# Baptist pastor at Southland leaves

(Editor's Note: This news from the Southland and Gordon areas was delayed last week because of temporarily impassable roads on the mail routes, caused by the rain early in the week.)

#### By MRS. EARL MORRIS

We are sorry to report Mrs. Jesse Ward as seriously ill and she has asked me to send in the news this week.

The Rev. Minor has resigned as pastor of the Southland Baptist Church and he and Mrs. Minor have moved to Louisiana, where he will pastor a church.

The Baptist ladies met at the church Monday afternoon with Mrs. Earl Lancaster as leader for the Royal Service program. Present were Meses. Jack Hargrove, Don Pennell, Hubert Taylor, Jack Myers and Lancaster.

Mr. and Mrs. Martin Edmunds were hosts at a rehearsal dinner honoring their son, Dale, and his fiancée, Miss Ann Haddock. The dinner was held in Bruce's Cafe, Slaton.

**SOME OF OUR young folks** have started to college. They include Harvey L. Pennell, Kelly Davies and Brenda Dabbs, who are attending Texas Tech, and Sammy Ellis, who is attending West Texas State.

Mrs. Harold Donahoo was honored at a layette shower in the home of Mrs. Pat Taylor. Fruit punch and cookies were served.

Hostesses were Meses. Doll Haire, Bobby Oats, Gloss Davies, Francis Allbright, Lucille Myers and Mrs. Taylor. Their gift was an infant seat.

Mr. and Mrs. Ed Milliken report their grandson, Sgt. Joe Don Milliken, has returned home after four years in Germany. After a 30-day leave, he will be on duty in the States.

Mrs. Sam Kirby and Paula of Jal, N. M., are visiting her mother, Mrs. Horace Seals.

Mr. and Mrs. Clyde Shaw spent the weekend with a son and family, the M. J. Staceys, in Friona.

Recent guests in the William Lester home have been her sisters, Mrs. Lanora Ingle and Mrs. G. E. Davis of Grandview. The Lesters took the visitors to Amarillo for a visit with a son and family, the Joe Lesters.

Mrs. H. D. Taylor and Mrs. Jack Myers attended a workshop at the Trinity Baptist Church, Lubbock.

**MR. AND MRS. Heywood Basinger** visited recently with their son-in-law and daughter, Mr. and Mrs. Doug Pearce, and Sue at Granite Shoals.

Mr. and Mrs. Auhrey McNeely and daughter spent a weekend fishing at Lake Stamford.

Rev. Ross Dunn and wife of Lamesa visited recently with his parents, the Dillard Dunns, and his brother and wife, Mr. and Mrs. Ronnie Dunn.

Monroe Shelton and Miss Dolly Shelton of Ruidoso, N. M., visited recently with the Ed Millikens.

The Alfred Basingers have returned from visits with their sons and families, the Harlan Basingers of San Antonio and the Billy Bas-

ingers of Mercedes.

The Billy Winterrows of Amarillo visited recently with their son and family, the Paul Winterrows.

Mrs. J. F. Rackler celebrated her 70th birthday Sept. 16. Guests were her two children, Mr. and Mrs. Claud Roper, Nelda and Linda; a friend, Tommy Stell of Wilson, Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly; her friend, Sherry Smith of Slaton; also Mrs. Ora Mining of Slaton, who presented Mrs. Rackler a lovely pot plant.

**MR. AND MRS. Jim Dyer**, their daughter, Mrs. Carl Brewer and her son, Mike; Dyer's sisters, Mrs. W. T. Shepherd and Mrs. G. E. White, all of Lubbock, were guests of J. R. Wood. The Lubbock group also visited in the home of the Buford Powers, near Wilson.

### October plentiful foods emphasize fall's abundance

COLLEGE STATION — October is the month of traditional farm abundance. It's the time when Grandpa and Grandma took inventory of their granaries, vegetable and fruit cellars, pantries and larders.

The fall inventory of foods is even more important today than it was in bygone years. Our living is more complex. More of us rely on others to supply our food needs, points out the Texas Agricultural Extension Service.

That's why the Agricultural Marketing Service, working with growers and the food trade, runs a monthly survey of our nation's supplies of foods.

Is there enough? What foods are more than ample?

Texas homemakers and other Americans again can rest assured. There is plenty for all, this October. What's more, supplies of at least 10 foods are in excess of normal trade needs. That means they likely will be among your most economical food buys.

Three items—apples, broiler-fryers and cheese—are featured on AMS's October list of plentiful foods. Supplies are extra-huge. Also plentiful this month are frozen orange juice, cranberries, pears, grapes, potatoes, turkeys and rice.

Menu planners will do well to serve these foods often. Besides fall meals with flavor, nutrition and color.

## Here's what the other '63's wish they looked like.

### Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**

## Four J. Spencer Love fellowships awarded

**BOSTON** — Four outstanding young men from colleges in the Southeast have been awarded J. Spencer Love Fellowships for their second year of study in the two-year program leading to the Master in Business Administration degree at the Harvard Business School. They are Warren L. Batts, Plant City, Fla.; Cecil D. Conlee, Memphis, Tenn.; Thomas M. Huggins, Greenville, S. C.; and Ted A. Owens, Harriman, Tenn.

The Fellowships are awarded annually in the name of J. Spencer Love, chairman of the Board of Burlington Industries, Inc., to graduates of colleges or universities in Georgia, North Carolina, South Carolina, Tennessee and Virginia. They are made possible through the generosity of Burlington Industries Foundation to encourage young men from the Southeast to undertake further training in business administration, and then return to use their abilities in developing the industrial potential of the southern region.

## For volunteer Scouters

# 'Showando' scheduled Saturday, Camp Post

The odor of wood smoke, freshness of clean outdoor living and the ring of a good axe in solid wood will lure volunteer scouters to Camp Post, Saturday, Oct. 6, to participate in the South Plains Council's Showando, a ten-hour session of events designed to bring the program of Scouting to volunteer workers and assist them in their task of taking Scouting to boys of their area.

Leo Hay, Lubbock, chairman of this year's Showando, stated at the final planning meeting of the event. "We are expecting the largest number of Scouters to participate in this event than in any of the past years."

The Showando, a training course designed to give instruction and practice in Scouting skills, will offer such things as teamwork as a patrol from a Troop, a competitive interpatrol rally, a cookout prepared to Scouting standards, viewing and participating in the best program aids and gimmicks available in the Council.

"The day of activity will be closed with a campfire program designed to send Scouters home pledged to give more and better Scouting to the boys enrolled in their Troops," Hay continued.

In addition to offering Scouting skills and practices, the Showando will provide a chance for Scout-

masters from different parts of the South Plains Council to work together and exchange ideas for furthering the interest of Scouts on the South Plains.

Hay has urged local Troop Committees to have especially their Scoutmasters participate in this year's Showando, and any other adult interested in Scouting. "We feel that the more people we have trained and interested in Scouting, the more boys we will be able to reach with the Boy Scout program."

**Garza well over top on bonds sale quota**

## Student Opinions

**By Irene Saldivar**  
Here are the opinions of some of the Junior High students for this fall:

**Isabel Valdez:** I think it's time for the basketball season to start.  
**Joe Reno:** It's time for us 7th grade footballers to start winning every game.

**Rosie Saldivar:** It's time to go to sleep and stay asleep.  
**Gary Foster:** I think this fall is going to be fun, for there will be many girls.

**Lois Martinez:** I think it's time not to have any more health tests on Monday.  
**Sandra Forrest:** I think the P. E. girls should not be mad at the 7th grade basketball team because they won a game and maybe we will win the next game.

**Larry Rosas:** I think it's going to be great with the new girls in school.

**'Pros' beat 'amateurs' in girls' cage game**  
**By Sue Gilmore**  
The first scrimmage between the basketball girls, and the P. E. girls was coached by Coach Hahn and Coach Kountz. It was played Wednesday, Sept. 26.

The score was 16 to 4 in favor of the basketball girls. Everyone enjoyed the game.

## Junior High reporter says 'Fall is here'

**By Julie Clark**  
Some of the signs of fall are that the leaves are turning brown, red, and gold. The flowers are dying. The grass is also dying.

Then when you wake up in the morning you feel that cold, tingling feeling. Although it gets warmer up in the day, there is still that coolness in the air that lets you know fall is on the way.

## Post resident returns from two-weeks visit

Miss Henrietta Nichols returned last Thursday from a two-week visit with her niece and nephew-in-law, Mr. and Mrs. Jack Johnson, in Albuquerque, N. M.  
While there, she attended the New Mexico State Fair for three occasions. New Mexico is celebrating its Golden Jubilee, so many activities were centered around this theme. Several movie stars were present.  
They also toured Sandia Crest Mountains, Jamez, Holy Ghost Canyon, and spent a weekend in Taos. They visited the art galleries and pueblos, and rode the ski lift which put them 9,000 feet higher than Taos. On the return to Albuquerque, they visited Rio Hondo, Rio Grande Gorge and Santa Fe.

**As it might have been in Jr. High football**

**By Linda Hays**  
This year our football team will be district champions. The 8th grade will honor Ernie Ryder as "Most Athletic" in football with a total of 88 points scored. The 7th grade girls will idolize Donnie Cole as "Mr. Touchdown." Eighth grade manager will be Donnie Windham and Ronnie Pierce as assistant. Eddy Clemmons will have covered more territory—naturally, because of running laps. Each team will have a good chance with 8th grade coaches Davis and Stone and 7th grade coaches Hahn and Kountz. This year's 8th grade starters are: Ernie Ryder, center; Alvin Harper, left guard; Eddy Clemmons, right guard; Clint Johnson, left tackle; Floyd Moreau, right tackle; Joe Hudman, left end; Lin-

ford Warren, right end; Billy Hodges, quarterback; Manuel Mindista, left halfback; Bo Hutchins, right halfback; Richard Salinas, fullback. Seventh grade starters are: Danny Goodman, center; Ronnie Wilson, left guard; Mike Robinson, right guard; Ronnie Petty, left tackle; Donnie Cole, right tackle; Danny Markham, left end; Gary Young, right end; Daniel Mindista, quarterback; Joe Bilbo, right halfback; Manuel Manuel, left halfback; Bill Cates, fullback. Managers are Mike Petty and his assistant Wayne Mitchell. So, let's come pack our stands and back our boys as they win.

**Barbara Craig is 'Senior of Week'**

Our Senior this week is Barbara Craig, who came to us from Garza in the fifth grade. Barbara, the daughter of Mr. and Mrs. R. L. Craig, lives at Central, which is 12 miles between Post and Tahoka. She was born April 15, 1945, and started her athletic career when she was nine months old, by learning to swim in the family swimming pool. She has seven married brothers and sisters who have all attended school here in Post. Besides swimming, she plays basketball and volleyball and loafs. She has to say about her Senior year, "It's just like all the rest!"

**Natha Jo Mears is president of 7-D**

**By Sherry Woods**  
Friday, in our home room period 7-D, as well as all the other sections, elected class officers and room mothers. The officers of 7-D are: President, Natha Jo Mears; vice president, Joe Reno; parliamentarian, Judy Huff; secretary, Mary Eubank. The room mothers are Mrs. George Miller and Mrs. J. R. Hedrick.

**New Junior High book reviewed**

**By Helyn Cheshire**  
"A Wrinkle in Time" by Madeleine L'Engle is a new book in the Junior High Library. It was a dark and stormy night. Meg Murry, her small brother, Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseraet." A tesseraet (in case the reader doesn't know) is a wrinkle in time. "A Wrinkle in Time" is the story of the adventures in space and time of some characters you will enjoy knowing. To tell you more would rob the reader of the enjoyment of this unusual book.

**Custodian sees good year for Antelopes**

Edward Criado is our new high school custodian this year. He and his wife Rosa, have a son, Eddie, two years of age. They enjoy traveling on weekends. Edward and his family moved to Post five years ago from Hondo, Texas. He attended Hondo High School. He said that Post has a good football team and if we continue to have the spirit and backing we've had at the previous games we'll have a good year. Edward says he likes the kids and they've been real nice and co-operative. Everyone appreciates the way he has kept our building and grounds. We are sure Edward would appreciate it if the student body would continue to co-operate with him.

**Jo Beth Dillard is new president 8-D**

The officers of class 8-B are: President, Jo Beth Dillard; vice-president, Paul Walker, and secretary, Jerry Sullivan. Our room mothers are Mrs. Noel Clemmons and Mrs. T. S. Greenwood.

**PHS CHATTER**

**This 'n' That**

The Commercial Department received a new Underwood Olivetti adding machine last week. Visiting Mr. and Mrs. G. E. Fleming were Mr. and Mrs. D. C. Shields, Faye and Douglas from Graham. All attended the fair. Who is Cheryl's new love in choir? New couples seen walking down the halls of PHS are Sharon Isaacs and Pat Cornell, Pat Martin and Tommy Rinker, Benny Owen and Marianne Stone, Buddy Moreland and Pamela Stewart, Tom Clark and Mary Beth Ford. We had short periods last week for the classes to finish electing their officers. The FFA members elected Vivian McWhirt as FFA Sweetheart for the coming year. Vivian is a sophomore. Couples seen at the fair were: Tom Campbell and Shirley Doggett, Nita Wilson and Billy Shumard, Pete Dodson and Chris Cornish, Marianne Jones and Royce Hart, Jerry Thuet and Lynette Potts, Mason McClellan and Glenda Hutto, Dee Ann Walker and David Nichols, Marsha Smith and Dwayne Capps, Dianne Maxey and Ronnie Graves, Buddy and Carla, Shirley Sappington and Rickey Little, Meredith Newby and James Mitchell, Kent Wheatley and Betsy Shyities, Vivian McWhirt and Jackie Flutt, Shirley Isaacs and Ronald Storie.

**SOUTHLAND HIGH**

**Eagle's Nest**

The classes at Southland High elected class favorites last week. The seniors unanimously elected Mary Cisneros and Larry McNeely. The junior class favorites are Linda Robinson and Ronald Saunders. The sophomores chose Beverly Stolle and Larry Wilke. The freshman class selected Jetty Crawford and Delbert Wartes. The Eagles lost their game to Pettit Friday night by a score of 44-22. Next week, they play Union at Union. Don't forget about the hayride that the Senior class is sponsoring Saturday night. It promises to be a lot of fun, and everyone is invited to attend. See the seniors about the tickets. The annual staff for the '62-'63 Eagle's Nest is made up completely of girls. Editor Sharla Taylor will have nine girls to help her with the annual. Apparently the boys think that girls can do a better job than boys. Is that right, boys? In this column last week, the name of a cheerleader was omitted from the list of girls who supported the team against Smyer. Lou Alice Edwards, a senior cheerleader, did a fine job, also. Sorry, Lou. Two chemistry students, whose names shall be anonymous, started a small fire in the lab last week. How did that happen, Sharla and Jackie?

**Executive committee elected by Seniors**

Thursday morning the Senior class had another class meeting in the choir room. At the meeting the class decided to sell mums at Homecoming and elected an executive committee. Chairman of the committee is Janith Short. Other members are Chris Cornish, Ann Pennington, Marsha Smith, Glenn Polk, Buddy Moreland, Jerry Bush, and Ken Rankin.

**CHOIR SPONSORS**

Three couples were chosen by the Post High Choir to act as sponsors for the coming year. Mr. and Mrs. T. C. Polk, Mr. and Mrs. Wesley Scott, and Rev. and Mrs. Bernard Ramsey will attend the choir parties and all other choir activities throughout the school year.

The Future Farmers of America exhibited their registered spotted Poland China boar at the Panhandle South Plains Fair this past week. The boar was shown in the mature boar class, and placed third. This boar sired the lightweight champion barrow at the South Plains Junior Fat Stock Show, shown in Lubbock in 1962. He also sired the fourth place lightweight barrow at the Fort Worth stock show in 1962. The Chapter is now looking for a new boar, and would like to find a buyer for the old boar. He weighs around 700 pounds and was two years old Sept. 19 of this year. Five boys will be exhibiting a project at our local livestock show Oct. 6. The boys are as follows: Robert (Pete) Dodson will be showing a calf; Richard Hart, a calf; John Bland, a calf; Johnny Bilberry, a calf, and Billy Max Gordon, also a calf.

**7th grade basketball girls win scrimmage**

**By Emily Potts**  
The 7th grade girls P. E. and basketball classes had a scrimmage Wednesday, Sept. 26. The score stood 26 to 7 in favor of the basketball girls. It was a good game and everyone fought hard. We hope that the basketball girls work hard and win their games against other schools.

**Four outstanding displays in hall**

Has everyone seen the new displays in the hall? Coach Gregg's World History class has a display of early times. It tells from the origin of the earth to the Early Iron Age. The ones working on it were Chris Cornish, Dee Ann Walker, Susan Cornish, Carolyn Matisler and Meredith Newby. Mr. Hopkins' class has a display on Industrial Arts. It has pictures of the different types of furniture, materials for planning designs, various woods used in constructing furniture, and materials used in finishing. Those working on it were David Nichols, Danny Odom, and Jimmy Williams. Mr. Boase's Physical Science class has a display on the solar system. They have different sized and different colored balls representing the planets. The words "Solar System" is in glittered letters on a black background. There are also different colored stars behind the planets. An information

sheet tells the name of the planet, the number of miles from the sun, and the diameter of the planet. The ones working on it were Linda Bias, Mary Barnes, Julia Childs, Carol Camp and Sherry Beavers. Mr. Carlyle's class has a display on "Reach for Better Grades." They have a giraffe holding a man's hat in his mouth and the man is reaching for it. All letters and figures are drawn with black and gold yarn. The figures have some black construction paper to make them complete. It is on a white background. It has "Reach for Better Grades" printed in gold and black yarn.

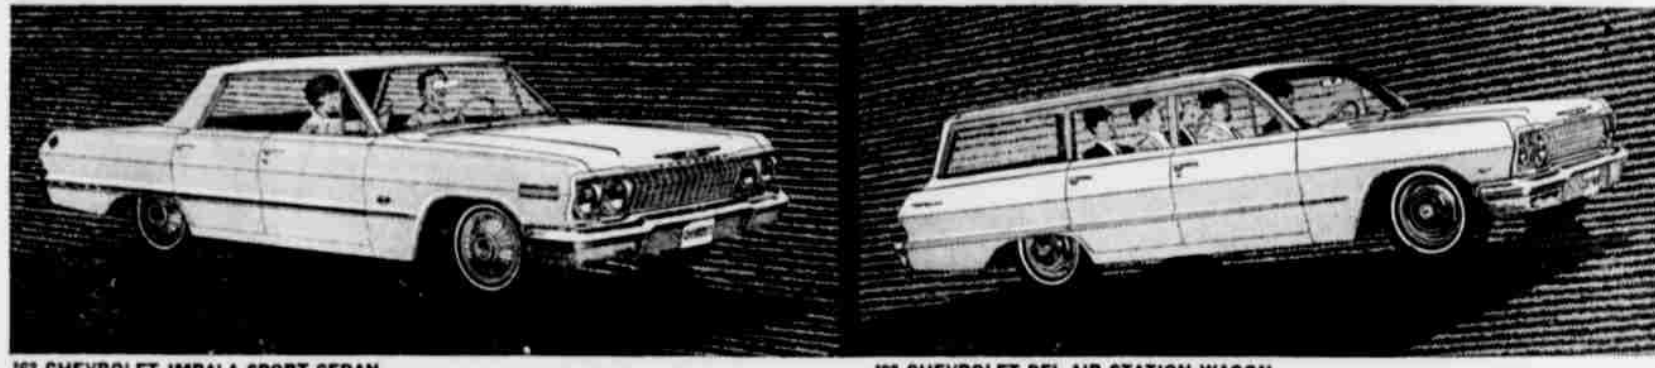

**Lenny Howell is band president**

**By Jackie Beavers**  
The Post High Band elected officers Monday for the school year 1962-63. They were as follows: President, Lenny Howell; vice-president, Charles Brannon; sec-treasurer, Stanna Butler; reporter, Jackie Beavers. Each class in the band also elected a representative to attend band meetings for deciding parties and other social functions. They are as follows: Senior representative, Mary Ann Williams; junior, Linda Rogers; sophomore, Lewis Herron; freshman, Cherri Cummings. The student council representative will be elected at a later date.

**Friend or Foe?**

Almost everyone has a gang. Why? You run around with a certain crowd because you admire them and because you feel they understand and respect you. You feel wanted and secure, you know they respect you, and you have common interests. Are these really the reasons? Do you run around with one fellow because he has a ping pong table, or another because he's got a slick car and money to buy gas, or still another because he's got a popular with the girls? Think it over. Why do you run around with your friends? Are they "good kids", or just someone to get homework from? As soon as they do you a favor, do you turn around and stab them in the back, or vice versa? Would you go help them with a flat when it was five degrees below when you could be at home. "To have a friend is to be one." This saying may be old, but, brother, it still works!

**POST JUNIOR HIGH Editor's Corner**  
**By Marla Newby**  
The 7th and 8th graders are puzzled with our new math course. It deals with problems that you can't just add, subtract, multiply or divide, but you have to use logic and common sense (which is scarce among all of us). In Mrs. Lobban's room, the 7th graders are to use this one book the whole year. Hopefully, the 8th graders are to go through 10 books. Hopefully, I remind you. This book also takes up a lot of algebra. This will make our high school math much easier. Although we have to think a little bit and use our "gray matter" we will all turn out liking it. Mr. Stone seems to think the 8-B has an uneven attendance. Don't know why. Maybe you can figure it out. A rousing pep rally was held the Junior High gym Thursday Sept. 27. The school spirit was high and we all had much confidence in winning our first football games against the Spur Bulldogs. It took quite a while to get the kids settled down, but when they finally did, the rest of the gym was lifted in shouts. The cheerleaders led the way and the students joined in to make it a wonderful start for the 1962 football season for Post Junior High. The Junior High cheerleaders suits consist of a black pleated skirt and a white V-neck sweater with their names on the front. Post Junior High on the back. Gold letters. They wear black "grasshoppers" for shoes and white socks. For a little extra touch, they got together with Mrs. Gambler their sponsor, and made gold and black pom-poms. # ANTELOPES VS. FLOYDADA

Follow Your Post High Team  
 To  
**Floydada**  
**Friday Night**  
**Oct. 5, 1962**  
**Kickoff Time - 8P.M.**

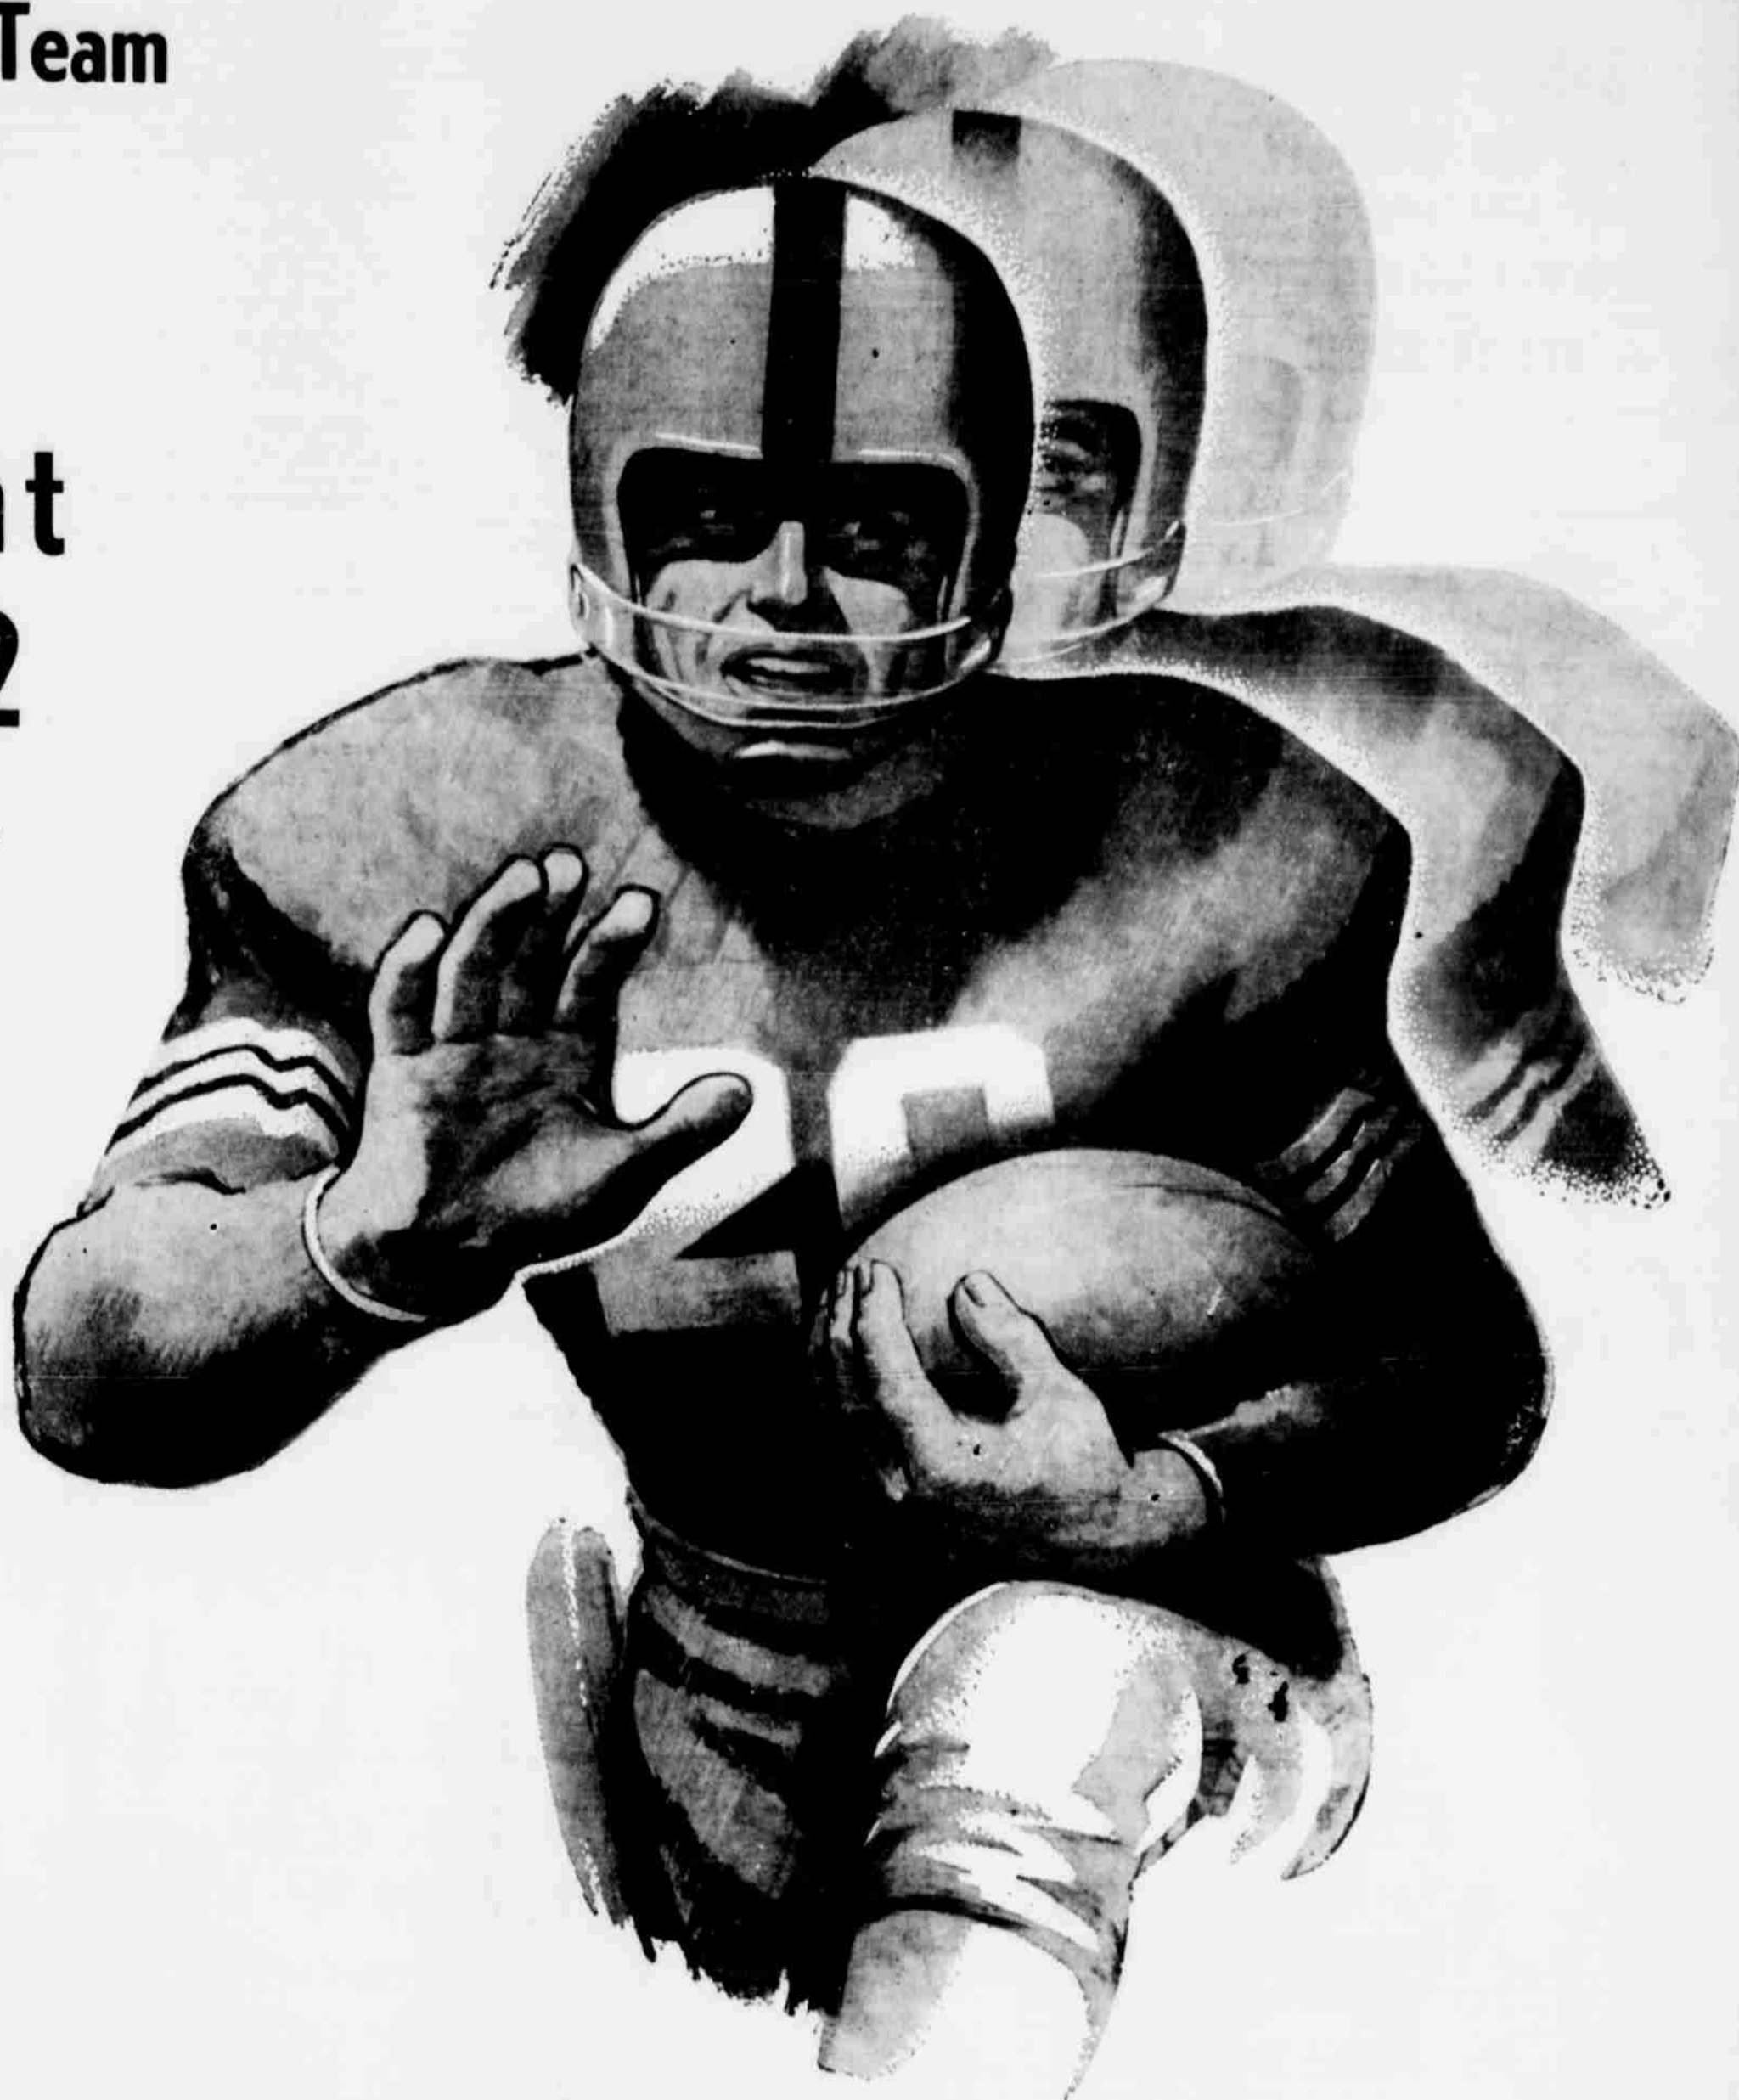

Coach Harold Teal's hustling Post High Antelopes have their job cut out for them Friday night when they invade Floydada to play the always-tough Whirlwinds.

But the Whirlwinds can be had. Childress, one of the state's top-ranked clubs, knocked off Floydada last week in one of the "big games" 30 to 19 to hand the Winds their first loss of 1962.

The Antelopes at Abernathy Friday night were "down" from their all-out effort in that Morton victory the week before. Floydada may be caught in the same position this week. Floydada ranked No. 2 last week among the South Plains Class AA schools. But Post has been in the "top ten" for two weeks, ninth and then seventh last week, before Halfback Tom Richie ran wild against them with one of the top individual "longest gainers nights" seen by the Antelopes in a long, long time.

The Antelopes came back hard in the second half at Abernathy and proved to their large following that they never lose easily. You'll never forgive yourself if you miss the Floydada game and the Antelopes bounce back with the upset they've been looking for against Floydada since 1956.

So be there!

 core trench to be pre-wetted, so Luce optimistically has an "irrigation crew" preparing to start "irrigating the clay fill."  
 When the big earthen dam is built—after the core trench is completed—it will stretch more than 1,000 feet across the river bed and rise to a height of 85 feet above the river's bottom.  
 Counting everybody, Luce has approximately 40 men on the job. Most of them are living in Post with a few in Crosbyton and Post.  
 Luce himself is staying here with Mr. and Mrs. J. P. (Jude) Manly, 714 West Seventh, his wife's parents, and spends his days at the dam site.  
 "I'll say one thing about this job," Luce commented Friday with a grin. "It's the first job I've ever had where we've had telephone, lights, and running water right on the job."  
 (Editor's Note: The writer wasn't sure what Luce meant by the "running water", whether he meant the water he was fighting in the river bed or not.)  
**LUCE HAS BEEN** in the construction business for 30 years counting the time he was employed by the state highway department. He was an engineer with the highway department prior to World War II. When he returned from World War II service with the Seabees, he said he found the highway department work "too dull so

### Cotton harvest just beginning

Garza's 1962 cotton harvest is off to a slow start.  
 County gins report only a few bales received to date.  
 County Agent Syd Conner reports that no more than eight or ten cotton fields are not being harvested "on the plains."  
 He predicted the peak won't come until after the first frost.  
 Conner said it looks like a good year for mechanical harvesters with the cotton late enough and small enough in stock for the strippers to handle well.

#### WEEKEND VISITING

Mr. and Mrs. Ab Mitchell and Herbie spent the weekend visiting with the H. G. Smith family in Tahoka and with Mr. and Mrs. Gus Sherrill in Draw.  
 I jumped into the contracting business for myself.  
 Nothing has been "dull" since for him.  
 The White River Dam will be the largest dam he has ever built, although not the first. He already has constructed several smaller ones.  
 Besides the dam, his firm has three highway jobs and an airbase runway construction job also under way.

the department's two automobiles traveled a total of 5,403 miles in September; 60 arrests were made; \$1,040 collected in fines, and 53 stray dogs picked up.  
 "The dog business is getting complicated," Corley informed the council. He said that three times last week someone either tore down the gate to the dog pound or knocked off the lock and chain and let all the dogs out.  
 On top of that, it was brought out in the council's discussion with the police chief, dogcatcher Henry Forrer was bitten on both arms by a dog Monday.  
 The police chief said he put up a new gate to the pound after the old one had been torn off twice, but that when he went out to the pound the next morning, he found the new lock and chain torn off and the pound empty of dogs.  
 Corley explained that after picking up a dog it is necessary to keep the animal for 72 hours in case the owner calls for it. He added that emphasis is being put on the drive against stray dogs since the opening of school because of their danger to children.  
 He said he believed a solution to the problem would be moving the dog pound nearer to town from its present location in the extreme southeast part of town.  
 Neither Mayor Shytle nor any of the councilmen could think of a possible new location, but the mayor told Chief Corley that "if you can worry along with it for another month we'll come up with something by the time of our next meeting."  
 The council approved the audit report for the fiscal year ending June 30, 1962. A. Arthur Davis of Lubbock, auditor for the city, was present to go over the audit report with the council.

## Campaign against polio will continue in Garza

Dr. James R. Matthews, Garza County health officer, said today that the county's Sabin Oral Sundays campaign against polio will continue on the dates originally set — Oct. 28 and Dec. 9.

### Three charged with carrying pistols

Three charges have been filed in county court during the last week for unlawfully carrying pistols.  
 Carlos R. Bernal pleaded guilty last Thursday to one of these charges and was fined \$150 and costs by County Judge J. E. Parker.  
 Ramon Barrera was charged both with carrying a pistol unlawfully on his person and DWI Oct. 1.  
 Clifford Elloyd Barton also was charged Sept. 28 with DWI and carrying unlawfully a pistol on his person.  
 The fourth man charged in county court was Antonia Gomez Mendez, Oct. 1, for driving while intoxicated.

### Lions to sell candy here week of Oct. 22

The Lions Club will hold their annual candy sale the week of Oct. 22. It was announced at the Lions' dinner meeting Tuesday night at Levi's Restaurant.  
 The club received a report of a very successful merchants appreciation dinner held last week at which local merchants were guests of the club.  
 The club will buy the ribbons for the FFA livestock judging here, the members voted.  
 Bruce Evans, new high school band director, was the speaker of the evening.

the occasion.  
 Coffee will be served to the players throughout the evening and those who just want to watch will be invited to do so.  
 "Everybody likes a good domino game and we're out to pick the domino champ of the whole trade area," Collier said.  
**TROPHIES WILL BE AWARDED** winners.  
 Merchants voted at the Retail Merchants Association luncheon last Thursday to put all their energies into making the Appreciation Supper a big success and not hold a Howdy Day event in October. The supper will replace the Howdy Day this month.  
 This is the first such event to be held here in a number of years in which the business and professional folks go all out to host the farmers and ranchers.  
 "We plan to make it an annual affair and have it grow year by year," Potts commented.  
 A large ticket committee is busy this week selling host tickets here for the event. This sale is due to end Friday.  
 Collier's domino tournament committee includes Sexton Huntley, A. P. Gurley, Alvin Young, Arthur Floyd, Louis Herron, J. D. McCampbell, Rick Chandler, Punk Pool and Mike Custer.  
 Other committees announced by Potts for the appreciation supper include:  
 Food and Service Committee: Charley Luttrell, chairman, Victor Hudman, Jimmy Hundley, Bryan J. Williams, Irby Metcalf, Dick Roach, Tom Power, Louie Burkes, Shelley Camp, James Minor, Guy Floyd, Shorty Duncan, Claud Collier, Ted Hibbs and Ansil O'Neil.

### Burglars break into Mac's Drive Inn here

Mac's Drive-Inn on South Broadway was broken into by burglars early Tuesday morning.  
 Police Chief Elton Corley said entrance apparently was gained by prying off the lock on the curb-hop door on the front of the drive-in.  
 Nothing was missing, Chief Corley said, but change from the cigarette machine which had been opened.

### RETURNS TO WORK

James L. Minor returned to his duties Monday as manager at Mason & Co. following four days in Garza Memorial Hospital after becoming ill at his home Monday of last week. He was dismissed from the hospital last Thursday. Minor is reported back to normal except for having to rest a few hours each work day.

### FHA girls prize winners at Fair

Eight members of the Post School chapter of Future Homemakers of America were prize winners last week with their exhibits at the Panhandle State Fair in Lubbock. The group won a total of \$8.50 in prize money.  
 First place winners were Cummings, chocolate chip cookies and Julia Childs, pot lifter.  
 Winners of second places were Diana Pruitt, dress; Roberta ell, skirt, and Linda Bias, blouse.  
 Third place winners were Burkes, divinity; Diana Pruitt, Dottie Long, apron, and Joyce ley, doll.

# Post to Floydada Friday in attempt to break 'string'

Post Antelopes, their record at 2-2 through their first game, move into Floydada for a night to play the area's top Class AA team.

Two Antelope regulars, halfback Teddy Scott and guard Glenn Poik, are on the doubtful list for Friday night's game because of injuries, Coach Harold Teal said. Their loss will hurt the team on both offense and defense. Scott, a sophomore, has been outstanding on defense in every game and was an offensive standout on punt and kickoff returns in Friday night's Abernathy game.

Billy Blacklock, sophomore line-man, who was injured early in the season, is expected to see his first action Friday night. Teal said he probably will start at a tackle position against the Whirlwinds.

Also on the doubtful list from injuries are halfbacks Ronald Storie and Jackey Fluitt.

Three linemen on the Maroon unit—Charlie Brown, Tom Campbell and Billy Mitchell—will miss action because of grade failures, the coach said.

Guard Larry Guy, who missed the Abernathy game because of scholastic difficulties, is back and probably will start at the injured Glenn Poik's guard position, Teal said.

The Antelopes will be trying for their first victory over Floydada since 1956, when they won, 32-13. Since then, the Whirlwinds have saddled the locals with five lopsided defeats—41 to 0 in 1957, 52 to 24 in 1958, 48 to 0 in 1959, 33 to 6 in 1960, and 31 to 7 in 1961.

## Eagles lose to Pettit, 44-22; Union is next

By SUE PRITCHARD

The Pettit Eagles defeated the Southland Eagles last Friday night by a score of 44 to 22.

Southland received the kickoff and marched to the ten-yard line where Pettit held them for downs, then Pettit scored on the first play on a long pass. The extra point was good. Pettit then kicked off, got the ball back and scored again.

Southland then received the kickoff and Larry McNeely climaxed the drive with a quarterback sneak to go over for a touchdown. The extra point was good.

In the second quarter, quarterback McNeely passed to Rod Callaway, who took it for a touchdown. Johnny ran it over for the extra point. The score at the half was 30 to 14 in favor of Pettit.

In the second half, Southland toughened their defense, but they couldn't get their offense rolling. Southland held Pettit to 14 points, but they scored only eight.

Southland's last touchdown came in the third quarter when the Eagles received the kickoff and Johnny Haire ran it 70 yards for a touchdown. A pass to Callaway made the extra point. The final score was 22 to 44.

Outstanding on defense for the Southland Eagles were Johnny Haire and Jackie Dunn.

Next Friday night at 8 o'clock, the Eagles will play Union at Union.

## 8th graders with Spur

7th and 8th grade football divided a pair of games with each other last Thursday. Coach Robertson's graders win the 8th grade contest, 16 to 14, while the 7th grade game, which came from a tie after trailing at the 14-yard line, they scored twice in the quarter on runs by Paul Walker and Steve Stone. Walker ran over the extra points after a touchdown.

On Oct. 14, the Post team added 14-0, the Post team added 14-0 in the final play of the game when Filemon Vargas of a Spur back behind his own line for a safety.

Stone, Vargas and quarter-back Dick Kennedy were outstanding on offense, with Vargas and Donnie Windham a and Pierce heading up the defense.

The 7th grade game was a defensive battle, played for the most part between the 30-yard lines. Vargas scored a touchdown in the second quarter.

Petty on offense and Fred Sizoo on defense were outstanding for Post.

## 46-56 Club picks four outstanding

Linemen David Nichols and Buddy Moreland and backs Freddie Simmons and Danny Odom were named by the 46-56 Club Tuesday night as the Antelopes' outstanding offensive and defensive players in Friday night's Abernathy game.

Nichols was named for offensive linemen and Moreland for defensive linemen honors. Simmons was selected as outstanding back on offense, and Odom on defense.

It was the first selection of the season for Odom, 135-pound junior line-backer.

## Two Post grid teams play Ralls next week

33-14 in battle of Antelopes

# Fast halfback shoots Abernathy past Post

A 175-pound senior halfback named Tom Ritchey made touchdown runs of 80, 42, 45 and 27 yards Friday night to spark Abernathy to a 33-14 victory over Post in an Antelope versus Antelope game on the Abernathy gridiron.

Bob Pettit, Abernathy quarterback, made his team's first touchdown on a five-yard keeper with 27 seconds remaining in the first quarter, but after that it was all Ritchey as far as the Abernathy scoring was concerned.

Game Statistics		
Post	Abernathy

153	Net Yds. Rushing	352

1	Had Intercepted	0
4-25.7	Punts, Yd. Avg.	4-29.5
4-27.2	Penalties	3-25

Ritchey carried the ball 12 times for a 292-yard total, which was only 60 yards shy of his team's rushing total of 352 yards. That's how well the Post defense contained the other Abernathy backs. But there was no stopping Ritchey, who showed more poise, speed and balance than any back the Post Antelopes have had to contend with as far back as most local fans can remember.

ABERNATHY LEFT the field at halftime with a 13-0 lead on Pettit's first quarter TD and Ritchey's 80-yard gallop early in the second period, but the Antelopes came back fired up to pull close on two occasions in a highly explosive third quarter.

Sophomore back Benny Owen gave a hint of what was to come when he ran the second half kickoff back 43 yards to the Abernathy 37. From there, Post scored in five plays.

Freddie Simmons cut back for 10 and a first down on the 27. Ken Rankin picked up two yards, and quarterback Pat Cornell ran a keeper for 10 and another first down on the 15.

The Post quarterback then called on Simmons and the 148-pound senior fullback responded with two slushing runs of nine and six yards to get his team on the scoreboard with 9:59 left in the third quarter. Cornell hit end Danny Pierce with a perfect peg for the points-after, and Post trailed by only 13-8. But not for long.

ABERNATHY RETURNED the

to make it 27-14.

The winners' final counter came five minutes and 25 seconds deep in the final quarter when Ritchey galloped 27 yards for a TD. An Abernathy recovery of a fumbled punt by safetyman Danny Pierce on the Post 27 had set up the touchdown.

Post threatened in the fading minutes on a torrid passing attack that saw Cornell hitting end Ronald Simpson for 16 yards, end Frankie Gary for 22, end Danny Pierce for 42, and Simpson again for 11. In between, however, Abernathy had blunted the attack by holding on their 33.

The 11-yard pass from Cornell to Simpson gained to the four-yard line with time left for only one play. Simmons banged into the line, but the Abernathy defense stiffened to hold him to no gain.

Except for a hard-core Post goal line stand in the second quarter, Abernathy's halftime lead would have been three touchdowns instead of two. Ritchey, the thorn in Post's side, completed a 33-yard pass to end Eddie Davis on the Post two-yard line, but the Post defense held for downs, despite a half-distance to the goal line penalty from the five for a personal foul.

kickoff eight yards to their 38 and fullback Joe Ybarra gained three at the line. Ritchey broke loose for 17 to the Post 42 and would have gone all the way except for a fine stop by 135-pound junior line-backer Danny Odom.

Ybarra was stopped cold at the line, but Ritchey took off on another of his spine-tingling gallops for 42 yards and six points, leaving Abernathy 19-8 to the good.

Sophomore halfback Teddy Scott brought the Post fans to their feet with a 40-yard kickoff return to the 50, being stopped in the clear on a shoe-string tackle.

With Cornell, Simmons, Rankin and Delton Robinson alternating, the Post team drove to the Abernathy three-yard line in nine plays, with Cornell lugging the ball over for the touchdown. The Post quarterback's run for the points-after failed, and Abernathy's lead was reduced to 19-14.

BUT THE quarter wasn't over, not by four minutes and 26 seconds, and Abernathy's whiz, Ritchey, wasn't through. On the second play after the kickoff, he galloped 55 yards for a touchdown and Pettit blasted over with the extra points.

# Red Raiders, Aggies meet Saturday night

LUBBOCK — Texas Tech's next three games take the Red Raiders to College Station, Fort Worth, and Waco.

After meeting Texas A&M this Saturday night, Texas Christian, and Baylor on successive weekends, the Red Raiders next play at home Oct. 27—in a homecoming game against Southern Methodist.

Texas A&M returns 28 lettermen from the team that downed Tech 38-7 here last year. Both teams have dropped their opening contests. A&M has bowed to Louisiana State 21-0 and Houston 6-3, and Texas Tech has lost to West Texas 30-27 and to University of Texas 34-0.

A total of 82,000 fans have viewed the Raiders in their first two games. The 42,000 turnout at the Jones Stadium record, the largest crowd ever to watch a football game in the state west of Fort Worth.

Texas Tech will be without its leading passer, Jimmy Ellis, who completed 7 of 10 against the Longhorns. His leg is in a cast after an operation to correct a knee injury. Halfback Bill Worley is also sidelined with a hurt knee.

## WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. Fred Taylor were Mr. and Mrs. Johnny Guthrie of Lubbock, Mr. and Mrs. Robert Goleman and children of Big Spring, and their son-in-law, Kenneth Bullard, who is home on furlough from Germany.

BEDTIME STORY

Ned always takes the children up to bed at night—it's something he wouldn't miss. What amazes our friends is the fact that they always go smilingly. No fuss, no tears.

That's Ned's doing. He has made bedtime something very special for our youngsters. After he has tucked them in, he sits down and tells them a story, sometimes pure make-believe, but often, Ned takes his bedtime stories from the Bible.

At Christmas, he tells them the story of the Little Jesus. At Easter, he points

out the beauty of Spring, and speaks of the wonders of hope and faith. He keeps the stories very simple... and how our kids love them! When they started Church School this past year, they felt as if they had re-discovered old friends, so familiar were Biblical names and places.

Some people feel that religion is too "deep" for small children. Ned and I don't. To us, learning about our Faith is a vital part of life. We would hate to have missed it ourselves... and we've no intention of having our children miss it. That's why, each Sunday, you'll be seeing us in Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Card of Thanks

I would like to take this means to thank all the many friends who came by to visit me during my stay in the hospital. You are just great. Also a big thanks to those who sent the beautiful flowers. I enjoyed them so much. And to the entire hospital staff who I think do everything possible to make and keep you comfortable while there. And last, but certainly not least, the doctors. Without them we just couldn't make it. A sincere thanks to you all.

## Francis home is scene of shower for recent bride

The home of Mrs. Thurman Francis, 815 West 10th Street, was the scene for a bridal shower last Thursday night in honor of Mrs. Don Dockery of Taboka.

Mrs. Dockery is the former Miss Dorris Ramsey, daughter of Mr. and Mrs. J. E. Ramsey, Route 3. In the receiving line were the honoree, Mrs. Francis, Mrs. Ramsey and the honoree's mother-in-law, Mrs. Dockery of Taboka.

Mrs. Showy Carpenter registered the guests, calling between the hours of 7:30 and 9 o'clock, at a table covered with a white cloth and centered with ribbon tapers with the names "Don and Dorris" on them. Fall arrangements were used throughout the entertaining rooms.

Mrs. Noel White and Mrs. Don Tatum served punch, cookies, nuts and mints from a table covered with an ecru lace cloth over brown. The centerpiece was a fall arrangement flanked with bronze candles. Milk glass appointments were used. Hostesses were:

Mmes. Ray Norman, Ted Tatum, Don Tatum, R. L. Craig, Auvy McBride, Sherry Carpenter, Mike Custer, Noel White, Walter Josey, Francis and Miss Lois Josey.

## It's My Turn ...

—By MRS. C.

If one sat around and worried about Berlin, Cuba (sometimes pronounced Cuba) Mississippi, Massachusetts, federal taxes, Russia, Edwin Walker, (that man is SICK) and their own personal "mudflats" the mental hospitals would get fuller and fuller.

If visitors from outer space ever arrive on earth during a college football game, I'm sure they'll wonder about all those earplugs they see. Watching one football game and listening to another almost smacks of eating your cake and having it, too.

Borrowing a phrase from Editor Didway, if I may, "one of my readers" suggested an explanation of the term RSVP. This male reader, due to some unhappy experiences, isn't sure everyone knows exactly what it means. Since my aim is to keep some readers (especially males) happy and to annoy some others, here goes.

RSVP is an abbreviation of the French phrase, "repondez s'il vous plait" which translated means "Answer, if you please." Or, if you'd rather, "please answer." Now, this is where the trouble arises. Some people think if you are going, you need not answer, while others think if you are not going you need not answer. My reader insists, and rightly so, that one answers regardless. Emily Post (no relation to Post's Post) even insists on a written acceptance to a written invitation. The only reason for mentioning that is that I wanted to type "Post's Post" while quoting Emily Post.

Since this little excerpt on manners sounds like a ladies magazine, I'm reminded to recommend the book condensation in the new Ladies' Home Journal—very clever. That is certainly the only thing in it worth recommending.

I see in the Future Farmers of America column on the school page that they would like to sell their 700-pound boar. Wonder what the going price would be on slightly smaller plain ole bores. Afraid there would be too much supply and no demand—maybe we could get a government subsidy.

Inadvertently, (That's a beautiful word that covers up a multitude of sins. I mean by that, that the reader is left wondering who was inadvertent—the writer or the person who sent in the story.) Diane Maxey, Margie Harrison, Cathy Harlan and Lynette Potts' names were left out of the big "Victory Slumber Party" that Nita Wilson held after our last football victory.

I've been into this slumber party bit before and though I knew all there was to know, but Dorace Wilson came up with a new wrinkle

by reporting to me that one of the guests slept in the bath tub.

Mrs. C. H. Bronson, our Kalgary correspondent, didn't get washed away in the rains after all. She had to leave Sept. 24 to be with a sister who is seriously ill in Kansas City, Mo.

## Mrs. Eva Bailey birthday honoree

Mrs. Eva Bailey was complimented with a surprise party on her 88th birthday when the Mystic Sewing Club met last Friday afternoon in the home of Mrs. Flora Ardis.

After visiting and sewing, the group surprised Mrs. Bailey by presenting gifts to her and all singing "Happy Birthday."

Cheese sandwiches, potato chips, cake and punch were served to the following:

Mmes. Theima Kuykendall, Lillie Short, Jimmie Hudman, Estlea Nichols, Winnie Henderson, Allene Runkles, Neil Windham, Miss Henrietta Nichols, the honoree and the hostess.

Oct. 12, the club will meet in the home of Mrs. Mae Shipley at 3 o'clock in the afternoon.

## WEEKEND GUESTS

Weekend guests in the home of Mrs. Maysel James were Mrs. Jack Temple of Lamesa, Mrs. Raymond Bates and children of Seminole and Mr. and Mrs. Andrew Jackson of Carlsbad, N. M.

## Miss Kay Maxey complimented at shower Saturday

Miss Kay Maxey, bride-elect of Dave Oakley, was complimented with a bridal shower Saturday night in the Community Room.

Guests were received by the honoree, Mrs. Bryan Maxey, Mrs. Garry Oakley, sister-in-law of the prospective bridegroom, and Miss Barbara Achtelek of Lubbock, roommate of Miss Maxey.

Guests, calling between the hours of 7:30 and 9 o'clock, were registered by Miss Alta Kincaid of Abilene at a table decorated with an arrangement of white carnations.

The serving table was laid with a white net cloth over blue and featured a double ring flower arrangement with blue tapers on either side. The names, "Dave and Kay" were at the top of the rings with the date, Oct. 6, at the base of the arrangement. Milk glass appointments were used.

Frosted punch, angel food cake squares iced in blue and white, nuts and mints were served by Mrs. Noel White and Mrs. Lewis Mason, cousins of the bride-elect.

Hostesses for the shower were: Mmes. Delmer Cowdrey, Bobby Cowdrey, Chant Lee, Glenn Davis, E. E. Peel, Carl Fluitt, Lonnie Peel, Elvus Davis, Mack Ledbetter, Sexton Huntley, Theibert McBride, Jerry Morris, James Stone, Elmer Cowdrey, Ray McClellan, Grover Mason, Bob Lusk, A. O. Parrish, Elmo Bush, Bill McMahon, Jimmy Doggett, Chester Morris and Ray Hodges.

## SURPRISE VISIT

Arriving Saturday for a three-day surprise visit in the Boy Hart home were her sister and brother-in-law, Mr. and Mrs. Clarence Pariss of Anniston, Ala. Mr. and Mrs. Pariss had been on an extended trip to the Northwest States and Canada and decided to come through Texas on their return home. Mr. and Mrs. A. L. Fowler of Colorado City and Mr. and Mrs. Wood Byrd and children of Claremont were Sunday dinner guests for a get-together.

## 'Prayer Retreat' topic of UPW

The United Presbyterian Women met last Thursday night in the home of Mrs. R. L. Simpson with Mrs. Jim Cornish as co-hostess.

During the business, Mrs. David Newby, president, announced that the Fall Presbytery meeting will be held in Littlefield, Oct. 10. Reservations must be in by Oct. 8. A nursery will be provided for the session beginning at 9 a. m. and convening at 3 p. m.

Mrs. Harry Tubbs was in charge of the program which was the annual "Prayer Retreat."

Cake and coffee were served to the following:

Mmes. D. C. Williams, Mary Alice Mitchell, M. J. Malouf, Burney Francis, Ed Herring, Newby W. C. Dent, Howard McCampbell, Walter Boren, Tubbs, Spencer Kuykendall, Cornish, and Simpson.

## Circles meet in joint session

The Naomi and Rebecca circles of the First Methodist Church met for a joint session of the Women's Society of Christian Service at the church chapel Monday morning at 9:30 o'clock.

Mrs. R. T. Smith, assisted by nine members, presented the program on "The United Nations." The entire group participated in discussion following the program.

The Rebecca Circle served refreshments to the following members:

Mmes. A. B. Carter, Jim Hundley, Tillman Jones, W. R. Graeber, A. M. Lucas, Mae Voss, Smith, Lee Ward, H. Osborn, Homer Irons, J. A. Rogers, Oscar Bruce, Jim Poer and Darrell Echols.

## ARTIST OF THE MONTH

Mrs. Marie Neff will exhibit her paintings for the Post Art Guild, Texas Fine Arts Association beginning Friday at Herring's. A story and picture of Mrs. Neff will appear in next week's issue of The Post Dispatch.

## Joann Stewart named Valentine Sweetheart

Mrs. Joyce Teaff, president of Texas Mu Alpha Chapter of Beta Sigma Phi, announces that Joann Stewart has been chosen "Valentine Sweetheart" of the chapter.

A "Beatnik Party" will be held Saturday night at 7:30 o'clock at the First Methodist Church. Guests will be the sorority rushers and the Exemplar Chapter, Xi Delta Rho. Prizes will be awarded for the best costume.

Margaret King, vice-president, will serve as party hostess. She asks that all club members be at the church at 5:30 p. m.

The chapter will meet Oct. 8 to make curtains for Teen Town as part of their project.

## Installation is held by Missionary Union

An installation service for new officers of the Calvary Baptist Women's Missionary Union was held Sunday afternoon at the church.

Mrs. Henry Tate and Mrs. Bo Jackson were in charge of the ceremony using the theme, "The Meaning of WMU Emblen", with group singing. The YWA members sang "O Zion Haste".

Following the service punch and cookies were served to the 20 guests present by Mrs. Gerald Clayton.

## VISITORS AT NURSING HOME

Sunday visitors at the Golden Years Nursing Home were Mr. and Mrs. Frank Smith of Lubbock and Mrs. Lonnie Peel calling on Mrs. Lucy Gossett; Mr. and Mrs. W. B. Werner and Mrs. Warren Sturgeon, all of Snyder, visiting with Mrs. Russell Wilks Sr., and a group of ladies from the Methodist Church calling on Mrs. E. J. Henderson. They were Mmes. W. R. Graeber, Charlie Voss, Fred Robinson and G. W. Leggett.

## Appreciation Supper a good idea

The Chamber of Commerce's new project—the Farmer-Rancher-Merchant Appreciation Supper scheduled for Monday night, Oct. 15, is an excellent idea on all counts.

It gives the business folks a chance to get together with farmers and ranchers of the area and to become better acquainted on a personal basis. It is another step forward in the Chamber's public relations efforts.

Area business men and women are financing the entire cost of the affair, which promises to become an annual one.

It is difficult to easily estimate the size of the "draw" for such an affair. But certainly it will grow from year to year.

The domino tournament idea, a suggestion of Bob Collier, is a novel one and should create considerable interest.

The important thing in the two short weeks is to get the guest tickets in the hands of all the farmers and ranchers of Post's big trade area. Distribution is being done through the various gins. Every farmer and rancher is welcome and the business folks hope you will take advantage of the opportunity, mark the date—Monday, Oct. 15, at Antelope Stadium—and pick up your ticket as soon as possible.

The bigger the crowd, the better. There will be no time-consuming formal program, or speech making. What's planned is an enjoyable supper. Plenty of fellowship, the giving away of a lot of door prizes, and a domino tournament because almost everybody enjoys a good game of dominoes.—JC

## Need for a community house

There is considerable talk around town about our need for a community house where large dinners could be served and organizations could meet.

But we note a considerable variance of viewpoints as to what it should contain and where it should be located.

For example, it is a shame that Post has no public facility where large dinners can be served. That has forced us to outdoor barbecues and outdoor suppers where the weather is always a dangerous factor.

We simply can't seat a big crowd anywhere—and feeding them is out of the question.

Some want a big public auditorium facility and have suggested that all units of local government might best coordinate and cooperate in financing such a project when it grew into reality.

Others want to be sure that a large dining hall is included where good-sized banquets on various occasions can be adequately held and served. And there are a good many who think a library should be included as a part of it.

All these ideas are good.

About locations? There are just as many different suggestions. Some think any such facility located in close proximity to the schools would enable it to receive maximum use and suggest as a site the school district-owned property lying across the street east of the primary school, if it would be large enough.

Others point out the park board has plans for a shelter house in the city-county park with parking facilities. So why not there? A strong advocate of such a project likes the Post Stampede rodeo grounds as an eventual location if something could be worked out. Others bring up the county courthouse site with a good location being on the west side of the courthouse block.

One points out that the only reason the school lunchroom cannot now be used for really big banquet affairs is its size limitation, and the most feasible thing from a dollar and cents standpoint would be to expand the lunchroom so the students can use it daily and it can be available for large community dinners at other times.

So we have lots of opinions as to both the form of the project and its location. We would suggest this would be an ideal project for a special Chamber of Commerce committee to tackle. A feasibility study should be made as to our community needs along these lines, the best way to solve the problem, and where best to locate it.

Such a project won't come tomorrow—but it is already in enough folks' minds today to say that it will be coming in not too many years. The best place to start is with a study committee representing all segments of both community thought and local government.

A few months of real study and such a committee might well come up with recommendations which would gain wide community acceptance. Certainly such a group could crystallize community thinking and get to grips with all the pros and cons.—JC

## Appreciation is not one-sided

The Post Lions Club did a real good job Tuesday night of last week on its appreciation dinner for business men.

Attendance was good and so were the program, fellowship and food.

Non-club members attending left the dinner, with the feeling that the Lions had showed, in the best possible manner, their appreciation of the help extended them by the business men on their various community projects.

Practically all of the Lions Club members are, of course, business men themselves. The dinner, actually, was in appreciation of the assistance rendered by non-club members of the community who, in turn, are just as appreciative of the outstanding community work being done by the Lions.

Primarily, the Lions are interested in youth—not only the youth of their own community, but those of the state, the nation and the world. The Post Lions Club's emphasis on youth welfare begins on a community level and carries through to the Texas Lions Camp for Crippled Children at Kerrville. World-wide, the club here is banded together with thousands of others throughout the world for global improvement, and the best starting place is the youth of the nations that make up the civilized world.

Where our young people are concerned, no one hesitates to lend a helping hand. That is the big reason the Lions have received so much help on their projects.—CD

## Sports events crowd each other

This is the season when the major competitive sports converge to the point of utterly confusing the average sports fan.

But the sports fans, who, collectively, are one of the things that make America great, rear back and enjoy it—even if they are a little confused.

As if the World Series, coming right in the middle of the schoolboy football season and well along into the college gridiron campaign, wasn't enough, the Los Angeles Dodgers and San Francisco Giants finished in a deadlock Sunday for the National League pennant and a playoff became necessary to see which team would face the awesome Yankees in the diamond classic.

There are many baseball fans in Post who figure the winner in the Dodger-Giant playoff will be the loser. That's the respect in which the mighty Yankees are held.

Incidentally, the sports year is going into the last quarter of 1962, and it's already been a big one on the local scene. Post and Garza County baseball fans regretted the fact that Norm Cash didn't have as good a season in all departments as he did last year when he won the American League batting crown. But the Garza County product gave a hint on what is likely to come next season when he got three hits in four at-bats in Detroit's final game Sunday. One of those hits was his 39th home run, which enabled Cash to finish second in the league in that department.

Then, too, there's the rejuvenated interest in the highly competitive Post Antelope football team, which is well on its way to the best season a Post team has had since 1956 and which might even improve on the 6-4 mark posted that season.—CD

## What our contemporaries are saying

Electric lights and the glaring beams of automobiles speeding at night have made working conditions difficult for ghosts. People who will vouchsafe that they have seen a 24-karat ghost are harder to find than Republicans. Things were different in the horse and buggy and coal oil lamp days when families had time to exchange ghost stories that scared the wits out of their offspring. About the only card-carrying ghosts left are on television screens.—Douglas Meador in Matador Tribune.

admire the beauty and bigness of the larger towns—and merely "buzz" through the smaller communities, without much thought about them. Each little town has its trials, its tribulations, its disappointments, its sorrows and its happiness. As Gabriel Heater once said: "From the little towns come the men and women who till the soil, who leave the country to seek careers that make this country great. These are the towns from whence come the backbone and core of the nation. These towns are America—the past, present and future of the country. As long as man can be friend to his neighbor, there is still hope that he can be a neighbor to a friend in the next town . . . the man in the city . . . and the man across the sea. That way lies a brighter tomorrow."—Al Hinds in The Haskell Free Press.

Teach your child to hold his tongue . . . he'll learn fast enough to speak.—James Roberts in The Andrews County News.

## THURSDAY to THURSDAY

By CHARLES DIDWAY

THIRTY DAYS had September, which was about ten more than I could afford. And now October is here in all its autumn glory. It'll be a big month on the local scene. There'll be football, homecoming, the Farmer-Merchant appreciation dinner, and Halloween—just to mention a few of the outstanding events.

The man up the street says one thing that really ought to come with no strings attached is a rock and roll singer's guitar.

ONE OF OUR readers once told us that the funniest thing she ever read in this column was the joke about the little boy who drew a Nativity scene at Christmas-time and drew in a little fat boy as "Round John Virgin."

Something similar happened recently in a kindergarten class where the children were asked to draw a picture of Col. John Glenn's orbit around the earth.

One little girl brought her picture to the teacher for approval. "Lovely," said the teacher, "but who is this lady down in the corner?"

"Oh, I thought you knew," said the little girl. "That's Kate Canaveral."

Since this week could aptly be called "Teacher Appreciation Week," considering that the Rotarians held their annual teacher entertainment event Monday night, I've dug out a clipping mailed me some time ago by a reader.

WHAT IS A TEACHER? A teacher is many things. She's knowledge with a smile on her face. Democracy with a book in her hand. Wisdom with a flick of white chalkdust on her left eyelid.

She comes in all sizes and temperaments; short, tall, skinny, plump . . . laughing, serious, happy and sad.

She's the future of the nation in a sack dress; love with a college education.

In her everyday work week, she's expected to be—diplomat, philosopher, politician, fight referee, pediatrician, a police woman, practical nurse, and quiz program director.

She has little children in her eyes, and all her dreams are young dreams.

She's a psychiatrist without a couch . . . a politician without a promise . . . a baby-sitter without the right to raid the icebox.

She makes more money than a dishwasher, or a ditch digger, or a garbage collector. She makes less money than a woman wrestler, burlesque strip teaser, or the women blackjack dealers in Nevada.

Her days are filled with school bells, young chatter, chalk dust, waving hands, questions and worried parents.

A teacher is equally adept at: Blowing small noses, teaching fractions, putting on galoshes, finding lost mittens in dark cloakrooms, and making parents feel good at P-TA meetings.

She spends four years in college, studying hard, in order to learn how to: Make orange pumpkins at Halloween, umpire baseball games at recess time, tell young boys to throw bubblegum in the wastebasket.

In addition to knowing all there is to know about reading, writing and arithmetic, not to mention science, biology, history and music, a teacher has to be an authority on: Baseball, grasshoppers, little girls, snakes, young love, little boys, and how to live three months of the year without a paycheck.

While grateful parents are spending their evenings watching television, attending cocktail parties, complaining about the high cost of the school system, teachers spend their evenings correcting examination papers, smiling at people at P-TA meetings, and wishing they had become stenographers.

Teachers can be found after school: Taking aspirin, picking up spitballs, washing the blackboards, rehearsing plays, sewing angel costumes for a Christmas pageant—and just sitting at a desk waiting for strength to get home.

Teachers are expected to: Go to church, keep out of debt, have creative minds (but not disagree with the board of education), stay away from cigarettes, beer and bingo games, and give willingly to the United Fund.

A teacher dispenses magic, sells futures. Dreams are her stock in trade.

From her small classroom will come the doctors of tomorrow, the men who will go to the moon, the great artists and novelists of the year 2000, the industrial tycoons and all the leaders America will need to survive in a puzzled world.

She's the future of the world with a ruler in her hand . . . progress with a pencil back of her ear.

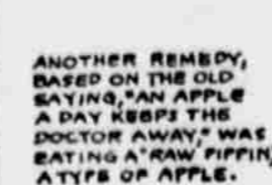

Secretly, she will admit, "I have the greatest job of all."

And she has . . . Because she holds the history of the world in the palm of her little hand. She's a teacher.

## Vet's Forum

Q. What are the conditions on which a U. S. veteran may receive medical care at VA expense in the foreign country in which he is residing?

A. He must be a U. S. citizen, must be residing only temporarily in the foreign country, and must need medical care for a disease or disability that has been ruled service-connected by the Veterans Administration. The exception is for veterans of United States military service who live in the Philippines, where these conditions do not apply.

Q. I am a Korea veteran and have not yet changed my original "RS" insurance policy. What are the options?

A. You may (1) exchange it for a term policy that will cost you about one-third of what you are now paying but cannot be renewed as term insurance after you reach age 50. You can convert to a permanent plan before you reach 50. Or you may (2) convert your present policy to a permanent plan now. If you exercise either of these options before Sept. 14, 1963, you will receive a special dividend.

Q. Can I take advantage at this date of the law that went into effect in 1960 that gave veterans, widows and orphans an increase in pensions?

A. Yes, you should get all the facts and then determine whether the new or old pension plan is the best for you.

### "Altar Ego"

By HERB SMITH

The marriage altar is a very strong magnetic field. It draws unto itself every sort of a person regardless of character or color.

A wedding ceremony is the beginning of the marriage process. Marriage is the blending together of two personalities. The process of making both ONE. Gen. 2:24, Matt. 19: 4, 5. You don't get married any more than you get a tree in the back yard. It grows. This takes time, energy, and effort.

Everyone that is drawn to the altar has an ego. We call this pride, self esteem, and convictions. When one's ego (self will) is too strong, there is danger ahead for this will be resistant toward the blending process. The success of the marriage will be determined by the altar ego of the two—their attitude toward and understanding of the marriage process which includes certain duties and responsibilities to one another.

Lessons on the home continue, and Sunday morning the subject will be "The Space Race."

# New 1963 Oldsmobiles on display at dealer's

The 1963 Oldsmobile 88's and 98's, including two new 98 models along with the Starfires and F-85's, went on display today at Collier Chevrolet Co. here for the start of the week-end premier show.

The 1963 models," Claud Collier "feature fresh youthful styling, stronger model identification, improvements for customer and important engineering features."

Collier pointed out that to meet the wants and needs of today's individual buyers, Oldsmobile is offering 26 highly distinctive models for 1963, ranging from the compactly designed, longer-looking F-85 to the most elegant 98's ever.

The new 98's are distinguished by their exterior styling of the 88's, interiors are richer and tastefully appointed. The Super 88 is more glamorous ever with new luxury trim fabrics inside and distinctive moldings outside. As an example, the edges of wheel opening rocker panel in the 1963 88 are outlined in stainless steel.

Collier described the 98 models for 1963 as the most luxurious cars Oldsmobile has ever offered.

"The flagship of the Oldsmobile fleet," Collier says, "is the new 98 Luxury Sedan—the epitome of elegance in a motor car. It is of six-window design with a custom interior trim including built-in door arm rests containing controls for the electric windows."

Another important improvement is Oldsmobile's optional "Tilt-Away" steering wheel. By operating a small lever at the base of the steering column, the driver may position the steering wheel at whatever angle best suits him. He also may tilt the wheel to its most vertical position for easy entry and exit.

All 1963 radios have been transistorized for instantaneous reception. Oldsmobile also is introducing an optional radio—an AM-FM receiver.

Collier said the "More expressive look of the 1963 F-85's has been achieved by a styling theme of crisp, horizontal lines. Actual overall length has been increased by only four inches.

There are numerous mechanical improvements in the new F-85's for economy of maintenance, increased passenger comfort and safety, better handling and for smoother and quieter operation.

The new Hydra-Matic transmission, for example, is much smoother and comparable to the transmission of the full-sized Oldsmobile 88's and 98's. Self adjusting brakes are standard on all F-85's.

## Two Post soldiers participate in field training at base in Germany

GRAFENWOHR, Germany (AHT-NC)—Two Post, Tex., soldiers, Pfc. Connie R. Martin, 23, and Howard K. Bullard, 23, recently participated in the 3rd Armored Division's four-week field training exercises in Grafenwohr, Germany.

The high point of the Spearhead division's annual training cycle, the training included day and night tactical exercises emphasizing mobility and chemical, biological and radiological warfare. An essential part of the training is range firing of individual and crew-served weapons including the Army's new M-60 machinegun and the 105 and 120-millimeter tank guns.

The 3rd a major element of NATO forces in Europe, plays an essential role in maintaining world

peace. Both soldiers entered the Army last October and completed basic training at Fort Carson, Colo.

Martin, son of Mr. and Mrs. Barney R. Martin, 609 W. Sixth St., is a member of Service Battery in the division's 73d Artillery in Hanau, Germany. He arrived overseas in April of this year. Martin, a 1957 graduate of Post High School, was employed by Wally's Supermarket before entering the Army.

Bullard, whose wife, Ann, and parents, Mr. and Mrs. W. T. Bullard, live in Post, is a tank leader in Troop B of the division's 12th Cavalry in Budingon, Germany. He arrived overseas in April 1961. Bullard is a 1958 graduate of Post

## 3-ring circus is to show in Post

Robert Cato of the Post Volunteer Fire Department today announced that they will sponsor the famous Sells Bros. Circus in Post on Wednesday, Oct. 24.

The show, a genuine old-time three-ring circus "under the big top" and the largest to play in this area in many years, will give performances at 4 and 8 p. m. at the Post Stampede Rodeo grounds for one day only.

Sells Bros. 3-Ring Circus, "the oldest and proudest name in the circus world," presents over 30 feature acts in three rings, bringing all the thrills of Circus Day to young and old alike. The tented circus is not dead, and the Sells Bros. prove it with an outstanding array of talent from the four corners of the world. Aerial artists

and wire walkers share the spotlight with jugglers, tumblers and funny old clowns; while amazing animal actors cavort in all three rings to show that Circus Day is still the happiest holiday of the year.

Dogs, ponies, monkeys, bears, lions, and many more will hold the attention of the small fry, while the entire family will marvel at the performing herds of elephants.

Traveling on two vast convoys of motorized equipment, Sells Bros. famous three Ring Circus presents an all new show for the 1962 season. They boast a huge big top, with comfortable seating for thousands. No games of chance or gambling devices are carried with the show, and the sponsor draws attention to the fact that the Sells

## Explorer units start new season's program

Activities that appeal to high school boys are being featured this fall by explorer units of the South Plains Council, Boy Scouts of America, Jack Kastman, chairman of the Council Explorer Committee announced.

"A highlight of this fall's activities is the new Exploring program in emergency preparedness which has just been announced by the Boy Scouts of America," Kastman said.

The 90-minute training event is the first of four sessions to be held during the next 12 months.

Housework is something you do that nobody notices unless you don't do it.

Sells Bros. Circus is good, clean entertainment for the entire family.

Tickets are on sale from any member of the sponsoring group, and the sponsor urges everyone to buy their tickets early to avoid the line at the box office on Circus Day. All proceeds will go to local activities of the sponsor.

# Core trench under way at White River dam site

STEVE LUCE ON JOB

Steve Luce, former Post man who is the contractor for the White River dam is shown inspecting the "jetting" of well points 16 feet down into the river's sands to pump out the underflow. A 60-foot deep core trench can be dug. This is the initial phase of the dam's construction and will take at least four months.—(Photo by Charles Didway)

## Pumping water from river bed poses problem

Steve Luce, the former Post man who is building the new White River dam, is sure of one thing. There is plenty of water there.

Luce's problem now is how to pump the water out of the river bed sands so a huge core trench can be scooped across the river bed and refilled with clay to prevent heavy water losses under the new dam.

Some 244,000 yards of sand will be moved in digging the core trench, which will measure approximately 1,000 feet in length, some 158 feet wide at the top, and approximately 60 feet deep.

But moving all that amount of sand is no problem. Luce has plenty of big equipment to handle that.

But much of it was parked on the west side of the dam site Friday when Editor Charlie Didway and Publisher Jim Cornish visited the dam site for the first pictures of dam construction and a story about the project.

Friday afternoon, Luce was pumping 1,500 gallons of water a minute out of the sand and commented "we need to pump out three times as much a minute."

At that time the underflow was down only about 10 or 12 feet below the surface level. The sand is 60 feet deep.

An earthen coffer dam, about ten feet high, had been built about two-thirds away across the river bed from the east bluff and arrangements made to divert any rainwater coming down the stream around into the open western third of the river bed.

The coffer dam protects the construction now under way.

WHEN THE CORE trench is completed on the eastern two thirds of the river bed, the water will be diverted around to the eastern side and the core trench built across the final third of the stream's bed on the west.

Luce has "jetted" well points down 16 feet into the sand to pump out the water and gradually lower the water table. Friday he was preparing to go after more pumps to enlarge the water removal operation.

How long will it take to build the core trench?

"We'd hoped to do it in four months," Luce replied to the question. "But we'll be lucky to make it at the rate we're going now."

While the battle with the water was being fought, Luce had four big motor scrapers and three or four tractors waiting to get onto the job of removing sand from the core trench.

Some equipment was already moving the sand, despite the water problem.

LUCE SAID HIS crews will work seven days a week daylight only until the water problem is licked and then "we'll go round the clock as well."

Dam specifications call for the clay which will be used to fill the trench.

(See WHITE RIVER, Page 8)

WHITE RIVER DAM CONSTRUCTION UNDER WAY

Taken from the bluff overlooking the White River from the west, this is a picture of the dam site showing the digging of the core trench across the river bed from the east. In the upper left, the reader will note the protecting coffer dam to divert water around present construction. The big crane is being used to "jet" well points deep into the sand to pump out the water. The small lake seen at the upper right is the core trench excavation filled with water. The channel into the lower right of the picture is for the flow of water pumped from the core trench sands.—(Photo by Charles Didway)

## Farmers, ranchers will be Appreciation Supper guests

Merchants and professional folks in the Post area will host farmers and ranchers to an Appreciation Supper Monday night, Oct. 15, in the City Stadium.

The affair, which will be a novel domino tournament at the old gym next to the stadium, is moving ahead at a rapid pace.

Over 300 farmers and ranchers are expected to join about 100 business and professional

## City adjusts water rates

The Post city council Monday approved an adjusted water rate schedule that calls for a five-percent reduction from present rates for the first 50,000 gallons and a two-percent reduction after the 50,000 gallons.

The new rate schedule also calls for increasing the tapping charge on new lines and installation of meters from the present \$15 charge to \$20.

Following the approval of the new rate schedule, the council held a public hearing on a city ordinance that, with its passage, will bring the new schedule into effect.

The ordinance is scheduled for the council's regular November meeting.

Water rates will remain the same for the first 3,000 gallons—\$2.50. The next 47,000 gallons—40 cents per 1,000 gallons, but will drop to 30 cents per 1,000 gallons, and to 33 cents per 1,000 gallons used in excess of 50,000 gallons.

## ELMERSONS FIRST IN WITH POLL TAXES

John Elmer Nelson of Route 2, Post, paid his and his wife's poll taxes Monday to "get under the wire" first among county poll tax payers.

The payment period for poll taxes, as well as for other state and county taxes, began Monday at the tax assessor-collector's office.

The usual discount of 2, 2 and 1/2 percent for ad valorem taxes paid in October, November and December, respectively, is offered by Tax Assessor T. H. Tipton.

The Chamber of Commerce's Farmer-Rancher outdoor Appreciation Supper announced on today's front page promises to be a real humdinger. The plans and work is literally humming along on all fronts. Bob Collier's idea for a domino tournament should prove to be just the kind of entertainment that everyone will enjoy. Since Bob thought up this cracker-jack idea—you guessed it—he's the chairman of the domino tournament. Read the front page story for details and see the Chamber's ad on page 3 which invites all farmers and ranchers to be sure and come. Bob hopes to have his tournament plans ready to announce in detail next week. Better practice up, men!

The White River dam won't attract too many sightseers for a while yet—because it's too hard to find. Editor Charlie and I got to it via a newly built nine-mile road—converted from a cow trail by Contractor Steve Luce—off the highway to Crosbyton. But the dam site is a sight to behold. Building the road was the first step in dam construction so all the heavy equipment—and there's plenty of it—could be moved in.

It's another new car weekend for Post with the Guy Floyd Motor Co. and the Collier Chevrolet-Olds Company unveiling more 1963 models. Claud Collier will put his 1963 Oldsmobile on display in his showroom today for a three-day premier. Guy Floyd is going all-out with a first anniversary birthday party Friday for a one-day event which includes a "Rambler on Ice" (See POSTINGS, Page 4)

## Project making speedy headway

# Site is purchased for rural phone building

Caprock Telephone Co., Inc., of Spur has purchased an acre of land six and one-half miles north of Post as a site for the central dial office that will serve 127 rural subscribers in areas of Garza County now without telephone service.

Announcement of the purchase of the site from the Post Estate through Monta J. Moore of Levelland was made here Monday by James Wright, manager of Caprock Telephone Co., Inc.

The next steps in the project to get rural telephone service for a vast area of the county now without it will be construction of a building at the site to house the automatic equipment, Wright said. Project engineers, Wright said, are also beginning preparation of a contract to be let for construction of the telephone lines.

A Rural Electrification Administration loan for the project was approved several months ago.

Wright said some of the automatic dial equipment for the telephone system has been received and is stored in the company's warehouse at Spur.

Wright said also his company has been in touch with General Telephone Company pertaining to the extended area service the new system will provide, and that no difficulty is anticipated in establishing toll-free service between the Post rural trade area and subscribers living within the City of Post.

The new telephone system will provide service in the Calgary area north from there to the caprock; in the Justiceburg area southeast of Post, and to near Clairemont on the east.

Wright said 127 rural residents of the county had signed up some time ago as subscribers to the new telephone service.

# '62 Garza County Fair to be Saturday event

Judging of women's and youth exhibits in the Garza County Fair will be Friday afternoon, with the exhibits remaining on display throughout Saturday.

Besides the display of exhibits Saturday, there will be judging of livestock entered by 4-H Club members and Future Farmers of America.

The fair is to be held at the 4-H Building on the south side of the City-County Park, with the Garza County Home Demonstration Council as sponsor.

There will be divisions for club women, non-club women and youth, including 4-H, FFA and Future Homemakers of America.

The livestock will be judged Saturday by Bill Griffin of Tahoka, Lynn County agricultural agent.

## Southland slates '62 homecoming

SOUTHLAND — The Southland Public Schools' annual homecoming event will be held Friday, Oct. 19.

Registration of ex-students will begin at 4 p. m., with the annual homecoming supper to be served from 5 until 6:30. A business meeting, from 6:30 until 7, will follow.

The homecoming football game will be between Southland and Klondike, with the kickoff scheduled for 7:30. Coffee and doughnut will be served after the game.

Reservations for the supper should be made with Mrs. Ronnie Dunn, Route 2, Slaton, or with Sam Ellis of Southland. Plates will be \$1.50 each.

## Olin Reddell is killed in wreck

Olin Reddell, one of two Idalou coaches killed late Wednesday night in a highway accident near Slaton, was assistant football coach at Idalou High School, where his teams had won four straight district titles.

Reddell, who was 35, was athletic director and head football coach at Idalou High School, where his teams had won four straight district titles.

Also killed in the accident was Dwain Coggins, head basketball coach and assistant football coach at Idalou.

Two other Idalou coaches were injured in the accident, which occurred when their automobile crashed into the rear of a truck on Highway 400. They were returning to Idalou from a junior high coaches meeting in Slaton.

## Retail Merchants to sponsor sales school

The Retail Merchants Association of Post is sponsoring a sales school for local members and their sales personnel to be conducted in the Reddy Room of the Southwestern Public Service Co., beginning Oct. 22.

The course, entitled "Basic Selling", will be taught by Mrs. Mary Frances Bowden from the University of Texas.

## Post physician to take part in cancer program

Dr. Harry A. Tubbs will be in Houston Friday and Saturday where he has been invited to take part in a cancer control program being sponsored by the Academy of General Practitioners of the Texas Medical Association and the Texas Department of Health.

A number of specialists from throughout the country will be on the program, the principal purpose of which is to speed application of new cancer knowledge.

## Post man wins jet flight to Spain

R. J. Blacklock, proprietor of R. J.'s Furniture Co., has won a jet airliner trip to Spain in a Norge appliance sales contest.

Blacklock is scheduled to leave Post Oct. 29 and will fly to Spain from Amarillo in 14 hours on an all-expenses-paid trip. The sales winners will spend seven days in Spain before flying home—to start selling more Norge appliances.

## Homecoming to honor 'favorite teacher'

The Post schools' favorite teacher, present or "ex", will be the honored guest at the homecoming supper here Friday, Oct. 26, it was announced today by A. C. Cash, president of the Post Ex-Students' Association.

Ex-students purchasing tickets to the supper are being asked to vote for their favorite teacher, Cash said.

The ex-students' prexy also announced that all present and ex-teachers and all present and ex-members of the school board are being invited to the supper.

At the same time, Cash asked that anyone having films of Post Antelope games of a few years back contact him, since part of the homecoming program will consist of the showing of such films.

He said nearly all the old game films had been given away and he requests that their present owners contact him.

Mrs. Sally Luttrell, secretary, also needs the names and addresses of many of the ex-teachers and school board members. Anyone who can furnish present addresses is asked to contact her.

An extensive clean-up and improvement program is scheduled at the old high school gym, which will be the center of homecoming activities.

## Rotarians entertain teachers with supper

The Post Rotary Club entertained local teachers and their husbands with an informal outdoor supper at Antelope Stadium Monday evening.

Wives of club members also were guests.
