## PRIZES OFFERED IN CHILD PHOTOGRAPH CONTEST

The time is almost here for the opening of this newspaper's Big Child Photograph Contest, and we are urging all of our readers to have their children ready for the big day.

Winston B. Lucas of Irving, Texas will be in O'Donnell on Thursday April 23rd at index office from 10 a. m. until 5:30 p. m. for the purpose of taking pictures in this vicinity.

In addition to having their pictures printed in this newspaper, the children will be competing for \$18.20 in prizes which are being offered for the three best photographs made during the day.

The photographs will be made absolutely free of charge and there is no charge for their publication in The Index. Proofs will be shown and from these you may select the picture of your child which you would like to appear in this newspaper. If you wish extra photographs they may be purchased but no purchase is necessary in order to have your child's picture printed in this newspaper or in order to compete for the prizes. It is entirely up to you whether you buy pictures or not.

There is no age limit on the contest, and every child's photograph in this section is wanted so that they may all appear in the Index. However it is necessary that all pictures must be of uniform size so they must be made by Winston B. Lucas on Thursday April 23rd.

Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper — make plans now to have these photographs made on Thursday, April 23 from 10 a. m. to 5:30 p. m. Tell your friends and neighbors — the more, the merrier.

FORMER LOCAL MAN DIES IN LUBBOCK

body of Algie Lafett Fluty, 54, has been transferred to University, Tenn. for funeral arrangements. He formerly lived here where he was a house painter moving to Lubbock a few years ago. He died at Lubbock last Wednesday night following a heart attack.

SEARCHING THE SCRIPTURES

C. E. Cain

"Children, obey your parents in the Lord: for this is right. Honor your father and mother (which is the first commandment with promise) that it may be well with thee and that thou mayest live long on the earth. And ye fathers, provoke not your children to wrath: but nurture them in the chastening and admonition of the Lord." Ephesians 6:1-4.

The phrase "in the Lord" in the above passage of Scripture indicates that it is the Lord's will that the children obey their parents. The purpose of this obedience is set forth in verse three: "that it may be well with thee." Children should realize that their parents are not aliens and that any commandments given them is for their own welfare. However, there are some parents who are so engrossed in their own problems that they fail to take into consideration the problems of their children. When this condition prevails, parents are likely to provoke their children to wrath by their very saying "no" to their requests. When this happens, parents should expect nothing but rebellion from their children.

Another important fact in the above passage of Scripture is that parents should "command" their children. When parents, it is called "obey" their parents. It is necessarily implied that parents have the authority to "command" and the present generation of parents see into have abdicated their position of authority and to be relegated themselves to the position of being obedient to their children. They attempt to excuse themselves by saying "We do not want to be too harsh and severe with our children lest we lose their respect." When this happens, they ought not to worry about losing the respect of their children — they are already lost!

The present problem of "juvenile delinquency" will be resolved only when parents resume their position of authority in the family and their children are taught to honor their father and mother by respecting his authority.

Clothing Is Needed

The local Welfare Office is now open to receive your clothes as you clean your closets this spring. Phone Mrs. Ben Moore, sr. or Mrs. Moody Everett for pickup of the items. The demand for clothing is on the increase.

Contracts Let On Two Civic Projects

At the regular monthly meeting Thursday the City let the contract for the new City Hall and Fire Station to Cleero Smith Lumber for a low bid of \$9748. The building will be of tile and will be just west of the present fire hall. Contract was also let to Cleero Smith for the new club house for a low bid of \$9774 and it will be of tile located in the city park.

New members Shag Garrett and Norman Shaw took the oath of office as council members. The City chose not to sell the old park property on highway at present as the bid was not high enough.

The meeting closed out 23 years of capable, useful and loyal service for John Earles and about 10 years for Dub Middleton. Big O certainly appreciates the civic service of these citizens and down thru the many years they have labored on our behalf and our town is the better for their work. Thanks to both of you.

**Why Electric Cooking is FAST**

Flat-surfaced cooking elements on today's electric ranges start heating instantly, reach full high heat in seconds. Heat is transferred to utensils by direct metal-to-metal contact, with no intervening air space, so you get maximum efficiency and cooking speed.

A fully-insulated electric oven reaches baking or roasting temperature quickly. Since it is insulated all around, including the bottom, it keeps the heat inside the oven. And because electric heat is instant, the broiler requires no preheating. This means that your meals can be prepared in a minimum of time.

Electric cooking is also cool, clean, accurate and economical. Select your new electric range now and enjoy all these benefits ... at an average cost of only about 3c a meal for electricity.

**Commuter Snags Train But Can't Hold It**

EUREKA, Calif.--Loafers around the railroad station here tell this for the truth. Seems the station agent heard a loud crash on the platform. He ran out and saw the rear end of a train disappearing around a curve. A disheveled gent lay prone on the ground, surrounded by the contents of his banged-up suitcases.

An owlish youngster stared at the gent, but made no effort to assist him. "Was he trying to catch the train?" the station agent asked the youngster.

"He did catch it," replied the youngster, "but it got away."
