Betty Hutchins.

Bug collections are now being turned in

By Mary Lois Jones
Bugs, bugs, bugs—first we collected them, then we mounted them, then we named them, then we studied certain parts of them and made drawings of the grasshopper, and of course now we have been quizzed over them.

Collections of insects are coming in and if you are interested in taking a look at these, drop by the Biology lab, where Mr. May has them on display.

School is brightened up for homecoming

Last Friday the new high school was decorated by the cheerleaders for the annual Homecoming. A large sign, "Welcome Exes", made of black paper and black and gold streamers greeted the exes as they came into the building for registration. Victory signs were posted in the halls to give the student body school spirit. The football boys numbers, made of black paper and glittered in gold, were placed on their lockers to honor them on their last game of the season.

Thunderbird

UNMISTAKABLY NEW... UNMISTAKABLY THUNDERBIRD

SO NEW THE STEERING WHEEL MOVES OVER TO WELCOME YOU IN

The new optional Swing-Away Wheel symbolizes the newness of this remarkable car. Just a touch of your hand as you enter, and the Swing-Away Wheel moves aside a good ten inches. You take the driver's seat as easily as you drop into your favorite chair. (Incidentally, you can drive only when the wheel is locked safely, securely in normal driving position.)

Here is the finest expression of the Thunderbird spirit, unquestionably Thunderbird in its classic lines and sparkling performance—not a hair wider nor a tooth of an inch longer—yet a Thunderbird so uniquely new it stands alone in the fine car field.

In six brilliant years the Thunderbird has established itself as the trend car of our times. The dramatically new Thunderbird for 1961 is true to the Thunderbird tradition in every trend-setting inch. It preserves all the features that mean Thunderbird: the classic Thunderbird size and distinctive styling, the four-passenger luxury, the famous console, the sports car handling and performance.

At the same time, the unmistakable newness you find in the Swing-Away Wheel is reflected throughout this uniquely new luxury car. As standard equipment, you have the exhilarating, new high-performance Thunderbird 390 Special V-8. Tailored precisely to the Thunderbird's weight and size, this brilliant, new engine brings you Thunderbird spirit at its liveliest. A trio of power assists—also standard equipment—functions as a precision team for a new high in automatic driving. New Cruise-O-Matic Drive introduces you to the silk-on-silk smoothness of vacuum-controlled automatic shifting. New Power Steering reduces steering effort up to 65%. New, larger Power Brakes adjust themselves automatically.

As you take the driver's seat, you notice new luxury, new comfort everywhere. See your Ford Dealer to test-drive the unmistakably new, unmistakably wonderful Thunderbird for 1961.

1960 sample agriculture survey is under way in Garza County

The 1960 Sample Survey of Agriculture will be conducted in Garza County during the next several weeks. It was announced today by the Bureau of the Census, U. S. Department of Commerce.

The 1960 Sample Survey of Agriculture will collect information on

ownership and size of farms, acreage and harvest of crops, and livestock production and inventories. Information will be collected also on farm equipment, farm income, construction of new farm buildings, farm contracts, and farm operator debts. This survey will supplement information collected in the 1959 Census of Agriculture.

Farms in the county which will be covered in the 1960 Sample Survey of Agriculture were selected at random under the Census Bureau's scientific sampling program to provide a representative cross-section of all farms in the county. Information collected locally will be combined with that collected in other areas of the country to provide national estimates.

Local interviews for the 1960 Sample Survey of Agriculture will be conducted by Dempsey W. Sims Jr.

Grid broadcasts set by Humble

Five games played by Southwest Conference football teams will be broadcast Saturday by the Humble Company. Humble also will co-sponsor the NCAA live telecast Saturday of the Ohio State-Iowa game, beginning at 1:45 p. m. CST.

ANNOUNCING... the Upcoming Post and Garza County DIRECTORY

The Johnson Publishing Co. announces that enumeration in Post will start early next week, with a complete canvass house-to-house and of business places. The Directory will contain a wealth of valuable information... saving business people time and money and helping increase business and profits.

Coverage of the rural sections of Garza County will be included. The alphabetical section will list (for the first time), the names and ages of minor children. Telephone numbers will be shown in the alphabetical and classified sections, and a cross-cross telephone section will also be included.

The Post Chamber of Commerce office will be the home of a complete library containing city directories published all over Texas, plus principal cities in other states. This exchange setup affords valuable advertising for Post, since a Post directory will be found in some 900 directory libraries coast-to-coast following publication of this book.

The Post Art Guild, still less than one year old, will have its first art exhibit Sunday afternoon at the Algeria Art Center. The guild was organized in February and during the last few months has grown to a membership of 15, all of whom will have work on display Sunday. Hours are from 4:30 until 6 o'clock.

Mr. and Mrs. S. M. Puckett observed their 51st wedding anniversary Sunday. Due to ill health, guests were limited to members of the family. They were Mr. and Mrs. Clifford Puckett, Mr. and Mrs. Howell Hutto, Mr. and Mrs. Jack Rollins, John and David, all of Lubbock; Brode Puckett and Judy of Wichita Falls. Mrs. Lorene Cash and Mrs. Lala Pennington.

A large number of Postites were in Lubbock Monday night for the Fred Waring Show by Civic Lubbock. Among those were: Mr. and Mrs. David Newby, Mr. and Mrs. E. R. Newby, Mr. and Mrs. Irby Metcalf, Mr. and Mrs. Giles McCrary, Mrs. Nell McCrary, Mr. and Mrs. James Pollard, Mr. and Mrs. E. A. Franklin, Mr. and Mrs. Carleton Webb, Mr. and Mrs. Warren Yancey, Mr. and Mrs. J. E. Birdwell, Mr. and Mrs. Clint Herring, Mrs. Jim Cornish and Mrs. Julian Smith.

Mrs. Tom Power entertained with a coffee Tuesday afternoon in honor of Mrs. E. R. Newby. Mrs. Newby and her husband, who live in Oklahoma City, visited here the first of the week with their son and family, the David Newbys. Guests for the occasion were: Mmes. J. E. Birdwell, Irby Metcalf, Jim Cornish, R. J. Jennings, D. C. Williams, Warren Yancey, J. E. Parker, I. N. McCrary, David Newby, Giles McCrary, S. E. Camp, Bryan J. Williams and Ollie Newkey.

Post clubwomen attend TFWC district meeting

A workshop for the Caprock District of the Texas Federation of Women's Clubs was held in Floydada Saturday, Oct. 29, with eight Post clubwomen attending.

Representing the Amity Study Club were Mmes. Malcolm Bull, Bob Collier and Conrad Hartel, and Mmes. J. H. Haire, D. H. Koeninger, James Matthews, E. S. Stewart, and Lee Davis went from the Woman's Culture Club.

Mrs. T. L. Jones, Post clubwoman, was elected a district life member. Each district is allowed two life members and one state life member.

District board members from Post are: Mrs. Hartel, Land and Timber Resources Committee; Mrs. Koeninger, Vogue Dress Contest; Mrs. Matthews, Health Division; Mrs. Haire, Safety Division; Mrs. Jones, Friendship Committee, and Mrs. Davis, Revisions Committee.

George Duckworth, 75, honored at Chuck Wagon party Sunday

Friends and neighbors of George Duckworth helped to celebrate his 75th birthday Sunday at a Chuck Wagon party at his home in Justiceburg. Cecil Smith served as Chef for the party and such food you've never eaten. The fare consisted of Cowboy beans, son-of-a-gun, steak, stewed apricots, and sour dough biscuits, with pickles, onions, and all the things that go with a cowboy feed. Pots of coffee were on the fire and gallons of it were consumed throughout the calling hours. Mrs. Duckworth made the biscuits for the entire crowd.

Granddaughters, Jerry McLaurin and Sandy Cross, and a niece, Mrs. Francis Albright, furnished piano selections throughout the afternoon. Many were the tall tales that were told, but the tallest ones were told by George, John Boren, and Ed Scott. Such amateurs as Cecil Smith and Ott Nance were laid in the shade.

The afternoon was spent in visiting, and the singing of old familiar songs by the group, with Mrs. Albright at the piano.

There was something very special about the chuck box for the occasion. Tom Boucher, a lifelong friend, donated the material for it and Tom Carter, a good friend, donated his time to make it, so it is very special.

Relatives attending from Amarillo were Mr. and Mrs. Bud McLaurin and children, Jerry and Sidney Lee, and George Knox. Mrs. McLaurin is the daughter of the honor guest, Mr. and Mrs. W. H. Henderson and daughters, Mrs. N. B. Albright and Mrs. Clyde Crump and her two daughters, (Mrs. Henderson is the sister of Mrs. Duckworth). N. B. Albright also attended and proved to be a good wood hustler, and kept the fire going. Duckworth's two brothers from Post, Walter and Ira Lee and their families were also in attendance.

Relatives from Justiceburg helping to make this a colorful occasion were his daughter and family, Mr. and Mrs. Sid Cross and daughters, Sandy, Micah and Lee Merri, Miss Pauline Knox, sister of Mrs. Duckworth, who also helped in the celebration.

Approximately 100 friends and neighbors called throughout the afternoon, and after wishing George many happy returns of the day, each one expressed the thought that it had been good to have been given the privilege to get together and relive the old days once again.

"Imagine my delight when the church men's committee built us a Medallion Home!" says Mrs. Bruce Clark of Stratford, Texas.

"What will my new home be like?"

We all ask that question, even when we plan the home ourselves. Well, the Church Men's Committee of the First Christian Church in Stratford came up with the perfect answer when they built a new home for their pastor and his family. They built a Live Better Electrically Medallion Home. And that's pretty easy to understand, because men, as well as women, enjoy the every-day comforts and conveniences that make a house a home — and electricity provides most of them. Ask your builder — or Public Service manager — to help you plan a Medallion Home — hallmark of home building excellence.

Golden Wedding anniversary celebrated by Post couple

Mr. and Mrs. J. A. Stallings, 297 West 11th, observed their Golden Wedding anniversary Sunday afternoon when a large number of their friends and relatives called at the Community Room of the First National Bank.

Mr. and Mrs. Stallings were married in Amarillo on Sunday, Nov. 9, 1910. They moved to Garza County in March 1916, but were transferred to Lamesa in 1917 by the Santa Fe Railway, by which Mr. Stallings is still employed. From Lamesa they were transferred to Snyder, and in 1924 they again moved to Post and have lived here ever since. They have one son, James Stallings of Dallas, and one daughter, Mrs. Kathryn Durham of Lubbock.

Grandsons of the couple, Jimmy and Eddie Stallings of Dallas, registered guests.

Decorations featured a golden theme with arrangements of gold and white mums given the couple by a longtime friend, George Samson.

The serving table was laid in an imported ecru cloth from Switzerland, with a gold service used. The centerpiece was of gold chrysanthemums with the letters "50th Year". Gold candelabra was placed on the table. Cake and coffee were served.

Music selections were played throughout the afternoon by Mrs. Ray N. Smith and Mrs. Warren Yancey. Solo numbers were by

Mrs. Tom Power, who sang "Through the Years"; Mrs. A. J. McAlister, Mrs. Ronald Babb, Mrs. Billy G. Jones, Mrs. Giles Dalby of Lubbock, Mrs. Floyd Payne of Snyder, and Larry Lusby of San Angelo.

Guests included Mrs. Stallings' sister, Mrs. Helen Ivancovich of Tucson, Ariz., who attended the couple at their wedding; their son and family, Mr. and Mrs. James Stallings and sons of Dallas; their daughter and son-in-law, Mr. and Mrs. Royce Durham of Lubbock; Dr. and Mrs. R. C. Goodwin, president of Texas Tech; Dr. and Mrs. S. M. Kennedy and children, dean of Arts and Sciences, Tech; Mr. and Mrs. E. W. Zukauskas, Bill and Jim, Horticulture instructor, Tech; Mr. and Mrs. D. F. Tipton and David of Lubbock, Division Freight and Passenger Agent for Santa Fe Railway;

Also, Mr. and Mrs. J. F. Gilbert, retired Santa Fe agent from Sweetwater; Mr. and Mrs. K. C. May, Superintendent of Santa Fe, Slaton; Mr. and Mrs. W. H. Clements of Lubbock, registrar emeritus, Tech; Miss Evelyn Clewell of Lubbock, assistant registrar, Tech; Mr. and Mrs. J. K. Coppenbarber of El Paso, Mr. and Mrs. W. C. (Ted) Russell and Mr. and Mrs. Jack Russell of Hamlin; Mr. and Mrs. Ross A. Buckner of Seagraves; Mr. and Mrs. James Lovelace of Hobbs, N. M.; Mr. and Mrs. Allen Benton, Mr. and Mrs. J. N. TEACHER IN SPOTLIGHT

Mrs. Lillie McRee
school librarian

By Linda Kuykendoll

Mrs. McRee, high school librarian, has been chosen as a personality to be spotlighted this week. She was born in Dallas County near Dallas, and attended school in Dallas until she was 15. Then she and her family moved and she finished her high school and two years of college at Thorp Springs Christian College.

In 1935, after one year at Abilene Christian College, she married a young man who was also a teacher. After he taught for four years he quit the profession and went to work in a bank. He died in 1940 and Mrs. McRee went back to school.

She attended Tech, received her degree from Howard Payne College, and attended North Texas State. She holds two library certificates and two teaching certificates. She has her B. S. degree and has completed 33 hours in library science.

In August of 1940 Mrs. McRee moved to Garza County. She is the advisor of the High School Library Club. She makes the comment, "I have been teaching school and library for 27 years. This is my hobby as well as my home. I love working with students. I find it is very fascinating."

Bonfire held before homecoming game

By Anne Morris

A bonfire was held last Thursday night at 7:30 just south of the band hall. The fire was the largest in a long time and everyone got just a little bit roasted. Sharon Isaacs was mistaken for the Slaton Tiger dummy once, but finally everything was straightened out. About half way through the pep rally the real dummy was thrown into the fire by our captains, Mike Cornell and Jimmy Minor, while Charlotte Taylor played "Taps" on the trumpet. The bonfire wasn't very long but we hope it did the boys a lot of good.

Student Council sells homecoming mums

By Jane Maxey

The Student Council sponsored the selling of mums for homecoming. The members of the Student Council and of the pep squad were responsible for selling them. The profits that were made will go in the expenses for homecoming and for the coming operations of the Student Council.

Students enjoy banquet after Slaton game

By Jane Maxey

If you noticed a bunch of cars parked around the City Hall last Friday night, it was because of the fine banquet held by the First Baptist Church after the Slaton game. Everyone appreciated all of the work put into the banquet by the First Baptist Church and would like to thank them for it.

HOME FROM COLLEGE

Miss Peggy Butler, who is a student at West Texas State, visited with her parents this weekend, arriving on Friday and returning to Canyon on Sunday afternoon. Mr. and Mrs. Stanley Butler visited with relatives in Lubbock Sunday afternoon.

ENMU STUDENT HERE

Miss Lucy Ann Trammell, a student at Eastern New Mexico University, spent the weekend with her mother, Mrs. Katharine Trammell, and attended Post homecoming activities.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Isaiah	7	13-16
Monday	Proverbs	6	20-22
Tuesday	Galatians	4	1-7
Wednesday	Ephesians	6	1-4
Thursday	II Timothy	3	14-17
Friday	Hebrews	13	7-8
Saturday	Psalms	77	13-14

I call Bruce my combination angel-terror. Soon he will be four, and he is a fascinating mixture of mischief and goodness.

At bedtime, I always tiptoe into his room to be sure he's covered. Then it is that I am struck by the innocence of his face in sleep. Then it is that I realize how helpless is this small dynamo, who plunges with such boundless energy about our house and yard all day. Then it is that I am struck by the awesomeness of my responsibility.

I realize it is entirely up to me to see that Bruce learns right from wrong, to see that he grows into the sort of man who will be a credit to his family, his community, and his country. I must teach him to keep a steady heart and a level head, to resist the many temptations that will be strewn in his path, to hold honor and truth and integrity high.

When I think of my task, I send a small and special prayer to God to aid me. And I thank God for his Church on earth which, for years to come, will be helping me, again and again, in making my small mischief into a man.

Variety of reasons for wanting math

By Gloria Peoples and Martha Goode

Have you ever asked yourself, "Why am I taking math?" or "What good will it do me after I graduate?" Today, more than ever, we feel that mathematics is more important because of the space age...

Through mathematics we design and build a better way of life for the American people.

We took a survey and asked several students how they felt math would help them. Some of the students answered our questions in fun, but others were more serious...

Wendell Duncan agrees wholeheartedly with Mr. Baxter's views that to survive we need more and more people educated in math and science.

Nuel Landreth feels he will need math more and more than anything else to be a petroleum engineer...

David Lee, who is a little mixed up, thinks he will need math not because of what you learn, but because it will help you to think.

Danny Jones thinks math will help him considerably in getting a good job.

Frankie Howell and Sharon Moore agree that math will help them in their housework. They feel they will need math for such things as budget planning, writing checks, baking cakes, and especially in fixing a baby's formula.

Jan Herring thinks that paying bills involves math and that there will be a considerable amount in the future.

Jimmy Hodges is quite positive that he will need a lot of math in working out figures to pay for an engagement ring for a very special girl.

Nancy Bingham, who is a mixed-up freshman, thinks math would be needed if you planned to run a business or plan to do anything involving math, but she doesn't think she would need it, since she plans to be a housewife.

Greg Magalanez thinks math will be needed in your daily life in figuring your expenses, income tax, etc.

SCIENCE SPOTLIGHT

Gary Simpson is club secretary

By Janene Haynie. Our spotlight this week shines on Gary Simpson, who is secretary-treasurer of the Science Club.

Gary is the son of Mr. and Mrs. Paul Simpson. He was born in Amarillo, July 5, 1943. Some of Gary's likes and dislikes are: favorite subject, physics; favorite food, steak; favorite color, green; rite movie, "Giant"; favorite song, "New Orleans"; favorite actress, Carol Burnett; favorite actor, Montgomery Cliff; and his favorite pastime is "just doing nothing". Gary's hobby is golfing and his pet peeve is "people who tear covers off other peoples' books—Minors!"

Gary's plans for the future are going to college and we wish him the best of luck!

WORD GAME

Exactly what is a 'wont'?

By Terry Power. What is a wont? Dixie Lucas: An animal. Mrs. Wristen: An idea. Tony Hutto: Homework. Delbert Cummings: A question. Gene Wilkerson: To win or have won. Eloisa Bustoz: A word. Mary Barnes: An animal. Claudia Crenshaw: To want. David Perez: A verb. Steve McDonald: Who cares? Linda Bias: An impossibility. Simon Wheeler: A person. Patricia Johnson: An odd bird. Ronnie Mayberry: I wouldn't know! Donnie Cornell: Someone like Lamar Jones. ("Wont" is a noun meaning custom, habit or use.)

SPECIAL BAND ROUTINE

By Charlotte Bland. The band worked all week on a special routine for our homecoming Friday. They intended to show Slaton up on the field as well as in the stands.

The courthouse glamour of election nights is now a thing of the past for the big presidential elections. All attentions now are centered around the TV box in the living room. There's not a such real drama in sitting up with your TV all night as a lot of folks did Tuesday night because the TV people stage their show with the drama pushed into the background. Something's missing in this day of the big computers which figure you the odds on a candidate within 15 minutes after the polls close. Actually the Tuesday presidential race was a mighty tight affair between Kennedy and Nixon but the computers goofed and ruined the drama. They had a lot of folks asking "an 'aha'" when in actuality it was the closest presidential election in over 40 years.

But getting back to the courthouse, the wait Tuesday night was a long and dreary one. The last box—North Post—didn't come in until 2:45 a. m. with Harold Lucas, presiding election judge, telling us next day that 35 to 40 per cent of the voters split their ballots to candidates of different parties making the big ballot count a mighty lense and tough one. That's why it seems so much simpler to us to get rid of this "scratch system" of marking a ballot and start marking X's in the ballot squares. It sure is easier for the counters and to our way of thinking lots easier for the voters too. But habit is difficult to change—so this probably won't be happening in Texas soon.

A number of folks called to say thanks for The Dispatch distributing sample ballots in last week's edition for study before making the trip to the polls. Many indicated it made their voting a whole lot easier.

For the folks who've applied for jobs on the city directory enumerating crew, this is to report that it may be three or four weeks before the enumerating gets under way here. You will be contacted for an interview about that time and all names and addresses receive in answer to recent ads will be turned over to the directory people when they are ready for the interviewing. So be patient. You'll be contacted. As we understand it about 15 women will be employed on the project.

As Wilke points out, getting rid of rattlesnakes helps ranchers and everybody. And to hear Wilke tell it, Durham is a well equipped expert to catch those snakes alive.

Slaton vote—

(Continued from page 1)
requirement of a year's wait between liquor elections has been observed.

Wet backers say they will press for both taverns and retail package stores. But one fact is obvious. Voters in the city of Slaton are not as strong today for legal liquor as they were a year ago. A wet victory in the precinct would locate all the stores out of Slaton as close as possible, thus preventing any economic benefits to the city of Slaton.

So in a precinct election, Slaton conceivably would vote even "drier" than it did last Saturday. While most observers think it is only a question of time until some community closer to Lubbock votes to go wet for the Lubbock business, it may now take a lot more time than was believed possible only a week ago.

The precinct vote on the presidential race in the county was as follows, according to County Clerk Carl Cedarholm's unofficial figures Wednesday:
Southland, 51 to 29 for Kennedy. Verbena, 15 to 11 for Nixon. Justiceburg, 32 to 29 for Nixon. Close City, 47 to 32 for Kennedy. Graham, 30 to 16 for Kennedy. Pleasant Valley, 56 to 14 for Nixon.
South Post, 299 to 155 for Nixon. Two Draw, 79 to 42 for Kennedy. North Post, 341 to 282 for Kennedy.
Absentees, 22 to 14 for Kennedy.

7th graders tie Tahoka for flag, as—

Post eighth graders win district grid title Monday

Post's eighth grade gridders won the district championship at Tahoka Monday night, but the seventh grade club bowed to Tahoka to drop into a tie for its district championship with Tahoka seventh graders.

Coach Glynn Gregg's eighth graders raced to a 22-8 decision over Tahoka to finish with a 5-1 record in district competition with Slaton, Tahoka and Frenship of the crown.

Coach Charles Clark's seventh graders dropped a 14-6 verdict to Tahoka in the other half of the final grid double bill to tie Tahoka, each with a 5-1 record. The Post team had won the first meeting of the two teams here.

With all the scoring in the eighth grade game confined to the initial half, Post scored first when Quarterback Butch Cross capped a

long TD drive with a 10 yard scoring sweep for the six points.

The second touchdown came in the second period. Left End Danny Pierce scored on a 45 yard pass-run play with Cross on the throwing end. The conversion points came on a pass from Cross to End Teddy Scott.

Tahoka ran the next kickoff back 70 yards for its only touchdown and converted.

But Cross scored again before the intermission on a 20 yard sweep and Fullback Benny Owen plunged for the conversion points.

In the second half, the locals twice advanced the ball to the Tahoka one-yard-line, but penalties put them back and they failed to tally. Tahoka never seriously threatened except for the kickoff return that tallied a touchdown.

'Lopes to begin play Nov. 18

Coach Richard Souters got the high school Antelope boys' cage squad to work for the first time Monday afternoon—just eleven days before the season's opener at Ralls, Nov. 18.

DEC. 2 DATE FOR GYM—

Dedication

Post's new gymnasium will be dedicated during a tripleheader cage bill, Friday night, Dec. 2, with the McMurtry Freshmen meeting the West Texas State College Freshmen in the featured game.

Scottie Pierce, Post high cage star last year, is a member of the West Texas frosh squad.

Coach Richard Souter completed scheduling of the freshmen game this week.

The collegians will play at 7:30 p. m. as the middle game with the Post high A team girls playing the Spur girls at 8 p. m. and the Post high boys playing the Spur boys at 9 p. m.

This is not the opening of the local cage season by any means but will be the night the gym is dedicated with ceremonies yet to be announced.

RICHARD RAY HONORED AS

Back of Week

Richard Ray, Antelopes' senior halfback, made his last high school football game a "real game to remember" Friday night in scoring both touchdowns in Post's 14-8 triumph over Slaton.

On the basis of that performance, the Lubbock Avalanche-Journal named Ray the "back of the week" for the South Plains area.

He beat out Jan Crews of Anton, Tommy Camacho of Andrews, Rodney Teague of Floydada, and Randeo Buchenau of Olton for the honor.

Football ends on happy note — 14-8 triumph over Slaton

The Post Antelopes came from behind Friday night to defeat the Slaton Tigers, 14 to 8, and send a large homecoming crowd home happy.

It was the final game of the season for Coach Vernard Alexander's Antelopes and gave them a 2-2 record in District JAA play and a 2-8 mark for the season.

Slaton went out ahead with 4:9 to go in the first quarter when halfback Steve Ball scored from 24 yards out, and it appeared that Slaton was headed for its fourth consecutive victory over the Antelopes. But the Post team, particularly quarterback Kenneth Williams and halfback Richard Ray, had different ideas, and Post was back in the game, 8-6, with 2:17 left in the first half.

WILLIAMS TO RAY
Williams' 23-yard pass to Ray in the end zone put new life in the Antelopes and they came back with a fourth quarter touchdown on an 11-yard run by Ray to put them in front for good. Quarterback Leslie Acker hit end Dwayne Capps for the extra points.

In the final analysis, however, it wasn't the offense that won the game. It was the superb defense thrown up by the Post line and secondary that stopped the Tigers on drive after drive. One stop came on the Post 6-yard line just as the half ended.

The Post team's first half was a miserable one as far as offense was concerned, but the Antelopes turned on the steam to dominate play in the second half, with pass interceptions by Acker and tackle Bobby Hudman contributing to the Tigers' downfall.

RAY'S BEST NIGHT
RAY averaged eight yards on six carries in addition to scoring both touchdowns for his best night of the season. He gained a total of 48 yards.

yards on 15 tries and Harold Wayne Mason a net of 36 yards on 13 carries.

Slaton scored after two offensive thrusts for Post had failed. Mason's good kick took a bad bounce and the Tigers gained possession on their 41. They scored four plays later with Ball going over. Fullback James Wright added the extra points on a line plunge.

The Antelopes began their move about midway of the second quarter. After gaining possession on their 19, they made three first downs the hard way—with a measurement required each time—before Williams hit halfback Tommy Boucher with a 15-yard pass that put the ball on the Slaton 33. Ray scooted for 10 yards and a first down on the 23 to lead up to Williams' payoff pass. Acker's pass to Capps was incomplete for the extra points, and the first half ended with Post trailing, 8-6.

ANTELOPES THREATEN
The third quarter was scoreless.

but the Antelopes threatened after Acker intercepted Teferitiller's pass on the Tiger 35 and got back down to the 14. Slaton held for downs and took over on their 8-yard line.

Wendell Duncan returned Teferitiller's punt 10 yards to the Post 25 to set the machinery in motion for Post's clinching touchdown.

Williams' pass to Ray carried all the way to the Slaton 23 and five plays later Ray skirted Slaton's right end for the touchdown. Acker hit Capps with a pass for the extra points.

Slaton got a drive going, but Hudman intercepted Teferitiller's pass on the 32 to wipe it out.

Post drove to the Tiger 12, with the big gainer a 28-yard pass from Acker to Minor, but tackle T. L. Blisard intercepted Williams' pass on the Slaton 9-yard line to half the drive.

The end of the game found Slaton completing a 16-yard pass to their 44-yard line.

HERE! EASIER GOING FOR THE DRIVER AND THE LOAD, LONGER LIFE FOR THE TRUCK!

'61 TORSION-SPRING CHEVROLETS

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

and look! NEW REAR-ENGINE CORVAIR 95's

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,900 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvaire 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule!

EVERYBODY KNOWS
That November 11th has been declared all VETERANS DAY and a lot of folks know already that WE WILL BE CLOSED all day on that day.
NOT THAT WE FEEL LIKE WE NEED A DAY'S REST, we have had plenty of them lately, BUT BECAUSE we need to bear in mind that a day of remembrance for ALL THE BOYS or rather most of them are middle-aged to OLD MEN by now, but just a day in which to STOP and REMEMBER and APPRECIATE what it means to know that what they did for us is WHY WE ARE HERE NOW.
No other holiday should be more outstanding nor should we be less concerned than we are on July 4th or on Thanksgiving Day.
LET'S LEAVE OFF OUR BUSINESS and observe the day set aside as ALL VETERANS DAY.

Baseball project part of Community Chest

The newest participating agency of the Garza County Community Chest is the Youth Summer Baseball program, which will receive \$2,000 from this year's budget.

The \$2,000 will be used during the coming year to get under way with an expansion and improvement program at the youth baseball field—a program that is being set up for two years and will cost \$4,900.

Where will the other \$2,000 come from? Chest officials have agreed to include the baseball program for another \$2,000 in the 1962 budget, and on the basis of this agreement, The First National Bank will lend the program the additional \$2,000 (with no interest charge) needed to push the expansion and improvement program to the earliest possible completion.

Officials of the Youth Baseball program said the bank will be repaid with future chest receipts over the next three years.

The Youth Baseball program fills the summer recreational needs of some 275 boys between the ages of 8 and 16. The only revenue at the games is from voluntary contributions, since no admission is charged. These contributions have not been sufficient even to meet expenses, much less pay for expansion and improvements.

Currently, a new park for use by the Babe Ruth League and an American Legion Junior team is being completed. This new park was far enough along last summer that it was used for day games, but there were no lights and no seats for spectators. Babe Ruth League night games were played on the Little League field, which

needed resetting bases and taking down the Little League fence for the older boys' games and then reversing the procedure for the Little League games.

Grass has been planted on the playing fields for the first time, which is necessary before official playoffs can be held here for either league. The City of Post recently assisted the baseball organization in setting up a pump and pumping water from South Lake with which to water the grass. The City has also afforded help in the watering of the grass and has promised additional assistance in its care and maintenance.

The County has helped in keeping the road leading to the park passable in bad weather, but is unable to give any financial assistance on the basis of a ruling by the attorney general's office involving park ownership and other technicalities.

Plans for next year, in addition to the grass maintenance, call for building of two rest rooms, bleachers at the new Babe Ruth League park and repair of bleachers at the Little League park, which have been in use for over five years.

The leagues and the entire summer baseball program are operated by volunteer adult workers. All contributions and the money to be received from the Community Chest will be used for such expenses as utilities, equipment, expansion and improvements.

Garza archaeological group meets tonight

The Garza County chapter of the South Plains Archeological Society will begin their fall sessions with a business meeting tonight at 7 o'clock. The meeting will be held in the headquarters building at the Boy Scout Camp.
 Following the business meeting, a program will be presented. All interested persons and members are urged to attend.

J. B. Potts heads college fund drive

J. B. Potts, Post, has been named as Garza County chairman of the Lubbock Christian College 1960 Financial Campaign, according to Dr. F. W. Mattox, president of the college. Campaign goal has been set at \$2,077,000 with the Garza County goal set at \$20,000.
 Lubbock Christian College, now in its fourth year of operation as a liberal arts junior college, has an enrollment this fall of approximately 380 students. Total campus assets amount to \$2,000,000 including the Auditorium - Administration Building, a 60-room women's dormitory, and 14 semi-permanent buildings. A giant field house, 282 by 182 feet, now under construction, will be one of the largest in the nation.
 The campaign is designed to complete the financing of the two present permanent buildings, provide for erection and equipment of the field house and build a dormitory to house 130 male students. It also aims to make available a three-year operational fund of \$300,000 to assure continued high level academic standards, more teachers and an improved salary level. A three-year fund of \$120,000 to sustain the student work program and provide scholarship aid to gifted students with limited means also will be set up.

Garza County girl named to chorus

LUBBOCK — Sharon McGehee, daughter of Mr. and Mrs. Weldon McGehee, has been selected to sing this year with the Lubbock Christian College Meistersingers Chorus, directed by Wayne Hines. The chorus is planning several concerts on the campus and in the surrounding area.

Post Navy man will be seen on TV show

LONG BEACH, Calif.—David D. Beck, boatswain's mate third class, USN, son of Mr. and Mrs. Oscar Z. Beck of Post, Tex., appeared in the filming of a television show with actor Ernest Borgnine Oct. 3, while serving aboard the anti-submarine warfare support aircraft carrier USS Kearaarge operating out of Long Beach, Calif. The film personality narrated the program which is scheduled for release in early 1961 in commemoration of the 50th anniversary of Naval Aviation.
