## Miss Merrick Weds Don Dingus

In the home of her parents, Mr and Mrs. Jesse Merrick, Miss Karen Merrick became the bride of Donald Dingus at an 8 p. m. ceremony last Tuesday. The groom's parents are Mr and Mrs. D. W. Dingus of Greenville.

The Rev. Marvin Fisher performed a double ring service before a mantle flanked with branched candelabra and banked with white gladioli. Miss Ruth Jones of here was pianist, accompanying Mrs. Wayne Clayton of here who sang "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a gown of ivory brocade taffeta, styled with princess lines and sweetheart neckline. Soft pleats from the waistline in the back gored lent back interest to the dress which also featured a close fitting bolero jacket with a stand-up collar and long sleeves. Her fingertip veil of illusion fell from a bandeau of rosebuds and she carried a bouquet of white carnations over a white Bible.

Miss Dickey Marie Harris of here was maid of honor in a dress of pink disciplined cotton with velvet ribbon outlining the waist and bustline. The skirt was fully shirred. She carried white carnations. Gerald Dingus of Oona, brother of the groom, was best man, and Linda Ann Norris was candle-lighter.

Miss Harris' bouquet decorated the serving table at the ensuing wedding reception. A white linen cutwork cloth over pink covered the table which held a tiered wedding

cake and crystal punch bowl. Mrs. Ben Thaispen of New Orleans, La., sister of the bride, served the cake; her sister in law, Mrs. Dale Merrick, poured punch; and another sister in law, Mrs. Darrell Merrick, presided at the guest register. In the receiving line were the newlyweds and their parents.

Following a wedding trip to New Mexico, the couple returned here Saturday. They will live in Commerce where they will enroll at East Texas State College. Mrs. Dingus is a spring graduate of the O'Donnell High School and her husband is a graduate of Maud High School and E. T. S. C. where he will continue work on his master's degree. For the past two years, he has been a popular member of the faculty of the local school.

Mrs. H. C. Warren is home for the summer after being in Hobbs.

Mrs. Ben Moore, Sr. was hostess to the 1957 Study Club last Wednesday. The program was very enjoyable. A salad plate was served by the hostess to 15 members.

Mr and Mrs. Otis Story and M. H. Story of Ralls visited in the Silas Russ home Sunday.

The Silas Russ family enjoyed a barbecued turkey dinner with friends and relatives Memorial Day on a ranch south of Big Spring.

Mrs. O. G. Smith, Jr. and tribe are leaving Wednesday for annual pilgrimage to Dime Box.

## Rites Read For Mrs. Ella Lindly Here

Mrs. Ella Matilda Lindly, 99, died at 2 p. m. Friday at the Roscoe Banton Convalescent Home in Roscoe following a year's illness.

Funeral services were held at 2 p. m. Sunday at the O'Donnell Methodist church with the Rev. Marvin Fisher, pastor, officiating. Burial was in the Tahoka cemetery under the direction of Stanley Funeral Home.

Mrs. Lindly was born Aug. 25, 1856 in Limestone County, Texas. She and the late John S. Lindly were married in 1883 in Limestone county. They moved to Lynn Co. in 1917 from Taylor County and lived in this county until his death in 1951. Since that time Mrs. Lindly has made her home with her children.

Mrs. Lindly joined the Methodist Church at Point Enterprise July 1889 and continued to be a loyal and faithful member. Survivors include three daughters, Mrs. Lou Leese, Kermit, Mrs. Neta Boyd, San Angelo, and Mrs. Myrtle Eaker; four sons, Geo. C. Lindly and H. F. Lindly of here, Joe Lindly of Arlington, 38 grandchildren and 69 great grandchildren and 2 great great grandchildren.

Our sympathy to the loved ones.

## Ball Club Meet Set

All boys interested in playing baseball are urged to meet Saturday afternoon June 8th at 4 p. m. at the city park, according to Bart Anderson. Managers and sponsors are now worked out and the Little League is ready to play ball.

## Country Editor

Ed. note — following is a part of an address made by Bobby Morrow of A. C. (before a recent joint session of Texas Legislature).

I am sure that the Texas smiles and the Texas handshakes which Eddie Southern and I took with us to Melbourne, Australia created more news stories than all of our running efforts combined. Though marred in several instances by political differences, the Olympic Games were characterized by the finest kind of wholesome competition and sportsmanship.

I believe the greatest moment for me occurred when I was privileged to take the number one spot on the victory stand after the 100-meter competition. I cannot describe the feeling but I do remember that chills ran up and down my spine when I heard the "Star Spangled Banner" and saw Old Glory rise to the uppermost spot of the ceremonial stand.

But uppermost in my mind was the deep sense of gratitude which I owe my Maker who gave me whatever natural ability I possess along with a strong healthy body. Realizing that my body is the Temple of God, I have always tried to keep it sweet clean for Him. For this belief and determined conviction I pay tribute to my mother and father, who from childhood have guided my feet in the Way.

To my lovely wife, Jo Ann, who has inspired my every effort, and who is building a Christian home with me, I owe my all.

My decision to receive a Christian education came after I realized that I wanted more from college than book learning and track success. I sincerely believe that my greatest race, the Christian race, is the most important of them all and is yet to be won.

Mrs. Shag Garrett was a patient in a Lamesa hospital earlier this week.

John Billingsley, Dickey Marie Harris and Kay Cabbiness are attending Texas Tech this summer.

Dale Karpe is graduating from Tech this spring, with a B. A. degree.

Mr and Mrs. Frank McKee of San Angelo visited the Houston Brewer family last week.

Mrs. Roman of California is visiting her sister in law Mr and Mrs. H. M. Veach.

Mr and Mrs. R. O. Stark visited her parents in Hereford last week.

## Rains Continue Here

### Year's Total Near 12 In.

As we go to press Tuesday at noon, the rains of the past four days are continuing in a slow drizzle. According to weather observer Ben Moore, Jr., the total rainfall to date stands now at 11.7. The total for May was 6.23 inches and 2.2 inches of rain has fallen since last Tuesday. Rainfall for the first five months of the year is almost 3 inches above the total for all of last year.

Farm work and planting has stopped since last Thursday due to wet soil. A rough guess as to the current crop status is —

50 percent of area planted and up to a stand but "sitting there" due to rain and cool weather. 30 percent planted but not up (whether there is a stand remains to be seen) and 20 percent of the cotton allotment is yet to be planted (some for the 2nd time.)

June 10th here is generally considered to be the deadline for "safe" planting of cotton which takes 4 months to make. The average freeze date is Nov. 19th. Very little grain has been planted but July 10th is generally considered to be deadline for planting grain.

### Contract Is Let On Rock-Crusher Road Here

Kerr and Middleton of Lubbock have been awarded the contract for building the road extending five miles south to the rock-crusher. Work is expected to begin within a short time. Residents of Big O are planning several blocks of paving while the firm is here. All present paving is expected to get another coat of paving at the time.

Visiting in the home of Mr and Mrs. Dick Simpson over the week end were Mr and Mrs. Clarence Simpson and family of Amarillo, Mr and Mrs. J. W. Tucker and family of Denver City, Mr and Mrs. Arthur Romines and family, Mr and Mrs. Jack Walker and girls of Slaton, John Berry and Mrs. Eldridge of Lubbock.

Mr and Mrs. T. A. Harrington and daughter of Houston are visiting her parents Mr and Mrs. Jones Pierce.

Shirley Evans is visiting her grandmother Mrs. Waggoner at Muleshoe.

Mr and Mrs. W. J. Kelly and Mrs. Henry Warren left Sunday to visit her mother at Cisco.

## Bro. Fisher To Move

At the Methodist Conference held last week at Amarillo, the Conference assigned Rev. Marvin Fisher to Lorenzo and assigned Rev. Howard Marum, pastor of the St. John Methodist Church at Plainview, to the pastorate here.

Rev. and Mrs. Fisher made so many lasting friends here during their one year here. The love and good wishes of the community follows them to their new labors at Lorenzo.

## FFA HAS ANNUAL AREA MEET AT BROWNFIELD

Attending the Area 2 FFA convention at Brownfield last week were Robert Bessire, J. D. Evans, Lanny Brewer and Jim Hale. Brewer was the voting delegate. Applying for the Lone Star Farmer Degree were Bobby Cox and J. D. Evans. Their record books were passed and have been sent to the state checking committee at Austin for a final audit. Evans was named area Sentinel for the coming year and he was runner up for District Star far-mechanics award which is a National Foundation Award and worth mer. Evans also won the area farm \$25. The youths were entertained with a swimming party and enjoyed a barbecue dinner given by the Chamber of Commerce.

## CLEM TO MOVE TO SEAGRAVES

Bone Banks Now Ready For Use in Most Cities

NEW YORK—Several hospitals in New York and elsewhere operate banks for human bone. At the New York hospital for special surgery, one of the first to establish a bone bank, successful grafts have been made with bone stored for as long as 22 months. Bank bone has been used in more than a thousand operations.

Bone banks have been able to obtain an adequate supply of bone from amputations and other operations in which bone is removed. Cut into chips or thin strips, the bone is given a careful cleaning, and stored in sterile jars in a deep-freeze at -18 degrees F. Bone grafts are employed primarily in fractures that refuse to knit, in replacing infected bone, in operations for fusing various joints of the spine, and in aiding children born with bones missing.

The grafted bone does not grow, but stimulates the growth of the patient's own bone.

Weather Affects Range Of Shotgun Pellets

BRIDGEPORT, Conn.—The pellets in a shot charge are not always perfect spheres when leaving the gun barrel and departures from sphericity result in shortened ranges. A wind may appreciably increase or decrease the maximum range. The maximum range is greater on hot days and less on cold days.

The calculations do not take into account interactions among the various pellets which may increase the range a few feet. Furthermore, no provision is made for the occasionally observed effect of "shot balling", that is, the sticking together of several pellets in the shot charge to form a cluster. Although with modern guns and loads this may be of relatively infrequent occurrence, it must be recognized that such a "ball" would travel considerably farther than the other pellets in the charge.

'Time for a Change'—U. S. Sides With Men

WASHINGTON — Women spend more money for clothes than do men—this old male argument has been proved by a government report.

In a brand-new report on American spending habits, the Bureau of Labor Statistics says "around 55 per cent of the family clothing budget was spent (in 1950) on women's and girls' clothing."

Men and boys? They got "a little over 40 per cent" of the clothing budget. The remainder went to the

TAKE IT EASY WITH "HAPPY PILLS" SAYS HEALTH DEPARTMENT

Austin — The big three in America today are reserpine, chlorpromazine and meprohamate. They are tranquilizing drugs — so called "happy pills." And as more and more people take them for real and imagined tensions, they are fast becoming household words.

Americans last year spent well over \$150 million for various types. A single drug company reported the sale of 30 billion tablets during the first ten months of 1956 and indicated that sales were expected to double in 1957.

Scientific studies indicate that the drugs have great value in the treatment of some types of mental illness but when people, for no other reason than that they had a bad day at the office or that the children have been unusually noisy,

begin eating them like popcorn, an insidious danger is in the making.

Like other valuable drugs, tranquilizers can be harmful physically and mentally. In some cases there is a tendency toward habit formation. In a few cases, unpleasant side reactions have occurred. Some users have been depressed rather than calmed. Calm users have become excited. Only time can tell whether prolonged use will permanently damage the nervous system.

All of us would do well to remember that a certain amount of tension and anxiety is a part of normal life. Peace of mind and restful living do not yet come in pills. It comes from facing our problems and working to solve them.

Any Kitchen Becomes Beautiful... Every Cook Becomes Better

WITH A COMPLETELY AUTOMATIC GAS BUILT-IN RANGE

Regardless of the shape, size or decor of your kitchen, add a glamorous GAS built-in range and it becomes (like a woman with a new facial, coiffure and hat) simply scintillating! Because here is beauty beyond compare... efficiency unmatched... and economy far beyond all competition. And with every completely automatic feature—including thermostatically-controlled top burners—a GAS built-in range just naturally makes the most of any recipe a woman turns her hand to! For full details, consult your Gas Company... then see a builder or gas appliance dealer.

AMAZING "TOP BURNER with a BRAIN"

So sensitive it seems to think for itself, this remarkable thermostatically-controlled burner completely eliminates the danger of boil-overs, scorching, or burning. It "feels" the temperature of the cooking vessel... raising or lowering the flame as need be to maintain the precise heat indicated by the dial. All your pots and pans actually become automatic utensils when you have the Burner with a Brain... and only GAS ranges have it!

The new WESTERN-HOLLY automatic GAS built-in unit offers complete versatility of arrangement.

... Chevrolet with Turboglide!

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. GET A DEMONSTRATION! Sweet, smooth and sassy in town or country—the Bel Air Sport Coupe with Body by Fisher.

Chevy's come up with the  
 newest, sweetest, smoothest  
 automatic drive—Turboglide.  
 It's the first and only triple-  
 turbine transmission!

Turboglide is something really new  
 and different in automatic drives.  
 In the first place, there's only one  
 forward-speed position on the con-  
 trol. There's no "Low" needed.  
 Turboglide handles everything  
 with the oil-smooth action of triple  
 turbines. You travel from a stand-  
 still to top cruising speeds with  
 never a lurch or lag to mar your  
 motion.

When you see a steep downhill  
 stretch ahead, you set the selector  
 at "GR" (Grade Retarder) and  
 Turboglide helps slow you down.  
 Try Chevy's new, nothing-like-it  
 automatic drive. It's optional at extra  
 cost—and worth every cent of it.
