Harmony Sports Good Record In 6-Man Football

This being the first year six-man football was played in the Texas Interscholastic League, everyone was wondering just what it would be like.

For those who saw Mr. L. D. Spradling's team in action during the season just ended, there is no doubt that there are just as many thrills in the game as there are in eleven man football.

Mr. Spradling developed some sensational plays which held the spectators breathless.

Some of his plays were long as well as short passes, reverse plays, line shifts, backfield laterals and many others which were carried out to perfection.

Harmony won every game in its class in the conference.

Only one school beat Harmony's team and that was a much larger aggregation, an affiliated high school.

The total scores for the season were: Harmony 169, All Others 24.

Lubbock Firm Buys McCarty Stock For 40c On Dollar

A stock of dry goods merchandise, valued at approximately \$18,000, was thrown on sale here today by the Southern Trading company, successors to the McCarty Dry Goods.

In addition to selecting the PRESS to advertise the sale, H. H. Holmes, manager in charge, also ordered two thousand circulars from the PRESS job department of the advertisement. Copy was given the printers Tuesday morning and the circulars delivered that night.

The sale circulars for the Southern Trading company of Lubbock were the first the PRESS has printed since the \$5,000 printing equipment was moved into O'Donnell last spring.

PRESENT PLAN NOT APPROVED BY LOT FARMERS

Entire Setup Federal Control Urged By Administration

Farmers of this section will march to their respective voting places next Saturday and will express their sentiments regarding the proposed cotton quota plan.

Cotton growers over the nation ballot Saturday whether quotas should remain on the crop.

There are eight voting places in Lynn county, as follows: Wilson, Grassland, Draw, Wells, Goddard, Tahoka, O'Donnell, New Home and Lakeview, according to C. A. Lawrence, assistant county agent.

Polis will open not later than 9 a.m. and will close not earlier than 5 p.m. All farmers who are eligible are urged to vote.

Both landlords and tenants will be eligible to vote, but landlord will be entitled to only one vote regardless of the number of farms he owns.

Farmers will be asked, in effect, Do you want to go ahead with what you grow to get more for what you grow by holding down production?

"Yes," quotas will be set for the amount of cotton, rice and three types of tobacco to be sold next year.

FARM INCOME FOR OCTOBER SHOWS DECLINE

Texas farmers pocketed far less cash income in October than they did in the same month last year. The Bureau of Business Research of the University of Texas reported today income from agriculture in October was \$58,270,000, compared with \$71,178,000 for the same month in 1937 and \$101,000,000 for the October average in the 1928-32 base period.

After adjustment for seasonal variation the October index was 37.5, compared with 66.3 in September and 70.2 in October last year.

Most of the decline was attributed to a decrease of income from cotton and cotton seed, the bureau said. Income from livestock and livestock products in October was practically equal to that of a year ago.

NOBODY'S BUSINESS

BY JULIAN CAPERA JR.

AUSTIN.—The "kitchen cabinet" group of citizen-advisors who will tell the Governor how to run the State—has long been a dream of certain candidates who aspired to the State's highest office. Tom Hunter was the first to make the kitchen cabinet a campaign issue, way back when he made the first of his many unsuccessful races for Governor. This week the kitchen cabinet became a reality, as a group of 34 Texans—mostly business and professional executives who have made outstanding successes of their own lives—sembled at Fort Worth for a secret conference closed to the press, with Gov. Ellet W. Lee O'Daniel.

The Governor-Elect announced personnel of the cabinet with considerable publicity, pointing out to those selected that their choosing was without political significance or pressure. The list included heads of utility corporations, major oil companies, educational institutions, wholesalers, an independent merchant, a labor paper editor, a hotel man, and the wife of a tenant farmer.

The committee will not be without some expert political advice, however, should the need arise. After the original list was announced, O'Daniel added the name of Captain J. F. Lucey of Dallas. Capt. Lucey, an oilman and asphalt refiner, was national campaign manager for Herbert Hoover in his pre-convention campaign in 1920, and again in 1928, he was manager for Hoover in five southwestern states, including Texas, which the Republican nominee carried, for the first Republican victory in a Texas national election, since the Civil War.

Pension Plan Still Dark Out of his conferences with this group, O'Daniel may formulate some plan of raising money to pay promised pensions, for submission to the Legislature, although he has said he will not reveal his program in advance of his first message to the solons. State Auditor King, completing an audit of the Pension Fund's operations for the year, revealed that to pay even \$15 a month to all Texans over 65, estimated to number 284,742, will cost a total of \$51,250,000 annually, or about \$42,000 more than the present pension cost. About 115,000 pensioners now on the rolls receive an average of \$13.50 per month each. At present, Texas pensions 392 persons per 1,000 over 65, being outranked by only four States, Oklahoma, Utah, Colorado and Montana in percentage of aged pensioned. Only two states—Illinois and California—actually pension a larger number of aged persons than Texas.

Journalist Urges Force Isaac Marcosson, noted author, lecturer and student of world affairs, who has interviewed virtually every important world political figure for 20 years, commented on the position of the United States in Latin-America while in Austin for a lecture. He praised a proposal by Senator Clint Small and other Texas legislators to seek adoption of a resolution asking the State Department to take more aggressive action on Mexican seizure of land and oil properties belonging to Americans.

"Mexico is like the European dictatorships," he said, "where the United States should use. The problems never will be satisfactorily solved under this fantastic Good Neighbor policy." Benefit Aids Refugees A generous gesture to aid the thousands of European Jews who are suffering medieval persecution in European states were the benefit performances held this week in the 137 Interstate theatres of Texas, Arizona and New Mexico. The benefit showings were 100 percent for the cause named, all expenses being paid by the theatre circuit, and the entire gross receipts going to the sufferers. The plan was typical of Karl Hobbizelle, whose wide-spread charitable and civic contributions are usually masked behind his extreme modesty, and given little or no publicity. Bob O'Donnell, Hobbizelle's able associate, worked out details of the circuit-wide benefit performances.

Economy Move Balked Austin observers were slightly amused, after all of the economy talk that has been going around, when Railroad Commissioner Lon A. Smith, and Commissioner Ellet Jerry Sadler were offered a "show-down" on a real economy move this week, and backed away hurriedly. Smith and Sadler have been filling the newspapers with announcements of the firing of various appointees of retiring Commissioner C. V. Terrell, and the appointment of their successors.

Returned From Hospital Friends of Mrs. M. E. Pearce will be happy to know that she was returned to her home from a Lubbock hospital Wednesday. Mrs. Pearce underwent an operation for the relief of sinus trouble and is reported as being improved.

dropped. Secretary of State Ed Clark and Railroad Commissioner C. V. Terrell will join the ranks of those practicing law in Austin after January 1, Clark probably in partnership with Everett L. Looney, a former assistant to Gov. Allied ad Nobodys bus. . . . A when the latter was Attorney General. . . . Official launching of the Garner-for-President boom was staged Monday at Detroit, Garner's old home, with Roy Miller, of Corpus Christi, Garner's close political friend, directing the show. . . . Bascom Giles, new Land Commissioner-elect, made a hit with the Senate economy committee when he asked for a budget \$13,000 less than the current figure for his first year in office, as a contribution to the economy movement. . . . The Senate economy committee will recommend appropriation bills with each employe and each salary listed separately, so the Governor may abolish any job he sees fit, by vetoing the salary appropriation for that position, without killing the bill. . . . The Supreme Court will pass finally upon the highly controversial Polk County vacancy suits, which were a campaign issue in the Land Office and other races this summer. The court agreed to review the decision of the Beaumont Court of Appeals, which ruled in favor of the land holder, and against the vacancy claimants.

Smith hurriedly announced he thought it would be "bad taste" to set on the matter with Sadler not yet in office, and the matter was

World's most modern tractor.

MINNEAPOLIS-MOLINE
TRACTION & MOTOR DIVISION
SEE YOUR M M DEALER

Again MINNEAPOLIS-MOLINE steps ahead and OPENS THE DOOR to a revolutionary advance in farm tractors. OPENS THE DOOR and seats the farmer in a cab as comfortable as that of his modern automobile. Of course, the MM is more than a tractor with a cab—it's a "COMFORTRACTOR" with a cab as much a part of it as the cab on an automobile. There are comfortable cushion seats for two in the roomy air ventilated and temperature controlled cab with a hot water heater in cold weather and air circulation in hot weather. COMFORTABLY seated away from the dust and elements, the farmer has at his command FIVE SPEEDS forward—from a crawl to 40 M. P. H. Gears can be shifted "on the go". The variable speed governor is controlled like a foot pedal. Before the operator the speedometer, ammeter, oil pressure gauge, and water temperature gauge. Almost any convenience he may name is at his command including such luxuries as a radio and a cigar lighter. A self-starter and powerful electric head lights obey his touch. For right work there is a powerful spot light controlled from the cab that can be turned in any direction. Naturally, POWER and UTILITY have not been sacrificed to modern conveniences, and the new Special DE LUXE Model MM Tractor promises performance records as astonishing as its comfort features. SAFETY, TOO, has been a watchword. The Cab is made of Steel. Safety glass has been used throughout. Vision is excellent.

Tested and proved for several years in the Mohave Desert and under many other tough farming conditions we offer you this modern MM tractor that has every modern feature of the modern automobiles. Windshield wipers, and an electric horn respond to a touch. Bendix "self-energizing" brakes and smooth action clutch are foot operated. See the heavy duty bumper, fenders, front and rear, and many other features you'll want to read all about. HIGH COMPENSATION for using regular "lead" gasoline is standard equipment for this 3-4 plow tractor with special equipment for every need on belt, power-take-off and on the drawbar and on the highway.

O'DONNELL WELL SPUDED IN

The Daw-Tex Oil company spudded in its O'Donnell well last week, located eight miles southwest on the Neely farm, section 28, block 34, Dawson county. Lester Gwinn, Denver, is head of the company now drilling its first test near O'Donnell.

Concrete Cellar Is Constructed At Home Of C. H. Doak

A concrete cellar has been built by C. H. Doak at his home here, and will be open for use of anyone in case of storm. The cellar is sturdily constructed, and built to withstand any blow that might possibly come. "The door will be open to anyone," Mr. Doak remarked when showing the writer the new cellar.

Hafers Moving To O'Donnell

(From Lynn County News)

Mr. and Mrs. C. L. Hafer sold their home in northwest Tahoka to Mr. and Mrs. E. S. Evans and moved Wednesday to O'Donnell, where Mr. Hafer becomes local manager of the West Texas Gas Co.

For several years Mr. Hafer has been district manager and has resided here, but recently the Company has seen fit to make some changes in its set-up, abolishing the position of district manager, and necessitating the transfer of Mr. Hafer to another position. Many of the duties heretofore performed by Mr. Hafer will hereafter devolve upon Charley Walden, local manager in Tahoka, we understand. Mr. and Mrs. Evans are moving into their new home, the former Hafer residence.

Out-of-Town Relatives Attended McLaurin Funeral

Mr. and Mrs. R. L. Northam of Ropesville spent several days last week with her sister, Mrs. J. B. Curtis.

From Arizona

Hobart Jordan of Holbrook, Arizona, visited in the home of his brother, Harvey Jordan, and Mrs. Jordan the past weekend.

Visited In Levelland

Mr. and Mrs. W. T. Huff were in Levelland Sunday visiting with Mr. and Mrs. John Steele.

Visited Brother In Hospital

Mr. and Mrs. John A. Minor were in Lubbock this week where they were called by the serious illness of Mrs. Minor's brother, Clyde Jackson of Levelland. Mr. Jackson has been suffering from tetanus.

In Lubbock

Mr. and Mrs. Edwin Sturges were in Lubbock Tuesday.

Return From Oklahoma

Mr. and Mrs. Lyle Pugh and Delores have returned from Hollis, Okla., where they were called by the serious illness of Mrs. Pugh's sister.

Returned To Abilene

Mr. and Mrs. C. H. Doak returned last Friday to Abilene, where they had spent the last month. Mr. Doak was much improved in health.

NEWS BRIEFS

Miss Ethel von Becker, who spoke at the Baptist Church Sunday night, went to Tahoka Monday. The Rev. and Mrs. J. A. Lunsford accompanied her there enroute to Lubbock where they spent the day.

Mrs. Waldo McLaurin and her daughter, Mrs. J. T. Middleton Jr., and Mrs. D. M. Conger were in Lubbock Monday.

Mr. and Mrs. John Edwards made a business trip to Lubbock Wednesday.

Gilbert Northam has returned to his home in Ropesville after being employed here for some time.

Mr. and Mrs. Byron Curtis and family and Garland Curtis of Tahoka spent Sunday here in the home of their mother, Mrs. J. E. Curtis.

SHEEP NEED THREE MINERALS

H. M. Briggs, Animal Husbandry specialist, A. and M. College, Stillwater, Oklahoma, in a recent discussion of the needs of sheep, especially the ewe preparing to lamb, advised as follows:

The ewe that is preparing to lamb has considerable drain on her system for minerals and should be furnished mineral supplements to keep her strong during the latter stages of pregnancy and the first part of the lactation period.

Sheep need three minerals. Salt is important for proper digestion and when furnished, the sodium requirements of the ewe are adequately supplied. Sheep also require considerable phosphorous and calcium for the development of good strong bone, strong healthy lambs, ample milk production, and good fleece production. Calcium can be supplied in the form of finely ground limestone and phosphorous is supplied in steamed bone meal.

Equal parts of steamed bone meal, finely ground limestone, and salt, when placed before sheep at all times, adequately meet the mineral needs. It is also well to supply salt in an adjacent box. Both mineral and salt should be kept out of the wind and rain in a place where the sheep can have access to it at all times.

Stiffness and weakness developing in ewes, particularly in the hind legs, after they have become heavy in lamb is apparently due to a mineral deficiency. It can be prevented by using the recommended mineral mixture.

Mineral feeding costs very little and is always an excellent insurance.

Anne Westmoreland Crowned Queen At Football Banquet

Coach Pete Cawthorn of the football team, which combined football and basketball banquet was held last night.

Anne Westmoreland, a junior student and daughter of Mrs. Fay Westmoreland, was crowned football queen at the banquet.

Robinson Jr. was escort of Westmoreland, who was crowned in Dubonnet with a corsage of roses.

The crown which was placed on her head by Dr. Westmoreland, was set with jewels. Miss Westmoreland made a short speech to the guests.

Her escorts were Terry Hunt and Doc

The scene of the banquet was the central hall of the high school building.

Table decorations were lighted candles of yellow and white, further decorations were unique place cards which were suspended from miniature dolls at each place, and colorful nut cups.

Combined programs and menus were lettered on golden footballs.

The program was interesting and varied. Following the invocation, Toastmaster S. F. Johnson gave greetings and Toastmistress Melba Harris responded.

During the savory three-course dinner the Pep Squad gave seven numbers. Shan Ganitt gave a song to the Eagles and L. E. Robinson Jr. responded.

Other numbers included readings by Nila Rae Miller and Katherine Allen, song and accordion duet by Mr. and Mrs. Wilson, and a song by Louise and Geraldine Haney.

Guest speaker Coach Cawthorn gave a short but interesting talk directed to the Eagles.

Coach D. M. Conger then presented sweaters to the football boys and Doc Thompson presented a coach's jacket to Coach Conger.

"We're Loyal To You" was sung by the Pep Squad and "Goodbye" was said by Ila D. Skinner.

About 85 guests were present, including the guest speaker, Pep Squad, football players and the faculty.

The banquet was prepared by the W. M. S. of the Methodist church and served by the high school students.

Sew And Chatter Club Met Thursday With Mrs. Fritz

Members of the Sew and Chatter Needle club were delightfully entertained last Thursday in the home of Mrs. Calvin Fritz.

Sewing and needle work were the diversion for the afternoon.

Concluding the hour's sewing a very delicious refreshment plate was passed.

Attending were Mesdames Ralph Blanton, D. M. Conger, Stansell Jones, Loye Frazier, Harvey Line, Frank Shumake, Marie Jordan, Hollis Hunt, Roy Miles, and Allen Crowley.

Two guests, Mrs. Will Edd Tredway and Mrs. W. R. Tune, were present.

Mrs. William G. Forgy Is Tuesday Club Hostess

With three guests playing substitute hands, members of the Tuesday Bridge Club met with Mrs. William G. Forgy at her home on East Seventh street.

A Christmas theme was stressed in the table appointments and again in the prize wrappings.

Mrs. Hervey von Gardenhire won high score prize, Mrs. Charles N. Hoffman and Miss Thelma Palmer won slam prizes.

At the tea hour a refreshment plate that held shrimp salad, toasted sandwiches, date cookies and coffee was passed.

Others present than the above mentioned were Mesdames Fred Henderson, Guy Bradley, Newell Campbell, Marshall Whitsett, E. T. Wells, G. B. Johnson and Floyd Thompson.

A business meeting was held at the conclusion of the party. Plans were made for the annual Christmas dinner for the club.

Mrs. Fred Henderson will entertain the club at her home on East Sixth street next Tuesday.

Ace-Hi Club Met With Miss Wells

In her home on North Small street, Miss Jim Ellen Wells delightfully entertained members and guests of the Ace-Hi Club Wednesday.

Bridge appointments featuring the Yuletide motif were effectively used.

A most delicious refreshment plate was passed, concluding the usual games of contract.

Mrs. Floyd Thompson won high score prize, Mrs. Newell Hughes bingo and Mrs. Jack Glenn Cathey low.

Members were Mesdames Hervey von Gardenhire, D. M. Conger, Ralph Blanton, J. T. Middleton Jr., Floyd Thompson, Grant Winston, Edwin Sturges; and guests, Mesdames Newell Hughes, Harvey Jordan, Jack Glenn Cathey and Miss Thelma Palmer.

Mrs. Grant Winston will be hostess next week at her home on East Seventh street.

Junior G. A. Group Plan For Christmas Party

Meeting with their counselor, Mrs. J. A. Lunsford, the Junior G. A. met at the Baptist Church Monday afternoon.

Plans were made for the study course and also for the Christmas party which will be held Dec. 20 when an exchange of gifts and a party will be given.

At the conclusion of the meeting, the group practiced Christmas carols.

Attending were Betty Joyce and Dorothy Smith, Pat Burns, Sarah Dean Archer, Jean Hodges, Dorris Ballew, Ina Merle and John Ellen Beach, Joyce and Edna Edwards and a new member, Joyce Fay Williams.

Sunbeams Give Christmas Play

Mrs. Lyle Pugh met with the Sunbeams Monday at the Baptist Church for their weekly meeting.

The lesson topic was from "Week of Prayer for Foreign Missions," "The Lottie Moon" Christmas offering was taken.

"Christmas For Christ," a playlet, was given by eleven children. A story, "Give and Take," was read.

Present were Bobby Vaughn, Leonard and Donald Ray Mires, Charles, Cecil, Buster and Billy McKee, Dolores Nell Pugh, Peggy Beach, Carylon Middleton, Julia and Patsy Edwards.

In Lubbock

Mrs. W. L. Palmer and daughters, Mrs. Fay Westmoreland and Miss Thelma Palmer, were in Lubbock Monday.

SAFE DRIVING URGED DURING THIS MONTH

AUSTIN, Dec. 7. — With the most dangerous traffic month of the year facing motorists and pedestrians state safety department officials pleaded today for close observance of traffic rules in December.

Homer Garrison Jr., safety director, recounting that 230 people died in traffic crashes in December last year, pointed to the Christmas holidays as the heaviest traffic period of the year during which the death rate leaps upward.

Texas highway patrolmen — a force limited to 300 men — will work double shifts during most of the month to deter reckless drivers on a strict enforcement drive. Referring to the 20 per cent decrease in fatalities in Texas since the beginning of the year, Garrison pleaded for drivers and pedestrians to be alert to the hazards that will confront them with shortened daylight periods, murky and

cold weather, heavier traffic and wet pavement to combat.

He was joined in the plea by Chairman W. H. Richardson Jr. of the safety commission.

"Texas, like other states, is faced with a possibly heavier death and destruction month in December," Chairman Richardson said. "Motorists must cut their speeds appreciably and be alert to impending traffic disasters. Pedestrians should walk with heads up, eyes toward approaching vehicles, cross only at proper places and be careful in darkness."

Garrison added that a sharp death reduction in December would bring to Texas a fatality drop of more than 400 persons for the year, "a great saving in human lives."

WHOOPING COUGH SPREADS RAPIDLY

AUSTIN.—"Some communicable diseases are measurably controllable from a public point of view. However, whooping cough is not one of them. It appears and spreads rapidly despite every effort to hold it in check. Because of the great difficulty in applying effective measures, many parents consider this childhood trouble as inevitable. They foolishly argue that since their child is bound to get it sooner or later, the better, states Dr. Geo. Cox, state health officer.

"It is true that many older children do not appear to suffer serious consequences from this disease, nevertheless in this group pneumonia and tuberculosis sometimes follow in its wake, which is serious enough. But when the attack is experienced by the very young, it is likely to be extremely dangerous. For example, of the whooping cough deaths in Texas during 1957, totaling 237, ninety-five per cent were under five years of age," Dr. Cox pointed out.

"While it is impossible to keep children from other youngsters, parents must realize that a cold actually may be the forerunner of whooping cough. Once this possibility is appreciated, a physician will be summoned when a cold is in evidence and the child prevented from mingling with other children. It should be understood that it is at this period of the attack, usually before a diagnosis has been made, that whooping cough is most contagious. This rule may seem unduly harsh. However, if parents would apply it, there is reason to believe that the whooping cough incidence would decline, and perhaps markedly so. And in this connection, the necessity for early recognition of the disease in very young infants cannot be stressed too strongly.

"As it now stands, in most instances physicians and health officials have no knowledge of the case until the disease is well defined and usually noted by the parents themselves through the characteristic "whoop" in the cough. By that time the child has contacted many children and has been the spreader of the infection. Moreover, the possible damage to the youngster himself through this delay has been increased.

At best, whooping cough is a mean antagonist. It requires the wholehearted and prompt cooperation not only on the part of the physicians and public-health officials but by parents also. Until this happy combination is more generally recognized the likelihood of definitely diminishing the present power of whooping cough will continue to be slim.

Mr. and Mrs. Morris Northon and family spent Sunday in Slaton visiting her parents.

CHRISTMAS SEAL SUPPORT URGED BY GOVERNOR

SEALS OF HEALTH TO BE
USED TO BRADICATE
TUBERCULOSIS

Widespread support of the Christmas Seal Sale which finances the work of the national, state and local tuberculosis associations was urged last week in the following proclamation issued by Governor James V. Allred at Austin:

"The advent of the Christmas season with all its prospective pleasures brings to mind the joy and satisfaction arising from the ability to make others happy.

"For many years there has been conducted an annual nation-wide sale of Christmas Seals by the National Tuberculosis Association and its affiliated organizations, the proceeds of which furnish the financial means that aid and accelerate the triumphant endeavors of the medical profession and benevolent and charitable organizations to curb tuberculosis.

"Confronted as we are with the necessity of continuing this important battle, now that the fruits of victory have been achieved in large measure, as is indicated by statistics compiled by the National Tuberculosis Association and by various public and private instrumentalities which have undertaken in the interest of humanity to suppress completely this preventable and curable disease, to the end that future generations may profit and benefit by the diligent and determined efforts to regulate tuberculosis in the footsteps of medical history.

"Now, Therefore, I, James V. Allred, Governor of the State of Texas, do hereby proclaim and to all our people, The Annual Sale of Christmas Seals to be conducted from November 26th, 1938, to the beginning of the year 1939, at the same time urging them to lend every support to this great humanitarian endeavor by purchasing these 'seals of health' thus insuring that the benevolent work of eradicating tuberculosis may be consummated."

Believe it or not, you readers who are not engaged in business here, some stores want to close for certain holidays and let their employees off for a day, but are prevented most generally by not over one or two stores. Armistice Day, Thanksgiving, what have you, it is all the same. Talk is made of closing for the day—and boy do the plans because so-and-so just won't do it. Then to retaliate,

others stay open to keep the objection from really making any amount of money.

POT-SHOTS—Going higher—Ebel Irby, who was started out in the business at Haskell by the P.B.S.S. publisher, and who worked here for a short time as society editor, has just been offered, and has accepted, a like position on the Carlsbad, New Mexico morning daily of which Biggy Rigdon, whom we knew in Oklahoma, is editor. Miss Irby is a hard worker, has that "nose for news" and will take on more than her share of the work without copping to wonder if "it is what she is paid to do." . . . England and the United States have gone into a loving match via a trade treaty. Wonder what Mr. Stevens of South O'Donnell thinks of the arrangement. Stevens admires (?) the English. . . wgf—

As a reader of the Dallas News wrote into that publication, we, too, wonder why we've become so hostile at Germany over persecution of several hundred thousand Jews — and said nothing much about the murderous persecution of millions of Chinese? They're all human — reserve our profound sympathy. The answer to the question is that we do not have prominent Chinese as owners of our large daily newspapers, as movie tycoons, as leaders in our large banking houses, as state governors, et cetera.

If you think news will be scarce after January 1 in Texas—do a bit of checking up. W. Lee O'Daniel has named his board of counselors, and members of the incoming Legislature seem put out a bit. Says he has ignored them. Lee will need help and legislators were elected as the law-making body, so unless a change is made, look for fireworks at the capital city.

"My Skin Was Full of Pimples And Blotches from Constipation," says Verna Schlepp: "Since using Adierika the pimples are gone. My skin is smooth and glows with health." Adierika washes BOTH bowels, and relieves constipation that so often aggravates a bad complexion.
