O'DONNELL, LYNN COUNTY, TEXAS, FRIDAY, DECEMBER 11, 1931

NUMBER 11

COMMANDEER MAKES PLANS TO HELP NEEDY

Under the leadership of Commander R. O. Stark, the Fern Allen of the American Legion is making a program to help the needy through the coming hardships of winter and the widespread depression which has prevented many families from having normal means of earning a livelihood.

The legion and the auxiliary conducted a drive for old clothes and received the hearty co-operation of the people of the town. This need for clothing of all kinds is still felt, and Commander Stark in a statement issued Wednesday last that all articles of clothing to be left at the Lynn County Company with J. Mack Noble

Another phase of the relief campaign now under way is directly in Commander Lambert's charge. Mr. Lambert is chairman of an employment agency being operated by the Legion and the agency is to function in these lines: Business men or individuals who have odd jobs or

of any kind, to last any length of time, are asked to let Mr. Lambert know, and also give him a definite estimate as to how much work how much you will pay for it, that he may send someone to do the job. You are asked to state the amount you will pay so the committee know what to expect, the man doing the work will know, and there will be no misunderstanding or hard feelings.

Another part of the program now under way is the free-will offering of money which the boys are giving to citizens. A number of seal-tin jars, with slots in the lids, have been placed on counters in the saloons, with a notice that contributions placed in them will be appreciated, and the amount used in helping those who are generally unable to help themselves. Any amount will be cheerfully accepted, from a penny up to dollars, or more. Commander Stark and the legion boys state that

received in this way will be used in helping the hungry and needy of this town, and they are of opinion that there will be many more in need before the next year is finished.

A meeting held last week, the members decided to dispense giving Christmas presents to the laws and the next-door neighbors and to apply the money usually used in this way on the relief fund. The commander expressed the hope that all of the American Legion boys would like the rest of the folk of the town—more so than some—and are willing to do this, it seems to the people of the town who have their jobs and can spare the money will all contribute liberally to the job, and also try to find some other way to help the needy. Maybe you hadn't planned it, but it is done right now, but can't speed it up a little and do the job a good turn by letting some one help himself instead of having receive charity?"

Mr. Stark continued his statement by saying, "someone has asked what is the program of this year's relief for the local post of the legion? If we have any special projects, the above is a fair outline of them. We are asking, and expecting support of the people of the town in carrying it out, and we will appreciate any and all assistance."

CLEO LAWLER WEBS LAMESA MAN TUESDAY

Cleo Lawler, charming and active daughter of Mr. and Mrs. O. Lawler, and Mr. Charley Ausler of Lamesa were married Tuesday, December 8, at Lovington, N. M. A quiet ceremony which was culmination of a romance of several months.

Mr. Austin has been prominent in the club circles of O'Donnell. A younger set, and was a student of the local high school, being one of the most popular members of her class. Mr. Austin is well-known in Lamesa as a young man of sterling qualities. Though no plans have been announced, it is understood that the couple will reside in Lamesa.

The Index joins with their many friends in wishing for them a long and happy life together.

Preacher declares that "silence sometimes sin." Few Senators press that way, however.

HEAVY RAINS CONTINUE IN SOUTH PLAINS AREA

Intermittent showers which have almost reached the stage of being a continuous downpour have drenched the lower south plains in general and O'Donnell's trade territory in particular this week, converting the highways and streets into Dismal Swamps through which automobiles have floundered and slipped precariously.

Though no accurate measure has been kept, it is estimated by various of our local weather experts that fully three inches, and probably more, of rain have fallen here during the past week. Hands have not been in the fields for three weeks, and only a day or so at a time the two weeks previous to that. Though they appreciate the fact that this moisture will make the season for next year's crop, farmers are beginning to wonder how long it takes cotton to rot, and also to express the decided wish that rain clouds would give way to sunshine and brisk winds.

It is estimated that between three and four thousand bales of cotton still remain in the fields, and that clear weather would give employment to many families for another month at least. Gin crews and field hands have been marking time for a longer period than their employers care to contemplate, and everyone is growing restive as the wet spell continues.

However, as someone expressed it, the weather bureau has been in existence for forty years, but the weather hasn't been improved any, and next June and July we'll look back and wonder why in the world we grumbled about rain when we had it.

REV. AND MRS. HART RETURN TO O'DONNELL

After having wandered far away in strange lands and countries, Rev. and Mrs. W. C. Hart returned several days ago to make their home in O'Donnell, and their many friends are rejoicing to see them back again. O'Donnell has hardly seemed the same during their absence.

Rev. Hart was pastor of the local Methodist church for many years, and his loyalty and optimism during the war days and the drought which followed endeared him and his family to every person in this territory. There is scarcely a family among the old-timers whose members Bro. Bill, as he is affectionately known, has not either christened, married, or buried. He prefers to be known to his many friends as "plain old Bill Hart, the gardener."

Retiring from active ministry last year, Rev. Hart is still interested in the affairs of his church. He and Mrs. Hart, whose support and cooperation have helped her husband through a long and successful ministry, have both placed their memberships in the local church, and it seems like home to see their smiling faces in the auditorium again.

CHILD'S SHOULDER INJURED AT SCHOOL

The ten year old daughter of Mr. and Mrs. H. W. Harvey of the Berry Flat community received a painful injury Wednesday afternoon when her right shoulder was thrown out of place as she and her schoolmates were at play on the school ground at Berry Flat.

She was brought in to the office of a local physician, where it was necessary to administer an anesthetic before the member could be put in place. We were unable to get further reports from her before going to press, but it is assumed that she will recover without further trouble, though the injury will be painful for several days.

RESIDING ELDER DUE AT M. E. CHURCH SUNDAY

Rev. C. A. Bickley, presiding elder of the Lubbock district of the M. E. church, South, will preach at the evening hour Sunday, and will also hold the first quarterly conference of this year.

Rev. Bickley is known and liked by members of the church here, as well as by many members of the other churches of the town, and his presence is always the signal for a large congregation.

COUNTY GINNING REPORT GREATER THAN IN 1930

In spite of the continued wet weather which has materially hindered harvest, of cotton during the past three weeks, statistics from the cotton department of the Census Bureau show that Lynn county ginned 15,508 bales more this year. Only 21,334 bales were ginned up to December 1 last year as compared with 36,842 this year.

Dawson county likewise showed a decided increase, 35,562 bales having been ginned up to December 1 as compared with 23,789 up to that date last year.

Heavy snows and rains, with the beginning of real winter weather, has brought ginning almost to a halt in this section recently, and the general opinion is that this year's cotton crop is about finished.

WHITSETT DRUG TO HOLD TWO-FOR-ONE SALE

Attention of our readers is called to the quarter-page ad appearing on the back page, announcing the annual Nyal Two-For-One Sale, now in progress at the Whitsett Drug Co.

Many useful household and toilet articles are on display at the store in this sale, only a few are listed in the ad, but drugs and other articles usually listed in such a sale are included in this annual sale.

INCREASE IN PRICE OF BREAD EFFECTIVE

By a mutual agreement reached early in this week local and Tahoka bakers, the price of bread is now eight cents, two for fifteen.

This change in price, by the agreement will effect the whole county. Retail price for the past several months has been five cents a loaf.

M. S. TO PRESENT PLAY FRIDAY NIGHT

The two-act comedy, "Ring Up The Curtain," which is being sponsored and presented by the Women's Missionary Society of the Methodist church, will be staged at the high school auditorium Friday evening, December 12.

The cast of characters was carefully selected, and all indications are that the play will be a great success. The ladies have spent some time in rehearsing, and those in charge say that action goes through without a hitch or "bobble."

MR. STOCKTON IMPROVING AFTER SERIOUS BURN

Latest reports from Mr. Stockton, who recently received serious burns while repairing the boiler at a local gin, are that he is doing well, though the burns are still very painful.

Mr. Stockton, who has been at his bedside at a Lubbock hospital for almost two weeks, returned home Saturday for a few days badly needed rest, and reported that he is doing as well as could be expected.

It will be remembered that Mr. Stockton was scalded from the waist down, and has been in a serious condition since that time.

The Index made an effort to secure reliable information concerning his condition last week, but was unable to do so. We are glad to pass the good news of his improvement along to our readers.

'Eagles' Screams'

Eagles Defeated in Practice Game

Playing a practice game on the Wells court last Thursday afternoon, the O'Donnell Eagles lost a basketball game to the Wells Lobos, the scores being 10 and 5.

The game was arranged so that coach B. H. Scott might select men for first, second, and third string. He is putting the boys through a stiff work-out this week, conditioning them for the game Friday with the strong Liberty team. The game will be played here.

Starting line-up in Thursday's game included Cecil Pearce, center; Glynn Everett, right forward; Neely Lovell, left forward; Andrew Simmons, right guard; Billie Snellgrove, left guard.

F. E. Classes Handicapped

The continued bad weather of the past two or three weeks has broken into the regular work of the Physical Education classes, and members have been forced to remain in their various class rooms and study halls. As most of them are of nature which crave fresh air and action, the enforced study periods have not been greeted with too great enthusiasm.

Senior Rings Expended

URGES PROTECTION AGAINST DIPHTHERIA

Miss Myrtle Seter, district public health nurse, reported last week that one case of diphtheria had developed recently among children of school age, and was most emphatic in her plea to parents to assist in stamping out this dreaded disease by having all children over one year of age inoculated with the preventive serum.

The serum can be obtained at a nominal cost, Miss Seter said, and a local physician will administer it for a very small charge, rendering the child permanently immune from one of the most dreaded diseases of childhood.

Miss Seter reported how diphtheria has almost been stamped out in many localities through this method, and urged all parents to take the matter under consideration.

HOSPITAL REPORTS INDICATE IMPROVEMENT

Last reports from the hospital at Lubbock are that O'Donnell's part of its population are progressing nicely.

Miss Jessie Middleton was well on the road to recovery from a recent operation for appendicitis when she developed a mild case of pleurisy, and her removal from the hospital was delayed for a few days.

Her sister, Miss June Middleton, is also convalescing as well as could be expected, and may be able to be moved from the hospital to the home of friends before many more days.

Mrs. Ben Moore, whose condition before and after a major operation of great danger, is also doing very well, according to reports. Blood transfusions have been administered to add to her strength, and it is hoped that she is past the danger point.

CHILD'S BROKEN THIGH MENDING NICELY

The six-year old son of Mr. and Mrs. T. A. Bullard, who is familiarly known among a wide circle of friends as Nubbin, is recovering as speedily as possible from a broken thigh received several days ago when a car on a business street struck him, with the resultant injury.

The car, driven by a local woman, was passing in front of Mr. Wiley Phillips' sandwich shop when the little fellow strayed to cross the street. Eyewitnesses said that the accident was unavoidable.

Master Nubbin has always been an exceedingly active young man and the enforced stillness is proving rather trying on his sunny disposition, but the broken thigh, we are glad to report, is mending just as it should.

IRVIN WRIGHTS' NIECE DIES AT LOVINGTON

Little Elsie Caudill, daughter of Mr. and Mrs. Everett Caudill of Lovington, N. M. and niece of Mr. Irvin Wright of this place, died Tuesday at her home, pneumonia being the cause of death.

Mr. Wright left immediately after receiving the news, and was present Wednesday for the funeral services. The little girl, thirteen years of age, was the baby of the family.

The Index joins with other friends in extending sympathy to Mr. Wright and the parents.

MR. AND MRS. DAVIS WELCOME NEW SON

Mr. and Mrs. Phillip Davis, who live just west of town, proudly welcome a fine eight-pound son who arrived at their home early Wednesday morning. The baby has no name as yet, it being difficult to find one worthy of the sturdy specimen.

Both Mrs. Davis and the new member of the family are doing well. Mr. Davis remarked proudly that "now we've got four acres."

4-H CLUB PLANNING CHRISTMAS PROGRAM

All members of the Home Demonstration club are requested to be at the next meeting, Wednesday, December 16, at the home of Mrs. R. C. Carroll. Purpose of the meeting is to make plans for a Christmas party, of program, to be given the following week.

Remember the date and the place and be there in plenty of time to offer any suggestions you may have in mind, is the message of the program committee.

DAN IS GONE

Dan, the huge German police dog whose engaging grin and friendly aspect disguise his business-like intention of assisting nightwatchman Brown in protecting the town, is lost. He disappeared sometime Monday, and so far nothing has been heard from him. Mr. Brown is inconsolable, and the dog's owners, Mr. and Mrs. Waldo McLaurin and family, have searched the countryside for the big fellow, all to no avail.

The dog is almost as well known in O'Donnell and the surrounding country as any of his friends, and since nothing can be learned concerning his whereabouts, it is feared that he has met with foul play.

FIRE BOYS USE MUD IN QUELLING BLAZE

Members of the O'Donnell Volunteer Fire Department are versatile in their employment of any means to put out a fire, a fact which was clearly brought out Tuesday morning when they were called to the home of Mr. Chas. McConal to save his car.

The blaze, which originated when Mr. McConal attempted to dry out the ignition system with a torch made of rolled-up paper, was getting well under way when the boys arrived. Finding that the chemicals had very little effect, the boys utilized the handiest material, which happened to be mud, and the fire was soon out. The car was slightly damaged, and the boys had some valuable experience.

The alarm sounded soon after eight o'clock when Mr. McConal was bringing the delivery car to the store. A leaky gas line is responsible for the fire, according to members of the fire department, who said that gasoline had dripped into a small puddle of water after Mr. McConal had pushed the car from the garage, and the surface of the pool was dotted with fire.

Though Mr. McConal would no doubt have been able to smother the flames himself, the prompt response and ready assistance of the fire boys was indeed heartily appreciated.

MISS NAOMI COX WEDS

Miss Naomi Cox, daughter of Mrs. Benny Cox of the OK community, was married Saturday afternoon, December 5, to Mr. Clyde Edwards, son of Mr. and Mrs. Tom Edwards of the Wells community. Rev. L. S. Jenkins saying the beautiful ring ceremony which united two of the most popular young people of this territory.

The ceremony took place about four o'clock at the Baptist parsonage in the presence of only a few witnesses. The bride was charmingly attired in a silk suit. She is a gracious and talented young lady, a leader in social and civic affairs of her community.

Mr. Edwards is a well-known agriculturist of this section, and is respected and admired by a wide circle of friends. The couple will reside in it is understood, in the OK community.

The Index joins with other friends of the popular couple in wishing much success and happiness for them.

MR. MUSICK'S NEPHEW DEAD AT TOLER

Mr. and Mrs. Jeff Musick received news Wednesday morning that their nephew, Arnold Musick of Toler, had passed away Tuesday evening at eight o'clock. As we go to press, no particulars as to the cause of death, funeral arrangements, etc., have been received here.

The young man, nineteen years of age, underwent an operation on his head some two years ago, and had never fully recovered from that, but it is not definitely known whether or not this had any bearing on his untimely demise.

He is survived by his parents, Mr. and Mrs. J. W. Musick, and two brothers and two sisters, besides other relatives. Due to the condition of the roads, Mr. Musick and his family did not attempt a trip to Toler.

The Index joins in extending sympathy to the bereaved family.

RED CROSS DRIVE MEETS WITH FAIR RESULTS

Forty-two members had been enrolled in the Red Cross in O'Donnell up to Wednesday noon, according to information furnished us by J. L. Shoemaker Jr., local chairman, which is just about half of the set quota for O'Donnell.

Judge Maddox and the county committee estimated that O'Donnell and the trade territory should enlist seventy-five members this year, leaving thirty-three yet to be enrolled. Mr. Shoemaker announces that the campaign is still under way, and that he will be more than glad to receive the fee and place names on the roll.

Names of those already enlisted are as follows:

- | | |
|------------------------|--------------------|
| W. E. Guye | M. Wilson |
| O. B. Miles | Charley Cathey |
| J. R. Davis | W. T. Brandon |
| R. C. Tume | Don Edwards |
| E. E. Curtis | A. H. Koeninger |
| E. L. Davis | Benton Payne |
| J. M. Bradley | Ernest Field |
| A. E. Proctor | J. V. Burdett |
| Roy D. Smith | D. A. McVicker |
| E. T. Wells | Guy Bradley |
| L. E. Robinson | Mrs. Guy Bradley |
| W. R. Burnett | Jeff Musick |
| C. E. Ray | W. H. Veazey |
| W. S. Cathey | H. H. Walker |
| Drew Hobdy | W. H. Ritzenthaler |
| W. C. Sauls | J. L. Soemaker Jr. |
| W. J. Shook | C. H. Cabool |
| J. Sam Lewis | Cleorn Smith Lbr. |
| B. J. Boyd | John J. Stokes |
| W. E. Vermillion | L. H. Christeson |
| Mrs. Naymon J. Everett | |

The Index will publish the names of others who join this chapter between now and the close of the campaign.

It is sincerely hoped that the people of this community will get behind the movement and put O'Donnell over the top.

The above list is conspicuous by the absence of the women, and the Index suggests that if the male population will dig up another dollar and enlist the women that our city can at least, if not over, subscribe the quota.

DON'T FORGET YOUR

LETTER TO SANTA!

As was announced in last week's issue of the Index, all boys and girls in this territory are asked to address their letters to Santa Claus in care of the Index, and we will see that the jolly old saint gets them in plenty of time.

Numbers of them have already sent in their requests, and they appear on another page of this paper. Next week will be the latest we can publish them, because the next issue of the paper will not reach Santa in time for him to fill the wishes of his little friends. So if you have not already written your letter, do so without delay, and send them to the Index in time to be printed next week.

ATTEND WORKERS' COUNCIL AT TAHOKA MONDAY

Rev. L. S. Jenkins, pastor of the First Baptist church here, was one of the speakers at a Workers' Council meeting at Tahoka Monday afternoon. These meetings are held each month.

Others attending from here were Mr. and Mrs. C. H. Mansell, Mrs. W. E. Vermillion, and Rev. DeGuire. The chief speaker was Mr. Jones, a missionary to Brazil, who has been in that field seven years. Those who heard his lecture report it as being one of the finest they have ever heard.

Attendance Monday was somewhat lighter than usual, due to the condition of the roads, but all who attended report a wonderful meeting.

YOUNGER SET ENJOYS INFORMAL DANCE

Miss Alice Busby and Mr. Raymond Busby entertained several friends Tuesday evening with an informal dance at the home of their parents, Mr. and Mrs. L. L. Busby.

A delightful feature of the evening was the three-piece orchestra, composed of Miss Busby at the piano and Messrs. Wary Guye and Raymond Busby with their horns, which furnished music for the affair.

Music by the orchestra and dancing were enjoyed for several pleasant hours.

CLEVER PARTY FRIDAY CELEBRATES BIRTHDAY

Celebrating the eighteenth birthday of Miss Eula Belle Miles, a number of her friends were guests last Friday evening at one of the cleverest parties of the season. Miss Halie Lindsay was hostess, and was assisted in entertaining by her sister, Mrs. Roy Wilkes, at whose home the party was held.

Invitations specified that the affair was to be a 'kid party', and all guests were asked to come appropriately costumed. Cedar chests, trunks, and closets were ransacked for clothing worn years—not so many ago, and the results were amusing, to say the least.

Knee breeches and flaring bow ties, long curls and hair ribbons and socks were the approved items of dress, and the arrival of each guest was greeted with a gale of laughter.

All the other guests arrived before the honoree, and the gifts were hidden in the various rooms. When she entered, a treasure hunt was being planned, and she was the lucky one who found the prize. Asked to sit in the center of the circle of 'children', she opened the packages which contained samples of every-

thing a little girl could wish.

The entire evening was devoted to playing games of all kinds, from Winkum down to What Do You Think of Me?, and at the close of the fun, each guest avowed that this was one of the nicest parties ever held.

Refreshments of coffee and cookies were served to the honoree and the following guests: Misses Alice Busby, Elizabeth Turner, Dessie Holman, Alice Joy Bowlin, Louise Miles, Pauline Wheeler; Messrs. and Mmes. Roy Wilkes, Ed Singleton, Cecil Tredway; Mrs. Harvey Jordan; Messrs. Sumner Clayton, Randall Gibson, T. A. Greenwood, Red Pugh, Ralph Beach, Jack Veazey, Glynn Everett, and Newman Caddell.

PASTOR EXTENDS THANKS FOR POUNDING

Rev. L. S. Jenkins, pastor of the First Baptist church, reported several days ago that he and his wife and family had been the recipients of a liberal pounding on Wednesday evening before Thanksgiving, and that the array of supplies added greatly to their Thanksgiving.

While he and other members of the family have personally thanked members of the church, and he expressed their appreciation from the pulpit, it was felt that some more general and public expression of their gratitude was in order, and the Index is glad to be the medium through which this is done.

JOHN'S VISION ON PATMOS

GOLDEN TEXT—And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not: I am the first and the last: I am he that liveth, and was dead; and behold, I am alive for evermore, Amen; and have the keys of death and of death.

LESSON TEXT—Revelation 1:1-28. **PRIMARY TOPIC**—The Heavenly Vision of John's Vision of Heaven.

INTERMEDIATE AND SENIOR TOPIC—John sees the Ever-living Christ, YOUNG PEOPLE AND ADULT TOPIC—The Glorified Saviour.

We should be glad that the lesson committee has given us another lesson from the Book of Revelation, which contains Christ's last message to man.

I. The Preface (1:1-3).
1. The title of the book (v. 1). The Revelation (unveiling) of Jesus Christ. The revelation of Jesus Christ refers to his personal appearing in glory to judge the world and to establish his kingdom. The word "apocalypse" signifies a "revelation," signifies a transcended to New Testament usage the unveiling of a person (II Thess. 1:6-10; I Pet. 1:7). The theme of the book is Christ's second coming, his personal, visible appearance in glory (v. 1, 7, 10).

2. To whom (v. 4). To his servant John.—"To show unto his servant things which must shortly come to pass." The revelation is a benediction to those who read, hear, and keep the sayings of the book (v. 3). It must be possible to understand these sayings, or the promise is meaningless.

II. The Salutation (vv. 4-8).
1. To whom (v. 4). The seven churches then existing in Asia Minor. Seven, the number of completeness, suggests a symbolism of the Church throughout her course.

2. From whom (v. 4).
a. From him which was, and is, and is to come.

b. From the seven spirits which are before the throne—the Holy Spirit in his seven-fold plenitude as set forth in Isaiah 11:2; also in the Gospel of John.

III. The Vision of Christ (vv. 5-7).
1. While presenting Christ as the gracious Redeemer, John's prophetic eye caught the vision of the Coming One in glory, exclaiming, "Behold he cometh" (v. 7), the Alpha and Omega (v. 8).

III. The Vision of Glory (vv. 9-18).
1. The seven golden lamp stands (v. 12). These candlesticks are the churches (v. 20). Thus presented before the throne are the light holders in this world's darkness.

2. The Son of man in the midst of the candlesticks (vv. 13-18). Christ in the midst of the churches indicates that they are to give forth light only when Christ is the central figure.

a. "Clothed with a garment down to the foot" (v. 13). This is a royal as well as a priestly robe (Isa. 22:21), and signifies his right to judge and to rule, as well as to offer sacrifice.

b. His head and hair white as wool (v. 14, cf. Dan. 7:10, 20). This has a twofold significance—purity and eternity.

c. Eyes as a flame of fire (v. 14). This suggests his infallible knowledge.

d. Feet like burnished brass (v. 15). This indicates that he comes as Judge and King, with irresistible power.

e. His voice as the sound of many waters (v. 15). His voice of Judgment will be outside of man's control. All excuses will be swept aside by his irresistible word.

f. Seven stars in his right hand (v. 16). According to verse twenty, stars mean the messengers of the churches, perhaps pastors or representatives sent forth to comfort John in his lonely exile. The minister lies in the right hand of Jesus Christ, hears his message, and speaks it out.

g. Out of his mouth was a sharp two-edged sword (v. 16). Observe that this is a mouth sword. "The word that I have spoken, the same shall judge him" (John 12:48). "The word of God is sharper than any two-edged sword" (Heb. 4:12). The two edges indicate its double action, condemning the evil and approving the good and excellent.

h. His countenance was as the shining in his strength (v. 16). The effect of sunshine is healthful and joyous to some things, while it is death dealing to others. The sunshine of God's love cheers some while it hardens others. The manifestation of the glorified king will be hailed with delight by those who love him, and will create dismay in those who do not love him.

CLEANINGS

The devil always pays big wages.

The Lord's payroll is never padded.

The world is like a floating island and as sure as we anchor it, it shall be carried away by it.

EXPLORING AMERICA WITH CONOCO MAN

A thrilling, eye-witness picture of the picturesque scenery of New Mexico, as seen by Carveth Wells, noted British explorer and world traveler will be painted for American radio listeners Sunday, December 13, when the second Continental Oil Company's new radio series takes the air over N. B. C. network, at 10 a. m., Central Standard Time. Wells, in his series "Exploring America with Conoco and Carveth Wells," takes one state in each of his broadcasts and tells motorists

what they should see when they tour that particular state. His New Mexico program is replete with stimulating and unusual facts about the plant and animal life, the Indian tribes, the scenic glories, the ancient historical background, and the geological wonderland of the state. It does not resemble the stereotyped "travel lecture" in any particular. In addition, he has a "question and answer period" at the close of each program, during which he answers the queries of listeners about travel and scenic subjects in the various states.

MESQUITE SCHOOL NEWS

Mesquite school turned out last Thursday, November 24, at 2:30 and the boys on the basketball team went to Gall to play. The scores were 14 and 4 in favor of the Mesquite team. It was the first game of the season, our school is proud of the boys' victory.

Mrs. Frank Lamb and sister, Miss Roberta Stamps visited our room last Friday. Miss Stamps is a student at Texas Tech. They are the first visitors since school started, and their visit was greatly enjoyed by both teacher and pupils.

The school presented three plays Friday night. They are "Darn'em Daily Circus", "Hello Mail Order Wife", and "Square With The Boss". Everyone seems to enjoy them. Miss Alma N. read the Mesquite News as prepared for ten years from now. The school has sold 100 lbs candy and the proceeds will be used to purchase a new basketball.

Above: Special Sedan Right-Head-on View

Chevrolet's new car for 1932 embodying silent Syncro-Mesh transmission in combination with selective free wheeling as standard equipment at no extra cost, and practically every modern automotive advance of recent years is now displayed at dealer showrooms throughout the country.

While remaining in the price class in which Chevrolet has leadership this year, the new 1932 models offer features heretofore considered exclusive to the high price field, as well as a new front end mounting never before shown on any car.

Called "The Great American Sale for 1932," the line offers in support of this slogan an eighty percent increase in power, faster accelerators, top speeds of 40 to 70 miles an hour, new Fisher bodies with a modern streamline styling, down-draft carburetion, counter-balanced crankshaft, Rager touch front seat adjustment, and many other refinements over the 1931 models, which, from the standpoint of public acceptance, were the most successful in the history of the company.

The twenty standard and deluxe models are in the new line, of which the Special Sedan, pictured above, is the aristocrat. The lower view shows the new front end and the massive, powerful appearing hood enclosing the improved engine.

In addition to interest centering on the themselves, the announcement at this time has national significance in that activity brought on by production of the new cars is expected, as conservative estimates indicate, to add materially to the earnings of 200,000 people throughout the country just before the holiday season and before the severe winter season sets in.

The company's 21 domestic plants all are busy producing cars as fast as precision manufacturing limits will permit so that deliveries may be made with the least possible delay. More than 30,000 of the new cars already have been built for dealers' showrooms displays, and more than that quantity are expected to roll off the assembly lines during the present month. The low price field to offer the combination of silent Syncro-Mesh transmission with selective free wheeling as standard equipment at no extra cost. A control button on the instrument panel enables the driver to use the free wheeling device only when he desires and he is able to utilize the full braking power of the engine when desired.

TO PRESENT NEGRO MINSTREL

A meeting of the Parent-Teacher association held at the school Tuesday afternoon, plans for the presentation of the negro minstrel which will be presented at the school auditorium on Friday, December 18.

It has been announced that a program will be given in connection with the minstrel. Mrs. W. T. Thornhill and Miss Christine Milwhee are in charge of this part of the program.

Mr. Brown Bishop of Wilson and other musicians will appear in the minstrel and program. The affair, which is somewhat novel here, is expected to be really good.

A membership drive will begin next week, according to officers of the association, and the basketball team of the school will assist in the year's program. A part of the proceeds will be paid for their time and effort.

Summer Clayton is president, A. Anderson, vice-president, W. A. Tredway, secretary, and the other officers it is expected they will enjoy the most successful

Meetings are held regularly each second and fourth Tuesdays of each month. Parents are urged to attend each meeting. Superintendent McAfee expressly invited parents to visit in the classrooms at any and all times.

WHY WINTER COOKING REQUIRES MORE GAS

Consumers who use gas for both cooking and heating realize why their bills are higher in winter than summer. They know that it takes much more gas to keep them warm during severe months than in periods of mild weather.

In cases, however, where gas is used only for cooking, consumers sometime wonder why their bills are higher than in summer.

There are several reasons, one of which is that more hot food is eaten in winter than in summer. Water coming from the faucet in summer frequently averages 70 degrees in temperature while in winter it may average as low as 45 degrees, or a temperature lower than that of the ice water you drink in summer.

Thus, in winter, the temperature of the water may have to be raised 167 degrees to reach the boiling point, while in summer it may be necessary to raise it only 142 degrees—or even less.

This same situation applies in more or less degree to all branches of cookery. The articles of food go into the oven or on the stove at a lower temperature than in summer, the utensils are colder and the fire in the pot around the stove is colder—so more gas is required for cooking in winter than in summer even if the same menus are used.

The West Texas Gas Company organization works fifteen months of the year to the end that you may enjoy A REALLY GOOD GAS SERVICE, whether it be on the Fourth of July or during the bitterest wave of winter cold.

Freshmen Complete Organization

At a class meeting held Wednesday of last week, the Freshman class completed their organization. The class flower will be violet, orchid and gold will be class colors, and the motto is "Green, but Growing". The class was glad to welcome a new member, Miss Lottie Jordan, who enrolled this week. She comes to O'Donnell from the Zephyr school, bringing a splendid record for scholarship.

Juniors Plan For Holidays

Though an unofficial statement says that they don't claim to be bootleggers, members of the Junior Class have on hand several quarts—of enthusiasm, and several pints—of energy, which they would like to distribute in and around town. They are now looking forward to receiving their class bracelets, which will be something new in O'Donnell. Pins have been customary heretofore.

The class has already begun to plan for the dinner which will be held at the home of Edwina Vermillion sometime during the holidays. Juniors declare that this will be a most successful school year.

Grammar School News

Miss Modene McLaurin, a member of the Seventh Grade, has been appointed editor for the grammar school, and will collect and arrange all news from that part of school. Miss McLaurin is a dependable and energetic student, and the Index feels sure that she will bring up her share of the Eagles' Screams in great style.

Mrs. Turner has been elected room mother for the sixth grade, in which are enrolled twenty-eight pupils. Four new ones enrolled this week. This grade is planning an elaborate Christmas program, and mothers of the pupils are cordially invited to be present for the occasion.

The fifth grade pupils have begun a spelling and arithmetic contest between the boys and girls, and excitement grows tense at times. They have also decided to have a Christmas rope instead of a Christmas tree.

Mrs. Guy Bradley will be room mother for the thirty-nine boys and girls in this room.

The fourth grade has recently elected Mrs. L. E. Robinson as room mother. An interesting project now being worked out in the high fourth division is an exhibit of agricultural products of the Southern States.

Mrs. Ed Goddard visited the room last week. The teacher and pupils extend a hearty invitation to other mothers to come visiting.

Pupils in Miss Jordan's room are setting a high scholastic standard. One's name on the honor roll means

perfect grades for an extended length of time, and each boy and girl is working hard toward that goal. The honor roll will be published each month.

The first grade room, with its bright pictures and gay charts, looks more like a glorified playroom than a school room, and Miss Harville and her forty-two charges seem to be thoroughly enjoying every minute of the day. Santa Claus, Christmas trees, and the Wise Men on their camels have been subjects for posters and drawing hours this week, and are decorating the room with seasonal reminders.

WELLS NEWS

Hello world. This is station W-E-L-L-S broadcasting. At present the weather is fine, but news is scarce. Nevertheless, news or no news, weather good or bad, after a long absence we shall try to let the world know some of the happenings out our way.

The Wells Literary Society presented another play last Friday night December 4. There was a large crowd and from all accents the play was a decided success. The title of the play was "The Arizona Cowboy". It was played by a star cast under the direction of Oma McLaurin. There was thrills and laughter a plenty.

At the next meeting of the society, which is sometime in January, date will be announced later, new officers will be elected for the coming year. Come, everyone, and cast your vote for your favorite.

Coach Richter's high school basketball team defeated the O'Donnell Eagles Thursday afternoon, December 3, by a score of 5-10. The game was rather slow due to the condition of the court and inclement weather, but was a much better game than the scores might indicate.

Prospects are bright for the Lobos to have a good team this year. Our boys have a game scheduled with Red Wine for Friday. And on December 18 we are to play the O'Donnell team again.

Misses Bill Little, Mable Draper, and Mr. Oscar McGinty visited the latter's parents at Plainview Sunday.

All the teachers from here attend-

ed Institute at Wilson Friday and Saturday of last week. Everyone was delighted with the programs and especially with the way Wilson entertained.

Omar McLaurin spent Sunday visiting in the Townsend home.

Mr. and Mrs. Griff McConal, Miss Mabel Draper, Miss Bill Little and Carl Richter made a business trip to Lubbock Saturday.

Felix Jones and family visited in the Phipp's home Sunday.

At present writing, D. J. Bolch is reported on the sick list, but is improving.

Snow fell in our community last week, estimated, from four to eight inches.

Wells High School has organized a pep squad, with Bill Tucker and Helen Askew as leaders and Miss Mabel Draper as sponsor.

KEEPING UP WITH WEST TEXAS

The West Texas State Teachers' College at Canyon boasts the only Madrigal Club in Texas in its school of music with a library of forty thousand pieces.

A modern lime kiln is to be built at Big Spring.

A new high school building is under construction at Seminole costing fifty thousand dollars.

A grain sorghum seed is being sought by the Lubbock Chamber of Commerce.

A new telephone line is being built from Olton to Littlefield in Lamb county.

THE RED & WHITE STORES

There's Personal Interest at the Other End of Your Telephone Line

In the past months since the opening of Red & White stores in O'Donnell, Red & White groceries have become a household necessity. Every item sold by these stores is standard brand, full weight and measure, and this means a great saving to you.

Have you compared the price and quality of Red & White merchandise? If so, like the hundreds of others, you know why buying this merchandise has made grocery budgets go further.

If you do not patronize the Red & White stores, you are missing a real cue to making your dollars buy more, and the thrill that comes with having saved money during these hard times.

Red & White stores in the United States and Canada are serving millions, yet millions more are clamoring for this service, for their friends who have tried the Red & White stores have told them what they are missing.

Note the Red & White items that are approved by Good Housekeeping. This is considered the highest rating an article can obtain.

LETTERS TO SANTA CLAUS

Dear Santa Claus:

Please bring me a desk and a little dresser, a set of dishes, candy, nuts and fruit.

June Gibson.

Dear Santa Claus:

Please bring me an air gun, and a coaster wagon, a lot of nuts, candy and fruit.

Roy Allen Gibson.

Dear Santa Claus:

I want some marbles and car and fire truck and top and firecrackers and sparklers and apples, oranges and candy. Bring sister a doll buggy and some dishes and iron and bring little Mackie a rocking chair to rock her doll in and a fuzzy puppy and lots of apples, candy and oranges and nuts for all of us.

Love to Santa from

Roy, Glenn Mae and Maxine Laverne.

Dear Santa Claus:

For Christmas I want a little truck, a tractor, a gun, and some caps. I want some candy and some fruit. Well, I guess that's all for this Christmas.

H. M. Debusk.

Dear Santa Claus:

I am a little girl four years old and my name is Berta Mae Debusk. I want you to bring me a doll and some dishes and fruit and candy. Hoping to see you Xmas.

Berta Mae Debusk

Dear Santa Claus:

Please send me some toys, as I've been a good little girl.

This is what I want. A pretty doll, a doll dresser, a doll buggy, tables and chairs, some leather boots, a few little toys, some fruit, nuts and candy.

Bring Mother and Daddy some things too.

Lena Maye Singleton.

Dear Santa Claus:

Please Santa Claus, since this is my first letter to you, I hope you will bring me everything I ask for.

I want a tricycle, a tractor, and a few little toys, a pair of leather boots like daddy's, some fruit, nuts and candy. P. S. I think Sissy wants some boots too.

Hai Singleton, III

Dear Santa Claus:

I am in O'Donnell going to school. I made 100 in spelling. I am in the low second grade.

Please bring me a wagon, a pair of suspenders, a little truck, a knife with two blades, and an air gun. This is all.

Perry Clayton, Jr.

Dear Santa Claus:

Please bring me a doll, with long hair and a pretty dress on it. Bring me a nice pair of boots.

A little table and chairs, and you will find it at Thornhill's. Bring some fruit, nuts, and candy and remember my brother.

P. S. I've been pretty good this year too.

Mary Louise Singleton.

Dear Santa Claus:

We want you to bring us a little dresser, two dolls, two cradles, a little electric stove, some tin dishes, and a little cabinet. I want a pretty picture for my school room.

We love you better than anyone except mother.

Wilda Gene and Jo Anne Campbell.

Dear Santa Claus:

I have pulled cotton and made some money to buy part of my toys. So you need not bring me many.

My little sister Joe, wants a doll and I want an automatic pistol or anything you have to bring.

I am nine years old and am in the third grade. Goodby with love,

Miles Wesley Caudle.

Dear Santa Claus:

I want a gun and a car or a truck or anything you have to bring. With love,

Jehu Edward Caudle.

Dear Santa Claus:

I want a doll, nuts, bananas, and oranges. With lots of love from,

Grace Mildred Caudle.

Dear Santa Claus:

I want a wrist watch. I am eleven years old and in the fifth grade. Lots of love,

Martha Caudle.

Dear Santa Claus:

Bring me a set of animal patterns and an air gun. Your little friend,

Weldon Hancock.
