

Graham woman is honored at early birthday party

Those visiting Mr. and Mrs. Delmer Cowdrey Sunday and helping Mrs. Cowdrey celebrate her birthday early were her brother and sister-in-law, Mr. and Mrs. Gus Clark, and Kathy of Littlefield and their daughter and son-in-law, Mr. and Mrs. Bob Hunt of Plainview; also Mr. and Mrs. Clark Cowdrey of Amarillo, Donnie, Karon and Sharon of Post, and Mr. and Mrs. Bobby Cowdrey, Susie, Amy and Lisa of Post. Mrs. Cowdrey's birthday was Sept. 7.

The Graham community welcomes Mr. and Mrs. Nolan Williams and family, who have bought and moved into the Will Wright house.

MR. AND MRS. Ray McClellan, Mason and Kim recently enjoyed a grilled hamburger supper with their daughter and son-in-law, Mr. and Mrs. Billie Stone, and sons in Post. Other guests were Mr. and Mrs. Harry Lee Mason and family. Mr. and Mrs. Jimmy Hutton and Mrs. Hutton's father, Grover Mason, went on a fishing trip to Brownwood recently. They report a good catch.

Mr. and Mrs. Frost Maxey of Wichita Falls spent the weekend visiting his brothers and sisters, Mr. and Mrs. Bryan Maxey, Simon, Kay and Don; Mr. and Mrs. Quannah Maxey and Dianne, and Mr. and Mrs. Arthur Floyd of Post. Mr. and Mrs. Goldsmith Davis of Fort Worth and son of Abilene Mrs. Jewel Graham of Post, Mr. and Mrs. Elvus Davis and family and Carol Davis of Levelland were guests Sunday of Mr. and Mrs. Glenn Davis.

MR. AND MRS. Elmer Cowdrey and Mr. and Mrs. Lonnie Peel attended the wedding Sunday afternoon of Miss Carolyn Wallace and Joe David Darden in the Lorenzo Church of Christ.

Sunday evening visitors of Mr. and Mrs. Glenn Davis were Mr. and Mrs. Elmer Cowdrey and Mr. and Mrs. Lonnie Peel.

Mr. and Mrs. Bob Lusk were in Lorenzo Sunday to attend the wedding of his niece, Miss Carolyn Wallace.

Sunday night visitors of Mr. and Mrs. Carl Fluitt were his niece, Laura Jean Rylant and a friend, Virginia Bridgeforth of Loving, N. M.

Phil Matthews of Morton spent from Wednesday until Sunday with his aunt and uncle, Mr. and Mrs. Elmo Bush, Jerry and Ricky. Sonny Gossett of Post spent Friday night with Jerry Bush.

Mr. and Mrs. Maurice Fluitt and Mark visited in the Elmo Bush home Friday night.

In Our Time

WHILE COMMUNICATION EXPERTS NO LONGER CONSIDER IT FANTASY TO PLAN INTER-PLANETARY TRAVEL... IT IS INCREDIBLE THAT A 38-YEAR-EFFORT FOR A ROAD LINK BETWEEN NORTH AND SOUTH AMERICA HAS NOT BEEN REALIZED...

NEWS WAS MADE IN 1960 WHEN RICHARD BEVIR AND TERRY WHITFIELD BECAME THE FIRST TO TRAVEL FROM NORTH TO SOUTH AMERICA IN A MOTOR VEHICLE BY LAND.

THEIR STURDY 4-WHEEL-DRIVE LAND ROVER STATION WAGON HAD A WINCH, ROLL-OVER PROTECTIVE BAR, POWER SAWS AND 150 FT. OF STRONG TOW ROPE.

THE PARTY LEFT NEW YORK, OCT. 23, 1959 AND REACHED THE PANAMA-COLOMBIA BORDER SEVEN MONTHS LATER ON MAY 16, 1960.

OVER 3 MONTHS WAS SPENT CROSSING THE ROADLESS 135-MILE JUNGLE, SWAMPS AND RIVERS OF SOUTH COSTA RICA AND THE 360-MILE DARIEN JUNGLE STRETCHING FROM CHEPO, PANAMA TO COLUMBIA. THESE BARRIERS ARE MISSING LINKS IN THE CHARTED INTER-AMERICAN HIGHWAY NETWORK AND ARE STILL BLOCKS TO ALL INTER-AMERICAN ROAD TRAVEL.

HIGHWAYS ARE NECESSARY LINKS OF COMMUNICATION FOR CREATING MOVEMENT OF TOURISTS, EQUIPMENT AND PRODUCTS.

BRILLOUS GOOD BUY

Broilers are such a good buy on today's retail markets that consumers may wonder if something is wrong. There isn't, says F. Z. Beanblossom, extension poultry marketing specialist, and he advises consumers to take advantage of the very favorable price situation.

It is unlawful on Texas to take any game bird by net or trap.

HOME FROM HOSPITAL

Earline Brown has been returned to her home here from Mercy Hospital in Staton and is reported to be improving over a recent illness. Visiting her here over the weekend were three of her brothers and their families, Mr. and Mrs. J. W. Edwards of New Home, Mr. and Mrs. Woodrow Edwards and sons of Abilene and Mr. and Mrs. Ed Edwards and daughter of Snyder.

WEEKEND GUESTS

Mr. and Mrs. Ab Mitchell had as their weekend guests Mr. and Mrs. Bob Mitchell and daughter of McKinney, Mr. and Mrs. H. G. Smith and children of Tahoka and Mr. and Mrs. Gerry Sherrill of Lubbock.

VISIT IN HAMILTON

Mr. and Mrs. Kerwin Baxter visited her parents in Hamilton over the Labor Day weekend.

By VERN SANFORD

Fishermen — not fish — break fishing tackle.

When the truth wins out, you will discover that the "big one" that broke the line wasn't so big after all.

Let me relate the story of an angler who lost a "huge" redfish in the surf near High Island on Bolivar Peninsula. Although this took place several years ago, it will illustrate the point of this column.

I won't embarrass the angler by naming him. But here's the story.

He hooked a redfish—and in short order the fish broke the line. The angler boasted that the fish was a real monster because he was using brand new 36-pound test line.

Within an hour after the fellow lost the fish, some beach seiners about a mile down the beach brought in their net. One of the fish trapped was a redfish complete with a hook in its mouth, a long wire leader, and about 10 yards of line.

THE ANGLER, who happened upon the scene, identified the terminal tackle as his. The beach seiners, in view of this unusually large catch—that got away—gave him the fish.

Now comes the corker.

That redfish weighed exactly 11 pounds. It was a far cry from the 40 or 50 pound monster implied by the angler.

Sure enough the angler's line was brand new. His rod tip and guides were in good shape. So the line wasn't weakened by fraying.

Truth of the matter is that the fisherman—not the fish—broke that 36-pound test line.

Here's how it happened.

When the fish made its run for freedom, the angler feared he might not have enough line on the reel. So he hauled back as hard as he could to check the run. Naturally the strain of the fish pulling in one direction, and the angler jerking in the other, parted the line.

FISH LOSSES like this happen every day. It's the result of excitement and inexperience. Usually the angler could have landed the fish by playing it.

Redfish aren't noted for long

runs. Their runs are short, 20 to 30 yards at most, before they change directions.

So if that angler, who felt that the line was getting near the end of the spool, would have walked down the beach with the fish—or even waded out into the water, he might have landed it.

Many line breaks occur because the angler fails to periodically check the line for frayed spots.

Let me point out here that line fraying usually occurs in the first few feet of line. And here's why.

Every time you cast out, tremendous pressure is exerted on the line where it comes in contact with the rod-tip top. Eventually this will fray and weaken the line. Play it safe by cutting off a few feet of line every time you make a trip. Thus you will get rid of that part of the line subjected to heavy pressure and the greatest wear in casting.

YOU SHOULD frequently check the rod-tip top — particularly if you use nylon or monofilament line. These lines are extremely hard and in heavy fishing will wear grooves in the tip top.

Agate tip tops will crack and chip, and the sharp edges will cut the line. Replace faulty tip tops immediately.

Rust on the metal tip top will ruin a line. If you can't clean the rust off, replace the tip top.

Line comes in various pound tests. Its strength will remain constant unless the line is abused. This is particularly true with linen lines used in salt water fishing. Linen line stored wet will rot quickly.

It's better to practice good line maintenance than to lose a fish because of line neglect.

Regardless of the strength of the line, you weaken it every time you tie a knot in it. The degree of weakening, however, can be minimized by learning to use the proper knots.

The simple, ordinary square knot will cut line strength about 50 per cent. Obviously a line testing out at 36-pounds will break at about 18 pounds at the point of the knot.

BEST KNOT to use is the blood or jam knot. It's tied simply by

running one end through the hook eye. Twist this end at least five times (preferably eight or ten times) around the standing end of the line. Then slip the end back through the loop between the hook eye and the first twist. Now run the end back through the big loop just formed and pull the knot tight.

It's easy to tie. It forms a neat knot that will not slip. But more important it decreases line strength at the point of the knot only by about 20 per cent.

For example, with 36-pound-test line, this knot will reduce line strength at the point of the knot by a little more than seven pounds. For the sake of round numbers, let's say eight pounds. The weight needed to break the line would then be 28 pounds—which is a long way from the 18 pounds required to snap the line if a square knot is used.

A ROD WITH the wrong kind of tip action will cause an angler to break lines.

The rod tip is a shock absorber. It takes up the shock transmitted by a fish on a sudden run, or the shock transmitted when the angler hauls back hard to bed the hook in the fish's mouth.

A springy tip allows the strain of the sudden shock to be transmitted to the line gradually.

With a very stiff tip, the strain on the line is quite sudden. Result: Pop goes the line and the fish goes free.

Next time you lose a fish, don't blame it all on the size of the fish. Stop and consider how you played the fish.

Then examine your tackle. If your tackle is okay and you "played it" right—perhaps you did lose a big one. Maybe even a record-breaker!

NAMED TO COMMITTEE

Dr. John H. Quisenberry, head of the Poultry Science Department, Texas A&M College, is one of 24 college men selected to serve on the 1961-62 Feed Survey Committee of the American Feed Manufacturers Association. He was assigned to the poultry group.

No Texas hunting or fishing license is transferable.

WINTER BARLEY ADDED

Though barley ranks well down on the list of feed grains produced in Texas, many growers will soon have to make a decision on whether or not to participate in the 1962 feed grain program. Winter barley has been added to the program and seeding time is not far off. Local county agents and ASC officials can supply details on the program.

TO HOST CLUB

Mrs. Melvin Williams will be hostess in her home this Friday afternoon to a regular meeting of the Barnum Springs Home Demonstration Club.

WICHITA FALLS GUESTS

Mr. and Mrs. J. Frost Maxey of Wichita Falls spent the weekend visiting his sister, Mrs. Arthur Floyd of Post, and his brothers, Bryan and Quannah of Graham.

PINKEYE PREVALENT

Pinkeye has been reported from many areas of the state and Dr. C. M. Patterson, extension veterinarian, advises cattlemen to keep a careful watch for symptoms among their cattle. It can cause permanent blindness. He suggests that a veterinarian be consulted if pinkeye is suspected.

DAUGHTER VISITS

Visiting in the home of Mr. and Mrs. J. T. Curb last week were their daughter and her husband, Mr. and Mrs. Carl Porter, of Fort Worth.

VISITS PARENTS

Mr. and Mrs. W. C. Carr had as their guests over the weekend their daughter and son-in-law, Mr. and Mrs. Jack Sturdivant, their three children of Ham.

PALO DURO TRIP

Last Wednesday, Mr. and Mrs. Joe Moore visited Palo Duro and the Plains Museum in Amarillo.

TEACHES IN WILSON

Mrs. Dewitt Allsup is teaching high school English in the school this year.

Subscriptions ...and the new sales tax

Annual subscriptions to The Dispatch—as long as they go to Texas destinations are "sales taxable."

This means there is a six cents tax on a \$3 "in county" subscription and eight cents on a \$4 "out of county" subscription.

There is no tax required, however, on subscriptions going out of state.

The retailer must pay the 2% sales tax on all 10 cent over-the-counter sales of The Dispatch even though we cannot charge a tax for it unless it is coupled with other purchases.

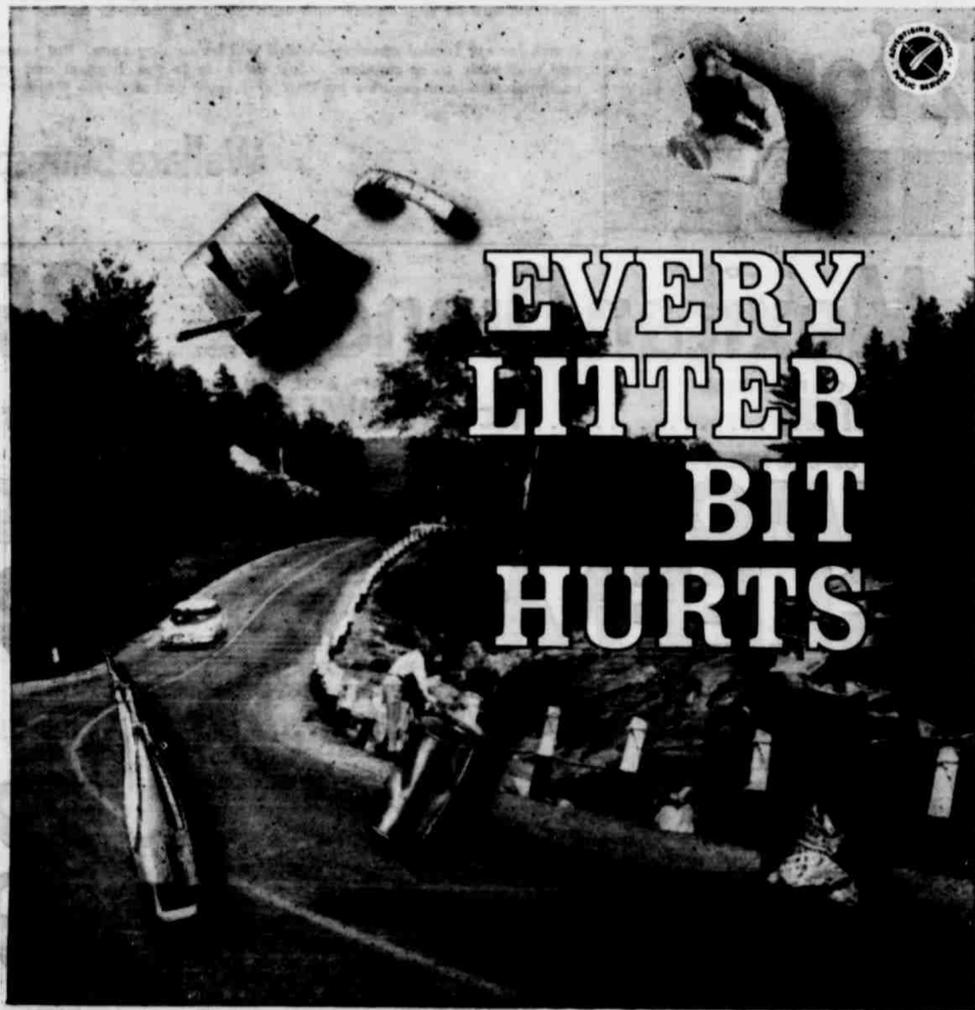

The sales tax also applies to all commercial printing throughout Texas.

We call the tax on subscriptions to your attention because many of you mail in your subscription renewal checks.

Please remember, if your paper goes to a Texas destination include the tax.

Thanks,

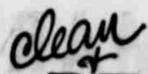

The Post Dispatch

EVERY LITTER BIT HURTS

YOU CAN HELP with every litter bit you stash in the litterbag you carry in your car... YOU CAN HELP with every litter bit you hold for that next roadside or street trash container. REMEMBER, mountains of trash from little eyesores grow. But, with EVERY LITTER BIT you properly dispose of,

YOU CAN HELP prevent the pile-up of trash that costs \$50 million a year to pick up from major highways alone! Think of HIGHWAYS, BEACHES, PARKS AND BY-WAYS as your front lawn. You'll never let a litter bit go... and grow. YOU CAN HELP...

KEEP AMERICA BEAUTIFUL

Cotton Producers Institute foresees million research, promotion fund

SNO, Calif.—A research and promotion fund approaching \$3 million is foreseen by a committee for the Cotton Producers Institute during its first year in the Plains and District 6 of Texas, Arizona, and New Mexico.

Cotton grower Roy Forkner, president of the Board of Directors of the National Cotton Council today announced success in organizing a fund of about half of the \$2 million in the High Plains "gives the West Texas will support the institute in its first year at least a million bales of its cotton."

Bill Giffen of Fresno reported that the Institute by California growers has been "most successful" and that several members of the state steering committee are meeting at least 1,250,000 bales will be signed this year.

In another report, Keith Walden of Phoenix said Arizona is approaching a sign-up on 50 per cent of the crop and that indications are at least a half million bales will be subscribed to the program this year.

Statement by Delmar Roberts, Anthony, N. M., pointed out that based on grower enthusiasm, agreements in hand, and plans under way "we would be disappointed if District 6 of Texas and New Mexico did not contribute \$400,000 to the program."

Forkner told the Council Board the average cotton farmer is ahead of his leadership in doing things for himself.

"When you take him a sound, non-political business proposition such as the Institute, the most frequent comment we hear is: 'Why wasn't this program started earlier?'" he explained.

He added that Plains farmers like the idea of a voluntary program organized, financed, and controlled by growers. He commended the Council Board for making Council facilities and staff available at no charge.

"This has given us the necessary know-how and experienced personnel to inaugurate what now appears to be a very successful joint proposition," he said.

Under the Institute plan, Council facilities will be used by producers to step up research and promotion for cotton. To build a war chest for the effort, growers are authorizing collection of \$1 per bale at the gin.

REVIVAL NEARS CLOSE
The one-week revival meeting under way at the Friendship Baptist Church will close Sunday, W. J. (Dub) Farley Jr., pastor of the West End Baptist Church of Lubbock, is doing the preaching, and Dwayne Hood, also of Lubbock, is leading the singing. The Rev. Albert G. Gage is pastor of the Friendship Baptist Church.

ALABAMA VISITORS
Visitors in the J. L. Ballentine home this week are Mr. and Mrs. Bill Ballentine and Bobby Lewis of Tallahassee, Ala. They will return to their home at the end of the week, accompanied by Mrs. J. R. Smart, sister of Mrs. Ballentine, who has been here for an extended visit.

Although State Comptroller Robert S. Calvert issued bulletin after bulletin explaining what is covered by the tax, it was evident that much time will have to pass before everyone concerned clearly understands the new law.

No one would venture a guess as to how many telephone calls were received by the Comptroller's office during the first week. The multitude of businessmen converging on the Capitol to seek information or lodge complaint gave Comptroller Calvert not a moment's peace.

Meanwhile at the other end of the line—the direct contact point for collection of the extra pennies—clerks, especially those in supermarkets, were equally harried. There had been so little time for them to bone up on the many exemptions and intricacies of the new way to taxing Texans.

Probably the most universal scheme to beat the tax emerged in coffee shops across the state. If the coffee tab for the group came to 25 cents or more, there was no sense in one person picking it up and having to pay an extra penny.

TEXAS CHICKEN eaters who have been enjoying their favorite fare at phenomenally low market prices this summer have been given something to think about by Atty. Gen. Will Wilson.

"I want to determine if there is an effort to price the Texas poultry producer out of business," he said as he launched an investigation into the matter. "If our Texas broiler raisers are squeezed out of the market with below-prices, the ultimate result will be scarcity and skyrocketing retail chicken prices."

Wilson said that since August, 1960, there has been a decline of some six cents per pound in the price paid broiler producers in Texas, to a low of 12 cents or less. He pointed out that 15 to 16 cents per pound is the usual cost of raising broilers.

The Attorney General is invoking a court-of-inquiry to investigate the possibility of anti-trust violations. State highway department survey indicates a continued slow-down in average speed on Texas highways.

This year the study indicated an average of 55.3 miles per hour for passenger cars clocked by hidden radar at 25 locations over the state. This compares with 55.9 MPH in 1960, and 56.2 MPH in 1959. Average speed for trucks was 50.1 MPH compared with 51.2 MPH in the recent survey.

MANY EYES of Texas are beginning to look in the direction of the Lieutenant Governor's office, vacated by Ben Ramsey's appointment as Railroad Commissioner.

One candidate, Republican O. W. Hayes of Temple, has announced he definitely will be in the race. Other definite possibilities include House Speaker James A. Turman of Hillsboro, Sen. A. M. Aikin Jr. of Paris, Sen. Preston Smith of Lubbock, Sen. Bob Baker of Houston and Don Yarborough of Houston. Yarborough ran against Ramsey last time.

RECENT SERIOUS trouble at the Gatesville State School for Boys has led to tighter security measures.

Dr. James Turman, Executive Director of the Texas Youth Council, reports that horses and jeeps will soon be placed in service for patrol purposes, and men will be

'SIX FLAGS OVER TEXAS' SCENE

The war between the stars has long since passed into the pages of history, but for visitors to Six Flags Over Texas, at Arlington, the drama, romance and excitement of the great days of the Confederacy are brought back to life. Many times during the day you may be a witness to a scene like this. People strolling around the quaint stores and buildings symbolic of the Old South. Suddenly, from around the corner, you see marching a smartly clad precision drill team under the command of Capt. Sam Nesmith.

LCC makes plans to organize community chorus for adults

For the third year "Community Chorus" for adults who enjoy singing will be organized by Lubbock Christian College, according to an announcement made by Wayne Hinds, head of the music department.

Hinds said that the group will meet for practice from 7:30-9 p. m. on Tuesdays, beginning Sept. 12 and continuing through Nov. 21. Charles Cox, a recent addition to the LCC music faculty, will assist in the drill sessions.

Membership is open to anyone in the Lubbock area who is interested in a cappella singing for enjoyment and who can attend rehearsals regularly. The community chorus was started in the fall of 1959, and Hinds says that the members usually range in age from 21 to 60, with the average age being about 35. Past choruses have numbered 45 and 50.

Hymns and specially arranged religious numbers will compose the major part of the repertoire for the "two or three" concerts that the singers will give in area Churches of Christ, probably following Wednesday evening prayer meeting services. The final concert will be given Tuesday evening, Nov. 21 in the LCC auditorium.

FROM WICHITA FALLS

Mr. and Mrs. Leon Davis and daughter, Theresa Lynn, of Wichita Falls were here Sunday to attend the Golden Wedding anniversary of Leon's grandparents, Mr. and Mrs. T. J. Blacklock, and to visit their parents, Mr. and Mrs. T. F. Davis and Mr. and Mrs. J. C. Howard. Leon and his wife, the former Miss Marie Howard, are Post High School graduates. He is the manager of the G. F. Wacker Store in Wichita Falls.

equipped with walkie-talkies.

"We want to give evidence of authority," he said.

Although guards will not be armed, he pointed out that "every man knows he can use physical force to control his company." He also noted that many problems will be eliminated with completion next year of a maximum security unit to be known as Mountain View School, one and one-half miles from the Gatesville school. A double fence with barbed wire on top will surround this unit.

"We are not dealing with Boy Scouts or Sunday School classes," said council member Robert W. Kneebone.

We are proud...

We have gone to great expense to make this the most modern store anywhere in this western country. All the fixtures are the latest type now on the market. The store is completely refrigerated air-conditioned. It is of the latest construction and most modern design.

This new store is arranged for your shopping convenience with wide aisles, easy-to-locate departments, and everything within handy reach.

We are proud of the fine people of this trade area—and we are proud too to be able to bring to Post area shoppers a store of this caliber.

We will be a member of the Associated Grocers which gives us buying power for quality foods equal to any other super market organization.

As in the past, we will endeavor to handle the best of meats. Our meat department will be both service and self service in type to better provide your meat needs.

We again will have what we believe to be the top value trading stamp of this territory—Double Thrift Stamps—And will give Double Double Thrift stamps on Wednesday with each \$2.50 purchase or more.

Watch for our formal opening—which will be coming soon. But come by and visit with us at anytime. Just drive in to the biggest and most easily accessible all-weather parking lot in town and shop the "Thriftway."

Tower Theatre schedules attractive films for September 'Appreciation'

September is being celebrated as Appreciation Month at the Tower Theatre, manager Johnny Hopkins announces.

The month also marks Hopkins' 10th anniversary as manager of the theatre.

"Throughout September and on into the Fall season, your local

VISIT IN LUBBOCK

Mr. and Mrs. Dalton Copple and son, accompanied by Diane Kiker, visited Saturday in the home of his brother-in-law and sister, Mr. and Mrs. Mickey Ready in Lubbock.

God hath not given us the spirit of fear.—(1 Tim. 1:7).

God is with us, working through us to bless all that concerns us so that we can meet the issues of life easily and happily and make wise decisions.

theatre will bend every effort to show wholesome, joyous entertainment," Hopkins said.

Coming attractions during the month are as follows:

Sept. 8-9: "Teenage Millionaire."

Sept. 10-12: "Wild In the Country."

Sept. 13-14: "Desire in the Dust."

Sept. 15-16: "Sanctuary" and "Alakazam the Great."

Sept. 17-19: "Return to Peyton Place."

Sept. 20-21: "Aim at the Stars."

Sept. 22-23: "As the Sea Rages" and "The Deadly Companions."

Sept. 24-26: "Tammy Tell Me True."

Sept. 27-30: "The Last Sunset."

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. Paul Duren Sr. were Mr. and Mrs. Paul Duren Jr., and Paula of Dalhart.

ATTENDS FAMILY REUNION

Mrs. H. T. Rogers attended the Wilder family reunion held at Taylor the past weekend. Before returning home, she spent several days with her daughter at College Station.

ENDS COURSE

Army Pvt. James L. Long, son of Mr. and Mrs. Olan J. Long, Route 3, Post, recently completed the communications center operation course at the Southeastern Signal School, Fort Gordon, Ga. During the eight-week course Long was trained to receive, process and relay messages by various means of communication. He entered the Army last February and completed basic training at Fort Leonard Wood, Mo. The 22-year-old soldier attended Tahoka High School.—(U. S. Army Photo.)

BRIDGEPORT VISITORS

Mr. and Mrs. R. H. Tate had as their guests over the Labor Day weekend their daughter and son-in-law, Mr. and Mrs. W. C. Mask of Bridgeport.

RETURN AFTER VISIT

Mr. and Mrs. Jack Hickerson and daughters, Patricia, Glenda and Angela, have returned to their home in Lakewood, Calif., after visiting Mrs. Hickerson's parents, Mr. and Mrs. T. J. Blacklock, and attending the Blacklocks' Golden Wedding anniversary Sunday.

Southland and Gordon news

Quarterly conference to be at Southland

By MRS. JESSE A. WARD

Sunday night, Sept. 10, Rev. Marvin Boyd, superintendent of the Lubbock District of the Methodist Church, will preach at the Southland Methodist Church. Quarterly conference will be held after church.

Mr. and Mrs. John Naron, J. T. and Jonera, of Santa Anna, spent the Labor Day weekend with Rev. and Mrs. Bill Yates and children.

Rev. and Mrs. J. L. Gary and son, Alvin, of Roswell, N. M., arrived Sunday night for a few days' visit with her parents, Mr. and Mrs. Earl Morris. En route home, they went by Levelland to visit his parents, Mr. and Mrs. J. E. Gary.

Mr. and Mrs. Donald Pennell were called to Oklahoma City the first of last week by the illness of his brother.

Mrs. Sam Ellis and Janyce, Mrs. Larry Alford and son of Petersburg and Mrs. Jack Myers spent Tuesday of last week at West Texas State College in Canyon, where Janyce plans to attend school.

Mr. and Mrs. Fred Myers of Post and Mrs. Gary Simpson and Don Thornhill, all of Crosbyton, and Wylene Tennin of Seminole spent the Labor Day weekend at Ruidoso, N. M., and attended the races.

Mr. and Mrs. Don Clary and son, Donnie, of Del Rio spent the Labor Day weekend with their parents, Mr. and Mrs. Nolan Clary of Post, and Mr. and Mrs. Robert Lee Hagler and Jean.

W. E. Edmunds returned home Sunday from a visit with his daughters, Mr. and Mrs. C. A. Gordon and family of Bradshaw, Neb., and Miss Rosella Edmunds of Grand Island, Neb. He was accompanied home by his daughters and grandsons, Alton and Bill Gordon, for a few days' visit with their brother and family, Mr. and Mrs. Martin Edmunds. Mrs. W. E. Edmunds visited with her nephew and family Mr. and Mrs. Payton Crawford, at Southland during Mr. Edmunds' visit in Nebraska.

Wednesday night was Family Night at the Southland Methodist Church. Refreshments of ice cream and cake were served.

Mr. and Mrs. Tom Carroll of Dallas, en route home after spending a week in New Mexico, spent Saturday night with her parents, Mr. and Mrs. W. J. Kuykendall.

Dr. and Mrs. Fay Shackelford of Amarillo and her parents, Mr. and Mrs. D. Tipton of San Bernardino, Calif., arrived by plane Friday for a visit with Mrs. Tipton's sisters and families, Mr. and Mrs. Weldon McGehee and Mr. and Mrs. Clovis Robinson. Mr. and Mrs. Tipton are spending the week with the Robinsons and McGehees.

MR. AND MRS. Dan Payton returned last week to their home in Gentry, Ark. Their grandson, J. W. Payton, accompanied them home, driving their car for them.

Mrs. Thelma Burkett and her sister-in-law, Mrs. Hattie Burkett of Lubbock, spent the weekend with friends in Anton.

Mr. and Mrs. J. B. Rackler and Beverly spent Sunday in Wolforth with Mr. and Mrs. Carl Rackler and daughters.

Sunday visitors in the home of Mr. and Mrs. Martin Edmunds and Dale were three sons and families, Mr. and Mrs. Merwin Edmunds of Lubbock, Mr. and Mrs. Glen Edmunds and baby of Slaton and Mr. and Mrs. Donald Edmunds and children; also Miss Rosella Edmunds of Grand Island, Neb., Mrs. A. C. Gordon and sons, Alton and Bill, of Bradshaw, Neb., and Mr. and Mrs. W. E. Edmunds.

MR. AND MRS. CLARK Cowdrey of Amarillo spent the Labor Day weekend with their parents, Mr. and Mrs. Weldon McGehee, and Mr. and Mrs. Delmer Cowdrey of Graham.

Dinner guests of Mrs. J. F. Rackler on Sunday were Mr. and Mrs. Claude Rackler and daughters, Nelda and Linda, Stanley Bowman and J. B. Rackler Jr.

Mr. and Mrs. Lewis Kuykendall and Vicki of Littlefield visited Sunday with his parents, Mr. and Mrs. W. J. Kuykendall.

Mr. and Mrs. Jack Myers and Kelly Jo and Mrs. Myers' grandson Stephen Myers of Post, spent Sunday in Spur with Mrs. Myers' mother, Mrs. O. M. Hart.

Mrs. J. F. Rackler and Mrs. Claude Roper and daughter, Linda, returned Sunday morning from a 10-day trip to Tennessee. They visited relatives in Nashville, Murfreesboro and Silverhill, and with a brother and wife, Mr. and Mrs. J. V. Bowman, at Caroxville. They made the trip by train.

MR. AND MRS. Barney Barnhart and son of Lubbock spent Sunday night and Monday with their daughter and son-in-law, Mr. and Mrs. Winston Lester, Alan and Terri.

Sunday visitors in the home of Mr. and Mrs. T. L. Barnes and Mrs. Agnes Rinker were his brother-in-law, John Bradley, his daughter and son-in-law, Mr. and Mrs. Paul Strickland, all of Friona, Mr. and Mrs. H. S. Eubanks of Hale Center, Mr. and Mrs. Jack Hargrove and Mr. and Mrs. Dillard Dunn were visitors Saturday.

Mr. and Mrs. Delbert Alcorn and daughter, Jan, of Amarillo spent the weekend with her mother, Mrs. John Taylor.

Mr. and Mrs. Jack Lancaster and children of Amarillo spent the Labor Day weekend with their parents, Mr. and Mrs. Edward Moseley and Mr. and Mrs. Earl Lancaster.

Miss Sue Oats left this week for Abilene Christian College.

Louise Davidson is visiting Mr.

HEADS VETS

Dr. Dan J. Anderson of Fort Worth has been named president-elect of the American Veterinary Medical Association, the 15,000-member professional society of the nation's top animal medical directors. Dr. Anderson, 45, was born in Rockwall, and obtained his DVM degree at Texas A&M College in 1938.

FAMILY VISITS

Mr. and Mrs. Lowell Short, Jim and Janith, enjoyed a nice visit in Fort Worth with friends and relatives. They went on to Richardson to visit Mr. and Mrs. Leonard Short, and Kyle, their grandson, who was born Aug. 13. On their return home, their daughter and grandson, Mrs. J. M. Vardiman and Steven of Fort Worth, came with them for a week's visit. They returned home with Mr. Vardiman who came for them and spent the Labor Day weekend here. Other guests in the Short home for the weekend were Mr. and Mrs. R. E. Short and daughters of Odessa.

and Mrs. Don Milliken at Wolforth this week.

Wayne and Ronnie Warshaw are ill with the flu this week.

MOTHER VISITS

Mr. and Mrs. Bill Braddock had as their overnight guest one night last week Mrs. C. C. Murray of Sherman. Mrs. Murray is Mrs. Braddock's mother.

WEEKEND AT HOBBS

Mr. and Mrs. David Newby, Merced, Meredith and Steven spent the weekend in Hobbs, N. M., as guests of Dr. and Mrs. Alex McBrine and family.

Buy Season Reserve Seat Tickets At High School Office Anytime Friday

Post's 1961 Schedule

Sept. 1 at RALLS
Sept. 8 COLORADO CITY, here
Sept. 15 at SPUR
Sept. 22 at BALLINGER
Sept. 29 FLOYDADA, Here
Oct. 6 TULIA, Here
Oct. 13 at DENVER CITY
Oct. 20 TAHOKA, Here
Oct. 27 at SLATON
Nov. 10 STANTON, Here

The whole town's talking about the bang-up football game the Post Antelopes played at Ralls last Friday night. The big crowd of local fans who followed high school team to Ralls came home highly pleased despite the fact that the Jack Rabbits rallied in the final two minutes of play to pull the game out for a 7-6 Ralls victory.

The Antelopes hit hard, tackled low, and played hard all night. Had a few of those opening game breaks gone our way they would have come home a victor. Tomorrow night, Coach Vernard Alexander's club goes against Colorado City Wolves here at Antelope Stadium in the home opener. Don't miss this one. The Antelopes are eager and competitive—and will be out to win.

A big, roaring home crowd can help a lot. After the opening whistle don't sit on your hands.

Student Editorial

P.H.S. has spirit; how about yours?

By CHRIS CORNISH
 "Ready hit it! We've got the Antelopes on our team. They're great! We've got the coaches on our team. They're great! We've got the spirit that a great team needs. It's great! Antelopes, great!"

Enrollment is up over last year's

Enrollment in the Post schools yesterday, on the third day of the new term, totaled 1,263, according to Supt. R. T. Smith.

The figure does not include enrollment at the Lincoln Elementary School, where figures were not immediately available.

The 1,263 students enrolled Wednesday morning in the four white schools compares with an enrollment of 1,256 for the similar period of last year.

Current enrollment in the high school totals 291, as compared with 275 for the same time last year.

In the junior high school, which includes grades 6, 7 and 8, Wednesday morning's enrollment was 305, as compared with 345 at the same time in 1960.

The elementary school, which includes grades 4 and 5, had 261 enrolled yesterday morning, as compared with 215 at the same time last year.

In the primary school, 406 pupils were enrolled Wednesday morning which is down 15 from the 421 enrolled at the same time last year. Supt. Smith said enrollment in the primary school is expected to increase by about 10 per cent within the next few weeks.

Approximately 65 students are believed to be enrolled at the colored school, where figures were not immediately available.

Super market--

(Continued from page 1)

All of the market's fixtures are of the latest and most modern design and the store is arranged for the customers' shopping convenience with wide aisles, easy-to-find departments, and everything within the shopper's reach.

The building is completely air-conditioned with refrigerated air.

"We have gone to great expense to make this the most modern store anywhere in this western country," Simpson says in his opening announcement.

In front and on the south side of the new super market is a large, all-weather parking lot with parking spaces for 46 cars and easily accessible entrances on both Broadway and Tenth Street.

Simpson, in announcing the opening of his new super market, says he will offer his customers Double Thrift stamps with double Double Thrift stamps on Wednesdays with purchase of \$2.50 or more.

He also announced Thriftway will be a member of the Associated Grocers, which, according to Simpson, "gives us buying power for quality foods equal to any other super market organization."

Store hours for the new Thriftway Super Market will be from 7 a. m. to 8 p. m. seven days each week.

Johnnie Johnson--

(Continued from page 1)

guilty to defrauding by worthless check over \$50 in a charge filed here Feb. 8, and was sentenced to two years in prison.

Oliver McDougle and Doyle Willis, local youths, waived jury trial and pleaded guilty to a burglary charge in connection with the breaking into of the Parrish Grocery & Market last June 2.

Judge Smith found them guilty and sentenced each to three years in prison, but probated the sentences.

Attorney Pat N. Walker was appointed by Judge Smith to represent Richard Clyde Mathis on a DWI charge, subsequent offense, and trial was set for Sept. 25.

C. A. Connally entered a guilty plea through his attorney, George Lemon of Slaton, to defrauding by worthless check over \$50. The charge had been filed Sept. 27, 1960. The district court clerk's record did not indicate disposition of the case.

Darrell Stone elected to head teacher unit

Darrell Stone has been elected as president of the Garza County Unit of the Texas State Teachers Association for 1961-62.

Other officers elected were: Noel Clemmons, vice president; Mrs. Wesley Scott, secretary, and Mrs. Jess Cornell, treasurer.

The group will hold its first meeting of the new school year this month.

If you were at the Ralls game you probably heard the yell written above. It's just a plain yell to do at a football game but go back and glance over it again. I think it really sounds like it was written for P. H. S. because this year we've got it all—all it takes to have a terrific football season.

First, we've got the team. I know a lot of people around here thought we wouldn't have much of a team this year, but I bet you've changed your minds if you saw our boys in action against Ralls. You'll have to admit that was the most exciting and well played game we've seen around here for a long time.

And gosh, we're awfully proud of those boys and y'all should be too cause this year you've really got something to be proud of. They want to win just as much as you want them to and trying their darndest to do it.

Next, we've got the coaches—the coaches that can really make our team something. They can do it just like our boys can do it.

Oh, and the band! Doesn't it sound wonderful this year? We can be proud of them too. They give an awful lot of their time to be able to play in the band, and I don't think enough people realize that.

Now comes school spirit. That's where the cheerleaders and the pep squad really help. The pep squad is sort of new this year, but we're awfully proud of it too. They are doing a pretty good job, don't you think, and those cheerleaders never drop their enthusiasm. That's what we need around here and this year we've got it, school spirit. That's what it takes to help keep our boys in top spirits and to let everyone know just how proud of our team and school we are.

A boy at the Ralls game said: "What's the matter with Post? They've got some school spirit this year." So you see—everyone can tell when you're proud, not only the kids at school and your town but other towns too.

Tomorrow night we play Colorado City here at home. Please, everybody, come out to the game. Watch our team, our band, our cheerleaders, and the pep squad. And you'll know why we're proud. Maybe you'll even get that wonderful feeling yourself.

Why don't you just try? You've got nothing to lose.

Project loan--

(Continued from page 1)

The \$4,000,000 state loan to the water district has been committed only up to Oct. 23 of this year, but Tinsley told directors "it is reasonable to assume the state board would extend the commitment." Law forbids making a commitment on such loans for longer than four months.

Marvin Sherbert of Petersburg, a member of the state board, appeared at the White River directors meeting here with Tinsley.

Postings--

(Continued from page 1)

headed by the corps of Antelope cheerleaders and the new uniformed high school pep squad. Don't miss the home opener here tomorrow night against Colorado City, a AAA school of much bigger size than Post. You've got to admit Post plays only the best. In its first six games—including the opener of its district slate with Denver City, the Antelopes will play five teams which are favored to win their district championships. It's a schedule as tough as any in Texas for a high school our size.

Fourth, we point with pride to the continued expansion of Mike Mitchell's Caprock Grain Company which last weekend purchased the Earl Rogers Grain Co. elevator here to expand their big storage capacity by another 35,000 bushels. That shows real faith in this community too.

Lions fair--

Antelope '11' to face Colorado City in first home tilt

Triple-A Wolves invade local grid at 8 Friday

Post Antelopes, who gave an account of how they can adjust to the different type of offense that the Wolves will throw at them in Friday's game.

Another bright note, in addition to the Antelopes' over-all spirit, is the fact that the squad came through the gruelling Ralls game in good condition physically and is expected to be at full strength for the Colorado City contest.

Post scouting reports from a scrimmage between Colorado City and the potent Big Spring Steers indicate that the Wolves have good size and good speed, but are not quite as experienced as in 1960, when they had their best season in several years.

Since the Post game will be the first of the season for Colorado City they have not been scouted except in the scrimmage with Big Spring. On the other hand, three members of the Colorado City coaching staff scouted the Antelopes at Ralls last Friday night.

COLORADO CITY has eight lettermen back from the 1960 squad, which compiled a 5-5 record. The only returning starter, however is guard Darrell Davis, a 160-pounder.

Another outstanding returnee is defensive back Dan Latimer, who weighs 140. He and David Lewis, 130, probably will alternate at quarterback.

Also being groomed as a possible man-under and passer is Mike Andrews, who lettered at end last year.

The nucleus of the team is its tri-captains—guard Davis, tackle Jerry Whitaker and halfback Jimmy Womack. Whitaker, at 210, is the biggest man on the squad. Womack, who weighs 140, is one of the team's scrappiest players.

WHAT WILL make the Wolves dangerous on the ground is their backfield speed, featuring Ken Northcutt, a scatback who specializes in the 100-yard dash in track and is said to be faster than the Wolves' 1960 all-stater, tailback Don Vest.

Giving the Colorado City squad its depth are the 45 candidates who greeted Coach Sam Christy on the opening day of practice.

The Antelopes are expected to start with Dewayne Capps and Billy Shumard at ends, Larry Williams and Bobby Hudman at tackles, Buddy Moreland and Tommy Bouchier at guards, Dean Johnston at center, Leslie Acker at quarterback, Jackey Fluitt and Teddy Scott at halfbacks and Harold Wayne Mason at fullback.

Coach Alexander said he and his assistants were pleased with the team's over-all performance against Ralls, especially with their determination, which kept the pressure on the Ralls team from start to finish.

"As was to be expected in an opening game, the boys busted a lot of defensive assignments, and those they busted hurt them," the coach said.

WHAT WILL NEED to get as many wrinkles as they can iron before the big Colorado City member of District 3AAA.

MASON MAY BE OUT

Wayne Mason, 175-pound fullback, twisted a knee in a scrimmage with Crosby here Tuesday afternoon and may have to miss Friday night's game.

Coach Alexander and his assistants are hoping that the Antelopes' line and spirit—which showed plenty of it in the Ralls game—will help balance the scales of the invading Wolf pack.

Post head coach said today that big line-up changes are expected for Friday night's game.

"I'll be out early in the season to coaching the boys around," he said.

DO SAY, however, that the team is being drilled this week differently on defense.

LUNCHROOM MENUS

Monday: Barbecued beef on bun, green beans, potato salad, and cake square and one-half pint milk.

Tuesday: Macaroni and cheese, green beans, peanut butter and cracker, hot rolls, jelly, fruit and one-half pint milk.

Wednesday: Baked ham, black beans, candied yams, cabbage, bread, cake squares and one-half pint milk.

Thursday: Hamburgers, lettuce, tomatoes, pickles, green lima beans, potato chips, fruit cobbler, and one-half pint milk.

Friday: Roast beef and gravy, potatoes, buttered wax beans, pickles, hot rolls, and one-half pint milk.

Wears wins first silver buckle

Post cowgirl, competing in the Ralls Rodeo last weekend, won first place in the flag and go round, and first place in the first and second round go round. She won the pole bending.

She is expected to report she won her silver buckle at the Ralls Rodeo.

HOUSE GUESTS

W. R. Graeber has had as his house guests the past week Mrs. Glen Steen and sons, and Sammy, of Denver, and Mrs. Perry Chambers of

VISITS PARENTS

Mr. and Mrs. R. V. Burnes and family of Lometa spent the weekend holidays with Mrs. Burnes' parents, Mr. and Mrs. Jack Mathis. Sunday they all visited Mrs. Burnes' brother and family, Mr. and Mrs. E. J. Mathis of Lubbock. Sunday night guests were Mr. and Mrs. Walter Mathis of Tahoka and Mrs. Burnes' sister and family, the Victor Kuykendalls.

VISITORS FROM GARLAND

Visiting the M. S. Smiths over the holidays were their daughter and son-in-law, Mr. and Mrs. L. W. Green, their sons and families, Red Billy, and Junior Smith, all of Garland. Other visitors were the Leroy Smith family of Lubbock, and their granddaughter and family, Mr. and Mrs. Don Graham of Garland.

WHITE BIBLE SERVICE

A White Bible service will be held at the Calvary Baptist Church Sunday night for Mrs. L. D. Lowe, the former Billye Ruth Hill. The service will be held at the regular service of the church at 7 o'clock.

Rabbits score in last two minutes

Hard-fighting 'Lopes lose to Ralls, 7-6, in opener

That elusive opening game victory escaped the Post Antelopes again Friday night when the Ralls Jackrabbits scored with one minute and 14 seconds to go and then tacked on the extra point to take a 7 to 6 victory on the Ralls gridiron.

The Class A Jackrabbits got their last ditch touchdown the "hard way" after yielding the Antelopes a touchdown five minutes deep in the second quarter.

The entire fourth quarter was played in Antelope territory, most of it inside the 25-yard line. The payoff for the determined Jackrabbits finally came when halfback Danny McDuff rounded left end for the touchdown, with 1:14 showing on the scoreboard clock. Quarterback Charley Edwards, a converted lineman, calmly booted the extra point, and that was the ball game.

Post fullback Harold Wayne Mason, whose fumble on the Antelope 29 had set up the Ralls touchdown, returned the ensuing kickoff 55 yards in a beautiful exhibition of broken field running, but the fourth of four passes by Antelope quarterback Leslie Acker was intercepted on the Ralls 15 and the Jackrabbits ran out the clock on two short stabs at the center of the line.

MASON'S 22-YARD return of Edwards' punt on the next to the last play of the first quarter set the stage for the Antelopes' touchdown drive.

With the ball on the Ralls 32, Acker's third down pass hit end Dwayne Capps for nine yards and a first down on the 20. Three carries by Mason and one by freshman halfback Teddy Scott made it a first down on the Ralls 3, with Mason's nine-yard gain on a pitch out taking the ball to that point. Acker almost made it on a quarterback sneak, falling only a yard short, and Mason plowed across the goal on the next try. Freshman halfback Butch Cross' pass from a fake kick formation failed to connect for the extra points.

The Jackrabbits took the kickoff and worked it back down to the Post 6, but the Antelope line, tough all night, rose to the occasion and held for downs. The Ralls drive ate up 54 yards in seven plays, with a 15-yard personal foul penalty against the Antelopes helping it along.

Linebacker Bobby Hudman, Post's outstanding defensive player of the night, stopped Edwards after a two-yard gain at left end to halt the Jackrabbit drive.

THERE WAS still time in the first half for Ralls to mount another scoring thrust. After guard Tommy Bouchier's punt was blown dead on the Post 47, the Jackrabbits roared back to the 33 in four plays, but Capps threw Edwards for a seven-yard loss to halt the drive as the half ended.

Post lost a golden opportunity to pad its six-point lead when the Jackrabbits recovered Acker's fumble on their 29 following the second half kickoff.

Before the Post quarterback's fumble, the Antelopes had driven 48 yards from their 23, with the big gainers being passes from Acker to Cross and Capps and a 19-yard run by Mason.

That ended Post's scoring threats for the night.

After recovering the fumble on

Game at a Glance

Post	Ralls
8 First Downs	7
74 Net Yds. Rushing	118
10 Passes Attempted	4
5 for 52 Passes Comp.	1 for 12
1 Had Intercepted	0
126 Net Yds. Gained	130
5-28 Punts Avg. Yds.	4-35
5 for 55 Penalties	3 for 35
2 Lost Fumbles	0

their 29, the Jackrabbits were sty-mied by an alert Antelope defense and punted to the Post 17.

The Antelopes made a first down on the 27, but a clipping penalty set them back, and Edwards returned Bouchier's punt from the Ralls 42 to the Post 49 as the third quarter ended.

POST HELD for downs on the 32, but the first of a series of fourth-quarter breaks came when Bouchier's punt went straight up in the air, and was killed on the Antelope 23.

A 15-yard holding penalty set the Jackrabbits back, and guard Buddy Moreland shoe-strung Edwards on a fourth down run to give Post the ball on their 20.

Halfback Jackey Fluitt and Mason got three yards in two thrusts at the line, but Mason fumbled after gaining six, and the Jackrabbits recovered on the 29.

Edwards kept for three, halfback Jerry Johnson got one at the line, and Edwards hit end Donny Moore with a 12-yard pass—the only one the Jackrabbits completed—for a first down on the 12.

DEAN JOHNSTON stopped Edwards for no gain, but on the next play, McDuff circled end for the touchdown, with Edwards' extra

point boot putting the Jackrabbits ahead.

Mason's run with the ensuing kickoff, which he gathered in on the 10, was the most thrilling play of the night. He streaked up the sideline, hurdling or stiffarming one tackler after another, until defensive halfback Rudy Esparza, the only man left between Mason and the Ralls goal, brought him down on the Jackrabbit 35.

The game ended two plays after Acker's fourth down pass was intercepted on the 15.

For the large number of Post fans making the 34-mile trip to Ralls, the Antelopes' opening game performance was a crowd-pleaser. They threw up a rock-ribbed defense against a Ralls team that is picked to finish first in tough District 4A; they moved the ball well, and they showed plenty of fight from the opening to the closing whistle.

Especially pleasing was the work of three freshmen gridders, halfback Teddy Scott, who played most of the game, back Butch Cross and end Danny Pierce. Sophomore back Jackey Fluitt, making his first varsity start, also was a mainstay in the backfield.

ON DEFENSE, Hudman, Capps, Bouchier, Johnston, Moreland and tackle Larry Williams, end Billy Shumard and sophomore center Pat Sullivan all looked good.

The final score of 7 to 6 isn't the only indication of how evenly the teams were matched. Post had eight first downs to Ralls' 7, while the Jackrabbits' net yards rushing was 118 to 74 for Post. The Antelopes actually gained 107 yards on the ground, but the net yardage was brought down by 33 yards

Tough Jayton Friday opponent

Eagles roll over Bula

Coach Duane Locke's Southland Eagles, who rolled over Bula, 40 to 12, in a non-conference game Friday night, will have their hands full this Friday night in their home opener against the Jayton Jaybirds.

The Jayton eight-man team has not lost a game in three seasons.

The Eagles looked good in downing the Bula team in their opening game last Friday night, although Bula has a younger and more inexperienced team than it has had in several seasons.

Right halfback Johnny Hair scored three touchdowns to pace the Eagle scoring attack in the Bula win. He scored two TD's on runs and another on a pass from quarterback Sam Ellis.

Left halfback Travis Lancaster scored twice and Ellis once. Passes from Ellis to ends Don Barker and Edwin Lewis accounted for the Eagles' extra points.

Starters for Southland were Ronald Saunders and Lewis at ends, Jim Lancaster and Delton Robinson at guards, Robert Mock at center, Ellis at quarterback and Hair and Travis Lancaster at the half-back positions.

Coach Locke played his entire squad of 21 boys in the Bula game.

The kickoff for Friday night's tilt with the powerful Jayton team is scheduled for 8 o'clock.

Hopkins fourth at Big Spring

Charles Hopkins, Post's golfing school teacher, won medalist honors in the Big Spring Invitational golf tournament at the Big Spring Country Club over the Labor Day weekend.

He shot a 3-under-par 68 to lead the qualifiers into the championship flight Friday. He then went on to finish fourth with a 54 hole total of 230 strokes, five behind R. A. Stoker of Odessa who won the crown.

The winning score was 12 over par but 35 to 40 mile an hour winds lashed the long 7,400 yard course and the 72-hole medal play event had to be cut to 54 holes because of bad weather.

Jimmy Hundley, Post's other in-trant among the field of 362 golfers, won the sixth flight.

lost, most of it on pass attempts.

Post's Acker completed the first five passes he threw for total yardage of 52 against only one completion for 12 yards for Ralls.

Mason, Post's 175-pound fullback, was the game's leading ground gainer, grinding out a net of 86 yards in 22 carries. That was in addition, of course, to his fine kickoff return of 55 yards and a punt runback of 22 yards.

McDuff was the leading ground gainer for Ralls with a net of 61 yards on 10 carries.

7th, 8th grade teams to open

Post's 7th and 8th grade football teams will open their season here Tuesday, Sept. 12, against Slaton. The 7th grade game will start at 5:30 o'clock and the 8th grade game at 6:30.

Coach Glynn Gregg's freshman team will play its first game at Spur on Thursday, Sept. 14, with the kickoff set for 7 o'clock.

The freshman gridders have a scrimmage session scheduled at Brownfield this evening.

Vet's Forum

Q. Will the Veterans Administration reimburse me, or the undertaker involved, in connection with the burial of my son in 1956? He was a war veteran.

A. Although payment not to exceed \$250 is made by the VA toward the expense of the permanent burial or cremation of a veteran, the claim must be filed within two years after the burial or cremation. It would appear that the time limit for this claim has expired in your case.

Q. Since \$15,000 may now be obtained through a direct GI loan, and since the house I am buying by this method will cost only \$13,500, can I get an improvement loan for the remaining \$2,000 at the same time?

A. You can file for a direct loan to cover the cost of the house and for an improvement loan at the same time, if the total will not exceed \$15,000.

Q. Is it necessary that I finish high school in order to enter training under the War Orphans program?

A. Certain vocational programs can be entered upon under War Orphans Act provisions without a high school diploma. Consult the nearest VA office for more complete details.

It's the Law in TEXAS

"GET OFF THE LINE!"

Suppose that you have a party line telephone. One day your house catches fire—or some other grave emergency arises—and you try to call the fire department or the police. Others are using the party line. They refuse to yield the line to you. Your house burns down or the robber gets away.

What is the law on this? The 57th Texas Legislature passed a law which provides a fine up to \$500 (and or confinement in county jail for up to one month) for refusing to surrender the use of a party line to permit another person to report a fire or summon police, medical or ambulance service in case of emergency.

An "emergency" means a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential. This would include a fire, a robbery in progress, or a critically injured or ill person.

But don't be a smart aleck and ask for the line if there is no real emergency. The law also provides up to a \$500 fine and or up to one month in jail for requesting the use of a party line on the pretext that emergency exists.

If you face a real emergency, want to call help and find the line busy, interrupt and explain briefly and clearly that an emergency exists. Identify yourself and ask the other parties to surrender the line so that you can call the fire department, police, or sheriff, as the case may be. If they refuse, you should insist on your right to the line, informing them that the law so provides.

Violations of this law should be reported promptly to the county attorney for prosecution. In addition, if a person's property is damaged because someone refuses to yield the line, the property owner very likely may recover the damage in court.

WHEELS OF PROGRESS

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Nehemiah	4	15-23
Monday	Psalms	128	1-6
Tuesday	Haggai	1	1-6
Wednesday	I Corinthians	3	1-9
Thursday	I Corinthians	3	10-17
Friday	Philippians	2	3-11
Saturday	I Thessalonians	2	8-13

Mass production has taught us a new dimension in cooperation. Now three men operate the same machine around the clock. And as the whistle blows at the change of the shift one hand surrenders the lever to another—while the wheels spin endlessly.

The same ready cooperation is becoming characteristic of the work of our churches. A Church School teacher moves to another city. There is another earnest Christian to take over her class. The term of an officer expires. There are equally qualified men ready to serve if elected.

Make willingness one of your virtues as you go to Church each Sunday. Volunteer for one of the humble yet all-important tasks that keep the wheels of spiritual progress forever spinning.

COUNTY AGENT'S COLUMN

by Lewis C. Norton

COUNTY AGRICULTURAL AGENT

FARM TRAILER LAW

Following are major provisions of the Motor Vehicle-Farm Trailers Law passed by the 57th Legislature, Regular Session:

Owners of farm trailers and semi-trailers with a gross weight (vehicle plus load) exceeding 4,000 pounds, but not exceeding 10,000, may operate on the highway without the payment of the regular registration fees as prescribed by law . . .

Provided the owners of such farm trailers and semi-trailers and machinery secure for a fee of \$5 each year or portion thereof a distinguishing license plate from the State Highway Department through the county tax collector. Other provisions and conditions necessary to warrant this special exemption (for weights even to 4,000 lbs.) are:

1. When its gross weight is not in excess of 10,000 lbs.
2. When operated at speeds not exceeding 30 mph.

It is evident that farm trailers or semi-trailers of gross weight of over 10,000 lbs., although otherwise used exactly as exempt trailers, will have to pay the regular registration fees and, of course, be equipped with brakes. The wording applicable to brakes reads: "Shall be equipped with brakes adequate to hold such vehicle and so designed as to be applied by the driver of the towing vehicle from its cab, and said brakes shall be so designed and connected that in case of accidental breakaway of the towed vehicle, the brakes shall be automatically applied."

Next Thursday, Sept. 15, has been set as the deadline date to operate farm trailers on public roads without license.

See Your Druggist for the wonderful new comfort for false teeth

CUSHION FOR FALSE TEETH

No more messy, sticky, old-fashioned pastes, powders or pads. Each application of plastic Cushion for False Teeth ends loose denture troubles for weeks at a time. Easy to use, sanitary, milky medicated to help heal sore gums. Eat "savored foods" with comfort and confidence—no food particles under plate—no "denture breath". Talk, laugh—even sneeze—your plate stays comfortably in place!

4 to 6 months supply \$1.39. IN THE GREEN AND WHITE BOX

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

There appears to be gathering force on Capitol Hill a growing but determined band of patriots bent on stopping the outflow of tax dollars to support and comfort the enemy.

For some time men such as Rep. John Dowdy of Texas have deplored the practice of the State Dept. whereby any nation that wants to dip into U. S. foreign funds away funds only has to make protestations that unless this C. W. Harder campaign is paid, they are going to have to go communist.

Recently Rep. Dowdy had bitter things to say about ransom negotiations that were carried on with Castro.

Although this venture was not launched as an official government project, it did highlight the fact there are people in this country who are willing to negotiate blackmail.

And there are signs that Congress is getting more and more wary of letting the bureaucrats swing as much power as they have been doing. Rep. Richard Roudebush of Indiana, said recently on the Edward Yellin case, "It is discouraging that government agencies need prodding by Congressional committees before they can act in flagrant cases involving persons whose loyalty to the U. S. is questionable."

Rep. Roudebush was referring to the recent scene in Washington when the House Space Committee held hearings which forced the National Science Foundation to cancel the awarding of a \$3,800 tax paid

scientific fellowship to Edward Yellin, 33, a University of Illinois student.

In 1958, before a Congressional Committee, Yellin refused to say whether or not he was a communist. He was convicted of contempt of Congress, and the verdict was upheld by a U. S. Court.

Yet against this background, the bureaucrats of the National Science Foundation gave him a two year scholarship in advanced engineering and refused to rescind the error until forced by Congress.

There seems to be a tendency in certain professional education circles to brand any inquiry into a man's belief on communism as "anti-intellectualism."

This phenomena is a peculiarly American one. In Russia there does not seem to exist this "anti-intellectual" hue and cry when someone gives strong suspicion of being a capitalist. If he is lucky enough to escape a hole in the head, it is a certainty the Russian purse is not going to be used to subsidize him to get an education.

The terrifying aspect of all this is that National Science Foundation has awarded some 18,000 of scholarships at cost to taxpayers of some \$45,000,000.

The public can only wonder if this bureau "good" on other appointments. As Rep. Roudebush says "A communist in a college community is a cancer that cannot be tolerated, as one communist on a college campus, well-trained and disciplined in communist tactics, can attract and influence good American students who may be politically naive." There seems little rhyme or reason for taxes to support such people.

The Texian Editor's Frontier News Flashes

(From Bellville Countryman) Sept. 4, 1961

The Galveston News, in a supplement, gives us the speech of Hon. J. H. Bell at Brazoria. The News says Captain Scudder was acquitted of the charge of treason there being no evidence against him.

The News gives the results of some experiments with a gun, the invention of Mr. Nichols, superintendent of the G. H. and H. R.R. The gun is self-priming, the ball weighing one-pound, shaped like the Minnie ball, and the charge of powder three ounces. The gun is four feet long, with a base of 1 1/4 inches diameter, rifled, the metal

wrought iron. Judges believe this gun to have a range of 4 to 6 miles with great accuracy. This gun shot, in the instance, two-and-one-half miles.

The latest return shows the state of the vote for Governor about thus: Lubbock, 16,154; Chambers 11,462; Clark, 14,453. Clark apparently appears to be gaining slowly on Lubbock, as the returns come in. It will probably be very close between them.

The Houston Telegraph makes some suggestions relative to the Davis for President, and Wigfall for Vice-President. The Telegraph suggests that the two defeated candidates for Governor be run as electors for the State at large, to which we are agreed. Col. Leonard W. Groce would suit us for elector in this congressional district. As it will probably be mostly a matter of form, however, we are not particular who is a candidate, only so we can rely upon him to vote for the right men in the Electoral College. This system of having electors ought to have been done away with in the Confederate constitution.

Landowners urged to make plans for ordering windbreak tree seedlings

West Texas landowners, from the Panhandle to the Gulf, should begin plans for ordering tree seedlings for windbreak planting.

Don Young, head of the Forest Management Department, Texas Forest Service, today urged landowners to place their orders early before the Feb. 10 deadline. Shipments will begin in mid-January

Slaton offering first bale prize

SLATON—Growers of the first three bales of 1961 cotton ginned in the Slaton area will be awarded cash prizes totaling \$300 at Slaton's annual Farmers and Merchants Night event Sept. 12.

The owner of the first bale ginned will receive \$150, with \$100 and \$50 going to the owners of the second and third bales.

The event is sponsored by the Slaton Chamber of Commerce.

Three new species have been added to the list this year—Russian olive, enonymus and buffaloberry. Other species include black locust, black walnut (stratified nuts), catalpa, Chinese elm, cottonwood, mulberry, osage orange, red cedar, rosa multiflora, sycamore, Austrian pine, ponderosa pine, loblolly pine and slash pine.

All seedling orders are packed in moss and moisture-proof paper and shipped prepaid direct to the purchaser. The delivered cost of all species is \$1.50 per hundred. Orders must be in multiples of 50 and orders for less than 100 seedlings will not be accepted.

Landowners who apply for Texas Forest Service seedlings agree to plant the trees in Texas; protect them from fire, cattle and destructive insects; and to refrain from using or reselling the trees for ornamental purposes.

Application forms can be obtained from county agents and Soil Conservation District Offices in the West Texas area or by writing the Director, Texas Forest Service, College Station, Texas.

O'Donnell to vote on school bond proposal

O'DONNELL—A \$195,000 bond issue for school improvements will be voted on this Saturday in the O'Donnell school district.

The improvement plans call for a 10-room addition to the elementary school building, remodeling of the former junior high building and improvements at the high school building.

Don't let tragedy mar your fishing enjoyment. Take along life preservers for each member of your party.

IT'S OUR First Anniversary IN POST!

And no wonder we're in a Ga-Ga Mood

In just 17 days we'll both be winging our way over the Pacific to a wonderful week in Hawaii—all because of you wonderful folks, our customers.

The trip to the islands is a prize you've won for us by helping us to be one of the top Western Auto associate stores in the whole nation in the percentage of increased sales the first six months of this year over the same period a year ago.

So really you gave us this wonderful trip. We are taking this means of saying a sincere and appreciative thank you. We think this is certainly a wonderful way to be welcomed into our new home town. This is hospitality and neighborliness PLUS.

Since coming to Post—a year ago this week—we have tried the best we know how to give you the kind of a store we believe you wanted. We have increased our stock threefold because we know whenever possible you want to walk out of our store with the merchandise you came in to buy. We have tried to give you prompt and courteous service. And we have appreciated it every time you came in our front door whether to look, just to speak, or to buy.

We have learned a lot this first year about what you want and what you need. We intend to put this new knowledge to work for you this coming year. We'll try to be even better prepared for you the next time you come in to shop.

The store will remain open even though we will be away. James (Tooter) Ammons and Mrs. Jack (Fannie) Ballentine, who have been very instrumental in helping us with the small success we have had, will keep the store open during our absence.

When we get home we'll be full of enthusiasm and eager to do an even better job for you.

Our first year has been a wonderful year. We are looking forward to our second in Post. Again, let us say thank you for being such wonderful customers.

Big circus is due soon in Lubbock

LUBBOCK—Civic Lubbock, Inc., has announced that mail orders are now being accepted for the coming engagement of Ringling Bros. and Barnum and Bailey Circus at the Lubbock Coliseum.

The show will be seen in six performances in three days, opening on Oct. 16. There will be performances at 3:30 and 8 p. m. on Oct. 16, 17 and 18.

Tickets for the all-new 1961 edition of the circus are priced at \$4, \$3 and \$2. Children under 12 will be admitted for one-half price in any section for the afternoon shows only. Night prices for children are the same as for adults.

All seats are reserved, so patrons are urged to mail their orders in early. Orders should be mailed to: Lubbock Coliseum, Box 2000, Lubbock, Tex.

Sermon topics named for Christian church

The sermon topic for the 11:00 a. m. morning worship at the First Christian Church will be: "Pass It On!" and at the 7:00 P. M. worship "The Eleventh Commandment" will be the subject. Sunday school starts at 9:45 a. m. with classes for all ages. A supervised nursery is maintained for all worship services.

The Chi Rho group of the church will meet Sunday evening at 6:00 p. m. for the purpose of launching their new fall program of activities.

The official Board of the church will meet Monday evening at the church at 7:30 p. m.

BREAKS BOTH ARMS

Buford Mathis of the Grassland community broke both arms last week when he fell from a ladder while working on his house. He broke his left arm at the shoulder and his right arm at the wrist.

'SOUND OF MUSIC' STAR

Lovely Florence Henderson plays the starring role of Marla in "The Sound of Music," the Rodgers and Hammerstein musical which will be presented at the 1961 State Fair of Texas in Dallas, Oct. 7-22.

VISIT IN ANDREWS

Mrs. Paul Hedrick and Paula of Lubbock and Mrs. E. E. Peel and Beth spent Monday in Andrews visiting their brother and sister-in-law, Mr. and Mrs. Norman Jones, and Norma.

CIRCLE TO MEET

Circle 1 of the First Presbyterian Church will meet Monday afternoon at the church. Mrs. W. E. Dent will be hostess and Mrs. D. C. Williams is in charge of Bible study.

PREACHES HERE

Dalton Cople of Houston preached Sunday night at the Calvary Baptist Church in Post.

CIRCLE MEETING HELD

The Womens Circle of the First Methodist Church held their general meeting Tuesday morning at the Church. The meeting is usually held on Monday, but due to Labor Day it was changed to Tuesday.

Lubbock station sets field day

"In the past decade, joint work by the Texas Agricultural Experiment Station, county agricultural agents and other research and educational agencies has added more than \$106 million to the economy of

a 20-county area surrounding the Lubbock Substation," said District Agent W. H. Jones.

"And Garza County farmers, ranchmen and businessmen have come in for their share of the total," he added.

Jones urged Garza County farmers and ranchers to continue cashing in on late research information by attending the special field day slated for Tuesday, Sept. 19, at the Lubbock Substation.

"Here is a real opportunity to get firsthand information straight from the horse's mouth," he said.

Complete information regarding the entire program and directions to the substation can be obtained at County Agent Lewis C. Herron's office.

UNDERGOES SURGERY

Curtis Steel, son of Mr. and Mrs. J. C. Steel, is reported doing fine after undergoing nose surgery recently at St. Mary's Hospital in Lubbock.

W. H. JONES

Mrs. Harold Teal new junior high librarian

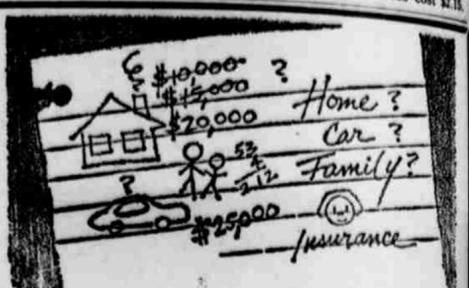

Mrs. Harold Teal has been named as junior high school librarian to replace Mrs. Pat N. Walker, who resigned, Supt. R. T. Smith announces.

Mrs. Teal, who already had been employed as member of the school faculty, is the wife of the assistant football coach.

As many as 243 observances of the aurora borealis in a single year have been recorded in the central Hudson Bay region.

Texas fishing licenses cost \$2.15 are good for both salt and fresh water fishing. No license is required of persons under 17 years or over 65 years of age.

Texas sportsmen should remember that new hunting licenses will be required beginning Sept. 1. The resident hunting fee is \$3.15; fishing licenses cost \$2.15.

Janett Hutto and Marshall Ticer wed in Lubbock

Miss Janett Hutto was married recently to W. Marshall Ticer at St. John's Methodist Church in Lubbock with the pastor officiating at the double ring ceremony.

Parents of the couple are Mr. and Mrs. M. H. Hutto and Mr. and Mrs. L. O. Ticer, all of Post.

The bride wore a blue silk sheath dress with three-quarter length sleeves. Her accessories were white and she carried a bouquet of white carnations.

The couple's only attendants were Mr. and Mrs. Norman Johnson of Lubbock.

Following a wedding trip to Mexico, the couple is at home at 2018 15th St. in Lubbock.

The bride will attend Tom S. Lubbock High School and plans to enroll in a business college after she graduates. The bridegroom, a graduate of Post High School, attended Texas Tech and is presently employed by the Dr. Pepper Bottling Co. in Lubbock.

Chairmen are named at quarterly conference

A quarterly conference was held at the Methodist Church Sunday evening at 7:30 with Dr. Marvin Boyd of Lubbock presiding. Chairmen of commissions nominated and elected were: Clint Herring, membership and evangelism; Charles Hopkins, education, and Warren Stockton, social concerns.

Hospital Auxiliary has its first life member

The Womens' Auxiliary of Garza Memorial Hospital is proud to announce its first life member, Mrs. Homer Gordon.

The auxiliary also has a new contributing member, Mrs. Douglas Tipton. This makes a total of 20 contributing members, and 40 active members.

He's the only MAN in TOWN

Who doesn't use the WANT-ADS

Church parlor scene of Fellowship meet

The Christian Women's Fellowship of the First Christian Church met Monday afternoon at 2:30 in the church parlor.

Mrs. Hub Haire, president, presided over the meeting and Mrs. Ben Owen was in charge of the devotional using the 91st Psalm as her subject.

Mrs. Willard Kirkpatrick gave a talk on financing family affairs.

Those attending were Mmes. Will Wright, F. C. Barker, Lee Davis, Charlie Luttrell, Jack Burrell, Ben Owen, K. Stoker, Emmett Dent, Bernard Ramsey, Hub Haire, Willard Kirkpatrick, and Miss Nora Stevens.

Announcement

Twin Cedar Nursing Home, formerly operated by Mrs. Billy Caylor, is now operated and supervised by an accredited and licensed nurse.

The public is invited to visit and inspect the home at any time.

"Winning the peace is a lonely battle"

Time 74 A.M. Place: Somewhere in Alaska. A soldier begins his lonely guard duty on one of America's most vital frontiers. His companions are the night. Snow. Bitter cold. His duty: helping to preserve the uneasy peace that the world is so hungry to maintain. This man... this boy (for he is only 21) is one of 2 1/2 million men and women in our Armed Forces today... who are fighting to keep the peace in every corner of the world. Half of these service people are under 25. Half are away from home for the first time. Ever present is their mortal enemy—Loneliness. Ever present, too... is a vital force to help the

serviceman fight that loneliness. The USO. Now—as in time of actual combat—offering a time out of battle... a measure of home. To maintain its services in 27 countries all over the world the USO needs your help. Give today. Help the USO to help the men who are fighting in the name of Peace. Remember President Kennedy's words: "Winning the peace is a lonely battle." Support the USO now... through your United Fund or Community Chest.

- Postscripts -

and the couple received many nice gifts and messages of congratulations.

The serving table's centerpiece was a huge double wedding ring made of yellow carnations and gladioli, with the lettering, "Fannie and Tom," the names of the honor couple. The table was laid with a white ecru lace cloth over gold.

All four of the couple's living children were present, with the daughters, Mrs. Jack (Claudine) Hickerson of Lakewood, Cal., and Mrs. Art (Pauline) White of Monterey, Calif., and Mrs. T. F. (Ruby Nell) Davis of Post, serving as hostesses. The couple's son is Roy Blacklock of Cleburne.

Assisting in the hospitalities were granddaughters of the couple, including Mrs. Leon Davis of Wichita Falls, Miss Carolyn Davis of Post, Mrs. Darrell Davis of Clarendon and Misses Patricia, Glenda and Angela Hickerson of Lakewood, Calif.

The Blacklocks have 11 grandchildren and six great-grandchildren. A son of the couple, Durward Blacklock, died April 5 of this year in California.

Mr. and Mrs. Blacklock were married in a buggy by a justice of the peace the day after Mrs. Blacklock's 18th birthday. She was born Sept. 9, 1893, at Milano, in Milam County, Tex. Mr. Blacklock was born April 21, 1893, in Callahan County.

The couple grew up together and were childhood sweethearts. Their families had been neighbors and close friends for many years.

Mrs. Blacklock laughingly recalls that she and her husband were so excited when it came time for the wedding that they forgot what they were supposed to say during the ceremony and the justice of the peace had to repeat the words for them three times.

The couple later moved to Cleburne, in Johnson County, and moved to Garza County on Easter Sunday in 1940. They lived on the Al Bird ranch, east of Post, for three years before moving into town. Mr. Blacklock is a part-time custodian at the county courthouse.

The couple who "stood up for" the Blacklocks at their wedding are still living, but were unable to attend Sunday's celebration. They are Mr. Blacklock's uncle and aunt, John Edwards, who lives in Lampasas County, and Mrs. Emma Price, who lives in Austin.

Art Guild meets for film, review

A film and a book review were on the program when the Art Guild met Tuesday night in the Algeria Studio.

The film was on the Prado Museum of Madrid, with Vincent Price as narrator.

Laverta Lovell reviewed the book, "Return to Taos," a sketchbook of roadside America by Eric Sloan.

Refreshments were served to Jo Tracy, Rose Woodard, Iris Power, Jonnie Rogers, Juanice Robinson, Evelyn Neff, Marie Neff and Laverta Lovell, who was hostess.

The Art Guild members meet once a month on the studio for a program, and meet once a week for work and study.

Mr. and Mrs. N. C. Outlaw returned recently from a trip which included visits at Taylor and Nacogdoches, Tex., and in Arkansas and Missouri. They visited Mr. Outlaw's parents, Mr. and Mrs. E. A. Outlaw, at Taylor, and at Nacogdoches attended Stephen F. Austin College commencement exercises at which their daughter, Mrs. Zora Anne Evans, received her master's degree. Mrs. Evans, a Post High School graduate, and her husband, Joe Evans, will teach again this year in the LaMarque Public Schools. Evans was principal of the Graham Chapel School in 1952-53. Mrs. Evans, who has four children, received her master's degree after having taught for several years at a number of places, including Brownfield, Canadian, Texas City, and LaMarque. The Outlaws also visited in Little Rock, Ark., and then spent several days at their ranch at Willow Springs, Mo., before returning to Post.

There'll be "big times" for the teen-agers following Friday night's home opening football game against Colorado City. The Youth Department of the First Baptist Church is sponsoring a "Hawaiian Howdy" at City Hall, to which all high school students are invited. There'll also be an after-game dance at Teen Town.

When Mrs. H. W. Schmidt's mother, Mrs. Minnie Jo Brannon, returned to her home in Houston after a month's visit here, Mrs. Schmidt accompanied her for a several days' stay, and she and Mrs. Brannon also visited in Henderson enroute to Houston. Before returning home, Mrs. Schmidt visited in Dallas with her son and family, Mr. and Mrs. Bob Schmidt. While Mrs. Brannon was a guest in her daughter's home, she and the H. W. Schmidts, Susie Jo and Mr. and Mrs. John Schmidt and Jack spent several days in Ruidoso, N. M.

All Girl Scout leaders, including committee members, and others interested in the program are asked to attend an important meeting at the Girl Scout Little House Friday afternoon. The meeting is for the purpose of planning the new year's work.

Rev. Bernard S. Ramsey and his family have now moved into the new First Christian Church parsonage, having recently returned from Tyler where he officiated at the marriage of his daughter, Nancy, who with her husband, Rodney Wallace, will reside in San Diego, Calif. Steve Ramsey, the Ramseys' 20-year-old son is enrolled as a junior at the University of Texas. Rev. Ramsey's wife, Edith, their daughter Susan, who is a freshman at Post High, and his mother, Mrs. G. H. Miller of Atlanta, Ga., are with him at the parsonage.

Mrs. Huntley is shower honoree in Maxey home

The home of Mrs. Quana Maxey, Route 3, was the scene of a layette shower recently honoring Mrs. Glenn Huntley of Lubbock, formerly of the Graham community.

Guests were registered by the honoree's sister, Mrs. Jimmy Byrd of Clairemont, between the hours of 7:30 and 9 o'clock in the evening.

Pink cakes, punch, nuts and mints were served from a table covered with a white lace cloth over pink. The table was centered with an arrangement of miniature baby gifts on a mirror with an overhanging baby and rose centerpiece. Milk-glass appointments were used.

Misses Kay and Paula Hedrick of Lubbock served.

Hostesses for the event were: Mmes. James Stone, Delmer Cowdrey, Bryan Maxey, Mack Ledbetter, Lonnie Peel, Glenn Davis, Ira Farmer, Thelbert McBride, Carl Fluitt, Bill McMahon, Leo Cobb, Noel White, Lewis Mason, Elmer

Thomas home is scene of shower

Twenty-seven guests were registered Thursday night at a layette shower honoring Mrs. Vernon Scott in the home of Mrs. B. L. Thomas.

The table was laid with a white linen cloth with the centerpiece made up of a yellow stork and yellow net with miniature ceramic babies surrounding the stork. Green miniature baby shoes were the place favors.

The hostesses were Mmes. Dixie Roberts, Henry Edwards, Happy Bevers, Douglas Livingston, Clark Barton, Maurice Fluitt, Buddy Hall, Jack Burkett, Jack Meeks, Elmer Hitt and Thomas.

The hostesses' gift was a bathanette.

SEWING CIRCLE MEETS

The Mystic Sewing Circle met on Friday in the home of Mrs. Marvin Hudman. There were eight members present. The next meeting will be with Mrs. Winnie Henderson Sept. 15.

Cowdrey, Elmo Bush, Bobby Cowdrey, Grover Mason, Ray McClellan and Quana Maxey.

Daughter of former residents of Post marries in Tahoka

Of interest to Post residents was the wedding of Miss Janet Collier, daughter of Mr. and Mrs. Wynne Collier, former Post residents now living in Tahoka.

Miss Collier and Robert Cash Jr., were married at 7:30 p. m. Friday at the First Methodist Church in Tahoka by the Rev. J. B. Thompson.

The bride was given in marriage by her father. She wore a gown of

white Chantilly lace over cloud mist taffeta fashioned with bateau neck, decorated with pearls and sequins and long tapered sleeves. Tiers of lace circled the dome skirt and fell in a chapel train. A French crown of pearls and crystal held the veil of silk illusion.

She carried a bouquet of white feathered mums with blue streamers atop a white Bible.

Mrs. Clark Dyess of Lakewood,

Calif., sister of the bride, was matron of honor. She wore a floor-length dress of romance blue silk organza. It had a scoop neckline, fitted bodice, and short sleeves. Satin roses accented fullness in the back. The matching head piece of silk illusion was sprinkled with velvet leaves.

Candlelighters were Greg Cash and Jack Collier, brothers of the couple.

Miss Martha Bell, organist, played the traditional wedding music and accompanied, Mrs. E. W. Patterson, soloist.

Best man was Gary Lynch, Springtown, and ushers were Charles Frost, Weatherford, and Joe Wayne Roper of New Home.

The reception followed in the home of the bride's parents. Assisting in the hospitalities were Miss Suzanne Cash of Weatherford, Miss Verma Ann Wells of Midland, Miss Sunny Gibson of Tahoka and Mrs. Bill Osborne of Austin.

For a trip to Ruidoso, N. M., the bride wore a Wedgewood blue silk shirtdress with matching accessories.

Mrs. Cash is a graduate of Tahoka High School and McMurry College, Abilene. She is employed by Southwestern Public Service in Lubbock. Cash is a senior at Texas Tech where he will graduate in January with a degree in business management.

The couple will reside in Lubbock at 2124-10th St.

Those attending from Post were: Mr. and Mrs. Bob Collier and children, Mr. and Mrs. Malcolm Bull and Mr. and Mrs. Noah Stone.

'Hawaiian Howdy' is slated Friday for teen-age group

A "Hawaiian Howdy" social for teen-agers will be held at the City Hall by the Youth Group of the

First Baptist Church directly after Friday night's football game.

An interesting and unusual entertainment is being planned.

There will be guest artists from Wayland College and Hardin-Simmons University. These will include Albert Bent, from one of the South Seas islands, who is a popular calypso artist, and Post High School graduate Jerry Hitt of Hardin-Simmons.

Songs of Hawaii will be led by Lex Roby, music and education director of the First Baptist Church. The get-together will be held in a Hawaiian setting.

All high school students are invited.

PRISCILLAS TO MEET

The Priscilla Club is to meet this Friday at 3 o'clock in the home of Betty Huddleston.

Shower honors recent bride

A bridal shower was held Saturday night in the home of Mrs. Ellwood Nelson, honoring Mrs. L. D. Lowe, the former Billye Ruth Hill.

Games were played and refreshments of cake squared and punch were served to approximately 40 guests.

Hostesses for the occasion were Miss Peggy Butler, and Mmes. Liberty Anthony, Onita Anthony, Billie Green, Graydon Howell, J. R. Kiker, M. J. Malouf, Thelma Mitchell, R. E. Shedd, and Ellwood Nelson.

Post couple celebrate 50th wedding anniversary Sunday

Mr. and Mrs. T. J. (Tom) Blacklock, who were married Sept. 10, 1911, in Coryell County, celebrated their Golden Wedding anniversary with open house at their home at 13th St. West 13th St.

MR. AND MRS. T. J. BLACKLOCK —(R. B. Dodson Photo.)

Make Ready Kindergarten opens at Baptist church

Make Ready Kindergarten school activities at the First Baptist Church Tuesday. Enrollment was last Friday. This is a unique kind of kindergarten activity only one of its kind in Post surrounding area.

It began last spring at the request of mothers of eligible children of the First Baptist Church. Church facilities were made available. Mrs. J. H. Glasscock, B. A. and M. A. degrees and 20 years teaching experience,

Birthdays dinner honors two at Baham Center

W. O. Fluitt Sr. and Mrs. Thomas were honored with birthday dinner Sunday at the Baham Community Center.

The present were: Mrs. Everett Nelson, Marcia; Mr. and Mrs. Hedrick and Paula and Mr. Richard Adams, Marla, and Carl, all of Lubbock; Mr. Carl Evans of Big Spring, Sally Sherry of Brownfield, and Mrs. L. E. Ryland, Laura, and Larry and Virginia Bridgman of Lovington, N. M.

and Mrs. Marion Matthew, and Phil of Morton; Mr. and Mrs. Wayland McClellan and Debra Whiteface; Hinton Fluitt, Mrs. W. O. Fluitt Jr., Sheela Lannoy, Mr. and Mrs. Maule and Mark, Mr. and Mrs. McClellan, Mrs. Juanella DeJana, Joe Morris and Mr. and Mrs. Elmer Dee Stanley, Darlene, Gary and Mr. and Mrs. Elva Peel.

Kathy Jones, Mr. and Mrs. McClellan and Kim, Mr. and Mrs. Fluitt and Jacky, Mr. and Mrs. Delwin Fluitt and Beulah, and Mrs. Harold Reno, and Roger; Mr. and Mrs. Elmo Perry and Ricky, and the two of honor.

Christian Guild regular meeting

Guild of the First Christian Church met Tuesday night in Fellowship Hall at the church. Mrs. Haynie gave the devotional, from 1st Corinthians.

Miss Cornell gave the lesson through the 10th chapters.

The present were Mmes: Lorraine, Lee Davis Jr., Hadman, George Pierce, W. B. Haynie, L. L. Jess Cornell and Jack Burson.

Past Matrons to hold first meeting Monday

The Post Matrons Club of Southland and Post will meet at 7:30 p. m. Monday, Sept. 11, in the Reddy Room at the Southwestern Public Service Co. office.

All members are urged to attend this first meeting of the new club year.

Hostesses will be the club president, Mrs. J. A. Stallings, Mrs. Cecil Thaxton and Mrs. Billy Johnson.

Results of which to be proud

The many school patrons who turned out last Thursday night for the open house of the remodeled junior high school were pleasantly surprised by what they found.

At a total cost of \$120,000 in a two-step remodeling and expansion program, the former old high school building has been converted into a very useful and almost totally modern junior high educational plant.

The first phase came three years ago when the old auditorium was torn out and a two-floor middle wing built with new classrooms on the ground floor and an assembly room on the top floor.

The last phase has just been completed in time for the start of the new school term. The work this summer included a moving of a number of interior partitions in the old part of the building to make larger classrooms, the addition of two all-modern rest room facilities for boys and girls, complete new lighting and new floors throughout.

The administration is justly proud of the results—and the taxpayers should be, too, for they have gotten a real bargain in the remodeling process.

The completion of the junior high remodeling winds up the school building expansion program launched three years ago.

At the beginning of a new school term, it finds the schools here in an excellent position to absorb rising enrollment loads for some years to come without any crowding which would lessen the educational benefits to the students.

The remodeled junior high, for example, has three classrooms not presently needed and several others not utilized on a full-time basis for future expansion.

There are two extra classrooms available for expansion in the elementary school. In the high school, another 100 students can be put into classes without crowding and 200 could be absorbed under crowded conditions.

From an overall standpoint, the physical plant of our school system is in excellent shape and is ready for the years ahead without new building needs.

The school trustees are to be commended for their foresight in including in the recent expansion

of the schools the normal growth needs for a few years ahead. Too many school districts find upon completion of an expansion program that the new schools are filled to overflow in a year or two and new expansions must be considered or a return to crowded conditions resorted to for a stop-gap.

Of course, nothing can be quite perfect. The school system still has a too-small lunchroom and a too-small auditorium for community-purpose use.

The auditorium problem, however, is not something for our schools alone to consider. It is a community problem and any new auditorium for this community should be one in which the cost and use is shared by city, county, and schools alike. This idea will take some time to grow and be accepted in the public's mind. But each phase of the community has need for such an auditorium and the cost should be proportionately distributed. This, like the proposed library, will come up for serious public thought when the immediate needs of the community are satisfied and the tax load is finally stabilized.

The lunchroom proposition is, of course, a knotty problem. The youngsters have too little time at the noon recess to get home for a meal and back—without doing it virtually on the dead run.

But commercial eating establishments close to the schools can absorb most of the problems for the present.

Totaled up, the schools' expansion program has been completed in very satisfactory fashion to all concerned. We now have the facilities we need for a top-notch educational program.

Not only have our educational facilities been improved over the last few years, but the administration also has considerably improved the educational quality offered in the classrooms as well.

This is a never-ending job and one which will go on and upward in the years ahead.

Post schools have made great strides in the past few years. But it is no time to stop, or to grow complacent. We know the school administration and trustees won't, and we don't think the parents who want their youngsters to have the best possible education will either.—J.C.

Chest assured good leadership

The Garza Community Chest is reorganizing for its big 1962 financial effort with a highly capable two-man team running the show.

Back at the presidential helm of the community organization is Irby G. Metcalf, who since coming to Post a number of years ago has worked tirelessly in virtually every capacity to make the Chest the outstanding success it has become.

He knows the value of a successful Chest organization and he has given generously of his time and talents to achieve it. As he said last Thursday night in accepting the post for a second time, "We can reach our 1962 goal just as we have the others by lots of hard work together."

The single statement best summarizes the real secret behind the success of the Chest effort in this county.

It does take lots of cooperation and lots of hard work, but the rewards are great. It gets the job done in a single drive and it gives the citizens of the community firm control over their giving by deciding to whom and how much the Chest will contribute.

The second member of the new Chest leadership team is Bryan J. Williams, who in his last crucial start three years ago revitalized the Post Chamber of Commerce and gave it a "program of progress" which has been closely followed through the years after Bryan left its presidency.

Bryan J. brought new zeal and new workable ideas to his job of Chamber leadership and he can be expected to do the same in his new all-important role as campaign chairman.

The Chest organization always needs new zeal and new ideas to keep moving forward. In the last few years with wholehearted community cooperation, it has reached into new fields of local contributions—lighting of the new Babe Ruth baseball park for local youngsters being the latest example—and it has reached into new fields of community giving.

We doubt if any town has such fine cooperation from its principal industrial payroll in its Chest drive as the Garza Chest has from Postex Mill employees. The mill employees and mill man-

agement has given valuable community service to attain this participation goal, just as has Brown Brothers, Et Al, and their fine group of employees down through the Chest years.

The Chest also has benefited from excellent cooperation of the rural areas and communities of the county in the last several years.

But there are still other areas of Chest participation which need to be better organized for the entire community's good. The job is a never-ending one.

In the weeks ahead, as the Chest's budget committee is organized to prepare the 1962 budget, and Bryan J. begins forming his 1962 Chest drive organization, community cooperation is again asked. Accept your assignments in the Chest organization. You will find it personally rewarding as the Chest is a "get done" organization which does its job each year in a remarkably successful way.

And when the call comes for Chest contributions, give generously. The job of public education to Chest aims is a never-ending one as well, and one to which The Dispatch again rededicates itself.

Telling the Chest story so the public thoroughly understands it is a difficult one which cannot be done by a community newspaper, or any other community information outlet, alone.

The story of how one contribution goes to all causes which require community support is still not thoroughly understood throughout the community. It needs the full support of all interested in the Chest's success in future campaigns. But at least the Chest through the efforts of such public-spirited men as Metcalf and Williams is now well-grounded in the community and well established.

This is no time to slacken our efforts, however. A Chest failure in any year does irreparable damage. Now is the time to move ahead and reach the 1962 goal. Whatever part you are called upon to play in the campaign accept it and work hard at it. Only a big, hard-working organization can get the job done. We have the leadership team. Let's get ready for the new Chest season.—J.C.

Your support will help the Fair

Again this year, The Dispatch highly recommends the Lions Club-sponsored Garza County Fair, which is to be held this Saturday at the county 4-H building at South Lake.

The county fair has been kept going here for the last several years as a Lions Club project. It serves a dual purpose: (1) as a community-wide get-together for good, clean fun and entertainment, and (2) as a fund-raising project for Lions Club activities.

All proceeds from food, drink and other concessions operated by the Lions at the fair will

be channeled into their various community projects, chief of which is child welfare. Over a long period of time here, the Lions Club has taken the lead in child welfare work, which has included the purchase of eyeglasses for needy children, assistance to crippled children etc.

The Lions Club-sponsored Garza County Fair lays no claim to being the biggest county fair on the South Plains, but it certainly is one of the most worthwhile. You can support it and help keep it going by your attendance Saturday and Saturday night.—C.D.

What our contemporaries are saying

The nights have been pleasantly cool lately. There seems to be a touch of autumn in the air and now might be a good time to start bringing the light blankets and spreads out of the storage places. The temperature has not reached 100 de-

grees yet this summer and we are betting that the needle won't break the century mark.—but in years past, some of our hottest weather developed in mid-September. — Neal Estes in The Stanton Reporter.

THURSDAY to THURSDAY

By CHARLES DIDWAY

FROM WHAT I can hear, a large number of Post people have already visited "Six Flags Over Texas," the huge \$10,000,000 wonderland between Fort Worth and Dallas. It is the Lone Star State's answer to California's famed Disneyland. However, since I haven't visited either place, I can't say just how loud an "answer" it might be.

Six Flags Over Texas is off to a tremendously successful start, having drawn some 250,000 visitors since opening to the public a month ago. Of this total, an estimated 11 per cent has come from outside the State of Texas. Angus G. Wynne Jr., president of the place, is a little upset over the fact that tourists visiting the new wonderland have come from every state in the union with the exception of South Dakota. "I don't know how we missed getting someone from South Dakota," said Wynne, "but if we don't get anybody from that state pretty soon, I've got some kin out there that way and I'll just have to place a long distance call and tell them to get on down here." Doesn't that sound just like a Texan?

SINCE JUST ABOUT all the talk is about the new Texas sales tax that became effective last Friday, this is as good a place as any to remind subscribers that the sales tax applies to mail newspaper subscriptions. The tax on new and renewal subscriptions is 6 cents on the \$3 rate in Garza County; 8 cents on the \$4 rate outside Garza County—with the exception of subscriptions to addresses outside Texas, on which the tax does not apply.

Incidentally, the first subscription we sold on which the new sales tax applies went to Mrs. Stanley Sims of Route 1, Post.

MEMBERS OF the Post Lions Club have been so busy with plans for their annual Garza County Fair that they haven't taken time to publicize it—leastways not in The Dispatch. But I was talking to Lions President Bob Meisch just after last week's paper came out, and together we made plans for a big story on the fair in this week's issue.

The man up the street says many a man has kept out of hot water by having a big family and a small water heater.

SINCE I DON'T believe in Rotarians getting the only benefit from something as good as the following article, I am taking the liberty of "lifting" it from their weekly bulletin, "The Post Branding Iron".

You cannot say what freedom is in a single sentence. It is not necessary to define it. It is enough to point to it.

Freedom is a man lifting a gate latch at dusk, and sitting for a while on the porch before he goes to bed.

It is the violence of an argument outside an election poll; it is the righteous anger of the pulpits.

It is the warm laughter of a girl on a park bench.

It is the rush of a train over the continent and the unafraid faces of people looking out the windows.

It is all the howdys in the world, and all the hellos.

It is you, trying to remember the words of "The Star Spangled Banner."

It is the sea breaking on wide sands somewhere, and the shoulders of a mountain supporting the sky.

It is the air you fill your lungs with, and the dirt that is your garden.

Additional proof that The Post Dispatch's School Page is popular with adults the same as with the student's was furnished us this week when Mrs. Morris Neff wanted to know if we were going to have the School Page in the paper again this week. When told that we were, Mrs. Neff said, "I certainly am glad, for I enjoy reading it." Mrs. Neff, like so many other of our readers, feels a close tie with the school and with everything that goes on out there. She has two grandchildren attending.

WAYNE AND Linda Runkles, who operated the swimming pool at the City-County Park again this season, were in The Dispatch office on business Saturday morning. The Runkles couple, who will be returning to their studies at Texas Tech within a few days, said swimming pool patronage was "pretty fair" this summer, but, due to the cooler weather, not as good as either of the two preceding seasons.

How's your memory? Remember when you wound up the victrola after each record? . . . Folks went to the park for the band concert—though you could hear it anywhere in town? . . . Gals wore black bloomers? . . . The nights when Dad brought ice cream home and you had to eat it before supper, or it melted? . . . The days Ma said your stockings weren't on straight and your shirt tail was out? . . . Farmers grew any crop they wanted and got whatever they could for

HAB CHALLENGED TIME! EVEN WITH ALL OF TODAY'S MODERN MACHINERY AND METHODS, TURNING FLAX INTO LINEN IS STILL, TO A LARGE EXTENT, A SKILLED HAND CRAFT.

THANKS TO THIS GREAT SKILL OF IRISH CRAFTSMANSHIP, HANDED DOWN FROM GENERATION TO GENERATION, TODAY'S MODERN BRIDE AND HOUSEWIFE CAN CHERISH IRISH LINEN... UNEQUALLED IN BEAUTY, LUXURY AND DURABILITY, LINEN IS MADE FROM THE STRONG FIBERS FOUND IN THE FLAX PLANT.

Remembering yesteryears...

Five years ago

Tommy Young, son of Mr. and Mrs. Alvin Young, has been named Garza County 4-H Gold Star Boy; Bob Warren, pioneer Post physician, was taken to Garza Memorial Hospital after suffering a heart attack; Mrs. Harold Gordon, the former Miss Gena Vee Harmon, was complimented with a miscellaneous shower; Miss Dorothea Dean Jones and Gomer Cordell Custer were married at the First Methodist Church; Miss Linda Livingston will represent Garza County at the Lubbock Dress Revue; F. M. (Marion) Reep has resigned as city marshal; Mr. and Mrs. Charles Long announce the birth of a daughter, Dorothy Ann.

Ten years ago

Kenneth Rogers has been elected president of the Post High School Antelope band; Miss Geraldine Dunlap, bride-elect of James King was honored at a shower in the home of Mrs. Iven Clary; Mr. and Mrs. Jack Johnson were honored with a shower at the Calvary Baptist Church Thursday; Mr. and Mrs. D. C. Arthur, Mr. and Mrs. E. L. Mills and Mr. and Mrs. C. D. Lee were hosts for a get acquainted-par-

ty for members of the Post school faculty and board of trustees and their families; Jim R. Norman, apprentice seaman, is home on a 10-day leave from San Diego, Calif.; Vicki Lane Holt observed her first birthday with a party in the home of Mrs. Jasper Atkinson; teachers were elected for Sunday school at the Church of the Nazarene; funeral rites for Mrs. Catherine Binion Cato are to be conducted at the Church of Christ.

Fifteen years ago

Coach Bing Bingham, accompanied by George Hester and Roy Williams, team captains, will attend a meeting in Lubbock for the purpose of organizing the South Plains Coaches and Officials organization; 676 pupils are enrolled in Post Public Schools; Betty Williams, Iris Parker and Bill Davis will present a program at the Woman's Culture Club; Miss Alma Rogers and R. Arthur Mechem were married in Mesa, Ariz.; a zone meeting of the Nazarene churches is set; Miss Vera Gollehon has been appointed county treasurer; Lee Dodson has returned from a three-week visit in Kopperl and Waco; all Garza County citizens who are interested in securing vocational training schools for the ex-service men here are to meet at the district court room; Sol Davis is expected to be home soon after serving in Japan the past year; Miss Mary Simms and Olden E. McClendon were married in Lubbock.

By **BOYCE HOUSE**

The leader of the wagon train reached the top of the mountain, looked at the wilderness of the valley below, with a salt sea in the distance, and said, "This is the place." Truly, Brigham Young spoke with prophetic vision for in the desert arose a prosperous economy, crowned by Salt Lake City,

in some ways the most remarkable city in the United States.

The visitor is impressed by the wide streets, (an ox-team could turn in the middle of the block), by drinking fountains in each block and by the thousands of trees (which were set out).

The Hotel Utah has mezzanine walls of wrought copper and the lobby has gray marble columns, a huge chandelier and a roof of stained glass.

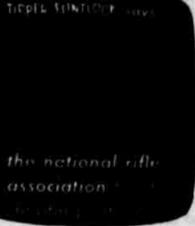

The "gold room" of the Capitol derives its name from the fact that the spacious hall is trimmed in gold and the mirrors are framed in gold. The rug was woven in Scotland; the tapestries are rich and the chairs and other furniture are ornate. On the ceiling is a painting, (the artist lay on his back to paint it). The guide said that, to reproduce the gold room, at present costs, would require \$400,000. Utah is No. 1 in gold production. The information came as a surprise to the tourists for we assumed that California was first and that Nevada was second.

We saw the Lion House (there is a stone lion), where Brigham Young lived; the Beehive, (the house derives its name from the hive on top—incidentally, the beehive, signifying industriousness, is appropriately, the State emblem) and the grave of the city's founder was pointed out.

Most impressive sight of Salt Lake City is Temple Square. The grounds are enclosed by a wall 12 feet high and of such thickness that the traffic noises are shut out, although the square is in the very center of the business section. No smoking is permitted inside the grounds, which are beautiful; and there is a monument which shows a pioneer pulling a cart, a lad pushing it, as a baby rides and the wife and mother walks. There was a statue of Joseph Smith, the prophet, founder of the faith. And there is the famous Seagull monument. You doubtless recall the story: The growing crops of the pioneers were being devoured by swarms of insects and then a great cloud of seagulls appeared, (although the sea is far away), and devoured the insects, saving the settlement from perishing.

The temple is of course the chief feature of the square. It is a great building, of stern gray. The stone was hauled in by ox-wagons. Its walls are six feet thick. Surmounting the temple is a gold statue which is regilded every 25 years. The temple is open only to believers.

Tourists are permitted to enter the tabernacle, which seats 8,000, without a post to support the roof. Everyone has heard that the acoustic qualities are such that you can hear a pin drop. (I was disappointed that this was not demonstrated). Everyone has heard, too, of

Cutting truck costs is handbook subject

A new reference handbook of helpful hints to truck owners has been published by Ford Motor Company.

"Guide to Cutting Truck Costs" contains 96 pages of information that will assist a truck owner in obtaining improved service and performance from his truck regardless of make or model.

Top automotive writers have contributed to this digest-size publication which has been two years in preparation.

It covers a broad range of topics, such as insurance, tire care, getting the most miles per gallon of gas, special equipment to meet individual needs, etc. The pages are liberally illustrated with photographs and drawings.

This reference handbook is published as a service to truck owners by Ford Division's Truck Marketing Department and is available from Ford dealers.

The just concluded Fourth Tokyo International Trade Fair drew exhibits from 27 countries. The United States had a national pavilion at the fair.

the wonderful organ concerts. They are just as wonderful as they are reported to be. The marvelous tones of the great instrument rolled out Bach's "Prelude in E Flat," and another selection, "Woodland Flute Call," with the final selection being "Westminster Carillon," the chimes being very beautiful. But to me the highlight of the concert was a simple melody, "Come, Come, Ye Saints," which was written by an elder as the first trek to Utah was in progress, and the pilgrims sang it at night around the campfires.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, D. D., Commissioner of Health.

AUSTIN—Above-normal amounts of rainfall over most of Texas this summer may portend a bumper crop of hay fever producing pollens this fall, State Health Department officials believe.

If the appraisal proves to be accurate, ragweed will be one of the major offenders, a departmental air pollution engineer said.

The Department recommended immediate attention of work crews to cutting rank weed growth in vacant lots, and to inhibiting weed growth by chemical means when it does not present a danger to beneficial vegetation.

"Weed control is one of the most valuable contributions a community can make toward helping hay fever sufferers," said the air pollution control engineer.

Ragweed is considered by authorities to be responsible for the cause of at least 80 per cent of the hay fever in the United States. Pollen from the plant, which is fairly well distributed over Texas, is much in evidence from mid-August through October.

Estimates indicate that some six to seven million people in the United States suffer from hay fever. No estimates are available for Texas, but researchers agree that some three or four per cent of the general population is affected.

Ragweed pollen can but doesn't usually travel very far from its point of origin. Therefore energetic weed cutting campaigns within city limits before pollen sacs burst can be helpful in reducing the amount of pollen released to the atmosphere.

A system of filtering air entering the home can be helpful, too, the experts say. Or, a physician can

advise countermeasures after he has determined the offending substance.

Three Texas areas—El Paso, Dallas, and Houston—conduct routine pollen counts for their respective regions.

Symptoms of the malady include watery eyes, running nose, throat irritation and persistent sneezing. The severity of attacks is affected by the wind and weather. Rain in the early part of the day hinders the dispersal of pollen, but does not completely stop it.

Pollen sacs do not open when they are damp or wet, so hay fever control at this time of year is a question of either cutting the weeds or hoping for rain during the pollen shedding season.

GENERAL TELEPHONE America's Largest Independent Telephone System

City police court is set up with appointment of judge

Oct. 1 tentatively set for beginning

A Post city police court, scheduled to begin functioning on or about Oct. 1 of this year, was set up at Monday night's city council meeting with the naming of Percy Printz as city judge.

The council's action in authorizing Mayor Powell Shytle to appoint the city judge came after the mayor told the council that Printz had agreed to accept the position at a salary of \$50 a month.

The authorization for the mayor to appoint Printz to the position came in the form of an ordinance passed by the council.

Carleton P. Webb, city attorney, told the council that a traffic ordinance passed by the city council some three years ago will be sufficient for the setting up of the police court.

The city court sessions will be held in the former telephone exchange building purchased by the city from General Telephone Company of the Southwest.

The duties of the city judge will require only a few hours a week, the council was told.

Mayor Shytle said it is hoped that the new city court can begin

functioning not later than Oct. 1, but that it will not be put into actual operation until all the necessary legal forms, etc., are on hand.

Through an agreement between the city and the county, the county jail facilities would be available for the jailing of persons sentenced in city court, the mayor explained.

The only other business at Monday night's council meeting were

brief discussions on the proposed budget, on which the auditor is still working, and on the progress of this summer's paving program.

City Supt. R. H. Tate told the council that of the 18 blocks included in the current paving program, 12 had been filled with caliche and leveled down for "shooting" and that another block is being filled. The other five are not quite as far

along, but will be completed in the current program, Tate said.

With the exception of one block on the east side of the gym, all the blocks around the new high school requiring paving have been included in the program, Tate told the council.

Mayor Shytle told the council he hoped to have the proposed budget ready for discussion, but that the

auditor liked a little having it completed.

The mayor said that while more money is being included in the new budget for such things as paving maintenance and capital improvements, an increase in property valuations is expected to take care of the increase without any raise either in the present taxable percentage or the present tax rate.

GARZA COUNTY'S FIRST BALE GINNED

Buck Craft (left), manager of Planters Gin here, congratulates Elbert Humble of the Kalgary community on being the first in with Garza County's first bale from the 1961 crop, which promises to be the best in several years. Craft ginned the bale and purchased it for 50 cents a pound. Humble also received a \$50 first-bale premium from the Post Chamber of Commerce.—(Staff Photo.)

First bale of '61 cotton is ginned in Post Thursday

Elbert Humble, who farms the Woody McArthur place in north-eastern Garza County, near Kalgary, brought in Garza County's first 1961 bale of cotton last Thursday afternoon.

The 505-pound bale was ginned at Planters Gin here and manager Buck Craft also announced that he has bought the bale from Humble at 50 cents a pound, considerably above the market price. In addition to the \$252.50 he received from the gin for his bale of cotton, Humble also received a \$50 first-bale premium check from the Post Chamber of Commerce.

The ginned cotton, which was baled April 19, was gathered from over about 15 acres, Humble said. There was 1,900 pounds of cotton in the load.

Humble, who has 190 acres of irrigated and dryland cotton in the Humble place, said it was the first time he'd ever brought in a bale.

By White River directors

Decision pending on project loan

White River Municipal Water District directors plan to meet within a few days to decide whether or not to accept on Sept. 15 the full \$4,000,000 state loan to finance the project.

Buck Tinsley of Austin, bond expert with the Texas Board of Water Development which is making the loan, appeared before directors in a special meeting here at City Hall last Thursday night and explained

the state board will have the \$4,000,000 available Sept. 15, but needs to know before that date whether or not the district is ready to take the money as it will have to reinvest it if not taken by the White River district.

Marvin McLaughlin of Dallas, chairman of the White River district's finance committee, went to Dallas Wednesday to check the present bond market situation as the district would have to invest a large portion of the loan funds for some months.

He promised to be prepared to make his recommendations on the proposition shortly.

If the district does not accept the full \$4,000,000 Sept. 15, it may receive an \$180,000 advance to be used for land purchases and other immediate expenses.

The state board agreed in June to the \$180,000 advance if asked.

Tinsley told the White River board that "we're in this with you and if \$4,000,000 is not enough we intend to see you through."

Interest on the \$4,000,000 loan would start with the receipt of the money.

The district first must obtain the dam site by purchase, which could conceivably involve condemnation proceedings on some of the property involved. Such proceedings, the district's attorneys estimated, would require approximately 60 days.

Possession of the dam site is necessary to give contractors access to the property in preparing their construction bids.

The board worked out with its engineer, Jim Nichols of Fort Worth, last Thursday night the land requirements for the dam site. Squared up, approximately 4,500 acres will be required. Four property owners will be involved in

(See PROJECT LOAN, page 8)

Johnnie Johnson fails to appear for murder trial

The \$7,500 bond of Johnnie Johnson, Post Negro, was ordered forfeited by District Judge Truett Smith here Monday when Johnson failed to appear for trial on a murder charge in connection with the gunning to death of Stella Mae Young here Sept. 28, 1960.

It is understood a civil suit will be filed during the next court term for collection of the bond forfeiture should Johnson not appear by that time.

This was the first district bond forfeiture here in a number of years.

In the only jury trial of the two-day court session for criminal cases, Harold Johnson was found guilty of a theft charge in connection with the theft of more than \$50 from the cash register at the Caprock Liquor Store last Dec. 13. He was sentenced to five years in the penitentiary after pleading not guilty.

George P. Smith Jr. pleaded (See JOHNNIE JOHNSON, page 8)

Caprock Grain buys elevator

The Caprock Grain Co. has purchased the 35,000 bushel capacity metal storage elevator of the Earl Rogers Grain Co.

The sale was effective last Friday.

The purchase of the grain elevator will give Caprock Grain a total storage capacity of 335,000 bushels on the eve of the 1961 autumn milo harvest, just getting underway.

Mike Mitchell, co-owner and manager of the Caprock grain concern, on page 15 of today's Dispatch invites local milo farmers to bring him their grain for sale or storage.

PRACTICE FRAME TEACHES BAND MEMBERS TO STEP HIGH

Stepping high through this two-by-four frame are members of the Post High School band, who will make their first home appearance of the school year at Friday night's Post-Corolla City football game. Director Bob Meisch had the frame constructed for marching practice purposes . . . it gets the youngsters in the habit of stepping high when marching.—(Staff Photo.)

The Post Dispatch

Thirty-Fifth Year

Post, Garza County, Texas, Thursday, Sept. 7, 1961

Number 13

Irby G. Metcalf and Bryan J. Williams

President, chairman named for '61 Chest

Irby G. Metcalf Jr. was elected president of the Garza County Community Chest for the 1962 campaign year and Bryan J. Williams was named chairman of the "all in one" financial drive last Thursday night at a Chest organizational session in the Community Room of the First National Bank.

Metcalf has served in recent years as both president and drive chairman and headed the all-important big gifts committee last year.

Williams has served several years on the big gifts committee during the Chest drive.

Metcalf succeeds Jim Cornish as president of the Chest, and Williams takes over the campaign chairmanship held for the last two successful years by Leo M. Akker.

Other new officers elected at the organizational meeting were Shelley Camp, vice president; Vernon Scott, treasurer for the second year, and Harold Voss, secretary.

Metcalf is expected to name the

budget committee next to consider the budget requests of the participating agencies for the coming year.

Cornish reported that the American Heart Association is withdrawing from the Garza Chest for the coming year and that only one new organization has requested participation in the Chest.

Participating agencies have been requested to have their budget requests in to President Metcalf within the next week.

Chest directors will meet again as soon as the budget committee is ready to report its recommendations for the 1962 budget. Dates for the drive, expected in November, will be set at that session.

Barbecue one of highlights

Lions Club Fair to be Saturday

The Post Lions Club's annual Garza County Fair, minus exhibits this year, but expected to be a crowd-pleasing event nonetheless, will be held this Saturday at the county 4-H Club building at South Lake.

It was decided not to have any exhibits this year when it was learned that club boys' livestock would not be ready in time for the fair.

The fair will feature a barbecue, a cake auction, a drawing for U. S. Savings Bonds totaling \$350, and food and drink concessions sponsored by various local organizations. The Lions will be in charge of such concessions as Shetland pony ride, Panda Wheels, fish pond, etc.

There will also be a concert by the Post High School band under the direction of Bob Meisch, who is also Lions Club president.

The barbecue is scheduled for 5 p. m. Saturday. The price will be \$1 per plate, with no charge made for pre-school children accompanied by an adult.

Riley Miller donated a beef for the barbecue and the rest was purchased at cost from the Jackson Bros. locker with all cutting labor donated. The beef will be prepared by Rusty Dean and his crew of helpers. John Shedd will be in charge of the bean-cooking crew.

An auction of cakes—"baked by Garza County's best"—will begin 7 p. m.

One ticket for the savings bond drawing at 8 p. m. will be issued for each 25-cent donation to the Lions Club. The bonds to be awarded will be for \$200, \$100 and \$50.

This year's fair, according to Dr. John E. Carter, general chairman, is to be in the form of a community get-together "for barbecue and good fun."

The fair's purpose is to raise funds for Lions Club community.—(See LIONS FAIR, page 8)

Prize for Treasure Day rises to \$140

First prize in the Treasure Day event that has been under way here for the last five Saturdays has been increased from 120 to \$140 in merchandise for this Saturday's drawing, John N. Hopkins, Chamber of Commerce manager, has announced.

If the person whose ticket is drawn for the first prize is not present, drawing will continue for the second prize of \$100 until a winner is named.

Saturday afternoon's drawing will be at 4 o'clock in front of the City Hall.

Winner of last Saturday's first prize of \$120 in merchandise certificates was Glen Potts of 312 West 5th St., an employee of Blanco Oil Co.

Postings

By JIM CORNISH

Today's column might be called one of the "hats off" variety, because we want to point with pride to a number of things around town.

First off, we want to congratulate Wallace Simpson for his beautiful new Thriftway Super Market which will open for business early tomorrow morning. It's been many a year since Post has had a big all-new retail store like this built—in fact, we couldn't find anyone to tell us exactly how many years it has been. Wally has a store to really be proud of and it is a worthy addition to Post's business community. You'll find all the details of the super market's opening elsewhere on the front page and in Simpson's page announcement over on page 13. The Grand Opening will be coming up soon. By his big investment in this fine new store—which you'll have to see for yourself to appreciate—Wallace Simpson has really laid on the line his faith in Post's future.

Next, we want to congratulate the Lions Club for their big Benefit Fair and Barbecue which will be coming up Saturday night at the 4-H Barn on the far side of South Lake. All the money raised will go to mighty good causes—children's work and local projects. Take the whole family and enjoy yourself with the Lions Saturday night. Their announcement appears on page 10.

Third, our congrats to Coach Vernard Alexander, his staff, and the Post High football team for their excellent showing in their grid opener at Ralls Friday night. It was a whale of a game. Director Bob Meisch and his big (more than 70 students) high school band also deserves heaps of praise for a bang-up performance on the very first day of school. Then there was the new wave of school spirit, spear-

(See POSTINGS, page 8)

Dance at Teen Town will honor gridders

A record dance honoring members of the football team will be held at Teen Town Friday night after the game for high school students. The dance will start after the game and continue until midnight.

Former resident and son killed in car collision

Mrs. J. W. Lee, a former resident of the Graham community, and her 19-month-old son, Gus Russell, were killed in a traffic accident near Plainview Sunday night.

Mrs. Lee was the former Miss Faye Dawson and attended Graham Grade School for several years. She was the daughter of J. D. Dawson of Hale Center.

Mrs. Lee and her son were killed when a car driven by their husband and father collided with one owned by Joe Rivera, 41, who was killed.

Funeral services for Mrs. Lee and her son were held at 2 p. m. Sunday in the First Methodist church at Hale Center.

Mrs. Lee was seriously injured in the accident, receiving head injuries and fractures of an arm and leg.

The bodies of his wife and child lay pinned in the wreckage of their overturned automobile more than half an hour before a passerby discovered the accident.

Mrs. Lee's head was pinned between the steering wheel and the roof of the car. Bodies of Mrs. Lee and the child were freed when the car was overturned.

Mrs. Lee's husband and her partner, Mrs. Lee is survived by a son, J. D. Dawson of Hale Center.

Scientists are shown in differences

Although Patton who made a study of the Scandinavian population this summer and also visited Berlin, showed Post that the differences between the Berlin visit which contrast the differences between the east and west zones of Germany.

Patton, a design engineer for the Highway Department here, answered a large number of questions about Berlin during the program in City Hall.

Patton spoke before Post members gave a longer and more detailed account of his summer

City's first big, new store in many years

Super market to open Friday

WALLY'S THRIFTWAY READY FOR OPENING

Pictured above is Wallace Simpson's new Thriftway Super Market at 122 North Broadway. The big food store will open for business Friday with its formal opening coming at a later date.

Post's first big, new store in many years — Wally's Thriftway Super Market at 122 North Broadway — will open its doors for business at 7 a. m. Friday.

The 80 by 85-foot super market is owned and operated by Wallace Simpson, who is well known to food shoppers here as he operated a super market for six years before selling it some 21 months ago.

Simpson's page announcement on the opening of the new super market, along with his opening weekend specials, appears on page 13 of today's Dispatch.

The formal opening of the store is scheduled for the near future and will be announced at a later date.

The new super market is what is known as a "Wonder Building" with an unusual curved roof which extends 20 feet, 4 inches from the super market floor at its highest (See SUPER MARKET, page 8)
