## McElroy is new scout executive, moves to Slaton

William W. McElroy has moved to Slaton and has assumed his duties as District Executive for the Mackenzie Trail District and the Comanche Trail District.

Bill is married and they have two children. He has been in Scout-

ing as a professional for over three years. His first assignment was with the Northwest Texas Council and lived in Wichita Falls. Bill had a rich background in scouting as a boy and has served in the U. S. Army.

There are a total of 48 Scout Units—Cub Packs, Scout Troops, and Explorer Units in these two Districts.

Cliff Cummings, Council president, of the South Plains Council, says, "We are very glad to have Bill McElroy join our Council Staff and we know that he will be well

## Vet's Forum

Q. I'm a Korean veteran interested in writing. How may I enter the writing contest conducted for veterans?

A. The Hospitalized Veterans Writing Project is sponsored by Theta Sigma Phi national fraternity for women in journalism, only for veterans who are patients in Veterans Administration hospitals. Although the hospitals, service, civic, welfare organizations, newspaper and magazine editors, and columnists cooperate in the project, it is not open to the general public.

Q. Has Congress granted any special benefits to peacetime veterans yet?

A. Although several proposals of peacetime benefits have been discussed in Congress, none has been enacted into law thus far.

Q. The VA hospital where I was treated years ago wants me to return for a recheck, in connection with a medical research project. Will this affect my compensation?

A. No. A research project has nothing to do with compensation. You can make a valuable contribution to medical science by returning to the hospital for re-examination.

Mr. and Mrs. Manuel Sanchez of Post are parents of a daughter, Rebecca Diann, born at 11:50 p. m. Sept. 7 in Crosbyton Clinic Hospital. She weighed 7 lbs., 8 oz. at birth.

Mr. and Mrs. Ed Blanton are the parents of a baby boy, born Sept. 14 at Garza Memorial Hospital. He has been named John David, and weighed 9 pounds, 6 ounces.

## Two home improvements being made in Grassland

**by MRS. O. H. HOOVER**  
Mr. and Mrs. Roy LeMond recently have had their new home landscaped and it is a place of beauty. The rose and crepe myrtles are in bloom now. Fruit trees are planted in the back. Evergreens now in will some day make a screen around the place.

Mr. and Mrs. C. E. Short are improving their homestead. They have a new roof now and are planning to stucco the house and make a concrete porch.

The college students are leaving one by one. Lendell Norman returned to TCU at Ft. Worth last Sunday. He is a senior this year.

**THE REV. Lendell Leach** is a student at South Plains Junior College at Levelland, but he is commuting, attending school only two days each week.

The Grassland Women's Society of Christian Service met at the church last week to make plans for the year's work. They had not been meeting this summer, but will meet every week now at 9 a. m. each Monday.

The Rev. and Mrs. Wendell Leach entertained in their home Friday night to surprise and help Jim Bob Porterfield celebrate his birthday.

Mrs. H. W. Edwards Sr. of Tahoka was a guest in the home of her daughter and son-in-law, Mr. and Mrs. Roy LeMond.

Mrs. A. L. Shepherd was a visitor in Grassland this week.

Mr. and Mrs. C. M. Green spent most of last week in the mountains of northern New Mexico. They fished while they were there.

Mr. and Mrs. Bob Norman spent the weekend at Lake Thomas. They accompanied their daughter, Lorene, and her family of Brownfield.

**MRS. O. C. HARRISON** visited at Welch with her mother, Mrs. Dothe Fortenberry Sunday. The Rev. Leach after preaching to his congregation here was a guest speaker at the Tahoka Methodist church Sunday evening. Some of his members attended services at Tahoka too.

Mr. and Mrs. Earl Odum and daughter, Shirley, visited Earl's mother, Mrs. D. D. Odum and the Earl Smiths Sunday afternoon. Other visitors were Mr. Cash from Levelland, Mr. and Mrs. Otis Cash of Andrews, Mr. and Mrs. J. E. Thomas and Leroy Carthers of Levelland.

Mr. and Mrs. Roy Appling visited in Houston with their granddaughter and family, and visited their daughter and her family on the return trip.

Mr. Hoover and Jerry are home from Lake Stamford and report a good catch, including one five-pound channel catfish.

# First Christian minister tells sermon subjects

'The Secret of the Triumphant Church' will be the sermon subject of Bernard S. Ramsey, minister of the First Christian Church, at the 11 o'clock morning worship this coming Sunday.

At the 7 o'clock evening worship, he will preach on the topic, "Reddigging Choked Wells."

The minister's evening message will introduce a new series of Sunday evening sermons dealing with the important theme, "What We Believe." The series will include messages relating to what we believe about the Church; Christ; Creeds; the Clergy; the Laity; the Christian Ministry; Baptism; Communion; Restoring New Testament Christianity; the Ministry of the Holy Spirit; the Bible; and other important tenets of our Christian faith.

Sunday School begins at 9:45 a. m. with classes for all ages.

Youth groups include the Chi Rhos (Junior High), who meet each Sunday at 6 p. m. and the CYP'ers (High School), who meet Wednesdays at 7:45 p. m.

A supervised Nursery is maintained for smaller children at all worship services.

The public is always cordially invited to attend our various services.

TWO OF THE NEW 1962 OLDSMOBILES

The new 1962 Oldsmobiles are being introduced here at Caprock Chevrolet & Oldsmobile. Here's the exciting, fun-to-drive Cutlass Convertible (top photo, above), newest member of Oldsmobile's line of nine F-85 models. Also available is a lower-priced F-85 Sports Convertible (lower photo).

## Dealer announces introduction of '62 line of new Oldsmobiles here

The 1962 Oldsmobile 88's and 98's, along with a new Starfire Coupe and the 1962 Oldsmobile F-85's, are on display at Caprock Chevrolet & Oldsmobile here, Claude Collier Jr., manager, announces.

Collier said that the new full-size Oldsmobiles feature a dramatic new styling silhouette with a longer, lower sportier look, outstanding engine performance and quality and reliability unmatched in Oldsmobile history.

"The fresh new profile of our 1962 88's and 98's," Collier said, "has been achieved through completely different front and rear styling, new fender lines, and new crisp roof designs.

"The advanced roof styling, he continued, "is typified in our new 98 Holiday Sports Sedan which combines the eye appeal of a Holiday coupe with the convenience and utility of a four-door model.

"And," Collier added, "Oldsmobile's entire line is further enhanced by the exciting Starfire Coupe. Making its appearance for the first time, the Starfire Coupe will incorporate all the features that have popular."

Collier emphasized that the new Oldsmobiles are even quieter, more comfortable and smoother in operation this year.

Pointing out that Oldsmobile's top performing four-stage Hydra-Matic transmission has been improved again for 1962, he explained that a new "pressure-compensated shift pattern" provides a smoother-than-ever transition between the four speed ranges. And, on the full-size cars, the Hydra-Matic utilizes

a new concept—counter-phased gear sets—which virtually eliminate gear noise even in neutral.

"New highs in Oldsmobile engine performance for 1962 result from several important design improvements," Collier continued. "A new combustion chamber shape and higher (10.25 to 1) compression ratios in the Rocket engine step up power and performance throughout all driving ranges. These improvements in engine efficiency, coupled with lowered rear axle gear ratios, increase fuel economy considerably.

"In the case of the Dynamic 88," he continued, "its ultra-high compression 280-horsepower Rocket engine delivers a substantial increase in performance as well as increased miles per gallon on premium-grade gasolines." (A 260-horsepower Rocket engine with an 8.75 to 1 compression ratio is available as an option at no extra cost for those who prefer to use regular-grade gasoline.

**CHEROKEES** — We have read with much interest, the able address delivered by Chief John Rose at the mass meeting of the Cherokee Nation. He concluded by saying:

"And in view of the circumstances of our situation, I do say to you frankly, that in my opinion the time has now come when you should signify your consent for the authorities of the Nation to adopt preliminary steps for an alliance with the Confederate States, upon terms honorable and advantageous to the Cherokee Nation."

The German Battalion, under Lt. Col. Oswald, made a handsome turnout yesterday afternoon to receive a flag, presented to them by a number of ladies. The ceremony took place in front of the Court House which was handsomely adorned with flags of various nations, that of the Confederacy high above all.

The windows, halls, steps and ground adjacent were occupied by ladies and children, the Battalion being drawn up in line, fronting

the Court House, looking very well. Two German cavalry companies occupied either flank. goodly number of Rangers from the interior, dashing about on horseback and attracting attention from their appearance and equestrianism.

**THE BLOCKADES**—The South Carolina has been down at the west end of the Island taking soundings. She has since left.

The schooner Sam Houston, armed with a pivot gun and 40 men, is blockading San Luis Pass. On Sunday night last (September 22), she got aground in the Pass, out of reach of the guns of the battery, but got off again.

The hundred reports here about this affair, we are authorized to say, are erroneous.

**DIESEL DEBUT IN '62 CHEVROLET TRUCKS**

For the first time, addition of two higher powered V8's, and lower hood lines for better road visibility highlight Chevrolet's 1962 truck line, models of which are on display here at Caprock Chevrolet & Oldsmobile, 111 South Broadway.

**'62 Chevrolet trucks, making diesel debut, displayed at Caprock firm here**

Production of diesel power in medium- and heavy-duty models, new larger displacement engines, broader power team options on the line, lower hood lines for improved driver visibility, and heavy-duty optional front suspensions highlight the 1962 Chevrolet truck lines, models of which are on display here at Caprock Chevrolet & Oldsmobile, 111 South Broadway.

Other features include restyled front grille to include single headlights in all but three models, optional alternating current generators on gasoline models, and optional signal lights as standard equipment on all but one series. Extended life mufflers are offered on all gasoline powered models. Light-duty series, an aluminum light-duty corrosion, Medallion heavy-duty model muffler feature heavier gauge baffles and increased life.

This new line of 198 different models offers our customers the choice of trucks in our history, announced Claud Collier Jr., manager of Caprock Chevrolet & Oldsmobile. "The need for more trucks designed for specific hauling is typified by our entry into the growing diesel market in the medium- and heavy-duty field with new models."

Trucks available for the first time in the 1962 Chevrolet truck line include one General Motors—212 cu. in., in-line four, two gasoline V8's are continuing a total of nine power options. A 261 cu. in. six is being available for the first time as an option in light- and medium-duty trucks with manual trans-

missions, except forward control models.

Suspension systems for 1962 largely carry over the successful design introduced two years ago, featuring independent front wheel suspension with torsion bar springing. Minor modifications have been made for increased durability and capacity.

For extreme off-road operations, two new extra-heavy duty optional I-beam 9,000 and 11,000 lb. front suspensions with leaf springs are available for most models in Chevrolet's heaviest-duty series.

The Corvair 95 line features further refinements in the advanced design introduced last year. These include an automatic choke, an optional limited-slip differential, redesigned double side-door locking mechanisms in panel models for easier operation and convenience of the driver, and an optional single passenger seat which folds forward for easier access to the panel load compartment.

The diesel lineup consists of 15 conventional cab models on 5 wheelbases ranging from 133 to 197 inches with cab-axle dimensions from 60 to 124 inches. GVW range is from 15,000 to 23,000 lbs.

**'62 CHEVROLET JOBMASTER TRUCKS!**  
WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8\*, with 16 1/2 per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six\* adds new sock, new savings in extra-tough applications. You can pick from nine rarin'-to-work, ready-to-save engines.

Handsomeness new work-styling includes forward-sloping hoods that allow drivers to see as much as 10 1/2 feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles\* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! \*Optional at extra cost

# Council holds first meeting

The Post High School Student Council held its first meeting at 7:30 p. m. last Thursday in Mr. Clark's office. Nine representatives attended, along with the sponsor, Mr. Clark.

Judy Clary, president got the meeting under way by explaining the purposes of a Student Council. Then she told about the state con-

vention held in Odessa last spring. The projects for the coming year were discussed and it was decided that the council would be in charge of the concession stands at the basketball games and will also sell annual covers again.

Also discussed was the possibility of getting a foreign exchange student for the 1962-63 term.

We're still lacking Student Council representatives from the Letterman's Club, Speech Club, Science Club, and Pep Squad. When each of these organizations elect their representatives, please notify Mr. Clark or Judy Clary and they will be contacted for the next meeting.

The nine members attending the meeting were: Marianne Jones, vice president; Alyn Cox, Jean Johnston, Harold Wayne Mason, Richard Hart, Jimmy Wells, Dwayne Capps and Wayne McFadin. Members unable to attend were Ruthell Martin and Dicky Vardiman.

# Choral director is 'Teacher of Week'

**By Leatrice Justice**

Our teacher of the week is Mr. George Willson. He is the Choir director of the Post School system. He was born in Frederick, Okla. and attended Oklahoma University at Norman. He graduated with a B.A. degree in music.

Mr. Willson has an excellent background in music. He has been playing piano since he was six years old. He was in band and choir in high school and band in college.

Besides being a choir director at school, he teaches piano and organ in his home.

He is married and lives at 908 West 12th. Mr. and Mrs. Willson have one son, Cy Cecil.

Mr. Willson's hobbies are flowers and music. He loves the beauty of flowers and has made his yard a colorful and attractive place.

He enjoys working with sextets and quartets and other special groups.

Congratulations, Mr. Willson for being chosen "Teacher of the Week."

# Rosie Jackson heads PHS Spanish Club

**By Butch Bowen**

Rosie Jackson was elected president of the Spanish Club.

Others elected to an office were: Vice president, Kenneth Barnes; reporter, Butch Bowen; secretary-treasurer, Meredith Newby, and Pat Cornell as Student Council representative.

# Appeal is sounded for better attendance at FHA meetings

**By Sheila Morris**

Few girls in this school really realize the importance of FHA. Most of the girls are in the organization, but never help with anything, yet are always present when our picture is taken for the annual. This is your club, you may say the

meetings are uninteresting, but you will get out of it only what you put into it.

Last Monday night, Sept. 11, we were very disappointed with the attendance at the first FHA meeting. We planned a very interesting program with Miss Carol Smith, from Tahoka, and an initiation program for the Freshmen.

This meeting began in the choir room. Sheila Morris, president, presided at the meeting. After the initiation ceremony, the program chairman, Mary Ann Williams introduced Miss Smith, who spoke to us on the subject of "What FHA Means to Me". Her talk was very inspiring.

Beverly Young and Alyn Cox gave a report on chapter parents. Afterwards we elected chapter parents. The Senior parents elected were: Mr. and Mrs. Junior Hagins, Mr. and Mrs. Dillard Morris; Junior parents: Mr. and Mrs. R. E. Cox, Mr. and Mrs. Tom Williams; Sophomore parents: Mr. and Mrs. Buck Harrison, Mr. and Mrs. Ray Hodges; Freshman parents: Mr. and Mrs. Walter Johnson, Mrs. Lucile McBride.

Our next meeting is Oct. 2. Hope you'll all be there!

# Commercial Dept. sponsors display

**By Donna Robison**

This week the Commercial Department has the display in the trophy case. It consists of illustrations of the proper positions while typing and also shows pictures of the recent models of typewriters, which now come in various colors.

For all the shorthand and book-keeping students, it shows the proper way to do your homework and gives time-saving methods for your convenience.

The Typing II students this week will begin using their new workbooks. This workbook gives practice on different business forms which will be very helpful during the year.

# Freshman officers hold discussions

**By Susan Cornish**

The Freshman officers, Benny Owen, president; Dee Ann Walker, vice-president; Carolyn Mataler, secretary; Danny Pierce, treasurer; Dicky Vardiman, Student Council representative; Susan Cornish, reporter, met at Dee Ann's house to discuss the motto, colors, parties, and room mothers for the freshman class.

While discussing them we feasted on cupcakes and Cokes. Tuesday we will present our plans to the class and vote on them.

# Junior High Band chooses officers

**By Linda Hays**

Junior Band officers were elected Monday. They were as follows: Ronnie Pierce, president; Donnie Windham, vice president; Bo Hutchins, secretary, and Linda Hays, reporter.

Friday, we spent the period marching. Everyone had their heels kicked. Could it have been because we were out of step?

The band officers will meet once a week and discuss things. This way, the band will have more fun this year. We may elect other officers when things get organized.

Among the band members, Ronnie Pedy was high in selling Post Lions Club raffle tickets with 135. Linda Hays was second with 129. We wish to thank all those who contributed and those who sold. Ronnie will receive \$5 and Linda, \$2.50. We thank Mr. Meisch for letting us sell. It is too bad we didn't sell all of them.

Later on, there will be interviews of new band students. Here are their names: Debra Wisdom, Doylene Worley and Scharlene Holland.

# WHAT IF? . . .

Sandra Stewart's hair remained the same color for one week?  
 Donna Robison failed her typing test?  
 Glenn Polk didn't have Judy McCullough?  
 Wayne McFadin didn't run a taxi cab?  
 Ruthell Martin didn't have any sweaters?  
 Ronald Storie didn't have insurance?  
 John Bilberry grows up to look like John Blocker?  
 Sandra Lobban had a shortage of nylons?  
 David Lee had clean keds?  
 Dean Johnston didn't know any jokes?  
 Bobby Hudman couldn't talk?  
 Charlotte Covey finds out she's a student and not a visitor?  
 Lee Williams were human?  
 Dwayne Capps and Janith Short find they are related?  
 Jerry Stone learned to talk?  
 Freshmen looked up to Seniors?  
 Mr. Baxter were short, skinny, and taught Home Ec?

# Practice teachers in Homemaking

**By Sheila Morris**

Judy O'Neal from Houston and Jackie Kidwell from Vernon, Texas, both Seniors from Texas Tech, are getting their observation and practice teaching in the Homemaking department here in Post.

They will observe this week and probably help or work with the homemaking teachers next week.

Judy and Jackie will be living in Post for about two months and then they will go back to Lubbock. We hope you both enjoy your stay in Post.

# Committee chairman named by Juniors

**By Lynda Taylor**

The Junior class appointed James Mitchell as chairman of the Junior Ways and Means Committee at their second class meeting Thursday.

James selected Glenn Polk, Glenda Hutto, Stanna Butler, and Lin Alyn Cox to complete the committee.

This committee will head most of the Junior's activities and is an important asset to the Junior class.

# Wilburn Bigott new coach of 7th grade

**By Gene Wilkerson**

Among the new teachers of our Junior High staff is Coach Wilburn Bigott.

He moved here at the first of the school year, and this is his first year to teach.

He was born in Ganado, Texas, on Aug. 19, 1938. He is 23 years old. He graduated from the University of Houston on Aug. 29, 1961.

This year Coach Bigott has the 7th grade football team.

# 5 cheerleaders are named in Junior High

**By Julie Clark**

The Junior High School students have elected the following cheerleaders for the year:

8th Grade: Beverly Duncan and Pam Owen.  
 7th Grade: Marcia Newby and Linda Otman.  
 6th Grade: Julie Clark.

The uniforms are going to be black sweaters, black skirts, gold socks and black shoes. Julie Clark will have a white sweater.

The Senior boys are losing their Senior rings? Such as Jerry Thuet to Lynette Potts, Tommy Bouchier to Margie Harrison, Larry Williams to Linda McMahon, Dwayne Capps to Janith Short, Nuel Landreth to Virginia Young, Wayne McFadin to Lori Covey.

The Antelopes spoiled Spur's homecoming.

The Antelopes have a few new players—John Valdez, Jerry Bush, Freddie Simmons and Ronald Storie.

The Antelopes have a chartered bus to Ballinger this week.

Someone finally stole Dwayne Capps' typewriter. Who did it, Ruthell and Judy?

The paper staff is desperate for new ideas.

# Glenda Hutto elected to head Library Club

**By Charlotte L. Covey**

The newly organized Library Club elected officers Sept. 12.

The president is Glenda Hutto, the vice president is Wayne McFadin, the secretary is Donna Robison and the treasurer is Cecelia Bland.

The Library Club went over the basic library procedure. We all enjoyed our meeting and we are looking forward to our next one.

I'll try to keep you posted on the happenings in the Library.

# ENGLISH NEWS

**By Jean Johnston**

In English I the Freshmen are telling short stories. Also Mrs. Smith was sick Thursday and Friday. We certainly missed her and hope she is feeling better.

# PHS Choir news

# Singing groups begin practice

**By Margaret Ritchie**

Mr. Willson is quite pleased with the choir this year and we, students in the choir, are very privileged in having such a fine director.

The choir members elected Dwayne Capps as Student Council representative.

Practice is under way by the freshman sextets, boys' quartet and boys' trio.

Members of these groups are the following:

Freshman Sextet: Gayle Tittle and Carolyn Mataler, mezzo; Dee Ann Walker and Meredith Newby, soprano; Gayle Johnson and Karen Haley, alto.

Freshman Sextet: Carolyn Carlisle and Fay Crawford, mezzo; Vickie Wilks and Cheryl Martin, alto; Linda Gist and Carolyn Walker, soprano.

Boys' Quartet: Dwayne Capps, first tenor; Glen Polk, second tenor; Jimmy Wells, first bass; Teddy Scott, second bass.

Boys' Trio: Robert Johnson, Laylan Bratcher, Daniel Johnson.

# LOVELORN LETTERS

# Flabby Abby

**Dear Flabby:**

I'm a young, good-looking boy of 16 years. I recently began to shave. My problem is that I used to have warts with short pink fuzz, but every time I shaved I would cut one off and in its place two grew back, twice as big. My girl friend always teases me about this embarrassing problem. She has given me quite a complex. She has even gone to the extreme of putting the nickname "Worried Wart" on me because of my face. What is the solution to my small problem?

**Worried Wart**

**Dear W. Wart:**

It is your face; therefore it is your privilege to grow anything you desire. To avoid all the attention on your warts, get in the hot sun and freckle yourself!

Flabby Abby

# 'Dace' is puzzler to most students

Some of the Junior High students and teachers were asked what they would do with a "dace". Here are some of the replies:

Michael Petty: I would put it in my pocket and walk away.  
 Larry Crenshaw: I would eat it.  
 Mrs. Williams: Maybe it would be a weapon.  
 Mr. Whittenberg: I would put it away until I found out what it is.  
 Dick Kennedy: I would use it to eat with.  
 Ann Byrd: It is a person.  
 Daryl McFadin: It is a mother cow.  
 Mary Barnes: I never heard of it.

# Junior High paper staff is named

**By Marcia Newby**

Carol Camp, 8th grade, is editor and Marcia Newby, 7th grade, is assistant editor for the Junior High School section of the school page.

The Junior High reporters are Danny Markham and Julie Clark, 6th grade; Sherry Woods, 7th grade, and Gene Wilkerson and Mary Barnes, 8th grade.

Special reporters are Linda Hays, band reporter, and Dick Kennedy, sports reporter.

Speaking for all the reporters, we want to express our full appreciation to our sponsor, Mrs. Ethel Florence.

We all hope to make this paper a successful one.

# Language Arts pupils off to good start

**By Julie Clark**

Our teacher in Language Arts is Mrs. Florence.

So far, we have been studying predicate verbs and simple subjects. We are learning how to use words correctly. Also we are learning parts of sentences and what the parts mean and how to find them.

We are practicing writing correctly and talking correctly together.

# This year's band Post's biggest

**By Ruthell Martin**

The band this year is the largest Post has had in quite a while. If you will think back a few years, you will recall that it usually consisted of about 30 to 35 kids.

Mr. Meisch is very proud of his "Big 78," including 8th graders. You'll have to admit that the band sounds a lot better, but of course we haven't got the marching down good. YET!

Maybe you've also noticed the band uniforms. Some of the younger members are wearing black letter jackets for the top part of the uniform. This is because such a large group came in this year. If we can manage, we hope to have uniforms all alike by next year.

# Surprise! Linda Taylor was Mystery Student

**By Charlotte Taylor**

Lynda Taylor was the mystery student this last week. She was detected by Charlotte Covey and Ruthell Martin. It was a surprise to everyone. Even Lynda had been wondering who the mystery student was.

We hope everyone enjoyed the paper this last week. Come on and let us know by turning some of the gossip into any one on the paper staff.

# By Special Bus It's "On to Ballinger"

## Post Antelopes Vs. Ballinger Bearcats

### Friday, Sept. 22

### At Ballinger

### KICKOFF TIME — 8 P.M.

Fresh from the first victory over Spur in ten years, Coch Vernard Alexander's improved Post High School Antelopes make their longest trip of the season tomorrow to play the Ballinger Bearcats at Ballinger tomorrow night.

But they won't be alone. There will be plenty of rooters to support them. Not only will the band and pep squad club make the journey in school buses, but adult fans have chartered a 40-passenger bus for the round-trip journey.

The Bearcats will be favored on their home field and comparative scores gives them an edge. But not as big an edge as it was first believed. The Colorado City Wolves, which whammed the Antelopes here in their only home start with a burst of dazzling speed and long touch-

down runs, defeated the Bearcats 13-0 at Colorado City Friday night, shoving across two final period scores for the triumph. But it might be added that the Antelopes gained more yards and first downs against the tough Wolves' defense than did the Bearcats. What's more the Antelopes came along strong last week with their best offensive show in a long time against the always tough Spur Bulldogs.

With no "soft spots" on a rugged schedule, the Antelopes will be out to even their season's record Friday night at 2-2 with a triumph over Ballinger.

Ballinger is a long ways from Post but Post rooters will be strong and loud in their support. If you want to go by bus, check Hans Hudman right now. There still might be a few seats left.

# State Capital NEWS

By Vern Stanford

AUSTIN.—Hurricane Carla has had its impact on the State Capitol. But not like it did on the Coast.

Refugees camped on the Capitol grounds the first night of the storm. They were moved into public buildings as the rains reached Austin. Several giant trees of the Capitol grounds were blown down, and the Board of Control estimated damage of \$5,000 to Capitol grounds and buildings.

State officials were busy, too. Gov. Price Daniel's on-the-scene inspections led to several coastal counties being declared disaster areas. Thus they became eligible for Federal aid.

State Insurance Chairman Thomas Ferguson announced that several hundred insurance adjusters had moved into the coastal area to begin estimating damages to insured properties.

So far no one had any estimate of the total damage Carla did to Texas.

One sure thing is that insurance companies, which have taken in about \$15,000,000 in premiums this year for windstorm and rain damage in the seacoast territory, will have substantial losses to pay above their income from this source.

COMPTROLLER Robert S. Calvert is still issuing rulings on how the new state tax applies to specific sales situations.

He has changed his mind for the first time. It's on the subject of repairs.

New ruling declares that the repairman is the consumer of the tangible personal property which goes into a repair job, unless he has a contract under which he is to bill the customer separately for labor and parts or materials. In that case, he can collect the sales tax from the customer on the materials only. But if the repair contract is for a lump sum price, the repairman must pay the 2 per cent sales tax on the supplies and materials at his cost.

These and other complications of the high new tax law led to two proposals for changes.

Atty. Gen. Will Wilson recommended that it be changed to an across-the-board 2 per cent tax, with no exemptions.

State AFL-CIO Pres. H. S. Brown called for complete repeal of the sales tax, and substitution of an income tax which he said "you pay just once a year, instead of 15 times a day."

THE NEW revision of the law which used to exempt farm trailers from license fees has lots of people in a sweat. The law was revised twice during the spring session of

the Legislature. Governor Daniel vetoed the first bill by Rep. Grainger McIlhenny of Wheeler, so it was passed again in modified form.

It now requires larger farm trailers to have "exemption tags" which cost \$5. It also requires owners of oil-well servicing and drilling equipment to have license plates if they are to be moved over the highways.

Oilfield servicing companies brought suit to set aside this interpretation of the law. License plates, based on weight, would be staggering, they claim as they maintain that the legislature did not mean to tax them when in an exemption for the water well drillers.

Rural legislators report some farmers aren't happy about having to pay \$5 to be exempt.

ANOTHER NEW act of the Legislature which took effect Sept. 1 levied a tax and license requirements on the "private clubs" where mixed drinks are served.

Texas Liquor Control Board had little idea how many such clubs there are, and how many members they had. In the first two weeks, the license-fee receipts at the Liquor Board came to \$420,000, and returns are still coming in.

This would indicate a private-club membership of about 210,000, since the tax is approximately \$2 per member per year. Clubs operated by veterans organizations and fraternal organizations are exempt from the tax and license requirements.

The new law was pushed by the hotel and restaurant people, who wanted to get the private clubs legalized and out of the no-man's land where they have been operating for several years. Regulations require them to have food available to serve their members and guests in order to be eligible for a license.

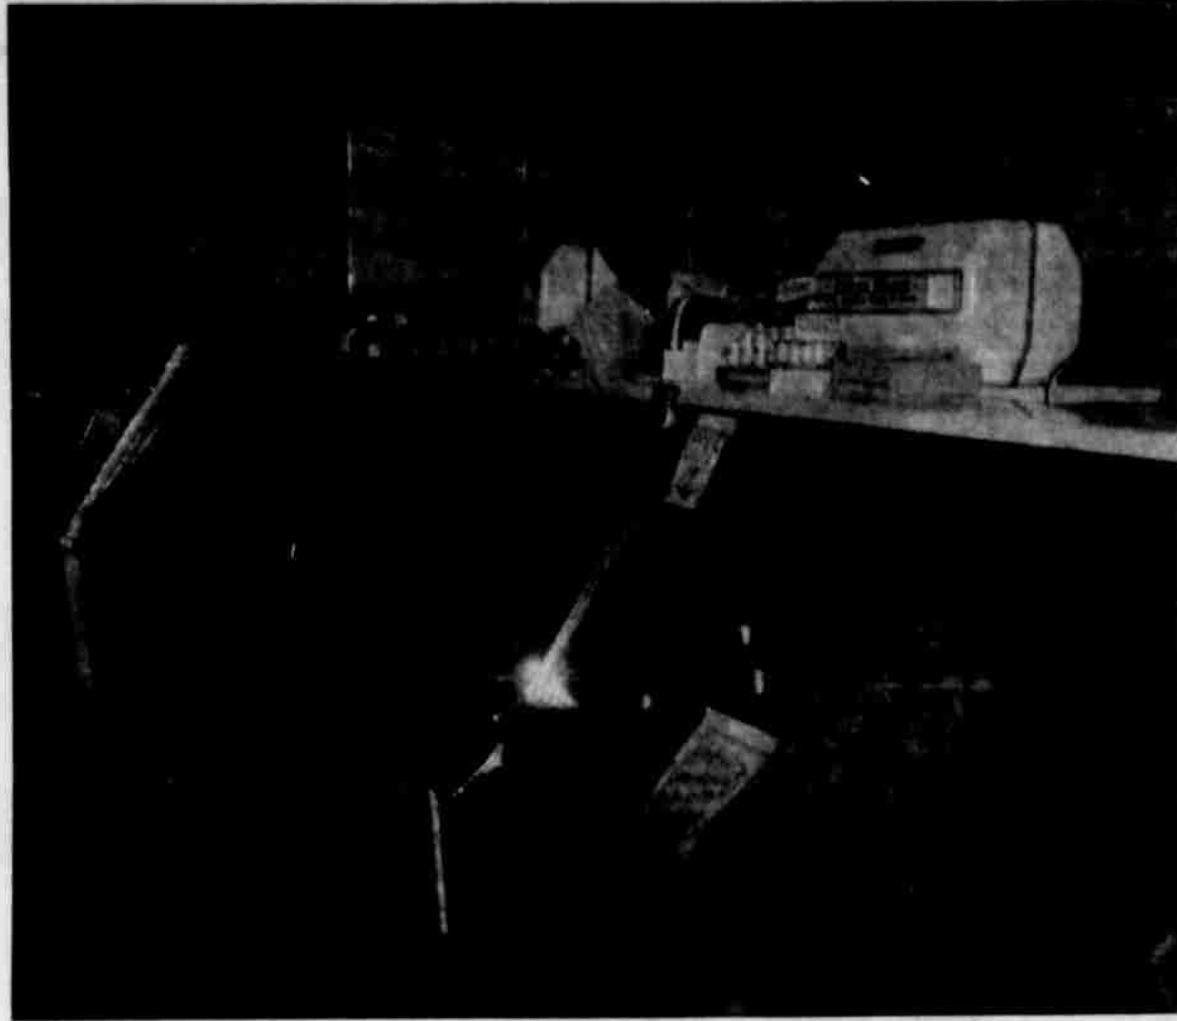

LEUT. GOV. Ben Ramsey became Railroad Commissioner Ben Ramsey in ceremonies Monday, and went right to work at the state-wide oil proration hearing held Tuesday.

Ramsey leaves behind a record that probably will never be broken—election to six terms as lieutenant governor. Some earlier holders of that office had won as many as three terms, but there had been few of them.

Ramsey's salary goes up from \$4,800 a year and an apartment in the Capitol to \$17,500 a year, but he will have to pay his own rent.

Sen. Bruce Reagan of Corpus Christi assumes the duties of lieutenant governor until the special session opens. Then the Senate will choose another senator to preside over its meetings. Choice lies between Senators Culp Krueger of El Campo, Charles Herring of Austin and Henry Gonzales of San Antonio. All three came to the Senate on the same day in 1957.

Senators Preston Smith of Lubbock, Crawford Martin of Hillsboro, Robert Baker of Houston, Wardlow Lane of Center, A. M. Aiken Jr. of Paris, George Parkhouse of

Dallas and Speaker James A. Turman of Gober are among the officeholders considered likely to run for lieutenant governor.

Don Yarborough of Houston, who gave Ramsey his closest race for the office in 1960, is also expected to run.

Maury Maverick Jr. of San Antonio is another potential candidate.

THE YEAR-END report of Comptroller Calvert gives Texans an idea of how big their state government has become.

During the state fiscal year which ended Aug. 31, the state government took in \$1,210,107,355 and spent \$1,192,569,099. Of the spending, \$370,000,000 went for highways, \$468,000,000 for education, and \$188,000,000 for public welfare.

Those three big items total \$1,000,000, leaving less than \$9,000,000 for all other activities of state government, including the executive department, the courts, the legislature, safety, health, state mental hospitals and the correctional institutions.

The figure on state spending will be substantially larger this year, mainly because of the increases in the school-aid program and the improvements in higher education. Biggest source of state money is Federal grants for highways, education, welfare, game and fish, health and other programs. They add up to \$228,000,000 a year. The new retail sales tax will be the third biggest source of money this year. It is estimated to bring in about \$150,000,000, which will put it ahead of the oil production tax, the present third-place source of money at \$122,000,000 a year, but still behind the motor fuel sales tax, which brought in \$177,000,000.

## His new store is dream come true

The new Thriftway Super Market is Wallace Simpson's dream come true.

The well known local grocer and meat man, who is holding the grand opening of his new store this week, started working in a meat market when he had to stand on an apple box to reach the block. That was before the days of meat counters.

He has worked with meat and groceries ever since—first for other people, finally for himself.

This is his fourth food market—but the first he has had the opportunity to plan and build just the way he wanted it.

Simpson came to Post in December, 1953, and opened his own food market here. He operated it until Jan. 1, 1960, when he sold it.

During his years in Post he also owned and operated the food locker plant, which he sold two years ago this month. He started and operated the local radio station. This he sold three years ago. He has

also farmed cotton here. But Simpson had many years in the meat and grocery business behind him before coming to Post.

Besides his other Post store, Wallace also has had his own food markets at both Eunice and Lovington, N. M.

He invites everyone to come visit his Thriftway Super Market this week during his four-day Grand Opening, which ends Saturday.

## Eagles defeat Guthrie, 52-8

The Southland Eagles, who outclassed the Guthrie Jaguars, 52-8, Friday night, are to meet the Patton Springs Rangers Friday night at Patton Springs.

Coach Duane Locke's eight-man team opened the scoring with a 50-yard punt. Coach Locke's eighth-man, speedy halfback Travis Lancaster scored a touchdown in the first quarter. Lancaster also scored again in the third quarter, this time on a 30-yard run.

Halfback Johnny Haire carried the ball 25 yards for a touchdown in the second quarter, and scored another TD in the third quarter on a 65-yard kickoff return.

Sammy Ellis, quarterback and captain of the Southland team, scored a first quarter touchdown and ran two extra points. He also was an outstanding defensive end.

Edwin Lewis, an end for the Eagles, scored a touchdown on a pass from Ellis and ran over two extra points.

The Eagles' other touchdown was made by end Don Parker on a pass from Ellis. He also ran for two extra points.

Guthrie's only touchdown came on a quarterback sneak in the third quarter.

Southland's "B" team saw considerable action in the game, with one of its members, Trent Smith, making a fourth quarter touchdown. All of Coach Locke's players saw action.

Following the Patton Springs game Friday, the Eagles' next home game will be against Roaring Springs, Sept. 29.

## 8th grade team defeats Lamesa; 7th graders tie

Coach Richard Souter's 8th grade team won its second game in as many starts by shutting out Lamesa, 28 to 0, Tuesday afternoon at Lamesa.

Coach Wilburn Bigott's 7th grade team tied Lamesa, 6 to 6, after leading until the last three minutes.

Long passes and long runs won the game for the 8th graders, with all the scoring coming in the first half.

Post got off to a first quarter lead when quarterback Louis Ayala passed to end Lamar Jones for a touchdown, the pass and run covering 35 yards. Ayala ran over the extra points to make it 8-0.

In the second quarter, fullback Manuel Mindieta rounded left end for 30 yards and a touchdown; halfback Ruben Solis turned in a thrilling 75-yard sideline run for another, and Ayala added the fourth touchdown when he went 35 yards after apparently being trapped on a passing attempt. Ayala ran over the EP's to make the final score 28-0.

The 8th grade team had only 13 boys suited out for the game. "They all turned in a fine game on both offense and defense," the coach said.

The 7th grade team scored in the first quarter on a 20-yard pass play from quarterback Dick Kennedy to end Ronnie Pierce, but the try for the extra points failed.

The 7th grade lead stood up until Lamesa intercepted a pass late in the final quarter and ran it back 60 yards for a touchdown. Lamesa lost their chance to win the game when the ball carrier fumbled on an attempt to run over the extra points.

The Antelopes soon mounted another scoring threat after freshman end Danny Pierce recovered Walker's fumble on the Spur 32, but Mason fumbled after rambling down to the 10, and Spur recovered.

**AFTER A LINE** play had gained two yards, halfback Joe Howell fumbled and Post tackle Larry Williams pounced on the ball on the Spur 6. Mason hit the line a couple of times to get down to the 1, from where Acker went over on a quarterback sneak, with 5:50 still to play in the quarter. Mason banged through the line for the extra points to put the Antelopes out in front, 14-7.

The Bulldogs came back fast and furious, barging down to the Post 30, but Acker intercepted one of Walker's passes on the 12 to take off the pressure.

On the first play following the interception, Acker spotted Capps behind the Spur defenders on the Post 35 and lofted him a perfect strike. Capps gathered it in on the dead run and got to the Spur 30 before Parsons overhauled him

## Post rubs out Spur jinx in 21-15 win

The Post Antelopes, striking for three touchdowns in the second quarter and then holding grimly on Friday night, defeated the Spur Bulldogs for the first time since 1951.

Spur, trailing 21-7 at halftime, rallied for a fourth quarter touchdown to make the final score 21-15, but had it not been for a few bad breaks against the fired-up Post team, their margin of victory would have been larger.

The Post victory added a sour note to Spur's two-day homecoming celebration.

The last time Post had beat Spur before Friday night's game was in 1951 when the Antelopes squeezed out a 15-13 victory.

The Bulldogs drew first blood Friday night late in the first quarter after end Mac Bell had intercepted quarterback Leslie Acker's pass on the midfield stripe and returned it to the Post 20.

**FOUR PLAYS** found the Bulldogs on the Post 2 and from there quarterback Richard Walker passed to halfback Curt Parsons for the six-pointer, with 3:30 to go in the period. Parsons booted the extra point to put Spur ahead, 7-0.

The Antelopes lost little time in getting back into the game.

Freshman halfback Teddy Scott made a nice return of the kickoff from the 20 to the Post 41, and two first downs, with fullback Harold Wayne Mason and Scott carrying and Acker hitting end Dwayne Capps with a nine-yard pass, placed the ball on the Spur 34.

Mason carried twice for 14 yards and halfback Ken Rankin once for 10 to deposit the pigskin on the 10, from where Mason broke through for the TD, with 7:30 to go in the quarter. Acker's pass to Mason for the extra points failed to connect, and Spur was still out in front, 7-6.

The Antelopes soon mounted another scoring threat after freshman end Danny Pierce recovered Walker's fumble on the Spur 32, but Mason fumbled after rambling down to the 10, and Spur recovered.

**AFTER A LINE** play had gained two yards, halfback Joe Howell fumbled and Post tackle Larry Williams pounced on the ball on the Spur 6. Mason hit the line a couple of times to get down to the 1, from where Acker went over on a quarterback sneak, with 5:50 still to play in the quarter. Mason banged through the line for the extra points to put the Antelopes out in front, 14-7.

The Bulldogs came back fast and furious, barging down to the Post 30, but Acker intercepted one of Walker's passes on the 12 to take off the pressure.

On the first play following the interception, Acker spotted Capps behind the Spur defenders on the Post 35 and lofted him a perfect strike. Capps gathered it in on the dead run and got to the Spur 30 before Parsons overhauled him

passed to Parsons for the extra points.

Spur tried an on-side kick, but guard Buddy Moreland played it cool and covered on the Antelope 49. The game ended one play later, with Mason galloping for 16 yards to the Spur 35.

Post's only defensive troubles of the night came at the corner spots. The center of the line, with Bush, Williams, Pat Sullivan, Moreland and Dean Johnston turning in good games, held steadily, with good backing coming from linebackers Bobby Hudman and Bouchier.

Mason was the night's leading ground gainer with a net 120 yards on 21 carries.

## Bearcat record same as Lopes, 1 win, 2 losses

Fresh from a 21-15 victory over arch-rival Spur, the Post Antelopes will journey to Ballinger Friday for their longest trip of the season and a game against the District 7AA Bearcats of Coach Bob Wright.

Coach Vernard Alexander's Antelopes will be seeking revenge for a 52-0 defeat pinned on them by Ballinger last season.

Last Friday, the Bearcats fought the Class AA Colorado City Wolves to a standstill on the Wolves' own field before yielding two fourth quarter touchdowns and losing 13 to 0.

The week before, Colorado City had opened its season with a 57 to 0 triumph over Post.

The comparative scores aren't dampening the hopes of many Post fans, however. They feel the Antelopes are vastly improved over what they were when they played Colorado City here two weeks ago.

**ADDED TO THAT** is the fact that Ballinger did not do nearly as well against the Colorado City defense as the Antelopes. Ballinger made only four first downs against Colorado City as compared with eight for Post, and gained only 25 yards passing against the Wolves as compared with the 103 yards passing chalked up by Post against the same team.

Colorado City yielded only 68 yards total offense to Ballinger, but gave up 125 yards total offense to the Antelopes.

Ballinger was able to penetrate only as far as the Colorado City 39, whereas Post drove as deep as the Wolf 26.

With the possible exception of end Dwayne Capps, who re-injured his hip at Spur, the Antelopes are expected to be at full strength against Ballinger, Coach Alexander said.

The Post squad has been strengthened by three newcomers, all of whom contributed to last Friday night's victory at Spur. They are 212-pound Jerry Bush, who played

## Registration to end Oct. 14 for Punt, Pass, Kick event

Vernard Alexander, Post High school athletic director, has been named director of competition for the Punt, Pass and Kick program to be held here Oct. 21 for boys and girls in grades 5-12.

The announcement of the event was made today by Tom Power of Tom Power Ford, Inc., local sponsor of the competition.

Alexander will be assisted by other members of the coaching staff, who include Harold Reich, Gerald Loyd, Glenn Gregory, Richard Souter, Wilburn Bigott and Van Kountz.

In the competition, boys will be judged on the distance and accuracy of their passing, punting and place-kicking. Two winners, one from each age group, will receive football uniforms and may have the opportunity to compete in the national eliminations, depending upon their scores. Warm-up jackets and footballs are prizes for the winners of second and third place, respectively.

Scores of the top winners in the Post competition will be compared with scores of other winners in this area, and the five best youthful football specialists will pass, punt and kick for national honors.

Post boys within the age limit now may register at Tom Power Ford, Inc., between now and Oct. 14, the date on which the registration closes. To register, they are required to be accompanied by a parent or guardian.

The PP&K program is being sponsored nationally by the Ford Division of Ford Motor Company.

**James Williams spurs Lion win**

James Williams, talented senior quarterback from Post, led the East Texas State Lions past the Abilene Christian College Wildcats at Commerce Saturday night in the first game of the season for both teams.

Williams scored one touchdown and gained 62 yards rushing in the Lions' 16 to 14 victory over ACC. He carried the ball 17 times.

The winning margin for East Texas proved to be a first quarter field goal from the toe of halfback George Boynton.

**DINNER GUESTS**

Mr. and Mrs. Bob Russell had as their dinner guests on Sunday their children and their families. They were Mr. and Mrs. Scott Russell, Phil and Gwynn of Lamesa, Mr. and Mrs. Cecil Mahoney, Debbie and Mike of Snyder, Mr. and Mrs. Hans Hudman, Randy, Bill and Bobby of Post.

# Mrs. D. H. Bartlett new Close City correspondent

By MRS. DURWARD BARTLETT

To begin with, I would like to say I appreciate being asked to report the news of this community, and I will do my best, although this is a new experience for me. I hope, with everyone's help, not to leave anyone's news out. I would appreciate everyone either phoning, writing, or sending the news to my children at school so they can get it to me by Monday afternoon, so I can report it on time. Your visits to give me news will be appreciated, also.

Mr. Riley's room elected room mothers this week. They are: 5th Grade, Mrs. D. H. Bartlett and Mrs. Douglas Tipton; 6th Grade, Mrs. Lois Childs; 7th Grade, Mrs. Cleo Sappington and Mrs. Mary Etta Pruitt.

IN A RECENT meeting of the School Mothers, they organized and elected Mrs. Cleo Sappington, president; Mrs. Lois Childs, vice president, and Mrs. Vivian Nealon, secretary. Others present at the meeting were Meses, Mary Etta Pruitt, Troy Nelson, Joan Basinger, Gates, Claudine Bilberry, Douglas Tipton, Ruth Pate, Marshall Tipton, Howard Justice and Mozelle Bartlett.

Harlan Sappington spent the night with Jimmy D. Bartlett. They attended the 8th grade football game with Julia, Nedra and Mrs. Childs that night.

Among the people ill the past week in this community were Mr. and Mrs. Frank Bostick and children, Danny and Sandra; Mrs. G. C. Custer, who hasn't been well; Mrs. Durward Bartlett, in bed with a bad case of asthma; Howard Teaff, in bed with diabetes and complications; Mrs. Mike Custer, suffering from hay fever, and Mrs. Douglas Tipton, a cold; also Nedra Childs, suffering from hay fever and asthma. We wish everyone a speedy recovery.

MR. AND MRS. Chester Morris and Anne expect to be moving to their new home in Post soon. We will miss them in this community. Mrs. Wren Cross visited Mrs. Marshall Tipton and family Tuesday until after lunch and then attended the Merry-makers Club meeting at Mrs. Will Teaff's. She also spent Sunday with them.

Mr. and Mrs. Durward Bartlett were in Lubbock on business Friday.

Mrs. Frank Bostick was a Lubbock business visitor Saturday.

Mr. and Mrs. W. H. Childs, Julia and Nedra, were accompanied by Jimmy D. Bartlett to the Post-Spur football game Friday night at Spur.

Mr. and Mrs. Glenn Dale Wheatley and Elizabeth Kay visited Monday night with Mr. and Mrs. Durward Bartlett, Jimmy D. and Barbara Beth.

Visitors Sunday in the Durward Bartlett home were his uncle and aunt, Mr. and Mrs. V. L. McKinley Sr. of Lubbock, and Mrs. Laura Bartlett and Mrs. Thelma Kuyken-

dall of Post.

Mr. and Mrs. Wayne Runkles from Texas Tech were visitors in the Douglas Livingston home. Also guests of the Livingstons Sunday were Mr. and Mrs. A. J. McAllister, Tina and Tracy, of Post.

JIM BOB Shults and Sammy Sanders are enrolled this semester at Texas Tech.

Anne Morris returned home Monday from Big Spring, where she spent a week taking tests to enter Howard County Junior College. Anne decided to wait until next term to enter college.

We wish to say a late welcome to the D. D. Irvins, who have moved to our community. We are glad to have their son, Charles, in Close City School, and understand they have two children in Post High School.

Mr. and Mrs. Harvey Riley were in Dallas and Garland over the weekend. They visited their new grandson, David, and his parents. His mother is Mrs. Virginia Cooper and they live in Garland. They also visited their other daughter, Mrs. Mary Ellen Batchelor, and family in Dallas.

MR. AND MRS. Irvin Cross were in Andrews Friday and Saturday visiting Mr. and Mrs. Bob Dietrich.

Guests Thursday night of the Frank Bostick family were Mr. and Mrs. Bill Littrell and Harold Williams of Post.

Mr. and Mrs. Delmo Gossett and family of Lubbock visited Sunday afternoon in the home of Mr. and Mrs. Lonnie Peel.

The Douglas Tiptons had as guests Friday night Mr. and Mrs. Marshall Tipton and daughters, Mr. and Mrs. Thurman Maddox and daughters and Mr. and Mrs. Reese Hodges of Post.

Mr. and Mrs. Marshall Tipton and JoDine visited Mr. and Mrs. Jack Mathis Thursday afternoon.

Mr. and Mrs. Chester Morris visited Thursday afternoon with Mrs. Maude Thomas.

Peggy Ramsey was an overnight guest Friday of Anne Morris.

Mr. and Mrs. Bo Wheatley returned last week from Waxahachie where they attended funeral services for his sister, Mrs. Verner Hays. Also attending the funeral from here were Henry Wheatley and Mr. and Mrs. Glenn Wheatley. Mrs. Hays had been ill for many years.

MRS. D. C. Roberts and Mrs. George Leggett attended the Cavalcade of Homes in Lubbock, while Mr. Roberts and Mr. Leggett visited in Tahoka.

Mr. and Mrs. George Leggett attended the Eckols' 50th wedding anniversary Sunday.

Mr. and Mrs. Chester Morris visited Sunday in Andrews with her brother, Norman Jones, and family.

Ruby Mason took Mr. and Mrs. L. R. Mason home to Plainview with her. Mr. Mason will enter a hospital there for surgery.

Recent guests of Mr. and Mrs. Jake Heiskell were their daughter, Mrs. Jean Harmatiuk, and daughters from Whippany, N. J.

Visitors in the Will Teaff home Sunday were Mr. and Mrs. Milton Bayer and family of Brownfield and Mr. and Mrs. Roy Teaff of Post.

The Durward Bartletts received word that their sister-in-law, Mrs. Henry Bartlett, had returned to her home in Lubbock after having undergone surgery on her hand. Mrs. Bartlett also received word from an aunt, Mrs. Gladys Geisler of Texas City, that she and her husband had gone to Bryan, Tex., to await Hurricane Carla's passing. Several cousins of Texas City, Galveston, and along the Texas and Louisiana coasts have not been heard from, Mrs. Bartlett said.

MR. AND MRS. Lawrence Sparks of Rotan visited the Mike Custers last week.

MR. AND MRS. Lawrence Sparks of Rotan visited the Mike Custers last week.

Guests Sunday in the A. O. Rosenbaum home were Mr. and Mrs. Paul Foster and daughters of Snyder, Mrs. H. A. Caywood, Lucy Clay and Teresa, Nancy and Donna Maddox.

## Eight regular employees on new store's payroll

Besides Wallace Simpson, the owner, the new Thriftway Super Market has a payroll of eight regular employees, plus extra help employed for peak rush hours during the week.

Tom Osman, who came to Post from Lubbock to take the position, is the new store manager. He is the only employee in the new super market not from Post.

Tom had been with the Piggly Wiggly food store organization for some ten years, serving as a store manager for them in Lubbock.

Osman makes his home with his wife, Dot, and their three children at 909 West Fourth.

Lee Beard is the meat market manager. Lee was employed by Simpson at his former Post store, in fact Wallace brought him to Post to take that position in his first store about 7½ years ago.

Mrs. Wilma Johnston a s s i s t s Beard in the meat department. Dan Melton is the manager of the store's big produce department.

Mrs. Jeniece Reno is one of the full-time checkers at the front of the store.

Other employees include James Capps, checker and stock, Connie Martin, stock, and young Ronnie

VISIT IN SNYDER Joanie Butler and Vera Gossett visited friends and relatives in Snyder last Monday.

Tallent, a high school student, who works the grocery stock and all over the store daily after school and fulltime on Saturdays and Sundays.

### Carpenter winner at Treasure Day

J. C. Putnam, a carpenter for Manhattan Construction Co., was Saturday's Treasure Day winner, receiving \$100 in merchandise certificates, after the holder of the first ticket drawn, for \$160, failed to appear.

Putnam, who lives at 703 South Ave. O, is the father of four children. He is employed by the Manhattan Construction Co. on construction of the new post office and bank annex buildings.

This Saturday's Treasure Day first prize will be \$180, according to Johnny Hopkins, manager of the Post Chamber of Commerce. If the holder of the \$180 ticket is not present, drawing will continue for the second prize of \$100.

### County judge and wife leave on week's trip

County Judge and Mrs. J. E. Parker left this week for a combined pleasure and business trip. They are joining Mr. and Mrs. A. B. Haws of Jacksonville, former Post residents, for a few days fishing and relaxing.

The Judge and Mrs. Parker will then go to San Antonio to attend a Judge and Commissioners Convention to be held the 24th, 25th, and 26th. They will return to Post the 29th.

### Halfback breaks ankle in frosh grid contest

Dickie Vardiman, starting halfback on the Post freshman football team, received a broken left ankle last Thursday night in the Post team's 12 to 0 win over Spur.

Dickie, son of Mr. and Mrs. Richard Vardiman, was still in Garza Memorial Hospital yesterday with his broken foot in a cast.

### Postings--

(Continued from page 1)  
Westinghouse washers or dryers, 50 Westinghouse portable TV sets, 50 Westinghouse dishwashers, and 12,000 cameras. Mercury's big giveaway really packs the showrooms around the country for the annual Mercury unveiling — as well it should. Two years ago a Post man won a new Comet automobile in the first national drawing, and a lot of Post folks will be signing up for the expanded prize list which now totals 12,165 prizes.

By the way, you'll note with today's as, that Dudley, the owner of the Mercury agency, has changed the name from the Storie Motor Co. to the Dudley Brown Motor Co.

T. B. and Louise Odum, the friendly folks who run Western Auto, leave Post Saturday for their big prize-winning trip to Hawaii. They'll fly from Lubbock to Amarrillo Saturday, stay overnight, and then fly commercial to Los Angeles Sunday where they'll catch a chartered jet airliner with other Western Auto winners for Hawaii. They will spend a week in the islands and fly home to Lubbock Oct. 1. T. B. and Louise tell us winning the Hawaiian trip by the big increase in their sales volume here in the first six months of 1961 over the same period in 1960 has really got them acquainted. Some folks stopped in their store for the first time just to meet them after reading of their prize-winning sales effort.

### City-county--

(Continued from page 1)  
Mrs. Hub Haire, Alvin Young, Ozell Williams and Floy Richardson, appointed by the county. County Agent Lewis Herron was elected as the ninth member.

The original board is serving today with but one exception. When Mrs. Lott moved to Lubbock, she resigned and the city appointed Julian Smith to replace her.

The original board, instructed to secure the services of a qualified park engineer to aid in developing plans for the park, selected the firm of Urbanovsky and Gosdin, widely recognized in West Texas for their park developments.

Under the original agreement, the county was to be responsible for construction of park roads, except paving and curbing which would be a joint venture with the city. The city agreed to furnish gas, lights and water, and necessary pipe for utilities.

IN THE PAST four years, the park has been developed steadily according to the plan outlined by the park board's engineers.

Some of the projects completed by the board during these four years are sidewalk about 4-H building, sidewalks on west and north sides of pool, installation of 360 posts on west and north side of park, finishing inside of 4-H building, concrete "sun slab" for east side of pool, installing redwood fence and fiber glass panels at pool, painting and repairing bath houses at pool, seeding park on north side to grass, purchase of mowing equipment and Aeroflier, planting of 206 trees paid for by city and county, fertilizing park in 1960, replanting 26 trees, construction of six park tables and seats with concrete slab beneath each and installation of six barbecue stoves, purchase of portable sprayer for trees and a used tractor for park work.

The park board in the four years has received \$20,000 in city and county funds and spent \$16,080 to date, Camp reported.

Turning to the swimming pool, he reported that pool income to the board this year was \$613.76, as compared to \$825.56 last year, \$670.15 in 1959, and \$660.46 in 1958.

CAMP SAID the board's policy on the pool was to try to operate it on a "break even" basis and that pool income was used to make necessary repairs and purchase new pool equipment.

As for the park's future, Camp reported some of the projects already on the planning board include two drinking fountains for park on north side of lake, installation of another light pole by present garbage cans, planting of large trees on southwest corner of each picnic table for shade, and fill-in of low spots around the park.

Projects for the south side of the lake include installations of sprinkler system by city of Post as soon as budget permits, installing four to six barbecue tables near the lake, grass plantings after sprinkler installed, and putting in 125 posts to keep cars away from the playground-picnic area.

Mayor Powell Shytle told Rotarians in a question and answer period that the sprinkling of the park is not taking water from the city's water supply but is pumped from the lake.

"We don't want to get the wrong impression when we ask them to conserve water in the hot spells and still keep the park sprinklers going," he explained.

# New Thriftway Super Market most modern in area

## Curved roof construction draws lots of attention

Wallace Simpson's big, new Thriftway Super Market is widely recognized as the most beautiful and most modern equipped food store in this large southwest area. In the two weeks it has been open, people have come from all over the area to see its novel Wonder Building curved roof construction.

It is the first time this construction has been used for a new food store in this part of the country. Installed by Ace Welding Company of Hobbs, N. M., the large steel beams form a curving roof which is 20 feet, 6 inches from floor to ceiling at its highest point. Insulation was sprayed onto the underneath side of the roof to form a curved ceiling for the super market.

The construction worked so well that it will now be used for several other large business buildings and food stores in the Southland.

The new Thriftway Super Market is 80 by 85 feet in floor size. It is the largest new business building built here in many years.

Work began tearing down the old Christian church on the site at 122 North Broadway in May. The new super market was constructed in just about 90 days.

One of the first things customers note about the new store is its wide roomy aisles to prevent shopping congestion.

All the store's fixtures are the most modern on the market. Included are 130 linear feet of refrigerated display space for meats, produce, frozen foods, and ice cream. This does not count the combination service door cooler for dairy products and produce storage behind which is 8 by 15 feet in size, nor does it include the large 8 by 18 foot cooler for the meat department.

Besides the refrigerated display space, there is 520 linear feet of all-metal, adjustable shelving for the convenient display of hundreds of other food, drug, and miscellaneous items.

The building is heated by gas ceiling heaters and is cooled with 15 tons of refrigerated air conditioning.

Outside the new super market is 2,100 square yards of all weather parking area with entrances in and out on both Broadway and Tenth street.

Simpson has an office on the balcony looking down over his beautiful new store. There is also a big balcony area which can be developed in the future.

The building is lighted by 120 8-inch tubes of fluorescent lighting which follow the curved ceiling across the store in rows.

Simpson plans to install a combination intercom and taped music playing system for the convenience and enjoyment of customers.

Elbert (Lefty) Davies of Post was the general contractor for the new super market. Ace Welding Co. of Hobbs furnished the Wonder Building roof, all the other steel, and insulation.

All concrete was by the Post Ready Mix Concrete Co. of Post. L. T. McCullough of Post did the plumbing.

All air conditioning and refrigeration was through Commercial Refrigeration Co. of Lubbock. Star Construction Co. of Lubbock paved the store's big parking lot.

## Thriftway Super Market has buying power through AG

The new Thriftway Super Market is a member of the South Plains Associated Grocers and is handling Double Thrift stamps.

The South Plains Associated Grocers, under the AG brand, now has an organization of some 130 stores. By pooling their buying power

these stores are able to buy competitively with the largest chain food organizations for quantity discounts.

The association has its own wholesale distribution facilities in Lubbock.

Thriftway is handling Libby's and Del Monte canned food as well as the Shurfine and Shurfresh brands of the South Plains Grocers Association.

The new super market also stocks all nationally known food items.

During the current four-day Grand Opening Sale, Thriftway is giving double Double Thrift stamps besides holding five big drawings for 10,000 Double Thrift stamps each, and giving thousands more away as door prizes.

Star of the Rodgers and Hammerstein musical hit, "The Sound of Music," is lovely Florence Henderson, who plays the role of Maria. The show will be presented during the 1961 State Fair of Texas in Dallas, Oct. 7-22.

Q. Because of my late husband's military service, I received some \$3,600 in death gratuity payment. Is this money subject to federal income tax?

A. No.  
Q. My husband is a war veteran and since his discharge from active duty, he has worked under social security. In planning our insurance program, we would like to know what burial allowances would be payable.

A. It appears that a burial allowance in your case may be payable by either the VA, the Social Security Administration, or both. The VA pays up to \$250 to the funeral director, if he has not been paid, or to the person who pays the burial expenses. The Social Security lump sum payment equals three times the worker's benefit, but not more than \$255.

Q. My father, a World War II veteran, died recently from causes not connected with his military service. In order for me to be eligible for a VA pension, since I am unmarried and not yet 18, what service requirements must my deceased father have fulfilled?

A. Your father must have had at least 90 days service, part of which was during wartime. During World War II the wartime service dates are Dec. 7, 1941, to Dec. 31, 1946. He must have been discharged under conditions other than dishonorable.

Q. Has the GI loan guaranty re-use provision been extended for World War II veterans, and if so, how long?

A. Yes, Public Law 84 by the 87th Congress extended the restoration privilege until July 25, 1967, for World War II veterans, and until Jan. 31, 1975, for Korea veterans. The VA must have been completely relieved of liability and no claim may have been made against it for the previous loan, if restoration is to be granted.

## Schools' lunch programs keep up growth rate

COLLEGE STATION—More than 14 million of the expected record enrollment of 46 million children in the nation's schools will participate in the National School Lunch Program this year, reports the U. S. Department of Agriculture.

Last year, well over \$1 billion worth of foods, equipment and services were required to provide the 2.3 billion lunches consumed by the 13.5 million participating school children. Payment of this billion dollar lunch check comes from three basic sources—roughly 60 per cent is paid by the children with the remaining cost about equally divided between state and local sources and the Federal Government.

The program, in its present form, began in 1946 when Congress passed the National School Lunch Act "to safeguard the health and well-being of the nation's children, and to encourage the domestic consumption of nutritious agricultural products."

When the new program got under way in the fall of 1946, less than one school child out of six was able to buy lunch at school. This year one out of three will eat lunch at school. Of total lunches served, about one in 10 is served free to children who cannot afford to pay.

Other programs carried out by the USDA to increase use of products from America's farms include special milk program for schools and child-care institutions, direct distribution of foods to needy families and the pilot food stamp projects. The major objective of all these efforts is to provide both adults and children a better diet.

## CAN'T REACH HIM...

They call him a problem child. "Can't reach him," say some. "He won't respond," echo others. Young as he is, he's already been in trouble with the police.

Why? There are lots of words, lots of phrases, to describe youngsters like this. The papers are full of them every day. There are lots of excuses given—for him, and for society. Are they valid?

This boy has parents. Why can't they reach him? Is it, perhaps, because they can't really reach themselves? Because they've never found themselves?

Self-discovery takes courage. It doesn't come easily. It takes help. It demands faith. The starting point for a quest of this kind is in the Church. This boy needs the Church. So do his parents. So, for that matter, do we all!

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## About Your HEALTH

A weekly public service feature from Dr. HENRY A. WELLS, D.D., Consultant of Health

AUSTIN—More than 9,000 Texas men and women were fatally stricken last year by strokes. That is one of the most ominous words in the language today. What does it really mean?

The medical term is "cerebral vascular accident," because it is caused by cerebral vascular disease. The body's cerebral vascular system is the brain's network of blood vessels. Thus, cerebral vascular disease refers to disease of vessel in the brain.

Brain cells require a good blood supply in order to work properly—more so than most other body cells. When something happens to that blood supply, the brain itself is impaired.

That something could be a hemorrhage, thrombus, embolus, compression or a spasm. Each one of those key words is a major cause of strokes.

A hemorrhage (bleeding) is the result of a break in a brain artery which allows blood to escape and damage surrounding brain tissue. Another name for strokes of this type is "apoplexy."

A thrombus is caused by a clot of blood forming in a brain artery, stopping the flow of blood to the part of the brain it supplies. But when a clot is formed in a diseased heart or elsewhere in the body and pumped to the brain to plug an artery, it is called an embolus.

A tumor, swollen brain tissue, or a large clot in another vessel may prevent some but not all strokes. Certain conditions causing cerebral vascular disease—high blood pressure, for example—can often be helped by modern treatment, and

press upon a brain vessel to stop the flow of blood. This is called compression. A spasm is caused when a muscular artery constricts or tightens up, reducing the flow of blood to a particular brain area.

Most strokes do not produce immediate death. A large number of victims live for many years. An estimated two million people who have had strokes are alive in the United States today—many of them disabled because of it.

Present medical knowledge can prevent some but not all strokes. Several conditions associated with blood clot formation respond to anti-clotting drugs. Too, blood vessel defects with which some children are born can now be corrected by surgery.

### Plans shape up for Permian Basin Petroleum Producers Day Oct. 27

MIDLAND—Plans for the second biennial Permian Basin Petroleum Producers Day to be held in

Midland, Oct. 27, rapidly are taking form. Roy A. Minear, general chairman for the event, said Saturday.

The first Petroleum Pioneer Day was held Oct. 28, 1959. Approximately 1,000 certificates were awarded to persons who qualified as Pioneers.

Indications now are that more than that number of Pioneers will attend the 1961 event.

The program was initiated by the Petroleum Committee of the Midland Chamber of Commerce. That organization again is sponsoring the October meeting.

E. D. Brockett of Pittsburgh, Pa., president of Gulf Oil Corporation, will be the speaker for the luncheon which will be a highlight of the reunion.

He spent several years during his early days with Gulf working in the Permian Basin Empire. His address will be the only formal speech of the day, said R. W. (Bob) Patterson program chairman.

Mrs. John W. House has been named chairman of a committee on ladies events for the day. Her group is formulating a program of entertainment.

The Midland Chamber of Commerce Auditorium will be headquarters for the pioneers. The C. of C. will handle reservations, registrations and general publicity.

An open house for the men will be held at the Petroleum Club of Midland during the morning. Coffee and doughnuts will be served.

Closing feature of the day will be a reception and buffet for the pioneers and their ladies, Minear said.

Fred T. Hogan, chairman of the finance committee, said Permian Basin Petroleum Producers in Midland again are providing sufficient funds to cover expenses of the

event.

J. C. (Peck) Cunningham will head the greeters committee and Cecil Elder will be in charge of a group to provide transportation.

To qualify as a pioneer at the 1959 event, a person must have been active in some phase of the petroleum industry in the Permian Basin prior to Oct. 1, 1929. The qualifying date for the 1961 event is Oct. 1, 1931.

 National Music Week: Mmes. Lex Roby, Garland Huddleston, Ray N. Smith.

Telephone: Mmes. B. Tizard, O. V. McMahon.  
 Other members of the club are: Mmes. Bill Bennett, H. J. Dietrich, Charles Luttrell, Morris Neff, Warren Yancey, Glenn Norman, Mack Terry and George Tracy.

## Bride-elect is honored with shower Sept. 13

Miss Carolyn Ann Moore, bride-elect of Jerry Delwyn Hodges, was honored Wednesday night of last week with a bridal shower in the Community Room of the First National Bank.

Miss Moore is the daughter of Mr. and Mrs. Leo Cobb.

Guests were registered by Miss Gloria Peoples between the hours of 7:30 and 9 o'clock.

The bride's colors of blue and white were carried out in the decorations. A centerpiece of a

miniature bride and groom beneath a parasol of blue net was placed on a mirror surrounded by blue net and ribbons with "Carolyn and Delwyn" in silver. White tapers in crystal holders lighted the table, covered in white crochet over blue table cloth.

Refreshments of white cake squares with blue wedding bells, mints, nuts and punch were served by Shelia Morris and Cheri Moore, sister of the bride-elect.

Hostesses were: Mmes. Preston Mathis, Elva Peel, Pat Walker, W. C. Caffey Jr., Byron Haynie, James Stone, Irvin Scarbrough, Buster Moreland, W. O. Stewart, Bill Acker, Hugh Martin, Melvin Williams, Elvus Davis, Wilson G. Williams, Bob Lusk, Elmer Cowdrey, Delmer Cowdrey, Bill Cates, Bill Case, Glen Davis, Quanah Maxey, Bill McMahon, W. C. Bush, Carl Rains, Boy Hart, Phil Trammell, Dillard Morris, Thurman Francis, R. G. Wilkerson, and Misses Gloria Peoples and Shelia Morris.

The Mu Alpha chapter of Beta Sigma Phi will hold a progressive dinner, beginning at 7 o'clock Saturday night. After cocktails and appetizers at the home of Mr. and Mrs. J. L. Durbin, 1004 West 11th St., the group will progress from home to home, with the progressive tour ending at the home of Mr. and Mrs. J. B. Greer.

Girl Scout leaders are desperately needed by the Girl Scout Council here, at least three adult leaders have reported to The Dispatch this week. The leaders say they have as many girls of Brownie and Girl Scout age as are needed to build up the program, but that there just isn't enough adult leaders. Women wishing to volunteer to help in the Girl Scout program are requested to contact Mrs. D. D. Cooper, telephone 2445.

Members and friends of the Post Ex-Students' Association will be interested to learn that E. E. Brown of the B&B Liquor Store won the men's suit raffle off by the Ex-Students' Association.

Postmaster Harold Voss and Assistant Postmaster O. V. McMahon were in Lubbock Saturday to attend a convention of Postmasters and Supervisors of the 19th Congressional District. Voss is a past president and past secretary of the 19th Congressional group.

## Hospital Auxiliary group puts in 464 hours work

The Women's Auxiliary of Garza Memorial Hospital met last Thursday evening at 7 o'clock in the Community Room of the First National Bank.

There were 16 members present.

The program was given by Maxine Durrett, Mrs. Lee Davis and Mrs. Jack Ballentine. Maxine Durrett gave a reading, "I Saw Them Die", Mrs. Lee Davis "When You Visit the Sick", and Mrs. Jack Ballentine, "A Better World Begins With Me".

41 members worked 464 hours last month.

Mrs. J. E. Parker closed the meeting with a poem. A social hour followed.

Those present were: Mmes. Harry A. Tubbs, Lonnie Peel Noah Stone, Jess Rogers, Carl Jones, John Carter, A. B. Carter, Lee Davis, Don Carl, L. G. Thuet, J. M. Hutchins, Ritchie, J. E. Parker, Ronnie Bouchier, Jack Ballentine, and Maxine Durrett.

Mrs. J. E. Parker reported that she had attended a tea Thursday afternoon in Snyder. The tea was given in honor of Mrs. Guy Ness of Odessa, the state president of the Auxiliary. She also reported that we seem to be the only Auxiliary with a life member.

It therefore gives the Auxiliary double pleasure to report that we now have two life members, Mrs. Homer Gordon and Mrs. Irby Metcalf.

Mrs. A. B. Carter reported that

On Tuesday, Mr. and Mrs. O. V. McMahon attended the meeting of the Advisory Board of the Abilene District of the Church of the Nazarene at the district parsonage at Lubbock. A luncheon was held for all members and their wives who attended the meeting.

Sunday visitors with Mrs. Vera Gossett and Sonny were Mr. and Mrs. Ronnie Morris and son, Jerry Bush, and Ariona Short of Slaton.

## Moore-Hodges wedding vows exchanged Saturday night

Carolyn Ann Moore, daughter of Mrs. Leo Cobb and the late Paul Moore of Route 2, and Jerry Delwyn Hodges, son of Mr. and Mrs. Floyd H. Hodges of Star Route, were united in marriage, Saturday night, Sept. 16.

The wedding took place in the First Baptist Church with the Rev.

C. B. Hogue officiating at the double ring ceremony at 8 o'clock.

The church was decorated throughout with candles and palms.

The bride, given in marriage by her step-father, Leo Cobb, wore a gown of white Chantilly lace over chiffon. It featured a Victorian collar and long sleeves trimmed

with seed pearls and tiny satin buttons and loops. The bouffant skirt was of ballerina length. She wore a shoulder length veil. The bride wore an heirloom necklace belonging to her maternal grand-mother, Mrs. Luther Harper. Her bouquet was a cascade of white roses and stephanotis atop a white Bible. The Bible was a gift from her maternal grand-father, Luther Harper.

The wedding gown was designed and made by the bride and her mother.

Mrs. Joe Mac Nichols of Irving, sister of the bride, served as matron of honor. She wore a blue cotton satin gown with a scooped sleeves with covered buttons and loops at the sleeve and back neck enclosure. The bride wore a blue circlet cap of tulle and white accessories. Her bouquet was white carnations carried on a lace fan.

Miss Cheryl Moore, sister of the bride and Mrs. Jimmy Hodges, sister-in-law of the groom, were bridesmaids and wore identical gowns fashioned as the matron of honor's and carried identical bouquets.

The flower girls were Nancy Cobb, sister of the bride, and two nieces, D'Lea and Jo Nichols of Irving.

Randy Cobb, brother of the bride was ring bearer.

Miss Gloria Peoples and Miss Shelia Morris served as candle-lighters.

The best man was Jimmy Hodges, brother of the groom, and Jerry Morris was groomsman.

Ushers were Kenneth Thompson of Tokio and Ambrose Gray Jr.

While the candles were being lighted, Lex Roby played "Because". Mrs. Phil Crenshaw, organist, accompanied Roby as he sang, "I Love Thee" and "Wonderful One".

The reception was held at the Community Room of the First National Bank. The table was covered with a white damask cloth belonging to the bride's paternal grandparents, the late Mr. and Mrs. C. F. Moore, pioneer citizens of Post.

Mrs. Danny Tillman, cousin of the bride, presided at the guest register. Members of the wedding party poured and served.

For her honeymoon trip to "Six Flags Over Texas", the bride wore a wool suit of orchid and blue with black accessories. Her hat was trimmed in mink and she wore a white rosebud corsage.

Mrs. Hodges is a spring graduate of Post High School, formerly employed by Colliers.

Mr. Hodges is engaged in farming and ranching with his father and is also employed at Hodges Tractor Company.

Out-of-town guests were Mr. and Mrs. Floice Drake and Milton and Robert Pritchard of Lubbock; Mrs. W. L. Cook, Gay and Dennis of Levelland; Mrs. Wayne Hodges and Gary, Mr. and Mrs. Floyd Callis and Wayne, all of Littlefield; Linda Skaggs, Melvin Davenport, both of Morton, Kenneth Thompson, Mr. and Mrs. Joe Mac Nichols, D'Lea and Melissa Lynn of Irving.

## Eckols couple celebrates 50th anniversary Sunday

Mr. and Mrs. B. J. (Ben) Eckols, were married Sept. 18, 1911, at the home of Mr. and Mrs. Fred Bend, in Bosque County, celebrated their Golden Wedding anniversary Sunday with a reception at the home of Mr. and Mrs. Fred Eckols, 304 West 13th.

The couple's children were hosts of the afternoon affair.

Approximately 50 relatives and friends called during the afternoon and the couple received many love-letters.

The serving table was laid with

an ecru crocheted cloth over gold. A tiered wedding cake served as the centerpiece and silver crystal appointments were used.

Six of the couple's ten living children were present for the celebration. Their children are E. B. Eckols and Benny Eckols of Waco, Mrs. Walter L. (Imogene) Smith and Owen Eckols of Fort Worth, Mrs. Clayton (Merrell) Pennington of Decatur, Mrs. Earl (Fern) Gill Jr. of Wolforth, and Darrell, Wayne and Garland Eckols of Post.

The couple has 14 grandchildren and four great-grandchildren.

Mr. and Mrs. Eckols grew up together. They were married in a buggy by Rev. Robert Jones. After moving to West Texas in 1942, they lived in the Grassland and Graham communities before moving to their present residence in Post nine years ago.

## '61 Homecoming plans shaping up

President A. C. Cash and other officers of the Post Ex-Students' Association are due a great deal of credit for an early and enthusiastic start on this year's Post High School homecoming to be held Oct. 20.

Our prediction is that this early and enthusiastic start will pay off in the biggest and best homecoming in the history of the Ex-Students' Association.

It goes without saying that the Ex-Students' Association gets bigger every year. Every new crop of May graduates adds just that many more members. Also, every year the ex-students and ex-teachers, too, since they are included, have more to "come home to." That comes about, of course through the year-to-year growth of the school plant.

Right now, with homecoming something like a month away, the chairman and members of the

Ex-Students' Association's mailing committee are anxious to correct their mailing lists so that every out-of-town ex-student and ex-teacher will be sure to receive an invitation to the 1961 event.

In an effort to make the current mailing list as complete as possible, the mailing committee chairman is asking that everyone help her and members of her committee list the correct out-of-town addresses of all ex-students and ex-teachers.

Appearing elsewhere in this issue of The Dispatch is a list of approximately one-half of the exes whose correct addresses are needed. The remainder will be published in next week's paper. If you know the address of any of the people listed, please call or write Mrs. Charles Luttrell, Post. By doing so you will be helping to assure the success of this year's Post High School homecoming.—CD.

## Special day to honor 'Scotty'

The many friends and acquaintances of Post's George "Scotty" Samson are elated to learn that he will be honored at the 1961 Panhandle South Plains Fair in Lubbock for his contributions to the exposition.

It will be a fitting tribute to a man who has spent most of his life boosting his home area and acting as its "goodwill ambassador."

Scotty has been general agricultural superintendent of the fair several years and has worked with the fair for more than forty years.

But Scotty's work with fairs has not been confined to the Lubbock exposition. Years ago, when fairs meant something in Garza County, Scotty was the man everyone turned to here when they wanted someone to take charge. He not only helped see to it that the local fairs were

a success, but he also saw to it that the best exhibits from Garza County were put on exhibition at area and state fairs.

Lubbock fair officials have designated Sept. 30—the final day of the fair—as George "Scotty" Samson Day. He will be honored at a 3 p. m. ceremony at the speaker's platform, and will ride in the Parade of Bands which will open the fair at 10 a. m. Sept. 25.

This special day for Scotty, who has lived in Post for 54 years and helped build the town, will give the Lubbock fair a new meaning for Post folks this year. They, of course, will form the core of the crowd gathering to pay tribute to a man whose lifelong philosophy has been built around his desire to be "doing things for others."

## College education worth \$100,000

In last week's issue, The Post Dispatch carried the names of 54 young men and women who had left or were about to leave for college campuses and the fall semester. Thus, this is an appropriate time for those students who have entered college, as well as those who have dropped out, to reflect on government and college surveys which have shown that a college education adds \$100,000 to an individual's lifetime earnings.

For the average earning period of a college graduate that is about \$2,500 a year; far more for many.

Why does a college education mean so much? An answer comes from Hollis W. Peters, director of the Foundation for Research in Human Behavior at the University of Michigan.

Mr. Peters has found that 90 per cent of the increase in goods and services produced per person over the past half-century has come not

from investment in things, but from investment in intangibles such as education and services which education prepares students to render—research, technology and organization of people and things.

During the past 20 years, Peters notes, national expenditure for research and development has multiplied about eight times, to the present 2.5 per cent of the entire Gross National Product. And since 1900, the nation's investment in education has risen four and one-half times as fast as growth in production of goods and services.

These figures point up the importance of high school graduates making every effort to get a college education and, at the same time, pose a clear warning that drop-outs are giving their careers a blighting handicap.—CD.

## What our contemporaries are saying

One comforting thought: Texas millionaire oilman Hugh Roy Cullen's first gift to charity was a \$5 check to the Salvation Army. It bounced for lack of funds—Charles E. Cullin in The Slaton Slatonite.

The way mass psychology is pointing we could have a hysteria of building bomb and fallout shelters in this country most any time. Civil Defense authorities have had an easy time of it ever since Civil Defense was set up. Sending out a few broadsides and brochures on occasion, fixing up some releases for the newspapers, answering desultory mail, making an occasional speech has been about the extent of the demands on the Executive Department's Civil Defense organization. Some time the public may begin taking the stories and the proclamations seriously.

Since most of the public has really learned nothing about what to do and how, the panic button could be touched off if the people began really to be scared.—The Floyd County Hesperian.

Crosby County Republicans are planning to run some candidates for local county offices, I understand. This could touch off some fireworks the likes of which haven't been seen since the county was established.—Pat Bennett in The Crosbyton Review.

A rancher of my acquaintance has little confidence in Social Security. He thinks it is like chain letters and that when the top names on the list have won, the others will merely have the memory of their contributions.—Douglas Meador in Matador Tribune.

## THURSDAY to THURSDAY

By CHARLES DIDWAY

HURRICANE CARLA, which blew itself out early last week, may get recognition as "Woman of the Year." It might even make Time Magazine's cover. The devastating hurricane was no joking matter, so please forgive me if I sound facetious, but then neither is it any joking matter for the Weather Bureau to give hurricanes the names of women. Think of how the thousands of women and girls named Carla must have felt upon seeing their Christian name so prominently displayed in the headlines day after day.

Come to think of it, I've never known anyone named Carla, but there must be lots of them, because the Weather Bureau has been receiving numerous protests from girls and women of that name. One newscaster I heard devoted most of his 15-minute program to relating some of the protests received from females named Carla. If I can get enough support from the weaker (?) sex, I might even consider starting a campaign to have the Weather Bureau use some other system for naming the hurricanes. Who knows, the next bad one may be named Mary or Josephine or Ethel, just to mention some of the more common girls' names.

AND, SPEAKING of names, one of the nation's No. 1 recording artists is named U. S. Bonds. He is being billed as one of the feature attractions at the Prison Rodeo to held at Huntsville the four Sundays in October.

Years and years ago, when I lived in Hominy, Okla., I knew a grocery clerk named Miles Long. No one ever thought much about it until someone sent his name in to Ripley's "Believe It or Not." After that, everybody thought Mr. Long's son, Miles, had a pretty peculiar name.

FOR MY MONEY, Pat Bennett, editor of the Crosbyton Review, makes the front page of that newspaper the most intriguing of any of the 30 or 40 we receive on exchange here at The Dispatch. Pat does it with anywhere from two to three front page "brites" a week. A "brite" is what the wire services call a brief human interest story.

This one, which appeared in last week's Review, makes me feel better about having "lost my way" a time or two on trips to and from football games.

"It was probably a good football game, but three Crosbyton ladies wouldn't have enjoyed it.

"En route to Tahoka for the Chieftain game last Friday were coach's wife Rose Grimes, Jody Treat and Lila Roberts, mother of the Crosbyton halfback.

"They pulled into the little town and headed immediately for the spot where they saw the field lights. Gaining admission on a faculty card, they climbed into the grandstand.

"That's strange, Bert didn't tell me we got new uniforms," Mrs. Grimes is reported to have said. Then a bus drove in and a band clad in black and gold (not Crosbyton's colors) began filling out.

"At that point the ladies decided they had stopped just 10 miles too soon and were at the Wilson game. They hurried away again and arrived in Tahoka just in time for the kickoff."

Mrs. Sam Sanders of Post, Route 1, who has a son in Texas Tech, called Friday to tell us how much she appreciated this year's Garza County School Page, which appeared in last week's Dispatch. Mrs. Sanders said she thought—and I agreed—that it would be wonderful if The Dispatch could have a column of news each week about the some 60 local people who are attending college. That WOULD be an interesting feature, but we'd have to have help from the students themselves to compile such a column. Most of the colleges, of course, send out news releases when one of our youngsters get elected to an office, pledges a fraternity, etc. But I'm sure there are any number of interesting little happenings among our college students which go unreported. So, this is an invitation for any Post youngster at Texas Tech, Lubbock Christian College, South Plains College, or any other institution of higher learning, to drop us a line on anything of interest concerning himself, or herself, or any of their fellow townsmen who are in college.

MOST OF ALL Friday night, I enjoyed watching the Post Antelopes beat the Spur Bulldogs for the first time in umpteen years, but I also got a bang out of the Spur half-time homecoming activities. When the Spur Ex-Students' Association has a homecoming, it goes after it in a big way—two days of it.

The Spur Ex-Students' Association is so well organized, in fact, that it has its own building and, on top of that, bills itself as "the world's biggest Ex-Students' Association." That's what it said on one of the prize-winning parade floats that also made an on-the-field appearance just before the

THE FLOAT THAT won first prize in the Spur parade was one titled "Hat in Ring" and dedicated to Marshall Formby, a 1928 Spur alumnus, who is expected to announce his candidacy for Governor in December or January. Marshall, who is well known in Post, was guest of honor at the Spur homecoming.

It was too bad—for Spur, that is—that the fired-up Antelopes had to spoil such a momentous homecoming by shelling the Bulldogs. All the Post fans went home happy.

**WRITER'S LOSS NO JOKE**

Upon his retirement from the banquet circuit, Mr. Witty compiled a joke book entitled, "After Dinner Jokes I Have Known."

At his request, the local printer made 200 copies of the book which were quickly purchased at the local book store by the author's admirers. No notice of copyright appeared on any of the copies.

The next year Mr. Witty was surprised to discover that a nationally distributed book, "After Dinner Jokes," was actually a direct copy of his own work. He wrote the publisher demanding a fair royalty, but his request was denied. He then sued the publisher for the royalties on his book.

Can Mr. Witty force the publisher to pay him for his work? No, said the court. Mr. Witty had neglected to place a notice of copyright on the earlier published copies. Although an author has an inherent right to his literary productions, this right can be lost easily by general publication, unless he seeks the protection of the copyright law.

The first and most important step in securing copyright protection is to place the correct notice in the proper place on every copy. Formal registration is essential, but must follow publication. The copyright notice must include the word "copyright," the abbreviation "copr.," or the symbol "C," plus the name of the owner and the year of publication. Unless this notice appears on each copy, an author loses his right to keep others from copying. The notice serves to warn the public of the author's assertion of his rights.

Since 1955 the use of the symbol "C" has been more widespread in this country, in order to confer in-

WASHINGTON AND  
**"SMALL BUSINESS"**  
By C. WILSON HARDER

In an official order, Attorney General Robert Kennedy has announced that from now on, until further notice, in cases of anti-trust violations, where the government is entertaining accepting a consent judgment from the defendants, the proposed consent judgment will be made public at least 30 days before it is entered in court.

This is perhaps a step forward in the objective that has been sought by the C. W. Harder nation's independent businessmen voting through the National Federation of Independent Business.

As it has been in the past, the government could find some operation guilty of a violation of the anti-trust laws. The defendant corporation, rather than having the matter go to trial, can accept the government's findings and agree to a consent judgment. This judgment has been entered in the court and the case and its records then closed, with usually the defendant agreeing to cease and desist, and sometimes paying a nominal fine, in addition.

From the standpoint of independent competitors who have been severely damaged, or ruined by the practices to which the defendant pleaded guilty, there is then no opportunity, from a practical standpoint, to exercise the right of the injured party to sue for triple damages.

Of course, the injured small competitor does have the right to sue, but from a practical standpoint, the injured competitor does not have the funds to carry on long and expensive search for evidence that the government has engaged in, usually with the assistance of the FBI.

It has long been the viewpoint of independent businessmen, that inasmuch as Federal tax funds were employed to dig up the findings that causes the guilty party to agree to a consent judgment, that this evidence, gathered at tax expense, should be available to the injured small competitors in bringing damage suits.

While this new order by the Attorney General does not accomplish this full objective, it at least means that it will not be possible, as in the past, for a guilty firm to engage in private negotiations to cease illegal practices, and to have the matter handled with the utmost of discretion.

Inasmuch as some 70% of the anti-trust cases have been handled in this manner, the issue is quite large here.

The purpose of the order is to permit injured competitors and other persons and government agencies, to comment upon the case at issue. Justice Dept. on the basis of such additional information received, will reserve the right, if it is deemed to be proper, to withhold the government's sanction to a consent judgment, and thus bring the matter for a full scale trial.

Probably the greatest gain for independent business gained here is a forthwith recognition by government that violations of the anti-trust laws are illegal, and that before government should accept a plea of guilty and then consent to a modest penalty, the parties injured by the action should be heard from.

*I Give You Texas . .*

One of the most human little touches in the memory of an old-time political writer:

While Tom Hunter was speaking in Brownwood in his race for governor in 1943, a very small boy stepped up on the low level platform, toddled to the table, picked up the glass of water which had been placed there for the speaker, took a drink, then completed his stroll across the platform. The candidate stopped speaking and smiled as the little scene took place and the audience was greatly amused.

Before I came to Texas, there was a very hot race for governor and the question of the age of one of the aspirants became an issue. It seems there was some dispute as to whether he should have registered for the draft. The other side, I am told, tried to retaliate by claiming that the other man had changed his name from what it had been in the state of his former residence.

In one East Texas county, at any rate, the age issue was pretty effectively dealt with. The supporters of the man who had allegedly given two different years examined the poll tax records of leaders of the other man for some years back and found that several had apparently given conflicting dates. One man was shown to have been a year younger than he had been the year before. (Have I lost you?) Another had not two, but three, birth years. Of course, the conflicts might have been due to error by the county officials or the citizen's secretary might have turned in the wrong information. But anyhow when the contradictions were published in a full-page ad, there

was a laugh all around. Incidentally, the candidate with the alleged confusion as to age beat the other man.

Poetic justice: A lawyer defended a man on a charge of counterfeiting and, by an eloquent speech, won his acquittal. The client paid him his fee—in counterfeit money.

# WR board sets tax levy at 50c \$100 valuation

## 80 pct. basis of true value is decided on

Directors of the White River Municipal Water District at a special meeting last Thursday night in Crosbyton set the district's tax levy at 50 cents per \$100 valuation and decided to determine taxable valuations on the basis of 80 per cent of true value.

Directors some weeks earlier had decided they wouldn't go over either the 50-cent rate or the 80 per cent of true valuation.

Tom Benton, the district's tax-assessor collector, reported to White River directors that the district's property tax rolls for the four towns of Post, Spur, Crosbyton and Ralls produced a "real value" or "equalized property tax value" of \$31,525,885. The district's assessed valuation, on the basis of 80 per cent of this, will be \$25,220,708 for the coming year.

District tax notices will be in the mail around Oct. 1, or shortly thereafter, Benton indicated.

**HE IS NOW working up the new tax rolls following completion of equalization board hearings in the four member cities.**

The tax is needed for the district's sinking fund to provide interest and principal payments on the \$4,000,000 bond issue from the state until the district can get into water operation and meet all expenses by water income.

Marvin McLaughlin, finance chairman for the district, reported to the directors that the \$4,000,000 in bonds are now being printed and should be ready for signing next Monday, Sept. 25.

Certification of the district's tax rolls already has been forwarded to Austin to meet the final qualification for an \$184,000 advance from the state water resources board on its \$4,000,000 loan to the district.

The district will take the remainder of the loan Feb. 1, 1962, when the need for additional funds are foreseen, thus saving several months interest on the big loan.

**McLAUGHLIN ALSO reported on a recent meeting with the water resources board in Austin at which the state board agreed to the district's proposal for the \$184,000 advance with the remainder of the**

loan to be made next Feb. 1.

The directors are expected to hold a called meeting next Thursday night, Sept. 28, to sign the bonds and make formal application for the \$184,000 advance.

Negotiations for purchase of the 4,900 acres needed for the dam site and lake are expected to get under way within about two weeks, it was

indicated.

The acreage needed for the dam and lake is on land now belonging to Mrs. Lee Walker of O'Donnell, Arnold Sanderson, Garza rancher, the Morgan Jones estate of Abilene, and Henry Slack of Calgary. Only a portion of the spillway will be on land owned by Slack.

The district indicated if purchase

negotiations are not successful condemnation proceedings will be filed immediately so as not to delay letting of construction contracts now the loan has been obtained.

Directors last Thursday also discussed employment of a lake manager and an auditor, but no action was taken as the moves are not necessary at the present time.

## Tax rate stays the same

# Oct. 9 hearing set on county's budget

The 1962 Garza County budget, which is scheduled for public hearing Oct. 9 before final adoption by the commissioners' court, calls for the same 95 cents per \$100 valuation ad valorem tax rate as in the last two years.

The 1962 budget is based on an evaluation of \$15,986,130, an increase of \$32,225 over the previous year.

The 95-cent tax rate would raise \$183,762.50 which 92½ per cent collection, are estimated, or \$170,222.50.

The proposed budget shows \$4,283.06 in delinquent county taxes with an estimated \$1,000 of this collectable in 1962.

The total bonded indebtedness of the county in outstanding bond and time warrants as of Jan. 1, 1962, will be \$227,000 as compared with \$282,000 at the start of the current year. During 1962, \$32,000 in principal and \$6,250 interest will be paid on the county debt.

Other county receipts from all but ad valorem tax sources for the coming year are estimated at \$150,339.88, giving total county income estimated for 1962 as \$320,562.03.

**THE COURT anticipates in the proposed budget total expenditures by the county for 1962 of \$312,047.01—a reduction of \$67,487.81 in expenditures from the estimated 1961 expenditures of \$379,534.82, and actual \$366,700 expenditures in 1960.**

It's another bus trip tomorrow for local sports-minded, this time to back the high school Antelope footballers at Ballinger. They're lots of fun, so don't miss it. There are some seats left on the 40-passenger bus. Make up your mind now and give Hans Hudman a phone call to reserve yours. See you on the bus. Let's go Antelopes!

Late September always brings a strictly American phenomenon—introducing next year's new automobiles. The "season" kicks off tomorrow when Caprock Chevrolet-Olds unveils the 1962 Oldsmobiles and F-85s.

And it will reach its peak locally a week from Friday when all the rest of the 1962 new cars are unveiled on the same day by local agencies.

Claud Collier's big 1962 Oldsmobile ad appears over on page 7 of today's bulky (20 page) Dispatch. Take a look at it and read the story elsewhere in the paper about the new Olds for '62. Then drop by Caprock Chevrolet-Olds tomorrow and take a gander at it for yourself. You'll also find the 1962 Chevrolet trucks on display tomorrow—as well as advertised and publicized in today's Dispatch.

Dudley Brown, the local Mercury dealer, will have a real pulling power for his 1962 Mercury unveiling Sept. 29. Read all about it on the back page of The Dispatch (page 20). Every one who stops by the Dudley Brown Motor Co., starting next Wednesday and continuing through Oct. 14, can sign up without obligation for a chance to win one of the 12,165 prizes that Mercury will give away across the United States. Included in the prize list are 15 new 1962 Mercurys. 50 (See POSTINGS, page 8)

county funds for 1962 by funds are as follows: Jury fund, \$3,560.50; road and bridge funds, \$123,508.71; general fund, \$72,976.30; permanent improvements, \$7,650; officers' salary funds, \$58,149; interest and sinking funds, \$43,202.50, and hospital operating fund, \$3,000.

As of Jan. 1, 1962, outstanding bond and time warrant obligations of the county include:

Garza County Hospital bonds, \$175,000 issue, 2½ per cent interest, Aug. 15, 1950—outstanding, \$58,000.

Precinct 2 bonds and time warrants, \$300,000 issue, 3 per cent interest, Aug. 1, 1949, outstanding, \$132,000.

Precinct 3 bonds and time warrants, \$30,000 issue, 2½ per cent interest, Feb. 15, 1954, outstanding, \$12,000.

**PRECINCT 4, \$50,000 issue, 2½ per cent interest, March 1, 1956, outstanding, none.**

The tax rate, broken down by funds, is exactly the same as in the last two previous years—jury, 5 cents; road and bridge, 10 cents; road and bridge special, 15 cents; general fund, 45 cents; permanent improvement fund, 5 cents, and hospital sinking fund, 15 cents.

The tax rate by road districts also is the same for districts 2 and 3 as for the last two years—60 cents for road district 2, and 30 cents for road district 3. There will be no tax rate on road district No. 4 for 1962, as its bonds are retired. The rate had been 45 cents per \$100 valuation.

## Permits to build near half-million

Post's building permits edged near the half-million dollar mark this week with the issuance of three permits totaling \$17,500, one for a \$14,600 home.

Henley Construction Co. was issued a permit Monday for construction of a new all-brick house, costing \$14,600, in the Fred Robinson Addition. The house will contain 1,280 square feet of floor space and will include three bedrooms, two baths and a garage.

C. P. Fowler received a permit for moving in a 30 by 36-foot frame building to 304 West 12th St., at an estimated cost of \$2,000.

A permit was issued L. M. Crowley for the moving a two-room and bath residential structure from Lot 4, Block 103, to Lot 11, Block 40, at an estimated cost of \$900.

Wally's Thriftway Super Market, which opened here two weeks ago, launched a gala four-day Grand Opening Wednesday.

The second section of today's Dispatch—four pages—is devoted mainly to the Thriftway Grand Opening with congratulatory ads from various contractors and food suppliers besides a page Grand Opening announcement by the new super market.

Also included in the section are several pictures and stories about the new store and store personnel.

For Wallace Simpson, the store's owner and operator, the new Thriftway Super Market is a "dream come true"—his first chance to build the store he wanted after a lifetime devoted to meat and food retailing.

The Grand Opening will continue through Saturday.

The store is widely recognized as the most beautiful and most modern new food super market in this Southwest area and has attracted the interest of many food merchandisers over a wide area because of its unique, curved-roof construction.

## Rotarians hear development story on City-County Park

The 11-year development of the City-County Park from an idea in today's reality was recounted to Rotarians at their Tuesday luncheon in City Hall by Shelley Camp, chairman of the City-County Park board.

Camp said the idea was first advanced in 1950 that the city and county needed such a park, so the City-County Park board was approached by a committee seeking to purchase the "South Lake area" containing about 30 acres for such a park site.

The Double U Company agreed to donate the site for a park. Approximately 20 men interested in the project contacted all local merchants for donations. Many farmers and ranchers also donated money to the park cause.

The successful drive netted \$3,000 for the park fund. The site was purchased for \$2,225 and of the remainder \$975 was spent for playground equipment for the park.

**WALTON, the appointed park board contacted the city council in 1951 to building a swimming pool. T. L. Jones, then mayor, and the council appointed a pool committee to investigate the size, type and cost of the pool needed. The committee made several trips to other pools and reported back to the council with its recommendations.**

As a result in January, 1954, a contract was let for construction of a 200,000-gallon pool. No bond issue was necessary. The city paid cash for the new swimming pool from revenues collected from oil produced and pumped within the city limits. The city then operated the pool from 1954 to 1957.

## Post groups rallying to help relief efforts for victims of storm

Residents of Post and vicinity are rallying this week to the appeal for aid from disaster-stricken victims of the Hurricane Carla area.

The Garza County chapter of the American Red Cross responded early by sending in its quota of \$491.

Chapter chairman J. Lee Bowen said no special drive was necessary since the local chapter of the Red Cross had sufficient funds on hand to meet its quota. The Red Cross here is a participating agency of the Garza County Community Chest.

Meanwhile, collection here of clothing and bedding for the hurricane victims is continuing.

Anyone with clothing or bedding they would like to donate in the relief campaign is asked to contact Mrs. O. V. McMahon, telephone 2661.

The Mu Alpha chapter of Beta Sigma Phi sorority is also conducting a drive for aid to the disaster victims. Chapter members ask that anyone with clothing, linens, canned goods or anything that can be used, telephone 3054 or 2968 and their items will be picked up.

## Chartered buses are to carry fans, team to Ballinger Friday

It's "on to Ballinger" tomorrow for a chartered bus load of local fans—as well as for the high school team, band, pep squad, and other students.

Not only have at least 30 fans put their \$6.20 per seat on the line for the 300-mile round trip to the game, but fans and merchants have "kicked in" too for a chartered bus to take the football team and give them as much comfort as possible on this—the longest trip of the season.

Coach Vernard Alexander asked The Dispatch to express the appreciation of both team and coaches for the chartered bus.

The fan bus will leave from the First National Bank parking lot here at 4 p. m. Friday with the bus arriving at 3:30 p. m.

Hans Hudman, who sponsored the bus charter, reports this morning there were still some 40 empty seats on the 40-passenger bus for those who'd like to make the trip. He advised any fan wanting to go, who haven't contacted him so far, to do so immediately as the seats are on a "first come, first served" basis.

Cokes and coffee will be on the bus for fans on a gratis basis.

Hudman advises fans making the bus trip to bring a couple of sandwiches or whatever they want to eat enroute as there won't be time to stop to eat.

## Automobile kills cow, but occupants unhurt

None of the three members of the Brownfield family who were in a car which hit a cow on US-380, 11 miles east of Post about 9:30 p. m. Friday were injured.

The cow was killed and the car badly damaged.

Riding in the vehicle, according to Deputy Sheriff Elton Corley, were Mr. and Mrs. Bill Davis and their small daughter. They were en route to Hadkell.

## Suit filed for \$7,500 bond collection

A civil suit for collection of the \$7,500 bond forfeiture of Johnny Johnson, who failed to appear in district court in the recent term to stand trial for murder, has been filed in district court here against Lorenzo Alexander and Pat N. Walker.

The suit is scheduled to be heard in the next term of court.

## Woman treated after crash here

Mrs. Samuel R. Etter of Post was treated at the Garza Memorial Hospital and released at 6 p. m. Friday after a car crashed into the side of the Etter car, being driven by her husband, at the intersection of Eighth street and Avenue I.

The driver of the other car ran from the accident scene.

The car was owned by Basel F. Nelson of Odessa, and, according to information given City Marshal Otis G. Shepherd, Jr., by Nelson driven by Wiley James Lofton of Odessa, who is being sought by Shepherd.

Shepherd said Nelson told him that Lofton locked him in a rest room of a local cafe and then drove off in his car. Nelson was arrested for drunkenness.
