

# Don't Miss Post's Big Sidewalk Sale This Saturday

SEE SPECIAL SECTION OF BARGAINS, PAGES 9-12, IN TODAY'S DISPATCH

## Crisis over; shrubs can be watered

### State loans another half million for dam

The White River Municipal Water District has secured an additional \$500,000 loan from the Texas Water Development Board to complete financing of the big water project now nearing completion in Garza County.

The district originally borrowed \$1,000,000 from the water development board to finance construction. It is not anticipated that the full \$500,000 will be needed. Marvin McLaughlin, chairman of the district's finance committee, told White River directors at their July meeting at Ralls last Thursday night.

McLAUGHLIN EXPLAINED since this is the final loan to be made for the project, a reasonable safety factor was included so there would be no chance of the district exhausting its funds before the project became "revenue bearing."

McLaughlin said he "didn't think the additional \$500,000 loan will require any White River district tax raise."

District taxes have been paying the interest on the \$4,000,000 loan during the construction period and also have been going into a reserve required to protect bond holders.

McLaughlin reported to directors that he and Joe Smith, fiscal agent for the district, met with the finance committee of the Texas Water Resources Board at Austin July 11 and that next day the finance committee recommended the loan to the board at its meeting and it was approved at that time (July 12).

McLaughlin reported that the \$500,000 will be secured through second lien completion bonds and that the state law requires it be paid off ahead of other second lien bonds.

THE SECOND LOAN was made at a 3.7462 per cent interest rate as compared with the 4.08 plus per cent interest rate on the original \$4,000,000 loan.

McLaughlin said the unneeded portion of the \$500,000 loan can be invested for about a 3 1/2 per cent See WHITE RIVER, Page 3

### Sidewalks are to swarm in bargains

Everything was in readiness today for Post's second annual Sidewalk Sale Saturday—when the merchants will roll their merchandise right out on the sidewalk to sell it at ridiculously low prices.

There will be nickel hotdogs at Parrish Grocery, for example, and free Dr. Peppers at Piggly Wiggly; a \$5 porch swing given away at Wilke's Supplies; men's sport shirts for 99 cents at Wacker's; shoes for a dollar a pair at both Marshall-Brown and Lavelle's; brand new Ford's, Ramblers, and Chevrolts at "discount" and "year-end clearance prices."

Those are just a few of the hundreds of Sidewalk Sale prices contained in a special Sidewalk Sale section of today's Dispatch, pages 9 through 12.

Some 2,300 four-page circulars of the section were mailed Wednesday to the far outer reaches of Post's big ranch country trade territory.

A total of 28 local merchants are participating in this Sidewalk Sale extravaganza which proved so popular and drew such big crowds last year.

They include TV-Appliance Center, Tom Power—Ford, Lavelle Shop, Wilke's Supplies, Lester Nichols—Gulf Wholesale, Post Pharmacy, Dunlap's, Bob Collier Drug, Marshall-Brown, Western Auto, Wacker's, R. J.'s Furniture, Collier Chevrolet-Olds, Maxine's, Garza Tire Co., Hundley's, Luttrell's Texaco Service, Parrish Grocery & Market, Hudman Furniture Co., United Super Market, R. E. Cox Lumber Co., Snak Shak, Herring's, First National Bank, Guy Floyd Motor Co., General Builders, Shyless Implement Co., and Piggly Wiggly.

General Builders is in the promotion because it is holding open house Saturday and Sunday in one of its new three-bedroom brick homes at 403 Mohawk in Westgate Terrace Addition. Bill Edwards wants all farmers and ranchers coming in to the sale to come out and see the advantages of comfortable town living.

Don Dunbar, chairman of the Sidewalk Sale promotion, asks that all merchants and downtown employees park behind the stores Saturday to leave as much downtown parking space as possible for shoppers.

He also reminded all merchants and employees to "dress up" for the sale.

"A \$10 cash prize will be awarded the "most uniquely dressed" female employee and a \$10 cash prize will go to the "most uniquely dressed" male employee.

# The Post Dispatch

Thirty-Seventh Year

Post, Garza County, Texas Thursday, July 25, 1963

Number 8

Annual rodeo is Aug. 7-10

### Queen contestants and parade floats needed

More queen contestants and more parade entries are desired for the upcoming Post Stampede and Southwestern Championship Junior Rodeo, rodeo officials said today.

Girls wishing to enter the rodeo queen contest are asked to contact Mrs. H. W. Schmidt, contest chairman. The winner, to be announced on opening day, will be picked on the basis of the number of advance admission tickets sold by the contestants.

Officers and directors of the rodeo, which is to be held Aug. 7, 8, 9 and 10, met Monday night to make additional plans for this year's event.

It was announced following the meeting that cash prizes totaling \$50 will be awarded the three winning floats in the street parade, which will be held at 6 p. m. Wednesday, Aug. 7. There will be a \$25 first prize, \$15 second prize and \$10 third prize.

Trophies will go to the three winning riding groups. Those in charge of the parade's riding division said 19 or 12 area sheriff's posses and other riding groups will take part in the parade.

The Hundley building, one floor west of The Dispatch office, will be used as rodeo headquarters and will be opened for that purpose Monday, Aug. 5.

Repairs and improvements are being made at the rodeo arena for this year's event. These include an addition to the concrete dance slab.

Groups wishing to enter floats or other units in the parade are asked to contact one of the parade committee members. They are Floyd Richardson, Walter Duckworth, George "Scotty" Samson and Dorace Wilson.

Officers and directors of the rodeo, which is to be held Aug. 7, 8, 9 and 10, met Monday night to make additional plans for this year's event.

### Former resident killed at Anson

Elmer Lee Howard, 68, former resident of Post, was killed in a freak accident Tuesday morning when he fell from his home in Anson.

Mr. Howard was killed when a section of a house that was being moved fell on him as he was watching the moving operations from the sidewalk.

A native of Gainesville, Tex., Mr. Howard was a resident of Garza County for 37 years before moving to Anson in 1952. He was employed in grocery stores and other mercantile establishments here and established his own grocery store after moving to Anson. He retired in 1961.

Funeral services will be held at 6 p. m. today at the Northside Baptist Church in Anson, with graveside rites at Terrace Cemetery here at 2 p. m. Friday. Mason Funeral Home is in charge of local arrangements.

Mr. Howard is survived by his wife, one daughter, Mrs. Audrey Mae Bishop of Slaton; four sons, Edwin Lee Howard of Hyattsville, Md., Albert F. Howard of Post, Dale Gene Howard, who lives in New Mexico, and Gerald Howard of El Paso; three sisters, Mrs. Letha Cederholm and Mrs. Lena Ferguson, both of Post and Mrs. Opal Pennell of Southland; one brother, Riley Howard of Decatur; 14 grandchildren and two great-grandchildren.

Thanks to the wholehearted cooperation of almost all Post folks another water crisis was averted in the nick of time Monday. As you will read in today's banner story, the water situation has improved enough that watering of trees and shrubs can now be resumed. But a real word of caution needs to be said here. There isn't enough water for anybody to water their lawns. As regrettable as it is, the fine lawns will have to go unwatered unless showers come in time or you can afford to have some water hauled in from surrounding field water lakes. We still must conserve water. We must use no more than we need. It is easier to prevent a water crisis than to avert it.

"turn almost everything off again" by getting into one of our own making.

We've gotten a "ribbing" for our White River story of last week in which The Dispatch reported the Jones estate land seeking "free simple title." The \$152,000—the price paid for the 3,150 acres—doesn't sound anything like free, we have to admit. The legal phrase should have been "fee simple title." It's too hot to argue that we knew better.

The Sidewalk Sale Saturday should be a humdinger. To borrow a TV line, "the prices are right" for a real haul-away of merchandise. The sale was a huge success last year and should be even better this year. Study the big sale section in today's Dispatch and come on down with your car trunk empty Saturday.

Two women, one from Post and the other from Lubbock, narrowly escaped the clutches of a bear Monday evening while on a fishing trip with their husbands in Colorado.

Beggs said the bear, "a big black one," was only about 12 steps behind the fleeing women when he shot it. The group was camped about 26 miles from Lake City.

Beggs said the women had seen the bear in the vicinity of the hunting lodge the day before it chased them.

Otherwise, Beggs said, the trip was uneventful. "We caught a lot of fine trout," he added.

### Supply still too short for lawn sprinkling

Mayor Harold Lucas announced Wednesday morning that Post has successfully passed its first major "water crisis" of 1963 this week and that with a nearly full reservoir—thanks to everyone's fine cooperation—townspeople can now resume "essential watering of trees and shrubs only."

Lawn sprinkling, however, will not be possible for the remainder of the summer, Lucas said.

"We realize," Mayor Lucas said, "that local residents have a big investment in trees and shrubbery. While we have water we want to make it available for reasonable watering."

HE EMPHASIZED that this means water conservation must continue and that lawn sprinkling is no longer possible or reasonable.

But if people will be prudent with their water use, trees and shrubs can be watered and saved," he said.

He added that another "water crisis" could come in a matter of days and hours and when, and, if it did, people will be called upon again for absolute conservation.

The Dispatch Monday morning issued in two hours time its second extra under present ownership under the headline: "City water situation is very critical, hours count. Mayor urges every gallon to be saved."

The quarter page size, one sheet extra was distributed house to house to reach every householder with details of the water crisis as it had developed Sunday.

NEVER IN THE city's history had the community gone into a hot summer week with a minimum of water swirling in gurgling circles in the bottom of its plus-million-gallon sized water reservoir. The people responded quickly as they had in the past.

Water usage dropped Monday to 852,000 gallons for the 24-hour period ending at 6:30 a. m. Tuesday. Usage for the next 24 hours, ending at 6:30 a. m. Wednesday, dropped even lower to 770,000 gallons as the full effects of voluntary conservation was felt.

This enabled the city's water system pumping at full capacity for the 48-hour crisis period to bring the water level in the reservoir up from the 7 foot, 3 inch level early Monday morning to within a foot of full in the 14-foot deep reservoir by Wednesday morning.

That ended the first "water crisis" of the summer, but no city official was sure how long it would last.

CITY WATER SUPT. Jimmy Holleman said under full pumpage the water level in the city's water field and in the leased Storie water field was beginning to drop.

It is a question now, as long as the hot, dry weather holds, of how long the city can continue to supply a million gallons of water daily into the system.

Here is what happened as Mayor Lucas, Acting City Supt. E. A. Warren, and City Water Supt. Holleman explained it at a 9 a. m. press conference Wednesday:

Last week for six days in a row, Monday through Saturday, the city water usage ran over the million gallons per day mark—each day drawing down the reservoir as it was more than the city could pump into its water distribution system. The peak came last Thursday when 1,265,000 gallons were used. Saturday was the first Saturday in the city's history when water usage zoomed over the million gallon mark.

At 6 a. m. Sunday morning—at that unusual hour—city water usage was 900 gallons a minute with the mill down for the week. See WATER SITUATION, Page 8.

### 701 season grid tickets offered

Season football tickets will be placed on sale tomorrow (Friday) at the office of School Supt. Barry B. Thompson, nearly a week ahead of the July 31 date originally set.

The reserved seat tickets will be for all six of the Post Antelopes' home games and will sell for \$7.50 each.

The reserved seat section of the home side bleachers has been extended and 701 reserved seat tickets are being placed on sale. The seat numbers have been re-stenciled and other improvements made in the reserved section.

The season tickets can be purchased at the superintendent's office beginning tomorrow.

### EARLY APPEAL FOR CHRISTMAS GOODS

Post Lions and the Texas Mu Alpha Chapter of Beta Sigma Phi issued their first 1963 Christmas appeal this week—early for old clothes and toys for the needy.

W. G. (Wilke) Wilkerson said the big basement of the Wilke's Supplies store will be used again this year as Santa's workshop to repair and paint toys and bikes.

"We want them now so we can have time to work on them and get them ready in advance of the holiday rush," Wilke told The Dispatch.

"We want good toys or broken ones," he said.

"As for clothing, say we especially want clothing," Wilke said. "Families last Christmas were most delighted with the clothing they needed it so badly," he explained.

"We'll try to make pickup calls if people will phone in their address for such pickups," he added.

Those with toys or clothing to donate should contact Wilke, Mrs. Margaret King, or any members of the Lions Club or sorority chapter.

### Tangerine Bowl is burglarized

The Tangerine Bowl on the Tahoka highway at the west edge of town was broken into sometime Sunday night and an undetermined amount of money stolen. Police Chief Elton Corey reported.

The officer said the burglar or burglars gained entrance to the building by unscrewing a glass front door from its aluminum frame.

Corey said Richard Borgman, proprietor of the bowling alley, reported that the money was taken from a desk in the office. Nothing else was bothered, according to the report.

### Something a little different

## This Post woman chased by a bear

Two women, one from Post and the other from Lubbock, narrowly escaped the clutches of a bear Monday evening while on a fishing trip with their husbands in Colorado.

Beggs said the bear, "a big black one," was only about 12 steps behind the fleeing women when he shot it. The group was camped about 26 miles from Lake City.

Beggs said the women had seen the bear in the vicinity of the hunting lodge the day before it chased them.

Otherwise, Beggs said, the trip was uneventful. "We caught a lot of fine trout," he added.

### Gomer C. Custer funeral is held

Funeral services for Gomer C. Custer, 49, a longtime resident of the Close City community, who died Wednesday night of last week in a Sacramento, Calif., hospital, were conducted at 4 p. m. Sunday at the First Baptist Church here.

Mr. Custer was born Feb. 14, 1914, at Olney. He was a veteran of World War II having entered the service in 1941, and was a member of the Masonic Lodge here.

The Rev. Shelby Bishop, pastor of the Friendship Baptist Church, officiated at the funeral services, assisted by the Rev. C. B. Hogue, First Baptist pastor.

The songs "What a Friend We Have in Jesus" and "The Old Rugged Cross" were sung by a quartet of Mrs. L. G. Thuet Jr., Mrs. Alvin Young, Bob Baker and Lex Roby, accompanied by Mrs. Glenn Norman at the organ.

Interment was in Terrace Cemetery under the direction of Mason Funeral Home, with Masonic graveside rites being held. Pallbearers were L. G. Thuet Jr., W. C. Bush, Bernie Jones, Dee Hodges, Conner Howell, Henry Wheatley, Burney Francis and Douglas Tipton.

Mr. Custer is survived by two sons, Dennis and Craig Custer, both of Sacramento; his mother, Mrs. G. C. Custer; one sister, Mrs. W. H. Childs, and one brother, Mike Custer, all of Post.

### New boiler to go into courthouse basement

The new boiler for the courthouse basement will be installed in the courthouse basement where the old one is, County Judge J. E. Parker announced this week.

Price estimates for the installation in the storage building north of the courthouse were "too expensive," Judge Parker explained.

### FFA DEGREE

Pete Dodson (above) received the Lone Star Farmer Degree last week at the state convention of Future Farmers of America in Lubbock. Pete, a past-president of the Post FFA chapter, became the 10th Post FFA member to receive the Lone Star Farmer Degree, according to Ike Trimble, chapter advisor. Only 2 per cent of the state FFA membership receive the degree, which is the highest awarded on the state level.

### Administrator is hired at hospital

J. B. Rickels of McCamey, Tex., has been employed by the hospital board as administrator of Garza Memorial Hospital.

Rickels, who will replace Don Carl as administrator, will assume his new duties here Thursday, Aug. 1. Carl resigned effective July 1 after about four years as administrator and accepted a similar position at Memphis, Tex.

Rickels was reared in Spur, where his folks still live. He is married and has two young children.

He has been administrator of the

### Lutherans buy church building

The Faith Lutheran Church of Post has purchased the Presbyterian church and educational facilities at 126 North Avenue K.

The Lutherans will obtain possession of the church property when the Presbyterians move into their new church facilities late this year.

The Lutherans have been holding regular Sunday services in the Presbyterian Church on Sunday evenings since April with the Rev. R. F. Kamroth, Lutheran pastor at Wilson filling the pulpit.

### First grass blaze in weeks occurs Tuesday

A grass fire Tuesday afternoon—the first since before the June rains—and an automobile blaze Saturday night have been the only fire alarms during the last seven days.

Tuesday's grass fire was reported at 3:15 p. m. and sent firemen 20 miles out on the Gail road to the Wells Ranch, where they extinguished the fire in about two hours.

Saturday's automobile fire was reported at 8:45 p. m. The blaze, which was in a car on the 800 block of 5th Street, was out when the firemen arrived, their report showed.

# Dispatch Editorials

THURSDAY, JULY 25, 1963

## Big Sidewalk Sale is Saturday

Just as one good turn deserves another, so does one successful event deserve another. That is what we're having in Saturday's second annual Sidewalk Sale event.

Last year's Sidewalk Sale, the first of a number of sales promotion events under the auspices of the Post Chamber of Commerce, went over with the proverbial bang. It was head and shoulders above any of the other promotional projects from every standpoint.

This year's Sidewalk Sale should be just as successful. It marks the complete and final clearance of summer merchandise by local merchants, and at the precise time of year when such merchandise can be marked down to sensational bargain prices that the customers will see for

themselves when they shop the outdoor displays all day Saturday.

Merchants weren't any more pleased with the success of last year's Sidewalk Sale than were the customers themselves. This year's event, in every sense of the word, is being repeated by popular demand.

Adding zest to this year's Sidewalk Sale is the "best costume" contest. There were many unique costumes at last year's Sidewalk Sale. At this year's with the added incentive of a first place prize, there'll be even more.

Don't miss Saturday's Sidewalk Sale. If you do, you'll not only be missing out on some outstanding bargains, but also on one of the year's biggest shopping events.—CD

## Drunk driving reports help

Sober citizens are being called upon to throw the spotlight upon drunk drivers by reporting such violators to the nearest law enforcement agency.

"This violation, one of the major factors in fatal accidents, is one that could be curtailed immeasurably with the cooperation of the general public," said Maj. Harry Hutchinson, regional commander of the Texas Department of Public Safety.

This week, Sgt. C. A. Dempsey of the district DPS office at Lubbock was in Post and, in talking over the appeal with a Dispatch staff member, agreed that many people already are cooperating in spotlighting drunk drivers.

The daily log book at the police radio station here shows that four of five calls are received every week from people reporting someone driving hazily, usually described as "taking in both sides of the road."

"We appreciate these reports," Sgt. Dempsey said. "The only thing is that we need more of them."

He says that any citizen who is reasonably certain that a person's driving capability is impaired by alcohol, or for any reason for that matter, is urged to get to a telephone as quickly as

possible and call the nearest state, county or municipal police agency.

"With knowledge of the approximate location of the apparently dangerous driver," Sgt. Dempsey said, "there is a good chance that we will be able to remove him from the road before something happens."

Dempsey said citizen support in this kind of effort has proved successful in other areas of the state. He added that persons reporting such incidents need not be concerned if it turns out to be a mistake, because routine, accepted law enforcement procedure will take over after receipt of the initial "tip" that something might be amiss.

"There is no question but that this violation is one of the most dangerous of all in contributing to tragic fatal accidents which might deal death and injury to several innocent persons," the sergeant continued. "Many times, a person has seen a driver under the influence of alcohol take off down the road in a vehicle and later heard the report he was involved in a fatal accident."

What Sgt. Dempsey didn't say, but what we know he meant, was that it would be an awful feeling to any law-abiding citizen to know he'd willfully neglected to report a drunk driver who later became involved in a tragic accident.—CD

## Time for ceremony planning

It is high time to begin planning for the dedication of the new White River dam.

What kind of a shindig or program do the folks want?

That's a good question. A better one is how to handle the crowd at the dam site and when to time it for good weather and perhaps close to when it actually will be placed in operation.

Certainly it would be when it is more nearly full and about ready to start water flowing through the pipelines to the four towns involved.

The Dispatch has one suggestion. Let the Chambers of Commerce of Post, Ralls, Crosbyton,

and Spur get together on a dedication project—working with White River Municipal Water District directors of course.

If a barbecue, or something similar, is held it is going to cost some money. That shouldn't be a function of the White River district.

The "road net" being what it is into the dam site probably one-way traffic in one entrance and out another, would be the safest for all concerned.

Anyway, the dam project's completion is now only a couple of months away. It is high time to begin planning a fitting ceremony and event to dedicate it—and let the folks inspect the completed facilities.—JC

## Religion her next target

The John Birch Society, which always seems to be after something that doesn't need anyone or anything after it, should focus its sights on a Baltimore woman—the same woman who successfully challenged Bible reading and recitation of the Lord's Prayer in public schools.

Flushed with success, this woman, whose name is Mrs. Maralyn Murray, says she will now devote her life to promoting materialism.

Mrs. Murray, a Baltimore housewife, announced she is forming an atheist corporation which will have headquarters in rural Kansas.

According to the articles of incorporation, "The objectives and purposes of this corporation shall be to promote and advance the philosophy of materialism by whatever means the board of directors may determine."

She filed corporation papers July 1, setting up an organization called "Other Americans, Inc."

Mrs. Murray told newsmen that the group has acquired about 160 acres of land near Stockton, Kans.

The corporation, she said, will establish a university, an information center, a radio station, a printing press and a home for the aged. "We have 300 members right now, but we are just beginning," she said.

"Atheists have never had a voice in society," she said. One of the first projects of the Kansas Center, she said, will be to launch a series of legal attacks against property tax exemption now given churches. Suits will be filed in "about fifteen" states next fall, she explained.

What is our prediction for this new center? About as much success and not near as much notice as the average nudist colony.—CD

## 'Dandy' hair fashions forecast

Post males who have long used the word "dandy" to describe their new automobile, their new fishing gear or their new set of golf clubs need to look around for another word. The women, bless 'em, are taking over the word "dandy" to describe this fall and winter's hair styles.

No less an authority than the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association informs The Dispatch that hair styles will be a "Dandy" this fall and winter. The word, they tell us, is a direct reference to the incredibly elegant dandies of the last century. But, now, the term inspires a delightfully free elegance and feminine wit in women's hair fashions.

The "Dandy" features a virtually young and sportive look in a casual "down" line for day,

covering dramatically into a devastatingly feminine "up" line of classic beauty and romantic charm for evening.

There are two basic lines of the "Dandy" and key features of both lines are a small and faintly head poised on an elegantly shaped nape of head hugging waves, rippled, ruffled, or draped gently to lend important back interest to the coiffure. The personal touch is vital in both lines, we are informed.

If the men want to keep using the term "dandy" to describe something of their own is that, they could stretch it out to "jim-dandy", and see if they couldn't get the women to use the term "jane-dandy" in referring to the new hair-dos. That way everyone would be happy and no one in the least confused.—CD

## What our contemporaries are saying

Fun becomes more expensive as you get older... gets scarcer, too.—James Roberts in Andrews County News.

Television shows have reached a new extreme where the playwrights and characters become so confused they merely quit and tell the audience that the end has been reached.—Douglas Meador in Matador Tribune.

The guy who says it can't be done is usually interrupted by someone doing it.—Herbert Hudson in The Ochiltree County Herald.

Since the days when we took delight in sitting on the ice cream freezer while somebody else

turned the crank, picnics have progressed a lot. They've now reached the stage when it takes you longer to get ready for one than it used to take your own parents to decide whether your new bathing suit was "proper" enough for what—longer ago than we care to remember—was still referred to in some shocked circles as "mixed bathing."—Ruth Coffey in Colorado City Record.

The man who said the flea is the strongest creature known must not have considered the American—who not only carries Washington but a considerable portion of the rest of the world on his shoulder.—Frank Hill in The Lynn County News.

THE NEXT ISSUE of The Dispatch will be dated Thursday, Aug. 1, and bringing out a newspaper is about as good a way as any to start off a month.

August, the calendar shows, will be a big month, with a four-night rodeo, a couple of horse shows, preparations for the opening of the new school term. What the calendar doesn't show, but what we're hoping for, is a big break in the heat wave and a rejuvenated water supply.

JULY HASN'T been much fun.

Speaking of fun, one of my readers chanced to find this while going through some old papers:

HAPPY VACATION

Go to a lot of different gas stations and collect road maps back from everywhere. Rush home from work Friday, pack the car full of blankets, oranges, iodine, golf clubs, butter, cigarettes and old hats. Get in the car and wait for the family. And wait and wait and wait. Start up the street. Turn the wrong way on some road and go a little ways. Stop and yell things at the nearest car.

Go back home and get the saw-logs and the hot water bottle your wife forgot. Walk out to the car and make a noise like a flat tire. Jack up the car and change a wheel, sit in the butter, rub some dirt on your face and whip the children.

Now, get some sand, take it in the house and throw it between the sheets. Don't wash your face, turn out the lights and try to go to sleep. Next morning, unpack everything you put in the car, scrape the butter off your pants, remake everything and go to a drive-in. Then go home and unload everything.

You'll be glad to go back to work.

The Man up the Street philosophizes that thinking is like toothpaste; if you squeeze out more than is needed it is difficult to keep.

MY FRIEND, WHO last week tells me how they used to ship queen bees from Powderly, Texas, catches me on the run over the weekend, but gets me to stop long enough for him to say that he didn't expect me to put it in the paper about the queen bees, but that since I did, he has something else he wants to tell me.

By this time, he has me stumped completely, so I say to myself, "Why not?" and sit back down. He wants to know if he's ever told me how you can catch elephants with tweezers, and since I'm sure this fellow has never told me about anything except queen bees, I say, "No, you've never told me that."

"I'VE NEVER TOLD you what?" the fellow asks, and I immediately wonder why I didn't keep running while I was on the run. "You've never told me how to catch elephants with tweezers," I said. "Oh, that," he says.

"Well," the fellow says, "you go down to the nearest elephant watering hole, and you take a stick and you write in the sand the word 'elephant.' The elephants come out of the water hole and start milling around, getting madder and madder about the way you misspelled 'elephant,' since nobody, not even an elephant, likes to see his name misspelled."

"WHILE THE ELEPHANTS are still milling around, you look at them through the wrong end of a pair of binoculars, which will make them small enough for you to pick up with the tweezers, which you then do and put them in a sack."

He makes it sound real simple, so simple, in fact, that while I'm still sitting there thinking about it, he's up and gone before I have time to ask him if he knows anything about kangaroos.

IF YOU WATCHED the Miss Universe Contest finals on TV Saturday night and then read the same Sunday morning paper that I did, you probably thought, as I did, that it just didn't seem possible for those 70 or 80 smiling beauties to have been mad enough just a few hours before to stage a sit-down strike

**In Our Time**

NEW FLOOR OF SPACED STEEL SLATS HARKS MOOD-KISSING CLEANER, MORE ECONOMICAL, EASY TO INSTALL, IT REDUCES STOCK MANAGEMENT TIME TO LESS THAN AN HOUR A DAY FOR UP TO 500 HORSES.

USE OF LOW-ALLOY, HIGH-STRENGTH STEEL IN POWER TRANSMISSION TOWERS MAKES THEM LIGHTER, EASIER TO TRANSPORT. ADV TYPE OF STEEL IS RUST RESISTANT, NEEDS NO PAINTING OR EXPENSIVE MAINTENANCE.

SCIENTIFIC TESTS SHOW IT'S EASY TO PAINT GALVANIZED STEEL IF YOU USE ZINC DUST OR CEMENT-IN-OIL PAINTS.

## Remembering yesteryears...

### Five years ago

Funeral arrangements pending for Mrs. Virginia Lee Farr who died in St. Louis, Mo.; postal rates go up Aug. 1; Mr. and Mrs. Percy Parsons and sons move to Olton where he will open a funeral home; Billie Lou Hill, Anne Morris, Kay Martin, Sharon Woods, Ruth Miller, Melanie Thompson, Ruthell Martin, Kay Gordon and Jane Maxey enter race for rodeo queen; Danny Jones hosts Coke party at "Antelope Alley"; Mr. and Mrs. Ferrel D. Wheeler announce the birth of a daughter, Jenny Diane; Edith Youngblood's engagement to James Barron is announced; Church of the Nazarene is scene for wedding of Bonnie Guthrie and R. B. Taylor; Carol Edwards and Wade Peppers wed in candlelight ceremony; Carol Ann Edwards honored at miscellaneous shower; Mr. and Mrs. W. O. Fluit Sr. observe their golden anniversary.

### Fifteen years ago

Southwestern Junior Rodeo to be held here; Mr. and Mrs. Kelly McCombs of Justiceburg announce the birth of a daughter, Teresa Ann; Mrs. Melvina McClellan dies unexpectedly of heart attack; Rotary Club plans barbecue; Coach V. F. Bingham to attend coaching school; fleahoppers invade South Plains slowly; calf roping and dance scheduled on election day; Mrs. Weldon Swanger admitted to hospital in Rotan; Slaton raps local crew, 14-4, a zone rally for 11 Nazarene Churches to be held.

### Ten years ago

Bernie Welch and Kenneth Rogers receive Lone Star Farmer decorations and threaten not to go on with the contest.

### Visits Cousin

Patti Power, daughter of Mr. and Mrs. Tom Power, left last Thursday to visit with her cousin, Gwynne DuBoise in Fort Worth. Patti will return home today.

### Visit Over Weekend

Mr. and Mrs. Warren Yancey and sons of Denver City spent the weekend with her mother, Mrs. D. C. Williams. While here they also visited with friends.

By HERB SMITH

"Welfare"

Americans have progressed through at least three welfare periods. At one time assistance was given to those who COULDN'T work, then advancement was made to assist those who WOULDN'T work. Now we're out of the dark ages, and handouts are given to those who won't work and who WON'T LET others work.

Perhaps one of the reasons people don't want another depression is because they fear having to WORK for relief.

This "something for nothing" philosophy has affected the religious outlook of many who think of God as a Divine Uncle Sam who will give them "relief" at the Judgment. There will be no grants or handouts on That Day. Every man will be judged according to his WORKS. (Rev. 20-12)

YOU ARE INVITED TO ATTEND THE SERVICES AT THE CHURCH OF CHRIST, 10TH & AVE. M.

Purchase of registered Angus cows reported

AUSTIN — The Texas Association reports that failure rarely is responsible accident with modern farm equipment. Nearly every accident results from an operator's error. To avoid such accidents, the first and stay alert.

LIONS AID LIBRARY

SLATON—An \$800 gift to Slaton Lions Club to the library here has made possible the first shipment of books to be received.

SCHOOL CONTRACT

CROSBYTON—Contract for construction of additions to the Crosbyton school plant has been awarded to Hunter Bros. Construction Co. on a bid of \$172,358.56. The additions will include eight new classrooms for the junior high school building.

By placing convalescent patients in foster homes, the Veterans Administration has a space equivalent to four mental hospitals at no cost to taxpayers.

BUY AN USED OK CARS With A Warranted G AT Collier Chevrolet-Olds

**sales total 1963 to July**

the first half of 1963, the Garza County purchased Series E and H savings bonds according to a report from Irby G. Metcalf Jr., chairman of the county Savings Committee.

amount represents 79.8 per cent of Garza County's 1963 savings bonds sales in Texas during the first half of 1963 were \$76,000, or 50.6 per cent of the 1963 total of \$150,000.

encouraging to note that savings bonds nationally are setting a new pace-time high," Metcalf said.

Explorer Troop 315 had better get with it on the Rain Dance bit. I bet you boys could make some pretty good money from the City if you did your stuff. Nobody seems to think we could ever run out of that good ole H2O but Sunday should have proved a point. Not many people paid any attention to it though. I wonder if they really thought that their yards were getting a good soaking when the sprinklers were shooting water all of six inches or less. It didn't seem to bother them any... they just left them on. Sometimes I wonder. I bet they will too when they have to start buying bottled water or hauling it in from some land of plenty. Which reminds me, I also wonder if the grocery stores were smart enough to foresee this problem and set in a good supply of Hygeia, etc. You know what they say—every cloud has a silver lining. I think any cloud would be appreciated now, silver lining or not.

The younger Miss C and Diane Kiker got their Monday morning started off good when they decided to ride to Slaton (if they could make it after they got to Southland) on a couple of bicycles (courtesy of Marcia Newby and Terri Power). They started off bright and early at 6 o'clock and when we (Mrs. C and myself) found them they were sitting in a grove of trees 5 1/2 miles on top of the cap. That was at 8 when we went to work. The last report we had was at 10:30 when they were seen just about a mile or so out of Southland. Wonder if they made it to Slaton for lunch? This little excursion will probably keep them pretty passive the rest of the week.

Lin Allyn Cox and Edwin Lewis ought to be in better moods this week. Wende Duncan and Linda Gist finally got home from vacationing in Colorado. Heard Allyn spent a very enjoyable Sunday—probably making up for lost time. I'm always glad to see the sugar ants at work. Which reminds me that Harold Wayne Mason might get sorta lonesome with Vonda Howell down in Odessa visiting with Mr. and Mrs. Rusty Millican. Vonda left Friday and no telling when she'll come back. For HW's sake it'd better be soon. Betsy Shytles is down in Corpus Christi visiting her grandparents and I imagine Kent Wheatley will be more than glad when she comes home this weekend. Cheri Moore look a much more happy since Phil Foster got home but what's this I hear about Phil having an 11 o'clock job? Speaking of Cheri, her cousin, Chris (nice name) Harper (this time it's a boy) of Mt. Pleasant, Ia., was here visiting this week. He dated Carol Camp while he was here.

Janith Short, Janie Carradine, Mary Ann Williams, and Anne Pennington went to the Plainview ballgame Saturday. Seems like Janith saw one of her fellow Glorietta workers, Dale Young of Brock. I'm beginning to wonder if she was working as hard as she said she was. Marilyn Minor and Susie Jo Schmidt are spending the month in Dallas visiting with Susie's brother, Bob, and family. They'd better be gettin' home since rodeo time is gettin' closer.

David Nichols, Janice White, James Mitchell and Mr. and Mrs. Don Greer all went to Lake Thomas Sunday. I bet David, Jan and James are all old pros with all the skiing practice they get in.

Glenn Polk is working for the Highway Dept. now. Joe Bruce is measuring cotton along with David Lee but David is also going to summer school at Lubbock Christian College. He's really got a job on his hands. Larry Ozman is now working down at the old swimmin' hole and so is Curtis Didway. Curtis certainly is versatile. He's going to manage the pool while coaches Gregg and Black are away at coaching school. Roger North and Gene Allsup are still working away at the S'nak Shak and Gary Hays is working at the Corner Grocery with his uncle Pete and grandfather Jim. That's not a good set-up.

## Card of Thanks

We wish to extend our sincere and grateful thanks to our many friends for their love and sympathy expressed us in so many beautiful ways during our recent bereavement. That God's richest blessings will ever attend them is our ardent hope and earnest prayer.

Mr. and Mrs. Edgar Presson  
 Mr. and Mrs. Howard Presson  
 Mr. and Mrs. Lester Presson  
 Mrs. Gladys Presson, Boo and Jan  
 Mrs. W. R. Graeber

Words cannot adequately express to our friends and neighbors our deep appreciation for the many kind and sympathetic acts, the beautiful floral offerings and food that came to us at the time of our recent bereavement. God bless each one of you.

Dennis and Craig Custer  
 Mr. and Mrs. Noel Don Norman  
 Mrs. G. C. Custer  
 Mr. and Mrs. Mike Custer and family  
 Mr. and Mrs. W. H. Childs and family

I wish to thank the Post Chamber of Commerce for sponsoring the Caprock Golf Tournament. A special thanks goes to Charley Luttrell, the ladies that served food and the boys that helped get the course in shape. They all helped make the tournament a success.

Durwood Bartlett

We want to express our many thanks and show our appreciation for every act of kindness shown us at the passing of our dear loved one. May God richly bless each one is our prayer.

Mrs. T. B. Johnston and Dean Mr. and Mrs. J. P. Johnston and family  
 Mrs. Verna Harrison and family  
 Mrs. Jewel Harper and family  
 Wilma Johnston

I would like to say thanks to everyone who sent flowers and cards and visited me while I was in Methodist Hospital. Also wish to say thanks to Drs. Tubbs, Krueger and Stirman and all of the nurses for their help.

Oneta Williams

**FARM PRODUCTION UP**—One farm worker in the U. S. today supplies food, fiber and other products for 27 people as compared to only eight in 1920. Crop production is now 70 per cent higher per acre, output per breeding animal is 90 per cent greater and one hour of farm labor produces more than four times as much as it did in the period from 1919-1921.

**30 MILLION WOMEN**  
*Education Determines Jobs Ahead!*

TEACHER SALESWOMAN  
 DESIGNER HOME ECONOMIST  
 TECHNICIAN SOCIAL WORKER  
 RESEARCHER WRITER  
 NURSE MERCHANT  
 DIETITIAN BUYER

*National 4-H Service Committee Photo*

Within the next decade about 30 million women are expected to be holding down jobs, says the U. S. Department of Labor. Women now make up about one-third of the total labor force of 75 million. Modern invention and technological advances will add new jobs to the wide span already being filled by women. Many positions are and will be in the home economics field. Employers indicate that more professionally educated women are needed, and those trained in specific skills as well.

## Educators Urge Early Career Choice

Today educators urge students to complete high school, and make an early choice of career so that later training and education can be planned accordingly. One group of young women who have a head start, reports the National 4-H Service Committee, are 4-H members.

## 1.3 Million Girls

At some time during club membership, nearly every one of the 1.3 million girls now enrolled in 4-H receives some training in her dual role of future homemaker and career woman.

Sewing, meal planning, nutrition, home management, interior decoration, fashion and consumer education are among the projects in which 4-H Club members participate.

They start in 4-H as young as 9 years of age, and many remain for as long as 10 years. Volunteer adult and junior 4-H leaders supervised by the Co-operative Extension Service head the local clubs.

Helping to encourage these future home economists, scientists, writers, mothers, teachers and business women are two corporations that annually contribute funds, educational literature and technical assistance to the national 4-H clothing and the foods-nutrition programs.

## Scholarships Help

They are Coats & Clark Inc., which this year will help 12 girls with their college education by way of \$500 national clothing scholarships.

General Foods Corporation will give six \$500 scholarships to top-ranking club members in the 4-H foods-nutrition program.

## Chicago Delegates

Both firms will bring to Chicago as delegates to the week-long National 4-H Club Congress state award winners from all 50 states and Puerto Rico—102 in all. Here they will be honored by their hosts at elegant parties and banquets.

During the week-long congress these talented teens will hear prominent educators and noted speakers. Along with 1300 fellow 4-H'ers they will participate in several challenging and inspiring events. For most, it will be the first trip to a big city.

Coats & Clark and General Foods are but two of hundreds of private enterprises helping the youth of this country achieve future goals.

## Members Great Plains Conservation Program Committee meet near Pecos

Thirty members of the Texas Great Plains Conservation Program Committee, representing most of the agencies, groups and associations working in the field of soil and water conservation, met in the Pecos area recently, reported H. N. Smith, State Conservationist of the Soil Conservation Service.

The occasion was the annual field meeting of the committee when results and experiences of the past year are discussed and recommendations for improvement of the program are made.

George Skeets, rancher near Water Valley and a director of the Association of Texas Soil Conservation Districts, explained that the principle of the GPCP, where cost-share assistance is provided in accordance with a complete conservation plan developed for the entire operating unit and scheduled for application on a systematic basis, has proved to be the best demonstration and educational tool for soil and water conservation to date. Skeets explained that management must accompany any treatment applied if it produced the greatest return and was to be maintained over a long period of time.

Jack Stone, supervisor of the Toyah-Limpia Soil Conservation Conservation District, talked to the group and showed pictures of the work done on his ranch with GPCP assistance. Stone explained how he sprayed runoff water over flat draw-type ground that had been root-plowed and seeded to such grasses as Johnson and blue panicum. Stone stated that he was very proud of the results and invited the group to tour his ranch.

E. L. Thaxton, head of the Texas Agricultural Experiment Station located at Pecos, explained the research work being carried on there and conducted a tour of the station for the committee.

## Four plead guilty to DWI charges

Four men pleaded guilty before County Judge J. E. Parker this week to identical charges of driving while intoxicated.

They were: Bobby Don Criswell, July 24, fined \$50 and costs, sentenced to three days in jail, driver's license suspended for six months.

John Homer Larkford, July 22, fined \$100 and costs, sentenced to ten days in jail, driver license suspended for one year, seven days of jail sentence suspended.

Dwayne Orvel Jolly, July 22, fined \$50 and costs, sentenced to three days in jail, driver's license suspended for six months.

Thomas Jefferson Miller, July 22, fined \$100 and costs, sentenced to ten days in jail, driver's license suspended for one year, seven days of jail sentence suspended.

of cropland have been planned for conversion to other uses, such as pasture and rangeland. This represents over 21 per cent of all cropland placed under Great Plains contracts. Brush control has been carried out on over one million acres with assistance from the GPCP with an average cost-share assistance of \$2.35 per acre. It was pointed out that since 30.68 per cent of that total cost-share assistance had been spent on brush control, which is a disproportionate share of the available funds, a priority limitation had to be placed on brush control.

Following the business session, the committee toured the James P. Goode and Allgood and Avary farms near Barstow, George Avary and Mrs. Anna Herring ranches near Pyote, Edd Cox ranch at Monahans, A. J. Hoelscher at Coynosa and the Winfield Estate ranch at Fort Stockton. Many outstanding examples of conservation were observed on each farm and ranch.

## Legal Notice

**CITATION BY PUBLICATION THE STATE OF TEXAS**  
 TO: Doyle Eugene Brown  
 GREETING:

Your are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M., of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of September, A. D., 1963, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, Texas.

Said plaintiff's petition was filed on the 12 day of June, 1963. The file number of said suit being No. 1812.

The names of the parties in said suit are: Ida Laverne Brown as Plaintiff, and Doyle Eugene Brown as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 24th day of July A. D., 1963.

Given under my hand and seal of said Court, at office in Post, Texas, this the 24th day of July A. D., 1963.

## Members Great Plains Conservation Program Committee meet near Pecos

Thirty members of the Texas Great Plains Conservation Program Committee, representing most of the agencies, groups and associations working in the field of soil and water conservation, met in the Pecos area recently, reported H. N. Smith, State Conservationist of the Soil Conservation Service.

The occasion was the annual field meeting of the committee when results and experiences of the past year are discussed and recommendations for improvement of the program are made.

George Skeets, rancher near Water Valley and a director of the Association of Texas Soil Conservation Districts, explained that the principle of the GPCP, where cost-share assistance is provided in accordance with a complete conservation plan developed for the entire operating unit and scheduled for application on a systematic basis, has proved to be the best demonstration and educational tool for soil and water conservation to date. Skeets explained that management must accompany any treatment applied if it produced the greatest return and was to be maintained over a long period of time.

Jack Stone, supervisor of the Toyah-Limpia Soil Conservation Conservation District, talked to the group and showed pictures of the work done on his ranch with GPCP assistance. Stone explained how he sprayed runoff water over flat draw-type ground that had been root-plowed and seeded to such grasses as Johnson and blue panicum. Stone stated that he was very proud of the results and invited the group to tour his ranch.

E. L. Thaxton, head of the Texas Agricultural Experiment Station located at Pecos, explained the research work being carried on there and conducted a tour of the station for the committee.

## Metcalf again heads housing authority here

Irby G. Metcalf and Chant have been re-elected chairman and vice-chairman respectively of the Post Public Housing Authority.

The annual meeting was held Thursday noon at the bank. The authority is now awaiting federal action on an application for waiver from the required non-disturbance agreement for sites in the local housing project.

Since Post is the only community in the Southwest which has been drilled and operated under a drilling ordinance, neither the regional Public Housing Authority office in Fort Worth nor the national office in Washington, D. C., under the impossibility of securing a non-disturbance agreement from those leasing city property.

Application for the waiver has been made through the regional office at Fort Worth, but must be approved in Washington.

Pat N. Walker, attorney for the authority who will be in the East on vacation soon, plans to confer with the national Public Housing Authority office in Washington, D. C., Aug. 1 on behalf of the waiver.

This is all which has held off purchase of the former Lincoln School site for 22 of the 28 public housing units planned here.

The site for the other six units already has been purchased, but will have to be abandoned until the waiver is obtained.

## Vet's Forum

Q. A veteran has asked me as a personal physician to get a report of the VA x-ray and laboratory studies made at a recent examination. How can I get this information from the VA?

A. You may secure Form 10 from the Veterans Administration which will authorize the release of information from the veteran's records. Or the veteran concerned may send to the VA a written statement granting permission to release the information to the doctor.

Q. Are members of my immediate family eligible for VA hospitalization?

A. Veterans only are eligible to receive care in a VA hospital. First priority goes to veterans with service-connected disabilities after that service men without service-connected disabilities who are unable to pay for hospital care.

Q. Can I make a reservation for burial plot in a national cemetery?

A. Burial plots are assigned at the time of the funeral. No advance reservations are made. Once the plot has been assigned it is understood that the wife (or veteran if the wife is already buried there) will be buried there when the later death takes place. In certain cases a child may also be buried there.

Samuel Morse is remembered chiefly for his invention of the electric telegraph and Morse code but he was also one of the first early American portrait painters according to World Book Encyclopedia.

## TUNNEL KING

Charles Bronson is the Tunnel King in the film of Paul Brickman's book, "The Great Escape," showing through Saturday at the Tower Theatre.

## DIAL 3340 FOR COOLER SERVICE

We will put up your cooler and check it for a new summer season, change mats if needed.

We stock parts and can repair any make.

## R. J.'s Furniture

**LEADING THE CHASE**  
 Brian Keith hardly slows down to pick up a passenger as he pursues a band of Apaches in Walt Disney's "Savage Sam." Keith stars with Tommy Kirk, Kevin Corcoran and Maria Kristen in the Technicolor film, showing Wednesday through Saturday of next week at the Tower Theatre.

## Jo Fern Taylor, bride-elect, is shower honoree

Miss Jo Fern Taylor, bride-elect of Gary DeLaune Glasscock, was showered with a bridal shower, Saturday, July 20, in the Community Center.

Miss Helen Vern Taylor, twin sister of the bride-elect, registered 50 guests as they arrived from 8 to 10 o'clock in the evening.

The receiving line was composed of Miss Taylor, her mother, Mrs. Taylor, her grandmother, Mrs. G. Flowers, and her aunt, Mrs. E. Box of Dallas.

Miss Taylor's chosen colors of pink and white were carried out in the decorations. A white lace over pink was centered with a flower arrangement of pink and white flowers. A miniature bride and groom was featured with a streamer bearing the names "Jo Fern and Gary" in silver candelabras on either end of the table completed the decor.

Pink punch and iced cakes were served to approximately 30 guests. Misses Charlotte and Mickie Blair, sisters of the honoree, assisted were:

Misses Elva Peel, Jimmy Byrd, Robert McBride, Bill McMahon, Hannah Maxey, James Stone, B. D. Smith, Charles Didway, Ambrose Smith, Grover Mason and Glenn Smith.

Miss Sara Patricia Odam became the bride of Orval Clifford Furlong Jr. Saturday, July 20, at 7 o'clock in the evening in the home of the bride's grandparents, Mr. and Mrs. Theo Montgomery of San Angelo.

The Rev. Fred Hamner, assistant pastor of the First Methodist Church of San Angelo, officiated at the double ring ceremony before an arrangement of half-diamond candelabras with white cathedral votive cups and centered with a large basket of yellow and white Killian daisies.

Parents of the couple are Mr. and Mrs. T. B. Odam and Mr. and Mrs. O. C. Furlong Sr., of Fairfield, Conn.

Given in marriage by her father, the bride wore a street-length gown of silk organza over white taffeta with rounded neckline and bouffant skirt. Her shoulder-length veil of bridal illusion was attached to a tiara of sequins and pearls. The bride carried a cascade arrangement of Golden Dawn roses and Frenched white carnations, pearls and lily of the valley surrounding two white Jappette orchids on a Bible. For something old, she carried her mother's wedding handkerchief.

Mrs. Donald H. Odam of Lubbock, sister-in-law of the bride, was matron of honor. Miss Judy Ballentine was bridesmaid. Miss Cathy Furlong, sister of the bridegroom of Fairfield, was junior bridesmaid. They wore identical dresses made of yellow dacron dotted Swiss with bell-shaped skirts and scoop necklines. Their headbands of gold velvet ribbon were attached to nylon tulle. They carried colonial bouquets of white marguerite daisies with streamers.

Mr. Furlong attended his son as best man. Donald H. Odam, brother of the bride, was groomsmen.

Traditional wedding music was played by Mrs. C. R. Nelson, aunt of the bride, at the organ.

Mrs. R. J. Jaehne, aunt of the bride from Austin, greeted the wedding guests.

A reception followed the ceremony with the serving table featuring an arrangement of yellow and white daisies, yellow tapers, and wedding cake.

Members of the houseparty were Meses. Max D. Lovett, J. Ramon Jones, C. E. Covington and Miss Jo Harvey, all of San Angelo and Mrs. Monte Jones of Corpus Christi.

The bride is a graduate of Post High School and attended South Plains College at Levelland. She is now attending Vocational Nursing School in Lubbock and will graduate Sept. 1. Mr. Furlong is a graduate of University High School, Bridgeport, Conn. He is now serving in the Air Force and is stationed at Reese Air Force Base in Lubbock.

Out-of-town wedding guests other than members of the wedding party and family were Donald Stafford of Houston, Mrs. B. Thomas of Odessa, Mrs. I. A. Tyndall of Springfield, Mo., and Eldon King of El Paso.

Mr. and Mrs. Max D. Lovett were hosts for the rehearsal brunch at 11 a. m. the day of the wedding, in their home. Guests were the bridal couple, members of the wedding party, out-of-town guests and the bride's grandparents. Mr. and Mrs. Montgomery Yellow and white colors were used in decorations.

Mrs. Furlong was also honored at a tea shower prior to her wedding at the San Angelo Country Club. Mrs. C. E. Covington was a hostess for the event held at 2:30 p. m. July 19.

High School and attended South Plains College at Levelland. She is now attending Vocational Nursing School in Lubbock and will graduate Sept. 1. Mr. Furlong is a graduate of University High School, Bridgeport, Conn. He is now serving in the Air Force and is stationed at Reese Air Force Base in Lubbock.

MRS. LESLIE HAROLD WELCH (Patricia Nadine Nixon)

## Welch-Nixon vows exchanged at 2 p. m. Friday, July 23

Repeating wedding vows at the Delwin First Baptist Church Friday, July 23 at 2 o'clock in the afternoon were Miss Patricia Nadine Nixon and Leslie Harold Welch of Tullia.

Parents of the couple are Mr. and Mrs. L. D. Nixon of the Delwin community near Paducah, and the Rev. and Mrs. L. H. Welch of Lubbock, former Post residents.

The Rev. Mr. Welch officiated at the double ring ceremony.

Given in marriage by her father, the bride wore a street-length gown of white brocade with a scalloped neckline. The full skirt was gathered onto a fitted bodice. A crown of cut crystal beads and mock pearls hid the bride's elbow-length veil of French silk illusion. The dress was designed and made by the mother of the bride. The bride wore a gold necklace belonging to her maternal grandmother and carried a bouquet of yellow rosebuds atop a white Bible.

Miss Phyllis Nixon, sister of the bride, served as maid of honor. She wore a yellow brocaded dress with matching pill box hat. Her corsage was of yellow and white rosebuds.

Nathan Lee Welch of McLean, served his brother as best man. Richard Cranford, uncle of the bride, and Derritt Welch, nephew of the bridegroom, were ushers.

Mrs. Jill Ramsey, sister of the bridegroom from Tullia, accompanied Mrs. Richard Cranford, soloist. A reception followed the ceremony in the home of the bride's parents.

For travel to Fort Worth, the bride chose a two-piece yellow suit and white accessories. Her corsage was from the bridal bouquet.

The couple will reside in Tullia. Mrs. Welch is a graduate of Paducah High School and is attending Wayland Baptist College in Plainview working on an elementary education major. Mr. Welch graduated from Pecos High School and has served in the Army for three years. He entered Wayland College as a ministerial student for the 1962-63 school term and will continue his education there this fall.

## It's My Turn ...

—By MRS. C.

Well, a milestone was finally passed in the life of the younger Miss C and her friend Diane Kiker. On Monday, they biked 50 miles! Our younger Miss C has been "bugged" ever since the 50-mile hike ended so abruptly several long miles from Post way back in April.

We can only hope that this strange inner urge has been satisfied.

Mr. C and I were approached by our youngest one about 10 o'clock Sunday night with what did we think about the two of them bicycling to Slaton and back. This thought immediately went through my mind: "Gad, is the child crazy? Imagine wanting to bike to Slaton and back in this heat wave." I said out loud: "Gad, are you crazy? Who would want to bike to bike to Slaton and back in this heat wave?"

I then proceeded to point out all the reasons why it was ridiculous to even consider the idea and then realized I was sounding "just like a mother". I glanced at Mr. C and realized he was thinking all the things I had just said but, male-wise, was keeping his mouth shut. No more detail is needed, because obviously they did go and they did return.

Miss C the elder and I met them at the intersection of Main and Broadway after a couple of trips earlier to see if they were ready to call it quits. Miss C the younger made the classic remark when we picked them up: "That certainly

## Hudman-McGrew vows exchanged

Mr. and Mrs. Marvin Hudman are announcing the marriage of their daughter, Norma, to W. W. McGrew, son of J. L. McGrew and the late Mrs. McGrew of Midland.

The wedding took place Sunday afternoon at 2 o'clock in the chapel of the First Baptist Church in Midland. Dr. L. L. Morriss officiated at the ceremony.

The bride wore a pink sheath dress, a small pink hat and pink shoes. Her bag and gloves were white and she wore a white orchid corsage.

After a wedding trip to New Mexico, the couple will be at home in Midland where both are employed with Texas Electric Co. Mrs. McGrew is a home economist and he is with the engineering department.

The immediate families of the couple attended the wedding.

## Mrs. Tom Caffey birthday honoree

Mrs. Tom Caffey was guest of honor at a luncheon Sunday on her 80th birthday. The luncheon was held in the home of Mr. and Mrs. J. F. Brandon Jr. in Tahoka.

Mrs. Caffey, who lives at 114 West 11th Street, moved on Garza County 37 years ago coming here from Anson in 1926.

Attending the luncheon were the children, grandchildren and great-grandchildren of Mrs. Caffey. They are:

Mr. and Mrs. J. F. Brandon Jr. and Johnny, Mr. and Mrs. Merrell Cloe and son, Tahoka; Mr. and Mrs. June Caffey, Ruth Caffey, Mr. and Mrs. Henry Caffey and children, Miss Donna Keith and Mr. and Mrs. Roger Gray, all of Lubbock; Mr. and Mrs. Jerry Morris and Melinda, Mr. and Mrs. Jerry Odom and children and Mr. and Mrs. Ray Hodges and Carol, all of Post.

## Post couple attends wedding at Devine

Mr. and Mrs. Ralph Welch attended the wedding of their niece, Miss Donna Welch, daughter of the Rev. and Mrs. Ross T. Welch, last Friday in Devine.

Miss Welch was married to Ennis Hill Jr., the son of Dr. and Mrs. Ennis Hill Sr., of San Antonio. The bridegroom is a student at Southern Methodist University in Dallas.

The Welches also visited their son and daughter-in-law, Mr. and Mrs. Gary Welch, in Killeen. They returned home Sunday after their four-day trip.

## ATTEND MARKET

J. G. Stacy and son Gary of Levelland visited the Marshall Masons last week. They had been to furniture market in Dallas where they bought furniture for the Mason and Co. stores at Levelland and Post.

beats walking but I'm not sure we'll be able to sit down for a week."

The girls reported that half of Post was on the move to Lubbock today so they got lots of waving exercise in hand were recognized by everyone except a sister of Diane's that lives in Lubbock, and Giles McCrary.

Our only worry now is that Miss C the elder is getting the fever. I just won't let her off from the office and that will take care of her. Anyway none of her friends seem to be the athletic type.

I heard a real sad fish story over the weekend. Several people went out to a tank to fish and one of the "girls" hadn't fished for many a year—never with a rod and reel. What happens? all the men caught several small—really small—perch that were thrown back in without a thought. Finally this girl caught a huge bass—she almost needed help reeling it in. Did everyone whoop and holler and make much ado? No. Pure jealousy set in, the way I heard it, and she almost didn't get to town with that fish. By this time the fish had shrunk even in her eyes and she was ashamed to show it to her children. My heart really bled for her.

We Presbyterians are really in fine fettle. We have our new pastor with us, our new church is going up slowly but surely and we have the privilege of borrowing a Methodist most every Sunday to play the organ for us. We all just love Boo Olson and think she is a mighty fine person and a mighty fine organist. You see since we lost Betty Yancey to Denver City we'd have been in a real bind if it weren't for Boo. Betty and Warren were back for the weekend and she pinch-hit for Boo instead of visaversa. It looked so natural for Betty to be at the organ that it took a moment for it to register. Strange that we had to lose our only organ-playing Presbyterian and the Methodists are loaded with them.

According to some people in town our pastor's wife looks more like Jackie Kennedy than Jackie Kennedy. Politically, I won't hold that against her, but really like her because she has a cat named Riley—because that is what she leads the life of.

Juaniece Robinson received an interesting wedding invitation from Japan last week. Both of the couple planning to be married have been guests in the Roginson home. Yoshiko Shiga graduated from Wayland Baptist College in May of this year. She and her future husband Billy Burke were in Post doing mission work. Mr. Burke was born in Hobbs, N. M. His mother is Japanese and his father an American. He served in Japan with the Army and has returned to teach school there. Even though the couple knew and worked with each other in this country, it wasn't until she returned to Japan that "romance blossomed."

Back to the invitation. One side of it is, of course, in Japanese with a translation on the reverse side. It reads: "In response to what we believe is the love and will of God, we, Billy Lovd Burke and Yoshiko Shiga, announce our forthcoming marriage and invite you to witness our vows before the altar of His church. We also request your prayers that we may preserve His perfect love in our new home." The time, place and pastor's name is listed at the bottom. Different, isn't it?

## Mrs. Stewart is shower honoree

A breakfast and personal shower honoring Mrs. Ruth Stewart was held last Friday morning at Levi's Banquet Room at 9:30 o'clock.

Mmes. L. A. Barrow, C. R. Thaxton and E. A. Warren were in charge of arrangements.

Other honored guests were Mrs. J. P. Manly, Mrs. Stewart's mother, and Mrs. Shelley Camp and Mrs. C. W. Norman.

A sweetheart rose corsage marked the place of the honoree.

The table was decorated with an arrangement of gladiolas, carnations and roses in pink and white. The gift table was centered with a basket of flowers. Mrs. Stewart opened her gifts and they were then displayed.

Guests were: Meses. O. L. Weakley, Marshall Mason, C. B. Hogue, C. W. Terry, Bob Thomas, Tillman Jones, Jimmy Hundley, J. E. Parker, D. C. Williams, Tom Boucher, Phil Boucher, Louie Burke, A. C. Surman, J. F. Storle and Dezie Dickinson.

# Miss Odam and Mr. Furlong are wed in ceremony at San Angelo

MRS. ORVAL CLIFFORD FURLONG JR. (Sara Patricia Odam)

Miss Sara Patricia Odam became the bride of Orval Clifford Furlong Jr. Saturday, July 20, at 7 o'clock in the evening in the home of the bride's grandparents, Mr. and Mrs. Theo Montgomery of San Angelo.

The Rev. Fred Hamner, assistant pastor of the First Methodist Church of San Angelo, officiated at the double ring ceremony before an arrangement of half-diamond candelabras with white cathedral votive cups and centered with a large basket of yellow and white Killian daisies.

Parents of the couple are Mr. and Mrs. T. B. Odam and Mr. and Mrs. O. C. Furlong Sr., of Fairfield, Conn.

Given in marriage by her father, the bride wore a street-length gown of silk organza over white taffeta with rounded neckline and bouffant skirt. Her shoulder-length veil of bridal illusion was attached to a tiara of sequins and pearls. The bride carried a cascade arrangement of Golden Dawn roses and Frenched white carnations, pearls and lily of the valley surrounding two white Jappette orchids on a Bible. For something old, she carried her mother's wedding handkerchief.

Mrs. Donald H. Odam of Lubbock, sister-in-law of the bride, was matron of honor. Miss Judy Ballentine was bridesmaid. Miss Cathy Furlong, sister of the bridegroom of Fairfield, was junior bridesmaid. They wore identical dresses made of yellow dacron dotted Swiss with bell-shaped skirts and scoop necklines. Their headbands of gold velvet ribbon were attached to nylon tulle. They carried colonial bouquets of white marguerite daisies with streamers.

Mr. Furlong attended his son as best man. Donald H. Odam, brother of the bride, was groomsmen.

Traditional wedding music was played by Mrs. C. R. Nelson, aunt of the bride, at the organ.

Mrs. R. J. Jaehne, aunt of the bride from Austin, greeted the wedding guests.

A reception followed the ceremony with the serving table featuring an arrangement of yellow and white daisies, yellow tapers, and wedding cake.

Members of the houseparty were Meses. Max D. Lovett, J. Ramon Jones, C. E. Covington and Miss Jo Harvey, all of San Angelo and Mrs. Monte Jones of Corpus Christi.

The bride is a graduate of Post High School and attended South Plains College at Levelland. She is now attending Vocational Nursing School in Lubbock and will graduate Sept. 1. Mr. Furlong is a graduate of University High School, Bridgeport, Conn. He is now serving in the Air Force and is stationed at Reese Air Force Base in Lubbock.

Out-of-town wedding guests other than members of the wedding party and family were Donald Stafford of Houston, Mrs. B. Thomas of Odessa, Mrs. I. A. Tyndall of Springfield, Mo., and Eldon King of El Paso.

Mr. and Mrs. Max D. Lovett were hosts for the rehearsal brunch at 11 a. m. the day of the wedding, in their home. Guests were the bridal couple, members of the wedding party, out-of-town guests and the bride's grandparents. Mr. and Mrs. Montgomery Yellow and white colors were used in decorations.

Mrs. Furlong was also honored at a tea shower prior to her wedding at the San Angelo Country Club. Mrs. C. E. Covington was a hostess for the event held at 2:30 p. m. July 19.

**STEPS**

You can't see any farther ahead from the second step than you could from the first. But you know you are closer to the top.

And that very aptly describes one aspect of man's quest for spiritual understanding.

ONE SUNDAY IN CHURCH DOESN'T MAKE US CHRISTIANS. And sometimes a month of Sundays finds us still struggling with doubts and wrestling with temptations. Prayers don't always seem to have been answered. And parts of the Bible may constantly baffle us.

But the truth of the matter is that every spiritual step we take is exactly that — a *step*. It may leave our perspective unchanged for the moment. But it is bringing us closer to that higher level of life from which man's vision enlarges.

Until we reach life's spiritual crest, the most important step is always the NEXT. Join the millions who'll climb a little closer to the summit Sunday.

## Traffic accidents in June total 5

The Highway Patrol investigated five rural traffic accidents in Garza County during the month of June, according to Sgt. A. E. Roberts, patrol supervisor of this area.

The June wrecks accounted for five persons injured and an estimated property damage in the amount of \$4,760.

Sgt. Roberts said that this brings the total for the year thus far in Garza County to 23 accidents that have claimed one life, injured 16 people and caused property damage of \$22,805.

As a comparison, the patrol supervisor pointed to accidents in this county for the first six months of 1962 that accounted for one death, six injuries and property damage of \$11,149.

### VISITS PARENTS

Mrs. Powell Shytlies and daughter, Barbara, left Tuesday for Corpus Christi where they will visit her parents, Mr. and Mrs. C. G. English. Two other children, Betsy and Grady, have been visiting their grandparents since July 1. They will all return this weekend.

LARRY ADAMS

TOMMY ANDERSON

## All-Church revival is to start here Sunday

An all-church revival, emphasizing the responsibility for everyone in the church, begins at the First Baptist Church here Sunday, July 28, the Rev. C. B. Hogue, pastor, announced.

Larry Adams of Wichita, Kans., will do the preaching and Tommy Anderson of Terrell, Tex., will be in charge of the singing.

The Rev. Mr. Adams is a graduate of Baylor University and is presently enrolled in Southwestern Baptist Theological Seminary in Fort Worth. In high school, he excelled in football, baseball and drama, and his interests in high school included mission activities, Baptist Student Union work and psychology, and he was an announcer over radio station KYBS.

He has preached in several states and is constantly engaged to preach revivals and work on

college campuses.

Mr. Anderson, currently enrolled in Baylor, recently returned from Japan where he participated in the Japan Baptist New Life Movement.

In high school, he was all-state in choir and in football and other activities included dramatics, basketball and baseball. At Baylor, he played football, is a member of the Fellowship of Christian Athletes, assistant director of the Baylor Religious Hour Choir and sings in the capella choir. He has been music director of the Grace Temple Baptist Church in Terrell and of the Valley Mills Baptist Church. He has also been soloist for the Religious Hour Choir.

Services will be held each week-day, Monday through Friday, at 7:15 a.m. and 7:30 p.m., and at the regular time on the weekends. Visitation is planned during the day.

"The public is invited," the pastor said.

## Justiceburg group attends area rodeo

By MRS. BUD SCHLEUBER

Attending the rodeo in Snyder Wednesday evening were Mr. and Mrs. Jerry Crader, Mr. and Mrs. Fernie Reed, Mr. and Mrs. Riley Miller and children and George Knox McLaurin.

Mr. and Mrs. Chris Cornett visited with Mrs. E. M. Woodard at Garza Memorial Hospital Monday. Mrs. Corine Foster of Lubbock visited in the Babe Norris home Tuesday.

Beverly Young of Post was a recent overnight guest of Donna Robison.

Names omitted from last week's fish fry at the Babe Norris home were Mr. and Mrs. Tommy Forrest and daughters and Billy Wayne Blacklock.

Mr. and Mrs. Thurman Francis of Post were visitors in the Jim Boren home Sunday evening.

Mrs. Babe Norris, and Mrs. Johnny Cline and son visited Mrs. Melba Davis in Lubbock Monday.

Tom Drake visited the Fernie Reeds Tuesday.

Debraah and James Boren, children of Mr. and Mrs. Jim Boren, are having the chicken pox these nice warm days. They shouldn't have any trouble breaking out as hot as it is.

Mrs. Fernie Reed and Bruce were luncheon guests of Mrs. Bud Schlehuber Wednesday.

Mrs. Evelyn Dorman and Mrs. Luda Wall of Snyder visited Mrs. Dezzie Bevers last Wednesday and also in Post.

Bud Schlehuber and Denise visited the Lee Reeds Wednesday evening.

MRS. E. M. Woodard was dismissed from the hospital a week ago Wednesday and taken to her home here at the "Burg."

Mrs. Harry Wood was dismissed from Slaton Mercy Hospital a week ago Wednesday and taken to the Ira Farmer home in Post where she spent two days. She went to her home on Friday. Vivian McWhirt is staying in the Wood home and helping Jeannie.

Ben Schlehuber spent Thursday night with Tom Drake in Post.

Mr. and Mrs. Douglas McWhirt visited with Mrs. Harry Wood in Post at the Ira Farmer home last Wednesday.

Mrs. Jerry Crader was guest of honor at a bridal shower in the Sandy Wiever home in Edmonson last Thursday. Mrs. Sid Cross, Mrs. George Duckworth and Mrs. Clark Crader of Lubbock were among the invited guests. The hostess presented Mrs. Crader with a Sunbeam mixer.

Mrs. Vaughn Harris of Odessa, who is Mrs. Riley Miller's mother, is reported as getting along just fine after undergoing minor eye surgery Thursday.

Visiting the Weldon Reeds Friday were Mrs. Fernie Reed and Bruce and Mrs. Douglas McWhirt.

Mrs. Bud Schlehuber and Denise visited Mrs. Riley Miller and children Thursday morning.

Ben Schlehuber attended the rodeo in Snyder Friday evening.

Mr. and Mrs. Fernie Reed and Bruce attended a swimming party in Post Friday evening.

Mrs. Chalmers Davis and children visited the Jim Borens Tuesday afternoon.

Mr. and Mrs. Walter Boren spent Sunday night at their ranch.

Mr. and Mrs. Lee Reed visited the James Brooks Thursday.

Bruce Reed spent Saturday night

with his grandparents, Mr. and Mrs. Lee Reed.

WELDON REED and children visited his parents Sunday. Mr. and Mrs. Chris Cornett were evening visitors in the Lee Reed home.

Mrs. Bud Schlehuber and Denise visited Mrs. Harry Lee Mason and children Sunday evening.

Mr. and Mrs. Chris Cornett attended church services in Snyder Sunday.

Mr. and Mrs. Cecil Smith visited his sister, Mrs. Ella Murphy, Sunday.

Mrs. Add Jones and Mrs. Cecil Smith attended church services in Post Sunday evening.

Joe Dan Griffis of Lubbock has been dismissed from the hospital and is doing just fine.

George Knox McLaurin spent the weekend in Lubbock where he attended the McLaurin reunion at Mackenzie Park.

Mr. and Mrs. Hershel Timmons of Brownfield visited Mr. and Mrs. George Duckworth Saturday evening.

Mrs. Bud Schlehuber and Denise visited Mrs. Weldon Reed Monday morning.

Mrs. Harry Wood was a medical visitor in Slaton Monday.

### Service Pipe Line Co. appoints new engineer

TULSA, Okla. — Promotion of J. W. Stauss, Tulsa, to engineer in the Snyder district of the West Texas division of Service Pipe Line Co. was announced today by J. R. Polston, vice president-operations. Stauss, who has been employed in the Tulsa headquarters, assumed the duties of James B. Johnson of Snyder. Johnson accepted a position with Colonial Pipeline Co.

A graduate of the University of Wyoming, Stauss joined the company in 1939. Following assignments in Wyoming and Utah, he was transferred to the Tulsa general office in 1957.

Stauss will report to Snyder District Superintendent, V. T. Tracy.

### TWO-COUNTY REUNION

The annual Jones-Taylor County reunion will be held Sunday, July 28, in Mackenzie State Park, Lubbock, starting at 9:30 a. m. Those attending are asked to bring a basket lunch for their family. The lunches will be spread together at 12:30. O. R. Carey of Lubbock Route 2 is president of the reunion.

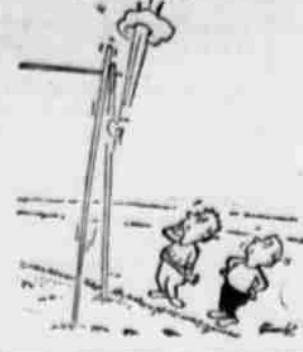

### FARM FIRES INCREASING

AUSTIN — The Texas Safety Association reports that property losses from farm fires in the nation have increased steadily since 1940. In 1961 the total was \$163 million, an increase of 155 per cent in 22 years.

Priceless credit records are built by prompt payment of accounts

"We're warm all winter in our TOTAL ELECTRIC HOME!"

SAY THE ELBERT SUMMERS FAMILY.

OF DIMITT, TEXAS

Clara, a Senior at Dimmitt High School, shows Mr. Summers how his newly won tennis racket will look on his colorful jacket. Sports play a big part in the life of the Summers family — just as their Gold Medallion home plays a big part in their daily comfort.

He could never... no drafts in this Gold Medallion Home. Here, nine-year-old Dean enjoys television with his dog. Beautiful heating adds to the cheer of the room... takes no floor space.

Mrs. Summers shows Donna, a Sophomore at Dimmitt High School, how simple it is to load the automatic electric dishwasher — just one of the working appliances in her modern electric kitchen.

In the living room, the den, or any room, the Summers dial the exact amount of heat they desire — clean, even, dependable electric heat. Electric comfort heating and a modern all-electric kitchen... big reasons why the Summers family enjoys living in their total-electric Gold Medallion home.

Two resignations accepted

# Six teachers are elected by board

The board of trustees of Post Independent School District employed six teachers and accepted the resignations of two others at a called meeting at noon last Friday.

The resignations accepted by the board were those of Mrs. Norene Ryder, high school English teacher, and Miss Martha Chamberlain, who had been newly employed as a junior high school science teacher.

Mrs. Ryder, who has taught here for the last five years, has accepted a teaching position in the Lubbock Public Schools system and will do work toward her doctorate at Texas Tech.

Miss Chamberlain, employed by the board three weeks ago, is resigning to be married, according to Supt. Barry B. Thompson.

Those elected by the board Friday included three teachers whose employment subject to board action already had been announced by the superintendent. They are Arthur Robertson, high school foreign languages; Norman Gen, high school chemistry and physics, and Gayle Frederick, junior high science.

Others employed by the board were Glen Schmidt, junior high mathematics; Mrs. Berys (Pat) Brookshire, high school history and English, and Miss Nelda Kay Halford, freshman English.

Schmidt has taught for six years at Dalhart and holds the B. S. degree from Southwestern State College, Weatherford, Okla., and has done additional graduate work at West Texas State College.

Mrs. Brookshire holds the B. S. degree from Texas Tech and has a double major in history and English. She has three years teaching experience.

Miss Halford holds the B. A. degree from Wavland College with majors in English and history. She also has two years of Spanish.

Also at the called meeting, the superintendent recommended that plans be abandoned for the proposed consolidation of two school bus routes because the one remaining route would be too long for the children riding the bus. Both routes can be maintained without having to purchase a new bus, Thompson pointed out.

The superintendent announced that insurance checks for damages by vandals to the old Lincoln Elementary School building have been received in the amount of \$468.63 and the money deposited in the Local Maintenance Fund.

The superintendent expressed his

thanks to Brown Bros. Et Al for providing equipment and men in restoring the concession at the football field to an upright position. The stand, which was blown over in the spring, has been repaired and will be in good shape for the football season, he said.

Thompson told the trustees that William F. Shiver, employed a few weeks ago as director of instruction in the local schools, has declined the offer of a position as consultant in history with the Texas Education Agency to remain with the Post schools.

"I feel that we are fortunate to have obtained a man of his (Shiver's) capabilities," the superintendent told the board.

In Post Aug. 6-7

# Girl Guides from Brazil to visit

Two Girl Guide Rangers from Brazil, South America, are now in Lubbock visiting the Caprock Girl Scout Council and will be in Post on Tuesday and Wednesday, Aug. 6-7, as guests of the local Girl Scout organization.

# 11 are booked in city court

Eleven persons have been booked in city police court during the last week.

# Building in slow second half start

The second half of the year is off to almost as slow a start as the first half in construction, only four building permits having been issued thus far in July, totaling \$3,597.80.

The July permits bring the 1963 total thus far to \$156,547.80.

One of the permits issued this month went to Mrs. W. H. Self to move a house from 401 North Broadway to 612 West 11th St. at a cost of \$300. Mrs. Self purchased the former Kate Lowrie home at 401 North Broadway and is having it moved to the new location.

Thurman Maddox was issued a permit for a new roof and windows at his residence at 116 East 14th St. at an estimated cost of \$1,200.

A permit was issued Ray N. Smith for replacing windows and adding storm windows at his home at 416 West 13th St., with the estimated cost \$397.80.

Everette Windham was issued a permit for a 22 by 22-foot carport and storage room at 805 West 6th St., costing an estimated \$1,500.

# 20 charged in JP court here during week

Business picked up during the last week in Justice of the Peace D. C. Roberts' court despite the continuing searing heat wave.

Those charged, together with fine and costs if paid, are as follows:

Bobby Don Criswell, July 23, no driver's license.

Leo Fuentes, July 20, minor consuming beer.

J. H. Lankford, July 20, no driver's license.

T. J. Miller, July 20, no driver's license.

Dwayne Jolly, July 21, no driver's license.

Arnold Aguirre, July 22, minor consuming alcoholic beverage.

Daniel Caballero, July 22, minor consuming alcoholic beverage, \$29.70.

W. D. Hawison, July 22, over-length truck.

C. E. Davis, July 21, drunk, \$24.70.

A. P. Medrano, drunk, July 21, \$24.70.

C. H. Howell, drunk, July 21, \$24.70.

Lee Cortez, July 21, drunk, \$24.70.

Dwayne Jolly, July 21, drunk, \$24.70.

Ferman Curtis, July 20, no driver's license.

Joe W. Forley, July 20, running stop sign.

I. R. Foley, July 21, permitting unlicensed driver to drive.

R. W. Corley, July 21, no RRC permit, \$40.50.

Richard T. Albritton, July 21, no RRF permit.

C. A. Fenn, July 18, over 18,000 pound axle weight.

Delbert F. Cockrell, July 18, over 32,000 pounds weight.

# White River—

(Continued From Page 1)

return which means the loan will not "cost much" interest wise at present.

The Rails banker added that the recent boost of the discount rate by the federal reserve board will mean a higher rate of interest back to the White River water district on its invested sinking fund, created from White River taxes to meet bond requirements for the construction loans.

Directors amended the district's supplemental trust indenture to provide for payment of the new loan, as required, following McLaughlin's report.

IN OTHER major action of the July meeting, directors voted to accept the recommended low bids for electrical power to the White River district to enable low bidders to begin necessary line construction to the dam and pump stations as required.

As recommended by the district's engineers of Freese and Nichols, the directors accepted the low bids of the Dickens County Electric Co-op for power to the dam, filtration plant, and one or two pump stations; of the City of Crosbyton for the pump station in Crosbyton; and of the Southwestern Public Service Co. for the Post pump station.

Directors decided to have General Manager Al O'Brien check with the district's engineers on the recommended length of such contracts and have them drawn up in detail for signature at an early date.

The directors' action last Thursday was to enable construction to begin promptly by the Dickens Electric Co-op into the dam and filtration plant. O'Brien said the filtration plant contractor will need power very soon to test motors in the big plant prior to his September completion of the facility.

Directors also were given a complete audit report on the district's operations for the year ending June 30, 1963, by the district's auditor, A. Arthur Davis, Lubbock CPA.

Attending the session from Post was Director and board president, Tom Bouchier, and Publisher Jim Cornish.

NEW BULLETIN OUT  
A recently released Texas Agricultural Experiment Station publication, MP-617, "Sources of Vegetables Consumed in Texas," points up the need for producing areas of the state to cooperate in planning production in order to get more of the market.

Imports, the Council points out, are cutting sharply into the market for U. S. cotton in two ways: (1) most of the imported textiles are made from foreign-grown cotton; and (2) in order to overcome the raw material cost advantage of foreign mills, domestic manufacturers are forced to turn to man-made fibers or blend cotton with these fibers.

Under the cotton export program, in effect since 1956, U. S. cotton is made available in foreign markets at prices about 25 per cent less than U. S. mills have to pay. This raw material cost advantage, coupled with a vastly lower wage rate, has enabled foreign manufacturers to make substantial inroads into U. S. markets.

In 1953, prior to the export program, imports amounted to the equivalent of 181,000 bales of cotton. This compares with 645,000 bales in 1962.

An end to the advantage now held by foreign mills is being sought in legislation now before Congress. It would make cotton available at the same price to both U. S. and foreign mills.

Public Is Invited to CHICKEN DINNER

Fried chicken, chicken and dumplings, green beans and peas, creamed potatoes, lettuce and tomato salad, hot rolls, cream gravy.

\$1.25 per Plate SATURDAY NIGHT JULY 27th at VFW Post

SERVING STARTS AT 7 PM

A SAFE LOOK AT SUN'S ECLIPSE

Judy Clary, home for the summer from Cisco Junior College, was one of the hundreds here who took a good look at the sun's eclipse Saturday afternoon. Judy, daughter of Mr. and Mrs. Alton Clary, took the eye experts' advice and looked at the eclipse through a double thickness of exposed photo films.—[Staff Photo]

# Rotary governor makes challenging address here

J. W. (Jimmy) Willson of Florida, Rotary district governor, his 1963-64 club year visit to the Post Rotary Club Tuesday told local Rotarians in City Hall that "through Rotary we can work together to solve our local problems as well as our international ones."

"If you make the choice to do something, things are going to move," Willson declared in a challenging address. "It all has to begin with you."

"I challenge you," he told Rotarians, "to help solve our international problem of learning to live together with each other."

He reported that his Rotary district in Sweden with District of Rotary in Sweden to prepare way during the coming club year for exchanges of letters, programs and visitors among districts, clubs and individual members.

"We have lots of opportunities for service," he said, adding that "with the honor of being a Rotarian goes the responsibility as well."

Willson met Monday night the Community Room with club officers, directors, and committee chairmen to go over club plans for the new club year which begins July 1.

# Two Post men named as officials of fair

Two Post men, George Samson and Syd Greer, were department superintendents for the 46th annual Panhandle South Fair at Lubbock Sept. 23-25.

The fair catalogues, being distributed this week, list Samson as general superintendent of the culture department and Greer as county agricultural agent as superintendent of the dairy division.

Samson has served as the agriculture superintendent for more than 20 years.

# Water situation —

(Continued From Page 1)

end while the city was pumping into the system its maximum of only 700 gallons.

This meant only that worried householders had left hoses running all night.

SUNDAY THE LEVEL in the reservoir dropped to three feet. It started swirling around, much as water does in the bath tub when the tub is being drained and almost all the water is out. Air was being sucked into the city distribution lines.

One of the two water distribution lines from the reservoir into the city lines had to be closed to prevent an excess of air from getting into the lines from the highest of the two intake lines.

Water pressure dropped from a normal 30 pounds to 25 pounds at the city warehouse. The Postex Cotton Mills requires 30 to 35 pounds pressure for its operation.

Sunday city officials spent the day on the telephone asking many residents to turn off sprinklers which were running.

Sunday night with water usage for the day down to 842,000 gallons, the city was able to pump the water reservoir level back to 7 feet, 3 inches by 6:30 a. m. Monday.

That meant enough water for the mill to operate Monday.

Tuesday would have been a different story.

SO THE CALL for absolute water conservation went out, via a volunteered Dispatch extra and via repeated announcements on Radio Station KPOS.

"If the people hadn't responded to our plea for water conservation we wouldn't have any water in the reservoir today," Mayor Lucas said at the Wednesday morning conference.

Warren, after checking city water records, said the days leading up to the swift city water crisis set some new water consumption records here.

FOR THE ENTIRE 31 day month of July, 1962, the city used 23,977,000 gallons of water, he said. In the first 19 days of July, 1963, 19,817,000 gallons of water were used. That is at the rate of more than a million gallons a day average and is a July record for usage.

During this time, the city received no measurable rainfall.

Another record was the sixth straight day use of over a million gallons daily last week. Actual consumption had never touched the million gallon mark before for over

five days straight.

SCHOOL SUPT. Barry Thompson announced yesterday that the schools were postponing their school grounds' shrub and tree planting program—announced recently—until the city's water use problem is over for the summer.

He also announced that the schools were having water hauled in from the country for watering of newly turned school yards so as not to use any city water on school lawns.

Water hauling from the country—\$15 for a 11,000 gallon load—also was becoming the overnight vogue for householders who could afford water at that price to save their lawns.

The water is coming from field water lakes in the vicinity.

City Supt. Warren said everyone has been very cooperative and that several Garza ranchers even had volunteered water from their tanks for the city reservoir in the emergency.

He pointed out such offers could not be accepted as the city water is treated before it reaches the reservoir and the city would have no way to treat such tank water if hauled.

As to the future, Mayor Lucas said the situation "can get worse and quite probably will" as the water wells usually break under full pumping pressure for long periods of time and their water output falls.

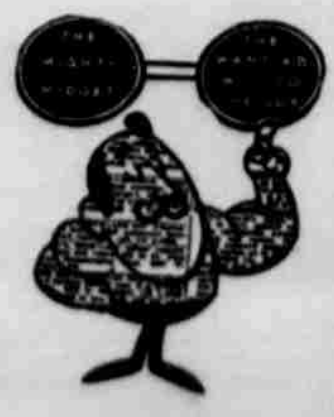

POST'S WATER situation has become critical before—but almost always in August.

As Lucas pointed out, previous water critical periods have seldom extended over a six-week late summer period. Dues to present dry period this year may well extend eight or even ten weeks, unless rain brings relief.

For any "dubbing Thomases," both Mayor Lucas and City Supt. Warren asked only that they come and check the records themselves and take a look at the reservoir and water field.

"We have nothing to hide," they declared emphatically. "We just want people to know and understand the whole situation as it confronts us. Our water situation Sunday was the worst for a Sunday situation in the town's history. Thanks to everyone's cooperation, the crisis for the moment is past."

By 1960 approximately half the senior citizens in the nation will be veterans or their wives or widows, the Veterans Administration estimates.

# Softball league organized here

Post Men's Softball League has been organized, with a schedule for two nights a week—Tuesdays and Thursdays—starting at 7 p. m. at the Y. The league will play the Untouchables on Tuesday night, the Tigers on Wednesday night, the Mets on Thursday night, the Dinks on Friday night, Aug. 1, against the Yankees.

The schedule was drawn up yesterday by Pat N. Walker.

The star team will be selected from the five team rosters to participate in the district TAAF tournament at Lubbock, league officials said.

Team rosters were released yesterday. Anyone wishing to play in the league is not listed on one of the rosters is invited to come out. The rosters are as follows:

**YANKEES** — Jerry Odom, manager; James Altman, Bill Jones, Quinonez, Jimmy Redman, Kemp, Ronnie Morris, Pete Morris, Autry, Lonnie Peel, Ammons, Preston Poole, Morris, Charles Morris.

# Graham Church of Christ revival begins Sunday

By MRS. GLENN DAVIS

Weeks are still growing out of the fields clean and the farmers are looking good.

White surprised his wife, Friday evening with a family party. Those attending were Mr. and Mrs. L. C. White, and Mrs. Noel White and son, Sinclair and Cynthia and Andy White.

Peel drove down near Fort Saturday to visit his parents, and Mrs. John Peel, and to attend a birthday luncheon honoring his mother.

Graham Church of Christ invited everyone to attend the gospel meeting that will begin next Sunday, July 28, and run through Sunday, Aug. 3, at 10 a. m. The preaching and Clark of Levelland will lead the service.

Harper of Lubbock spent the last week visiting his parents, Mrs. Leo Cobb, and family. Mrs. Leo Cobb and family, and the families visited the Delwyn family, Phil Foster was a guest also.

Mrs. Wagoner Johnson and sons spent last week on a vacation at Red River and Santa Fe.

Mrs. Melvin Williams and children visited Saturday evening with the McCowan family.

Joe Almo and children are spending some time with her parents and other relatives while her husband is on special duty.

Fern Taylor and an aunt, W. E. Box of Dallas, spent the weekend with her parents, Mr. and Mrs. Joe Taylor, and sisters.

Nolan Williams and children spent last week in Post with mother and sister, Mrs. Tennie and Brenda, while her husband was in South Texas on business and visiting.

White is visiting his aunt family near Abernathy.

Today luncheon guests of the McClellans were Mrs. Joe and children, the Bill Stone family, the Raymond Thane family, Mr. and Mrs. Mason McClellan.

Afternoon visitors were the Overmans and the Jock McClellans.

Mrs. Fred Gossett and Mrs. Aubry Ritchie visited Mrs. Dola Ritchie at May, Tex. The Donald Gossett family met them there and the trip including Mike Dunlan went to Brownwood Lake to fish last week.

Mrs. Leo Cobb and two children visited the Charles Ben Wednesday evening.

Mrs. Melvin Williams and son visited the Orval Baggs family in Post Sunday afternoon.

Elmer D. Jones and children visited Saturday afternoon at Mrs. Judy Howard.

Gene Peel is on the soup since he had minor surgery at Shock Methodist Hospital Monday morning. He had four teeth removed and will return Saturday to have the stitches taken out. Why we have wisdom teeth anyway? Andy Cobb is attending the Baptist camp this week near Floydada.

MR. AND MRS. Troy Nelson and family visited recently with the Williams family.

Mr. and Mrs. Elvyn Davis and daughters visited Sunday afternoon at the Carlos Mays near Idaho.

Week and Raymond Gilstrap of Dallas are spending the week with their grandparents, Mr. and Mrs. Sam D. Williams.

The Harry Lee Masons were supper guests of the Ray Clellans.

Mrs. Lonnie Peel and Mrs. Gene drove to Lubbock Saturday morning where they picked up Mrs. Ed and children. They drove to Olton and attended a bridal shower in the home of Mrs. Gene Bryant honoring Mrs. Gene

**UNTOUCHABLES** — Gene Tucker, manager; Nolan Williams, Jim Parker, Bobby Terry, A. J. Baumaddox, Ray Bernstein, Harold Reno, John Schmidt, A. J. McAlister, Noal Clemmons, James Dye, Will Bigott.

**TIGERS** — Bud Avant, manager; John Valdez, Shorty Hester, A. L. North, Auvy McBride, Mike Mitchell, Jim Poer, Walter Buerger, Wes Scott, Jackie Carpenter, Neal Clarv, Bobby Gordon, Mack Terry, Jackie Hays.

**METS** — Garland Huddleston, manager; Ruben Valdez, Travis Lancaster, Pete Lancaster, Billy Cantrell, Dan Lamb, Tooter Ammons, Jerry Windham, A. J. Howell, Troy Holly, Ed Blanton, Claude Collier, Ed Sawyers, Tom Buchanan.

**RINKY DINKS** — Jack Kennedy, manager; Rex King, Curtis Didway, Charles Hopkins, Arlon Ford, Cancell Kirby, Buddy Davis, J. P. Parnell, Reb Burkhalter, Don Dunbar, Bob Smith, Bob Macy, J. W. Mason, Lewis Ammons, A. Amargo.

# SECTION THREE Sports The Post Dispatch

Thursday, July 25, 1963 Page 13

## Antelopes seen as 'much improved' by grid scribe

The magazine also tabs Spur as being "much stronger" than last year, with 14 lettermen returning. Slaton, troubled by injuries last year, gets back 11 lettermen and apparently is ready to rebound for the team.

The term "much stronger" doesn't mean much, however, when one considers that Post is in the same district as Denver City, which the magazine tabs as the favorite for the 1963 Class AA championship.

"State champions two years ago, quarterfinalists last year, the Mustangs of Denver City have won 50 of their last 53 games, and this season they may even improve on that percentage," Texas Football says.

The Mustangs are rated the solid choice in District 4AA.

Bing Bingham, who will be in his second year as head coach, Bingham coached the Post Antelopes for 10 years.

Franship, which tied Post last year for one of the bright spots in its first season in Class AA, returns several key players, the magazine notes.

Denver City's Pat Hubbard, 155-pound back, is listed by the magazine as a strong threat for all-state honors. He is described as the best blocking back Mustang Coach Don Orr has ever coached.

Nine lettermen return in all to spark Denver City's bid for "all the marbles."

The magazine notes that Post Coach Harold Teal will have 16 lettermen back from last season's runner-up eleven, which played Denver City one of the most rugged games the Mustangs went through before the playoffs.

Tackle Pat Sullivan, quarterback Pat Cornell, halfbacks Benny Owen and Teddy Scott, end Danny Pierce and guard-linebacker Danv Odom are mentioned among Post's stand-out returning lettermen.

After listing Denver City as the top team, Texas Football lists the other top nine in the following order: Sinton, Rockdale, Rockwall, Liberty, Quanah, Sweeny, Katy, Dalhart, and Winters.

## Hopkins, Mitchell played in crowded Levelland tourney

Charles Hopkins and Mike Mitchell participated in the 14th annual Levelland Golf Tournament over the weekend, with Hopkins losing in the quarterfinals of the championship flight and Mitchell taking runner-up honors in the sixth flight.

Hopkins, one of the tournament favorites, tied with Bill Powell of Levelland in medalist play last Thursday, both carding two-under-par 69's, but coming in four strokes behind Jim Reagan Jr. of Lubbock, who toured the course in 65.

Hopkins defeated Randall Reiger, 1-up, to win his first match, but lost to Reagan, 1-up on 19, in a second round match. Reagan went on to win the championship. Mitchell won his first match, 5 and 4, over Roy Sears, then defeated James Burt, 3 and 2, and Harold Garms, 3 and 2, before losing to Neil Rose of Morton in the finals, 3 and 2.

The All-Star were managed by Ben Howell, assisted by A. J. Howell.

## Babe Ruth team eliminated from Levelland meet

Post's Babe Ruth League All-Stars were annihilated by the Tri-City All-Stars, 9 to 0, last Thursday night and eliminated from the district tournament at Levelland.

The win was an upset, since the Post team had shut out Tri-City, 5-0, in their first game.

The Tri-Citians laid the timber on the ball in Thursday's game, however, to end the season for Post's Babe Ruth players.

After opening with their win over Tri-City, Post had lost to Brownfield, 4-2, and then drubbed Slaton, 14-2, in the double elimination tournament.

The All-Star were managed by Ben Howell, assisted by A. J. Howell.

## NORM CASH STARS IN TIGER VICTORY

Norm Cash with two home runs, one a grand slammer, helped the Detroit Tigers dim the Chicago White Sox' pennant hopes by taking a doubleheader at Detroit Tuesday night.

Cash's grand slam blow came in the eighth inning of the first game off Taylor Phillips, Chicago lefty, and broke a 1-1 tie. The homer traveled 400 feet into the upper right centerfield seats.

The Tiger first baseman homered again in the nightcap, opening a three-run second inning, with Detroit going on to win, 6-1.

Cash, who entered the doubleheader with a .240 average, had a single in each game in addition to his homers.

## Post youth group is to attend conference

The 20th Annual Texas Youth Conference is to be held on the campus of Texas Christian University, July 31 through Aug. 3.

The Rev. Bernard S. Ramsey and Mrs. Victor Hudson will take a group of youth to attend the conference. The youth attending will be Benny Owen, Pam Owen, Lana Haynie, Larry Osman, Curtis Hudson, Susan Cornish, and Susan Ramsey.

There will be some 1,500 youth from all over Texas and from 500 Disciple of Christ Church of Texas. Highlights of the convention will be a trip through "Six Flags Over Texas" and "The Vagabond King" at the Casa Manana. The youth and their counselors will stay in the dormitories at TCU. Climaxing the convention will be an early morning Communion Service of Saturday morning, Aug. 3. The group will return to Post late Saturday evening.

**RETURNS TO MEMPHIS**

Charles Guthrie has returned to his home in Memphis, Tex., after a month's visit with his aunt, Mrs. John Huffman.

# LL All-Stars win third at Tahoka

Post's Little League All-Stars won third place in the district tournament at Tahoka Saturday by beating O'Donnell, 9 to 4.

The Post team was eliminated from championship contention by Tahoka, 4 to 2, Friday in their first game. Tahoka went on to win the tournament by beating Slaton, 3 to 1.

only two hits.

Post manager Jimmy McElroy said only two of his starters are 12 years old, which means that Post will have the other seven starters back for next year's Little League play, in addition to three other 11-year-olds who were on the All-Star squad.

Bill Alexander handled the pitching chores for Post in their third place win over O'Donnell, yielding eight hits, but pitching tight in the clutches.

Post scored seven runs in the third inning to break a 2-2 tie, then held off O'Donnell rallies that produced single runs in the fourth and fifth frames.

In the loss to Tahoka, Post led, 1-0, until the third inning when Tahoka, scored three runs on two base hits and three fielding errors. Darrell Odom, who went all the way on the mound for Post, gave up only three hits, but his teammates were able to collect only two off the Tahoka pitcher. Steve Colazo and Bill Alexander got Post's

Post team entered in Floydada Tournament

A team of Post All-Stars are to play Petersburg at 8 o'clock in a first round game of the annual Teen-Age Baseball Tournament at Floydada.

Post's Teen-Age Tournament will be held next week, with Floydada, Crosbyton, Petersburg, Spur and two Post teams entered.

# Boney Scott celebrates his 85th birthday

By MRS. GLENN JONES

Boney Scott was honored with a supper on his 85th birthday at the home of his daughter and son-in-law, Mr. and Mrs. Roy Winkler, Friday, July 19. Those present were Mr. and Mrs. W. C. Scott of Tacoma, Wash., Mr. and Mrs. Cotton Barkley of Sour, Mr. and Mrs. L. C. Winkler, Terry and Jerry of Dickens, Oley Scott of Crosbyton, W. T. Scott, Mr. and Mrs. Buran Jones and Mr. and Mrs. Glenn Jones and Gary and David.

Mrs. Ray Webster and Rita visited Mrs. Derral Fisher Friday. Mr. and Mrs. R. W. Self and Mr. and Mrs. C. H. Bronson enjoyed supper at the home of the Elbert Humbles Saturday night.

Mr. and Mrs. Jimmy Alexander and family spent last week fishing at Stamford.

The Kenneth Clarks of Girard visited her parents, the Doug Hinsons, Saturday night.

Tuesday dinner guests of Mr. and Mrs. Glenn Jones were the W. C. Scotts of Tacoma, Wash., Mrs. Roy Winkler and Boney Winkler.

Carla Winkler participated in the state track meet at Lubbock Saturday.

Mr. and Mrs. John Cram and family of Goosebay, Labrador, visited her sister, Mrs. C. W. Hinson, and Mr. Hinson Saturday.

Robbie Cannon and William Fosselman, both students at Sul Ross College, spent the weekend with her parents, the Robert Cannons.

Mike Fisher and Dwight Webster attended the FFA convention at Lubbock Friday.

Mr. and Mrs. Hughes of Crosbyton visited the Roy Winklers Sunday afternoon.

Mrs. Willard Tolbert of Artesia, N. M., underwent surgery one day last week. Her mother, Mrs. Dee Berry, is with her. We wish for her a speedy recovery.

Mr. and Mrs. Buck Cornelius, Mr. and Mrs. Raymond Chance, Mr. and Mrs. L. C. Winkler and children, Mr. and Mrs. W. C. Scott, Boney Scott, Mr. and Mrs. Glenn Jones and children were supper guests of the Boney Winklers Sunday night.

Pam Rhoades of Crosbyton visited Carla Winkler Monday.

Mrs. George Germany of Brownfield and Jo Page visited the C. W. Hinsons Friday.

Dwight Webster spent Thursday night with Mike Fisher.

The Oris Smiths and the Glenn Joneses visited the Harvey Cannons Thursday night.

Cheryl Ann Wall is visiting for a few days with her grandparents, Mr. and Mrs. H. E. Fisher.

Derral Fisher and sons visited the H. E. Fishers in Crosbyton Saturday afternoon.

The Boney Winkler family visited Mr. and Mrs. Buck Cornelius of Rails Sunday afternoon.

MR. AND MRS. OLLIE Stockton and family of Hobbs, N. M. visited the C. W. Hinsons Saturday.

Saturday dinner guests of the L. C. Winklers in Dickens were the W. C. Scotts, Roy Winkler, Boney

Scott, the Boney Winklers, Mrs. Cotton Barkley and the Glenn Joneses.

The W. C. Scotts were supper guests of the Boney Winklers Wednesday.

Fred Humble visited Greg Fisher Sunday and Mike Fisher visited Dwight Webster.

Mr. and Mrs. Don Cage and son of Lubbock visited the C. H. Bronsons Sunday afternoon.

Nan Winkler was an overnight guest of the C. W. Hinsons Saturday.

Mr. and Mrs. Glenn Jones and sons, Mr. and Mrs. W. C. Scott and Boney Scott were Sunday dinner guests of Mrs. Roy Winkler.

The Doug Hinsons visited their daughter and family in Girard Sunday.

Mr. and Mrs. W. C. Scott, Mr. and Mrs. Raymond Chance and Mr. and Mrs. Glenn Jones enjoyed a 3 a. m. breakfast in the Boney Winkler home Sunday.

Dwight Webster, W. C. and R. G. Havens and Mike Fisher enjoyed a picnic at Roaring Springs Sunday.

Mr. and Mrs. Edgar Witt and family attended a birthday dinner for her grandmother, Mrs. Ellis Danson, at the home of Mrs. Margie Mobley at Spur Sunday.

The White River HD Club met at the R. W. Self home Friday. The five ladies present heard a program on frozen desserts presented by Mrs. Doolene Meadows.

Mr. and Mrs. J. C. Love, J. M. and Barbara of Snyder, Mr. and Mrs. J. E. Medford of Lubbock and the Derral Fishes visited the Ray Websters Sunday afternoon.

The R. W. Self family, the Clayburn Marshall and the George Richardson enjoyed water skiing at Lake Thomas Sunday.

Darryl Keith Jones is spending the week with his grandparents, the Elbert Humbles.

Mr. and Mrs. Ralph Parsons visited Mr. and Mrs. Morris Phillips in Muleshoe over the weekend.

Mr. and Mrs. Elbert Humble visited the Bert Robinetts in Levelland Sunday.

W. C. Boney and W. T. Scott visited relatives in Anson Monday.

Mickey Witt visited Wayne Smith Sunday night. Carla Smith visited Trudy Witt Sunday night.

The Cannon children visited the Glenn Joneses Monday.

Mr. and Mrs. L. B. Jones visited their daughter and son-in-law, Mr. and Mrs. C. B. Joiner and Beverly in Levelland Sunday.

SANTA FE CARLOADINGS

Total carloads moved over Santa Fe System Lines for the week ending July 20 were 31,343 compared with 30,920 for the same week a year ago. On-line loadings were 21,372 compared with 21,688 for the corresponding week last year. Cars received from connections totaled 10,971 compared with 9,232 for the same week a year ago. Santa Fe handled a total of 31,378 carloads in the preceding week of this year.

AT ELECTRIC WORKSHOP

Danny O'Neal (left) and Charlie Brown represented the Post Future Farmers of America chapter at the first workshop on farm electrification for FFA members ever held. The three-day conference, sponsored by the Southwestern Public Service Co., was held at the Episcopal Church Conference Center, north of Amarillo.

# Post FFA member tells of workshop

By CHARLIE BROWN

Post FFA member

This year, for the first time, Southwestern Public Service Company offered a summer workshop for FFA members. It was limited to two boys from each chapter. Danny O'Neal and I expressed a desire to attend this electrical workshop and our advisor made arrangements with Mr. Hibbs, our local SWPS Co. manager, to attend on July 9, 10, and 11. The following is a report of our trip and some of the activities involved.

Our Advisor, Mr. Trimble, picked us up at 6 p. m. on July 9 and carried us to the SWPS Co. office in Lubbock. There we met with boys from other nearby chapters, and two company representatives then carried us to the Episcopal Conference Center in Amarillo where the workshop was to be held.

Following registration, we were given bunk assignments. At 10:30 a. m. we had a general assembly and went over some common electrical terms. Our duties and assignments were outlined and we were divided into five groups. Danny was placed in the Electric Controls group and I was placed in Electric Heat Application. Other groups were Farm Wiring, Farm Motors, and Lighting. Following the assembly, a fine home-cooked meal was served in the dining hall. There were 106 boys present.

Following the noon meal, we each went to our various group assignments and met our first class. My first class dealt largely with the various applications of electric heat. During the middle part of the class, we were given a 15-minute Coke break. There was no charge for the soft drinks.

At 4 p. m. classes were dismissed and members on the west side of the camp were allowed to swim until 5 p. m. Members on the east side then went swimming until 6 p. m. At 6:15 p. m. another wonderful meal was served. At 7 p. m. we were all carried to the Amarillo-Albuquerque baseball game—again courtesy of Southwestern Public Service Co. This was my first time to ever attend a professional baseball game and I really enjoyed it. Following the ball game, we returned to the camp and lights were out at 11 p. m.

The next morning, breakfast was served at 7:30 p. m. and our first class started at 9:15 a. m. I spent most of the free time getting in some shut eye. Classes ran until 12 noon again and took up at 1:15 p. m. following the noon meal. Following the meal, we had time for some table tennis and shuffle board. The afternoon class lasted until 4 p. m. at which time the

east side of the camp went in swimming, followed at 5 p. m. by the west side (this was my side.) The evening meal was again served at 6 p. m. At 7 p. m. we headed up and drove to the 25 million dollar Nichols Power Plant just outside Amarillo. There we were given an extensive tour of the plant. Atop their 8-story building, one could see most of Amarillo. Following the tour, we returned to camp and "hit the sack."

We followed the same schedule the next morning, with our last class starting at 9:15 a. m. My group studied residential heating and insulation. At 1:15 p. m. we assembled in the auditorium for the presentation of awards. One boy from each group was awarded a free trip to the National FFA Convention. Danny was chosen as second alternate in his group. At 2 p. m. we were picked up by representatives of the company's Lubbock office and returned to Lubbock. There, we were picked up by Mr. Hibbs and returned home.

I wish to express my sincere thanks to Southwestern Public Service Company for the opportunity of being able to take part in the workshop. I made a number of new friends and have a much better understanding of electricity and its many uses.

### VISITS MOTHER

Visiting in the home of Mrs. Katharine Trammell this week are her son and daughter-in-law, Mr. and Mrs. Joe Bob Trammell, and Suzanne of Crane.

### SAN ANTONIO MEETING

Mr. and Mrs. Bob Collier are spending the week in San Antonio at a Texas Pharmaceutical Association meeting.

# Sidewalk Sale Saturday

NOW FOLKS this doesn't mean Post is going to sell the sidewalks even though we could have done without ours most of the time lately, as there haven't been too many folks using it but we just figured our awning is so short it doesn't shade much of the walk and it's been too hot to walk on BUT THIS SALE means that the sidewalks are going to be covered with merchandise for sale.

NOW WE ARE NOT getting on the sidewalk with anything to sell as IT IS PLENTY NOT inside our store but you JUST COME RIGHT on to town and pick up what you need right out on the sidewalk BUT IF YOU DON'T find it out there and it's HARDWARE we might just have THAT VERY THING and if you want it out on the sidewalk, we'll put it right out there for you.

JUST TO TELL TRUTH we are just simply too lazy—we call it too much trouble—to move it in and out and WE HOPE you will come and get what the boys and girls MOVE OUT TO THE WALK and they won't have to move it in.

WE HAVE HARDWARE INSIDE.

# Short Hardware

# Grassland's sick folks are reported improving

By MRS. O. H. HOOVER

Boy, Oh Boy, has it been hot this past week, I believe if one had stood still out in this sun one's clothes would have caught fire. But I do have some good news for you about our sick folks. Earnest Vaughn is quite a lot better. He is up part of the time now and talking of coming home in a few days. Mr. and Mrs. J. W. Fox are much better. Mr. Vaughn, the one who was burned, is at home and improving and Mrs. C. A. Walker is also showing improvement. So we have a lot to be thankful for even if it didn't rain.

Mrs. Richard Kucel and children of New Orleans visited her parents, the L. S. Turners. While they were here they toured Carlsbad Caverns and spent a few days at Cloudcroft, N. M.

Mr. and Mrs. Carl Greer visited the N. O. Townsends Tuesday night. They ate home made ice cream and all the fixins.

Mrs. Ruby McClendon and son, Phil of Abertathy, Mrs. Bethel Brown of New Home and J. B. and Hazel Greer spent the day Saturday with their parents, the Carl Greers.

Mrs. Hoover, Mrs. Porterfield and Mrs. T. A. Stone visited Mrs. Jerry Hoover in Lubbock Methodist Hospital last Friday. She had undergone major surgery on Tuesday. She is doing fine and came home this Monday.

The Rev. and Mrs. J. C. Allen of Lubbock and the W. G. McCleskeys had lunch with the C. O. McCleskeys Thursday. In the afternoon, W. L. Gribble, Mrs. Gribble and grandchildren came over and the Rev. Allen showed pictures they had made while on an extended trip over the western states.

Mr. Odie Campbell and family have gone to East Texas to visit friends and relatives.

THE CARLOS and W. G. McCleskeys and the Rev. Ira Campbell and families met in the home of the C. O. McCleskeys and celebrated Mrs. Campbell's and Mrs. Lavern McCleskey's birthdays together. Barbecued hamburgers, ice cream and strawberries were served.

Visitors in the Lucian Walker home Sunday were their son, L. J. and family of Littlefield, Mr. and Mrs. L. B. Burk and Mike, Mrs. Burk's brother, Dave Burk of Jacksonville, Fla., and Mr. and Mrs. C. A. Walker.

Mrs. Inez McGrew, Mrs. Doyle Terry, Lou and Bruce of Lamesa visited the C. A. Walkers Thursday. Mrs. Pearl Walker and Tim of Littlefield and Dave Burk were other visitors during the week.

Mr. and Mrs. Leroy Davis have returned home from San Augustine where they have been vacationing for the past five weeks.

Their daughter, Dixie Lee, is at home also on vacation from her teaching job in Denver, Colo.

Mrs. G. C. Burk of San Antonio visited in the C. A. Walker home Wednesday and Thursday. Saturday, the Faust family had their reunion in the old club house at Lamesa which lasted for three days. Most of the family are from Erath County and the W. G. McCleskeys went down on Saturday to visit all their old friends.

The Draw community held its annual reunion Sunday in the Legion Hall at Tahoka. Around 75 registered. Lunch was catered by Underwood's of Lubbock. Everyone had a good time just visiting. The Mattie Jackson's daughter, Letha Duncan, came from Carlsbad, N. M.

Mrs. Ted McDonald surprised her parent Sunday night with a telephone call from her home in Selah, Wash.

Mrs. Inklebarger visited Mrs.

McCliskey one day last week.

MR. AND MRS. Graham Hensley's son, Rex, had his tonsils removed Monday at Garza Memorial Hospital.

Visitors in the E. B. Gregg home Sunday were Mr. and Mrs. Bee Norman of Levelland, Mr. and Mrs. W. H. Norman of Tahoka and Mr. and Mrs. Jess Gregg of Ropesville.

Mr. and Mrs. James Murray and children and Arlie and Lavonia Moore spent from Friday until Sunday in Carlsbad, N. M. and went through the caverns Saturday.

Mr. and Mrs. Bert McDonald and children have gone to Snyder, Okla., to visit his brother.

Weekend guests in the home of the Rayburn Fitts were Mr. and Mrs. Jeffcoat and son of Lubbock, C. E. Andrews of Tahoka, and a nephew, Neal LeMond, of Stanton, who plans to stay for a couple of weeks.

The C. O. McCleskeys were Sunday luncheon guests of her parents in Lubbock. They got to visit with Mr. Allen's brother, who is there on a visit.

Mr. and Mrs. Tom Murray and the Rev. and Mrs. Ira Campbell were Sunday luncheon guests of the W. G. McCleskeys.

Mr. and Mrs. J. E. Sherrill and Mr. and Mrs. Gus Sherrill and Paula attended the Sherrill family reunion in Snyder Saturday.

Mrs. Mattie Jackson's son, Rex, and wife of Austin have just returned from an extended tour of Europe. They report a wonderful trip.

Mr. and Mrs. Gus Porterfield and Jim Bob attended the Draw reunion.

Bobby Norman goes to the Baptist Camp at Floydada Monday. He will return on Wednesday and Lee will go.

Mr. and Mrs. Claude Thomas of Denver City visited the Roy Appplings Friday. They also visited Mrs. E. A. Thomas and Mr. and Mrs. Fox. Then Saturday, the Appplings went to Denver City where they spent the night and had a barbecue supper in the back yard of the Thomas home. The Lewis Kenleys were there as well as several other friends. The Appplings also went to see Mrs. E. A. Thomas' new granddaughter, Cindy Lawson.

Mrs. Fox's nephew and wife, Mr. and Mrs. Authur Glen of Fort Worth and his son and wife spent one day last week with the Foxes. The Glen's were on their way home from Canada where they had visited another son.

Virgil Jones, brother of the late Collie Jones, passed away Saturday at 6 a. m. He had been sick for about two years with cancer. Services were held Sunday at 3 p. m. in Brady.

Visitors of Mrs. C. C. Jones Sunday were her sister, Mrs. Ivy Young, and Mrs. Carl Jones. Mrs. Young spent the night and all day Monday.

A bunch of men cleaned out Mr. Audavee Vaughn's crop Tuesday—just another neighborly deed.

Mrs. E. A. Thomas and Mrs. Rosebud Watson went to Denver

GENE BRUCE

# Gene Bruce is to enter Peace Corps

ABILENE — McMurry College senior Gene Bruce of Post received notice this week that he had been selected to enter the Peace Corps in October for service in North Borneo and Sarawak in Africa.

Bruce received a telegram from Peace Corps director Robert Sargent Shriver in Washington, confirming his appointment.

The McMurry youth is the son of the Rev. and Mrs. Oscar Bruce of Post.

Bruce will work in the educational phase of the Peace Corps, the telegram stated.

Bruce is an English and history major at McMurry and has been active in the Chanters, the McMurry Indian Band and the Kiva social club. He is also working now for the Retail Credit Assn. and at the Methodist Church in Anson. Bruce is a member of the Army Reserve and a former member of the 490th Civil Affairs Company, USAR of Abilene. He will graduate from McMurry next month.

City Tuesday to see Carol Lawson and the new grandbaby.

Mr. and Mrs. G. H. Spears have returned from their trip and seem to be doing fine.

Mrs. Lucy Cunningham went with her sister, Mrs. Mary Freeman, to Big Spring Thursday to visit Mrs. Freeman's daughter. They came home via Denver City and visited another daughter, returning home Sunday.

The Thursday Club met with Mrs. C. C. Jones July 18. There were only four members present. We voted to disband while it is so hot so the next meeting will be the first Thursday in September which will be Sept. 5 with Myrtle Hoover. Mrs. Jones served lovely refreshments to Ada Owen, Iris McMahon, Myrtle Hoover and the hostess.

A virus that causes leukemia—a form of cancer—in mice has been photographed for the first time by government scientists. Like many well-known viruses, it looks like a tadpole with a hexagonal head.

# Pleasant Valley appeal brings out hoe hands

By MRS. MAX CHAFFIN

Somewhere out of a job, hoeing, that is, they came in swarms to our house this weekend to offer their services and they were badly needed. I wonder where they were hiding those weeks before?

To tell my part of the Post Dispatch news, Max Chaffin and Billy Lester attended the District 7 Council meeting of the VFW at Slaton July 21 at 2 in the afternoon. The next one will meet in Lubbock on October. Max Chaffin was appointed Officer of the Day by District Commander, Roy Milam of Lubbock.

Mr. and Mrs. Clay Johnston and Mrs. Bryan and family of Slaton attended the Nix family reunion in Cisco one Sunday recently.

Virgil Smith's aunt and uncle of Tucson, Ariz., Mr. and Mrs. Homer Smith, stopped by for an evening at their nephew's home recently. They were on their way back home from the Texas coast.

The Hodges family had a family time on Saturday at the Post park in the form of a picnic. David Hodges is home on a 30-day leave from the Army in Minnesota and he brought his family, Mrs. Bill Jacobs (formerly Maggie Hodges) and her family from Houston, Gertrude Hodges and Bill Jacobs' sister, June Jacob of Lubbock and the Spencer Bevers, (Mrs. Bevers was a Hodges before she married, you know) were all present for a good time!

Artie Baxter went to Wolfforth for a week to be with her daughter, Zula Pearl (Mrs. Wesley Blair.) who was in the hospital for a week with kidney poisoning which really left her weak. We hope that you are doing better already, Zula Pearl.

Jenny Wheeler celebrated her 5th birthday July 16 with a family affair in the afternoon. There were ten guests present: Mrs. H. V. Wheeler, Mrs. Gill Starnes (mother of Mrs. F. D. Wheeler; Jenny's grandmother) of Cotton Center, cousins Levia and Stephen Hill of Abilene, N. M., Kendon and Curtis Wheeler, Amanda, Camille and Nathan Wheeler and of course, Mrs. F. D. Wheeler, the hostess. Punch, cake and ice cream were served. The cake was almost too pretty to eat for it was pink with circus animals decorating it and circus animal candles. Balloons were used for decorations around the room and each child was presented with a noise maker, the girls, miniature parasols and the boys, miniature cars.

Mrs. Starnes spent the night with the F. D. Wheeler.

MR. AND MRS. Barry Norton and Dee of Seminole were down at the Alvie Robinson home on Sunday and Monday a week ago.

The Vernon Scotts returned last Friday from a week at Red River, N. M. They did a little fishing (enough to eat some trout) and relaxing. They drove back through Cloudcroft and stopped at White Sands National Park.

Mrs. J. I. Northcutt, Mrs. Eula Mae Williamson and Mrs. Guy Davis plus Tommie and June Wade, all of Post, came out on Monday to visit with Mrs. Lena Chaffin. This was Mrs. Chaffin's day off from hoeing in the cotton patch and if you want a GOOD hoe hand, now there is one! She has had many years of experience and can keep up with the best of them!

Granddaughter, Phyllis and Cynthia Baxter of Odessa are here visiting Artie Baxter for a week or so.

Mrs. B. L. Thomas' grandmother of Post, Mrs. Mattie Dunlap, spent Wednesday night with the Thomas of this community.

The Jack Burketts were host for a cottage meeting on Monday night. Those who were there were: Mr. and Mrs. Vernon Scott, Mrs. Thelma Burkett, Mr. and Mrs. Robert Mock, Ruth Hall and Rev. Joe Green, Johnny and David, plus the host and hostess.

We have a few people "under the weather" (it's that just a New England expression; I haven't heard it around here?) Mrs. E. A. Franklin with arthritis, Mrs. Virgil Smith and Shirley Lee who are slowly improving.

Kathy Long of Southland spent the afternoon with the Spence Bevers Monday.

Mrs. Clark Barton took a trip to see her parents a week or so ago. She stayed with the N. W. Forsters in Stephenville for a night.

The Jerry Kotrola family spent Friday night with the Jody Heinrichs in Slaton.

All the Henry Edwards gals were down home from Lubbock on Sunday.

Mrs. B. D. Robinson and Mrs. Verna Roberts of Post called on the Alvi Robinsons one afternoon.

Ed and Dorothy Altman of Littlefield stopped by Ben Altman's on Sunday afternoon.

The Bill Pools of Big Spring visited one day and one night with Mrs. C. R. Scott last week.

A SUMMER REVIVAL starts at Pleasant Valley Baptist Church on Friday, July 26 and goes through Aug. 4. The Rev. G. I. Norris of the Westview Baptist Church in Slaton will be the guest speaker and all are cordially invited to attend the morning services July 29, Aug. 2 and all the evening services. The Rev. Norris came on Sunday to give the message in the morning at this church.

Billy Meeks and family came for the weekend from El Paso to the Jack Meeks. Holly will stay for a visit.

We have a few gals getting their dresses or skirts made for the July 30 4-H Dress Revue at the 4-H building in Post. Attend the fashion show at 7:30 that night and you will see who they are!

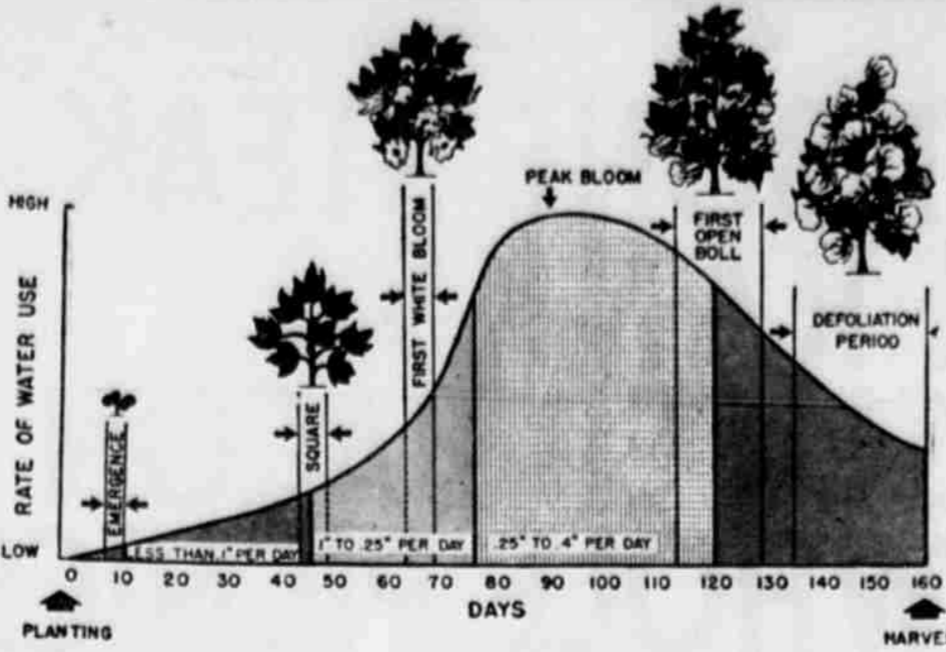

The Maurice Fluitts went to Morton over the weekend and stayed with the Harvey Zubers and the W. O. Fluitts on Sunday.

The corn is getting ripe out here; I've already had a taste of my neighbor's and it was good! People are canning peaches and cucumbers and reaping the bounties of a kitchen garden.

And I wish that you all would quit looking me over just because I said last week that hoeing was slimming for the waistline—mine is beyond repair! What works for some doesn't work for others. That hoeing also makes you hungry!

An amazing group of young octogenarians, the Spanish-American War Veterans of Massachusetts, surprised doctors at the Boston Veterans Administration outpatient clinic who checked them out expecting to find them tall and lean, but discovered they were shorter and rounder than average. . . and healthier.

## RATE OF WATER USE IN RELATION TO PLANT DEVELOPMENT

## Graph gives tips on best watering time

By SYD CONNER  
Garza County Agent

Is the question of when to irrigate your cotton occupying much of your mind's time? If so, let's think along this trend of thought together.

Study the above graph on Rate of Water Used in Relation to Plant Development and note that from just past the first white blossom until about the first open boll is the peak water usage time of the cotton plant's life.

With most of our cotton late this year, the personnel from the Lubbock Experiment Station feel that one good irrigation in the first half of August will probably return the most economical returns on investment, especially on the later cotton.

If you can't take a hand full of soil from the three to four inch

depth and make it ball by squeezing it in your hand and your cotton plants still are growing and looking good it could pay to stop and compare this and the amount of water you have with the length of time it takes you to cover the field, before deciding when to water. Also remember that it has normally meant money in the bank to stop irrigating between Aug. 15 and 25. This being figured on a normal frost date.

If you consider these facts along with several others you probably know about your cotton and land you should make a wiser decision. If you would like more details on these subjects and other related subjects there are copies of the Texas Guide For Growing Irrigated Cotton available for you in the County agent's office.

## Cotton expert is optimistic about boosting sales

MEMPHIS, Tenn. — Is there a way for cotton's market losses to be stopped and turned around?

"Indeed, there is," replies National Cotton Council Chief Economist M. K. Horne Jr.

Dr. Horne concedes that, although cotton is having its difficulties, there are fundamental reasons for optimism if the right things are done.

He pointed out that steps to be taken right away to: (1) make cotton more competitive in price in domestic markets; (2) make it available at the same price to both domestic and foreign mills; and (3) lower production costs through stepped-up research. Legislation aimed at these objectives is now before Congress.

"Markets for which our cotton competes are expanding," the economist stressed.

"In the great majority of foreign countries, cotton consumption has a long-range upward trend which is unmistakable and this trend gives every promise of continuing."

"In the entire non-communist world outside this country, there has been an average increase of 80,000 bales per year in cotton consumption during the past decade."

"In our own country, the total consumption of textiles is also in a long-range upward trend. Textile markets are expanding. If we get our share of the expansion, our cotton markets also will move upward."

Dr. Horne emphasized that: (1) cotton has the quality to meet the challenge of its competitors; (2) up to 1961, it was holding very well to its share of the domestic fiber market; (3) it made competitive gains against the entire field in the domestic market in 1959 and 1960; and (4) for 12 years or more, down through 1960, cotton not only was getting its share of the expanding domestic apparel market but as showing a clear tendency to gain against its competitors.

"Cotton responds wonderfully to sales promotion," he continued.

"While the funds available for promotion have been small, they have been used extremely well in this country and have set a pattern for sales promotion work in many foreign countries."

"Furthermore, it appears that no other fiber has so much potential as cotton for getting costs down through a realistic program of research."

## Ministers set radio devotionals; discuss organizing bowling league

Establishment of a bowling league among the churches and a daily radio devotional period were among the topics discussed Tuesday at the regular monthly meeting of the Post Ministerial Alliance at the First Baptist Church.

The proposed bowling league project was presented by Richard Borgman, proprietor of the Tangier Bowl here. Bernard S. Ramsey, Alliance president, appointed a committee of C. B. Hogue, J. R. Brincefield, Edgar Graham and Joel Pistone to investigate the possibilities of such a league and present a report to the Alliance at its August meeting.

Dave Sanford, manager of station KPOS, was present and assisted in making arrangements for a daily devotional period at 12:15 p. m. Monday through Friday, with a 15-minute program each Saturday for the Spanish speaking people to be taken care of by the Rev. Pistone and Cruz Molinas.

The new series of radio programs running from five to 15 minutes each day, will begin Monday, July 29, with the Rev. Mr. Hogue conducting the first series.

The Rev. Mr. Brincefield was appointed chairman of the radio committee and the following schedule of devotionals was set up:

- Aug. 5-9: The Rev. K. S. White;
- Aug. 10 (Spanish) Rev. Pistone;
- Aug. 12-16: the Rev. Mr. Brincefield;
- Aug. 17 (Spanish) Rev. Molina;
- Aug. 19-23: the Rev. Graydon Howell;
- Aug. 24 (Spanish) Rev. Pistone;
- Aug. 26-30: Lex Roby;
- Aug. 31 (Spanish) Rev. Molina;
- Sept. 2-6: Rev. Graham;
- Sept. 7 (Spanish) Rev. Pistone;
- Sept. 9-13: Rev. Ramsey;
- Sept. 14 (Spanish)

Rev. Pistone; Sept. 16-20: the Rev. Oscar Bruce; Sept. 21 (Spanish) Rev. Molina.

Following opening of the meeting, the Alliance welcomed Rev. Graham, new pastor of the First Presbyterian Church, into its fellowship.

Following a discussion, the group voted that the president write a letter to Barry B. Thompson, superintendent here. Bernard S. Ramsey, Alliance president, appointed a committee of C. B. Hogue, J. R. Brincefield, Edgar Graham and Joel Pistone to investigate the possibilities of such a league and present a report to the Alliance at its August meeting.

Appointed to a committee to plan a quarterly fellowship among the ministers and their wives were the Revs. Graham, Bruce, White and Pistone.

Ministers present at Tuesday's meetings were the Revs. Hogue, Bruce, Graham, Ramsey, Pistone, Molina, Howell, Brincefield and White.

The next meeting will be held Aug. 20 at the Church of the Nazarene.

### BACK FROM VACATION

Mr. and Mrs. Joe Marshall returned home Sunday after spending a two-week vacation visiting in California. While there they visited with his sister in Southgate and other relatives in Los Angeles.

### GRANDCHILDREN VISIT

Spending last week with their grandparents, Mr. and Mrs. Bob Russell, were Gwynn Russell, Deborah and Mike Makoney, all of Lamesa, and Bill and Kandy Hudson of Post.

### HOME FROM NEW MEXICO

Mr. and Mrs. Wagoner Johnson and two sons returned home Monday after a trip to Red River, Taos and Santa Fe, N. M.

## Southland-Gordon area news

# Three in Ellis family down with hepatitis

By MRS. MAX CHAFFIN

I am glad to see a lot of people still taking a "siesta" during the hot part of the day. This is a custom that is healthy, I think.

We have newcomers to the Gordon community, Mr. and Mrs. R. L. Wilcox Jr., Rickey Wayne, 19 months old and Regina Sue, 2 months old. They moved from Slaton and live where the John Williams lived and have the same phone number. They moved here about two weeks ago but I haven't been able to contact them yet. They have been on a trip to Clarksville, (east Texas) for the past week and a half. Mrs. Wilcox's uncle is Fay Claborn and her grandmother is Mrs. L. E. Claborn of Post. Welcome!

Those who went to the Nix family reunion from Southland were Mr. and Mrs. F. E. Weaver and Mr. and Mrs. C. C. Weaver of Slaton. This was a reunion of Mrs. F. E. Weaver's family and also the Golden Wedding anniversary of Mr. and Mrs. B. W. Maxwell, Mrs. Weaver's youngest sister and husband—a double celebration!

Mr. and Mrs. John Fleming of Cushing, Ariz., and Mrs. Alpha Taylor visited the Jack Hargroves Tuesday evening.

Sam Ellis, son, Sammie, and daughter, Mrs. Larry Alford of Petersburg, are all at the Sam Ellis home sick with infectious hepatitis. Mrs. Sam Ellis took the preventive shot for the disease and is nursing them all. The recovery is slow but we wish the best for you all. This is one time when you can't visit the sick!

Mrs. Hubert Taylor attended a Literacy Clinic at the Second Baptist Church in Lubbock on Monday night as a representative of the Southland Baptist Church. She is learning the Laubach method for teaching those who do not know how to read or write.

Robert Freeman Rackler, J. B. Rackler's uncle was buried at the Southland Cemetery on Sunday. The funeral was in Portales at the Bethel Baptist Church at 1 p. m. His nephews were pallbearers: Alvin Wooten, J. B. Rackler, Troice Rackler, Roscoe Rackler, L. H. Rackler and Dalton Rackler. He is survived by his wife, three sons and five grandchildren. Our hearts go out to the family and the relatives and friends in their bereavement.

Mrs. Earl Lancaster's two sisters of Lubbock were down on Saturday, Mrs. Cral Foster and daughter, Snappy, and Mr. and Mrs. D. Foster.

Mr. and Mrs. Don Kelly and sons of Slaton visited the Jack Hargroves on Saturday evening.

The Sonny Hitts and Mrs. Sonny Hitt's brother, Stanley Nixon and his wife and two children of Crosbyton were all at the A. T. Nixon home in Post on Saturday night for a get-together and dinner. Mr. Stanley Nixon is still weak from his serious siege of the chicken pox.

The T. W. Brysons went water

skiing with the Lee Masons on his brother's place in New Lynn on Sunday.

Miss Ann Copeland, niece of Mrs. Jack Hargrove, and of Mesquite, is spending the week with her aunt and uncle.

Mr. and Mrs. John Leake's daughter, Mrs. Katherine Hendrix, has been in the Reese AFB Hospital in Lubbock for the past two weeks and is being flown to Shepherd Field Hospital for further treatment for a kidney defect. We wish her well!

Don't forget the Gordon Church of Christ Gospel meeting Aug. 9-18, and the vacation Bible School, Aug. 12-18. Mark it on your calendar!

G. I. NORRIS

## Evangelist for revival named

G. I. Norris of Slaton is to be the evangelist in a revival meeting at the Pleasant Valley Baptist Church, beginning Friday, July 26, and continuing through Sunday, Aug. 4.

Vernon Scott will lead the music and Mrs. R. H. Lewis will be the pianist.

Bro. Norris has been active in evangelism, preaching in churches from California to Michigan. He led revivals in Cuba before Castro became leader of that country, and was guest speaker for the Hawaiian Baptist Training Union Encampment in 1959. He has served as pastor of churches ranging in size from small rural congregations to city pastorates with over a thousand members.

Services will begin each evening at 8 o'clock. The public is invited to attend.

### VISITING IN MEMPHIS

Jean, daughter of Mr. and Mrs. John Huffman, is visiting in Memphis, Tex., with her aunt, Mrs. J. F. Capwell, and children.

Mr. and Mrs. Travis Guy announce the birth of a son, Travis Todd. Travis was born July 19 in Garza Memorial Hospital and he weighed five pounds, 14 1/4 ounces.

A daughter was born to Mr. and Mrs. Selmer Warren on July 19 in Garza Memorial Hospital. She weighed seven pounds, 6 1/2 ounces and was named Julia Delinda.

Mr. and Mrs. Alex D. Shipp are the parents of a daughter born July 19 in Garza Memorial Hospital. She weighed seven pounds, 6 1/2 ounces and was named Julia Delinda.

Mr. and Mrs. Joe Smith announce the birth of daughter born July 20. She was named Kimberly Ann and weighed eight pounds, 2 1/2 ounces.

### PRICE-COST SQUEEZE

The price-cost squeeze on farmers may tighten some during 1963 due to larger supplies and lower average prices of farm products along with higher production costs, says John McHaney, extension economist. The larger output in 1963 will raise the gross farm income, but this increase will be offset by the higher prices paid by farmers for production and other expense items, the economist adds.

### THEY'RE "FOUR-SQUARE"

Elvis Spradling of Kent County and Cecelia Ann Drabek of Foard County have been named the top "four-square boy and girl" in Texas for 1963. As such they will represent Texas at their respective sessions of the American Youth Foundation Leadership Training Camp, Stony Lake, Mich. The 1963 season is the 50th for the camp-conference type program.

# 10 WONDERFUL YEARS 10 PERFECT REASONS

WHY PIGGLY WIGGLY  
**MEATS**  
ARE  
**BEST**

1. Lowest Prices, naturally!
2. Naturally tender always!
3. Valu-Trimmed - a Piggly Wiggly must!
4. At Piggly Wiggly, you pay for net weight only! Our meats are always weighed before packaging.
5. Double your money back guarantee! You must be satisfied!
6. Piggly Wiggly Beef is scientifically grain fed for superior flavor!
7. Piggly Wiggly Beef is properly aged to assure you of juicy, tender meat every time!
8. Piggly Wiggly sells only government inspected and government Grade A Poultry!
9. Piggly Wiggly sells only extra lean, Northern Fresh Pork. All Piggly Wiggly Pork is government inspected!
10. Custom carving is our specialty! Ask, any time, for personal service for a special cut of meat!

From one to 73 stores in 10 short years! In July, 1953, Shop Rite Foods, Inc. opened one small store in Albuquerque, New Mexico. At the end of 1962, the total number of Piggly Wiggly stores had increased to 58. With the acquisition of fourteen Parker Stores in the Wichita Falls area the company was operating a total of 72 stores. This week marked the formal opening of the beautiful new Piggly Wiggly Continental in Lubbock, Tex. - a fitting climax to our 10th Anniversary Celebration. Won't you help us celebrate our 10th Anniversary by registering daily for these valuable prizes. No purchase is necessary and you need not be present to win. Only residents of Texas, New Mexico, and Oklahoma, 18 years or older may participate. Employees of Piggly Wiggly, its subsidiaries and their immediate families are not eligible.
