

## Texas Votes Wet, Local Option Still In Force

### County Park Prospects Less Favorable Now

Following Sunday's daily papers presenting results of the special election Saturday, "piling up a lead of 440-182" in the tabulation of 440-182, Texas votes, from one of the state to another, marched the polls in a special election and a 16-year old decision by repealing their prohibition laws to which both sides were equal.

While the state as a whole met repeal of the Dean law, the best counties which comprise the South Plains showed a decisive defeat for the amendment. Lynn county is one of the seven proposed counties stands approximately as follows: Pensions: For 978, against 148; for 538, against 714; Amendment for 394, against 714; Amendment for 392, against 449; Sentences for 440, against 411; Fees, 472, against 381; textbooks, for against 585.

**Danell Voters Against Repeal**

was rather light in this precinct with only a few more than 200 being cast throughout the day.

W. Gibbs, W. A. Tredway, and James Vandell presided at the vote. Vote on repeal was 113 against 74. For the pension bill met favor here, by a wide majority.

On this amendment stood 188 against 84. The textbook amendment did not carry, there being 74 for and 96 against.

Neighboring counties, according to the tabulations voted as follows: County: Pensions, for 667, against 108; Amendment, for 444, against 182; Repeal, for 246, against 121; Sentences, for 204, against 244; for 343, against 225; textbooks, for against 334.

Amos (largest complete) Pensions 274, against 19; Amendment, for 112, against 84; Repeal, for 111, against 121; Sentences, for 117, against 106; books, for 127, against 148.

City (out of 21 boxes complete) Pensions, for 725, against 92; Amendment, for 415, against 267; Repeal, for 424, against 473; Amendment, for 373, against 288; Sentences, for 302, against 371; Fees, for 236, against 231; textbooks, for against 349.

**Local Option Effective**

Results of an election left the liquor situation in a somewhat equivocal position, with parts wet and others dry. State Attorney William McGraw ruled Monday that the old local option laws were still in effect, and those sections which had voted in years past were still dry, and local elections would have to be held if residents wished repeal of the law.

The further ruled that the state repeal would not be effective after the vote had been officially canvassed in September, and licenses would not be issued to those who sold liquors previous to that date.

## Louisiana Visitors Like West Texas

Mr. and Mrs. Lee Rivers and Mr. and Mrs. Johnson, all of many Louisiana guests over the week end here and about the state, and were most enthusiastic in praise of this section of the state. This was their first visit, so they found many new and attractive features.

During their stay, their hosts took them to spend a few hours at Draw Lake, with Mr. and Mrs. Ray and Charle Wanda and Mrs. Ray and Harris and children going to entertaining and showing West Texas.

Miss Odessa Henderson of Big Bend county the week end with her husband Mr. Henderson.

Mr. Gilbert Morris returned to his home in Bochea, Oklahoma, accompanied with her sister, Mrs. Clay and family.

Pat Gary and Raymond Dohenport spent Friday and Saturday in Canyon.

## Reviewing the Labor Day Parade

## New Tailor Shop Open For Business

Attention of our readers is called to an ad on another page of this issue of the Index, announcing the opening of the Modern Cleaners, with Ralph Beach and Floyd Thompson as proprietors. The new establishment was opened the latter part of last week, too late for official announcement through the advertising columns.

This shop is featuring an over-ground system, or rather a clarifying system, with an inch-and-a-half continuous stream of naphtha flowing through the tumbler. The drum contains 385 gallons of naphtha, which is thus being cleared constantly. This is a new tailoring principle which has been perfected to prevent dingy light colored silks and woolsens.

A feature especially for ladies silk dresses is the hot house, heated with dry heat from a copper coil. This method prevents shrinkage of silks, and is said to be much better for them than steam drying.

Both proprietors have had considerable experience in the cleaning business. Mr. Thompson having been employed at Stinson's in Lubbock until a few days ago, while Mr. Beach had shop here some years ago. They are carrying the Churchill and J. L. Taylor lines, and have the latter samples already on hand. They announce that they will call for and deliver tailoring work.

## B & O Cash Store Being Renovated

Mr. Charles Clemens is engaged this week in putting a fresh coat of paint on the ceiling and fixtures at the B & O Cash store here. Manager B. L. Davis believes in getting ready now for the Fall rush.

The ceiling will be a soft cream color, and counters and shelves will be painted to match, trimmed with touches of black and mahogany. The office space has also been rearranged and enlarged, being much more convenient and attractive.

## O. K. School To Open Monday

The 1935-36 school term of the O. K. School is scheduled to begin next Monday morning, September 2, and members of the faculty are already here and making plans for a successful year.

Between 75 and 100 students are expected to enroll this term. L. L. Draper is superintendent, and other faculty members are Mrs. Irvin Street, Miss Allene Moore and Mr. Palmer Henson.

## McKee Infant Buried Here Sunday

Funeral services were held Sunday at the home of Mr. and Mrs. John McKee, for their infant daughter who was born Saturday. Interment was made in the City cemetery.

The baby is survived by her parents, a twin sister, and other relatives here. The mother will be reunited as Miss Etta Mae Singleton, daughter of Mrs. N. T. Singleton.

The Index joins with other friends in extending sympathy to the bereaved parents and relatives.

## W. J. Smith III At Family Home

Mr. W. J. Smith, pioneer resident of this part of the country has been seriously ill at the family home in the east part of town. Attending physicians give very little hope for his recovery.

Mr. Smith had been in poor health for more than a year, but had not been considered dangerously ill until the latter part of the week. Friends and members of the family are constantly at his bedside.

The Index joins with other friends in extending best wishes for his complete and speedy recovery.

## Drill Stem Test Fails To Show Oil

Drilling was resumed in the Wante-Hart oil test in the T-Bar ten miles southwest of Tahoka Wednesday morning, after a drill stem test at 4217 feet had revealed an insufficient amount of oil to justify shooting or acidizing the well. The test showed only a small amount of oil.

The bit is in hard gray lime which was struck at about 4070 feet. At 4217 feet was encountered a sufficient amount of oil to justify shooting or acidizing the well. The test showed only a small amount of oil.

## 1935-36 School Term Opens Here Monday

Approximately one-fourth inch of rain fell Monday afternoon and night covering much of our territory, and was a welcome relief from the intense heat which had caused intense discomfort to individuals as well as injuring growing crops. While this section really needed much more moisture, even this small amount was gladly received.

We understand that a considerable area in Dawson county received from one to three inches of rain during the same time, so that crops in that part of the South Plains have taken a new lease on life.

## Light Showers Benefit Crops

Monday, September 2, will mark the opening of the 1935-36 school term for O'Donnell students and teachers. Approximately 425 students are expected to enroll in the various classes of high school and grade school on that date, and active work will begin in the class rooms Tuesday.

## Seniors to Enroll Saturday; Public Program Monday

Suppt. E. E. Glibreath asks that all members of this year's senior class meet at the high school building at nine o'clock Saturday morning, so that their schedule and course of study may be worked out. They are also asked to bear in mind that they must have eleven credits before they are eligible for enrollment as seniors.

## Child Has Narrow Escape From Death

Master J. Mac Noble III, son of Mr. and Mrs. J. Mac Noble Jr., narrowly escaped death or serious injuries when he was struck by a car last Saturday afternoon. The blow threw him completely under the car, which Mrs. C. H. Mansell was driving, and so far it seemed that injuries were only minor abrasions and somewhat of a shock to his nervous system. He was rushed to a physician's office immediately for first aid measures, and is apparently doing well this week.

## Nazarene Revival Has Great Interest

The annual summer revival which opened at the local church of the Nazarene last Thursday evening, is meeting with great interest and support according to reports from officials.

Preaching services are being conducted by Bro. George Gardner of Dallas twice each day. The morning service begins at 10 o'clock and the evening services begin at 7:45. Special group meetings for young people, children, and older folks are being held prior to regular services each evening. Bro. Buford Burgess and his wife, who are directing the song services, are meeting with the young people and juniors. Mrs. Keeton is meeting with the ladies group, and Bro. Shorty Brown is meeting with the men. Everyone has a cordial invitation to come and take part in these services.

## Leaf Worms Appearing in Territory

A number of farmers in our immediate territory are reporting the appearance of leaf worms in their fields this week, and in view of the fact that light showers seem to be an almost daily occurrence some concern is being manifested concerning the damage which may be in store for the 1935 cotton crop.

John Hemmingway, who farms out north of town, reported Thursday morning that he had just found 29 worms on one stalk of cotton, and he was in town to buy poison for the pests. J. T. Middleton reports that he will likely begin poisoning for worms in his Dawson county field, while D. J. Both reports that so far he has reported only one worm in his field west of town.

It seems that in the old cotton the worms are making very little headway, but in these fields which were replanted and the stalks more tender they are beginning to effect quite a bit of damage. In view of the fact that poison is almost impossible to locate, it might be well for farmers in our territory to examine their fields and begin making plans to get rid of the worms by one method or another. The most common method is the one used here often, 5 gallons of water, 5 pounds of sal soda, and 5 pounds of white arsenic, belted together to make a paste. One gallon of this solution combined with 50 gallons of water is an effective cure for worms, but users are cautioned to remember that the plants absorb the poison and are then made poisonous themselves. We understand that local dealers have been able to secure only 700 pounds of white arsenic, which will be available tomorrow (Friday) or the next day.

## Anticipates Bumper Cotton Crop

Light showers which fell at just the right time, or many of his acres of cotton had W. L. Palmer grinning from ear to ear this week. Mr. Palmer is one of the most widely-known cotton growers on the South Plains and has about 1000 acres planted to this crop as any other farmer in Texas.

He operates approximately 8000 acres of farm land, and has the maximum acreage of cotton. His own farms and those which he operates for others are located in Lynn, Dawson and Lubbock counties, and are worked exclusively with tractors.

During the 1933 season, which was the first really good cotton crop in several seasons, the local gin where he does his business reported that he turned out approximately a bale every twenty minutes. Mr. Palmer hopes to beat this record this year.

## 1935-36 School Term Opens Here Monday

### Light Showers Benefit Crops

Monday, September 2, will mark the opening of the 1935-36 school term for O'Donnell students and teachers. Approximately 425 students are expected to enroll in the various classes of high school and grade school on that date, and active work will begin in the class rooms Tuesday.

**ON TEXAS FARMS**

There are plenty of summer time jobs in the yard besides lawn mowing—even if the main planting season is earlier or later, according to Miss Onah Jacks, Extension landscape specialist. Unsurprisingly the house is one of them. She reports that it is being done by yard demonstrators with various types of locally available material. Native rocks in West Texas; willow sticks in some places. Dry goods boxes are good in any place, too. Identifying, studying, marking and trenching native shrubs for later transplanting into yards is a natural summer picnic job. Equipping outdoor living rooms is a job to do now while the need to use them is felt more fully than at any other season. Tables, benches, fireplaces, swings, saw-haws, arbors, sandpiles, pools and trellises all have found use in yard demonstrators' outdoor living rooms.

Preparing for fall planting is another summer time yard job commended by Miss Jacks. Planting peas to turn under she recommends as a good way to get the ground in shape. Home makers may yet come to a fuller appreciation of beautiful wood through the surprising medium of clothing work. At least there are signs of that.

Take this story from Dickens country for instance: "Buttons made of mesquite roots trimmed the natural color linen dress which Mrs. E. F. Harrell, Red Top home demonstration club member, entered in the recent county clothing contest. Mrs. Harrell dug the root, sawed it and covered the buttons herself. Each button showed two shades of wood, the only trimmings needed on the dress."

Or this story from the same county: "Large walnut trimmed, made by her husband, buttoned the ping-pong dress exhibited by Mrs. Jim McDaniels, member of the Twin Wells home demonstration club."

tion club members of Wharton county hung up a record in their rally day report when it was revealed that with three-fourths of the membership reporting they had to their combined total 10,259 cans of food. G. A. Knowles, Goldsawthe, Mills county, plants each year eight acres of golden rod and seeded ribbon cane which this year is turning out 200 gallons of syrup per acre. This syrup is readily marketed at 75 cents per gallon. Mr. Knowles always turns un- galled the fodder and other vegetation as soon as the cane is harvested and last year gathered eight bushels more of corn from the cane land than from other adjoining land.

**MMESQUITE NEWS**

Miss Mamie Bearden, Corres. Our revival opened Saturday night with good attendance. Everyone is cordially invited to come and take part.

Clarence Lamb of Lamesa spent the week end with relatives here. Miss Mildred Pepper of Ralls is spending the week in our community. Mrs. Moore of Comanche is here, visiting her daughter, Mrs. Geo. L. Stephens.

Messrs. Jim and Delbert Poindexter of Amarillo spent last week with their sisters, Mmes. Irene Telchik and Monroe Southard.

Mr. Shackelford and family left last Wednesday for a month's vacation trip to various points in Oklahoma.

Miss Daphne Lamb and Messrs. Selvin Burras and Lawrence Gray were guests Sunday afternoon of Miss Cora Bell Smith.

Miss Aline Nunnally visited Miss Juanita Parker at Berry Flat Sunday afternoon.

There will be singing here next Sunday afternoon, beginning at three o'clock. Everyone come and take part.

Miss Lucille Smith was a guest in the Bearden home Sunday.

Mr. Wayne Gray visited with the Lamb boys Sunday.

Mr. John Poindexter left Sunday for Oklahoma, where he will visit a daughter.

Miss Mary Elizabeth Poindexter entertained the young people of our community with a party Wednesday evening. Everyone reported a most enjoyable occasion.

Aline Nunnally spent the latter part of last week in O'Donnell, the guest of Miss Kimmie Lee Pearce.

**APPOINTED SECURITIES CHAIRMAN FOR DISTRICT**

Austin, Aug. 19.—Secretary of State Gerald C. Mann has announced the appointment of Representative J. Doyle Settle of Lubbock as chairman of an educational committee in Lubbock, Gaines, Dawson, Yoakum, Terry, Lynn, Cochran, Hockley and Crosby counties to acquaint the public with the provisions of the new Texas Securities Act passed by the 44th Legislature. The new law was designed to protect, insofar as possible, the investing public from the deceptions of racketeers and gypsies in the securities

field. Prior to the enactment of the new law conditions in Texas in the various Securities racketeers were described as deplorable. Secretary Mann as- sers, salesmen, and agents are required to be registered and licensed by the state. Permits may be revoked for fraud made in the sale of securities. Strict penal provisions were also written into the measure.

Representative Settle was active will be eligible for speaking engagements before the various civic and in his support of the measure, and luncheon clubs of his district.

**DON'T ECONOMIZE AT RISK OF HEALTH**

Austin, August 23.—In these times no one can be blamed for economizing. In fact, thrift is commendable. The reckless spending of the speculative era is no longer possible for most of us. Nevertheless, there are limits even to one's thrift. Commodities must be purchased and money must be circulated if business is to improve. Consequently, the present tendency to hold the purse strings less tightly is a hopeful economic sign. Unfortunately, however, an entirely unwarranted caution is being exercised by many where expenditures involve medical services, stated Dr. John W. Brown, State Health Officer.

Even in the days when money was plentiful, there were numerous persons who were disinclined to incur doctor's bills. No one can deny that such an attitude is false economy. While it is true that the medical and surgical sciences never have been so highly developed as they are today, they will only be of minimum value to those who, because of an illogical sense of value, refuse to seek medical advice promptly and thus substitute their own ideas of treatment for a self-diagnosed condition.

Splendid, comprehensive and efficient as public health services are, there yet remains the individual obligation to supplement or complement these activities by the adoption of sane living principles, and a full realization of the value of prompt medical attention when one becomes ill.

**Lamesa and Big Spring Finalists In Ball Tournament**

The annual Dawson County Baseball tournament came to a temporary close Monday afternoon when a heavy shower broke up the game between Lamesa and Pumpkin Center at the beginning of the eighth inning with Lamesa leading 7-6. The final game is to be played Sunday, Sept. 1 at the local park between the Lamesa and Big Spring teams. This game to determine the championship. The game is scheduled to start at 2:30.

The Class B Championship game between New Moore and Flower grove was not decided upon so we cannot say just when this will be de-

termined. In the games of Wednesday, Aug. 21, Key defeated Midway 8-3 and Wilson defeated Weaver 7-3 in the Class B games. In the Class A game Lamesa ushered Taboka out of the running by a score of 8-1. Thursday's Class B games found New Moore winning from Welch by default; Flower Grove winning from Ballard 6-5. In the Class A game the Pumpkin Center boys eliminated the Ackerly team by a score of 3-1 in one of the best games of the tournament. As this was Ackerly's second defeat it eliminated them from further competition.

Friday's game found Midway defeating Wilson 25-1 Welch defeating Key 15-12. In the Class A game Lamesa handed Big Spring its first defeat by taking the long end of a 11-5 score.

Saturday only Class B games were played with New Moore handing the Flower Grove team its first defeat by a score of 7-3. Key defeated Midway 8-5.

Sunday's games found Flower Grove defeating Welch 8-3 and in the Class A Big Spring handout the Pumpkin Center team its first defeat by a score of 7-5 in ten innings.

Monday found New Moore eliminating Key in the Class B game 12 to 8. The Class A game found Lamesa eliminating Pumpkin Center by a score of 7-6 in a game called at the first of the eight inning due to rain.

Coffman hit a home run with the bases loaded for Lamesa in the first inning and Holloway hit one with one runner on in the third to account for six of the Lamesa runs, with L. White scoring the other in the 7th inning on a single and an error. The Pumpkin Center team scored two runs in the third on an error, a double by Williams and a single by Sturdivant. They then tallied four times in the seventh on a single by Melton and a home run by Williams, another single by Sturdivant, with Britt hitting another home run to score twice more. Lamesa had two on bases with no out when the game was called.

—The Dawson Co. Coprier, Lamesa.

Mr. and Mrs. Clem Hancock are visiting his brother Walter Hancock and family this week. Mr. Hancock is a representative of the Oklahoma Farmer-Stockman paper.

Mr. Heblson spent the first part of the week in Lancaster. He was accompanied by his wife, Mrs. A. R. Hill, who has spent the past two weeks visiting with her sister, Mrs. C. E. Ray and Mr. Ray.

O. L. Miller returned last week

from a vacation spent with his sons near Anson.

Mr. and Mrs. John McKee and little daughter of Big Spring spent the week end with his grandparents, Mr. and Mrs. J. W. Riggs.

Lee Wright is spending this week in Clovis, N. M., attending the baseball tournament now under way there.

## PICNIC IS ENJOYED MONDAY EVENING

Honoring Miss Ruby Saylor of Memphis, who is visiting friends here this week, Misses Toye and Anne Thompson were hostesses Monday evening to a group of friends at a picnic supper.

The group met at the home of Mr. and Mrs. Clay Thompson and drove to the chosen spot south of town, where the picnic supper was served.

Those enjoying the pleasant occasion were Misses Ruby Saylor, Madeline McLaurin, Merle Miles, Beatrice James, Mildred Singleton of Wink, and the hostesses; Mrs. Wynona Atwood; Messrs. O. D. Harris, Alvis Tredway, J. T. Middleton, Raymond Debenport, Melvin Moore, Haskell and Dooner Burnett, Benjie Morrison and Raymond James.

## MISS PALMER HONORED AT FAREWELL PARTY

Miss Irma D. Palmer was honored at breakfast Tuesday morning when Mrs. Charles Cathey and Miss Wynona Huff entertained with a breakfast at Bonnie's Coffee Shop. Miss Palmer left for Madry, N. M. immediately after the occasion.

Miss Beverly Wells gave the toast to the honoree, and guests were then served with pineapple and cantaloupe cocktail and a fried chicken breakfast. The honoree received a guest gift.

Those present were Misses Alice Busby, Beverly and Jim Ellen Wells, Irma D. Palmer, and the hostesses.

## MRS. DAVID TATE HONORED AT AFTERNOON BRIDGE

Miss Thelma Palmer was hostess Monday afternoon to a small group of friends, naming Mrs. David Tate of Clarksville as honoree. Mrs. Tate

will be remembered as Miss Wybema Sorrels.

Four tables of bridge games were enjoyed by guests, Miss Marie McDonald winning high score, Mrs. Toby Hodges consolation. Both were awarded dainty prizes. Mrs. Tate received a lovely guest prize.

At the close of games, the hostess served congealed salad, sandwiches, olives, salad wafers and iced tea.

Those present were the honoree, and Meses Charles Cathey, A. W. Gibbs, Tony Houser of Dallas, Toby Hodges and John Singleton of Wichita Falls, E. T. Wells, Naymon Everett, Ferrell Farrington, Fletcher Johnson, Guy Bradley, Misses Marie McDonald, Alice Busby, Jim Ellen Wells, and Wynona Huff.

## THREE ARE HONORED WITH BIRTHDAY SUPPER

The H. J. Austin home was the scene of a very pleasant occasion on Thursday evening of last week when Mrs. W. D. Dehore served a beautiful supper celebrating the birthday anniversaries of Mr. Dehore, Rev. W. G. Pool and Rev. Grogan. Three huge cakes with the necessary number of candles formed the centerpiece of the dining table.

To add to the pleasure of the party Mr. Austin's brother, Joe Austin of Tye, accompanied by Rev. Baker and his son, drove up just in time for supper.

Other guests were Mr. and Mrs. Austin and daughter, Charise Wanda Rev. Pool and daughter, Nadine, Rev. Mrs. Grogan and three sons, Basil, Robert and Melborn; Mr. and Mrs. Roy Harris and children, Zura Faye and Huey; Mrs. Annie Lou Simpson of Lamesa.

After supper the group enjoyed a song service which was concluded by a prayer from Bro. Baker.

lars in premiums and prizes.

King Cotton, Queen Wheat, Crown Prize Grain Sorghum, the Royal children of vegetables, fruits, hay, canes, sudan grass, peanuts, alfalfa and other agricultural products will be dressed in their best clothes and exhibited to the thousands of fair visitors who will trek through the Agricultural building.

County exhibits from Bailey, Hale, Lamb, Cochran, Hockley, Crosby, Terry, Lynn, Gaines, Dawson and other counties will compete for honors and \$475.00 in prizes. First place will get \$75.00, second \$60.00, and so on down the line to the last prize of \$25.00 which is the minimum any county will get.

At least twenty vocational agricultural exhibits will be set up this year, competing for \$200.00 in prizes, the top getting \$25.00.

Lubbock county community exhibitors will compete for \$110.00, the top getting \$25.00 and individual ex-

hibitors will compete for approximately \$200.00 in prizes on individual agricultural and vegetable crops.

A new entertainment feature, the Harley Sadler three-ring circus will play at the fair the last three days. Harley Sadler's circus is larger than any that has visited in this section in several years.

Mrs. Joe Sims and daughters, Mary Jo and Katherine of Temple, Texas were the guests the past weekend of her brother Mr. F. G. Wheeler and Mrs. Wheeler. Mr. and Mrs. Wheeler took them to Post Monday where they continued their journey home by rail.

Miss Foy Heathington will leave Saturday for Tula where she holds a position in the San Jacinto school. She will make Miss Heathington's second year as a teacher in that school.

Mr. and Mrs. C. H. Mansell were Lamesa visitors Monday afternoon.

## FRIENDSHIP

FRIENDSHIP is one of the best things in life.

A good friend comes to us when we are in distress and un-derstand us without a word.

Our life would be empty without a friend. A friendly deed is appreciated.

The bonds of friendship are far more common than coupons cut from newspapers.

Don't let old friends pass out of your life just because they live next door.

Give a few minutes now! Pick up your telephone! Express your personality to the next block, the next town or the next state without leaving your easy chair. Make your old friends a telephone visit while you are in the mood.

O'Donnell Telephone Co.

Mrs. Roy Everett and daughter, Wanda Zell, are visiting relatives and friends in Idalou this week.

**Return To Make Home Here**

Mr. and Mrs. Grady Gantt and family have returned from Caddo, where they lived the past two years, and are again at home in O'Donnell. They are living in the Stewart Scholer house in the north east part of town. The Index joins with the community in welcoming them back home.

Mr. and Mrs. W. L. Walker, Mr. and Mrs. Howard Walker, and Mrs. Charles Clemens returned Sunday from an extended vacation trip spent in Glen Rose.

Supt. and Mrs. E. E. Gilbreath returned Sunday from Santa Fe, where he has been engaged in special work towards his Master's degree.

Mr. and Mrs. W. T. Huff and Mr. and Mrs. Herman Mitchell of Dallas returned Wednesday from a visit with their son and brother, A. C. Huff and family of Santa Barbara, California. They returned via the Southern route, having gone there by the Northern route.

Mr. and Mrs. C. C. Caldwell and daughter returned Wednesday from a visit with relatives in Colona Springs. They were accompanied home by Mr. Betty's mother who will remain here for a few days before returning to her home in Dalhart.

Miss Mildred Singleton of Wink, who is the guest this week of her aunt, Mrs. Hal Singleton spent Wednesday and Thursday with relatives in Tahoka.

Mr. and Mrs. B. M. Haymes, accompanied by Albe Jo and Billy, spent the week end with relatives and friends at Stamford on Monday. Mrs. Haymes was much benefited by the trip, and is feeling better than for the past several days.

Mr. and Mrs. W. J. Jordan and family, returned Saturday from an extended vacation trip through Arizona and New Mexico.

Mr. and Mrs. J. Mac Noble Jr., and little son, were guests Sunday of her parents, Mr. and Mrs. J. E. Garland of Lamesa.

L. H. Moore, former resident of our territory now living up in the north part of the county, was here on business the first of the week.

Mr. and Mrs. Joe Garner of Lakeberg, Arkansas, announce the birth of an 8 pound son on August 17. Mother and baby are doing well. Mrs. Garner will be remembered by her friends here as Miss Rebekah Scholer. Her mother, Mrs. Joe Scholer, is visiting her for a few weeks.

Dr. and Mrs. Ferrell Farrington had as guests Tuesday his cousin, Mrs. J. F. McGee and Mr. McGee of Hebronnville.

Mrs. Raymond Everett has as guests this week four of her school mates. They are Mrs. Tony Houser of Dallas and Mmes. Toby Hodges, John Singleton, and Omar Shepp of Wichita Falls.

Miss Marie McDonald of Lamesa spent the week end here with her parents, Mr. and Mrs. J. W. McDonald.

Mrs. C. A. Rayburn, accompanied by her son, Billy, were guests over the week end of Mr. and Mrs. Raymond Everett. They have lived in Illinois for the past four years.

Miss Irma D. Palmer left Tuesday for Madra where she is a member of the school faculty.

Mrs. David Tate and small son left Tuesday to return to their home at Clarksville after spending the past several weeks here with her parents, Mr. and Mrs. E. L. Sorrels. Mr. Tate has been connected with that school for some five years.

Mrs. J. S. Lester has returned to her home in Lovington, N. M., after a visit here with her sister, Mrs. E. J. Boyd.

Miss Margaret Vermillion, honor student of last year's graduating class, expects to enroll as a student at Wayland College sometime next week.

Mrs. E. L. Walden of the Rainbow Eat Shop suffered a painful injury last Wednesday when a pot of boiling water overturned and scalded her right hand almost to the elbow. She was given emergency treatment at the office of a local physician and the injury is healing nicely.

Howard Tredway of Lamesa spent Sunday here with his parents, Mr. and Mrs. E. J. Tredway, and other relatives and friends.

A. G. Barnard of the Lamesa office of the West Texas Gas Company, was here on business Monday.

Mr. and Mrs. Calvin Fritz are the proud parents of a 10 1/2 lb. son born Wednesday, August 28. Mother and baby are doing well.

W. R. Sanderson returned Saturday from a visit with his son, Morris Sanderson, and family at Loop.

G. Bert Davis made a business trip to Sweetwater, Abilene, and Rotan Tuesday of this week.

Pvt. William Clemens arrived Sunday from Ft. Bliss, and will spend a few days here with his parents, Mr. and Mrs. Charles Clemens, and other relatives and friends.

J. W. McDonald made a business trip to Dallas Thursday.

Mmes. Ora Blocker and Emma Lou Blocker of DeKalb, accompanied by Master Dan Davis Blocker and O. L. Harris, visited Carlsbad Cavern Wednesday.

A card received Saturday from W. L. Walker states that he and Mrs. Walker, accompanied by Mr. and Mrs. Howard Walker, and Mrs. Chas. Clemens, are enjoying a vacation trip spent in Glen Rose. They expect to be away several days longer.

Mrs. W. L. Palmer and daughters, Misses Thelma and Irma D., Mrs. Carl Westmoreland and little daughter, Yvonne, are at home again after a two weeks vacation spent in Colorado resort points.

J. P. Riggs and family of Hobbs spent a part of last week here with his father, J. W. Riggs, who has been seriously ill.

Word was received recently that the "sanderers" the Hugh McLaurins and A. McMillans, are spending a few days in Cuba. They report a very nice trip and that they haven't the slightest idea when they will return to Texas and home.

Mrs. Ora Blocker and son, Dan Davis, returned Sunday from a visit with relatives and friends at DeKalb. They were accompanied home by Mrs. Emma Lou Blocker of DeKalb, who spent part of this week with them.

Mr. and Mrs. Fried Henderson and his brother, Mr. Robert Henderson of Quanah, returned Sunday from a two week's trip to Carlsbad, Cloudcroft, and other resort points in New Mexico.

Mrs. W. E. Vermillion is home after a several weeks absence spent with her parents, Mr. and Mrs. F. P. Meete of Decatur.

Doad Miller of Anson is visiting relatives and friends here this week.

Miss Ola Bell Singleton of Tahoka was the guest the latter part of the week of Mr. and Mrs. Hal Singleton.

Mr. and Mrs. George A. McCasland announce the birth of a nine pound boy born August 21. Son and mother are doing nicely. Mr. and Mrs. McCasland reside in the Wells community.

Mr. and Mrs. C. C. Cabool spent the week in Dallas marketing for the C. C. Dry Goods Co. During their absence Mrs. Waldo McLaurin had charge of the store.

Mrs. Charles Cathey returned Saturday from Santa Fe, N. M., where she has done special work this term. Ruby Lois Shook, has returned home after a short visit with her aunt, Mrs. Guy McGill, at Andrews. Miss Ruth Marie Howard returned last week from a visit with Miss Mildred Dutton of Knox City. Before returning home she attended a family reunion at Loveno. She accompanied her parents home.

**CARD OF THANKS**

We wish to express our appreciation to our many friends who were so thoughtful and kind to us during the illness of our husband and father, J. W. Riggs. Especially do we wish to thank all those who helped work our crop when needed.

Mrs. J. W. Riggs and children.

**COAL COAL COAL COAL**

We have a car of that good NIGGER-HEAD NUT COAL on the track. Inquire at the store for prices Remember that Niggerhead is the standard by which all other coal is compared and judged, BUT, 'just as good as Niggerhead' IS NOT the same as Niggerhead itself. Refuse all substitutes We carry a complete line of Purina Feeds
