O. E. S. OFFICERS INSTALLED AT CEREMONY MONDAY EVE

New officers of the local chapter of the O. E. S. were installed with elaborate ceremonies at the hall on Monday evening, the out-going officers receiving marks of appreciation for the work done during the past year.

The hall itself was a perfect bow of flowers of all colors, which in itself added much to the beauty of the service.

Officers installed were as follows: Worthy Matron, Mrs. Maria Estes; Worthy Patron, D. M. Estes; Associate Matron, Mrs. Jennie Bowlin; Associate Patron, W. C. Saults; Conductress, Mrs. Lee Johnson; Associate Conductress, Lela Bolch; secretary, Mrs. Alta Line; treasurer, Miss Ethel Singleton; chaplain, Mrs. Era Procter; marshal, Mrs. Beulah Orson; organist, Mrs. Alice Gillispie; star points are: Adah, Mrs. Moody Everett; Ruth, Mrs. Lois Robinson; Ester, Mrs. Grace Cain; Martha, Mrs. Flo Ramey; Electa, Mrs. Effie Saults; warden, Mrs. Jewel Davis; sentinel, Jeff Shook.

Each of the star points received a bouquet of flowers of the color appropriate to her station. Mrs. Blanche McLaughlin gracefully presented the outgoing matron and worthy patron, Alice Gillispie and Clarence Gillispie, with pins, gifts from the chapter.

Short talks were made by outgoing officers before the refreshment hour when angel food squares and ice cream were served.

WELLS LITERARY SOCIETY PRESENTS ANOTHER PLAY

Friday night, June 5th, the Wells Literary Society is presenting a one act play, entitled, "Mary Comes Home from College". This play is extra long for a one-act play, having a playing time of one hour and a half, and has three scenes.

The scenes of the play are laid in the home of an old sterling type farmer and his wife whose daughter, Mary, got a yearning for a little "education" and was sent away to college for a year.

"The play is built around the change that took place in her life while in college."

The play is a comedy but you will also find a little pathos that will tug at your heartstrings.

The play is appropriate for the occasion because the majority of the college students are returning home this week.

The cast is exceptionally strong, with Fred McGinty playing Mr. Smith, the farmer; Mabel Draper, Mrs. Smith; both very strong roles. Mary, their daughter, is very aptly played by Miss Evelyn Triplett. Clarence Van de Vere, her college flame, played by C. Bolch, and Bill, her childhood sweetheart, played by Raymond McLaughlin.

Plenty of music added to the performance. No admission charged.

The public is cordially invited to be present and enjoy the play. BE THERE!

JOINT BARBECUE SCHEDULED FOR THURSDAY EVENING

Attention of ex-service men is called to the fact that the local post of the American Legion and the Marion G. Bradley post at Tahoka are to stage a joint chicken barbecue at the Tahoka Lake this evening (Thursday).

Though most of the party will be made up of veterans and their families, a few specially invited guests are expected to take part in the festivities.

Here They Come

STRAY STOCK—PLEASE READ!

Ever since our feline friend, Jerry, read in these columns about how much he was being missed and grieved for, and decided to come home from his visit, we have had implicit confidence in the power of the press. For this reason, we were exceedingly glad last week to print the notice concerning stray stock. Cherishing as we do that promising English pea family, and having as deep an affection as we feel toward our radishes, we can think of nothing that would make us just plain madder than to have some benighted mule plant his high hoof in the midst of our garden. (And all giggles and wisecracks about that garden will please cease immediately.) And the better nineteenth of our family, while not by any means so plain, would put more than a fair imitation of temper if somebody's Bossy made salad out of her larkspur.

Seriously, nothing can make one feel so impotently, splutteringly mad as stray stock trampling over lawns, flower beds, and gardens which represent hours of thought and more hours of backache. It is a comforting thought that there are very few so no-account as to deliberately turn stock out on their neighbors' property, but nevertheless there are a few of them. And any gardener who has viewed the remains of a more or less promising bean patch after it has harbored a stray cow through the night will agree with us that the treatment dealt old-time horse thieves is the only fitting punishment for owners of confirmed stray stock.

After our enthusiastic story last week about sowing the town with poppies, everyone is especially anxious that every flower and garden be protected. Stock owners are earnestly urged to see that all gates and other fastenings are in order, and otherwise make every effort possible to prevent any tragedies occurring.

Aside from the aesthetic viewpoint, the fact that a dollar, which looks like a cart-wheel to us right now, must be paid to the warden, chaperone, or whatever Mr. Johnson's official title may be, every time the stock is taken into custody should be another big reason why Jersey and Pete be kept under strict lock and key.

And we suggest that the owners begin their campaigns by placing this copy of the Index where Jersey and Pete can read this notice.

Six Years Ago

News items taken from files of The O'Donnell Index published here six years ago.

FRIDAY JUNE 5, 1925

Another precipitation of "skyjuice" had sent crop estimates up to a bale to the acre, 90 per cent of the crops were up, and many fields were already plowed over.

Mayor D. H. McDaniel had proclaimed Monday, June 8, as clean-up day.

J. W. Brinon had begun construction of a brick and tile building on the north side of Block A.

Instruments for the band were arriving daily, and the members were already receiving individual instruction.

E. Bayer's four-legged chicken got indignant from eating too many worms, and "kicked the bucket." Mr. Bayer planned to provide cement floors in the future.

Dr. and Mrs. J. F. Campbell had moved to their new home.

Calvin Fritz and Charles Wagner were attending district Scout encampment at Palo Duro Canyon.

A. C. Fairley and family, accompanied by his parents, were on a month's trip to California.

HONOR GRADUATE TAKEN TO HOSPITAL WEDNESDAY

Miss Oleta Moore, daughter of Mr. and Mrs. Ben Moore, was taken to Lubbock where she underwent an operation for appendicitis Wednesday morning. At last reports she was doing nicely, with every prospect for a speedy recovery.

Miss Moore was a member of the 1931 graduating class, finishing with highest honors in a class of twenty-five.

Her many friends are much gratified at the apparent success of the operation, and hope to see her at home soon.

MRS. BERT HOLMAN DIES WEDNESDAY AFTERNOON

News was received here shortly after noon Wednesday of the death of Mrs. Bert Holman of the Plainview community. The deceased had suffered from high blood pressure for some time, but was apparently as well as usual until Wednesday. Death occurred about three o'clock.

Funeral services are being conducted as we go to press, and interment will take place in the city cemetery.

Mrs. Holman was a sister-in-law of Mr. and Mrs. E. D. Holman of this place, and the family is well-known in O'Donnell.

Besides her husband, she is survived by three children, Dessa, Bert, and Denton, a sister, and other relatives. Miss Dessa Holman was a student in the local high school last year. Relatives from Athens and other points are here for the funeral services.

The Index joins with other friends of the family in extending sympathy.

MISS BEATRICE WHEELER WEDS ABILENE MAN

Miss Beatrice Wheeler, daughter of Mr. and Mrs. F. G. Wheeler of this place, and J. L. Pulliam of Abilene were married Saturday evening, May 30, in Abilene. The ceremony was read by Justice of the peace P. E. Ford in the presence of a few friends and members of the family.

The bride was lovely in a green and white ensemble with harmonizing accessories.

Mrs. Pulliam is the charming and talented daughter of Mr. and Mrs. F. G. Wheeler, and is one of the most popular members of the younger social set of O'Donnell. She has been in Abilene for the past year, engaged as beauty operator in one of the leading shops.

Mr. Pulliam is employed at the Hilton Hotel barber shop, and has many friends who congratulate him on winning the young lady of his choice.

They will be at home to their friends at 334 Seacmore, Abilene. Guests present for the occasion were Mrs. F. G. Wheeler and daughters Misses Pauline and Ozzelle, Mrs. Verle Lomax and son, Bobbie, and Mrs. J. F. Humphries.

The Index joins with the other friends in wishing for the happy couple a long and happy married life.

P. T. A. PLAY TO BE PRESENTED SATURDAY

Director and actors who are taking part in the Parent-Teachers Association play, "The Rose of El Monte" announce that the comedy-drama will be presented in the high school auditorium Saturday evening, June 6. Proceeds will be applied on the note due on the piano.

This is said to be one of the strongest plays ever attempted by a cast of local players, and to be filled from the rising to the closing curtain with thrills, laughs, and drama.

The title role will be played by Kathryn Veazey, and opposite her, in the role of Jim Steele, will appear Alvis Treasday. Mr. Chas. McConal will play the part of Peter Anderson, and other parts are being filled by talented actors.

Officers and members of the organization ask the support of the public in this enterprise.

TO ATTEND M. S. MEET AT MEADOW THURSDAY

Several members of the Woman's Missionary Society of the Methodist church are planning to attend a district conference at Meadow next Thursday.

The district secretary will be present, as will other leaders in this department of the church. The session will continue through the day, closing in time for the visitors to reach home before night.

RED & WHITE STORES LIST MORE SPECIALS

Attention of our readers is called to the Red & White stores' unusually varied list of specials which appear in the half-page ad on page three. All these items are reasonable and timely, offering a wide choice.

Where the list has heretofore contained some fifteen or sixteen items, the stores are this week featuring twenty-three specials.

Money can't buy happiness, but it can buy a lot of fun.

DUPREE PAYS TRIBUTE TO HEROES MEMORIAL DAY

Hon. George Dupree of Lubbock delivered the Memorial Day address at the services held Sunday in the high school auditorium under the auspices of the Fern Allen Post of the American Legion.

The speaker's platform was decorated with flowers, with the flag making a background for the ceremonies. Members of the post marched into the auditorium in a body, each man wearing the colors of the Legion and a poppy.

Mrs. T. M. Garner led the assembly in the singing of the "Star Spangled Banner". Mrs. W. H. Ritzenthaler accompanying at the piano. Rev. C. A. Duncan, pastor of the Methodist church, opened the services with prayer. The reading of "In Flanders' Fields" by Miss Kathryn Veazey, and the "Response" by Miss Margaret Garland of Lamesa brought in the full spirit of the occasion, expressing as they did the heartfelt sentiments of all present.

W. L. Burkhalter, who acted as chairman, presented Mr. Dupree to the assembly with a few well-chosen words of appreciation.

Entering upon his address, Mr. Dupree paid eloquent tribute to the heroes of the Revolutionary War who set the example for Americans of all ages in their never-swerving purpose and unselfish sacrifice for those ideals of liberty and self-government which are the bulwarks of our nation.

The men who wore the blue and the gray of the war between the states, the gallant lads who charged San Juan Hill also received their full measure of praise and appreciation before the speaker began his eulogy of the World War soldiers, of the buddies who lie in Flanders' fields, and of those who, though surviving the perils of battle, still offered their bodies as living sacrifices that we might continue to enjoy those same privileges for which our forefathers fought and died.

Mothers and wives of the heroes of bygone days received the respect due them, as did the Gold Star mothers of today.

The underlying theme of Mr. Dupree's address was a call to those who are living today to "hold high the torch" thrown from dying hands, his speech closing with a rousing appeal to his hearers to uphold the institutions and principles for which they gave their lives.

After a moving benediction pronounced by the post chaplain, E. D. Hobdy, the ceremonies were closed by "taps" blown by Wray Guy.

ATTEND FIVE-DAY ASSEMBLY AT ABILENE THIS WEEK

Misses Sue Gates and Christine Mil were left early Monday morning for Abilene, where they will attend a five-day meeting of the young people and twenty delegates had registered up to Tuesday morning, and others are expected to come later.

Miss Gates is secretary of the Lubbock district, and Miss Milwee is a former local president of the Epworth League. They expect to return the last of the week.

RABBIT HUNTS RIVALING FISHING AS SPORT

The time-honored sport of knocking over bunnies is becoming as popular with local sportsmen as fishing. And the nimrods are having just about as much luck as the disciples of Isaac Walton.

Monday afternoon a party of them—we are paying too much libel now—to dare risk mentioning their names—left for the wilds of various fields, armed with shot guns and other deadly weapons. The sum total result of the afternoon's work was a story, a STORY, mind you, about one rabbit—that fell in a hole before he passed on to a good little rabbit's heaven. Well, maybe so—and then again, maybe no.

Wednesday afternoon, another party of hunters left for parts unknown, but on the same spot. So far no reports have been turned in as to how much mourning they caused in the cotton-tail tribe, but for the benefit of our readers we will endeavor to publish full details next week.

A girl's idea of a perfect man is subject to frequent revision.

FILES ON PARADE BY Louis T. Merrill

In the boundless vast
Of things that were,
Out of the past
The echoes stir
And live once more
Where the Presses roar.
Who says that a paper can't feel and think?
Yellowed pages, ancient ink,
Volumes dusty and touched with mold—
Yet how much of the life of the town they hold.

Star-armed faiths of the men who dreamed,
And hoped, and strove, and surmounted trials—
All set forth in the dusty files
Accounts of times when the eagle screamed,
Accounts of times when the town's heart bled,
Solely mourning heroic dead,
Stories of triumph and stories of path,
Days of sunshine and of rain,
Witty lines and commonplace,
Old friends' half forgotten faces,
Birth for youth, and death for age—
Things that make folk weep or laugh
Bourne in column or paragraph
Marching across the weekly page.

Who says that a paper can't feel and think?
Yellowed pages, ancient ink,
Volumes dusty and touched with mold—
Yet how much of the life of the town they hold.

**WARNING ISSUED AGAINST
FRAUDULENT INSPECTORS**

AUSTIN, June 2.—Retail mer-
chants are warned by M. S. Frazee,
weights and measures chief in the
department of agriculture, that im-
postors are traveling over the state
charging a fee for inspection of
weight and measure devices.

According to reports made by ac-
credited inspectors for the division,
these men have represented them-
selves as authorized state inspectors,
demanding the right to test scales.
Usually they found something wrong
with the scales, and charged a fee
for making adjustments.

Accredited state inspectors are
not permitted to accept a fee either
for inspections or for repairs. They
do NOT, however, make repairs, ex-
cept in case where only minor ad-
justments are needed which take only
a short time; and in any event are
not allowed to accept a fee for their
services.

Official inspectors carry identifica-
tion cards countersigned by state
officials and stamped with the state
seal.

One imposter, it was found, threw
scales off balance by placing brick
shot on the bottom of the scale, out
of sight, holding it in place with a
wad of chewing gum. He was
charged a fee for putting the device
in balance.

**DESTRUCTIVE COMPETITION
HURTS LABOR AND CAPITAL**

When gasoline wars cause the re-
tail price of gasoline on the Pacific
coast to drop to ten cents a gallon,
including state taxes, the motorists
at first think it a godsend. He does
not at first see the men who have
lost jobs with oil companies, private
stations that are closed or the re-
duced power of the oil industry and
its employees.

When a milk war such as has
been launched in New York State,
offers milk to buyers at nine cents
a quart, the consumer does not re-
alize that this cuts a million dollars a
month from the buying power of
New York State's dairy farmers.

These are specific examples of ab-
normal price reductions which mean
unemployment and lowered purchas-
ing power of producers.

Legitimate price competitions are
in order as the world drifts slowly
back to normal but ruinous price
competition causes unnecessary hard-
ships to both labor and capital dur-
ing the readjustment period.

**SUNDAY SCHOOL CLASS
HAS PICNIC MONDAY**

Members of the boys' Sunday
School class of the Methodist church
enjoyed an outing and picnic Mon-
day afternoon on an open section in
the north part of town, the program
featuring such things as a ball game,
quantities of ice cream and lemonade,
noise, and fun.

Accompanied by their teacher, Mrs.
B. M. Haymes, and the mothers of sev-
eral members, the boys descended
upon that part of town like a mini-
ature cyclone, and the yells of 'batter
up' and 'foul ball' soon had the wel-
kin, whatever that is, ringing quite
according to Hoyle.

After the ball game, refreshments
were dispensed with neatness and dis-
patch, and the boys declared the af-
ternoon an unqualified success.

**F. U. N. CLUB ENTERTAINED
SATURDAY AFTERNOON**

Miss Hallie Lindsay was hostess
last Saturday afternoon to members
of the F. U. N. Club when she enter-
tained with bridge at the home of her
parents.

Cut flowers were used as decor-
ations in the reception room, adding
a seasonable touch to the affair.

After several interesting games of
bridge, refreshments of sandwiches
and punch were served. Plate favors
were hand-made tams with the club
name painted on the front. The
hostess' mother, Mrs. Lindsay, was the
originator of the idea and the artist
who carried out the plan.

Those present were Misses Wynona
Huff, Alice Joy Bowlin, Eula Belle
Miles, Kathryn Veazey, and Lois Bow-
lin of Kansas City.

NEW MOORE NEWS

(Delayed from last week)

Mr. Ed Hanes gave a musical en-
tertainment Friday night, a large
crowd was there. They had some
good music.

Mr. and Mrs. Nelson, daughter, and
Jessie Bevels returned from Dallas
Saturday afternoon where they at-
tended the funeral services of Mr.
George Dotson.

A bunch of school girls helped
Mr. and Mrs. Willett paper their
house where they will make their
home in a few days.

hearts were filled with sorrow Friday
when they bade their former school
teachers goodbye.

Miss Ella Lee Walker returned to
her home in Wolfe City Friday.

Miss Ruth Milliner left for her
home at Blanking, Texas Friday.

ALIMONY PLUS

While a good many men may pay
large sums as alimony the plight of
an actor named Cummins in Los
Angeles, who is contributing rather
promiscuously as a result of unfor-

tunate matrimonial ventures, places
him at the head of his class.

Under a court decree Cummins
was ordered some months ago to pay
\$600 a month to his divorced wife.
Notwithstanding this, he married
again and is now being sued for di-
vorce by wife No. 2. Pending the
outcome of the suit, he must pay the
second wife alimony at the rate of
\$230 a month.

But that is not all. The latest
Mrs. Cummins has no children, but
she possesses two valuable dogs
which are her joy and pride. She in-

stated that they should be provided
for, also. The judge, concurring, an-
nounced an additional \$45 a month was assessed
against Cummins for the support
of the canines. So he is now contrib-
uting a total of \$875 a month to
provide the necessities and luxuries
of life for two women and two dogs,
without the benefit of the
lionship of either.

Can you beat that for

YOU can't tell how badly you need a hair
cut just by looking in the mirror (frontal

the story. That's why we say, "If you see the back
of your neck as often as the rest of the world
does, you'd better forget that haircut every ten
days."

And here's a tip—the next time you get a

Matchless economy with six-cylinder smoothness

"Better than 20 miles to the gallon." "Its cost-per-mile is the lowest of any car." "Never have to add oil between crankcase changes." "Drove from Ohio to California on a repair expense of \$1.95." "It just runs and runs and runs."

— typical comments from owners of the Chevrolet Six

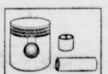

Chevrolet's 127" frame supports shock-absorbers through-out its entire length

Why is it that Chevrolet—a big, powerful, smooth-running six—actually costs less to operate and maintain than any other car you can buy? The answer lies in five outstanding factors of Chevrolet economy:

- 1. Efficient Engine Design** makes Chevrolet fuel consumption so low that 20 miles to the gallon of gasoline is nothing unusual for a Chevrolet owner.
- 2. Modern Chassis Design**—as evidenced by Chevrolet's long heavy frame, four parallel-mounted springs, and smooth-running six-cylinder engine—increases the ability of the Chevrolet Six to run dependably, day after day.
- 3. Excellence of Manufacture** also adds to Chevrolet dependability and long life. Chevrolet pistons, for instance, are built so carefully, and held true to such close limits of pre-

cision, that many owners have gone 20,000 miles or more without having their motors opened for major servicing.

Chevrolet's pistons are built to close limits of precision

4. High-Quality Materials are used throughout the Chevrolet car—costly nickel steel, chrome-vanadium steels, chrome-nickel steels—to assure trouble-free, low-cost service for tens of thousands of miles.

5. Economical Nationwide Service, with its low flat-rate charges on labor and genuine parts, is available at 10,000 dealers throughout the country, who also offer the protection of the most liberal owner's service policy ever to back a low-priced car.

Chevrolet's Owner's Service Policy is the most liberal ever offered in connection with a low-priced car.

Remember—in addition to all these basic economies—Chevrolet offers the extra dollars-and-cents advantage of one of the lowest delivered prices on the market. And this cost may be spread over a period of many months by the liberal G.M.A.C. plan.

MESQUITE AND TREDWAY NEWS

Mrs. W. S. Street and grandson, Rodger B., went to Clyde Friday.

Mrs. Bill Stephens of Gail is spending the week with her parents, Mr. and Mrs. James Pratt.

Lorene Fletcher returned home from Canyon Saturday.

The Lamb boys have relatives visiting them from Ft. Worth.

Lawrence Stephens is suffering with a broken collar bone. He was hurt in the O'Donnell-Mesquite ball game Saturday afternoon.

Lefty Stephens and his baseball team have three more games to report this week. The first game was taken from O'Donnell High School Saturday afternoon. The score was 10 and 9 in favor of the local club.

The Mesquite squad then went on a southern invasion Sunday, and took a double header from Gail. The scores were Mesquite 12, Gail 2, for the first game and Mesquite 6, Gail 0, for the second game.

The O'Donnell game was closely contested with Pease, O'Donnell hurler shooting curves and fast ones at the local batters. A few bad breaks for O'Donnell and an eighth inning rally led by Dee Burrus put the local team in the lead. Burrus had another perfect day at bat with a single, a double, and a triple. Lefty Sloan, pitched the first game at Gail, allowing only three hits. Sloan shoots his fast ones from the port side and showed the fans a sample of flashy hitting. With ball sharks in the field like Burrus, Stephens, and DeBusk and a smooth working infield he had the Gail boys on his hip from the start. Burrus, as usual, camped under several long ones in left field.

Lawrence (Smoky) Gray, midsize pitcher of Mesquite made a shut out affair in his game. He slow-balled the southerners to a shut out while his team mates pounded Moore for six runs.

How One Woman Lost 102 Pounds of Fat

Almost Unbelievable—Nevertheless True

Dear Friends:

You advertised Kruschen Salts for reducing, so I finally tried them and when I started I weighed 219 pounds and when I took them for a year and 3 weeks, I lost exactly 102 pounds.

I am 23 years old and I look at least 5 years younger now than I did when I was fat. I have a picture of myself before and after so if you want to see them let me know.

I can always tell my friends about the wonderful salts. I am always advertising them.

I took 2 bottles every month for a year and 3 weeks. It amounted to \$25 for reducing 102 pounds but it was worth it.

If I can be of any help to you let me know.

Yours truly, Miss Nellie Simpson, 1903 Wayne Street, Swissvale, Pa., Oct. 31, 1930.

6 separate mineral salts which help system. Rather it's an ideal blend of every gland, nerve and body organ to just take a half teaspoon of Kruschen Salts in a glass of hot water every morning before breakfast.

You can hasten the reducing action of Kruschen by going lighter on potatoes, pastry and fatty meats.

Unlike other Salts, Kruschen doesn't reduce by rushing food thru your function properly.

The Modern Safe Way—Right Way To Lose Fat

Women everywhere are overjoyed with this marvelous reducing treatment. Frequently pained by pound of surplus fat leaves and soon you possess that trim, slender figure you've always craved.

As 85c bottle of Kruschen (lasts 4 weeks) is sold by leading druggists the world over—so start this SAFE method to lose ugly fat TODAY! The Corner Drug Store sells lots of it. J-2

GOVERNOR MURRY WEARS COTTON

DALLAS, June 1.—It's the Prince of Wales, in London and in New York it's Jimmy Walker; but it takes Gov. Wm. H. (Alfalfa Bill) Murray of Oklahoma to set the boys of the Southwest by the ears and show 'em what's what in cloths.

Here it is, just like he ordered it—An all-cotton uniform, from head to toes, from outside to inside—believe it or not—coat, trousers, Sox, shirt, tie, and the rest, also shoe-laces and shoes ordered to fit him, all-cotton and nearly a yard wide. "I want to do it up brown", he said to Carl Pool, president of the Pool Manufacturing Company, Sherman, Texas, manufacturer, when he ordered his three complete outfits. He did it both brown and white—he had a brown suit and two white ones made.

This picture shows him as he started on a trip to California to give Hollywood a treat; incidentally to address the Oklahoma Society there June 2, and also the California Society at Los Angeles. He was accompanied by Mrs. Murray and a party of twelve prominent Oklahomians.

The Governor is proud of the fact that he has out-done former Governor Dan Moody, Bill Talbot, and other prominent Texans by selling tailor-made hat and shoes to the cotton uniform such as they affected last summer. A friend also cites the fact

that while Governor L. G. Hardman of Georgia is proclaiming the week beginning June 1st as Cotton Week in Georgia, Governor Murray is setting a living example of how to use more of the staple; and also how to economize. "The three outfits, shirts, Sox, hat, shoes and all, cost me less than that suit you wear in your office", he said to Attorney General King of Oklahoma in a good-natured combat between the two.

How the Governor came to adopt his all-cotton code of apparel has just been brought to light, in an exhibit of correspondence between him and representatives of cotton manufacturers who offered to present the Governor with the suits, to promote interest in the staple as material for summer clothing. The Governor declined the gift, but promptly ordered by purchase from the Pool Mfg. Co. of Sherman, Texas his complete outfit from Southwestern grown cotton. One result has been a large increase in the Governor's personal correspondence, since Oklahoma City newspapers featured him in his new regalia; inquiries came from many quarters as to the source of the product. He has recently forwarded requests from State Senator A. L. Scott of Kansas, either from an Oklahoma City business man, and others wanting to duplicate his garb.
