

# Post merchant's meeting set Friday

A mass meeting of all Post merchants—the first in several years—has been called for 7 p. m. Friday in the banquet room at Levi's Restaurant to consider several projects which will be presented by the Chamber of Commerce Retail Committee for joint action.

This will not be a dinner meeting. Refreshments will be served.

Tom Power, chairman of the Chamber retail committee, emphasized that it is very important that every merchant attend. He explained that his 16-member committee has been working hard to prepare

a merchant retail program in several fields and is now ready to present these projects to the merchants.

All merchants, whether or not they are Chamber members, are urged to attend.

Power pointed out the success of any of the committee proposals depends upon all the merchants understanding the proposal and supporting it. He promised a fast moving session with no lost motion.

The Chamber retail committee in its second luncheon session at Levi's Restaurant last Thursday ap-

proved five projects for presentation to the mass meeting of merchants tomorrow night.

Sub-committees had worked up the details for the projects.

Continuation of Double Dollar Days and beginning of monthly Howdy Days will be proposed for town-wide promotion.

A "howdy Book" for all community newcomers to be distributed through the Chamber of Commerce with merchants offering gifts through coupons in the book will be offered to acquaint newcomers with local merchants.

A public relations course for employees and their employees scheduled for July 10, 11, 13, and 14, to cost \$2.50 each, has been arranged by the Post Retail Merchants Association and is endorsed by the Chamber retail committee.

A credit seminar for local merchants and bank officials has been proposed to secure better consumer credit accounts for local stores.

Downtown parking also will be discussed at the mass meeting of merchants. Powell Shytles heads the sub-committee which is studying this problem to make its recommendations.

## Garza girl to Spelling Bee

Garza County's representative in the annual Avalanche-Journal Spelling Bee at Lubbock Saturday is Diana Pruitt, 13, 7th grade student in the Close City School and daughter of Mr. and Mrs. Charles Pruitt.

The bee will be held beginning at 10 p. m. in the O. L. Slaton Junior High School auditorium and will be open to the public.

The winner of the bee will receive a top prize of a trip to Washington, D. C., for National Spelling Bee Week to be observed May 29 through June 3.

Diana became Garza County champion by winning over five other contestants in the county bee held last month.

## 21 cases set on docket for county court

Twenty-one cases are on the docket for a term of county criminal court to open Monday morning before County Judge J. E. Park

er. The defendant, L. C. Frazier, faces eight liquor law violations. The term of court, the earliest of the cases dating back to May 1959.

Also on the docket is the case of James Robert Johnson, charged with driving while intoxicated. The case was filed March 18, 1960, and trial on the charge Sept. 19, 1960, resulted in a hung jury.

Other cases on the docket and the dates they were filed are:

Gerald Gonzales, unlawful transportation alcoholic beverages, Aug. 1960.

Ruben L. Williams, unlawful transportation alcoholic beverages. See COURT DOCKET, page 8.

## Retail Merchants schedule course

A sales management development course in public relations will be held here July 10, 11, 12 and 13, sponsored by the Retail Merchants' Association of Post in cooperation with the University of Texas Distributive Education department.

The course will require 16 hours of instruction and the cost to each student taking it is \$2.50, according to E. E. Pierce, manager of the course.

The instructor will be Jule Thomsen. The public relations course is for employees in distribution. They will be given the opportunity to understand and discuss these subjects: What Public Relations Is; The Public Relations Officer; The Retailer's Role in Public Relations; The Importance of Group Relations; Conversation Is a Powerful Tool; Overcoming Customer Relations Problems.

## Final approval given post office plans

The post office department has given final approval to plans for a new post office building, and construction is expected to be underway before May 1.

G. Metcalf Jr. told The Dispatch he has received a letter from James M. Leslie, chief engineer for the post office department of Dallas, saying that approval had been given the

plans. The small changes remain to be made, however, and Metcalf will work these out in the next few days.

### GARZA BOYS TOP COTTON WINNERS

J. W. Borders (center) Whitharral, vice president of the Plains Cooperative Oil Mill, presents awards to J. W. Payton (left) and Jerry Ligon, both of Garza County, who were named top winners in the 1960 4-H Club cotton production contest in District 2.—(Lubbock Avalanche-Journal Photo.)

## Teen Town dates are announced

An eighth grade dance and two date changes for the high school use of Teen Town were announced today by Mrs. Jim Cornish, secretary of the youth center.

The center will not be open Saturday night, as customary, for high school youth because of the Junior-Senior Prom Friday night which would reduce Saturday night interest to a minimum.

The eighth grade dance will be held Friday, April 21, from 7:30 to 10:30 p. m.

The youth center will be open for high school youth Saturday, April 22, as usual.

But the high school night for the following week will be changed from Saturday, April 29, to Friday night, April 28, due to a conflict of dates for the center's co-directors, Mr. and Mrs. Bill Hatler of Texas Tech.

## Meeting on civil defense tonight

A civil defense meeting will be held at 7 o'clock tonight in the district courtroom with W. R. Bodine of Austin here to help complete the Garza County organization formed a few months ago.

Bodine is planning and operations officer for the State of Texas on civil defense and disaster relief. He will make suggestions on what the Garza County unit can do to perfect its organization.

Everyone is invited to attend tonight's meeting, County Judge J. E. Parker said.

## Garza County youths top cotton winners

Two Garza County youths, J. W. Payton and Jerry Ligon, were named top winners at Lubbock Saturday in the 1960 4-H Club cotton production contest in District 2.

It is believed to be the first time in the history of the contest that winners in both divisions are from the same county.

Payton, 20, son of Mr. and Mrs. Carl Payton of the Pleasant Valley community, won first in the irrigated division with a big average yield of 1,219 pounds of lint per acre.

Ligon, 18, son of Mr. and Mrs. Elvius Davis of the Graham community, topped the dryland division with a per-acre production of 554 pounds of lint.

Each of the two boys received a cash award of \$125 for winning first place in his division.

Winners were announced and awards presented at a luncheon at the Plains Cooperative Oil Mill, which sponsors the contest in cooperation with the Texas Agricultural Extension Service.

Attending the luncheon from Garza County were members of the two winners' families and County Agent Lewis C. Herron Jr.

Two Lynn County youths, Eddie Joe Moore and Lyndol Askew, both of O'Donnell, were close runners-up in both divisions.

operation with the Texas Agricultural Extension Service.

The extension will be from where FM 122, also known as the Wilson Road, comes onto U. S. 84, eastward to a connection with FM 122 the Ralls Road—a distance of about eight miles.

The new road will provide an all-weather route into Post for some 30 or 40 farm and ranch families living north of Post.

The board's action came at their regular April meeting after Supt. R. T. Smith explained that the Texas Education Agency will pay the teacher's salary plus \$50 for operation of the class. There would be no cost to the school district.

The board also elected Mrs. Mary Frances Watkins, wife of

Don Watkins, high school girls' basketball coach, as a fourth grade teacher for the 1961-62 school year.

EXECUTE DEED  
In other action Monday night, the board passed a resolution executing a deed conveying the Garza school property to Lester Josey, whose bid on purchase of the approximately four acres had been accepted by the board at an earlier meeting.

The board also agreed to the request of Pritchard & Abbott, tax

## Postings

By JIM CORNISH

Next week The Dispatch is coming up with something new—a Birthday Edition to commemorate Post's 54th spring birthday. The town was founded back in 1907—and there still are a number still around who recall those early days. We don't know how good a birthday paper we'll have, because there's never quite enough time, but we're figuring on a 24-pager with a raft of stories and pictures about the early days. Watch for it. There won't be time to contact everybody this time, but we thought by having a Birthday Edition each year, tuned to Post's progress, we'd eventually have the opportunity to get all the old stories of town building back into print. We'll have some extra copies at the office in case there's something in it you'll want to mail to a relative or old-timer. But come in for them early.

It's been several years anyway since anybody tried to get all Post's merchants together to discuss their problems. But that's exactly what is scheduled for 7 p. m. Friday in the banquet room at Levi's Restaurant. It will be a snappy session with some good projects all worked out for presentation to the merchants for discussion and adoption. The important thing is for everybody to be on hand as explaining everything just once would be the best break possible for Tom Power's 16-member retail committee of the Chamber which has been working for several weeks on the projects. If you're a business man, cooperate and be there. Everybody's invited.

"Another first at the First National Bank" is the way the bank on page 9 today announces it is now making FHA Title 1 Loans. With almost everybody wanting to make some home improvements, the bank is ready to finance such improvements. Take a look at the ad and then stop in at the bank and get the details for yourself.

Irby G. Metcalf Jr. will preside over the 36th annual meeting of the South Plains Bankers Association in Midland next Thursday and Friday. The local bank head is president of the South Plains Bankers this year. Also planning to attend from Post are Mrs. Metcalf and Mr. and Mrs. J. B. Potts.

Over on page 15, you'll find the second weekly health column, Hospital Health Letters, written by members of the medical staff of Garza Memorial Hospital. The column made its debut last week and in the rush to get the paper out on time after some difficulties, we overlooked a note to ourselves to call attention to that first column. (See POSTINGS, page 8)

## Pre-school class okayed by board

The Post Independent School District's board of trustees voted Monday night for operation of a pre-school class this summer for non-English speaking children providing the minimum requirement of 15 pupils can be enrolled.

The board's action came at their regular April meeting after Supt. R. T. Smith explained that the Texas Education Agency will pay the teacher's salary plus \$50 for operation of the class. There would be no cost to the school district.

The board also elected Mrs. Mary Frances Watkins, wife of

Don Watkins, high school girls' basketball coach, as a fourth grade teacher for the 1961-62 school year.

EXECUTE DEED  
In other action Monday night, the board passed a resolution executing a deed conveying the Garza school property to Lester Josey, whose bid on purchase of the approximately four acres had been accepted by the board at an earlier meeting.

### HIGHWAY PATROLMEN ON DUTY IN POST

Highway Patrolmen Max Knox (left) and Henry Harden are on duty in Post after being assigned here April 1. Knox is from Lubbock. Harden, whose hometown is Lockney, has been stationed at Hereford the past two years with the Department's driver's license service. Both patrolmen are married and have two children.—(Staff Photo.)

After surviving gunshot

## Garza man dies of heart attack

J. O. (Tobe) Roberts, 68, Pleasant Valley community farmer, died of a heart attack about 9 a.m. yesterday in West Texas Hospital, Lubbock, after apparently recovering from a gunshot wound and complicated surgery.

Mr. Roberts had been in the hospital since being shot and critically wounded by a Negro employee, Chester Tatum, on March 20.

Funeral services for Mr. Roberts were to be held at 3 p. m. today in the First Christian Church here.

Officiating will be the Rev. Almon Martin of Cisco, a former pastor of the First Christian Church here.

Burial will be in Southland Cemetery under direction of the Hummer Funeral Home. Pallbearers will be Cecil Lee, Maurice Fluit, Clark Barton, Clovis Robinson, Horace Hitt and Tom Gambin.

Hospital attendants said Mr. Roberts was recovered from the wound and was to have been discharged from the hospital yesterday afternoon.

Mr. Roberts was a former resident of King County, where he was a foreman on the Patton Ranch, and moved to Garza County in 1940. He and Mrs. Roberts were married March 14, 1936, in

## Survey benefits will be topic

Benefits Post would receive from a complete industrial survey will be explained to local Rotarians and Lions at a joint luncheon meeting of the two civic clubs next Tuesday noon in City Hall.

Post Developments, Inc., is bringing a representative of the Industrial Economics Research staff of Texas A&M College here for the luncheon appearance to discuss such a survey in more detail with members of Post Developments next Tuesday night.

The Industrial Economics Research staff at Texas A&M already has conducted confidential industrial surveys and evaluations for some 27 Texas towns and cities on a cost basis since being handed the job by the Texas Industrial Development Commission.

Irby Metcalf Jr., president of Post Developments, will introduce the speaker at the joint luncheon meeting.

## Matthews heads hospital staff

Members of the staff at Garza Memorial Hospital elected Dr. James B. Matthews president at a special meeting Monday.

It was the first election of officers since the hospital staff was organized soon after opening of the hospital in August of 1952.

Dr. Harry A. Tubbs, outgoing president, was elected vice president, and Dr. B. E. Young was re-elected secretary.

Trustees of the hospital ratified rules and regulations adopted by the staff calling for regular election of staff officers in the future.

## Tyler minister is new pastor of First Christian

The Rev. Bernard S. Ramsey of Tyler, will assume his new duties as pastor of the First Christian Church here about May 1, Thomas W. Gambin, chairman of the church's pulpit committee, said Tuesday.

Rev. Ramsey is now serving as pastor of the Ross Avenue Christian Church in Tyler.

He is a native of Georgia and a graduate of the University of Georgia and Chandler School of Theology, Emory, Ga.

The new pastor, his wife and their three children will visit here this weekend. The Ramseys' 19-year-old son, Bernard Stephen Ramsey, will graduate in May from Tyler Junior College. The oldest of their two daughters, Nancy Elaine, 17, is a senior in John Tyler High School, and the other daughter, Susan Virginia, is an 8th grade student in Boulter Junior High School, Tyler.

Rev. Ramsey preached at the church here on Easter Sunday. He will fill the vacancy created last summer by the resignation of the Rev. Almon Martin, now pastor of a First Christian Church in Cisco.

Members of the local church's pulpit committee besides Gambin are Mrs. Estelle Davis, Mrs. Ella Mae Hudman, K. Stoker, James Pollard and Mason Justice.

## Band Boosters are reorganized

Post's Band Boosters Club was reorganized at a meeting Monday night with Lewis C. Herron Jr. elected as president.

The band boosters organization was disbanded about three years ago.

Other officers elected were: Dr. B. E. Young, vice president; Mrs. Robert Cox, secretary; Byron Haynie, treasurer; Mrs. L. F. Welch, reporter; and Mrs. Floyd Duncan, assistant reporter.

Mrs. B. D. Litton was named as head of the club's mailing committee.

By-laws were drawn up, approved and adopted by the club. The club's next meeting will be May 8.

## Lions candy sale is scheduled for Friday

One of the biggest days of the year for the Post Lions Club will come Friday when they launch their Candy Day Sale for the club's benefit fund—designed primarily for the benefit of crippled, blind and handicapped children of the area.

Members of the club will be in downtown Post to sell candy, with all proceeds going into the benefit fund. Bob Metcalf is the Lions Club chairman for the affair.

Mayor Powell Shytles Wednesday issued the following proclamation in connection with the event:

"Whereas, Gov. Price Daniel of the State of Texas has proclaimed the week of April 10-15 as Texas Lions Candy Week, and

the week of April 10-15 as Texas Lions Candy Week, and

"Whereas, the Lions Club of the City of Post is participating in this event, and,

"Whereas, proceeds from the candy sale will go to the various projects of the Lions Club—such as eyeglasses, artificial eyes, and eye operations for needy persons; financial support of schools for the handicapped, as well as service for various other local projects;

"Therefore, I, Powell Shytles, Mayor of the City of Post, declare the week of April 10-15 as Lions Candy Week, and urge all Post citizens to give it their wholehearted support."

## Big effort on big problem

Tom Power's big and new retail committee is coming up with a retail program which is just what local merchants need to cooperate together for improved merchandizing, credit, service and promotion.

The program also should give the Chamber of Commerce itself a healthy shot in the arm as a graphic illustration of what member cooperation can do in that big civic organization.

The retail committee's program will be presented at a meeting of all Post merchants in the banquet room at Levi's Restaurant at 7 p. m. Friday. Everyone is invited whether or not they are a Chamber member. And everyone is urged to attend.

The retail committee, formed a month ago at the start of the 1961 Chamber year, is composed of some 18 members, each member representing a particular kind of business in Post—such as one dry goods representative, one for dress shops, one for groceries, one for car dealers, one for filling stations, one for variety stores, one for restaurants, and so on.

That gives a good cross-section to work at the job of building a good retail program here from scratch.

This large committee has held two 90 minute luncheon sessions with perfect attendance.

The most likely projects were assigned to sub-committees by Power at the first session and they brought back reports which were approved after discussion at the second.

At the general merchants' meeting tomorrow night—the first such effort to discuss local merchandizing problems in Post in a long, long time—a concise program in several fields will be presented for the merchants' consideration and adoption.

Nothing is going to be launched that most of the merchants don't want to have, as the lack of general cooperation would doom it to failure.

Tomorrow night, the merchants will be handed concrete proposals in joint promotion.

## Planned program for growth

Employment of the Dallas firm of Koch, Fowler & Grate by the city to make a comprehensive survey of Post for its future growth and development will be greeted with real appreciation by all those who have been advocating a master plan for the town's development.

Included in the comprehensive plan, which will be provided in some 150 copies, will be a population and economic base study and report, a land use and land survey report, a major thoroughfare plan, detailed recommendations by the engineers of the future development needs for the community's water and water distribution system, the same for sewerage collection and treatment, a recommended zoning ordinance with necessary maps, sub-division regulations which would include codes for plumbing, wiring and construction, and quality of housing and residential blight studies.

This is the kind of city planning which saves a community money by providing plans for the continual growth of a community without crises developing.

It is exactly what Post needs. Like everything else it costs money—some \$6,425 to be exact—but included is a lot of qualified engineering work which won't have to be

## The Adolf Eichmann trial

For no telling how long now, Garza counties keeping abreast of world events will be reading in their newspapers about the Adolf Eichmann trial in Israel. They'll also be seeing scenes from the trial on their television sets and listening to excerpts on the proceedings on their radios.

Eichmann is the former Nazi, captured in Argentina by a special crew of Israeli agents and charged with the extermination of 6,000,000 Jews during World War II.

It would serve no purpose here to go into a lengthy explanation of the case's development, since the reader is finding all that, to the minutest detail, in the news columns of the daily newspapers. We do wish to say, however, that we hope justice does not have to take a

## What our contemporaries are saying

The Holy Bible is getting easier to read all the time, as new translations appear. To many, the translation will not be as enjoyable as the original writings in verses that have stayed in the memory... yet to the new generation it is quite possible that they will read and more fully understand the teachings of the Bible through its new translation.—Wendell Tooley in Lamb County Leader.

We definitely are for letting the special federal one-cent gasoline tax expire on June 1. We intend to write our congressman and our senator as much in so many words. We suggest you do the same. We don't want to compromise. We want to win this point. We want to see just one federal tax of some kind come down instead of going up.—The Floyd County Hesperian.

Now that the first senatorial election is over, there will likely be more interest in the run-off election in May. There were just too many candidates in the first election. With just two men in the run-off, voters will get better

credit, public relations training, parking, a plan to reach community newcomers, and an effort to expand and strengthen our trade area "draw" by merchant caravans into surrounding communities.

The Chamber's new retail committee is a big one and has shown real enthusiasm. It has taken the time and the effort to work out plans in detail.

Its biggest job is still to lay the program before all local merchants for their consideration. That can't be done by letter. Time is prohibitive to visit each merchant in his place of business and discuss it for an hour or two.

The answer is a joint meeting of all merchants—every single merchant who has something to sell to the buying public. The retail committee has made the first big effort in a long time to tackle local merchants' problems. But it will go for nothing if the merchants themselves don't come to give it consideration.

The Dispatch urges every merchant to be on hand—coffee will be served—and to listen and discuss and decide on the proposals.

It will be a fast-moving, well organized session with no lost motion.

A whole lot can be accomplished for every merchant's good. By working together we can do a more effective job of attracting more of Post's consumer dollars into our stores and places of business and in drawing more of our trade area dollars as well.

We have talked long enough about "shopping at home." This is an opportunity to work together to give the shopper an improved, more cooperative effort from the business community.

Cooperative action is the best way we know to improve our sales and services and attract more customers. In the end it all will show up in the profit and loss statements at the end of 1961.

We think every merchant is interested in that.—J.C.

paid for further down the road of community progress.

Unplanned development is always more expensive. It means replacing water and sewer mains with larger sizes at greatly increased cost because a city did not foresee in advance future expansion and did not put in large enough water and sewer mains at the start.

The city's three-man planning and zoning commission has quietly put in a lot of work in interviewing some ten different engineering firms for the job and making a final selection, after determining that such a survey was the essential starting point.

Once the survey is completed progress can come swiftly because the technical work will be completed.

A representative of the engineering firm being hired was back in town yesterday to firm up plans for the survey with the planning and zoning commission.

City planning for Post has at last arrived. The planning and zoning commission and the city council are to be complimented for the work and progress which has been made—and for the rich promise it holds for Post's planned future growth.—J.C.

back seat to sensationalism in the Eichmann trial. There'll be hundreds of newspapers, radio and television men on hand to make the trial one of the most, if not the most, widely publicized in the history of the world. Not only is Adolf Eichmann on trial for his life, but also on trial is the system that made it possible for one man to be held culpable for the extermination of 6,000,000 human beings by methods of extinction so heinous that they make the torture chambers of the Dark Ages seem humane by comparison.

In our opinion, the trial will have served its best purpose if the outcome has such an effect on the civilized world that no repetition of World War II concentration camp horrors is ever again allowed to occur.—C.D.

acquainted with the office seekers, their platforms and their political backgrounds. Knowing about a field of 70 candidates was impossible and that was responsible for the small interest in the first go-round. In the second election, lines will be drawn and most eligible voters will take sides. At any rate in another month or so a Senator will be named and counties of Texas will have spent much money holding elections in thousands of boxes.—The Ballinger Ledger.

At this time the Internal Revenue Service has agents out picking up gamblers who accept bets on football, horse races, and the like, or who professionally follow the cards or roll the bones. Particulars on these arrests are being furnished the weekly press currently. Perhaps we owe it to the IRS to pass the information on that a football professional bettor is out \$1,000 when he is caught without a \$50 wagering occupational tax receipt. The gamblers who roll the bones or shuffle the cards get hit harder, namely at the rate of \$2,000, probably for a good reason—which we do not know.—The Floyd County Hesperian.

## THURSDAY to THURSDAY

By CHARLES DIDWAY

ELECTION WEEK out at our house was more or less anti-climactic. A big part of the excitement was lost in the fact that our 15-month old grandson—accompanied by his mother, of course—was visiting us. The wife and I did find time to vote, but how—I'll often wonder.

Some of you might not know Garza County's sheriff of three and a half months—L. E. (Fay) Claiborn Jr.—by the framed picture of him that has been hung on the wall in the sheriff's office. The picture is one Fay had made during Post's Golden Jubilee in 1957—when he had a full beard.

AFTER A DISCUSSION on health and hygiene, the doctor told his spinner patient:

"Even though you take a bath every day, you can't stay healthy just by bathing alone."

"Maybe not, doctor," snapped the woman. "but I'm still going to continue bathing alone."

Sometimes I miss something in the papers that I should have seen, and that was the case with this story a few weeks back by Tanner Laine in the Lubbock Avalanche-Journal.

The recent series of articles in which a Pulitzer Prize-winning author pointed out some of the faults which have brought on demands for a major overhaul of the nation's postal system have found ready endorsement on the South Plains, a recent survey shows.

Although patrons themselves sometimes contribute to delay and confusion attendant to the postal system, some of the puzzlers turned up would seem to confound a Solomon.

Perhaps the most flagrant of postal shortcomings in the area came with the disclosure that mail from one area town to another seven miles distant takes a 200-mile round trip by rail back to its point of origin—and then makes the seven-mile journey by car!

Southland, the town in the case at point, is seven miles south of Slaton. Trains do not stop at Southland and the railroad tracks skirt the edge of the town.

Therefore, mail from Slaton to Southland goes to Sweetwater and from Sweetwater back to Slaton, a round-trip distance of almost 200 miles. Mail for Southland then is carried by automobile to Southland.

"We have a contract with the railroad to carry the mail to Southland. Slaton is the nearest railroad and thus is the nearest pick-up and dispatch point for Southland mail," explain postal officials.

Therefore to fulfill the contract, the train with mail sacks designated for Southland travels along the outskirts of that town to Sweetwater, back along the same route then to Slaton.

Strangely enough, service to the 153 residents of Southland and its immediate surrounding area from Southland's fourth class post office is described as satisfactory, persons there say. Of course, not too many pieces of mail originate in Slaton for Southland, but those that do are in for the "long haul."

The following article, one of the best of its kind I've seen, was contributed by a Post Lion in connection with Lions Candy Day Friday of this week:

Why does a Lion stand on the corner with that familiar contribution canister in his hand and a roll of candy for you?

Because he wants to make his neighborhood, his town, his state, his country, his world a better place in which to live.

What does he do with the money that clinks into his canister?

It will be used to help crippled blind and handicapped children—for local sight conservation and adjustment assistance for the crippled, blind and nearly blind, and for other local projects.

Rest assured that when you put "what you wish" into the clinking canister a Lion holds ready, you're contributing to a cause that's worthy—or there wouldn't be a Lion-in-the-Streets supporting it.

Remember, too, that the first contribution that went into that canister was made by the Lion holding it.

Last year alone, nearly 600,000 Lions voluntarily donated their services to support 171,672 separate and distinct worthwhile projects.

That's a lot of man hours from a lot of pretty good kind of guys!

Skindivers in Newport, Australia, are working in pairs and earning up to \$280 weekly catching lobsters, it is reported.

In March, 1890 the first U. S. Marines were assigned in Washington for the purpose of guarding the construction of the Navy Yard there. Two years later Washington was established as the U. S. Marine Corps' Headquarters.

Of total Texas gas production, 73 per cent came from 16,000 gas wells; 27 per cent from 123,000 oil wells ( casinghead gas).

A modern hotel is being built atop a local hill in Nadi, Fiji.

Elro has granted an oil exploration to a Texas Oil Co. affiliate.

## THE AMERICAN WAY

Egg-Head Knows Best?

## Remembering yesteryears...

### Five years ago

With the exception of signing of the papers—and that came the following morning—the Terrace Cemetery was transferred to the City of Post at a special meeting of the City Council last Thursday night; Olin Reddell, head track coach and assistant football coach here since September of 1954, has announced his resignation, effective at the end of the current school term; Postmaster Harold Voss said Wednesday that the city mail delivery questionnaires distributed March 18 will be accepted until the postal inspector arrives to pick them up; S. E. (Shelley) Camp was re-elected president of the board of trustees of the Post Independent School District Monday night; Mr. and Mrs. A. C. Cash announce the birth of a daughter, Jill, born April 8; Miss Patty Ann Veach, bride-elect of Donald Coburn of Reese Air Force Base, will be honored with a "wrapped gift" shower Friday night; E. R. (Buster) Moreland was elected president of the Band Booster Club for the 1956-57 school year; the Woman's Society of Christian Service of the First Methodist Church entertained Tuesday morning with the annual breakfast honoring Post High School seniors.

### Ten years ago

The seventh annual fireman's dance will be held tonight at the city hall; work is progressing on the city park. George Samson of

the park board announces, with all the fences torn down and some of the mesquites bladed down; Robert Cox was high and James Minor second in a field of six when 161 votes were cast in the city school board election here Saturday; finishing touches are being put on Garza Tire Company's new 28x76-foot modern building on West Main this week; Mrs. Jim Power was bruised Saturday afternoon when she was struck by a car while crossing the street in front of Piggly Wiggly; directors of the Southwestern Championship Junior Rodeo association are continuing the sale of shares of stock until the end of next week, according to Leon Miller; Post school students will start eating in the new cafeteria by Monday, if not tomorrow, E. E. Pierce, manager, announces.

### Fifteen years ago

Mr. and Mrs. Carl Fluit are announcing the arrival of a son on April 8; Marvin Hudman, John Carley and Jack Kennedy were chosen as new members to the school board; Walter Crider was named second vice-president of the Midwest Texas Firemen at the convention last Thursday in Albany; funeral services for Laura Elizabeth Painter were held in West, Tex., Sunday; Mrs. Keith Kemp was honored Sunday afternoon when a group of friends dropped in for a surprise birthday party; Mr. and Mrs. J. R. McKinley of Lubbock are announcing the marriage of their daughter, Mary Charlotte, to Henry Bartlett, son of Mrs. Laura Bartlett of Post.

## Tahokans choose name for rodeo

TAHOCA — "Frontier Days" has been chosen as the name for Tahoka's rodeo April 27-29, according to E. L. Short, president of the Tahoka Chamber of Commerce. There are five candidates in the Rodeo Queen contest. They are Iris Tyler, Linda Appiewhite, Neeta Roberts, Mary Jane McCord and Sharon Blakney. Rodeo events will include calf roping, saddle bronc riding, bareback bronc riding, bull riding, bar-

**BILL'S OBJECTIVES**  
The objectives of the "brand new food grain bill" are to increase farm income; reduce the feed grain surplus; help assure the consumer of fair and stable prices for meat, poultry and dairy products and reduce the ultimate feed grain program costs to the taxpayers. Educational meetings for growers will be held as soon as base information and figures are available. County ASC offices will handle the program in the counties. Local county agents will assist with local meetings to acquaint growers with the program.

### LONE STAR AGRICULTURE

## Days long past when farmers didn't have to go to grocery

There is a persistent conviction among many city dwellers that no farmer or his wife ever should have any business in a grocery store except to buy coffee, salt, perhaps a little sugar and the like. They still carry the vision of the farmer with his own vegetable garden, his own orchard, milking

his own cows, gathering his own fresh eggs, and so forth and so on. Bill Durham, the astute agricultural editor of the Houston Post, did something to dispel this concept not long ago with one of his columns elaborating on an article in Food Business, a publication for the food manufacturing, processing and marketing business.

"Apparently," Durham commented, "these people still thought that every farm had a garden and a milk cow and that all the purchases from the grocery store involved only coffee, flour and corn meal. Farm Journal magazine did a lot of work in getting information together on the importance of the farm market for food stores.

"Farmers and those who serve them have failed to get across the story that agriculture is big business and that today's farmer must be one of the most shrewd and astute business men in the economy.

"You just can't find a commercial farmer in the Houston area who doesn't have a capital investment of less than \$50,000. In most cases it amounts to more than that. You can find a lot of people in business in Houston who don't have to stand that kind of financing."

It was pointed out that, as a matter of fact, farm women buy more when they go to the store than do women who live in town. The reason is that they serve more food—a farm woman fixes three big meals a day. Feeding a bunch of men who are doing hard work in the field just naturally takes more groceries.

In 1960, it was figured that people living on farms consumed \$3.5 billion in food products, and these supplies were bought in retail stores. One of the points that may have been confusing to the food industry was the preference which farm women showed for convenience foods such as cake mixes, frozen foods and the other new items offered in the super-markets.

One of the reasons for this, perhaps, is that today's farm housewife engages in almost the same activities as does her sister in the cities. She belongs to the P-TA, has her church activities, and is often a leader in various women's clubs. Cultural activities also are a part of the rural scene these days.

## Mr. Merchant —

*Come join with us and help pull bigger crowds of shoppers to Post's Main Street.*

## HOW?

Well, we've got a plan—in fact a lot of plans — on promotions, better credit use, down town parking, welcoming our community newcomers, public relation training, and trade area caravans—to name a few.

We'll explain it all to you at 7 p. m. Friday, April 14, in Levi's banquet room. We've worked hard to prepare this program — but it will be all for naught unless you come tomorrow night—listen, discuss, approve—and join in cooperating together in making this the biggest cooperative effort launched here in years—all for our own good.

Every merchant—now inside or outside the Chamber—is invited. Put everything else aside—and make it a point to be there. We need you! We want you! We have to do this together.

**REMEMBER — 7 P. M. FRIDAY, LEVI'S BANQUET ROOM  
No Dinner — But Coffee Will Be Served**

Very Sincerely Yours,

**Post Chamber Retail Committee**  
TOM POWER, Chairman.

## Small oil man from Texas...

Mr. Jack Thomas of Dallas, above, deals in oil... once every 4,000 miles! He owns a '61 Ford with new Full-Flow oil filtering that cleans all the oil so thoroughly, frequent changes are unnecessary. Deals in grease, too... also in a small way; Ford's new sealed-in lubrication lets him go 30,000 miles between chassis lubrications. Never deals in wax; Ford's Diamond Lustre Finish doesn't need it. Same for brake adjust-

ments... Ford brakes adjust, when it's required, automatically! Saves money on mufflers, too (Ford's is double-wrapped, aluminized, to last three times longer than ordinary ones). Doesn't worry about rust and corrosion—the body is specially treated to resist this kind of damage. Happy guy, Thomas! Likes being a small oil man. So will you!

'61 FORD...

Beautifully built to take care of itself

# — Postscripts —

Mrs. Tom Power, Mrs. Walter Boren, and Mrs. M. J. Malouf are in Pampa today to attend a called meeting of the Presbyterian Executive Committee, at which a delegate will be elected for the Synodical. Other topics to be covered will be the selection of a program chairman for Presbyterianial and an expense item in bringing overseas guests to Amarillo from San Antonio. The Post ladies also attended a Presbyterian luncheon while in Pampa.

The Past Matrons Club of Post and Southland was entertained with a barbecue dinner Monday evening at the home of Mrs. Arnold Sanderson. Attending were Meses. Stone, Lucille Myers, Opal Pennell, Hazel Stallings, Loree Thaxton, Consuela Thuet, Minnie Wright, Loucille Morris, Maggie Denton, Lelia Gilley, Doll Haire, Alice Martin, Mary Gale Young, Bonnie Johnson, Gloss Davies, Nellie Ma this, Misses Henrietta Nichols and Thelma Clark, and two guests, Mrs. Willie Cross and Mrs. Karen Calloway.

Mrs. Mary Lee Wriston, Post school teacher, was in Lubbock last Wednesday to attend an executive committee meeting of the Texas State Teachers Association, District XIII. Dallas is scheduled for a three-day workshop in August, at which time a meeting for local unit presidents will be held.

A good crowd turned out Tuesday evening to hear the Post school choir present a Spring Concert at the grade school auditorium. The choir was directed by Georgie M. Willson and several solos were presented. The Woman's Culture Club sponsored the presentation as its annual fine arts program.

## Mr. and Mrs. Don Penn Hopkins to make home in Hobbs, N. M.

Mr. and Mrs. M. L. Pierce of Electra, formerly of Post, announce the marriage of their daughter, Sharon, to Don Penn Hopkins, son of Mr. and Mrs. John N. Hopkins.

The couple pledged double ring wedding vows Friday evening at 7 o'clock in the home of the bridegroom's parents, 109 South Avenue P. Rev. Ed Herring, pastor of the First Presbyterian Church, officiated for the service.

The bride, given in marriage by her father, wore an orchid dress

of Arnell jersey, designed with a draped bodice that extended to brief sleeves, and a soft-pleated skirt. She wore a white hat and carried a cascade of Stephanotis and an orchid.

Miss Jerae Pierce of Electra attended her sister as maid of honor. She wore a spring dress of pink and white with matching accessories, and carried a colonial bouquet of carnations.

Serving as best man for the bridegroom was his father, John N. Hopkins.

Wedding music was provided by recordings of "Because", "I Love You Truly" and "The Wedding March".

A reception followed the ceremony. Assisting with hospitalities were Meses. Douglas Hill, Jimmy Hundley, Walter Holland, and Burton Hill.

The couple will be at home in Hobbs, N. M., following a wedding trip to points of interest in New Mexico. The bride attended Abilene and Post schools. Her husband attended Post schools, served in the U. S. Navy, and is employed by General Telephone Co. in Hobbs.

## Cemetery gains from club fund

The recently disbanded Business & Professional Women's Club of Post has taken the funds remaining in its treasury and put them to a most worthwhile use—beautification of the area of Terrace Cemetery.

The club has planted running roses and red crepe myrtle along the cemetery fence adjacent to U. S. Highway 380. Four different varieties of running roses and ten red crepe myrtle trees were planted.

Beautification of the cemetery and cemetery area was adopted as a project by the club a year and half ago.

Women spearheading this final project of the club included Meses. Katharine Trammell, Ruth Lee, Willie Scarborough and Eleanor Cooke and Miss Nora Stevens.

Visitors to the cemetery were Mrs. Vera Gossett and Mrs. Ronnie Morris were in Lubbock Wednesday to see with Jimmy Stanford, who underwent surgery at West Texas Hospital.

## Lubbock pastor to hold revival here

Rev. J. D. Walker, pastor of the Highland Baptist Church in Lubbock, will be guest speaker for a week's revival at the Calvary Baptist Church, Rev. Graydon Howell, pastor, announced today.

Revival services will begin Sunday and continue through the week. Morning worship services are to begin at 10 o'clock, and the evening messages will be brought at 7:30 o'clock. Vernon Scott will be music director.

OFFICERS OF HOSPITAL AUXILIARY

Shown here is the executive board of the newly organized Women's Auxiliary of the Garza Memorial Hospital. From left to right, seated, are: Mrs. J. E. Parker, president; Mrs. Lee W. Davis, treasurer; and Mrs. Phil Crenshaw, second vice president. Standing, left to right, Mrs. A. B. Carter, first vice president; Mrs. Larry Hopkins, corresponding secretary; and Mrs. Ronnie Bouchier, recording secretary.—(Staff Photo.)

## Hospital Auxiliary organized; Mrs. J. E. Parker is president

Approximately 50 women gathered Saturday morning to organize a hospital auxiliary for the Garza Memorial Hospital under the chairmanship of Mrs. J. E. Parker, assisted by Mrs. Jim Cornish, temporary secretary.

After hearing talks by Mrs. W. R. Everett and Mrs. J. C. Woolridge of Snyder, president and treasurer respectively of the Snyder Hospital auxiliary; and also O. L. Weakley, Don Curl, County Judge

J. E. Parker, Dr. John Carter, and Mrs. Billy Miller, things went fast, with the group of women voting to name the auxiliary the Women's Auxiliary of the Garza Memorial Hospital of Post, electing officers and getting "ready to begin."

Mrs. Parker was elected president. Other officers are Mrs. A. B. Carter, vice president; Mrs. Phil Crenshaw, second vice president; Mrs. Ronnie Bouchier, recording secretary; Mrs. Larry Hopkins, corresponding secretary; and Mrs. Lee Davis treasurer.

On Monday morning, an executive committee meeting was held at the hospital at which it was voted that all members coming into the organization before Monday, April 17, will be charter members. Forty members were registered at that time.

Those interested in working with the auxiliary can contact any of the above listed officers. Active membership dues, which will include a membership pin, are \$3. There will also be openings for women who are unable to contribute their time, with the dues \$10.

Committee members were appointed and will be announced at a later date. The auxiliary will begin work Monday. Services provided will include the following fields: recep-

tion desk, floor duty, library cart, sewing and mending, central supply and emergency area. Uniformed members will be on duty three hours in the morning and three each afternoon, six days a week.

### THE MODERN EGG

According to Fred Gardner of the Poultry Science Department at Texas A&M, the egg is becoming modernized. Research workers, with the housewife in mind, have and are developing new packaging ideas and uses for eggs. Scrambled eggs for the family in 30 seconds and instant French toast for the heating should be on grocery shelves in the near future. Pressurized cans of egg yolk, egg white or whole egg may be available soon.

### VISITORS IN PIERCE HOME

Visitors in the E. E. Pierce home recently were Mrs. Gladys Pierce of Belton, Mrs. Nettie Scott of San Saba, and Mrs. Ronnie Milton of Bellville.

### ATTEND WEDDING

Mr. and Mrs. John Cook and Judy were in Columbus, Tex., over the weekend to attend the wedding of their niece, Audrey Jean Kotrola.

## Cook for a weight watcher? Here are few helping hints

By LETA SMITH  
County HD Agent

Are you cooking for a weight watcher?

Are there any weight watchers in your family? If so, you, as cook, can be a big help by planning and preparing foods to cut calories. Here are some suggestions that will help to cut calories:

Use non-fat dry milk solids for cooking.

Keep desserts simple. Serve fresh fruit or canned and frozen fruits packed in water, not syrup.

Roast in oven or pan broil meat, poultry and fish instead of frying in fat. Avoid the use of breading and the use of egg batter on foods. Trim extra fat from meat.

Serve salads plain or use low-calorie seasonings or salad dressings. These can be made with tomato juice, herbs and lemon juice or vinegar.

Prepare food without adding fat, sugar or flour whenever possible. Tempt appetites with herbs and spices instead of rich seasonings, sauces and gravies.

Serve low-calorie items for snacking or appetizers. Try celery, cabbage wedges, carrot sticks or other low-calorie fruits and vegetables.

Avoid high fat foods such as cream, butter, gravies, milk, soups, potato chips, oils, pastas, rich salad dressing, sweet baked goods such as cakes and cookies, puddings, candies, fountain drinks and sundaes. Also, starchy foods such as macaroni, dry peas, beans.

Wednesday is the deadline for society news.

Members of the Post Art Guild were among the more than 275 persons invited to the West Texas Museum last Thursday night to see the preview exhibit "Amarillo Collects".

## Baptists observing Youth Week here

The First Baptist Church is observing Youth Week with young people filling all general offices in the church.

## House warming honors Teaffs

Mr. and Mrs. Roy Teaff were honored with a house warming at their new home at 303 Osage Avenue Saturday night.

## Visit Brother

Mr. and Mrs. T. C. Polk visited in Tahoka Sunday in the home of his brother, and sister-in-law, Mr. and Mrs. Dave Polk.

## HD club organized by Graham women

Sixteen women from the Graham community met Tuesday afternoon at the home of Mrs. Carl Fluitt to organize a Home Demonstration club for the community and to elect officers.

Mrs. Lets Smith, county home demonstration agent, met with the group and outlined HD club requirements, projects, and told what other clubs in the county are achieving.

Mrs. Thebert McBride was elected president with Mrs. Carter White elected vice-president. Mrs. Noel White will serve as secretary and treasurer, and Mrs. Carl Fluitt is council delegate.

## House warming honors Teaffs

Mr. and Mrs. Roy Teaff were honored with a house warming at their new home at 303 Osage Avenue Saturday night.

Eleven couples entertained for the occasion, held from 7 until 9 o'clock.

## Visit Brother

Mr. and Mrs. T. C. Polk visited in Tahoka Sunday in the home of his brother, and sister-in-law, Mr. and Mrs. Dave Polk.

## Betrothal of Karen McGehee, Clark Cowdrey is announced

Mr. and Mrs. Weidon McGehee, Route 1, announce the engagement of their daughter, Karen, to Clark Cowdrey, son of Mr. and Mrs. Delmer Cowdrey, Route 3.

The couple will be married June 2 in the Post Church of Christ.

Miss McGehee is a Southland High School graduate and will graduate in May from Lubbock Christian College. Cowdrey, graduate of Post High School, attended Lubbock Christian College and is employed by the Lubbock Avalanche-Journal in the dispatching office.

## AFTER-EASTER SHOE CLEARANCE

We still have lots of sale-priced shoes left, and we are adding some more to them for this weekend.

Come in and see all the close out groups.

Also we want you to see all our new merchandise. Already we have hundreds of pairs which have arrived since Easter—leathers and cloth—spring shades and whites—dress and casuals—also sandals. Styles and kinds to fit all the family needs.

## Notaries Public need to file for re-appointments

Secretary of State Frank Lake has announced that all qualified Notaries Public desiring reappointment for the new term ending June 1, 1963, must re-qualify by the payment of the required fee and the filing of a new oath and bond with the county clerk of his county between June 1 and June 10, 1961.

Lake emphasized that Notaries Public should not send requests for re-appointment or for commission directly to the Secretary of State.

The law specifically requires that the county clerks approve notary bonds.

Any person not now a Notary Public who desires appointment should apply to his county clerk before May 20, 1961. Application during this period will assure prompt attention before the rush procedure of reappointing present Notaries.

The Secretary of State further pointed out that each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the county clerk.

### CARE ON CHEMICALS

Milk entering interstate commerce can be contaminated by Pure Food and Drug Administration inspectors if it contains insecticidal residues. Dairymen are urged to use care in the selection and application of chemicals for external parasite control on their dairy herds by Extension Entomologists Garner and Ridgway. They suggest a visit with the local county agent for details.

# Follow the leader...

worship together  
 this week!

What is home? A blend of memories and mortar . . . walls and roof and smells of breakfast cooking . . . a place of rest at the end of the day . . . a feeling of possession, of belonging . . . a place of hates, loves, anger . . . center of things living.

Home may be a mansion on a hill, a cramped apartment, a farmhouse, a hovel, a new suburban split-level, the house Father built . . . but only to you and your family is it home. No one else may call it that. For home is a part of you!

Centuries ago a shepherd-poet felt this. Weary, lonely seasons on the grazing slopes had taught him to love . . . to long for . . . HOME.

But he realized that, through this life and beyond, the nearness of God is part of the sense of home. Goodness and mercy would follow him all the days of his life. And he would dwell in the house of the Lord forever!

Give the Church and its Truth a place in your home. And God's presence will give eternal meaning to that home.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Gordon couple visit in South

## Mrs. Earl Morris writes of journey

(Editor's Note: Mr. and Mrs. Earl Morris of the Gordon community recently returned from an extended visit in the South. Mrs. Morris has written the following account of the trip.)

We left home March 4, stopping in Dallas for a short visit with a daughter and family, the W. A. Lyman.

From there, we drove to Collins, Miss., a small town out from Jackson, where we spent the night. The next morning we turned south, going over a very pretty drive

through the pines, which grow right up against the highway. It was a lonely drive, on which we met few cars, but occasionally we'd see a small cabin back in the brush with smoke coming from the chimney. We wondered what the inhabitants did for a livelihood, since we could see no crops of any kind.

We reached our destination, Pascagoula, Miss., about noon. This is a lively little town, right on the Gulf, and they have a shipyard. Here, we visited our children, the Arden Maekers, who moved there Jan. 4 from New York. Arden was busy with his job with the Sperry Co. Janie is working in the Singing River Hospital, and both girls are in school. People here were nice and friendly. They have lots of pretty flowers blooming this time of the year, and there are stately pines and other trees.

We attended the First Methodist Church Sunday morning and went sight-seeing in the afternoon. We drove over to Mobile, Ala., and went through the Bellingrath Gardens, known as the "Charm Spot of the Deep South".

The next weekend, we drove to Pensacola, Fla., driving over the Dogwood Trails. We found lots of azaleas and other flowers here. Some of the people were dressed to represent the Gay 90's. It all made an attractive picture among the flowers.

In Florida, we pulled off our shoes and walked barefooted on the beach, wading out into the bay—but not very far. Those waves looked too boisterous. We stayed two weeks, marveling at all the pretty country there was to visit.

We left Pascagoula and drove to Houston, hitting the Texas state line near Beaumont. That is an interesting drive with lots of water and many bridges to cross; many pretty flowers and trees around old Southern homes, as well as some modern ones.

We spent four days in Houston visiting our sons, Maurice, and Jimmy and his wife, Jerry, Morris. Also spent one day with a sister, Mrs. W. F. Shepherd, who lives there with her daughter and family, the Roy Langleys.

We drove back to Dallas and another visit with the Lyman family, and enjoyed the new daughter, Leslie Karen. The family, Walt, Mary Lynn and Marc, had been waiting two years to adopt a baby, so now they are one happy family.

We also visited in Dallas with a sister, Mrs. Esma Cash, who lives with her son, Bob, and takes care of Lin, J. Hunter and Martha.

We arrived home March 31, finding that we'd had lots of snow, rain, etc.

## Vet's Forum

Q—I am the widow of a World War II veteran who had six months of overseas service. Will I get a pension under the new pension law that went into effect last July 1?

A—It appears that you may be eligible for a pension, but you will not receive one unless you apply for it. Contact the nearest VA office. The contact representative will help you make out your application.

Q—Which VA domiciliaries have accommodations for women veterans to live there as members?

A—The domiciliaries at Bay Pines, Fla.; Dayton, Ohio; Los Angeles, Calif.; and Martinsburg, West Va.

Q—Why are some veterans' "children" receiving pension even though they are elderly persons?

A—Pensions to veterans' children usually stop at age 18 or 21 if attending school or when the child marries. In the case of children who become mentally or physically unable to provide for themselves before they reach age 18, and who remain single, the pension is continued as long as this condition lasts.

# I Give You Texas . . .

By BOYCE HOUSE

Back in the mid-1920's, when I was an Eastland County editor, one could see jogging along a road a horse and buggy. The elderly driver would stop at a farmhouse to see if the family didn't want to have a photograph made. If so, he brought forth an ancient camera complete with tripod, and a black cloth. The man was John S. Blount of Cisco, one of the last of the old-time traveling photographers . . .

## Pre-School--

(Continued from page 1) evaluation engineers, for a meeting at 2 p. m. May 22 on oil properties and new properties in the school district. Names of a number of men were chosen as possible members of the tax equalization board, and Moreland and Board Secretary Malcolm T. Bull will contact the men to determine which of them will agree to serve on the three-member tax board.

The trustees discussed the purchase of a gang lawn mower and a rotovator for use on the more than five acres of grass at the schools, but postponed action pending the pricing of the equipment. Smith said the new equipment would cut labor costs considerably in the upkeep of school lawns and the football field, and would do a much better job than the present small mower.

The board voted to grant the request of Mrs. Max Gordon, school nurse, that she be included in the salary bonus payments now made to the teachers. The superintendent explained that Mrs. Gordon was paid this money while employed as a school nurse previous to this school year. She has returned as nurse following the resignation a few months ago of the nurse employed for the present term. The nurse's salary bonus amounts to \$250 a year, Smith said.

In voting for operation of the summer pre-school class for non-English speaking children, the board also voted to employ Mrs. James W. Mallard Jr. as its teacher. Mrs. Mallard is a former member of the school faculty. Her husband is Spanish teacher here.

The superintendent said the pre-school course would be for 50 days this summer—four hours a day, including recess periods. He told the board that he believes such a school would be a big help in overcoming the present problem of so many non-English speaking children in the primary grades. The summer school would be for non-English speaking children who will be starting to school for the first time next September.

The board's final action Monday night was an amendment to its policy on teacher contracts. The amendment requires that all teacher contracts be signed and returned in the superintendent's office not later than one week before the close of school.

## Three injured in Lubbock accident

Three persons, two of them Post youths, were injured at 8:55 p. m. Tuesday in an automobile crash at 50th Street and Boston Avenue in Lubbock.

Those injured were Gary Roberts, 24, and Johnny Montgomery, 19, both of Post, and Wayland Hugh Hood, 37, of Lubbock, driver of the car.

Roberts was admitted to Methodist Hospital and underwent surgery late Tuesday night. Hospital attendants said he did not appear to be critically injured.

Montgomery and Hood were treated and released at the hospital.

MINISTER AT CHURCH CAMP

Rev. J. T. Crawford, pastor of the Church of the Nazarene, spent several days at Glen Rose where he and several other Nazarene ministers are preparing the church camp, Camp Arrowhead, for summer use.

GUESTS OF PUTMANS

Mr. and Mrs. Howard Putman of Lubbock, Mrs. Emma White of Dickens and Mrs. Irene Williams of Lubbock visited in the J. W. Putman home Saturday night. They were en route to Snyder to visit another brother and sister-in-law, Mr. and Mrs. Leonard Putman.

## 22 cases jam docket here in Justice Court

Twenty-two cases, the majority of them on traffic law violations, have been filed in Justice of the Peace D. C. Roberts' court during the last few days.

Those booked, the offense, filing date and amount of fine and costs, if paid, were as follows: J. D. Carlisle, failure to be wearing glasses while driving, April 11; \$16.50.

Thomas R. Crupe, drunk, April 10; \$20.85.

Walter R. Leadon, no driver's license, April 11.

R. H. Cotton, no inspection sticker, April 10; \$16.50.

H. Z. Rowe, failure to stop for stop sign, April 10.

R. O. Smalley, failure to appear in case, April 11.

R. L. Kelley, speeding, April 8; \$18.50.

Walter R. Leadon, no driver's license, April 10.

Joe Esparza, no driver's license, April 9.

J. W. Hudson, speeding, April 9.

J. A. Pettit, speeding, April 9.

J. R. Truett, failure to stop for stop sign, April 8.

O. N. Pierce, loud and excessive muffler, April 8.

Falencion Soliz, drunk, April 9; \$16.50.

Benito Mercado, loud and excessive muffler, April 8; \$16.50.

Benito Mercado, speeding, April 8; \$16.50.

## Places second at Lamesa

The 52-piece Post High School band attended the Lamesa Band Festival Saturday and placed second in a group of three Class AA bands.

The festival, held in the high school auditorium, was sponsored by the Lamesa High band and Boosters Club, the Lamesa Chamber of Commerce and an Abilene music company.

## Postings--

(Continued from page 1) We are pleased to have the hospital staff members pitching in to add another new column to The Dispatch's coverage of the local scene. A wealth of good health information will be presented and health questions of general nature will be answered from the readers. So watch for the column and read it.

Dr. and Mrs. L. J. Morrison will be over Spur way Saturday to attend the 81st birthday party for his dad, J. B. (Bud) Morrison, which will be held on his ranch southwest of Spur. J. B. has lived in the Spur area since 1897 and is one of the real oldtimers of the area.

HUBCAPS STOLEN Tom Power reported to the sheriff's office Tuesday that hub caps had been stolen from two automobiles on the car lot of Tom Power Ford, 122 West Main.

## Post High Band enjoys Festival

A "Parade of Bands" was to have been held that afternoon, but was cancelled because of inclement weather.

A highlight of the festival was selection of an honor band, which rehearsed for three hours that afternoon and gave a concert that evening, after which trophies were awarded.

Students from the Post band selected for the honor band were: Stanna Butler and Judy Clary, clarinets; Beverley Young, alto saxophone; Lin Allyn Cox; bass clarinet; Charlotte Taylor and James Neff, cornets; Ruthell Martin and Linda Rogers, trombones; John Sepeda, baritone; Neal Barnes, baritone saxophone; Lemmie Howell, bass, and Jackie Bradlock, snare drum.

The rehearsal and concert were conducted by three judges—Dean Killion, Texas Tech band director; J. R. McIntyre, Odessa Permian High School band director, and Justin Bradberry, director of instrumental music at Artesia, N. M.

Other bands attending the festival were Lamesa, Pecos and Brown field, all in Class AAA, Marfa and Slaton in AA and Petersburg and Sudan in A.

Post Band Director Bob Meisch said all the students enjoyed the mistakes, and hope to correct their mistakes in the next three weeks in preparation for the "main event"—the U. I. L. Band Contest to be held in Brownfield April 28-29.

## About Your HEALTH

The next time Johnny comes home crying, "Mom, I got something in my eye!"—here's what you should do:

Lift the upper lid, and pull it down over the lower lid. This will give the tears a chance to wash out the offending speck. Tears are nature's own eyewash.

But if the speck doesn't come out, wash the eye with drops of lukewarm tap water, using an eye dropper. While doing this, be sure to hold Johnny's head so the water will run away from his nose, toward the side.

If this doesn't dislodge the speck, put a light bandage over the hurt eye to prevent Johnny from rubbing it. Then take him to a physician or an eye clinic.

Keep this in mind: Never try to rub a speck from the eye. It can cause an infection that may scar the cornea, resulting in partial loss of sight.

Ever hear someone say, "My eyes are simply worn out"? That's nothing but a figure of speech. You cannot "wear out" healthy eyes by overuse.

If your eyes feel strained the trouble may be eye or other disease, a need of glasses or improperly fitted glasses, or failure to heed the rules of good lighting.

Under the right conditions you should be able to use your eyes as much as you want to without "wearing them out". They function with greatest ease and comfort when you sit erect, with your work arranged at 45 to 70 degrees from

## CONCENTRATES, ROUGHAGE

Within certain limits, Arch Ma, extension dairy specialist, says the levels of concentrates, roughages in the dairy ration should be determined by the cost of nutrients in each type of feed. Also the per limits of concentrate feeds should take into consideration the cow's ability to respond with milk production and the relative prices of feed and milk.

On Feb. 14, 1813, the USS Enterprise, commanded by Captain James Porter rounded Cape Horn and became the first American warship to sail to enter the Pacific.

pecially while driving. They reduce your vision to the point where you cannot distinguish dark objects.

Close work calls for eye muscles to work overtime. You can give them the rest they need by giving them for a moment from time to time as you read or do close work. Looking off into the distance occasionally will help. Permanent eye fatigue may indicate you need an eye examination, in spite of having good distance vision.

## THANKS, EVERYBODY

I want to thank all of you for your support last week in both elections and for the privilege of serving you for three terms on the city council. I hope in the future I will have the pleasure of serving you again.

JOHN N. HOPKINS

## Little League meeting to be this afternoon

All adults interested in this season's Little League baseball play are invited to attend a meeting at 4:30 p. m. today in the Community Room of the First National Bank.

A. Lee Ward, Little League president, said plans for the upcoming season will be made at the meeting.

## PLEADS GUILTY TO DWI

Francisco Rosales pleaded guilty before County Judge J. E. Parker Monday to a charge of driving while intoxicated. He was fined \$50 and costs, sentenced to three days in jail and had his driver's license suspended for six months.

## WASHINGTON AND "SMALL BUSINESS"

BY C. WILSON HARDER

There seems but little doubt this first session of the new Congress with a new Administration, will be concerned about tax reform.

In the past few years, most attempts, with a few exceptions, to adjust tax laws in a just manner have been met with the cry "the Treasury will lose." Thus, it would appear that the demands of the U. S. C. W. Harder Treasury have become almost sacrosanct in nature. This is a dangerous point of view.

It will be much more to the point if all proposals to change the taxing regulations were to be considered from this point of view "what will this change do to stimulate the domestic economy of the United States?"

The northern neighbor Canada maintains a common sense attitude toward the welfare of its domestic business life.

For example, Canada recently did these things. They trebled the tax on dividends received by foreign parent corporations from their Canadian subsidiaries, and took the same action on the withholding tax on income earned by foreigners on Canadian stocks and bonds.

Of course, the type of mentality in Canada that matches that which has so long prevailed in the U. S. State Dept. cries that these measures will discourage foreign capital from the United States.

coming into Canada. These walls are not cutting much ice with the government.

It has just gone ahead and offered new tax incentives to its own domestic business to encourage it to expand.

Canadian tax laws have provided that small corporations making \$25,000 or less per year, paid 21% tax, with 48% paid on earnings over that level. This, incidentally, corresponds with the U. S. rates of 25% and 55%.

In addition, they are permitting firms which develop new products, or new types of goods, to take the first year double depreciation on any capital investment made to produce this new wealth.

Of course, in the meantime, the northern tier of the United States is being flooded with cheap bread, baked in Canada by lower priced help from non-price supported wheat. And in the timber areas, every cutting season Canadians pour into U. S. woods with their equipment bought in Canada, to take home more dollars in Canada.

Canada is also going to strengthen its protective tariff system. Some may claim Canadian government is unsteady. Yet two world wars and Korea took a proportionately bigger toll from the Canadians on how to be "unsteady."

### Hawks control pesky rodents for the farmer

AUSTIN—Of all the predacious birds, the hawk family is the most persecuted and the least understood, according to Jerome Kasten in his article, "Hawk, Friend or Foe?" in the April issue of "Texas Game and Fish" magazine. This includes hawks, kites, harriers, and eagles.

The good these birds do far outweighs the bad. For instance, the major part of a kite's diet reads like the role of the scourge of the land (beetles, moths, locusts, dragonflies, crickets, wasps, caterpillars, and other insects). Farmers would have greater appreciation for these birds if they knew of this, writes the author. "No excuse can be made for the extermination of kites. They are harmless, helpful, and easily recognizable. Yet, their numbers are ever diminishing in the state."

Kasten's article is taken from a study he made in Texas. His findings reveal some interesting facts about the hawk family. For instance, the farmer who is lucky enough to have an osprey or two nesting on his land need never worry about other hawks. The osprey never eats poultry and makes a habit of keeping other hawks well away from its nesting grounds, and the sparrow hawk is almost exclusively insectivorous, and therefore a benefactor to the farmer.

## Lights soon at ball park

Efforts are being pushed to begin erection of the lights for Post's Babe Ruth League park within the next two weeks, Bing Bingham, president of the Garza County Youth Association, which is undertaking the park completion, announced today.

Approximately \$2,000 worth of lights and bulbs for the park have been ordered with delivery expected this weekend.

Bingham is now conferring with officials of the Southwestern Public Service Company on undertaking the job of erection of poles and installing the new park lighting system.

Bingham said a lighting expert of the firm was to let him know Friday what the firm could do.

Bingham pointed out that the park is 285 feet down the leftfield line, but only 190 feet down the rightfield line due to some depressions in the ground beyond the fence in rightfield. The new lights probably will be placed in right-field back 285 feet, as in left, so that in the future the outfield can be levelled and the fence moved back to the proper distance.

Directors of the organization will meet in the Community Room at 4:30 p. m. today to authorize by resolution the signing of a \$2,000 note with the bank here for additional funds to finance the lighting. The note, interest free, would be repaid next year out of Commu-

"One bad act, such as a hawk making off with a chicken," writes Kasten, "causes many persons to conclude that all hawks should be killed. They fail to consider that this same hawk may catch field mice as well. A reduction in the number of hawks will certainly remove one effective check on rodents."

## Antelopes fourth; two qualify for regional

Coach Charles Clark's 7th grade track team scored 37½ points at Denver City Saturday to win its division of the District 3-AA track and field meet.

In the high school division, the Post Antelopes scored 52½ points to finish behind Denver City, Stanton and Tahoka, in that order, and ahead of last-place Slaton, which scored 47 points.

The Antelopes qualified two men, Harold Wayne Mason and Wendell Duncan, for the regional meet to be held in Lubbock April 22-23. Mason placed second in the high jump and Duncan was second in the 440-yard dash to qualify for the regional.

Only first and second place winners in the high school division are eligible for the regional meet.

Post's 8th grade team placed third in its division at Denver City, while the 9th graders placed fourth in the 9th grade division.

Behind Post in the 7th grade division were Denver City with 32½ points, Tahoka with 23½ and Slaton with five.

The 7th grade 440-yard relay team of Louis Ayala, Manuel Mindieta, Lamar Jones and Ruben Solis placed first with a time of 53.7.

Other first places won by the 7th grade team were Bobby Snead, 50-yard dash; Mindieta, 100-yard dash, and Solis, 440-yard dash.

Ayala placed second in the low hurdles, Ronnie Pierce second in the high jump and Solis second in the broad jump.

Third places were won by Dennis Ivie in the 440, Solis in the high jump and Ayala in the broad jump.

Fourth place winners were Snead in the 100, Mindieta in the 440, Rickey Welch in the low hurdles, and Ivie in the high jump.

Other members of the 7th grade team are Ronnie Mayberry, Donnie Cornell, John Smith and Birch Lobban.

Denver City scored 227 points for an easy victory in the high school division. Stanton was second with 103 points and Tahoka third with 54½—only two points ahead of the fourth place Post team.

Places won by the Antelopes in addition to Mason's and Duncan's second places were as follows:

440-yard Relay—Third (Ronnie Henderson, Nuel Landreth, Duncan and Mason).

880-yard Run—Tommy Bouchier, third.

High Hurdles—Nuel Landreth, sixth.

High Jump—Dwayne Capps, sixth.

440-yard Dash—Capps, sixth.

220-yard Dash—Mason, fourth.

Broad Jump—Jimmy Minor, tie for fifth.

## Physician and wife to Miami, Fla., for session of Academy

Dr. Harry A. Tubbs and wife, Joan, left Wednesday for Miami, Fla., where he will attend the annual scientific assembly of the American Academy of General Practice, which begins Saturday and continues through the following Thursday.

Mrs. Tubbs will act as an advisor to a technological exhibit at the American Society of Medical Technologists, being held at the same time.

Dr. and Mrs. Tubbs will leave Miami in time to attend some of the sessions of the Texas Medical Association meeting, which begins Saturday in Galveston and continues through Tuesday. They will return to Post Monday.

## Beat Slaton by four strokes

### Golfers capture district crown

The Post High School golf team defeated Slaton, 381 to 385, at Lubbock Country Club Saturday to repeat as District 3AA champions.

Both the Antelopes and the Slaton golfers will advance to the regional meet to be held Saturday, April 22, at Meadowbrook Country Club in Lubbock.

Leslie Ackor led Coach Vernard Alexander's Post golfers with an 88. Roger Camp carded a 82, Lee Williams a 93 and David McCampbell 108.

The match medalist was Slaton's Hatchett with an 87.

In regional competition at Lubbock, the Antelope golfers will be competing with winners from Districts 1AA through 8AA.

## J. D. Brown attends salesmen's workshop this week, Amarillo

J. D. Brown, manager of Starie Motor Company attended a retail salesmen's workshop conducted in Amarillo this week by Lincoln-Mercury Division of Ford Motor Company.

The two-day course in basic selling techniques is offered to selected experienced and new salesmen to assist them in selling Lincoln Continental, Mercury, Comet and English Ford cars.

D. A. Kuhn, Dallas district sales manager for Lincoln-Mercury Division, said major emphasis was placed on demonstration and practice in selling fundamentals, such as presentation, demonstration, closing and customer follow-up.

Special attention, he said, was given to successful marketing of the new Mercury Meteor 600 and Meteor 800 models competing in the low-price, regular-size car field.

Mr. and Mrs. Ted McDonald in Post Sunday.

Mr. and Mrs. Gerald Norman, Judy and Jodi were accompanied by Mrs. Norman's sister, and family of Brownfield to Buchanan Lake for a weekend fishing trip.

Guests in the E. B. Gregg home last week were Rev. Bill Dorrough and family of Big Spring. He is a former pastor of the Grassland Nazarene Church.

Mr. and Mrs. Gregg visited Mrs. Tom Murray Sunday afternoon, and with Mr. and Mrs. Mac Ritchie also.

## Five permits to build issued

Five building permits, with estimated costs not listed on two of them, have been issued at the City Hall during the last few days.

One of the permits went to Avinger Lumber Co. of Lubbock for a three-bedroom home for Adrian Cook at 121 North Ridge Rd., Westhaven Addition. The new home will contain 1,728 square feet of floor space and include two bathrooms and a garage. It is to be of frame construction with brick siding and composition roof. The estimated cost was not listed.

Forrest Lumber Co. was issued a permit for a 6x24-foot addition to be built for Jim Sexton at his home at 615 West 12th. Estimated cost is \$1,500.

A permit went to Slaton Lumber Co. for repairs to the Buster Shumard residence at 412 North Avenue M. The repairs will include sheetrocking, new windows, doors, etc., costing \$800.

Arthur Floyd was issued a permit for a 4x126-foot sidewalk fronting property at 409 West Main, estimated to cost \$200.

A permit was issued Spencer Kuykendall for a Gothic redwood fence at his home at 1009 West 11th. The cost was not estimated on the building permit.

## News from Grassland

### 94 in Sunday School to close out revival

By MRS. O. H. HOOVER

An attendance of 94 was recorded in Sunday school at the Church of the Nazarene Sunday to close out a two-week revival.

Mrs. C. B. King and Mrs. Hubert Aldridge went fishing last week at Brownwood Lake but haven't received a report as to how the ladies did.

The Church of Christ minister, Mr. McBrune, and his family had Sunday dinner with Mr. and Mrs. L. S. Turner.

Mrs. Inklebarber visited last Thursday with Mrs. McCleskey.

Mrs. Ada Oden and Mrs. W. A. Morris were in Slaton Sunday afternoon where they visited Truett Babb and Mr. and Mrs. Donald Carpenter.

Mrs. W. H. Norman and daughter, Penney, were sick all last week.

**VISIT IN CHILDRESS**

Mrs. O. H. Hoover and Mrs. W. A. Morris were in Childress last week for a three-day visit. Mrs. Hoover stayed with her sister, Mrs. S. Stevens, who is ill, and Mrs. Morris visited a friend, Mrs. Sue Cormack, one of her WAC friends.

Mrs. Ada Oden returned home last week from a month's stay with her brother, Leroy Potter, in Petrus, Tex., who has been ill. On Wednesday she and her nephew, Truett Babb of Slaton, went to Newton, Kans., to visit Truett's sister, Ganell Watkins. They returned Sunday.

Mr. and Mrs. Donald Carpenter of Slaton spent Sunday with Mrs. W. A. Morris.

Visiting in the O. H. Hoover home Sunday were Mr. and Mrs. J. R. Chapman and Mr. and Mrs. Hous-

## Babe Ruth League meet

An organization meeting for the Babe Ruth league will be held tonight at 7 o'clock in the Reddy Room of the Southwestern Public Service Company, Edsel Cross, league president, has announced.

He is asking all team managers, team sponsors, and the fathers of prospective ball players to be on hand for the session.

## DINNER GUESTS

Sunday dinner guests in the home of Mr. and Mrs. A. J. McAlister were Mr. and Mrs. Jim Ruth Norman and family, Mr. and Mrs. Billy Thomas, Mr. and Mrs. Roy Teaff, Mr. and Mrs. Jim Bob Porterfield and Mr. and Mrs. Robert Craig and family.

# Spanish Fiesta to be April 22

**By Patsy Thompson**  
The time for the 14th Pan American Fiesta is almost here again. Saturday, April 22, 1961, is the important date. There will be many students who are enrolled in Spanish classes from schools all over Districts 4 and 15 in the Panhandle and South Plains area.

An all-day program has been planned with 15 contests. All the contests have to have a Spanish theme behind them. They are: Spelling, vocabulary for 1st, 2nd, 3rd, and 4th year students, folk dances, music, arts and handicraft, photographic, poetry mem-

ory, creative writing of Spanish poetry, pronunciation clinic, extemporaneous speech in Spanish, ready writing, and also the Los Reyes (King and Queen of the Fiesta contest).

There will be a Mercado (Market Place) in which genuine Mexican handicraft will be sold. Three colleges will be represented, Texas Tech, West Texas State and Wayland.

A real Mexican dinner will be served in the school cafeteria beginning at 11:30 on the day of the Fiesta.

Tickets for the Fiesta and dinner may be purchased from any student taking Spanish. The tickets for the Fiesta are 25 cents and \$1.50 for the dinner.

The menu includes chili con carne, tortillas, tamales, frijoles del rancho (ranch style beans), ensalada de papas (potato salad), helado (ice cream), te (tea), cafe (coffee).

Hope to see everyone out.

## Junior and Senior thoughts on prom

**By Judy McCullough and Danny Jones**

**Junior:** I can't wait to get this Junior Senior banquet over with.

**Senior:** Wonder if the juniors are inviting the seniors this year.

**Junior:** Seniors will probably eat all the food and then gripe!

**Senior:** The food will probably be lousy, not to mention not enough to go around.

**Junior:** I'll bet the banquet decorations will be pretty. They should after all the trouble we went to.

**Senior:** Bet the room will look scrumptious. They're not spending even half as much as we did last year.

**Junior:** Wonder if we should invite all of those noisy seniors.

**Senior:** I probably won't even go if I do get an invitation.

**Junior:** Boy, we really rooked the seniors on the prom. Next year we won't have to furnish half the money.

**Senior:** We sure got rooked on the prom. This is the only year the seniors have had to contribute to it.

**Junior:** Boy, I can't wait until Friday night!

**Senior:** Boy, I can't wait until Friday night!

## Coketales . . .

# Have You Heard??

The Senior hayride was a great success Monday night. Wagons, ho!

Seems like some Seniors had more fun than the Junior High kids at the Junior High prom. How about it Donnie Hays, Mike Cornell, Gayle Dillard, Kenneth Smith, Margie Casteel, Gary Simpson, Denice Eubank, and Danny Jones? All the Senior boys got smothered under by the 6th, 7th and 8th grade girls.

Linda Kuykendall and Jane Maxey have earned their State Degree in Homemaking. Congratulations!

Saturday night Carolyn and Sherry Moore, Sheila Morris and Billy Jackson, and Margie Casteel and Danny Jones made quite a few enemies at the Lindsey Theater. It seems they made quite a bit of racket coming into the theater, knocking arms off chairs and ringing alarm clocks. Wonder why everyone else stayed to see it twice?

Everyone is looking forward to the Junior-Senior banquet Friday night, even though it is Thursday and the Seniors haven't got their invitations yet!

Sunday evening, Gayle Dillard, Kenneth Smith, Linda Kuykendall, Janene Haynie, Kay Gordon, and Danny Jones had quite a time over at Janene's writing the class prophecy. They will have to leave town after the banquet. Sure hope there aren't any hard feelings.

There are a couple of new motorcycle "thugs" around PHS. If you see two girls wearing dresses and one with black hair and the other with blonde hair, pay no attention to it. It's just Gayle Dillard and Denice Eubank "zipping" around.

Saturday night Gloria Peoples and Ronnie Henderson were "riding around in the country" and they had a little car trouble. It seems Ronnie's car wouldn't start and Gloria wouldn't let him leave without her! It's a good thing Howard Lee Teaff "happened" by or they would be sitting out there in the middle of nowhere.

The Calvary Baptist Church had a church party Friday night. Martha Goode really had a good time hunting a goat's beard.

The Sophomore car wash didn't go over too big Saturday. The sand ruined their fun.

Senior Executive Committee had a meeting with a few of the mothers at Mike Cornell's house and decided some more ways to raise some money for the needy SENIORS!

Jane Francis and Beth Kemp

## BOOK REVIEW

### Book tells story of War of 1812

**By Linda Hays**  
An interesting book by Samuel Hopkins Adams is "General Brock and Niagara Falls". The book tells about a general, defender of Canada, in the War of 1812.

Sir Isaac Brock was a British general, defender of Canada in the war of 1812. When danger threatened in the vicinity of Detroit he captured the city easily after such a show of force that Hull, commander of the Americans, surrendered without resistance, an act for which he was later ordered to trial.

This success spread the fame of Brock among the British and Indians, but he did not live long to enjoy his honors. He was killed in the Battle of Queenstown Heights on Niagara River.

# Garza County SCHOOLPAGE

"Why Do Girls Study? They Probably Won't Touch This Stuff After They're Married."

## Status quo given out on Senior students date-wise, otherwise

**By Carolyn Moore**  
Here are the facts about how the members of the Senior class are doing date-wise and otherwise:

**Engaged Couples**  
Margie Casteel and Butch Wilson; Beth Stewart and Jimmy Hodges; Carolyn Martin and Kenneth Williams; Linda Kuykendall and Homer Cato; Billie Lou Hill and Johnny Robison; Elaine Mitchell and Gerry Sherrill; Jane Francis and Lonnie Gene Peel; Kay Gordon and Don Edwards; Jane Maxey and Lewis Mazon.

**Going Steady**  
Janene Haynie and Ray Crispin; Peggy Ramsey and Richard Ray;

Sue Tracy and Bob Carpenter; Kathy Stone and Gary Howell; Royce Hart and Marianne Jones; Robbie Nutt and Carroll Cowley.

**Going Steadily**  
Beth Kemp and Mike Cornell; Mary Lois Jones and Jerry Nutt; Anne Morris and Johnny Kemp; Gregory Magallanez and Ruth Meza.

**Unattached**  
Male—Wendell Duncan, Donnie Hays, Danny Jones, Jerry Ligon, Kenneth McFadin, Jimmy Minor, David McCampbell, Joel Morris, Gary Simpson, Kenneth Smith, Joe Bob Trammell, Ronnie Henderson.

Female—Gloria Peoples, Martha Goode, Pat Odam, Carla Nordman, Gayle Dillard, Carolyn Moore, Denice Eubank, Emmer Jean Halford, Sharon Moore, Patsy Thompson, Virginia Young.

## Shop exhibits are displayed

**By Billie Lou Hill**  
Monday there was a display in the hall of P. H. S. and I think everyone enjoyed it. Some of Mr. Hopkins' shop boys are making some very nice furniture. Here is what some of the boys have been making.

Donnie Hays, a senior, made an end table out of maple.

Richard Ray, a senior, made a white pine letter desk.

Gregory Magallanez, a senior, made a headboard and footboard out of Honduras mahogany.

David McCampbell, a senior, made a large desk out of white oak.

Harold Wayne Mason, a junior, made a headboard and footboard out of ash book case.

Frankie Gary, a sophomore, made a wall shelf out of mahogany.

Lennie Howell, a sophomore, made a cypress lamp.

Billy Shumard, a freshman, made a coffee table out of ash wood.

Ben Sanchez, a freshman, made a screen door out of white pine.

## Junior High School

### Gossip Box

We certainly are proud of Jaynie Josey. She was the only one who made one-hundred on her class' Math test. (Brainy!)

In History we have started giving current events on Friday. Please don't read them!

The 6th grade Language Arts class gave oral book reports.

Mrs. Baxter's Math has started working with decimals.

Our new band leader Friday was Pat Landreth.

I guess everyone in school has heard that Freddie Dodd was back in Post.

Who was it that beat Coach Hahn's first period girls P. E. class in volleyball this past Thursday? Was it the first period boys under Coach Souter?

Belinda Lee and Linda Hays looked kinda cute wearing their boy friends' weights.

Everyone better get their grades up because its only 6 more weeks till school's out.

Edith Johnson and Linda Davis really have a time in Science class every day.

## Songs dedicated to PHS people

Baby Blue—Vonda Howell.  
Like Long Hair—Ginny Young.  
Cool Water—Janith Short.  
Speedy Gonzales—Elaine Wheatley.

Dedicated to the One I Love — Kay to Don.  
Trees — Kenneth Williams and Carolyn Martin.  
The Merry-Go-Round — The Freshman Class.  
Runaway—Carolyn Moore.  
Staying In—Donnie Hays.  
Where the Boys Are—Jake's Recreation Club.  
Asia Minor—Stanna and Jerry (because Jerry likes the song).  
Top Forty, News Weather, and Sports—Cheri Moore, Sammie Kay, Elaine Wheatley and Steve Casteel.  
In the Mood—Lee Williams.  
Moments to Remember — The Senior Class.  
I Wore a Tie Today, Jim — To Jerry Ligon and Jerry Stone.  
Ruby Duby Doo—Danny Jones.  
Blue Moon—Gloria Peoples.  
Mama, Papa (This Is Mary)—Mary Lois Jones.  
Memphis, Tennessee — Gloria Peoples.  
Last Night I Fell in Love—Patsy Thompson.  
Angel on My Shoulder—Martha Goode.

## 'Outfit of the Week' chosen at Post High

Carolyn Moore was chosen as having the "Outfit of the Week" this week.

Her outfit consisted of a sea green unpressed pleated skirt, with a blouse trimmed with the material of the skirt. The blouse was a beige and green print shirt-blouse with a tabbed pocket. She wore a tan belt to complete her ensemble.

Camp and Bill Doggett.

The newest couple in the seventh grade is Marilyn Jones and Doyle Nichols.

## Girls charming, boys handsome in Junior High fashion parade

**By Sharla Pierce**  
Terry Power looked stunning in her pink and white checked dress with big pockets, puff sleeves and a lacy covering.

Donnie Cornell looked handsome in a white shirt and striped tie with a black coat and pants with a touch of green in the coat.

Dixie Lucas looked cute in a white polished cotton dress sprinkled with flowers, and a scoop neck.

Dwayne McWhirt looked becoming in his white shirt and coat with blue dress pants and a brown tie.

Ronnie Mayberry looked charming in his white shirt and black pants and tie.

Steve McDonald looked attractive in his Ivy League pants and orchid pullover shirt.

Marilyn Jones looked very pretty in her pink frilly dress.

Pam Owen looked divine in her red and white checked dress with lacy sleeves and round neck.

Beverly Duncan looked lovely in her white skirt and blouse with blue ribbon in the lace running down the front.

Cheri Cummings looked charming in her lilac and white large checked dress with puff sleeves and square neck.

Delores Strofer looked stunning in her blue dress with a big collar and full skirt.

Jeanie Lewis looked gorgeous in her peach colored dress with a full pleated skirt.

Judy McCampbell looked beautiful in her lilac dress with a full pleated skirt. The top had small ribbon straps with a lilac sweater to wear over it.

Pat Martin looked becoming in her blue dress with a lace bodice and full skirt. It had cap sleeves and a cummerbund.

Pat Landreth looked attractive in her white with an apricot decoration and an apricot skirt.

Cerretta Jones looked divine in a white blouse with lace in the design of flowers and a black and white full skirt with a cummerbund.

Arleta Robinson looked divine in red and yellow checked dress.

Carol Camp looked becoming in a lavender suit with small white checks.

Mary Barnes looked lovely in a pink dress with a straight neck front and a V-shaped back with blue ruffled sleeves and a cummerbund.

**Assembly program in charge of PHS choir**  
The Post High School Choir is in charge of an assembly program Monday morning, April 18. Five soloists were accompanied by the choir. They were Janene Haynie, Jim Wells, Dee Ann Walker, and Karen Haley.

Tuesday night they presented a concert in the grade school auditorium.

Wednesday, the Post High Choir went on tour. Several places they visited were Wilson, Slalom, and Ropesville.

## 'Route 66' hit in Junior High

**By Terry Power**  
Some of the Junior High students were polled on their favorite TV programs. They were asked, "What is your favorite TV program, and why do you like it?" Here are the results:

Cerretta Jones: "Route 66." Because of Tod and Buzz.

Jeanie Lewis: "Route 66." Because of Tod and Buzz and their little car.

Pamela Owen: "Tab Hunter Show." I like to look at HIM!

Beverly Duncan: "The Andy Griffith Show." I like the way he talks.

Cheri Cummings: "Route 66." Because Buzz and Tod are dolls!

Annie Garshol: "Route 66." Because of the characters in it.

Carol Camp: "Route 66." I like Buzz (George Meharis).

Pat Martin: "Peter Loves Mary." I like the characters.

Marilyn Jones: "The Danny Thomas Show." Because it has lots of cute characters in it.

Judy McCampbell: "Route 66." Because Tod and Buzz are dolls.

Delores Strofer: "Michael Shayne." Because it's a mystery.

Mary Barnes: "Route 66." I like the men and their car.

Betty Hutchins: "Route 66." Because it's exciting.

Arleta Robinson: "Route 66." Because it's exciting—and romantic!

**CHOIR PROGRAM**  
The Post High School Choir presented a program on Monday morning in the grade school auditorium. The program, under the conduction of Mr. George Willson, consisted of Negro spirituals, hymns, and popular music.

### Fashions to look for at banquet Friday evening

Look for these fashions at the Junior-Senior banquet Friday:

Mary Lois Jones—A brown chiffon formal, ballerina length; the bodice is gathered and it is a scoop neckline. She will wear bone pearlized accessories.

Elaine Mitchell—Blue ballerina length chiffon formal, with blue satin heels.

Robbie Nutt — Ballerina length white chiffon with red pearlized accessories.

Emmer Jean Halford—White strapless net formal; ballerina length with black accessories.

Judy McCullough—Pink strapless ballerina length formal with white heels and gloves.

Martha Goode—White strapless net ballerina length formal with red accessories.

Gloria Peoples—Pink strapless floor length formal with white accessories.

Patsy Thompson—Strapless blue ballerina length formal, lace over net. She will wear white accessories.

Kay Gordon—Light blue floor length formal with blue lace at top and tiers of blue lace on skirt; white accessories.

Linda Kuykendall — Sapphire blue brocaded acetate taffeta floor length formal; princess style with sweetheart neckline and pleated back.

Jane Maxey—Floor length white nylon acetate strapless formal with bouffant, scallops.

Carolyn Moore—White silk organza formal with white lace; accessories are orchid beads and sequins and white gloves and heels; floor length.

**WEEKEND VISITORS**  
Visitors over the weekend in the home of Mr. and Mrs. Gerald Loyd were Mr. and Mrs. Wade Turner of San Angelo.

### FHA girls win state degrees

Saturday, April 8, Mrs. Wilma Hill, Linda Kuykendall, Shelia Morris, and Jane Maxey served on a State Evaluation Committee for FHA State Degree applications at Big Spring High School.

Twenty-five FHA girls from Area II applied for this degree and only one was turned down.

Post girls applying for this degree were Jane Maxey and Linda Kuykendall, and both were approved.

State Degrees will be conferred at Dallas on April 27 at the State FHA Convention.

Those planning to attend the convention from the local chapter are Mrs. Hill, chapter advisor; Mrs. V. H. Kuykendall, sponsor; Shelia Morris, Danella Bateman, Linda and Jane.

### Track team in fourth place

**By Ginny Young**  
The last event of the track season—and perhaps the most important one—took place Saturday at Denver City.

In the district meet, Post scored a total of 52½ points to win fourth place. Two members of the Antelope team, Harold Wayne Mason and Wendell Duncan, qualified for the regional meet, Harold Wayne by placing second in the high jump and Wendell by placing second in the 440-yard dash.

We are very proud of the fine job the track team did, and especially Harold Wayne and Wendell.

The events in which we placed are as follows:

Third, 440-yard relay, 12 points. Henderson, Landreth, Duncan and Mason.

440-yard dash, Duncan second and Capps sixth, nine points.

220-yard dash, Mason fourth, four points.

100-yard dash, Mason sixth, one point.

880-yard run, Bouchier third, six points.

Broad jump, Minor tie for fifth, one and one-half points.

One mile relay, fourth, eight points. Duncan, Capps, Bouchier, Ivie.

High Jump, Mason second and Capps sixth, nine points.

High hurdles, Landreth, sixth one point.

Texas receives more than a quarter billion dollars a year for gas sold to other states.

### Volleyballers are runners-up in 3AA

The Post volleyball team composed of Peggy Ramsey, Janie Carradine, Judy Clary, Nita Wilson, Ruthell Martin, Danella Bateman, Barbara Craig, Sandra Stewart, and Anne Morris traveled to Denver City for the District Volleyball tournament last Saturday morning.

Their first match was at 10 a. m. against Saton. Post won by a score of 15-8 in the first game and 15-0 in the second game.

Later at 3 p. m. the Post team met Denver City. They were defeated in these games, but ended up second in district.

Four of the Post girls made the all-district team. Judy Clary and Anne Morris were placed on the spiking team and Danella Bateman and Ruthell Martin received places on the setting up team.

All the girls had a very nice time at Denver City, and they wish to thank Mrs. Shaw for her courtesy to them at the tournament.

### Students entering speech contests

**By Janene Haynie**  
This year Mrs. Scott has several students entered in various Inter-scholastic League events. They are:

Poetry Reading: Janene Haynie, Sammie Kay Caffey, Denice Eubank.

Boys Extemporaneous Speech: Royce Hart, Richard Hart, Curtis Hudman.

Senior Girls Declamation: Linda Rogers.

Junior Girls Declamation: Susie Jo Schmidt.

Junior Boys Declamation: Wendell Johnson.

Girls Extemporaneous Speech: Judy McCullough.

Boys Debater: Lee Williams, Wayne Gamblin.

### Banquet, prom date nearing

The seniors are getting worried as to whether or not they will be invited to the banquet. Only four more days and the invitations haven't reached them.

The committees are working this week on decorations and last-minute things. Girls are talking about their dresses and boys are grumbling about the prices of flowers. At least, we can eat free, boys.

Some of the seniors are still trying to discover the theme for the banquet. I would bet about 50 per cent of them already know it.

### The Texian Editor's Frontier News Flashes

Department of Journalism & Graphic Arts  
University of Houston

April 1-7, 1961  
WAR BEGUN

Our dispatches today bring the intelligence that the war is begun. Mr. Lincoln's government was determined to reinforce Fort Sumpter by force or fraud, and that the confidence of the authorities at Charleston had been abused. General Beauregard on Thursday brought matters to an issue and demanded that Major Anderson should set some time to evacuate the fort. Anderson refused. In consequence of his refusal, the batteries opened fire on him on Friday evening at 4½ o'clock which was still kept up at 11 o'clock at night. In the South all is enthusiasm. Never was a result more obvious, or any future event more certain than that the Confederate States will gain all they demand. Let the God of battles decide the contest.—Weekly Telegraph, Houston.

**SHOULD CAPITOL BE CHANGED?**  
It is a melancholy reflection that Travis County, the seat of the capitol of Texas, has manifested her loyalty to Black Republicanism. She is a disgrace to the State, and unless she can right herself, the people should withdraw their patronage from her, and place the capitol in a Southern community.—Tyler Reporter.

**PAT AND THE RECORDER**  
Pat Murphy, as jolly a Greek as ever swallowed death and damnation, in the shape of lightning yesterday morning for disorderly conduct, and after the payment of a nominal fine and costs of prosecution, was until the next time, freed from the clutches of the law.—Weekly Telegraph.

**THE WORM TURNS**  
A Clergyman and one of his elderly parishioners were walking home from church one icy day last winter when the old gentleman

slipped and fell flat on his back. The minister, looking at him a moment and being assured he was not much hurt, said to him: "Sinners stand on slippery places." The old gentleman looked up as if to assure himself of the fact and said, "I see they do; but I can't." — Tri-Weekly Telegraph, Houston.

**MERCHANT SECEDES**  
For Cash Only—Take due notice and govern yourselves accordingly. From the first day of June, 1861, I will secede from the selling of goods on credit entirely. Having been disappointed in collecting what was due me during the month of January last, and having waited an additional reasonable time for my friends up to date, and being myself unable at this time to buy goods except for cash, I am obligatory to sell for nothing else but cash. At the same time I earnestly request all who are indebted to me to come up promptly without delay as TRUE FRIENDS and pay up. If it is not possible to pay all, pay at least part as you possibly can in order to sustain your still true friend, H. Levinson.—Brenham Enquirer.

**ATTEND WEDDING**  
Mr. and Mrs. Wayne Runkles and Miss Marilyn Steel, all of Lubbock, were in Post over the weekend to attend the wedding of Miss Lucy Trammell.

**ATTEND CONVENTION**  
Mr. and Mrs. Amos Gerner left Sunday for Dallas where they attended the Ginners' Convention. They were to have returned Wednesday.

**MACARTNEY ROSE**  
The Macartney rose, a real pest on some 400,000 acres of fertile East Texas and Gulf Coast land, can be controlled by repeated yearly applications of chemicals. Early spring or fall, when the roses have enough soil moisture for active growth, is the best time to apply the control measures, says G. O. Hoffman and Bobby Ragsdale, extension range specialists. They suggest a visit with the county agent for details on the control program.

**Legal Notice**

**APPLICATION FOR ON-PREMISE PERMIT**  
The undersigned is an applicant for a permit to retail beer for on-premise consumption from the County Judge, and hereby gives notice by publication of such application.

The permit will be used in conducting a business located .6 of a mile north of the City limits of Post, Texas, on the east side of Farm Road 651 ( Spur Road), operating under the name LAS VEGAS.

**Lubbock man speaker at Church of Christ**

By MRS. NOEL WHITE  
 Jane Maxey accompanied Mrs. Wilma Hill, Linda Kuykendoll and Sheila Morris to Big Spring Saturday where they judged Future Homemakers of America State Degree Scrapbooks. Jane and Linda will receive their State Degree in Dallas the last of this month.

Mr. and Mrs. George Ramage visited in Snyder Sunday with her sister and brother-in-law.

Visiting this week in the home of Mr. and Mrs. Elgie Stewart and Mrs. Harvella Mason and Darla are Mrs. Bertha Kinney of Lampasas and Mrs. Vesta Justice of Austin. Mrs. Justice went to Levelland to be with her brother, Ira Ivie, who is ill. Also visiting over the weekend was Mrs. Abi Rogers of Post.

On the sick list this past week were Mrs. Delmer Cowdrey, and Stanley Gary and Darlene Jones.

Mr. and Mrs. Mack Ledbetter and children enjoyed an outing to Lake Thomas Sunday afternoon and then visited in the home of Mr. and Mrs. Carl Fluitt and Jack Sunday night.

Mrs. Maud Thomas visited Sunday afternoon in the home of Mrs. Era Aten. Mrs. Elmer Cowdrey was a Tuesday morning guest of Mrs. Thomas.

**TRIP TO NEW MEXICO**  
 Mr. and Mrs. George Ramage are planning to leave this weekend for Truth or Consequences, N. M., where they will spend several days.

Mr. and Mrs. J. C. Howard and Keith visited over the weekend in Wichita Falls with their daughter and her family, Mr. and Mrs. Leon Davis and Theresa Lynn.

Congratulations to Mr. and Mrs. Grover Mason. They have a new granddaughter, named Lisa Karol, who was born Saturday morning in Hobbs, N. M. Mrs. Hutton and children arrived Monday to visit several days with her parents.

Mr. and Mrs. Quannah Maxey, Jane and Diane, Mrs. Noel White and Steve, and Mr. and Mrs. Louis Sinclair and family of Abernathy, were visitors Sunday in Midland of Mr. and Mrs. Bobby Howard and children, and Mr. and Mrs. Leland Howard and Susan.

Henry Lynch of Lubbock spoke at the morning and evening service of the Graham Church of Christ Sunday. He, Mrs. Lynch and family were dinner and afternoon guests of Mr. and Mrs. E. E. Peel and Beth. Other visitors were Mrs. Paul Hedrick and daughters and Mr. and Mrs. Glenn Huntley of Lubbock.

Sunday visitors of Mr. and Mrs. Ray McClellan and family and Mrs. Raymond Thane were Mr. and Mrs. Bill Stone and family, Mr. and Mrs. Jody Mason and Joe, Mrs. Billy Lester, Brenda Mason, Mrs. Juanelle Mahmood and children, and Mrs. Harold Reno and sons.

**ATTEND FISH FRY**  
 Among those attending the Lubbock Production Credit Assn. fish fry Thursday were Mr. and Mrs. Carl Fluitt, Mr. and Mrs. Theibert McBride and David and Mr. and Mrs. Ray McClellan and Mrs. Raymond Thane.

Mr. and Mrs. Franklin Maxey of Clovis, N. M., arrived here Monday to spend their vacation visiting with his parents, Mr. and Mrs. Bryan Maxey and family.

Mr. and Mrs. Charles Morris left Friday for Houston, where Mrs. Morris stayed to visit with her mother and other relatives for a few days.

Among Sunday afternoon visitors in the Donald Windham home in Post Sunday were Mr. and Mrs.

News From The **DUCK CREEK SOIL CONSERVATION DISTRICTS** POST WORK UNIT

**COOPERATORS SEEDING NATIVE GRASSES**  
 This is the time of year for seeding native grasses in the Garza County area, points out Bobby Jack Gray, Post work unit conservationist for the Duck Creek Soil Conservation District.

Several landowners in the county have seeded or are planning to seed native grasses in the next week or so.

The Double U Ranch has already seeded 260 acres of abandoned fields that had been drilled to forage sorghums for a cover last summer. The grasses seeded were switchgrass, Indian grass, sand lovegrass and sideoats grama.

The grass was drilled into the dead sorghum litter and is already up. They have sprayed the fields to control weeds and should have a good stand of grass if the weather doesn't turn off extremely dry this summer.

Virgil Smith is also planning to seed several acres of shallow soils on his farm. He has a dead litter cover of cane on the field and will seed into it. He plans to seed sideoats grama and bluestems.

Mike Custer is planning on seeding about six acres of sideoats grama and irrigate it.

The Double U Ranch seeded about 900 acres of sandyland range

**BEST BERMUDAGRASS**  
 "What Bermudagrass is best for improved pasture use in Texas?" George McBee, extension pasture specialist, is frequently asked that question. He says a review of research findings shows that Coastal ranks at the top of the list for the areas in which it is recommended—sections of the State below 3,500 feet elevation. Supplemental irrigation should, however, be available in the low rainfall areas. Midland is recommended for the Panhandle area.

Mr. and Mrs. J. M. Bush and Mr. and Mrs. L. G. Thuet Sr. left Monday morning for a fishing trip to Possum Kingdom, where they will spend several days.

Visiting in the Carl Fluitt home Sunday were Mr. and Mrs. Marion Matthews and children of Morton, Mr. and Mrs. Dillard Thompson and Gloria of Tokio, Mrs. W. O. Fluitt Sr., Mr. and Mrs. Auvy Lee McBride and Leah, Mrs. Theibert McBride and Shirley, Cheryl Martin, Mr. and Mrs. Elmo Bush and family, Mr. and Mrs. Mack Ledbetter and children, Mr. and Mrs. Delwin Fluitt, G. T. Mason, Tommy Mason, Butch Cross and Ronald Simpson.

Mr. and Mrs. Bill McMahon and Linda and Mr. and Mrs. Fed Gossett enjoyed an outing to Lake Thomas Sunday afternoon.

Mrs. Bill McMahon and Linda and Mrs. Jewel Graham were in Lubbock Saturday.

Sixteen women and the hostess were present for an organizational meeting of the Graham Community Home Demonstration Club at the home of Mrs. Carl Fluitt, Tuesday afternoon at 2:30.

**CLAIREMONT VISITORS**  
 Visitors in the home of Mr. and Mrs. James Dye Sunday were her parents, Mr. and Mrs. Wood Byrd and family, of Clairemont.

**JESSIE'S BEAUTY COLLEGE**

# Major surgery patient's land is listed by friends

By MRS. JESSE WARD  
 Neighborhood men brought tractors and gathered at the Lester farm Monday morning to list the Lester farm land. It was recently dismissed from probate court after having gone through major surgery. Listing was by B. B. Corbell, Robert Lee Hagler, Van Foster, Ed Jones, J. B. Jones, Winston Jones, and two men from the Perry Coop Gin. Mrs. Lester, assisted by Mrs. Cummings and Winston Lester, served lunch. The Lester men wish to express their gratitude to everyone who helped.

Southland OES met Thursday night and elected Mrs. Hope Worthy Matron and Mrs. Hope Worthy Patron. Others in office were: Mrs. Thelma Burkett, associate matron; Mrs. Oats, associate patron; Mrs. Lewis, conductress; Mrs. Fortson, associate conductress; Mrs. Opal Pennell, secretary; Mrs. Gloss Davies, treasurer.

**ND FUNERAL**  
 Mrs. Kenneth Davies, J. H. Sam Ellis and Jack Myers attended funeral services for Mrs. Ed Dunn's father, Ed Day, in the Saturday. Mr. Day and family were former Southland members.

Over the weekend in the Sims home were Mr. and Mrs. Ham and children of Big Blum and Mr. and Mrs. J. Martin and family of Slaton. Mrs. Alice Martin, Gloss Daval Pennell, Doll Haire, and Mrs. Myers attended the Southland Post Past Matrons meet Monday night at the home of Mrs. Arnold Sanderson. Southland WMU met Monday afternoon at the Baptist Church for a Service program.

## THANKS TO THE VOTERS OF POST

For your confidence, influence and support in re-electing me for a second term as your Mayor, I am grateful and honored. I pledge myself to continued support of safe, sound and city government.

**POWELL SHYTTLES**

From now on  
**MEAD'S FINE BREAD**

will be . . .

It's a fine New product . . . fresh as can be with a brand new name . . . RAINBO baked with only the purest enriched ingredients by master bakers in a most modern plant. Rainbo is always the homemaker's first choice for quality and flavor . . . a truly good bread containing important vitamins and minerals so essential to your health and the growth of your children.

*Best Bread Ever!*

The annual Southland Senior Banquet will be held April 19 at the Baptist Church. It is sponsored by the WMU Baptist and the Methodist churchwomen.

Mr. and Mrs. Noble Wynn recently visited in Amarillo with their daughter and son-in-law, Mr. and Mrs. Steve Dearth.

Guests of Mrs. L. L. Corbell and Bunyan Sunday were her daughter and son-in-law, Mr. and Mrs. Lowell King and their daughter and son-in-law, Mr. and Mrs. Warren Thomas and children, all of Hale Center. They attended church at the Gordon Church of Christ.

Mr. and Mrs. Don Clay and Donnie of Big Spring spent the weekend with their parents, Mr. and Mrs. Robert Lee Hagler and Jean, and Mr. and Mrs. Nolan Clay of Post.

Mr. and Mrs. Ronald Huddleston and daughter of Dallas, and Jerry Huddleston, Abilene Christian College student, spent the Easter holidays with their parents, the J. H. Huddlestons.

### NEPHEW MARRIES

Mr. and Mrs. Jay Oats and Connie attended the wedding of their nephew, Clay Neil Oats of Slaton, to Miss Sharon Kay Hardy of Lubbock Saturday. It was at the Cooper Methodist parsonage.

The Southland OES held a Friendship Night salad supper Friday at the Masonic Hall. Seventy-two people attended.

Lt. and Mrs. Travis Dabbs and children of Lubbock were Sunday afternoon guests of his parents, the Herman Dabbs.

Mr. and Mrs. Martin Edmunds and Dale, and another son, Merwin Edmunds of Lubbock, had Sunday dinner in the Glen Edmunds home in Slaton. They all attended church in Slaton.

Mr. and Mrs. Donald Pennell

and Harvey were in Lubbock last Tuesday to hear Von Braun, chief scientist at the space flight center in Huntsville, Ala., speak at the Lubbock auditorium. Making the program of special interest was the fact that the Pennells' son, Jerry is stationed at Huntsville.

Guests in the Jay Oats home Sunday were Mr. and Mrs. Clay Oats and Jerry Lee of Slaton and Mr. and Mrs. Clay Neil Oats of Lubbock.

Dennis McGehee has been absent from school for several days suffering a back injury recently.

**ATTEND REUNION**  
 Mr. and Mrs. Jay Oats and Connie and their daughter, Sue who attends McMurry College, Abilene, attended the Oats family reunion in Lubbock recently.

Jimmy Ferguson, nephew of Mr. and Mrs. Donald Pennell who has been stationed in Germany the past two years, returned to Texas last Thursday. He was met in Lubbock by his parents, Mr. and Mrs. A. A. Ferguson, and Mr. and Mrs. Carl Cederholm of Post. En route to Post, they all visited in the Pennell home.

Guests last week in the Ed Milliken home were their granddaughter and family, the Bob Henderson of Lubbock; Byron Milliken and Janey of Lake View; Mr. and Mrs. Fred Davidson and Louise, Mr. and Mrs. Sam Martin and Mr. and Mrs. Robert Lee Hagler.

Mr. and Mrs. E. C. Smallwood and baby spent Sunday afternoon in Garnolia with her parents, Mr. and Mrs. Otis Shepherd Sr.

Mr. and Mrs. Clyde Shaw spent last Thursday afternoon with her sister and brother-in-law, Mr. and Mrs. Cameron Justice, at Justiceburg.

Mrs. Roland Rhoades and son left Saturday for Grayson County, where her mother lives. Her mother is to return with her.

J. I. Bartlett is improving from a case of pneumonia, but is still in the hospital.

Mrs. Jack Myers spent Wednesday with her mother, Mrs. O. M. Hart in Spur.

Mrs. Carl Payton and Linda were hostesses for a home appliance party Friday afternoon. Nine guests attended.

Mr. and Mrs. H. W. Seals were weekend visitors in Abilene.

Bennie Edmunds, son of Mr. and Mrs. Don Edmunds, spent the weekend in Slaton with his grandparents Mr. and Mrs. B. F. Gunnell.

### SANTA FE CARLOADINGS

Santa Fe carloadings for week ending April 8 were 22,981 compared with 25,942 for the same week a year ago. Cars received from connections totaled 10,716 compared with 12,932 for the same week a year ago. Total cars moved were 33,697 compared with 37,974 for the same week a year ago. Santa Fe handled a total of 34,116 cars in the preceding week this year.

## Hospital Notes

Those admitted to Garza Memorial Hospital since last Tuesday were:

E. A. Morgan, medical  
 Mrs. Jimmie Redman, obstetrical  
 Daniel Lewalen, medical  
 Mrs. Melvin Williams, surgical  
 Mrs. James Kennedy, surgical  
 Mrs. Bessie Tittle, surgical  
 Truett Horton, surgical  
 Mrs. G. M. Chaffin, obstetrical  
 Mrs. Silas Usery, obstetrical

### GUESTS OF COOKES

Mr. and Mrs. Creston Sloan, who live in Pennsylvania, visited here recently with his cousin, Mrs. A. C. Cooke, and Mr. Cooke. Other recent visitors in the Cooke home were her daughter, Mrs. Bill Henry Smith and husband and their children, Janet and Everett, of Dermott, and Mrs. Billie Clark and granddaughter of Ruidoso, N. M.

### FROM FLORIDA

Mr. and Mrs. Allyn Kemp of Fort Walton Beach, Fla., visited last week with his parents, Mr. and Mrs. Glenn Shelton.

## Pleasant Valley news

# Soldier and friend visit with family

By MRS. VERNON SCOTT

SP-4 Paul Wheatley and a friend, Robert Nofz, both of Ft. Bliss, El Paso, visited Paul's parents, Mr. and Mrs. Henry Wheatley, Pat and Kent, over the weekend. Other visitors in the Wheatley home Sunday were Mr. and Mrs. George Leggett, and Mrs. Helen Meeks.

Visitors in the home of Mr. and Mrs. Leo Barker, Don and Loyd over the weekend were Mr. and Mrs. Monroe Turner, Rev. Cline Drake, and Mrs. Barker's brother and family, Mr. and Mrs. P. A. Truitt of Seminole.

Mrs. B. D. Robinson, Myrtle and Racy had visiting in their home Sunday. Mr. and Mrs. D. C. Roberts, Mr. and Mrs. F. L. Ward, and Mr. and Mrs. J. B. Robinson.

We want to congratulate Mr. and Mrs. Max Chaffin on the birth of a daughter. They named her Katrina Marie. Mrs. J. D. Chaffin is the paternal grandmother.

Rev. and Mrs. Horace Hitt of Wolforth were Sunday guests of Mr. and Mrs. Elmer Hitt. Rev. Hitt was the supply preacher in the Pleasant Valley Baptist Church Sunday in the absence of the pastor, who is holding a revival at Fluvanna.

The Pleasant Valley boys and girls 4-H clubs will meet in the home of Mrs. Carl Payton this week.

Mr. and Mrs. B. L. Thomas were among the dinner guests in the home of Mr. and Mrs. A. J. McAlister of Post Sunday.

Mr. and Mrs. Spence Bevers, Bill, Larry, Joe, Sue, and Laura, and Mr. and Mrs. Happy Bevers, Sherry, Peggy, and Mark visited Mr. and Mrs. S. S. Bevers of Justiceburg Sunday.

Sunday visitors in the home of Mr. and Mrs. Cecil Lee and Shirley were Mr. and Mrs. Lewis Kenley of Lubbock, and Mr. and Mrs. Luther Kenley of O'Donnell.

Mr. and Mrs. J. B. Robinson visited with Mr. and Mrs. Harold Quisenberry in Brownfield Sunday. Mrs. Hattie Burkett of Lubbock and Mrs. Evelyn Wright of Anton visited several days last week with Mrs. Thelma Burkett.

Visitors in the home of Mr. and Mrs. Barton over the weekend were Billy Joe Hall and Mr. and Mrs. J. W. Kuykendall.

Mr. and Mrs. Bill Pool and Dana of Big Spring visited Mrs. Pool's parents, Mr. and Mrs. Charlie Scott over the weekend. Other visitors in the Scott home Sunday were Mr. and Mrs. Wesley Scott Ted, and Mike, and Mr. and Mrs. Vernon Scott.

Visitors in the home of Mr. and Mrs. Clark Barton this past week were Mr. and Mrs. Thomas Moss of Brownfield, Mrs. Carl Chilcoat, Mr. and Mrs. Douglas Livingston, Mrs. Thelma Burkett, Mrs. Hattie Burkett, Mrs. Evelyn Wright, and Mrs. Mattie Dunlap of Post.

### IN LUBBOCK THURSDAY

Mr. and Mrs. Marvin Williams, Vickey and Danny, and Mr. and Mrs. Charley Williams were in Lubbock last Thursday evening where they visited Mr. and Mrs. L. W. Evans and Michael.

**SISTER VISITS**  
 Visiting in the home of Mr. and Mrs. D. C. Hill is her sister from San Angelo, Mrs. E. B. English.

On Feb. 7, 1899, the USS Essex crossed the Equator. This was the first U. S. warship to "cross the line."

## New packaging ideas and uses found for eggs

COLLEGE STATION—According to Fred Gardner of the poultry science department at Texas A&M College, the egg is becoming modernized. With the goal of the housewife having to spend less time and energy in the preparation of egg dishes in mind, research personnel are developing new packaging ideas and new uses for eggs.

During the past ten years, researchers have come up with some amazing products. How does repairing enough scrambled eggs for a whole family in 30 seconds sound? It can be done with a recently developed scrambled egg package. All you do is add hot water, stir and you're ready to serve a plate of eggs. Maybe you don't want scrambled eggs. In that case, pop some of the new instant French toast into your toaster. These are just two of the many new egg products that should be on grocers' shelves in the near future, says Gardner.

There are also many new egg products that are still in the developmental stage. For instance, pressurized cans of egg yolk, egg white or whole egg may soon be available. With these, all you do is press a button and you have whipped whites, scrambled eggs or egg soufflé. Or perhaps you would prefer packaged sliced hard cooked eggs, frozen egg sandwiches, pickled eggs, smoked egg dip, frozen scrambled eggs and bacon, deviled egg roll, and either fried, poached or scrambled eggs as warm and serve items. These should also be available in the not too distant future.

Something you can try now is the new orange-egg drink, Gardner continues. Just add one egg to one cup of orange juice, either fresh or frozen, beat until blended, chill and serve. Try it. It's a refreshing, highly nutritious drink, he concludes.

## Research findings will be help in selecting best Bermudagrass

COLLEGE STATION — Texas cattlemen are asking, "What Bermudagrass is best for improved pastures?" With several varieties to choose from, your decision may be easier with a quick review of research findings, says George McBee, extension pasture specialist, Texas A&M College.

All factors considered, Coastal Bermudagrass ranks at the top of the list, the specialist reports. The hardy hybrid generally is adapted to all sections of the State below 3,500-foot elevation. But supplemental irrigation, he warns, is necessary in areas of low rainfall.

Midland Bermudagrass, a hybrid cross between Coastal and a cold-resistant strain of common Bermudagrass grown in Indiana, generally is a bit less productive than Coastal, McBee says. Its added cold-resistance, however, makes it well suited for the Lubbock area and northward.

Savannah Bermudagrass, also a hybrid, is similar to Coastal. Georgia tests revealed more drought resistance on deep sands, but it is less tolerant of heavy grazing and less desirable than Coastal in Texas.

Other varieties such as hybrid Selection No. 3 and Greenfield are not presently recommended in Texas. Selection No. 3 has produced

# Automobiles, trucks spur Texas economy

Automobiles and trucks give a big boost to Texas' economy.

The service station attendant in Laredo, the parts warehouse worker in El Paso, the assembly line employee in Dallas, the auto dealer in Houston—these are only a few of the thousands of jobs involved in the business of making, selling and servicing motor vehicles in Texas.

Billions of dollars in wages and profits are collected annually by Texas workers and businesses of all sizes because of the state's highway transportation industries. The importance of motor vehicles to the state's economy is reflected in a statistical report just published by the Automobile Manufacturers Association.

The report gathers the latest available figures from federal, state and private agencies interested in transportation.

It shows, for instance, that automotive operations in Texas generated more than \$5.6 billion in business activity in 1958. Sales of automotive products and services accounted for 21.1 per cent of the total dollar business volume in the state.

The AMA report shows that 36,812 shops and plants involved in the distribution, sale and maintenance of motor vehicles employed 190,453 persons in Texas in 1958, totaling 17.6 per cent of the state's entire working population. The combined automotive industry payroll for the year topped \$400,000,000.

Total motor vehicle registration in Texas rose by 3.2 per cent from 1959 to 1960—from 4,350,573 in 1959 to 4,447,000 in 1960 (based on a 1960 estimate).

Texas paid \$236,253,000 in federal excise taxes on motor vehi-

cles, fuel and parts in 1959, plus an additional \$259,656,000 in special motor user taxes levied by the state. The latter comprised 36.9 per cent of all Texas tax collections.

Trucks alone provided 36.8 per cent of all state motor user taxes, or a total of \$116,444,000. Truck registrations—857,940—made up 19.7 per cent of all motor vehicle registrations.

There were 2,247 franchised and 2,407 non-franchised passenger car dealers, 14,902 gasoline service stations, and 1,897 automotive accessory dealers in Texas in 1958. Total retail sales by these establishments were \$2,893,258,000, or 26.8 per cent of all Texas retail business for the year.

The AMA report listed 3,568 au-

tomotive wholesale businesses, including distributors of motor vehicles, automotive equipment, petroleum products and tires and tubes in 1958. They amassed sales of \$2,425,113,000. Garages, service and repair shops numbering 8,867 reported receipts of \$229,982,000.

Other statistics in the AMA report: A total of 31,800 Texas residents held stock in automotive companies in 1959.

Total road mileage in Texas was 229,423 in 1959, of which 144,749 miles was surfaced.

Receipts from 331 auto and truck rental businesses in 1958 amounted to \$28,128,000.

Tourists spent an estimated \$474,000,000 in Texas last year.

### SATURDAY VISITORS

Guests in the J. L. Ballentine home for a fish fry Saturday night were Mr. and Mrs. Wade Terry, Mr. and Mrs. Mack Terry, Mr. and Mrs. Bobby Terry, Mark and Brent, Mr. and Mrs. Jack Ballentine and children of Lubbock, and Robert Doss.

### SUNDAY IN DALLAS

Mr. and Mrs. Spencer Kuykendall spent Sunday in Dallas.

ALCOA STANDARD CLASS 150

Expertly Engineered For Your Farm With Superior Irrigation Equipment

An irrigation system is an important investment and should be protected with expert and experienced engineering. We've provided such service for many farmers in this area to insure dependable, economical performance. For the systems we install, we specify highest quality irrigation equipment, including Alcoa® Standard Class 150 Irrigation Pipe.

Come in and let us know what your plans are—we'll work with you in developing a suitable installation for your farm within the amount you are able to invest. Our engineering service is available at no extra cost.

COMPLETE STOCK OF IRRIGATION EQUIPMENT  
Pumps • Couplers • Sprinkler Risers and Heads • Alcoa Standard Class 150 Irrigation Pipe in all standard sizes and Alcoa Lite-Line Irrigation Pipe in larger diameters.

## ... with portable irrigation and Alcoa Aluminum Pipe!

Save again on leveling, installation and care with a sprinkler or gated system tailor-made of Alcoa Aluminum Irrigation Pipe!

You get *bonus* benefits when you deliver the right amount of water to your crops—as it's needed throughout the growing season—with portable irrigation using Alcoa® Aluminum Pipe. You'll find it uses only about 55 per cent as much water as flood irrigation; is more economical to install, easy to move; eliminates most leveling and ditching.

### There's an Alcoa Irrigation Pipe for every need!

Alcoa Standard Class 150—tough enough for rough handling, strong enough for high pressures over long hauls—comes in eight diameters from 2 in. through 10 in. Alcoa Lite-Line comes extruded—light weight and low cost for most average uses; and welded—alclad inside for maximum corrosion resistance. It's available in nine sizes from 6 in. through 12 in. for high-volume sources. Both Alcoa Standard Class 150 and Alcoa Lite-Line come in lengths of 20, 30 and 40 ft; larger sizes of Alcoa Lite-Line, Welded, in 50-ft lengths.

### Ask your irrigation supply dealer about Alcoa's 48-Month Irrigation System Finance Plan!

Provisions of this finance plan allow your new irrigation system to serve as collateral against your loan. There's no red tape... you get immediate action on application for a loan. Irrigate while you pay for your system out of increased profits.

Your Irrigation Dealer has quality Alcoa Irrigation Pipe available for immediate delivery from local stocks. He is an expert on irrigation engineering and can provide local service on a complete irrigation system tailored to your needs.

# Garza farmers advised of new feed grain program

Special interest to farmers of DuPage County and elsewhere on the South Plains is the feed grain program, signed into law on July 22 by President Kennedy. The feed grain legislation has purposes, which are to increase farm income; prevent further build-up of the feed grain surplus and reduce it if possible; assure the consumer of fair, stable prices for meat, poultry and dairy products; and reduce the feed grain program to taxpayers.

According to C. H. Bates, farm extension specialist for the Agricultural Extension Service, the program is voluntary and applies to 1961. All field corn grain sorghum whether for fodder or silage are covered. Cooperators are being asked to reduce their 1961 plantings of crops by at least 20 per cent below the 1959-60 average. Voluntary reductions up to 50 per cent are encouraged for growers with bases of 25 acres or less may retire the total program.

## PORT PRICES

Cooperating farmers will be eligible for support prices—\$1.93 cwt. for sorghum, \$1.20 per bushel for corn, 92 cents per bushel for soybeans, 62 cents for oats and \$1.02 per bushel for rye. The non-cooperator will not be eligible for price support on any of these crops, said Bates. His production would

have to move at market prices. He cannot depend upon the government price support nor his neighbor's production adjustment to hold up the market price.

Cooperators, if they choose, may receive payments in the form of negotiable certificates which represent grain from CCC stocks. The Secretary of Agriculture will determine the flow of this grain into market channels.

A cooperator, Bates said, agrees to reduce by at least 20 per cent his grain sorghum or corn average for 1961 below his 1959-60 average. The diverted acres must be put to some conservation use. It cannot be harvested or pastured.

## County records

### Deeds

Pablo Fuentez and wife to Ramon Hernandez and wife, part of Lot 18, Block 90; \$2,600.

B. C. Manis to Winston R. James and wife, Lot 9, Block 98; \$4,500.

R. E. Cox Jr. and wife to L. H. Mathis and wife, east half Lot 11, all Lots 12 and 13, Block 69; \$3,375.

Daws Jackson and wife to Annie Odom, Lot 2, Block 128; \$1,000.

### Marriage Licenses

Gregory Don Penn and Sharon Lynn Minor; April 7.

Elwin Ray Harris Jr. and Miss Lucy Ann Trammell; April 7.

Billy Bob Chancy and Miss Frances Elnora Moore; April 8.

Weeds, insects and rodents must be controlled on the diverted acreage.

### CONSERVATION PAYMENT

In turn he will receive, in addition to his eligibility for price supports on his grain crops, a payment for each acre diverted to conservation use. The rate of payment for the first 20 per cent diverted will be 50 per cent of the normal production of the acreage diverted. (This price will be announced shortly by county ASC officials). As an additional incentive, a grower may divert an additional 20 per cent and receive a payment rate of 60 per cent times the county price per acre diverted.

A grower becomes eligible for advance payment—50 per cent of the total—when he signifies his intention of cooperating. This advancement payment, Bates said, will help the producer meet his production expenses and is expected to be an important incentive for cooperation.

The specialist added that the program is effective protection in case of crop failure. The payment on diverted acres will be made regardless of weather and is a measure of income insurance as are the higher price supports.

### NON-COOPERATORS

The non-cooperator, Bates advised, will not be eligible for price support on any grain crop and cannot expect to build up his acreage base for future programs. It has been emphasized that the U. S. Department of Agriculture will strongly recommend to Congress that any legislation involving establishment of base acreages for production adjustment give no advantage to producers who fail to cooperate in the 1961 feed grain program.

While many details remain to be worked out, Bates said, county ASC officials have the basic information on the program and are in a position to answer most questions. Local county agents are also receiving information on the program and may be contacted for details. Bates added that educational meetings will be held in all grain producing counties to acquaint growers with the program just as soon as base figures for counties and farms are available and local personnel can be trained.

### ABILENE VISITORS

Mr. and Mrs. Jerry Epley and Debbie of Abilene visited last weekend in the home of her parents, Mr. and Mrs. R. B. Perrin.

### BROTHER VISITS

Visitors in the home of Mr. and Mrs. Curtis Davies over the weekend were her brother and sister-in-law, Mr. and Mrs. C. N. Hancock of Midland. Mrs. Davies' mother returned home with them.

### MOTHER VISITS

Visiting in the R. B. Perrin home last week was his mother of Shamrock. She returned home Saturday after spending the entire week.

AUXILIARY RADIO operators are trained at the underground, fallout and blast-resistant DuPage County Civil Defense center near Wheaton, Ill. Instructor Robert S. Eitz, a training officer for the Illinois Civil Defense Agency, shows one of the trainee operators how to adjust his transmitter. Eitz was hired recently under a new program which provides Federal funds from the Office of Civil and Defense Mobilization to pay half the cost of new civil defense employees' salaries. Its purpose is to build up State and local CD to meet a possible attack. (GCDM Photo)

**Possum Kingdom residents guests in Moore home**

By MRS. BILL LONG  
Weekend guests in the Avery Moore home were Mr. and Mrs. Buddy Blue and Deanna of Possum Kingdom, Mrs. Sheridan Ragle and Keith of Gordon and Clifford Fulford of Mingus. They also visited in the Jimmy Avery Moore home.

Mr. and Mrs. B. B. Hodges of Post and Miss Geraldine Hodges of Plainview were Saturday night guests of Mr. and Mrs. Ray Hodges.

Edgar Long of Crowell and Arda Long of Post visited their brother and sister-in-law, Mr. and Mrs. Bill Long, Saturday morning.

Danny, Melody, Bill and Donna Faye Rose of Post visited their grandparents, Mr. and Mrs. Johnny Ray and Janet, over the weekend. Their parents, Mr. and Mrs. Don Rose, were in Dallas on business.

**VISIT AT HOSPITAL**

Mr. and Mrs. Jimmy Avery Moore were in Lubbock Saturday night where they visited her sister, Mrs. Dean Pikes, who was a patient in Methodist Hospital.

Mr. and Mrs. Don Long and Lance of Lubbock were Sunday dinner guests of his parents, Mr. and Mrs. Bill Long.

Mrs. Pete Maddox accompanied Mr. and Mrs. Roy Maddox and Mrs. Eva Barnett of Coleman to Lubbock Saturday.

Argan Robinson of Post was an overnight guest of Carol Dee Hodges Monday night.

Mr. and Mrs. Johnny Ray and Janet visited his parents, Mr. and Mrs. J. B. Ray at Grassland Sunday. Other guests were Mr. and Mrs. Thomas Mason and Mary Jean of Wilson and Charles Mason of Ft. Bragg, N. C.

Mr. and Mrs. Jimmy Avery Moore, Jimmy Joe and Bobby Jack, Mrs. Aliene Mullis of Lubbock and Mr. and Mrs. Dean Pikes and sons enjoyed a picnic outing at Mackenzie State Park in Lubbock Sunday.

Sunday guests in the Pete Maddox home were Mr. and Mrs. Roy Maddox, Mrs. Eva Barnett of Coleman, Mr. and Mrs. Ozell Williams and Ronnie, and Maddox' grandfather, Mr. Bolton of Coleman.

Mrs. Tom Sims visited in Lubbock Friday with her sister-in-law, Mrs. Morris Davis.

Mr. and Mrs. Ray Hodges, Lois Jean and Carol Dee, were recent dinner guests of Mrs. Hodges' mother, Mrs. Tom Caffey of Post. Mrs. Annie Rodgers of Post was a recent visitor in the Ted Ray home.

Sunday dinner guests of Mr. and Mrs. Charles Williams Jr. were her parents, Mr. and Mrs. O. E. Montgomery.

Mr. and Mrs. Bobby Owens and family and Mr. and Mrs. Dwain Bader and Denise of Abilene were weekend guests in the home of Mr. and Mrs. Ted Ray and Richard.

Mrs. Ruby Walker of Lubbock and Mrs. Ray Curry and Cindy visited the Avery Moores Tuesday.

Mr. and Mrs. Jack Ham and children of Big Lake and Mr. and Mrs. J. Martin Basinger and children of Slaton visited their parents, Mr. and Mrs. Tom Sims, over the weekend.

Mr. and Mrs. Pete Maddox had as dinner guests last Thursday Mr. and Mrs. Doc Edwards, Patricia and Sharon of the Crossroads community.

**Gasoline taxes up 64 per cent in past decade**

DALLAS—Texas motorists have seen taxes on their gasoline rise 64 per cent in the past decade. Estill Heysler, president, Texas Mid-Continent Oil & Gas Association, said today.

In a statement concerning proposals to increase the federal tax rate, Heysler pointed out that total state and federal taxes on a gallon of gasoline 10 years ago were 51 1/2 cents. The annual gasoline tax bill in Texas was then \$134 million.

He contrasted this to today's tax rate of 9 cents a gallon and a \$340 million a year tax bill paid by Texas gasoline buyers.

"We hope Congress will keep its promise to let 1 cent per gallon of the present federal tax expire June 30 to give auto users some relief from this excessive tax burden," Heysler said.

Heysler explained this would not harm the nation's highway construction program if provisions of the current law are followed. "The drop in gasoline taxes will be made up by earmarking for highways a greater portion of other federal highway user taxes, which are not now being used for roads," Heysler said.

**VISIT HOSPITAL PATIENT**

Mr. and Mrs. W. D. Livingston, Mr. and Mrs. Clark Burton and Kevin Thomas were in Lubbock Sunday where they visited with J. O. Huberck, who is a patient in West Texas Hospital.
