U. S. Deficit Cut Being Studied

WASHINGTON, Nov. 29—A 1941 budget designed to cut the federal deficit for the year to around \$2,000,000,000 by offsetting higher defense costs with lower relief and other expenditures and increased tax revenues was authoritatively reported Tuesday to be under consideration at the White House.

Although official figures could not be obtained—some of them have not been decided yet—Stephen Early, White House secretary, said surmises about a sharply reduced deficit were "pretty close."

Harold D. Smith, budget director, also said that "cuts are being made on some items."

Getting the deficit down to \$2,000,000,000 was said to be the desire of some Administration advisers but this figure was said reliably to be too optimistic.

From these hints, authorities deduced the following rough estimates of what President Roosevelt might recommend in his annual budget message to Congress in January for the 1941 fiscal year, beginning next July 1:

Expenditures, nearly \$9,250,000,000.
Receipts, about \$6,500,000,000.
Deficit, about \$2,500,000,000.

The amount of next year's revenue constitutes perhaps the biggest question mark in the President's budget-making. Officials say that since business is much better tax revenues should be considerably higher, but some of the officials in charge of preparing revenue estimates have been extremely conservative in their guesses of the amount of gain.

Because no official estimates of the current year's budget have been made for about a year, comparison of estimates for next year is difficult.

Last January, the President predicted spending of about \$9,000,000,000, but the cost of neutrality enforcement and other unexpected items has increased this. At the same time, changing business condi-

Whitsett Opens Annual Christmas Jewelry Sale

Special attention of our readers is called this week to the ad from Whitsett Drug Store, announcing the opening of the annual Christmas Jewelry Sale. This is an event of more than a little importance.

All the stock is absolutely new, merchandise having been bought late in August just prior to the sharp increase in prices on all such goods. However, in spite of the fact that the stock will necessarily be refilled at much higher prices, Mr. Whitsett has arranged special prices without taking this into consideration, thus offering customers a double saving on fine quality jewelry.

The store invites your inspection of these jewelry items, and urges you to compare the quality of the merchandise and the special prices with any similar stock anywhere.

Misses Claire Ruth Nichols and Beverly Wells were in Tahoka on Tuesday for a luncheon of the Business and Professional Women's Club.

Estimates have altered the revenue estimates which were expected last January to result in a deficit of about \$3,300,000,000 so that current status of this year's deficit range between \$3,000,000,000 and \$4,000,000,000.

Even though next year's spending total may closely approximate this year's purposes of spending are said to shift radically, informed officials said.

While national defense expenditures are expected to increase from about \$1,500,000,000 to approximately \$2,000,000,000—split about evenly between the army and navy—other things are expected to be cut.

Because business is better and more private jobs are available—a \$1,000,000,000 figure in the goal for next year's relief appropriation, completed with about \$1,400,000,000 this year.

NAZERENE CHURCH WILL HAVE NEW PASTOR

Rev. R. B. Taylor, recently appointed pastor for the local Church of the Nazarene, will be with the congregation here Sunday, it has been announced. Rev. and Mrs. Cummings and boys are moving to Harlingen. While regretting the loss of the Cummings family, the community extends a cordial welcome to the new pastoral family. It will be remembered that Rev. Taylor conducted the spring revival here this year.

Sunday morning services at the church were conducted by the ladies of the W.F.M.S. the occasion being the celebration of the Silver Anniversary. The program was a splendid one, and much appreciated.

The public is cordially invited to attend this church Sunday and get acquainted with the new pastor.

C. L. Davis, who sustained painful injuries several days ago in a traffic accident in San Antonio, is much improved this week. He may even be planning another deer hunt before the end of the season.

Thanksgiving Day Quietly Observed

Last Thursday may have been Thanksgiving Day for a part of the country, but to O'Donnell and the South Plains it was just another Thursday. Our real celebration will be observed today, when the stores and business houses will be closed, ladies of the Cemetery Association will serve the traditional turkey dinner, and most families are planning either to go visiting or to entertain guests.

All business houses, except for two or three cafes, however, in all day. These cafes, however, in deference to the ladies' plans for their turkey dinner, announce that they are not arranging any special Thanksgiving menu. Local men have agreed to stay on the job throughout the day, so that farmers will be able to get their cotton ginned off in case they need to do so.

While last week's Index carried Thanksgiving greetings from business men to their customers in the trade territory, we are presuming on our privileges to extend these same greetings on their behalf again this week. May your Thanksgiving Day be a happy one—the wish of our local merchants.

Mrs. J. C. McCarley, who moved away from home to Lubbock last summer, was here on business Friday afternoon. She subscribed for the Index again, for which we thank her most cordially.

Congressman George Mahon spent a short time here Saturday, visiting friends and conferring with political constituents.

Mrs. May Arnold, Mrs. Cathy Morrison, Miss Lucy Morrison and C. B. Morrison were in Lamesa on business Thursday.

Mrs. Bobbie Sloan of the Orchid Beauty Shop, underwent an appendix operation Monday morning in a Lamesa hospital. She is reported doing very well today.

EAKER'S HAND INJURED WHEN CAR FALLS

Holley Eaker, employed at Fritz Auto Parts, sustained serious injuries to his right hand early Wednesday morning when the injured member was caught in the springs of an automobile. The car tumbled off the jack, catching the fingers between the springs.

He received medical attention at the office of a local physician, and is doing as well as could be expected.

TAHOKA CHURCH HOST TO SINGERS SUNDAY

We are asked to announce that the district singing convention will be held Sunday afternoon at the Tahoka Church of the Nazarene.

Everyone is cordially invited to come and take part.

TONSILS REMOVED

Mrs. John Etter underwent a tonsillectomy in a Lubbock hospital last Wednesday, and is practically recovered this week.

Mr. Sam Goldsobel made a business trip to Hobbs last Friday.

NOTICE

This is to notify all persons knowing themselves indebted to Palmer Implement Company that we will have a representative at our old place, now known as O'Donnell Implement Company, on Saturday of each week. We will appreciate your coming in to settle your account with us. Please cooperate with us in this matter.

WEMS LESSON DEALS WITH ISLAND KINGDOMS

"Our Island Kingdoms" were the subject of study last Thursday when the WEMS of the Church of the Nazarene met in the home of Mrs. Cummings. Mrs. Herman was acting president, and opened the lesson with prayer.

On the first Thursday in December, the ladies are to pack a box of supplies for the Rescue Home at Pilot Point. Any article suitable for the use of these unfortunate mothers and their babies will be much appreciated, and those wishing to take part in the contribution are asked to meet with the ladies at the church on that date.

HOMEMAKING CLUB NEWS

On December 4, 1939, six of the seven Homemaking club officers left about 9:00 for Lubbock, where there was to be held an area meeting of Future Homemakers of Texas. After registering we went into the beautiful senior high school auditorium where the Lubbock Senior High School Band was playing. After the band music there was an address of welcome followed by a response. Three Lubbock ladies sang the beautiful song "The Lost Chord."

After this song the Vernon Chapter of Future Homemakers gave a brief outline of "The American Girl as a Citizen." Following the Vernon Chapter, "On Being Socially Acceptable" was given by the Graham Chapter. "The Girl and Her Leisure Time" followed the Graham Chapter and was staged by the Tahoka Chapter. As most of you know, there are always "favorites" and I believe that our group enjoyed the Lub-

bock Chapter most of all. It was a style show of "A Girl and Her Wardrobe." It showed all the new and beautiful styles of dresses, slacks, coats, suits, shoes and hats, told you when to wear them and how.

When the Lubbock Chapter had given their "show" there were several announcements and each of us were invited to lunch with the Lubbock Chapter.

After lunch we again returned to the auditorium where we took a part in the "sing song." All of those present, thirteen from O'Donnell attended the meeting.

But first, supposing I tell you something about the program that the Tahoka club was responsible for: "The new Lynn club had two songs—'Somewhere Over The Rainbow' and 'South of the Border.' The Lamesa club had two readings and as the O'Donnell club did not know of the change in the date of meeting until late, we were unable to have a very interesting program. However, we did manage to get up a reading on 'Thanksgiving Feasts of Early America,' given by Katharine Allen. The Tahoka Chapter gave a short pantomime and a song. After this interesting program I will tell you something of the business meeting.

The meeting was called to order by the Lamesa president, Addie Ruth Fulkerson. The new business attended to was the electing of the district officers. (We are very proud to have one of our school girls as a member of the officers; Miss Yvonne Westmoreland was elected secretary. Once more we are proud to say that O'Donnell has again been represented.)

U. S. Agents Seize Silver Bricks In Swindle Probe

FORT SUMNER, N. M.—A small fortune in bright bricks of silver is in Government custody, the outgrowth of what an agent of the secret service pronounced an attempted "gold bricks" swindle of a wealthy Texas banker.

The silver was dug up some weeks ago by a ranch hand and uncovered a fabulous yarn of buried treasure, ancient "maps" from Mexico, "hijacking" and high-pressure confidence work.

Emmett B. Hargett, agent of the secret service in Albuquerque, said the gold brick swindle allegedly had already been mulcted a West Texas banker and others of amounts thought to approach \$300,000.

The silver bricks, 38 of them valued around \$4,500, were held by the United States customs in El Paso as federal agencies considered what steps to take. No charges have been made, Hargett said, withholding names of those involved.

It was also understood the Treasury Department and Texas officers were looking into the case, although what action was contemplated was not disclosed.

Meanwhile Ferguson, Hargett said, maintained his right to the genuine silver bars by right of discovery and digging them up.

School Thanks

Merchant For Book Covers

Class presidents and school officials of the O'Donnell Independent School District this week extended their official thanks to Floyd Thompson, local business man, for furnishing the school with book covers for the second consecutive

term. Their letter to him read as follows:

"Dear Mr. Thompson:

"We would like to express our deep appreciation to you for again furnishing our school with good bookcovers. It is hard to realize just how convenient it is to have book covers furnished unless you have had the experience of hunting all over town for paper to cover books.

"We trust that in the future we may return a reciprocal courtesy, and most certainly we shall always remember your kindness.

Sincerely,

JUNIOR NEWS

The Juniors have received their class pins and are very proud of them. We are looking forward to a big Thanksgiving. We are all going to do better on our next six weeks, and be Seniors next year. After Thanksgiving we are all going to get down to business and study hard so we can enjoy Christmas holidays.

FRESHMEN

The Freshmen have lost six students but we still have a very large enrollment. This six weeks we didn't have many failures and next time we hope to have even fewer than we have now.

BAND NEWS

The band met Wednesday, November 28, and organized a club. The officers are as follows: President, Yvonne Westmoreland; vice-president, Noland Hall; secretary, Lena Mae Singleton; and reporter, Ruth Hall. Friday night we went on a hay ride and winder roast and had a very good time. We are planning many more good times of this sort. Mrs. Burks is the sponsor of this club and we are very glad to have such a good one.

SOPHOMORES

This six weeks the sophomores have really been studying and as a result we have a lot of A's and B's and very few C's. Of course we have a few failures but we expect to bring them up next six weeks. We are really studying and are going to make as good grades if not better than any other class of school.

SENIORS

The Senior Class is making preparations to have their pictures taken. There is to be a class panel made one for each individual and one large panel to go to the school.

We are sorry to lose another one of our classmates, Clois Walls. This was the starting of his second year here.

We have completed our second six weeks exams with satisfactory reports.

We are looking forward to Thursday and Friday which we will get for our Thanksgiving holidays. Everyone is expecting a good time.

BRIDGE LUNCHEON HELD IN ROBINSON HOME

Tuesday Bridge Club members observed "Thanksgiving" Day on Thursday with a covered dish luncheon followed by bridge games in the afternoon in the home of Mrs. L. E. Robinson.

The usual Thanksgiving dinner was served in the dining room, where red and cream roses arranged in a crystal bowl placed on a reflector formed the centerpiece for the table. Red cathedral tapers in crystal candelabra were also used as decorations.

In bridge games which followed luncheon, Mrs. J. M. Noble, Jr. won high score. Mrs. Robinson and Miss Thelma Palmer won prizes. Pumpkin pie was served at the conclusion. Names were drawn for gifts at the annual club Christmas party, which will be held during the week before Christmas.

Those present for the delightful occasion were: Meses Bradley

Campbell, Forgy, Hafer, Hender-son, Hoffman, Jordan, Noble, Whitsett, Wells, Miss Palmer and the hostess.

ACE-HI BRIDGE CLUB HAS LUNCHEON PARTY

Ace-Hi Bridge Club celebrated its second anniversary last Wednesday with a Thanksgiving luncheon and bridge party in the home of Miss Jim Ellen Wells.

The dining table was beautifully decorated with roses forming the center piece and guarded by small turkeys. Rosebuds were used as plate favors. After a delicious luncheon of cranberry sherbet, chicken, dressing, potatoes au-gratin, asparagus tips, hot rolls, coffee, and chocolate sundae, guests enjoyed bridge games in the afternoon.

Mrs. D. O. Huddleston won high score. Mrs. J. W. Davis, second high, and Mrs. Floyd Thompson bing. Those present were: Meses

Huddleston, Davis, Thompson, Winston, Gardenhire, Middleton, and Meses, Jim Ellen Wells and Dorothy Walls.

Doc Thompson, last year graduate now in school at Daniel Baker, spent the Thanksgiving holidays here with his parents.

Mr. and Mrs. Bill Phillips and family arrived last Wednesday night for a stay with relatives and friends here.
