Short of the Goal

Larry is a fullback. You ought to see him finding those holes in the line ... driving off tackle ... slashing through the secondary. Oh, Larry has scored a dozen touchdowns!

But he can't kick an extra-point! The cross-bar is too high, the goal posts are too far away.

Just give Larry a year or two—with lots of practice. Then we'll win those close ones ... 7-6 ... 14-13 ... 21-20!

Never worry about failure when its cause is being overcome. Don't lower the goal ... keep trying. Grow stronger. You'll reach it!

That's one of the lessons of life that Larry has learned on Sundays when he goes to church with his family ... one of many lessons that help us achieve our best every day of the week.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

POST ANTELOPES

VS

ROSCOE PLOWBOYS

Friday Night—Oct. 12

8 P. M. Kickoff

In Antelope Stadium

Coach Harold Teal's scrappy Antelopes return home Friday night after three straight road games to face the tough Class A Roscoe Plowboys in the last non-conference game before opening District 4AA play.

It's a vital game for Post because it may well be the "decider" when the schedule is done as to whether or not Post has a winning grid season—the first since 1956 when the Antelopes finished 6-4 for the fall campaign.

Roscoe brings to town one of the area's better Class A clubs, a team which has won one and lost three. But those losses have been to some of the best Class A and B elevens in West Texas. Matador is an example. The Plowboys went down to a 27-20 loss.

A victory over the Plowboys can make a 6-4 season possible. Roscoe, of course, will be after its second victory and will be fired up to take it.

In losses to Abernathy and Floydada, defensive mistakes permitted both these teams to win with long gainers. Actually, as a skilled Floydada observer remarked Friday night, the Antelopes showed more defensive ability against the Whirlwinds than did Childress, one of the AA powers in Texas, in beating Floydada the week before. The statistics support that observation.

Post fans who haven't followed the club are going to see a much better team at Antelope Stadium tomorrow night than the young club which headed out on the road four weeks ago. They deserve your support—the hardnosed kind. The kids are improving from week to week. They are due to jell. And they want this one from Roscoe—they want it bad.

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delcotron generator s-t-r-e-t-c-h-e-s battery life. Even the rocket panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you lots more.

Shorthand and typing students make progress

As this week ends the first six weeks of school and the Commercial Department hasn't been included in much of the news, we thought it would be nice to find out what the students are doing.

From Typing I class we found out that everyone knows the keyboard and are now dreading the daily time tests. The Typing II classes are doing one lesson daily on business forms and are keeping up pretty well.

The Shorthand girls, all 15 of them, have now learned the first half of the shorthand alphabet and are reading the business letters and a few stories. We hear that Marianne Jones has been reading fairy tales about a wolf and some sheep to the Civics classes.

From bookkeeping, we've found out that nearly everyone has completed the first 10 chapters, which is the full bookkeeping cycle, and are now anxiously awaiting the six weeks tests. That closes out the full commercial department, and we hope that everyone in these classes will enjoy them in the near future.

Juniors complete class elections

By Susie Jo Schmidt

The Junior Class met last week to elect a class reporter, a room mother, and to decide on a class song, colors, and motto. The meeting began by a report given by the treasurer.

The mother elected to serve as overseer of class activities was Mrs. McMahon. Susie Jo Schmidt was named as reporter.

Other decisions made by the class were: Class song "May You Always"; colors, blue and white; motto, "Not finished, just begun." The party planning committee consists of Linda McMahon, Argan Robinson, Carol Hodges, Richard Cornell and Ronald Storie.

If any Junior, boy or girl, has any news that would be of interest, please turn it in to Susie Jo. We need more than a report on the class meeting because we don't have a meeting every week. Surely something about the Junior Class is capable of being called news.

Love story involves big, handsome Oldsmobile, cute little blue Ford

Everyone likes a love story and I have one to tell. It's all about a big, handsome Olds and a cute little blue Ford.

The Olds was all excited as he put on his best shine job and took off in passing gear to see his little Ford.

It's no wonder he began to blow his horn when he saw her because she had on her new skirts to match her little paint job and her prettiest pair of flippers.

As he glided along side, he nudged her gently, being careful not to smear the paint. Then she gently rolled her big soft headlights up at him, and shyly said, "Don't." He raced his motor and said, "Let's spin our wheels down to Punk's Place." So bumper to bumper, they started off.

At Punk Place, she said she really didn't want a thing, but the big Olds insisted, so she ordered ten gallons of Ethyl and two quarts of 40-cent oil. The big Olds groaned and quickly felt for his billfold as he asked for a double shot of transmission grease with Casite for a chaser.

Everything was doing fine when he noticed she was holding her head. When he asked her what was wrong, she said, "Oh, dear!" I have a stuck valve that's just killing me." He disconnected his ground cable to keep from blowing a fuse, then he shelled out 80 cents more for upper lube. The upper lube did the job and she smiled as she lighted a cigarette and remarked that if you ever noticed, almost all Fords smoked. The big Olds smiled back and asked if she was ready to go. The little blue Ford said yes and they took off. The little Ford laughed as she took second and breezed away, leaving the big Olds and both axes knocking.

When he caught her, she said, "If you hurt me, I'll tell my big brother, Thunderbird." He said he wasn't going to hurt her but he

would like to do some sparking. "Gee, I'm sorry," she said, "but two of my sparkplugs are bad tonight. Some other night, maybe. Okay?"

His big V-eight engine sputtered, "Just my luck." "You're not mad at me?" she asked while she blinked her lights by bumping her dimmer switch. He said no and they started home side by side. Being a woman as well as a Ford, he was not surprised when she rattled all the way home.

They touched bumpers at her drive. The big Olds left, saying something about you just can't trust anyone anymore.

SOUTHLAND HIGH

Eagle's Nest

Yea, Eagles! The Southland football team defeated the Union Wildcats Friday night by a score of 52-0. Union was Southland's first conference game, and the boys, as well as the coaches, were mighty happy about the score, and they hope that their game against Klondike will end the same way. Here's hoping, fellows!

The Junior play, "Nearly Sixteen" will be presented in the Southland High School auditorium, Thursday, Oct. 17, at 7:30 p. m. The tickets are being sold by the juniors now, and they can be obtained at the door Thursday night.

The pep squad barely arrived in time for the kick-off Friday night, because the bus driver got lost and ended up in Wellman, instead of Union. Do you know who was driving the bus, Mr. Bennett?

Beverly, a sophomore cheerleader, is in the process of painting an eagle in the center circle of the floor of the gymnasium. The miniature copy looked good, Beverly, but how's the big one coming? Fine, I hope.

The football team chose their captains last week. They are Larry McNeely, Jackie Dunn and Johnny Haire, all of whom are seniors. Congratulations, boys.

Southland homecoming will be held Oct. 19. The highlights will be the football game and the crowning of the homecoming queen. Next week, the Eagles have an open date.

Cheri Moore is elected to head Library Club

Friday at noon Mrs. McRee met with the Library Club in the library to elect officers. They elected Cheri Moore as their president, Elaine Wheatley as their vice-president, Sharon Isaacs as Student Council representative, Barbara Carrig as news reporter and Billy Bland to be in charge of the bulletin board. They also discussed how the library should be operated.

This 'n' That

We hear that Margie Harrison entertains the 1st period gym girls with her tricks on the trampoline.

Mr. and Mrs. King were in Abilene Wednesday for the funeral of Mr. King's uncle.

The English IV classes are writing sonnets. Next week we will have some of the best ones in the paper.

The Freshmen did a wonderful job decorating the halls of PHS for the Post-Floydada game.

The choir had a picnic Saturday night. About 50 students attended and all reported they had a good time.

This week is 6-weeks test. Hope everyone has been studying hard and will make passing grades.

Since only a few votes were cast in our Senior Superlative contest we would really appreciate your voting so we could announce our winners. It will run for one more week.

Seniors, when is initiation?

Tomorrow night our boys play Roscoe. Let's have a bigger crowd than ever and show our boys we're still behind them all the way. They'll be out there doing their best so everyone be sure to come.

We were all sorry about Freddie Simmons' ankle being hurt last Friday night. We hope that it will be better soon.

The talk was on playing the game of life. Everyone must play the game and not forget God.

Jr. High band planning show

By Danny Markham

On Oct. 9, we, the 7th and 8th grade football boys, play Ralls. On this date, the Post Junior High School Band will put on a show of marching and of playing marches and other pieces for the spectators.

We're sure the 7th and 8th grade boys will win, so don't miss it. Don't forget to be in a musical humor so you will enjoy our exhibition of what we hope will be a success.

We, the band students of the 7th and 8th grades, are very proud to have such a band leader as Mr. Evans. If we had not had this man as a leader, this exhibition would not have been possible. I say again, don't miss this game!

Mr. McEachern is 'Teacher of Week'

Our teacher of the week is James E. McEachern. He attended Howard Payne College for four and a half years. Mr. McEachern has his B. A. Degree. He majored in History and minored in Spanish. While a college he played outfield for the baseball team. He was also assistant to the coach in weight lifting.

Mr. McEachern teaches Spanish here in high school and Health and Science in Junior High. There are three in his family. There is himself, his wife, Arlene, and their 18-month-old daughter, Karen Lynne.

Mr. McEachern was born in Lamesa, Tex. He enjoys reading, sports, and traveling. Mr. McEachern spent the last few summers in West Virginia, Virginia, Tennessee, North Carolina, Mt. Vernon, and Washington D. C.

We hope that Mr. McEachern will enjoy teaching here in Post.

Attends Houston cancer program

Dr. Harry A. Tubbs was in Houston on Friday and Saturday, Oct. 5-6, attending a Shop Talk on "Cancer of the Cervix—Fourteen Point Program."

Dr. Tubbs was one of three generalists taking part in the shop talk program. The other two were Dr. Sam Barnes of Trinity and Dr. Wendell O. Lowrey of Gatesville.

Moderator for the shop talk was Dr. John Paul Lindsay, consultant to the Cancer Control Program, Bureau of State Services.

The Shop Talk was jointly sponsored by the Texas Academy of General Practice and M. D. Anderson Hospital and the U. S. Public Health Service.

Post couple's grandson is big winner at Fair

Mike Gollehon of House, N. M., grandson of Mr. and Mrs. D. C. Roberts, was a big winner at this year's New Mexico State Fair.

Mike, the son of Mr. and Mrs. E. D. Gollehon, showed the two top lambs—grand champion and reserve champion. He set a new record for no single exhibitor had shown both grand and reserve champions before.

Mike also broke two other records, receiving \$9.25 a pound for the top price ever paid there for a lamb, and also raked in the state sheep showmanship award, which he had also won in 1960.

The two lambs brought young Gollehon about \$1,700.

Mistakes cost 'Lopes victory over 'Winds

The Post Antelopes were long on both offense and defense at Floydada last Friday night, but numerous mistakes both ways cost them a ball game and a 29-6 defeat at the hands of the alert Whirlwinds.

Nine fumbles, six of them recovered by Floydada, offset 15 first downs for the Antelopes to five for the Whirlwinds and a ground-gaining superiority of 249 net yards for Post against 158 for Floydada.

On top of all that, the game proved a costly one in injuries to the hard-luck Antelopes. Fullback Freddie Simmons, up to then the night's leading ground-gainer for Post, broke a bone in his foot early in the third quarter, and quarterback Pat Cornell went out with a hip injury.

Neither guard Buddy Moreland nor tackle Jerry Bush were at full strength for the game and used sparingly. Starting end Ronald Simpson had broken a bone in his left arm two days before the game.

DESPITE ALL that, the Antelopes Friday night turned in one of the best defensive games ever played by a Post eleven and against a team that had lost only to Childress after three consecutive victories.

There were lapses in the defense, however, as well as mistakes in the offense. Put together, they cost the Antelopes a game they and Coaches Harold Teal and Lynn Gregg wanted the worst way. It was the sixth straight victory for Floydada over Post.

The first defensive lapse came only 1 minute and 40 seconds deep

into the game—before many of the fans had found their seats—when substitute quarterback Keith Teague hit end Darryl Lindsey with an eight-yard pass and the Whirlwind end went 50 yards to score. Tackle Bruce Julian booted the extra point.

Post drove as far as the Floydada three-yard line after receiving the kickoff, but were pushed back to the 12, and didn't score until on the final play of the first half—with Floydada out in front by 21 points at the time.

A 22-YARD run by Cornell on the first Post play from scrimmage, nice gains by Simmons and halfback Ken Rankin and a 15-yard roughing penalty against Floydada took the ball to the three-yard line, but the 'Winds rose up to shove the Antelopes back.

Floydada's second touchdown came 6 minutes and 10 seconds into the second quarter when quarterback Vernie Moore rounded Post's right end and eluded the secondary for a 64-yard sideline touchdown gallop. Julian again converted from placement.

Floydada had held for downs on

their 28 two plays before Moore's run.

Simmons' fumble, recovered by Floydada on the Post 26, set up the third Whirlwind touchdown. Teague heaved a 25-yard pass to Lindsey, with Frankie Gary knocking the receiver out on the one-yard line. Stewart plowed through the right side of his line for the TD, with 5:11 left in the first half. Julian kicked perfectly from placement to up the Floydada lead to 21-0.

WITH SOPHOMORE Butch Cross at quarterback, the Antelopes drove to the Floydada two-yard line, helped along with nice gains by Benny Owen and James Mitchell and a 15-yard roughing penalty against the Whirlwinds. Floydada momentarily halted the drive by recovering Mitchell's fumble on the two, but two plays later, tackle Billy Shumard covered a Floydada bobble on the one.

Post called time out with only seconds showing on the clock. Cross was stopped inches short of the double stripe, but went over on his next try with no time showing on the clock. A passing try for the extra points failed.

The third quarter was scoreless, with the Whirlwinds halting two Post drives by recovering fumbles. Early in the quarter, the 'Winds got as far as the Post five after

Junior varsity in loss to Floydada

The Post Antelope junior varsity football team lost to Floydada, 40 to 6, here last Thursday night for its third defeat in as many starts.

Mike Ayala went over from the six-yard line for the Post team's only tally.

Ayala and Ruben Solis were named by Coaches Wilbert Bigott and Charles Black as outstanding on defense and Jackie Beavers and Dennis Odom on offense.

The junior varsity goes to Ralls today for two games, the first one starting at 5:30 p. m.

failing on Cross' fumble, but a good defensive job, helped along by a 15-yard holding penalty against Floydada, resulted in Post regaining possession on their 21.

WITH DELTON Robinson turning in some good runs, the Antelopes drove as far as the Floydada 28 in the third period, but ran out of downs there.

The winners' final touchdown came early in the fourth quarter after they had held for downs on the Post 43. After a line play had gained a yard, Moore raced 33 yards to the Post nine, where Gary made the stop. Two plays later, halfback Allan Adams went eight yards for the TD and Jimmy Stewart carried the ball over for the EP's.

Post came back to drive 57 yards to the Floydada 14 after Robinson recovered a 'Wind fumble on the Post 29. A 31-yard ramble by Robinson helped keep the threat going, but four plays later, he fumbled after gaining 11 to the Floydada 14, where the 'Winds recovered.

In addition to their statistical edge, the Antelopes ran a total of 78 plays to Floydada's 53.

Free throw contest slated

Post Does' varsity basketball squad will start workouts Monday afternoon, Oct. 15, and a free throw contest among the girls is scheduled for 7 o'clock Monday night, Coach Van Kountz announced today.

Post Does to open workouts Monday

The public is invited to attend the free throw contest, which will be held in the high school gym. Prizes will be awarded winners, Coach Kountz said.

Thirty girls, including 12 letter winners, are expected to report for the opening workout, Coach Kountz said.

The 12 returning letter winners are seniors Janie Carradine, Barbara Craig, Marianne Jones, Janith Short and Mary Ann Williams; juniors Linda Pennell and Nita Wilson, and sophomores Cheryl Martin, Vivian McWhirt, Darla

Pierce, Pam Stewart and Dee Ann Walker.

Candidates with "B" team experience are juniors Diane Maxey and Shirley Sappington and sophomores Sandra Gary, Yvonne Moreland, Mary Ann Stone and Becky Thompson.

Freshman candidates are: Cheri Cummings, Beverly Duncan, Sandra Guichard, Doris Harper, Betty Hutchins, Marilyn Jones, Pat Landreth, Pamela Owen, Sharla Pierce and Delores Strofer.

Transfers are sophomores Sherry Bevers, from Southland, who is not eligible for the varsity squad, and senior Willa Mitchell, from Evans High School, Slaton.

The Post Does will open their season Nov. 3 against Moran at Aspermont.

Southland defeats Union, 52 to 0, for first victory of 1962 season

By SUE PRITCHARD

The Southland Eagles defeated the Union Wildcats Friday night, 52-0. Union, Southland's first conference game, was the season's first win for the Eagles.

In the first half, Southland received the kick-off, but on the first play from scrimmage, the Eagles fumbled and Union got the ball.

The Union fumbled on the second play from scrimmage and Southland recovered. Then quarterback Larry McNeely hit end Ronald Saunders with a pass, and Saunders pitched out to Johnny Haire who took it 55 yards for a touchdown. The extra point try failed.

Southland kicked-off to Union, and held them, then Haire scored. Then Union fumbled on the second McNeely hit Rod Callaway with a pass for the extra points.

Union received the kick-off, but the Eagles held for downs, then Southland started a drive which was climaxed by quarterback McNeely going over for a touchdown from four yards out. The extra point try was no good.

After the kick-off, the Wildcats were held again, and another drive down field was ended when halfback Don Altman ran it over from four yards out. McNeely passed to end Saunders to make the extra points. The score at the half was 28-0.

In the third quarter, Haire received a pitch-out from McNeely and raced 20 yards for a touchdown. The extra point try failed.

Union received the kick-off then and started a drive which went to the five yard line. But Southland tightened their defense and held for downs, then the Eagles started a drive which ended when Haire ran it over for a touchdown from 30 yards out. After the kick-off, Union was held again, and Haire scored from 60 yards out.

The final touchdown of the game came when Don Altman intercepted a pass on Union's 30 yard line

Bush, Rankin, Simmons and Owen outstanding

Jerry Bush, Freddie Simmons, Ken Rankin and Benny Owen were named as outstanding Antelopes in the Floydada game at Monday night's meeting of the 46-56 Club.

Bush and Simmons were selected as outstanding offensive and defensive linemen, respectively, Rankin as offensive back and Owen as defensive back.

Simmons, who plays fullback on offense, was named outstanding defensive lineman despite the fact that he missed nearly the entire second half after breaking a bone in his foot early in the third quarter.

Bible Thoughts
"The Space Race"
By HERB SMITH

The moon has mysterious powers. The desire to reach it has set in motion a race for space between two world powers. Long before the space age, however, the mysterious power of the moon set in motion the thumps in lovers' hearts to race to the altar—the launching pad for sending couples into the marriage orbit. After blast off, the couple heads for the moon—the honeymoon. It will certainly be interesting to learn why the moon has so much influence upon our planet and its inhabitants.

In this race, time is a great factor. Hurry, Hurry, Hurry! We live at such a fast pace we don't have time to hurry. Children don't have time to come home for dinner, and mother and dad wouldn't have time to eat with them if they did. We don't have time to raise our children; we let them raise themselves.

The well known safety slogan "slow down and live" should be heeded in life as well. In our mad rush to live we are hurrying ourselves to death.

Additional \$152 million is made available for rural housing loans

An additional \$152 million has been made available for rural housing loans. Secretary of Agriculture Orville L. Freeman announced today.

Today's action makes a total of \$182 million available through the Farmers Home Administration for this type of credit during fiscal 1963. The funds come from the \$430 million authorized by the Housing Act of 1961, to be expended within a four-year period. Approximately \$95 million was obligated during fiscal 1962.

"These funds will help 20,000 rural families who do not now have adequate housing to obtain credit to finance a new home or improve the home they already own," Secretary Freeman said.

"The rural housing program is also a driving force in rural areas development. The construction carried on with the funds provides work for local carpenters, masons, plumbers and electricians and steps up the sales of building supply dealers and other merchants in small rural communities. The wages received by the workmen and the profits retained by the businessmen are in turn circulated through local trade channels, invested in local enterprises. The effect of the housing dollar is multiplied many times before its force is diminished.

Oct. 18

Haskell Odom, Lubbock
Mrs. Cameron Justice

"In addition the housing loans are helping to stabilize and strengthen rural communities by creating attractive modern living facilities, the type of house construction that makes communities desirable places in which to live.

"Here again the impact of the program multiplies, for the new homes built with Farmers Home Administration loans provide guide lines to the community in the economical construction of homes. In many areas the construction of these homes has stimulated the investment of private capital in similar types of construction.

"The program has also been highly successful so far as repayments are concerned," the Secretary said. More than \$417,000,000 has been advanced in rural housing loans since 1949. Principal and interest payments are in turn circulated through ments total \$147,000,000. Only \$86,000 have been written off as uncollectable.

Rural housing loans may be used to construct, modernize or repair homes and farm service buildings. They are available to farmers and residents of rural communities who cannot obtain credit from other sources.

meet Tempest '63...today!

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. Viva la difference! Pontiac Tempest

KNOW HOW TO CALL THE FIRE DEPARTMENT. THE TIME IT TAKES TO PLAN WHAT YOU WOULD DO IN A FIRE EMERGENCY COULD SAVE YOUR LIFE. HERE ARE THREE GOOD RULES:

- MEMORIZE THE FIRE DEPARTMENT PHONE NUMBER AND KEEP IT POSTED NEAR THE PHONE, OR DIAL "0" AND TELL THE OPERATOR: "I WANT TO REPORT A FIRE."
- GIVE THE LOCATION OF THE FIRE CLEARLY. DO NOT HANG UP UNTIL YOU ARE SURE THE FIRE DEPARTMENT HAS THE CORRECT INFORMATION.
- KNOW THE LOCATION OF ALARM BOXES IN YOUR NEIGHBORHOOD. WAIT UNTIL FIREMEN ARRIVE SO YOU CAN DIRECT THEM TO THE FIRE.

Growers hear report on hard-hitting cotton research, promotion campaign

LUBBOCK — Reports on the launching of a new, hard-hitting cotton research and promotion campaign were cheering news for growers at an annual meeting of the Cotton Producers Institute here.

At the same time, growers heard sobering words that U. S. cotton is in the worst competitive position it has ever experienced.

The meeting opened on an optimistic note by Roy Forkner, a Plains trustee for the Institute. He reported collections to date on the 1961 crop now total \$1,341,411—well above the first-year minimum requirement of \$1 million.

"This represents a new era for cotton growers," Mr. Forkner said. "They have demonstrated their belief in the soundness of the Institute and are willing to pay the cost of stepped-up research and promotion for cotton."

The plan is getting a greater response in all areas this year. Ginner and other groups are "going all out" to cooperate with growers in making it even stronger, explained Mr. Forkner, who also is

Wildcat site is staked in Garza

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN TEXAS... near Galveston, Confederate General J. B. Magruder piled cotton bales on the decks of little river boats. These famous "cotton clads," manned by the 26th Texas Cavalry, trounced the Federal war fleet then holding Texas' largest port. As the war ships hastily departed, the event was toasted in good Texas-brewed beer.

For then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Past Matrons Club in meeting here Monday

The Past Matrons Club of Post and Southland met Monday night for a regular meeting in the Reddy Room. Mrs. Will Wright and Mrs. F. A. Gilley were hostesses. Miss Henrietta Nichols was installed as vice president as she was unable to be present when the other officers were installed at the last meeting.

Mrs. Jay Oats was in charge of the program of games and contests.

The club yearbooks were made by the yearbook committee and dedicated to the late Mrs. Hazel Stallings.

Members present for the meeting were: Mmes. Hub Haire, Edsel Cross, H. O. Hoover, Jack Myers, Don Pennell, G. N. Smallwood, C. R. Thaxton, Wright, J. A. Propst, Gilley and Miss Nichols.

55 HD Club meets to reorganize and elect

The 55 Home Demonstration Club met in the home of Mrs. Isabelle Stelzer for the purpose of reorganizing and election of officers.

The meeting opened with a devotional by Mrs. Molly Kolb.

The following officers were elected: President, Molly Kolb; vice president, Isabelle Stelzer; secretary-treasurer, Pat King; reporter, Della Oakley; council delegate, Frances Horne, and alternate, La-Vern Lee.

The club will meet the first and third Tuesday of the month at 9:30 a. m. Anyone interested in attending may contact either Mrs. Kolb or Mrs. Stelzer.

Those present were Mmes. Kolb Stelzer, Edna Smith, Lee, Louise Robinson, Horne and Oakley.

The next meeting will be Oct. 23 in the home of Mrs. Oakley, 6155 West 3rd St.

There I stood Sunday morning cooking breakfast for my family when Mr. C hit the back door with the morning papers and a letter for me "from my public".

While the toast burned and the eggs frizzled, I tore through my second such letter, still pleased that I was being read.

"Edwin Walker" seems to be the magic word in my column for inspiring people to take pen in hand and let me have it—usually with only one barrel.

I'm worried. I take pot shots at the Kennedys, the federal government about taxes forms etc., the city council (my mudflats) etc. etc., and no one comes to champion any of them. But let me sort of throw Walker's name in and right away I get mail.

This letter was addressed to Mrs. C's wastebasket which sort of threw me until I read it through. First, I thought, whoever wrote this thinks I ought to write my column and then throw it in the wastebasket instead of the paper. I thought it was just a nice term for garbage. (That's when the eggs frizzled.)

What the writer meant was, I should throw it (the letter) in the wastebasket after reading it. (It was too late to save the eggs.)

These people that defend Edwin Walker always hurry to tell me that they are not John Birchers, but...

If you'll remember, I just made the remark that I thought the man was "sick." My writer immediately jumped to the conclusion that I meant mentally ill. What I was using was the slang word "sick" that maybe belongs only to the younger generation (I'm not necessarily putting myself in that category) used in referring to "sick" cards, "sick" jokes and just plain old "sick" sick.

If the psychiatrists find out he is sick (mentally) I'll be surprised. But, I'll also still think that the man is "sick".

Here's a cute political joke I read the other day: "I don't know why people are mad at Kennedy. He hasn't done anything."

Gad, I'm glad the two Miss C's don't raise 4-H calves or cows to enter in contests. We can hardly keep them in hair spray let alone trying to keep enough on hand to spray animals for show. That could break one up mighty fast—depending of course on the size. Am I giving away a trade secret or do all raisers of stock know this clever answer to all those nice waves of hair on cattle?

Six-weeks tests start Thursday in high school so I'll be on the job as "questioner", no doubt, one of these nights. We don't seem to accomplish much when I help Miss C, the younger, with her Spanish. Not speaking the language, we spend most of our time laughing hysterically at my pronunciation. At least we are free from chemistry this year—our light bill was always higher that week.

Satellites are controlled by computers and guidance devices which often have electrical printed circuits plated with rhodium—one of the platinum metals—which provides a hard, tarnish-free surface.

Wayne Kiker honored at going-away party; to take FBI course

Wayne Kiker, a 1961 graduate of Post High School and an employee at Parrish Grocery, left Tuesday night for Washington D. C. where he will enroll for a six-year special training course for the Federal Bureau of Investigation. Wayne will work in a FBI office while attending the college. He is the son of Mr. and Mrs. W. C. Kiker.

Wayne was honored with a going-away party. Last Friday back yard party was held in the home of Mrs. Ethel Redman, hostess for all the employees of Parrish Grocery. Sandwiches, coffee and tea were served to the following: Mr. and Mrs. Arnold Ferguson, Mr. and Mrs. Jack Kennedy and Dick, Mrs. Fred Taylor, Mr. and Mrs. Gerald Braddock, Mrs. Bobby Cowdrey, Sue and Amy, Frankie Gary, Sue and Parrish, Mrs. W. C. Kiker, Dan and Wayne.

A gift was presented to Wayne and also to the Parrishes for the new home by the employees. Money of the Christmas Party and Country Store Days were enjoyed. Sunday night the young people and intermediates of the Central Baptist Church presented Wayne with a piece of luggage at party after Sunday night services. Lem Howell conducted games, and sandwiches and Cokes were served to the 25 attending.

Miss Kay Maxey becomes bride Saturday of David Allen Oakley

The Graham Church of Christ was the scene for the double ring ceremony of Miss Kay Maxey and David Allen Oakley last Saturday at an afternoon wedding at 4 o'clock.

Henry Lynch, minister, officiated at the ceremony. The church was decorated with greenery of ferns and candelabras.

Parents of the couple are Mr. and Mrs. Bryan Maxey, Route 3, and Mr. and Mrs. Charries Oakley Sr. of El Paso.

Given in marriage by her father, the bride wore a gown of sheer white dacron fashioned with a full skirt with tapering points at the low waistline, and tiny sleeves. The gown was accented with applied white roses on the shoulders. Her shoulder-length veil of silk illusion fell from a tiara of seed pearls and sequins. The bridal bouquet of feathered carnations and stephanitis tied with streamers, was carried atop a white Bible. The bride carried old, new, borrowed and blue and a penny in her shoe.

Miss Alta Kincaid, a student at Abilene Christian College from La Junta, Colo., was maid of honor. She wore a dress of blue taffeta fashioned with tiny sleeves, scooped neckline and full bell-shaped skirt of street-length. She carried a bouquet fashioned after the bride's.

Don Maxey, brother of the bride, and David Sinclair, cousin of the bride, lit the candles.

Tommy Minton, a student at Lubbock Christian College from Snyder, served as best man. Ushers were Gary Oakley, brother of the groom, and Bill Thomas, both of Lubbock.

A group from Lubbock Christian College consisting of Barbara Achtelek, Charlotte Burkett, Tommy Wrinkle and Charles E. Cox, chorus director, furnished the wedding selections.

A reception was held in the home of Mr. and Mrs. Delmer Cowdrey with the bride's chosen colors of blue and white carried out in the table decorations. The table featured a double ring flower arrangement flanked by blue tapers. The wedding cake was in the form of double wedding rings with a miniature bride and groom on top.

Milk glass appointments were used. Miss Sue Oakley, sister of the groom, and Miss Diane Maxey, cousin of the bride, served frosted punch, cake, nuts and mints to the guests.

Mrs. Franklin Maxey, sister-in-law of the bride, presided at the guest book.

For travel, the bride wore a beige jacket dress of brocaded cotton with black accessories. The couple will be at home at 5601 West 19th Street in Lubbock where Mr. Oakley is a sophomore Bible major at Lubbock Christian College. Mrs. Oakley is a graduate of Post High School and L.C.C. She is employed at the downtown Dunlap store in Lubbock.

Out-of-town guests were: Mr. and Mrs. Charles Oakley Sr. and Sue, and Mr. and Mrs. Charles Oakley Jr. of El Paso; Mr. and Mrs. Gary Oakley, Mr. and Mrs. Charles Halt, Mr. and Mrs. Bill Thomas, Miss Gay Riggan, all of Lubbock; Mr. and Mrs. Franklin Maxey and Stacy and Mr. and Mrs. Ira J. Howard, all of Midland; Mr. and Mrs. J. F. Maxey, Wichita Falls; Mr. and Mrs. Ray Holland, Portales, N. M.; Mr. and Mrs. and Mrs. Clark Cowdrey, Levelland; Mr. and Mrs. Pat Dowdy, Abilene; Kent Hawley, Fort Bliss; Mrs. Henry Lynch and children and Mrs. D. J. McCormick of Lubbock.

Music Club members discuss plans for district meeting

The Post Music Club, National Federation of Music Clubs, met Monday at 7:30 o'clock in the home of Mrs. H. J. Dietrich with Mrs. Tillman Jones as co-hostess.

Mrs. Tom Power presented the Fortnight of the month, "A Mighty Fortress Is Our God." After a background of the hymn and remarks about the composer, Martin Luther, Mrs. Power played the hymn on the piano and the entire group sang.

Mrs. Garland Huddleston, president, announced that a district convention will be held at Levelland, Oct. 18-20. Miss Maxine Durrett was named delegate, and several members plan to attend. The president also announced that starting this Saturday, operas will be broadcast over radio station KFYO.

Mrs. Ronnie Bouchier, program chairman, introduced Mrs. Dietrich, who gave current information on the Van Cliburn International Piano competition.

Mrs. Tillman Jones related personal anecdotes of interest on "The Guided Age", followed by songs

of that period. She also led the group in several numbers. A quartet composed of Mrs. Jones, Mrs. Dietrich, Mrs. Lillian Tizard, and Mrs. Huddleston sang songs from that period, accompanied by Mrs. Ray N. Smith.

Mmes. Huddleston, Ed Sawyers, Ed Herring and Miss Durrett sang five barbershop quartet arrangements.

Refreshments were served to Mmes. Kendall White and M. J. Malouf, guests, and Ronald Joe Babb, Bouchier, Dietrich, Herring, Huddleston, Jim Jackson, Jones, Derl Lovell, John May, Glenn Norman, Boo Olson, Tom Power, Sawyers, Smith, Tizard and Gordon Wilson.

Nov. 12, the club will meet at the First Baptist Church.

UNDERGOES SURGERY

Clara George is reported getting along satisfactorily after undergoing surgery last Thursday in the San Angelo Clinic. She is the daughter of Mrs. Jessie Monsey of Post.

'After 5' fashions modeled here at special showing

After-five fashions created by Mrs. Betty Young, a former Post resident, were modeled at a special showing last Friday night in the Community Room.

Maxine's was hostess for the affair with Miss Maxine Durrett assisting Mrs. Young with the narration. Miss Durrett said Mrs. Young's designs are basic and tailored and highlighted with beautiful fabrics. The long formals modeled were mainly of slipper satin cut on the long slim sheath line. These were shown with stoles and brocaded jackets. The short formals ran from bouffant to sheaths—some with overskirts for versatility.

Mrs. Young also showed "at home" Capri sets made from cotton to satin.

Those modeling besides Mrs. Young were Mrs. Herman Raphael, Mrs. Donald Windham, Mrs. Ed Kelly Sims, Miss Cindy Wilson and Miss Sammie Kay Caffey.

Refreshments of punch, mints and nuts were served to the guests. Favors were also given to each. Mrs. Young is the daughter of Mr. and Mrs. L. P. Kennedy and makes her home with her family in San Angelo.

MINISTERIAL ALLIANCE

The Ministerial Alliance will meet next Tuesday morning at 10 o'clock in the First Baptist Church.

WEEKEND GUESTS

Visiting Mrs. B. K. Bowen and Mrs. Mell Pierce over the weekend were Mr. and Mrs. Willie Bowen and Mr. and Mrs. Mitchell Bowen of Brownwood and Mrs. Shorty Emsinger and Kathy of Livingston, N. M.

'LIFE HAS A DEEPER MEANING'

Marie Neff, shown here with one of her favorite paintings, is this month's selection of Post Art Guild as "Artist of the Month."—(Staff Photo)

Mrs. Marie Neff honored as October's 'Artist of Month'

JUANICE ROBINSON artist to progress rapidly in painting. She is able to work without frustration even though she is not able to achieve what she desires in a painting, after trying several times. Warm, gay colors, which give sparkling life, are predominant in her paintings. Peter Hurd, whom Mrs. Neff has met in person, is her favorite artist. He has also given her some ideas in painting. The entire Neff family has developed a greater appreciation for art because of her painting. "Since painting," said Mrs. Neff, "I have been able to see that life has a deeper meaning than what one sees on the surface. It makes us aware that God created for us a world that is neither all beauty nor all ugliness. Therefore we have to look beyond the surface to find the true meaning of life. That is why I paint realism instead of abstract or contemporary."

Chapter has program on prose and poetry

The Mu Alpha Chapter of Beta Sigma Phi met Monday night in the home of Twilight Dudley, 806 West 4th St., with Flute King as co-hostess.

After the opening ritual and business meeting, a program on "Prose and Poetry" was given by Frances Clemmons. Joyce Teaff, club president, and Jeniece Reno gave a brief resume of the sorority's history and traditions.

Cokes, coffee and doughnuts were served to the following members and rushees: Joyce Teaff, Frances Clemmons, Elizabeth Grice, Joan Stewart, Sherry Josey, Jeniece Reno, Mary George, Pat Schmidt, Ruby Williams, Lori Lou McAlister, Linda Dye and Dot Osman.

Post C of C moves right along

The calendar is cluttered up with special weeks—in fact, National Newspaper Week is coming up next week, for example, and Oil Progress Week the week after that. But sometimes we think there should be added to that cluttered calendar a Chamber of Commerce Week.

A Chamber of Commerce anywhere is only as good as its leadership and its membership. To make both function properly it needs good, solid organization—a channeled way to "get things done" by busy business men with the least amount of time and effort involved.

Our Post Chamber of Commerce is moving right ahead on all three fronts. Its leadership is enthusiastic and busy. More of the members are pulling their own oar than ever before. The organization is more streamlined.

And, as a result, the results are impressive.

The Farmers-Ranchers-Merchants Appreciation Supper, scheduled for Antelope Stadium Monday night, is a prime example. The leadership, the membership, and the organization are functioning smoothly. Advance indications are it will be a huge success.

A Chamber week would focus the attention of the community on the importance of such an organization in any healthy town. And that's good to stop, look and evaluate.

"Post—a little bit better" is an excellent slogan for our Chamber. It can rub off easily on all of us. Each of us can help to make it "a little bit better" with our own efforts at community betterment.

Your Chamber is receptive to new, fresh ideas on any and everything. If have one, propose it to

Chamber President J. B. Potts or to any of the directors. Not only that, but be ready and willing to help develop it.

The more the Chamber can do, the better the community in which we live. More and more our Chamber membership is awakening to the possibilities of progress the Chamber offers—a wide variety of fronts. More and more, we accept our assignments and carry them out with enthusiasm. And, as the membership starts to go to work again—the big missing ingredient for too many years—the more we can accomplish.

Let's be working members because it's the energies and support of the membership which pays handsome dividends in hometown advancement.

There are so many things—more and different projects—we can do together. It isn't a question of money, but of a working and enthusiastic membership. A few cannot carry the large burden of all the work. We must share that together.

Two new members announced last week brings our Post Chamber membership to 101. We will never reach our full potential until every one of those 101 members are busy regularly with Chamber work.

The biggest progress for our Chamber is the current change of attitude by the membership. That momentum, once rolling, can pick up real community steam. Let's keep it going. Let's find more to do—and do it together.

When you see something which needs being done, propose it and support it. The time, the effort, the money spent is well worth the dividends returned in community progress.—JC

It's Fire Prevention Week

Fire Prevention Week began Sunday, as proclaimed by President Kennedy.

There is no better time of year to stop and take stock of our own fire department, which operates on a purely volunteer basis.

Just as is the case with a number of other community organizations on the job day in and day out, the Post Volunteer Fire Department is, on the whole, taken for granted.

We've become so accustomed to our volunteer firemen doing such a good job in protecting lives and property that we rarely pause to give a second thought to their dedicated efforts.

Let's change all that. Let's make it a habit of thanking our volunteer firemen for the fine job they are doing . . . of letting them know that we appreciate it.

In addition to being available 24 hours a day to protect lives and property, Post's volunteer firemen have, by their outstanding work, helped keep Post's fire insurance rates down from year to year.

So, every week throughout the year and especially this week, let's doff our hats to the Post Volunteer Fire Department collectively and to its 25 members individually.—CD

What our contemporaries are saying

An official of the John Birch Society, of which former Gen. Edwin A. Walker is a member, has stated that if it is proven Walker had a part in inciting riots on the Mississippi University campus "his membership should be revoked." I think that is as it should be and there are a few other things that should be revoked from the good gen-

eral—like a strip of his righteous old hide about six inches wide!—Marvin Tomme in The Rails Banner.

Farming is about the only legalized gambling that permits the players to use their own dice.—Douglas Meador in Matador Tribune.

THURSDAY to THURSDAY

By CHARLES DIDWAY

THIS IS A big week for the firemen—Fire Prevention Week. The efforts of every citizen are needed in the drive for fire safety, they remind us and point out that 'round the calendar and 'round the clock, fire strikes an average of over 1,000 American homes every day.

Someone read this ad in a trade magazine: "Ever Skip a Coffee Break? You need help, Friend. Admit it! Find out how this new program can even teach you a thing or two about the fine art of clock-watching. WORKAHOLICS ANONYMOUS."

THERE'S AN OLD saying that there is a first time for everything. Well, at the Post-Abernathy football game a couple of weeks ago, I saw my first cat at a football game. This one was scooting down the sideline on the Abernathy side of the field, its tail high in the air. At first glance, I thought it was a rabbit. A fellow sitting next to me in the press-box peered through his binoculars and identified the animal as "a striped alley cat." You can always count on one or more dogs at a football game, but rarely a cat. Of course, it could have been that "all-American tomcat"—the one that makes 3.0 yards a night.

Another thing I've noticed at high school football games in that members of the rival schools' bands and pep squads never become "edgy" toward each other, as members of the football teams sometimes do. They probably would, of course, if they were out there blocking and tackling one another.

BAD NEWS! I started this column off with a reminder of Fire Prevention Week. Halfway through it—at 9 a. m. Monday—I am interrupted by the sound of the fire siren and the sight of all three fire trucks speeding East on Main Street.

The man up the street says foreign countries all seem to have the same motto: "Americans, go home and leave us a loan."

THESE PURPOSES of the P-TA will provoke thought if you study them for a minute:

- To find facts, not to find faults.
- To raise the standards of the home, not to criticize it.
- To raise children better, not to raise them more easily.
- To secure good schools, not to ignore poor ones.
- To cooperate with schools, not to operate them.
- To give each child a chance, not to make each a prodigy.
- To make lives, not to make money.

One of the most outstanding student-installations ever made at the local schools is the marker erected in front of the high school building by the senior class of 1961-62. The imposing marker has a plaque reading, "Home of the Antelopes." Senior Class of 1961-62. I made a picture of the cheerleaders surrounding the plaque for this week's paper, but was shooting into the sun and had to have the cute cheerleaders move away from the marker and turn around for another picture. But we've a picture of the plaque worked into our schedule for the coming week. In the meantime, drive by the high school and see it for yourself.

58,000 people work for State of Texas

AUSTIN — Latest figures compiled by state officials for the Texas Almanac show 58,000 people working for the State of Texas.

Per capita, the State of Texas has functions with 65 employes for each 10,000 citizens. That is well below the 79-employe average for all states.

Texas is, in fact, among the lowest states. Some have nearly twice as many employes, per capita, as Texas.

Homecoming at WTSC Oct. 20

CANYON—Traditional Homecoming activities have been planned for the annual West Texas State College celebration here Oct. 20, when thousands of students and ex-students join for a day on the campus. Main events which have been held for many years will be club teas, smokers and reunions, a parade through Canyon, a barbecue, a football game, and a Homecoming dance following the game.

Silver anniversary reunion of the Class of 1937 is scheduled, along with a joint reunion of the classes of 1947 through 1951. About 100 members of the 25th anniversary class are expected, and approximately 1,000 members of the other five classes will be on hand.

With Walter Jetton of Fort catering, the barbecue is scheduled at 4:30 p. m. on the old field. Tickets cost \$1.25 each. Closing out the day's events will be a football game at 7:30 p. m. Buffalo Bowl between the Buff and the New Mexico State A. a. m. in the Student Union building.

CROSBYTON GETS FUN CROSBYTON—Crosbyton will receive \$8,580 in federal funds to finance a master plan, program. A Wichita Falls engineering firm has been awarded contract for making the plans, which will require 17

Could you get by if you had to pay CASH?

How many people could enjoy the pleasure and convenience of an automobile, piano or refrigerator if they had to pay cash?

Fortunately for most of us, we don't have to pay cash for everything we buy. We can take advantage of the liberal, flexible system of personal credit which enables us to buy and enjoy the things we want, when we want them, and to pay for them later. Whether our income is large or small, we can enjoy the privilege of buying almost anything, anywhere, if our credit record is good.

And the only way to maintain a good credit record is to buy only what you know you can pay for—and pay for it on the date it is due.

Post man named to H-SU board

Vernon Scott, 26, cashier of the First National Bank of Post, is one of three new members appointed to the Board of Development for Hardin-Simmons University, Abilene. Dr. Lee Hemphill, H-SU vice president for development, has announced.

Other new members are L. H. Welch of Breckenridge and Harold N. Olive of Carlsbad, N. M. Both are attorneys. Appointment of Scott, Welch and Olive by the executive committee of the H-SU Board of Trustees brings to 37 the number of Southwestern business and professional leaders serving on the Board of Development.

The board, organized in 1960, has as its goals the promotion of Christian education in general and the enlistment of support for Hardin-Simmons University. Members seek to recruit outstanding students, provide scholarships, secure gifts for endowment and construction, and serve as an advisory group in improving and expanding the univer-

HORSES VANISHING

The days of the horse are gone, but their value in Texas is greater than all the state's goats or all its hogs. Horses are generally becoming fewer yet Texas can still brag that it has the most with the largest total farm value and worth more each than the nation's average horse, according to Ed Uvacek, of Texas A&M College. Texas horses are valued at 31 million dollars, he points out.

Scott is a 1958 graduate of Hardin-Simmons. He received the Bachelor of Science degree in business administration and secondary education. After graduation, he served as an officer in the Army.

As a student, Scott was a member of the H-SU A Cappella Choir and the Madrigal Singers, was active in intramural athletics, and was a member of the H-SU Life Service Band.

He is the son of Mr. and Mrs. C. R. Scott. His wife is the former Jo Ann Lee, daughter of Mr. and Mrs. Cecil C. Lee.

Farmer-Rancher Appreciation Supper set for Monday night

The Appreciation Supper for farmers and ranchers—set for 6 p. m. Monday night at Antelope Stadium—is expected to attract a crowd of from 400 to over 500 and wind up with a big domino tournament that may go into the "wee hours" with trophies to the champions and runnersup.

Nearly 150 door prizes, donated by local merchants and the Postex Cotton Mills, will be given away.

Postex is giving 12 dozen new Garza sheets and they will be packaged in pairs for 72 door prizes.

Business and professional folks of the Post area are hosting the farmers and ranchers to the Appreciation Supper which is under the direction of the Post Chamber of Commerce.

The food committee this week selected Wilf Scarborough, local cafe owner, to serve the supper and were working with Wilf on the final menu selections.

Over 135 host tickets have been sold at \$7.50 each for the affair with the Chamber office reporting \$995 already raised for the affair with more to come.

Bob Collier, chairman of the big domino tournament which is slated to name the first Post area championship team, announced today that the tournament will get under way in the old gym, next

to the stadium at 7 p. m. Monday.

He urged those planning to play—and the more merrier—to be on hand to eat when the supper line forms at 6 p. m. and to be in the gym at 10 minutes to seven.

Operation of the tournament will be explained at that time.

Collier said.

He also said he would appreciate anyone bringing tables, dominoes and markers if they have them.

"We're preparing for a big field in the tournament," explained Bob Collier. "But we won't know exactly how big until they sit down to play. We

want to be able to handle them

all."

Tickets to farmers and ranchers are being distributed through all the area gins, but still may be picked up at the bank or the Chamber office here if necessary. Chamber officials can only guess

at the size of the crowd, but plan to check the gins Friday to determine the number of guest tickets handed out.

The Chamber hopes to make the Appreciation Supper an annual affair if the first one is the success they hope it will be.

TOP WINNERS IN SATURDAY CALF SHOW

Winners at Fair named Saturday

High point winners in all departments of the Garza County Fair were announced Saturday following Friday's judging.

Also announced Saturday were winners in the 4-H and FFA Calf Show held Saturday afternoon in conjunction with the fair.

High point winners in the youth division were Shirley Bostick, Jo Beth Dillard, Laura Bevers and Stephanie Davis. All are 4-H Club girls.

Shirely won high point honors in the senior division, Jo Beth in the junior division, Laura in the beginners' division and Stephanie in the youth art exhibit.

High point winners among adults were Mrs. W. H. Barton, club;

Mrs. Sam Martin, non-club; Glenda Morrow, art; Mrs. Tom Henderson, antiques, and Mrs. Bill McMahon, flower arrangement.

The grand champion calf, an 890-pound Shorthorn, was shown by 10-year-old Kay Herron of the Post Junior 4-H Club.

Pete Dodson, a member of the Post FFA chapter, had the reserve champion, a Black Angus.

The only blue ribbon winner in the heavyweight class was the grand champion. Red ribbons went to steers shown by Ken Herron, Lewis Heron III, Fred Leiby, Carolyn Carlisle and Nancy Hart, and white ribbons to Sherry Bevers and Johnny Bilberry.

Blue ribbon winners in the lightweight class were the grand champion and steers shown by Vickie Wilks and Joe Basinger. Red ribbons winners were Jay Bird, J. W. Basinger, Peggy Bevers and Richard Hart, and white ribbons went to Jay Bird, Billy Max Gordon, Curtis Lancaster and Vicki Wilks.

The steers were judged by Bill Griffin of Tahoka, Lynn County agricultural agent.

Cartoonist joins staff to draw 'neighbors at work'

H. H. (Hut) Hutson, veteran Amarillo newspaper cartoonist, has joined The Post Dispatch staff to illustrate the new Garza 55th Anniversary series which introduces the firms and folks that serve you.

The series begins today with "The First National Bank Story" on page 11.

Caricatures of the folks who work in local firms and the story of achievement of those firms mark this "neighbors on the job" series.

Hutson's art work has been presented by hundreds of newspapers in the Southwest. His sport cartoons have been used by Texas Tech for football promotions of star players, the University of Texas, Rice, University of Houston, Hardin-Simmons, Eastern New Mexico University.

His work covers a 35 year period.

Hutson already has prepared more than a hundred drawings of local folks which are ready for publication in the weeks ahead.

He had been guest speaker at the Retail Merchants Association luncheon in which he presented the background story of cartooning and the history of the symbols of Uncle Sam and many others.

Hutson draws the business and professional folks with friendly smiles. The drawings reproduced by a fluorographic process on zinc.

Trustees pay off on contracts of two teachers

The Post school board voted unanimously Monday night to terminate the teaching contracts of Mrs. Zeta Pennie and Matt Reece, former Lincoln Elementary School teachers, by paying them the remainder of their salaries for the 1962-63 term.

Mrs. Pennie and Reece, whose contracts for this school year were signed before Post voted to integrate its schools, have already received one month's salary check this school year.

The board also voted to raise the salary of Mrs. Nell Compton, secretary to the superintendent of schools; accepted bids for the purchase of two school buses offered for sale; approved the employment of a secretary to the junior high school principal; renewed the school district's contract with Pritchard & Abbott, tax evaluation engineers; voted to pay the tuition of a local mentally retarded child to attend a special school in the Lubbock school system, and heard a report from Athletic Director Harold Teal on the question of making baseball a part of the schools' sports program.

Mrs. Compton's salary was increased from \$280 to \$325 a month. See SCHOOL BOARD, Page 8

County to call in more bonds

Garza County hopes to finish the paying off of the Garza Memorial Hospital Bonds by late 1963—at least that's the thinking of the commissioners' court.

The court voted this week at its October meeting to call in \$25,000 worth of the 3 1/2 per cent bonds by Feb. 15, 1963. They were scheduled for payment in 1966 and 1967.

Judge J. E. Parker said this would leave only \$33,000 outstanding on the hospital bond issue and the court hoped to retire this next fall from money raised through a hospital sinking fund levy of 15 cents.

The court also voted unanimously to reappoint Dr. James Matthews as county health officer for the next two years.

The court will meet again Friday morning to take action on a contract for its tax evaluation firm and on the purchase of cars for the sheriff's department, Parker said.

4 burglaries solved, two held, most loot recovered

Two youths have signed confessions that they committed four local burglaries here last Thursday and Friday nights and most of the loot stolen has been recovered, Sheriff Fay Claborn has announced.

The sheriff said Macarie De Lion Romero, 18, and a juvenile boy have confessed and are being held in the county jail. The juvenile, out on parole from the state reform school, will be returned to the reform school Saturday.

Claborn said the pair admitted breaking into the Garza Farm Store, Post Auto Supply and the Western Auto store Thursday night and the Short Hardware store Friday night.

Nothing was missing at Post Auto and the Garza Farm store, but a rifle, a pellet gun, some shells, a flashlight, several pocket knives, and a few dollars in change were taken at Western Auto.

The next night, two .22 rifles were stolen from the Short Hardware, along with six or seven boxes of shells, one flashlight, six or eight pocket knives, and a small amount of money.

Recovered so far have been the three rifles, one knife, one flashlight, and about a pint of .22 shells from a quart wine bottle. The juvenile said he threw the pellet gun and the other pocket knives into South Lake after Romero's arrest.

Deputy Sheriff Lloyd Merritt arrested Romero Sunday afternoon, and city police picked up the juvenile at 4 a. m. Monday after he was asked by Merritt to be on the lookout for him.

Post physician going to Chicago meeting

Dr. John E. Carter and Mrs. Carter will leave Tuesday, Oct. 16 for Chicago, Ill., where Dr. Carter will attend the 5th Annual Scientific Meeting and the 2nd Annual Teaching Series of the American Society of Clinical Hypnosis.

Dr. Carter, who this year was elevated to a full membership in the Society, will be a conference participant, presenting a paper on "Hypnotic Induction of Labor."

The meetings are to begin Oct. 19 and continue through Oct. 21.

Big food show to be next Thursday

VIVIAN LINER, Cooking School Instructor

Do you want to know how to fix a Chicken Taco Pie? . . . How about Tuna Fish Fonda, or maybe a Flower Pot Sundae? If that doesn't make you hungry, how about Heavenly Hash Mounds . . . or maybe a Cornish Hen with Lemon Butter Sauce?

Well, all these and many more will be presented next Thursday at the Tower Theatre here in Post at the "Greatest Food Show on Earth," presented by the Reddy Kilowatt Dealers of Post and Southwestern Public Service Company. Mrs. Vivian Liner, Home Service Advisor for Public Service Company, will conduct the school. There will be recipes and ideas presented that you will be able to prepare in your oven. Complete broiler meals will be demonstrated. There will be ideas for tasty dishes you can prepare on your surface units. A few items from the elec-

the new column heading is going to be a stag affair as far as the guests are concerned.

Richard Borgman of We-oka, Okla., has purchased the Bowling Center and hopes he'll open it up by next week-end. This weekend coming up, Richard explains that a new Brunswick crew is scheduled in Monday to begin refinishing the alleys. This will take four or five days. So if you go well the center should be open sometime next weekend.

Borgman purchased a new home in We-oka Terrace and moved in with his family over the last week-end. The family includes his wife, two daughters, Dianna, a high school sophomore, and James, 14, a high school freshman, and one son, Rick, 12, who is an eighth grader.

Borgman used to be in the construction business. But after building several bowling centers he got tired of them and was operating one at We-oka. He sold his interest there to purchase the local one which were closed last spring in a bankruptcy proceedings. Borg-

Classes will be held in the Reddy Court of the Southwestern Public Service Co. under the direction of Mrs. Mary Frances Bowden, supervisory and management training specialist of the University of Texas Extension Division.

Merchants wishing to enroll themselves or employes should call the RMA at 308.

Detroit Tigers flying by chartered jet

Norm Cash, wife leave Friday on Far East tour

Norm Cash and his wife, Myrta, will leave Friday for a six weeks tour of Hawaii, Formosa, Korea and Japan by chartered jet airliner.

The Detroit firstsacker, who visited in Post both Monday and Tuesday, explained the Detroit team will tour the Far East under the auspices of the U. S. State Department to play some 25 ex-

hibition baseball games.

Norm and Myrta will leave San Angelo Friday to meet the ball club at Los Angeles. They will fly to Hawaii that same day on the first leg of the goodwill tour to which all team members have been looking forward.

Norm, in a Dispatch interview, termed the 1962 major league season just closed "a frustrating one

for me."

Cash finished the season with a .245 batting average, over 100 points under 1961 when he won the league batting crown. Norm totaled 39 homers, two more than teammate Rocky Colavito, who led the club in homers in 1961.

"I broke my finger, had my tonsils out, and missed 15 games during the season," Cash said.
