## Letters to the Editor...

**A HEARTY THANK YOU**

Dear Editor:

I would like to take this opportunity to thank Brown Brothers, Et Al, for the use of their truck to move the chairs that the Mu Alpha Chapter of Beta Sigma Phi bought for Teen Town.

I think it is a credit to all the personnel at Brown Brothers, and especially to Mr. Moreland, to be a part of a company that is always willing to help on any community project.

Our special thanks to Rusty Dean, Walter Jones, Danny Jones, and Leslie Acker.

Thank you,  
MRS. REX KING

## Fair names two Post residents

Two Garza countians, George "Scotty" Samson and County Agent Syd Conner are among the superintendents named for the Panhandle South Plains Fair at Lubbock Sept. 24-29.

Samson is, as usual, the general agriculture superintendent. He has been a driving force behind the development of the 45-year-old exposition into a showcase for the region's farm exhibits.

Samson was honored at the 1961 Fair for his outstanding work with the exposition.

Conner, Garza County agent, has been named as superintendent of dairy cattle.

## Pastor here has new assignment

After three years of pastoral work at the Church of God of Prophecy in Post, the Rev. Robert W. Patterson will take up new duties as state overseer of the Church of God of Prophecy in Arizona.

The Rev. Mr. Patterson's appointment to his new duties was made by the general overseer at the 57th Assembly of the Church of God of Prophecy, held recently in Cleveland, Tenn.

Succeeding the Rev. Mr. Patterson as pastor of the church here is the Rev. W. W. Pettyjohn, who comes to Post from Sudan. He assumed his new duties here last Sunday.

The Rev. Mr. Pettyjohn and wife have two children at home. The Rev. and Mrs. Patterson and son, Kevin Joe, plan to move to Arizona within the next two weeks. They will make their home in Phoenix. The Pattersons came to Post from Guernsey, Wyo.

## Eight inches of rain at Graham termed 'plenty'

By MRS. GLENN DAVIS

We have had more rain—and after more than eight inches we believe we have had plenty. We are so thankful that it has been rain, and very little hail.

The Rev. Elbert Nelson spoke in the Methodist Church Sunday at the two services. The Nelson family and Mrs. Maud Thomas were guests of the Elmer D. Jones family.

Gerald Dean Jr., of Capitan, N. M., and Mr. and Mrs. Pete Pierce were Sunday guests of the James Stones.

Mr. and Mrs. Glenn Hill and family of Plainview visited Sunday afternoon with her mother, Mr. and Mrs. Elvius Davis and family.

Mr. and Mrs. Jimmy Doggett visited the Theibert McBrides Monday morning.

Mrs. L. E. McBride and daughters visited their son and brother, the Theibert McBrides Sunday afternoon. Mrs. McBride is on the sick list. We wish her a speedy recovery.

Mrs. Jimmy Hutton and children of Levelland visited her parents, Mr. and Mrs. Grover Mason last week.

Mr. and Mrs. Aubry Richey, Mr. and Mrs. Donald Gossett and family and Margaret Richey visited the Fred Gossetts Sunday afternoon.

Mr. and Mrs. Lowe White and Mr. and Mrs. Carter and daughters visited the Tech museum in Lubbock Sunday afternoon.

Mr. and Mrs. Quannah Maxey and Mr. and Mrs. Bill McMahon visited the Ray McClellans Saturday evening and the group played "42".

Mrs. Noel White entered West Texas Hospital in Lubbock Thursday evening and had minor surgery Friday morning. She returned home Saturday afternoon. We wish for her a real quick recovery.

Mr. and Mrs. Bill Stone and family and Wayne Hair were Sunday guests of the Ray McClellan family.

Mr. and Mrs. Elmer Cowdrey visited a short while Sunday afternoon with the Fred Gossetts.

The Graham HD Club met last Thursday in the home of Iris McMahon with Nita McClellan as co-hostess. Roll call was answered with "your best color". A civil defense program was presented by HD Agent Leta Smith.

Refreshment plates were served to one visitor, Mrs. Maud Thomas and the following members: Sue Maxey, Jane Mason, Mae Gossett, Orabeth White, Bernita Maxey, Mary Cowdry, Sybil White, Carolyn Gray, Maurice Bush, Jewel Parrish, Berniece Propst, Dorris Fluitt, Innis Thuett, and Viva Davis. Members will exchange apron patterns at the next club meeting, Sept. 27 in the home of Jewel Parrish.

## Bible Thoughts

By HERB SMITH

### "THE HOME"

Strong and united homes are needed in our nation now just as much as during the frontier days. The frontier times of the space age have just as many hardships and threats in the home as ever before. The causes are only different.

There has been much effort to campaign the evils of communism, the horrors of a lost freedom, and how to survive under a nuclear attack. To my knowledge, there have been no major campaigns, if any at all, primarily for strengthening the homes of our nation. History as well as the Bible teaches us that a nation is no stronger than its homes. Proverbs 12:7, 1, and Matt. 7:24ff.

We have planned to have five lectures for The Home of the Church of Christ to be given by this writer. One lecture will be given each Sunday morning at 10:30 A. M., beginning Sunday, Sept. 23. The first lecture will be "Space Age Antiquity". These have been designed to help every person, regardless of age. We extend a special invitation to everyone.

**YOU ARE INVITED TO ATTEND THE SERVICES AT THE CHURCH OF CHRIST, 10TH & AVE. M.**

## Thanks, Folks!

We have sold the K & K FOOD MART to our son, Rudy, who will actively take over its management effective Sunday, Sept. 23.

We want to take this opportunity to express our appreciation for your patronage and your friendships since Jan. 1, 1960, when we purchased the store. We plan to retire from the grocery business on account of our health but will continue to make our home in Post.

To all of our many customers, we recommend Rudy who we think is one of the best grocerymen in West Texas. He has had many years experience in the business, both in the operation of his own stores and as assistant manager of one of the largest volume food chain stores.

**Mr. and Mrs. King Ardis**

## Lecture series begins Sunday

Beginning Sunday, Sept. 23, a series of five lectures on "The Home" will be presented at the Post Church of Christ by the minister, Herbert A. Smith.

The lectures will be presented at 10:30 a. m. each Sunday, with this Sunday's opening lecture to be "Space Age Antiquity".

Other lectures in the series will be: Sept. 30, "Altar Ego"; Oct. 7, "The Space Race"; Oct. 14, "Remember the Romans"; Oct. 21, "Marriage Fallout".

"We extend a special invitation to everyone to attend these lectures," the minister said.

## Sermon topics named for First Christians

At the 11 a. m. Sunday worship of the First Christian Church, Bernard S. Ramsey, minister, has chosen the subject, "Plunge In" for his morning sermon. The Lord's Supper also will be observed.

At the 7 p. m. Sunday evening service, the topic of Mr. Ramsey's sermon will be "From Ashes to God." A supervised nursery is maintained for all worship services. Christian Youth Fellowship meets each Sunday at 8:15 p. m. The public is cordially invited to all services.

# Antelopes to test Indians on Morton gridiron Friday

Harold Teal's Post Antelope team, with a 1-1 mark through the first two games, will play the first away-from-home game Friday night against the Indians.

The Antelopes, favored along with the District 3AA championship, defeated Frenship, 4-0, last Friday night after a long season by tying the Indians, 6-6, through Sudan Hornets, 6-6, Friday night's contest. The chunky

170-pound senior is expected to be a big help to the Antelopes, especially on defense.

Center Billy Blacklock and halfback Ronald Storie, who have yet to see action this season, aren't being counted on for Friday night, Teal said. Blacklock received a throat injury in a pre-season scrimmage at Tulia and Storie has a leg injury.

Otherwise, the Antelope squad came through the bruising Plains game in good physical condition, Teal said.

The coach said yesterday that about the only change he is contemplating in the starting line-up is moving Larry Guy up to guard in place of Glenn Polk.

Morton has five regulars back from their 1961 team, but five of the other starters are sophomores. The line averages 181 pounds from tackle to tackle. The backfield averages 167 with most of the poundage provided by Sam Edwards, 208-pound fullback.

The backfield speed is provided by quarterback Charlie Ledbetter and halfback Lester Dupler, each capable of running the 100 code in 10 seconds flat. Ledbetter weighs 150 and Dupler 155. Roundouts on the starting backfield is halfback James Beseda, 152-pound senior. Line stalwarts include ends Bill White, 145, and Charles Laws, 165; tackles Bill Huckabee, 220, and Donald Shaw, 215; guards Johnny Samford, 180, and Sherrill Griffith, 202, and center Larry Grove, 205. "They may not start all that 'beef', but they have it available," is the scouting report.

Against Frenship Friday night, Morton rolled up 365 yards total offense against 132 for the losers.

# Brain concussion results from softball game

MRS. D. C. BARTLETT said she would like to express appreciation to Mrs. C. on her nice comments of Shirley Sappington.

Barbara Beth Bartlett has been hospitalized to her home with a slight concussion she suffered when hit in the forehead by a batted softball Monday, Sept. 10.

Mrs. and Mrs. A. B. Ritchie visited Mrs. B. and her daughter, Mrs. B. and her family in Portales, N. M., and family in Portales, N. M., recently. Mrs. Sparks has been

Visitors of the Frank Bosticks Friday night were the Archie Nelsons of Smyer and Mrs. Clarence Nelson of Wilson. The Bosticks visited the Howard Justice family Saturday night.

Dorothy Chancellor of Lubbock visited a short time with Mrs. D. H. Bartlett Sunday.

Durward Bartlett went to Seguin Thursday to play golf in the State Left-Handers golf tournament. He returned Sunday and reported a wonderful time and said the golf course was sure a good one.

MR. AND MRS. Will Teaff, Mr. and Mrs. Delbert Cockrell and Rodney and Freddie Teaff were in Lockney Sunday visiting the Eldon Roberts.

Mr. and Mrs. Will Teaff and Mr. and Mrs. Roy Maddox visited Mr. and Mrs. T. G. Snider in Slaton on their way home from Lubbock Monday. Mr. Snider is very ill and has been for some time.

Tim Morris attended Randy Gordon's birthday party Friday in Post. Mrs. D. H. Bartlett left Tuesday morning by chartered bus for Dallas with other ladies of the county who were elected as delegates to attend the Home Demonstration State Delegate meeting in Dallas. They will represent Garza County at the meeting and return Friday.

The Crippled Eagles lost to Bobcats. The Smyer Bobcats beat the Southland Eagles, 30 - 0, Friday night at Smyer in an eight-man football game.

In the first half, Smyer scored three touchdowns and two extra points to make the score 22 - 0 at halftime. The Eagles tightened up their defense in the second half to hold the Bobcats to one touchdown and the extra points.

Linebacker Troy Lewis and end Jackie Dunn were Southland standouts on defense.

The Eagles were without the services of three mainstays, Rod Callaway, Webster Crawford and Johnny Haire, who were out with injuries received in the opening game against Bula. All three will be back against the Cotton Center Elks this Friday night at Southland.

Co-captain Robert Mock suffered a head laceration in the Smyer game and will be out of the lineup Friday night. End Larry Wilke sustained a broken wrist and will be out for the rest of the season.

# Plains Cowboys beat Post gridders, 20-6

The defense-minded Plains Cowboys also cranked up their offense at the expense of the Post Antelopes here Friday night and went home on the long end of a 20-6 score.

The game, played on a warm night before perhaps the biggest crowd ever to pack Antelope Stadium, evened both teams' records at 1-1 for the still-young 1962 football season.

The visiting Cowboys, who the week before had held powerful Crane to a 3-0 victory, capitalized on brakes and Antelope mistakes for their well-earned victory.

The Post offense, as bogged down as the scoreboard clock was Friday night, clicked only once, early in the fourth quarter, with quarterback Pat Cornell passing across the goal line to end Danny Pierce under the Red, platoon of Coach Harold Teal's had advanced the ball from the Post 40 to the Plains four-yard line before giving way to the Gold platoon for the scoring play.

### Junior gridders to play Tuesday

Post's 7th and 8th grade football teams will play their first games of the season Tuesday, Sept. 25, against Spur at Antelope Stadium here.

The 7th grade game will start at 5:30 p. m. and the 8th grade game about 7 p. m.

The Post teams are coached by Dwan Robertson.

Admission charges of 50 cents for adults and 25 cents for students will be made at junior high games here this season. The gate proceeds will be used in the promotion of the junior high school athletic program.

# Germany much as in picture books

"The country of Germany actually appears much as it does in the picture books," said Charles "Spike" Tubbs, who recently returned to Post after 18 months in Germany with the U. S. Army.

Charles, son of Dr. and Mrs. Harry A. Tubbs, has enrolled for his junior year in the University of Texas. He attended Trinity University at San Antonio for two years before entering the Army.

Charles said the part of Germany he was stationed in—northern Bavaria in western Germany—is a scenic and compact country with forests and rolling hills. He was stationed at Aschaffenburg, which is about 250 miles from Berlin. Frankfurt is the nearest large city.

Charles said some of the German cities he visited had rebuilt modern buildings in bombed-out areas, and also had reconstructed many of the buildings just as they had been for centuries—before the World War II bombs struck.

He said the German people generally are gay and friendly.

The Post soldier's outfit was stationed about 120 miles from the East German border, but sometimes when in the field they were within 10 miles of the border. Charles was with an artillery unit, the 1st Target Acquisition Battalion. The unit's mission is to locate enemy artillery and direct friendly artillery.

Charles, who served as a private first class, was stationed at Fort Sill, Okla., before going overseas.

During the time he was stationed in Germany, he visited in Denmark, Paris, France, and other places, including Heidelberg, the seat of one of the world's oldest and most famous universities, and Munich.

"Yes, I learned a number of new things while I was overseas," Charles said in answer to a question. "The most important, perhaps, is that nobody has a right not to take a stand in regard to politics and other matters of state."

Charles, who attended Post High School through his sophomore year, said he will major in mathematics at the University of Texas.

### Junior varsity to play Stanton '11'

The Post Antelope junior varsity will play its first game of the season here Saturday morning, Sept. 22, against the Stanton Buffalo junior varsity.

The game will be played at Antelope Stadium with the kickoff scheduled for 10:30 o'clock.

The Antelope junior varsity is coached by Charles Black and Wilbert Bigott.

## U. N. Declares "Year Zero"

# 'A'-DAY WHEN CIVILIZATION CAME TO AN END!!!

## WHERE SCIENCE FICTION ENDS AND FACT BEGINS!!

## PANIC IN YEAR ZERO

## World Powers Unite in Wake of 'A-Day' Panic; President Asks Order

The United Nations, in a hastily assembled special emergency meeting, today designated these darkest days of the history of world civilization as "The Year Zero."

In an unanimous resolution the world organization's member nations called for a new world unity to aid in reconstruction and rehabilitation following the terrifying devastation of this planet's first atomic war.

The President of the United States lead the chorus of voices of the heads of hastily re-formed national governments in calling for calmness and a restoration of order following the dark days of panic immediately after the surprise atomic attacks.

The American Chief Executive called upon every American to do his duty in re-establishing law and order. He said "There are no civilians now — we are all at war!"

Noting the reports of widespread looting and lawlessness, he termed looting "treason against the United States" and declared that those found guilty would face the death penalty.

This vivid and scientifically possible account, fact not science fiction IF an atomic attack occurs, is based upon the screenplay of American International's exciting new motion picture fantasy of a possible tomorrow, "Panic In Year Zero." This gripping account of the adventures of an American family in the aftermath of an atomic attack stars Ray Milland, Jean Hagen and Frankie Avalon.

Don't miss this gripping look ahead into tomorrow, a day after today, which may never come—but which can happen. See "Panic In Year Zero."

### Owen honored as outstanding back

Sophomore fullback Benny Owen was named by 46-56 Club members Monday night as both the top offensive and defensive back in the Post Antelopes' game against Plains Friday night.

Other honors went to guard Buddy Moreland as defensive lineman and sophomore end Ronald Simpson as offensive lineman.

It was the second week 46-56 Club members have chosen top players in an Antelope game. Each of the boys will receive from the club a certificate of his selection.

### Crippled Eagles lose to Bobcats

The Smyer Bobcats beat the Southland Eagles, 30 - 0, Friday night at Smyer in an eight-man football game.

In the first half, Smyer scored three touchdowns and two extra points to make the score 22 - 0 at halftime. The Eagles tightened up their defense in the second half to hold the Bobcats to one touchdown and the extra points.

Co-captain Robert Mock suffered a head laceration in the Smyer game and will be out of the lineup Friday night. End Larry Wilke sustained a broken wrist and will be out for the rest of the season.

### Low-ball tourney ready for start

Indications today were that the Caprock Golf Course will be in tip-top shape for the low-ball team tournament to be held this Saturday and Sunday, D. H. Bartlett, manager, said.

A record field is expected for the 36-hole tournament, Bartlett said. Eighteen holes will be played by the four-man teams Saturday afternoon with the 18-hole finals scheduled for Sunday afternoon.

A barbecue and domino party will be held Saturday night for the golfers and members of their families.

### Monday meeting set for 'Lope boosters

Organization of an Antelope Booster club, a film of the Post-Morton game and a scouting report on the Abernathy game are scheduled for 7:30 p. m. Monday, Sept. 24, at the primary school auditorium.

All football fans interested in the organization of a booster club are invited to attend the meeting.

Coach Harold Teal said all fans are invited to see the game films every Monday night. "This invitation includes the women, too," Teal said.

### ROTAN VISITORS

Visiting the Mike Custers Sunday were Mr. and Mrs. L. A. Sparks and Norma Jean of Rotan.

### "Post-A Little Bit Better"

We Howdy Day merchants are busy working and planning together to live up to this Chamber of Commerce slogan—"Post, a little bit better."

Howdy Days are designed each month to attract and interest all the folks in our big trade territory. Each month we try to find something different to interest you.

We think you'll like our Howdy Day auction.

A lot of work and preparation has gone into them. Everybody likes auctions and everybody loves a bargain. So to us it looks like a natural.

As you will note the Saturday afternoon auction includes new and used cars, pickups, tractors, and farm equipment. This is really unusual. Don't miss it.

Come and spend the day downtown with us. Shop in our stores—see all the new fall merchandise. Above all enjoy yourselves, and come again.

### Grassland folks are home after Colorado visit

**By MRS. O. H. HOOVER**  
Mr. and Mrs. C. E. Short have returned from a 12 day outing in Colorado and Wyoming. They went to Loveland for some fishing and then went on to Ft. Collins and visited Dr. and Mrs. Stevens. The Stevens are friends they met in the valley where they all spend the winter months. The four of them went to Woods Landing, Wyo. and fished for three days in a lake on the Colorado side. They caught their limit of Rainbow trout. They returned early because it got to cold to fish.

Mr. and Mrs. O. H. Hoover spent Tuesday night in the home of the Houston Hoovers in Littlefield.

Mrs. H. A. Roberts is at home again from the hospital in Post and seems to be holding her own. She has been ill for some time.

**MR. AND MRS. E. M. Norman** drove down to Stamford Lake last Thursday but didn't fish any as the water was so high and rough.

Mr. and Mrs. W. L. Gribble visited in the W. G. McCleskey home Friday night.

Mr. and Mrs. McElya of Spur visited Mrs. Lucy Cunningham Saturday afternoon.

Mr. and Mrs. Tom Murray visited the H. A. Roberts and W. G. McCleskeys homes Sunday afternoon.

Jim McGrew and a party of men from Lamesa went to Pagosa Springs, Colo., to hunt and fish. However, Mrs. McGrew became ill and was hospitalized so Mr. McGrew made a hurried trip home. She is improved some at this time.

O. H. Hoover has gone to Stamford Lake to fish for several days.

**MR. AND MRS. Leroy Davis** have gone to San Augustine for an extended stay at their cabin there.

Mrs. Inez McGrew was hostess to a garden party Friday honoring Mrs. Virginia Terry and Mrs. C. A. Walker.

Mrs. McCleskey visited Mrs. Edith Inklebarger Saturday.

Mrs. Doyle Raines (Jerrene McGrew) was complimented with a pink and blue shower Friday, Sept. 14 in the home of Mrs. W. C. Archer of Welch. She received many useful and beautiful gifts.

Mrs. Dot Fortenberry of Welsh visited her daughter and family, the O. C. Harrisons, last week.

Mrs. W. A. Oden spent Sunday with Mrs. O. H. Hoover.

Mr. and Mrs. Carlos McCleskey have returned from their vacation in Colorado.

Mr. and Mrs. Onie Reed spent Tuesday with her mother, Mrs. Lucy Cunningham, and visited his sister in the Tahoka hospital Wednesday.

Mr. and Mrs. Gus Porterfield's niece and family, the Jimmy Burkeys of Lubbock and Mrs. Porterfield's mother, Mrs. D. G. Cook, of Tahoka spent Sunday with them.

Visiting Mr. and Mrs. Yeats Sunday were their son and family of Snyder.

Visitors in the W. G. McCleskey home Sunday night after church were Mrs. W. L. Gribble and her granddaughter, Lolana and Mr. and Mrs. C. O. McCleskey and Delbert.

Mrs. E. M. Walker visited Mrs. O. H. Hoover Sunday afternoon.

Mr. and Mrs. Lucian Walker visited in the George home in Coleman last week.

# Follow the leader...

worship together  
this week!

do you remember?

Do you remember the first time you listened to a sea shell? And when you watched a sunflower turn toward the sun? And when you tried to guess where the pot of gold was at the end of the rainbow? Life is full of sweet mysteries for the young. Do you remember?

In fact, life reveals even more sweet mysteries as we grow older. When we think of these things, the mysteries of life, of God's care of us, of the wonders of the universe—you know, that's a way of praying! Yes, just thinking about God.

Fortunately, too, we have the Church—your church—a place to contemplate such things, to pray, to ask questions, and give thanks to Almighty God. Go to the church of your choice this Sunday. There you will find some of the answers ... to some of these wondrous mysteries.

#### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# PHS classes elect officers for year

## Glenn Polk elected seniors' president

Thursday the Senior class met in the choir room and selected class officers, and room sponsors for the coming year. The sponsors are Mr. May, Mr. Kimble and Mr. Hopkins. Class officers are: Glenn Polk, president; Freddie Simmons, vice president; Lenny Howell, secretary; Lynn Alyn Cox, Student Treasurer; Lynn Alyn Cox, Student Council representative and Stanna Miller, reporter.

## Linda Pennell heads 62-63 Junior class

Last Thursday, Sept. 13, the Junior class had a class meeting to elect class officers, and class sponsors. Those elected are: President, Linda Pennell; vice president, Richard Hart; secretary, Lynette Flutt; treasurer, Jackie Flutt; Student Council representative, Ann Payne.

## All-boy slate named by sophomore class

We sophomores of PHS chose an all-boy "slate" to head our class on Thursday. Billy Blacklock will do the honors as president; Dick Vardiman, vice president; Ronald Simpson, secretary-treasurer; Daniel Johnson, reporter; and Benny Owen, year's president, will be representing our class on the Student Council.

## Barbara Ann Lewis is week's feature student

Barbara Ann Lewis, our feature student of the week, is from Ojai, Calif. She is 16 and is a Junior in high school. Barbara is blue-eyed and has long blonde hair. She is friendly and good natured. Barbara has married brothers and sisters, but the only one at home. Her hobbies are cars, going to the beach, and playing the bongo drums. We hope she will enjoy going to Post High School.

## Sammy Sims elected as frosh president

Last Thursday the Freshman class elected as their president, Sammy Sims; vice-president, Donnie Cornell; secretary, Delores Strofer, and treasurer, Tommy Mason.

## This 'n' That

Congratulations to the football boys on a good game against Plains. This Friday the team travels to Morton for an expected victory. Let's all support the team not only at home but when they play away from home.

## On Sept. 25 school pictures will be made.

## There was a flash flood in the halls last week due to a break in the water line.

## It certainly is a shame that people won't appreciate the new fence that Brown Brothers donated enough to stop leaning on it.

## The choir jackets came in last Friday. With temperatures in the 90's it didn't seem to stop the owners from wearing them.

## It looks like the luck of the Irish has returned—all gym classes are sporting smart green suits.

## Have you noticed the construction going on in front of the high school building? In case you haven't, stop by and see what we are talking about.

## Students picked for state choir tryouts

Tryouts for the All-State Choir will be held Dec. 1 at Texas Tech in Lubbock. As of last week, Mr. Willson had chosen seven from the Post High Choir to enter in the competition.

## They are as follows: Jim Wells and Teddy Scott, bass; Linda McMahon and Karen Haley, alto; Carolyn Matisler and Cerretha Jones, mezzos; and Dee Ann Walker, soprano.

## We wish each one of these people the very best of luck.

# FHA girls have picnic at park

The FHA had a meeting and a picnic Monday, Sept. 10. The picnic was at South Park and was to welcome new members and let them get acquainted with other members.

Margie Harrison presided over the meeting and Cheri Moore presented the devotion. The new officers were introduced and after playing games the girls ate. They were served hot dogs and iced tea with potato chips and corn chips. There were 70 girls who attended.

On Monday, Sept. 24 at 7:30 p. m., the FHA will have another meeting. All you Future Homemakers plan to attend.

### A TRIBUTE TO A THIEF

Let's face it—without dishonest people where would we be. Well, I'll tell you, we would have hundreds and hundreds of cluttered boxes and rooms, we would throw away something that a thief could have always had use for, and we waste millions of dollars each year. The third is an odd kind of person, and within the schools there are millions of them. That is our topic for the day, "Thievery in schools."

We school kids have jillions of little trinkets to get stolen. It is always a thief's paradise, the unimportant library books (to them), the petty little jewelry that we do have, always manages to get away from us. Once I even had a coat stolen. I guess they needed it more than I did. More than once I've heard that shout, "It's gone!" In gym, it's gym clothes, shoes, socks, towels, washrags, and even the clothes to put back on. Class books which no one in their right mind would steal, sweaters, fountain pens, pencils, notebooks.

### IN JUNIOR HIGH

#### Mrs. Carolyn Black is new Jr. High teacher

By Marcia Newby  
Mrs. Carolyn Black, 6th grade language arts teacher, really isn't a newcomer, because she has substituted frequently for different teachers.

Mrs. Black was graduated from Colorado City High School in 1955. She then attended Texas Tech, where she was graduated in 1959. She and Coach Black, coach of 7th grade boys and science, have one son, Chuck, who is 20 months old.

Some of Mrs. Black's hobbies are playing bridge, reading and water skiing.

#### Mr. Robertson is new teacher here

By Sherry Woods  
One of Post Junior High School's new teachers is Coach Dwain Robertson. His wife's name is Gloria, and two children, Rodney, a 3-year-old, and Molly, age one year.

He taught as a Junior High coach in Mineola, Tex., for two years. Coach Robertson attended Henderson County Junior College in Athens, Tex., for two years. He also attended East Texas State in Commerce.

Coach Robertson graduated in 1960.

The students of Post Junior High are very glad to have him here.

#### FHA members outline program for the school year of 1962-63

The FHA national goal is "To help individuals improve personal, family, and community living." To accomplish this goal our program for the year will include: (1) Panel discussion to discover what values teen-agers live by. (2) Guest speaker to discuss what youth can do as a good citizen in our community. (3) As our community project each girl will adopt a senior citizen to visit throughout the year. (4) Our Christmas program will include caroling for the aged citizens of our community. (5) In January and February we will have a family get-together focusing on good family relations. (6) In March, to help our members to understand that marriage requires preparation, our program will be "Are you for early marriage?" and "How to Prepare for Marriage." (7) The last two programs of the year are concerned with community and family.

We plan to continue our work for

# Choir re-elects Wells president

Last week the Post High Choir elected new officers for the coming year. Jim Wells was elected president for the second consecutive year. This was the first time any one person has been elected to this office as such.

Glenn Polk, voted in by acclamation, will fill the office of vice president. Margie Harrison will act as secretary and treasurer; Dee Ann Walker, reporter, and Daniel Johnson, student council representative.

At this same meeting a party committee was appointed by the president. These people will plan the choir parties and other social functions for the 62-63 school year. They are Glenn Polk, Shirley Isaacs, Sammy Caffey, and Lenny Howell.

According to Mr. Willson the choir is doing an outstanding job and is expecting big things for the coming year.

# Mr. McEachern is new teacher

James E. McEachern is a new member of the faculty, teaching Spanish in high school and 6th grade science and health.

Mr. McEachern is a native of Lamesa and graduated from Howard Payne College in 1962. He is a veteran of the U. S. Army with service in the Medical Corps.

Mr. McEachern served as a neuro-psychiatric specialist at Fitzsimons Army Hospital Denver, Colo. During the summer months while in college, he traveled in 25 states, spending most of the time in the Carolinas, West Virginia, Virginia, Ohio and Tennessee.

He plans to do graduate work at Louisiana State University.

Mr. McEachern is married to the former Arlene Norris. They have a daughter, Karen Lynne, 17 months. The family lives at 504 West 6th St.

### ATTEND PICNIC

Mr. and Mrs. Julian Smith, J. O. and Steven Newby and Mr. and Mrs. Joe Williams and Jimmy attended the Texas Public Employees Association annual picnic in Lubbock Saturday afternoon.

Special singing groups of Post High Choir this year consists of three girls sextets, one septet, and two boys quartets.

The Limerighters sextet is composed of Karen Haley, Gayla Johnson, Cheryl Martin, Carolyn Matisler, Dee Ann Walker, and Meredith Newby.

Dreamtones sextet: Linda Rogers, Sammy Caffey, Susie Jo Schmidt, Cherri Moore, Judi Cook and Ann Long.

Lemondrops sextet: Susan Ramsey, Vickie Wilks, Carolyn Carlisle, Linda Gist, Laura Gerner and Deborah McCampbell.

Orchettes septet: Linda McMahon, Lynette Potts, Cerretha Jones, Terry Power, Yvonne Moreland, Shirley Isaacs, and Margie Harrison.

The Jokers 4: Glenn Polk, Teddy Scott, Delton Robinson, and Jim Wells.

The Loafers have only two members as of now, Daniel Johnson and G. T. Mason. Tryouts for the other two members will be held sometime soon.

These groups will be entering in the Interscholastic League contest and presenting special entertainment here in Post and surrounding area.

# Book, 'Post City, Texas,' reviewed

Seventh grade students heard a review of the book, "Post City, Texas," Mrs. Alex Kittrell of Lorenzo, gave the review.

C. W. Post grew up in Illinois. He borrowed \$1,000 from his mother in his early career and later became a wealthy man. Post came to Garza County in 1905. He was a rancher and businessman. He had a buggy and later drove a chain-drive car.

In 1907, also 1908 a barbecue was given for 3,000 people. They served beef, lamb, pickles, pies, with water to drink.

C. W. Post asked the people to set out trees and plant flowers of all kinds in what is now the center of Main Street.

His health began to fail, which resulted in the invention of Post Cereals.

Post's death was in 1914 in Rochester, Minn.

## Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' bah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

## Cotton's future grows brighter

Jolted by losses to competitors, cotton farmers in Garza County and elsewhere throughout the cotton-producing states are launching a determined counterattack.

They are initiating a new research and promotion campaign totaling \$1,350,000 for the year ahead.

This aggressive promotion campaign is coming through the Cotton Producers Institute, to which Garza County's cotton farmers have subscribed at a much higher than average percentage.

The promotion campaign will concentrate on the late winter and spring season when textile sales are at their peak. Secondary efforts are scheduled for the fall months of 1962-63.

New research projects will be aimed at cutting cotton production costs, improving quality, and producing new or improved cotton products.

The Cotton Producers Institute, to which Gar-

za County cotton farmers have subscribed so wholeheartedly, grew out of a desire by producers to step up research and promotion efforts as a means of increasing their markets and profits.

Something certainly needs to be done to stabilize the cotton market. It appears that the Cotton Producers Institute is on the right track.

How will it work?

The nine points for which trustees have budgeted funds for research projects are too lengthy to go into here. The CPI's messages, however, will be aimed primarily at the U. S. housewife, who makes the actual purchases of more than 75 per cent of all textile items used by her family and is the largest single influence on the tastes and preferences of those who buy the remaining portion.

There's still a big future for cotton!—CD

## Threat to free textbooks

The rabble-rousers, led by J. Evetts Haley and a few other extremists, are posing a threat to free school books in Texas.

The Texas State Teachers Association, thank goodness, has finally broken its silence on the textbook controversy to warn that the next session of the Legislature may bring attempts to put the burden of school book purchases back on the parents.

Some school leaders regard the attack on textbooks as essentially an attack on the public school system, says the Texas State Teachers Association.

Texas furnishes textbooks at a cost of less than \$4 a year for each child. If parents bought the books, the cost would be approximately \$30 for each child.

In every community there are some parents who can barely afford to provide clothing for their children to attend school. What is going to happen to them if the costly burden of school book purchases is put back on the parents?

In this particular department—school textbooks—we wish Haley and his cohorts would give up the ghost and direct their dubious talents elsewhere.—CD

## Booster Club efforts under way

The opportunity to organize an Antelope Booster club again presents itself and interested fans are invited to attend a meeting at 7:30 o'clock Monday night, Sept. 24, in the primary school auditorium.

At the showing of the Post-Plains game film Monday night, Athletic Director and Head Coach Harold Teal promised the support of the coaching staff and entire athletic department to such an organization.

It was brought out at Monday night's meeting, however, that a goodly number of football fans should be on hand before any attempt is made at organization of a booster club.

The 46-56 Club continues to function as an

outstanding Antelope booster organization, but since membership in this club is not open to all the fans, there is a big "opening" here for a booster organization that would include ALL the Antelope well-wishers.

So, all those interested in such an organization are asked to be present next Monday night, when—if enough are on hand—an attempt will be made to organize and get things going.

Incidentally, Coach Teal announces that the Monday night game films, which are followed by a scouting report on the upcoming game, are open to the public. He stresses that the Antelopes' women boosters are just as welcome to see these films as are the men.—CD

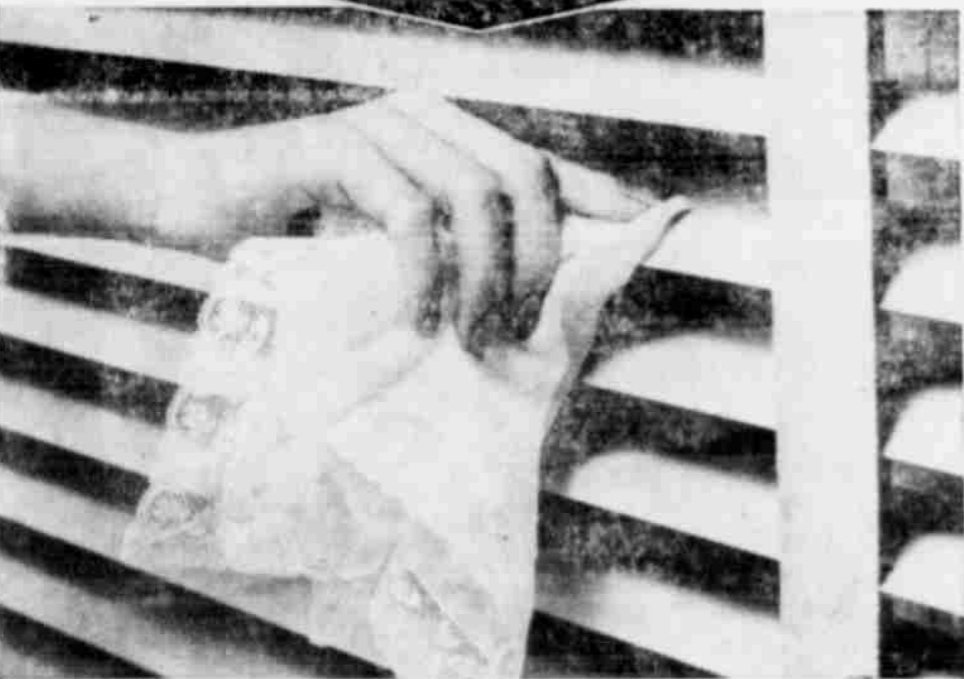

## What our contemporaries are saying

What your ancestors did is not what counts. It's not what they were, but what you are. A snooty old lady once asked the late Will Rogers, who was part Indian: "Did your parents come over on the Mayflower?" Will replied, "They met

the boat."—Neal Estes in The Stanton Reporter.

## LOOK HOW CLEAN MODERN ELECTRIC HOME HEATING IS!

EVEN A SNOW WHITE HANDKERCHIEF STAYS CLEAN WITH ELECTRIC HEAT

From home after home where electric house heating has been installed, you hear comments like these:

"Dusting is practically unnecessary..."

"Drapes just never seem to get dirty."

"We haven't had to redecorate in years."

And, then, electric heat homeowners volunteer information like,

"There just aren't any cold drafts or hot blasts."

"We've never felt so completely comfortable."

"It's amazing, there's just no maintenance to pay for or worry about."

Clean and comfortable — that's electric heat. And more economical than you believe possible. Ask your Public Service manager about electric heat — including a special heating rate.

## THURSDAY to THURSDAY

By CHARLES DIDWAY

NOT SINCE war-time rationing has sugar been in the public eye as it has in the past few weeks, particularly Sunday afternoon when some 3,000 men, women and children of the Post vicinity filed through the school lunchroom for the Type I Sabin polio vaccine on a sugar cube—except for the very young, who received theirs in drops.

There no doubt would have been several hundred more people taking the vaccine here Sunday had it not been for the sudden nation-wide "scare" that developed following a few isolated cases of paralytic polio in Canada that nearly everyone figures by now had absolutely no connection with the vaccine itself.

EVEN SO, LOCAL committee members regard the first round of the vaccine here as a success. Helping make it so was the large corps of volunteer workers, many of them Boy Scouts and Girl Scouts.

The man up the street says sometimes a handful of patience is worth more than a bucket full of brains.

ONE OF THE readers of this column sends along the suggestion, "Have An Accident," all neatly typed, but I hope it doesn't catch on and become a chain letter gimmick. Anyway, here it is:

HAVE AN ACCIDENT! Are you bored with it all? Are you looking for a new horizon? Have an accident!

Accidents can open up a whole new exciting world for you. You'll see places and experience sensations like "way out there."

You'll meet pretty young nurses —and probing doctors. You'll learn first hand how emergency wards, operating rooms, surgeons and other specialists function. You may even get a stub or scar which will make an ideal conversation piece.

You can write a best-seller on "How I Was Brought Back From the Brink." You may get your name in the paper. Maybe even get a headline. You may deduct your time lost from your income tax return. You can sit around the house while recuperating and catch up on all the daytime TV shows.

You can solicit sympathy you'd never get otherwise, maybe even from the kids and spouse. Your physical system will be injected with all sorts of drugs and stimulants. The wife might get to go to work; the older kids drop out of school, and so enrich their experiences. The doctor may have to put you on a regime to cure some of your bad habits. You might have to learn a new trade to replace the old one you can't continue and like very much.

So, be reckless. Live modernly. Have an accident. Experience can be a good teacher—if you live through it.

I just know the National Safety Council will love me and my reader for that little "Have an Accident" piece.

DO YOU REMEMBER when everyone wore hats? When little girls cried when they read "Little Women," and the boys got a kick out of the old Rover Boys books they found in the attic? When toys were made of real cast iron and not the breakable "unbreakable" plastic of today? When dogs got left-overs from the table instead of fancy dog food out of cans? Remember? If you do, you're as old or older than I.

## Post Antelopes vs. Morton Indians

### Friday Night, Sept. 21 8 P. M. Kickoff

Coach Harold Teal's Post High Antelopes will hit the road for the first time in the 1962 campaign tomorrow to play the Morton Indians in a non-district game at Morton Friday night. Morton, with a good ball club, is still undefeated with a victory last week over Frenship and a tie the week before with Sudan on their record.

It's the first time in seven years the two clubs will meet, and the Antelopes, still full of vim and vigor, will be out for a victory to make their seasonal record read 2-1.

The Antelopes suffered their first defeat here Friday night to the tough defensive-minded Plains Cowboys, 20-6, but the loss wasn't too damaging. The game saw Coach Teal substitute by units for the first time here for the Antelopes within memory.

The Plains game drew what was probably the largest crowd at a home high school game here in years—a tribute to the reawakened football interest in the Post High Antelopes.

The uniformed pep squad, the band, and a large following of student and adult rooters will follow the Antelopes to Morton tomorrow for the locals' third start.

Enjoy a "football night out" yourself—and go along. The more the better as far as team support goes. See you at Morton!

# Auction sales to be Howdy Days feature

Two of the most unusual auctions in Post's history are scheduled for Saturday—the Howdy Days auctions sponsored by Post merchants through the Post Chamber of Commerce.

The first will be a general merchandise auction, beginning at 9 a. m. in the former Greenfield building in the 200 block East Main.

All participating Howdy Day merchants will have various items of merchandise up for sale to the highest bidder.

The second auction—and the first of its kind ever held here—will be a combined auto, truck, and farm equipment auction. It is scheduled to start at 2 p. m. in the same lot in the 100 block East Main.

The Driver of Post will be the sponsor for both events.

The 29 participating Howdy Day merchants have taken a special page section in today's Dispatch to advertise the auctions, and the items they will put on the auction block, and many snags in their stores for both Friday and Saturday.

Speculars have been distributed over the entire Post trade area setting the auction including close rural routes of Scurry, and Lubbock counties.

A large crowd is anticipated for both auctions.

Don Dunbar is chairman of the Howdy Days Auction event.

The car, truck, and farm equipment will feature the auctioning of new and used cars, trucks, motors, and farm machinery.

All of this will be displayed throughout Saturday morning on the parking lot for inspection by prospective buyers and test driving of the vehicles if desired.

Financing for these auction purchases can be arranged. The general merchandise auction will be cash affair.

Dunbar urged people attending the auctions not to overlook the bargains offered Friday and Saturday in local stores as well.

Participating merchants in the Howdy Days Auctions include Bryan Blams & Son, Collier Chevrolet, Cox Lumber Co., Dunlap's,

First National Bank, Forrest Lumber Co., Garza Tire Co., Gulf Wholesale — Lester Nichols, Guy Floyd Motor Co., Herring's, Hodges Tractor Co., Hudman Furniture Co., Hundley's Men's & Boys' Wear, Jackson Bros. Food Locker, Lavelle's, Levi's Restaurant, Lone Star

Service Station, Marshall-Brown, Maxine's, Parrish Grocery & Market, Post Implement Co., Post Insurance Agency, Post Pharmacy, R. J.'s Furniture Co., Shytles Implement Co., Tom Power—Ford, TV-Appliance Center, Wacker's, and Western Auto.

## Reduced budget adopted

# City in step on holding tax line

The "tax line" has been held for another year—as far as local taxpayers are concerned.

The city commission unanimously adopted its 1962-63 budget Tuesday morning—following a public budget hearing at which no taxpayers appeared to protest or ask questions.

The commission retained the same \$1.50 tax rate as last year.

Similar actions were taken recently to continue the present tax rate by both the county and school district.

The budget for the fiscal year, which began July 1, called for a reduction of approximately

\$45,000 over last year because—said Mayor Powell Shytles explained—we had no late summer paving program this year which would have been in the new budget.

The new budget calls for estimated receipts by the city of \$326,022.50 with estimated expenditures of \$240,645 for operations and \$72,708 for debt retirement and interest.

The city entered its new fiscal year with a cash balance of \$108,348.50 in all funds and should end the year with a cash balance in all funds of \$121,018.

Such fund balances are normal because tax revenues would be

**REALLY NOTHING TO IT**  
Roy Sappington, 8th grade student here, showed at Sunday's mass immunization clinic here how easy it is to take the sugar-cubed Sabin oral polio vaccine. Roy is the son of Mr. and Mrs. R. H. Sappington of the Close City community.

# Polio vaccine is given 3,030 here

## Garza total now stands at 4,435

Although 3,030 persons received the Type I Sabin oral polio vaccine here Sunday afternoon, the "scare" developed over the weekend by the Canadian government's announcement that it was withdrawing use of the oral vaccine for further study cut deeply into the anticipated total here.

The 3,030 persons who received the vaccine at the clinic set up in the school cafeteria brought to 4,435 the number of Garza County

residents who have been given the Type I vaccine.

The 4,435 total represents 68 percent of the county's population, based on the 1960 census.

Phil Crenshaw, chairman of the mass immunization's steering committee, said he and the other committee members are generally well pleased with the response, but had hoped that the total receiving the vaccine might have been greater.

The vaccine was received by 338 Postex Mills employees—296 doses Friday afternoon and 42 doses Saturday.

A total of 97 persons were given the vaccine at Garza Memorial Hospital on Friday, and it is estimated that 1,070 persons have received the vaccine at doctor's offices here.

Contributions at the immunization clinics held here totaled \$677.35, Crenshaw reported. Surplus funds over whatever costs accrued from the program will go to a suitable community project, with the project to be selected by a committee appointed for that purpose.

Dates for receiving Types II and III of the vaccine here are tentatively set for Oct. 28 and Dec. 9, respectively. It is pointed out, however, that these dates are purely tentative, pending health authorities decision on administering the Type III vaccine to adults.

Crenshaw described the immunization program here as "an outstanding community and county effort."

The chairman said: "I would like to express my personal appreciation to the many people and organizations who cooperated to make this the smoothest operating team we could possibly have had.

Without exception, everyone asked to help, willingly said 'yes.'"

Groups and individuals listed by the chairman as contributing to the program include: Rotary and Lions clubs, Women's Hospital Auxiliary, Veterans of Foreign Wars, Girl Scouts, Boy Scouts, Post Art Guild, nursing staff of Garza Memorial Hospital, the Rev. Bernard S. Ramsey, Shelley Camp, Bob Collier, Bob Sinner, Mrs. Leta Smith, Mrs. H. L. Pennie, Mrs. Juanita Pantaja, and others.

"Each organization contributing to the success of the program had one or more individuals putting out a maximum of effort," Crenshaw said.

The Dispatch's want ad department often gets the job done even before the paper can get on the street. The Dispatch early in the week received a classified ad from Mrs. L. C. McMinn at 505 West Seventh, advertising the finding of a Dachshund dog. Yesterday, we received an ad from Harold Teal to advertise the fact that the Teals, who live at 713 West 15th street, had lost their pet Dachshund puppy, Sonny. The Teals were advised of Mrs. McMinn's ad and a call to her brought the good news that she had Sonny awaiting a reunion with the Teals. There was no charge for either ad. Just another example that advertising pays.

In The Dispatch's front window this week for all to see is what Mrs. George M. Leggett believes to be the biggest wasp nest heretofore. She got it out of her garage. It has 131 cells around the outer rim and probably a total of well over 1,000 cells in all. It looks like one of those often-so-strange ladies' hats. It's about that size, Mrs. Leggett, who must like wasps, reported she had five wasp nests in her garage and a total of over 50 on her premises.

The big Howdy Day Auctions are scheduled for Saturday. Don't miss them! You'll have a lot of fun and might save a whole lot of money too. Read all about it in the special section of today's Dispatch, pages 9 through 12.

## Construction already under way

# Board hears explanation of WR dam injunction ruling

With construction already rolling on the Walker ranch land and its infiltration plant, White River directors held a special called meeting at Ralls Monday night to hear a detailed explanation of District Judge Victor H. Lindsey's temporary injunction order against the water district.

The order granted part of the requests brought in an injunction suit by Mrs. Lee Walker and other landowners as a result of the condemnation of nearly 2,000 acres of the Walker ranch as the White River dam site.

JUDGE LINDSEY'S order enjoined the district from using the land condemned above the lake's high water mark for recreational purposes. It also enjoined the district from taking the mineral rights under the condemned land and enjoined the district from taking approximately 50 acres below the dam, through which water would flow when the emergency spillway is used.

Mrs. Walker in her injunction suit had sought to recover all the land condemned above the high water mark, but the judge's order left this in the hands of the water district.

The injunction against use of the lake front for recreational purposes 9 through 12.

As for the 50 acres ordered not to be taken below the dam site, a flow easement can be obtained for the passage of the water from the emergency spillway without the necessity of the land's purchase.

ACCORDING TO information given The Dispatch, Judge Lindsey's order for the temporary injunction will become final unless appealed by either side by Friday, Sept. 22.

Mrs. Walker still has an appeal pending in the Crosby County court contesting the condemnation commission's ruling on the value of the

## McDougle rites conducted here

Jessie McDougle, 68, former Post resident, who died last Thursday in a veteran's hospital in Prescott, Ariz., was buried here at 3 p. m. Sunday after services in Mason Funeral Home chapel.

Mr. McDougle had lived in Post for 28 years before moving to Ash Fork, Ariz., in 1949. He had moved here from Stephenville.

The Rev. Graydon Howell, Calvary Baptist Church pastor, officiated at the funeral services. Interment was in Terrace Cemetery, with military rites conducted by the local Veterans of Foreign Wars post. Mr. McDougle was a veteran of the first world war.

Pallbearers were Jimmy Holleman, Marvin Williams, C. I. Bilberry, C. B. Bilberry, Bill Braddock and Creed Braddock.

Mr. McDougle is survived by a brother, O. A. McDougle of Post, and a number of nieces and nephews.

## Firemen called out

# Arrests imminent in Sunday brawl

City Police Chief Elton Corley said yesterday afternoon that an arrest was near in a Sunday morning fight here that put two Mexicans in the hospital and resulted in the Post Volunteer Fire Department being called out to help City Policeman Dearl Croft round up the fighters.

The only one rounded up was one

of the two most seriously injured in the fight. The other had been taken to the hospital shortly after the fight occurred.

Manuel DeLaRosa, 17, suffered knife wounds in the fight and was taken to his home after being "sewed up" at Garza Memorial Hospital. Jesus Mendola of Ralls was still in the hospital yesterday, suffering from a savage beating. He was the one found by the policeman and firemen.

Croft had been called to the scene of the fight, a vacant lot in the northeast part of town, by a man who lives near where the ruckus was taking place. The fighters had vanished when the policeman arrived.

Police Chief Corley told The Dispatch yesterday that calling out the fire department was a mistake and that his department shoulders the blame for it.

Corley, who was out of town at the time—he had gone to Pasadena to bring his wife home from a hospital—said sheriff's officers and highway patrolmen should have been called by his man to assist in rounding up the fugitives.

"I want it understood," Corley said, "that my department has cooperated with the sheriff's office and the highway patrol in the past and that we shall continue to do so. I intend to see to it personally that the mistake made Sunday morning in calling out the fire department is not repeated."

Croft, who had trailed some of the men to near the city airport, radioed the city-county dispatcher's office here to get help.

He told The Dispatch that he first asked that City Policeman Junior Shepherd be notified and asked to come to his assistance and bring his spotlight.

Croft said that when Radio Dispatcher Walter Crider failed to "get through" to Shepherd, it was decided to call out the firemen.

Sheriff Fay Claborn told The Dispatch that he was not called by the dispatcher until after the siren had been sounded calling out the firemen.

"It was a big mistake to call out volunteer firemen to help do lawmen's work, especially when two sheriff's officers and two highway patrolmen were available," Claborn said.

The sheriff said he told the dispatcher when he finally was called that "things are in such a mess now I'm not even coming down."

"Since the county is paying a big share of our radio set-up, including the dispatcher's salaries, I feel that either myself or my deputy—or both of us—should have been notified at once that the city policeman needed assistance," Claborn said.

## Rudy Ardis buys food store here, parents retiring

Mr. and Mrs. King Ardis have sold the K & K Food Mart here to their son, Rudy, who will take over active management of the store Sunday.

The new name for the food store will be the "Market Basket."

Mr. and Mrs. King Ardis plan to retire from the grocery business after 20 years of operating stores of their own, but will continue to make their home in Post.

Rudy Ardis was in the grocery business in Lubbock for 12 years and operated two food stores there under the name Rudy's Super Values.

For the last 18 months, he was with the Safeway chain as assistant manager of one of their large San Francisco stores.

Rudy is now in the process of painting the store building and installing some new fixtures.

He moved to Post from California with his family several weeks ago to get located before the start of the fall school term.

The Rudy Ardises purchased Mr. and Mrs. King Ardis's home at 510 West Tenth street.

His family consists of his wife, Alice, and two daughters, Judy, age 13, and Jenney, 11.

The King Ardises are now living at 121 North Avenue N.

## Rotarians will host teachers

Post Rotarians will entertain the teaching staff of the Post schools and their wives or husbands with an outdoor meal served at Antelope Stadium Monday night, Oct. 1.

Rotarians' wives also will be invited to the annual event honoring the teachers which is being moved outdoors this year because of the lack of facilities to entertain such a large crowd with a dinner.

Jim Mitchell, chairman of the Rotary's committee for the affair, announced the date at the club's weekly luncheon Tuesday in City Hall.

The luncheon program consisted of a report by Phil Crenshaw on the Sabin oral vaccine drive in the county last weekend and some comments by Dr. James Matthews on the furor aroused over the Type III Sabin oral vaccine.

## Aid is asked in mosquito fight

Dr. James Matthews, county health officer, called for community wide cooperation in the city's efforts to rid the area of hordes of mosquitoes.

The health officer asked all householders to empty any outside containers, bottles, etc., which have water in them so that mosquitoes cannot breed.

Dr. Matthews said the Monday night spraying of the city was very effective and that another spraying is planned for early next week. In the meantime, he wants the water containing vessels emptied as the spray is not effective in getting into such containers.
