

## Passes Anti-Oil Waste Bill

April 2.—Virtually the act of the Texas House was this behind the movement to re-enact and re-forestify state conservation laws.

The House on an urgent passed a bill drawn continued stabilization of oil control laws are immediately. Representative Albert of Vermilion declared.

Introduced two weeks ago ally response to Governor Allred's message to the Representative Albert of Vermilion declared.

Wilson placed third in the county race, but held first place in the gram school events.

Had O'Donnell students entered the debate contest, county honors would have been a toss up, but with 40 points not even contested for.

Before listing those students who competed for the local school, permit your hometown paper to again commend the effort and talent displayed by each individual.

Declamation: Senior girl, Sybil Pirtle, 2nd; Senior boy, Royce Skinner 1st; Junior Girl High School, Zhel Fritz, 1st; Junior Girl, Betty Rhea Caldwell, 2nd; Junior boy, Bart Anderson, 2nd.

Extemporaneous Speaking: Girl, Dorothy Walls, 2nd; Milford McMurtry, 1st for boys.

Senior spelling: Margaret and Norma Ruth Vermillion 1st; Junior spelling, Ruth Walker and Orbin Houchins 2nd.

Essay writing: Joyce Mae Maxwell 2nd.

Playground Ball, Junior girls 2nd. Choral Singing, second.

Track and Field Events: Frank Harris, Jr., youngest of the famous Burnett brothers trio, will make his brothers Hack and Dooner hard to catch in a few more years, as his record in track and field events is a gauge.

## Mrs. Whitsett's Father Dies at Mabank

The many friends of Mrs. Marshall Whitsett will regret to hear of the death of her father, L. C. Spikes, at Mabank, on Monday of this week.

Mrs. Whitsett is still convalescing from a relapse of flu and threatened pneumonia early in the year, and was physically unable to go to Mabank for the funeral.

The Index joins with other friends in extending sympathy to Mrs. Whitsett and to other members of the bereaved family.

## LOCAL STUDENTS WIN SECOND IN COUNTY MEET

Tahoka Given Close Race; O'Donnell Students Commended

Ringing up a total of 75 points toward allround county championship without entering debate, a department which counts 40 points in itself, students from the local school took second in the county meet.

Wilson placed third in the county race, but held first place in the gram school events.

Had O'Donnell students entered the debate contest, county honors would have been a toss up, but with 40 points not even contested for.

Before listing those students who competed for the local school, permit your hometown paper to again commend the effort and talent displayed by each individual.

Declamation: Senior girl, Sybil Pirtle, 2nd; Senior boy, Royce Skinner 1st; Junior Girl High School, Zhel Fritz, 1st; Junior Girl, Betty Rhea Caldwell, 2nd; Junior boy, Bart Anderson, 2nd.

Extemporaneous Speaking: Girl, Dorothy Walls, 2nd; Milford McMurtry, 1st for boys.

Senior spelling: Margaret and Norma Ruth Vermillion 1st; Junior spelling, Ruth Walker and Orbin Houchins 2nd.

Essay writing: Joyce Mae Maxwell 2nd.

Playground Ball, Junior girls 2nd. Choral Singing, second.

Track and Field Events: Frank Harris, Jr., youngest of the famous Burnett brothers trio, will make his brothers Hack and Dooner hard to catch in a few more years, as his record in track and field events is a gauge.

It is being unofficially rumored that O'Donnell may entertain the county meet next year, but further county meet and planning are in order before an announcement is made.

## April Showers

## Great Crowd Expected Here For Trades Day

### District Court To Convene At Lamesa Monday, April 15

District court will convene in Lamesa on Monday morning, April 15, with Judge Gordon B. McGuire presiding.

The following is the list of the Grand Jurors for the term: C. D. Applegate, W. D. Arnett, Cleve R. Austin, W. E. Bartlett, C. Baldwin, D. B. Boarden, C. N. Burton, A. F. Davenport, G. C. Futrell, E. A. Gieghorn, G. C. Hardesty, E. Speck, M. Hatch, H. L. Hohn, Owen T. Taylor, W. A. Burdine.

List of Petit Jurors Second Week: L. C. Compton, O. E. Witt, J. A. Dunn, W. H. Zecek, Ernest Carr, E. N. Miller, J. A. Tarter, J. C. Camp, George Parrott, Joe M. Peterson, L. F. Kennedy, Walter Barfoot, J. E. Henderson, L. W. Vardeman, A. B. Spradley, Erwin Wright, I. J. Brandon, G. C. Johnson, J. M. Cash, L. B. Thornton, Gus Schmidt, W. L. Bedwell, Joe Hancock, A. J. Thwaiter, E. J. Turner, Otto Reismayser, Sam Smith, Jeff Lee, W. T. Gearhart, W. H. Bekham, Grady Scott, Luther Stephens, Dan Corley, Charnell Jobe, D. Hull, J. D. Guye.

Petit Jurors for Third Week: Wade H. Bartlett, L. M. Pratt, J. R. Flanken, M. E. Boren, J. N. Lowmire, J. T. Pruitt, W. O. McKay, J. E. DuBoise, A. J. Yates, Fritz Vogel, John Hogg, H. E. Blair, R. C. Kilgore, Harve Burkett, F. J. Meary, J. A. Hanson, O. C. Speck, L. T. Shick, Cecil Bryant, D. S. Day, Matt McCall E. J. Waldrop, Amos Painter, E. A. Reid, T. E. Temple, L. M. Baxter, Don Carter, J. E. Hall, J. E. Jones, Nelson Cope, C. W. Nolen, J. O. Goodson, B. G. Calhoun, Claud Dean J. M. Riley, O. K. Shillingburg.

Petit Jurors for Fourth Week: J. F. O'Brien, L. B. Stuart, Frank Grissom, E. E. Barron, D. Huddle, J. W. Newbrough, Howard Moore, C. Whitmore, F. E. Patterson, Elmer Walls, R. F. Jackson, E. M. Felts, Mike Key, A. S. Albrook, J. R. Williams, Sam Alberson, Walter Thomas, R. T. Millican, J. H. Piere, C. S. Bowles, C. C. Morton, Tom Cooksey, J. H. Foster, Geo. Barkowsky, J. H. Barron, E. W. Hester, A. W. Matthews, John C. Barron, Eastwood, Audrey Cox, E. E. Anderson, Gay Wade, E. H. Stricklin, A. D. Brown, O. H. Preston, Truman Campbell.

Petit Jurors For Fifth Week: A. J. Sprabery, L. C. Burkhardt, B. H. Barnett, W. P. Stovall, Clyde Bailey, W. A. Lewis, A. M. Bennett, Geo. Cornett, R. J. Boardman, J. H. Bob Moore, M. B. Ashin, Roy Myers, McWhorter, W. G. Weeks, L. E. Echels, Bob Kirk, L. Ratton, Maurie Schell, J. E. Gary, H. C. Sires, Joe Snellgrove, Ira Robinson, O. H. Morris, J. E. Ray, Bill Roberts, Geo. Norman, Vernon Duke, Dewey Davis, M. Bishop, Clarence Martin, Geo. Jacks, W. H. Malone, Curtis Hodge, H. L. Sprull, Earl Esmond, Bob Havender.

### Business Men Invite Public to O'Donnell

Usual Attractions Offered Buyers At Weekly Event Saturday

Residents of Lynn and Dawson counties and particularly of our territory are again invited to come to O'Donnell Saturday for the regular weekly Trades Day and to profit by the many unusual bargains being offered by O'Donnell merchants.

The crowd last Saturday was far beyond expectations, and local merchants report a gratifying business throughout the day. The judges awarded the grand prize of \$45 to Mr. Jim Parker and the four smaller prizes were also awarded.

Present indications are that the crowd set Saturday will be even better than it has been in the past, due to the fact that more and more families are finding it pleasant and profitable to come to O'Donnell regularly. Drygoods and variety merchants, grocers and all have joined in offering an array of bargains which will fill right in those chinks in the old budget.

So, brothers and sisters, join the Big Parade, and come with the crowd to O'Donnell Saturday. IT PAYS TO TRADE IN O'DONNELL.

### Music Class Recital Postponed to Tuesday

We are asked to announce that because of the unavoidable absence of one of the class on the date previously announced, the recital in which the pupils of Mrs. A. W. Gibbs will be presented has been postponed from Friday evening of this week to Tuesday evening of next week.

Mrs. Gibbs regrets this change in date, but as it could not be helped she feels sure that the public will understand and cooperate in the matter. The program as it will be presented in the high school auditorium Tuesday evening of next week, will be as follows:

Piano Quartet, "Dixie Land"—Heath Cox, Hope Shook, Mmes. Gilbreath and Gibbs. Musical Play, "Jane Natural's Birthday Party". June Natural—June Gibson. Miss Cheer—Margaret Gibbs. Two Orphans—Stanley Cathey and Frank Stokes. Readers are asked to remember the change to Tuesday evening of next week. The public is cordially invited to come and hear the results of the year's work for the piano students.

## Asks That Tractor Lugs Not Be Used On County Roads

Commissioner Waldo McLaurin, acting with the consent and approval of the Commissioner's Court asks that the Index again remind tractor owners that lugs are very harmful to the surface of highways and lateral roads, and to request that lugs be removed from the wheels before tractors are driven on the county roads.

As everyone knows, it is hard enough under circumstances such as we have had this year, to keep roads passable at all and it becomes customary to drive tractors along the dump, with lugs digging in at every turn of the wheel, the task will be that much more difficult.

So please, Mr. Tractor Owner, if you plan to move your machine from one farm to another and will use any of the county roads in the process, won't you take those same lugs off before you start the trip?

## 8,476 Bales Cotton 1934 Crop for County

E. W. Holloway of the cotton department of the Bureau of Census at Washington, has kindly furnished us with some interesting statistics concerning Lynn county's cotton crop of 1934 as compared with that of 1933 and also compared with the final ginning totals of neighboring counties.

These figures, which are final, show that Lynn county ginned 8740 bales of cotton this year as compared with 8664 last year. Which will indicate a dear drought, that we have had a rough year.

Other figures, as given us by Mr. Holloway, are as follows:

County	1934	1933
Lamb	12,164	52,908
Comanche	11,544	12,811
Lynn	8,476	66,473
Hale	7,346	26,839
Dawson	5,775	8,538
Hockley	5,760	18,748
Lubbock	3,594	80,116
Crosby	4,974	57,871
Floyd	2,912	34,898
Garza	2,017	20,957

It will be noted from the above figures that these South Plains counties ginned only 66,592 bales from the crop of 1934 against 380,200 bales from the crop of 1933.

The total ginnings in Texas, according to Mr. Holloway, were 2,314,164 for the year 1934 against 4,200,275 for the year 1933.

## County Trustee Election Saturday

While local trustee elections are being held throughout the county, voters in the various districts are reminded that county trustees are also to be selected, Trustee from Precinct No. 1 is to be named, and one trustee at large.

The names of B. W. Baker of Precinct No. 1 and of Chester Connolly trustee-at-large, have been filed for reelection, but as we go to press, we have not been informed of others.

Other county trustees are B. M. Haymes of O'Donnell, S. L. Williams of Lakeview and W. W. Caswell of Draw.

## Spring Revival Draws Crowds and Interest

Good attendance and much interest are being accorded the annual Spring revival which opened last Friday evening at the Church of the Nazarene. Rev. James A. Gray of Big Spring is in charge of the worship services, with Bro. Buford Bruger leading the song services.

There are two services daily, one at ten thirty each morning and the evening service at eight o'clock. The good people of the church join with their pastor and with the evangelist in extending a warm personal invitation to everyone to come and take part in these services.

## IN LUBBOCK HOSPITAL

Mrs. Ruby Lee Williams, 17, daughter of Mr. and Mrs. W. W. Williams, was placed in West Texas Hospital at Lubbock Wednesday morning for treatment of an obscure nervous disorder. Tests of spinal fluid today are hoped to give some clues to the nature of the trouble. The Index joins with other friends in the hope that she may soon be fully recovered.

## Postmaster Makes Profit from Hobby

Hal Singleton, veteran postmaster, who is now in his 40th year of civil service and his 12th year as local postmaster believes that every family could be self supporting if its members would use some thought and expend some energy on worthwhile hobbies.

Using himself as an example, Mr. Singleton cites the fact that he and Mrs. Singleton have a weekly income of approximately \$18 from their hobby—raising white Leghorn chickens. That sum, he points out, makes a more than living wage for the average family. And Mrs. Singleton does practically all the work about the chickens in her spare time, looking after her household duties and filling in at her post office as well.

Mr. and Mrs. Singleton started their chicken business "little more than a year ago, and on a somewhat larger scale than would ordinarily be customary. At one time they had almost 2000 frying size chickens in the pens at their residence in the north part of town. These were sold by the dozen, or to individuals, the flock culled out, and now they have something like 200 or 225 laying hens, gathering about 150 eggs daily.

The hens are fed a very inexpensive ration, easily procured through local feed dealers, are kept in clean, warm quarters, with plenty of fresh drinking water, and every afternoon Postmaster and Mrs. Singleton take their baskets out to bring in the proceeds of their hobby. They usually ship three crates of eggs each week, at around \$6 per crate.

"Yes sir," said Mr. Singleton, "if a body will just use his head and his energy on some paying hobby, there is no reason why every family could not have at least a small income."

## Trustee Election Is Stated for Saturday

For the last time, attention of residents of the school district is called to the fact that two trustees are to be elected Saturday of this week, W. E. Singleton, treasurer of the board, and W. H. Harris are the retiring members.

As we go to press, we understand that no other names have been filed, and that apparently Messrs. Harris and Singleton will be renamed to these responsible positions without opposition.

Both men have devoted considerable time and thought to the duties which they have filled so faithfully, and while it may not be fair to them to draft them into service for another term, it seems that it would be a difficult task to find others who could do the work as well.

The election will be held at the grammar school building, the polls to be opened at 8 o'clock. Residents of the district are asked to mark their ballots at some time during these hours.

## New Moore Folks Report Good Meeting

Reports from the Fifth Sunday meeting held at New Moore on the week end indicate that this was a very pleasant and profitable revival season. Bro. O. D. Cox, the pastor, was present to direct proceedings, and Mr. Johnson, Mmes. J. B. Scarborough and Maudie Thomas as committeemen were also there to attend to their duties.

Eleven ministers were on the three day program, each of them making talks, and dinner on the ground Sunday was a very enjoyable part of the session.

## METHODIST CHURCH

Church School Day Service, Sunday, 11 A. M. Program: Song: "Hallelujah, Hallelujah." Prayer: "I Love Thy Kingdom, Lord" Song: "A Teaching Church" by B. M. Haymes.

Talk: "The Church School Day Offering" by W. J. Shook. Sermon: by the pastor, Rev. Geo. W. Montgomery. Song: "Give Of Your Best To The Master." Benediction.

**REPORTER'S SCHOOL HELD AT LUBBOCK**

Reporters should bring notebook and plenty of pencils to a club meeting," said Miss Minnie Fisher Cunningham, Extension Editor, to a dis-

trict meeting of the agents and reporter's school held in Lubbock on March 23rd.

Miss Madeline Cox, Demonstration Agent of Dawson county, gave a demonstration on cutting other patterns from the foundation pattern. Those

attending the school wrote a report of the demonstration according to the rules given by Miss Cunningham.

Miss Turner, editor of the society column of the Lubbock Avalanche-Journal gave a talk on sending in reports of the club meetings.

Lunch was served by the Home Economics girls.

Agents and reporters from ten counties were present. They were: Lubbock, Dawson, Lynn, Hockley, Castro, Lamb, Hale, Yoakum, Haskell and Parmer. Those in attendance from Lynn county were Silvia Robb, C. H. D. A., Mrs. Garland Pennington, Mrs. Joe Poindexter, Mrs. Harold Edwards, and Zelma Thraikill.

**CRETONE NO GOOD FOR MAKING CHAIR COVERS**

"Cretone should not be used in making covers for chairs" says Miss Robb, County Home Demonstration Agent of Lynn county to the Midway Home Demonstration Club meeting with Mrs. L. M. Draper on March 20. The alkali in the air soon fades cretome. Good inexpensive upholstery should be used for chair covers. The bottoms of chairs may be woven of bindertwine. This makes a lasting chair bottom.

Miss Doris Dean, from Southland was a guest of the club. Six members were present.

**STUDY PARLIAMENTARY LAW AT CLUB MEETING**

"Always address chairman and wait to be recognized before speaking in your club meeting," said Mrs. W. E. Galloway of Wilson giving a drill in parliamentary law in a meeting of the New Home H. D. Club in the home of Mrs. Lloyd McCormick, March 22.

Club members present were Meses, R. H. Bates, J. W. Armontrout, P. W. Goad, J. B. Anderson, G. N. McWhorter, W. A. Robinson, Charles Lee, Joe Hilton, Joe Poindexter, and Limbley. Visitors were Meses, Galloway, Byron, and Bearden.

**HAIR, TEETH AND NAILS ARE VERY IMPORTANT**

"Hair, teeth and nails have a large part to do with good grooming" says Miss Oleta Huff, sponsor of the New Lynn 4-H Club Girls, meeting in the school auditorium on March 19th.

Rules for the care of the hair, skin, nails and teeth were discussed. Plans for an Easter party were made.

Eleven members with their sponsor were present.

**EDITH H. D. CLUB MET MARCH 20TH**

The Edith Home Demonstration Club met March 20 in the home of Mrs. Walter Kahl. The entire day was spent piecing a quilt for the club ladies to sell. All members except two were present. Each brought a covered dish and a beautiful feast was served at the noon hour.

**WELLS CLUB DISCUSSES CURRENT SUBJECTS**

"America Must Choose" and "The AAA Program" were discussed in the Wells Home Demonstration Club meeting on Thursday, March 21, in the home of Mrs. Gooding.

Refreshments of cookies and Easter eggs were served after an enjoyable social hour.

Those present were: Mrs. C. Bolch, Mrs. Levi Gray, Mrs. Weaver Baum, Mrs. D. J. Bolch, Mrs. A. R. Tyler, Mrs. Fred McGinty, Mrs. W. J. Jordan, Mrs. D. L. Greenwood, Mrs. Shelby Baum, and the hostess, Mrs. Gooding.

Mrs. and Mrs. J. L. Shoemaker Jr., and children were in Lubbock Friday afternoon.

**NAZARENE WMS HOLDS SPECIAL PROGRAM MONDAY**

Continuing the Mission theme of the annual spring revival which is under way at the church this week, ladies of the WMS of the Church of the Nazarene held an open meeting Monday afternoon, with men of the church as guests.

The evangelist, Rev. Gray of Big Spring, brought a special message, from the subject "How Can They Hear Without a Preacher?"

**Lynn County Places Third in Meat Show**

Lynn county's group placed third in the Quality Meat Show held at Lubbock, Monday, Tuesday, and Wednesday of this week, according to reports published Wednesday morning.

J. W. Gardenhire's baby beef placed sixth in that division. There were 66 entries in that class.

**Young Peoples Rally Is Well Attended**

An attendance of more than one hundred and fifty was reported for the Fifth Sunday rally held at the local Church of the Nazarene Sunday by the pastor, Mrs. Pearl Keeton.

District Superintendent V. B. Atteberry was here from Abilene, and delivered the message at the morning hour. The entire day was one of blessing and fellowship.

Delegates were here from Lamesa, Big Spring, Post, Tokio, Grassland, and New Lynn.

The next meeting will be held at Post on June 30, and a large group of young people plan to attend from here.

Messes, and Meses, Guy Bradley and C. H. Cabool were in Lamesa Sunday afternoon.

There are many starting feeds but only one STARTENA!

**PURINA CHICK STARTENA**

Chicks are born with a hunger to live and grow. It's a hunger that means more than filling the tiny crop with feed. It's a hunger for keeping alive and developing little frames into sturdy chicks at six weeks.

PERHAPS it's hard to see the difference in chick at the start. But when bag is empty at six weeks, you can see it in the chicks. They tell you in life, pounds, in development, they tell you that Startena is the things a chick needs—the things so often lacking in ordinary chick feeds. That's why there's only one Startena, and you'll always find it in the Check-board Bag! See us today—have Startena on hand when your chicks arrive!

**Minor Feed Store**

**NO DEVELOPMENTS ON PARK PROJECT**

There have been no recent developments in the movement to establish a state park at Tahoka Lake according to County Judge W. E. Smith.

Application for funds to help purchase the land and develop the property was made some time ago, but Judge Smith says nothing has been heard from the application recently.—Lynn County News, Tahoka.

**DULL HEADACHES GONE, SIMPLE REMEDY DOES IT**

Headaches caused by constipation are gone after one dose of Adlerika. This cleans both upper and lower bowels. Ends bad sleep, nervousness. Corner Drug Store.

**Oil Company Staging Unique Contest**

One of the most unusual and dramatic ways ever conceived to exploit the use of newspaper advertising has been adopted by the Continental Oil Company. A novel contest has been inaugurated whereby during the coming Spring months cars and trucks will be seen on the streets and highways of some forty states plastered in hodge-podge compelling fashion with reprints of Continentals newspaper advertisements.

In addition to the circulation of ten million that Continental Oil Co. gets for its advertising by using 1363 daily and weekly newspapers, Continental's advertisements through this unique stunt will do double duty this spring.

The unique appearance of Continental cars and trucks not only serves to call attention to the Conoco campaign now running in newspapers, but also reminds Conoco salesmen of the tremendous number of car owners who read about Conoco products throughout the year in their newspapers.

It is estimated that more than three thousand cars and trucks will participate in the stunt. Aside from these company-owned and operated vehicles, it is expected that a good percentage of the 22,000 Conoco dealers will likewise participate.

Continental is one of the country's largest users of newspaper advertising and gives this medium a large share of the credit in achieving an increase of 60.4 per cent in sales of Conoco Germ Processed Motor Oil since April 1934.

Continental this year is celebrating its 40th anniversary. It began operations in Ogden, Utah in 1875. From a small distributor of Kerosene and lubricants long before the advent of the motor car it has grown into one of the nation's leading oil companies.

Mrs. Reese W. Hamblen of Marshall is visiting her parents, Mr. and Mrs. C. L. Tomlinson and other relatives and friends.

Mr. and Mrs. Buddie Smith of Lamesa were guests a short time Thursday evening of her parents, Mr. and Mrs. Bob Burdett.

Mr. and Mrs. W. E. Guye, former residents and business folk, were here a short time Sunday afternoon, en route to Lubbock, where they expected to visit their son, Wray. They are now located at Breckenridge.

Misses Evelyn Wells of Tahoka and Beverly Wells spent the week end with Mr. and Mrs. Julian Dupree of Colorado City.

B. L. Davis is able to on the job again after a serious attack of flu which laid him out for more than a week. He was back in town Friday.

I. H. Cutler, pharmacist at Davis Drug, is in Erath county this week, packing household furnishings preparatory to moving them here. He and Mrs. Cutler are expected to arrive today or tomorrow, and will occupy the former Carl Cox residence.

B. L. Davis and Dick Tune were in Lamesa on business Wednesday morning.

Harvey Line made a business trip into New Mexico Wednesday and Thursday.

**SEED FOR SALE:** Cotton, maize, hegarri, sudan, cane. See W. C. Sauls. Mrs. Ray McCarter and children of Snyder spent the week end here with her parents, Mr. and Mrs. Roy D. Smith.

Mrs. C. W. Foote and baby daughter of Canyon are visiting her parents, Mr. and Mrs. J. W. Gates.

E. T. Wells made a business trip to Gail Tuesday afternoon.

**SEED FOR SALE:** Cotton, maize, hegarri, sudan, cane. See W. C. Sauls.

Mr. and Mrs. M. Wilson have returned from Lovington, and are making their home with W. R. Sander-son. Their many friends are indeed glad to welcome them home again.

**ON TEXAS FARMS**

Following a landscape plan which she has worked out with the home demonstration agent, Mrs. B. H. Smith, Bastrop County yard improvement demonstrator, enlarged her yard to 150x60 feet and planted a screen of cedars and privet at the rear between the house and other service buildings.

Foundation plantings around the house, leveling and sodding the lawn and terracing the yard to stop erosion were all a part of this plan and this home demonstration club member hundred who are serving as dem-

bers work is typical of that of demonstrators to point the way to more beautiful farmsteads.

Denton county yard demonstrators so persevered in their work as to enlist and interest the support of the civic organizations and the City of Denton itself. Through this co-operation a place has been set aside by the Denton Park Board to receive, and care for shrubs donated by the other agencies. The shrubs are held in by the caretaker until the yard demonstrators come in from their country homes and claim them.

**"Bordertown"**

**The First "Alloyed Oil"**  
—for better lubrication of today's high-speed, alloy-steel motors!

**Alloyed by the Germ Process**

Just as the metallurgist adds small amounts of other metals to make special alloy steels, so we add small quantities of a concentrated oily essence to highly-refined, paraffin-base motor oil. This Germ Processing, discovered and patented by Continental scientists, gives Conoco Germ Processed Motor Oil lubricating qualities no other oil has.

**YOUR MOTOR** is built of parts made of special alloy metals. Car manufacturers and metallurgists worked together to produce metal alloys strong and durable enough to withstand the greatly increased pressures and temperatures of the modern motor.

Oils, too, must withstand these pressures and temperatures and they must have extra oiliness and film strength to do it. Yet oils generally have no more oiliness and film strength than they had ten years ago. And many new refining methods now used to make oils free from carbon and sludge have lowered instead of increased oiliness and film strength!

Continental, pioneering as it has pio-

neered for 60 years, has developed the first alloyed oil—Conoco Germ Processed Motor Oil! It is custom-made for high-speed, alloy-steel motors. It has 2 to 4 times the film strength of straight mineral oil, as tests on the Timken machine have proved! It has more oiliness than any oil has naturally. It penetrates and combines with metal surfaces, forming a permanent lubricating film—the "Hidden Quart". It is a pure, clean oil, free from carbon and sludge troubles. It gives extraordinary mileage as well as motor protection, as proved by the Indianapolis Destruction Test.

Say "O.K.—Drain"—fill with Conoco Germ Processed Motor Oil and you will have the finest lubrication you can buy!

They took a planned trip and enjoyed it.

"The Conoco Travel Bureau at Denver sent a complete free plan for our trip—marked road maps of every state and travel booklets and hotel and camp directories. They also sent excellent information on where to fish."

"We stopped at Conoco stations along our way for many helpful, free services. You can apply at any Conoco station for such a plan for your motor trip."

**Clean Up for Health**

In connection with the City's Clean Up program, take stock of the sanitary conditions in your neighborhood.

You spend many dollars each year to help pay the officers that protect your loved ones and your property from criminals while you sleep. Yet you will allow a more serious menace to their welfare to go unnoticed in your very neighborhood.

The unsightly, filthy, disease breeding out house and cess pool are far more dangerous than any criminal. Protect your family's health by tearing down and removing these breeding places of flies, mosquitoes, and disease.

Help clean up your community and protect your family's health by installing modern plumbing fixtures connected to the sanitary sewer.

# DAVIS DRUG STORE

O'Donnell, Texas

## MYSTERIOUS WORDS ON A PIECE OF PAPER

Often the first step toward getting well is the prescription your doctor writes for you. Mysterious words, useless to you until the pharmacist translates them into medicine. But sickness consults neither the calendar nor the clock before it strikes. It is likely to come late at night, or in the still hours of early morning—and your doctor called in the emergency, might order a much needed medicine compounded immediately.

Your Pharmacist stands ready. He keeps his light burning after other stores have darkened their Sundays, holidays, into the night, at all time and at any time, he is ready to fill with microscopic accuracy, a prescription on which a human life may depend. (Remember this the next time a patent medicine peddler calls. Buy drugs only in a Drug Store.)

This is all part of the profession we have chosen. We, as your pharmacist are ready to serve you, accurately and swiftly, in any emergency.

"The priceless ingredient of every product is the honor and integrity of its maker." Mrs. Fred Henderson now in charge of the Ladies Department.

**New Policy - New Low Prices - No Marble Tables**

A safe place to send your children, wives and loved ones to drink. All glasses sterilized, no diseases can be contracted by drinking at our fountain.

All marble tables have been removed. This is a DRUG STORE.

## Lynn County Men Attend Convention

County Judge W. E. Smith and Commissioners Jim Isard and New Hollie W. McLaughlin of this precinct, and George Small of Tahoka, returned Saturday from Brownwood where they attended a convention of West Texas judges.

Mr. McLaughlin said Monday that it was a most enjoyable and worthwhile trip, and that several matters of interest to the county as a whole were discussed. Such matters will be brought out from time to time during the year's work program.

## Taking Farmers Off Relief Rolls

Austin, March 26.—Removal of all farm families from the general relief rolls to the rural rehabilitation program was a step nearer this week as officials of the Texas Relief Commission announced that henceforth all farm families residing on farming acreage will be classed as rural rehabilitation families, and will receive aid only in the form of credit advances.

As a result, these families will come under all regulations of the rural program, and notes in favor of the rural corporation will be taken from these clients for all such assistance or on other advances from the relief administration.

Relief officials have estimated that from 35 to 50 per cent of the state's caseload consists of rural farm families and that the general caseload will be reduced by approximately 100,000 cases when all of them have been included in the rural plan.

Since many of the families affected by the new order are tenants located on farm plots, landlords will be required to waive claims on this year's crops before any further advances will be made by the Relief Commission. If the landlord, or other lien holders, refuses such waivers, the client family will be removed from the relief roll and the lien holder so notified in writing according to instructions issued by the Relief Commission.

B. P. Maddox, county relief administrator for Lynn county, said Saturday that actual count shows 500 families on the relief rolls of the county. On that date approximately \$8,000 had been received for maintenance of these families, with prospects for other funds not at all encouraging.

Prospects for farm labor are being discussed, but lack of rain has so far prevented much of this work.

## Four Aldermen Are Elected; Haymes Is Chosen Mayor

As results of city election Tuesday B. M. Haymes was named mayor of O'Donnell for the coming term, and W. T. Huff is the new member of the city council. Other members of the council are C. H. Mansell, C. H. Doak, John Earles and Fred Henderson. Mr. Henderson was held over from last year and Mansell, Doak and Earles were re-elected to their places. R. O. Stark's name was also among those of the candidates.

Voting was unusually light the total number of ballots not exceeding one hundred.

Mr. and Mrs. Naymon Everett, and Messrs. D. J. DeLoach and J. T. Middleton returned Saturday afternoon from a vacation trip. Mrs. Everett remained in Ft Worth while the three men continued on to Caddo Lake for fishing.

## Balmy Spring Days Succeed March Winds

After the storm and stress of March, which subsided at midnight Sunday night with a last defiant puff of sand and wind, South Plains folks are thoroughly enjoying the peaceful calm of April.

(Just in case we are having a rip-roaring sandstorm when this is being read, permit us to say that we are writing this article Tuesday afternoon.)

Housewives have put their week's wash on the lines today with a sigh of relief, and with floors freshly mopped and windows opened for the

first time in several days, and then have up several considerable and planting flowers. If April continues as sunny and cheerful as she has begun, O'Donnell will be a flower garden this summer.

Mr. Carl Alexander made a business trip to San Antonio over week end.

Mr. and Mrs. John Johnson and children, accompanied by Mrs. Mrs. J. Y. Everett, are in Ft. Worth this week on business, and also visiting relatives and friends.

Invalids grow strong with this marvelous new tonic which helps to restore balance of white and red blood corpuscles.

# PURSANG

It is simply marvelous how much better Pursang makes invalids feel. And not only invalids feel, but those who always feel "half sick," dizziness, averse to food, lack of exercise, a nervous feeling, a sense of being unwell, so often the many people have. So often the blood is thin and weak.

If you are irritable, tired, or nervous, can't sleep or eat well, give yourself all the Pursang treatment for a week or so. See how much better you feel.

## WARNING ISSUED AGAINST TYPHOID FEVER BY DOCTORS

Austin, April 2.—A warning against the hitch-hiking germ of typhoid fever has just been issued by Dr. John W. Brown, State Health Officer. They must catch a ride from an infected person to the well person; this is generally accomplished by water, milk, flies, fingers, or food. Every case is contracted by way of the mouth and digestive system.

A carrier is a person who has had typhoid fever at some time and who even after recovery carries the germs of the disease in his urine and discharge of the bowels. Carriers who are careless in their personal habits are likely to infect any food they handle with unwashed hands. Some of the most serious and far reaching outbreaks of the disease have been

caused by drinking milk or eating foods that have been handled by carriers. Persons may be carriers without knowing it.

Typhoid fever is unnecessary and preventable. Every case is due either to community negligence or to the ignorance and carelessness of some individual. Persons planning a vacation trip where sanitation may not be rigidly enforced should protect themselves against this disease by being vaccinated. Three inoculations with typhoid vaccine, a week apart, are all that is necessary to secure protection against this disease for two years. The purity of water, milk or food cannot be judged by looking at it so the best thing to do is to play safe and have your physician protect

## Shumake Children Taken To Hospital

Much concern is felt throughout the community this week for the welfare of the children in the Frank Shumake family. Rebecca Mae, the oldest of the three, and Frank Jr., were taken to Dallas this morning, (Thursday), for major operations. Only Mrs. Shumake is with them, having gone down with Mr. and Mrs. C. C. Caldwell.

Rebecca Mae has been troubled with mastoid for some time, and Frank Jr. is to undergo another operation on his eyes. It is sincerely hoped by their many friends throughout the territory that both operations may be successful.

The Index joins with these friends in extending best wishes.

Mr. John Earles made a business trip to Ft. Worth the first of the week.
