

**Donnell To Get New Gas Rate**

R. F. Hinchey, vice-president of West Texas Gas Company, announced that O'Donnell and the city are to receive a new gas rate. The City of O'Donnell a few days ago, authorized the West Texas Gas Company to install an optional rate available to all domestic commercial consumers who desire to sign contracts for the same. The original proposed optional rate was a reduction to a majority of consumers, but did not provide a reduction to those who consume 5,000 cubic feet or less per month. The optional rate as now offered is a reduction to all domestic and commercial consumers who consume gas in excess of the amount bill now in effect and who wish to avail themselves of this new optional rate is available to domestic and commercial consumers who sign contracts for twelve months continuous service, and the rate with the rate structure set forth in the optional rate is ready to offer to the gas consumers in O'Donnell and its other cities as follows:

The undersigned, (hereinafter Consumer) in consideration of special rates granted heretofore to take and use Natural Gas for a period of not less than twelve months continuously from this date at the following minimum rates:

Minimum Bill, \$1.50 per month. Special charge of one-ninth of bill to be added if not within ten days after date rendered.

"A" applicable to any consumer using 1,000 cubic feet of gas per month.

"B" applicable to any consumer using less than 1,000 cubic feet of gas per month.

"C" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"D" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"E" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"F" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"G" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"H" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"I" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"J" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"K" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"L" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"M" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"N" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"O" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"P" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"Q" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"R" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"S" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"T" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"U" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"V" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"W" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"X" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"Y" applicable to any consumer using more than 1,000 cubic feet of gas per month.

"Z" applicable to any consumer using more than 1,000 cubic feet of gas per month.

**Local People Attend Association Meeting**

Rev. and Mrs. A. Loper, Mrs. C. H. Mansell, and Mrs. W. E. Vermilion attended the annual meeting of the Brownfield Baptist Association at Wilson last Wednesday and Thursday. Attendance was larger than for a number of years, they report, and pronounced the meeting as one of the most helpful and inspiring they had ever enjoyed.

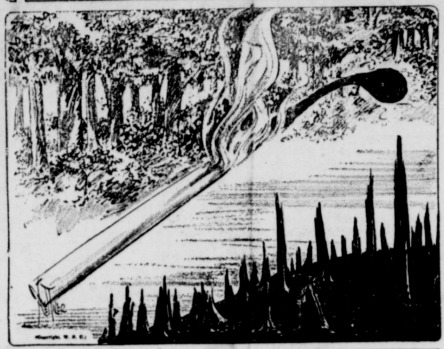

During the business session, after letters from the churches of the association had been read, Rev. J. M. Hale of Brownfield was elected moderator for the coming year. Rev. W. K. Horn of Meadow, former pastor of the church here, brought the annual sermon.

Speakers on the afternoon program Wednesday included Dr. W. F. Fry of the Bible Department at Tech, E. I. Hill of Tahoka, Rev. B. N. Shepherd, district missionary, Mrs. L. Lumsden of Wilson, Mrs. H. P. Casewell of Tahoka, District Attorney G. H. Nelson, with Rev. A. Loper our local pastor, reporting on Buckner Orphan's home at the evening hour.

Thursday's program was also interesting and worthwhile, according to the O'Donnell representatives. Speakers were Rev. J. C. Cook of Tahoka, Rev. Ben Ribburg, pastor at New Home, Rev. J. V. Vinson, pastor of Three Lakes and Rev. P. H. Casewell, formerly of Tahoka, now a pastor and a student in Wayland College. Rev. J. M. Hale, Hon. W. W. Price, and Mr. W. A. Little, all of Brownfield, were also on Thursday's program.

This association embraces churches in Lynn, Terry, Gaines, Yoakum, and Hockley counties, about twenty-eight in number and two new churches were admitted into the association at this meeting.

**A Careless Match**

**Eagles Win Opening Game By Score Of 38-0**

Getting away to a fine start, the black-and-gold Eagles of O'Donnell High ran roughshod over the Seagraves eleven last Friday on the Seagraves field. This was the first game of the season for both teams, and scores of fans, many of them from O'Donnell, looked on while the lopsided score of 38-0 was piled up.

The Eagles displayed plenty of power in every department. Their passing attack, with little J. D. Hunt, who played a shade of a game at half-back, and the throwing end, was especially effective at times. Their running attack piled up scores of yards from scrimmage. The defense was no less powerful. Seagraves making but few first downs and never getting inside the Eagles' 20-yard line.

The Eagles scored in every quarter. Quarterback Wayne Clayton scored twice, J. D. Hunt and Ben Morrison halfbacks, fullback Ray DeBuck, and Bob Line, end, scored one touchdown each. DeBuck kicked two points after touchdown.

The winner's running attack was beautiful at times. Early in the third quarter, taking the snapback from center he started around end, cut back over tackle, sidestepped and weaved his way past the secondary defense, only to be brought down from behind just as he was getting into the clear.

The Eagle line, from end to end looked mighty fine. Charging hard and low, they smothered the opponent's ball carrier time after time before the play could get underway.

Taken as a whole, the team was in fine fettle for the first game. However Coach Johnson has many details to be ironed out before the playoffs to suit him, but the boys are putting in long hard hours at them this week.

**Game Here Saturday**

The Eagles meet Seminole on the home field Saturday. Seminole is reputed to have a fine bunch, and a good contest is assured. Come on this week.

**First Trades Day Declared Success**

**Preaching Date Is Changed at Cumberland Church**

Rev. W. H. Cheatham will fill his appointment at the local Cumberland Presbyterian church Sunday of this week rather than on October 14, the regular date, he announces this week.

This change in dates will be for one time only, we understand, and was made because of the fact that Texas Synod will be in session at Olton on the regular date. Every minister is expected to be present for the session, and every church will be represented.

The pastor asks that all members and friends keep this change of dates in mind, and make it a point to attend both worship services Sunday. Sunday School meets at 10:00, morning worship at eleven o'clock, and evening services at eight o'clock.

**Larger Attendance Than Expected; Plans Under Way for Oct.**

O'Donnell's Fourth Monday Trades Day got off to an auspicious start Monday of this week, when merchants and business men were hoisted to a much larger crowd than had been hoped for. Conservative estimates placed the number of customers between one thousand and twelve hundred for the opening day.

In view of the fact district court opened its session on the same day and that the Panhandle South Plains Fair also began Monday, business men were highly gratified with the crowd. With this favorable beginning high hopes are held for the second Trades Day, which will be on the fourth Monday in October on the 22nd. Plans are already under way for an even more varied entertainment program than was enjoyed Monday.

The rain Sunday night rendered the race track unsafe for the pony races scheduled for the morning, and at least six owners preferred not to race their horses in the afternoon, fearing a fall and injury to the animals.

Because of the rain also, the football game was held at a later hour than had first been planned, but was well attended when it was played. Both Coach Johnson in charge of the game, and Mr. Tom Anderson, in charge of the races, reported much enthusiasm for their events, and both are making plans for next Trades Day.

**Steady Shopping Reported**

Practically every business in town had arranged special bargain for the day, and a hasty survey early Tuesday morning indicated that buying was steady throughout morning and afternoon alike.

Naturally business was better in the afternoon because the crowd was larger, but each merchant was more than pleased with the results of his advertising.

In several instances, those who did not have special bargains listed have already stated that they plan to have at least a few more. Trades Day, believing that even two or three such items will be a drawing card for customers. Those who listed bargains report that fully ninety per cent of their sales opened with "I see you have advertised as a special today."

However, the consensus of opinion among business men seems to be that the ultimate success of Trades Day is not to be judged by the amount of buying on that day alone, but rather on whether or not it will get residents of the territory in the HABIT OF COMING TO O'DONNELL. As one gentleman expressed it, "we've got to let folks know we appreciate their business, and we've got to show them in such a way that it will become second nature for them to come to O'Donnell to do their trading." And in that opinion the Index fully agrees. We can have friends or business either unless we put forth a little effort, and we can judge the success of Trades Day better six months from now than we can this week.

**Jno. Vermillions Buy Home This Week**

Of interest to their many friends here was the purchase of a home by Mr. and Mrs. John Vermillion, the transaction having been completed Saturday of last week.

They were fortunate in securing the attractive stucco bungalow known locally as the Guy McGill residence, in the south part of town. The building is comparatively new, and is thoroughly modern and convenient in every respect.

Messrs. C. J. Beach and Hugh P. Harbert represented Peoples Building and Loan Association in the deal. Mr. and Mrs. Caselle have occupied the house for several months, but will move immediately so that the new owners may be at home in their own property.

**Methodist To Hold County-wide Meeting**

Rev. W. G. Montgomery, pastor of the local Methodist church, was present at a meeting of Lynn county pastors held last Tuesday at the Methodist church at Tahoka, at which time Dr. W. M. Pearce, Presiding Elder of the Lubbock district, outlined plans for a meeting of Lynn county officials and members to be held at Tahoka, October 4th.

The meeting was in the office of the Methodist church. Those present were W. M. Pearce, Lubbock; G. W. Montgomery, O'Donnell; J. A. Wheeler, Draw; M. P. Hines, Wilson and H. C. Smith, Tahoka. Rev. Marvin Norwood of Albany was a visitor.

The meeting will begin at 10 a. m. October 4, and close at 3 p. m. All Methodists of Lynn county are invited to be present. Come and bring a basket lunch and let us have a great meeting looking forward to the closing out of a great year. The following program has been arranged:

Theme: Our Church's Task.

10 a. m. Devotional—Rev. M. P. Hines.

10:15 Importance of Organized Effort—Judge W. E. Smith.

10:30 Status of Each Church.

11:00 Preaching—Rev. W. M. Pearce.

12:00 Lunch.

1:00 p. m. Devotional—Rev. J. A. Wheeler.

1:15 p. m. Pastoral Support—Mr. B. M. Haynes.

1:30 The Claim of Benevolence—Rev. H. C. Smith.

1:45 Every member's Responsibility—Mr. W. W. Caswell.

2:00 Our Stewardship—Rev. O. C. Coppage.

2:15 The Steward's Responsibility—Mr. J. O. Allen and Mr. A. L. Shepherd.

2:30 Building the Morale for the Work—Rev. G. W. Montgomery.

3:00 Present Status of Our Work.

**American Legion Elects New Officers**

At a called meeting of the Fern Allen post of the American Legion Monday evening, officers for the coming year were elected and plans begun to secure federal funds to build a community club house. Harshman, officers are: Commandeur, Guy Bradley; adjutant, R. O. Stark; sergeant-at-arms, John Stokes; finance officer, A. C. Lambert; chaplain, H. A. Lattimore.

An intensive membership campaign will be conducted during August, and it is hoped that every man eligible to do so will place his name on the list.

Preliminary steps are now under way to secure federal funds to build a Community Club house. It was pointed out that each county will be allotted a certain sum for relief work and that the sensible thing to do is make an effort to derive some permanent benefit from the money, rather than have it doled out indiscriminately. Progress of this enterprise will be awaited with much interest.

Mr. and Mrs. Lester Etter announce the birth of a lovely little daughter on September 18. She will be called Patricia Jean. Mother and baby are doing nicely.

The terms and provisions of the franchise of said town."

The purpose of Rate "A" in the revised schedule is to give a lower rate for gas that is consumed primarily for water heating and for cooking. Gas used for these purposes is not subject to any great seasonal fluctuations in demand, and the Company feels, therefore, that a lower rate is justified to consumers who use gas in excess of the minimum bill for such purposes.

The introduction of Rate "A" is the only change in the optional contract previously proposed, and is accepted by the City of O'Donnell. This change will afford an opportunity to all consumers to accept the benefits of reduced rate, and will permit them, to make a saving in the annual cost of their gas service, without increasing the amount of any monthly bill above what the customer is now paying under the present rate. The consumers who would have made a saving under the former proposal of optional rates will make an additional saving under Rate "A" on account of the reduction in the amount of their bills during the summer months of low consumption.

**Football Schedule**

- September 21, Seagraves 0, O'Donnell 38
- September 29, Seminole 0, O'Donnell.
- October 5, Slaton (B-squad) at O'Donnell
- October 19 Seagraves at O'Donnell
- October 26, Lamesa (B-squad) at Lamesa night game
- November 2, Crosbyton at O'Donnell.
- November 9, Open.
- November 16, Post, place unsettled
- November 23, Open.

**Nazarene Meeting To Be Held Next Week**

In view of the fact that the present pastor, Mrs. Pearl Keeton, has already decided that she will not be with the local congregation another year, the Church of the Nazarene is considering the qualifications of other pastors prior to definitely calling one to fill the appointment next year.

One of these, Rev. Sibley, of Abilene, will be here next week to hold a short revival, it has been announced by the pastor. The meeting will begin Wednesday evening of next week, to continue through the following Sunday. Everyone is invited to come and hear Rev. Sibley, who is said to be a strong speaker and an efficient pastor.

**Glady Mae Williams Injured By Car**

Glady Mae Williams, daughter of Mr. and Mrs. W. W. Williams, is still carrying the marks and bruises she received when she was struck and knocked down by a car last Thursday.

The little girl was on her way to school when the accident occurred. An acquaintance of the family, coming into town in a wagon, stopped on the highway near Henderson-Boonville to pick up the group of school children. Just as Glady Mae stepped out into the road to climb into the wagon, a car driven by Mr. Carl Thompson came around the curve and struck her. She was knocked to the ground with such force that she was stunned for a short time, and was also severely bruised and scratched.

Mr. Thompson stopped instantly and ran to her assistance, as did Mr. Earl Curtis, operator of the Henderson filling station. The child was placed in the Thompson car to be taken to a physician, but insisted on being taken home at once. She was able to be in school the next day.

**Mrs. Joe Proctor In Sanitarium**

The many friends of Mrs. Joe Proctor will be sorry to know that it has been found necessary that she remain in a sanitarium at Lamesa for several days for treatment. She was taken there Sunday.

The Index joins with the community in the hope that she may soon be at home, fully restored to health.

Mrs. W. H. Thornhill was down from Tahoka on business Saturday.

**M. L. Taylor Has Exhibit At Fair**

Every O'Donnell visitor to the Panhandle South Plains Fair at Lubbock this week is reminded to go to the arts exhibit in the Woman's building, where M. L. Taylor has some of his famous woodwork on display.

A violin case, inlaid with more than 600 pieces of 13 different kinds of wood is one of his pieces of art, as is a violin, his wood-inlaid table top and a number of new pieces. The table top created no little interest here in town when it was first completed some two years ago.

For the past six years Mr. Taylor has exhibited at the Fair, and has won something like 71 ribbons during this time.

Don't forget to visit the arts exhibit and see this work of a local man; it will be worth your time.

**DULL HEADACHES GONE SIMPLE REMEDY DOES IT**

Headaches caused by constipation are gone after one dose of Adierika. This cleans the bowels out of BOTTL upper and lower bowels. Ends bad sleep nervousness.—Corner Drug Store.

  - W. E. (Ed) PAYNE (re-election)

**CITATION BY PUBLICATION**

**THE STATE OF TEXAS:**

To the Sheriff or any Constable of Garza County—Greeting:

You are hereby commanded to summon the unknown heirs of Mrs. Tennie Ratliff, deceased, and their heirs and legal representatives by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in Lynn County, Texas; if there be no newspaper published therein, but if not, then in any newspaper published in the 106th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 106th Judicial District, to appear at the next regular term of the District Court of Garza County, to be held at the Court House thereof, in Post, Texas on the 15th Monday in October A. D. 1934, then and there to answer a petition filed in said Court on the 26th day of February A. D. 1934 in a suit numbered on the docket of said Court No. 696, wherein Lelia Y. Post Montgomery and husband Lawrence J. Montgomery and Marjorie Post Hutton and husband Edward F. Hutton are plaintiffs and M. D. Ratliff, Margaret Wynne Ratliff, the Estate of H. D. Ratliff, deceased, and the Estate of Tennie Ratliff, deceased, and W. O. Stephens, are Defendants and said petition alleging that Tennie Ratliff is deceased and her heirs unknown; that plaintiffs Lelia Y. Post Montgomery and Marjorie Post Hutton are entitled to possession of 165.1 acres of land in Lynn County, Texas, same being in the Southwest quarter of Survey No. 1308, Certificate No. 1192, E. S. & P. Abstract No. 1097, Vol. 31, Patent No. 2, Vol. 6; that said plaintiffs are entitled to title and possession of said premises by virtue of superior title retained by

Frank L. Elliott dated November 6, 1916 to secure payment of 19 Vendor's Lien notes executed simultaneously therewith, the first \$8 each in the principal sum of \$288.93 and the 19th in the sum of \$163.68, the first 10 of which have been paid and the other nine being due and payable, January 2, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935 and 1936, due date of notes Nos. 11, 12, 13, and 14 to January 2, 1932; that said notes are past due and unpaid and that all of said series of notes have been declared due; that all of said defendants are withholding title and possession from said plaintiffs and that said plaintiffs are entitled there to or in the alternative that they are entitled to foreclosure of their lien, which they still own and possess, and a sale of said property; that plaintiffs have paid taxes and insurance thereon in the sum of \$300.65 which they should recover of defendants H. D. Ratliff's estate and M. D. Ratliff; and praying for title and possession against all said defendants or in the alternative for a foreclosure of plaintiffs lien and for costs of suit.

Herein Full Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my Hand and the Seal of said Court, at office in Post, Texas, this 3rd day of September A. D. 1934.

J. Lee Bowen, Clerk  
District Court, Garza County.

Mr. and Mrs. Arch Proctor and daughter, Frances, accompanied by Mather Proctor, visited friends in Brownfield Sunday.

Dewey Everett of Gall spent Monday here with his parents, Mr. and Mrs. J. Y. Everett.

**Relief Checks Are Mailed for September**

Austin, Sept. 24.—Allotment of general relief funds for September was completed today as checks, representing the last half of the month's allotment, were mailed to the various Texas counties from the auditing department of the Texas Relief Commission. Amount of the disbursement was \$1,846,653.

At the same time checks totaling \$235,088, representing partial allotment of rehabilitation funds, also were mailed. J. E. Stanford, head of the department of rural rehabilitation, said additional checks yet to be mailed will bring the total to above \$400,000.

For buying land and materials for four new colonization projects, \$350,000 of the \$800,000 allotted the department by federal authorities for September has been set aside. These rural communities will be constructed at Lubbock, Wichita Falls, Mexia and Nacogdoches.

"Our program is progressing at maximum speed now and will continue to gather momentum during the next 90 days. Land leasing contracts are coming in fast enough to enable us to place 3500 families per month in rehabilitated houses for the next three months," Stanford said.

**Health Association To Meet In Abilene**

Austin, Sept. 24.—The Twelfth Annual Meeting of the Texas Public Health Association will be held at Wooten Hotel in Abilene, October 3-5, stated Dr. T. J. McCamant, President. The meeting is open to physicians, health officers, nurses, sanitarians, and others interested in public health.

Besides the general meeting, there will be special sections for nurses laboratory workers, and full time health officers. Among the speakers will be Dr. John W. Brown, State Health Officer; Dr. Lewis C. Crabber, E. A. Baugh; Senator J. W. E. H. Beck, M. D.; and representatives of the United States Public Health Service, State Medical Association, Agricultural Department, American Public Health Association, and State Medical Association.

The program will consist of discussions of health work possible with relief funds, milk sanitation, water and sewage, public health nursing, health legislation, and communicable disease control.

Many cities send their health workers to this meeting so that they may keep up with the new development in their field. This will be especially true this year as much health work may be accomplished with relief funds.

**Highway Work Meets With Short Delay**

Mr. Deen Nowlin was here from Tahoka Thursday morning, and reported that work on the grading and drainage structures on Highway 9 has met with an unexpected delay this week, but that the difficulty will be successfully cleared up in the near future.

As we understand the problem the state highway department has demanded the procuring of releases by loan companies holding loans on the land through which the right-of-way will pass.

But Mr. Nowlin and Commissioner Waldo McLaurin believe that these releases will be sent in sometime this week, and that actual work can be started.

Mr. and Mrs. J. G. Martin announce the birth of an eight pound daughter on September 25. The young lady was named Alice Margaret.

**CORRECTION**

In the account of the revival at the Church of the Nazarenes, which appeared in last week's issue of the Index, it was erroneously stated that there were fourteen additions to the church. The sentence should have read "There were fourteen conversions, with two others on the following Sunday evening." We are very sorry the mistake occurred, and are glad to make the correction.

H. T. Gooch was in the office Monday afternoon during Trades Day, and asked that the Index be sent to his daughters, Misses Fay and Marie. These young ladies have many friends here, so that the paper should bring them quite a bit of interest.

Ted Clayton enrolled as a student at the University of New Mexico this week according to word received from him by his parents. He will work part of the time in the University book store.

Mr. Charlie Cabool, of the C. C. Drygoods Store was quite ill a few days last week, but was ready to help in preparations for Trades Day. Born to Mr. and Mrs. Robert Walker on September 24, a 7-pound

daughter who will be called Roberta Ann. Mother and baby are doing nicely. As this was the first baby in the family, the attending physician entertained grave fears for a few hours concerning papa's recovery, but last reports stated that Mr. Walker was about to recover enough to talk coherently.

Buddy McVicker was down from Plainview this week end for a visit with his sister, Mrs. Guy Bradley and family.

Mr. and Mrs. John A. Minor and children spent Sunday in Levelland

with relatives and friends.

Mrs. Reese Hamblin of Marshall arrived Friday of last week for a few days visit with her parents, and Mrs. C. L. Tomlinson.

George S. Kyle is visiting his father, Mrs. Sally Helen, in Portland, N. M.

Miss Madeline Morrison left today to enroll as a student at Texas Technological College.

**Reports From County Clubs**

**WITH CLUB HOLDS FIRST MEETING**  
The Edith 4-H Club held its first meeting for the new year on last Monday.

Miss Robb and the members discussed the canning that was done last summer. Wanda Deen Dyer and Dorothy Kohl are going to can some products to take to the fair. The members made plans for their gardens. We are going to start near dresser scarfs at the next meeting.

New officers were elected as follows: president, Paulina Mae Harp; vice-president, Lodena Garnett; secretary, Wanda Deen Dyer; reporter, Iness Mae Anderson.

**NEW 4-H CLUB GIRLS SELECT OPAL COX**

The Draw 4-H Club girls met Wednesday, September 5, at 11 o'clock. There were twenty club girls present and we accepted six new members. At a short business session in which we elected Miss Opal Cox as president for next year, our two delegates to the Short Course told of their trip. Our two delegates were Maureen Carzile and Opal Jones. After each girl had told about their trip, they taught us some papers which they learned. We decided to use a few minutes each club meeting from now on to sing papers. These girls certainly encouraged us in pepping up our club, and we are ready to take even more pains ourselves in pepping up the club.

We will meet again the third Wednesday of this month, and our delegates will talk to us again.

**MRS. JACKSON HOSTESS TO GORDON WOMEN**

The Gordon Home Demonstration met at the home of Mrs. A. M. Johnson Tuesday, Sept. 18.

Miss Robb, the home demonstration agent, was present and discussed plans for the county fair. We were glad to have five visitors from the Tahoka club and two visitors from our home community, as well as twenty-three members present.

**EDWINE CLUB MEETS WITH MRS. JOHNSON**

The home demonstration club met at the home of Mrs. C. C. Johnson, Tuesday afternoon, Sept. 13. Seven members were present.

They met again at the home of Mrs. Charley Patterson, Friday afternoon, September 21.

**T-BAR H. D. CLUB MET THURSDAY, SEPTEMBER 13**

The T-Bar Club met Thursday, September 13 at 2:30 in their club room for their regular meeting. Six members and the County Home Demonstration Agent, Miss Sylvia Robb were present.

Mrs. Marvin Adams gave a report on her trip to A. & M. which was followed by an interesting talk by Miss Robb.

Our next meeting on September 27 will be at the home of Mrs. A. E. Leverett.

**Has Good Pantry Despite Drouth**

Although Lynn county has been through a drouth and many did not have gardens to can from as they have in other years, some women have a very nice supply of canned products from their pantries.

Mrs. G. M. Reid of the Tahoka Club has canned the following jars for her pantry:  
8 qts. peaches, 9 qts. sweet pickle peaches, 8 qts. peach preserves, 9 glasses peach jelly, 74 quarts apples, 44 quarts cucumber pickles, 16 qts. tomatoes 1 qt. grapes, 10 pts. and 28 glasses grape jelly, 2 qts. green snap beans, 1 qt. field peas, 2 pts. bread and butter pickles, 2 pts. corn relish, 9 pts. berry jelly, 7 qts. strawberries, 14 qts. pears, 7 pts. pear preserves, 3 pts. pepper relish, 2 pts. cherry preserves, and 1 qt. and 2 pts. carrots.

She has a total of 338 jars and glasses and is still canning from her garden. Most of these products were home grown.

**Miss Thelma Palmer Honoree at Party**

Complimenting Miss Thelma Palmer on her birthday, the family home was the scene last Wednesday evening of one of the most delightful occasions of the fall. Mrs. W. L. Palmer and Mrs. Fay Westmoreland were hostesses for the occasion.

In order that everything might be a surprise, the honoree was kept away from home until all the guests had arrived, and was then summoned to help find a hat for Mrs. Westmoreland. As she walked into the living room the lights were flashed on and she found herself right in the midst of a party.

Four tables of players enjoyed games of bridge. Mrs. Naymon Everett winning high score for ladies and Mr. Everett for men.

Attractive refreshment plates containing chicken salad, wafers, pickles, apple cake, and coffee were served to Messrs. and Mrs. M. J. Whitsett, C. C. Caldwell, B. J. Boyd, Naymon Everett, R. O. Stark, Misses Thelma Palmer and Laynette Smith, Dr. and Mrs. Ferrell Farrington; Oil D. Harris.

As tables were being cleared for refreshments, little Misses Yvonne Westmoreland and Betty Rhea Caldwell which were much enjoyed.

**Mrs. Tune Hostess To H. D. Club**

Seven members were present Tuesday afternoon when the Home Demonstration Club met at the home of Mrs. T. R. Tune.

The next meeting will be with Mrs. S. M. Clayton, and the subject of the lesson will be "Reform in County Government." Other problems of state and federal government will be discussed also.

**Dinner Party Thursday Celebrates Birthday**

Complimenting the birthday of Miss Toye Thompson, Miss Beatrice James and Mr. Raymond James entertained a small group of intimate friends with a dinner party last Thursday evening, at the home of their parents, Mr. and Mrs. Ed James.

Those enjoying the pleasant occasion were the honoree and Misses Ann Thompson, and Veda Shumake; Messrs. Moody Gibson, Lawrence Tredway, Russell Foster, and the hosts.

**Doc Thompson Has Birthday Party**

Celebrating his fourteenth birthday, Doc Thompson was honored last Friday evening when his mother and sisters entertained with a surprise party at the family home on Oak Street.

Group games and contests were enjoyed until a late hour, when cake and punch were served. All day suckers were present favors.

Those present were Helen Pruett, Betty Lou and Preston Pierce, LaVerne Lawler, Buck Preston, Roy Elmo Everett, Junior Yarborough, Betty Lynn Middleton, Bill MacClayton, Bobbie Carroll, Iona Page, Eldon Carroll, Lometa Robinson, Beatrice James, Guy and Doc Thompson.

**Robert Schooler of McCamey Is In Pecos Hospital**

Two persons were hurt, one seriously, in an automobile accident Wednesday morning when a truck

driven by Robert Schooler of McCamey collided with a car driven by Sam Davis of Balmorhea, about 3 miles east of Balmorhea.

The accident occurred when Davis drove onto the highway from a side road, meeting the truck. The two cars crashed, the truck turning over twice, demolishing the cab. The bumper on Davis' car was torn off.

Schooler received three broken ribs, a broken collarbone, and two fractured vertebrae. Mrs. Les Harmon, of Carisbad, the only other occupant of the truck, sustained minor cuts and bruises. Davis was unhurt in the crash.

The two injured persons were brought to Pecos by the Kolar ambulance, where they received attention at a hospital.

The seriousness of Schooler's condition could not be immediately determined, but it is believed that he will suffer no permanent injury.—Ward County News.

**Democratic Convention Opposes Amendment**

WHEREAS, since the submission of the proposed constitutional amendment to limit state tax income in Texas on a population basis, there have developed unforeseen contingencies in the financing of the state, particularly in carrying and retiring the bonds for poor relief and in meeting the requirements of Federal Highway Act No. 393, 73rd Congress; and

WHEREAS, under these circumstances the amendment threatens the continuation on existing basis of state aid to local units for schools and roads; and WHEREAS, the amendment if adopted would further shift tax burdens from the state to local communities, and from large to small taxpayers; and WHEREAS, the adoption of these restrictions on the state's income would decrease the ability of Texas to carry on those activities of state government hitherto regarded as fundamental in the traditions and time-honored principles of the Democratic Party; be it

RESOLVED, that this Convention now recommends to the people of Texas that this amendment be defeated at the coming November election.

I hereby certify that the above is a true and correct copy of the resolution adopted by the State Convention of the Democratic Party held

in Galveston, on the 11th day of September, 1934.

Vann M. Kennedy, Secretary, State Democratic Executive Committee.

**WELLS—**

Miss Ronda Clemens spent the week end with Mr. and Mrs. A. R. Tyler.

Mr. and Mrs. L. J. Barrett, Lon E. Jones, Mitchell, and families, were guests Sunday of Mr. and Mrs. Parry.

A. R. Tyler and son made a business trip to San Angelo last week. Mr. and Mrs. B. K. Cooley entertained the young people with a party Saturday evening. It was a most enjoyable affair.

Mr. and Mrs. John Etter and family spent the week end at Anson. Miss Evelyn Heard was the guest Saturday night of Miss Ruth Smith. E. T. Campbell and children have returned from Lubbock.

Mr. and Mrs. R. R. Adams were guests Sunday of Mr. and Mrs. W. H. Smith.

Messrs. Howard, Bill, and Allen Simpson, D. Y. Triplett and son, Milton Miller, and Jack Mitchell have returned from Brownfield.

Messrs. Auta Y. Cook and Morris Smith have returned from a vacation trip.

"LAMESA'S LEADING STORE"

**Gas Rate Reduction Effective Immediately**

Reduction in gas rates, to become effective immediately and one which will "provide lower bills above the minimum for every used in the city," was announced Saturday of last week by R. F. Hinchey, vice-president and general manager of West Texas Gas Company. The reduction will be made on optional rate contracts to be signed by the consumers. It will be remembered that Mr. Hinchey and A. G. Barnard of the Lamson office, together with Mr. Jess Williams, local manager, met with the city council several days ago to discuss the matter, and the council gave its unanimous opinion in favor of allowing the rate contracts to be presented to O'Donnell consumers.

The new rate, which is being offered to all towns served by the company, is divided into two divisions. Rate A for consumers using 5000 cubic feet or less per month, and Rate B for consumers using in excess of 5000 cubic feet per month.

After the minimum charge of \$1.50 for the first 2000 feet, rate A offers 50-cent gas to the consumer for the next 3000 feet.

Rate "B" will be for the first 6000 cubic feet per month, \$4; next 44,000 cubic feet per month at 50c per thousand cubic feet; next 50,000 cubic feet per month at 30c per thousand cubic feet, and all additional cubic feet per month at 25c per thousand cubic feet.

The new optional rate is available to all domestic and commercial consumers who sign contracts for twelve months continuous service, Mr. Hinchey said.

"The year-round gas consumer is the backbone of our business," Mr. Hinchey said. "He takes gas service month in and month out and thus qualifies as a continuous and dependable consumer. The very permanence of his service connections reduces service expense. To develop a more uniform year round load and increase the number of continuous

users of gas service, we have formulated this optional rate schedule available to the domestic and commercial consumer who agrees to use gas service continuously for a period of twelve months."

He pointed out that the present minimum bill remains the same but otherwise the rate is lowered.

**482 Years Lumped In Contest Monday**

Mr. and Mrs. F. Burleson, who live on Route 2, received a forty-eight pound sack of Gold Chain flour Monday afternoon during Trades Day, the gift coming from the B & O Store in honor of their many years of wedded life. Mr. and Mrs. Burleson had been married longer than any other couple who registered that day, sixty-four years, ten months and seven days.

Nine couples registered at the store during Trades day, and their total number of married years was 482. Others who placed their names on the roll were Mr. and Mrs. J. B. Miles, married 54 years; Mr. and Mrs. T. E. Cathey, married 50 years; Mr. and Mrs. W. R. Sanderson, married 55 years; Mr. and Mrs. L. G. Phillips, married 58 years; Mr. and Mrs. I. H. Parks, married 45 years; Mr. and Mrs. F. M. Townsend, married 50 years; Mr. and Mrs. J. B. Hancock, married 54 years; and Rev. and Mrs. W. C. Hart, married 52 years.

The presentation was made during an hour of contests and amusements sponsored by business men.

**Horse From Gail Wins Race Monday**

A clean-limbed, fast stepping roan mare owned by "Butch" Moore of Gail won the horse race Monday afternoon, defeating Lon E. Jones' rangy paint. Business men and merchants gave the owner of the winner a nice gift in the form of money, and invited him to come back again next Trades Day.

The horse races had been planned as one of the amusements for Trades Day visitors, but because of the rain and slick track, only these two entries were on the scene at the appointed hour.

Mr. Tom Anderson, track manager announces that several fast horses have been entered for next Trades Day, and that, unless something unforeseen happens, there will be several races during the day.

**Shower Sunday Aid To Grain Crops**

A light shower, ranging from a quarter-inch to three-quarters, fell over most of the territory Sunday night. So slowly did the moisture fall however, that every drop of it soaked into the ground to benefit growing forage and wheat or to furnish the beginning of next year's season.

The rain was preceded by a brisk sandstorm and a rather awe-inspiring electrical display, but so far as we have been able to learn no harm was done. Farmers who have recently sowed wheat or oats were especially jubilant over the rain.

**Mrs. Maxwell's Father Dead At Austin**

Mrs. Maxwell returned early last week from Austin, where she was called two weeks ago by news of the serious illness of her father, J. E. Brown.

Mr. Brown had already passed away from a heart ailment when Mrs. Maxwell reached his bedside. Funeral services were conducted and interment made in the cemetery at Austin.

The Index joins with other friends in extending sympathy to Mrs. Maxwell and other members of the bereaved family.

D. M. Estes returned Tuesday night from Stanwood, Wash., where he has spent the past several weeks with Mrs. Estes and other members of the family.

Mrs. A. W. Angel of Wink is here this week for a visit with her daughter, Mrs. Walls.

Floyd Thompson came down from Lubbock this week end for a visit with homefolks and friends.

Mr. Grover Sutton was down from Lubbock on business Tuesday afternoon.

**GREATER MOTOR PROTECTION— LOWER OIL CONSUMPTION PROVED**

AT Indianapolis Motor Speedway, under AAA supervision (Sanction No. 3001), New and Improved Conoco Germ Processed Motor Oil was tested against five other nationally known motor oils. Six identical stock cars were broken in on oils assigned them by lot. Each car was filled with five quarts of its assigned oil—no more added—and driven until the motor was wrecked.

New and Improved Conoco Germ Processed Motor Oil carried its car 4,729 miles—3,105.8 miles farther than the first oil to fail and 1,410.2 miles farther than the best of the five oils! Could you ask for better proof of greater motor protection and lower oil consumption? Drive into a Conoco Red Triangle Station today and fill with New and Improved Conoco Germ Processed Motor Oil!

A Money-Saving OPPORTUNITY For Our Gas Customers

THE year-round gas customer is the backbone of our business. He takes gas service month in and month out and thus qualifies as a continuous and dependable consumer. The very permanency of his service connection reduces service expense.

To develop a more uniform year-round load and increase the number of continuous users of gas service, we have formulated an optional rate schedule available to the domestic or commercial consumer who agrees to use gas service continuously for a period of twelve months. The present minimum bill remains the same; otherwise the rate is lowered. More gas for less money is made possible under the optional rate schedule.

You are interested, naturally, to know what advantage this new rate schedule would be to you, and what the savings would be on your gas bills. We would be pleased to have you call at our local office or phone for a Company representative to call on you, to analyze each of your gas bills for the past twelve months, month by month. Then you can see in dollars and cents what your savings would have been for this period under our optional rate and can decide whether or not you want to take advantage of the savings offered.

The cold winter months of heavy seasonal gas demand are close at hand. We request, therefore, that whether or not you are at present a continuous or year-round consumer, you give us the opportunity of explaining to you our optional contract rate.

Prices subject to change.

Skidding—cause of 5 1/2 times more accidents than blowouts—becomes more dangerous as winter approaches. For quickest stops buy "G-3" Goodyears—proved safest by 8,400 tests.

When you must suddenly jam on your brakes, averting an accident often is a matter of inches. Well, stop tests on slippery pavement show: on smooth tires you slide 77% farther, on other new tires you slide 14% to 19% farther than on new "G-3" Goodyear All-Weathers. That's the Goodyear Margin of Safety—a big reason why more people buy Goodyears than any other tire. Since it costs you nothing extra, why not have this margin of safety on your car too?

NOW! THE NEW TYPE "H" GOODYEAR ALL-WEATHER TRUCK BALLOON

Designed for fast over-the-highway service on trucks and trailers. Now you can expect sensational results. Phone for information.
