

WATER CADE PLANNED FOR LYNN COUNTY

Federal Government through United States Public Health and under the direction of the State Board of Health, Dr. Anderson, State Health Officer, is sponsoring a Public Health Education Campaign in 22 states, including the drought area. Texas is one of the 22 states, and 100 counties participating in the campaign are Lynn and the counties.

Under that the folk of Lynn may become familiar with the work and may take advantage to the fullest degree; the Lynn Central Committee is sponsoring a county wide health education campaign. The water cades will visit your county on the following schedule: Monday, August 23, 10:00 a. m.; Tuesday, August 24, 11:00 a. m.; Wednesday, August 25, 11:00 a. m.; Thursday, August 26, 11:00 a. m.; Friday, August 27, 11:00 a. m.; Saturday, August 28, 11:00 a. m.; Sunday, August 29, 11:00 a. m.; Monday, August 30, 11:00 a. m.; Tuesday, August 31, 11:00 a. m.

It is hoped that every man, woman and child in every community will be present at these meetings and take advantage of this great opportunity. The purpose of this program is that the government is paying all the cost of the program will not cost any individual a cent. It is a Public Health Nurse and a sanitarian in our county; that each and every one of us should be present at these meetings and take advantage of this great opportunity. The program will open in Lynn next Thursday, August 27, and continue three days. It is the schedule as announced by the state department of health. Day, Thursday, August 27—11:00 a. m.; Friday, August 28—11:00 a. m.; Saturday, August 29—11:00 a. m.; Sunday, August 30—11:00 a. m.; Monday, August 31—11:00 a. m.

REDUCTION IN GAS RATES ANNOUNCED BY COMPANY

Gas rates for O'Donnell this year will be reduced approximately 10 percent after the first six thousand feet have been consumed. This is a commercial announcement according to an announcement by R. F. Hincey, vice-president and general manager of the Texas Gas Company. The reduction offers a saving of 10 percent per thousand cubic feet in the present rate, beyond the first six thousand feet, and is made by the adoption of a winter rate schedule. The new rate schedule is effective from and after October 1, 1931 meter readings, and will apply to all meter readings. The most substantial rate in the West Texas Gas Company has been able to offer its customers. Mr. Hincey said that the reduction will effect savings for the majority of our customers for the part of the year when the use of the most gas. The winter rate schedule, effective from and after January 1, 1931, and which are covered by the winter rate schedule, our O'Donnell and commercial users approximately 70 percent of their year's consumption of gas.

The present rate schedule for domestic consumer's rate is 67 1/2 cents per thousand cubic feet for the first thousand cubic feet. All other cubic feet is 50 cents per thousand. The minimum bill is \$1.00. The winter heating rate will be 60 cents per thousand for the first thousand cubic feet. The next 44,000 cubic feet will be at the rate of 50 cents per thousand, a reduction of 10 percent per thousand cubic feet. The next 40,000 cubic feet will be 40 cents per thousand, a reduction of 20 percent per thousand cubic feet. The minimum bill is \$1.50. Hincey also announces that the winter heating rate schedule will be classified as industrial rate, which is the rate of the company. At the time of the classification, the rate is included in the industrial classification.

PROSPECTS FOR BUMPER CROP SEEN HERE

The outlook for crops in the O'Donnell trade territory have changed materially since the rain last week, and predictions have been made that between ten and fifteen thousand bales will be shipped from here this year. Cotton which two weeks ago seemed to have 'done its act', appears to have taken a new lease on life and to be adding squares, blooms, and bolls with heartiest enthusiasm. Many farmers report that they have from one-half to a bale per acre average, and others report one-quarter and one-third. Feed also has revived since the rain, and while stalks are not high, heads are of fine size and nicely filled out. Hedges, broomcorn, and sorghums look fine, and as a whole, prospects for the crop are better than any we have had since 1924.

LOCAL PASTOR TRANSFERS TO NEW MEXICO CONFERENCE

Rev. C. A. Duncan, who has been pastor of the local Methodist church for two years, announces that this will be his last month in O'Donnell, and that he will transfer to the New Mexico conference of the Methodist church on September 1. The change is made at this particular time because annual conference is held in that state in September instead of in November, as it is in Texas.

Rev. W. R. Burnett, now pastor of the Methodist church at Lovington, will transfer to the Northwest Texas conference in Rev. Duncan's place, and will fill the pulpit here, at least until annual conference. Discussion of the move has been under way for some time, and Bro. Duncan at last succeeded in convincing the local membership that it would really be best. During the time that he has been here, he has done a wonderful work and has made for himself a place in the hearts of his members and all who know him, a place which no other can fill. Even through the depression, church affairs have been carried on with surprisingly little deviation from regular schedule, and the new church building stands as a monument to the enterprise and determination of a preacher who refused to be discouraged even in the face of continued cries of hard times and lack of money.

The good accomplished by Bro. Duncan during his short stay in O'Donnell can hardly be overestimated. His sincerity and interest in his work observers, and his influence has been far-reaching. Not only his members but the whole town also regret to know of the move, but at the same time, all join in wishing him God-speed, good luck, and much success.

ELDON HANCOCK UNDERGOES OPERATION AT VERNON

Mr. and Mrs. W. W. Hancock and Misses Roxie and Iva Dimple Hancock were called to Vernon Friday by news that their son and brother, Eldon Hancock, was in King's Hospital for an appendicitis operation which had been performed Wednesday night. Through various minor complications had arisen, leading to the call to the family, they found Mr. Hancock resting well as could be expected. Other members of the family returned Sunday, and Miss Roxie remained with her brother. Reports from Vernon Wednesday at noon were that his temperature was normal, and that he seemed to be doing nicely. Mr. Hancock is well known here, having visited his parents on several occasions, and his many friends are indeed glad that he will apparently soon be completely recovered.

This For That

MONROE HOLMAN VICTIM OF ATTEMPTED HOLD-UP

Monroe Holman, son of Mr. and Mrs. E. D. Holman, was attacked Friday afternoon by an unidentified man, receiving three severe cuts from a knife, as well as other minor bruises and injuries as the man attempted to force him to donate gasoline from his tractor. Only one of the gashes was very deep, though the other two are decidedly uncomfortable and inconvenient. One is a slight stab just below the left shoulder blade, the other a cut some four or five inches in length on the left arm, extending below the elbow. The deepest cut is in the left hand, in which young Holman seized the knife during the scuffle.

The attempted robbery took place Friday afternoon on the northwest part of the J. B. Miles farm, part of which is rented this year by Mr. Holman. The men were waiting in their car at the end of the rows where young Holman was plowing, and when he drove the tractor up, one of them approached and ordered him to drain the tank of gas and give it to him. Holman refused, whereupon the man struck him in the face. Deciding that matters had progressed past the joking point, Holman took a hand in proceedings, and knocked his assailant down. The man came up with an open knife in his hand attempting to hold and stab the plucky lad. After receiving the gashes from the knife, Holman ran to the tractor to get a hammer, and the man, evidently somewhat taken aback at the determined resistance, fled to the car and stood not on the order of his going.

Holman summoned his father and officers to the scene, telephoning in to town, but so far no trace has been found of the men or their car, a 1929 Chevrolet coupe with a California license. Several clues were followed up during the day, and it was thought that perhaps the car and its occupants were later seen at Law. Sheriff Parker was called there and searched until about three o'clock the next morning, but was unsuccessful in finding them. Though he will probably be unable to work for three or four weeks yet, Holman is recovering nicely from the effects of his tilt with hi-jackers.

MEETING BEGINS SUNDAY AT METHODIST CHURCH

A revival meeting will begin at the Methodist church Sunday morning at eleven o'clock, and will continue one week, according to recent announcements. Rev. C. A. Duncan, pastor of the church, will conduct services, which will be held at ten o'clock each morning, and at eight-thirty each evening. As this will be the closing week of the pastor's work here, the church is especially anxious that every person attend as many services as possible and take an active part in the proceedings.

SINGERS TO CONVENE ON FIFTH SUNDAY

Announcement comes from J. L. Garrett, president of the Dawson County Fifth Sunday Singing Convention, that that organization will meet Key on Sunday, August 30, at ten o'clock. Key is located ten miles east of Lamesa. According to Mr. Garrett, everybody is invited to come and bring somebody else, with the proviso that all Dawson county persons are expected to bring their own lunches and also some for visitors. J. P. Bowlin is quite ill this week.

HUBERT WALKER SUFFERING FROM GUNSHOT WOUND

Hubert Walker, 15, son of Mr. and Mrs. H. H. Walker of the Plainview community, sustained a painful and serious injury Saturday afternoon when a shotgun was accidentally discharged, shot striking him in the right leg and tearing away a large part of the calf and crusca. A local physician was immediately summoned and prompt medical attention has so far prevented any complications. The shot entered the limb just above the ankle and apparently passed just behind the big tendon which raises the heel, probably striking the smaller one and breaking it, and out on the other side. The entrance wound is about the size of a broom handle, while the other is fully as large as a baseball. The limb was also badly powder-burned.

The accident occurred late Saturday afternoon at the family residence. All members of the family were preparing to attend church services, and the boy had gone upstairs to make himself ready. The shotgun, loaded, was under the bed. For some reason or other, the young man struck it out of a mangle first, and it is supposed that the trigger caught on a rug or bumped on the floor. At any rate, the gun was discharged, with resultant casualties.

When brought in to the doctor's office Monday afternoon, the boy seemed to be doing nicely, though suffering from a mangle first. Examination showed the wound healing cleanly, with no pus or infection, and young Walker will probably soon be ready for further target practice.

MASONS COMPLETE EXAMS—TO RECEIVE CERTIFICATES

Twenty-eight members of the local and nearby chapters of the A. F. & A. M. lodge took examinations for certificates here Tuesday and Wednesday. Examinations were conducted by W. T. Tate, Hamilton, member of the state committee on work. Eight of the candidates were from Tahoka and Crosbyton, the remaining twenty being local men. Those receiving three-year certificates were W. L. Gardenhire, Geo. Kyle, Robert Dren, Ben Moore, Ollie D. Harts, and Guy Bradley of O'Donnell, W. B. Bishop of Tahoka, and Q. L. Hanes of Crosbyton. Those receiving one-year certificates for the second time were Nymon Everett, J. E. Kyle, Howard Tredway, J. T. Johnson, A. E. Proctor, W. O. Davis, H. Edwards, C. R. Riley, and Dr. C. B. Towns of Tahoka; D. A. Edwards of Crosbyton. Those receiving one-year certificates were Dr. O. H. Shepherd, Lyle D. Pugh, and Jim Gary, O'Donnell; George F. Ingram and W. L. Burleson of Taha.

D. M. Estes, J. H. B. Kyle, and W. E. Singleton received three-year certificates last year. B. M. Haynes, Tom Yandell, and W. L. Burkhalter also hold certificates, which brings the total of local certificate holders up to twenty-two.

IRVIN WRIGHT'S CHANGE RESIDENCE THIS WEEK

Mr. and Mrs. Irvin Wright moved Wednesday of this week to the house known as the Homer May house, located in Dawson Heights. Mr. and Mrs. Wright have for the past year occupied the Rochelle house just west of the hotel. While this place is modern and convenient, their new residence is more favorably located for residential purposes. Herman Whitehead has been in New Mexico for several days.

6,000 CANS GIVEN COUNTY'S WOMEN

Six thousand cans for use of persons who were given free government garden seed last spring, are to be distributed among the farm families of Lynn county, an average of 100 cans to the family.

These cans are to be used by the recipients in canning for home use the vegetables from their gardens. Members of home demonstration clubs over the county are planning to supervise the work. These women will show those receiving the cans the latest and most approved methods of canning vegetables.

Miss El Fieda Harrison, county home demonstration agent, is cooperating with Mrs. W. D. Nevels, of the Lynn county chapter of the American Red Cross, in the work of handling demonstrations. They have worked out a plan for a series of meetings at which recipients of cans will be shown the work.

POPULAR VOTE TO DECIDE SCHOOL OPENING DATE

Attention is hereby called to a mass meeting to be held at the high school auditorium Friday evening, August 21, at 8:30 o'clock, for the purpose of deciding the opening date of the public school.

Every recent meeting of the school board, it was tentatively decided to set September 7, but a number of patrons have indicated that in their opinion, it would be better to postpone the opening of school for a time in order that children need be no assistance during harvest, etc. The calling of the mass meeting by the school board is the result of this difference in opinion.

County superintendent Caveness will be present, according to members of the board, to answer questions of credit, in case the term should be cut short, whether such a contingency would affect state aid, settle questions regarding tuition, and various other matters which have been agitating the minds of patrons for several weeks.

Every member of the school is earnestly requested to be present at this meeting so that the school question may be settled to the satisfaction of all.

MISS JEANETTE THOMAS AND J. C. CHRISTOPHER WED

News was received here by wire last week of the marriage of Miss Jeanette Thomas, niece of Mr. and Mrs. Boss Johnson, and J. C. Christopher, son of Mr. and Mrs. J. M. Christopher, the ceremony taking place at Waurika last Sunday night about ten o'clock. They were accompanied by Mrs. Wade Christopher of Ft. Worth, sister-in-law of the groom, who was the only member of the families to witness the ceremony. The marriage is the culmination of a romance of several years, having begun during high school days, but it came rather as a surprise to their many friends, as Mr. Christopher has been in Ft. Worth for several weeks, and Miss Thomas had gone to Henrietta for a visit with relatives, when they apparently decided that longer separation was totally impossible, and the quiet wedding was the result of the decision.

Mr. Christopher is a charming and accomplished young lady, and has been active in school, church, and social affairs of the town for a number of years. She was president of the 1930 graduating class, and besides carrying the responsibilities of office, ranked high in the class in scholastic standing. She has sponsored various junior organizations of the local Methodist church, and has been prominent in other departments of church work. Mr. Christopher graduated from O'Donnell High school with this year's class, and was also prominent in student activities, being the star of track events and one of the strongest men on the football squad. He has been employed in Ft. Worth for several weeks, and the couple will make that city their home.

Mr. and Mrs. W. E. Gaye have had as their guests over the week-end Mr. and Mrs. Christopher. Mr. Christopher has many friends here who wish for them much success and prosperity in their life together.

Mr. and Mrs. W. E. Gaye have had as their guests over the week-end their brother-in-law, H. Hart of Park, his two sons and daughter, and his sister, Miss Ida Hart, also of Parks.

TEXAS CO-OP MEETING SCHEDULED FOR MONDAY

All cotton farmers and every business man in O'Donnell and its trade territory are invited to attend a meeting of the Texas Cotton Co-operative Association, to be held in the high school auditorium at O'Donnell next Monday night, August 24, beginning at 8 o'clock, according to C. H. Doak, chairman of the O'Donnell branch for the organization.

"The purpose of this gathering," Mr. Doak declares, "is to acquaint cotton farmers with conditions confronting them this year, and to discuss with them the problems facing them for handling this year's crop." Because everything affecting the pocketbook of every citizen of this section, Mr. Doak urges the attendance of every person who can possibly be present Monday night.

C. A. Barron, of Lamesa, vice-president of the Texas Cotton Co-operative Association and director for this district, will be one of the principal speakers, as will also be Earl R. Davis, of Lubbock, county director of the association in his district.

R. J. (Bob) Murry, formerly of Lubbock, who is now the general manager of the association, will very likely be present to make a principal address. "The only hope for cotton farmers of the South is for them to take charge of their own business and operate it," so Bob Murry declares. "And the fight that is being made throughout the nation is not being done because those who are about it fear the Agricultural Market Act, the Federal Farm Board or the cooperatives, but because they do not want farmers to get control of their own business. They do not want the cotton farmers to get together and perfect their own great business institutions for handling their own products."

It is Murry's contention "that there is no reasonable excuse under high heaven for five cent cotton. We can't maintain our highways, our schools, our county, city and state governments on cotton that sells for five cents a bale. Unless the cotton farmer of the South Plains has money in his pockets, there will not be any business in the South Plains."

Mr. Murry declares the present need is for business men to understand our farm problems and what farmers are doing. Farmers and cooperatives are trying to do. "There is nothing mysterious or dishonorable about what we are doing or aim to do. We simply want to make a profit on what we grow and put that profit back into the pockets of the growers," he says. Reports of the organization on work of the past season, the principal objects of the association, and a round table discussion will feature the gathering here. The round table discussion will be open to farmers and others not members of the Texas Cotton Co-operative Association, and any questions will be welcomed.

O'Donnell will again have a branch office of the Cotton Association this year. Last year there were approximately 3,000 bales of cotton delivered to this association membership in this trade territory totalling between 250 and 300.

Other meetings will be held next week in this section: Lamesa, Monday, 2 p. m.; Tahoka, Tuesday, 2 p. m.; Post, Tuesday, 8 p. m.; Lubbock, Wednesday, 2 p. m.; Clinton, Wednesday, 8 p. m.; Llanillo, Thursday, 2 p. m.; Littlefield, Thursday, 8 p. m.

OTIS ELLIS RECOVERING FROM BLOOD POISON

Mr. John Ellis returned Saturday from Goldsboro, where he has been for several days at the bedside of his brother, Otis Ellis, who has been dangerously ill from blood poisoning as the result of an infected foot. Mr. Ellis reported that his brother was apparently much improved when he was taken to the hospital, and will soon be completely recovered. The news was received here with much relief on the part of the many friends of the family, who have felt great anxiety during his illness.

L. D. Tucker spent the week in Roswell with Mrs. Tucker and their daughters. He was accompanied by Miss Beverly Wells, who visited Miss Marie Tucker.

Mrs. W. H. Thornhill left Saturday for Ft. Worth, and from there will continue on to Gary, Indiana, where she will visit her daughter, Mrs. Beougher.

ATTEND FAMILY REUNION AT ABILENE SUNDAY

Mr. and Mrs. Guy Bradley and son, Max C., returned Tuesday afternoon from Abilene, where they have been on business.

While there they attended a reunion of the Bradley family, the first held since the death of the father some years ago. The reunion was held in one of the parks, and Mrs. Bradley said that seventy-five persons were present, with six families not even represented.

Mr. Bradley was concerned not so much with attendance of persons as he was the presence of fried chickens and watermelons, but he stated that the quantity and quality met with his critical approval, and that the affair was a complete success.

OK WINS GAME FROM WEAVER MONDAY

The OK baseball team, on which are a number of local boys, won a snappy game from the Weaver nine Monday afternoon in a tilt at Lamesa.

Battery for OK was composed of Pearce, Harris, and Sloane. Fans report that it was a good game from beginning to end, with a score of 7-1 in favor of the OK crew.

Extra excitement was furnished when a fly struck little Grace Le-moyne Line, baby daughter of Mr. and Mrs. Harvey Line, but no serious results of her participation in the game have been reported.

SEWING CLUB HOLDS REGULAR MEETING

The Lesso Club met Monday afternoon at the home of Mrs. Paul Welch, with Marjorie Musick co-hostess with her.

The afternoon was spent in making sewing bags, each member using her own ideas and originality, which gave a 'big thrill' from what they accomplished.

Merl Miles was added to the membership of the club.

After playing a few lively games, guests enjoyed delicious refreshments of sandwiches, cake and lemonade. Those present were Jennie V. and Opal DeBask, Betty Lynn Middleton, Norma Ruth Vermillion, Doris Lawler, Merl Miles, Tootie Street, and Marjorie Musick.

B. Y. P. U. TRAINING SCHOOL TO BEGIN MONDAY NIGHT

The annual B. Y. P. U. revival, which is expected to be one of the greatest ever held in this part of the country, is scheduled to begin Monday night, August 24.

It is O'Donnell's good fortune to secure as teacher of the local classes Miss Grace Conn of Dallas, who is known far and wide as being un- equalled in capability. According to all who have come in contact with her, she is a wonderful personality, as well as a great inspiration because of her wholehearted enthusiasm and pep.

No doubt there are many outside the Baptist church who will be interested in such a training school, and to such persons the church extends a cordial invitation to meet with the classes each evening next week and take advantage of the unusual opportunity.

Each evening Miss Conn will bring a message, besides the lesson taught, that will be inspiring and uplifting, an encouragement to everyone present to be a better servant of the Lord. Whatever one's need is along such lines, say those who have heard her, she will be a help.

Books for every department will be available at the church. Services will begin promptly at 8:30 each evening, at the Baptist church. Each and everyone is urged to attend these wonderful classes.

Classes will be conducted each evening at the various charges in the Brownfield Association, with joint meetings each afternoon at Tahoka. Commencement exercises will be conducted Sunday, August 30, at which time those completing the courses will receive certificates.

MRS. HARRIS HOSTESS TO MISSIONARY SOCIETY

Members of the Missionary Society of the Methodist church met Monday afternoon at the home of Mrs. Dee Harris for a Voice program and social meeting. Ten members were present.

Mrs. W. H. Ritzenthaler led the Voice lesson, and Mmes. Garner, John Johnson, Belle Knight, and Miss Mabel Harris each had parts on the program.

After a pleasant social hour, the hostess served great slices of watermelon.

Learn what a difference six cylinders make

Step out of any other low-priced car into a Chevrolet, and learn the difference six cylinders make. "Idle" the engine—and the whole car remains steady. Open the throttle—the power flows evenly. Accelerate—throttle down—go fifteen or fifty—and this smoothness stays with you whatever you do. It's actually built into the motor—and objectionable vibration never even starts! Yet smoothness is only one of many six-cylinder advantages. There's greater quietness, because noisy vibration is gone. There's greater comfort, because built-in smoothness doesn't tire you out. There's greater flexibility, because the power impulses of a six overlap. And a six is much easier to handle!

If you ride the hood of a Chevrolet and watch the engine running as smoothly, you'll realize that six cylinders also mean greater dependability. And remember when you do—that no other car is so economical to operate as the Chevrolet Six.

Lesson for August 23

A GOSPEL FOR ALL MEN

LESSON TEXT—ACTS 10:1-11:18.
GOLDEN TEXT—For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.
PRIMARY TOPIC—The Gospel for Everybody.
JUNIOR TOPIC—The Gospel for Everybody.
INTERMEDIATE AND SENIOR TOPIC—First Steps in World Brotherhood.
YOUNG PEOPLE AND ADULT TOPIC—The Gospel for All Men.

In the lesson for August 2 we saw the missionary program of the church broadened to include the Samaritans. We see in this lesson the program still widening and embracing the Gentiles. The conversion of Cornelius illustrates the breaking down of "the middle wall of partition" (Eph. 2:14).

1. Cornelius (10:1, 2).
2. His official position (v. 1). He was a Roman officer over a company of a hundred soldiers.
3. His character (v. 2). a. A devout, pious man. b. A praying man. c. A charitable man.

II. The Supernatural Preparation for the Transition of the Gospel to the Gentiles (10:3-39).

Two visions were given (vv. 3-10). (a) The vision of Cornelius (vv. 3-8). While engaged in his prayer and alms had come before God as a memorial and instructed him to send to Joppa for Peter who would tell him what to do. (b) The vision of Peter (vv. 9-16). This took place while Peter was praying (v. 9). He saw a certain vessel containing clean and unclean animals let down from heaven, and heard the command, "Rise, Peter, kill and eat." This vision indicated that both Jews and Gentiles were accepted on high.

2. A messenger sent from Cornelius (v. 17-22). Peter was greatly perplexed over what he had seen, but not for long, for messengers from Cornelius made inquiry at the gate for him. The Spirit informed Peter of the matter and bade him go, nothing doubting.

3. The meeting of Cornelius and Peter (vv. 23-33). (a) Peter took his witnesses along (v. 23). He had the good judgment to know that on a matter of so great importance he must have witnesses. (b) Cornelius waiting for Peter (v. 24). He had such confidence in God's instruction that he called to gather his kinsmen and friends to be ready on Peter's arrival. (c) Cornelius about to worship Peter (vv. 25, 26). Peter repudiated his act and protested that he himself was but a man. (d) The reciprocal explanation (vv. 27-33). Peter explained to him how God had taken from him his Jewish prejudice and asked why Cornelius had sent for him. Cornelius explained that God had instructed him to send for Peter.

III. Peter's Sermon (vv. 34-43).

1. The introduction (vv. 34, 35). He showed that God is no respecter of persons but that in every nation those that fear God and work righteousness are accepted of him. This does not mean that Cornelius was already in a state of grace, and therefore saved, but that he was eligible to hear the gospel and accept the terms of salvation.

2. His discourse (vv. 36-43). In the discourse he touches briefly upon the mission of Jesus, showing that by means of his baptism and the anointing of the Holy Spirit he was qualified for his work as mediator. He then exhibited the work of Christ: (a) In his life (vv. 36-38). He went about doing good, even casting out demons as a proof that God was with him. (b) In his death (v. 39). The just suffering for the unjust that he might bring us to God (1 Pet. 2:18). (c) In his resurrection (vv. 40, 41). God raised him up the third day showing openly that Christ was his Son (Rom. 1:4) and that his sacrificial work was satisfactory (Rom. 4:25). In this discourse is set forth (1) The basis of salvation—the crucifixion of Christ. (2) The scope of salvation—whosoever believes in him. (3) The method of appropriating salvation—believing on him.

IV. The Holy Spirit Poured Out (vv. 44-48).

This was a new Pentecost. As the gospel was entering upon its widest mission, the Spirit came in new power.

V. Peter Vindicates His Ministry to the Gentiles (11:1-18).

Being called to account for having visited and eaten with Gentiles, Peter rehearsed the whole story showing how God had set his seal upon the work by the miraculous gift of the Spirit.

Ingratitude

The saddest example of ingratitude is the poverty of the thankfulness of those who give some measure, thankful for God's greatest gift. It is strange and melancholy that Christians should love, and love so little; should be thankful, and so tepid in it.—Alexander MacLaren.

The Heavenly Father's Love

Our heavenly Father is no E.H.I. He will not suffer his children to sin without rebuke. His love is love intense for that.—Spurgeon.

THREE LAKES

Mrs. J. H. Ellis is on the sick list. She will probably not be able to teach this week.

T. M. Ellis went to New Mexico on a pleasure trip Saturday, returning Monday.

Mr. and Mrs. J. A. Edwards and family, Ed Giddard and family of O'Donnell were visiting in Three Lakes Sunday afternoon.

Mr. and Mrs. W. W. Johnson, Bernice, Dolly, Cone, and Lenora Sikes attended the Burdenson county reunion at New Home Sunday.

Mr. and Mrs. Herman Ellis had as their guests Sunday, Mr. and Mrs. Roy Hamilton and family, Mr. and Mrs. J. C. Sparks and family, Lenora Smith and Bill Ellis also Miss Viola Ellis and Mrs. Bill Ellis of Tahoka.

Little Bill Ellis happened to a serious accident last week. He was helping fix a windmill and in some way the pipe slipped, cutting his hand real badly. He has been suffering quite a bit with it, and has had to see a doctor twice.

Fagon Johnson who has been away at work has come home.

It is reported that Mr. Sam Ellis and family have moved back to Christoval.

Henry Anderson and son of Wells community spent Saturday night with Carl Haisell.

Charlie Blackwell of Levelland was down visiting relatives last week-end.

BERRY FLAT

The Christian meeting closed at Berry Flat Monday at the church, with five additions to the church.

Mr. and Mrs. Burdett of Lubbock and granddaughter, Miss Leola, were visitors of the former's son and family, G. W. Burdett, Saturday night and Sunday.

Mrs. M. J. Parker and son, Lester and family are at Tatum, N. M. with their daughter, Mrs. J. R. Hendrix, who is reported quite sick.

P. G. Galneau is at home with his family at the writing. He has been in Overton at work but as oil field work has shut down considerably many are out of work again.

Mr. and Mrs. John Berry, Mr. and Mrs. Marvin Eldridge have been visitors at the Galneau home this past week.

Miss Zula Mae Durham was a visitor in the Jim Parker home last Friday.

Mr. Luther Henley has gone south in search of work. He hopes that he is successful.

The Baptists are holding a meet-

ing under the arbor and everyone is invited to attend and take part in the work.

Gardens will soon be over if we don't have rain again.

PLAINVIEW

Apparently the farmers in this community are needing rain, even though they have cotton bolls as large as any they had last year. It is evident that they would not mind to see last year's record surpassed, and with even one or two more rains it could easily be done.

Very few of the farmers are busy in the fields now, however, some are cutting feed.

There doesn't seem to be very much neighborhood visiting lately, due to the fact that most everyone is attending the meetings.

Miss Anna Mae Frost of O'Donnell spent several days last week visiting with Miss Trula Berry here.

Misses Dessa and Mary Berta Holman have been visiting with friends in O'Donnell the past week.

Misses Edith and Besse Herd and Gladys Berry, with several other relatives and friends, of Mr. and Mrs. E. A. Gleghorn were guests in the Gleghorn home Sunday.

We are glad to report Hubert Walker, who was rather painfully injured last week, as resting nicely. He says guns are good things to shoot rabbits and ducks with, but not so good for shooting calves, especially when the calves are located on a boy's leg.

NEW MOORE NEWS

The Methodist meeting started last Friday night. Brother Green of Lubbock and Brother Taylor of Coleman are in charge. A large crowd has been attending and it is hoped they will continue to come and that others will be present also.

Miss Grace Nelson spent Saturday with Eunice and Thelma Pendleton.

Mr. Joe Rogers of Joe Bailey spent Friday night, Saturday and Sunday with Mr. Mutt Rogers.

COST OF LIVING DECLINES

Last June living costs were 6.5 per cent lower than in December, and 9.8 per cent below June of the previous year. Food prices dropped nearly 14 per cent in the half year that ended in June, and smaller decreases occurred in the cost of rent, house furnishings, fuel, light, and other items.

From the peak of prices in June, 1920, to June 1931, the cost of living went down 20.6 per cent. Thus, if the wage earner today is earning the same salary he received in 1920, his income is almost one-third greater.
