Relay Team To State Meet

Above is the crack Eagle relay team of Jordan, Lopez, Amaro and Lavender. Not shown is Roy Harris. Last Saturday the team won first in the 440 and mile relays and will compete in the State Track meet at Austin a week from Saturday. Coach Blair is justly proud of his team.

Speaks At Rotary

The O'Donnell Rotary Club met Tuesday in its regular meeting. Visiting Rotarians were J B Claiborne of Lamesa and Leighton Knox, Frank Hill and Charles Bragg of Tahoka. John Criner reported on the talk of Dr. Goldson dealing with Communism and Education in Russia. Weldon Martin and Truett Hodnett attended a district executive meeting in Tahoka.

C. C. Has Good Meeting

A very interesting and "meaty" Chamber of Commerce meeting was held Monday night at the Community Center. President Wayland Taylor led the discussion. Incidentally Wayland and Deen Davis a carrying a big work load on behalf of the Chamber and their town appreciate this free labor. The crowd was relatively small due to conflicting meetings.

Among decisions made was to hold a school here in the late summer for clerks and business owners. The school is to teach proper clerk and customer relations. The group decided not to meet formally during the summer months unless something vital needs membership attention. Some 65 members are currently enrolled in the Chamber. The goal is 100 members. The group also voted to buy some chairs for the Community Center as well as having a float in the Rodeo Parade. The meeting was most helpful in its round table discussion. Merchants, especially, are missing a bet in not sitting in on these discussions of common aims and common problems.

Remember your Chamber is YOU — not "them"

NEW EGG PRODUCTS ON THE WAY

College Station — According to Fred Gardner of the poultry science department at Texas A and M. College, the egg is becoming modernized. With the goal of the housewife having to spend less time and energy in the preparation of egg dishes in mind, research personnel are developing new packaging ideas and new uses for eggs.

During the past ten years, researchers have come up with some amazing products. How does preparing enough scrambled eggs for the whole family in 30 seconds sound? It can be done with a recently developed scrambled egg package. All you do is add hot water, stir and you are ready to eat a plate of eggs. Maybe you do not want scrambled eggs. In that case, pop some of the new instant French toast into your toaster. These are just two of the many new egg products that should be on the grocer's shelves in the near future.

There are also many new egg products that are still in the developmental stage. For instance, pressurized cans of egg yolk, egg white or whole egg may soon be available.

L. L. Parade To Be Monday

The O'Donnell Little League will open season's play here at the L. L. park. A parade at 5 p. m. led by the Eagle band will be the start of a short program opening the season. A double header — Giants vs. Cubs and Braves vs. Yankees will open the season. Some 100 youths of the six teams will march in the parade. At this time the Community salute Shirty Vestal and the coaches and managers as well as the many dads who make this project such a success.

Mr and Mrs. R C Carroll and Mr and Mrs. Levi Gray returned Sunday from a tour of the Big Bend National Park and South Texas.

CLASS BANQUET IS ENJOYED

The annual Junior-Senior banquet was held Saturday in the school cafeteria. Theme of the event was "Under The Magnolias" and featured decorations of the Old South. The attractive decorations reflected much planning by Junior Class mothers.

Ossian Smith gave the invocation and Buster Snellgrove was M. C. Gerald Aldridge gave the Senior Class prophecy and Keith Criner read the Class Will. During the program Mrs. Mack Forbes gave several vocal numbers. A delicious meal of fried chicken and all the trimmings was served.

The annual prom was held in the Community Center after the banquet with music furnished by a Lubbock band.

Mr and Mrs. Kellis Davis and girls of Big Spring visited relatives and friends here last week.

Mr and Mrs. Charlie York visited their children and families at Lamesa Sunday.

Mr and Mrs. John Tidwell, Mr and Mrs. W L Newby and Sylvia visited Mr. Tidwell's niece, Judy Callaway and other relatives at Haskell Sunday.

Mr and Mrs. A H Boales of Denver City visited in the Cap Boales home Sunday.

Mr and Mrs. Bob Ragan attended the Sheriff Posse Roundup at Snyder over the week end. Mr and Mrs. Vernon Caswell also attended.

Mr and Mrs. J P Hale visited her parents Mr and Mrs. C C Gallagher at Kermit Sunday. Mr and Mrs. Hale made a business trip to College Station this week.

Mr and Mrs. Benny Kunkel of Klondike are proud parents of a fine son born April 19th and named Benny Wayne, Jr. He weighed 7 lb 13 oz. Grandparents here are Mr. and Mrs. E C Mahurin.

Mr and Mrs. Charley Cabool of Lubbock, and formerly merchants during the year. Of special interest was the "mock style show" which added comedy interest to the very good show. An example of the mock dress items was a "slip on sweater" which proved to be a girl's slip on over a sweater. The girls showed a remarkable talent for showmanship and public speaking.

FASHION SHOW IS ENJOYED

A capacity crowd enjoyed the annual F.H.A. fashion show Tuesday night at the school auditorium. General chairman of the show was Miss Benna Askew and Mrs. Warren Smith is club's sponsor. Girls of the group modeled dresses and other home projects made by them during the year. Of special interest was the "mock style show" which added comedy interest to the very good show. An example of the mock dress items was a "slip on sweater" which proved to be a girl's slip on over a sweater. The girls showed a remarkable talent for showmanship and public speaking.

Lions To Sell Brooms Friday

The O'Donnell Lions Club will sponsor their annual broom sale here all day Friday. Merchandise will be sold down town and so house to house calls will be made. The merchandise is made by the Lighthouse for the Blind. A part of the proceeds remain in the local club.

Merchandise include a wide variety of brooms, household brushes, mats and a great variety of other items used in businesses and in homes. But what you can Friday.

The O'Donnell Boy Scouts will attend the Lamesa Camporee May 11th and 12th

RECITAL SET FOR FRIDAY

Mrs. A. W. Gibbs will present her pupils in a piano recital Friday night, April 28th at the Elementary Building at 8 o'clock. Mrs. Pratt, a dancing teacher here and at Lamesa, will furnish several numbers on the program with pupils from Lamesa.

THIS WEEK IN AUSTIN

Sen. Preston Smith

The highway speed limit bill which I introduced in the Senate, and which the Senate passed, has resulted in gratifying comments from throughout the district.

The bill would permit turnpike authorities, county commissioners courts and the State Highway Department to zone up or down from the present speed limit of 60 miles per hour, depending on the type, condition and safety attributes of each road or highway.

I have always been convinced that highway safety factors could be improved by such a measure. There are many roads that cannot be safely traveled at 60 m.p.h. And there are many other new, modern four lane divided highways where 40 m. p. h. is not furnishing Texas motorists the most efficient and safe use of these modern facilities.

One public supporter of the bill is the Midland Reporter - Telegram, which editorially announced April 5th

"Congratulations to Senator Preston Smith for Lubbock for introducing his highway speed limit bill, and three cheers for the Texas Senate for passing it.

"This is sound, basic, up to date legislation which should become law during the current legislative session. It makes sense most any way one looks at it. It is difficult to understand the controversial aspects of the proposed measure.

"The Reporter-Telegram long has contended the speed limit should and must be based on the road and other factors, instead of a statewide limit regardless of highway conditions.

"Why should the speed limit be the same on the straight, smooth, four lane divided highways thru this particular section of state as on a winding, narrow, often slippery highway thru the heavily wooded sections of East Texas?"

RECORDS SAVE TROUBLE

Back in pioneer times our fore fathers found they could keep track of the family history pretty well with a few notations on the flyleaf of the family Bible. But life's a lot more complicated now. Great-grandpa wasn't covered by social security or workmen's compensation. He didn't have a bank account or safe deposit box, a car and a dozen home appliances being bought on time payment, or a half dozen insurance policies. We have taxes great - grandpa never heard of and wouldn't have believed if he had. And had you asked him for a certificate to prove his birth, he'd have thought you'd taken leave of your senses.

The point of this is that the average American today has a good many important papers to keep track of. There are birth certificates, receipts, copies of tax returns, sales contracts, and a host of other papers. With a little tidy record-keeping, you can make life easier for yourself and your family when you are gone.

Here are some suggestions:

1. Get a heavily bound notebook folder or file folder as a central collecting point for all the records of your affairs.
2. Put your especially important papers in your safe deposit box, but make a list of those papers and a brief summary of their contents to put in your home file.
3. Insert your will or a copy of it. If your will is kept elsewhere, include a note telling where it may be found.
4. Make a list of all the stocks and bonds you own and where they are.
5. If you may have benefits coming under a profit-sharing plan where you work, make a note of that too.

Honor Roll ---

Following is the high school honor roll for the fifth 6-weeks ---

Seniors — Robert Marcom, Ossian Smith, Marcheta Wood, Benna Askew, Lola Autry, Charlotte Crawford, Mary Finch, Terrye Parker, Jimmie Simmons, Neida Staicup.

Juniors — Gerald Aldridge, Dale Finch, Tom Hoskins, Buster Snellgrove, Marigean Clayton, Judy Surlow, Meba Furlow, Sharon Hays, Betty Lang, Daphne Hogg, Sandra Moore.

Sophomores — Ronnie Bairrington, Nancy Bailey, Jan Hardberger, Beth Agnew, Sherry Harris, Jan Lott, Linda Parker, Kathy Pirtle.

Freshmen — Jerry Utecht, Ronnie Wood, Ronnie Sheppard, Janice Clayton, Sandy Garrett

Mrs. Paul Morris of Houston is with her mother, Mrs. J P Bowlin, who is much improved. Mr and Mrs. James Bowlin of LaFeria and Mr and Mrs. Harvey Jordan and sons and Miss Barbara Kirkpatrick of Olton visited here over the week end.

Mr and Mrs. A C Lambert and son, Bobby, of Amarillo spent the week end here visiting their parents Mr and Mrs. Cliff Lambert.

Sunday guests in the Jack Brewer home were Mrs. L B Peterson and Mike of Slaton, Mrs. John Warren of Lubbock and Bert Brewer of Elida, N. M.

MISS ZEPEDA TO WED

Mr and Mrs. Juan Zepeda announce the engagement and approaching marriage of their daughter Zulema to Luis Vargas. Vows will be exchanged May 6th at 9 a. m. at the local Catholic Church.

Mr and Mrs. James Henry Gass had a birthday dinner Sunday for James Henry, Rickie and Jackie. Guests were Mrs. Joyle Gass and boys of Lamesa, Mrs. J L Hill, Mr and Mrs. W R McNeely and Joni Lynn and Mr and Mrs. Don Gass of Tahoka. Mr and Mrs. Gordon Gass and girls of Slaton, Mr and Mrs. Red Hagins of Levelland, Mr and Mrs. W G Gass and Cindy, Mr and Mrs. Benjie Clark and girls and Mrs. Ruth Pierce and Yolanda and Mr and Mrs. Charles Gass.

Corn and or grain sorghum producers should carefully weigh the advantages and disadvantages of the new feed grain program and apply them to their own situation before making a decision on whether or not to participate. According to Texas Agricultural Extension Service economists, there is on y one best way to make the determination take a pencil and paper and do some figuring.

RESPECTABLE PERSON

male or female from this area, wanted to service and collect from automatic vending machines. No selling. Age not essential. Car, references, and \$600 working capital necessary. 7 to 12 hours weekly net-excellent monthly income. Possibility full time work. For local interview give full particulars, phone Write P. O. Folks You Know

Mr and Mrs. C E Boles visited Mr and Mrs. Wilburn Jones and Mark in Lorenzo Saturday. Mrs. Lillie Boles and Mr and Mrs. Carl Nichols and Stephen of Lubbock visited in the Boles home here Sunday.

James Moore provided South Plains J. C. with its only first place in the Western Junior College Conference track and field meet at Big Spring Saturday when he cleared 12 ft. 6 in. in the pole vault. He is the son of Mr and Mrs. Ben Moore, Jr of here.

The O'Donnell Cancer Drive fund has been postponed until Monday night May 1st, according to F. M. Jones.

Plans Made For Rodeo

The first meeting of folks working up the rodeo parade was held one morning last week. Working on the parade this year are Mrs. Alta Jones, Mrs. Sammy Middleton, Mrs Vera Vaughn, Mrs. Bertha Brewer, and two men, Blaine Mitchell and Ralph Knight.

This year's theme will be "I REMEMBER WHEN" Rodeo dates are June 8, 9, 10

Mr and Mrs. Randolph Lindly and two children have moved back here from Phoenix, Ariz. He is farming west of town.

Harold Sanders is home from a tour of duty with armed forces in Germany.

Mrs. Matt Farmer and Mrs. Janie Putman visited Mr and Mrs. W E Howard in San Angelo last week.

Above is John Crutcher, son of Mr and Mrs. A. G. Crutcher of New Moore who entered the Army Mar. 21st. He is taking his basic training at Ft. Hood. John will be remembered as one of the Eagle's best football players in 1959.

Country Editor
Many of you saw the movie awards on TV. The nearly three hour program was splendid entertainment in our opinion. But one fact stood out in our thinking: A major portion of the top movies nominated for this year's nominations were off-color in that the theme of the movie had to do with unbecoming social behavior of us humans. Of course movies are not the only offenders of accepted good taste. Pop songs, novels and the greater majority of the point of being repulsive, taste to the last year we have noticed within the dialogue of drama profanity on T. V. More and more TV programs tend to make us blush in presence of mixed company.

International Communism could have no better weapon than lowering the dignity of man, lowering the dignity of marriage and other social institutions in the minds of our children whose teen-age minds are pliable and their condition reflexes are being fixed for becoming tomorrow's parents. It is not being a prude to ponder where the tide is sweeping us.

Have you realized the physical ease of most of us in making this our daily bread? With labor saving devices each day is becoming more boring in that we do not retire but are PHYSICALLY TIRED but more often merely bored. No one can doubt the increase in usage of nerve and sleeping potions. Fewer hours in a work day and a shorter work week — especially in industry — has caused a desire to do something go somewhere. Accordingly hobbies, trips, fishing, hunting, etc. not connected with making a living have become BIG BUSINESS. Overeating and over drinking is fast becoming a plague of Americans for one reason — boredom.

During a coffee break we heard a farmer say that two of his Mexican nationals were unhappy with him because he didn't do something about the wind.

Planting according to signs have fascinated us down thru the years. We still can not believe in "signs" in this atom age. But we did experiment with our Irish potatoes this year. Two rows in the dark and two in the light of the moon.

School is within chinking distance of the finish line. Then our full time job will be that of entertaining our children. Work is a dirty word in the minds of our children. They want mom and dad to plan the long, hot summer to be a never ending picnic.

We have always been interested in watching workouts in sports. We never enjoy the actual game as we do the background of training. For instance, take football. All youths enjoy playing in Friday's game but oft mid-week workouts are distasteful.

Therein lies one of the benefits of public school sports. The youths are taught that to reap the harvest the seed must be planted. Many times we have seen youths with minor but painful injuries in workouts and physical exhaustion. In short training gives the team the boys who want to play — else they would skip workouts. We tip our hat to the boy who trains sincerely and honestly — even though he warms the bench each Friday night.

LUBBOCK IS INVADED — Monday afternoon the Freshman and Sophomore classes had a party at Lubbock and Tuesday night it was ditto for the Seniors and Juniors Tuesday a number of Seniors were "Teachers For A Day". School is rapidly drawing to a close — unfortunately.

Mr and Mrs. J T Middleton, Sr of here and Mr and Mrs. Jerry Gass of Mayhill visited in Ruidoso last week.

Mrs. Ellis Barnes will present her music pupils in recital Saturday April 29th at 8 p. m. in the school cafeteria. Everyone is invited.

THIS WEEK --- This week and for the next 3 months the O'Donnell Chamber of Commerce is sending the O'Donnell newspaper to ALL on the three local routes who are not presently a subscriber. The rate paid by the Chamber will barely pay the postage. Your Chamber of Commerce thought this was the best way to "Tell The O'Donnell Story" and what your home town hopes to do. This is a gift from the C. of C. and is not a gift from the Index. To send the paper free we would lose our 2nd class mail permit.

We hope you enjoy the O'Donnell paper, read the ads of your O'Donnell merchants — and come back to O'Donnell to trade. If you want come back just now — smile as you go by.

New Location

We have moved into our own new shop at my home across the street from Church of Christ.

We invite you to visit us there.

Beginning the second week in May Mrs. Tommy (Fern) Modisette will be working with us. She is an experienced operator and we invite you to come in and get acquainted with her.

Get in on Chevy's brand of savings at your Chevy dealer's

TRUCK ROUNDUP

Western star Roy Rogers spreads the good word for your local dealer! "Right now he's making it easier than ever to own America's easiest riding truck. That's Chevy—the truck that saves you plenty with its special brand of Independent Front Suspension."

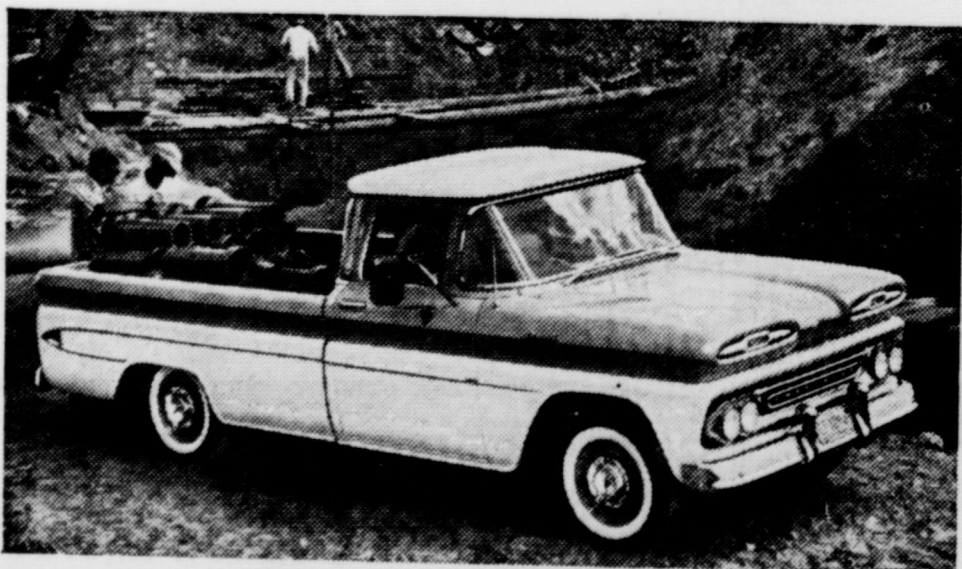

Just pick the model that fits your job and you can be sure you're putting your truck dollars where they'll do the most good. You'll get a super-efficient power to capacity ratio, a truck that's Sturdi-Bilt clear through, a king-size cab to keep your driver happy. And savings that just naturally go along with Chevrolet's I.F.S. ride.

You save on maintenance costs. I.F.S. lengthens truck life and protects cargoes by soaking up as much as 78% of all objectionable road shock and vibration. Your truck keeps working for extra thousands of miles! How in the world can you go wrong! Especially now—during truck roundup time!

Chevy's hefty Jobmaster 6, standard in Series 60 middleweights, is known far and wide for its fuel-saving performance.

CHEVROLET LES TRUCKS

Chevy's famous Thriftmaster 6 does the saving in this Fleetside model. It's the most highly respected truck 6 ever put under a hood. It's best known for economy and

dependability—for pulling more loads over the years than any other truck engine. The 135-horsepower 235-cu.-in. Thriftmaster's standard in all Chevy pickups.

See your local authorized Chevrolet dealer

IMMUNIZATIONS WILL WIPE OUT DIPHTHERIA

Diphtheria managed to strike down 95 young Texans in Jan. and Feb. State Health Department records show, despite the fact that measures for controlling it are well-known and effective.

The 1960 toll reached 239. That's 75 cases above the 5-year median, and 63 cases more than were reported during the previous year.

While worrisome to state and local health officials, the 1960 figure is by no means a record, even in recent years, but it is highly significant when individual cases are studied: 164 of the victims had had no immunizing shots whatever and 38 had been inadequately immunized. Only 16 had received the full course of protective shots. Therein lies a basic truth concerning communicable diseases and their control; outbreaks are products of neglected immunizations.

Is diphtheria dangerous? Certain types can be quickly lethal. In some epidemics the death rate may reach as high as 12 percent but it is more homonymously two to five percent.

UNEMPLOYMENT BENEFITS ARE EXTENDED FOR AREA

Following intensive training programs in Austin and in District offices throughout Texas, the Lamesa office of the Texas Employment Commission has announced it will be ready to accept claims from workers who have exhausted their unemployment insurance benefits after June 30, 1960 and who may be eligible to file for extended benefits under a new program which will become effective in Texas April 12.

All workers, including those covered under Texas law and out of state claimants who may have filed against other states, including servicemen and federal employees, may be eligible for additional benefits equal to one half the amount which they received or were entitled to receive before they exhausted their benefit rights.

STEVENS IS NEW SCHOOL GUIDANCE MAN

Ice Stevens has joined the Lynn County staff to assist Mr. Nelson as supervisor of Student Guidance. The county has been eligible for two supervisors but most applicants could not qualify. Mr. Stevens has a B. S. Degree from Mississippi Southern College and a M. A. Degree from Mississippi U. He has served as a teacher, principal and junior college teacher in Southern schools. He resigned a position in the Jacksonville, Florida schools to accept the position in Lynn Co.

Mr. Stevens will serve the four Lynn County schools—Tahoka, O'Donnell, Wilson and New Home.

THIS WEEK IN AUSTIN
 Sen. Preston Smith

House Bill 7 is a small loan bill. The "loan shark" bill. That is its purpose the regulation of interest rates and charges on small loans. This bill rests the hope that it will eliminate abuses of a ruthless and heartless segment of the small loan industry that has preyed on the poor and ignorant. The voters of Texas have shown their ability to cope with the problem. The faith was demonstrated by the overwhelming approval of an amendment to the Constitution removing the almost sacred 10 per cent limit on interest rates, leaving the actual enabling legislation to the wisdom of the Legislature at this time. The House and the Senate at this time are to cope with the problem. The House of the Legislature are considered with the obligation of writing a law that will define small loans and which will set a fair interest rate above the 10 per cent limitation. The governor, lieutenant governor, speaker and majority of the Legislature campaigned on the platform which assured the voters that the loan shark evil would be eliminated. There will be strenuous effort by some House members this week to repeal the proposed legislation with amending amendments. Newspaper readers will find it difficult to determine who among the offering amendments is serious attempting to write for Texas a small loan legislation in keeping with the mandate of the people, and who is cunningly working for several major small loan syndicates interested in monopoly and maximum profits. Members of the Legislature, however, will know by the very nature of the amendments. They also know the lobby that represents the small loan industry in its various segments.

Free Speech Issue In Court Proceeding

LINCOLN, Ill.—Free speech was the issue here in a contempt of court case in which nearly 600 persons faced possible fines and jail sentences.

The defendants, many of them members of a reform group known as the "Good Government Council of Logan County," were cited for contempt for petitioning Circuit Judge Frank M. Bevan to replace a state's attorney in a case involving the prosecutor's friend.

Judge Bevan said the petition contained "odious, defamatory language concerning an official of this court." State's Attorney Edwin C. Mills.

Members of the Good Government Council contended Judge Bevan could not hold them in contempt and said if the prosecutor felt he was defamed by the petition he could sue them in a civil court.

The case arose when, as a result of action taken by the Good Government Council, Justice of the Peace Vincent Jones was charged with illegal diversion of funds collected in overweight trucking fines. Mr. Jones was charged with perjury, embezzlement and malfeasance.

The council followed up the case with a petition asking that Mr. Jones be replaced by a special or assistant prosecutor.

 Your label at top of paper tells late your subscription expires.

Commuter Snags Train But Can't Hold It

EUREKA, Calif.—Loafers around the railroad station here tell this for the truth. Seems the station agent heard a loud crash on the platform. He ran out and saw the rear end of a train disappearing around a curve. A disheveled gent lay prone on the ground, surrounded by the contents of his banged-up suitcases.

An owlish youngster stared at the gent, but made no effort to assist him. "Was he trying to catch the train?" the station agent asked the youngster.

"He did catch it," replied the youngster, "but it got away."

Principal Outlaws T-Shirts, Dungarees

ROSELLE, N.Y.—Schoolboys should dress properly for an occasion and school is an occasion was the recent ruling of Albert S. Peling, principal of the Abraham Clark school here.

He told the parent-teacher association that clothes may make the man but all types of clothing are not becoming to school boys.

He called upon parents to see that their sons were dressed properly. "T-shirts and dungarees are all right for a job, he opined, but they are not appropriate for school attire. He made no criticism of the apparel of the girl students.

Corn and or grain sorghum producers should carefully weigh the advantages and disadvantages of the new feed grain program and apply them to their own situation before making a decision on whether or not to participate. According to Texas Agricultural Extension Service economists, there is only one best way to make the determination take a pencil and paper and do some figuring.

Present indications are that egg prices will decline during the late summer and fall months to levels below a year ago. If the high hatching rate for egg type chicks continues, egg prices could be "distressingly" low during the 3rd and 4th quarters of 1961.

IN THIS WORLD

BREAD BAKERS HAVE ENRICHED OUR CIVILIZATION THROUGHOUT ITS COURSE.

EXCAVATION OF POMPEII, ROMAN CITY BURIED BY THE ERUPTION OF MT. VESUVIUS, AUG. 24, 79 A.D., DISCLOSED LOAVES OF BREAD BEARING THE BAKER'S BRAND-MARK WHICH FIXED RESPONSIBILITY FOR WEIGHT AND PURITY.

THE PEPPERIDGE TREE, FOUND IN THE NORTHEASTERN SECTION OF THE UNITED STATES, WAS USED BY OUR ANCESTORS FOR BOAT KEELS, MAUL HANKLES, AND WAGON WHEELS. TODAY THIS TREE IS BEST KNOWN AS A TRADE SYMBOL FOR A LOAF OF BREAD.

MARGARET RUDKIN, WHO FOUNDED A SUCCESSFUL BAKERY BUSINESS IN HER HOME KITCHEN, NAMED HER BREAD FOR AN OLD PEPPERIDGE TREE THAT GREW ON HER FARM.

ROLLER SKATES IN BANKS!

TEXAS Style banking — with showmanship — is in practice at Texas Bank & Trust Company of Dallas where blue-eyed blonde Miss Wanda Barker, on roller skates, greets drive-in customers. The bank's skating hostess, who started her duties Monday, answers customers' questions, gives candy and balloons to their children and acts as a good-will contact with the automobile public using Texas Bank's drive-in facilities.
