Adams Resigns As Home Making Teacher

Mrs. Ann Adams of Tahoka has resigned as home economics teacher effective when a replacement is secured. As announced last week, Mrs. Chas. Cathey has resigned as special science teacher effective immediately. Mr. and Mrs. Cathey are moving to Levelland.

The school purchased \$4,000 in new furniture, and set a tentative budget for the approaching school year. Modern desks for six rooms in high school have been purchased to replace furniture used since 1936.

The high school now needs four teachers — home economics, commercial, science and history. Mr. Hollis of Gall is the new math teacher.

In the future the school may be moved to build or to buy some houses for its teachers. Presently there is not a vacant house in town and the utilities connections and heat office boxes are at an all time record high. The town population is estimated at 2200 — due largely to rapid increase of Mexican-American population in recent years.

A number of families employed by contractor building the Co-op elevator and those moving here to work in the new highway are living in Lamesa after seeking housing here.

Mr. and Mrs. E. C. Harris visited her mother, Mrs. W. F. Cathey at Fortale, N. M. over the week end.

Mr. and Mrs. Vernon Caswell and his mother, Mrs. Walter Caswell of Draw, Mr. and Mrs. Wes Caswell, Mrs. F. M. Jones, and Mrs. Kellis Davis & Kay attended the Montague reunion at Lubbock Sunday.

Mr. and Mrs. C. L. Tomlinson Jr. of Lubbock visited his mother, Mrs. C. L. Tomlinson Saturday. Kay remained here for a longer visit with her grandmother.

Elaine Clayton celebrated her 15th birthday Monday with a swimming party at Tahoka.

Mr. and Mrs. Sumner Clayton Jr. are visiting their son Mr. & Mrs. James Clayton and family in Washington (state).

Mrs. Effie Bazer and Mr. and Mrs. J. D. Putman family visited the E. M. Smith family at Lubbock Sunday.

Baptist Revival Set

Above is Rev. O. C. Curtis of Amabillo who will be the visiting evangelist at the revival at the First Baptist Church beginning July 27 and continuing thru Aug. 3rd. Services are at 10 a. m. and 8 p. m. The local pastor, Rev. Bill Barton will lead the singing.

1st Graders Need Birth Certificates

If you are the parent of a youngster who will start school for the first time this fall, you can help yourself and the State Department of Health by requesting a copy of his birth record now.

Most school systems require a birth certificate to prove the child was six years old on September 1. Making early requests for birth records, parents can save themselves needless anxiety, their children some missed classwork, and the Department a great deal of time.

Several hundred parents have already requested and received records of their children's birth, but tens of thousands of additional records will have to be processed between now and the time school doors swing open for the new term. If too many people delay until August as they usually do—the resulting bottleneck could very well mean your youngster will be barred when that first school bell rings.

The reason is obvious: The limited staff of the Division of Vital Statistics — despite long hours of night and week-end work without overtime pay — can search just so many files, extract just so many records, and photostat just so many copies in time for school's opening.

Birth record keepers shudder when they think of the 247,500 children—an estimate supplied by the Texas Educational Agency—who will be eligible to enter school for the first time this September.

Good Neighbors Plow Huffhines Field

One thing sure the W. E. Huffhines family have some mighty good neighbors. During the illness of Mrs. Huffhines their neighbors, Levi Gray and Lon Carroll have been looking after the Huffhines farm. One day last week they decided to plow the 200 acres needed plowing. Accordingly at 6 a. m. there were 10 tractors ready to go and the job was finished by 10 a. m. Mr. Huffhines had three tractors and two drivers. A. H. Koeniger furnished the extra driver. Seven tractors and drivers were furnished by Sam Neims, L. W. Barton, and Mr. Gray and Mr. Carroll. Some 15 other farmers wanted to get into the plowing party but were not needed. Mr. Carroll added, "Mighty good neighbors."

J. A. Hogg and family attended the J. D. Hogg reunion at Lubbock. About 130 persons registered being from Clovis, Muleshoe, Abilene, Lamesa, Ackerly, Lorenzo, Lubbock and here.

Mrs. B. L. Davis left Monday for a three week visit at Odgon, Utah.

Home Making Class Has A Busy Summer

Mrs. Lester Adams, homemaking teacher, reports that she has a total of twenty-nine high school homemaking students. The girls will get one-half credit for the summer course. Each girl is carrying out a project at home and Mrs. Adams is visiting each of the girls. The students are studying Furniture Refinishing, Food Preservation, Gardening, Home Decorating, Wardrobe Improvement, Child Care, Family Relationships, New Methods in Sewing, and Home Management. Mrs. Adams has conducted four weeks of summer classes at the home-making cottage. The girls were required to come to any two weeks of the classes.

Adult work is also being carried out. Any adult desiring to attend short courses in any of the areas of homemaking is asked to contact Mrs. Adams at the cottage. There is no charge for these courses. The equipment at the cottage is available to everyone. In order for Mrs. Adams to organize other classes it will be necessary to have a minimum of 10 enrolled for 6 hours or more. At the present time classes in "Understanding Your Teen-ager" are being considered, if parents wish to come to these parent discussions. There will be written material and films available for this study. Plans are also being made for a Hat Making (Millinery Workshop) to be held in August.

Crops Continue To Do Well

Irrigation of cotton has been started in many fields where lately no rain or only light showers have fallen. Following the rather severe wind burn, cotton is showing satisfactory growth and fruiting in most plantings.

Insects were reported present in increasing numbers in most fields. In a majority of fields population were not heavy. While scattered planting have been recently treated for control of insects, no locality has reported general use of insecticides.

Arips were present in light infestations on cotton in a majority of fields. Aphids were present in spotted heavy infestations in fields through the area. Fleahopper infestations were light to medium on cotton and only a small acreage has been treated. Bollworm eggs were present in small numbers in some localities. Cotton square borers were reported in light infestations.

Mrs. Lydia Hancock and granddaughter, Ruegean are visiting Mrs. Hancock's daughter in California

Sun Bathing May Be Harmful

It will arouse the wrath of sun worshippers, but this must be said: The healthful effects of a sunbath aren't worth the time and trouble it takes to get one. After all, a sunburn-like any other burn—is a manifestation of a skin injury. True, a sensible bask in the sun makes a fine mental pick-me-up, and there is no denying the supple appeal of a tawny figure. But to overdo it can lead to trouble. In fact it can kill you. More than one person has succumbed to prolonged and unaccustomed exposure to the sun.

Even at best, overexposure can mean two or three miserable days when a mere shirt or blouse is torture, and a friendly pat on the back can end in murder.

The medical term for sunburn is "erythema solaris." It's the ultraviolet light in sun rays which does the damage. And since clouds don't remove all ultra-violet rays, it's possible to get burned even on overcast days in mid-summer.

Some people are physically unable to tan. Known medically as "helio-phobes," they could spend the entire summer on Padre Island, and all they'd get would be blisters on their blisters. The reason: Their skins lack the pigment necessary to produce the tan tint. They've never had a tan and they never will, so they ought never attempt one. Each new exposure will only mean a new burn.

Miss Schooler Weds Mr. Guin

Miss Jerry (Sis) Schooler, daughter of Mr. and Mrs. C. C. Schooler became the bride of Homer (Son) Guin, son of Mr. and Mrs. I. F. Guin of Wingate. The vows were exchanged Saturday evening at 8 p. m. at the home of the bride's parents east of town with Carl Cain, Minister of the local Church of Christ reading the vows.

The bride was given in marriage by her father and her attendant was Jenny Jo Schooler of Lamesa. Best man was Harold Hook of Lamesa.

After a wedding trip to Arizona the couple will be at home at headquarters of T Bar Ranch near Tahoka. The bride finished high school here in 1949 and served three years in Air Corps. Mr. Guin was deputy sheriff here until a few months ago.

The bride wore a white linen sheath dress with white accessories. She carried a white orchid on a white Bible.

Distant wedding guest included Mr. and Mrs. Calvin Fritz and Mr. and Mrs. Don Fritz of Denver, Colo. and Cass Edwards of Ft. Worth.

Fire Dept. Busy

The local fire department answered three calls in two days. Sunday morning at about 6 the fire boys responded to a call to restore Brunette farm about 2 miles north on Lamesa highway where a stack of feed valued at \$200 burned.

Monday morning the department answered a call to C. D. Childress farm west of town where a car was burning. Monday afternoon a call was made to Wilbur Line residence where a faulty electric outlet burned some blankets.

Mrs. Kellis Davis & Kay of Big Spring are here visiting her parents while Mr. Davis is attending National Guard Camp.

Letters To Editor

Ike is my shepherd, I am in want. He maketh me to lie down on park benches. He leadeth me beside still-ed factories. He restoreth my faith in the Republican Party. He guideth me in the path of unemployment for his same sake. Yea though I walk through the valley of soup kitchens I am hungry, I fear evil. Thou are against me. Thou anointest my income with taxes, so my expenses run over my income. Surely poverty and hard luck shall follow me all the days of the Republican administration and I shall live in the poor house.

(We dare you to print this — a reader) Ed. note — this is "old hat" the same ditty was written about FDR in 1930's)

S. S. News Given

Some aged wives and widows who are separated but not divorced from their husbands could be receiving monthly social security benefits on the basis of their husbands' work if they would come in and file application, John G. Hutton, district social security manager, said today.

A 1957 change in the law did away with the requirement that a wife must be living with or supported by her husband when she files application, and that a widow must have been living with or supported by her husband at the time of his death. Now, a 42 year old wife or widow may be eligible for a monthly benefit merely on the basis of a legal marriage that is still in existence—even though they may have been separated for many years and are at opposite ends of the country. There has been no change in the law with respect to the provision that a wife can receive monthly benefits only if her husband is also receiving his benefit.

Aged wives and widows who believe they can qualify for benefits as a result of this change in the law should contact us promptly to determine what their rights are, Hutton concluded.

Shrinks Hemorrhoids Without Surgery

Science finds healing substance that relieves pain—Shrinks Hemorrhoids

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, with gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Hemorrhoids have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H. At all drug counters—money back guarantee.

...to help you get the most efficient cooling from your REFRIGERATED ROOM AIR CONDITIONER

Cool only an area within the size your unit is designed to cool. When cooling a larger area, the unit is overworked and its efficiency is lowered.

Keep air filters clean. Clogged filters lower efficiency of the unit and cause it to use more electricity.

Insulate ceiling area above room being cooled. Insulation keeps hot air out, cool air in.

Locate unit in shade if possible. The north side of house is best followed by east, south and west. Proper shading of unit increases its efficiency.

Properly regulate intake of outside air. This is important to operat-

ing efficiency of your unit. Follow manufacturer's instruction carefully.

Keep out direct sun rays. They bring in heat which your unit must work extra hard to remove. Awnings over your windows will help.

An automatic thermostat recommended to hold room temperature to 78 to 80 degree level recommended for comfort. Each degree below 78 degrees increases power consumption unnecessarily.

Remember, too, that operating cost is governed by hours of use. Turn off your unit when you expect to be away for several hours. You can quickly lower the temperature when you return.

An Electric Refrigerated Room Air Conditioner is a wonderful comfort during hot summer weather. Follow Reddy's tips and make the most efficient use of your unit. LIVE BETTER

Blue-footed Man Nerves Texas

The colorful language of the 4th TRUMPET... others... S. W. M. ... speaking of Blakley's service U. S. Senator in 1957, the Dallas News said: "... If he were unassuming as an old boot, it is nevertheless a well polished boot that never wobbled or wavered from its purposeful path. This man Blakley is a sure-footed man who knows exactly where he stands and what he believes." Texans will vote to return William A. Blakley to the Senate on July 26 because he truly represents the spirit, traditions and views of all Texas.

New Senate Hand Aided Democrats

When William A. Blakley was appointed to the U. S. Senate in 1957, he was a political unknown in Texas. But Washington awaited his arrival with great interest. So close was the party balance in the Senate that Blakley's vote was the difference between Democratic and Republican control.

True to his Democratic tradition, Bill Blakley voted with his fellow Democrats. They have been in control ever since.

Now Bill Blakley seeks his first elective term in the U. S. Senate. A vote for Blakley is a vote for sound, Democratic government.

V. A. Quiz

Q—I'm a World War Two veteran with a GI insurance policy. I also draw disability compensation of \$65 a month. Instead of sending in my insurance premium every month can I just have VA deduct it from my compensation?
 A—Yes. So long as disability compensation checks are large enough to cover premiums, you may apply to VA to have premiums taken out of monthly compensation checks.
 Q—I have been taking a general science course under the GI Bill, with science teaching as my objective. This summer I'm going to work in an electronics equipment plant and have been told I can qualify for a teaching position in their training division later on, if I take more math and nuclear physics in my classes next year and the year after. Would that be considered a change of course by VA?
 A—No. As long as your final goal remains the same, a change in subjects would not be considered a change of course.
 Q—I am the widow of a World War Two veteran who never used his GI loan privilege. I have never remarried. Recently I noticed that the deadline for loan applications by World War Two veterans had

been extended to July 25, 1960. Does that mean that my right to apply for a loan was also extended?
 A—Yes. Eligible unmarried widows of World War Two veterans have until July 25, 1960, to apply.

Low-price 3?

not for me . . .

. . . not after we heard about Mercury's new money-saver.

Do YOU know about Mercury's new low-priced series? Then listen. You can own this brand-new Mercury — fully equipped with Automatic Transmission, Power Steering, Radio and Heater — at a price that comes mighty close to similarly equipped "low-price 3" cars. What's more, the all-new high-economy V-8 engine will deliver gas mileage you'll boast about. Come in today — get prestige-car size, luxury and craftsmanship without a big jolt to your wallet.

HELP WANTED?

Mrs. Housewife . . . if you wind up washday feeling "all washed out" yourself, we recommend hiring domestic help. For as little as \$2.64 a year for a family of four, you can enjoy the services of a handsome helper who will take over the tiresome task of drying your clothes . . . one who will work quickly, quietly and efficiently . . . carry out your orders to the letter . . . and be at your disposal day or night, rain or shine. For references, contact us . . . then visit your gas appliance dealer and have him install a glamorous new GAS clothes dryer in your home.

Blakley Story Is Typically Texan

The typical American story is of the poor boy who made good through his own efforts. This is the story of Bill Blakley, born in a covered wagon while his parents were on their way to homestead in Oklahoma territory. He has come a long way in 59 years. Said the Austin American-Statesman, when William A. Blakley announced for the Senate:

"He was a top-hand cowboy; he was a crackerjack bank clerk; he was an exceptionally good accountant and lawyer. We have an idea that he is going to be a refreshing, able political candidate. He would make a great United States Senator."

Vote for Bill Blakley on July 26 — an able man whose only ambition is to serve all of Texas.

MEATY CHEESE BAKE

8 slices white bread (2 days old)
12-oz. can luncheon meat
4 slices process American cheese, 3x4 1/2-in. thick
1 Tablespoon soft butter or margarine
3/4 cup PET instant (in dry form)
1/2 teaspoon dry mustard
1/4 teaspoon salt
few grains paprika
1 1/2 cups water
2 eggs, slightly beaten

Trim crusts from bread, then put 4 slices in bottom of a greased 8-in. square baking pan. Cut luncheon meat into 5 slices, starting from the narrow side. Arrange on bread slices, then cover with cheese slices. Top with rest of bread. Spread butter over top. Mix PET instant with mustard, salt and paprika in a 1 qt. bowl. Stir in gradually water and eggs. Pour mixture over bread and cheese. Let stand about 15 to 20 minutes. Bake in center of 350 oven (moderate) about 50 minutes, until golden brown. Serve at once. Makes 4 servings.
